Chamber Of Commerce Plans Acitvities For The Holidays

Christmas is just around the corner! With that in mind, the local Chamber of Commerce has announced plans for several exciting toliday activities.

To kickoff the Christmas season in Munday, the Chamber will sponsor he traditional Christmas drawing pronotion, for the first time since 1985. All customers who make purchases in local participating businesses between November 1 and November 24 will be eligible for the drawing. At least \$500 worth of gift certificates will be given away to local shoppers on November 24. This date was chosen in order to allow customers to have plenty of time to redeem their certificates for Christmas.

This drawing, as well as other acivities planned for the same day, is he local merchants way of saying 'thank you" for shopping at home.

Several other events have also been planned to help the community get nto the Christmas spirit. On Thurslay, December 6, the annual Tour of Homes will be presented. This always proves to be a real treat for area residents, as they are invited into

Credit And Collections Workshop Scheduled

"I owe, I owe. It's off to work I go:"

Has your business ever had a probem with customers who won't or can't pay what they owe you? Even one new idea on dealing with the situation might improve the profit picture of your business.

Rick Gunter, financial analyst, will present a how-to workshop on credit and collections, Tuesday, November 6 at 7:30 p.m. at the Perry Patton Community Center in Munday.

Mr. Gunter will take into account the rural and agricultural nature of the local market and give your business specific suggestions for establishing credit policies and improving collections.

He is a graduate of West Texas State University, with a B.S. degree in business and economics and an M.B.A. in finance. He is currently a business consultant, lecturer, writer and instructor of finance at Abilene Christian University.

Fee for the workshop, which is cosponsored by the Munday Chamber of Commerce and Agriculture and the Caruth Small Business Development Center, is \$10.00 for chamber members (this includes members of area chambers), or \$15.00 for nonmembers and at the door.

James Smith Seeks Your Write-In Vote

The filing of James Smith as a write-in candidate for Commissioner of Precinct 4 gives voters a choice. Voters in Goree and those in voting Precinct 6E in Munday will choose between Smith and Johnny Birkenfeld, winner of the Democratic primary and appointed to fill the unexpired term of Lee Patterson.

pired term of Lee Patterson.

Smith, a resident of Knox County for 48 years, resides and farms east of Munday. He is a graduate of Munday High School and Texas Tech University, and a veteran of the army. Active in community affairs, Smith has served on the Munday school board and Chamber of Commerce. On the county level, he served on the Tax Equalization Board and as Democratic Precinct Chairman.

The preceding was submitted by James Smith, write-in candidate for Commissioner of Precinct 4.

several local homes to share the festive holiday decorations and unique inspirations of area artists and homemakers.

Community family activities tentatively scheduled for Saturday, December 8, include "Breakfast with Santa", "Storytime with Santa", a Christmas Scavenger Hunt for junior high and high school students and a community tree lighting ceremony at dusk.

So, when you think of Christmas being just around the corner, don't say "Bah! Humbug!". Instead, say, "Christmas in Munday! How exciting!"

Munday Police Have Busy Week

Munday Chief of Police, James Victory, reports a very busy week for the local police department.

There was a purse theft reported at the Post Office on October 23. The purse was taken from an unlocked car. This remains under investigation.

On Saturday, October 23, the department photographed and fingerprinted 50 local children. This was done in an effort to give all area parents a permanent record of their children in case of disappearance or kidnapping.

Chief Victory also reported that the local department was contacted by the Child Protection Agency and is working in conjunction with a South Texas police department concerning the sexual abuse of a child. While the victim is not from this area, the suspect is a Munday resident.

Crime is not restricted to metropolitan areas. Do your part to keep our community safe.

Benjamin Church To Hold Dedication Ceremony

The First United Methodist Church of Benjamin will hold a dedication ceremony for their new annexation this Sunday at 1:30 p.m.

There will be the regular Sunday morning worship services, followed by a pot-luck dinner at 12:15. After the dinner, the dedication ceremony will be held in the church. Special guest will be the area Bishop, Louis W. Showengirdt.

The new annexation includes two Sunday School rooms, two bathrooms, a kitchen and meeting area.

Pastor of the Benjamin church is

Byron Putnam.

Birkenfeld Asks For Support In Election

The following was submitted by Johnny Birkenfeld, candidate for Commissioner, Precinct 4.

Since I have assumed the duties of Commissioner in July, I have listened to each of your concerns and have worked closely with the Soil Conservation Service to begin implementing improvements to our flood damaged roads. We will do as many improvements as our budget will allow up to this year.

will allow us to this year.

I have not had as much time to contact each one of you as I did in the primary, due to working hard with our county employees to see that our work is done correctly, but I value each voter and hope that you will support me and the improvements I have begun on November 6. Please remember that your one vote does count, and could be the deciding vote in this election.

TERRY COLLIER, NUMBER 33, FLIES THROUGH THE AIR Friday night for a two-point conversion in the second quarter to give Munday a 14-6 lead. The Moguls went on to a 28-14 victory over the Spur Bulldogs, to remain undefeated for the season. Munday continues district football action this Friday night against the Crowell Wildcats at Scruggs Field at 7:30 p.m.

Munday Stops Spur, 28-14 In District Showdown

Before a capacity crowd at the Spur Bulldogs Jones Stadium, the Munday Moguls ran and passed to a 28-14 victory over Spur, to remain undefeated in district football action.

Spur, ranked number four by the Associated Press and second in the Harris Poll, suffered their first loss. The Moguls are ranked Number 1 in both polls.

Coach Dewayne Sexton of Spur stated, "The Moguls used their speed perfectly and we just couldn't catch

Munday took the opening kickoff and drove downfield, only to have a touchdown called back with a holding penalty. Tyler Thompson punted to the Bulldog 10-yard line.

