WYMAN TIDWELL

Former Mundayite Recognized At Tech

A Munday native is one of four Texas Tech University alumni to be named "Distinguished Engineers" for 1987 by the university's College of Engineering. This annual citation recognizes graduates who have made outstanding contributions to their profession and their communities.

D. Wyman Tidwell of Bellville, a 1961 chemical engineering graduate, was honored for establishing SET-POINT Inc. in Houston, of which he is president and chief executive officer. He and the other men will be recognized at the 21st annual Distinguished Engineer awards luncheon May 8 on the Texas Tech campus.

After graduating from Munday High School and Texas Tech, Tidwell worked for Union Carbide and two large consulting firms in applying computer control to chemical processes. He established SET-POINT Inc. in 1977, and today the engineering and computer applications firm has 200 employees and \$18 million in annual sales and has gained international recognition for computerized process control.

He is recognized, said Tech officials, for his entrepreneurial ability, which includes not only developing a successful enterprise but also instilling in the firm's employees the kind of confidence and professionalism that enables them to grow and achieve.

Tidwell is affiliated with the American Institute of Chemical Engineers, Instrument Society of America, Chemical Engineering Product Research Panel and the National Federation of Independent Business.

He lives on the Tidwell Ranch at Bellville, where he raises purebred Santa Gertrudis cattle.

The son of Aree Tidwell of Munday and the late Jack Tidwell, he is married to the former Belinda Coates of Knox City, and the couple has three daughters. Other Munday relatives include a brother, Garon Tidwell.

Area Farm Families Urged To Participate In Heritage Program

Pointing to the importance of recognizing and remembering the pioneer farm and ranch families in Texas, Judge David N. Perdue has invited long-time farming families to participate in the Texas Department of Agriculture's 1987 Family Land Heritage Program.

Registration for the program, which recognizes families who have had land in agricultural production for 100 years or more, is now open and will extend through July 15, Judge Perdue said.

"To date, no properties in Knox County have qualified for the Family Land Heritage Program, and this year I hope we will be able to recognize some of our pioneer families and their farms and ranches," he said. Since the program was established in 1972 to honor pioneering families, 2,090 such families have been recognized.

The basic requirements of the program include continuous agricultural production on the farm or ranch for 100 years, land ownership within the family, complete operation or supervision of the farm/ranch production by family mem-

WATER, SEWER RATES TO INCREASE

Council Considers Budgetary Problems

The City Council of the City of Munday, Texas met in special session Monday, April 20, at Munday City Hall.

Members present were Mayor Doris Dickerson and Aldermen Garon Tidwell, Jessie Tucker and Richard Albus. Gene Brown and Jessie Andrade were absent.

Mayor Dickerson called the meeting to order. The mayor briefed the council on budget problems encountered by himself and City Administrator Hertel in the 1987-88 budget proposed for Council consideration.

After stating that he had considered many alternatives, contacted the Texas Municipal League attorney, McCall, Parkhurst and Horton, and Oscar Mangis, Knox County Appraisal Dist. tax collector, on legality, Mayor Dickerson made a recommendation. He requested a copy of last year's '86-87 budgeted amounts showing actual expenditures and the '87-88 proposed budget figures be passed to each councilman.

After examination and discussion, Mayor Dickerson recommended that some capital items needed in the next two years be paid from a certificate of obligation issue and that water and sewer rates be raised by approximately \$2 a month to cover loss of revenue sharing funds, a partial loss of sales tax, increase in liability, property and other insurance and increased overall operating and repair costs.

The Council examined the proposed budget item by item, discussing various alternatives and capital

items necessary over the next 24 months.

After thorough discussion and legal alternatives recommended by the attorneys were considered, Tidwell moved that the City issue \$70,000 of certificates of obligation to purchase and pay for these capital items needed over the next two years: (1) payment for balance of City Hall and Fire Station parking lot; (2) for needed seal coat of some streets, summer of 1988; (3) for payment of an approximate 6 ft. wide concrete lined ditch to partially solve drainage problems in North Park (probably summer of 1987); (4) for new pickup for water department ('80 Chevrolet pickup to be sold or traded); (5) for new garbage truck ('72 truck in street department to be sold or traded); and garbage truck in use to be transferred to street department.

Certificates of obligation will be issued for five years with no tax increase or division of tax change needed to finance the certificates. Tucker seconded the motion. Voting for were Garon Tidwell, Jessie Tucker and Richard Albus. Motion carried.

The operation portion of the budget was next considered. After review it was apparent that due to previously mentioned factors, additional funds will be necessary to operate. Albus moved that water and sewer rates be increased by \$1.00 each per month for the fiscal 1987-88 year. Tucker seconded the motion. All members voted for.

All actions on the budget aforementioned will be reviewed

and could be subject to amendment at a public hearing from 1-5 p.m. May 7, 1987, and at the regular council meeting at 7 p.m. May 12, 1987.

Next Albus moved that the mayor and city administrator be authorized to sign a short term loan at First National in Munday for \$9,695.17 to make final payment to High Plains Pavers, Inc. for the City Hall and Fire Station parking lots now completed (note will be paid from certificates of obligation when issued). Tucker seconded the motion. Voting for were Richard Albus, Jessie Tucker and Garon Tidwell. Motion carried.

No other business was presented. Tidwell moved to adjourn, Tucker seconded. Meeting adjourned.

Sorghum Producers To Meet May 14

Sorghum producers in the Munday area will meet at 7 p.m. Thursday, May 14, at the Shamrock Cafe in Munday, to discuss their options under the current farm program and compare it to the Market Oriented Production Plan proposed by the National Grain Sorghum Producers Association. A Dutch treat dinner is planned.

The NGSPA plan, based on production goals set at the amount the market will absorb, would maintain exports, reduce government cost on sorghum production by 40% and more than triple the sorghum producer's net cash income. The plan was developed by sorghum leaders from six states who make up the board of the national association.

National Grain Sorghum Producers Association is sponsoring the meeting. Larry E. Smith of Munday, NGSPA district director from Knox County, will be in charge. National GSPA executive staff will be present to review the association's work in export and domestic market development, utilization research and the National Grain Sorghum yield and management contest.

Weather

For seven days ending Monday, April 27, 1987, as compiled by Goodson Sellers, local U.S. weather observer.

WINNERS OF THREE track meets this year and runners-up in two more, the Munday Mogulettes are eager for their next test - the regional track meet in Abilene Friday and Saturday. This team is expected to produce some first place times at both the regional and state competitions. Shown in left row from top to bottom are Mindy Myers, Gwen Stinnett, Esther Escamilla, Eva Campos and Denise Kuehler. In center row are Ann Parker, Lynn Parker and Kathy Wilde; and in right row are Angel Dockins, Alicia Cook, Lisa Steedley, Maria Castillo and Robin Reneau.

Regional Track Meet Kicks Off In Abilene

A large contingent of Munday track participants and fans will converge upon McMurry College's Indian Stadium in Abilene Friday and Saturday, May 1-2, for the regional Class A track and field competition. Several Munday athletes are entered in events in both boys' and girls' divisions, and coaches feel many of these young people will advance to the state competition.

Topping the list of hopefuls are freshman Mindy Myers, who has some of the region's top times in the 800 meter and 1600 meter runs, and junior Anthony Stinnett, who stands to win or place in the 400 meter run and the long jump. Lowell Hutchens is a threat in the discus and shot put, as are John Paul Browning in the high jump, Kathy Wilde in the hurdles and Angel Dockins in the 200 meter dash. In addition, both Munday squads will take highly regarded relay teams.

Friday's schedule begins with boys' and girls' shot put contests at 9:30 a.m. Long jump and pole vault competitions follow. There are no preliminary trials in the field events, so all these contests are finals. Finals of the 3200 meter run, another event in which there will be no prelims, begins at 11:45 a.m. Pre-lims for all other running events are set to begin after lunch Friday.

Saturday morning's lineup starts

with high jump, discus and triple jump finals. Running finals begin at 1:30 p.m. and are set to end around 5. A complete schedule of the events follows.

