

**CUSTOM HARVESTERS**, their crews and families, were treated to a downhome country fish fry by local merchants last Saturday night at the Young Farmers Barn. The crews have been patiently waiting for weeks for the weather to clear and harvest to begin. Local businessmen and the Young Farmers organization decided to host the dinner to express their appreciation and support.

## Appreciation Dinner Held For Custom Harvesters

What do you do to show your appreciation to custom combine crews who return year after year to harvest your crops... who wait out the rain and bad weather... who never complain, just do their job? These were some of the thoughts in the minds of Bob Brown, businessman, and James Smith, farmer, last week as they observed the crews who had waited patiently for weeks to begin the local harvest.

The two men put their heads together and came up with the idea of an appreciation dinner -- or in local terms, a fish fry. After contacting the Brazos Valley Young Farmers to assure the use of their building and volunteers to cook the fish, Brown and Smith got on the phone and called local businesses who support the combine crews. Counting Brown's business, Munday Tire and Appliance, and Smith's farming business, there were 16 merchants and organizations participating in the appreciation dinner.

The affair was held at 7 p.m. Saturday, June 6, in the Young Farmers show barn. Following the "pass the word" invitations, approximately 114 guests registered, representing 10-12 custom combine crews. One of the crew bosses stated that in his 35 years in the business, he had never witnessed such a display of appreciation.

Local farmers would find it difficult to make it through the harvest season without the assistance of these combine crews. Their dedicated service and their patronage of local businesses are only two of the reasons the community united to show their appreciation. There are not many professionals who would patiently wait through day after day of wet weather to harvest another man's crop. These crews did, and for that, this entire farming community is in their debt.

## You Oughta Know - You Live There! . . .

### What Is The Friendliest Place In The State?

In a recent news release from *Texas Highways*, "the travel magazine of Texas", San Antonio tops the list of Texas' Friendliest Cities, followed by Austin, Fredericksburg, Fort Worth, Amarillo and College Station. While this may be true, there should also be a heading entitled "Texas' Friendliest Communities" --- Munday would surely top that list!

Other top ten lists on the *Texas Highways* survey included 'Top Tourist Attraction', 'Favorite Vacation Destination', 'Scenic Drive to Remember', 'Best Accommodations', 'Top Hotel/Motel Chain', 'Choice Camping Area', 'Best Place to See Spring Wildflowers', 'Number One Texan', 'State Symbol', and 'An Offbeat Sight or Site'. Just imagine for a moment applying those titles to our very own community.

The 'Top Tourist Attraction' in Munday would depend on the season of your visit. If it's in the summertime, the top attraction could be the local swimming pool or perhaps in a potato field watching spuds roll out of the ground as they're dug. If it's in the fall, then the answer is easy -- the top attraction would be the Munday Moguls and the Purple Cloud Band!

The 'Favorite Vacation Destination' and 'Choice Camping Area' locally would be one and the same - Miller Creek Reservoir. It may not be the Alamo or Big Bend National Park, but it's the best place around here to go to

## 4-H Dog Project To Begin Next Week

A 4-H Dog Project will begin at 5:30 p.m. Wednesday, June 7, at the Vegetable Research Center in Munday. Following this, meetings will be held each Wednesday from 5:30-7:00 p.m.

Participants will learn how to care for dogs, health care and management, responsibility in having a dog and basic obedience. All youths, ages third grade to 19 years, with an interest in dogs are invited to attend.

No dogs are allowed at the first meeting June 17.

relax and enjoy your family and friends.

As for the 'Best Accommodations', that's simple -- Grandma's house!! And even though there's only one hotel/motel around, it would be the best even if there were a dozen, 'cause it's locally owned and operated. . . and that means lots of country charm!

A 'Scenic Drive to Remember' would be a drive down any residential street in Munday. There you would be quick to notice lots of happy, laughing children and neighbors helping neighbors. And if you want to see an 'Offbeat Sight or Site', just drive down Main Street and check out the clean sidewalks, the colorful planters full of fresh flowers and the friendly atmosphere of the Downtown Park -- that's something you won't see just anywhere!

As for the 'Best Place to See Wildflowers' . . . they're usually evident in abundance on any Farm to Market Road near Munday. Nature's display of every color imaginable from deepest red to purest white to brightest yellow will delight your senses.

That brings us to the 'Number One Texan' and 'State Symbol'. These two categories could overlap if you're from this area. No doubt both could easily be filled by the Munday Moguls.

Local citizens are might proud of our community, and it's easy to see just how a survey conducted here would tally. Munday would come out the winner --- hands down -- in every category!!

## City Sets Guidelines For New Dumpsters

*(Guidelines have been established by the City for the newly installed trash dumpsters. To further explain, the following article was written by Jim Slayton, City Administrator.)*

The moment we've been waiting for has finally arrived. . . the new garbage truck and dumpsters are here.

The dumpsters should be in place by the end of the week. Please continue to put garbage in your cans until the regular weekly garbage pickup has been completed for this week. Then please start using your dumpster or roll-out cart. If you use your cans next week, they will not be picked up. Pickup days will remain the same as in the past for the time being. The City may change the schedule at a later date if it is necessary.

The lids on the dumpsters have some rules listed on them. However, these rules are not the rules that the City will use. We still will not be able to dispose of grass clippings, brush, leaves, household appliances, fireplace ashes, furniture, dead animals, batteries, tires, motor oil and filters. These items must be taken directly to the Haskell Regional Landfill - with the exception of grass clippings, brush, limbs and leaves. The City provides a place for these items at the City Warehouse every Saturday morning from 9 a.m. to 12 noon. Dumpsters will be periodically checked to ensure that the above items are not being thrown in them. If you notice someone using your dumpster who is not supposed to use it, please record their license number and call it in to City Hall. We will prosecute any and all violations. Fines will be assessed to all responsible parties if violations are found.

