A woman was vacationing in California and was enjoying all the exciting sights and sounds but decided to take a little break from sightseeing to grab an ice-cream cone. She entered a gourmet ice-cream shop, ordered an enticing flavor, paid the cashier and turned to head out the door. When she wheeled around to exit she came face to face with Paul Newman. Startled and star-struck by his presence, she began muttering and sputtering in an attempt to ask for an autograph. Barely able to contain her excitement, she finally was able to acquire the autograph and walked back to her waiting car, still in a state of disbelief over coming face to face with the star. Finally she settled down and began to prepare to start her vehicle when she realized she didn't have her ice-cream cone. Since she was really hungry for the cone she had ordered she decided to go back into the shop to see if she could locate it. When she opened the door to the shop Paul Newman was standing on the other side. He looked at her and grinned, "I'll bet you're looking for your ice-cream cone." He remarked. She acknowledged the fact and he then replied, "You put it in your purse with your keys and autograph."

THE MOGULETTES RELAY TEAMS are all smiles after competing in the District track meet held in Spur last Friday. Representing Munday High School are Lori Clem, Kandis Longan, Lanesa Wilson, Kizzie Shields, Rebecca Dena, and Angela Albus.

Mogulettes rally for injured teammates to win District meet

Spring break took its toll on the Munday Mogulettes track team when four of their star athletes were injured in a one-car accident. Mindy Zeissel, Jennifer Yates, and Ambra Welch saw their dreams shattered when the vehicle they were riding in veered out of control and overturned near Anson. The other passenger, Kandis Longan, has overcome her scars and is running at break neck speed in a concentrated effort to keep her injured teammates dreams alive.

Not only Kandis, but the entire Mogulettes team is keeping the

winning tradition going strong. Coach Curtis Goforth remarked, "This team has made no excuses and they never once doubted themselves. They just went for the task at hand and took it!"

Wearing T-shirts that read: "I'm running for Mindy, I'm running for Jennifer, I'm running for Ambra, and I'm running to win," the girls piled up a total of 106 team points to take first place at the district meet held Friday in Spur. Petersburg took second place with 81 points and Paducah came in third with 79 points.

Results from the competition were as follows: Kandis Longan, 3200 - 1st, 12:57.56; Lanesa Wilson, Lori Clem, Angela Albus, Rebecca Dena, 400 relay - 5th, 55.14; Brandi Hall, 800 - 5th, 2:54; Lanesa Wilson, Lori Clem, Rebecca Dena, Kizzie Shields, 800 relay - 2nd, 1:52.56; Angela Albus, 400 - 5th, 72; Lanesa Wilson, 300 hurdles - 3rd, 50.14; Kizzie Shields, 200 - 2nd, 26.92; Kandis Longan, 1600 - 1st, 5:42.26; Lori Clem, Rebecca Dena, Kandis Longan, Kizzie Shields, 1600 relay - 1st, 4:17.69; Cynthia Thomas, discus - 4th; Kizzie Shields, triple jump - 3rd, 31'10"; Rebecca Dena, triple jump - 5th; Kizzie Shields, long jump - 2nd, 16' 1/4"; and Rebecca Dena, long jump - 5th, 15'7".

Athletes competing in the Regional meet in Levelland on April 26 and 27 will be Kandis Longan, Lanesa Wilson, Lori Clem, Rebecca Dena and Kizzie Shields. Go Mogulettes!

Lanesa Wilson.

Fire ban lifted in Knox County

The Knox County Commissioners Court has officially lifted the Fire Ban in Knox County.

"We do so with words of caution. Because of the high winds we have recently experienced, small fires can get out of control very easily. We suggest before you begin a control burn, please contact the County Sheriff's office and your local fire department," said County Judge David N. Perdue.

Time nears for city, hospital board and school board elections

The May 4 date for general elections is getting closer and it's time to start thinking about for whom you wish to vote.

In the city elections for Munday there are five candidates for aldermen. Winters Mathews and Danny Owens are running for re-election to the positions they have maintained for two years on the City Council. Also seeking election to the City Council are Robert "Bob" Bowen, Steve Morren, and Jay White.

Winters Mathews has been a resident of the Munday area all her life. She has been active in all types of elections and has been involved in school, city and county government. She was appointed to the City Council in January 1991 to fill the seat of her late husband and has been elected to two terms since then. She reports that she enjoys working with the city employees and says that Munday has a lot to be thankful for.

