Tigers Fall Prey To Moguls

The Munday Moguls surprised Anson with a reverse from Dent Offutt to Anthony Stinnett on the first play from scrimmage, and Stinnett was never touched on his way to the goal. That set the tempo as Munday battered the Tigers 54-6 for their fourth win of the 1985 season and twentieth consecutive victory.

The Moguls won the game in the same fashion that they defeated Haskell, Hawley and Rotan - with a massive offensive attack led by quarterback Dent Offutt and a tough defense that allowed Anson only one serious scoring threat, which resulted in the visitors' only touchdown.

"We had been running to our right on our first play in the other games," Munday coach Jim Ed-

wards said. Correctly predicting that Anson would be expecting this, Offutt rolled to the right, then turned and threw the ball back to Stinnett, who ran 55 yards around the left side with only 20 seconds erased off the clock.

The first time the Tigers got their hands on the ball, a fumble was recovered by Munday, who promptly took it in for another score. Offutt went the final 5 yards of the short drive, and Munday led 12-0 before Anson knew what had happened. The teams traded punts and fumbles, then after Anson made their second first down, quarterback Michael Tollerson went to the air. Two passes were incomplete, but the third found its way right to the waiting arms of Munday's Offutt, who raced 44 yards for the score. He kept the ball for the conversion attempt, and Munday led 20-0.

That score didn't last long, however, as Anson fumbled, Russell Smith recovered, and Offutt threw a 35-yard scoring strike to Tim Collier for a 26-0 lead. On their next possession, the Moguls stayed on the ground and Todd Thompson scored from the 7. Ronny Lowrance's kick made the score 33-0.

The Tigers got on the scoreboard with 7 seconds left in the half. Tollerson carried it over on a fourth-and-one situation after the stingy Mogul defense pushed Anson back for a loss. A pass for the two extra points were incomplete, and Munday took a 33-6 lead in at halftime.

The Tigers gained two first downs on their first possession of the second half, but were forced to give the ball up after eight plays, and Munday again kept it on the ground, with a 35-yard run by Lowrance being the biggest play of the drive. Thompson went in from the ten to score midway in the third period. Offutt intercepted his second pass a few minutes later, and did the scoring honors with an 11-yard keeper to up Munday's score to 47-6.

After an exchange of punts in the fourth quarter, Stinnett found a big hole and raced through for 74 yards and the Moguls' final touchdown. The Tigers unleashed a flurry of pass attempts during the remaining minutes, but only two were successful, and time ran out on the "Black Attack".

Stinnett was the game's leading rusher, with 120 yards on only four carries. Thompson rushed for 77 yards, Lowrance for 65 and Offutt for 46 as nine different backs carried the ball. In four games this season, the Moguls have scored 191 points and allowed only 19.

Coach Edwards Comments

We had a good game with Anson. Dent executed very well. We felt Anson would be very high emotionally, so we started off with the reverse and the surprise worked in our favor. Anson played well, though, and never gave up.

The pass interception by Dent was something we had been working on and watching for. Our defense had a good game; Hollis, Ronny, Tim and Anthony made some fine plays. Our offensive line blocked well and controlled Anson's defense. They were keying on our outside runs, so we were able to hurt them up the middle.

Knox City traditionally plays their best game of the year against Munday and we expect this to be no different Saturday. They will be real fired up, and we will have to keep our poise in an emotional situation.

The Greyhounds are small but very quick, and I think they will be very competitive.

Date Set For Sausage Meal

The annual Knights of Columbus sausage dinner has been set for Sunday, October 13, at the Columbus Club hall in Rhineland. Homemade sausage and fried chicken with all the trimmings will be served from 11 a.m. to 1:30 p.m. Plate prices are \$5 for adults and \$3 for children under 12 years of age.

Those wishing to do so may purchase bulk sausage for \$2.50 per pound by calling 658-3926, 422-5344, 422-4775 or 422-4880 to place an order. The sausage can be picked up Saturday, October 12, at Brown's store in Rhineland.

In conjunction with the sausage dinner, the St. Anne's Mothers Society will hold a bazaar of other homemade items. Everyone is invited to be a part of the Rhineland community for this special meal and bazaar.

Cheer For Moguls At Saturday Rally

A pep rally will be held at 5:45 p.m. on the west parking lot at Munday High School Saturday, October 5, before players board the buses to take them to Knox City. The Moguls and Greyhounds will clash at 7:30 p.m.

Mogul fans are urged to stop by the pep rally and lend their voices to the cheering efforts. The team deserves and needs the support and enthusiasm of everyone in town.

Supper, Jamboree Set At Truscott

A special feature of the monthly Truscott Jamboree set for Saturday, October 5, will be a red bean supper. All the beans you can eat will cost only \$1.50, and a meal of beans and dessert will be priced at \$2.

The supper will be held at the Truscott Community Center, and musical entertainment will follow. All area residents are invited to attend this community fund-raising venture.

Winter's Brief Visit Catches Area Residents By Surprise

Knox County residents brought out their winter coats and electric blankets, lit furnaces and shivered their way to work Monday as a Canadian front brought much colder temperatures our way early this week.

After a warm Saturday, early risers found things had changed drastically Sunday morning. Clouds and cool, damp weather prevailed during the day after an early-morning thunderstorm woke most everyone and dumped an official .86 of an inch of rain on Munday. The rainfall total was about the same in the Rhineland area, although many

in the county reported up to 1 1/2 inches. Temperatures Sunday night dropped to a chilly 39 degrees, and only rose to 55 during the day.

Most of the cotton in Knox County was not yet ready to be stripped, and local producers feel the rain won't result in any lasting damage to the crop. The rain will, however, enable wheat farmers to sow wheat with confidence that it will not immediately die for lack of moisture in the soil. Some, in fact, had begun sowing wheat early this week.

Weather forecasts were calling for a warming trend through the middle of this week and a possibility of showers on the weekend.

4-H To Observe Special Celebration Nationwide

One of the longtime goals of the 4-H program has been to help youth between the ages of 9 and 19 become productive citizens and leaders of this nation.

The 1985 theme of National 4-H Week, "4-H for Youth for America," reflects the program's commitment to that goal. National 4-H Week is October 6-12.

"This year's theme reflects the basic concept of 4-H, which is to help youth acquire the knowledge and skills to become better citizens," points out Tom Davison, state 4-H program leader for the Texas Agricultural Extension Service. The Extension Service conducts the 4-H program in Texas with support from Texas A&M University and the U.S. Department of Agriculture.

"4-H is an informal educational program that reaches out to all youth," Davison emphasizes. "It has a positive impact on their lifestyles and plays an important role in developing life skills. 4-H helps youth get in touch with the real world, providing information on science, technology, food and fiber, natural resources and nutrition.

"In addition, the 4-H program has a positive impact on families of members, volunteer leaders and

communities," the 4-H official points out. "4-H provides the spark that often ignites people to work toward worthwhile goals and objectives for a better quality of life. In many communities, I have seen 4-H make things happen," says Davison.

