Moguls And Indians Battle To 14-14 Tie

A triple-option handoff on the kickoff return almost spelled doom for the Munday Moguls in their first game of the 1986 season, then the same play worked to perfection just seconds later as the big plays dominated a game which ended in a disappointing 14-14 tie. Haskell led through most of the contest until Munday finally mounted a scoring drive in the last quarter.

When Haskell kicked off to the waiting Moguls, opening-night jitters hit the receivers with a vengeance. John Paul Browning handed the ball to J. B. Jones, who bobbled it, and the Indian defense was all over the Moguls to recover the fumble. Haskell began at the Munday 24, and Stephon Brockington ran the ball over in five plays. The kick was no good, but Munday was assessed a roughing the kicker penalty, and the Indians got a second chance. This time they opted for the two-point conversion and Mark Young ran it in, giving Haskell an 8-0 lead with less than a minute elapsed.

But before the fans even got settled back down in their seats, Munday took a chance on the same kickoff return and J. B. Jones took the ball 82 yards for the score. Lowell Hutchens faked the kick and passed to Browning for the two-point conversion, tying the score in just 25 seconds.

Neither team could make anything happen on their next possessions, but with 6:25 left in the quarter Joel Torres gathered in a Mogul punt and ran it back 80 yards. This time the points-after attempt failed, but the Indians still led 14-8 less than four minutes into the game.

The ensuing half-hour was filled with failed offensive drives, fumbles and punts, as well as some inspiring defensive play on the part of the Moguls. Munday repeatedly stopped the Indians short of a first down, and crucial penalties hurt Haskell on more than one drive.

Early in the third quarter Munday started at its own 25 and drove inside Indian territory on three successive runs up the middle by fullback Trey Thompson. But the Moguls were penalized five yards from the Haskell 6, then the Indian defense pushed them back another five yards and Hutchens' field goal attempt was wide. Late in the quarter the Moguls had another chance to score when Anthony Stinnett pounced on a fumble at the Haskell 14. But on the next play Stinnett's pass landed in the hands of Indian Mark Young.

Working in their own end of the field, the Indians managed one first down before the Mogul defense shut them down. After receiving the punt, Munday began a drive from their 44. Ricky Taylor gained a first down and after short runs by Curtis Taylor and Trey Thompson, quarterback Stinnett kept the ball on third down and raced 42 yards around the left end for the tying touchdown. The extra-point kick was blocked, but Munday fans hoped there was enough time left for their team to put another score on the board.

Local Firefighters Attend Convention

A small group of firemen and their families represented the Munday Volunteer Fire Department at the West Texas Firemen and Fire Marshals annual fall convention held Sunday in Windthorst. It was reported that of the ten Munday residents who registered, eight won door prizes, and that everyone had a good day.

The six-man hookup team, made up of M. M. Booe, Freddie Caram, Buford Berryhill, David Booe, Richard Albus and Roland Marion of Knox City, won third place in the competition. Also winning a third place trophy were Cathy Albus and Lisa Booe, the two-woman hookup team. Others present to watch the teams in action were Ruby Booe and Angela and Alan Albus.

It was not to be, however, as Munday fumbled the ball away and lost ground on a penalty in its final two possessions. Haskell couldn't do any better, as quarterback Mark Young threw an interception to Stinnett in their one remaining opportunity.

Statistically, Munday ended the game with a wide edge. The Moguls gained 13 first downs to Haskell's six, with a margin of 232 yards offense to 103. J. B. Jones was Munday's leading rusher with 108 yards on nine carries, one of them the 82-yard touchdown. Trey Thompson banged out 80 yards on 12 carries, and Anthony Stinnett would up with 61 yards on four carries. In addition, J. B. Jones caught three passes for 23 yards, John Paul Browning also caught three for 15 yards, Curtis Taylor grabbed a nine-yarder and Jay Donoho caught one pass for two yards.