Danny Owens is the District Supervisor for the Texas Boll Weevil Eradication Foundation and, prior to this assignment, was a farmer whose main crops were cotton, milo and wheat. Mr. Owens has served for two years on the City Council and is seeking re-election to render civic service to the city. He has been involved in many church and civic organizations.

Robert Bowen, known to most by "Bob", has lived in Munday for twelve years. He is married to Kathleen Bowen, a life-time resident of the area. They have two children, Phillip, a graduate of Munday High School who currently attends Tarleton State University, and Robin, a senior at Munday High School. Robert is concerned about our city's needs, i.e. cleanliness of streets and repair or demolition of abandoned buildings and paving of streets being at the foreground of this concern. Robert is in charge of the Alternative Education Program in Weintert.

Jay White has lived in Munday

for a little over one year and is the manager of Moore Agricultural Products. He states that Munday has many features that most small towns do not possess and he hopes to help keep our small community a quality one. He is concerned about quality of life issues for our citizen's children and wants to help keep Munday a wonderful place to live and grow up.

Mr. Steve Morren is also running for an alderman position but was not available at press time. The Munday Courier will gladly publish a statement from him at a later date.

Mr. Gary Tidwell, Mayor Pro-Tem is running unopposed for Mayor. He was appointed as Mayor Pro-Tem after the resignation of former Mayor, Richard Albus.

There are four candidates for School Board. These include Jeremy Wilson, Mark Reed, Gary Wilde, and Maynard "Sonny" Moore.

Jeremy Wilson has lived in Munday for 20 years and has two children, Raleigh and Taylor. Raleigh is in the third grade. Mr. Wilson thinks that parents should be apart of the school system to help see that things are run as well as possible for the sake of the children. He would appreciate your vote.

Mark Reed has been a resident of this area all his life. He is a farmer, is married and has one child. Mr. Reed states that he is proud of the tradition of giving 100% at the Munday schools - whether it's in sports, academics, or band - and he wants to see it continue.

Maynard "Sonny" Moore manages Farmer's Grain Co-op and is owner of Munday Cotton Company. He has served on the School Board for the past twelve years and says that he feels a commitment to the children and the district. He is most proud of the fact that when he began serving on the School Board that the tax rate was \$1.30 and it is still that today. Many improvements have been made over the past

Speaker to address issues vital to healthy family life

The Texas Agricultural Extension Service & Knox County Child Welfare Board will be sponsoring Dr. Terry Urnosky, lecturer and professional counselor, on Thursday, April 18, between 7:00 p.m. - 9:00 p.m. at the High School Auditorium in Munday.

Dr. Urnosky will be speaking on "Firm Family Foundations". The first hour will deal with "Care, Motivation and Training Will The Pieces Ever Fit?" The second hour will address "The Art of Discipline". Dr. Urnosky's unique teaching style strikes at the heart of issues vital to healthy family life and will be beneficial to anyone, both men and women, who deal with any aspect of children and youth development. Dr. Urnosky presented a seminar in Knox County in 1993 and is being brought back by popular demand.

Sponsors of the seminar are: Extension Program Council, Family & consumer science Committee, 4-H & Youth Committee, Family & Community Education Council, K.C. Circle FCE Club, and Child Welfare Board.

This seminar is open to the public and is free of charge. During the evening the Knox County

DR. TERRY URNOSKY

Child Welfare Board will be presenting the "Blue Ribbon Family Essay Awards". A number of door prizes, including a 13" color/remote T.V., will also be given away.

Organizers of the seminar feel that those who attend will leave with their lives deeply touched and greatly enriched as Dr. Urnosky presents his subject matter in a manner that is as entertaining as it is informative.

For more information contact Jane Rowan at the Knox County Extension office - 454-2651 or a Child Welfare Board member.

Rollover Convincer to be featured at Parenting Fair

Have you seen a large maroon and white pickup cab and trailer driving around the state? The Texas Agricultural Extension Service in cooperation with the Texas Department of Transportation, through the Passenger Safety Education Project, has acquired a rollover convincer. The objective is to convince people to buckle up. The rolloverconvincer simulates

what could happen to a passenger if they are involved in a rollover crash and not wearing their safety belt.