Terrell Brantley, Spur's workhorse, carried five straight times before quarterback, Givens, passed to Rob Roberts on a 56-yard scoring play. The extra point attempt failed, giving the Bulldogs a 6-0 lead with 5:21 left in the first period.

Perry Collier, standing on the 15yard line, backed up to the 12, took the kickoff, and raced 88 yards to tie the game at 6-6. PAT try was no good.

The Mogul defense then stopped the Bulldogs at Munday's 26-yard line, after a 13-play drive.

Munday's second touchdown was by Bobby Dockins on a one-yard run, after a 76 yard, 11-play drive, with 4:49 left in the half. Terry Collier then leaped over the Bulldog defense for a two-point conversion, giving Munday a 14-6 lead.

The Mogul defense again stopped the Bulldogs, forcing a punt. Bobby Dockins then faked a run up the middle, and fired the ball to a wide-open Terry Collier, who ran 72 yards, untouched, for the third Munday touchdown. Bobby Dockins kicked the extra point for a 21-6 lead, with time running out in the first half.

Getting the ball on their own 44yard line after a Bulldog punt, Munday then got their fourth touchdown on a 56-yarder when Dockins hit Perry Collier for the score. Dockins kicked the extra point that gave the Moguls a 28-6 advantage.

Coach Edwards said, "When Spur puts eleven players on the line of scrimmage, it opens up the airways. They were expecting runs both times."

Spur reduced the Moguls lead to 28-14 after a 61-yard drive, with Brantley scoring on a three-yard run. Givens passed to Brandon Puckett for a two-point conversion.

After a favorable on-side kick at the Munday 44, Spur then threw

Munday To Be Listed In Travel Directory

The board of directors of the Munday Chamber of Commerce has agreed to sponsor a Munday community listing in a new travel directory to be distributed to 40,000 tourists in

The listing will include all historical landmarks, annual events, points of interest, and businesses of interest to people traveling in our area. The Chamber is also purchasing a full page ad in the directory to advertise recreational areas and special events.

If you as an individual, or your church, civic group or organization knows of any information that you feel needs to be included, please contact the Chamber office. Also, advertising rates are very reasonable, if you are interested in listing your business in the directory.

As this information will be distributed to other chamber offices, the Texas Visitor Information Bureau and various travel agents, it is imperative that as many annual events, recreational facilities, etc. be listed under Munday's heading as possible. Munday has a lot to offer, and it's time the rest of the world knows it!

Golf Scramble Set

Area golfers are invited to participate in a 3-person scramble this Sunday, November 4, at Lake Creek Golf Club east of Munday.

unsuccessfully four times, with about one minute left in the game. The game ended with a 28-14 victory for the undefeated Munday Mogula

the undefeated Munday Moguls.

The Moguls fumbled twice during the game, but recovered both times.

The Munday-Spur battle was billed as the "game of the week". Reporters from Abilene, Wichita Falls, Lubbock and Fort Worth covered the game.

The Moguls face Crowell here this Friday night at 7:30, as district football action continues.

COACHES COMMENTS

We played extremely well against Spur. Our defense was super, with Brett Bruce, Dwayne Redder, Tyler Thompson and Jerry Branam leading the way up front. Bobby Dockins had

18 tackles to lead the defense.

Tremendous pursuit was the key to victory as Spur was never able to break the long run.

Offensively, our line executed extremely well. We were able to move the ball against a good Spur line. They were stunting their ends to confuse us, but we picked it up pretty good. Tyler Thompson had his best game of the year, blocking from the fullback position.

We must recover from our bruises this week to combat Crowell at home.

Vote For Candidate Of Your Choice

Tuesday, November 6, is the date you as a qualified voter have the opportunity to vote in the general election. This is not a presidential election, but we are to elect a U.S. Senator and Representative for this area. One constitutional ammendment will require your attention and vote.

There will be four columns on the ballot. Three will be the different parties and one will be for a write-in candidate of your choice. The three parties are the Republican, Democratic and the Libertarian. You may vote a straight ticket by placing an X in the square beside the name of the party of your choice at the top of the party column.

All voting boxes in Knox County will be open from 7 a.m. to 7 p.m. Locations and boxes in Munday are: Pct. #6E and #6N at the Munday City Hall and Pct #6W at the Munday Band Hall. Other voting locations in the county are: Pct. #1 at the Benjamin Memorial Building; Pct. #2 at the Truscott Community Center; Pct #3 at the Gilliland Community Center; Pct. #4 at the Vera Community Center; Pct #5 at the Goree Community Center; Pct. #7N and Pct. #7S at the Knox County Aging Center in Knox City and Pct. #8 at the Gillespie Church at Sunset.

U.S. Senator Phil Gramm, Republican, is being opposed by Hugh Parmer, Democrat, and Gary Johnson, of the Libertarian party.

Bill Sarpalius, Democrat, and Dick Waterfield, Republican, will face each other for the United States Representative of the 13th District.

Another big race will be for the State Representative of District 78, where David Counts, Democratic candidate, will be opposed by John Pennington, Republican.

All county offices are unopposed except in the County Commissioners race in Precinct 4, where Johnny Birkenfeld is faced with a write-in candidate, James Smith.

All other races can be found on a sample ballot on Page 7.

TSTA Members Endorse Counts

Members of the Texas State Teachers Association in the 78th Representative District gathered in Rotan Saturday evening to give their endorsement to Representative David Counts in his campaign for re-election.

Nancy Abernathy of Aspermont, who serves as a legislative contact for the association, presented Counts with a campaign contribution from TEPAC, which is the Texas State Teachers Association's political action committee. All support for this committee is made possible by contributions of TSTA members across the state.

