## Moguls To Host Haskell In Season Opener

THE MUNDAY MOGULS WILL PLAY THEIR FIRST GAME OF THE SEASON this Friday night at 8:00 p.m. as they host the Class 2A Haskell Indians. The varsity team includes: (standing, left to right) Matt Angerer, David Tidwell, Junior Masias, Jay Nuckols, Chad King, Jay Kingston and Freddie Sosa; (center row) Kent Latham, Charlie Terrill, Chris Scott, Christopher Clem, Jason Zeissel and Chris Key; and (front) Mike Bunton, Ronnie Whitfield, Gene Shields, Daniel Serrato, Chad James and Ray Hernandez. Not pictured are Bobby Dockins and Andy Dancer.

The Munday Moguls will begin their 1991 football season this Friday night at Scruggs Field as they play host to the Haskell Indians.

Although Munday lost several of their semi-final championship team to graduation, they didn't lose that Mogul spirit. They return seven starters (four on offense, three on defense) and 17 lettermen.

Halfback Bobby Dockins, who had in excess of 1,500 yards last year as Mogul quarterback, should be a leader again this year. Dockins, a senior at MHS, was named to the all-state team last year.

Also expected to shine for the Moguls is junior Mike Bunton, who will assume the quarterback duties. Bunton got a lot of experience in last year and looks good in a throwing game.

Other standouts include Chris Scott, Junior Masias and Jay Nuckols at tackle. All saw plenty of action last year and should be an asset to this year's young team.

Split end Ronnie Whitfield is another returning starter for Munday. Both he and returning guard Chris Key should add a boost to the Mogul offensive line. Defen-

sively, the team will be also be blessed with cornerback Jay Kingston from last year's varsity team.

Other prospective standouts include Matt Angerer and Charlie Terrill at center, Chad James at fullback, Kent Latham and Ray Hernandez at halfback, and Andy Dancer at tackle.

Meanwhile, the Haskell Indians return only four starters from last year's 2-8 team, two on offense and two on defense. The entire backfield of last year's team graduated, so Haskell is starting fresh with three possibilities for the quarterback position. Mark Guess, a sophomore, quarterbacked the Indian's junior varsity team last year and appears to be the number one choice for the spot. Other hopefuls include end-linebacker Robert Huff and receiver Chris Tanner.

Returning starters are guard Mike Layland, who has three year's experience; back Cody Josselet and defensive tackle Chris Tanner. Tommie Isbell, an end who transferred from Grapevine, should add a lot to the inexperienced team.

Although the Indians haven't been to the playoffs since 1978, head coach Walter Hargrove believes the team is on their way back. Time ... and the Munday Moguls ... will tell.

Game time is 8:00 p.m. See you there!

\*\*\*

### Downtown To Dress Up For Homecoming

As Homecoming '91 draws near, the Mogul spirit is spreading like wildfire!

Downtown merchants are doing their part to promote hometown pride. All businesses are encouraged to fill their streetside planters with purple and gold mums to show community spirit and support for the Moguls. Mums may be ordered by contacting Pat Smith or Perry Kuehler by September 13.

A merchant's window decorating contest is also in the works. According to Sandy King, chairman of the event, there is no charge to enter the contest and all businesses are encouraged to participate.

The entire community will have a chance to pitch in and make Munday shine in the eyes of homecoming visitors. Saturday, September 21, has been designated as Munday Sparkle Clean-Up Day. The City will provide trucks on the west parking lot of City Hall for all trash. All items will be accepted, except for batteries and tires.

Catch the homecoming spirit and join the Munday merchants as they get ready for Homecoming '91. If you have any questions concerning any of these events, contact Lynn Fitzgerald at the Chamber of Commerce.

\*\*\*

### Booth Space Available For Arts & Crafts Fair

Although the September 1 deadline is past, there is still limited booth space available for the October 5 Arts and Crafts Fair.

The fair, sponsored by the Munday Chamber of Commerce, will be held in the elementary gym. Booth spaces are \$20 each and may be reserved at the Chamber office.

### Cotton-Peanut Tour Set For September 9

A tour featuring result demonstrations in cotton and peanuts will be held on Monday, September 9, at the Vegetable Research Center in Munday. Registration will begin at 8:00 a.m.

The tour is being sponsored by the Knox County Extension Crops Committee, Abell Ag, Ciba-Geigy and DuPont. Lunch will be served. Five C.E.U.'s will be offered for attending the tour.

Speakers for the tour include Al Alexander, Extension Agronomist; Emory Boring, Extension entomologist; Stan Bevers, Extension economist; Dr. Ed Colburn, Extension Peanut Specialist; Dr. Thomas Lee, Extension Pathologist; David Bordovsky, Research Associate at the Vegetable Research Center and Donnie Peters, Knox County Extension Agent.

Points of interest include peanut and cotton varieties, peanut irrigation study, commercial peanut production and the Seymour Aquifer Hydrologic demonstration.

\*\*\*

### Stocker-Feeder Meeting To Be Held Tonight

A stocker cattle seminar will be held on Thursday, September 5 at 6:30 p.m. at the Baylor County Ag Pavilion in Seymour.

Speakers for the program include Larry Hollis, DVM, with Syntex Animal Health Corporation in Amarillo, and Paul Branch, general manager of Superior Livestock Video Auction in Ft. Worth. Hollis will discuss herd health maintenance and early warning symptoms of sickness and demonstrate processing practices.

Although pre-registration is requested, late registrations may also be taken.

THESE GOREE STUDENTS ARE GEARING UP FOR AN EXCITING SCHOOL YEAR with computers in every classroom. Shown above with teachers Phyllis Reed and Bob Presnall are Lolly Jacques, Sandra Nunez, Clara Garcia, Crystal Huffman, Veronica Shields, Lena Smith, Ouis Dixon, Keri Williams, Scott Castillo, Domingo Aguilar, Sergio Nunez, Lyndell Garcia and Aaron Gray.

## Goree ISD Starts The Year High On Technology

The start of a school year is an exciting time. In many ways, it's more like the beginning of a new year than January 1. This year is especially significant for Goree with many changes to the classrooms and campus.

Perhaps the most exciting is the all-new computer lab. The lab features 12 student workstations, organized in clusters of four. Each station is equipped with a Macintosh Classic computer with a 40 megabyte hard drive and two megabyte RAM. The lab also has a Macintosh LC computer with a CD-ROM, which has a built-in Grolier Electronic encyclopedia and Merriam Webster Dictionary for student and teacher use. For color creations and printed applications, there is a Hewlett Packard PaintWriter XL printer. For clear, letter quality print, an Apple

LaserWriter NT printer is also available. An Apple full-page scanner is due to arrive in October. Also, a modem has been installed so that students can connect to CompuServe Network and an all new Education Network available September 1. This enables students to talk to students from other schools in Texas via the modem. To complete the computer lab, new shelves and a nice corner teacher workstation have been added for use and storage.

