Look To The East

by Aaron Edgar

(This Look to the East column was taken from the January 27, 1977 issue of The Munday Courier.)

How's about a cuppa coffee?

Time was that when this question was answered in the affirmative, you only had to dig down in your jeans for a five-cent piece to buy the friend a cup. If you enjoyed one along with him, it meant a total output of ten cents!

That was in the "good old days."

Now, you'd be quite lucky if you didn't have to work the combination to your wallet and come up with "folding money" to finance two cups.

When a local cafe started charging two-bits for a cup of coffee, a lot of people had other ideas. They went other places for their coffee breaks, where the brew could be had in smaller cups but at a reasonable price.

People think of a lot of ways to get around the high cost of coffee without eliminating the stuff. Here at The Courier office, we buy our own coffee, brew it in our own quarters and all take a coffee break at the same time.

Some customers who hit the office at break time almost every time complain that that's all we do - take a coffee break.

Now, they say that coffee is being sold over the counter at some city places for 50 cents a cup. And with coffee continuing to go up, with \$4 a pound being predicted before the top is reached, no telling what a good cupful will cost.

But trying to eliminate the stuff is another matter. It's dangerous, according to medical researchers, to completely deny the human body of caffeine that's supplied in coffee. It would likely cause one to suffer irritability, lethargy and constipation. It's just as bad, or worse, than trying to get that tar and nicotine out of the system after prolonged smoking.

But why coffee at 50-cents a cup?

If Nita Huber of Tacoma, Wash., can make money out of 5-cent coffee at today's prices, the price of 50 cents seems a mite overboard.

But Nita says she's been doing it since 1967, and she's still making a penny a cup on each sale.

Reminds us of the time a town-wide move got underway in Munday for all places dispensing coffee to advance their prices from the lowly nickel to ten cents. Most places serving food were in agreement, but other places were not.

Leland Hannah, who operated the Eiland Drug, was one who opposed the move. He said he enjoyed seeing his many friends as they came in daily, maybe twice a day, to enjoy a cup of coffee. Doubling the price might keep them away and he wouldn't get to see them so often.

Besides, Leland had figured out just how many cups of coffee he could get out of a pound, and he argued that he could still make money on five-cent coffee. The move didn't go over 100 percent!

Jeff Mitchell operated a cafe that went to the higher rate. One day a man just travelling through stopped in the cafe and ordered coffee. He offered some protest at having to fork over a dime for the brew.

Two weeks later, maybe, Jeff received a collect telegram. Being reluctant to refuse the message, he paid the fee and learned it was from his coffee customer, who told how many miles he's traveled and that City Cafe in Munday was the only place a cup of coffee cost him ten cents!

Many years ago, we'd become tired of the No. 2 washtub type of bath by week's end and would hike ourself down to the tailor shop on Saturday night for a hot shower in the shop's boiler room. This went on for some time, but Roy Horn, the owner, told us one night: "It'll cost you 25 cents, we've gone up. The reason: We can make more money that way."

Perhaps that applies to the price of a cup of coffee, too.

If a fly lands on your nose, they say somebody has something to tell you.

Moguls Get Back On Winning Track, 55-0

The Munday Moguls traveled 175 miles to Forsan Friday night to sour the Buffaloes' homecoming celebration by taking a 55-0 victory.

The outclassed Buffaloes' troubles began on the opening kickoff as the hard-hitting Moguls recovered a fumble on the 30-yard-line. Robert Hemphill, playing at fullback in his first start of the year in place of injured back Ronny Lowrance, ran for 10 yards over right tackle before a mixup in the backfield caused the Moguls to fumble and Forsan recovered on the 19. Two plays later, the Buffaloes fumbled again, and Munday took possession on the 23. Tim Collier, playing for another injured Mogul, Quincy Adams, carried for five yards, then Dent Offutt scored from 18 yards out with 10:17 left in the first quarter to give Munday a quick lead. The PAT try failed, but the Moguls were off and running.

The Munday defense stopped Forsan all night; only once were the Buffaloes able to put together more than one first down. Tim Collier intercepted two passes, Neil Waggoner recovered a fumble and other alert Moguls came up with two more. Forsan was held to only seven first downs and a total of 99 yards of offense by the aggressive young Moguls of Munday High.

Behind the blocking of Ryan Offutt, Johnny Collier, Paul Wright, Greg Urbanczyk and Billy Taylor, the Mogul backfield put on an offensive show for

the supporting fans from Munday. Quarterback Dent Offutt scored three times on runs of 18, 1 and 5 yards, carried for a total of 90 yards rushing and completed three passes for 94 yards and one touchdown. Tim Collier scored three times on runs of 16, 8 and 8 yards and wound up with 154 yards for the night. Todd Thompson rushed for 170 yards and scored once on a 67-yard run also catching two passes for 72 yards. Paul Wright caught a 22-yard toss for another touchdown.

Other Moguls carrying the pigskin for Munday were Robert Hemphill, 9 carries for 63 yards; Tony Wilde, one carry for 4 yards; and Scotty Jackson, two carries for 6 yards. Jesus Ramirez kicked five PAT's and Tim Collier ran one in.