Representative Counts has been a friend to education, teachers, and children in this District. Recent legislation passed in the sixth called session provides educators with an opportunity to help shape the future of education. Site based decision making is the term used by TSTA to describe this ideal process in which teachers and the school district act as equal partners in working for educational improvements. Legislators formalized and legalized a process to involve teachers in reviewing and establishing educational goals, objectives and programs.

Area Small Businesses Eligible For National Award Of Merit

Do you know or own a small business who has overcome obstacles and emerged stronger because of effectively managing resources? Does this business warrant statewide, or perhaps national, recognition?

If so, do yourself and that business a favor and nominate them for the Blue Chip Enterprise Award.

The Blue Chip Enterprise Initiative is being launched to identify and recognize small businesses that have met today's challenges. Unlike other award programs that focus on growth and company size, this award will recognize those who have prospered as successful entrepreneurs. The ultimate goal of the program is to package case histories of small business management and send them to small business owners across the country through participating Chambers of Commerce.

Applicants for the award must submit a case history that demonstrates how their company used available resources, such as human, quality assurance, marketing, community, financial and technical, to achieve these goals. To be eligible, a company must have between five and 300 employees and have been in business for at least three years with continuous service. You do not need to be a chamber member to apply.

Deadline for entering the contest is January 31, 1991. For more information or an application, contact the local Chamber office.

Free Sales Tax Seminar Set For November 7

New business owners are invited to a free seminar on state sales tax that will be led by Comptroller field office staff members in Wichita Falls on Wednesday, November 7.

"The seminar will help business people understand which items are taxable, what tax rate to charge on a sale and when to file tax returns," State Comptroller Bob Bullock said.

Representatives from the Comptroller's Wichita Falls field office will conduct the seminar beginning at 2 p.m. at 3108 FreMar Valley on Seymour Highway.

MUNDAY QUARTERBACK, BOBBY DOCKINS is thinking about a touchdown, as fellow Moguls "clear the way" last Friday night in Spur. Munday beat Spur 28-14, to remain undefeated in district play.

Millers Creek Lake

Temperature: 73° F Condition: Full and clear.

Black Bass: Fairly good to 6 lbs. on plastic worms, top water baits and flipping jigs. Best colors: lime, motor oil, ice and fire.

Striper and White Bass: Slow. A few being caught in the dam areas on trolling lures.

<u>Crappie</u>: Excellent in creek. Largest reported at 2 1/4 lbs. Taking jigs and minnows. Best at six to eight feet.

<u>Catfish</u>: Fairly good on rod and reel, but little trotline action. Hitting Tan Bait, live minnows and worms. Largest reported at 8 lbs.

Carp and Buffalo: Excellent to 12 lbs. on Tan Bait, minnows and worms.

Fishing Tip

Q: I saw someone using a jig with a float combination, and doing a lot better than I, catching crappie. How does this work?

A: I love to use jig-cork combinations for crappie. Tie a jig on your line and set a very small float at the depth you suspect the fish will bite (right now, it's about 6-8 feet). If it twists or moves in a way it shouldn't, you have a soft-hitting crappie. Use a quick, but not hard, snap of the wrist to set the hook.

If you are not catching crappie with this rig, then consider changing depth or color of lure. Also, sometimes "wiggling" the float back and forth will draw a bite. You might also try lip-hooking a live minnow on the jig. Sometimes a crappie bait such as Crappie Candy hooked on the jig will produce fish. A long strip of cut bait (from perch) hooked to the jig is effective, at times.

Anytime you fish for crappie, it's important to use ultralight tackle. Wind permitting, I like 1/32 ounce tube jigs, four-pound test line and very light rods and reels. Ultralight tackle is very important when using jigs.

AUTUMN HARVEST TIME

This is a great time of the year for the home canner - the kitchen is warm from cooking and quantity and prices of produce is fantastic.

Vegetables and fruits that are plentiful now include apples, pumpkin, winter squash, sweet potatoes and carrots.

Al vegetables, except acidified tomatoes and pickled foods, must be processed in a pressure canner. That is because the temperature in a boiling water canner just doesn't get high enough to kill off botulism spores.

Freezing is another option.

When canning pumpkin, squash or sweet potatoes, pack them in cube form, not mashed. Mashing or pureeing affects heat penetration and sterilization.

If you're freezing foods, take extra precautions to keep everything ster-

Child Welfare Board Gearing Up Now For Christmas 1990

Yes, Christmas - are we excited or what? The Knox County Child Welfare Board is gearing up for Christmas 1990.

A new program is being implemented that should make it much easier for those who really need help with Christmas for their children, to get it. At the same time, it will be easier for those who want to share their Christmas with the less fortunate children of Knox County and it will make it easier for those who have the responsibility of distribution, too.

The Child Welfare Board is taking applications from those who need assistance with Christmas, and you may pick one up at City Hall or the Chamber of Commerce office. These applications need to be completed and returned to the Board by December 1. A committee will review these applications and determine the greatest needs, using the available resources, and then put those in the system.

If a church, family or civic organization would like to provide Christmas for a specific age group, they need to contact one of the following board members:

Barbara Zeissel, Barbara Ratliff, Judy Burnett, and Debbie Welborn in Munday; Ruth Brown in Rhineland; and Brenda Trainham in Goree.

At this point, we have no way of knowing how many children will be on the Christmas need list, but we hope that the generous people of Knox County will help out like they have done in years past. Christmas is for the children. Let's make 1990 a happy time for those less fortunate.

We are in the season of asking for contributions of cash to the Knox County Child Welfare Funds in the First National Bank. These contributions are IRS tax deductable and will assist the Board during the year in providing medical services and needs

for the children of the county. These funds are needed and greatly appreciated.