Both elementary and high school students may take advantage of the new computers. Starting in Pre-K and Kindergarten, there has been an addition of two IBM PS/2 computers with 40 megabyte hard drives and a printer. These students will be using the "Writing to Read" pro-

gram this year. In first and second grades, there are two MS-DOS compatible computers each. First grade has two printers, while second grade has one. In third and fourth grades, there are two MS-DOS compatible computers; one with a 20 megabyte hard drive and two floppy disk drives and a printer. The fifth-sixth grade classroom and seventh-eighth grade classroom each have two Macintosh Plus computers with 20 megabyte hard drives and an Imagewriter II printer. The Special Education classroom has a MS-DOS compatible computer with a printer. To top off the elementary school list, the library has a Macintosh SE with a 20 megabyte hard drive and an Imagewriter II printer. This will be used as a teacher workstation (Continued on Page 3)

### Order Your Homecoming Mum Now

With the MHS homecoming just a month away, it's time to start planning...now!

The MHS cheerleaders are selling homecoming mums and other spirit-related items (such as garters and spirit sticks). The items will be made by *Buds For You*, but can be ordered at the high school. Order forms are available now in the high school principal's office.

Samples have been set up in the display case in front of the home-making department at the high school for your convenience.

Orders will be taken now through Friday, September 27, at the school. Payment will be due upon receipt. Stop by the high school today and order your mum.

\*\*\*

### WEATHER REPORT

Following is the weather report for seven days ending Monday, September 2, 1991, as compiled and recorded by Goodson Sellers, local U.S. weather observer.

| TEMPERATURE           |      |     |
|-----------------------|------|-----|
|                       | HIGH | LOW |
| August 27             | 93   | 68  |
| August 28             | 95   | 71  |
| August 29             | 99   | 74  |
| August 30             | 90   | 76  |
| August 31             | 87   | 69  |
| September 1           | 82   | 69  |
| September 2           | 89   | 67  |
| Rainfall this week    | .24  |     |
| Rainfall year to date | 1.33 |     |

### Peanut Contracts Due September 13

Glenn R. Brzozowski, County Executive Director of Haskell County ASCS, reminds peanut producers and handlers that contracts drawn up to sell 1991-crop additional peanuts for export or crushing must be signed by September 13. Additional peanuts are those grown in excess of the farm's poundage quota or on a farm that does not have a poundage quota.

"Peanut producers and handlers are responsible for contract agreements," Brzozowski said, "and they should examine the documents closely before signing to assure that they are correct in all respects."

Peanut contracts submitted to ASCS for approval must contain certain specific information. Producers and handlers who are unfamiliar with the required information may contact the Haskell County office for assistance. In addition to the required information, Brzozowski said other items may be included; however, such items may not negate any of the required contract provisions.

"In the event of a contract dispute, our approval of the contract does not constitute a determination of the respective rights and obligations of the handler and producer," ASCS official Brzozowski said.

Peanut producers and handlers who have entered into contracts must submit the contracts to each respective contracting producer's local ASCS office by the September 13 deadline.

## Hospital Hires Lab Technician And Medical Records Consultant

(Following are the minutes of the Knox County Hospital Board of Directors regular monthly meeting.)

The Knox County Hospital District Board of Directors met in regular session on Thursday, July 18, 1991, in the hospital dining room. The meeting was called to order by President W.R. Baker at 7:10 p.m. Present were: W.R. Baker, president; Bernard Brown, Peggy McGaughey, Benny Grill, Dolan Moore, Don Bunton, Stephen Kuehler, John B. Martin, Glenda Moore and Dr. Tin Aung. Absent was Greg Clonts.

No one was present for public comments.

The board reviewed the minutes of the regular session held on June 20, 1991, and the called meeting on July 11, 1991. One correction was made to the minutes of the meeting held on June 20. A motion was made by Benny Grill, and seconded by Don Bunton, to approve the minutes of the meetings held on June 20 and July 11. Motion passed unanimously.

The financial statement and accounts payable for the month of June, 1991, were reviewed and discussed. A motion was made by Peggy McGaughey, and seconded by Dolan Moore, to approve the financial statement and accounts payable for the month of June, 1991. Motion carried unanimously.

After review, a motion was made by Dolan Moore, and seconded by Bernard Brown, to approve the Quality Assurance Plan as presented. Motion carried unanimously.

The board reviewed an amendment to the Governing Body By-Laws changing the meeting date to the third Thursday of the month. A motion was made by Benny Grill, and seconded by Peggy McGaughey, to approve the amendment. Motion carried unanimously.

The board reviewed the Medical Staff By-Laws and three amendments to Medical Staff Rules and Regulations. The amendments were previously approved by the medical staff at their regular monthly meeting. The first amendment changed the meeting date, the second concerned History and Physicals and the third defined the mechanism for obtaining consent to autopsies. Mr. Kuehler recommended approval as presented. A motion was made by Don Bunton, and seconded by Bernard Brown, to approve the Medical Staff By-Laws and the three amendments as presented. Motion carried unanimously.

Mr. Kuehler presented an amendment to the Employee Personnel and Policy Handbook concerning payment for holidays and sick leave. A motion was made by Dolan Moore, and seconded by Peggy McGaughey, to approve the amendment. Motion carried unanimously.

ended by Peggy McGaughey, to approve the amendment. Motion carried unanimously.

The board considered the engagement of an accounting firm to perform the annual audit. A motion was made by Benny Grill, and seconded by Dolan Moore, to engage the firm of Mason, Warner & Company of Lubbock, Texas, to perform the audit for the fiscal year ended September 30, 1991. Motion carried unanimously.

Stephen Kuehler presented the administrator's report. The purchase order system has been installed hospital-wide. Steve Grappe with MedNet of Lubbock made a presentation of the services they offer. The Trustee Scholarship Program had awarded funds for one board member to attend the convention in San Antonio on August 16-17. Mr. Kuehler also reported on a CT Scan, which had been performed on a Knox County Hospital patient by the mobile unit which made the trip to Knox City to perform the procedure.

Mr. Kuehler presented the Quality Assurance Report. The board accepted the report.

Mr. Kuehler presented the Medical Staff Report. The board accepted the report.

Dr. Tin Aung addressed the board. He discussed improvements he would like to make in the hospital and clinic. Dr. Aung discussed the use of patient education video tapes. He discussed his plans for beginning treatment in weight control and diabetes. The board gave Mr. Kuehler the authority to approve purchasing of items of equipment needed in the clinics.

W.R. Baker gave a report on physician recruitment. After discussion, Mr. Baker appointed a committee consisting of Greg Clonts, W.R. Baker, Stephen Kuehler, John B. Martin and Dr. Aung to meet before final negotiations on a contract with a new physician.

Mr. Kuehler gave a report on Clinic Management. He reviewed a breakdown of clinic charges for the month of June.

A listing of bad debts to be written off and turned over for collection was reviewed. A motion was made by Benny Grill, and seconded by Bernard Brown, to approve the writing off of the bad debts. Motion carried unanimously.

Mr. Kuehler presented the credentials of Charles Harvey, MT/RT for approval as Consultant Laboratory Tech. The credentials had previously been approved by Medical Staff. Mr. Kuehler recommended approval of the credentials. A motion was made by Dolan Moore, and seconded by Don Bunton, to approve the credentials and hiring of Charles Harvey. Motion carried unanimously.