The dumpster that is assigned to you is your responsibility. The location of the dumpsters may be changed by the City if we feel an adjustment is necessary. No one else is allowed to move a dumpster.

We regret that there are a few people who are unhappy with the dumpsters or their location. Please feel free to call or come by City

Hall if you have constructive suggestions to offer. Thank you for your patience and cooperation.

## Rains Continue . . .

### Miller Creek Reservoir Five Feet Over Spillway

Generally speaking, when you don't like the weather in this part of Texas . . . just stick around 24-hours and it will change. Not so for the past few weeks. Local residents have been forced to "grin and bear it", as the rains continue to fall.

Farmers and custom harvesters have been plagued by the recent stretch of rainy weather. Most wheat and potato fields are floating in water, with more rain predicted.

A check with Dolan Moore of North Central Texas Municipal Water Authority revealed that Miller Creek Reservoir was at 39.01 feet Monday morning. As "full" is 34.54 feet, this reading is approximately four and a half feet over the spillway.

Moore stated that the water is all the way up to the cattle guard by the treatment plant, necessitating employees to use a boat when checking the spillway. Not

only that, but the water is still coming! Run-off rainfall will continue to pour into the lake for the next few days, bringing the water level even higher. Moore expects this to be the third year in a row for the lake to be running over on the first of July.

Elsewhere around town, evidence of the weather continues to build. Quality Implement had water inside the building Monday morning, following the heavy weekend rains. Some farm to market roads in the area were virtually impassable, except with four-wheel drive vehicles. Also, firemen were called to the home of Chris and Penny Phillips, east of town, during the Sunday afternoon storm after lightning struck the residence.

Long-range forecasts call for a wet month, with rain predicted all through June. Now, that's a lot of grinning, folks!!!

## Gardners Move To Pampa . . .

### Barrett Named Pastor Of Local Methodist Church

Steven Barrett has been appointed pastor of the First United Methodist Churches in Munday and Goree, succeeding Loren Gardner. Gardner, who served the Munday church for three years, has been appointed pastor of Pampa's St. Paul-Lefors United Methodist Church.

Barrett previously served as pastor at Darrouzett United Methodist Church for two years.

Also, Jim K. Teeter has replaced Byron Putnam as pastor of the Knox City-Benjamin-Vera

United Methodist Church. Teeter previously served at Petersburg (TX) Carr's Chapel for two years.

A total of 57 new appointments were announced recently during the 83rd Session of the Northwest Texas Annual Conference of the United Methodist Church. The Abilene district, which includes Munday and surrounding towns, had the most new appointments with thirteen.

**FHA'ers Attend Tech Workshop**

Five Munday FHA'ers, accompanied by Mrs. Penny Winchester, were among the elite group to attend a leadership workshop June 4-6 at Texas Tech University in Lubbock.

The workshop, sponsored by the school of home economics, was led by Mrs. Shirley Kountz, national FHA advisor. Focus of the three-day event was on leadership, self-esteem, star events and the power of one. Each student participated in the leadership presentation.

The Munday FHA Chapter would like to express their gratitude to local sponsors who made their trip possible. These include the First National Bank of Munday, Beauty's Grocery, West Texas Utilities, Knox Prairie Co-op and Knox County Farm Bureau.

Attending the workshop from Munday were Tara Alexander, Robin Bowen, Mandy Bradley, Cathy Nelson and Danette Owens.

**ALL AROUND THE NEIGHBORHOOD**

Mr. and Mrs. Jackie Green of Mathis visited his parents, Mr. and Mrs. Dewitt Green, last week. Also visiting on Saturday were Mr. and Mrs. George Green of Olney and Fred Green of Graham.

Bob and Cindy McWhorter and sons, Lance and Mark, of Munday and Cindy's mother, Lorene Hunt of Goree, attended the wedding of Amanda Paterson and Dane Womble in the Faith Baptist Church in Wichita Falls on Saturday afternoon. Amanda is the daughter of Terry and Judy Patterson of Wichita Falls and granddaughter of Lee and JoNell Patterson of Goree.

Jerry and Jeanie Atkinson, Matt and Lee Ann, of Lamesa visited Charles and Margaret Atkinson last week. They all went to Dallas for the wedding of Jeanie's brother, Danny Odle, to Melissa King. The rest of the weekend was spent in Dallas visiting friends. Matt and Lee Ann remained in Goree for a week's visit with their grandparents.

Tanya and Heather Greenwood of Seymour visited their friend, Winnie Lambeth, last Saturday.

Douglas and Butch Beaty visited Jack and Ruby Beaty from Sunday until Tuesday of last week. On Tuesday they went on to spend a few days at Possum Kingdom Lake before returning home to San Angelo. It's nice to keep up with the lives of people who grew up here. Douglas has been a coach and junior high school teacher in San Angelo for many years. His wife, Butch, is a special education teacher in the San Angelo school system.

Jamie Peek visited her parents, Mr. and Mrs. James Peek, and Betsy in Goree this weekend. Jamie was glad she was in Goree when the tornado that struck Vernon did some damage to her apartment complex there. Jamie is currently attending summer classes at VRJC and working toward a nursing degree.

Matthew McCord of Haskell spent several days in Goree last week. He visited his grandparents, Joyce and Tommy Greenwood, his aunt and uncle, Amy and Rickey Redder, and his great-grandmother, Pauline Beecher.

MRS. WAYNE JOHNSON  
... nee Holly Hutchinson

## Hutchinson-Johnson United In Candlelight Ceremony

Holly Hutchinson and Wayne Hubert Johnson were united in marriage Saturday, June 6, 1992, in a candlelight setting at the First Baptist Church in Munday. Dr. Pete Bradfield officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jerry Don Hutchinson and the granddaughter of Mrs. Viola Cude, all of Munday. The groom's parents are Mr. and Mrs. Charles Johnson of Lubbock.