FRIDAY, MAY 1

FINALS

9:30 a.m. - Shot put, girls then boys.
Long jump - boys then girls
10:30 a.m. - Pole vault, boys
11:45 a.m. - 3200 meter run - girls then boys

PRELIMS

12:30 p.m. - 400 relay - girls & boys
1:00 p.m. - 800 m. run - girls & boys
1:30 p.m. - 100 m. hurdles - girls
1:45 p.m. - 110 m. hurdles - boys
2:00 p.m. - 100 m. dash - girls & boys
2:30 p.m. - 800 m. relay - girls
2:45 p.m. - 400 m. dash, boys & girls
3:15 p.m. - 300 m. hurdles - boys
3:30 p.m. - 200 m. dash - girls & boys
4:00 p.m. - 1600 m. relay - girls & boys

SATURDAY, MAY 2

FINALS

9:30 a.m. - high jump, girls then boys
Discus - boys then girls
10:30 a.m. - Triple jump - girls
1:30 p.m. - 400 m. relay, girls & boys
1:50 p.m. - 800 m. run - girls & boys
2:10 p.m. - 100 m. hurdles - girls
2:15 p.m. - 110 m. hurdles - boys
2:30 p.m. - 100 m. dash - girls & boys
2:50 p.m. - 800 m. relay - girls
3:10 p.m. - 400 m. dash - boys & girls
3:30 p.m. - 300 m. hurdles - boys
3:45 p.m. - 200 m. dash - girls & boys
4:05 p.m. - 1600 m. run - girls & boys
4:25 p.m. - 1600 m. relay - girls & boys

Crime Prevention Program Scheduled

The Knox County Extension program council will sponsor a farm and home protection program at 7:30 p.m. Tuesday, May 5, at the Knights of Columbus hall in Rhineland.

Knox County Sheriff Gene Nix will conduct the program, which covers a wide range of topics on farm and home protection. Some of the areas to be discussed include how to protect equipment from theft, how to protect homes from burglary and how persons can protect themselves and their families from crime. Nix encourages questions from program participants.

Crime is something that can touch us all, so the program council urges everyone to take advantage of this opportunity to help keep crime out of their lives.

Band Boosters To Meet Tuesday

All Munday Band Boosters are encouraged to attend an important meeting at 7 p.m. Tuesday, May 5, in the band hall.

Election of officers to serve during the next school year is the main item on the agenda, and a review of the 1987-88 budget is also planned.

School Transfer Requests Available

Parents who plan to transfer their children into the Munday Independent School District for the 1987-88 school year should obtain transfer forms at the office of the MISD superintendent.

MHS Debaters Advance To State Competition

Munday High School seniors Jay Donoho and Howard McPherson, debating United States agricultural policy, won a 3-0 decision over Eden in the finals of the regional UIL academic meet Saturday to qualify for the state competition. Their debate coach is MHS speech instructor Karen Longan.

The state UIL contest will be held May 8-9 at the University of Texas in Austin. Jay and Howard, who

topped a field of 17 teams, are the first cross-examination debaters from Munday to advance to the state level since 1969. They will engage in a practice debate with teams from Archer City, first, second and third place winners in their region, later this week.

Also competing in the regional UIL meet were Kent Sanders in Lincoln-Douglas debate, Corey Moore and Chad Bordovsky in number sense, Alexis Bordovsky in ready writing, Douglas Schumacher in accounting and Mindy Myers in editorial writing. Highest placings for these students were Schumacher's 10th and Moore's 12th. Sanders won two of his three debate rounds.

A total of 85 schools were represented in the contest, which was held Saturday at McMurry College in Abilene. The Munday students were accompanied by Mr. and Mrs. Doug Donoho.

IT'S NEXT TO IMPOSSIBLE to make these two sit down and be still long enough to take their picture, and a photographer might as well forget about asking them to be serious! But Howard McPherson, left, and Jay Donoho do have their thoughtful moments, such as researching the debate strategies that helped them win the regional UIL academic meet last Saturday. The sons of Mrs. Jim Edwards of Mineral Wells and Mr. and Mrs. Doug Donoho of Munday, they will compete in the state cross-examination debate contest at UT in Austin on May 8-9.

DIRECTORS AND MANAGER of the Rhineland Co-op Gin are shown above at the annual stockholders' meeting and supper held Monday night. From left are manager Gary Wilde, board president Gerard Kuehler, vice-president Alfred Kuehler, secretary Leo Koenig and director Robert Elliott. Another director, Randy Jones, and Koenig were re-elected for another term on the board.

Rhineland Gin Audit Is Read At Annual Meeting

Stockholders, directors and management of the Rhineland Co-op Gin heard the yearly audit at the annual meeting held Monday night at the Knights of Columbus Hall in Rhineland. Dairyland Catering served a meal of barbecue, beans, potato salad and the trimmings.

Julius Pennartz said the invocation. Board secretary Leo Koenig read the minutes from the 1986 stockholders' meeting. Koenig and Randy Jones were re-elected to the board of directors. Robert Elliott is also a director, and officers are Gerard Kuehler, president; Alfred Kuehler, vice-president; and Koenig, secretary. Gary Wilde is gin manager, and Terri Brown is secretary and bookkeeper.

Seymour CPA James Castagna gave the yearly audit report, noting

that 6,472 bales of cotton were ginned during the past cotton season. The gin's balance sheet shows total assets and liabilities in excess of \$670,000, with an income of over \$478,000 for the fiscal year ending March 31, 1987, and expenses of almost \$396,000. Stockholders were paid good dividends, the auditor said, even though the 1986-87 cotton season was generally a bad one for area producers.

Door prizes for the event were donated by the gin and by Munday Cotton Company, Chris and Kenny Brown, First National Bank of Munday and Zeissel Brothers Fertilizer and Seed.

Munday Garden Club Plans Final Meeting

Members of the Munday Garden Club are urged to attend the final meeting of the 1986-87 club year, which is set for 12 noon on Tuesday, May 5, at the home of Mrs. Kenneth Baker. A covered dish luncheon will be served.

After the business session, the club will tour the greenhouse operation of Jim Dillon on the Knox City Highway.

Services Pending For Lone Star Gas Worker

Richard Arlen Christopher, 49, of Vernon, a Lone Star Gas Company service technician for the Munday area, died Tuesday morning at Bethania Regional Health Care Center in Wichita Falls after a year-long illness.

Services were pending at Sullivan Funeral Home in Vernon.

ON THE ROAD TO WEIGHT LOSS

Dieting can be compared to taking a long trip by car. Your destination or goal is weight loss. And your eating plan is like a road map used to get to your destination of a desirable weight.

In both cases, you're in the driver's seat. And just as there's no one best route for all drivers, there's no one best guide for a reducing diet. Your route to a lower weight should take into account your lifestyle, schedule, budget and safeguards for your health.

Most people first think of calories as being all-important in a weight reduction program. But food is more than calories. It furnishes all the essential nutrients we need for good health. A reducing diet should supply the proper balance of nutrients through a wide variety of wholesome foods at a controlled level of calorie intake.

Diets can be standardized, but people can't. Choose a guide you can live with and change it to fit your needs. Your diet, just like your trip, may require a few stops or detours along the way.

Nutritionists advise against reducing calories below 1,600 a day for men and 1,200 calories a day for women. Most people can lose 1 to 2 pounds per week at that level.

It isn't necessary to limit yourself to two or three special foods. A variety of foods is much wiser, no matter what's on your eating guide. A trip with several changes of scenery seems shorter and more pleasant. Likewise, you'll find a variety of foods will make it easier and more enjoyable to stick with the diet.

Most weight loss plans also recommend physical activity or exercise to burn extra calories. You may want to join a structured fitness program or increase activity in small ways during your daily routine.

Before setting out on your trip -- especially if it involves a vigorous exercise program, or if you have a special physical condition -- get a check up and discuss your diet plans with your doctor.

