Look To The East

By AARON EDGAR

There are some knolls protruding above the surface of the ocean way out yonder.

They are but tiny dots on the map; and, in our opinion, it would take an expert navigator to find them.

They appear on the map to be a wee bit larger than a fly speck on a piece of writing paper.

They are called the Falkland Islands. Their total area is reported to be 4,700 square miles, and they are sparsely populated.

But they are large enough to cause a great squabble between two nations--Britain and Argentina. This squabble has been the cause of concern of much of the civilized world during recent weeks.

It has resulted in Secretary of State Alexander Haig becoming the great peacemaker and traveling great distances.

First discovered by a Briton, John Davis, in 1592, the Falklands have been topics of concern since that time. Britain, the French and Spanish asserted claims of sovereignty for many years, as they did over much of the proclaimed new world.

The dispute brought Britain and Spain almost to the point of waging war in 1770. Then came a successful Argentine revolution in 1816, and the Argentinians claimed to succeed Spain in sovereignty of the islands, taking possession in 1820.

In 1833, the British returned and expelled the Argentinians, establishing permanent settlements. Since that time, the British have ruled the Falklands, and the Argentinians have continued their claim of sovereignty.

The dispute that has been carried on through the years erupted into action some two weeks ago, when Argentina invaded the islands, retaking a territory which they claim is rightfully theirs.

The British were in disagreement, and during the uproar in London, some high government officials resigned and there were calls for Prime Minister Margaret Thatcher to do likewise.

She refused, and sent the British armada sailing toward South America to recapture the lost British colony. It looked like war!

Wives kissed their husbands goodbye, and sweethearts shed crocodile tears as the once most powerful navy in the world set sail. Things have been tense since, and Mr. Haig has shuttled between London, Buenos Aires and Washington so much that he's surely becoming travel-weary.

It's kinda like the old Shakespearean play, "Much Ado About Nothing".

Fact is that the Falklands are reported scarcely worth fighting for. They are several hundred miles off the coast of Argentina, in the South Atlantic archipelago, and so tiny that it would appear a giant ocean wave could dispense them into oblivion.

They are inhabited by about 1,800 to 2,000 people, most of whom are of British descent, and some 600,000 sheep. Cool winds make trees rare and poor, acid soils are hostile to most any vegetation other than native grasses. It takes four and one-half acres to graze a single sheep, and ranches take on Texas dimensions. The largest ranch is about 160,000 acres.

Although in a dispute over sovereignty, people of the islands are the lineage which has constituted the great bulk of the islands' populated history.

Yet, they are so far away from home plate, that the British armada has sailed for two weeks, and presently have not reached their destination.

It's an 18-hour trip by fast plane for Mr. Haig to get from one spot of trouble to another.

The base of the trouble is oil, which has been found nearby, and there is reason to believe the Falklands may have significant deposits. Both battering nations would surely like to "grease" their economy with this substance!

Whatever the outcome, our hope is that: "Oil's well that ends well!"

Solving of the Falklands problem hadn't shown much improvement at press time Tuesday.

GOOD CITIZENS: Ethelyn and Goodson Sellers were proclaimed "good citizens of Munday" at the annual Chamber of Commerce banquet. Goodson was honored by being awarded the annual "Citizen of the Year" plaque, and Ethelyn received a corsage for "filling in" in making the daily weather reports to Channel III-TV, Wichita Falls.

25-Year Resident Receives Citizen Of The Year Award

What can I do to help?

This question has been asked many times, by word or by example, by the person who was honored on Thursday night, April 15, as recipient of the Munday Chamber of Commerce annual "Citizen of the Year" award for 1981.

The award was presented at the annual banquet to a surprised Goodson Sellers, former manager of West Texas Utilities Company's Munday office, by M. L. (Moulton) Wiggins, retiring president.

It exemplifies the esteem which fellow citizens have held for the recipient as he went about his daily facets of service to

his town and community, and to his fellowmen.

Arriving in Munday early in February, 1957, from Rule, Sellers took over management of the Munday WTU office after the death of A. H. Mitchell. Already he had served the company for 27 years in various positions and capacities. His wife, Ethelyn, joined him here, and soon they were identified in many phases of church, community and civic life.

By virtue of his connection with WTU, supplier of electric service to the area, Sellers enlarged his span of activities into many other opportunities of service, which included:

--Immediate involvement in activities of the First Baptist Church, with which both he and Ethelyn became identified--he as deacon and she as teacher in the Sunday school.

--Member and director in the Munday Lions Club for many years.

--Member of the Munday Chamber of Commerce, serving as president in 1960, then a director for some time. He also served as Munday's representative and director in West Texas Chamber of Commerce for a number of years.

--Chairman of the fourth annual Munday Vegetable Festival in 1966, an event which was also sponsored by the Chamber of Commerce for seven consecutive years.

--Actively engaged in the Lake Creek Golf Association, serving as secretary for a number of years.

When he retired in September, 1973, he jokingly said he was "getting out of the rat race." But retirement didn't mean he was quitting.

Within a week, he found himself keeping Munday's temperature and rainfall records for the U. S. Weather Service. This required another demanding chore--that of making daily reports, five days a week, to Channel 3-TV in Wichita Falls, another activity sponsored by the Chamber of Commerce and a service he is continuing today.

On May 12, 1974, he was appointed municipal judge for the City of Munday, which office he held until July 1, 1979.

The life of Goodson Sellers has been

Large Crowd Attends Annual Chamber Banquet

A large number of Munday citizens, area people and guests from great distances gathered at Munday High School gymnasium Thursday evening for the annual Munday Chamber of Commerce and Agriculture banquet.

M. L. Wiggins, outgoing president of the Chamber of Commerce, served as

master of ceremonies. Rev. Bill Fitzgerald, missionary in Nigeria, Africa, for First United Methodist Church, gave the invocation.

Miss Mona Choucair, senior daughter of Mrs. Joe Choucair, provided pleasing dinner music on the piano. Charlie's Caterers of Wichita Falls served the meal. A selection of four meats, a nice variety of vegetables, relishes and salads, with pie, iced tea and coffee were included in the menu.

Special music for the guests' entertainment was performed by the "Night Wind Chorus", a group of McMurry College students under direction of Betty Karol Wilson, professor of music at the college. They sang a varied selection of older songs, and were well received by those in attendance.

In opening remarks, Mr. Wiggins recognized Brand Cude, who has recently returned from the 52nd 4-H conference in Washington, D. C. Brand is the senior son of Mr. and Mrs. Bob Cude.

David Key, Chamber of Commerce director and treasurer, recognized out-of-town guests. These included Bill Warren, Carlton Moore, Mr. and Mrs. Mickey Uriniak and Mr. and Mrs. Howard Morgan, all of Wichita Falls; Mr. and Mrs. Earl C. Gilmore Jr., Vernon; Steve Carraker and Mark Moran, Roby; Mr. and Mrs. Ron Laney and Debbie Morris, Seymour; Mr. and Mrs. Cliff Cobb, Loyd Blackwell, the Bill Glens and Mr. and Mrs. Ray Arledge.

Benjamin Student To Be Honored At Awards Banquet

Tammy Bates of Truscott will be honored for her outstanding contributions to the Texas soil and water conservation program at the Region V Awards Banquet on April 29. The banquet will be held at 7:00 p.m. in Stephenville.

Tammy, a student at Benjamin High School, was the Grand Champion of the local Wichita-Brazos Soil and Water Conservation District's annual Essay Contest. Her winning essay was then entered in the regional Essay Contest where Tammy placed second out of entries from 54 counties in North Central Texas.

Attending the Awards Banquet with Tammy will be L. D. Offutt, Chairman, and Charles Griffith, Secretary-treasurer of the Wichita-Brazos SWCD, and his family; Carl Hutcherson, District Conservationist with the Soil Conservation Service, and Belle Grill, Tammy's teacher at Benjamin High School.

Tammy is to be commended for her outstanding achievements.

County Officers Attend Rape Crisis Seminar

Sheriff Gene Nix and Mrs. Fred Carver, deputy-dispatcher for Knox County Sheriff's Department, attended the Professional Rape Crisis Seminar held in the Haskell Courthouse on Wednesday, April 14.

A Volunteer Rape Outreach Center is beginning in this area. If you are interested in becoming a volunteer please contact the Abilene Rape Crisis Center (915) 677-7895. The training program for volunteers will be in Haskell on May 8, from 9:00 a.m. to 5:00 p.m. For further information, Sheriff Nix can be contacted at 422-4240 or 454-2211.

According to national statistics, reported rapes have more than doubled, from 27,620 in 1967, to 63,020 in 1977. A Justice Department study in 1978 showed that only one in four rapes result in an arrest; only one in sixty results in a conviction. The FBI reports that convicted rapists have a recidivism (repeating the same crime upon release from prison) rate of seventy percent. Odds are better than one in fifteen that a woman will be raped in her lifetime. Rape is a violent crime, not a sexual advance.

Statistics indicate that everyone is affected by this crime. The victim suffers physically, psychologically and emotionally; but the rest of society also suffers. Victims range from four months to 89 years, and come from all ethnic backgrounds.

Cities Show Increases In Sales Tax Rebates

State Comptroller Bob Bullock recently sent checks totaling \$31.8 million to 962 cities as their share of the one-percent city sales tax for April.

"Total payments we have sent to these cities so far this year are running more than 19 percent ahead of last year, which means sales of taxable merchandise in these cities are running that much more than 1981," Bullock said.

Houston received the biggest check, \$7 million, up 27.9 percent from the April 1981 check.

Dallas received \$3.8 million compared to \$2.7 million last April. San Antonio received \$1.6 million, compared with \$1.2 million last April.