Texas boasts some 165,000 4-H members from all walks of life who are engaged in projects and activities that range from A to Z," notes Davison. These youth benefit from the some 15,200 volunteer leaders who share their expertise, talents and time.

4-H is a grassroots program, adds Davison, that revolves around the local club, of which Texas has 3,463. It is based on the 'learning by doing' concept that has stood the test of time.

Area Stocker-Feeder Project Plans Made

Plans for the Knox County stocker-feeder program have been completed, according to J.M. Emerson of Knox City, program committee chairman. County 4-H'ers and FFA members interested in the program can obtain rules from the county Extension office or from vocational agriculture teachers.

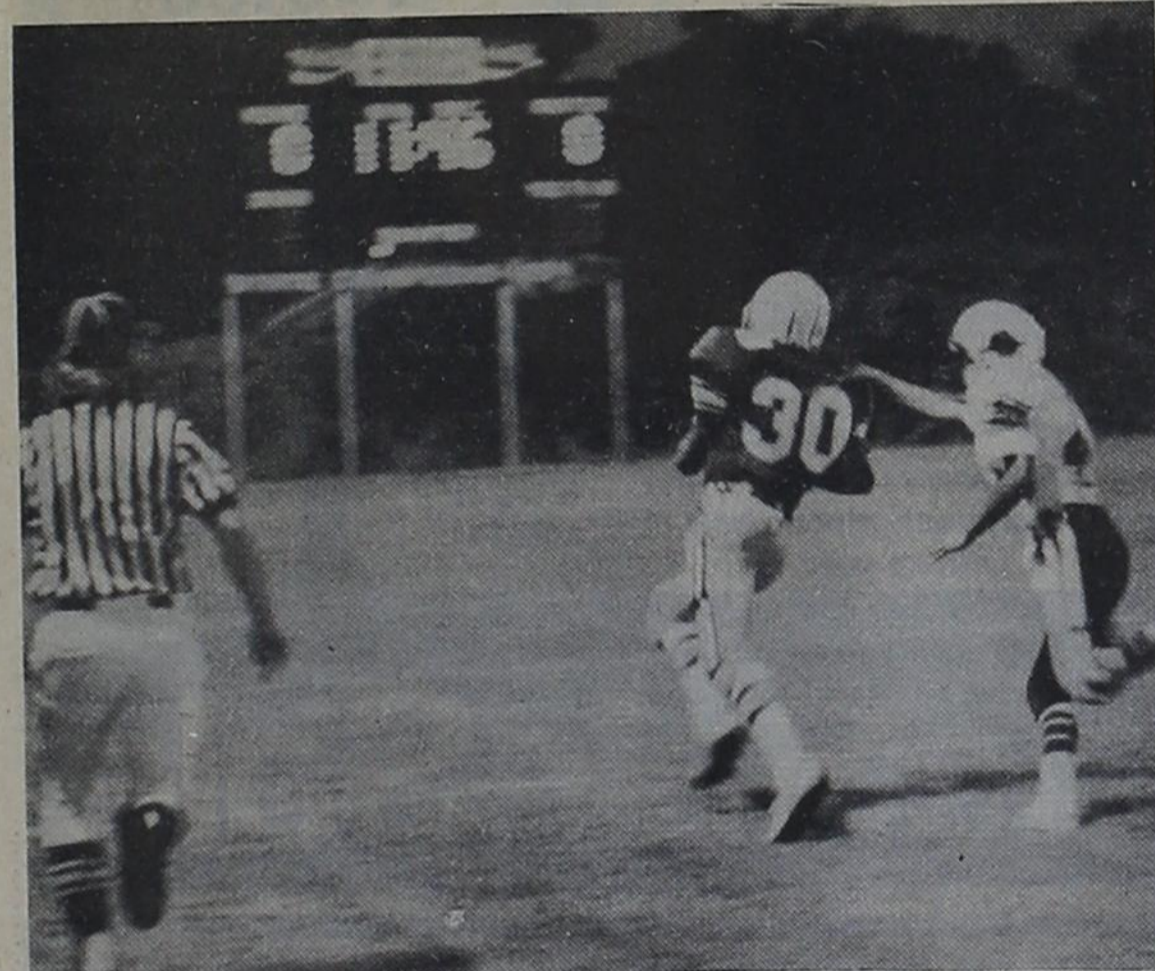

Several rule changes have been noted for this year's program; a major change being that cattle entered do not have to be purchased from a livestock auction. Instead, a price will be set at weigh-in on November 23.

Each contestant is required to enter a record book and speech along with their livestock, and divisions include ninth through twelfth grade and third through eighth grade. Grand and reserve champion feeder honors will be awarded on the basis of net profit per head.

The program is being sponsored by the Brazos Valley Young Farmers.

MHS CHEERLEADERS put in a lot of work each week getting ready for the football games and then cheering the boys on during the game. The 1985-86 cheerleaders are, bottom from left, Gwen Stinnett, Karen Munoz and Alexis Bordovsky. At top is Annette LeFevre, and head cheerleader Laura Myers is in the center.

AN OPEN FIELD was what Munday Mogul Anthony Stinnett found himself facing on the opening play of Friday night's Anson-Munday ballgame. Stinnett took a reverse pass from Dent Offutt and sped 55 yards down the left sideline for the Moguls' first score. The scoreboard clock shows the statistics at kickoff time, but they changed a few seconds later when Stinnett crossed over the goal line.

7:30 P.M. SATURDAY

Moguls Hope To Increase Win Ratio Against Knox City

The undefeated Munday Moguls will invade Greyhound territory as the annual Munday-Knox City football game kicks off at 7:30 p.m. Saturday, October 5, at the Knox City stadium.

This inter-county rivalry is made more intense by the fact that both teams have won state Class A football championships. The Greyhounds in 1983 and Munday in 1984. The Moguls have won four games this year against no losses, while the Hounds have won three and lost one. Against common opponents, Knox City defeated Anson 9-7 and Hawley 40-20, while the Moguls blasted those teams 54-6 and 45-7, respectively.

Over the past 10 years, Munday owns a 7-3 edge in wins against the Greyhounds. Knox City beat the Moguls in 1975, 1979 and 1983, but are coming off a 48-0 shutout by Munday in last year's game.

Munday-Knox City games are always crowded, no matter which town they are played in, and the games usually coincide with home-

coming activities. This is the case this year, as Knox City welcomes its exes back for fall homecoming after observing a summer celebration a few months past.

The Knox City Booster Club will serve a supper of barbecue sandwiches and hamburgers at the south end of the field, beginning at 6 p.m., and Mogul fans are invited to eat with their neighbors to the west.

The quick Knox City team boasts outstanding players in George Rocha, David Thompson, Jerry Gutierrez, Shane Lewis, Mark Daniel and Trent Driver, and Munday Coach Jim Edwards expects them to be very fired up and ready for the Moguls. Munday residents are urged to journey to Knox City Saturday evening and support the Moguls in their quest for another state crown.

For those not familiar with the stadium location, it is a short distance north of Highway 222 on the east end of town, and is well lighted and easily visible from the highway.