THE APRON REVIVAL
When was the last time Mom wore an apron? If you were not born during the 1950's, chances are you have never seen her in one. That could change. Nostalgia has brought the apron back into fashion and designed to be used. They are comfortable, loose-fitting and save clothes from splatters and spills while cooking.

Band, Cheerleading Personnel Selected

Cheerleaders and band personnel have been chosen for Munday Junior High and high school for the 1987-88 school year. Tryouts for the positions were held last week.

Serving as varsity cheerleaders next year will be Annette LeFevre, senior daughter of Steve and Patsy LeFevre, Lynn Parker, junior daughter of Doug and Frances Parker, Denise Kuehler, junior daughter of Alfred and Betty Kuehler, Robin Reneau, sophomore daughter of John and Jean Reneau, Youlanda Wright, sophomore daughter of Charlie and Dorothy Cooks, and Mindy Myers, sophomore daughter of Billie Jake and Dot Myers.

The girls' grade classification refers to the grade they will be in next year. Annette, Lynn and Denise were cheerleaders this year for the varsity squad, and Mindy and Robin were JV cheerleaders.

Incoming freshmen who will serve as junior varsity cheerleaders and their parents are April and Angie Offutt, Dan and Becky Offutt; Christy Williams, Bill and Maurine Williams; Kacy Longan, Bill and Karen Longan; and Jae-Jae Reneau, John and Jean Reneau.

Chosen as junior high cheerleaders were eighth graders Missy Reneau, daughter of John and Jean Reneau, and Bridgett Beaty, daughter of Allen and Nancy Beaty; and seventh graders Kim LeFevre, daughter of Steve and Patsy LeFevre, and Sherri Wilde, daughter of John Lee Wilde and Janice Wilde.

The Purple Cloud band will be under the field direction of junior Angie Partridge, daughter of Wendel and Leona Partridge. Assistant drum major is Ann Parker, daughter of Doug and Frances Parker. Varsity twirlers will be sophomore Alicia Cook, daughter of Johnnie and Stacia Cook, and senior Christi Nelson, daughter of John Lee and Pam Nelson.

Debbie Cypert, an incoming junior and the daughter of Melvir and Nancy Cypert, will serve as flag captain. Others in the flag corps will be Holly Jackson, junior daughter of Mickey and Linda Beth Jackson, Lisa Steedly, sophomore daughter of Sherry Reynolds, Shawna Simpson, sophomore daughter of Janice Merrell, and Natalie and Neomi Hernandez, senior and sophomore daughters of Pedro and Francisca Hernandez.

Junior varsity twirlers, a new group next year, are Jenni Bowman, sophomore daughter of Don and Shirley Bowman, Dixie Reid, freshman daughter of Jim and Marilyn Reid, and Ann Parker.

The junior high band will be led by drum major Sheila Morgan, daughter of Melton and Kathy Morgan, who will be a seventh grade student next year. Junior high twirlers will be eighth graders Misty Zeissel, daughter of Wayne and Barbara Zeissel, Tonya Kuehler, daughter of Beverly McGaughey and Greg Kuehler; and seventh graders Brandy Branam, daughter of Jerry and Vickie Branam, and Kammi Haynie, daughter of Don Haynie and Nancy Tolleson.

Munday School Lunchroom Menu

May 4-8, 1987
BREAKFAST

- Monday - Cereal, juice, milk.
 - Tuesday - Cinnamon toast, juice, milk.
 - Wednesday - Sausage, toast and jelly, juice, milk.
 - Thursday - Doughnuts, juice, milk.
 - Friday - Cereal, juice, milk.
- LUNCH**
- Monday - Steak fingers, mashed potatoes, lettuce, hot rolls, fruit, milk.
 - Tuesday - Pizza, pinto beans, cole slaw, peanut butter cookies, milk.
 - Wednesday - Spaghetti and meat, green beans, carrot sticks, cobbler, batter bread, milk.
 - Thursday - Tacos, salad, corn, Rice Krispie cookies, milk.
 - Friday - Cheeseburger with trimmings, potatoes, fruit, milk.

FRED JOHNSON

Gospel Performance Planned Saturday At Believers Chapel

Fred Johnson, a former soloist with the Jimmy Swaggert television crusade team, will present an example of his ministry at 7:30 p.m. Saturday, May 2, at the Believers' Chapel located two miles west of Munday on the Knox City highway.

Known as the "soul of gospel music" Johnson was born in Birmingham, Alabama. After serving in the medical field of the U.S. Army, he worked with troubled or imprisoned youth in the John G. Richards program in Columbia, S.C. and joined the Jimmy Swaggert Ministries in 1979. He began his own ministry in 1981. Johnson has traveled worldwide and has ministered on the PTL, Christian Broadcasting Network and other radio and television programs. He is featured on five albums, and more recordings are planned in the near future.

There is no charge for his presentation, and Rev. Jack McFarland, Believers' Chapel pastor, extends an invitation to the public to attend this special musical worship service.

Field Day, Wheat Tour Are Scheduled

The Texas A&M University Vegetable Research Station in Munday and the Knox County Extension program council crops committee will sponsor a wheat field day and tour beginning at 8 a.m. Monday, May 4, at the research station located at the east edge of Munday on Highway 277.

The first item on the day's agenda is a tour of several research plots around the station. Included are studies on vegetables as an alternate crop, reduced till with wheat and fertilizing cotton stalk wheat. Participants will then move off the station property to view result demonstrations on irrigated wheat varieties, wheat forage production and dryland wheat varieties. Wheat diseases, the effect of the recent freeze on the crop and wheat insects will be discussed at several of the stops.

Texas Agricultural Experiment Station scientists and Texas Agricultural Extension Service specialists will be at each stop to give brief programs. All area producers are encouraged to attend the field day.

SALUTE TO THE BEEF PRODUCERS

To this thriving industry, which in turn helps our community to prosper, we say, "thanks." The beef producers of our area offer an important contribution to the economy and nutrition of our nation, and help local businesses generate more business. We greatly appreciate their efforts and hard work and are proud to show it. During Beef Month and throughout the year, we're happy to be of financial service to local beef farmers and their families.

CREAM OF THE CROP: The Mogulette sprint relay team practicing this week for the regional meet has quite a record going into the upper level of competition - the girls haven't been defeated at a meet this year. With a district-winning time of just more than 50 seconds, these girls are hoping for two more important trophies to conclude their season. From left are sprinters Angel Dockins, Mindy Myers, Alicia Cook and Gwen Stinnett.

Honor Roll Announced For Fifth Six Weeks

Sixty-four Munday students in grades seven through twelve were listed on fifth six weeks honor rolls released this week by secondary principal Doug Donoho. The eighth grade class led the way with 16 students qualifying for the honor roll, followed by the sophomore and senior classes, with 12 each. Students on the honor rolls are listed below.

A Honor Roll
 Seventh grade - Missy Reneau, Bridgett Beaty, Tonya Kuehler, Kathy Welch, Chris Scott.
 Eighth grade - Jason Brown, April Offutt, Brett Bruce, Angie Offutt.

Freshmen - Jenni Bowman.
 Sophomores - Denise Kuehler, Holly Jackson, Lynn Parker, Angie Partridge, Kent Sanders.

Juniors - Corey Moore, Alexis Bordovsky.
Seniors - Howard McPherson, Jay Donoho, Christy Morgan.

B Honor Roll
 Seventh grade - Darren Williams, Cynthia Fernandez, Kent Latham, Susan Whittemore, Misti Zeissel.

Eighth grade - Marty Navarette, Mark Smith, David Wilde, Kacy Longan, Beatrice Sepeda, Chris Burnett, Dixie Reid, Tony Hunter, Jayson Morgan, Christy Williams, Tessa Kiser, Jae-Jae Reneau.

Freshmen - Christy Wilde, Ann Parker, Kathy Wilde, Robin Reneau, Mindy Myers.

Sophomores - Debbie Cypert, Donald Edrington, Lowell Hutchens, Scotty Hutchens, Rita Ramos, Michael Waggoner, Kyle McAfee.