The Mogul second team received valuable playing experience as Coach Edwards started spot substitutes early in the first half, and every player suited out received some action before the clock sounded to end the game.

The Moguls' next opponents are the Electra Tigers, who will face the local team in Friday night's game. Kickoff is at 8 p.m. at Scruggs Field in Munday. The Tigers are a Class AAA team with a 3-1 record this year. 4-6 last year, the Tigers returned sixteen lettermen and are a much improved team. Electra defeated Seymour 23-6 in last week's outing.

Munday fans are encouraged to support the Moguls in their last game of the non-district season. District tilts will begin October 7, when the Moguls will face the Rotan Yellowhammers.

Booster Club Plans Bake Sale

The Munday Booster Club will have a bake sale Wednesday, October 5, beginning at 9:00 a.m. at the M-System store.

Anyone wishing a special baked item may place their order by calling Betty Offutt at 422-4067 or Cindy Thompson at 422-4938.

Chamber To Sponsor Carnival

A carnival was located on the lot of Munday Gin and Seed beginning Tuesday at 7:00 p.m. and will continue nightly through Saturday, October 1.

Munday Chamber of Commerce and Agriculture is sponsoring Carnival Time Amusements, a family owned and operated business.

There are games and rides, and a concession and food booth with cotton candy, candy apples, snow cones and popcorn.

Family discount prices available allow you to pay one price and ride all you want, so bring the entire family and enjoy the exciting rides and games at the carnival this week.

Bids Opened For Local Construction

Bids were opened Tuesday afternoon for the construction of new Munday Housing Authority apartments.

Bids received were from North Construction Co., of Hurst in the amount of \$221,604; Wilde Construction of Munday for \$249,000; and Billy Mac Brown of Hamilton for \$254,000.

Jeanie Carden, executive director of the housing authority, said the bid from the North Construction Co. was the apparent low bid and would be submitted to HUD for approval.

In another bid opening, five bids were received for the HUD street paving and drainage project in east Munday, and one bid was rejected because it was turned in late.

Bids were received from High Plains Pavers of Plainview, West Texas Construction Co., of Abilene, Zack Burkett Construction of Graham, J. H. Strain and Sons of Tye and A&A Construction Co., of Olney.

The apparent low bid was submitted by High Plains Pavers. City administrator Walter Hertel said this bid would be discussed and the bid would be awarded pending city council approval.

ADDING SPARKLE TO football games and pep rallies are the twirlers and drum major for the 1983-84 Munday High School band. Pictured here, from left to right, are Beverly Brown and Salwa Choucair, twirlers, and Wilda Smith, drum major. Beverly is a junior and the daughter of Mrs. Ruth Brown. Salwa, a sophomore, is the daughter of Mrs. Joe Choucair. Wilda is a senior and is the daughter of Mr. and Mrs. James Smith.

New Organization To Offer Cultural Opportunities

Persons interested in bringing opportunities for cultural enrichment to our city met Monday night, September 26, at the Munday Community Center. Twenty-six citizens discussed this program, and six decided to name the group the Cultural Organization for Munday Enrichment (C.O.M.E.).

One of the primary concerns of this group is a drive to bring professional instructors to Munday to teach gymnastics, piano and various other arts to citizens of all ages. The group also wants to make other cultural opportunities, such as trips to symphony and live theatrical performances, available to the public. Discovering local talent and putting together plays to present here was discussed, as well as several other ideas. These are all being considered.

A committee was formed to try to find qualified persons who would be interested in teaching gymnastics in Munday.

Membership dues for the organization will be \$15 per year. The mailing address of this group will be C.O.M.E., Box 65, Munday, Texas 76371. Club president Karen Longan can be contacted for further information.

The club is asking for the ideas, interest, talents and participation of Munday residents to make this a success.

It was announced that Martha Selzer has tickets for the Texas Youth Theatre production of Rumpelstiltskin to be presented at 9:30 a.m. Wednesday, October

Mark Reed Strips First Area Cotton

Harvesting of the 1983 cotton crop has begun in Knox County. Some stripping was done last week after defoliating several days earlier.

The first cotton reported to the Courier was brought in by Mark Reed on Monday, September 19. It was ginned September 21 at Knox Prairie Seeds, Inc. Knox Prairie has also ginned some cotton brought in by Floyd Reed on September 26.

Goree Producers Gin reported that Bill and Gerald Myers brought their first cotton in on September 22, and it was ginned the next day.

At press time, neither the Rhineland Gin or Munday Gin and Seed had reported any cotton brought in to be ginned.

Carriker Slates Nuclear Waste Meeting In KC

The Texas Low-Level Waste Disposal Authority will sponsor an informational meeting in Knox City, announced State Representative Steve Carriker. The meeting, requested by Carriker, is in conjunction with a study by the Authority concerning the possibility of a low-level waste disposal site in Knox County.

"Several folks have expressed concern about this matter and I believe it is appropriate to let the people in Knox County see and hear from the people who are making this decision," said Carriker.