The rollover convincer is designed to target audiences of all ages, but most specifically pickup drivers and passengers. According to survey results conducted in 25 rural Texas counties for 1994, only 36 percent of pickup occupants

were wearing their safety belts, compared with over 50 percent for passenger-vehicle occupants.

Some drivers and passengers may feel "invincible" in a pick up. They may believe that they have a better chance of survival if they are thrown clear. The facts are almost 34 percent of vehicle occupants killed in Texas crashes during 1993 were in light trucks. The chance of severe injury or death increases 25 percent if a person is thrown out of the vehicle.

Demonstrating the convincer is just one step to making Texans aware of the risks that they take by not wearing a safety belt.

The Rollover Convincer will be demonstrated at various times during the Knox County Parenting Fair, April 23. The fair will be held from 4:30 p.m. - 6:30 p.m. at the Munday Elementary School Gym in Munday, Texas.

The Christian Life

by Jeff Christian - Minister
Munday Church of Christ

Edward Young said, "Who would wish to be valued must make himself scarce." Think about that phrase for a moment and ponder what Young was really trying to say. It seems that we now live in a country where this is no longer true. While in our family life, it may be so that we value those we seldom get the chance to see, in the world in which we live, that of the television set, we get a different picture.

In sports especially, we value and publicize those people who stand out, often not for good. Take for example what happened last week with a player from the Los Angeles Lakers who after being ejected from a game in the second half proceeded to challenge the referee, pushing him onto a table. No one really knew who this half-rate player was until this incident, and now he is a national star. The \$200,000 fine will mean little in lieu of all the free publicity the media is granting him. Is this the way we punish people for doing wrong in society? By shining the media spotlight on them? Would it not be more fitting to suspend him for the rest of the year?

And what about Mike Tyson? He is again being accused of sexual impropriety. We would rather overlook this social dunces, and simple revel in statistics like his ability to knock people out in the first round. But the truth remains that he, as well as Michael Irvin and Dennis Rodman just to name two, have grown bigger than the games they play. Professional sports is quickly abandoning the sport itself and settling for individual stars who have no team concept. It is sad that there are too many Dennis Rodmans and too few Reggie Whites.

I really have no idea how to tie this into Christian living other than

Child abuse discussed at Delta Kappa Gamma meeting

The Beta Chi Chapter of Delta Kappa Gamma Society International met Monday, April 1 at First Baptist Church in Haskell. President Vida White called the meeting to order and turned the meeting over to Judith Burnett. She introduced our guest speaker, Linda Haynes who is the Child Protective Services supervisor for 11 area counties. She has held this position for 17 1/2 years.

Mrs. Haynes told the group that child abuse includes physical and sexual abuse, neglect, abandonment, and lack of supervision and what educators need to look for in dealing with possible child abuse and the steps that will be taken by Child Protective Services after a case has been reported. She said that April is Child Abuse Awareness Month and challenged members of Delta Kappa Gamma to make a difference in the war against child abuse in Texas.

The initiation ceremony for new members was conducted by Kathy Bowen. Inducted into Beta Chi Chapter of Delta Kappa Gamma were Tondi Ree Jeter, secondary computer science teacher from Jayton, and Greta Waldrip, physical education and gifted and talented program teacher from Knox City.

President Vida White presented the chairperson of each chapter committee with a gift in appreciation of their work during her biennial.

Mary Martin presented the Woman of the Year Award to

Margaret Chafin who has served this biennial as treasurer. Margaret has been an active member of Beta Chi for 23 years and has served as treasurer for 17 of those years. She received a special presentation from the group.

The group adjourned after singing the Delta Kappa Gamma Song. Delicious pastries and beverages were served by members from Haskell.

LOCAL NEWS

LaQuita and Roger Johnson of Alverado, Texas visited her mother, Lala Morgan on Saturday and Sunday, April 6 and 7. On Easter Sunday they all attended church and visited with her Aunt Eursel and Uncle Nolan Phillips and other friends there. At home, after church, her cousin, Juana Etheridge, came by to see her and took some things she had made for her and her sister, Lenora. Her brother Melton Morgan was here. He took them to see their Aunt Velda and Uncle Melvin Wainwright. Later they left for home and to stop in Abilene to visit Rogers parents. It was a good Easter.

