TONYA KUEHLER, Senior Class nominee, was crowned 1991 Homecoming Queen during pre-game festivities last Saturday night. Tonya, the daughter of Mr. and Mrs. David McGaughey and Greg Kuehler, was escorted by Chris Key. They were attended by Amanda Myers and Eric Beaty.

Harvest Fest Slated For This Saturday

The Community Harvest Fest is slated for this Saturday, October 19, at the First United Methodist Church in Munday.

Activities will begin at 9:00 a.m. when the Country Store opens for business. A variety of goodies will be available including arts, crafts, baked goods, canned goods, woodwork, children's toys, dolls and Christmas ornaments and decorations.

Children's activities will kick off at 9:30 a.m. with lots of fun activities scheduled. There will be a basketball throw, sponge and finger painting, a sponge throw and "digging for money" to keep all the young ones happy.

A delicious lunch of brisket, beans, salad, dessert and tea will be served from 11:30 a.m. to 1:00 p.m. Plates are \$5 for adults and \$3 for children under 12, with takeouts available.

The highlight of the day will be the traditional auction beginning at 12:30 p.m. Among the items listed to be bid on are an oil painting, handpainted lamp, a dental check-up from Dr. David Neal, a Wayne Baize print, needlepoint picture, painted shirt, heifer calf, quilt top, one dozen cleaned and delivered quail (in season), a cocker spaniel puppy and a billy

At some time during the day, there will be a drawing for a quilt

handmade by Nettie Partridge. special event. You don't want to miss the Community Harvest

Munday Elementary's Sixth Super Year Of Jump Rope For Heart

During the week of October 21-26, Munday Elementary third through sixth graders will be participating in the American Heart Association's Jump Rope For Heart campaign.

Students will compete for prizes, such as jump ropes, Tshirts, stop watches and boom boxes. They will earn these prizes by collecting donations from family, friends and community members. Donations of any sum will be accepted or participants will take pledges for each minute they jump.

Last year, the elementary students contributed \$2,000 to the American Heart Association through their Jump Rope For Heart campaign. This money is used for heart disease research.

If a student brings their Heart Association form to you and asks for a donation, please be generous. Remember....they're jumping for your health!!

THESE ARE JUST A FEW OF THE MANY ITEMS to be featured in the traditional auction at the Harvest Fest slated for this Saturday, October 19, at the First United Methodist Church. A full day of activities is planned, including a delicious brisket lunch.

Homecoming '91 Is A Major Success!

Homecoming '91 is gone, but not forgotten! The event was such a major success that memories of it will live on for years to come.

The day began with registration, refreshments and lots of visiting in the high school gymnasium. Although the hallways, gym and lawn were full of people, only 460 ex-students, 55 guests and nine ex-teachers registered. There were apparently many who were too busy visiting to sign in!

Receiving special recognition for traveling the longest distance to come to the Munday Homecoming were Michael Putnam and Tony Hobert, who both came from Hawaii. Of those who registered, the earliest graduate of Munday High School was Genevee Sessions Tyler, Class of 1918.

The parade Saturday morning was an exciting line-up of colorful, creative floats and vehicles. Onlookers had no time to lose interest or become bored, as one entry followed another for a total of 60-65 participants. Judges had a difficult time selecting the top floats, but when all was said and done, everyone was a winner. The judges' choices in the general category were: Melinda Fernandez, first; The Clowns, second; and Brandon Melton, third. In the float category, the Class of 1980 was the first place winner, with the Class of 1942 coming in second and the Class of 1956 placing third.

The assembly in the high school auditorium got the afternoon off monies W.O. Smith introduced the 1991 Homecoming Committee of Floyd Reed, Jr., Perry Kuehler and Phyllis Harper Reed, who did a fantastic job of organizing the events of the weekend. New officers were announced for the 1995 Homecoming as Todd Thompson, Class of '86, president; Spike Bryan, Class of '58, vice-president, and Kerri Baker Urbanczyk, Class of '78, secre-

The afternoon pep rally at the football field was a scorcher, both in temperature and spirit. Present cheerleaders, ex-cheerleaders, and cheerleaders' moms joined the Purple Cloud band, twirlers and ex-twirlers to present a rousing display of Mogul spirit. Winners of the school spirit banner contest were announced and displayed for the homecoming crowd. The seventh grade class received first place honors, followed by the Junior class with second and the Eighth grade class with third.

> gic displays of Mogul memora-Even though judging was limited to window displays only, Judges felt that the Munday Nursing Center deserved an honorable mention for their creative display. The judges stated that they were mpressed with the quality of the entries and the amount of work

that had gone into each. Congratulations go to all of the

THE CLASS OF 1980 had the first place float in the Homecoming Parade. The float featured "Knox City Greyhounds" being flushed down the toilet by the Munday Moguls, with the slogan, "Flush 'em, Plunge 'em

and Wipe Out the Greyhounds". There were over 60 entries in the parade, the largest Munday has ever seen.