The authority has been involved in selecting a location for the waste disposal unit and last year the authority hired an outside firm to determine the scope of Texas' waste storage problem. The report concluded that previous estimates on the amount of waste production were low and approximately 139,000 cubic feet of waste a year will require storage and the bulk of this storage coming from nuclear power plants.

The meeting will be held at the school auditorium on Monday, October 3, at 7:00 p.m. in Knox City. In attendance will be Representative Steve Carriker; Tom Blackburn, Special Programs Director for the authority; Rick Lowerre, an environmental law expert; and Bob King, an energy policy expert with the Texas Department of Agriculture.

The meeting is open to the public and everyone is encouraged to attend.

Dr. Hooker Invited Into International Surgical Fellowship

J. Patrick Hooker, M.D., F. A. C. S., of Munday was officially welcomed by invitation as a Fellow of the International College of Surgeons at the annual meeting held in Cleveland, Ohio, on September 28, 1983. The surgeons, representing the 111 nation membership, meet annually for the international exchange of surgical knowledge.

Dr. Hooker was previously received by invitation into the membership of The Royal Society of Medicine of the United Kingdom. He has medical scientific publications in the Proceedings of the Mayo Clinic, Rochester, Minnesota, and the Proceedings of the III World Congress of Neurosciences held in Copenhagen, Denmark.

Conservation District Wins Goodyear Award

For the thirty-seventh year, the Goodyear Tire and Rubber Company has presented awards to soil and water conservation districts nationwide. The Wichita-Brazos Soil Conservation District was chosen as a runner-up district in Texas. Judges in the competition were agricultural leaders and distinguished conservationists.

The award was presented to Wichita-Brazos directors at the regular meeting held Friday, September 23, in Knox City. Directors of the Wichita-Brazos SWCD are

Lonnie Offutt of Munday, Billy Kinnibrugh of Vera, Clifford Cornett of Knox City, Charles Griffith of Benjamin, and Louis Baty of Gilliland.

Receiving the award along with the directors was Julia Propps of Benjamin, who was named outstanding co-operator for the Wichita-Brazos district.

Carl Hutcherson, district supervisor, applied for the award on behalf of the district. The Wichita-Brazos SWCD was chosen on the basis of its achievements in

the areas of soil and water conservation measures and education. The district maintained a fishpond stocking program, sponsored a conservation poster and essay contest, set up an irrigation lab and wildlife planning program and presented a scholarship to an area educator.

Miss Propps has put into practice several conservation measures to earn her outstanding cooperator award, and this was also a factor in the judges' decision. She built 46,564 feet of parallel

terraces and two diversion terraces, a three-acre waterway on her land and root plowed and seeded several acres in participation with the Great Plains Conservation Program.

The Wichita-Brazos SWCD directors will receive another award from Goodyear at the state meeting, which will be held in October in McAllen.

L. D. OFFUTT, second from left, and Julia Propps, second from right, show the plaques they received as chairman of the board of directors of the Wichita Brazos Soil and Water Conservation District and the district's outstanding cooperator. Presenting the awards were Goodyear district sales representative, John Burnett, at left, and Bob Brown, manager of the local Goodyear store, at right.

Although we don't list your names, we would like to thank the local people that visit the residents each week. These visits mean very much to the residents.

Special Month Recognizes Cooperatives

October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Mark White, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State."

"Texas has more than 400 agricultural cooperatives operating and serving over 133,000 members," according to Billy Conner, executive vice-president of the Texas Federation of Cooperatives. "These cooperatives are doing business volumes of almost four billion dollars annually," he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month," said Conner, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

Wildcats Down Benjamin For First Win

The Goree Wildcats improved their District 3-A six-man record to 1-1 with a 38-34 victory over Benjamin Friday night. The Wildcats are now 1-1-1 for the season.

Richard Dixon led the Wildcat's offensive attack, scoring five touchdowns and rushing for 213 yards. One of the touchdowns was a fumble recovery in the Mustang end zone.

Randy Reagins added 125 yards for Goree and scored four touchdowns, including a pass interception that he ran back 82 yards for the score.

Kipp Cotton kicked five extra points and Wally Roberts recovered a fumble

in the end zone for a two-point safety to cap the scoring spree.

Don Dixon intercepted two Mustang passes, and head coach Cherry Eldredge cited Joe Castorena, Freddie Ozuna and Wally Roberts as having outstanding defensive performances.

Troy Oxford scored three touchdowns for the Mustangs, and Kent Hertel and Glen Heard added one each. Troy Pratt kicked two conversions for the losers.

Statistically, Goree had 18 first downs and 12 penetrations, compared to Benjamin's 11 first downs and six penetrations.

Goree's coach Eldredge said, "We

gave them two touchdowns and then decided to play ball. After the boys settled down, they played a real good game. Everybody did a tremendous job."

The Wildcats' next opponents are the Guthrie Jaguars. The teams will square off at 7:30 p.m. Friday, September 30, on the Goree field.