The KCCWB wishes you and yours a very Merry Christmas in 1990 and hopes you will remember the kids.

Water System Workshop Set For November 2-3

Rising costs of fuel and increasing demands on the water supply make pump and well efficiency critical for the area's agricultural producers. To help farmers and ranchers save energy and water, the department of agricultural engineering at Texas Tech University and the Texas Agricultural Extension Service will conduct a two-day pumping system efficiency workshop, November 2-3 at the Tech campus in Lubbock.

The seminar will begin at 8 a.m. Friday morning, November 2, with registration. The first day will focus on pumps and pumping systems. The Saturday session, which also begins at 8 a.m., will emphasize well design and maintenance. Dr. Marvin Dvoracek, associate professor of agricultural engineering at Tech, and Dr. Rose Mary Seymour, Extension Service agricultural engineer and irrigation specialist, are coordinators.

"With a different emphasis each day, participants may want to attend both days or only one," Dvoracek said.

The workshop will end before noon on November 3 in order to allow plenty of time to attend Tech's football game with Texas.

There will be a registration fee which includes a notebook with workshop proceedings and related material. Additional information may be obtained by telephoning (806) 742-2972 or (806) 746-6101.

Sign Up Now For The Annual Turkey Walk

It's that time of year again! Time to get out your warm-ups and sneakers and sign up for the annual Turkey Walk.

The walk, sponsored by the Knox County Chapter of the American Heart Association, will be held Saturday, November 10. Persons participating will meet at the Munday Chamber of Commerce office and begin their walk to Offutt's Corner at 8 a.m. Residents of Munday, Goree and Rhineland are welcome and invited to participate, either as a walker or a sponsor.

Volunteer walkers raise money by getting donations for each mile they walk or by getting individual "lumpsum" donations. The money raised goes to fund research and to support public education and community services.

Walkers who turn in at least \$50 will receive a "Turkeywalk" T-shirt. For \$100 or more, they get a "Turkeywalk" T-shirt and a turkey. If a walker raises \$200 or more, they will receive a "Turkeywalk" sweatshirt, a "Turkeywalk" T-shirt and a turkey. In addition, the top three money raisers will receive a \$50 savings bond along with the individual prizes they earn. All walkers who turn in \$250 or more by November 16 will be eligible for the regional prize drawing of two round trip passes of American Airlines to anywhere within the continental United States.

The Turkey Walk is one of the special events planned each year by the Heart Association in Knox County. If you are interested in participating, contact Mrs. Doris Dickerson, chairperson of the event.

Decker-Kimbrough Exchange Vows In Candelight Ceremony

The First Baptist Church in Munday was the setting for the candlelight wedding ceremony uniting Tammy Denise Decker and Joey Earl Kimbrough on Saturday, October 20, at 7:00 p.m. The Reverend Troy Culpepper officiated.

The bride is the daughter of Mr. and Mrs. Joe Decker of Munday. The groom is the son of Mr. and Mrs. Joe Kimbrough of Haskell and Mr. and Mrs. Don Flippin of Wichita Falls.

Missy Teague of Haskell, niece of the groom, registered guests.

The bride, given in marriage by her parents, wore a white satin wedding gown with a schiffli lace bodice and sleeves and a Queen Anne neckline. Appliqued roses, irridescent sequins and seed pearls adorned the bodice and sleeves. The chapel length train had insets of schiffli lace and was accented with a flat satin bow at the back of the waist. The hem of the full skirt was scalloped and edged with schiffli lace.

To compliment her gown, the bride chose a poufed headpiece with a headband made of seed pearls. This was attached to layers of illusion, forming a three-tiered veil.

TRUSCOTT-GILLILAND NEWS

By Mrs. Clara Brown

Sybil Simmons reports that her sister and brother-in-law, Bobbie and S. D. Kinnibrugh of Floydada, visited her Tuesday of last week.

Cotton stripping has started at Gilliland and reports are sounding good.

Last Friday, Curtis Casey went to an open house at Eastland of the monument works owned by Sam and Terri Harris, Amy and Curtis. Sam is the son of Rev. Claude Harris, one time minister at Truscott. Curtis stopped in Cisco on Friday to visit Rev. and Mrs. Harris.

Scott Bullion of Lubbock and two friends brought Sam Bullion's travel trailer to Truscott and spent the night at the lake. While here they also visited his uncle and aunt, Paul and Ila Mae Bullion, and his cousin, Gail Whitley and family.

4-H'ers Participate In Food Show

4-H members from around the county participated in the annual 4-H Food Show on Monday, October 22. Each participant prepared a nutritious recipe and were questioned by a panel of judges about the recipe, as well as general nutrition knowledge of the participant.

Sponsoring the show this year were Adams Extract Company and the Knox County 4-H and Youth Committee.

Winners in each category will advance to district competition on Saturday, November 3, in Vernon. Results are as follows:

Junior division: breads - 1st, Suzanne Stephens, cranberry apple muffins; fruits and vegetables - 1st, Jarred Crownover, strawberry salad, 2nd, Amy Hunt, creamy waldorf salad; main dish - 1st, Stefani Stephens, feathered corn, 2nd, Briana Alexander, Mexican cornbread; nutritious snacks and desserts - 1st, Lane Boyd, pretzel salad, 2nd, Amanda Myers, holiday cheese ball.

Intermediate division: main dish -1st, Tressie Boyd, chicken soup; nutritious snacks and desserts - 1st, Tara Alexander, lemon cream crescents.

A tasting supper was enjoyed by all the participants and guests prior to the awards ceremony.

The late Jesse "T-Bone" Winters, father of Patty Alexander of Truscott and Dan Winters of Abilene, will be inducted into the Hardin-Simmons Athletic Hall of Fame, Friday, November 2 at H-SU homecoming.