FATHER BRENDAN MCGUIRE Former Pastor Of Rhineland Church Dies September 21

Father Brendan McGuire, O.S.B., 63, a monk and priest of Subiaco Abbey for the past 35 years, died Saturday morning, September 21, in an Arkansas hospital after an extended illness. He was pastor of St. Joseph Church in Rhineland from 1978 to 1983.

Father Brendan was born in St. Paul, Minnesota, attended public school in Auburn, Washington, and graduated from Seattle University. He served in the U.S. Navy 1943-44, after which he worked as a narcoanalyst at Shadel Sanitarium.

In 1951 he came to Subiaco and

made his profession of vows on September 14, 1952. He was ordained to the priesthood May 26, 1956. Thereafter he studied at Notre Dame University, St. Louis University and at Texas Christian University, where he earned the Master of Science degree.

For 20 years after his ordination, Father Brendan was on the faculty of Subiaco Academy, a college-prep school for boys operated by the monks of Subiaco Abbey. During this time he spent some years as infirmarian for the Abbey and Academy, and was Dean of Men in the Academy for two years. From 1975 he served as pastor of several churches in Arkansas until his appointment as pastor of St. Joseph Church in Rhineland in 1978. He returned to Arkansas in 1983 and served two area parishes until his retirement in February of this year.

While serving the Rhineland Catholic community, Father Brendan celebrated his Silver Jubilee of Ordination on April 26, 1981. Known for his good-humored, inspirational leadership, he served the Rhineland church longer than any other parish.

The Mass of Christian Burial was held Tuesday, September 24, in St. Benedict Church in Subiaco. Abbot Raphael DeSalvo, O.S.B., was the main celebrant with the monks of Subiaco Abbey being concelebrants. Burial was in the Subiaco Abbey Cemetery.

He is survived by five sisters, Blanche Berg of Seattle, Jane McGuire of Des Moines, Wash., Mabel Montgomery of Tenino, Wash., Colleen Brunner of Kent, Wash., and Patricia Van Winkle of Mills, Mass.; two brothers, Roger of Vancouver, Wash., and Lawrence of Belle Vue, Wash.

Rhineland residents attending the funeral were Clarence and Annette Brown, Ruth Brown, Terry and Nancy Alexander and family, Larry Welch, Dot Myers and A.J. Kuchler.

KNOX CITY STOMPS HAWLEY

Thanks to scoring bursts in the second and fourth quarters, the Knox City Greyhounds improved their record to 3-1 with a 40-20 win over Hawley Friday night. Knox City scored three times in a seven minute period in the second quarter on long runs by Jerry Gutierrez and Anthony Oudems and a punt return by Gutierrez. With their backs to the wall, the Bearcat offense picked up the pace after halftime. Quarterback Jake Womack passed to Trent Spencer for their first score, then Spencer recovered a Greyhound fumble and returned it 50 yards to decrease Knox City's lead to one touchdown.

The final six minutes were full of scoring, as Greyhound halfback George Rocha raced 59 yards for his first tally of the night. Hawley countered with a pass from Womack to Spencer, making the score 26-20. Then the Hounds ran away with it, as long runs by Rocha and Oudems put the game on ice. Rocha had 234 yards on 18 carries in the game, and Oudems gained 150 yards on 11 carries.

ASPERMONT WINS OVER THROCKMORTON

Aspermont scored first and last Friday night enroute to a 26-12 thrashing of the Throckmorton Greyhounds. Aspermont owns a 3-1 record, while the Hounds drop to 1-3.

Ken Hays led the Hornet attack with two touchdowns, one a 45-yard pass interception. A 12-yard scoring pass from Jason Counts to James Baker got the Hornets on the board first, but Throckmorton countered with a 69-yard scoring run by Kevin Latham. Hays put the Hornets up again with his first score, and Tim Meador raced 70 yards early in the second half to give Aspermont a 20-6 lead.

The teams traded scores in the fourth quarter, as Matt Glenn burst for a three yard TD for Throckmorton and Hays picked off a Greyhound pass to score as time ran out.

WEINERT SMASHES BY BORDON COUNTY TEAM

The Weinert Bulldogs, ranked third among state six-man teams, scored on their first four offensive series enroute to a 61-20 rout of the Borden County Coyotes in Gail Fri-

day night. The Bulldogs are 3-0 this season.

The keys to Weinert's victory were the offensive attack led by quarterback Shannon Forehand, who ran for three touchdowns and passed for two more, and the running of the Perez boys - Ed, Louis, Johnny and Ricky. Louis scored two touchdowns, and Ed, Ricky and Robert Estrada added one each.

Chris Cooley, Mickey Burkett and David Martinez scored for the Covotes.

BOYD DEFEATS ARCHER CITY

The Archer City Wildcats suffered their fourth defeat of the season as the Boyd Yellowjackets scored early and held the Wildcats down to take a 12-7 victory.

Randy Scroggins put Boyd in the lead early in the game on a 5-yard fourth down pass reception from Darrell Knight. Chris Nash scored for the Yellowjackets in the third quarter, putting the game out of reach. A 31-yard run in the fourth quarter by Kevin Devrow accounted for the Archer City score.

Devrow and Boyd's Tracy Stringfellow were the leading rushers.

MUENSTER OVERPOWERS BRYSON COWBOYS

Bubba Eldred raced for 111 yards and two touchdowns to lead his team to a 47-0 win over the Bryson Cowboys Friday night. The Cowboys haven't won a game this year.

Bryan Clements scored three touchdowns for the Hornets, and Drew Byman accounted for another. Shawn Flusche kicked five extra points as Muenster dominated the game from all sides.

VERNON JV BEATS CHILICOTHE

Vernon's junior varsity Lions defeated Chillicothe 21-18 Thursday night behind Mike Weaver's 95 yards. Weaver returned the opening kickoff 60 yards for a touchdown, then scored a second TD on a three-yard run.

Chillicothe narrowed the gap with a 68-yard run by Kyle Jones in the second quarter, but Vernon's Wilvander hit John Hill for a 45-yard scoring pass late in the half to boost the Lions' edge.

Jones scored twice in the second half for the Eagles, but all three extra point attempts failed, spelling defeat for Chillicothe, even though the team led in statistics.

WINDTHORST POUNDED BY NOTRE DAME

The winless Windthorst Trojans fell victim to a 63-0 whipping by the Notre Dame Knights, who were led by Noel Hernandez' 205 yards and three touchdowns. His scores were all in the first 12 minutes of play.

Also scoring in the blowout were Scott Bowles, Ralph Fritsch, Kipp Harman and Joey Wildhaber. The Trojans only had three first downs and 42 yards offense for the night, while the opponents racked up 400 yards rushing and passing. Besides his yardage total, Hernandez also kicked six extra points.

HASKELL LOSES TO QUANAH

The Quanah-Haskell Indian war was a mild one, with neither team showing complete domination. Quanah scored the game's only points on a two-yard run by Cedrick Dickens with eight minutes left.