Given in marriage by her parents, the bride wore a gown of white satin featuring a Sabrina neckline adorned with re-embroidered Alencon lace, pearls and sequins. Beaded and sequined Alencon lace motifs trimmed the tulle skirt of the gown. The V-back featured a pearl button closure that gracefully lead to a cathedral-length train with delicately beaded Alencon hem lace. She chose a floral wreath headpiece trimmed with Shiffli lace featuring a folded pouf followed by a two-tiered rolled edge fingertip veil.

The bride's bouquet was a delicate arrangement of white and bright pink roses, calla lilies and baby's breath.

Neisy Rodriguez of San Antonio, the bride's college roommate, served as maid of honor. Bridesmaids were Kimi Moon of Munday, Angela Herricks of Weinert and Dawndra Meers of Lubbock, cousins of the bride, and Marji Miller of Grapevine. They were identically dressed in ballerina length gowns of teal green.

Candlelighters were Alishia Crownover and Jeremy Lowe of Munday. Justin Lowe, also of

Munday, was ring bearer.

Lance Horsford served the groom as best man. Groomsmen were Brad Johnson of Lubbock, brother of the groom; Jeremy Hutchinson of Lubbock, brother of the bride; Bobby Feaster of Dimmitt and Richard Andrews of Spring, Brand Cude of Goree and Shawn Cude of Harker Heights, cousins of the bride, and J.J. Johnson of Lubbock and Damon Patterson of West served as ushers.

The bride's parents hosted a reception in the fellowship hall of the church following the ceremony. The groom's parents were hosts for a rehearsal dinner the night before the wedding, also in the church fellowship hall.

The bride is a graduate of Munday High School and Texas Tech University in Lubbock. She is employed by the Haskell CISD.

The groom, a graduate of Lubbock Coronado High School and Texas Tech University, is employed by the Knox City-O'Brien CISD.

Following a wedding trip to Montego Bay, Jamaica, the couple will reside in Knox City.

## Services Held For Ray D. Ford, Sr., Lifetime Resident

Ray Darrel Ford, Sr., 65, passed away Thursday, June 4, 1992, at his home.

Funeral services were conducted at 10 a.m. Saturday, June 6, at the Munday Church of Christ with A.B. Martin Jr. of Seymour officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley-Smith Funeral Home.

Mr. Ford was born May 1, 1927, in Goree and was a lifetime resident of Munday and Knox County. He retired from West Texas Utilities after 30 years of service. A Navy veteran, he was a member of Veterans of Foreign Wars, Munday Masonic Lodge and the Munday Church of Christ. He was a retired member of the Munday Volunteer Fire Department. He and Patsy Janelle High were married December 20, 1947, in Jacksboro.

Survivors include his wife of the home; one daughter, Kay Beck of Munday; one son, Ray Darrel Ford, Jr. of Whitt; his mother, Etta Ford of San Angelo; two brothers, Jessie of Midland and Robert of Palestine; six grandchildren, Jim Ford of Munday, Kathy Wilde of San Angelo, Aimee Ford of Knox City, David Wilde of the U.S. Marine Corps, and Erin Ford and Jacque Ford, both of Whitt, and one great-grandson, Tyler Ford of Munday.

R.J. Duncan, Jimmy Lynn Stout, Raymond Carden, Mickey Jackson, Marshall Benner and Alvin Jungman served as pallbearers.

County Executive Director

### Failed Acres

If you have planted a crop (especially a program crop), and lost it due to the weather, you should come in and certify the acres and file an ASCS-574. Failure to do so could result in a loss of history and/or program payment.

A non-quota crop planted back on the same ground where a program crop failed is considered "ghost acres" and does not count for any purpose - unless you elect (at the time of certification) to receive planted acreage credit.

The ASCS-574 must be filed before you destroy the remains of the crop.

The final planting date for cotton and grain sorghum is June 20, which means that if you have lost your crop, you must continue trying to replant until June 20 if conditions permit. It does not mean that you cannot plant after June 20.

### Prevented Planting

Prevented planting applications for cotton and grain sorghum may be filed June 22 through July 6.

### Estimate Your "Fat Cap"

Estimating the recommended amount of fat in your diet can be complicated. Kristen McNutt, president of the nutrition education and health marketing firm Consumer Choices, Inc., has suggested the following simple way to arrive at a rough estimate of your limit on the calories from fat that you can use, or your "fat cap".

Step 1 - Write down your daily caloric intake. (For example, 1,500.)

Step 2 - Cross out the last digit in the number for the daily caloric intake. (In this example, 1,500 becomes 150.)

Step 3 - Divide by 3 to get your "Fat Cap". (150 ÷ 3 = 50 grams of fat.)

In the above example, the person calculating his or her "fat cap" has found that the appropriate fat consumption per day is about 50 grams.

For small framed or sedentary people, a "fat cap" of 50 grams is generally a good guide, but joggers and people with bigger bodies might be able to use as much as 100 grams per day.

### Facts About Using Sunscreen

Generously apply sunscreen 30 minutes before going outside to give it time to penetrate the skin. Be sure to thoroughly rub sunscreen on the nose, ears, cheeks and shoulders, as they are more apt to get burned. Re-apply sunscreen every three to four hours. Infants younger than six months

should be kept out of the sun and should not have sunscreen applied to their skin.

## Your Trash: Your Lifestyle, Your Choice

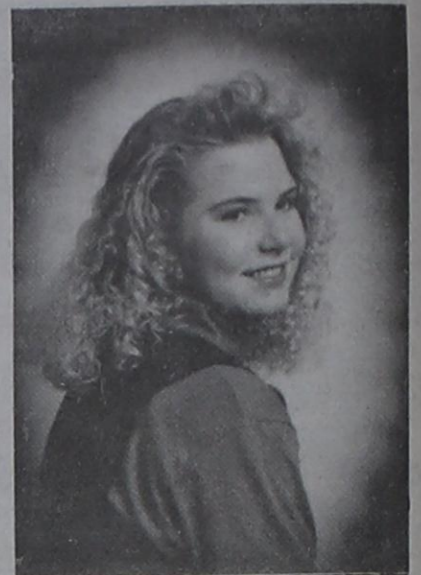

One of the problems of living in a land of plenty is that there is always plenty left over. In fact, America generates more trash than any other nation in the world. The problem is finding the available land to bury this trash.