Moguls Stomp Knox City, 41-20 **Before Homecoming Crowd**

The Munday Moguls ran all over the Knox City Greyhounds last Saturday night to the tune of 41-20, improving their record to 3-3 as district play began.

Playing before an overflowing Homecoming crowd, the Moguls brought smiles to the faces of many Munday exes as they defeated Knox City for the eighth straight year. It took only eleven plays for the Munday boys to score the first touchdown of the game.

The Moguls drove 80 yards, including a 17-yard pass to Daniel Serrato and runs by Chad James and Aaron Kiser. Bobby Dockins did the honors, scoring on a oneyard run to take a 7-0 lead with 5:26 left in the opening period.

Knox City came back in three plays to tie the score on a 63-yard pass from Lance Haragan to Armando Rodriquez. The first period ended with an even match of seven points for each team.

Homecoming '91 induced a lot

of pride in hometown merchants,

as was evident in the many purple

in to study the windows and se-

lected the winners. Beaty's Gro-

cery was awarded first place for

the All Roads Lead Home theme

painted on their front windows by

the "Myers girls". Second place

went to Buds For You and third

place was given to First National

Bank, both of whom had nostal-

downtown businesses.

Beaty's Grocery Wins

Decorating Contest

The Munday Moguls exploded inthe second period for 21 points. Dockins scored three times on runs of 35, 15 and two yards. The big play in the third touchdown drive was a 55-yard pass to Ronnie Whitfield. The Moguls ended the half leading Knox City, 28-7.

Munday opened the third period with a drive to the Knox City eight-yard line, before the Greyhound defense took hold and stopped the Moguls.

The Greyhounds fought back through the air with Lance Harragan completing five of seven passes in two possessions. Byron Waldrip scored on a one-yard run to make it a 28-14 ballgame at the end of the third quarter.

The fourth quarter saw Bobby Dockins score his fifth touchdown of the game on a one-yard run with 9:47 left in the game.

Munday's Kent Latham intercepted a Harragan pass, but the

winning merchants, as well as all

others who had displays, for help-

ing to promote Homecoming '91.

Moguls, unable to move downfield, were forced to punt. From the 47-yard line, the Greyhounds came back throwing the ball. They managed to con-

nect on four of five passes before

Latham picked off Harragan again

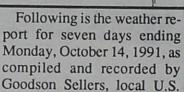

for his second interception of the

night at the Mogul 11-yard line. Dockins hit Ray Hernandez on a 45-yard pass and six plays later, Dockins scored on a one-yard run, making it 41-14 with 24 seconds

The Moguls Win

(Continued from Page 1) off to Munday's 49, scored on a pass to Byron Waldrip. However, as the final buzzer sounded, the Moguls came out on top with a 41-20 Homecoming Victory over the Greyhounds.

The Moguls travel to Paducah this Friday night to take on the Dragons at 7:30 p.m. in their second district game of the season.

COACH'S COMMENTS I was real proud of the way the kids played against Knox City. It was the climax of a hard, emotional week and I was concerned about how drained we might be, but we overcame the homecoming celebration and played excellent football.

Our offensive line of Chris Scott, Charlie Terrill, Matt Angerer, Chris Key and Jurnio Masias dominated the game, as well as our defensive line of Scott, David Tidwell, Masias, Key, Jay Nuckols and Chad James. We controlled the line of scrimmage and subsequently were able to control the football. Bobby Dockins had an outstanding game throwing and running the ball. I thought that Chad James and Aaron Kiser, our fullbacks, did a great job of finding holes up the middle. Ronnie Whitfield also caught a great pass to set up our fourth touchdown. In fact, our receivers are getting better each week. Kent Latham intercepted

Overall I think we're making a lot of improvement. This game against Paducah will be for the district lead and I know it will be an exciting game.

Extension Council To Host Youth And Seniors Program

The Knox County Extension Program Council encourages everyone with an interest in youth and/or older adults to attend an informational meeting on "YES" (Youth Exchanging With Seniors), Tuesday, October 22, at the Texas A&M Vegetable Research Center in Munday.

The "YES Project" is a cooperative program effort of the Texas Tech University College of Home Economics, the Texas Agricultural Extension Service and Tech's Health Sciences Center.

YES capitalizes on the energy of the young and the wisdom and experience of the elderly to provide benefits for both. Students who volunteer for the YES project are taught basic skills in communicating with the elderly and how to help with household

Participating senior citizens are asked to work with youth to carry out joint projects that will benefit the sponsoring community or

Representatives of the YES project will be here to explain the objectives of the project and the benefits it could have for Knox County.

Anyone wishing more information may contact Jane Rowan at the Knox County Extension office in Benjamin at (817) 454-2651.

