by Aaron Edgar Caution: Danger Ahead!

Most of us have noted this sign, or a similar one, in our travels along the highways and biways.

We are familiar with its meaning - that there is possibility of eminent danger, and that we should be extra careful in this immediate area.

We've seen a number of places within our town where this sign would be right timely. Already, we have a number which should cause the thinking man to have an attitude of caution. These come to mind: one at railroad crossings, speed limits posted upon entering our town and even those within the town where these limits change. Then there are the stop signs at street intersections.

Many of these we see in all of our every-day driving experience. They are so common that, maybe, we have a tendency to disregard them entirely. That's when the danger becomes more im-

We confess that we're not the cautious driver that we should be, although we devote some thought and concern to this

There are times when we, possibly out of familiarity with our whereabouts, fail to observe the stop signals in their en-

If we approach a street intersection, we may look quickly in both directions: and, if nothing is in view, we fail to come to a complete stop. This is not in observance of complete safety.

We're not alone in this failure! One doesn't have to look very long to see another driver completely ignore a stop sign. Some fail to even slow down when reaching the intersection. We interpret s-t-o-p to mean slow!

This is when, as our Texas safety officer John Brown says in his defensive driving courses, "we have an accident just looking for a place to happen!"

Upon returning to our town (his former town) during recent weeks, Rev. Rex L. Mauldin remarked when eating fried chicken and other goodies on the east lawn of our Methodist church, "You have a lot of weed patches here in town."

"I guess you noticed a few blind corners, too," we said. To which he readily agreed.

These blind corners could have been likely places for the "Caution: Danger Ahead" signs. View has been so completely obliterated by high growths of grass and weeds that persons approached these corners with much concern. They were "places for an accident

to happen". Since the visit of our former pastor, we're happy to observe that many of the blind corners have been removed. Mowing machines, possibly operated by our city employees, have fixed these corners so approaching vehicles can be

There are yet other places where the "Caution: Danger Ahead" signs would serve very good purposes.

We were apprised recently that some of these are along our drainage ditch. One in particular was brought to our attention: the one in the southwest part

of town where 12th street intersects. Our informant tells us that children are quite often observed playing right in the bottom of the ditch, and upon the traffic apron therein. This is sort of defying an accident to happen, to our notion.

The excavation at this point is very deep, some six feet or more, of necessity to take care of flood waters rushing in from the southwest. It is so deep that drivers of vehicles can not see bottom until they reach the ditch's rim.

Similarly, the joyful playing children cannot see an approaching vehicle until Continued on Page 8

The first bale was ginned for Charlie Pribyla, who also harvested 23 other bales at the same time. These came from his home place near Bomarton, although he farms in other areas.

Absentee Voting To Continue Through Oct. 29

County and District Clerk Gloria West reminds voters in the area that absentee voting for the November 2, 1982 general election began Wednesday, October 13, and will continue through 5 p.m., Friday, October 29. You may vote in the clerk's office in the Knox County Courthouse in Benjamin, or you may apply for a mail-in ballot. However, there are certain restrictions which apply to the use of mail-in ballots.

The only valid applications for mail-in ballots which are mailed in Knox County are those sent by citizens who are age 65 or older or are ill or physically disabled. If you are under 65 years of age and are eligible to vote but unable to do so in person because of ill health or physical disability, you must file a disability certificate with the voter registrar, who is John Smith, county tax assessor-

If a person lists his permanent residence as Knox County but does not live here, his application must be mailed from outside of Knox County, stating his out-of-county address where a mailin ballot may be sent.

Any other county residents wishing to vote absentee must come to the clerk's office and do so in person by October 29.

Hightower Seeks Trade

Congressman Jack Hightower served as host recently to Hon. Eiichi Nakao, head of a Japanese trade delegation to Washington, in Hightower's Washington office. Mr. Nakao is a member of the Diet, or Japanese Congress, and was in the United States to visit with key members of Congress on American-Japanese trade issues.

Pribyla received free ginning for his first bale, as well as 50 dollars bonus from the Rule compress for the first bale

received at the compress. The Goree Co-op ginned a total of 25 bales last Sunday, requiring about three hours of operation. The other bale came from the Munday Research Station.

Mr. Bowman stated that it took about 2,500 pounds of burr cotton per bale, which averaged 502 pounds of lint cotton and 845 pounds of seed, making a 25 percent turnout.