The City of Fort Worth got a check

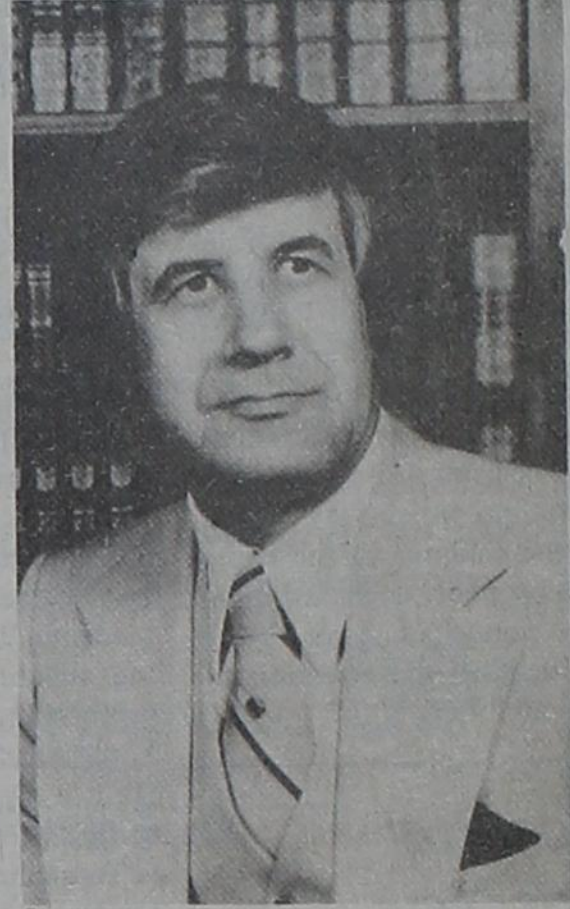

for \$1.1 million, up 37.9 percent from April of last year.

Some of the small towns, including Munday, showed a decline in amounts received from the same period last year. Munday's check was for \$2,684.82, which was off 6.18 percent.

Knox City received \$3,495.77, and showed an increase of 19.47 percent over the same period last year.

Benjamin and Goree were not included in this month's receipts, but for the period Benjamin showed an increase of 67.67 percent, while Goree showed an increase of 20.63 percent. Weinert's increase was 6.71 percent.

Haskell and Seymour showed increases of 18.73 and 9.02 percent, respectively.

DR. ROCKY FREEMAN

Goree Baptist Church Slates Special Services

A revival/biblical prophecy conference has been announced by the First Baptist Church of Goree, beginning with the Sunday evening services on Sunday, April 25, at six o'clock.

Dr. Rocky Freeman of Fort Worth will be guest evangelist. He was born in an Orthodox Jewish home, where he received training in Judaism. In his teens he wandered from these teachings into drugs, vice and other illegal activities.

Dr. Freeman found Jesus of Nazareth as the Jewish Messiah and surrendered his life to the cause of Christ. He has held over 1,000 meetings and conferences in several nations of the world and is sought after as a teacher of biblical prophecy, family living, occultism, etc. He is in demand to relate the Old Testament to present-day Christianity.

He speaks five languages and has authored several papers and booklets which have been translated into the Chinese and Spanish languages. He conducts the "Creative Living Counseling Service", counseling with many individuals and families from several states.

Services will be held twice daily, at 10:30 each morning Monday through Saturday and at 7:30 each evening Monday through Friday.

Dr. Freeman's messages will be both interesting and inspirational, and the entire public is cordially invited to attend any or all of the services.

City Council Meets . . .

Annexation Ordinance Passed, Another On The Drawing Board

The City Council of the City of Munday, Texas met April 13, 1982 in regular session at 8 p.m. at the Munday City Hall.

Members present: Mayor James W. Reid and Aldermen Donald Hobert, Von Marr, Bob Therwanger, Ray Lynn Hardin and M. M. Booe.

Members absent: none.

Mayor Reid called the meeting to order. Minutes of the April 6, 1982 special meeting were read. No alterations. Mayor Reid stated minutes approved as written.

First business was passage of a proposed ordinance to annex a tract of

land to the City of Munday, Texas. A petition dated February 9, 1982 from Gary Tidwell and wife Lezli Tidwell has been received by the City Council and a public hearing was ordered in regular session on February 9, 1982. On March 9, 1982 in regular session, the Mayor again presented the petition. There was no opposition. Due notice was ordered to be given to the Munday Courier for publication on March 11, 1982 and final public hearing held on March 22, 1982. Again no one appeared in opposition. Hobert moved that the ordinance read be passed: An ordinance annexing a tract of land and connecting a tract to the North side of North Park; said tract of land owned by Gary Tidwell and wife Lezli Tidwell. Full text of ordinance is in the City Annexation files.

Next business was reading of an annexation petition of Severiano Garcia and wife Maria Garcia; said petition requesting of the following tract to the City of Munday, Texas; All of Lot No. One (1) in Block No. Three (3) of the Ruff Addition to the town of Munday, Texas. After consideration, Marr moved the annexation petition of Severiano and Maria Garcia be approved and that a public hearing be set for the next regular meeting and notice be published in the Munday Courier. Therwanger seconded. Voting for were Marr, Therwanger, Booe, Hardin and Hobert. Carried.

Application for pool operator and lifeguard for 1982 pool operation were next considered. The appointment for alderman, over parks and pool has not

Farm Bureau Attempts To Boost Trade

In a major effort to bolster sagging U. S. farm prices by boosting trade with Japan and the European community, Farm Bureau leaders will be traveling soon to Tokyo, Brussels and Geneva.

Carrol Chaloupka, Texas Farm Bureau president and a cattle and grain producer from Dalhart, will travel with one group of state Farm Bureau presidents to Japan April 18-24.

"We're going to discuss some problems over trade restrictions and let them know that American farmers and ranchers are concerned," Chaloupka said. "We want to help our U. S. trade representatives convince these trading partners that we, the farmers and ranchers, are backing efforts to resolve these trade problems. We've got a surplus of farm commodities, and developing these foreign markets will certainly help."

Robert B. Delano, president of the American Farm Bureau Federation, will lead two groups of state Farm Bureau presidents to these trading areas, April 18-24 to Japan and May 22-28 to Europe. Arrangements are being made for the trips through the U. S. Department of Agriculture and other government agencies to coordinate the Farm Bureau talks with trade negotiations now in progress.

Routon Named To Who's Who

Russell Routon, senior student at Hardin-Simmons University and 1978 graduate of Munday High School, has received the honor of being listed among Who's Who Among Students In American Universities and Colleges for 1982.

The list was recently released from the Who's Who national office in Tuscaloosa, Alabama. Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievements, service to the community, leadership in extracurricular activities and future potential.

While a student at Hardin-Simmons, Russell served as freshman student congress representative and congressman at large this year.

He pledged Kappa Phi Omega in the spring of 1979 and served as historian his junior year and is presently serving as president.

A member of the Hardin-Simmons Cowboy band all four years, Russell was drum major his junior and senior years.

Russell is the son of Mr. and Mrs. Charles Yost of Munday.

At General Telephone... We're Not Simply Talking About Service Improvements We're Making Them In Munday

At General Telephone, better service isn't just a goal. It's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 410 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.

OTWELL TWINS will perform at Rolling Plains Production Credit Association's annual stockholders meeting.

Otwell Twins To Entertain At PCA's Meeting

The Otwell Twins, regular performers on the Lawrence Welk Show, will entertain at Rolling Plains Production Credit Association's Annual Stockholders Meeting to be held Friday, April 23, at 10:00 a.m., at the City Auditorium in Childress, and Saturday, April 24, at 10:00

a.m. in the High School Auditorium in Stamford. Lawrence Welk, upon hearing a tape of the singing Otwell Twins for the first time, was so impressed he wrote to their home town of Tullia, Texas, and invited them to appear on his show. "And by the end of their first

appearance," he says, "I knew I had found something special. They turned out to be two of the nicest, finest, most talented young men I have ever met, and if they keep on the way they're going, they can't help but go right to the top."

Roger and David appear to be doing just that. Besides their weekly appearances on the Lawrence Welk Show, they have performed at numerous events including Disney World in Florida, Disneyland in California, fairs, concerts, and the West Texas Rehabilitation Telethon in Abilene. A recording featuring some of their own compositions is now in the offing.

They have been singing together ever since they can remember. Many of their songs reflect their Texas roots, and their deep cultural and religious heritage. Both boys love the land. "Our daddy was a landowner at one time, but by the time we were born, he was a ranch hand, and we were poor. Real poor. We both worked at any jobs we could find all the time we were growing up to help make ends meet."

Stenholm Against Congress Exemption

Congressman Charles W. Stenholm will forego a provision passed by Congress late last year that gave Congressmen and Senators an increased 1981 income tax exemption.

Stenholm, Democratic representative from Stamford, said passage of the tax break, attached to the Black Lung Benefits Revenue Act of 1981 and giving legislators a \$75 per day exemption for living expenses incurred while Congress is in session, did not "meet the minimum standards of equity and fairness that the public has a right to expect from its elected officials."

56th Annual Fish Day Set At Seymour

The 56th annual world famous Fish Day, sponsored by Seymour Chamber of Commerce, has been scheduled for May 1, 2 and 3, 1982, at Lake Kemp, Seymour entrance. A fun-filled weekend has been planned with activities for every member of the family. All events are opened to the public except the Miss Lake Kemp contests. These two events are limited to residents of Baylor County.

Festivities will start Saturday, May 1, with a Chili Cook-Off, CASI rules. Cooking will start at 11:00 a.m. with judging at 4:00 p.m. There will be a \$15.00 entrance fee for this event. Jerry Barton is chairman and can be reached at 817-888-2424 for further details.

Other events will include a frisbie contest, with free frisbies furnished, cow chip throwing contest, volleyball, horseshoe pitching and washer pitching tournaments, bass tournament, carp and kid fishing tournament, ski show, ski contest and boat races.

Sunday, May 2 at 6:00 p.m. there will be a picnic, followed by a parade, dress parade, Gospel music and church services led by the First Baptist Church of Seymour will conclude Sunday's activities.

The kid fishing and a crazy hat contest will kick off Monday's events. The final event of the weekend will be the Little Miss Lake Kemp contest at 1:15 p.m. and Miss Lake Kemp contest at 2:30 p.m. Rich Segal of TV Channel 6, Wichita Falls, will be master of ceremonies for the Miss Lake Kemp contests.

The public is invited to attend and participate in the scheduled events. For pre-registration or more information, contact Seymour Chamber of Commerce at 817-888-2921.

Stenholm was one of only 47 Congressmen voting against the provision, which is retroactive to include the 1981 tax year.

"I am cosponsoring legislation that would prevent this kind of maneuvering in the future," Stenholm said. House Bill 4807 would defer Congressional pay increases until after an election of the House has taken place, he pointed out, giving the electorate the option of determining whether or not a public official should be re-elected before benefiting from a salary increase for which he or she had voted.

"And we are still trying to rescind the bill passed last year," Stenholm said. "In the meanwhile, I have no intention of taking these increased exemptions in my income tax return this year. Simple fairness dictated no other action on my part."

Young Seeking Voter Support

In her final statement ahead of the election on May 1, 1982, Imagean Young is asking support of the voters in her campaign for the office of justice of the peace for Precinct Two.

