## Look To The East

by Artor Edgar

It was good to have a short "howdy-do" visit with Rex and Letha Mauldin recently.

You see, Rex and Letha spent some time in Munday some years ago trying to keep us Methodists straightened out, and they were asked to return to Munday last week for a visit and to furnish a program for the Methodists' family night activities on Wednesday, September 8.

There were a lot of people present who were still on speaking terms with the Mauldins after all these years, and they seemed to enjoy visiting with these former Munday residents as much as they enjoyed being here.

Since leaving Munday in 1964, the Mauldins have returned on occasion, but their duties elsewhere did not permit frequent visits to their former haunts.

As we approached the outdoor scene of family night activities, Rex spotted us and we were quick to exchange pleasantries of the day.

Rex was quick to tell us that he enjoyed "Look to the East" each week and was very complimentary of our weekly efforts. This gave our ego a big lift that one should be so complimentary of the things that came out of our typewriter!

Soon, we had an enjoyable handshake with Letha, who had been seated with her back to us as we conversed with Rex.

Sometime later, we happened to be seated at the same table for a spell, which kinda brought out a period of remember whens.

Another thing, Rex recalled was the year they decided to "live close to nature" when their vacation time arrived.

They didn't want to take in those plush hotel and motel rooms or eat at those swanky eating places. They had made plans to camp out under the stars and prepare their own food while vacationing.

With this in mind, Rex had rented a rather large tent, one with enough room to accommodate the entire family, to provide nightly shelter for them and to protect them from marauding insects and "beasts of the field".

The boys wanted a sampling of what life was going to be like for the next two weeks. They wanted to spend a night inside the tent before leaving on vacation. So "papa" erected the tent on the front lawn of the Methodist parsonage.

This little incident was wedged way back in our subconscious mind, but Rex recalled that we appeared one morning before their departure, camera in hand, and wanted a picture of the tent for our next issue.

Letha made a good "pastor's wife" while the Mauldins sojourned here. She was active in many things. She recalled one enjoyable project before favoring us with her solo rendition, which was her work with youth in church and school choirs, etc.

We recalled, although we didn't mention it, a time when she was invited for a Lions Club program. She chided the Lions for their filthy smoking habits, saying it would be difficult to sing in that smoke-filled room. At that time, we were one who helped fill the room with that after-meal smoke, but as we later told a cigarette salesman who was passing out free samples and asked: Do you smoke? "No, I had sense enough to quit!"

One thing Letha disliked was the fact that Rex always returned from Lions

## Mogul Power Smothers Trojans

Speed, power and outstanding defense were combined by Munday's Moguls last Friday night, as they won a decisive 27-0 victory over the visiting Windthorst Trojans.

Taking the opening kickoff, the Moguls drove to the Trojans' 6-yard line, but failed at a field goal try. After the next series, Dave Hunter took a Trojan punt and returned it 65 yards for the Moguls' first score, and Lawrence Collier kicked the extra point.

On the Moguls' third possession, they drove from Windthorst's 27-yard line in five plays to score, with Quincy Adams going in from three yards out. The clock showed 10:57 left in the second quarter.

Nineteen seconds and three plays later, Terry Hendrix intercepted a Trojan pass and returned ten yards to

score. Collier added the extra point.

The halftime score showed the Moguls ahead 20-0, and the Trojans had gained only four yards offensively.

The third quarter was scoreless. Munday's only threat was thwarted when Bryan Hemmi picked off Chris Moore's pass and stopped the Moguls on the 17-yard line. This was an outstanding defensive play for the Trojans.

The Moguls again came alive in the fourth stanza, when Chris Moore hit Dave Hunter for the final TD. Action started on the 35-yard line, and on the eighth play, Moore connected with Hunter for the remaining eight yards.

Munday's defensive players won admiration from all local fans for an outstanding job. They held Windthorst to only one first down and a total of only

nine yards on offense. Turnovers were equal, with each team losing one fumble and having one pass interception.

### Knox City Next On Mogul Agenda!

The Moguls are preparing this week for their traditional battle with Knox City's Greyhounds, which is scheduled for 8:00 p.m. on Mogul Field.

Interest in this game is always high, and this should be among the largest crowd-snatchers of the entire season. Tension among both the teams and fans is always high from year to year.

This is always a hard-fought battle and a crowd pleaser in all its four quarters. It remains high in interest among all non-conference games.

The visitors stand at 1-1 for the season, having dropped their first game to Albany's Lions, then winning 27-6 over Seymour's Panthers.

Munday's record stands at 2-0, with victories over Anson and Windthorst.

## Divisional Chairmen Named For Area United Fund Drive

Divisional chairmen for Munday's upcoming United Fund Drive were announced this week by Lyndle Reeves, drive chairman, and Carol Cottingham, who is in charge of publicity for the fund-raising campaign.

South residential chairman is Joan Hutchinson, and Mary Cartwright will be chairman for the north residential area. Rural chairmen are Mozelle Smith for the southeast section, and Bernadette Kuehler for the northwest division.

Ronnelle Cude is northeast division chairman and Gay Yost will serve the southwest section. Charles Baker has been named chairman of the business section.

These persons will be enlisting workers in their areas to help with the drive. They will appreciate the cooperation of everyone contacted, as there is a need for many citizens to work together for this year's United Fund drive to be a success.

## City Council Minutes

### West Texas Utilities Co. Files For Rate Increase

West Texas Utilities Company has filed for a general increase in its rates for retail customers.

The official application was filed Monday in Munday by Local Manager Frank Jackson.

The manager said the application is a systemwide request for higher rates. Simultaneous filings were made in other incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase in rural areas unincorporated towns and in 13 incorporated towns which have ceded jurisdiction over electric rates.

The principal reasons cited for the request were the cost of WTU's construction program, high interest rates and the effects of general inflation on the cost of providing service.

The proposed rates would produce an increase in total retail revenue of \$20,404,166. This amounts to 9.4 percent.

No major changes in rate structure are proposed except for some adjustments of allocations among customer classes. For residential customers, the average electric bill, including fuel costs, would go up by about 10 percent, although the actual increase would vary with the amount of usage.

WTU's last rate case was filed in the fall of 1981 and settled early in 1982 without a hearing and for an amount considerably less than had been requested. WTU had asked for 15.2 percent but received 8.3 percent. Com-

pany officials said at that time that another increase probably would be necessary within the year.