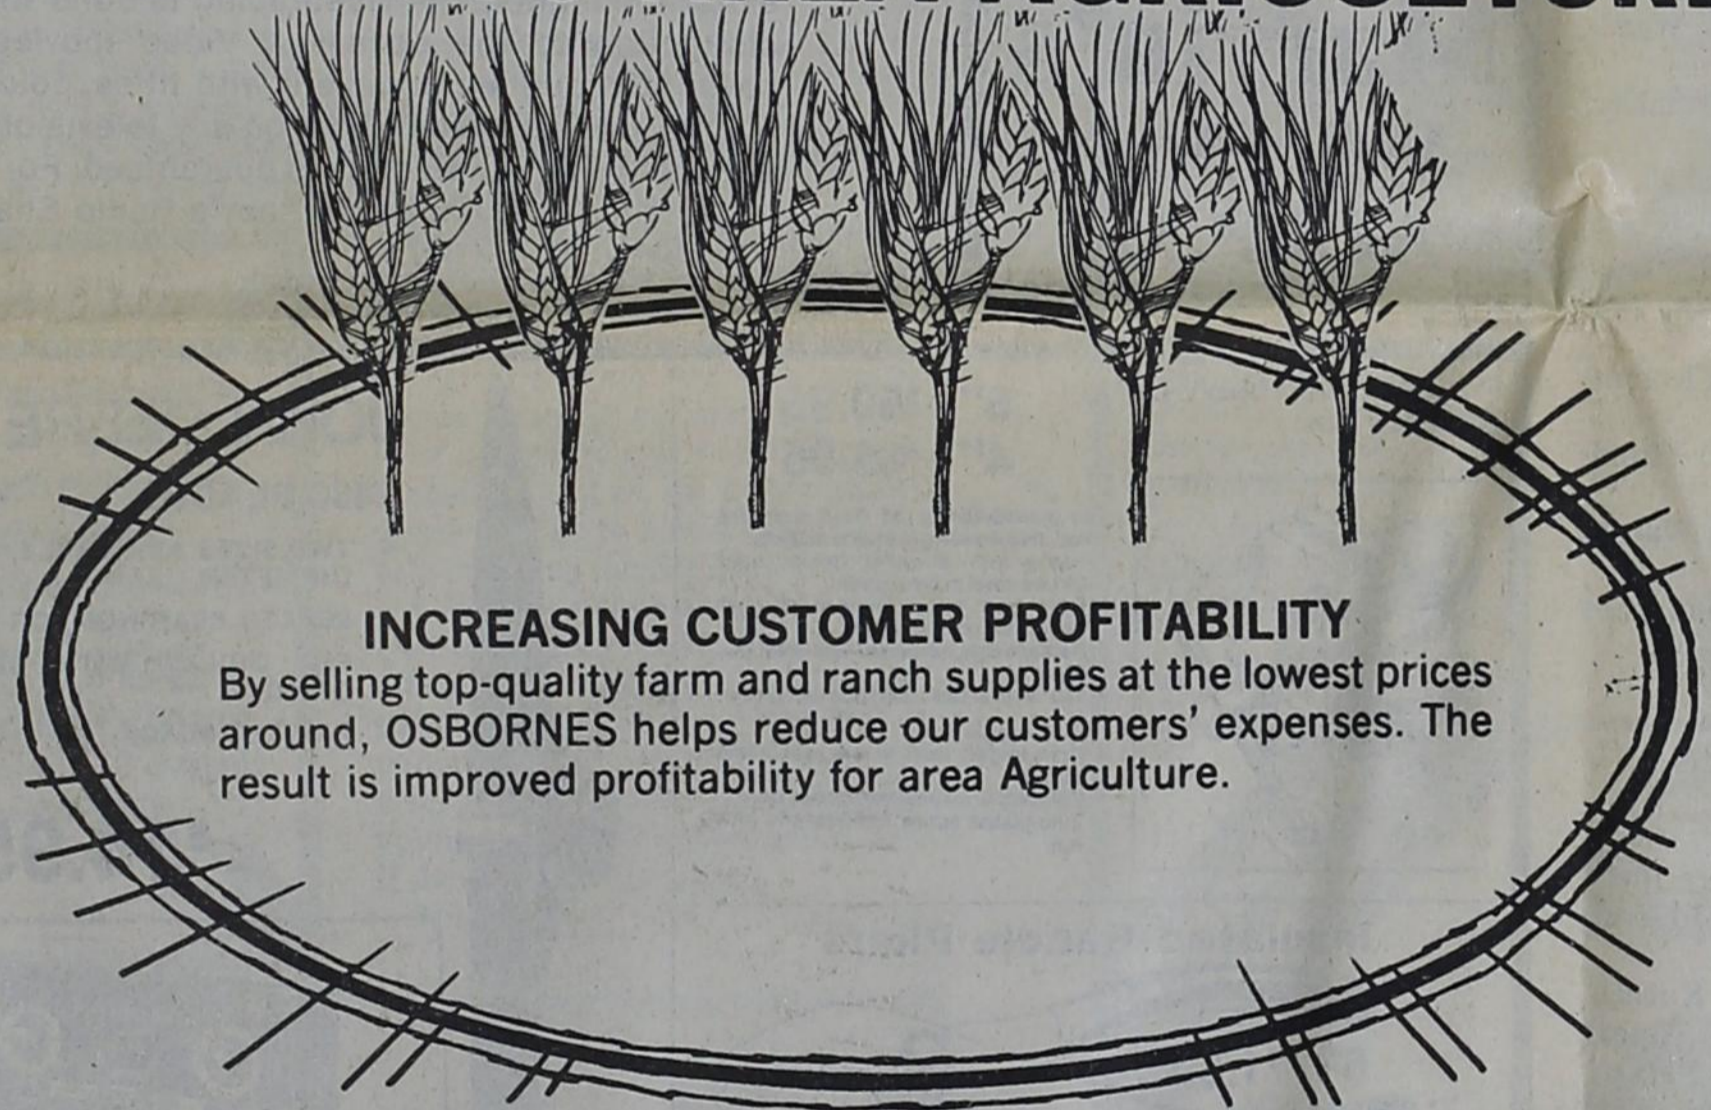

Only 14 first downs were gained by both teams in the defensive struggle.

MR. and MRS. MIKE CYPERT

Mike Cypert, Miss Ford Are Wed In Oklahoma Ceremony

Kelly Jean Ford became the bride of Michael Alan Cypert in a candlelight ceremony at six o'clock in the evening on Saturday, September 14, at the First Methodist Church in Granite, Oklahoma. Rev. Bill Bease officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jack Ford of Shawnee, Oklahoma, and the groom is the son of Mrs. W.A. Wright of Carrollton and Melvin Cypert of Munday.

The couple exchanged vows in a setting of brass double heart and double crescent candelabras with tree and crescent candelabras in the background. The brass appointments were accented with ivy and floral arrangements with large bows and streamers. An ivory satin kneeling bench was adorned with burgandy glamelias, forget-me-nots and streamers, and pews were marked with tall brass hurricane lamps with ivory lace fans trimmed like the kneeling bench.