Historical Commission Needs World War II Memorabilia

The Knox County Historical Commission needs your help. An effort is being made to locate

The Lord's Corner

by Dr. Pete Bradfield, pastor First Baptist Church

Can you match each of these common fears (phobias) with its correct definition:

(1.) Acraphobia; (2.) xenophobia; (3.) hydrophobia; and (4.) claustrophobia.

(a.) Fear of closed places; (b.) fear of heights; (c.) fear of strangers; and (4.) fear of water.

While these phobias can be detrimental, there are other fears that can have a beneficial influence on your behavior (for example, fear of getting burned). Such fears do not terrorize or immobilize, but rather lead to constructive action (such as using a potholder).

The "fear of the Lord" is like that. Rather than sending you fleeing from God's presence in terror, it causes deep, abiding reverence and awe at the thought of God's power and glory. It stimulates you to pay attention when He speaks - and obey when He commands.

See you next week, and remember: I fear God, yet am not afraid of Him.

Happy Birthday!

CHAD JAMES (#31) carries the ball for the Moguls behind the expert blocking of his teammates. The Knox City Greyhounds fell to Munday for the eighth straight time Saturday night before a homecoming crowd. The final score was Munday, 41, Knox City, 20.

Letters To The Editor

Dear Editor,

I must commend the officers, committee chairpersons, and the many, many workers who contributed so much to make the Munday High School Homecoming 1991 such a resounding success! Never have I been so proud of my hometown. My brother, sister, and aunt, who also graduated from Munday and who had also come home for the weekend, were equally impressed. The entire day was very well planned and executed, from early moming start to early morning end.

I saw great cooperation among various organizations, including

FIRST UNITED METHODIST CHURCH

Harvest

the Chamber of Commerce, the local and county law officers, the Munday Volunteer Fire Department, the school officials, the high school students, plus many private citizens, working to make the event the success it was. My hat is off to all of you. Thanks for a wonderful homecoming.

the Booster Clubs, the Lions Club,

Sincerely, Waymon O. Smith Class of 1956

Homecoming Successful (Continued From Page 1)

by Chris Key. Other nominees included Brandy Branam, escorted by Mike Bunton; Andrea Longan, escorted by Aaron Kiser; and Kelli Jo Munoz, escorted by Joe Bunton. Their attendants were Laci Myers, daughter of Mr. and Mrs. Danny Myers; Amanda Myers, daughter of Mr. and Mrs. Tony Myers; Nicole Urbanczyk, daughter of Mr. and Mrs. Jimmy Urbanczyk, and Miranda Zeissel, daughter of Mr. and Mrs. Wayne Zeissel. Other attendants were Jared Crownover, son of Mr. and Mrs. Robby Crownover; Lane Murphy, son of Mr. and Mrs. Ed Murphy; Jason Key, son of Mr. and Mrs. David Key, and Eric Beaty, son of Mr. and Mrs. Allen Beaty.

The Homecoming football game was an exciting contest between the Moguls and the Knox City Greyhounds. Munday beat Knox City for the eighth consecutive year, much to the delight of the hundreds of ex-students in attendance. The day's activities concluded with a dance at the onion shed which was attended by approximately 1,200 people.

All reports indicated this was one of the best ever Homecomings at Munday High School...at least until next time!

A FOOLPROOF WAY TO DOUBLE YOUR MONEY

Fold It In Half And Put It In a Good Savings Plan

There's no trick to it . . . just a sound strategy of putting a little cash

away regularly. It's a fact that money spent is money gone, but money that's put into a good interest-earning savings plan . . . and left to grow . . . will only multiply.

Now we have several good savings plans that you can try, from our basic passbook accounts, to higher yielding Certificates of Deposit and money markets...but it's up to you to make the decision to save, and stick by it.

You'll be surprised at just how fast your money builds . . . and at how easy it actually is to save after all.

"COMING SOON"

1991 Homecoming Parade At A Glance

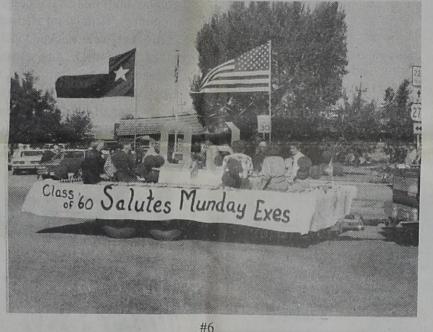

Ronnie Baker, Danny Gulley, Cindy Thompson, Diana Moore and Cindy McWhorter ... for taking the time and effort to make the Mogul & Mogulette state championship sign for everyone to see. This is a great addition to the community sign, and is something the whole town can be proud of. We appreciate you, and thank you for this tribute to our youth.

Thank You!