This week all four Munday teams will see action if the weather cooperates. The junior high and junior varsity games begin at 5 p.m. Thursday, September 11, at O'Brien. Then the Knox City Greyhounds varsity will be in Munday for an 8 p.m. kickoff Friday night.

As Munday fans know, when the Moguls and Greyhounds meet, you can throw out the record books and all past performances. Both teams are ranked in the top ten in any Class A poll and are the district champion picks in District 5-A South and North. A large crowd will be expected for this inter-county contest.

Coach Steele Comments

I thought we looked good in some places, average in some and bad in a few. In other words, it was a typical first game of the season. I was proud of the team in many ways, but we made too many mental mistakes. I felt we should have won the ballgame.

I was extremely proud of our defense. Chris Baker, Lowell Hutchens and linebackers James Gass and Trey Thompson did super jobs. Haskell really couldn't do much against us.

One problem we had was that our punt coverage was terrible - we just didn't seem to be in much of a hurry to get down there and cover their punt return team. But we'll work on that this week.

The negative is probably often overstated, and I felt there were lots of positive aspects in the game. Haskell did have a good team, and we will get better as the season goes on. I was impressed with Haskell; they had a good game plan and were well prepared for what we were doing. We didn't seem to be in very good physical shape, but that may have been more of a mental letdown.

Basically, it was just a case of two (See MOGULS, Page 2)

MOGUL QUARTERBACK Anthony Stinnett steps off 42 yards around the Haskell defense to score the game-tying touchdown at Indian Stadium Friday night in the first game for both teams. Coming in to help block for Stinnett are Chris Baker and Ricky Taylor. The extra point attempt after the TD failed,

and the game ended in a 14-14 tie although both squads had chances to put points on the scoreboard after Munday's final touchdown. The Moguls will host the Knox City Greyhounds this Friday in their first home game.

New Young Farmers Officers Elected

The Brazos Valley Young Farmers met September 2 to elect new officers for 1986-87 and to plan programs for the year. Dale Bloxham of Knox City will serve as president of the group. Other officers are Floyd Reed Jr. of Munday, vice-president; Steve LeFevre of Munday, secretary; George Oustad of Munday, treasurer; and county Extension agent David Tumire of Knox City, reporter.

The group voted to sponsor the third annual Knox County pecan show and the county stocker-feeder project, events which the Young Farmers have sponsored since the club was organized. Educational programs for their meetings were also planned.

Persons interested in joining the Young Farmers organization is invited to attend any regular meeting, which begins at 8 p.m. the first Tuesday of each month at the Munday High School vocational agriculture building.

Knox City Man Is Sentenced To Prison

In District Court held September 3 in Benjamin, Luther McCrary of Knox City was found to have violated the terms of his probation and was sentenced to serve seven years in the Texas Department of Corrections.

McCrary received a probated sentence on a charge of making terroristic threats against a Knox City couple but failed to meet the conditions of that probation. District Judge David Hajek heard the case.

WTU Refunds Due In Septemer Billing

West Texas Utilities customers this month are receiving refunds and also paying less for the electricity they use.

The double-barreled relief comes from a continued decline in the company's boiler fuel costs, which by law are passed on to the customers. The company is refunding over \$5 million - an average of about \$11 per customer - in retail revenues collected in excess of actual fuel costs over the past several months. At the same time, the amount charged customers for fuel is being reduced.

The fuel cost refund is the third within about a year for WTU, thanks mainly to the decline in the price of natural gas, WTU's main boiler fuel. A further decline in the costs is expected when WTU's new coal-burning Oklaunion Power Station goes on line late this year.

"The cheaper coal should partially offset an anticipated increase in base rates necessary to pay the plant's construction costs," Don Welch of Abilene, vice president and director of customer services, said.

Welch said the new fuel cost factor, which was set by the Public Utility Commission at WTU's request, brings WTU's standard residential summer rate down below average for investor-owned utilities in Texas.

WTU customers now will pay \$72.59 for 1,000 kilowatt-hours, compared to \$80.01 under the old fuel cost factor, and \$40.55 for 500 kilowatt-hours compared to \$44.26.