Mrs. Young was born in Marlow, Okla., on October 22, 1930, and attended Benjamin High School. She has been a beautician by profession for 21 years. She married F. L. (Dutch) Young, and they have three children. Mr. Young has worked for the Texas Department of Highways and Public Transportation for 20 years.

"I feel that I am capable of handling the job of justice of the peace. Since I have a beauty shop in Benjamin, I would be available to serve when called upon. I would appreciate your vote and support in the upcoming election, and will serve you well if elected."

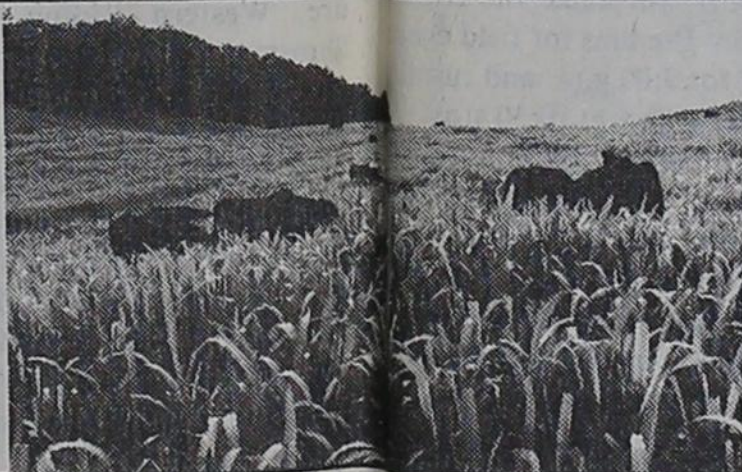

Adult Leaders Association To Meet

The Knox County Adult Leaders Association will meet Monday, April 26, 1982 at 7:30 p.m. in the Assembly Room of the Knox County Courthouse in Benjamin.

Officers will be elected for the 1983 year and plans made for the Mother's Day Barbecue on May 9.

"We need everyone at this meeting so we can elect a great bunch of officers and so our Mother's Day Barbecue will be a success!" stated April Stamps and Charlie Siepel, county extension agents.

WHAT TO DO IF YOUR LIGHTS GO OUT

We'll do our best to keep it from happening, but let's face it. Even with the miracles of modern technology, it sometimes occurs in the best of systems.

So, if your power goes off, we hope you'll help us get it back on as quickly as possible.

HERE'S WHAT YOU SHOULD DO:

1. Check your neighbors. Call them or go outside and see how widespread the outage is.
2. If your house is the only one affected, check your breaker box.
3. If the trouble is not on your side of the meter, call us - your local WTU office - and give us the following information:

- Your name and address
- Time of the outage
- The area affected (as many addresses as possible)

We'll take it from there. Please don't prolong the call with questions that can't be answered. We'll be getting many other calls, depending on how widespread the outage is. And, if you're answered by a recorded message, it means that the dispatcher already has been swamped with calls and that we're working on the problem.

WEST TEXAS UTILITIES COMPANY

Remember, our goal, as always, is to provide reliable electric service at the lowest practical cost. And if an outage does occur, we aim to restore service without delay. We appreciate your help.

THREE GUESTS AT THE MUNDAY CHAMBER OF COMMERCE BANQUET held Thursday night, April 15, are from left, Representative W. S. "Bill" Healy, Congressman Omar Bureson and Congressman Charles Stenholm. Mr. Healy introduced Mr. Stenholm, guest speaker at the banquet. The citizens of Munday presented Mr. Healy with a Humanitarian award during the banquet ceremonies.

one of service. Other than the above-mentioned periods of public service, he has found time and means of being constantly involved in acts of personal service to others. Race, creed, station in life mattered little—if a worthy person was in need, Sellers usually found a way to help supply this need.

So the award of Thursday night was justly deserved. It was not made because of last year's involvement, but for a period of local activities for more than a quarter-century.

Mrs. Sellers received a corsage in appreciation of her serving as "Mrs. Weatherman" at times when Goodson was playing golf or was otherwise indisposed when time came to call in the weather report.

LARGE CROWD

Stamford; Walter Grubbs, Merkel; Mr. and Mrs. Bill Baker, Mr. and Mrs. David Albus, Hobb Smith, Doris Crowover and Dick Evatt, Knox City; Mr. and Mrs. Lee Patterson, Goree; David Kent and Congressman Omar Bureson, Abilene; Mr. and Mrs. Dale King, Anson; Mr. and Mrs. Bobby Roberson, Benjamin; Mr. and Mrs. Roy Bouldin, Denison; Mr. and Mrs. Wayne Sutton, Vera; Jim Kendall, San Angelo; Mr. and Mrs. Kenny Owens, Aspermont; Betty Mahan, Throckmorton; and Lorne Beason, Haskell. Mr. Key commented that if other visitors were present and had not registered they were indeed welcome. Munday was pleased to host these out-of-town people who took time out to attend the annual affair.

Rev. Ivan Allen, president of Munday Area United Fund, Inc., was present to acknowledge his appreciation to Keith Davis, who served as campaign chairman of United Fund. Rev. Jim Way received an award for this service for Mr. Davis in his absence.

M. L. Wiggins presented present directors of Munday Chamber of Commerce and commended them for serving in this capacity. They are Norm Anderson, Jim Cottingham, Johnny Cook, Bob Cude, C. H. Herring, M. C. Hurst, Frank Jackson, David Key, Bob McWhorter, Douglas Parker, Larry Thompson and Wayne Zeissel. Munday's West Texas Chamber of Commerce directors are M. L. Wiggins, a life member, and Robert Nix.

As always, the announcement of the recipient of Munday's Citizen of the Year award is a highlight of the banquet. This year the honor was bestowed on Mr. Goodson Sellers. A separate article will detail this presentation. The Sellers' daughter and husband, Mr. and Mrs. Glenn Marugg of Woodward, Okla., surprised the Sellers by being present.

Munday was privileged to have the honorable W. S. "Bill" Healy present to introduce Congressman Charles Stenholm, speaker of the evening. Congressman Stenholm presented the picture of the country from his view, both good and bad. He gave some comparisons of our country at the present time and in the 1930's. "The challenge, he stated, "is before us to help ourselves. We must either cut spending or raise revenues." It was his opinion that work toward a secret of only borrowing as a nation what we could pay back should be sought. He called for Tip O'Neal and President Reagan to set aside their partisan differences and join together in efforts.

Robert Nix presented a special award, the Humanitarian award, to a deserving Bill Healy. Mr. Nix mentioned, "The political life of Representative Healy was well known and appreciated, but another side of this man is equally important as he goes out of his way daily to help others. This award is to recognize the many good deeds done by this man for the people of Munday, both as a

group and individually."

Goodson Sellers made a presentation to Channel 3 television newsman Bill Warren to acknowledge the association of Channel 3 and Munday in broadcasting the weather temperatures daily for the past twenty years. Mr. Sellers stated, "Sometimes I report the high on a summer day and Bill calls back to confirm that it really got that hot in Munday!" Mr. Warren was present to receive the award.

In lieu of a past president's plaque, in addition to those he has previously received, incoming president Doug Parker presented M. L. Wiggins a certificate naming him the first lifetime director of the Munday Chamber of Commerce and Agriculture, which read as follows: "The Munday Chamber of Commerce and Agriculture has elected Mr. M. L. Wiggins a Lifetime Director in grateful appreciation for dedicated service to the Munday area."

Mr. Parker then made closing remarks and the benediction was worded by Rev. Fitzgerald.

CITY COUNCIL
Continued from Page 1

yet been made and discussion on this matter was tabled at this time. Also, Mayor Reid declined at this time to designate councilmen to the various departmental duties.

A report from Touche and Ross on the telephone company increase request before the Public Utility Commission was discussed. Their report shows General Telephone rate request to be excessive. A news release is being given the Munday Courier to report Touche and Ross findings. No other Council action needed now.

Next considered was appointment of a director from Munday to the North Central Texas Municipal Water Authority for the period of June 1, 1982 to June 1, 1984. Discussed. Mayor Reid appointed Clint J. Norman as the director for the above stated term to represent Munday as one of our directors (Munday has two).

Mrs. Sandra West met with the Council in regard to the drug problem in Munday. Chief Saffel and Patrolman Cypert were also present. Various ideas discussed. No official action taken at this time.

The council discussed the April 1, 1982 to March 31, 1983 budget as prepared by the city administrator. Estimated receipts are \$395,404.00. Estimated disbursements are \$398,664.00. Recommendations by the city administrator are that water, sewer and garbage rates and taxes not be increased at this time; also that operations be checked and trimmed where we can. Mayor Reid also had a recommendation that vehicle numbers be reduced (insurance and upkeep on each vehicle whether used or not have risen). After consideration and discussion of the budget, Mayor Reid said further consideration is needed and another meeting will be called at a later time to adopt the budget and make other needed decisions in this regard.

Discussion next centered around junk or inoperable vehicles on city streets; also old junk vehicles on private property which are eyesores to the city. The city administrator is to write some other area cities to find a good enforceable ordinance that will work in Munday. This matter is to be further considered at a later meeting.

Hobert next moved that bills be paid as follows: from airport fund, \$99.74; from ambulance fund, \$324.73; from swimming pool fund, \$492.46; from operating fund, \$13,261.83. Hardin seconded, all for.

Marr moved to adjourn. Therwanger seconded. All for.

Stenholm's Staff Member In Munday

A member of Congressman Charles Stenholm's district staff will be in Munday on Tuesday, April 27, 1982. He will be at the Chamber of Commerce office from 2 p.m.-5 p.m.

In announcing plans for regular visits by members of his staff, Congressman Stenholm said that this is part of an effort to do a better job in serving the people of the 17th Congressional District.

"With thirty-five counties to represent and help in any way I can, I believe this will be a valuable means of access to my office," Stenholm said.

Anyone with a problem or desiring to have direct communication with the Congressman is urged to take advantage of this opportunity.

Mogulettes To Odessa For Regional Meet

Coach Bill Dennis and the Mogulettes who qualified to compete at regional level will travel to Odessa on Thursday (today) morning. They will have a light work-out Thursday afternoon on the track. Kelli Smith and Elaine Jones will jump at 1:00 p.m. Thursday. The running pre-lims will begin at 3:00 p.m. Friday afternoon, with the finals scheduled at 1:00 p.m. Saturday. The other girls making the trip will be Vickie Shields, Regina Jones and Deedee Kuehler.

The meet will be held at Odessa High School track. Several families of local people are planning to attend. Coach Dennis urged all who could to be present.