The residents and employees of Munday Nursing Center would like to say a big "thank you" for all the floats and entries that extended the parade down by the nursing home. The residents enjoyed seeing them and are still talking about it. Thanks again, Joyce Hardin, Administrator

Wow, What A Homecoming!! We just want to thank everyone for making Homecoming '91 a memory to cherish. The parade, assembly, class reunions, football game and other activities were great, and we appreciate all the hard work put in to make it all happen. Thank you for a great time in dear old Munday, Texas!

Jimmy & Sue (Cypert) Duncan - Class of '65

We would like to express our appreciation to the Munday Homecoming Committee for a Super Job!!

The prize money our parade float received has been donated to the downtown park.

Class of 1942

Homecoming Parade

#1 - Parade Marshall Diane Dotson, Channel 10 news coanchor, followed by the Purple Cloud Band, leads the Homecoming Parade.

#2 - Hardin-Simmons University's Six White Horses

#3 - Class of 1942 float (won second place)

#4 - Ex-teachers' float

#5 - Classes of '47-'48 float

#6 - Class of 1960 float

#7 - Float for Classes of 1974 and 1975

Thank You!!

The Homecoming Parade was a huge success! We couldn'thave accomplished it without everyone getting involved and making it happen.

We want to thank all the participants, who without you, there would have been no parade; the judges, who really had a tough time making a decision with all the entries coming up with something unique; our Parade Marshall, Diane Dotson from KTAB; the Knox County Sheriff's Department, the Munday City Police and the Munday Volunteer Fire Department, who helped direct traffic and kept things rolling; and all our helpers that morning.

It takes a community effort to make a special event really special, and Munday is full of loyal people who will go out of their way to help.

Thanks again! We appreciate all your support!

Annelle Welch & Cherie Hutchinson

"IT IS -- WHAT IT IS OUR HOMETOWN MUNDAY, TEXAS"

A quote from the Munday Chamber of Commerce T-shirts state our thoughts. Our hometown is, WHAT IT IS, because of the hard working people that live here. So many hours of time, work, and care went into our Homecoming '91 activities. We, as the officers, wish to express our most sincere gratitude to the townspeople who worked so very hard to pull it all together. We realize and want everyone else to be aware that not only our local Munday Exes but other townspeople who care put forth every effort to make this one of the best homecomings ever!

THANKS EVERYONE!!!

Floyd, Perry, and Phyllis

Den mother for the boys is Beverly Crownover.

KNOX KOUNTY KONNECTIONS By Jane Rowan, County Extension Agent

Rules of thumb for buying: Do they work?

Consumers are busy people. One strategy they use to get the "best buy" is to rely on shopping "rules of thumb", confident that they are making the best choices. But, they may be mistaken because the "rules of thumb" they have learned or used about product quality and/or price may no longer hold.

Research evidence suggests that the old "rules of thumb" may not work:

* Buy a Known Brand. Once consumers have found a brand name they believe works for them, they often continue to buy that brand without further comparisons. Research evidence suggests, however, that past performance of a brand is a poor predictor of future quality. Analysis of ratings from Consumer Reports suggests that brands rated as "tops" vary widely from year to year.

* Look for Seals of Approval. Some consumers may equate certain product seals of approval with quality, but in actuality they represent a limited refund or replacement policy.

* Buy the Top of the Line. Consumers may erroneously assume that the top of the line product may be the "best" choice. Research has shown that even with large jumps along a product line, quality may not change dramatically. Consumers who buy "top of the line" may be buying features they do not want or need.

*Price Indicates Quality. Research findings show that consumers believe there is a posititive relationship between price and quality. But several studies have demonstrated a poor relationship and some a negative correlation so that higher prices are sometimes associated with lowerquality. Therefore, consumers should comparison shop for price once a product decision has been reached.

* Larger Sizes Are Better Buys. Consumers often think there is a n economy of scale by buying the largest size. However, research shows that this may not always be the case. Consumers should use unit pricing to determine if the largest size is, in fact, the lowest cost per unit.

Making a purchase decision using "rules of thumb" is not a bad strategy, but when the rules

USTORE IT

ULOCK IT

UKEEP KEY

THE

JEWEL BOX

MINI-WAREHOUSE

CALL 422-4722

change and shopping behavior does not, consumers may be paying more than they need to and may not be receiving the quality of product they expected. It pays to do a "reality check" occasionally to determine if the

"old rules" still apply.

Retired Teachers To Meet Tuesday

The Knox County Retired School Employees will meet Tuesday, October 22, at 2:30 p.m. at the First United Methodist fellowship hall in Munday.

Imo Brockett, local noted model, will bring the program, *Changing Careers*.

All retired school employees are invited to attend.

Corrections Department Averages331 Caseloads Per Month Locally

The 50th Judicial District Community Supervision and Corrections Department supervised an average monthly caseload of 331 probationers for fiscal year ending August 31, 1991. Defendants placed on probation by any of the four County Courts in Baylor, Cottle, King or Knox County, or by the 50th District Court were supervised by a two-man department including Dale Rush, Chief Adult Probation Officer, and Gil Gray, Chief Juvenile Probation Officer.