Mr. Kuehler presented the credentials of Kay Bradley, ART, as Medical Records Consultant for approval. A motion was made by Peggy McGaughey, and seconded by Benny Grill, to approve the credentials of Kay Bradley, ART. Motion carried unanimously.

The board discussed the proposed budget for the fiscal year ending September 30, 1992. The working copy of the budget was reviewed by the board. The board suggested that all department heads participate in proposals for the budget.

The board considered the agenda item to review the Administrator's performance. President W.R. Baker made the following statement: The board of directors of the Knox County Hospital District, having been convened into open session for which notice was posted will now at 9:50 p.m. adjourn in executive session pursuant to Article 6252-17 (2) (F.G.) Revised Texas Civil

Statutes to review the Administrator's performance and consider the continuation of employment of the Administrative Consultant.

Upon adjourning from executive session, the president made the following statement: The board of directors adjourned from executive session at 10:10 p.m. The following topic was discussed: review of Administrator's performance and continuation of employment of Administrative Consultant. After adjourning from executive session, a motion was made by Bernard Brown, and seconded by Dolan Moore, to continue employment of the Administrator and adjust compensation accordingly. Motion carried unanimously. The employment of the Administrative Consultant is to continue for a limited time.

A motion was made by Dolan Moore, and seconded by Peggy McGaughey to adjourn. Motion carried unanimously. Meeting adjourned at 10:15 p.m.

#### "Selling Out"

How often are we willing to "sell out" for that which is less than what truly satisfies. The seeking of momentary thrills and/or instant gratification can have eternal consequences. Take the account of Esau and Jacob we read about in Genesis 25:29-34, in which Esau sells his birthright for a bowl of stew. Esau was willing to "sell out" for a momentary satisfying of his physical hunger.

The Second Commandment of the "Ten" states "You shall not make for yourself an idol, ... You shall not bow down to worship them..." (Exodus 20:4-5). How easy it is to allow "stuff" to come between us and God - to "make

idols" of lots of things that are in themselves good. There is always a danger of allowing the "secondary" to become "primary" in our lives; to chase after the fleeting gratification while forsaking the lasting realization.

The "idols" that come between us and God are usually not those deliberate erected objects of adoration, but subtle and gradual "enthroning" of what I call "stuff" (people, places, pleasures, possessions, passions, etc.).

I hope to see you in study and worship this Sunday!

\*\*\*

**GOREE ISD**

(Continued from Page 1)

and for library cataloging and inventory.

The high school is well-equipped also. In the English room, there is a Macintosh Plus computer with a 30 megabyte hard drive. The science classroom and lab boasts two Macintosh Pluses, each with a 30 megabyte hard drive, and an Imagewriter II printer. A Macintosh LC with a 40 megabyte hard drive and Imagewriter printer have been installed in the Home Economics classroom. And don't forget the high school library... it is equipped with a Macintosh LC with a 40 megabyte hard drive and a Macintosh Plus with a 30 megabyte hard drive. These computers will share an Imagewriter II printer. The library also has a CD-ROM with the Grolier Electronic encyclopedia and Merriam Webster Dictionary for teacher and student use.

That brings the actual total to 34 computers for use in grades Pre-K through twelve. This gives Goree ISD a ratio of one computer for every three students.... and that's a ratio to be very proud of!

Goree students begin actual computer instruction in elementary school in the area of keyboarding. In junior high, they are offered Computer Literacy and Keyboarding. In high school, the subject areas are MicroComputer Applications and Office Support Systems (which are vocationally funded) and Computer Math. The majority of high school students at Goree are experienced in word processing, spreadsheets, database applications, graphic and communication skills. Computer math teaches programming skills using the Basic and QuickBasic Language to solve mathematical problems. Students are taught to write computer programs in these languages and learn to program in HyperCard using the HyperTalk language.

Computer teacher, Phyllis Reed, has been assigned one period each day to give in-house training to all teachers and support personnel in the computer systems. By the end of the year, each teacher and aide will have received at least 20 hours of training. Mrs. Reed also teaches MicroComputer Applications and Office Support Systems in high school. In addition to Mrs. Reed, Bob Presnall teaches Computer Literacy and Computer Math at junior and senior high levels.

Beginning this year, grades one through six are using a LaserDisc player in conjunction with the Science program. Goree adopted the "Windows on Science" program and purchased three LaserDiscs for instruction. Students can actually watch science concepts on a television, and everyone knows that a picture is worth a thousand words.

As the school year was beginning, the school district received word that Goree ISD had been accepted for a grant to receive a new satellite system. The system will be installed later in this school year. Televisions will be placed in each classroom and students and teachers can take courses such as calculus, Spanish and physics. Teachers can also obtain their in-service training via television.

Other exciting changes made were the installation of central heating and cooling systems in the first through eighth grades, the elementary library and the Special Education classrooms. This makes a very comfortable environment for learning and teaching.

On October 8, there will be a Parent's Night and Open House in order to allow everyone to view the lab or meet the teachers. The public is welcome to attend. All in all, it looks like Goree ISD has an exciting year ahead!

# Partridge-Gass Wed In Candlelight Ceremony

Angela Alys Partridge and James Byron Gass of Munday were united in marriage Saturday, August 24, 1991, in a candlelight ceremony at seven o'clock in the evening at the First United Methodist Church in Munday. Rev. Russ Byard, minister of the First United Methodist Church of Follett, Texas, officiated the ceremony.

The bride is the daughter of Mr. and Mrs. Wendell Partridge of Munday. The groom's parents are Mr. and Mrs. Byron Gass, also of Munday.

Four candelabras embellished with silk ivy graced the front of the sanctuary, while the altar rail was adorned with greenery. On each side of the church, stained glass windows held mauve candles accented with satin ribbons in the bride's chosen colors. Mauve raffle bows featuring satin flowers and baby's breath served as pew markers and beam decorations.

Music for the ceremony was provided by soloists, Holly Jackson and Lyndle Reeves, both of Munday, and Gail Sogaard of Wichita Falls. Becky Ratliff was organist.

The bride, presented in marriage by her parents, was escorted to the altar by her father.

She wore a formal cathedral-length gown of white silk taffeta and beaded Rachael lace with silk Schiffl medallions. The gown featured a portrait neckline with delicate appliques of pearl and iridescent crystal droplets and a basque bodice with a bib-effect adorned with Rachael appliques. The sheer fitted sleeves of English net were flocked with Schiffl medallions and Rachael appliques and featured four rows of pearls draped at the wrist to accent the wedding points towards Angie's rings. The full taffeta skirt featured a wide self-ruffle topped with a swag drape accented with Rachael lace appliques. Tiny satin buttons fastened the back of the gown and came to a large candy bow tipped with delicate Rachael lace.

For her headpiece, the bride chose a wrist-length illusion veil attached to a pearl band featuring a pearl teardrop. The pearls in the headpiece matched those on the neckline of her gown. The pancake ruffle of the veil surrounded an Alencon bow and was accented with tiny pencil edging scallops. To complete her ensemble, the bride wore a pearl necklace with matching pearl earrings.