The Company had to spend over \$55 million this past year on new construction and must spend even more in the years immediately ahead to assure a continued reliable supply of electricity. The construction program includes a new coal-fired power plant at Oklaunion, as well as new transmission lines and distribution facilities over the system.

WTU built its last power plant in 1977 and since then has been able to lag behind most other utility companies in new construction and in rate increases. A recent survey by the Public Utility Commission of Texas shows that WTU's customer bills are lower than the state and national averages.

## Research Center's Field Day Held September 8

Although preparations had been made for a large turnout, attendance at the producer-oriented field day held at the Munday Research Center on Wednesday, September 8, was disappointingly small. The program, however, was presented as planned.

Dr. Earl Gilmore, director of the Chillicothe-Vernon research center, made introductions, after which visitors boarded buses for the research farm near Goree.

There, Dr. Cleve Gerard of Vernon discussed furrow diking to trap rain water. Phil Lewis, with the USDA in Vernon, spoke on varieties of guar, and Dr. Kamal El Zik of Texas A&M

University talked on TA-MAR reading of cotton.

Dr. David Nagel, superintendent of the local center, discussed commercial variety trials of cotton, and Mike Stevens talked on rotations involving potatoes, watermelons, southern peas, wheat, guar and field corn.

The group returned to the Munday center for lunch, which was followed by a "walking tour" of the facilities. Alternative crops, such as carrots, paprika, peppers, peanuts and pinto beans, were discussed during the tour. Personnel was available for a question and answer period when the tour was completed.

## Lone Star Gas Files For Rate Increase In Goree

Lone Star Gas Co. manager Leon Ivey recently filed an application for a rate increase which would raise the average residential customer's monthly bill in Goree about \$3.75 in the winter and \$1.75 in the summer.

Based on Lone Star's rate application, a residential customer who uses an average of eight thousand cubic feet of gas a month paid \$36.07 for gas service in the winter. Under the requested rate, that same customer would pay \$39.82.

Commercial gas customers' rates would also increase under the requested rate schedule.

"Our customers are accustomed to dependable natural gas service," said Ivey. "This rate increase is necessary to continue a high performance level and for other necessary expenses, such as maintaining and improving the local pipeline distribution system, which are vital to dependable service."

Lone Star's last rate increase in Goree became effective January, 1980.

"Since that time, every business, including Lone Star, has experienced increased operating expenses," Ivey explained. "And, of course, unlike other businesses that can raise their

prices as expenses go up, we must apply to the city council for a rate increase. No one likes rising prices, but any business must earn enough

money to meet operating expenses and still achieve a reasonable profit. Even though our expenses have gone up, Lone Star still has

one of the lowest average operating costs per customer when compared to any of the other major gas utilities in Texas."

SECTION CHAIRMEN for the Munday United Fund Drive were announced this week. Pictured standing in rear, from left, are Ronnelle Cude, northeast division; Charles Baker, business division; and Mary Cartwright, north residential area. Seated are, left to right, Bernadette Kuehler, who will be in charge of the northwest rural division; Joan Hutchinson, south residential area; and Gay Yost, southwest division. Not pictured is Mozelle Smith, who will be chairman of the southeast rural section. The drive will begin on October 11 and continue through October 25 in the Munday area.

POUNDRING REPLACED BY MONEY TREE Pastor And Wife Benefit At Annual Family Night

Ladies of the First United Methodist Church spared no detail in planning and preparing for the annual Family Night observance which was held on Wednesday, September 8, in the "open air arena" just east of the church building. Action began at 7 p.m.

While the ladies were putting finishing touches on the meal, other members and guests assembled early in anticipation of the delicious meal and program to follow. They milled about the grassy area and visited until the signal that everything was ready.

Visiting with the group were a former pastor and his wife, Rex and Letha Mauldin, now of Big Spring, where Rex is serving as

district superintendent of the Big Spring district. Rex announced that it was 25 years ago this year that he came to Munday for a sojourn of six years as church pastor.

Rev. Don Travis, new pastor, called for attention as he voiced thanks for the meal. Then two lines, one on each side of the heavily-laden table, formed as guests were invited to help themselves to golden fried chicken, pinto beans, choice of some eight or more salads, nick-nacks, and iced tea to complete the meal. Tables had been provided for some 100 people to be seated for the meal, which was topped off with

several flavors of delicious home-made ice cream. When everyone had dined sumptuously, they were invited to assemble inside the church for the program.

Pastor Don again led the group in prayer and directed singing of some old-time hymns.

He then called on Rex and Letha Mauldin for their contribution to the program. Rex expressed his joy for being able to return to Munday for a brief period, then sang his own solo. He then called upon Letha, who also had some nice things to say about their stay in Munday and did her own lovely solo.

The two combined their voices in a lovely rendition of the popular hymn, "I Surrender All", and Rex concluded with his inspirational "sermonette".

Don then set in to express thanks to everyone who even turned a finger to make the event a success, when he was interrupted:

"Hold on, Don," a voice came from the rear, "look what I've found." He then asked Don's wife, Dorothy, to follow him to the front, as Charles Baker came bearing a potted plant attractively transformed into a money tree, refuting the old saying that "money doesn't grow on trees".

Knowing that Travis and his wife were leaving on vacation the next day, he said the church was paying them to leave and he wanted them out of town "by sundown tomorrow."

The pastor agreed to this ultimatum, but he had one more chore to do. He called for M. L. Wiggins to "come on down", and presented him a lovely plaque in recognition for his 25 years service to the Salvation Army.

Thus ended the family night observance of Methodists of the Munday

Police Report

Police Chief Gerald Saffel The Munday Police Department submits the following report for September 6 through September 12, 1982.

The following is some of the work done by the department in traffic control: one motorist assist, three citations and three warnings. The department assisted the DPS with a cow problem and assisted the county with one arrest.

The following is a list of some of the problems dealt with concerning dogs: two dogs penned by owner at request of department, one warning concerning dog being penned in less than 10 days; one dog was picked up with no tag or collar and was taken to Dr. Stewart's on Friday. By Saturday someone had released the dog without contacting the police department or Dr. Stewart. Charges may be filed for criminal trespass. Two dogs were terminated by permission of overseer.

One theft investigation was started concerning the disappearance of a watch with an approximate value of \$500. The watch was taken from a residence during a time when the owners had a large number of invited guests who were not all well known.