Candlelighters were Cathy Nelson of Munday, cousin of the groom, and Bryan Keating, cousin of the bride. They were dressed like the adult attendants. Christy Nelson of Munday, the groom's cousin, registered guests.

Renditions of *To Me and The Lord's Prayer* were presented by Brent McDaniel, soloist, and Mrs. Lillian Carver, pianist, both of Granite, Oklahoma.

The bride wore a formal gown of ivory Chantilly lace with silk organza tiered ruffles. Designed with a Queen Anne neckline, the fitted bodice was encrusted in beading and sprinkled with Venise lace motifs. Raised cap sleeves of Chantilly lace were fitted to the wrists, where they were trimmed with Venise lace and pearls. The full bouffant skirt fell to a semi-cathedral train of ruffles.

Her bouquet of peonies, roses and forget-me-nots in candlelight, pink, mauve and burgundy was centered with a mauve agapanthis and outlined in white goats beard accented with pink pearl hearts and lace ribbon streamers.

Serving the bride as matron of

honor was her sister-in-law, Mrs. Charlotte Ford of Granite. Maid of honor was Paige Graumann, also of Granite. They were attired in identical gowns of mauve silk taffeta fashioned with off-the-shoulder draped necklines and full skirts. They carried candlelight lace fans decorated with flowers in the bride's chosen colors and long satin and lace streamers.

Jennifer Keating, cousin of the bride, was flower girl. She was dressed identically to the bridesmaids and carried a mauve basket of correlated flowers. A matching flower and ribbon headband completed her attire.

Best man for the groom was Todd Meers of Munday. Brett Kimmel of Leila Lake was groomsman, and Jason Cypert, son of the groom, was ringbearer. The groom and his attendants wore black tuxedos with white shirts and bow ties and mauve cummerbunds.

Ushers were Derek Cypert of Carrollton and Johnny Ford of Granite, brothers of the couple.

A reception was held after the wedding in the fellowship hall of the church. The eight-tiered cake stood on a table topped with a Victorian lace cloth and centered with the bride's bouquet. The cake was decorated with the bride's chosen flowers and featured a lighted fountain in the center. A silver punch bowl was the focal point of the second bride's table.

Tall pedestals with hurricane lamps and floral arrangements stood between the bride's tables and the center groom's table, which was covered with a burlap cloth with a center runner of pink, mauve and burgundy. A fisherman's creel with broomweed and cattail arrangements was flanked by a copper and ceramic coffee server and cups. The chocolate cake, in the shape of a fish with almond slice scales, was served along with finger sandwiches.

Serving at the reception were Angela Meers of Lubbock, Rosann Owens of Seymour, Lisa Sutter of Carrollton, Paige Graumann and

Mrs. Robert Keating, both of Granite, and Debbie Cypert of Munday.

A noon barbecue rehearsal luncheon was hosted by Mr. and Mrs. W.A. Wright of Carrollton at the Granite Community Center. Dessert of homemade German chocolate and carrot cakes were served by the groom's grandmother, Mrs. Oscar Cypert and his aunt, Mrs. Cathy Albus, both of Munday. A dinner following the reception was hosted at the Community Center by Mr. and Mrs. W.A. Wright and Mr. and Mrs. Jack Ford.

Mrs. Bowden Feted With Birthday Meal

The W.G. Club was invited to the home of Alta Bowden on Wednesday, September 25, for a dinner prepared by Mrs. Bowden's daughter, Marilyn Preslar of Dallas.

After filling their plates from the buffet line, the ladies were seated at two tables covered with cutwork cloths. Centering one of the tables was a beautiful fall flower arrangement sent to Mrs. Bowden by her son-in-law, Ray Preslar. Juanita Massey offered thanks for the meal.

The highlight of the surprise event was a cake inscribed "Happy Birthday, Mother" and complete with candles which was placed in front of Mrs. Bowden by her daughter. The guests joined in singing the traditional "Happy Birthday" song to the honoree.

Enjoying the party were Viola Cude, Pauline Morrow, Elaine Gulley, Elba McMahon, Allene Beaty, Ruth Griffith, Juanita Massey, Frankie Ponder and the honoree and hostess. Another club member, Dorothy Putnam, was unable to attend.

PREPARE OUTDOOR FURNITURE FOR WINTER STORAGE

Many of us have a considerable investment in the outdoor furniture we use on the deck, patio or by the pool. Whether you have expensive wrought iron or redwood outdoor furniture or less-costly aluminum and plastic webbing chairs, you can avoid the expense of replacing it with good maintenance.

Now that the time for summer barbecues has passed, it's a wise idea to clean and renovate your outdoor furniture and then store it for the winter.

Here are some suggestions for cleaning different types of outdoor furniture:

ALUMINUM AND PLASTIC

Most outdoor furniture is constructed of tubular aluminum which tends to gray with age and accumulate dirt and grime. Wash with detergent and warm water to remove most of the soil, and rub with fine 4/0 steel wool to remove discoloration. Aluminum jelly can also be used, but not on new or anodized aluminum.

Wash the plastic seat webbing and straps on tubular furniture with a long bristled brush and then wax with auto paste wax.

Hose down or wash plastic furniture with water and a mild detergent. Don't use abrasive cleaners. Protect the surface with an application of auto paste wax. If the plastic is chipped or broken, it often can be fixed with epoxy glue.

WOOD

Wipe down hardwood furniture with warm water and detergent, then protect it with auto paste wax. If the finish is cracked or flaked, remove it with paint or varnish remover, sand and apply a new coat of marine or exterior-type finish. Also check any painted metal supporting framework for rust and touch up if necessary.

Wash redwood furniture with warm water and detergent. Remove soft drink stains with a solution of chlorine bleach and then rinse. Smooth all the wood surfaces with

3/0 steel wool and apply a protective coat of penetrating sealer. Redwood furniture should not be varnished or coated with shellac.

CAST METAL

Use a mild detergent to wash cast aluminum, cast iron and wrought iron. If the enamel surface is scratched or chipped, or if rust has appeared, smooth the area with steel wool, apply a metal primer and then touch up with matching enamel paint.

RATTAN

Rattan, cane, reed and willow furniture should be vacuumed and then damp washed with warm water and mild soap. After it dries, protect it with a liquid furniture wax.

FABRICS

Cushions and other items made of vinyl laminate, cotton duck or canvas may be damp cleaned and dried with a cloth. Dry clean heavily soiled cotton if possible.

Wash and dry umbrellas made of vinyl laminate fabric in the open position. Check the pole for corrosion and rust and protect it with a liberal waxing of auto paste wax.

STORING OUTDOOR FURNITURE

Indoor storage, in a garage, storage shed or the house, is ideal. You may want to use outdoor furniture to provide extra indoor seating and table surfaces during the winter. But if you keep items in the house, keep them away from direct heat.

If you have no indoor storage space, cover the furniture with plastic, securely tie it down, and store on the porch or other protected areas.

What Children Need To Know Before Staying Home Alone

With the beginning of the school year, many youngsters will be staying home alone after school while parents are at work.

Once parents have decided their child is mature enough to stay alone, it's their responsibility to teach safety habits. Even children who have stayed by themselves in past school years probably need to review safety precautions.