Area men receive sentences for illegal drug possession

Four area men received penitentiary sentences out of the 50th Judicial District Court during the past week and Grand Jury sessions were held in Knox, Cottle and King Counties, according to District Attorney Bill Neal.

Jerry Carl Eaton, 38, of Knox City plead guilty in the Knox County District Court on April 3, to the sale of methamphetamine to an undercover narcotics officer pursuant to a plea bargain agreement with the State to accept a 10-year prison sentence. In addition, under the plea bargain agreement, Eaton agreed to forfeit to the State his home in Knox City. Eaton was released on a \$75,000 bond pending formal sentencing.

The conviction resulted from a coordinated drug undercover effort between the North Texas Drug Task Force, the Knox and Baylor County Sheriffs' Departments and the District Attorney's Office.

The defendant, Jerry Carl Eaton, was represented by Alex Scharff of San Antonio.

On the same date, in the Knox County District Court, Gary Dixon, 24 of Goree and Chris Hardemon, 19, of Goree, plead guilty to the State's allegations contained in a Motion to Revoke their probation and were each sentenced to two years in the penitentiary by District Judge David Hajek. Both Dixon and Hardemon had been previously placed on probation for

Gillespie Baptist Church plans 100th Anniversary

The Gillespie Baptist Church is planning a celebration for their One Hundredth Anniversary on April 28. An invitation is extended to all present church members, to all former church members, and to all friends near and far to join with us for this Centennial Celebration.

Registration will begin at 9:30 a.m. and a Special Worship Service will begin at 10:00. The Church will provide the noon meal for everyone present. After lunch there will be a time of visiting and sharing. The afternoon service will be from 2:00 to 4:00. We would love to have several people involved in this service. No night services are planned.

We need to know if you are planning to attend in order to plan for the amount of food and to plan the program. We need to hear from former pastors, singers, and others. Hopefully you will be able to be here for the services.

If attending, please write to Gillespie Baptist Church, Route 2, Box 62, Munday, Texas 76371, or you may telephone Lendon and Joyce Walling at 817-422-4120 or Pastor Ross or Ella Mae Anderson at 817-864-2408 in Haskell.

Parenting Fair set for April 23

The Knox County Extension Family & Consumer Sciences committee will be conducting a "Parenting Fair" on Tuesday, April 23. The free come and go type fair will be open from 4:30 p.m. - 6:30 p.m. at the Elementary School Gym in Munday.

Parents are encouraged to come view the various exhibits and obtain free information regarding services, ideas, and products available for use in raising children. Exhibits will include electric safety, kid-proofing our home, nutrition education, drug abuse, child development, child protection and care, seat belt & safety seat protection, health care, and others. A special feature will be the Texas Agricultural Extension service's "Vehicle Roll-Over Convincer". It will be on hand to demonstrate the benefits of buckling up.

Many exhibitors will be offering free materials and door prizes will be given throughout the fair.

Sale of a "Simulated" Drug on September 6, 1995. The State, through District Attorney Bill Neal, alleged both men had violated their probation in several respects, including, burglarizing automobiles in Goree on February 11, 1996, and the defendants plead true to these allegations prior to sentencing.

Meanwhile, in the Baylor County District Court, Jason Brunkow, 20, of Seymour, received a 10-year penitentiary sentence when he plead true to the State's allegations that he had violated his probation. However, District Judge David Hajek made it subject to the prison's "Boot Camp" Program whereby Brunkow will be sent to the prison's "Boot Camp" facility for 90 days. If he completes it successfully, he'll be brought back before the District Judge to determine if he shall serve the rest of his 10-year sentence or be placed on probation for the remainder of the sentence subject to supervision by the probation department.

Brunkow originally plead guilty on May 6, 1994 to Burglary of a Building. He plead true to violating his probation by possessing marijuana, failing to report, leaving the county without permission, failing to pay his fees and other violations. Brunkow was represented by Carl Quisenberry of Seymour.

Daniel Shelton Fontenot, 21, of Seymour plead guilty in the Baylor County District Court to an indictment charging him with possession of cocaine, and was given an eight-year probated sentence and fined \$2,500 by Judge Hajek.