Juniors - Glen Reid, Annette LeFevre, Sam Hunter, Christi Nelson, Russell Reddell, Deborah Brown.

Seniors - Douglas Schumacher, Chris Baker, David Hertel, Jeff Bruce, Karen Munoz, Leann Oustad, Pete Alcalá Jr., Karen Kuehler, Cornelius Jones.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Recent visitors in the home of Mr. and Mrs. J. Winston Feemster were her nephews, Justin and Jason Overcash of Woodson. The boys, who are the 10-year-old twin sons of Mr. and Mrs. Jimmy Overcash of Woodson, spent a week in the Feemster home. Monday, Robbie visited Mrs. Lona Feemster in the Brazos Valley Nursing Home in Knox City.

Mr. and Mrs. Ernest Beck Jr. visited an aunt, Mrs. Ruth Hickey and son, Charles, in Royalty, Texas on Sunday.

Bryan Busby and a friend, Jeff Conner of Benjamin, spent a week with Bryan's grandparents, Mr. and Mrs. Chuck Townsend, in Ruidoso, N.M., recently.

Visiting in the home of Mr. and Mrs. Harold Beck during the Easter weekend were Mrs. Brenda Hawley, Brandon and Becky of Austin, Donald Roberson and Debrah Beck of Denton, Mr. and Mrs. Kent Beck, Josh, Elizabeth, Adam and Jace of Duncan, Oklahoma, and Mrs. Carol Brooks and son, Wade of Seymour.

Mr. and Mrs. Jim Coulston, Michelle and Jonathan, of Sanger were Easter weekend visitors of their parents, the Ferman Dows and the Carl Coulstons. Also visiting in the Dowd home was another daughter, Mr. and Mrs. Mike Bryan and Michael of Wichita Falls.

Mr. and Mrs. Clyde Beck visited their son, Mr. and Mrs. Russell Beck and family in Enid, Okla. Easter Sunday. Enroute home they stopped for a visit with their daughter, the Edward Marek family in Wichita Falls.

Mr. and Mrs. Olen Coffman were recent visitors in the home of her brother, Mr. and Mrs. Clement Wirz, in Seymour and helped Clement celebrate his 80th birthday.

The annual Mother's Day program will be presented at the Vera Community Center Saturday morning, May 2, beginning at 10:30 a.m. Special entertainment will feature a clogging group from Wichita Falls. Refreshments will be served. All the ladies of the Vera community and surrounding communities are cordially invited to attend this special occasion.

Mr. and Mrs. J. Winston Feemster were recent visitors of her

mother, Mrs. Edna Sullivan in Woodson and helped celebrate her 88th birthday.

Mr. and Mrs. Robert Coffman and boys of Goree and Jud Lane of Archer City were Easter visitors in the Olen Coffman home.

Mr. and Mrs. Royce Young of Plano visited her mother, Mrs. Sabra Rice, and Mr. and Mrs. Jerrell Trainham Friday and Saturday of Easter weekend.

Troy Caldwell of Houston visited his sister, Mr. and Mrs. Ferman Dowd, Tuesday through Thursday.

Mrs. Barbara Coulston and Aimee and Tom Crawford of Odessa spent the Easter holiday weekend with her parents, Mr. and Mrs. W.J. Townsend and Mr. and Mrs. Billy Kinnibrugh and family.

Billy Jack Nichols of Dallas and Mrs. Ludie Mae Nichols and daughter, Diane Helstowski, and little son, Christopher, of Roswell, N.M., were holiday guests of Mrs. Ola Mae Nichols and Lori. Visitors in the Nichols home this weekend were Mrs. Cloris Reeves of Clay and Mrs. Beatrice Struck of Seagoville.

Mr. and Mrs. James McGaughey have received word that their grandson, James B. McGaughey, and his family will be moving to College Station following his graduation, from recruiter school at Camp Pendleton in California. James is the son of Jimmy McGaughey of Seymour. Visiting during the weekend with James and Audra was their daughter, Mr. and Mrs. Herman Dentler of San Antonio.

Mrs. Harold Beck, accompanied by Mrs. Nelda Faye Railsback and Mrs. Peggy McGaughey of Knox City, were in Floydada Sunday where they attended a bridal shower for Christi Norrell, bride-elect of the ladies' nephew, Walker Brooks of Floydada.

Mrs. Keith Beck and two children visited Judy's parents, Mr. and Mrs. Billy Daniel, in Crowell Friday.

DRINKING DRIVING DEATH
 A Combination we CAN'T LIVE WITH!

40-Year-Old Series E Bonds No Longer Earning Interest

Individuals who are still holding Series E U.S. Savings Bonds issued 40 years ago need to take action promptly, according to the U.S. Treasury Department. People who purchased Series E Savings Bonds in 1947 have two options this year; cash them in and declare the interest on the 1987 federal income tax return or exchange the Series E for Series HH and defer taxes for another ten years.

An example of the importance of taking action on older E Bonds is a \$1,000 face value bond purchased in January 1947 for \$750, which stopped earning interest in January 1987 after accruing a total net value of \$4,935.20. The bond holder would subtract the purchase price from the current net value to determine the amount of accumulated interest, which, in this example, would be \$4,185.20. The accumulated interest must be declared on the individual's 1987 federal tax return as interest income.

The other option is to roll over the Series E into a Series HH Bond. Series E holders have twelve months from the date of a bond's maturity to roll it over. A roll-over into Series HH defers federal income tax on the interest for ten more years.

Individuals holding bonds that are more than 40 years old face a more complicated tax situation. Since the interest on mature bonds must be declared as income, bond holders who have not yet cashed in a

bond bought before 1947 may have to file an amended income tax return and may experience a penalty. To help prevent this situation from occurring, the Treasury Department is trying to alert consumers to the need to watch the maturity dates of their older Savings Bonds.

A small percentage of E Bond holders keep them for sentimental reasons even after they have stopped earning interest. Other people simply forget to cash in their mature bonds and leave them stashed away in bank safety deposit boxes or other places. The government held approximately \$1.45 billion in non-interest-bearing savings bonds on December 31, 1986. Of that total, an estimated \$520 million is still outstanding on bonds issued in 1947 alone.

Questions regarding older U.S. Savings Bonds may be directed to any local commercial bank or the Dallas Federal Reserve Bank at 214-651-6111.

★ Weinert News ★

By Mrs. Myrtle Phemister

Weinert has experienced much activity this week, as the land has dried and the farmers are busy in the fields and this beautiful weather coaxed many "house-bodies" outside to yards, gardens, fishing, etc.

Floyd and Helen Stout is on an extended fishing trip and will spend several days at several lakes before returning home. But Toby Yates, D.I. White and others only spend a few hours at a time at the lake fishing!

Our 13 seniors had a busy week as they sold tickets and prepared the lunch for the community on Sunday. They served a delicious dinner to some 120 people, and it added a bit to their fund for the senior trip they are planning. Mr. and Mrs. Mark Coffman are the class sponsors.

The Weinert community enjoyed eating together two nights this week at the Weinert Cafe, as Melanie and Bob Wood opened their cafe for night service on Monday and Thursday nights. They hope to continue this service and we all hope they will. Thursday night is fish night.

Erma Liles, with Mr. and Mrs. Paris Barton of Haskell, celebrated her birthday with a drive to Brownwood to view the wild flowers so lovely at this time of year. The blue-bonnets and Indian paint brush have an "art show" no one can rival.

Erma is looking forward to a visit from one of her college friends, Mr. and Mrs. Ralph Bagwell of Claude, who will spend Thursday and Friday in Weinert.

Thelma Edwards and her granddaughter, Kelly, were pleased to have Kelly's parents, Anita and Ronnie Watkins, and her brother, Shanon, all of Ft. Worth, who came to spend several days here. Other guests were Betty and Larry Long and daughter, Andrea of Garland.