The Knox County Extension Program Council and Home Economics Advisory Committee will be sponsoring a program dealing with our solid waste problem. The program is scheduled for Tuesday, June 23, 8 p.m., at the Knox County Aging Center, 601 N. Avenue E, Knox City.

Dr. Susan Quiring, Extension Housing Specialist, will be presenting information on reducing, reusing and recycling solid waste. Dr. Quiring will help participants explore ways to reduce, eliminate or manage waste while developing methods for families to recycle goods.

Sponsors of this program urge everyone to mark June 23 on their calendar and to attend this program.

Solid waste disposal is a critical problem in our area and it will require an effort on everyone's part to solve. Join us and learn how you can benefit.

## COURTNEY REEVES Reeves Elected To Student Council

Courtney Reeves, 13-year-old daughter of Bobby and Cathy Reeves of Lubbock, was recently elected Student Council secretary by the 850-member student body of Atkins Junior High. She will attend a week-long workshop at Angelo State University to train for the office.

An honor student, Courtney has received academic awards this year in computer literacy, social studies, Spanish II and citizenship. She was also voted January Teen of the Month and is a member of the Junior National Honor Society. In addition, she served as co-captain of her school's basketball and volleyball teams and was recently chosen to play on an AAU summer basketball team.

Courtney is the granddaughter of Don and Jo Coffman of Goree and Charles and Lea Reeves of Knox City. Her great-grandparents are Ruth Coffman of Goree and Pud and Susie Brockett of Weinert.

MRS. KEVIN WAYNE SMITH  
... nee Jeannie Beaty

## Beaty-Smith Wed In Lamesa Ceremony

Jeannie Maidee Beaty became the bride of Kevin Wayne Smith in an afternoon wedding ceremony conducted May 23, 1992, at the First United Methodist Church in Lamesa.

The bride is the daughter of Mr. and Mrs. Joe L. Beaty of Lamesa. The groom's parents are Mr. and Mrs. Richie Smith of Munday.

GINNA Treadwell of Lamesa registered guests.

Donnie Astin, organist, and Judith Holladay, pianist, provided musical selections for the ceremony. Reggie Vaughan and Jeffrey Brown of Lamesa sang *Somebody*, a song written and composed for the bride and groom.

The couple exchanged vows before a setting of candelabras entwined with silk English ivy and sprinkles of silk blooms in various shades of peach.

Escorted to the altar by her father, the bride wore a white satin gown featuring a sweetheart neckline edged in re-embroidered lace appliques accented with tiny seed pearls and iridescents. The fitted bodice was adorned with point sleeves featuring lace appliques heavily beaded with pearls and sequins. Schiffler lace appliques accented with pearls edged the full skirt which flowed into a cathedral-length train.

The headpiece, created by the bride, featured a band of pearl flowers accented with pearl sprays attached to a veil of silk illusion. To complete her attire, she wore a string of pearls belonging to the

groom's mother.

The bridal bouquet was a free-form arrangement of large silk anthuriums, peonies, crinkle rhodo and gazania in shades of peach, persimmon and seafoam green. Caribbean orchids, ti leaves and sprays of white coral bells accented the bouquet.

Julie Beaty of Lamesa served her sister as maid of honor. Stacy Caldwell of Lamesa, Sally Dyer of Albany and Kelli Ibbott of Fort Worth, sister of the groom, were bridesmaids. They were attired in peach-colored gowns featuring an off-the-shoulder portrait collar that formed a bow. The basque waistline topped the fully-gathered skirt that flowed to a court-length hemline. They carried contemporary bouquets of silk peach flowers.

Ty Bufkin of Munday, nephew of the groom, served as ring bearer. Ashley Beaty, sister of the bride, and Levi Beaty, cousin of the bride, both of Lamesa, were candlelighters.

Richie Smith of Munday served as his son's best man. Groomsmen were Trey Dyer of Albany, Robert Hamill of Abilene and Brad Ibbott of Fort Worth, brother-in-law of the groom. James Steward of Lubbock, Manuel Hernandez of Denton, Terry Bufkin of Munday, brother-in-law of the groom, and Wade Machen of Lamesa served as ushers.

The groom wore a double-breasted black tuxedo with black accessories and a miniature an-

thurium boutonniere accented with Caribbean orchids.

The groomsmen were attired identically to the groom and wore peach silk roses for boutonnieres.

A reception was held in the Fellowship Hall of the church following the ceremony.

The bride's table was covered with a floor-length floral tapestry cloth in peach and seafoam green. A traditional white wedding cake adorned with peach silk bouquets graced the center of the table. Peach colored punch was served from a silver bowl by Shelley Childress and Julie Lightfoot, both of Lamesa.

The groom's table was covered with a seafoam green cloth. Chocolate cake and coffee were served by Kristi Bufkin of Munday, sister of the groom, and Dee Ann Annett of Denton, cousin of the groom.

The groom's parents hosted a rehearsal dinner Friday evening

at LaFamilia in Lamesa.

Following a wedding trip to Jamaica, the couple will make their home in Clyde where the groom is employed at Bailey Funeral Home. The bride is currently attending Howard College School of Nursing in Brownwood.

The couple was honored with several pre-nuptial showers. A surprise kitchen shower was held in honor of the bride April 24 at Howard College. Hostesses for the event were school officials and members of her LVN class.

Two bridal showers honored the couple. One was held April 25 in the home of Susan Branon in Lamesa, and another took place May 3 at the Perry F. Patton Community Center in Munday. Also, a family shower was held May 9 in the home of Mr. and Mrs. J.D. Nix, and a lingerie shower took place May 10 in the home of Brenda Williams, both in Lamesa.