Jamison Services Held In Gilliland

Funeral services were held Saturday, October 27, at the Gilliland Baptist Church for Thelma Hollis Jamison, 83, who passed away Friday in Wichita Falls. Rev. Paris A. Barton, pastor, officiated. Burial was at the Gilliland Cemetery under the direction of the Archer Funeral Home.

Mrs. Jamison was born November 27, 1906, in Arledge Ridge community near Bonham, Texas, to Bill (W.G.) Hollis and Sallie Arledge Hollis. She moved with her family to Gilliland in the early 1920's.

She and John Jamison were married in 1924. He died in 1986. She taught school for a few years and was a rural mail carrier for 32 years. She was a member of the Gilliland Baptist Church. She moved to Wichita Falls in 1988.

Survivors include a daughter, Colleen Patterson of Wichita Falls; a sister, Ollie Mayberry of Vernon; five grandchildren and seven greatgrandchildren.

Visitors in the home of Ursel and Nolan Phillips and Lala Morgan over the weekend were their nephews, Arthur Thorp and wife, Loretta, of Oklahoma City, and Eldon Thorp of Albuquerque, New Mexico.

Lala's daughters, Neva Biggs of Austin and LaQuita Johnson of Alvarado, came to Munday on October 21. They took their mother to Clinton, Oklahoma and surrounding towns where they once lived. While there, they visited cousins from both sides of the family, Lala's sister-inlaw, and several friends for their annual fall get-together. Later, the girls visited in Munday with their brothers and their families and took their mother to the ballgame at Spur Friday night. They returned homeon Friday and Saturday.

he's doing fine but as with all back surgeries, he will have to take it easy for quite a while. It will be several Sundays before he will be back in the pulpit. Surely, our best wishes and prayers go to him for a speedy recov-

Don't forget the Halloween Carnival here at the school Saturday night, November 3. It starts at 6:00 and there will be booths to interest everyone. We hope to see a lot of our outof-town friends over for a fun-filled evening.

Betty and Sabra Parker of Aspermont visited Betty's parents, Leroy and Gloria West, on Sunday. They all attended a family birthday party for David Clower on Sunday afternoon in the home of Bud and Debbie Clower.

Weinert Class Of '80 **Honors Classmate**

In a touching ceremony recently at the Weinert homecoming program, the Class of 1980 unveiled a portrait of their late classmate, Perry Patton. Perry, a Munday police officer, was killed in the line of duty, on May 28,

As the 1990 homecoming drew near, the class experienced mixed emotions. They felt a certain excitement, realizing that it was their 10year reunion. However, the emptiness felt from the loss of their classmate left them searching for a unique way to express their feelings and memories. With this intent, they had a portrait painted of Perry.

The beautiful, life-like portrait was dedicated to the Patton family and will hang in the Perry Patton Community Center in Munday.

Members of the class of 1980 were Todd Herricks, Ann Horan, Derinda Griffis, Debbie Hutchinson, Benny Bredthaur, Dena Walker, and Bryan

Goree Defeated By Jayton, 54-8

The Jayton Jaybirds, behind the running and passing of Paul Morales, downed the Goree Wildcats, 54-8, in Jayton last Friday night. Morales rushed for three touchdowns and threw for three others, as Jayton ran their district record to 3-0.

The first quarter was scoreless until Morales plunged in from the twoyard line with just under one minute remaining. Jayton was able to add three more scores in the second quarter. Morales scored on runs of four yards and 17 yards, respectively. He also threw a 16-yard scoring strike as time ran out in the half. Goree's Jay Hutchens scored on a one-yard drive in the quarter for the Wildcats' lone score of the game. The Wildcats had two drives that were stalled by interceptions during the period. Penalties also halted two other possessions. Jayton led the game 32-8 at the half.

Morales went to work again in the third quarter. First, he found Jay Fernandez ipen for a four-yard scoring pass, putting Jayton ahead 40-8. On the next Jaybird possession, Morales connected with Brad Smith for a 14-yard touchdown. Goree's Scott Castillo broke loose for a 58yard run, giving the Wildcats a first and goal at the Jayton five. But, again, the Jaybirds came up with a Goree turnover, Gaylon Smith scored minutes later on a nine-yard run for Jayton to end the contest 54-8 on the 45point rule.

Turnovers again proved costly for Goree, as they lost two fumbles and threw two interceptions. It was the third consecutive week that Goree

Goree Homecoming Set For This Weekend

The twelfth Goree homecoming is scheduled for this weekend, November 2-3.

The weekend will kickoff with a ballgame against Paint Creek at 7:30 Friday night. Following the game, a street dance will be held in a roped off area between the elementary school and the football field.

Saturday's activities will begin at 9 a.m. with registration in the high school. BBQ and all the trimmings will be served in the cafeteria from 11:30 to 1:00 o'clock. Goree residents are strongly urged to purchase their tickets from either Gaylon Hord or Lee Patterson by Thursday. Tickets are \$5 for adults and \$3.50 for children.

Weinert News By Mrs. Myrtle Phemister

Birthday cakes are being baked this week for Tina Briscoe, Faye Jetton, Ruth Jimenez, Clyde Mayfield and Jeremy Harlan. Happy Birth-

Congratulations to Bennie and Robert Horan, who will be celebrating a wedding anniversary on Sunday.

LaVera and Bud Hummel of Sterling, Illinois, were recent visitors to Weinert, arriving in time to help celebrate her sister, Otie Mayfield's, birth-

While here, they received the good news of the safe arrival of a granddaughter at the home of their daughter, Jean and Tad Rhodes of Norman, Oklahoma. She weighed in at 71bs. 3 oz., is 19 inches tall, and answers to the name of Eleanor Jean. She has an adoring big brother, Max, who is three and one-half years of age.