Mr. and Mrs. Raymond Mathison entertained their daughter, Sandra Nicholson, and grandson, Walker T., recently when they came out from Houston to spend several days with family and friends in Weinert. They spent a lot of time out at the

farm, where they grilled steaks, played games and enjoyed the peace and quiet of country life.

Others who came from Houston with Sandra were Margaret Sanchez, Mr. and Mrs. Pete Waters and son Stevie, and Don McIntire. Steve was heard to remark there are more people in his high school (grades 10, 11 and 12) than there are in the whole city of Haskell. (You can take souvenirs, but peace and quiet cannot be carried in a suitcase. Poor Houstonites!)

Mrs. Rene Vojkufka, Mrs. Jeanie Stout, Mrs. Shirley Hudgens and Mrs. Melvin Vojkufka represented their church at the annual Ladies Spring Conference of United Four-square Women held at the Whispering Oaks Christian Camp in Buffalo Gap this past weekend. Over 400 women attended the three-day conference, entitled "Abounding in Love." There were many classes and seminars presented, and Mrs. Naomi Beard of Van Nuys, California, was the featured speaker for the event.

Mrs. J.E. Jetton and Mrs. Marvin Phemister joined a group of ladies from the Haskell Church of Christ who attended the ladies day retreat hosted by the Hamlin Church of Christ April 25.

Dr. Marilyn Lewis, a professor at Abilene Christian University, was the featured speaker at the program entitled "Lights on a Stormy Sea". Her subject was "Feeling Good about being a Christian Woman."

Mr. and Mrs. Donald Crump were in Abilene on Monday for shopping, dinner and theatre to celebrate Debbie's birthday.

Our congratulations go to Donna Castorena, Francis Mahan, Monica Estrada, Ezekiel Estrada, and Gilbert Jimenez, Jr., who celebrate birthdays this week, and to Floyd and Helen Stout who will celebrate a wedding anniversary.

There will be several students who will take part in the District UIL meet to be held in Benjamin on Thursday, April 30. We'll keep our fingers crossed as you compete, children. Good Luck!

May 9 will soon be here, as our Pep Squad works feverishly to get ready for their Arts and Crafts show to be held at the school gym. The time will be 9 a.m. to 5 p.m. and crafts for sale will include wooden cut-outs, collars, quilts, photographs, silk plants, jewelry and many other items.

There will be a bake sale and lunch will also be available, so plan to come and share with us the fun of this special day.

Cheerleaders for '87-88 include Tina Herricks, Nancy Estrada, Molly Estrada, and Monica Estrada. See you there!

We welcome Mr. and Mrs. W.C. Davis and son Ron, our newest residents, who are moving here from Springfield, Oregon. W.C. is the son of Mrs. Elna Davis, and is a

HOT WORK ON A HOT DAY: Munday volunteer firemen responded to a call in east Munday early this week when a grass fire jumped the railroad track and ignited a small storage building, filling the air with smoke. The fire threatened a potato digger, but the firemen were able to put it out before it did much damage. Although the traditionally dry summer weather hasn't arrived yet, residents need to be aware of the dangers of starting fires outside or throwing matches or cigarettes out of car windows.

graduate of Weinert High School and a retired Army veteran. W.C. and Patsy have four children, Todd, Kimberly, Jamie and Ronald, but Ronald is the only child still at home. Welcome home!

Mr. and Mrs. Jerry Walker and Barry joined with others to attend the annual Walker reunion which was hosted this year in the home of Mrs. Flossie Hester of Haskell.

Ima Stewart and Rene Vojkufka attended a quilting bee held in Jova Caddell's home recently.

Helen Boykin was in Hamlin Sunday for an Alanon retreat there.

Our sympathy is extended to Pearl Alexander and Florence Alexander, whose nephew, Quincy Lefevre of Dallas, grandson of Alice Andress of Haskell, was interred Saturday after an extended illness.

Clyde Mayfield has joined our list of sick friends, as he recuperates from a recent hospital stay.

Bud and Mildred Offutt were in Wichita Falls to visit their son and family, Mr. and Mrs. Wayne Offutt, Marty, Tammy and Cindy. Marty returned to Weinert with them and spent some time on the farm, and with his mother's parents, Eddie and Myrnie Sanders.

Mr. and Mrs. Bob Pearce had over 42 of their family and friends at a recent gathering held in their home. Of their six children, only Dorothy and Bill Jetton's family of Brownwood were unable to be present. Those who came included Mary Nell Coltharp's family of Seymour, Patsy Shawver's family of Holliday, Delores Stewart's family of Munday, Roberta Jenkins' family of Haskell, and Bobby Raynes family of Weinert.

The Weinert Church of Christ held the worship services for the residents of the Nursing Center in Munday on Sunday, April 26.

Visitors at the morning service at the Church of Christ were Keith Jones of Bowie and his fiancée of Big Spring, nephew of Mrs. D.I. White, in whose home they spent the weekend. D.I. and Mattie were in Ft. Worth for the Easter holiday and spent time with Jimmy and Sue Hackney, Todd and Tolane.

The Weinert Baptist Church hosted the Haskell-Knox Association of WMU, Pastor Appreciation and Praise and Worship combined meetings on Monday, April 27. The

County Receives Drink Tax Rebate

Knox County received \$120.41 as its 12.5 percent tax remittance from mixed drinks sold here in the first quarter of 1987. The county's total tax revenue was \$963.29.

State Comptroller Bob Bullock said the state collected \$45.5 million in mixed drink taxes in the first quarter, compared to \$48.9 million collected during the same period in 1986. The first quarter of 1987 was the second full quarter since the minimum drinking age was raised from 19 to 21.

The mixed drink tax is collected by the Alcoholic Beverage Commission and city-county rebates are sent out quarterly by Bullock's office.

HEADED FOR REGIONAL: The Munday Mogul track team, district champions for the third consecutive year, are anticipating another good day at the regional meet set this Friday and Saturday at McMurry Indian Stadium in Abilene. Pictured above are, clockwise from bottom left, Anthony Stinnett, John Paul Browning, Richard Toliver, Chris Baker, Trey Thompson, Massey Campos, Curtis Taylor, Lowell Hutchens, Jeff Bruce, David Hertel and James Gass. Not shown is Ernest Escamilla.

Local Track Talent Ready For Regional Competition

Two teams of tired Munday thinclads ran in regional qualifiers' meets last weekend in Wall and Breckenridge, and coaches are encouraged about their performances.

John Paul Browning and Anthony Stinnett brought home first place medals from the qualifiers' meet in Breckenridge. Browning jumped 6'6", a mark he hopes to surpass at regional, and Anthony Stinnett long jumped 21'6" in his event. Lowell Hutchens placed third in the shot put with a throw of 48'2" and tossed the discus 132' for fifth place.

Running times were slower than those at the district meet, but Coach Ron Steele said that is to be expected. "We really worked them hard last week. I doubt that any team there had worked as hard as our kids did, and they were tired. Also, nobody gets very excited about a practice meet. There's no motivation. This week we will work on just getting them ready, focusing on strides and handoffs, and they should be fresh and in good shape for Abilene."

Girls' coach Gina Farmer shared these feelings. "We didn't have an exceptional performance, but there were definitely some bright spots. The mile relay team brought its time down to 4:18 with Alicia Cook running a 62-second split. Mindy had good times, 2:22.18 in the 800 and 5:27.26 in the mile, and Robin ran the two-mile in 13:03, which is not bad for a practice meet. We think she has a good

chance to place high at regional. Kathy Wilde did well in the hurdles, placing fourth with a time of 15.7.

"We were going up against some very talented athletes from larger schools, and I don't see any other Class A team in the region having a better team than we do. Barring any mishaps, I think the girls will represent Munday very well."

The Mogulettes' stiffest competition in several events is expected to come from Knox County rival Knox City, winners of the district meet just ahead of Munday. In the boys' division, Coach Steele said Irion County has a good team. Five Munday relay teams will compete, and some wins from these groups should put both Moguls and Mogulettes in a good position for team championships.

Gymnasts Qualify For State Meet

Three Munday gymnasts and one from Anson placed at an advanced gymnasts' qualifiers meet held Saturday, April 25, at Andrews.