Parents need to cover the following areas of home safety with their youngsters:

- Have at least one home fire drill to be sure there are two escape routes. Instruct children that they must not try to put out a fire, but should get out of the house immediately and go to a neighbor's to get help in calling the fire department.

- Review phone procedures and have emergency numbers visible and attached to the phone or wall. Have the child check-in by phone with a parent or other responsible adult at a set time each day. Make sure the youngster has other numbers to call if they have an emergency.

- Make sure children know to

keep doors locked and not admit anyone.

- Teach children to keep keys out of sight at school or when walking down the street. Never write names and addresses on keys. It's a simple matter to replace lost keys, rather than giving access to your home.

- Have nutritious snacks within easy reach for children.

- Have a first aid kit available and instruct your child on using it.

- Encourage your youngsters to spend their time in a variety of activities including reading, playing games, exercising, doing homework or chores and watching television.

- Establish basic home safety

rules about using the stove, microwave or other appliances, and climbing on furniture or ladders. Teach them to never play with matches, guns or sharp knives.

- Designate a set area, such as a fenced yard, where the child is allowed to play. Set as a rule that friends are not allowed to come over and play until parents return home.

- In all safety talks, emphasize what children can do to protect themselves, rather than the bad things that might happen to a person.

A calm, matter-of-fact approach to this new responsibility can help

children mature and develop a sense of personal security and safety.

Understanding Floor Maintenance Products

Homeowners are often confused when it comes to deciding whether to use a finish, a polish, a dressing or a wax to maintain their floors. All three are, in fact, the same, and can be grouped under the general category of "floor finishes."

One source of the confusion is that many people remember when natural waxes were used as the major ingredient in floor polishes. However, present day floor polishes are made solely with synthetic material and contain no natural waxes.

Today, the term "wax," is often used to describe any temporary floor coating, even though it contains no wax at all.

Consumer confusion may also be the result of advertising. Many products are promoted on the basis of the claim that they do not have to be "waxed" - only a "finish" has to be applied when the floor begins to show signs of wear.

As a result, the consumer who is eager to find a product with lower maintenance demands, is led to believe there is a significant difference between a wax and a finish.

Gillespie Church Slates Revival

The Gillespie Baptist Church will host a revival Sunday through Thursday, October 6-10. Sunday morning service will be at 11 a.m., and evening services will begin at 7 each night.

Evangelist for the revival is Howard Jones, staff evangelist at the First Baptist Church of Hamlin. Leading the music will be Brian Burgess of Haskell.

Pastor John Trice extends a cordial invitation to area residents to attend this revival and share in the worship and fellowship.

MRS. BETTIE ADKISSON, center, celebrated her 85th birthday Sunday with a family dinner. The five generations attending included, from left, her son, J.H. Adkisson of Goree, her great-grandson, Todd Copeland of Seymour, and her granddaughter, Juaniece Allen of Seymour. Mrs. Adkisson holds her great-great-grandson, Derek Copeland.

Birthday Observed At Family Gathering

Mrs. Bettie Adkisson celebrated her 85th birthday Sunday, September 29, in the home of her son, J.H. Adkisson of Goree.

Other children helping her celebrate the special day were Mr. and Mrs. Dude Adkisson of Seminole, Mr. and Mrs. Lloyd Adkisson and Nancy of O'Brien, Mrs. Ruby Bailey of Levelland and Mr. and Mrs. Jerald Adkisson of Brownfield.

Grandchildren attending were Mr. and Mrs. Ronnie Adkisson and boys, Agar, Okla., Mr. and Mrs. Junior Adkisson and children and a friend, Lenorah; Mrs. Kaye Hill and girls, Odessa; Mr. and Mrs. Johnny Allen, Teresa and Tammie, and Mr. and Mrs. Danny Copeland and Derek, Seymour; Mrs. Gloria Webb and Laurie, Dumas; Mr. and Mrs. Pete Wylie and Danielle, Abilene; and a niece, Mr. and Mrs. Bill Wallace of Paradise Valley, Arizona.

Five generations of the Adkisson family enjoyed the day together.

Pride.

A tradition in the good country.
And at Olney Savings.

The tradition of pride runs deep in the good country, and it sets the people here apart from others.

In one sense, it's pride in being the best they can be. But more importantly, it's pride in knowing that their efforts are directed toward a common good — the kind of pride that can be experienced only through shared achievement.

At Olney Savings, that's the kind of pride we encourage — and always will. Because that's the kind of pride that makes the most important things in life happen.

Come see us soon. Or call and we'll come see you. We'd be proud to serve you.

★ FARM AND RANCH REPORT ★

David Tunmire, County Agent

THREATEN LAWNS, PASTURES

Damage from fall armyworms was found last week in David Perdue's lawn near Knox City. The damage found was very light. Fall armyworms left uncontrolled can wipe out entire lawns and cause heavy damage to pastures.

While fall armyworms have been light this year, the pests often increase following a local or general rain. They prefer to feed on well-fertilized lawns and other lush grasses.

Frequent and careful inspections to locate infestations before exten-

sive damage occurs is recommended. The damaged area usually looks like a place where the grass was clipped with a pair of hand clippers. Control measures are most effective against young larvae (worms).

Fall armyworm adults are ash gray moths with mottled forewings which have irregular white or light gray spots near the extreme tip. They lay batches of white eggs on foliage which hatch in about five days. Young larvae are white with black heads. They become darker in color as they grow older and can devour forages and lawn grasses.

Larvae are about 1 1/2 inches long at maturity and light gray to almost black in color with several light stripes along the body. The front of the worm's head is marked with an inverted white "Y".

Worms are full grown in two to three weeks and then burrow an inch or two into the soil to pupate. Moths emerge ten days to two weeks later and the cycle repeats. There may be as many as six generations a year, and it's common to find various sizes of larvae infesting pastures at any one time.

Pesticides labeled for control of fall armyworms in lawns are carbaryl (Sevin 80 percent wettable powder and Sevin XLR), malathion, diazinon (Spectracide), Dylox and various products containing Bacillus thuringiensis.

Use sufficient water for complete coverage. Also, read the insecticide label for rates and follow all directions, instructions and restric-

MEETING TO MAP RURAL CHANGES AHEAD

Changes facing rural communities, and options for coping with them, will be explained for Knox County families at the annual meeting of the Rolling Plains Economic Program set for Friday, October 4.

The meeting will be in the Wilbarger County Auditorium, 2100 Yamparika Street in Vernon. Registration will begin at 9:30 a.m. The fee for the daylong conference is \$7.50 and includes lunch. Advance registration may be made at the county Extension office.

"Facing Tomorrow" will be explored during the luncheon address by Sister Thomas More Bertels, a Catholic nun from Manitowoc, Wisconsin. Sister Thomas More has earned national respect as a critic of farm issues and spokesperson for farm families.

Participants will be able to select two of three concurrent workshops dealing with bankruptcy courts, oil and gas lease options, and personal health and fitness.