The bridal bouquet, designed by *Buds For You*, featured stargazer lilies, mauve alstroemeria lilies, bridal white roses, minuet roses, stephanotis, baby's breath and sprengerie fern. Iridescent seed pearls and lace streamers accented the bouquet.

In keeping with tradition, the

MRS. JAMES BYRON GASS  
...nee Angela Alys Partridge

bride's wedding gown was something new; a wedding band, which belonged to her maternal grandmother, the late Julia Havran, was entwined in the streamers of her bridal bouquet for something old; a gold-linked tennis bracelet belonging to the groom's mother was something borrowed; and a traditional garter of blue and white lace was something blue. She carried pennies with birthdates of the bride and groom in her shoe.

Cynthia Kustief of Torrance, California, served her sister as matron of honor. The bride's cousin, Adana Barber of Garland, was maid of honor. Bridesmaids were Cheryl Bunton of Munday, Alexis Bordovsky of College Station and Stacey Rothwell of Lubbock. Each was attired in a two-piece suit of water-color floral polished cotton. The portrait collar, similar to the bride's, was gathered into a bow effect in the back. The dress featured a straight skirt and was accented with gold-trimmed pearl buttons. They each carried a single long stem stargazer lily.

Mothers of the bride and groom wore mauve enchantment lily corsages, while grandmothers of the bridal couple were presented corsages of bridal white roses and baby's breath.

Tamara McGaughey of Knox City, niece of the groom, was flower girl. Her mauve polished cotton dress was accented with bows on the shoulders and short puffed sleeves. She carried a white lace-trimmed basket adorned with bows in the groom's chosen color

of country blue. She preceded the bride, dropping rose petals along the aisle.

The groom was attired in a black tuxedo with a mauve tie and cummerbund. Chris Baker of San Angelo attended the groom as best man. Groomsmen were Russell Smith of Abilene, Jeff Bruce of Arlington and Howard McPherson and Tommy Parrish, both of Lubbock. They were attired identically to the groom. All male attendants wore boutonnières of minuet roses, ming fern and baby's breath.

Lance Partridge of Wichita Falls, nephew of the bride, was ring bearer. He wore a black tuxedo with tie and cummerbund in the same water-color fabric as the bridal attendants. He carried the wedding rings atop a heart-shaped pillow of lace-trimmed satin that was created by Shirley Gass, mother of the groom.

Heather Partridge of Wichita Falls, niece of the bride, and Michael McGaughey of Knox City, nephew of the groom were candlelighters. Heather wore a tea-length dress of the same water-color fabric as the bridesmaids. It featured an open-heart effect in the back and was accented by a large candy bow. Michael was attired identically to the ringbearer in a black tuxedo with water-color fabric tie and cummerbund.

Brad Partridge of Wichita Falls and Dave Partridge of Munday, brothers of the bride, and Trey Thompson of Munday and Shane Martin of Lubbock served as ushers. Their attire was identical to the groomsmen's.

Erin Michelle Tidwell of Sherman, niece of the bride, and Alyssa Parrish of Lubbock, niece of the groom, carried white baskets holding tulle-covered wedding bells filled with bird seed for distribution to the wedding guests. They were dressed identically in pink and white lace trimmed cotton dresses featuring draped skirts with cabbage roses swirled to reveal embroidered white organdy. Shirley Bowman directed the activities.

Following the ceremony, the bride's parents hosted a reception at the Community Center in Munday. The bridal couple were transported to the reception in a beautiful open white carriage drawn by two horses. The handsome, black steeds wore glistening brass harness with red and black fastoons. The bride's parents joined the couple in the carriage. A second carriage, pulled by Welch ponies, carried the parents of the groom to the reception.

Jenni Bowman of Munday and Selwa Choucair of Huntsville registered guests. The registry table was covered with a white satin cloth gathered with mauve bows and featured an underskirt of polished water-color print.

The bride's table was covered with a white satin floor-length cloth overlaid with lace and accented with seed pearls, tulle ruffles and white ribbon bows.

It was centered in front of lattice panels draped with water-color fabric falling from cabbage rose points. White circular columns holding arrangements of mauve lilies, blue dogwood blossoms and iridescent ting-ting accented with greenery, framed the panels.

The white four-tiered wedding cake centered the table. The top tier was adorned with stargazer lilies, mauve alstroemeria lilies and minuet roses. Sprengerie fern, bridal white roses, minuet roses and alstroemeria lilies surrounded the base of the cake. A silver punch bowl and a five-spiral candelabra holding mauve tapers added accents to the table. A pair of crystal goblets for the bridal couple's toast were placed beside the silver bowl. Other appointments were in crystal and silver.

Holly Jackson, Selwa Choucair and Jenni Bowman served at the bride's table. Robin Bowen and Laura Burnett were assistants to the guests.

The groom's table was placed before a lattice panel decorated with mauve creative twist bows and streamers. The heart-shaped table was covered with a country-blue floor-length cloth. A fruit cascade of fresh pineapple, grape clusters, cantaloupe shells, watermelon balls and fresh strawberries was the centerpiece. It was adorned with stargazer lilies, mauve alstroemeria lilies, minuet roses and ming fern. Coffee was poured from a silver coffee service. Cheesecake with assorted toppings was served by Lezlie Parrish of Lubbock and Marsha

The Munday Courier, Thursday, September 5, 1991, Page 5  
McGaughey of Knox City, sisters of the groom, and Amy Crabtree of Clifton, friend of the groom.

A long, L-shaped refreshment table covered in white featured a spiral three-tiered arrangement of mauve lilies. The tables were laden with fruits, vegetables, dips, finger sandwiches, puff pastries filled with chicken salad, cocktail sausages, cheese balls, ham rolls, and nut and fruit breads.

Members of the houseparty were Joye Baker, Mary Cartwright, Becky Offutt, Cindy Thompson, Frances Parker, Shirley Amerson, Wynette Moore, Dorothy Myers, Barbara Ratliff, Penny Winchester, Diana Bruce, Linda Bunton, Juanita Massey, Selma Choucair, Brenda Smith, Almeda Blair, Cheri Hutchinson, Shirley Bowman, Wanda Partridge and Irene Burkhardt.

A rehearsal dinner was hosted by the groom's parents on Friday, August 23, at the Community Center in Munday. The meal, catered by Flora Pace of Haskell, consisted of prime rib, twice baked potatoes, broccoli and rice, green beans, corn, salad and rolls, with pound cake and fruit cups for dessert. Guests enjoyed a video

of collected snapshots of James and Angie from birth to present day. A special song by soloist Gail Sogaard of Wichita Falls was dedicated to James and his groomsmen.

The couple were honored by several luncheons, showers and parties hosted by friends and relatives in July and August.

Following a cruise to the Bahamas, the couple will reside in Lubbock, where both attend Texas Tech University. Angie is a senior, majoring in Agricultural Communications and James is a December candidate for a Bachelor of Science degree in Exercise and Sports Sciences. He is currently employed as Director of Cardiac Rehabilitation and Fitness at High Plains Hospital in Hale Center.