Local Young Farmers Are Part Of State Association

Education is a lifelong process. Rapid technological advancements in this age have made this so.

Possibly no one realizes this more than members of the Young Farmers of Texas organization. Today there are over 150 Young Farmer chapters operating in Texas. The Young Farmers plan and carry out educational activities designed to increase their efficiency and skill in the business of agriculture - production, management, and marketing. Though organized primarily for educational purposes, chapters also participate in many civic and community service activities. Rural leadership development and recreation are also important parts of each chapter's program. The vocational agriculture teacher in the public school serves as Advisor to local chapters. In its many-phase program, planned annually on a 12-month basis, the Young Farmer chapter becomes an instrument for strengthening family ties and for making the rural area a better place in which to live.

The Young Farmer program had its origin in clubs formed by FFA alumni. These clubs met in 1954 and formed the State Association of Young Farmers of Texas. Membership was open to anyone, ages 18-35, in farming, ranching, or other phases of agriculture. There has been a gradual increase in the number of chapters and members since 1954. Today there are over 3,500 paid members in the 150 chapters making up the State Association of Young Farmers of Texas. The Brazos Valley Young

county livestock show, a CPR training session, a consignment equipment auction, and a session on the stock market.

The members were measured for jackets and the meeting adjourned.

Officers elected for 1983-84 are Dale Bloxham, president; Mike Sloan, vice-president; Loyd Don Welch, secretary-treasurer; and Bobby Sosolik, reporter.

After the election, attention turned to the programs to be presented this year. Discussion centered around the

Engagement Announced

Mr. and Mrs. Adron E. Beck of Brownwood are announcing the engagement and approaching marriage of their daughter, Pamela Ann, to Lenny Roy Welch, son of Mr. and Mrs. Roy Welch of Munday.

Senior Citizens Host Monthly Singing

The Munday Senior Citizens hosted the monthly singing Thursday, September 22, in the Community Center. Out of town singers were Mr. and Mrs. Tom Christ, Knox City, Mr. and Mrs. Bill Baker of Slaton, Mr. and Mrs. Lloyd Robertson and Marie Parker, Red Springs.

We wish to thank each one who helped in any way. We sang from 7:00 until 9:00. Many expressed their enjoyment of the evening. Refreshments were served after the singing.

The next singing will be October 27 at 7:00 p.m. Anyone wishing to sing or just listen is invited to attend.

Virginia Cary, Reporter

of Early High School and attends Howard Payne University. Lenny, a 1980 graduate of Munday High School, will graduate from Tarleton in December with a degree in history and government. He plans to attend law school.

The couple will exchange wedding vows at 3:00 p.m. on Saturday, October 15, 1983 at Early Baptist Church. Bro. Jim Way, pastor of First Baptist Church in Munday, will perform the ceremony.

Friends and relatives of the couple are cordially invited to attend the wedding.

Junior 4-H Club Meets

by Robin Reneau, reporter

The Knox County junior 4-H club met Tuesday, September 20, at the First Methodist Church basement in Munday for an organizational session.

Lynn Parker called the meeting to order. Business items handled included deciding on a new name for the group. Members voted to call themselves the Clever Cover Club.

The 4-H pledge was led by

Miss Hertel Honored With Tea, Shower

Dee Ann Hertel, bride-elect of Rick Annett, was honored with a gift tea in the home of Mrs. Kenneth Baker on Sunday afternoon, September 25.

Mrs. Baker greeted guests and presented them to the honoree, her mother, Mrs. Robert Hertel, and her grandmother, Mrs. Loretta Albus.

Mrs. Andy Haynie registered guests.

The serving table was centered with a crystal bowl holding an arrangement of silk flowers in the bride's chosen colors of burgundy and rose. Appointments were crystal.

Serving punch and cookies were Kerri Urbanczyk, Karla Blake, Kristi Smith and Kelli Smith.

Hostesses for the occasion were Mmes. Kenneth Baker, Joe Birkenfeld, Clarence Brown, Walter Brown, Philip Bruggeman, Doris Dickerson, Byron Gass, Gene Haynie, Philip Homer, Earlene Kuehler, M. C. Kuehler, Maynard Moore, Bobby Owens, Julius Pennartz, Louis Redder, Albert Schumacher, Richie Smith, Marvin Urbanczyk, Mike Urbanczyk, John Ed Wilde and Marvin Zeissel.

Miss Hertel was the honoree at a kitchen shower on Saturday afternoon, September 24, in the home of Mrs. Clarence Brown. She and several of her friends enjoyed visiting before being served delicious cake and punch.

Assisting Mrs. Brown with hostess duties were Mrs. Sonny Blake and Mrs. Mike Urbanczyk.

Moran To Celebrate 100th Year

The West Central Texas town of Moran will celebrate its 100th year Saturday, October 8, 1983 with a full day of activities. The centennial observance is being held in conjunction with the regular Ex-Students Homecoming.