Boys District Track Meet Today

Today, Thursday, April 22, Munday boys varsity, junior varsity and junior high tracksters will compete in the district meet at Quanah. Coaches Russell McLesley and Rogers Lanford work with these boys.

Fourteen boys will make the trip on the varsity team. Pre-lims for field events are scheduled for 9:00 a.m. and running pre-lims will take place at 10:30 a.m.

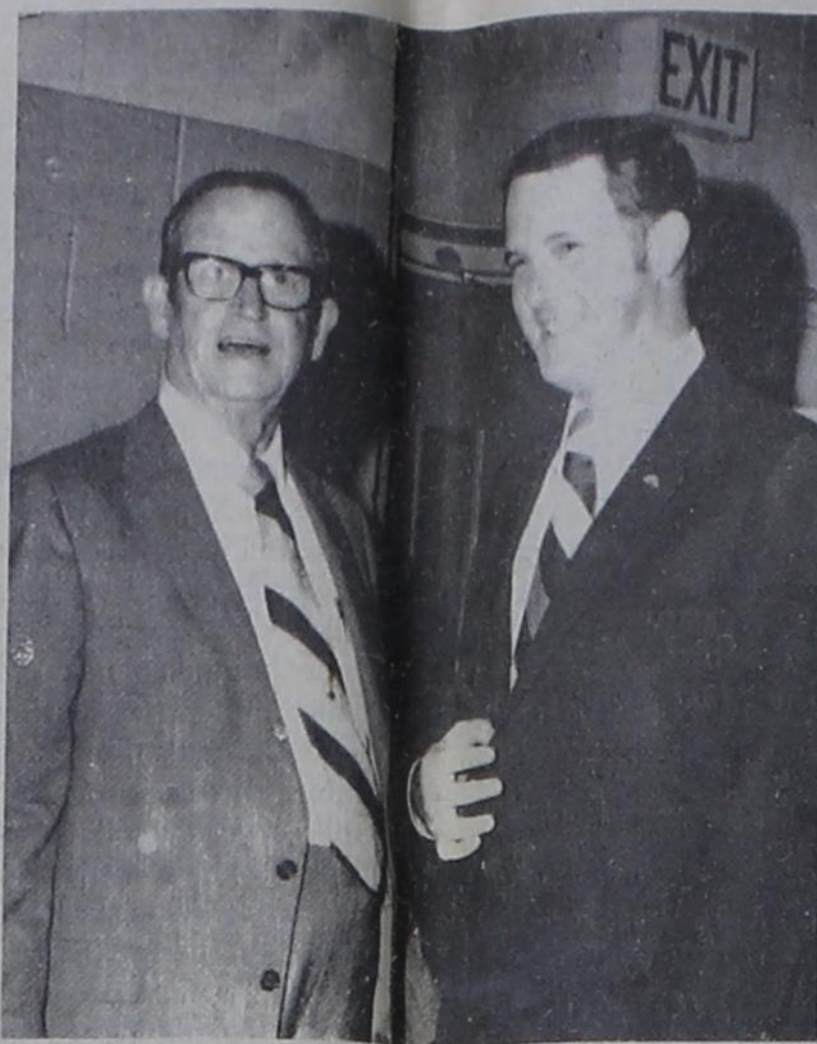

Finals will begin at 2:00 p.m. Coach McLesley stated, "The teams we will be watching are Seymour and Paducah, but Munday will be in the running. I invite all the local people who can possibly attend to come to Quanah that afternoon and watch the boys perform on the track."

LETTER TO THE EDITOR
Denver, CO
April 9, 1982

Dear Editor
Again, we are renewing our subscription for the Munday Courier. Sure do enjoy reading up on the Munday news. Just want to say thank you so much for the paper. Did not miss a single copy.

Would like to let all our friends there know our son passed away December 29, 1981. Thanks to the editor again.

Sincerely,

WALTER GRUBBS of Merkel and Bill Warren of Wichita Falls were photographed as they talked with each other following the Munday Chamber of Commerce and Agriculture banquet on Thursday night. Mr. Grubbs is a candidate for state representative of the 78th district, and Mr. Warren is associated with Channel 3 Television in Wichita Falls.

Edward Baty Dies April 14 At Weinert

Edward A. Baty, 64, resident of the Weinert area, was found dead of natural causes at about 11 a.m. Wednesday, April 14, at his home.

He was born on July 22, 1917, at Marlin, later moving to the Weinert area where he had farmed until his retirement. He was a veteran of World War II and was a member of IOOF Lodge No. 525 in Haskell. He was a member of the First Baptist Church of Weinert.

Funeral services were held at 10 a.m. Saturday from the First Baptist Church in Weinert with the pastor, Rev. Paris Barton, and Rev. Hubert Segro of Haskell officiating. Burial was in Willow Cemetery in Haskell under direction of Holden-McCauley Funeral Home.

Serving as pallbearers were Eddie Sanders, Dale Carroll, B. Dunnam, Floyd McGuire Sr., Mitchell Reynolds and Russell Rainey.

Survivors include several cousins.

Practice Day Is Set For Horse Show

The Knox County 4-H Clubs will sponsor a practice horse show on Sunday, May 2, at 2:00 p.m. in the Knox County Arena at Benjamin. All young people 19 and under are urged to come for an afternoon of fun and instruction in all the riding events which will be included in this year's Knox County Horse Show in June.

This will be an afternoon of practice in all events with no judging or timing of events. There will be three events in each of three categories. In the judged events, there will be Western Pleasure, Western Riding and Showmanship. In the speed events, there will be barrel racing, pole bending and stake racing. In the roping category, there will be heading and heeling, breakaway roping and calf roping. Everyone is encouraged to bring his horse and enjoy the afternoon.

Cheerleaders Elected for Upcoming Year

Cheerleaders for Munday High School were elected recently. Students who will prepare themselves to lead the Moguls to victory during the school year of 1982-83 include Kristi Smith, Pam Welch, Janet Myers, Mary Jane Kuehler and Kelli Smith.

Kristi and Kelli are the daughters of Mr. and Mrs. Richie Smith. Other parents are Mr. and Mrs. Roy Welch, Mr. and Mrs. Billie Jake Myers and Mr. and Mrs. Alfred Kuehler, respectively.

The first public high school in the U. S. was opened in Boston in 1821.

STEVE CARRIKER of Roby, candidate for state representative of the 78th district, is pictured as he visited with Douglas Myers and Larry Smith following the annual Munday Chamber of Commerce and Agriculture banquet held last Thursday evening.

Open Horse Show Set At Knox City

The annual Knox County Open All Trophy Horse Show will be held at the Knox City arena June 12, beginning at 9:00 a.m. There will be three divisions, with a high point buckle being awarded in each division.

Groups will be divided in thirteen years of age and under, fourteen through eighteen and an open division for adults and any age youth desiring to enter. The date January 1, 1982, will determine the correct division for each age.

Performance classes will be conducted under 4-H rules. Included in performance will be English pleasure and English equitation. Halter classes are planned for stallions, mares and geldings.

For more information, contact Mary Ann Boone, Route 1, Box 151, Knox City, 79529, or call 817-658-3916.

Judging the show will be Tom Bigbee of Ft. Worth.

Regional UIL Meet Held

Mr. and Mrs. Doug Donoho accompanied a group of Munday students to Odessa on Saturday, April 17, for Regional U. I. L. Literary competition.

Mona Choucair, senior, placed third in Newspaper Feature Writing. Mona also participated in Ready Writing.

Others who competed at regional included Deedee Kuehler, Calculator; Kevin Kuehler, Informative Speaking; James Tidwell and Julie Partridge, Debate; Julie Partridge, Editorial Writing, and Mary Jane Kuehler, Headline Writing.

Take "Eye-Q" Test During April

April, Prevent Blindness Month in Texas, is a good time to check your "Eye-Q". How smart are you about your eyes? Smart enough to keep from being one of the 1,300 Texans who will needlessly lose their sight this year? Or do you need more information to help insure a lifetime of sight?

To find your "Eye-Q", the Texas Society to Prevent Blindness recommends its brochure, "Professor Ludwig Von Drake's I Q". This booklet answers ten pertinent questions on eye care and also lists the warning signs of eye trouble in children and adults. For those who wish additional eye information during Prevent Blindness Month, the Society also suggests writing for the booklet, "Your Eyes for a Lifetime of Sight". To obtain either, send a long, stamped addressed envelope to Prevent Blindness, P. O. Box 20/20, Houston 77252.

The Texas Society is a affiliate of the National Society to Prevent Blindness, the oldest voluntary health agency nationally engaged in preventing blindness through community service programs, public and professional education and research.

Create Inside-Out Creamy Cupcakes

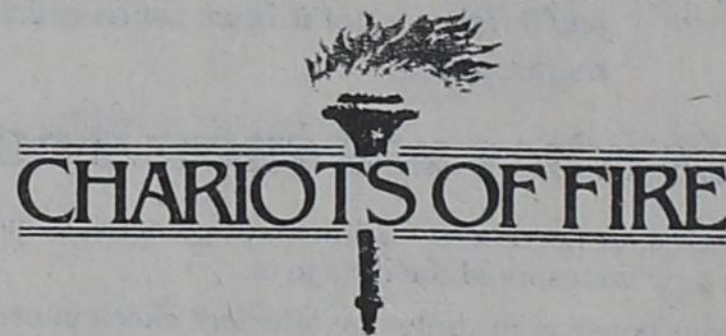

Join two great food concepts and create cupcakes that promise to make the simplest meal a real occasion. Thawed frozen whipped topping with real cream and packaged gingerbread mix answer today's interest in convenience and great taste. The center of each gingerbread cupcake holds a luscious dollop of whipped topping with real cream. How did it get there? A gentle scoop from cupcake center leaves room for whipped topping, which hides under the cupcake top when it's returned. Toasted gingerbread crumbs garnish the whipped topping "frosting." Serve the day they're made. Or store in the freezer and take out 5-10 minutes before serving. Count on these cupcakes as backup dessert from now on. Now that real cream can be enjoyed in convenient frozen whipped topping, you can also count on serving great-tasting topping round the clock.