One family disturbance was handled; one mentally disturbed stranger was reported, the person was interviewed and assisted in his desire to leave Munday.

One report of interference of free enterprise and tampering with public communication is under investigation at this time. The interfering with public communication may have to be transferred to Federal authorities because it comes under Federal law. It would seem that things don't change much over the years, we still have people who want to have a monopoly on business and do away with all competition.

One male 18 years old was arrested and jailed for burglary of a business. This person was released on recognizance bond by Sheriff Nix, since it was recommended by Chief Saffel that the person was not likely to leave town. This subject was known well by Nix and Saffel and in their opinion proposed no immediate threat to himself or the community.

Comptroller's Representative Here Tuesday

If you have a question about State Taxes or need some assistance, circle this date on your calendar: September 21, 1982. Comptroller Bob Bullock will have a representative in Munday on that date to meet with local taxpayers between the hours of 1:30 and 3:30 p.m. in the Munday city hall.

Social Security Representative At City Hall

A representative of the Vernon Social Security office will be in Munday at the city hall on Wednesday, September 22, from 9:30 until 11:30 a.m.

He will give assistance in filing for Social Security Retirement, Survivors Disability, Medicare or Supplemental Social Security income.

Munday Moguls take on the Knox City Greyhounds at 8 p.m. Friday night in Munday. They need your support.

Goree Ladies Pleased With Efforts To Aid MD Campaign

Three young Goree women who decided to do their part for a charitable cause wound up doing a little more than they'd originally intended, but they are glad it turned out that way.

Vickie Huffman, Rickie Myers and Marsha Hale recently donated \$500 to the Muscular Dystrophy Association as a result of the bake sale they sponsored at T. J. Trainham's Grocery in Goree over the Labor Day weekend.

Mrs. Hale's husband, Gary, is a victim of Muscular Dystrophy. Mrs. Huffman explained, "When you know someone who has suffered from a disease like this, you really want to do something to help."

The ladies spent a couple of nights baking cakes, pies and cookies for the bake sale, and took their products to the store on Friday afternoon. They intended, Mrs. Huffman said, to catch the school children on their way home and entice them with some homemade cookies. The youngsters weren't the only ones who noticed the table of goodies, as the ladies found themselves sold out of their delicacies before 5 p.m.

Proceeds from the afternoon's sale came to approximately \$240.

So the cooks bought more ingredients out of Friday's proceeds, and went home to do their baking all over again. Now, if this sounds like a lot of baking for three women, especially ones with husbands and children to keep away from all those goodies, they admit it wasn't an easy job. But they are quick to point out that they had help from other Goree ladies who brought their own specialties to be sold.

The three started selling baked goods just before 10 a.m. Saturday, and they were sold out by noon. Mrs. Huffman attributed part of the sale's success to the fact that only a few women did the baking, and this meant more ladies in town were willing to buy something

someone else had baked. She also pointed out that ingredients for the second batch of goods were bought with part of the proceeds from the first day's sale, so the sale actually netted over \$500. According to Mrs. Huffman, \$494 was the amount of clear profit.

The ladies are so pleased with the results of their enterprise they say they might have another sale sometime this winter to benefit the West Texas Rehabilitation Center. They express their appreciation to those who baked items to be sold and to those who purchased the baked goods, and hope that everyone will be as generous if another sale is held.

But it will be a few months before they attempt another fund-raiser. Baking nine cakes in one night is something you only want to do once or twice a year.

Six-Man Teams In Action Friday

After having an open date last Friday night, all three area six-man football teams will see action this week. The teams have a victory apiece under their belts, and will begin District 3 play Friday night.

The Goree Wildcats will travel to Harrold to take on the Hornets. Harrold returns 12 lettermen from last year's 7-3 team, and although small, boasts an explosive offensive attack.

Weinert's Bulldogs play host to Vernon Northside and pit their small speedsters against Northside's large interior line and more experienced defense.

Benjamin is also playing on their home field, hoping this will give them an advantage against the Guthrie Jaguars. Area football fans wishing to see a good game Friday night will have several to choose from, and we urge everyone to go out and support our local athletes.

### A Cheerful Heart Is Good Medicine

Sometimes life's burdens can get you down. One can become drawn or driven from God by circumstances. Recently this article passed by my desk and it gave me a tremendous boost and I would like to share it with you.

Long ago Solomon wrote this brief, but powerful proverb, "A cheerful heart is good medicine, but a crushed spirit dries up the bones." (Prov. 17:22) It's one thing to give a commentary on a verse and another to give an example. The example is always more powerful.

The power of a cheerful heart can be seen no clearer than in the story of Eula Weaver. She was recently in one of the newspapers with a picture of her in a jogging suit. Now that's not unusual, since we are a nation filled with joggers. The thing that

struck me was that Eula Weaver is 88 years old.

At the age of 77, Eula had a stroke. She could have reasoned to herself, "well, this is it, I'm at the age when people die. I'm only three years short of eighty, I'll just lie here and die."

But not Eula Weaver! Her doctor told her she had two choices: She could spend the rest of her life as an invalid, or get out of bed and start walking. Today, she is almost ninety years old (88), and she runs a mile every day. For eleven years that cheerful heart has helped her keep alive and vigorous.

The last part of the proverb said, "a crushed spirit dries up the bones." She could have said, "I'll just lie here, be paralyzed and give up." That kind of spirit crushes you.

Let's thank God that He lets us choose the kind of spirit we'll have. I want people to think of me as one

who has a "cheerful heart". How about you?

### Decker Reunion Held At Nazareth

The Decker reunion was held in the American Legion Hall at Nazareth on September 4 and 5.

Attending from Munday were Joseph Decker, Mrs. Mary Redder, Dorothy Herring, Donna Browning and sons, Joann Maston and Ranea, Paul Morath Jr., and Herman Redder and sons. The oldest attending was Joseph Decker and the youngest was his great-granddaughter, Ranea Searcy.

About 150 people were there and all reported having a good time.

### Mustangs Defeat Woodson Cowboys

The Benjamin Mustangs opened the 1982 season on Friday night, when they took a 31-18 victory over the Woodson Cowboys.

The Mustangs were led by the fine running of Alan Baty and Troy Oxford. Oxford had 3 TD's of 2, 4 and 33 yards, while Baty had two TD's of 36 and 51 yards.