A parade at 10:00 a.m. will kick off the day's festivities. A reception from 9:00 a.m. to 1:00 p.m. at the Community Center will honor Moran ex-students and former citizens of the town. The afternoon will be occupied with the Homecoming meeting at the Moran school gymnasium, followed by a barbecue supper. The Ernest F. Pettit Post, American Legion, will sponsor a street dance beginning at 9:00 p.m.

Established as a farming and ranching community in 1883, Moran, located in southeast Shackelford County, achieved prominence in the emerging petroleum industry in 1910 when the old Texas Company's (now Texaco, Inc.) Cottle No. 1 blew in for 2,000,000 cf of gas per day. This well, marked with a Texas Historical Marker, opened the Moran Field, which became the nucleus for the vast operations of Texaco, Inc. During Moran's boom town years, citizens from every state in the union ballooned the town's population to an estimated 4,000 people.

The Moran Ex-Students Association, with the help of newspapers throughout Texas, is attempting to notify all persons having Moran connections, of the approaching Centennial Celebration and Homecoming.

Economic Program To Look At Microcomputer Use

The 1983 annual meeting of the Rolling Plains Economic Program will highlight the latest information on microcomputer use in management - software and hardware selection - Thursday, October 6, 1983.

The day-long program at the Vernon Regional Junior College will include workshop sessions on crop management software review and demonstration, livestock management software review and demonstration, farm and ranch accounting application, electronic worksheet application and microcomputers and the family. Officers for the 1984 R-PEP year will be elected during the general business session.

R-PEP is a regional organization sponsored by the Texas Agricultural Extension Service to promote economic growth and development and improve family living in a 30-county area. Dick Yeager of Vernon, R-PEP chairman, and Jim Schur of Seymour, vice-chairman, will preside over the meeting.

Registration begins at 9:00 a.m. in the lobby of the College Administration Building. Those wishing to attend should pre-register at their local County Extension office. The \$6 registration fee includes lunch.

Featured speaker will be Dr. James M. McGrann, Economist-Management, Texas Agricultural Extension Service, College Station, Texas. He will speak on microcomputer use. Program participants will receive actual training on the selection and use of microcomputers to meet their needs.

Bonner Bowden of Broken Arrow, Oklahoma visited his parents, Mr. and Mrs. B. B. Bowden. Mrs. Bowden is a patient at Abilene Medical Center.

Mr. and Mrs. Cotton Smith and Mr. and Mrs. Spike Bryan visited the Elbert Owens family in Lubbock and the Johnny Fields family in Idalou over the weekend. The Smiths' granddaughter, Kyla Fields, was crowned Idalou High School football sweetheart at the Muleshoe-Idalou football game Friday night in Idalou.

TWIRLING FOR THE MUNDAY Junior High band this year are Debbie Cypert, at left, and Angie Partridge. These girls are seventh graders and their parents are Mr. and Mrs. Melvin Cypert and Mr. and Mrs. Wendell Partridge, respectively. This is the first year for Debbie and Angie to be twirlers, both having served as cheerleaders last year.

Weinert F.H.A. News

by Darla Griffiths, reporter

The Weinert Chapter of Future Homemakers of America met Tuesday, September 13, in the home economics room. Mrs. Bettye McBroom was special guest at our meeting.

She did a makeup and color analysis on our sponsor, Mrs. Kerri Urbanczyk. We all enjoyed seeing Mrs. Urbanczyk without any makeup on. It was a very interesting and informative program.

Brownies and punch were served as refreshments after the meeting.

The F.H.A. is still selling spirit buttons. There are plenty available, so if you are interested in buying one, contact any F.H.A. member.

Garden Club To Begin Year With Luncheon

Members of the Munday Garden Club will kick off their club year with a salad luncheon in the home of

Mrs. Larry Thompson. The event is scheduled for Tuesday, October 4, at 11:30 a.m.

Mrs. Weldon Floyd and Mrs. J. T. Offutt are in charge of the program.

All club members and other interested persons are urged to attend.

Leandra Ward Is Selected As Twirler

Leandra Ward, a former Munday High School student, has been selected twirler for the 1983-84 school year at Rogers High School in Puyallup, Washington.

Leandra is a junior at the school which has an approximate enrollment of 2000 students. She and the other two twirlers will perform at various athletic games of the Rogers Rams. The Rogers Rams football team were the 1982 AAA State champions.

Leandra is the daughter of Deborah Ward, now residing in Puyallup, Washington, and the granddaughter of Ellen Clowdis of Munday.

Munday Graduate Attending L.C.C.

Robert Boyd of Munday is among 978 students registered for the fall 1983 semester at Lubbock Christian College.

Robert is a 1982 graduate of Munday High School and is a freshman secondary education major at L.C.C. He is also a member of the basketball team. His parents are Mr. and Mrs. Charles A. Boyd of Munday.

Lubbock Christian is a four-year liberal arts college which was established in 1957. The school is dedicated to excellence in education, with emphasis on the spiritual and personal development of each student.

Junior High, JV Action

The seventh grade Braves were defeated 28-0 by Quannah in their third game of the season.

Coach Bill Kingston said these boys are playing hard and are improving, but need to gain more experience. Some alignment changes may be made this week to help the boys feel more comfortable at their positions.