INSIDE-OUT CREAMY CUPCAKES

- 1 package (14 oz.) gingerbread mix
- 1/2 cup finely chopped walnuts
- 1 container (8 oz.) Birds Eye Dover Farms whipped topping, thawed

Prepare gingerbread mix as directed on package, adding walnuts. Divide batter evenly into 12 paper baking cups set in muffin pans. Bake at 350° for 25 to 30 minutes, or until tops spring back when lightly touched. Remove from pan and cool on racks. Cut a 1-inch circle in center of each cupcake and remove. Gently scoop out center, reserving crumbs. Toast reserved crumbs at 350° for 10 minutes; cool. Fill each cupcake with about 1 tablespoon of the whipped topping. Replace tops. Frost tops of cupcakes with remaining whipped topping and sprinkle with toasted crumbs. Serve the day prepared or freeze 2 to 3 hours or overnight. Remove cupcakes from freezer 5 to 10 minutes before serving. Makes 12.

THANK GOD FOR THE MOVIE

How long has it been since a movie with such a powerful Christian witness has been acclaimed Best Picture both in Europe and in the United States? Probably never.

God's Roadmap

We live in a world of cross-roads: highways going every which way. Each road will take you to a different town. Some roads are well traveled, and some are hardly traveled at all.

Have you ever been lost and stopped to ask directions? Is it possible for some one to give the wrong directions? The safe way to travel is to follow a roadmap. The Bible is God's roadmap. It will get you there if you follow instructions carefully! Yet Satan has given us several detours to follow so that we will not reach our intended destination. Let's examine three detours of Satan.

1. Take any road. How foolish does Satan think we are? Yet he still uses it frequently. Take any road; they all go to heaven. Now, if we wanted to go to Abilene and Satan told us to just take any road, we would laugh him to scorn. We all know the right road to Abilene. What if some poor misinformed person, sincere as he could be, said, "Just go north from Munday and you'll get

there." Where do you think we would end up? Somewhere, but not Abilene.

2. Use your own interpretation. You'll get there. How foolish - the road map says the same thing to you as it does to me. (2 Pet. 1:20 - "No scripture is of private interpretation.") If one wants to go somewhere, we must follow the map and we must follow it exactly. For example, lets play the game, "Simon Says" for a minute. Simon Says we are going to Lubbock, all who want to go, follow my directions: Sell everything that you have; get in your car; drive around the square in town 7 times, and then follow the road west to Lubbock. Now isn't that a lot of trouble, just to get to Lubbock! Yet, if we are playing by Simon's rules, you have no choice.

3. Follow your feelings, conscience and instincts: You'll get there. However, God says walk by faith. (2 Cor. 5:7) Not by sight. What God is saying is: Don't trust your feelings, trust my words. (Rom. 10:17; Rom. 14:23) Faith can be best explained by this example: It's like

flying an airplane in a storm. It's then that you have to depend on your instruments. Your feelings can misguide you! Thank God for that instrument panel! Thank God for the Bible, God's road map!

One more illustration: One day last year I was on my way back from Tulsa. My family and I spent the night at a small town on the way home. The next morning, we got up and I began to drive back and my wife said, "You are going the wrong direction!" I said, "No, we're not. I know we are on the right road." It wasn't two minutes later that we read a sign which said, "Tulsa, 60 miles!" I whipped a U-turn so fast it would make your head spin. When I read the sign, I realized that I had been turned around. It took me a while to admit that I had made a mistake.

You know, some people never realize that they are on the wrong road. Sometimes we feel, "I know I'm right, I'm on the right road," and we pass right by the signs without ever turning around. We would rather go to the wrong town than to admit we took a wrong turn.

However, some people are so stubborn, so set in their ways, so intent that they're right, so confident and satisfied with their feelings that they quit reading the signs and rely completely on feelings. I'd hate for them to be flying my airplane in bad weather.

One last example: In God's road map - Mk. 16:16 - God says (NAS), "He who has believed and has been baptized shall be saved; but he who has disbelieved shall be condemned." (NIV) "Whoever believes and is baptized will be saved, but whoever does not believe will be condemned." Who said that? God or Simon? Now what does Satan want us to read, even though it is not even in the Bible! "He that believes is saved and baptized!" Remember, whose rules do you want to go by, God's, Satan's or Simon's? Are you going to trust you feelings, and what you've always been taught, right or wrong - or will you check the map?

HENRY RAMIREZ and BETTY AYALA

Engagement Announcement

Mr. and Mrs. Jesse Ayala are announcing the engagement and approaching marriage of their daughter, Betty, to Henry Ramirez, son of Mr. and Mrs. Eustacio Ramirez.

Mrs. Harrell Returns Home

Claudia Lee Schulz of Ft. Worth recently enjoyed a short visit with her grandmother, Claudia Harrell, Mr. and Mrs. Gill Wyatt and the Herby Perks. She then took her grandmother home with her.

Claudia Lee's husband, Ed, joined them, and Easter was spent visiting in the home of the Wayne Rodgers family of Houston. Mrs. Harrell continued her visit with her granddaughter in Ft. Worth, and also visited Lera Trick.

Mrs. Trick, Mrs. Perks and Mrs. Harrell made a trip to Denton to visit Miss Trick's mother, who is in a nursing home there.

The Trick ladies are cousins to Mrs. Harrell, and she had not seen them in a long time. Mrs. Harrell reported that her entire trip was most enjoyable.

Retired Teachers To Meet

The Knox County Retired Teachers Association will meet at 2:30 p.m., Tuesday, April 27, in the Knox City Community Center.

Guest speaker Nina Williams of Abilene will discuss education in China.

All members are urged to attend.

Texas is almost \$2 billion richer, thanks to Bob Bullock.

Since BOB BULLOCK became Comptroller, state tax collections have increased from \$3.4 billion in 1975 to \$8.1 billion in 1981. Inflation and growth accounted for just over two-thirds of that. But almost one-third of the increase was due solely to BOB BULLOCK's efficiency and thoroughness in collecting every tax dollar legally due the state.

That's amounted to \$1.9 billion since '75, thanks to BOB BULLOCK.

DELANE SPARKS and RUSSELL ROUTON

Engagement Announcement

Mr. and Mrs. Billy Sparks of Rotan and Mr. and Mrs. Charles Yost are announcing the engagement and approaching marriage of their children, DeLane Sparks and Russell Routon.

The bride-elect is presently attending Hardin-Simmons University in Abilene, and will teach special education following her graduation in

May, 1983.

The groom will receive his degree from Hardin-Simmons University in May, 1982. He is currently employed by the First State Bank of Abilene.

The couple will be married on Friday, July 16, 1982, at the Crossroads Baptist Church in Rotan.

BVRA Meeting Held Recently

At a recent meeting of the Brazos Valley Recreation Association, the decision was made to have the annual Knox County Open Horse Show on June 12 at the Knox City arena.

Named chairman of the horse show committee was Mary Ann Boone of Knox City.

Among the other items discussed was the possible sale of a small parcel of association-owned property.

Officer elections will be held at the next called meeting.

Munday Students In Recital

Rhonda Redder, Gina Ward, Kathy Wilde and Leandra Ward are among students of Wyneth Blackmon of Seymour, who will present a recital on Sunday, April 25, at 2:00 p.m. The recital will be held in Seymour High School auditorium, and the public is cordially invited to attend. No admission will be charged.

Parents of these students are Mr. and Mrs. Billy Redder, Mr. and Mrs. Ronnie Ward, Mr. and Mrs. Edwin Wilde and Mrs. Debbie Ward, respectively.

News From Leisure Lodge

BY CHERYL BERRYHILL

Peggy Ritchie of Las Cruces, N. M., visited her grandmother, Mrs. Maude Baird, on Monday. Ruth and Tony Hammons visited Aunt Kate Glasgow on Monday afternoon. Helen Allen came for

reading and discussion class on Monday afternoon. The Tuesday morning devotional was conducted by Brenda Smith. Henry Liberda of Wichita Falls visited his mother, Mrs. Mary Nacol, and his uncle, Joe Kubena, recently.

Wallace Family Get-Together Held At Easter

Two years ago, the family of Mrs. Lawson (Cecil) Wallace and the late Lawson Wallace of Munday held a get-together in the home of a granddaughter, Mr. and Mrs. Pat Terry and family, in Irving.

They enjoyed this so much that they were again invited for another such event during the Easter period of 1982, this time in the home of another granddaughter and family, Mr. and Mrs. Ronnie Johnson and family, in Burleson.

They enjoyed playing games, looking at old pictures, movies, TV programs, playing pool; but most of all, just talking and eating good food and saying they were eating too much, getting off of diets and gaining weight. Of course there were some who said it had to be the middle-age period!

Easter Sunday afternoon, the big kids and the little ones enjoyed an Easter egg hunt. All of Mrs. Wallace's family were there except two granddaughters and their families.

Attending were: Mrs. Wallace, Seymour; Wynell (Nell) Hudson Priddy, Seymour; Mr. and Mrs. Tom (Syble) Cloud, Granbury; Mr. and Mrs. Don Wallace, Stephenville; Mr. and Mrs. Pat (Brenda Hudson) Terry and family, Irving; Mr. and Mrs. Ray Hudson and family, Goree;

Also Mr. and Mrs. Ronnie Struck, New York City; Mr. and Mrs. Ronnie (Peggy Struck) Johnson and family, Burleson; Mr. and Mrs. Jimmy (Donna Struck) Higgins and son, Granbury. Also attending were Mrs.

Wallace's sister, Mrs. Jack Elliott of Goree, and Miss Connie Lambeth of Goree.

Mrs. Wallace has three children, seven grandchildren and eleven great-grandchildren.

Everyone went away saying they "had a great and wonderful time!"

Invitation To Singing

by Virginia Cary, reporter

The Senior Citizens of Munday will hold their singing Thursday night (tonight) at 6:30 in the Community Center. Singers from Knox City, Red Springs, Haskell and Olney, along with local singers, are expected.

The public is invited to attend, to sing or to listen.

Regular grooming of your cat once a day will lessen the hair it sheds onto your furniture, promote its good appearance, and prevent the formation of hairballs.

BIRTHDAY PARTY

The Believers Chapel sponsored the birthday party. Honorees were Mrs. Sarah Shannon, Mrs. Gillie Lewis and Mrs. Evelyn Collins. Brenda Smith and Ann Kiser served the residents cake and punch.

Jean and Cecil Temple of Lawton, Okla., visited Kate Glasgow recently.

Mrs. Audrey Birkenfeld and Mrs. Bertha Moore called bingo for the residents on Thursday afternoon. Prizes were given to all the winners.

Rev. K. E. Woolley of Benjamin conducted Bible Study on Friday afternoon. Mrs. Woolley played the piano while Dovey Partridge led the singing.