FFA Chapter Selling Sausage In Munday

Members of the Munday chapter of Future Farmers of America are selling sausage as a fund raising project. Sales began Tuesday, October 12, and will continue approximately two weeks.

The sausage is a Corn Gold product and is whole hog sausage. It is completely natural, containing no preservatives. It can be purchased in a threepound box of patties or a two-and-onehalf pound box of links. Both varieties sell for \$6.50 per box.

Orders will be filled in two weeks, and will be delivered as they arrive. To order sausage, contact any FFA member or call the ag shop at 422-4229.

Money raised from the sale will be used to finance chapter activities.

Cookbook Offered By Extension Club

The Knox County Extension Homemakers Association is selling cookbooks made up of contributions from extension homemakers all over the state. The book, entitled, "Texas Taste Treasures", contains over 600 recipes.

Mrs. Kathy Carroll, who is handling sales of the book, said, "We only have 500 copies of the cookbook available, and we think they will sell quickly."

The book is priced at ten dollars, and anyone who would like a copy mailed to them should send an extra dollar for postage and handling.

The books are available at the County Extension office, Box 22, Benjamin, Texas 79505, or from Mrs. Carroll, whose address is star Route, Box 683, Truscott, 79260.

Area Teachers To Attend Convention

Congressman Jack Hightower of the 13th District will address Region IX educators at the fifth annual convention of the Association of Texas Professional Educators (ATPE) to be held Monday, October 18, at the First Christian Church in Wichita Falls.

Registration is scheduled to begin at 12:15 p.m. and inservice sessions start at 1

ATPE, with membership in excess of 38,000 within the state, intends to be a "positive influence for education", doing so by building bridges instead of barriers, according to Region IX president Barbara Tilker. This year's theme is "Achieving Teacher Pride Through Excellence."

A total of 28 inservice sessions will be offered. Hightower's topic will be "Education in the 80's."

Janice Dutton, president of the Munday chapter of ATPE, will attend the convention, along with several other Munday area teachers.

SIX-MAN TEAMS SHOW SUPREMACY....

Benjamin And Goree **Annex More Honors**

All of Knox County's battlers of the gridiron came up with victories in last Friday night's contests, but the two sixman teams of Knox County--Benjamin and Goree--are still making impressive scores in their march toward a successful season.

BENJAMIN 36

NORTHSIDE 24 It was fairly close, as six-man scores go, when the Benjamin Mustangs took a trek to Vernon to engage the Northside Indians in a District 3 six-man engage-

The Mustangs finally outlasted the Indians, however, to emerge with the season, larger digits in a 36 to 24 score.

Benjamin took a 20-8 lead at the half, but the host Northside yielded to a 16 to. 18 score in the third period.

Troy Oxford scored three touchdowns for Benjamin, while Alan Baty accounted for two. Luis Estrada picked up a safety for the Mustangs. Scoring for the Indians were Clint White, Joel Wilkinson and Junior McGee.

Benjamin is now 4-1 for the season, while the Indians stand at 3-2. WILDCATS TROUNCE

Firemen Receive Check

Members of the Munday Volunteer Fire Department are dedicated to prompt and efficient service when fire breaks out within or near the City of Munday. Often their dedication and efficiency are Star recognized and they are commended for their work.

Such was the case in a recent occurrence in Munday as emphasized by Edwin S. Schmid, president of Germania Farm Mutual Aid Association of Brenham, in a letter to the local fire department, a portion of which follows: "Enclosed is a check for 100 dollars in

appreciation of the service your department rendered by responding to a fire call on August 30, 1982, involving insured property of Germania Farm Mutual member, Lowry Wilson, Jr.

"Volunteer fire departments such as yours have been a tremendous help in keeping fire losses to a minimum, not only for policyholders of this Association, but for all people in the State of Texas. Your services not only help keep fire insurance rates as low as possible, but because of your efforts, many lives are saved together with a tremendous amount of valuable proper-

HASKELL BARELY PASSES SEYMOUR

Haskell's Indians were barely able to slip by the Seymour Panthers at Seymour on Friday night in a 7-0 victory in their District 7-AA season opener.

Albert Sherman scored the touchdown on a one-yard run in the third quarter. Mark Bailey added the point after. Haskell's defense played well, holding Seymour to 10 first downs and 221 yards total offense.

Seymour ended the game on Haskell's 35-yard line where they had a first and 10 with 35 seconds left. The Panthers threw four passes, all of which were intercepted.