The Department collected \$54,651.91 in fines, fees, and restitution during fiscal year 1990-91. Of that amount, approxi-

mately \$15,000 in Court ordered restitution was dispersed to crime victims; approximately \$30,000 in fines was paid to Baylor, Cottle, King and Knox Counties; and approximately \$9,000 was paid to these counties as court costs.

In addition to the collection of Court ordered fees and fines, Officers Rush and Gray feel the addition of Craig McNeill and Roberta Wells as Probation Officers will enhance the Department's ability to provide increased supervision of offenders and thereby offer greater protection to the community as well as rehabilitation of offenders.

Nursing Center News

Rhonda Parker Honored With Bridal Shower

Rhonda Parker, bride-elect of Steven Smith, was honored with a bridal shower Saturday, September 21, at 3:00 p.m. in the home of Mrs. Dan Offutt.

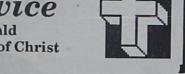

Mrs. Offutt greeted the guests and Shirley Gass introduced them to the honoree and her mother, Mrs. June Parker; the groom's mother, Shirley Smith, and his grandmothers, Mrs. Lenora Booe of Oklahoma City and Mrs. Grace Smith of Goree.

The refreshment table was covered in a red cloth with white overlay, featuring a black satin runner in the center. Focal point of the table was a milk glass container filled with an arrangement of red gerber daisies, snapdragons, white carnations, spider mums and baby's breath. Guests were served punch, cookies, nuts and mints from white milk glass appointments by Lisa Booe and Konnie Kuehler, both of Mun-

Hostesses for the occasion were Nancy Beaty, Lisa Booe, Linda Bunton, Mary Cartwright, Stacia Cook, Donna Cypert, Polly Decker, Shirley Gass, Becky Hendrix, Janie Hendrix, Bunny Hutchens, Joan Hutchinson, Tammy Kimbrough, Sammie Kingston, Dayle Kuehler, Earlene Kuehler, Konnie Kuehler, Reba Nix, Becky Offutt, Ida Oustad, Linda Oustad, Frances Parker, Elvis Phillips, Linda Reddell, Phyllis Reed, Dorothy Rhoads and Debbie Rueffer.

At Your Service

by Dr. Larry Fitzgerald Minister, Munday Church of Christ

Q: Does the Bible teach that homosexuality is a sin? So many religious groups are allowing homosexual marriages. Is this acceptable?

A: The more "liberal" groups have attempted to whitewash homosexuality due to public opinion. Thus we read of panel discussions about these types of relationships and when they're "acceptable".

The Bible has a very specific word for "homosexual". In the orginal Greek of the New Testament the term is arsenokoitai. The first of this word (arsen) means "male". The second part of this word (koitai) means "bed" or "to lay with". Therefore, this termmeans two males who engage in sexual behavior.

This term is used in 1 Corinthians 6:9-10 and 1 Timothy 1:9-10. In both instances, homosexual behavior is condemned. Romans 1:26-32 and the other two passages list a number of sins which lead to condemnation. Along side of murder, idolatry, stealing, hating God, murdering parents, is the sin of both male and female

Harvest

homosexuality.

Since the Bible is so clear that such activity is sinful, then it is not up to man to allow it. For those who think that it's acceptable to meet together and decide to allow homosexual behavior, what's next? Will we soon see conferences on whether or not it is acceptable to murder our par-

For those who have homosexual desires, God wants you to control those passions just as heterosexuals are to control theirs. God loves us all and gives us commands because of his love. We show our love to God by obeying his commands to the best of our abilities (1 John 5:2-4).

If you have a question for Larry, write him c/o Box 211, Munday, Texas 76371.

Visiting in the Chester Lain home over the weekend and attending the homecoming festivities were their children and grandchildren, George and Patsy Spann and Sheryl of Ennis; Jim and Sharon Eicke and Shannon of Logan, New Mexico; Danny and Judy Lain and Leigh of Knox City; and Trevor Lain and Karomy Sloan, both of Abilene.

ANGELA ANTONISSE, 16year old junior at Richardson High School, is a member of the Richardson Eaglettes Drill Team. She attended the Kilgore Junior College Superstar Line Camp this summer, where she received awards for Dynamic Dancer, Superior NCA Superstar and Excellent Performance.

Her parents are Johnny and Pat (Hill) Antonisse of Richardson. She is the granddaughter of Jo Hill and the late J.A. Hill, Jr. of Munday, and the niece of Chris and Penny Phillips and Troy and Paula Nuckols, all of Munday.

Class Of 1933 Celebrates 58th Anniversary

Ten of the original 36 members of the Munday High School graduating Class of 1933 were present for the recent homecoming. The class celebrated their 58th anniversary with a get-together in the home of Flora Lee Floyd. Joining in the visiting were the classes of 1931 and 1932.