Also in the Baylor County District Court, Augustin Lara, 27, of Seymour, appeared with his attorney, Kris Fouts, of Stamford and was formally sentenced to 60 years in the penitentiary, plus assessed a \$2,000 fine. Sentence was a result of a jury trial in the Baylor County

District Court held on March 26 and 27 wherein the jury found Lara guilty of selling cocaine to an undercover informant.

In addition to the above, Grand Jury sessions were held in Cottle, King and Knox Counties, all in the 50th Judicial District Court last week.

The Knox County Grand Jury on April 3, returned 6 indictments against nine individuals, including one cattle theft indictment against Jerry Carl Eaton, 38, of Knox City; Payton Ellis Tankersley, 38, of Knox City; and Kevin Wayne

White, 26, of Knox City, according to District Attorney Bill Neal.

In addition, Larry Holder, 53, of Knox City and Donald R. Glen, 55, of Denison, Texas, were jointly indicted for Unauthorized Brucellosis Vaccination. Others indicted by the Knox County Grand Jury include: Thomas Valencia, 51, of Munday, Aggravated Assault of a Peace Officer; Raymond Guerra, 28, of Munday, Resisting Arrest; Vernon Smith, Jr., 67, of Burk Burnett, Felony Theft; and David Guadalupe Garcia, 48, of Goree, felony DWI.

Jack and Dean Nuckles have recently returned from Roswell, New Mexico after attending graveside services for Jack's sister, Janell (Nuckles) Munson on April 8, 1996. She is survived by her husband of the home, Charles (Chuck) Munson, one brother, Jack, and a sister Lee Nelson of Roswell. Several nieces and nephews also survive Mrs. Munson.

Mrs. Munson was an X-ray technician and administrative assistant to Dr. Don Larson in Long Beach, California. She was a member of Beta Sigma Phi Sorority, had lived in Roswell the past six years and was a member of the newcomers club. She was very active in the Roswell Adult Center and was a member of the Baptist Church.

Special edition license plates still available in Knox County

Texas motorists still have the opportunity to show off their pride for the Lone Star State with the new and colorful license plate commemorating Texas' 150th anniversary of statehood.

The plates became available December 29, 1995 and will remain available until supplies are exhausted. These special edition passenger plates temporarily will replace the standard "Lone Star State" design.

A shooting star logo and the words, "150 Years of Statehood" are featured on the license plates. They will be available to motorists who purchase a new car and to those who require a replacement due to loss, damage or because their current plates are more than 5 years old at the time of registration renewal. Replacements may be purchased at the local county tax assessor-collector's office for a \$5.30 fee.

"The Texas Department of Transportation is proud to have these plates manufactured for such a significant period in our state's history," said David Laney, commissioner of transportation. "We haven't issued commemorative license plates since 1986, when Texas celebrated the sesquicentennial of being the Republic of Texas."

Texas license plates are manufactured by the Texas Department of Criminal Justice in Huntsville. TxDOT's Vehicle Titles and Registration Division, which oversees the license plate program, registers 14 million vehicles and issues 4 million titles annually.

In a statement released March 20 by the Spongiform Encephalopathy Advisory Committee, any connection between BSE and the 10 cases of Creutzfeldt-Jakob Disease, a human brain disease, reported in Great Britain occurred before control measures such as the bovine offal ban were introduced. The SEAC is a British based group of experts in neurology, epidemiology and microbiology.

In 1989, the British government banned the sale of offal from cattle to consumers. By-products covered by the ban include the brain, spinal cord, thymus, intestines, tonsils and spleen.

Commissioner Perry says that the USDA has taken certain steps to prevent BSE from entering the United States. He mentioned the importation ban and the stepped up surveillance and training methods in place for federal inspectors and veterinary pathologists.

"Asthenation's number one cattle producing state, Texas certainly has a vital stake in the health of the U.S. cattle industry," Perry said. "And as an industry, we must do all

COTTON PLANTING DATE MEETING - APRIL 22

Each year the Texas Agricultural Extension Service and the Knox County Boll Weevil Association sponsors a Uniform Cotton Planting Date meeting for area farmers. This year's meeting will be held at 7:00 p.m. in the KC Hall in Rhineland on Monday, April 22.

With the boll weevil eradication beginning this fall, cotton farmers should be quite interested in what will be happening and how the eradication works. Because of this interest, representatives from the Texas Boll Weevil Eradication Foundation will be present to discuss the current situation and how the program is run. They will also answer any questions that producers may have.