WEINERT WINNER OVER MIAMI

It was a shorter trip returning home from Miami on Friday night after the Weinert Bulldogs added an important District 3-A 36-22 victory over the Miami Warriors.

John Brueggeman rushed Motley County now sports for four touchdowns on his way to scoring 30 points to lead the Bulldogs to victory in this six-man contest. Brueggeman also added three successful PAT kicks.

Ed Perez added the other touchdown for Weinert to help improve his team's standing to 3-2.

HAMLIN DOWNS PADUCAH ELEVEN

Eddie Bolden, running back for the Hamlin Pied Pipers, accounted for two touchdowns on runs, then took a late interception from Jerry Wood, as Hamlin held off Paducah by a 20-15 score in their first District 2-AA ac-

Hamlin jumped off to a 14-0 lead in the first quarter. Paducah scored a touchdown in the first quarter, then added another with a 2-point conversion to go ahead 15-14.

Hamlin's third counter came later, and the conversion failed.

KNOX CITY WINS OVER WILDCATS

The Knox City Greyhounds ate up "Wildcat dirt" to defeat their host team, Crowell's Wildcats, in an electrifying 39-6 victory Friday night in the first District 3-A district contest.

Knox City quickly raced to a 20-0 lead, racking up two second quarter touchdowns. Hutchinson opened the second half by returning the kickoff 85 yards for a touch-

Crowell didn't throw a pass during the game, but scored their six points on a 10-yard run by John Anderson in the third period.

was enough to win the game. Even though we did what we had to in order to win, we are fortunate to be unbeaten this week. Most of our offense came on the second play of the second half, when Lawrence Collier made some good moves and ran 60 yards for the score, then kicked his own point after.

make seven points, and that

One of our strong points all year has been the fact that we have been able to adjust to the opponent's defense. We can usually come out in the second half and score, and this was true in the Rotan game. We made an adjustment at halftime and Lawrence took advantage of it to make the score. Had we not made the touch down. Rotan would have won the game on penetrations.

We can still play better offensively than we have the last two weeks, but our defense has been outstanding. Considering how long our defense had to stay on the field last week, they did an excellent job. Defensive standouts Friday were Chris Moore, Dave Hunter, Jim Earl Dockins, Quincy Adams, Danny Sloan, Terry Hendrix, Johnny Collier and Danny Hertel.

It will be nice to be playing at home again this week after two tough out-of-town games, but we should not regard this as an easy game. At this point, all our games will be tough, because everybody in the district has good teams. The district race is really up for grabs.

Paducah will be bringing a much better team than we faced last year; they can do and defensively. We will have

to work hard to be effective wainst them. Paducah is a tal fast team, so our defense will be put to the test again, and we must keep them from setting any big breaks. Paducah is 3-3 for the year.

Jr. High Game Report

Coach Ed Pugliese

The seventh grade Braves defeated Rotan's seventh grade team by a close score of 6-0. Anthony Stinnett made our only touchdown.

Anthony and Corey Moore contunue to play well. David Leija did a good job blocking, and Gary Welch had a good defensive effort. This team is now 5-0, and hopefully we can continue to play well and win some more

The eighth grade team lost

We will play Paducah there Thursday (today), October 14, beginning at 5 p.m. They will be tough games and we hope to see some Munday

Plants Etc. Plans Costume Contest For Halloween

Plants Etc., in Munday, is sponsor. ing a Halloween costume contest to be held Saturday, October 30, from 3 until

The contest will include four divisions: tots and pre-schoolers, grades 1-3 grades 4-6, and an open division for older students and adults.

Entrants are advised to pre-register at Plants Etc. by Wednesday, October 27. Contest judges will be from out of town. Prizes will be awarded and refreshments will be served.

Parents are urged to register their children for the contest and let their imagination run wild as to costumes. Owners Shirley Welch and Glenda Decker said, "We hope to see lots of costumed children and adults at the contest. We're hoping mothers will dress their children early, bring them to the contest, and then let them do their trick-or-treating before going to the carnival. This way the kids will have several hours of excitement and still be home fairly early, and their mothers will only have to dress them once."

The contest is open to the public, and everyone is urged to enter or come and watch the fun.

Tear out and save NOTICE

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as a safety feature. Otherwise, it would be completely odorless.

If you are outdoors and smell gas, call your local Lone Star Gas

If you are indoors and detect faint whiffs of what you think may be gas, investigate. It may be that a pilot light has gone out or a burner valve has been left partially open. These are corrective steps you can take yourself.