Ancel Redder caught an extra-point pass from Oxford. Doug Brown, Randy Engbrock, Oscar Gideon, Ancel Redder, Glen Heard and Chad Tolson all did fine jobs of blocking. Allan Heard, along with other Mustangs, turned in a fine defensive performance.

The Mustangs will meet the Guthrie Jaguars on Friday, September 17, at 7:30 p.m. Benjamin's schedule appeared in the September 9 issue of this paper.

### Benjamin Colts Schedule Given

The junior high school Colts will get started on September 16. This is a "maybe" game with Paint Creek. Their schedule follows:

Sept. 30, Goree there; Oct. 7, Northside here; Oct. 14, Patton Springs, there; Oct. 21, Harrold here; Oct. 28, Rochester here. Games start at 5:30 p.m.

### HERE AND THERE

Lora Hall is spending a few days with her family in Plainview.

Mr. and Mrs. Van Green attended the funeral of R. D. Hamilton in Vernon on

Saturday afternoon.

Billy Trainham returned to his home in El Paso after spending two weeks here to be with his father, Walter Trainham, who is a patient in the Seymour hospital. Walter's condition continues serious at this time.

Mr. and Mrs. Wilburn West were recent guests of Mrs. L. A. Parker.

Oleta Welch returned home Wednesday after several days visit with her family, the Harold Welch's in Seagraves.

Diane Green and Rickie Herring were dinner guests of her parents, Mr. and Mrs. Van Green Saturday night.

Butch Young of Grand Prairie was guest in the home of his brother, Dutch Young, on Thursday night.

Guests of Julia Propps during the Labor Day weekend were Mr. and Mrs. Danny Allen of Amarillo and Tim and Todd Allen of Plano.

Edward Moorhouse of Dallas and Bob and Linda Moorhouse and girls of the Pitchfork Ranch were Labor Day guests of their parents Tom and Lucille Moorhouse.

Audrey Nolan returned home Friday afternoon after several days visit with her children in the Pecos area and in Lubbock.

Recent guests of Lil Moorhouse were her daughter, Sue Dinkle of Dallas, and Mona Holcomb of Arlington.

Visiting Ozelle Kilgore and Galen recently were their niece and cousin, Juanita Heimerman of Lubbock.

### It's A Boy

I have arrived, Mundayites. My name is Jeremy David Green. I weighed seven pounds and one-fourth ounce, was twenty inches long, and I am very cute. My parents are Lynn and Gala Green of Lubbock.

My maternal grandparents, Howard and Ruby Myers were patiently waiting when I arrived at 4:00 p.m. on Thursday, September 8. My paternal grandparents, David and Edith of Lubbock, were joyful at the arrival of their first grandchild. Great-grandmothers are Mrs. Roe Myers of Munday, Mrs. Mattie Belle Taylor of Victoria and Mrs. Laura Green of Lubbock.

I am very contented and enjoy company so drop by and visit if you're in Lubbock.

### Charlie Haynie, Pioneer Knox County Resident, Dies Sept. 9

Charlie Haynie Sr., 89, pioneer resident of Knox County and of Munday, passed away last Thursday morning, September 9, at Munday Nursing Center, where he had been a resident for several years. He had been in declining health for some time.

Born on January 24, 1893, in Corinth, Miss., Charles Henry Haynie came to Texas with his parents and moved from Santa Anna, Texas, to Knox County in 1908. He grew up in the Truscott community and remained a resident of Knox County for the remainder of his life.

He married Marah Eugenia Brown, also of Truscott, on October 23, 1919, while sitting in their car in front of the preacher's house at Vera. They came to Munday, where Charlie had a job waiting in a barber shop, a career he started in 1910, barbering in Truscott, Goree and Munday.

He was a veteran of World War I, and while serving in the U. S. Marines, he became an expert pistolman and expert rifleman.

After operating his own shop here for many years, Charlie entered into semi-retirement in 1959, turning the barber shop over to his

son, Gene, and the beauty shop over to daughter-in-law, Jeanne.

He was a member of the First Baptist Church, a former member of the City Council, past president of the Golf Club in Munday, and charter member of the Lake Creek Country Club. He was an honorary member of the Munday Volunteer Fire Department, and a member of the American Legion.

Funeral services were held at 3 p.m. Friday from the First Baptist Church in Munday, with the pastor, Rev. Jim Way, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Grandsons who served as pallbearers are Richard McCaules, David Haynie, Jim Richmond, Floyd Haynie, Paul Segars and Hank Haynie.

Surviving him are his wife, also of the nursing center; four sons, Charlie Jr., Don and Gene Haynie, all of Munday, and Lloyd Haynie of Wichita Falls; three daughters, Peggy Richmond of Bangs, Beth McCaules of Benjamin and Janie Segars of Fort Worth; two brothers, Carl Haynie of Austin and Cecil Haynie of Amarillo; 19 grandchildren and 15 great-grandchildren.

## Area Grid Results

### MERKEL BADGERS DEFEAT HAMLIN

Victory came to the Merkel Badgers for the first time since 1980 Friday night when they defeated the Hamlin Pied Pipers by a score of 7-0 on Badger Field.

Hamlin dropped to 0-2 in season's standing, while the Badgers are 1-1.

Defense spelled the difference. Merkel held at vital situations, including four times inside its own 30 yard line, without allowing the Pied Pipers to cross its goal.

The Badgers' score came in the first period when they intercepted a pass and went 37 yards to score, adding the extra point.

### KNOX CITY BESTS SEYMOUR PANTHERS

Knox City hosted the Seymour Panthers Friday night, but they showed no respect for their visitors when it came to scoring, racking up 27 points to the Panthers' six.

Ricky Gutierrez, halfback, ran for two touchdowns, and quarterback Dwayne Watkins threw for two more.

Gutierrez scored on the four-yard run in the second quarter to open the scoring and added a seven-yard touchdown in the third. Watkins hit a flanker, Tyke Meinzer, on a 48-yard second quarter pass play for a counter, then connected with Craig Watson for a 19-yard score in the fourth.

The Greyhound defense stymied the Panthers, holding them to only seven first downs. The Panther score came on a 64-yard run in the third period.

### ANSON EKES OUT VICTORY OVER ROTAN

The Anson Tigers held on a 13-12 lead Friday night at Rotan to defeat the Yellowhammers after four quarters of closely fought football.

Rotan scored first in the opening period, and their second counter came when Rotan's Roger Hooper to the kickoff and went the entire length of the field to score. Each extra-point try failed.