Munday's eighth graders defeated Quannah 46-12. Kingston said this was probably the eighth grade team's best game of the season. Trey Thompson had an outstanding night, and the line showed much improvement in their blocking. This team is on its way to having a very successful season.

Both junior high teams will travel to O'Brien on Thursday (today), September 29, to face the Knox City-O'Brien Middle School squads. The seventh graders will kick off at 5 p.m., and the eighth grade game will follow.

The Munday junior varsity Moguls won their first game of the season with a come-from-behind 14-12 victory over Quannah.

Coach Kingston said the JV's have been playing hard all year and have been improving in each game. They have been practicing against the varsity, learning to execute the new system, and this paid off last week.

Jim Earl Dockins scored the first touchdown on a run and kicked his own PAT. The other score came on a pass from quarterback Jeff Bruce to Adam Campos, and Dockins again kicked the point after.

The junior varsity will try to repeat their win at 7:30 p.m. Thursday at Electra.

Coach Edwards Comments

In our game with Forsan, the Moguls had an excellent performance in view of the fact that two of our key players were out with injuries. Everyone pulled together to take up the slack, and our backup players did a fine job. The coaches were very proud of their effort.

Our choice for Mogul of the Week is Tim Collier. Tim had a real good game both offensively and defensively, intercepted two passes and scored three touchdowns.

The Offensive Player of the Week is Todd Thompson, who also had a big night. He rushed for 170 yards and scored one touchdown.

We had a tie for our Defensive Player of the Week honors. The dual award goes

to Johnny Collier and Greg Urbanczyk, who led our defensive attack against the Buffaloes.

Head Hunter of the Week is Neil Waggoner, another of our young players who is doing a real good job.

Our injured players, Quincy Adams and Ronny Lowrance, are both questionable for this week's game. We are just going to have to wait and see how they progress with therapy.

We face a tough game Friday night. Electra will be an outstanding opponent, and we will have to play another good game to beat them. We appreciate the fans who are coming to the games, and want to urge you to continue your support.

A Dollar is a unique piece of property. We can't eat it, wear it, live in it, nor ride in it. But every Dollar we get our hands on can generate several dollars' worth of Trade Volume in our community if we swap it around among ourselves as long as possible before it has to go off somewhere else to bring in more trade goods that we can't produce. And it is trade volume that makes a community a better place to live and to make a living.

HASKELL WINS 20-0 OVER STAMFORD

The undefeated Haskell Indians kept their record intact Friday night with a 20-0 victory over the Stamford Bulldogs.

Haskell scored the first time they got the ball with quarterback Todd Harris going over from five yards out. Keith Reed scored just before halftime to give Haskell a 14-0 lead. Carl Dever ran 11 yards for the Indians' final touchdown with 1:33 left in the game.

Stamford, a District 7-AAA team, is winless this season, while Haskell is 4-0.

CLYDE SQUEAKS BY ROTAN

When two undefeated teams meet, one must lose. In Rotan it was a tough defensive battle when the Clyde Bulldogs narrowly defeated the Yellowhammers by a 7-6 score.

Rotan's Sandy Turner capped a 71-yard drive with a six-yard touchdown run, but the try for two extra points failed, making the difference in the ballgame.

Clyde came back with a 92-yard drive. Ismael Carrion scored for the Bulldogs and Weldon Wilkerson kicked the PAT.

Clyde led the statistical battle, but both defenses put up valiant goaline stands.

HAMLIN RUNS OVER STANTON

The Hamlin Pied Pipers improved their record to 4-0 with a 46-0 trouncing of the Stanton Buffaloes Friday night.

The Stanton defense kept Hamlin out of the end zone for the first one and one-half quarters, but then the roof fell in on them. Eddie Bolden scored the first Pied Piper touchdown and Ronnie Rister recovered a Stanton fumble on their next possession to set up Bolden's second score.

Third quarter action had Hamlin quarterback Jeff Lawlis hitting Bobby McGee

with a 24-yard scoring pass and Bolden scored his third touchdown of the night. Coy McGee and Tommy Chase also scored for the Pied Pipers in the second half.

ELECTRA PASSES FOR WIN OVER SEYMOUR

The Electra Tigers waited until the fourth quarter to warm up their passing game and break open a tight contest for a 23-6 win over the Panthers of Seymour.

A 21-yard field goal in the second quarter stood as the only score until the last quarter when Charlie Lot took a three-yard pass from Royce Reynolds to give the Tigers a 9-0 lead. Seymour came right back with a 75-yard scoring strike from Russ Greene to Billy Beamon, but the kick failed. Electra scored two more quick touchdowns on a 23-yard pass from Reynolds to Rex Johnson and Charlie Lot's short run near the end of the game.

Electra, who will come to Munday this Friday night to face the Moguls, moves up to 3-1 for the season, and Seymour now stands at 1-3.

WEINERT BEATS PATTON SPRINGS

The Perez brothers and cousins of Weinert combined for a 32-14 win over the visiting Patton Springs Rangers Friday night.