Members of the Class of '33 present for the festivities were Kate Bowden Beecher of Dimmitt, Mildred Burnett Howard of Midland, Geraldine Burnison Thompson of Dallas, Marvin Myers of Crowell, Ruth Rice Bates of Seymour, Barbara Eiland Walker of Lamesa, Lucille Hunter Moorhouse of Benjamin, and Dorothy Campbell Moore, Chancey Hobert and Norene Bowden Hawkins, all of Munday.

Wildlife Symposium **Set For November**

The Texas Parks and Wildlife Department will host the South Plains Wildlife Symposium on Wednesday, November 13, at the Texas A&M Research and Extension Center north of Lubbock.

The symposium will focus on basic principles of wildlife enhancement for land managers in the South Plains. Topics that will be addressed include enhancement of pheasant and quail habitat, waterfowl and sandhill crane management, deer management, managing CRP land for wildlife, windbreaks for wildlife and how to market wildlife resources.

The symposium will begin at 8:00 a.m. with registration and will conclude at 4:00 p.m. At the conclusion of the symposium, an optional tour of the Texas Forest Service nursery will be held.

Pre-registration is \$6.00 per person and includes resource materials and lunch. To pre-register, send check made out to Wildlife Symposium to TPWD, 3409 South Georgia #25, Amarillo, Texas 79109. (Registration at the door will be \$8.) For more information contact Gene Miller of the TPWD at (806) 353-3141.

Father Geurtz To Celebrate Ten Years In Priesthood

Rev. Gary J. Geurtz will celebrate his tenth anniversary of ordination to the Roman Catholic priesthood on October 17. In honor of the occasion, Father Geurtz, pastor of St. Joseph's parish in Rhineland, will celebrate a special Mass on Friday, October 18, at his "home" parish of St. Bartholomew's in Fort

Father Geurtz will be honored with a dinner at the Knights Of Columbus Hall following the 5:00 p.m. Mass at St. Joseph's on Saturday, October 19. On the following day, there will be a lunch in his honor after the 11:00 a.m. Mass at Santa Rosa parish in Knox City. Santa Rosa is a mission parish operated by Father Geurtz from Rhineland.

When Joseph P. Delaney became the new bishop of the Catholic Diocese of Fort Worth in 1981. Father Geurtz, a graduate of St. Meinrad Seminary in Meinrad, Indiana, was the first priest he ordained. Father Geurtz also attended the University of Dallas Theological Seminary and was a 1973 graduate of the University of Texas at Arlington.

Father Geurtz, 42, has served at St. Joseph's since July, 1988. During his pastorship, there have been building and landscape improvements, including a new

custom-built altar for Mass. He is currently involved in plans for St. Joseph's 100th anniversary to be commemorated in 1995. The parish ministers to approximately 250 families in the area, many from Munday, and is responsible for implementing the Goree Project, which ministers to mostly Mexican-Americans. Father Geurtz was instrumental in securing the services of Father José Saldaña to assist in the area's ministry to Mexican-Americans.

Before coming to St. Joseph's, Father Geurtz was pastor of Immaculate Heart of Mary in Abbott. He previously served as associate pastor at St. Patrick's Cathedral and St. Andrew's in Fort Worth and at Most Blessed Sacrament and St. Matthew's in Arlington.

In July of this year, Bishop Delaney appointed Father Geurtz as his liasion to the Catholic Charismatic Renewal in the diocese. He was recently appointed to a second three-year term on the National Service Council Advisory Board of the Catholic Charismatic Renewal by Bishop Sam Jacobs from the diocese of Alexandria, Louisiana. Since becoming a priest, Father Geurtz has served as Bishop Delaney's Master of Ceremonies at all official diocesan liturgical functions. He

also has served as Chaplain for the Cursillo Center in Fort Worth and is a third degree member of the Knights of Columbus. Since his ordination, he has regularly celebrated a bi-monthly healing Mass at various diocesan parishes.

Father Geurtz is the son of Col. (retired) Robert and Mrs. June Geurtz of Fort Worth. He has three brothers, three sisters, nine nephews and one niece.

Munday JV Ties Knox City JV, 6-6

By MHS Journalism Class

Munday and Knox City-O'Brien junior varsity teams battled to a 6-6 tie in last Thursday's game at O'Brien.

Knox City's Bronco Fly broke free on a long run for the first touchdown in the first quarter. The extra point attempt failed.

Munday's Andy Dancer recovered a second quarter fumble to set up the Moguls' only touchdown. After a 20-yard drive, Dustin Kiser scored on a fiveyard run to put Munday on the scoreboard. The extra point run

The Moguls had two 60-80 yard drives inthe first half, but failed to score, leaving the half-time score

Outstanding defensive teams kept the second half of the game scoreless.

Munday's JV record now stands at 3-1-1 for the season.