Exhibits at the program will provide blood pressure and blood sugar screening, offer computer analysis of sodium and hidden sugar in the diet and provide an exercise program and give county stocker cattle operators an individual computer analysis of their operations. Stocker operators need to bring cost figures for the latter analysis.

The Rolling Plains Economic Program is a regional organization sponsored by the Texas Agricultural Extension Service, an arm of the Texas A&M University System, to promote economic growth and development in a 30-county area.

YEARLY CRICKET INVASION HAS BEGUN

Year after year it seems inevitable that we must face an invasion of crickets. Some years they seem to appear as one massive horde and other years they go almost unnoticed. The jury is still out on this year's invasion.

The cricket that makes up this invasion force is called a field cricket. The field cricket varies in color from brownish to black and may be over an inch long.

The normal home of the field cricket is in a crack in the ground which appears during the hot, dry summer. They also will live under

vegetation, such as grasses and hay type crops. These areas provide good shelter and protection for the cricket.

The cricket invasion is triggered by the rains which usually occur in September. These annual rains destroy the natural homes of the field cricket so they move seeking shelter. The number of crickets moving in will vary from year to year depending on conditions. A large number of crickets indicates they had a good summer with plenty of food.

Crickets are really most noticeable around outdoor lights which they are attracted to. This is why they usually end up inside homes. They are more of a nuisance than anything else, chewing holes in fabrics of nylon, wool, plastic and cotton and paper, rubber and leather items.

Field crickets can not adapt to house living. They usually die soon after moving in and do not overwinter as adults in houses.

There are ways to help keep crickets out of your home. Keep outdoor lights turned off or move the light far away from the house. Insecticides such as Dursban or Diazinon granules can be used around the outside of the house. There are also baits available. Always follow the label instructions.

Junior High, JV Football Report

The Munday junior varsity won its fourth game in as many outings Thursday night against Anson. The final score was 19-6. James Gass caught a blocked punt for a touchdown, Douglas Schumacher intercepted a pass for another, and Curtis Taylor gathered in a pass to score for the offense.

"James Gass played extremely well," Coach Edwards stated. "He had some quarterback sacks as well as the touchdown on a blocked

punt. Everybody on the team got to play, and it was good experience for us."

The seventh grade Braves won their game against Anson 16-6 behind the outstanding play of Perry Collier and a host of other fine young athletes. The eighth graders suffered a 22-0 defeat at the hands of their opponents. "Anson scored on big plays that we are not up to stopping just yet, since we don't run the more complicated plays in junior high. But the boys played real well outside of that, and I expect more improvement from them this week."

Knox City will come to Munday

for three games on Thursday (tonight), October 5, beginning at 5 p.m.

DON'T SHOOT AT POWER LINES!

NEVER SHOOT AT POWER LINES or the insulators that hold them, because the result could be a dangerous downed electric line. A severed line could cause a serious electrical outage, and the downed line itself could be extremely hazardous.

- **Keep Children Away from Electrical Outlets**
 Don't let small children play near electrical outlets. A child could put some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.
- **Always Disconnect Cords by Pulling on the plug**
 When disconnecting electrical items, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords or outlets.

ADDITIONAL SAFETY TIPS:
 • **Use Power Tools Wisely**
 Be sure wiring is in good condition and all circuits are grounded. Never use electric tools in the rain or on wet surfaces. Also, when buying new equipment, look for the "UL" seal of approval from Underwriters Laboratories.

CELEBRATES BIRTHDAYS

Mrs. Tennie Tynes was hostess for a dinner last Thursday at her home honoring Mrs. Doris Lane on her birthday. Others helping celebrate this occasion were Mrs. Ruth Hammons, Mrs. Winnie Howry and Mrs. Grace Smith. After enjoying a delicious meal, the group enjoyed games of "84" during the afternoon.

Ewen Beaty, whose birthday was on Friday, celebrated his birthday Saturday at his home. Helping him celebrate this occasion were Jimmie Dale Beaty, Greenville, Miss.; Mr. and Mrs. Gary Nemeec and Terry, Hawley; Mr. and Mrs. Danny

Wainscott, Knox City and Karen Beaty of Munday. All of Mr. Beaty's children and grandchildren were present for this celebration except one grandson. Jimmie Dale returned home Saturday night after visiting his parents for several days.

Mrs. Marsha Hale celebrated her birthday at the home of her mother, Mrs. Elizabeth Watson, on Sunday. Helping Mrs. Hale celebrate this occasion were her husband, Gary Hale, and daughters, Marcie, Leslie and Donna, and Mr. and Mrs. Alvis Watson of Wichita Falls.

Mrs. Goldie Brown visited her sister, Mrs. Allene Parham and family in Wichita Falls several days last week. While visiting there Mrs. Brown helped her sister celebrate her birthday. Mrs. Parham returned home with Mrs. Brown on Sunday for a few days visit.

VISITORS

Mr. and Mrs. Taylor Allen visited their son and wife, Mr. and Mrs. Kevin Allen, in Abilene on Sunday. They also visited Mr. and Mrs. Roy Shake and family.

Visiting Mrs. Winnie Howry during the weekend were her sons, Tommy Howry and Tommy II of Levelland and Jackie Howry and Beckie of Wichita Falls. Mr. and Mrs. Herb Gray, Tara and Chelsea, of Abilene, visited in her home last Sunday night and Monday.

Mr. and Mrs. Jimmy Blake and Brice of Archer City spent the weekend with his parents, Mr. and Mrs. Elvis Blake.

Visiting Mrs. Helen Roberts during the weekend were her parents, Mr. and Mrs. E.C. Bennett of Robert Lee.

Mr. and Mrs. Greg Melton and Taylor of Haskell were dinner guests in the Elkin Warren home on Sunday.

Mrs. Sharon Fox of Ft. Worth, Mrs. Lori Powell and Katy of Grand Prairie and Mr. and Mrs. Joe Hunt, Jodie and Shelbye, of Vernon were weekend guests of Mr. and Mrs. George Hunt.

Visiting Mrs. Etta Kirk last Thursday were Mrs. Thelma Davis and Mrs. Mary Mattox of Wichita Falls.

Mr. and Mrs. Billy Lee Lambeth, Joe David and Anna, of Lubbock visited his mother, Mrs. Gladys Lambeth, on Sunday. They visited his father, Homer Lambeth, at the Munday care home Sunday afternoon.

Mr. and Mrs. Roger Bell and Scott of Graham visited his parents, Mr. and Mrs. Riley Bell, and Glenda Decker last Tuesday and attended the funeral of Phillip McAfee at Munday.

Mr. and Mrs. Modrell Howard of Seymour visited Mrs. Lois Howard Sunday afternoon.

Visiting Mrs. Etta Mae Frazier Sunday were her son, Don Frazier, of Bowie and Jackie Borchardt of

Crowell.

Mrs. Tennie Tynes, Mrs. Doris Lane and Mrs. Grace Smith were business visitors in Knox City last Thursday morning.

Visiting Mr. and Mrs. Louis Hutchens during the weekend were their granddaughter and husband, Mr. and Mrs. Wayne Fullford of Lubbock. They also visited Mrs. Etta Kirk and the Billy Don Hutchens family.