Jim and Ina Homer of Fort Worth visited his mother, Mrs. Anna Homer, during the weekend and enjoyed the wedding of their "adopted" granddaughter, Lisa Zeissel, on Saturday.

Mrs. Johnny L. Watt of Rochester and Mrs. Terrell Taylor of Lubbock visited residents on Sunday.

Several members of the Munday Senior Citizens conducted the Sing-Along on Saturday afternoon for the residents.

The Goree First United Methodist Church held Sunday afternoon church services for the residents.

We appreciate all our volunteers who take time out of their busy week to spend

an hour or two with us.

If you have an extra hour a month, we could sure use your help. We need volunteers to conduct Tuesday bingo for one hour each month. On Tuesday afternoon from 2:00 until 3:00 the residents play bingo. If you can spare one afternoon a month for one hour, call us and let us know. We sure could use your help.

Fellow Agriculturalist:

I know you have a deep interest in the future and profitability of agriculture in West Texas, and I, as a fourth generation farmer, share in your concern. Having been raised on the farm and having been a farmer and stockman all of my adult life, I am keenly aware of the multitude of problems that face agriculture, not the least of which are low prices, high costs, and high property taxes (which must be paid whether you're making a profit or not). I became a candidate for the state legislature because I felt that someone who knows the problems of the rural areas, and who has a direct stake in the future of West Texas should be in Austin representing this very rural district. I feel strongly that our representative should not be someone from an urban setting who has no real interest in or first hand knowledge of agriculture at the state level. One, there are some important priorities concerning agriculture that the state level needs to reverse the trend of placing more and more of the burden of financing education on the local property tax. Two, to fight the coming push by urban interests to repeal the sales tax exemption for agricultural inputs. Three, to explore new avenues at the state level of enhancing prices received for our products. I genuinely believe that I am the only candidate in this race who has the qualifications, ability, and willingness to fight for agriculture in Texas. Please join me with your support, your influence, and your vote.

Sincerely,

Steven A. Carriker

Now save more than \$20,000 with the new revolutionary Valley Double Low Pressure Spray Nozzle

New Valley 10 slashes H.P. by 50% over the lowest low pressure nozzle available.

This new Valley spray nozzle is a quantum leap in reducing energy costs as well as pump and engine investments. Because of its unique design, it is superior to other low pressure nozzles; fine droplets are practically eliminated, reducing both evaporation loss and wind drift.

Horsepower requirements are dramatically reduced from 17 H.P. for present standard low pressure, down to 7 H.P. for the new Valley 10. Over ten years, energy costs can be trimmed by more than \$20,000 assuming diesel fuel at \$1.00 per gallon, a 12% inflation factor and 1,200 hours of annual use on a quarter section size system pumping 800 gpm. Yet the diameter of the 360 degree pattern is only slightly smaller than spray nozzles operating at 25 psi.

If you can use low pressure, don't do anything until you've seen your Valley dealer for the ultimate savings in energy.

Valley dominates the field.

DPS Issues Crime Rate Information In Texas

The crime rate in Texas registered a slight decrease in 1981 compared to the previous year, according to Colonel Jim Adams, DPS director.

"This rate, which is based on the number of crimes per 100,000 population, declined

1.5 percent in 1981," Adams said. "This is the first decrease recorded in the crime rate since 1977."

The crime rate for 1981 in Texas was 6.042 major crimes per 100,000 population compared to 6,135.7 crimes per 100,000 population in

1980.

Adams also noted that total major crimes reported in Texas last year rose 2.5 percent compared to 1980. An estimated 891,549 major offenses were committed in Texas during 1981 compared to 869,439 for the previous

year. The data was prepared by the DPS Uniform Crime Reporting Bureau based on reports submitted by 737 Texas law enforcement agencies representing over 97 percent of the state population. Violent crime, which increased 14.8 percent in volume during 1980, was up less than one percent last

year. Robbery cases declined by 3.4 percent in 1981 while the remaining categories of murder, rape and aggravated assault showed respective increases of 2 percent, 1.8 percent and 3.6 percent.

Property crimes (burglary, theft and motor vehicle theft) rose 2.7 percent during 1981. Burglary and vehicle theft each increased slightly over 5

percent compared to 1980. Thefts were up less than one percent.

The estimated value of property stolen during the commission of all major crimes in 1980 totaled over \$945 million," Adams said. "Approximately \$188.4 million worth of property was recovered by law enforcement agencies last year."

Twenty-one percent of the major crimes were cleared by arrests in 1981.

Total arrests for all offenses excluding traffic violations totaled 829,042, an increase of 3.7 percent compared to the previous year. There were 52,458 drug arrests last year, amounting to a 16.7 percent rise over 1980.

Five Texas police officers were killed in the line of duty by felonious action during 1981, compared to 10 in 1980. Nine officers died in duty-related accidents last year.

Arson cases reported to the DPS in 1980 totaled 8,424 compared to 9,602 for the previous year.

WEINERT DEBATE TEAM, consisting of Mark Stewart, at right, and Danny McGuire, will represent Region II-Conference A at the State Literary Meet in Austin, April 30 and May 1. Pictured with the boys is their coach, Mrs. Darlene Bellinghausen. Mark, a junior, is the son of Mr. and Mrs. J. N. Stewart. Danny is the son of Mr. and Mrs. Lowell McGuire, and is also a junior at Weinert High School. They placed second out of 24 debate teams at the regional meet held at McMurry College in Abilene recently.

Coaches Trade Easy Chair For Canoe Ride

One might think after a school year of football, basketball, track and other activities, coaches would choose to settle down in their favorite chair following the end of school, and nap periodically.

Jr. High Boys Run At Vernon

On Friday, April 16, Coach Lankford and the junior high boys traveled to Vernon to compete in their last meet before district this Thursday.

Munday's seventh grade didn't do real well on points, but it is always a good experience for them to compete.

The eighth grade boys placed third in the meet. They had a real good day.

The eighth grade sprint relay team had their best time of the year and placed second. Team members were Isaias Dena, Todd Thompson, Dent Offutt and Ryan Wright.

In the mile relay, Tim Collier replaced Isaias with the other team members remaining the same. They were fourth.

Todd Thompson was third in the long jump with 18'10". Dent Offutt placed fifth in this event with 18'4". Dent Offutt was second in the high jump with 5'4" and Ryan Offutt was second in the high hurdles.

Dent Offutt was second in intermediate hurdles and Tony Wilde placed sixth in discus. Ryan Offutt was sixth in shot put.

Not so with Munday's coach Russell McLeskey and about twenty other area coaches. They are preparing for a four-day canoe ride on the Colorado river in order to unwind from the year's activities.

Coach McLeskey stated, "Just think, for four glorious days we will canoe, fish and make camp at night, repeating the fun each day. If a fellow canoer appears to deserve his canoe overturned, we will handle that, too. It is really a great trip - I know because I was able to do this last year, too, and I'm looking forward to it again."

The canoe trip will take place in the San Saba area. Plans are for ten to fourteen canoes to make the trip. Carlton Winkles, sales representative for Athletic Supply in Abilene, and Dave Edminston put the trip together and will also go on the trip. Each man will contribute to a food fund and one man will do the shopping. The canoes will enter the water about 5:00 p.m. on Sunday, May 30, and travel three to four hours before making camp.

Coach McLeskey said, "Coach Lankford may decide to go on the trip too. His first calling is golf, and if there is a golf tournament that weekend we will have to count him out."

Mr. and Mrs. Joe W. Nance and Robbie Stephe of Layton, Ohio visited Joe's grandparents, Mr. and Mrs. Worth Gafford and Mrs. Frank Nance, several days last week.

Top farm leaders to support Brown

AUSTIN—Texas farmers, ranchers and agricultural leaders are working to keep Agriculture Commissioner Reagan V. Brown on the job. Here's a sample of what a few of them are saying about Commissioner Brown:

"Reagan Brown has been on the job for Texas agriculture for 32 years as county extension agent, community builder and Texas Commissioner of Agriculture," said Carl King, Dimmitt corn grower and president of the Texas Corn Growers Association. "He is one of the finest spokesmen for agriculture in the nation, and has constantly worked to develop new markets for Texas farm and ranch products."

"Today's economy demands an agriculture commissioner who spends our tax dollars wisely, and who gets the job done right," according to Lamar Golding, publisher of the Texas Farm and Ranch Journal. "Reagan Brown has cut excess spending, increased services, beat the Medfly, and even managed to return \$1,400,000 in tax money to the state Treasury. He has built the finest Department of Agriculture

in the nation." Ray Nolen, executive director of the Texas Grain and Feed Association, said, "Commissioner Reagan V. Brown has gained the support of some of the most respected agricultural and business groups in the state. Commissioner Brown stands for free enterprise and good government, and I commend him for his work for the farmers and ranchers of Texas."

Commissioner Reagan V. Brown has received virtual across-the-board support from knowledgeable farm and ranch leaders throughout the state, including those in the wheat, cotton, livestock, grain sorghum, soybean, corn, citrus, vegetable, and poultry industries.

Brown's reelection campaign has been endorsed by Rep. E. "Kika" de la Garza, chairman of the House Committee on Agriculture, who said, "Reagan Brown is one of the most effective spokesmen for agriculture in the nation." Former Cong. Bob Poage, who chaired the House Ag Committee longer than any other person, also endorses Brown, as do Rep. Leroy Weiting and Sen. Bill Sarpalus.

Boys Place Third In Missionary Reveals Hopes And Prayers For Work In Nigeria

by Coach McLeskey

Our varsity boys competed at Olney last Saturday and were third with 132 points. Boyd was second with 134, and Seymour placed first with 179½. Eight teams were entered in our division.

Munday's sprint relay was first for the first time in a meet this year. Their time was 44.90, and team members were Victor Shields, Paul Wright, Quincy Adams and Lawrence Collier.

Danny Sloan was second in the 880 with 2:08.6. Lawrence Collier gave us another first place in the 100 meter with 10.9. Lawrence is getting his time down. Quincy Adams was third in the 100 meter with 11.14.

Paul Wright ran the 440 in 52.85. This was Paul's career best. Quinn Smith placed second in the 330 intermediate hurdles at 43.28. Victor Shields came in with a first in the 220 at 23. This was Victor's career best in this event.

Danny Sloan ran the mile for fourth place, running 5:02.3. The mile relay team placed fourth with 3:38.61. Boys running in this event were Lawrence Collier, Quinn Smith, Quincy Adams and Paul Wright.

Victor Shields threw 47'8¾" in the shot put for his third gold medal of the day. Lester Adams was second in discus with 129'3". The winner threw 129'4".