Local Beta Chi Chapter **Honors Late Teachers**

(Following are the minutes of the regular monthly meeting of Beta Chi.)

A regular meeting of the Beta Chi Chapter of Delta Kappa Gamma Society International was held Saturday, September 29, at the First Baptist Church in Munday. Maribeth Williams, first vicepresident, called the meeting to order in the absence of President Phyllis Letz, who is hospitalized. Larue Reeves gave the invocation, followed by a delicious brunch served by Munday and Goree members.

Memorials for members Ina Cowan and Anna Decker were led by Melodee Christian. Larue Reeves, Alta McGuire and Dorothy Myers came forward to share memories of Mrs. Cowan by telling ways she had been special. Mrs. Derr, Alice Partridge and Mary Martin had other moments to share.

Dorothy Myers and Alta McGuire shared memories of Anna Decker, Mrs. Decker had not only taught Alta's son and

Worship Is More Than Just

"Marking Of Time"

just the marking of time." And so

it should be. Our worship as a

corporate body should be an

experience of being, affirming,

receiving and feeling; we should

be able to know that indeed "God

is in this Place", and when we

depart, to know that "it was good

to have been here". Now this is

not simply just a "good feeling",

but a sense of thankful praise, felt

and dedicated response. We might

well ask ourselves after worship,

"So what?" Has it made a differ-

ence in our lives for having been

Before we can really answer,

we must ask ourselves, "Was I

personally prepared for worship?"

"Did I really participate?" "Did I

have expectation for the service?"

forgiveness, received direction,

"Worship should be more than

been a fellow teacher, but was also a wonderful friend. Ann Therwhanger, Alice Partridge and Linda Edrington gave special memories of Mrs. Decker. Guests from Anna Decker's family were her mother, Chat Adams; her daughter, Jerri Ann Decker; a daughter-in-law, Connie Decker, and sister-in-law, Sherry Adams. A white rose was presented to Jerri Ann in memory of her mother. Members joined in singing Amazing Grace.

Following a short break, Maribeth led the business meeting. The minutes from the previous meeting were read by Cathy Bartley. Margaret Chafin gave a financial report. As of June 30, Beta Chi had a balance of \$1,238.29. There are 117 members in Beta Chi.

Members were then divided into four groups to brainstorm ideas for 1991-92 meetings. Maribeth collected suggestions and thanked everyone for attendance in input. The meeting then adjourned.

Local Ladies Enjoy Tours Of Several Southern States

"On The Road Again" has turned into a theme song for two Munday ladies, Helen Patterson and Margaret Hill.

On June first, the ladies set out on a fourteen-day trip to tour Florida. This exciting journey included Cypress Gardens, Key West, a cruise to Nassau, tours of J.F. Kennedy Space Center and Epcot Center and a ride on an air boat over the Everglades. The ladies then continued up the coast of Florida to St. Augustine, on to South Carolina and the Biltmore Mansion in North Carolina. They concluded their journey through Tennessee and Arkansas and then came back to good old Texas. This voyage allowed the ladies to enjoy eight states and Nassau.

Helen and Margaret stayed in Munday just long enough to catch their breath and then were off again on September 22, this time for a Fall Foliage Tour of New England. This excursion began in Springfield, Missouri, where they toured "Sportsman's Disney World and then spent the first night. The second day involved a tour of the arch over the Mississippi River, including visiting the top of the structure. The third day brought a tour of the Indianapolis Speedway and a trip to Winsor, Canada, which is across from river from Detroit.

Leaving there, they traveled along the lakes up to Niagara Falls, seeing many beautiful sights, including the Whirlpool Rapids. At Niagara, they rode the Maid of Mist boat under the mighty Falls. This event was recorded as an "awesome sight" by the Munday travelers. They concluded the day with dinner in the Minolta Tower overlooking the Falls.

After spending the night at Niagara, it was on to Alexandria Bay, New York, for a cruise of 1001 Islands. The next stop was Lake Champlain, where a ferry took them across to Burlington, Vermont to spend the night. In Vermont they enjoyed a beautiful drive in the mountains, visited a Maple Syrup Farm where they were served syrup over ice and toured a cheese factory, before going on to New Hampshire for night number eight.

Following a tour of New Hampshire the ladies journeyed on to Boston for a tour of the city, including a visit on the S.S. Constitution. The next day found them in New York City. Their guide took them on a two and one-half hour walking tour of Manhatten. After dark, they were treated to a view of the city lights from the top of the Empire State Building.

The next morning, a guide took them on a tour of the city, seeing the buildings and the Statue of traveled through New Jersey and Pennsylvania before stopping in Grantsville, Maryland for the

The tour then ventured through Home" and had dinner at The Old

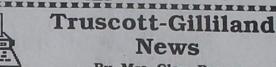

Stable, which was a unique dining experience.

In the morning, it was on to Nashville for a tour of the city and lunch, then on to Memphis for the last night. On October 4, they traveled through Arkansas and back to dear old Texas.