Jr. High girls have good showing at district meet

FHA members attend leadership conference

This year Future Homemakers of America, a vocational youth organization which has served over 7 million young people, held their annual leadership conference in Austin on April 11 through 13. "FHA/HERO: a Quest for Success" was the theme that was carried out during the two-day conference where the members challenged individuals to set goals and quest for success by developing creative and critical thinking skills, family communication skills, practical knowledge and vocational preparation.

FHA members attending from Munday High School were Kristy Yruegas and Angie Stone. Accompanying them were chapter parent Mary Ann Yruegas, and advisor Gerry Baker.

If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a movable feast.

THANKS FOR READING THE MUNDAY COURIER!

Munday's citizens SAVED THE LIBRARY!

One important step in the success of an eradication such as this is cooperation from the farmers. There are several things a cotton producer can do to help lower the cost of the eradication.

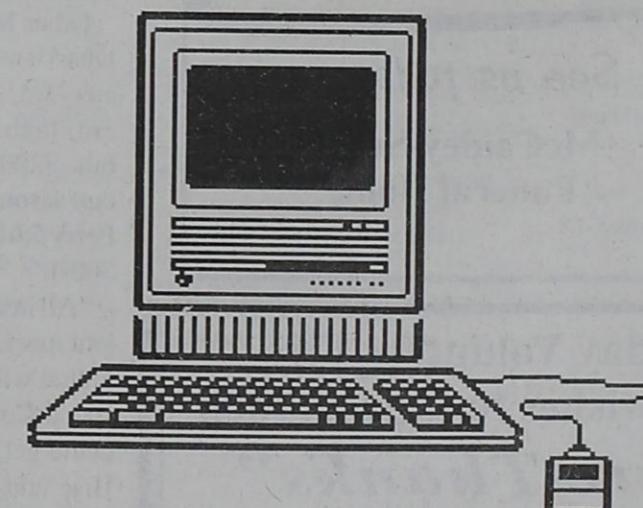

With the eradication program kicking off this fall, farmers can help by controlling the weevils this season. One of the easiest and cheapest methods is to wait until mid-June to late May before planting. A second management practice is to use short season varieties. This allows for an early harvest and stalk destruction. The fewer number of acres in cotton this fall the fewer dollars spent on the fall diapause spraying. This savings will be passed on to farmers.

A meal will be provided at this meeting. Please contact the Knox County extension office by Friday, April 19, if you plan to attend. This will help in meal preparations.

For more information, or to RSVP, please call Paul Weiser in the Knox County Extension office in Benjamin at 817-454-1651.

Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in this program are encouraged to contact the Knox County Extension office to determine how reasonable accommodations can be made.

MUNDAY HIGH SCHOOL ACADEMIC TEAM has performed well throughout the year and consistently brought in high marks. Members of this year's team include (back row) Zane Donoho, Robby Vaughn, Brandi Hall, Tairra Searcey, Kandis Brown, Robin Bowen, Andrea Brown, (middle row) Nathan Kuehler, Michelle Phillips, Heather Brown, Tara Alexander, Kizzie Shields, Lanesa Wilson, Haley Hutchinson, Angie Stone, (front row) Shonda Jordan, Luciana Carvalho, Kandis Longan, Marc McWhorter, Jaclyn Esquivel, Renae Maston, and Julie Patton.

Munday loses well liked Physician Assistant Karl Holmes

Karl M. Holmes, PA, is leaving Texas to move to Iowa, according to an announcement by Stephen Kuehler, administrator of Knox County Hospital District, but the medical staff is gaining a physician to fill the spot this summer. "Karl has been an excellent addition to our medical staff," Kuehler said. "We hate to see him go, but we understand his desire to be closer to his family. As much as Karl will be missed, however, we're delighted that we have a physician who will begin practicing in our area in July."

Elena Slavcheva, MD, is opening her practice in the area in July. "She will join Dr. Thigpen and Dr. Barretto in caring for the patients in our communities," Kuehler said. Dr. Elena, a 29-year-old native of Bulgaria, graduated in the top one percent of her class in medical school, and is currently finishing her residency in internal medicine at Mount Sinai Medical Center in New York City.