Other out-of-town guests included a cousin, Hazel Ashcraft Smith of Ragers, Texas, who was here for the birthday party. She was accompanied by her son, Mr. and Mrs. Roy Fowler of Belton.

Jennifer and Eugene Pollastro presented a new great-grandson to the Marvin Phemisters on October 25. He was born in Austin and weighed 8 lbs. 1 1/2 oz. He has been named Christopher Eugene. He was welcomed home by 4-year old Emily and 2-year old Nicky. His grandmother is Lola Phemister Williams of Harlingen.

Our sympathy is extended to the family of Mrs. Sula Mae West, whose

memorial services were held in Haskell last week.

She was a favorite teacher of many in our area, including Marvin Phemister, and her passing is a great loss.

Weinert extends sympathy to the family of Julia Havran, whose memorial services were held on Sunday, October 28, in the Gillispie Cemetery, at the graveside.

We especially love her children, Irene, Leona and Edward, as they are a part of the Weinert school, in attendance and later in teaching.

We remember Mrs. Havran's ability with hatching baby chicks, the flowers she grew, and the fruit and vegetables that she loved to grow and share.

Bobby Crawley, former teacher and preacher in Weinert, was guest speaker in Rochester on Sunday, and a number of Weinert folk were in attendance at the Rochester Church on Sunday afternoon to renew acquaintance with the family.

Lucas Castillo, son of Reuben and Angie Castillo, was in attendance at the Boy Scouts Camporee last week at the Jones Ranch at Fort Phantom Lake. He is a part of Pack 137, Den 7, with Paul Brown as leader.

Linda Mahan and Donald were in Mineral Wells on Saturday to visit her children, Len Mahan and Michelle Saddler.

Amanda Sanders of Merkel spent the weekend with her grandparents, Alton and Mildred Sanders.

Other guests at the Sanders home on Sunday included their son, Jerry, with Jeremy, who came to take Amanda home, as her other grandfather is critically ill in an Abilene hospital, suffering with a broken hip and pneumonia.

Also visiting the Sanders were her mother, Jewel Havran of Munday; aunts, Aline Cross of Seymour, Annie Mayer of Howard; and a cousin, Tony and Sammie Mayer, also of Howard.

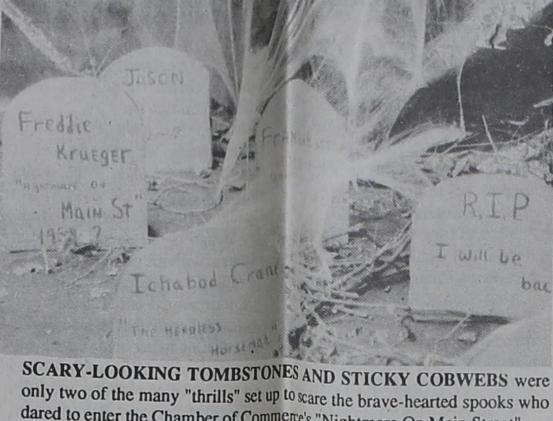

Part of the group were in attendance at the memorial service for Mrs. Adolph (Julia) Havran in the

Melanie and Bob Wood, Cory, Zach and Whitney, spent Sunday in Weinert with her parents, Wanda and Melvin Vojkufka, and attended worship services with them at the Foursquare Church.

Bill Guess of San Antonio spent the weekend here with his mother, Mildred Guess, and worshipped with her at First Baptist Church.

Andrea and Julian Estrada and family, and Reuben and Angie Castillo and family, joined their other brothers and sisters for a surprise birthday party honoring their mother, Otillia Gonzales of Haskell. Approximately 35 of her descendants came to honor her. Happy Birthday, Otillia!

T.J. Yates, son of Joe and Caron Yates, was the honoree for a "Ninja Turtle" birthday party on Sunday afternoon. The party was hosted by his parents and enjoyed by a host of friends and relatives of the younger generation. The adult members were treated to a sit-down dinner in T.J.'s

Fourteen Cypert cousins met at "Judy's" cafe in Knox City on Saturday night for a period of dining and visiting. Cities represented were Munday, Weinert, Haskell, Rule and Knox City. Attending from Weinert were Toby and Alice Yates.

Ben and Polly McMillen of San Angelo spent Friday with his sister, Faye and Ted Jetton.

The Jettons were fortunate last week in that they saw all of their "far-flung" children. They were in Lubbock on Monday to meet their daughter, Sandra Stafford of Great Falls, Montana, who was in Lubbock on business.

Jimmy and Claude Young, who are moving to Colorado, came by for the night on Thursday, and later the Jettons were in Dallas and Arkansas to visit their other daughter, Jackie Frantz and her family.

While in Lubbock, they visited with a sister, Gladys Fraley and her daughter, Claudia.

Judy Anderson of Wylie was in town to visit her mother, Mildred Offutt and to accompany her to the memorial services of Mildred's sis-

ter-in-law, Grace Offutt of Munday. Eddie and Myrnie Sanders were in Wichita Falls to visit their daughter,

the Wayne Offutts, on Thursday. Laughter and love were the order of the day at the Jerry Walker home as their children and grandchildren from Benjamin, Wichita Falls and

1990 Bike-A-Thon Deemed A Success

The "Wheels For Life" Bike-a-thon held October 13 was deemed a big success, thanks to the bike-riders, parents, local businesses, Munday residents and CLIC volunteers. Thirteen riders raised \$536.00 for St. Jude's Childrens' Hospital. This year's Bike-a-thon was dedicated to Dustin Richardson of Munday, who is undergoing treatment for cancer.