Anson's quarterback Jay Baccus went 60 yards on a sneak for their first score, with Rusty Whitaker adding the extra point. Anson scored again after recovering a fumble on the Rotan 35 and scored in five more plays.

Each team gained 212 yards on offense, but

Rotan's three lost fumbles to none for Anson hurt.

### WOODSON WINNER OVER PAINT CREEK

Woodson rolled up a 44-14 non-district victory Friday night over Paint Creek in six-man football at Paint Creek.

The Cowboys improved their record to a 1-1, after losing to the Benjamin team earlier, while Paint Creek fell to 0-2 in district standing.

### RULE BOBCATS DEFEAT ABILENE

Otis Lockhart carried the ball 16 times for his Rule

Bobcats Friday night at Rule to lead his team to a 24-13 victory over Abilene Christian High School.

The first quarter promised an offensive slugfest, but nine turnovers - six by the Panthers - slowed both teams.

Lockhart accounted to 149 yards rushing and two touchdowns. ACHS halfback Bruce Walker intercepted a Bobcat pass and returned it 38 yards for one of the Panthers' scores.

### CISCO DEFEATS HASKELL'S INDIANS

Cisco's Jason Potter's six-yard run in the first quarter stood up as the only score as the Cisco Lobos edged out Haskell's Indians last Friday night on Indian Field. The game evens both teams' season records at 1-1.

Outstanding defensively for the Indians were Shane Welch, Keith Reed and Alvert Sherman.

### OTHER SCORES

Quannah 7, Archer City 0; Harold 57, Newcastle 20; Lueders-Avoca 60, Paint Rock 18.

## Coach Rogers Lankford Comments On Moguls

by Coach Rogers Lankford

The coaching staff was pleased overall with the performance of the team against Windthorst, particularly with that of the defense, which held Windthorst to a total of 9 yards offense.

Our football films are graded each week by the coaches, and the leading defensive grades this week went to Quincy Adams, Danny Hertel, Bryan Kuehler and Johnny Collier. Terry Hendrix also had a good game, intercepting a Trojan pass and running it in for a touchdown.

Offensively, we did not execute as well as we had hoped to, but we did make some key first downs to keep several drives alive. Our passing game shows improvement each week.

Dave Hunter provided a spark to the offense by scoring twice, once on a pass

reception, and once on a punt return. Quincy Adams had our other score on a short run. Both running backs had good nights, rushing for around 90 yards each.

Next week we play Knox City. They have probably the best backs and quarterback we've seen so far, and they may be the best we will see all season. They have two excellent backs and one of them (senior James Stafford) is very large and has good speed for his size. Their quarterback is also a fine player. They can run and throw equally well, and this will put a lot of pressure on our defense. Their weaker spots are their lines and a lack of speed in their receivers. Coming off a big win last week, they will be fired up, and we will have to play a better ball game than we did last week to defeat them.

We want to encourage everyone to come to the game and support the team.

### LOOK TO THE EAST

Continued from Page 1

Club meetings with his clothing reeking with tobacco smoke. We imagine that at times she felt like having him submit to a breath test to determine that he hadn't taken up the filthy habit!

Rex went from Munday for better things, we reckon. He pastored churches at Abernathy and Amarillo, among other places; and, during our last Annual Conference he received an appointment as district superintendent of the Big Spring district.

In reference to this, Rex said the transition from pastor to D. S. was quite a challenge and necessitated a few adjustments. He is one who can meet the challenge, and our guess is that he's doing a good job of it.

We continue our best wishes to Rex and Letha in this, their new undertaking.

## JV, Junior High Teams Defeat Stamford

The Munday junior varsity and junior high teams made a clean sweep of their games against Stamford last Thursday night, winning all three. The games were played on the Munday field.

The junior varsity won their game 3-0 on a 21-yard field goal by Ronny Lowrance. Coaches Bill Kingston and Robert Redden were pleased with the game. Coach Kingston said, "The boys played well. Stamford was tough opposition, having mostly sophomores and juniors on their junior varsity team, while our team is composed mainly of freshmen. We were very happy with the win."

Coach Kingston stated the team would leave about 6:00 p.m. Thursday (tonight), September 16, to travel to Knox City for their game there. He estimates they will return at approximately 10:30 p.m.

The seventh grade Braves defeated Stamford 22-0, and the eighth graders won their game by a score of 26-6. Coach Ed Pugliese stated, "Despite poor coaching, the boys played real hard and certainly deserved wins in their season openers."

Pugliese cited Corey Moore, Russell Reddell and David Leija as standouts for the seventh graders, and said that Jeff Bruce, James Gass, Curtis Taylor and Isaias

Dena played well for the eighth grade squad.

The junior high teams will also make the trip to Knox City this Thursday (tonight) for games starting at 5 p.m.

These coaches urge fans to make the short trip to Knox City and show the boys their support.

## O. L. Kirk, Ex-Farmer And Cowboy, Dies In Abilene

Oliver Lee Kirk, 92, former Knox County farmer and early-day cowboy, passed away at 5:30 a.m. Saturday at an Abilene nursing home, where he had been a resident for several years. He was a longtime resident of the Benjamin area.

Born in Lampasas on November 18, 1899, he came to Benjamin with his parents in 1906 on an immigrant car in the days when the railroad made a "Y" there to turn around, unable to cross the Brazos River. The family was attracted to the area by the low cost of rich prairie land that appeared just right for growing cotton.

The Kirks were among seven families who bought land west of Benjamin from a land company. Oliver was the oldest boy in a family of nine. He began farming early in life after a horse fall crippled his father.

The family cleared their land of mesquite trees with a grubbing hoe, but the family made only five bales of cotton the first three years.

By the fifth year, all seven families had lost their land without making a crop. The Kirks then rented land and tried again. Oliver later became a cowboy and worked on several early-day ranches.

BY CARLA WEST

Mrs. Chloe Lambeth of Lubbock visited Homer Lambeth last Wednesday and Thursday.

Visitors with Zora Melton and Gillie Lewis over the Labor Day weekend were Mr. and Mrs. Fred Searcey, Mr. and Mrs. Dave Fitzgibbon, Chris and Mandi, and Mrs. and Mrs. Greg Collier and children, all of Grand Prairie.

Mrs. Jamie Downs, Brandi and Jordan, visited Mrs.

Zora Melton over the past weekend.