# Jasik-Sanders United In Los Patios Ceremony

The Gazebo at Los Patios in San Antonio was the setting for the June 22, 1991, ceremony uniting Karrie Jasik and Keith Sanders at six o'clock in the evening. Dr. Kyle Cox of San Antonio officiated the double-ring marriage ceremony.

The bride is the daughter of Stanley and Bernice Jasik of Loire. Kenneth and Brenda Sanders of Weinert are the groom's parents.

The bride, given in marriage by her father, wore a formal white taffeta gown designed by Gallina. The princess silhouette featured a molded bodice with demure sweetheart neckline and dainty cap sleeves lavished with richly jeweled Alencon lace appliques. The graceful A-line skirt, also accented with jeweled lace appliques, was graced with a wide, jeweled lace-appliqued train introduced by a large self-bow. Her white bridal veil drifted from a designer original lace headpiece adorned with iridescent sequins and pearl rosettes. She carried a cascading bouquet of rubrum lilies and white roses.

Rennelle Harred of Loire, sister of the bride, was matron of honor. Bridesmaids were Melissa Jasik, sister-in-law of the bride and Jane Lindsey and Lori Flowers, all of San Antonio; Suzy Longmire of Houston; and Sandie Wessels of Austin. They wore tea-length gowns of emerald green moire taffeta styled with sweetheart necklines and full skirts. They each wore strands of pearls accented with emerald green stones and matching earrings, gifts from the bride, and carried arm bouquets.

Eden and Jillian Thomas of Haskell, cousins of the bride-

MR. AND MRS. KEITH SANDERS  
...nee Karrie Jasik

groom, were flower girls. They were attired in tea-length floral print dresses featuring sweetheart necklines. They wore halo wreaths of pink baby's breath in their hair and carried white baskets with ivy and fresh flowers.

Wedding music was provided by Wendy Couch and Billy.

James Mainous of Del Rio attended the groom as best man. Groomsmen were the bridegroom's brothers, Kregg Sanders, Kent Sanders and Kole Sanders, all of Weinert; the bride's brother, Stanley Jasik Jr. of San Antonio; and Omar Choucair of Richardson. Russell Harred of

Loire, the bride's nephew, was ring bearer.

Assisting as ushers were Mark Aniol of San Antonio and Adolph Padaleski of Adkins, cousins of the bride.

A reception honoring the couple followed the ceremony at the Gazebo. Music was provided by Wendy Couch and Billy.

The white wedding cake was adorned with a profusion of handmade spring bouquets. The bridegroom's German chocolate cake was decorated with a landing strip and an A-10 airplane ready for take-off.

The newlyweds left the recep-

tion in an antique Model A car, and left the next day for a wedding trip to Cancun, Mexico.

They now reside in Cibolo, where the bridegroom serves as a fighter pilot with the U.S. Air Force. He is a graduate of the U.S. Air Force Academy.

Mrs. Sanders, a graduate of Southwest Texas State University, is employed by the Northeast Independent School District as a special education teacher.

## The Lord's Corner

by Dr. Pete Bradfield, pastor  
First Baptist Church

A grade school class wrote essays on the subject "What's Wrong With Parents Today?". One child said it all: "We get our parents so late in life that it is impossible to do anything with them".

Parents, you received your children when they were only minutes old - but at what age will they receive you? Parents are prone to give their children everything except the one thing they need most: TIME! Time for listening, time for understanding, time for helping, time for guiding. It sounds simple, but in reality, it is the most difficult and sacrificial task of parenthood. Why not sit down and evaluate how you spend

your time together as a family ... and how often.

See you next week, and remember: for parents to allow a child to grow up without Christ is a far greater dereliction of duty than for parents to have children who grow up without learning to read or write.

THE 1991 GOREE WILDCATS are ready for action! They will host the Moran Bulldogs this Friday, with game time scheduled for 7:30 p.m. The Wildcats return seven lettermen from last year's team. Coach for the six-man Goree team this year is Mark Minor, seated at left.

## Benjamin News

By Mrs Gladene Green

### ABOUT OUR SICK FRIENDS

Virginia Griffith is still in Brazos Valley Care Home where she will remain until she regains her strength.

Jane Gideon is still in a Dallas hospital recovering from the procedure to correct her kidney problem. She is feeling better but it will be some time before she can return home.

Darlene Benson was in Wichita Falls for a series of tests and should get the results this week.

Earlene Meinzer tells me that her brother, John Cole, is much improved and may be dismissed to go to his daughter's this week.

Mrs. Woolley now resides in a Care Home in Vernon and is always glad to see or hear from friends.

Betty Lyles remains in an Oklahoma City hospital where she underwent knee surgery last Tuesday.

We send best wishes for a speedy return to better health to these and others we may have missed.

### JR. HIGH FOOTBALL

Our Jr. High has a good team in the making. They have been working out faithfully and hope for a very good season.

Young men on the team are: Wade Pierce, Chad Rainwater, Edward Estrada, Zeke Duke, Riley Carver, Jason Patterson, Billy Clark, Andy Dushaun and Jay Whitten. Their coach is Kim Smith.

They are scheduled to play their first game against Patton Springs Thursday, September 12 beginning at 5:30 here in Benjamin.

### OTHER SCHOOL NEWS

Rachel Duke has been named Jr. High cheerleader, replacing Chrystal Hibdon, who started school in Goree.

The High School boys looked great in their scrimmage on Friday and are ready to begin the regular season. They play the Rule JV here at 6 p.m. on Thursday (tonight). See you there!!

Have you been by to see the fence around the football field? It was all volunteer labor and several local men worked many hours to get it completed. Just another example of what our community can do when the need arises!!

### HERE AND THERE

Weekend guests of Omitene Barnett were Bill and Annette Elliott and Mycal of Dallas.

Roger and Betty Bohannon and family of Amarillo spent the weekend at their home here.

Labor Day weekend guests of Juanita Burnett were Jimmy

Mancille and Tommy and Sherry Latimer of San Antonio and Gus and Daisy Dinkfeld of Kerrville.

Visiting their mom, Audrey Nolan, and their sister, Virginia Griffith, in the Care Home in Knox City have been Peggy Dillard of Lubbock, E. W. and LaDelle Nolan of Odessa and Pat Stephens of Safford, Arizona.

Bro. Milson spent the weekend with relatives in Montague.

Corrine Parrish of Franklin has been here a few days visiting her mom, Lona Feemster, in the Care Home in Knox City. She also attended the Vera homecoming.

Jan and Fred Carver attended the wedding of her niece, Brandi Anderson and Darrin Eschle in Miami, Texas recently. Brandi is the daughter of Dennis and Evelyn Anderson. Others attending from Benjamin were Tammy Lyles and family.

Bobby and Philomae Roberson and Joe and Pat Barton spent a couple of days last week with the C. W. Harberts in Arlington. The group also spent a couple of days in Shreveport.

Harry Cox of College Station visited his mom, Odessa Cox, briefly on Thursday.

Jan Pollock of Wichita Falls visited her mom, Clodell Duke, over the Labor Day weekend.