Those participating in this year's ride were Angela and Alan Albus, Christina Fitzgerald, Jacy Haynie, Alicia Herring, Jason and Michael Josselet, Jenny Ramirez, Lois and Chuck Reneau, Nikki Sellers and Brian Urbanczyk.

Brian Urbanczyk rode the farthest at 20 miles, with Michael Josselet coming in second, riding 18 miles. Nikki Sellers collected the most money, with Michael Josselet and Jacy Haynie, collecting the next largest amounts.

CLIC would like to thank everyone who helped by participating in the Bike-a-thon or by donating money. A special thanks goes to the Highway Department, Dairy Queen and the One Stop Video Shop.

this crazy lure that no one has ever used, but we believe it will catch lots of fish. Do you want to try it?' You'd be the first to borrow it."

The boy continued, "Jesus chose fishermen to be his disciples because fishermen will try anything once! And they're persistent at it, too!"

Jesus calls all believers to be disciples, to be open to using various methods in bringing home the fish. And when the fish aren't biting, Christ sets the example by telling us to be persistent, trusting in him. I hope you'll take this to heart and try your hand at fishing in the pond of Knox

I hope to see you in study and worship, getting your bait for the long fishing trip of life!

Farm Safety For "Just Kids" Program Backed By FmHA

The Farmers Home Administration (FmHA), an agency of the United Stated Department of Agriculture, has selected the Farm Safety for "Just Kids" program as its public service project for 1990-91, through its Wellness Program's Public Safety Campaign, according to Bobby G. Cude, FmHA County Supervisor for Knox County.

Wo sig.

Farm Safety for "Just Kids" is a non-profit organization dedicated to educating parents and children about farm injury prevention. This organization stresses raising awareness levels regarding on-farm hazards. Each year, farm accidents result in the death of 300 young people and 5,000 serious injuries. The primary age group effected is 5 to 14 years

Cude stated, "FmHA's involvement in the program will enable Farm Safety for "Just Kids" to reach a national audience for the first time."

At Your Service Dr. Larry Fitzgerald Minister, Church of Christ

Q: Shouldn't Christians spend more time loving people than trying to prove them wrong?

A: Love is the primary ingredient in the Christian walk with God. Without love, we can't even know God because God is love (1 John 4:7-12). But love for God is not wild, ignorant enthusiasm. The Bible says: (from the Apostle Paul) "And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and may be pure and blameless for the day of Christ..." (Galatians 1:9-10). Love which results in growth, approving of what is Godly, and results in blamelessness, is love which is built up by Godly "knowledge and discernment," That is why we are commanded to grow both in grace (love) and knowledge of our Lord and Saviour Jesus Christ" (2 Peter 3:18).

Without knowledge of the truth and our best attempt at obedience there is no true love. The Apostle of love said it this way: "For this is the love of God, that we keep his commandments. And his commandments are not burdensome" (1 John 5:3). Out of love, we should strive to correct those who are disobedient to the doctrine of Christ (Ephesians 4:15). Out of love we should always be ready to defend the gospel (Jude 3; 1 Peter 3:15).

Love without truth is just as wrong as truth without love. Both are a part of the Christian's responsibility. It is out of love that we attempt to teach God's word to everyone. The accusation hinted at in the above question is best answered by the Bible. Paul asked: "Have I then become your enemy by telling you the truth?" (Galatians 4:16).

If you have a question for this column write Dr. Fitzgerald, c/o Box 211, Munday, Texas 76371.

Extension Homemakers Hold Annual Achievement Day

Extension Homemaker Club members from throughout Knox County participated in their annual Achievement Day on Saturday, October 20, at the Benjamin Memorial Building. The annual event provides club members and youth an opportu nity to display and compete with items they have made, baked or canned during the past year.

Acitivities began at 10 a.m., when the doors were opened for viewing of all entries. At 11, the program was kicked off with highlights from the Texas Extension Homemaker Association's state meeting. Presenting the reports were Bea Parks of Benjamin, Frances Cook of Gilliland and Leta Mangis of Knox City, who served as delegates for Knox County at the state convention.

Members recognized for completing 50 years of club work in 1990 were Frances Cook, Jodie Miller, Sybil Simmons and Loys Welch, all of Gilliland.

Club members then presented various craft ideas and special items during a period of "Show and Tell."

Highlighting the day was the presentation of awards. Sponsors for the various divisions were Adams Extract Company for baked foods, Anchor Glass Container for canned foods and Fairfield Processing Corporation for quilts.

The club with the highest attendance (based on a percentage of membership) was Benjamin Seniors, first, and K.C. Circle Club, second. Awarded plaques for the club with the most entries (based on a percentage of membership) was Gilliland, first; K.C. Circle Club, second and Benjamin Seniors, third. A total of 319 entries were exhibited by club members and county youth.

The annual "Sweepstakes" award was presented to the member accumulating the most points on items entered. Leta Mangis of Knox City took top honors for the year, followed by Lavita Burgess of Gilli-

The awards ceremony was concluded with the announcement of "Club Rookie of the Year" and "Club Woman of the Year".

Rookie of the Year" was awarded to Rita Rosencranz of K.C. Circle Club. She has been a club member for one year, and during that time, was elected to fill the vacancy of vicepresident. Rita, who is very active in the community, is married and has three sons and one grandchild. Also nominated for this award was Mozelle Boer of Munday.

Jodie Miller of Gilliland was selected as "Woman of the Year". During her 50 years as a club member, Jodie has held several club offices and is currently council delegate for her club. She has been a big asset in club fund raisers and is responsible for her club making quilts for the rehabilitation centers in Abilene and Wichita Falls. Jodie and her husband, Clarence, have been married 57 years. They are the parents of two daughters and have five grandchildren.