## At Your Service

by Dr. Larry Fitzgerald  
Minister, Munday Church of Christ

Q: My life has been one struggle after another. Will I ever accomplish one of my goals and make something of my life?

A: I don't know you, personally, nor do you tell me what your life's goals are. But God does not guarantee that you will accomplish any worldly thing (despite what some "positive thinking" people preach).

However, if you reach the point in your life in which you can say, along with the inspired apostle Paul, "For to me to live is Christ, and to die is gain" (Phillipians 1:21), then you will develop a profound philosophy of life.

If your aim, purpose and sum of life is Christ, then you will realize life-goals which are eternal and

are not temporary. Such a philosophy makes life worth living and makes death less of a threat. And it gives understanding to the passage "I can do all things through (Christ) who strengthens me" (Phillipians 4:13).

If you have a question for Larry, write him c/o Box 211, Munday.

### Truscott-Gilliland News

By Mrs. Clara Brown

#### FORMER RESIDENT DIES

Billie Shaw, former resident, passed away Sunday, June 1, in Graham. She was buried at the Gilliland Cemetery Tuesday, June 3.

Billie Frances Christopher was born May 28, 1928, at Whitewright, Texas, and later lived in Seymour. She and Alfred Elmo Shaw of Gilliland were married July 9, 1953. They lived east of Gilliland for many years and also lived in Truscott several years.

She is survived by two daughters, Christy J. Shook of Crowell and Tracy M. Smith of Graham and six grandchildren, Cody, Zane and Lin Shook of Lillian and Becky, Terry and Randy Nell Smith of Graham.

#### NEIGHBORHOOD NEWS

A.L. "Cookie" Cook entered the Seymour Hospital Monday, June 2, and later in the week was transferred to Bethania Hospital in Wichita Falls. His wife, Frances, and children have been with him all week.

J.C. Langston, former resident, has been in the Seymour hospital for several days.

Jodie Miller spent last Tuesday to Friday in Abilene with her daughter while she underwent medical tests. She will go back Wednesday of this week for a

reading of her MRI test. HER husband, Clarence, has not been well either and both the Miller daughters have been with them.

A wedding shower was held at Benjamin Saturday for Jodie Stone of Gilliland and his fiancée, Susan Whittemore of Munday. Hostesses from Gilliland included Lula Baty, Jo Heard and Beverly Baty.

Newell and June Looney met her sister and brother-in-law, Rachel and Walter Carl Taylor of Farmer's Valley, for lunch Sunday at the Depot in Quanah. June said they saw heavy rain at Quanah and Crowell.

Bill Brown of Brownfield came in Saturday to help his dad, Jack Brown, with the wheat harvest. Saturday and Sunday he mostly helped his dad watch the rain come down and the clouds roll in.

Curtis Casey was in Abilene last Thursday where he had lunch with his sister, Frances, and visited Margaret Todd at Coronado Care Center. Margaret said to say hello to all the folks at Truscott.

Curtis recently had a letter from Kristy Kimmell. She said Johnny is doing better and is trying hard to talk and eat. She hope to make a trip to Truscott some time this summer to visit all their friends in this area.

Curtis received word Sunday that Colleen Branum of Hazen, Oklahoma, passed away Saturday morning. She was the wife of Rev. Ralph Branum, who was pastor of the Truscott Baptist Church in the 1950's.

Bette Adkins of Fort Worth spent the weekend with her parents, Harold and Carrie Barry.

Paul and Ila Mae Bullion were in Lubbock Friday to Sunday. While there, Ila Mae attended a meeting of the West Texas Jamestown Society.

Frankie and Kelly Bullion of Odessa visited Sam and Wanda Billion at Lubbock also. On Saturday, they all surprised Paul and Ila Mae with a cake in honor of their 43rd wedding anniversary.

## Haskell Car Dealer Gets Service Award

Bailey Toliver Chevrolet/Olds in Haskell was recently named recipient of Chevrolet's customer satisfaction award.

Gary A. Zimmerman of Dallas, branch service manager for the Chevrolet division of General Motors, presented the award to Mike Crawford, service manager of the Haskell dealership. Accord-

ing to Zimmerman, the award represents "world class" service.

Dealerships were graded on results of feedback from customer questionnaires rating dealers on job performance and job satisfaction. Only 40 of 285 Chevrolet dealerships in the district earned this award.

Other members of the Bailey Toliver team include Sam Toliver, Gary Latham, Sue Smith, Rosemary Brown, George Gray, Randy Huckabee, Wayne Griggs and Joe Gonzales.

### The Lord's Corner

by Dr. Pete Bradfield, pastor First Baptist Church

"Thou shalt love thy neighbor as thyself" rolls off the tongue with a familiar ease. But putting it into practice is another matter. Of all God's commands, it may be one of the most difficult to keep. The reason? Because LOVING your neighbor means you must be INVOLVED IN THE LIFE OF your neighbor. That's hard to do because a human being's natural tendency is toward SELFISHNESS, not SELFLESSNESS.

Even if you live alone, there are people around you who need your loving involvement. Put God's command to love your neighbor into practice today by seeking out someone who needs help with yardwork, housework, or homework. Assist them in love . . . and treat them as you would yourself.

See you next week, and remember: the primary test of life is not service, but love for both man and God.

# Benjamin News

By Mrs Gladene Green

Our sick friends this week continue to need our prayers. Nell Hudson is a patient at Bethania in Wichita Falls, being transferred there Thursday from Seymour. Nell is, no doubt, facing more surgery, but the doctors hope to build her up more before they operate. Her children, Johnny Tom of Pilot Point, Belle Zoch of Killeen and Danny of Benjamin and granddaughter, Selina Detwiler of Paducah, have been with her this week.