Area Waterlogged After Rains

Knox County residents have alternately gripped and gloated about the weather the past two weeks, but we probably all agree that we've had about all the rain we need for a while. Persons in Munday whose homes face streets due to be paved especially feel the need for a dry spell.

Cotton farmers got a good bit more rain than they needed, too. One agri-businessman here said the irrigated cotton had a great number of rotten bolls, the result of too much water for too long. Dryland cotton is putting on new growth, he said, which will do little besides feed the boll weevils and make the crop hard to defoliate.

Predictions are that 75 percent of the area cotton producers will make below their projected yield this year. Wheat farmers have a little brighter outlook, as the moisture was needed on the wheat ground.

Goodson Sellers, Munday's official weather observer, reported a

The average reported by the PUC for eight investor-owned utilities in August was \$76.55 for 1,000 KWh and \$40.72 for 500 KWh.

Coal deliveries are now being made to the Oklaunion plant, which is nearing completion eight miles southeast of Vernon. WTU's share of the plant's generation will be equal to about one third of the company's total existing generating capacity, which comes from eight major gas-fired power stations.

THE BRAZOS RIVER was moving swiftly and contained a great deal more water than usual when this picture was taken off the Rhineland bridge Friday afternoon after most of the past week's rain had fallen. The river rose to its highest point sometime Saturday night and began receding. Reports of from 3.80 to over seven inches of rain were received throughout the county, and most of the surrounding country got plenty of moisture as well.

two-week total of 3.80 inches of rain. Gauges in Rhineland showed near five and one-half inches, and areas west of that community received six inches. The northeast and east sections of the county were harder hit, with some reports of over seven inches coming in.

People who don't farm any land were able to enjoy the unseasonably

Lions Host Pancake Supper Before Game

Munday residents are urged to eat sausage and pancakes with the Munday Lions Club before the football game Friday night. Serving hours are from 5-7 p.m. at the high school cafeteria.

Tickets are still available from any Lion or they can be purchased at the door. Prices are \$3 for adults and \$2 for children, and the Lions will guarantee that you will get your fill of pancakes for that price.

School Enrollment Down From 1985

Enrollment figures for the Munday school system were announced this week by principals A. B. Martin and Doug Donoho. A total of 405 students were enrolled in school here as of Tuesday morning before we went to press. This figure is down 13 students from last year's early statistics.

The first week of school in 1985 ended with 415 students, and three more joined a few days later. This year's elementary enrollment is about ten students higher, but lower figures are reflected in both junior high and high school.

There are 234 elementary students, 57 in junior high and 114 enrolled in Munday High School. The largest class is the sixth grade with 42 students, and the next class, the seventh grade, is the smallest with just 22 pupils. Averaged, the enrollment shows just over 31 students per grade.

Here are the enrollment figures broken down by grade:

Early childhood, 1; kindergarten, 37; first grade, 31; second grade, 30; third grade, 33; fourth grade, 26; fifth grade, 34; sixth grade, 42; seventh grade, 22; eighth grade, 35; freshmen, 30; sophomores, 23; juniors, 29; and seniors, 32.

Bids Sought For Building Show Barn

The Brazos Valley Young Farmers are seeking names of building contractors interested in bidding on the construction of a show barn.

Interested contractors should call Jon Godsey at 658-3606 and leave their name, mailing address and telephone number. Building specifications will be sent to those interested in submitting a bid.

FHA Collects Items For Children's Home

Members of the Munday High School Future Homemakers of America chapter are now involved in a TEENWORK project. The letters of TEENWORK represent the concept of "teens everywhere, everyday, nurture works of rewarding kindness."

For the 1986-87 year, the chapter is committed to becoming more involved in student-community affairs. The child development class is in charge of collecting items for the Medina Orphanage. Items needed include clothes, shoes, sewing supplies, jewelry, canned food, towels, washcloths, dishrags, hand towels, grooming items, toys and both bar and dishwashing soap. The items need to be in good condition.