Quincy Adams was first in long jump competition with 21'3½". This was his best by almost a foot. Paul Wright was third with 20½".

Jim Earl Dockins placed fifth in the junior varsity division of the 880. His time was 2:19.9. He was also fifth in the mile at 5:36.01. Frankie Stinnett was sixth in long jump with 16'5". Robert Hemphill also participated.

I was real pleased with the entire meet.

Regional Qualifiers Meet

Over sixty schools, 1-A through 5-A, were represented at a regional qualifiers meet held in Plainview on Saturday, April 17, and Munday was one of the schools. Coach Dennis and the Mogulette regional qualifiers departed Munday about 5:30 a.m. in order to compete.

Twenty-four teams entered in the 400 meter relay. Seven made it to the finals. Munday ran 51.69 with alternate Vickie Shields on the team. It was one of the team's better times, but did not qualify them for the finals. Coach Dennis said, "We are in position to drop our time during this week of practice before regional on Friday."

In the long jump, Elaine Jones completed a 15'8" jump. Approximately forty girls were in this event. Kelli Smith competed in the high jump, clearing 4'10". Dennis stated, "Under the conditions of the weather as well as other conditions involved, she did pretty well."

Elaine made the finals in the 100 meter run and placed fourth. Coach Dennis said, "There were about 35 entrants in this event from all classes of schools. I really felt Elaine ran reasonably well considering the competition, as her time was 12.4."

He continued, "We know it was good experience to be in a meet that size and competing in all classifications. We were able to observe about half of the teams that will be at regional."

Mr. and Mrs. Glenn Marugg of Woodward, Okla., visited her parents, Mr. and Mrs. Goodson Sellers, last Thursday night.

Bill Fitzgerald, who is leaving next Thursday on return to his agricultural missionary work in Nigeria, spoke to members of the Munday Lions Club last Tuesday, revealing some of his "hopes and prayers" for continued success in his missionary field.

Ivan Allen, who asked Bill to speak, said he asked for him to tell of some of the things he's taking back to Nigeria with him. Bill said that at present, his hopes and dreams are for getting back into Nigeria, stating that "clearance" is more difficult than at first.

The first of his problems is clearance into the country. This is most difficult from a medical standpoint, and he must have proof of medical clearance regarding many diseases.

The passport and visa present another problem. "This is extremely difficult if sought for church-related reasons. As an agricultural missionary, the problem of getting through the airport is not so magnified."

"In passing customs," Fitzgerald said, "the problem can be simplified by slipping money into the passport. In this manner, the problem is more simple to solve. Priority is given the money laden passport, while those without money are placed at the bottom of the list. We must have U. S. Customs equipment brought in, and no cameras or pictures are permitted inside the air-

port." There must be an "import permit" from Nigeria for seeds and live plants. They might completely search all luggage, or it might just be marked for clearance--it depends on the moods of officials. Once outside of customs, one must have a permit to enter the state he's assigned to.

Things which he hopes to work with inside Nigeria are seeds and live plants, American fruits such as apples, peaches, grape vines, plums, pomegranate and others. A "firewood" tree nursery is planned, since most native use wood for heating and cooking. Budwood trees are desired, and Bill plans to graft buds from these trees to the native wild trees.

A tiller is included for dry season gardening, and a portable well drilling rig is part of the equipment. Rice,

blackeyed peas and African spinach are all the vegetables available to the people during the dry seasons.

An evangelistic team is planned to determine the many needs within a village in areas of health, religion, etc. Bill hopes for continued advancement in the church he serves.

"People of the U. S. have been super-good to us," Bill said in conclusion, "and my hope and prayer is that you continue to think about others, as you have done in the past. I return to Nigeria fully convinced that the Lord will open the door for something good to happen."

Rolling Plains 4-H Leaders Elect Officers

New officers were elected and volunteer leaders received training in clothing, energy safety and swine production during the spring training meeting held recently for the Rolling Plains 4-H Adult Leaders Association.

Haskell Plans Annual Rodeo And Celebration

Haskell's Rice Springs Rodeo and Frontier Days celebration will be held the week of May 10, 1982, continuing the centennial activities that will be held throughout the year.
 Spearheading the week's activities are the Haskell County Jaycees.
 On Tuesday, May 11, a barbecue and street dance will be held on the southeast corner of the square.
 The Frontier Parade, scheduled for Thursday, May 13, will begin at 5:30 p.m., followed immediately by the

Kiwanis Club barbecue at the Corral Building.

On Saturday, May 15, from 9:00 p.m. to 1:00 a.m., a dance at the American Legion Hall will feature a live band.

Jackpot roping and barrel racing at the rodeo grounds are set for Sunday, May 16 from 1:00 p.m. until 6:00 p.m.

The main event of the week is the May 13, 14 and 15 rodeo, produced by Runt Sloan of Newcastle, with Charles Thornhill the announcer. Events will include bull riding, saddle bronc, bareback riding, barrel racing, calf roping, pole bending and steer mugging. The rodeo starts each day at 8:00 p.m.

Local Director Of PCA Attends Houston Agricultural Meeting

Rolling Plains Production Credit Association (PCA) officials were among 500 Texas agricultural leaders meeting in Houston last week. The occasion was the 26th annual stockholders' meeting of the Federal Intermediate Credit Bank of Texas, Directors from Texas' 30 PCAs and officials of various other financing institutions convened at the Westin Galleria Hotel in Houston's Galleria. Keynoting the annual event was U. S. Representative Charles Stenholm, member of the U. S. House Agriculture Committee.

Directors representing Rolling Plains PCA included W. H. Williams, B. H. DeBusk, Dan Henard Jr., and Garon Tidwell. W. J. Boykin served as the PCA's official voting delegate.

According to R. C. "Cliff" Cobb, the association's president who accompanied the group, main business activities were held April 1 with reports from FICB President J. A. Rogers of Houston, Farm Credit Banks of Texas Board Chairman Dr. W. Clyde Ikens of Bandera and Wm. Dale Nix Sr., Federal Farm Credit Board chairman of Dallas.

Friday evening's entertainment included the Buddy Brock Big Band with Vickie Brazier.

Rolling Plains PCA provides agricultural loan funds to farmers, ranchers and producers in 17 Texas counties and has loans outstanding totaling more than \$54.6 million.

Scholarship Deadline

Junior and senior class high school students who are interested in applying for \$1,000 college scholarships should request applications by May 7, 1982 from the Educational Communications Scholarship Foundation, 3105 MacArthur Blvd., Northbrook, Illinois 60062. To receive an application, students should send a self-addressed, stamped envelope with a note stating their name, address, city, state, zip code and approximate grade point average. Fifty award winners will be selected on the basis of academic performance, involvement in extracurricular activities and the need for financial aid.

Through TML... Cities Challenge GTE Rate Hike Request

Munday is among approximately 100 cities participating in General Telephone Company's rate case by uniting in Texas Municipal League.
 In testimony filed recently with the State Public Utility Commission, Texas Municipal League rate experts challenged the request of General Telephone Co. of the Southwest for a \$110 million rate hike.

The League's testimony was filed in advance of utility commission hearings that began April 15 on General Telephone's application for rate increases that would raise the monthly charges for some customers by as much as 71 percent.
 The Municipal League's analysis concluded that General Telephone's request for \$110 million was far in excess of the amount jus-

tified to keep the company financially sound. The cities' study of the company's books indicated that General Telephone was legitimately entitled to a rate hike of just \$23.3 million - about 21 percent of the amount asked.
 The increase recommended

by TML would give General Telephone a rate of return of about 16 percent, compared to the 18 percent that the full amount requested by the company would provide.

TM also was critical of the company's proposal to charge far higher rates to some of its customers than those in neighboring areas. Under the company's plan, a given telephone customer could be charged nearly double what his neighbor pays, simply because of a slight difference in location.

The Texas Municipal League is representing cities that are intervenors in the GTE rate case now before the state utility commission. Utility experts hired by the TML cities have scrutinized GTE's books to determine the proper balance between the company's justifiable revenue needs versus the needs of telephone customers for quality service at equitable rates.

Good Deed Observed

If someone had needed Kip Cotton and James Steward, students at Goree High School, during their study hall period last Thursday and Friday, they would not have found them in their usual places. Their absence, however, had nothing to do with being in trouble or playing hooky.
 These two young men had been excused from study hall to unload their lawn mower and mow the lawn of Mr. and Mrs. Joe Brown, who live across from Goree School.

Mr. Brown is ill, and no doubt he and his wife were pleased that James and Kip were kind enough to perform this deed for them. James is the son of Mr. and Mrs. Jack Steward and Kip's parents are Mr. and Mrs. George Cotton.

Knox County Farm And Ranch Report

BY CHARLES SIEPEL
KNOX COUNTY
EXTENSION AGENT
*Roses For
Knox County
Landscape*

Roses are America's favorite flower. The genus *Rosa* includes numerous species including some natives. The major appeal of roses is in the color and beauty of the blossoms. Some bloom almost year round while others provide massive displays for several weeks.

There has been considerable controversy over the landscape value of roses. Actually, there are some roses that lend themselves very well to use as vines, masses or even specimen use. Hybrid tea roses, which are the most common class of roses currently available, are best grown in well prepared sunny beds where they receive at least half a day of sun and good air circulation. Hybrid tea roses require a regular spray program for prevention and control of black spot and mildew diseases.

Garden roses require very little cold weather to satisfy their dormancy requirements. They are best transplanted during the winter from late December through February. Many garden centers order bare root plants for delivery in December and January. Immediately upon arrival these plants are potted in containers. This method

allows the planting season to be extended later into the spring. Most rosarians like to set out new plants during January and February so that the root systems can be well established before the hot weather arrives.

Roses are classified according to growth and flowering characteristics. A brief description of the most common classifications should be helpful in planning their use in the landscape.

Hybrid tea - Because of their almost continuous flowering habit, hybrid teas are often called monthly or everblooming roses. They are the result of crossing two old fashioned rose classes, the hybrid perpetual and the tea rose from China, which give the repeat blooming trait. In general, the buds are pointed, long and borne one per stem. Hybrid teas are the most common class sold today but are generally grown for cut flowers rather than landscape plants.

Floribunda - The floribundas originated from crossing the hybrid tea with polyantha roses. Plants are vigorous with large masses of well-shaped flowers that resemble miniature hybrid roses. With proper care floribundas can provide an almost continuous source of landscape color. They are most effective in mass displays of the same variety. Floribunda roses are usually more compact in growth form than hybrid teas.