Johnnie Williams returned home Monday after surgery and several days stay in the Seymour Hospital. She's improving daily and hopes to be back "good as new" before long.

Olga Bivens returned home Wednesday after several days stay in the Haskell Hospital. She fell and sort of "bruised" herself pretty badly, but was feeling better when I talked to her.

Dub Cartwright was in Lubbock Tuesday for some tests. The results were negative, so he's feeling much better!

Leroy West was in Abilene's Hendrick Medical Center Tuesday and Wednesday for tests. No results on his yet, but we're all hoping he gets favorable reports.

Sammy Pierce continues his improvement since surgery a few weeks ago. Still tires pretty easily, but that's to be expected after surgery.

Hes Hall seems to be doing pretty well. With all his problems, he feels he has accomplished a lot when he's able to be out and about.

Omitene Barnett received word last Monday of the death of her sister-in-law, Mrs. Howard Barnett in Fredricksburg. We send sympathy to Omitene.

**BIBLE SCHOOL**  
Fifty young folks enrolled last week for Vacation Bible School at the First Baptist Church in Benjamin, and the average daily attendance was 42.

Missy Smith was director for the three-day school and her faculty included: Eunice Friday, nursery coordinator; Shari Brown, Pre-school director; Shari Brown, Pre-school teacher; Joy Jones, Children's director; Peggy Gillespie, DeeAnn Lamb and Susan Cartwright, children's teachers; Kim Smith, youth director and teacher; Tammy Lyles, arts and crafts; Earlene Meinzer, Pearl Ryder, Rosalie Golden and Regina Golden, refreshment committee. John Gillespie is the pastor of the church. Nancy McCreger was music director for VBS and David Leathers was pianist. VBS Commencement was held Wednesday night. Special thanks go to all who helped in any way. It was truly a success this year!

**HERE 'N THERE**  
Recent guests of Rex and Maretha Patterson were Weldon and Margie Patterson of Fresno, California, Sharon Johnson of Alpine, Lorene Powers of Midland, Jimmy and Helen Green of Guthrie, Lee Bivens of Haskell, Reba Nix of Munday and Leon Bivens and Sonny Bufkin of Benjamin.

Butch Duke of Levelland visited his mom, Clodell Duke on Saturday. He and his wife were in the area for Knox City's homecoming.

Kate Grill, who is attending

Midwestern University in Wichita Falls for six weeks under the Spectrum Program, was a guest of her parents, Benny and Belle Grill, over the weekend.

Jack and Mary Young, Dutch and Imagean Young, Dee Ann and Anthony Lamb and Pat Benson attended the Young family reunion at Lewisville Lake during the weekend.

Tracy and Susan Cartwright and family visited his brother and family, Terry, Dee Ann and Chase Cartwright in Plano during the weekend.

Tres Pierce spent the weekend with his friend, Lanham Jones, in Canyon.

Will Dutton of Munday spent Tuesday night and Wednesday with my grandson, Cody Taylor of Childress, who is spending a few weeks with me.

Buddy and Janice Tolson have been in Fort Worth several days with their daughter and family, Beverly, Alan and Chloe Baty of Gilliland. Little Chloe is six months old and having some health problems. She is a patient at Cook-Ft. Worth Children's Hospital. Reports are encouraging and it is now thought that she may not have to have surgery as was first thought. We wish Chloe the very best.

Craig Hertel of Lindsey was a guest of his parents, Don and Louise, the early part of the week.

Bo Milson was in Austin over the weekend to visit her daughter and family, Kelly, George, Sam and Ben Slade. She attended Sam's graduation from Kindergarten to

first grade on Thursday night.

Our latest donors to the Cemetery Association are Zell Barton, Danny and Anne Allen and Kenneth and Jessie Roberts.

**REMINDER**

On Friday night, June 19, during Homecoming, there will be a snack table available for our guests. A committee will attempt to contact everyone for donations to this finger food assortment, but