Recent guests of Gertrude Brannan and Bobby have been her daughters, John and Barbara Cox of Maryland and Mary Whitsett and family of Carrollton and her grandson, Johnny and Reesa Cox of Maryland. Johnny will be going to Texas A&M.

## Palpation Clinic Set For October

A Palpation Clinic will be held for beef producers on Wednesday, October 9, at 7:00 p.m. and Thursday, October 10, at 9:00 a.m.

The evening meeting will be held at the Knights of Columbus Hall in Rhineland. Topics to be covered include cow herd health for breeding, importance of bull E.P.O.'s and basic understanding of the cow's reproductive tract.

The October 10 morning session will be held at the Patterson Ranch pens located 1.5 miles north on FM 267, north of Highway 82. Registration is required by Friday, October 4.

The more cow participants palpate, the more efficient they will become.

If producers are interested in bringing cows to palpate, please contact Donnie Peters at the Knox County Extension Office at 454-2651.

## Horse Club Playday Set For Saturday

The Knox County Horse Club will hold a playday on Saturday, September 7, in the Knox City Arena. The exhibition is set to begin at 7:00 p.m., with the books opening at 7:15. The playday will start promptly at 7:30 p.m.

Events will be barrels, flags and poles with age groups being five and under; six to eight; nine to twelve; and thirteen to nineteen.

Everyone is invited to attend and participate in any or all events. The playday is being sponsored by the Brazos Valley Recreation Association.

## At Your Service

by Dr. Larry Fitzgerald  
Minister, Munday Church of Christ

Q: If Jesus is really going to come to earth a second time, why hasn't he already done that?

A: Have you ever noticed how the Bible emphasizes the characteristic of Christians being long-sufferers (read Galatians 5:22; Ephesians 4:2; and Colossians 3:12)? Why do you suppose that patience is such a virtue? This is the case because we are supposed to be like our Heavenly Father. In both the Old and New Testaments there is a great importance on God's slowness to anger (Nehemiah 9:17; Psalms 103:8; 145:8; Joel 2:13; Jonah 4:2) and His long-suffering (patience) (Exodus 34:6; Numbers 14:18; Psalms 86:15).

The Apostle Paul emphasizes

the fact that throughout history God has endured the "vessels of wrath deserving destruction" (those who do not merit salvation -- all of us).

Because of God's great patience, Peter tells us that God is forbearing (long suffering) toward you, "not wishing that any should perish, but that all should reach repentance" (2 Peter 3:9). Yet in all of this forbearance, Peter reminds us that Jesus will come again -- like a thief in the night and it is at that time that all the elements will be destroyed with intense heat (verse 10).

With this in mind, it becomes imperative that the non-Christian become a member of God's family and fallen members (or lukewarm Christians) return to their "first love" of Christ and His church (Revelation 2:4-5). No amount of philosophy or liberal theology will change these facts. God has promised and He never goes back on his promises (cf 1 Kings 8:56; 2 Peter 3:4-10).

If you have a question for this column, write Dr. Fitzgerald c/o Box 211, Munday, Texas 76371.

## Former Resident Dies In Houston

John C. Rice, 75, of Houston, passed away Monday, August 19. He was the son of longtime Munday residents, the late Mr. and Mrs. John Rice.

Mr. Rice retired from Prudential Life Insurance Company of America in 1978 with over 30 years service. He was past president and lifetime honorary board member of the Houston Council on Alcoholism and Drug Abuse.

He is survived by his wife, Betty Rice; a son, John C. Rice III of Houston; a sister, Ruth Bates of Seymour; and several nieces and nephews.

## High School Exit Tests Scheduled For October

...Register Now!

Individuals no longer enrolled in school who have not previously passed all sections of the TEAMS or TAAS test, but who have met all other graduation requirements, may retake the section(s) not mastered. During the October, 1991, TEAMS administration, the English-language arts test will be given on Wednesday, October 9, and the mathematics test will be on Thursday, October 10. The October TAAS tests will be administered on the following dates: writing test, Tuesday, October 8; reading test, Wednesday, October 9; and mathematics, Thursday, October 10.

Individuals no longer enrolled in Texas Public Schools who wish to register to take the Exit level TEAMS or TAAS tests may pick up a registration packet at any high school campus, district central office, or educational service center. Registration forms must be completed and returned in the pre-addressed envelope and must be received in Iowa City, Iowa, no later than 5:00 p.m., September 18, 1991.

The Texas Education Agency and National Computer Systems will not be responsible for registration forms that are delayed or lost in the mail. It is suggested that individuals registering for the test make arrangements with the appropriate postal agent for a proof of delivery notice. Questions concerning out-of-school examinee testing should be directed to the Texas Education Agency, Division of Student Assessment, (512) 463-9536.

Registration packets are available at the Munday High School Principal's office during regular school hours.

## Historical Commission Plans Tuesday Meeting

The Knox County Historical Commission will meet Tuesday, September 10, at 4:00 p.m. in the Assembly Room of the Knox County Courthouse.

Business to be discussed includes historical marker workshop, location of museum lots, school and World War II exhibits and a possible museum fund raising committee.

By Jane Rowan, County Extension Agent

### Dietic Foods - Not Allowed For Diabetics

Don't be misled by a "dietetic" label on foods. "Dietetic" doesn't necessarily mean "diabetic". A "dietetic" food may have had one or more ingredients such as fat, sugar or salt changed, replaced or restricted. The product has fewer calories than the regular product. In fact, many products labeled "dietetic" may be for persons on low sodium, low cholesterol, diabetic or other special diets and may not be lower in calories.

Calorie wise, many dietetic foods don't differ much from regular foods. For example, one-half cup regular ice cream contains 175-230 calories, while the same portion of dietetic ice cream has 90-100 calories.

The main difference between them involves substituting nutritive sweeteners such as xylitol, sorbitol or mannitol for sugar in the dietetic product. Their use is advised on the grounds that they will produce less rise in plasma glucose than would sucrose or glucose.

Sorbitol, xylitol, and mannitol - like sugar -- are metabolized as carbohydrates in the body. People with diabetes should be advised to consume no more than 50-80 grams or more of sorbitol and 20 grams or more of mannitol since their use at these levels can cause osmotic diarrhea. They provide about the same number of calories as sugar, but are metabolized at a slower rate. This is important for diabetics, who can't metabolize sugar adequately.

For the above reasons, dietetic ice cream -- which usually costs more and lacks the taste of regular ice cream -- is intended for the diabetic who does not need to lose weight rather than the weight

conscious person with or without diabetes. In other words, these sweeteners will produce less of a rise in plasma glucose, but will provide about the same number of calories as sucrose.

Dieters or weight-watchers will find that ice milk has lower fat content -- and fewer calories.

Manufacturers of dietetic ice cream such as a protein derivative Simplese are now also reducing the fat content by adding fat substitutes or by merely changing the formulation of their products to contain less fat.

To find other foods low in calories, diabetics and weight watchers should read labels. Although some labels furnish the content's calorie count, the ingredient list also provides a key.