Kuehler said that Dr. Slavcheva will join Dr. Thigpen and Dr. Barretto in seeing patients of all ages. She will rotate between the

Knox City Clinic and the Munday Clinic, he said.

Holmes moved to the area from Aberdeen, South Dakota two years ago. His move to Iowa will put him closer to his extended family, Kuehler said.

Moguls place several regional qualifiers

VARSITY

Four Munday Moguls were named as District Champions in their individual events at the District Meet last Friday in Spur.

Jonathan Reagins placed first in the Long Jump category with a distance of 21' 4". Nathan Keuhler was named District Champion after his pole vault of 12' 6" and Ricky Serrato finished first in two categories, the 800 with a final time of 2:02.30, and also in the 1600 with a final time of 4:38.90. Robby Vaughn was District Runner-up in the 110HH with a final of 16.15 and the 1600 relay team, consisting of Roberto Nunez, Chris Torres, Robby Vaughn, and Ricky Serrato, came in as District Runner Up.

Other Moguls competing in the District meet were: Trac Reed, discus, 3rd, 126' 9"; Robby Vaughn, 3rd, high jump, 6' 2"; Kyle Bibb, 6th, 3200; Will Dutton, 6th, discus; Jason Hise, 6th, Shot put; Cody Perry 5th in the 110H and 6th in the 300H.

"All in all, the team had an excellent meet. There was not one individual who did not give it 100%," stated Coach Scott Miller. "If we could get back two injuries, Jason Hise and Jonathan Reagins, then we would have had a shot at the team championship." The Moguls team finished 4th overall. Paducah's team finished 1st with 141 points, Petersburg was second with 107 points, and Spur was third with 102 points. Munday finished with 99 points.

JUNIOR VARSITY

Outstanding performances by the Junior Varsity included: Gonzalo Boaglio, 1st, shot put, 41' 5"; Junior King, 1st, high jump and 1st in triple jump; and Justin Gray, 2nd in 110HH and 4th in 300H. The Junior Varsity team finished 3rd.

The women's marathon was included in the Olympic track and field competition for the first time in 1984. Joan Benoit of the United

Recuperation continues for accident victims

The Munday Mogulette track teams are now wearing T-shirts that read: "I'm running for Mindy, I'm running for Amber, I'm running for Jennifer and I'm running to win." However, if the entire

population of Munday was wearing T-shirts they would probably read: "I'm pulling for Mindy, I'm pulling for Amber, I'm pulling for Jennifer and I know they can win."

Recuperation continues for the girls, both physically and mentally, since they were injured in a one-car accident six miles south of Anson during Spring Break.

Mindy Zeissel, daughter of Mr. and Mrs. Wayne Zeissel, was the most seriously injured of the girls and is still hospitalized. After many days in Hendrick Hospital in Abilene Mindy was careflighted to Scott and White Hospital in Temple. There she underwent hours of surgery with one team of doctors working on her face while at the same time another team repaired the knees. It is hoped that Mindy will be returned to Hendrick this week. She is still "in a fog" - consciously only at times. Please continue to pray for Mindy and keep

her in your thoughts.

Jennifer Yates, daughter of Mackey and Janet Yates, suffered two broken vertebrae in her neck. She is wearing a halo that holds her head steady. She only attends school for two hours, then goes home for three hours, and is able to return to school for the final class period of each day. Jennifer has high hopes for next year and is remaining optimistic about participating in her beloved sports programs.

Ambra Welch, daughter of Mr. and Mrs. Larry Welch, had a broken arm and short-term memory loss caused from a severe concussion. She is not able to attend classes at Munday High as of yet but is scheduled for a doctor's check-up this week and hopes that he will then allow her to return to classes.

Kandis Longan, Bill and Karen Longan's daughter, is doing quite well. Her bruises, aches and pains seem to have healed nicely but the memories remain. She has been able to return to her scheduled activities but always keeps the other girls in her thoughts!

I would like to express my appreciation and gratitude to YOU, the voters in Precinct 3, who placed your confidence in me by voting for me in the Runoff Election, April 9th. I want to say "Thank You" for your support, encouragement, and friendship throughout the past few months.

I will continually need your support, encouragement, and confidence throughout this year. I have a great desire to serve YOU as your Commissioner of Precinct 3 and Knox County. Don't forget the General Election, November 5th, I will appreciate you vote and support.