Ruth and Tony Hammons visited Aunt Kate Glasgow Saturday morning.

Mr. and Mrs. Jim Rouston and girls of Lubbock recently visited Lola Moore.

Jim and Ina Homer of Fort Worth visited his mother, Mrs. Anna Homer, on Saturday.

Brenda Smith gave the Tuesday morning devotional last week.

Merle Dings played bingo with the residents Tuesday afternoon. They all enjoyed the goodies she brought.

Fidelia Moylette and Dayle Kuehler called bingo on Thursday. They brought gifts for all the players.

The Church of Christ of Weinert held Sunday afternoon church services.

We would like to thank all our volunteers who helped us last week. We appreciate you.

## Plans Being Completed For Weinert Homecoming

The 1982 Weinert Homecoming will be held October 1 and 2. Activities will be kicked off Friday night when the Bulldog football team travels to Rochester for a district six-man football game. Kick-off will be at 7:30. A victory caravan will form at the school at 6:45 and journey to Rochester to support the Bulldogs.

On Saturday, Oct. 2, registration and visiting will

begin at 10:00 a.m. and continue throughout the day. Weinert F.H.A. will feature a concession stand for lunch and snacks.

The program will begin at 2:00 p.m. Business matters, recognition services, and selection of nominees for Coming Home Queen and Escort will be conducted at this time.

Due to high costs, the Homecoming Committee will cater supper this year. Brisket, beans, and all the trimmings will be served at 5:30 p.m. Costs will be \$3.50 for adults and \$2.00 for children 12 and under.

Saturday night at 7:30, a musical jamboree will feature Weinert Exes presenting songs from each decade from

the 1920's through the 1980's. All musicians and singers are asked to come and join in. Homecoming and coming home queens and escorts will be crowned at this time.

The Weinert Child Care Center, located in the north part of the old Ag Building, will be available to provide care for infants through preschool children. It will open at 1:30 and will remain open through the evening musical and crowning ceremonies. Charge will be \$1.00 per hour per child. There will be no charge for the first 15 minutes of an hour but the remainder will be charged as a full hour. Sandwiches and drinks will be provided at supper time.

## CARD OF THANKS

We were again reminded of the value of friends when so many of you did so many things for us during Donald's illness and stay in the hospital. Your many deeds of kindness and words of encouragement during this time will long linger in our memory. Our prayer is that God will richly bless each and every one of you.

The Donald Hobert Family

## Comptroller Estimates Large Surplus

State Comptroller Bob Bullock sent lawmakers a supplemental estimate of funds available for state spending Tuesday.

"We're expecting the same \$1.3 billion surplus we predicted in July," Bullock said.

The Comptroller pointed out he had released his estimate of a record state surplus five months before it would have been due a regular session of the Legislature so that lawmakers would begin thinking and talking about how the surplus could best be used "in July instead of waiting for January."

Bullock's recent estimate was submitted to the Special Legislative Session as required by the Texas Constitution.

The estimate includes final revenue collection figures for

the state fiscal year that ended the last day of August.

"This is the largest surplus our state has ever seen," Bullock said. "It means the Legislature will have \$5.1 billion more to spend than was appropriated in our present budget."

"Clearly there is enough money available to finance responsible action in solving problems with the Texas Unemployment Compensation Trust Fund, maintaining Texas' healthy business climate and protecting the benefits of unemployed Texans," Bullock concluded.

\*\*\*\*\*

Spending last week with Mrs. Frank Nance were her children, Mr. and Mrs. W. C. Nance of Rosharon, Mrs. Kenny Smith of Odessa, and Mrs. Jimmy Leach of Midland, and her granddaughter, Mr. and Mrs. Mark Kulogha of Brenham.

## Announcing...

# MaxEPA

MARINE LIPID CONCENTRATE

an important new source of eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA)...

### What is MaxEPA?

MaxEPA Marine Lipid Concentrate provides a natural triglyceride concentrate of selected marine oils supplied in clear soft elastic gelatin capsules.

MaxEPA provides a rich dietary source of Omega-3 fatty acids including 18% of eicosapentaenoic acid (EPA) and 12% of docosahexaenoic acid (DHA).

These Omega-3 fatty acids have been found to play important roles in the body's metabolism.

### Where do EPA and DHA come from?

EPA and DHA are found naturally in oily fish and are found in low levels in the normal diet. Adequate dietary supplementation of these important Omega-3 fatty acids can only be achieved by regular consumption of large amounts of oily fish.

Historically, many of our ancestors had diets rich in oily fish.

Today, this dietary regimen is followed by only a small fraction of the world's population. This includes the North American Eskimo and the Japanese living near the sea.

Documented studies have shown these people have an extremely low incidence of heart disease.

100's . . . . . \$17.95

30's . . . . . \$6.25

## MaxEPA an important new source of EPA and DHA

The diets of the American Eskimo and the Japanese living near the sea differ from most of our own. The large amount of oily fish consumed in these diets provides a rich source of two essential Omega-3 fatty acids.

MaxEPA—when used as a dietary supplement—provides a rich source of these essential fatty acids *without* the necessity of eating large amounts of oily fish.

### Specifications:

Eicosapentaenoic acid (EPA) . . . . . 18% minimum  
Docosahexaenoic acid (DHA) . . . . . 12% minimum  
Free fatty acids . . . . . 0.1%  
Vitamin A . . . . . 100 IU per gram (approx.)  
Vitamin E . . . . . 1 IU per gram

### The most convenient, elegant dosage form

MaxEPA marine lipid concentrate is supplied in soft elastic gelatin capsules specifically formulated with natural gelatin, glycerin and water. This capsule product has no sugars, starches, colors, flavorings or preservatives added.

"Most Natural" soft elastic gelatin capsules are easy to swallow and elegant. Consumer studies confirm that the soft elastic gelatin capsule is preferred over any other oral dosage form.

#### Plan For Positive Parent-Teacher Talks

As the fall school term progresses, both parents and teachers will begin planning for joint conferences which can be mutually rewarding. The skills of effective parent-teacher teams can build a quality finished product - an inquisitive, well-adjusted growing child. Parent-teacher conferences can be a vital, constructive, learning situation for parents as well as teachers. The conferences should be planned for a specific time in a quiet, comfortable atmosphere. Serious pre-planning can help both parents and teachers make better use of their time. Parents and teachers should agree on fair, reasonable goals that benefit the child and bring pleasure and learning to the youngster. Helpful dialogue about what parents want for and expect from their child - as well as the teacher's expectations and professional responsibilities to the child and class as a whole - can be a vital first step.