Ingredients are listed in order of weight. The ingredient with the greatest weight is listed first followed by the next heaviest ingredient and so on down the line. If sugar or another form of sweetener is listed first, second or third, or if several different types of sweeteners are listed on the label, think carefully before using the product.

Sugar comes in many disguises; on a label it is not always identified by the word "sugar". These are common names for sugar and sweeteners: sucrose, glucose, high fructose corn syrup, fructose, levulose, lactose, molasses, maple syrup, dextrose, maltose, corn syrup, sorghum, sorbitol, invert sugar, honey, dextrin, brown sugar and mannitol.

If the label on the ice cream makes a nutritional claim, then the manufacturer will probably have nutrition labeling which discloses the amount of carbohydrate, protein, fat and calories as well as the vitamins and minerals present in the product. This is especially useful for diabetics trying to decide whether to use the product or not.

Be watching for details about the September 12 program, "Dealing With The Diabetic Diet".

\*\*\*

The word "bicycle" is a combination of a Latin and a Greek root: *bis* is Latin for twice and *kylos* is Greek for circle.

## PUBLIC NOTICE

### ACCEPTING APPLICATIONS

The City of Munday will be accepting applications for an Assistant Water and Sewer Superintendent. Applicants holding current State license for water and sewer preferred, but will consider outstanding individuals willing to achieve licensing within 1 year. Will be responsible for entire outside City operations. Additional information may be obtained by calling Jim Slayton, City Administrator at 817-422-4331 or by coming by City Hall Mon-Fri, 8 a.m. to 5 p.m. Applications will be accepted until 5 p.m. October 4, 1991. 48-4tc

### PUBLIC NOTICE

A public hearing to approve the Fiscal Year Budget (October 1, 1991 thru September 30, 1992) for Knox County, Texas, will be held at 2:00 p.m. September 19, 1991, in the Commissioners Courtroom, Knox County Courthouse, Benjamin, Texas. A copy of said budget will be filed with the County Clerk for inspection by any taxpayer. The County's total budget can be inspected before the hearing at the office of the County Judge at the courthouse in Benjamin, Texas.

Provisions of assistance for the handicapped citizens will be available upon request to all interested persons. Senior citizens are invited to attend and give written/oral comments.

David N. Perdue  
Knox County Judge 49-2tc

### BID NOTICE

The Knox County Commissioners Court will accept bids on property, casualty and liability insurance coverages until 9:00 a.m. September 9, 1991. Bid specifications may be received by contacting County Judge David N. Perdue, Knox County Courthouse, Benjamin, Texas. 49-2tc

Although this is a combined Citation by Publication for the delinquent tax suits listed above, there is no consolidation of these suits, and each and every suit remains separate and is to be treated as such for all purposes.

The Knox County Appraisal District is the Plaintiff, and which said property is delinquent to Plaintiff for taxes shown above, exclusive of any penalties, interest, and costs therein allowed by law up to and including the day of Judgment herein.

Listed in the caption above are separate suits, now pending in which Petitions and Interventions have been filed to collect delinquent property taxes and to foreclose applicable liens. The listing for each suit sets out: (1) the suit number; (2) the Plaintiff Tax Unit; (3) the Defendants cited by publication and personally served; (4) the date the petition was filed; (5) the return date of this Citation; (6) the property description; and (7) the total amount of base tax due each jurisdiction, exclusive of interest, penalties, and costs therein allowed by law.

In the name and by the authority of the State of Texas, notice is hereby given as follows:

To: All Defendants named above.

Each suit is for (1) Delinquent property taxes owed to Plaintiff on each property described above, the amounts also shown above which is exclusive of any penalties and interest due to Plaintiff up to the day of judgment herein / each suit is also on file to establish and foreclose tax liens on each such property; and (2) All delinquent property taxes, penalties, interest, and costs which may be proved by any taxing units.

**COPIES OF PLEADINGS:** Filed with the District Clerk (Rule 72, Texas Rules of Civil Procedure). A copy of the Petition with citation is not required (Rule 117a, Texas Rules of Civil Procedure).

**ADDITIONAL NOTICE:** No further notice or citation to you is required on claims of Plaintiffs including additional taxes which may be shown to be delinquent up to the date of judgement. Parties to this suit must take notice of and answer to all claims and pleadings filed by other parties hereto.

This citation lists the Defendants in each separate suit whose names are known, the descriptions of the properties in each suit on which property taxes owed to Plaintiff are delinquent, due and unpaid and the amounts of such delinquent taxes now due on each property, inclusive of the penalty, interest and costs. When attached to any pleading in each suit, this citation is made a part of each such pleading for all pertinent purposes.

In addition to the Defendants listed by name above, whether the same be persons, corporations, trustees, joint stock associations or other legal entities or juristic persons, there also are made Defendants in each suit with regard to each property where applicable:

**GROUP 1:** Any and all undetermined, unnamed, and/or unknown persons, proprietors, corporations, trustees, partnerships, joint stock associations and other legal entities or juristic persons owning all or any part of the properties described in this citation or having or claiming any interest, legal or equitable in or to all or any part of said properties, or liens thereon, including adverse claimants;

**GROUP 2:** Undetermined, unnamed and/or unknown stockholders of all Defendant corporations;

**GROUP 3:** Undetermined, unnamed and/or unknown members of all partnerships, joint stock associations and other legal entities which are Defendants;

**GROUP 4:** Undetermined, unnamed and/or unknown spouses of all named individual Defendants and all individual Defendants designated in Groups 1 through 3; and

**GROUP 5:** Undetermined, unnamed and/or unknown successors in title (of whatsoever nature and by whatsoever means), heirs, assigns, devisees and legal representatives of all named Defendants and Defendants designated in Groups 1 through 4, whether or not such Defendants be deceased or under some legal disability.

For the purposes of citation, if and when the names of the foregoing designated Defendants, can be determined and made certain, each such Defendant may be cited by name when such information becomes available, together with a brief description of the capacity in which each name had been made certain.

Defendants, properties, and taxes involved are listed separately for each suit in this citation under separate property numbers, the Defendants named under each property number being those who own the property described under that same property number or have or claim some interest, legal or equitable, in and to said property, or liens thereon, or interest in property comprising all or part of pooled and/or unitized tracts and mutations of such property. Taxes shown due under each property number are those delinquent on the property described under that same property number. All lot, block, survey, and group numbers, etc., herein are inclusive of all numbers appearing. All property herein was located within the geographical boundaries of the Plaintiff at the time taxes were assessed. Where descriptions herein refer to Deed Records or other records, such references are to volumes and pages in the specified records of the County named in the citation hereof, and to such records referred to herein reference is made for all purposes.

**YOU ARE HEREBY COMMANDED** to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the 30th day of August, 1991, same being the 14th day of October, A.D., 1991, (which is the return day of such citation), before the honorable District Court of Knox County, Texas, to be held at the courthouse thereof, then to show cause why judgement shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the Plaintiffs and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said Court in the City of Benjamin, Knox County, Texas, this 30th day of August, A.D., 1991.