In all, the ladies traveled 4,285 miles through 19 states. They reported a wonderful trip and plan to stay at home....until they find somewhere else to go, that is!!

Lala Morgan's Travels

On September 29, Lala Morgan and daughters, Neva Biggs of Austin and LaQuita Johnson of Alverado, visited her brother and family, Quentin and Novelle Spann, in Morristown. They also visited at her grandson's house, where lots of kinfolks met and took pictures and ate dinner.

Enroute home, Lala and the girls visited the Grand Canyon and the Painted Desert.

Returning home Friday night, they picked up Irene and Ursel Phillips and drove to Dallas to visit Velda and Melvin Wainwright, then on to Austin where Lala spent the week with her and Bill. She also visited her two sons, Dennis and Judy Morgan, and Nolan and Martha Morgan and Anna, and Neva's sons, William and Scott Biggs.

Neva and Lala returned home in time for homecoming activities. She also visited her Aunt Ursel and Uncle Nolan Phillips and her brothers and families.

Prepare Flower Beds Now For Spring Colors

Planting spring bulbs in autumn is as popular as falling leaves and football games. Don't overlook the opportunity to include some hardy, easy to grow spring beauties in your garden this fall. Bulbs

ASCS News

John Rector County Executive Director

Community Committee Election

Election time for ASCS community committeepersons is here once again. The county is divided into three communities (A, B, and C) with new committee members being elected in a different community each year. There are three committee members in each community that are elected by producers in that community. The nine members of the community committee then, in turn, elect the county committee. The county committee consists of three members. Each year one member's three-year term expires, which determines which community will elect new community committee members. This year, Wilfred Bellinghausen's term expires; therefore, new members will be elected to the community committee in the "C" community.

The "C" community is bordered on the north by the Brazos River and on the west by Highway 267 (Munday to Rhineland). The west line extends on south by the Vet's Office and around to Quality Implement Company and then south down Highway 277 to the county line. Everything east of this line and south of the river in Knox County is the "C" commu-Nominating petitions have been

mailed to all known eligible voters in the "C" community. The petition is to be used to nominate a producer of your choice from the "C" community to serve on the community committee. Each petition requires three signatures of eligible ASCS voters in the "C" community. The person you nominate must be willing to serve if elected, reside in the "C" community, and have farming interest as owner, operator, or tenant in the "C" community. If at least five nominees are not received, including at least one woman, the present county committee will complete the slate of nominees.

are truly some of the simplest flowers to grow; they are easy to care for and inexpensive. When planted in fall, they will reward you with weeks of early spring color, fragrance and beauty.

Success with spring bulbs depends to a large extent on the selection of healthy, quality bulbs. Second rate bulbs or bargain bulbs produce second rate flowers and often first rate disappointment. to be assured of top quality bulbs and desirable varieties to choose from start ordering in September. If you purchase bulbs in September before planting time in October and November, store them in a cool, dry, well-ventilated area. Excessively high temperatures will cause the bulbs to dry out and will result in injury to the flower bud inside the bulb.

Quality bulbs produce flowers the first season after planting as the lower buds have already formed when the bulbs are purchased and planted. The larger the bulb, the larger the bloom. Many disease problems can be eliminated by obtaining healthy, disease-free bulbs. In general, the quality of flowers is determined by the quality of bulbs and is not affected to a great extent by cultural conditions or growth prac-

There is a wide and varied selection of spring bulbs to choose from when thumbing through a colorful bulb catalog. Although not all varieties produce well in the South out of their native colder areas, there are enough successful varieties to make your planting decisions very difficult. For example, Texas may choose from daffodils or narcissus, tulips, Dutch hycinths, French-Roman hyacinths, grape hyacinths, Ipheon or Dutch iris, to name a

Some spring bulbs such as tulips and Dutch hyacinths, require cold treatment prior to planting in order to perform well in the South where the winters are comparatively mild. Tulips and Dutch hyacinths should be placed in the vegetable bin of your refrigerator 45-60 days prior to planting. They should never be frozen and should be planted immediately upon removal from cold treatment.

Early selection and proper treatment of spring bulbs now is the first step toward a beautiful and colorful landscape in March.

THANK YOU

Phone 658-3342

I wish to thank everyone for their love and concern shown in the loss of my grandmother, Mrs. Jimmie Bullington. All the flowers, cards, calls, and help from everyone was so thoughtful.

There are so many I would like to give a "special thanks" - to the Munday Nursing Center staff for the great care they gave, Dorothy Patterson and Joye Baker for being at the hospital, the Seymour Hospital staffand Dr. Thompson, Perry Kuehler and employees for the beautiful flowers, Richie Smith and staff, and Brother Loren Gardner for the beautiful service.

You will never know how much the people of

Munday mean to me. May God bless each of you.

Jeff, Leslie & Falon Sisneros