Gymdandeez participating in the meet were Lynn Parker, who finished second, Lori Pittard of Anson, third, Ann Parker, fourth, and Lorin Clem, fifth. All the girls will compete in the state contest set for June 6 in Andrews.

TAKE PRIDE IN YOUR YARD!

Dandelions are perennial weeds. Unless destroyed, a dandelion will return season after season, sprouting from the same root over and over again. Each dandelion produces hundreds of seeds annually which lead to future generations of dandelions for you AND your neighbors.

Phone Company Deregulation To Affect Rural Subscribers

(Editor's Note: The following article was written and sent to us by Carol M. Barger, director of the Consumers Union, a national non-profit organization with Southwest regional offices in Austin.)

Barger says one of the biggest consumer issues pending before the state Legislature this session is the deregulation of local telephone companies, and believes consumers should be made aware of the implications of this proposed legislation. The article is interesting reading, and sounds a little too close to the truth for comfort. Maybe it's time for rural Texans to write their congressman - again!

Behind the implementation of every public policy there is both a public reason and a real reason. Such a policy question is now before our Legislature. Should Texas allow local telephone companies to escape the minimal regulation now exercised by the Public Utility Commission? Supporters of this move say it will bring rural and small town Texas "into the information age" and promote "economic development" for the state. That's the public reason. The real reason is that it will line the pockets of the state's local telephone utilities, at the expense of the captive local residential ratepayer. Specifically, this means rural Texans.

Senate Bill 444 sponsored by Senator Ray Farabee (D-Wichita Falls), and its House companion bill, HB 825, sponsored by Representative

David Cain (D-Dallas), will make drastic changes in the regulation of local telephone service in Texas. The major impact of the bill will be to increase local phone rates by weakening regulation and increasing the opportunity for the companies to use captive customers as the "cash cow" for new ventures.

The fact is the bill's supporters are engaging in a classic case of doubletalk--telling the public this bill will most benefit just those groups who will be the most hurt. Rural Texas will not be brought into the information age, but left in the information backwaters; local phone rates will rise, as service further declines.

An Illinois Bell official was recently quoted in the *Wall Street Journal* as saying deregulation "can't work unless residential prices go up." We find it hard to believe officials at Southwestern Bell or GTE think any differently. Besides, the Bell official is right--local rates will go up. Bell and GTE want to "compete" by introducing "new competitive" services at below cost. The lost revenue will be made up by the captive residential ratepayer. The PUC (despite all the additional staff it will have to employ) will be at a disadvantage when trying to determine the actual costs of service. This bill does not mandate that rates for competitive offerings actually reflect costs. Thus services deemed "competitive" could be priced below actual cost to drive out competition, while noncompetitive local service is priced far above cost to make up the difference.

Rural Texans will lose out under the proposed "streamlining process" for small telephone utilities as well. Currently the state's smallest telephone utilities say it is difficult to raise rates because the cost of a hearing before the PUC is more than the rate request itself. We understand this is a legitimate concern. However, while the proposed legislation "streamlines" the process for utilities, it takes away the rights of subscribers. Under this proposal any single component of service -- installation, access, message rate, etc. -- could be increased 25% without any review by the PUC. Only if at least 5% of the

affected subscribers file complaints -- according to an undefined process and within 60 days -- must the PUC hold a hearing. Why should the burden fall so heavily on the rate-payers?

The PUC's decision-making process will also be dismantled. There would be at least seven distinct types of rate hearings, while at the same time the period of hearing evidence and making decisions is cut almost in half. The PUC will have to juggle hearings and rule on complex issues, but never get to see the overall picture of the phone companies' costs and earnings.

When AT&T was broken up in 1984, they told us divestiture would benefit consumers. That was the public reason. Since divestiture Southwestern Bell has made money hand-over-fist while consumers have complained the quality of phone service has declined and the price has gone up. Profits were the real reason for divestiture. Consumers may have been blind-sided by divestiture. But we see the real reason behind further loosening of regulation - and it is not for the public good.

Area Parental Advisory Group Meetings Set

Area schools will conduct parental advisory committee meetings for special programs during the next several days. Agendas will include evaluation of each program and elections of members to serve for the 1987-88 school year. All parents of students in special programs and elected committee members are invited to attend.

Meetings have been set for Thursday, April 30, at the Weinert school cafeteria; noon Tuesday, May 5, at the Knox City-O'Brien homemaking department; 2:45 p.m. Tuesday, May 5, at the Goree homemaking department; and noon Wednesday, May 6, at the Benjamin school cafeteria.

★ FARM AND RANCH REPORT ★

David Tunmire, County Agent

MAY 25

UNIFORM PLANTING DATE
Heavier boll weevil infestation levels are expected in 1987 than in 1986. Last year some producers spent \$36 to \$96 per acre to control boll weevils and bollworms. In most cases the first insecticide application was made to control boll weevils. The infestation level of 1986 was comparable to those of the late 1960's or early 70's. Since that time most Knox County producers have been able to produce cotton with only limited insecticide use.

The past two winters have been very mild and these conditions made it possible for large numbers of diapausing boll weevils to overwinter. The abundant moisture last September and October produced an abundance of squares and small bolls on which a very high level of overwintering boll weevils developed. Temperatures this past winter were not low enough to significantly reduce this population. Wet conditions during the winter helped insulate the adult overwintering boll weevils which were beneath broad-leaf litter and other debris.

Boll weevil pheromone traps will be used through mid-June to indicate the size of the overwintered population. Highest numbers of weevils can be expected to emerge from May 25 to June 12. Overwintered boll weevils can live about 10 to 21 days after emerging. Therefore those weevils that emerge the last two weeks of June are most likely to be able to survive to deposit eggs in squares 1/3 grown or larger.

Cotton will not produce 1/3 grown squares which are 1/4 inch in diameter until 35 to 42 days after emergence. With a planting date of May 25, it will be the first week of July before 1/3 grown squares will be

produced. By that time the majority of the overwintered weevils will have died. Only the late emerging female weevils will be able to deposit their eggs but because of the very heavy boll weevil population, fields should be inspected closely as the cotton begins to square.
A uniform planting date of May

25 or later will greatly reduce the need for boll weevil insecticidal control and allow beneficial insect and spider populations to remain in the field to help protect the cotton from bollworm attack.

Mr. and Mrs. Robert Gaines of Abilene, Mr. and Mrs. Gordon Gaines and Julie of Odessa and Mrs. Maggie Gaines spent the weekend in Lubbock visiting Mr. and Mrs. Gerald Gaines and family.

Engagement Announcement

Mrs. C.C. Fielden of Sherman has announced the engagement of her daughter, Mary Fay Stunkard, to Jimmie Joe Jetton, son of Dave Jetton of Munday.

The bride-to-be is a 1961 graduate of Sherman High School and the Air-Age Institute in Kansas City, Mo., Rutherford Business School in Dallas and attended Eastfield College. She is employed by First State and Savings Bank in Mesquite.

The prospective bridegroom is a 1961 graduate of Goree High School. He attended Eastfield College and is a member of the U.S. Naval Reserve. He is employed by Texas Instruments Inc. in Dallas and is a licensed master and journeyman plumber with the State of Texas.

The wedding is set for May 9 at Quietwood Baptist Church in Dallas.

HOSPITAL NOTES

Dewitt Green underwent surgery in the Seymour Hospital on Tuesday.

Mrs. Carlene Harlan is a patient in the Seymour Hospital.

Gaylon Hord is convalescing at home after undergoing surgery at Presbyterian Hospital in Dallas.

Eldon McSwain is in Dallas this week for medical treatment.

Mrs. Doris Lane was in Wichita Falls on Friday for medical treatment.

Mrs. Peggy Hosea is convalescing at home after undergoing surgery in Wichita Falls last week.

Charles Atkinson has been in Dallas for his medical check-up.

Charles Grisham underwent an appendectomy at the Haskell hospital. He is reported to be recovering nicely.