Gloria West  
Clerk of the District Court  
Knox County, Texas

We reserve the right to accept or reject any or all bids. 49-2tc

**Thompson Named Area Chairman Of 1991 Cattlemen's Round-Up**

Larry Thompson of Munday is among 220 area chairmen assisting the 1991 Cattlemen's Round-Up benefiting West Texas Rehabilitation Center in Abilene and San Angelo.

This annual fall fundraiser will include ten regional livestock sales beginning in late September, according to General Chairman James (Jim) Alexander of Abilene.

Donated livestock is collected at designated points in various communities and transported to scheduled auction events where proceeds are converted into "treatment dollars" for WTRC.

"As a donor-supported institution, the Rehab Center is dependent on such events to help provide funding for facilities and personnel to serve handicapped children and adults," said WTRC President Bill Snowden. "Also, the Round-Up is a symbolic, independent effort initiated by livestock producers who consistently have shown their support despite problems of their own."

Area chairmen, such as Larry, assist by promoting the event and by asking their neighbors to join them in donating to this year's drive which has a goal of \$304,000.

Scheduled sale dates for the 1991 Round-Up in this area include a special sale at the Haskell Auction on Saturday, September 28, a cattle sale at the Abilene Auction on Monday, September 30, and a horse sale at the Abilene Auction on Saturday, October 12.

Ranchers who sell their stock at other times of the year are encouraged to make a pledge now,

Last Thursday night the Farmer's Co-Op Elevator office at Truscott was broken into. Several items stored there were stolen and business papers were scattered. Two saddles, a bridle, two horse blankets and a McCullough chain saw were taken. Andy Dushan lost the saddle he worked to earn enough to buy, and also the bridle and blanket he got for his birthday.

Visiting the Shirley Moores Saturday and Sunday were their granddaughter and family, Cheryl and Ronnie Hudson, Haylie and Jarrett of Amarillo.

Curtis Casey visited Margaret Todd in Abilene last Wednesday. While there, he had lunch with his sister, Frances Carroll.

Dud Ellis celebrated his 91st birthday August 11 with a cook-

out and cake and ice cream at his ranch home. Marie and Gary Ruckly barbecued brisket and Lula Baty decorated the birthday cake. Joining in the party were the Ruckles, Sammy Abbott, Mildred Cook, Margaret Jand and Dunc Duncan, John Hendrix and Rose Ann Riggs. Earlier in the week, Jerry Bob and Eugenie Daniel of the Y Ranch visited and brought Dud another birthday cake. Dud certainly appreciated all who came and sent cards in his honor. \*\*\*

**Phillips Reunion At Lake Texoma**

The 7th annual Phillips Reunion was held at Lake Texoma on August 16, 17 and 18. The Friday night fish fry was a huge success. Some had been there since Wednesday or Thursday but most came in on Friday afternoon.

Saturday was filled with visiting, boating, swimming, crafts or napping. Whatever was your thing. Saturday night the meal was barbecue brisket, beans, potato salad and all the trimmings. We sang "Happy Birthday" to Byron Gass and Jeff Henson.

During the business session, Les Phillip and Linda and Johnny Robertson were re-elected to keep the reunion going. As school cut into the time slot this year and kept several from coming, it was decided to move the time up to July 31, August 1 and 2, 1992 at Texoma. Dayle Kuehler brought 2 copies of the Phillips cookbook to show. It has pictures, favorite stories and recipes from the Phillips families.

Then the auction. Everyone had to look over all the goodies and select what they wanted to bid on. Our auctioneer this year was Jack McMullen, Coy Phillips Jr.'s son-in-law. He was a very good one, kept you bidding on the items you really wanted.

Sunday morning found everyone packing so they could vacate their cabins by noon. Church service began at 10 and was a very heart warming experience, held out-of-doors with nature.

Tony Grisham was song leader, first prayer by Byron Gass, and the Lord's Supper was directed by Coy Phillips Jr. and Dub Grisham.

Jerry Golson introduced a taped message from Harold McCray of Lawton, OK. He lost a daughter to a violent crime this last summer.

After 2 weeks, he preached his first sermon after her death on his thoughts and how his life had changed. His talk, entitled "What Can I Say?", was a sad, thought provoking sermon. He has been preaching in Lawton for 34 years.

Closing was Papa Jim's favorite song, "Farther Along", and closing prayer was by Les Phillips.

Those present included: Johnny, Linda, Stacie, Stephenie and Sandie Robertson, Scott Love, Tommy, Lezlie and Alyssa Parrish, Carol Davidson, Byron and Shirley Gass, Rob, Denise, Jessica and Jared Pinder, Leslie Phillips, Steve, Sherrie and Brandi Morris, Jan, Bryce, Chad and Matt Buxkemper, Jack, Sherri and Kacey McMullen, Dub and Bobbie Grisham, Wanda and Andrea Henson, Billy Ray, Patsy, Amy and Jeff Henson, Jerry and Brenda Golson, Greg, Judy, Michelle, Michael and Dawn Paugh.

Also, Danny, Debbie and Robin Narramore, Lisa, Randy and Justin Pruitt, Tony, Teresa, Clarissa and Timothy Grisham, Dale and Jeannette Phillips, Dayle and Nathan Kuehler, Leon and Jessie Mae Johnson, David, Nonie, Sarah and Garry Lee Johnson, Mike and Glenda Webster, Brad and DeNae Sperry, Anglea Sperry, Lance Hays, Sarah Herschap, Coy Jr. and Martha Phillips, Dessie Johnson, Lester, Frances and Mark Phillips, Gary Donaldson and Glen D. Henson.

then ask their local auction to send the Center a check when the stock does sell.

Persons wanting to make a donation of livestock or cash, or those needing to arrange for transportation of animals should contact their local chairman or call the nearest WTRC facility. \*\*\*

**McPherson Receives Two-Year Scholarship**

Elisabeth McPherson of Munday has been awarded a two-year \$3,000 Abell-Hanger Foundation scholarship by the Texas Interscholastic League Foundation. Recipients may attend any approved college or university in Texas.

A graduate of Munday High School, Beth placed fourth in the 1991 UIL State Meet Literary Criticism contest. Her high school activities and honors include Gifted and Talented program; Top Chemistry Award; Top English Award; Drum Major of the high school band; President of United Methodist Youth; and basketball and track teams.

Beth, the daughter of Jim and Susan Edwards of Munday, plans to attend Texas Tech University and major in Education. \*\*\*

**Band Boosters To Meet**

The Munday Band Boosters will hold their regular monthly meeting on Monday, September 9, at 7:00 p.m. at the band hall. All members and interested persons are encouraged to attend. \*\*\*

**LOCAL**

Visitors in the home of Daisy Gaither during the Labor Day weekend were Leon Looney and Mr. and Mrs. Gerald Mayo of Garland and Mrs. Lillian Mayo of Wylie. \*\*\*

**Diabetic Diets To Be Discussed Next Week**

Dr. Mary Kinney Bielamowicz will be presenting a program on "Dealing With The Diabetic Diet", Thursday, September 12, from 12:15-1:00 p.m. at the Knox County Aging Services Building in Knox City. The program is free of charge.