If your equipment seems to be working properly and the odor persists or intensifies, please follow these precautions:

Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.

Have everyone leave the

house immediately, leaving doors open to help ventilate. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine

whether it's safe for you to return to

the house. You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

There are times in our lives when we forget that everything that we do takes place under the watchful gaze of the Lord. We loose sight of the fact that nothing can be hidden from the Almighty. There are those times when God?"

we do not want to think about God seeing us because we are doing something wrong. At times like that it is helpful to remember Psalms 139 and ask ourselves, "How

shall I go from thy spirit? Or whither shall I flee from thy presence? If I ascend up into heaven thou art there: if I make my bed in hell, behold, thou art there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; Even there shall thy hand lead me, and thy right hand shall hold me. The 1982 Extension Homemaker Achievement Day was held Saturday, September 25, at the Gilliland school. A total of 120 entries were judged for awards. The Spring Chickens Extension Homemakers Club of Benjamin led with 72 entries from 19 members.

Renvie Patterson won the Sweepstakes Award for the most total points for entries.

Karen Patterson was named 1982 Knox County Extension Homemaker Club Woman. She was a delegate to the District III TEHA meeting in Wichita Falls; is a member of the Young Extension Homemaker standing committee; was food committee chairman for the 1982 EH council volleyball tournament, and has participated in various other activities which helped her win the award.

Following the judging of Achievement Day exhibits, a Bread Fair was conducted by county Extension agent April Stamps. She presented a technique of making bread in a bag. Developed by the Wheat Flour Institute, this is a unique way of teaching large groups of people the art of breadmaking with just a few kitchen untensils and very little cleanup.

After the Bread Fair, participants enjoyed a covered dish luncheon and the awards presentation.

CARD OF THANKS

We would like to express our appreciation to our many friends who showed their love and concern during the loss of our sister, Mrs. Nan nie B. Justice.

The food brought to ou homes, the cards and flowers, meant so much to us, but most of all your prayers. A special thanks 10 Joyce Hardin and her staff for the excellent care she received while in the nursing home. Also we thank Dr. Hooker and Richie Smith for their rewarding job.

He showed one photo of flooded acres of the experiment project, calling it "Lake A&M", and explained that "we can't carry on experiments under flooding conditions."

In conclusion he said: "The experiment station is here for Munday. You worked hard for it, and we're switching our emphasis on crops that are grown in this area. Any time you have a problem, let us know and we'll be glad to help any way we can."

Junior Varsity Wins No. 5

Coach Robert Redden

The Junior Varsity won their game against Rotan by a score of 25-6 to up their season record to five wins and no losses.

The first touchdown was a 45-yard run by Todd Thompson. Our second and third scores were on passes of 12 and six yards from quarterback Dent Offutt to Tony Wilde. The final touchdown was set up by a fine run by Dent, and Todd went over for the score. Ronny Lowrance kicked the extra point on this TD.

We were more pleased with this win than we were with the win against Knox City. We executed our plays better, and our defense had a good night. We had good overall effort. The team was ready to play, and Rotan shocked us early in the game, making the Moguls put out

more effort for the win. For a large part of the first half, Dent Offutt called his own plays at quarterback, and he did a real fine job running the offense. When a quarterback can successfully call his own plays, this builds confidence, not only in himself, but it helps the team when they can rely on the quarterback to make an important call when the coach may not be able to get to him.

now. I guess I won't get to Scotty Jackson did a good write much, now. I will let job as back-up quarterback, and also caught the ball well. Neil Waggoner and Randy Kuehler had good defensive efforts.

> Paducah defeated Munday pretty soundly last year, so we are hoping to play respectably well there Thursday night. They have quality athletes and we are expecting a tough game. We will leave Munday between 4:30 and 5:00 and expect to return around midnight.

Absentee

By extra conservation, you can reduce the effect of an event which will temporarily increase your electric bills.

The San Miguel lignite-fired plant will be shutdown for scheduled maintenance for about 4 weeks beginning October 18. This shutdown will increase the cost of electricity throughout the maintenance period.

Normally, most of your electricity is generated using lignite for fuel. A smaller amount comes from natural gas and hydroelectric power plants. The cost of all sources are blended to determine the cost that B-K Electric pays for wholesale power from Brazos Power cooperative.

While the San Miguel Plant is shutdown, most of your electricity will come from natural gas plants. Because natural gas is considerably more expensive than lignite, your electric bill will be higher. Try to use less electricity during this maintenance period to control your electric bill.

Thank you.