Other positive approaches to parent-teacher conferences may include:

Parents can provide two important tools - personal support and interest - that the teacher can use to help a child grow and develop while in school. Together parents and teacher can figure out the strengths of a child. When you know what's right with a child and not what's wrong with him/her, school and home provide a complemen-

tary support system that tends to accelerate the talents a child possesses and play down poor school habits. Plotting together in hopes of bringing about changed behaviors in a child is not fair to a child. Parents and teachers can identify necessary changes sought, but involve the child in choices, decisions and changes to be made for his own benefit. Closing a parent-teacher conference is important, too. When a conference is treated like any other professional appointment, it begins and ends on time. Care must be taken not to spoil a good conference at the last minute by sudden and abrupt eviction. A competent educator and an effective parent are like an accomplished musician - they devote years and effort to acquiring skills and techniques. Once acquired, they are unseen. Good communication skills between parents and teachers are the "silent force" behind good students.

## THE TOM-TOM Happenings In Munday Schools

### Freshman Class Officers

By Lynette Norman  
The freshman class of 1982 has elected their class officers for the 82-83 school year at Munday High School.

Todd Thompson will head the class as president. Backing him up will be Dent Offutt as vice-president. Ronny Lowrance, a new class member, was elected secretary. Treasurer of the freshman class money (if we ever get any) is Randy Kuehler. Lynette Norman was elected class reporter, and Salwa Choucair is our Student Council representative.

### Band Officers Elected

The Big Purple Cloud band recently elected officers for the 1982-83 season. Those serving are: Kelli Smith, president; Julie Partridge, Vice-president; Holly Hutchinson, Secretary-treasurer; and Paul Wright, reporter. Mike Davis, MHS band director stated, "These

### Safe Driving Class Offered In Goree

Goree chapter of the American Association of Retired Persons will sponsor a defensive driving course in Goree on November 8, 9, and 11, 1982, from 7 p.m. until 10 p.m. Instructor for the course will be J. C. Brown of Wichita Falls, who is safety officer with the Department of Public Safety. The fee for the course will be \$3.50 per person. Anyone taking the course will be eligible for a 10 percent reduction on their vehicle insurance for a period of three years.

All area drivers age 14 and older are invited to attend the sessions. Interested persons should contact Mrs. J. C. Watson at Goree before November 8 to pre-register. Mrs. Watson's phone number is 422-5226.

What's likely to cost Americans nearly \$6 billion in "hidden taxes" this year? Underpayment by the Federal government to hospitals for the care of Medicare and Medicaid patients.

### Changing Income Tax Laws

Do you understand the principal provisions of the Economy Recovery Tax Act (ERTA) of 1981 that affect your farming or ranching business? Since income tax management requires year-round attention, a review of some of the ERTA provisions follows.

One of the more significant income tax provisions of ERTA was the addition of a faster depreciation method called the Accelerated Cost Recovery System (ACRS). ACRS applies to most new and used tangible depreciable property placed in service after 1980.

ACRS provides for depreciation or cost recovery over these periods:

- 3-year property, such as autos, light trucks and swine.
- 5-year property, such as equipment, beef and dairy cattle and single-purpose agricultural facilities.
- 10-year property, such as mobile homes.
- 15-year real property, such as farm buildings.

ACRS deduction is determined by multiplying the unadjusted basis by a percentage value which is obtained from the appropriate ACRS table.

A full year's deduction is available under ACRS, irrespective of when the 3-, 5-, or 10-year property is placed in service. The ACRS deduction for 15-year real property is calculated to the nearest month it is placed in service.

No salvage value is subtracted when computing the ACRS deduction.

If the ACRS is not chosen, the Alternate Accelerated Cost Recovery Method is the straight line (SL) method depreciation as follows:

The straight line recovery period of 3-year property is 3, 5 or 12 years. The recovery period of 5-year property is 5, 12 or 25 years; 10-year property, 10, 25 or 35 years; and 15-year property, 15, 35 or 45 years.

If the alternate ACRS method is chosen, the first year's depreciation is one-half the amount that would be allowed for a full year, irrespective of when property was placed into service during the year.

For 3-, 5-, and 10-year property, the same method and recovery period must be used for all property in the same class placed in service during that tax year. This restriction does not apply to 15-year real property.

When the alternate ACRS method is chosen for real property, the first year's deduction and the deduction in the year of disposition must be prorated for the

number of months used.

In general, ERTA provisions, including ACRS, should mean income tax savings for Knox County farmers, which would help the cash flow situation and increase the average net worth of most farms over the next few years.

However, several tax law changes are already proposed by the Senate Finance Committee which would tighten deductions and could lead to greater tax liabilities for farmers. Producers need to stay abreast of any changes in tax laws that may result so that they can plan income tax strategies for maximum benefits.

In evaluating the tax consequences of major decisions, consult a tax advisor about ERTA provisions as well as proposed changes in the income tax law.

### Young Farmers Elect Officers

Knox County Young Farmers Association met on Tuesday, September 7, to elect officers for the upcoming club year.

Elected president was Dale Bloxham of Knox City. Other officers include David Key, Munday, vice-president; Charles Siepel, Knox City, Secretary-treasurer, and Don Hawkins, Knox City, reporter. Greg Rawdon is club advisor.

Other members at the present time are Edwin W. Smith, Lloyd D. Welch, Bobby Sosolik, Mike Sloan, J.W. Michels, David Bordovsky, John Reneau, David Nagel and Larry Thompson.

The next meeting of the organization will be Tuesday, October 5, at 7:30 p.m. in the Munday ag barn. Electricity will be the topic of the meeting.

The 1982 Area IV Young Farmer convention will be held in Miles on September 25. Registration begins at 9 a.m. at the Miles Opera

House. All members and their wives or guests are urged to attend.

Other special dates are January 14-15, the Knox County Livestock Show; December 12-16, the National Young Farmers convention; and the state convention in Abilene will be on January 20-22.

### To Benefit Rehab Center

A "starving artist show" for benefit of the West Texas Rehabilitation Center, Abilene, is being sponsored by the Brazos Art Association in Haskell. The date is Saturday, September 25, from 8 a.m. to 5 p.m.