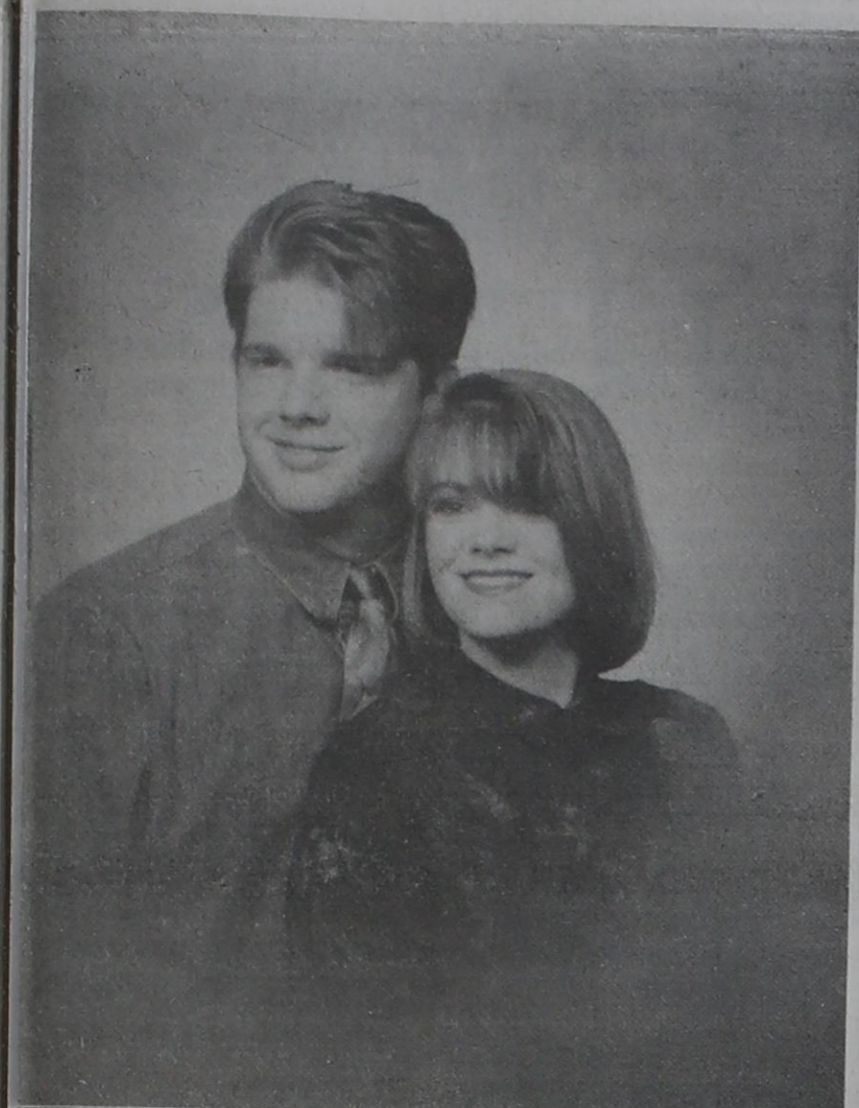

if we fail to call you, please don't feel slighted -- just bring your goodies by the Memorial Building anytime after 5 p.m. on the 19th. Sandwiches, chips, dips, relishes -- anything easy to eat and good will be very welcome.

And speaking of homecoming, Nancy McCreger asks everyone who is interested at all to take part in the parade on Saturday afternoon at 3:00 p.m.

**Thank You!**

Once again I would like to thank my wonderful friends for your cards, flowers, calls, visits, food, and especially your prayers, during my surgery and since I came home. Your thoughtfulness is appreciated, and I thank you from the bottom of my heart.

Bea Mitchell

**ENGAGEMENT ANNOUNCED:** Mr. and Mrs. Travis Floyd of Conyers, Georgia, announce the engagement and approaching marriage of their daughter, Misti Dawn, to Mark Douglas Presley, son of Mr. and Mrs. Jerry Presley of Easton, Pennsylvania. Miss Floyd is the granddaughter of Mrs. Faye Johnson and Mrs. Willie (Floyd) Smith, both of Munday. A graduate of Easton Area High School, she received an associate's degree from Penn State in Allentown, Pennsylvania, and is presently employed by Straight Arrow Products. Her fiancé graduated from Easton Area High School and Lincoln Institute of Technology. He is employed by Foster Wheeler of Clinton, New Jersey. The couple plan a July 25, 1992 wedding.

**The Cross and The Flame**  
First United Methodist Church  
Munday, Goree  
**Loren Gardner, pastor**

"Praise the Lord, O my soul, and forget not all his benefits - Who... heals all your diseases..." (Psalm 103:3, 3b)

To realize that God does "Heal all your diseases" is rather a startling statement. Some might ask "If God heals all diseases, why am I or someone I love still sick or handicapped?" Certainly this is a legitimate question, one that deserves consideration.

First of all, physical healing is not always the same for every person. What many are looking for is a restoration to a physically "whole" state, such as: the terminally ill, completely cured; the lame, walking; the blind, seeing; etc.

Sometimes healing comes in spite of the disease and even through the "hurt" (handicapped condition as might be the case). For example, I knew a lady whose body had been crushed in an accident and there was no way the medical doctors could restore her damaged joints and limbs. Her testimony was that the "healing" came as she was able to find joy and meaning in life, even confined to a bed most of the time. (She was one of the greatest "prayer warriors" I've ever known.)

Now this is not to say it is impossible for God to restore to perfect physical health and wholeness, but that often it is "putting God to the test" to expect such supernatural intervention into the natural world. (For example, to ask God to "grow another arm" for a person whose arm has been amputated.)

We do not "tell God" what to do, how to heal, when to answer prayer. We do not command God, we can only praise Him, confess our need for forgiveness and healing, and lay our petitions and intercessions before Him, always seeking His will in our lives. We must remember that God loves us, that He is faithful, that indeed, He "heals our diseases" - in His time and in His way.

**HERE'S HOW:**

- Check your home for adequate insulation — R-30 is recommended in the attic.
- Help your cooling system's efficiency by caulking and weatherstripping. Infiltration of outside air is your air conditioner's greatest enemy.
- Help keep the cost of cooled air down by setting your thermostat at 78° or higher and clean your air conditioner's filter regularly.
- If your present air conditioner needs replacing, consider an all season electric heat pump. It cools in the summer and heats in the winter and saves you money on your energy bills.

## Don't Forget Social Security When Hiring Household Help

By Patty Brandt, Social Security Representative in Vernon

In millions of families, both the husband and wife now hold down fulltime jobs. Many of these families are hiring household workers to help them care for preschool age children, or to keep up with daily household chores.

What these increasingly typical American families may not know is that when they hire household help, they are probably required to pay Social Security taxes for the person they employ.

"Family employers may not even realize that they are employers," says Social Security Commissioner Gwendolyn S. King. "And even those who are aware of that fact may not know that their household workers are sacrificing valuable Social Security protection when Social Security taxes aren't paid and when employee's wages aren't reported to Social Security. These workers could lose their eligibility for survivors, disability, retirement, and Medicare benefits -- the entire Social Security coverage package."

How does a family who hires household help know if they are considered an "employer" under the law?

Generally, if an employer pays a household worker \$50 or more during a three-month period, that employer must also deduct Social Security taxes and report the wages to both Social Security and the Internal Revenue Service.

Also, people who hire a housecleaning firm should check to make sure that the company is meeting its responsibilities of paying Social Security taxes for their employees.

A call to any Social Security office or to any Internal Revenue Service can clarify individual situations. The area Social Security office can be reached at 817-553-1832.

All Social Security benefits are based on a combination of how long an individual works and the amount of wages reported for him or her by each employer. Even part-time, seasonal, or temporary work can increase the future benefit amount for workers and their families. It also may provide current insurance against loss of income if the family breadwinner is disabled or dies before retiring.