FAMILY GET-TOGETHER

Visiting Mr. and Mrs. Jay C. Elliott during the weekend and enjoying a family get-together were Mrs. Elliott's brother and wife, Mr. and Mrs. Robert Hammock of Hereford, her sister, Mrs. Ann Auburg of Midland, and Mrs. Maye Bennett from Marietta, Georgia. Also visiting were their sons, Mr. and Mrs. Mike Elliott of Seymour and Mr. and Mrs. Freddie Elliott and boys of Goree.

VISITORS

Mr. and Mrs. Jimmy Stovall of Midland spent last weekend with her mother, Mrs. Ruth Coffman.

Mrs. Pauline Beecher accompanied her granddaughter, Gina Harris, to the regional UIL competition at McMurry College on Saturday. Gina was entered in ready writing.

Mrs. Tonya Tolleson, Cody and Amber, of Iowa Park, spent the weekend visiting her grandparents, Mr. and Mrs. Roy Mayo. Cody recently won first place in the state at a pageant in Wichita Falls and will go to Nashville, Tenn. to enter the national pageant.

Visiting Mr. and Mrs. Taylor Allen on Sunday was her brother, Tuck Blankenship of Paducah.

Mr. and Mrs. LeRoy Brooks of Lake Kickapoo visited Mr. and Mrs. Jack Beaty last Thursday.

Scott Cunningham of Lubbock spent the weekend visiting his parents, Mr. and Mrs. W.D. Cunningham. Scott visited his grandparents, Mr. and Mrs. Billy Moore, on Saturday.

Mrs. Donna Cooper and Desiree of Bowie is spending this week with her grandmother, Mrs. Etta Mae Frazier. Don Frazier of Bowie brought his daughter and granddaughter to his mother's on Sunday and visited her.

Mr. and Mrs. Lloyd King and Eddie visited her sister, Mrs. Neva Claburn, in Anson last Thursday. Lloyd went on to Abilene to see an eye specialist.

Visiting Mrs. Winnie Lambeth during the weekend were her granddaughter and family, Mr. and Mrs. Scotty Wells and Christopher of Andrews.

Mrs. Bea Mitchell of Munday visited Mrs. Mable Jacobs and Jeanette on Sunday.

Visiting Mr. and Mrs. Curtis Seale on Sunday were her sister and husband, Mr. and Mrs. Mike Parker of Red Springs.

Sunday dinner guests in the Elkin Warren home were Mr. and Mrs. Greg Melton and Taylor of Haskell and Mr. and Mrs. Ruby Hammons. Mrs. Paula Turner, Cody and Taylor, of Wautauga spent the weekend with her grandparents, Mr. and Mrs. Grady Williams.

Gene Lane of Levelland visited his mother, Mrs. Doris Lane, Thursday night and Friday night. Gene accompanied his mother to Wichita Falls on Friday for her medical treatment.

Weekend guests in the Chester Smith home were Ralph Corley and Mr. and Mrs. Sylvester Smith of Fort Worth.

Mr. and Mrs. Bill Hurley and Mrs. G.W. Brown of Seymour visited Mr. and Mrs. Jack Nuckolls on Sunday.

Visiting Mr. and Mrs. Billy Huffman during the weekend were their grandchildren, Elisha and Kyle Speck of Seymour, Amy Huffman of Munday and Brian and Crystal Huffman of Goree.

Grace Smith visited her aunt, Mrs. Tommie Polson, at the Munday Nursing Center Saturday morning.

Mr. and Mrs. Dale Redding visited her son and family, Mr. and Mrs. Rod Lamm, Amber and Jamie, in Wichita Falls Friday afternoon.

Guests in the home of Mr. and Mrs. Bill Decker are Mr. and Mrs. Jimmy Decker, Mrs. Helen Otis and Mrs. Cheryl Bianchi and children, Cassie and Britni, all of San Jose, Calif.

Rev. Charles Gallup of Burk-

THE ONE THAT DIDN'T get away will provide Wayne Birkenfeld of Goree plenty of fish stories for some time to come, not to mention plenty of eating! Birkenfeld took this 43-pound cat off a trotline at Miller Creek Sunday, April 26. He had reportedly just set the trotline out and was the most surprised person around when he saw his catch!

burnett and Mrs. Doris Lane were dinner guests of Mrs. Ballie Cooksey on Sunday. Rev. Gallup had preached at the First Baptist Church here.

Visiting Mr. and Mrs. Felton Jackson during the weekend were their daughter and family, Mr. and Mrs. Forrest Kimmy and Brandon of Dallas. Also visiting in their

home Sunday evening were Mr. and Mrs. Jimmy Pearce of Goree.

Balis Attends State Conference

Knox County Treasurer Evelyn Balis joined some 185 other elected officials for the 15th annual County Treasurers' Seminar held April 20-23 in College Station. Theme of the seminar was "Certified County Treasurers: Minds Over Money."

"County treasurers have the major responsibility for handling and investing county funds," said Mrs. Balis. "It's an ever-changing business that requires staying up on the latest in money management and legal requirements for government fiscal accountability."

Concurrent sessions at the seminar provided customized training based on population and govern-

ment structure of the counties where the treasurers serve. Program topics included contemporary cash management, depository contracts, fair labor standards, computerization of records, certificates of obligation and a legislative update.

County treasurers who complete the training are certified as required by state law and receive credits from the Texas A&M University Office of Professional Improvement. The annual seminar is one of the educational programs sponsored by the V.G. Young Institute of County Government, a part of the Texas Agricultural Extension Service.

This poem is especially dedicated to my wife on our Forty-Third Anniversary and also to couples who are past middle age and upon whom God has smiled and both are still living. It could have been written by many husbands, young and old, whose wives are "Something Special" so

"Take Time To Smell The Roses"

As I drive along just my pickup and me,
I get a miniature view of how living alone would be,
Just now I feel the need to reach out and touch,
That desirable woman, my wife, whom I love so much,
My love for you, I hope, is shown day by day,
As we both travel down life's highway,
Let's realize that our time we have left together,
Is too precious to be taken for granted like the weather,
So let's do our very best not to fuss,
But to enjoy each day as though it were just for us.
Let's love, let's laugh and enjoy every hour,
And each day will seem as a beautiful flower,
That withers in the morning as work mandates we go,
As we return in the afternoon the flowers beauty will show,
During the course of the day in the work-place,
I visualize the exquisite beauty of your face,
So when the day is done there's no desire to roam,
My heart's desire is to get in my Chevy and hurry home.

★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

HISTORICAL ASSOCIATION HOLDS MEETING, ELECTION

The Truscott Historical Preservation Association met at the Truscott Communication Center for its annual meeting and election of officers.

Historical markers for Truscott and Gilliland were discussed, but it was decided to put off action on historical markers until the book publishing debt is paid. It was voted to hold a garage sale at the Truscott Community Center on Saturday, May 23. Vivian Brown and Clara Owens presented a brown and gold quilt to the association as a money making project. The quilt will be given away August 9.

Association members agreed to serve as a mail campaign committee for the Knox County Historical Commission in the sale of Knox County histories as a Knox County museum fund raising project. It is hoped that all Knox County organizations will work in individual club or county-wide projects for the museum.

Those attending were Margaret Daniel, president; Ila Mae Bullion, treasurer; Clara Brown, secretary; Gladys Meek, Clara Owens, and Vivian Brown. Frances Cook, vice president, was unable to attend.

The beautiful clear spring weather of the last several days isn't looking quite so beautiful to the wheat farmers. They are looking for cooler weather and rain. The wheat got so much moisture in the fall and spring that the roots spread out rather than going down to seek moisture. The current warm, dry weather is stressing the plants because the upper soil moisture is gone and the plants are

not as well prepared to pull up the deeper moisture. This on top of the freeze damage makes the harvest outcome in doubt. But then a Texas wheat harvest is a lot like Texas weather, only fools and newcomers predict either one, especially in April.