Entry fee is \$5.00, payable to the rehab center. Sale limit is \$25.00. In addition to sale of arts and crafts, bake sales and food booths will be held.

Any person or organization wishing to participate may check with Omiteene Ammonett, 414 No. First St., in Haskell for permit, or call (817) 864-2870 or 864-3041 for information.

**AVISO PUBLICO**  
Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

#### PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:

#### PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$80,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesidades y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

**PUBLIC NOTICE**  
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

#### PROPOSICION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for 17 state colleges and universities.

#### PROPOSICION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium. The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

#### PROPOSICION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

#### PROPOSICION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would raise the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

#### PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exencione de la imposición de impuestos de la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que exenciona los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

#### PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gubernantes de ciertos distritos de agua y distritos de conservación y reclamación."

#### PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

#### PROPOSICION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

#### PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesoroero del condado.

Si se anula el oficio de tesoroero del condado, se cesarán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que anula el oficio de tesoroero del condado en los condados de Tarrant y Bee."

#### PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

## PUBLIC NOTICE BECAUSE THE PEOPLE MUST KNOW

### PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that B-K Electric cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective October 6, 1982, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed changes. The Utility expects that the proposed schedule of rates will furnish the Utility 10.81% more in revenues than are furnished by the existing schedule of rates.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas, and the municipality of Seymour, Texas.

The Statement of Intent is available for public inspection at the general office of the Utility located at 419 North Main Street, Seymour, Texas 76380.

### Vacation Tour Of Western U.S.A.

Aubrey Jr. and Louise Roden of Pampa did something recently that few would dare. The two took their mothers-in-law on an extended tour of the western U.S.A. and thoroughly enjoyed the entire trip.

The mothers-in-law are Mrs. Ruby Roden of Munday and Mrs. Mary Zelisko of Haskell. The following is Mrs. Roden's diary of the trip:

Aug. 13: My friend (Mrs. Mary Zelisko of Haskell) and I had an early start to Pampa for a few days of sightseeing.  
Aug. 14: My son and daughter-in-law with us started to Albuquerque, N.M. Spent the night there with relatives.  
Aug. 15: Spent night in Ramada Inn in Kingman, Ariz.  
Aug. 16: Went through Rialto and on to San Bernardino, Calif. and spent night with relatives. Also spent night of 17th there.  
Aug. 18: Spent day and night at another relative's house.  
Aug. 19: Picked grapes at Arvin, Calif., in morning, then on to Fresno to spend night. On our way we went through King Sequoia Canyon National Park to see "Mr. Sherman", the big redwood tree. We spent the night at Best Western Motel there. Some friends who used to live in Haskell visited us there.

Aug. 20: We proceeded to Eureka Calif. to visit more relatives. We did do a lot of seeing things.  
Aug. 21: Went to see a couple that had abalone shells. Got one.  
Aug. 22: Sunday went to church.

Aug. 23: Went to Scotia in the afternoon, went through a lumber mill, then on to see the giant redwoods.  
Aug. 24: Went to Avenue of Giants, more big trees. Then fish dinner at relatives house.  
Aug. 25: Drove over to hunt shells at Clam Beach, Patricks Point then to Samoa. Found no shells. With wild berries everywhere we picked berries in late afternoon.  
Aug. 26: We arose early and went to Samoa cook house for breakfast. Then on our way to Oregon. Drove to Ryan Motor inns in beautiful Salem, Oregon, the state capital.

### THANK YOU

We cannot put into words our real feeling for all that was done for us while Troy was in the Seymour hospital three weeks for surgery.  
For the prayers, flowers, gifts, telephone calls, cards and visits, a simple "thank you" seems so little. A special thank you goes to Dr. Jackson and all the hospital staff, and to Joe Lane for taking us to Wichita Falls for some of Troy's tests.  
It is so good to be home again.  
Troy and Margaret Moore

Aug. 27: Arose early and went across the big bridge over the river into Washington State. Arrived at the Best Western Inn about 11:45. Ate lunch and waited for Denise, my granddaughter, to join us from Dallas. While in Seattle we went up in the space needle.  
Aug. 28: We rode ferries 2 times. Spent night at Port Angeles, Wash.  
Aug. 29: Rode ferry over Victoria, British Columbia, and Vancouver, Canada. We toured the beautiful Butchart Japanese garden park. Reminds one of the beautiful Japanese garden in Brackenridge Park in San Antonio.  
Aug. 30: Left Washington and crossed Idaho to Montana. Toured Yellowstone National Park. Petrified trees, Tower Falls, Gibbons Falls and others.  
Aug. 31: Spent night at Missoula, Mont. Went over Continental Divide at Billings, Mont. Spent night at Jackson Hole, Wyoming. Went to Fountain Paint Pot, Old Faithful Geyser, through Grand Teton National Park.  
Sept. 1: Leaving Jackson Hole, Wyo., for Salt Lake City, Utah. Entered the state at Bear, Utah. Got to Salt Lake City about 5:00 p.m. Aubrey Jr.'s Navy buddy lived there and we spent the night with them.  
Sept. 2: On way home about 11:15 a.m. to Provo, Price and Monticello, Utah. Drove 22 miles to see Dead Horse Point. Spent the night in the very nice Canyon land motor lodge.  
Sept. 3: Came through Dove Creek on way to Cortez and Durango, Colorado. Took the 65 mile train trip to Silverton from Durango.

### New Emergency Response System Explained Locally

"What most elderly people want is being at home."  
This statement was made by Trudy Hunt, program coordinator for the Emergency Response System now in operation at the Knox County Hospital, told members of the Munday Lions Club at Tuesday's meeting.  
She presented a sound film, "About Lifeline" that detailed how the emergency system works, and how elderly persons who have a lifeline home unit may summons aid by merely pressing a button. Through the lifeline system, this action relays a message to the lifeline center that help is needed.  
The speaker also demonstrated the new lifeline home unit and explained how it could be made available. There are several units now in operation in this area.  
Ms. Hunt explained that the lifeline system is operated through the Knox County Hospital as the central unit for five area counties on a 24-hour basis as a service between the community and hospital.

Spent the night at Durango.  
Sept. 4: Drove to Albuquerque, N.M. and spent the night.  
Sept. 5: We drove home to Pampa a day ahead of schedule. Took Denise to Amarillo to catch her plane for Dallas late Monday, Sept. 6. My friend and I came home on Tuesday, Sept. 7, about 3:00 p.m. A long vacation.