Social Security officials note that household workers should make sure that they are getting proper credit for work and that Social Security taxes are paid on their behalf. They can check their wage records regularly by asking the Social Security Administration to provide a free Personal Earnings and Benefit Estimate Statement that shows year-by-year figures of the actual wages reported to the agency by employers since 1951.

This statement also projects what an employee's retirement benefits may be and estimates what Social Security benefits may be payable to his or her family in the event of a disabling injury or death.

To receive this Personal Earnings and Benefits Estimate Statement, call Social Security's toll-free number, 1-800-772-1213, business days between 7 a.m. and 7 p.m.

### Donoho Receives College Degree

Baylor University in Waco awarded 1,280 degrees to students at the close of the spring 1992 semester.

Among those graduating was Jay Lambeth Donoho, son of Mr. and Mrs. Doug Donoho of Munday. Jay, a Munday High School graduate, received a Bachelor of Science degree.

## VERA NEWS

By Mrs. Thelma Coulston

Murl Jr. Trainham of Azle spent Monday through Sunday with his grandparents, Mr. and Mrs. J.L. Trainham. Murl and Nancy and daughter, Brandy, came for him over the weekend.

Mr. and Mrs. Carl Coulston visited Friday night and Saturday with a son, the Jim Coulstons in Sanger.

Word has been received of the death of Dan McGaughey, 96, who passed away Saturday at his home in Las Vegas, Nevada. Memorial services were held Tuesday in Las Vegas. Dan was the son of Mr. and Mrs. J.N. McGaughey, early settlers in the Vera community. He is survived by his wife; a son, Morris of Las Vegas; a daughter, Kathlee of California; two brothers, James and Bob, both of Vera, and a sister, Mrs. Nan Trainham of California.

Orville Dear of Knox City was guest speaker at the First United Methodist Church Sunday morning. His wife, Frances, accompanied him.

Mr. and Mrs. Jerrell Trainham and Jerrell Wendell were business visitors in Wichita Falls Saturday.

Recent visitors of Mrs. Bertha Faye McKinney were her mother, Mrs. Willie Jennings, and a friend, Mrs. Ovada Webb, both of Rule and Orville Emerson and a friend, Billie Wise of Fresno, California.

Christine Trainham graduated from the University of Dallas in Irving Saturday, May 16, with a BA degree in Art. Her printmaking works were on display at Haggarty Art Center Gallery in Irving April 27 through May 17. Christine is the wife of Thomas Trainham, grandson of J.L. and Joyce Trainham of Vera. Eric and Jan Trainham of Nash were present for their daughter-in-law's graduation ceremony.

Mrs. Violet Patterson visited

Wednesday and Thursday with her mother, Mrs. Tom King and Kay Pruitt in Munday.

Ladies of the community who made blocks for the county school quilt to be given away were Wilma Beck, Faye Robertson, Katherine Smith, Lula Grace Trainham, Betty Kuykendall, Mary Bratcher and Aleitha Beck. Edith Beck did embroidery for the seven Vera schools.

Each person making a donation to the county museum will receive a quilt ticket for each dollar donated. One lucky ticket holder will then receive the treasured quilt.

### Schumacher Is Honor Graduate

Douglas A. Schumacher graduated Cum Laude from the University of Texas at Arlington on Saturday, May 16, 1992, with a Bachelor of Business Administration degree in accounting.

Douglas, a 1987 graduate of Munday High School, will be employed by Ernst & Young in Fort Worth. He is the son of Mr. and Mrs. Albert Schumacher of Rhineland.

A good reputation is more valuable than money.

## Farm Master Universal Oil Eliminates Misapplication

### PREMIUM PROTECTION FOR MOST FARM EQUIPMENT

Farm Master is a universal oil. This one multi-purpose oil replaces the two or three products normally used to lubricate modern and older farm equipment. Farm Master Universal Oil is formulated to protect the engine, transmission, hydraulic system and rear axle. And it's performance guaranteed when used as directed.

Farm Master Universal Oil can be used in most farm equipment including tractors, harvesters, threshers, combines and balers. It can also be used as an engine oil in pickup trucks, but it is not recommended for use in automatic transmissions requiring Dexron II or Mercon, or in differentials requiring GL-5 quality gear lubricant.

Farm Master has been thoroughly field tested to ensure safe and effective use for the recommended applications. It is available in SAE 15W-40 viscosity grade.

Farm work is made simpler with Farm Master Universal Oil. There's less inventory of lubricants and less chance of misapplication. Plus, servicing of equipment is made easier.

**Services Held For Former Resident**

Annie L. Crouch, 92, passed away Wednesday, June 3, 1992, in a Wichita Falls nursing home. Services were held at 11 a.m. Friday, June 5, at Hampton-Vaughn Funeral Home in Wichita Falls with the Rev. Roger Deenwater, pastor of the First Baptist Church of Archer City, officiating.

Graveside services were conducted at 2 p.m. Friday in the Goree Cemetery.

Mrs. Crouch was born November 25, 1899, in Barren County, Kentucky. She was one of twelve children born to Russaw and Sycbe Proffitt, only two of whom are still living.

A homemaker, she moved to Wichita Falls in 1980, where she was a member of Allendale Baptist Church. She and her husband, George F. Crouch Sr., were former longtime residents of Goree, where he was a barber. He preceded her in death in 1976. She was also preceded in death by two sons, Jackie Donald in 1941 and George Jr. in 1966.

Survivors include three daughters, Leone Latham of Andrews, Katherine Cox of Dallas and Billie Yates of Wichita Falls; two sons, Heard and Jimmy, both of Wichita Falls; a sister, Onie Lee Baxley of Modesto, California; a brother, Adis Proffitt of Childress; 16 grandchildren; 28 great-grandchildren; 16 great-great-grandchildren and one great-great-great-grandchild.