Louis Perez scored three touchdowns, and Ricky and Johnny Perez added one each. All three players are freshmen. Greg Tilley scored the two Patton Springs TD's.

Weinert is now 2-1 for the year and 1-1 in district six-man play. Patton Springs is 0-3.

The remaining District 4-AA team, Paducah, was defeated 14-7 by Crosbyton.

VRJC Plans Nursing Classes

The Vernon Regional Junior College Department of Vocational Nursing is announcing the opening of a new vocational Nursing class for the Greenbelt Vocational Nursing Program. The nursing classes will be held in the old Community Center in Crowell beginning at 8:00 a.m. February 13, 1984. Clinical instruction will be completed in hospitals in Paducah, Quanah, Chillicothe, Knox City and Vernon. A pre-entrance examination, which is required before admission, may be taken in the VRJC Nursing Department. Please contact the department for more information.

An application for admission may be obtained from the Registrar's office or the Nursing Department at the college. Deadline for application for admission is January 27, 1984.

The college is also announcing an innovative program in Vocational Nursing. It is a part-time evening program and classes are expected to begin on January 9, 1984. The classes will be offered on the Vernon campus from 4 o'clock in the afternoon until 10 p.m., four days a week, Monday through Thursday.

The length of the program is scheduled to be eighteen months and is aimed at those people who are employed during the day and who wish to remain in their jobs.

The class will be limited in number of students. Applications are being received at the present time and appointments are being made for administration of the pre-entrance examination.

Those interested in more information about either nursing program should contact the Vocational Nursing Department at Vernon Regional Junior College, Vernon, Texas 817-552-6291, Ext. 267.

PUBLIC NOTICES BECAUSE THE PEOPLE MUST KNOW

PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that San Miguel Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective October 4, 1983, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. The Utility owns and operates an electric generating plant providing electricity to one class of customers comprised of South Texas Electric Cooperative, Inc. (STEC) and Brazos Electric Power Cooperative, Inc. (Brazos). STEC and Brazos are affected by the proposed rate changes. 27 other electric cooperatives and 7 cities receive power from STEC and Brazos for distribution to retail customers in Texas. The Utility expects an additional 14% in revenues as compared to adjusted revenues for the period July 1, 1982 through June 30, 1983.

Implementation of the proposed changes is subject to approval by the Public Utility Commission. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas.

Local Cancer Society Unit Installs 1983-84 Officers

The Knox County Unit of the American Cancer Society enjoyed a salad supper at the Munday Methodist Church for their first meeting of the new club year. Club president, Katherine Smith, presided over the business meeting.

Officers reported the progress made during the past year. Frances Coffman, educational chairman, said several schools had cooperated by making it possible for students to see films on cancer, and the films were also shown to various senior citizens and church women's organizations.

Bertha McKinney, treasurer, reported \$5,106 donated during the cancer crusade and \$810 collected for memorials, resulting in a total of \$5,916.00 given during the year.

Louise Moore and Beverly McGaughey gave a report on their attendance at the district meeting in Wichita Falls in August.

Bertha McKinney presented Certificate of Authorization Rites for 1983-84. New officers are Katherine Smith, president; Beverly McGaughey, vice-president; Loyd Clark, secretary; Bertha McKinney, treasurer; Frances Coffman, educational

chairman; and Shirley Amer-son, memorial chairman. Mrs. Smith appointed Beverly McGaughey as rehabilitation and service chairman and Louise Moore as chairman for the Great American Smoke-Out.

The board member list was brought up to date with 19 members. Appreciation was extended to Dr. Hooker and Rev. Don Travis for their time as medical and religious representatives.

Special awards for distinguished service were presented to Myrtle Everett, Katherine Smith and Bertha McKinney.

The next meeting was set for 6 p.m. Tuesday, October 25, at the Munday Methodist Church. Another salad supper is planned.

Attending the meeting were Valeria Hertel of Rhineland, Beverly McGaughey and Louise Moore of Munday and Loyd Clark, Katherine Smith, Frances Coffman, Dene Hudson and Bertha McKinney, all of Vera.

TAKING A BREAK at the New Mexico state line are the weary group of Knox County motorcyclers. The Munday Mogul sticker on the back of one of these machines probably raised lots of questions in Colorado.

Shown from left are Michelle Haskin, Nell Haskin, Calbert Haskin, Mark Haskin and Byron Gass. Shirley Gass took this shot and thus saved herself the embarrassment of being seen by all of our readers!

Call Of The Road Beckons Local Motorcycle Buffs

It's not unusual for persons who have to live in our hot Texas summers to travel to the cool mountains of Colorado for a vacation. But three local couples made use of a different mode of travel for their trip.

Byron and Shirley Gass, Calbert and Nell Haskin, and Mark and Michelle Haskin recently returned from a week-long trip that spanned close to 2,000 miles - all on motorcycles.

Using a tour mapped out in a motorcycle magazine, they drove their bikes through

much of the Colorado Rockies. From Wolf Creek Pass, a spot on the Continental Divide in the southern part of the state, they went on west to Durango and followed the Million Dollar Highway up through Silverton and Ouray, on the Montrose and east to Gunnison, then came home through Santa Fe, New Mexico.