Miss Sherry Hicks of Seymour visited her grandmother, Mrs. Virginia Land, last Thursday.

Mr. and Mrs. C.T. Gray of Munday visited Mr. and Mrs. Riley Bell Friday afternoon. Krisi Harlan of Seymour visited her great-grandparents, Mr. and Mrs. Bell, Saturday afternoon.

Visiting Mrs. Ruth Nix last Thursday were Mr. and Mrs. B.B. Hill of Westford, Vermont, Mrs. Gladys Harber of Dallas and Joyce and Tyler Nix of Munday.

Heart Association Meeting Scheduled

A meeting of the Knox County Heart Association has been set for 7:30 p.m. Tuesday, October 8, at the Knox County Aging Services building in Knox City. All members are urged to attend.

The average American household does six loads of wash a week.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

Gleaner combines are built extra tough and productive to begin with. So you can count on getting years of hard work and reliable performance from a used one, too.

You benefit from all the performance features designed into every Gleaner combine. Like the sure-feed system with down-front cylinder, multi-stage cleaning and separating, and the Natural Flow harvesting of Rotary Gleaner combines.

In addition, we're making some special limited-time offers, including waiver of finance charges... or big cash discounts... or low-rate financing. Stop in soon and let's deal on a field-proven used Gleaner combine.

Gleaner and Natural Flow are Deutz-Allis trademarks.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

Benjamin Defeats Northside

Friday night, before a large bunch of avid fans, the Benjamin Mustangs grabbed their first win of the season, defeating Vernon Northside by a score of 40-20.

Jeff Pierce scored three TD's, Buster Redwine had 2 and Kemp Jones made one. Pierce also kicked the extra points. We congratulate all the Mustangs on this victory.

HERE AND THERE

Alan and Beverly Baty of College Station were recent guests of her parents and brother, Buddy, Janice and Chad Tolson, and his family, the Lewis Batys at Gilliland.

Van and Gladene Green vacationed in Colorado Springs, Colo. and other points of interest in

Colorado and New Mexico last week.

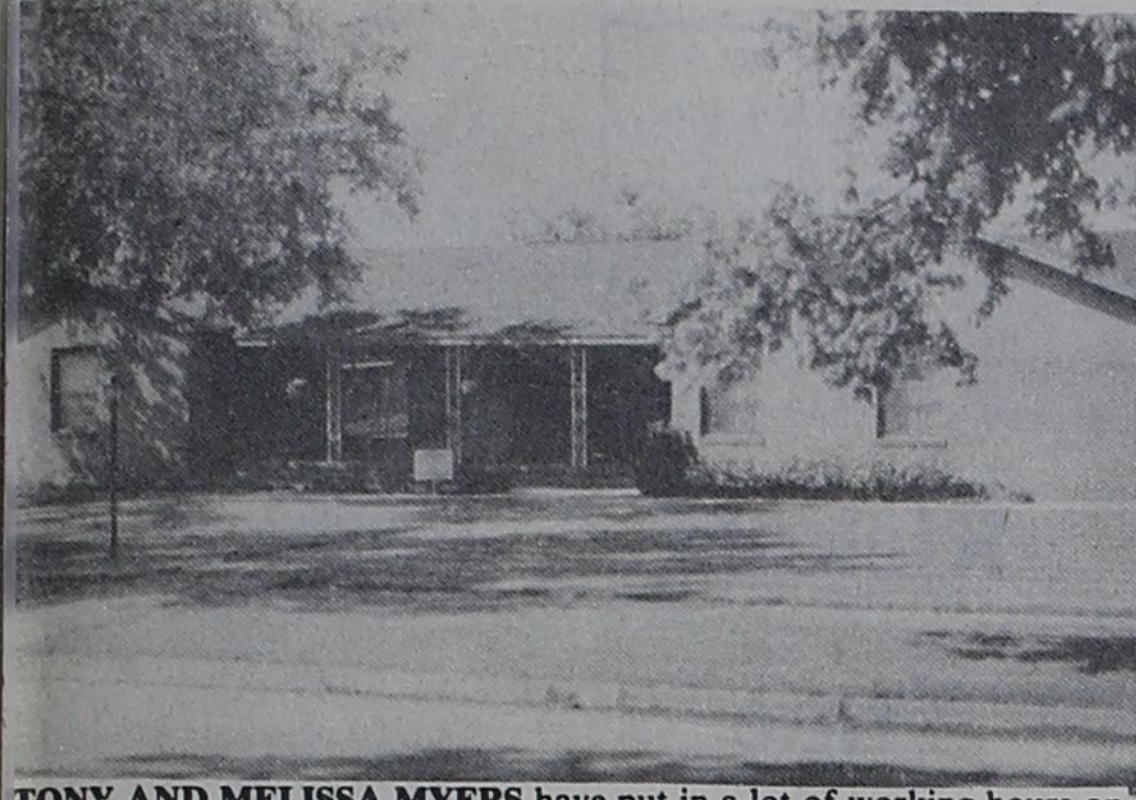

Mary and Mike Sawyers of Hamlin were Saturday visitors of her mother, Clodell Duke.

Troy Pratt, a student at Texas

Tech, was a weekend guest of his parents, Jim and Barbara Pratt.

Doyle and Sipe Griffith of Knox City and Don and Virginia Griffith enjoyed a few days vacation at Hord's Creek Reservoir near Coleman.

Randy and Dorthy Hibdon, Crystal and A.R., spent the weekend with his parents near Hobart, Okla.

TONY AND MELISSA MYERS have put in a lot of working hours on their yard at 721 S. 7th, and have really changed the looks of this spacious lawn. The simplicity of tiny blossoms, small shrubs and hanging baskets is set off to perfection by the sweep of yard and white wrought iron trim on the porch. This yard was chosen by Munday Garden Club as its Yard of the Week.

Public Service Announcement

A representative of the Vernon Social Security office will be at the Munday City Hall from 9:30-11:30 a.m. Wednesday, October 9, to assist citizens in filing for Social

Security retirement, survivors, disability, Medicare or Supplemental Security Income benefits.

To handle Social Security business by telephone, call 817-552-9346 between 9 a.m. and 4:45 p.m. Monday through Friday.

It's A Boy!

Tom and Carla West of Munday are proud to announce the arrival of their new son, Cody Thomas West, who was named for his late grandfather. Cody made his appearance at 7:58 a.m. Wednesday, September 25, at Humana Hospital in Abilene, weighing 7 pounds, 7 ounces, and measuring 20 inches in length.

His two-year-old sister, Jessica, is being "Mama's little helper," caring for her new brother.

Proud grandparents are Mr. and Mrs. Thomas R. West of Munday and Mr. and Mrs. Ralph E. Hatley of Stamford. Great-grandmothers are Mrs. Sam Stone of Munday, Mrs. C.T. West of Haskell and Mrs. J.J. Hatley of Hubbard. Cody also has a bunch of aunts, uncles and cousins anxiously waiting to spoil the new member of the family.

CITATION BY PUBLICATION