Other nominees for "Woman of the Year" were Pearl Ryder of the Benjamin Seniors Club, Ila Mae Bullion of Truscott, Pam Mongrain of the K.C. Circle Club and Virginia Cary of Munday.

Results for all classes of adults and youth were as follows:

Former Munday Resident Passes Away In Seymour

Ida Mae Beaver, 79, of Seymour passed away Wednesday, October 24, in a Seymour hospital. Funeral services were at 10 a.m. Friday, October 26, at Seymour Memorial Funeral Home with A.B. Martin, Jr. and Mark Embree, Church of Christ ministers, officiating. Burial was in Riverview Cemetery in Seymour.

She was born December 14, 1910, in Brashear, Texas, and was a longtime resident of Seymour. She was a seamstress and a member of the Church of Christ. She and George Samuel Beaver were married May 12, 1926, in Seymour. They were formerly of Munday, where they operated a shoe repair shop. He preceded her in death, May 13, 1978.

Survivors include three sons, John of Ontario, Calif., Gene of Brownfield and Charles of Lubbock; a daughter, Terri Elliott of Seymour; three sisters, Pauline Chandler of Pearland, Texas, Edwina Hodges of Saint Johns, Arizona and Agnes Studer of Letchfield, Kentucky; a brother, Floyd Garner of Athens, Texas; 17 grandchildren and 24 great-grandchildren.

Serving as pallbearers were Robert Brothers, John Wayne Studer, Loy Dale Studer, Walter Douglas, Mike Elliott, and Morse Robertson.

FARM AND RANCH

Remove Insecticide Ear Tags Each Fall

As cow-calf operators gather the cattle this fall, cattlemen that use insecticide ear tags for horn fly and ear tick control should remove the old tags.

Tags that have been attached to an animal for four to five months will not emit sufficient insecticide to adequately control the total fly populations, thus allowing insects to build tolerance levels which hamper the effectiveness of fly tags.

During the past three fly seasons, use of pyrethroid impregnated ear tags has created a statewide problem with insecticide resistance to all currently labeled pyrethroids for the horn

The ear tag system for fly control exerts a constant selction pressure on the pest population and results in killing the weakest and most susceptible pests. Other pests which have the genetic ability to survive a sublethal dose of insecticide become parents for the next pest generations. Within a two-year period, this selection process can develop a pest population highly resistant to all labeled chemicals of the pyrethroid type.

Cattlemen who used ear tags in 1990 with a phosphate insecticide containing diazinon have been pleased with the level of animal protection from flies and the extended residual control achieved. Information from commercial tag manufacturers indicate phosphate resistant horn flies also may develoop if proper management techniques are not used by the rancher.

Cattlemen may get a false impression that the old ear tags are still killing flies. Populations naturally decrease in the fall as flies go into their overwintering quarters. The old tag is not helping with control but is silently adding to selection pressure, thus making the surviving population more resistant.

Decrease of daylight in the house and cooler weather conditions are environmental factors that induce pest diapause. Horn flies spend the winter months in the soil as a diapaused pupa. Fall fly tag removal is just a good management practice to reduce additional resistance development to the valuable list of insecticides.

Once insect pests become highly resistant to a class of insecticides, the economic incentive for future use of that compound is greatly reduced.

Following the Munday football game at Spur, Mr. and Mrs. Douglas Myers spent the weekend with Mr. and Mrs. Danny Parchman, Todd and Tami in Lubbock. They all attended the Tech game on Saturday, and watched Todd play on the City 6th grade football team on Sunday afternoon. It was a football weekend, indeed!

Watching Washington

Democracy is not a spectator sport. As Texans vote on their future this Tuesday, November 6, don't be caught reading about the results from the sidelines and regret that you were not one of the participants.

Each vote makes a difference. Yes, millions of people will go to the polls on election day, but only the vote you make ensures that you have a say in your government.

Consider these results from past elections:

If one voter in every precinct across the country had stayed home on election day in 1960, John F. Kennedy would not have been elected our 35th president. The same was true of Harry S. Truman's election in 1948 and Woodrow Wilson's in 1916.

In 1962 Karl F. Rolvaag was elected Minnesota's Governor by a margin of 91 votes. The closest governor's election in American history occurred in 1801 when David Hall was elected Governor of Delaware by a margin of only 18 votes. More than seven Congressional elections have been decided

Of the 69,694 votes cast in New Haven, Connecticut's 1954 mayoral election, William Celentano won by the switch of a single voter. The same thing happened in Huron, Ohio in 1955.

In a 1953 town council election in University Park, Maryland, Walter Jeffers literally elected himself by casting the only vote in the contest. Among the more colorful tales told on Capitol Hill is the one about the

congressman from California who was seeking his party's renomination a few years back. He and his opponent each received 10,429 votes. In accordance with state law, they drew lots to determine the winner and the chal-

The loser of that race sank into political oblivion, the story goes, because his secretary was so busy on election day that she didn't take the time to vote.

No country or people have been given the right to vote without a struggle. Around the globe this year, many people have been discovering democracy for the first time, marching, hunger striking and even revolting to gain the right to choose their leaders, a right that we Americans often take for

The people of Texas deserve the best leaders they can get. Only through voting will they get the leaders they deserve. The polls will be open across Texas from 7:00 am to 7:00 pm. If you'll be out of town on Tuesday, November 6 or if you just want to beat the crowds, you can vote before the election. Contact the election division of your county clerk's office to find out where and when.

Voting is not only a right that American citizens enjoy, it's also a duty. We owe it to those who have given their lives to defend that right to make sure that the dreams they died for live on with us in our hearts, in our minds, and at the voting booths next Tuesday.