These couples made a similar trip last year, and decided that, as Nell Haskin put it, motorcycles are "the only way to go. You see so much more on a motorcycle than

you do from a car."

Shirley Gass concurred, saying, "For one thing, you're not visiting. We don't even have a radio on our bike, so it's just Byron and me and the wind. You notice a lot more."

The wind did bother them some in Clayton, New Mexico, which is just west of the Texas border. They said they couldn't have had nicer weather for most of the trip, running into a rain shower just once, that in Southfork, Colorado, and it turned into a hailstorm. But mountain storms are often over quickly and they were able to wait it out.

A highlight of the trip was an excursion down to the bottom of Black Canyon of the Gunnison. This canyon is very deep, and the descent is on a 14% grade. "That was the only time I began to wish we hadn't tried something," Nell said.

Another side trip was taken on a jeep at Lake City, Colorado. This took them into mountainous territory which could only be reached in a 4-wheel-drive vehicle. More beautiful scenery was enjoyed here. The aspens in the higher elevations were beginning to take on their full colors and Shirley said they were a breathtaking sight.

The only trouble they had on the way was when Mark Haskin's motorcycle lost a clutch cable in Lake City, and his parents had to ride into Gunnison, a distance of 55 miles, to get a new one. This caused them to be a little

late getting into Sante Fe, and they had to skip a tour of that area. With the extra 100 or so miles, Calbert and Nell's bike showed a distance of 2,002 miles traveled when they arrived back in Goree.

The first day's journey, from home to Trinidad, Colorado, was over 400 miles. The women claimed they were not real tired or sore when they got off the bikes, but Nell admitted "it doesn't hurt" to be in good shape before beginning such a trip. They usually traveled about 40 or 50 miles before stopping to take a break, and once in the mountains, "we stopped on every mountain pass to take pictures." Some nights were spent camping out on the trail, but the travelers did take advantage of a motel or two.

Nell said she thought one of the things the men enjoyed most about the trip was that even though the bikes were equipped with saddlebags, they weren't large enough to hold souvenirs. "Every time we wanted to buy something, they'd say, 'There's not enough room,' so we couldn't spend very much money." But Shirley added that she "sneaked in some things for my kids and grandkids!" She said the women had decided they might need to take knapsacks next time.

Speaking of next time, the couples are already planning their next trip. They have decided to go further north in Colorado, taking in the sights around Denver and north of that city. Just from listening to them talk, the excitement from the past trip should carry them over until the time comes for another.

"Some people think we've lost our minds," Shirley laughed, possibly referring to the fact that two of these adventurous couples have grandchildren. "But we don't feel that way. We had a ball!"

Services For Mr. Cowan Held Thursday

Hurschel Cowan, 77, a retired farmer and resident of Munday, passed away at 4:20 a.m. Tuesday, September 20, at West Texas Medical Center in Abilene.

He was born September 4, 1906, in Bartlett, Texas. He moved to Haskell County in 1920 and to Knox County in 1979. Mr. Cowan married Ina L. Dingus on June 25, 1927, in Goree, and was a member of the First United Methodist Church in Munday.

Services were held at 3 p.m. Thursday, September 22, at the First United Methodist Church with Rev. Alby Cockrell of Seymour officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley-Smith Funeral Home.

Serving as pallbearers were David Earle, Bobby Hutchinson, Tom West, Tommy West, Allen Beaty and Billy Paul Cypert.

Survivors include his wife; a son, Harry Lynn Cowan of Atlanta, Ga.; a daughter, Mrs. Nancy Kay Earp of Euless; a brother James Woodrow Cowan of Austin; two sisters, Irene Cunningham of Seymour and Geneva Brooke of Sweeney; and four grandsons.

Letter To The Editor

Mr. Waggoner,
Just a note to tell you how much I, B. and I enjoy our home town paper. I spent 52 years in Munday and Bro. Graves (as you would know him) lived there 11 years. Munday is where we will most likely retire.

I want to share with you a little bit about my dad and if you think it's worth your time perhaps you would publish it.

My Dad will be 80 years old the 28th of this month. His children and grandchildren were at the family home Saturday, September 17th, to help him and my mom, who was 77 on September 4th. Daddy has lived in Munday all of his 80 years.

My Mom and Dad were married 61 years last July 5. They have been wonderful and beautiful parents, and they love Munday, Texas.

Oh yes, my parents are Mr. and Mrs. J. L. Yost.

Sincerely
Mildred Graves
(Editor's note: Congratulations, Mr. and Mrs. Yost, on your 61 years of marriage, and we wish Mr. Yost a very happy birthday. Hope you both celebrate many more!)

Letter To The Editor

Dear Editor:
Enclosed is a money order for ten dollars for renewal of my subscription to the Munday Courier. We like to keep up on the news of our home town and all the relatives we have there and also the friends.

Sincerely yours,
Mr. and Mrs. Doyle Hood