Polyanthas - Polyanthas produce small flowers in large clusters and are primarily used for mass plantings or borders. Probably the most popular variety available in this class is "Cecile Brunner" which is often called the Sweetheart Rose and is available in both climbing and bush form. There are very few polyanthas on the market today because floribundas seem to have more appeal and are more widely available.

Grandiflora - This is a relatively new classification which resulted from crosses between hybrid tea and floribunda varieties. Grandifloras are usually very vigorous plants. "Queen Elizabeth" is probably the most popular rose in this class.

Climbing and Pillar Roses - many of the popular varieties of the classes previously described have climbing forms. They usually result from mutations of bush forms. There are, however, some varieties considered natural climbers, which included such popular choices as "Blaze", "New Dawn", and "Lady Banksia". Climbers are usually very vigorous and require different pruning practices from bush types. Most climbers should be pruned after they bloom in the spring since many of them flower primarily on last year's wood. Some climbers such as *Ladia Banksia* tend to be highly disease resistant and are very useful as landscape plants.

Old Garden Roses - This is really more of a generalized grouping than a class of roses. Included are such classes as hybrid perpetuals, tea roses, moss, damask, bourbon and noisette roses. Recent years have seen considerable interest in many of these plants. Part of their popularity is due to nostalgia and interest in historical plantings. Old rose enthusiasts quickly point to the superior fragrance, hardiness, growth habit and

disease resistance of some of the old varieties that may have been lost or weakened in the hybridization process of newer varieties.

Whatever the reason, there is a definite emerging interest in old roses in Texas as well as the nation. Catalogs from nurseries such as *Roses of Yesterday and Today*, Watsonville, California, have become popular as references and sources of information for the older varieties.

Miniature Roses - Most of these plants grow no more than 16" to 36" in height. They are natural (genetic) dwarfs and have become extremely popular in recent years. Unlike most other rose classes, miniatures are usually grown and are valuable for mass landscape plantings or container culture. Their growth requirements are similar to other roses and most varieties need to be sprayed regularly to control black spot and spider mites.

There are hundreds of varieties available with new ones appearing on a regular basis. A major reason for the popularity of miniature roses is their ease of propagation. Cuttings can be rooted during the cooler months and older plants usually be divided. Most miniatures bloom profusely and regularly.

PURCHASING ROSES - Roses are readily available during the late winter and spring. Packaged roses are often featured in discount and grocery stores as well as some garden centers. There is nothing really wrong with this method of handling roses, but if they are stored or displayed in warm temperatures sprouting occurs almost immediately. Sprouting severely weakens the plant and may result in poor performance or even death.

Bare root roses are often available from mail order nurseries and are usually packed in plastic with some sort of moisture retaining material around the roots to further prevent drying. It is important to plant these roses as soon as possible upon arrival. If planting is to be delayed the roses should be "heeled in" a good garden soil and kept moist until planting.

Roses in containers are featured by many garden centers in Texas. It is important that the container be large enough to adequately hold the root system. A one gallon container is usually too small for a normal sized, two-year old rose bush. Two or three gallon containers are much better. Some nurseries use containers that will decompose soon after planting and recommend that the entire container be set into the rose bed. Seasoned rose growers usually prefer to remove the plant from the container so that the root system can more quickly become established in the surrounding soil.

Roses are usually graded to standardized criteria. This includes #1, #1½, and #2 grades. Homeowners are probably wise to choose #1 or #1½ grades since vigor and size of these plants is usually superior.

Helpers Needed By 4-H

It's time to start the 4-H Clothing project groups for 1982. "We need some help in recruiting leaders," stated April Stamps, county extension agent.

If you would be interested in helping with the clothing project, please contact the Extension Office, 454-2651, and/or attend the leader training meeting scheduled for Thursday, April 29, at 4:30 p.m. in the Extension Office of the Knox County Courthouse in Benjamin.

"If for some reason you cannot attend the leader training meeting, contact me and I will be glad to get the information to you," stated Mrs. Stamps.

For more information contact the County Extension office.

WEINERT TRACK GIRLS, coached by Tommy Meredith, have enjoyed their track season and have been hard workers. Team members are in back row, from left, Kim Forehand, Darlene Carroll, Kelly McGuire and Felix Castillo. In the front row are Michelle Raynes, at left, and Anna Perez. Donna Griffis is not pictured. Kim Forehand and Kelly McGuire will compete in regional competition at Abilene this week, April 22-23. Parents of the girls are Mr. and Mrs. Chet Forehand, Mr. and Mrs. Dale Carroll, Mr. and Mrs. Lowell McGuire and Mr. and Mrs. Ruben Castillo, Mr. and Mrs. Bobby Raynes, grandparents, Mr. and Mrs. Pete Perez and Mr. and Mrs. Donal Griffis, respectively.

TWO TO REGIONAL...

Weinert Girls Track Team Results At District Meet

Coach Tommy Meredith is proud of his Weinert High School girls track team. He stated, "They have all worked real hard this year and we've enjoyed a pretty good season. We were fourth in team standings at district in Olney on Tuesday, April 6, behind Knox City, Chillicothe and Goree." Kim Forehand and Kelly McGuire will compete in the regional meet at McMurry in Abilene on April 22-23.

Kelly McGuire was first in shot put with a throw of 32'11½". Felix Castillo placed sixth in this event, with 27'.

Kim Forehand brought Weinert a first place in the mile run with 6:24. Kim also performed the long jump for fifth place with 13'8¼", and the triple jump for sixth with 28'5".

Kim was second in the 400 meter with 70.1. Kelly was fourth in the event with 72.1.

In the 100 meter hurdles

competition, Kim placed fourth with 18.6 and Kelly was sixth with 19.8.

Donna Griffis was fourth and Anna Perez was fifth in the two mile run. Their times were 16:05 and 16:40, respectively.

March Ambulance Report

Bobby Hutchinson, Munday Ambulance coordinator, has reported seventeen calls completed in March 1982. Total charges for the trips are in the amount of \$1300.00.

A total of 42 calls for \$3050.00 have been made thus far in 1982.

Weinert Jr. High Track Girls In District Meet

The Weinert Junior High girls track team, coached by Linda Stewart, competed in the District 9 meet held in Olney recently.

Dianne Carroll was second in shot put. Josie Estrada was second in the two mile run.

Kelly Earp placed third, fifth and third in the triple jump, long jump and hurdles.

In the 440 relay. Amy Castillo, Rosemary Estrada, Kelly Earp and Karen McGuire were fifth. These same team members were sixth in the 880 relay.

Darla Griffis placed fifth in the 1600 meter run.

The girls ran in a Hamlin meet the week before district to help prepare themselves for the big contest.

Dianne Carroll was third

in shot put; Laurie Hester, Karen McGuire, Lupe Estrada and Rosemary Estrada were third in the 1600 meter relay; and Darla Griffis was fourth in the 880.

Karen McGuire was fifth in the 100 meter hurdles. Amy Castillo, Darla Griffis, Rosemary Estrada and Lupe Estrada ran the 800 meter relay for fifth place. Josie Estrada was fifth in the 1600 meter run, Amy Castillo was sixth in the 200 meter dash, and the 400 meter relay team won sixth. Relay team members were Amy Castillo, Darla Griffis, Rosemary Estrada and Karen McGuire.

In the Hamlin meet, Shannon Forehand ran for the Junior High boys team, placing first in the mile run with 5:11.5, and fifth in the 880 with 2:22.

CARD OF THANKS
The words "We thank you" cannot begin to express our feelings. We really appreciate your thoughtfulness during our stays in the hospital. Your prayers, visits, calls, cards and flowers made the time seem to pass much quicker.
May the good Lord bless each of you.
Tommy and Arleda Decker.

CARD OF THANKS
Our special thanks to members of the Munday Volunteer Fire Department for their promptness in helping extinguish the fire in our family car recently. We appreciate you all.

Vera Happenings

By MRS. THELMA COULSTON

Mr. and Mrs. Clyde Feemster, accompanied by Mrs. Bobby Roberson of Benjamin, were in Weatherford last Monday to attend the funeral of their cousin, Jimmy Lee Feemster. Memorial services were held at 10 a.m. Monday. Jimmy Lee was a son of the late Mr. and Mrs. Floyd Feemster, former residents of the Vera community. He is survived by his wife and children and a brother, Pete Feemster of Amarillo.

Mr. and Mrs. Billy Kinnibrugh and Rhonda attended a track meet in Plainview last Saturday. Saturday night and Sunday they were in Canyon to visit Randal Kinnibrugh at West Texas State University and attend the agriculture honor banquet Saturday evening.

Mr. and Mrs. George McKinney were in Plainview recently where George received a physical check-up by his doctor. They also visited her sister, Mrs. E. K. Koelder, in Cotten Center. Visitors in the McKinney home Wednesday were Mrs. Willie Jennings and Sonny Pitcock of Rule, T. E. Jennings of Idabel, Okla., and Mrs. Johnny Boyce of Mount Vernon.

Mrs. Blanche Mixon has

returned to her home in Houston after two weeks visit in the home of a brother, Mr. and Mrs. W. J. (Bill) Townsend.

Mrs. Corinne Parrish of Franklin visited in the home of her mother, Mrs. Lona Feemster, and J. Winston last Monday through Friday. Mrs. Feemster accompanied her home for a visit.

Mr. and Mrs. Wayne Sutton and Mr. and Mrs. Claudell Bratcher attended the Chamber of Commerce banquet in Munday last Thursday evening.

Mr. and Mrs. Paul Weiss have returned home from a few days stay at their ranch near Davis, Oklahoma.

Mr. and Mrs. Cecil Cleve-

land visited Thursday and Friday in the home of a daughter, Mr. and Mrs. A. C. Miller and family in Rhome. A. C. is a patient in the Decatur hospital.

Mr. and Mrs. Clyde Beck entertained with a dinner and forty-two party in their home last Saturday evening. Attending were Mr. and Mrs. Gaylon Scott, Mr. and Mrs. Armon Smith, Mr. and Mrs. Jerrell Trainham and Mr. and Mrs. Claudell Bratcher.

Easter guests in the home of Mr. and Mrs. Wayne Sutton were their children, Mr. and Mrs. Fred Wilson and daughter of Wichita Falls, Mr. and Mrs. Steve McManus and two children of Irving, and Mr. and Mrs. Bruce Sutton and two children of Loving.

Mr. and Mrs. Donnie McKinney and family of Plainview spent the weekend with Mr. and Mrs. George McKinney.