Chad and Amy Tolson, along with six-month-old Matthew Casey, are living at Gilliland now. He has rented the E.O. Reid land. If you haven't seen him, that may be because he is also leaving early every morning to work at the Spike Box Ranch at Benjamin. Chad grew up in Benjamin, but he is the son of Janice Daniel Tolson and grandson of Roy Daniel, so he is not a newcomer to the Wichita Divide.

David Lowrance celebrated his fifth birthday with a party at the Truscott Community Center Sunday afternoon. Lots of games, including a bull pinata, and a special cake were enjoyed by David, John Lowrance, Hunter and Pate Meiner of Benjamin, Colton Daniel of Paducah, Alicia Pettiet of Guthrie, Felix and Demetrio Moya, and Crystal Dishman.

Curtis Casey and Sybil Simmons were among the Bates cousins who met at Floydada Saturday for their annual reunion. These are descendants of J.L. Bates, Sr. About 25 were present for the gathering at the senior citizens building.

Several from Truscott and Gilliland were at the Cook reunion at Seymour Saturday.

Governor Bill Clements will be unable to attend the Truscott Brine Dam dedication May 11 as he will be in Arizona attending a conference for governors of border states, according to his scheduling office.

Fishermen at the Truscott lake are reminded that a fishing license is necessary and that "keeper" bass must be 14 inches long. Several were on the lake with boats Saturday and Sunday. Those with boats must have a life preserver in the boat for each occupant. The salt water is rippling down Bluff Creek and already giving the water a salt flavor. The state is considering building a boat ramp on the west side of the lake.

Lace Workshop Set In Knox City

The Knox County Extension Service will offer a workshop on making Battenberg lace at 2 p.m. Tuesday, May 12 in the Knox City Community Center.

Amelia Perry of Haskell will show participants how to make the lace for a collar and will also demonstrate other uses for the lace.

The workshop is free of charge but participants will need to pay about \$8 for supplies. They will also need to bring 1/2 yard of cotton or linen fabric in either white or ecru and a sewing machine with a straight stitch or needles if they choose to make the lace by hand.

Deadline to register for the workshop is Friday, May 8. Interested persons should call the Extension office at 454-2651 and leave their name, phone number and choice of lace color, white or ecru.

Open House Slated At Vernon Hospital

An Open house at Vernon State Hospital is being planned for 2 p.m. to 5 p.m. Sunday, May 3.

Acting superintendent Jack Barthold describes the event as "an opportunity to visit with the community and celebrate May as Mental Health Month with our own special brand of 'country care'."

Invitations are being sent to residents and dignitaries of the service area of Vernon State Hospital. A number of area dignitaries are expected to be on hand at 2:30 p.m. for a short program at the hospital's north campus auditorium. In addition to the program, tours will be conducted of both the north mental health campus and the south adolescent drug unit. Staff members will be on hand to act as guides and answer questions from visitors. Special speakers and information will be available on the hospital and specific aspects of mental health.

The open house kicks off Mental Health Month in Texas and across the nation. The Vernon facility is involved in providing mental health and adult chemical abuse services in 43 counties of north and west Texas, including the entire Texas Panhandle. The hospital operates seven outreach clinics providing outpatient services to 13 rural counties. In addition, the south campus provides adolescent chemical abuse treatment to youngsters throughout Texas.

"Visitors are cordially invited to attend the open house. Mental health is a vital aspect of the 'whole person', and the mental health and chemical abuse treatment programs are also vital in making functional members of society," adds Barthold. "We want the public to see the services we provide and answer their questions about our hospital and treatment program."

The City Council of the City of Munday, Texas will meet at 7 p.m. May 12, 1987, in regular session at the Munday City Hall. One item on the agenda will be final consideration and adoption of the 1987-88 city budget. The public is invited to attend if they so desire.
Doris Dickerson, Mayor
City of Munday, Texas 31-2tc

PUBLIC NOTICE
The City of Munday, Texas will hold a public hearing on Thursday, May 7, 1987 from 1:00 p.m. to 5:00 p.m. at the Munday City Hall to consider the proposed 1987-1988 City of Munday budget for all city funds.
Full text of the complete proposed budget is available for public inspection at the Munday City Hall from 8 a.m. to 5 p.m. Monday through Friday.
Doris Dickerson, Mayor
City of Munday, Texas 30-2tc

Area Policemen Check Vandalism

Vandalism is always a problem to some extent in small towns, but Knox City police hope they have at least made a dent in their situation after clearing up a total of seven cases of vandalism late last week. Police Chief Gil Gillilan said the cases were being processed Monday through the Juvenile Probation Department.
Cases solved included vandalism of the Knox City ag barn in the amount of \$640; approximately \$200 worth of damage to the First United Methodist Church, including destruction of the plexiglass cross in front of the church; and obscenities painted on city dumpsters, cars and residences. Also a number of rocks had been knocked out of the fence around the city park. Clean-up and repair costs totaled more than \$1,000.
Gillilan said the vandalism had occurred during the past several months and his department had charged four Knox City juveniles with the destruction.

Energy Efficient Appliances Are Good Investments

A "bargain" price on a new appliance may not always be a good deal. Increased operating costs due to less efficient use of electricity will usually exceed the additional cost of purchasing a more energy-efficient model. Money "saved" at the time of purchase is actually paid out several times over in later years. At this time of year, when many Texans are contemplating replacing worn-out or inefficient air conditioners, it is important to make energy-wise purchase decisions.

LOOK WHO'S HERE!

Chance Elliott Propps is the newest addition to the James Propps household. He arrived Monday, April 20, 1987, at 11:42 a.m. at the Wilbarger General Hospital in Vernon. He weighed 8 lbs. 8 oz. and was 20 inches long. His parents are James and Stacia Propps.

Grandparents are Donnie and Jimmie Kay Ryder and Herb and Dickie Propps of Benjamin. Great-grandparents are Bill and Pearl Ryder of Benjamin, Eunice Friday of Dallas, Dick and Maggie B. Harper of Lockett, and Son and Avis Propps of Truscott.

He also has lots of uncles, aunts, cousins and friends to help with the spoiling!

LOCALS' GRANDDAUGHTER WINS HONOR

Stephanie Johnson was announced as the winner of the Minnie Fisher Cunningham award recently. This award is given for the best research history paper in the state written about a woman in history. This is Stephanie's 3rd year to win this honor. In 1985 she was also given a trip to Washington, D.C. as part of her award.

Stephanie is a 9th grade student at Alpine High School. She is the daughter of Sharon and Hugh Johnson. Grandparents are Rex and Maretha Patterson of Benjamin and C.D. Johnson of El Paso. Mrs. Dora Patterson of Vera is her great-grandmother.

BEAN SUPPER PLANNED

The Senior Citizens Extension Homemaking Club is sponsoring a bean supper Friday night, May 1, in

the Benjamin Memorial Building. It begins at 6:30 p.m. and the cost is \$1.50 for all you can eat - beans and the trimming and ice tea or coffee. Dessert will be 50 cents extra but what a bargain for \$2.00! The proceeds will go toward purchasing playground equipment for the local park. Everyone is invited to come eat and visit with neighbors. And at the same time help with a very worthwhile project!

HERE AND THERE

Grace Snailum returned home Monday after several days stay in Amarillo. While there she underwent a medical checkup and also attended the wedding of her great-granddaughter, Kristin Dalton and Jason Hatch, on April 18. Enroute home she spent Easter Sunday with Bob and Bonita Pyatt in Plainview. She was joined there by the Rodney Pyatts of Allen, and Mike and Tami Bryan of Lubbock.

Peggy Dillard of Lubbock was a weekend visitor of her mom, Audrey Nolan, and her sister and brother-in-law, Don and Virginia Griffith.

Gloria West attended an area meeting of County and District Clerks in Anson on Friday.

Demp Emerson of O'Brien was a Benjamin visitor last Friday. It was good to see him doing so well after his recent surgery, and we hope he will be back fully recovered soon.

Randy and Dorothy Hibdon and family were Roosevelt, Oklahoma visitors during the weekend.