Anyone interested in donating to these needy children should contact Renita Redder, project chairman, or any FHA member.

ART LAWLER

The weak and uneducated haven't started doing this yet, but the Yuppies will transition them in due time.

If you happen to be one of those people who did not dig this paper out of a trash can, you probably know I'm talking about the fashionable trend toward placing words in the wrong places in sentences. Usually it's a noun in the slot where verbs once resided. But other atrocities are now an everyday occurrence. I've committed an atrocity myself once already. We're you attentioning?

Social workers, self-help business people, politicians and Hollywood actors are leading the way, as usual.

Social worker: "You say you feel like killing yourself, and I hear where you're coming from. But first, let's language this out and see if we can repress the depression."

Those who jumped after listening to such "languageing" can be forgiven. Call it justifiable suicide.

I don't know why yuppies have to talk like this. I'm still trying to figure out why they wear tennis shoes with three-piece suits. They're selling a frightening language, though, and it's all too easy to pick up.

For instance, you probably carried to work today, and you and your friends are planning to engine on down to New Orleans for the weekend.

The three couples really ought to network about this first, you know. The drive is long and it's fairly predictable you'll be fatiguing long before you get back.

Just thinking about suiting, socking, underwear and having to clothes in general, makes me tired. I'd much rather weekend by booking. Besides it helps you intellect.

An emaciated friend of mine says he plans to marathon, then hill and finally wind up doing water. Each to his own leisuering, I suppose.

"By the way, I was noticing how brown you are. Have you lamped recently?"

"No, but I didn't shirt for two weeks while we were beaching."

"Well, how are you two marrying these days? I know you guys were disarraying there for a while."

"Oh, things are better now that he's

THE MUNDAY BRAVES will hear plenty of spirit from these young ladies as they cheer their teams on to victory this athletic season. The girls attended the 1986 Big Country cheerleader camp in Abilene this summer to learn new cheers, stunts, chants and spirit ideas. Professional cheerleading instructors taught the camp sessions. Shown from top, moving clockwise, are Bridgett Beaty, seventh grad, Jae-Jae Reneau, eighth grade, Missy Reneau, seventh grade, and April Offutt, eighth grade.

Find Target Heart Rate To Improve Personal Fitness

What's your target? Targeting -- both personal and physical -- is a key issue when it comes to a total fitness program.

"In recent years, exercise has become a national pastime," Addison A. Taylor, M.D., president of the Texas affiliate of the American Heart Association says. "But the fact that we are exercising more--or think we are--doesn't mean that we are achieving our fitness goals."

Many people fall short of their cardiovascular fitness goals because:

1. They have chosen the wrong kind of exercise.
2. They are not exercising enough.

3. They haven't established a life-time target.

Just any old exercise won't do. You must choose an exercise that will give your heart the right kind of workout, an aerobic (or dynamic) exercise. By definition, an "aerobic" exercise challenges the heart and circulatory system to meet the extra oxygen needs of the body during the exercise.

Why challenge your heart? Your heart, like any other muscle, gets stronger with regular exercise. The stronger your heart is, the less it has to work to pump blood through the miles and miles of blood vessels to every part of your body. Stronger hearts contract less frequently and still get the job done.

Your exercise program should strengthen your heart muscle, as well as improve total muscle tone. Exercises meeting this criteria include fast walking, jogging, swimming and bicycling. A few sports, if played vigorously, also qualify: tennis, racquetball, basketball and soccer.

The AHA recommends that you choose an aerobic exercise that suits your health and physical capability, one that you can enjoy and one that is convenient for you. (Caution: If you have health or medical problems or if you have not exercised regularly you should check with your doctor before beginning any fitness program.)

How much exercise is enough? Again, targeting is a key. Targeting, in this case, means finding your personal "target heart rate" and exercising to achieve this rate.

Your personal target rate depends on your age and your maximum heart rate. Your target heart rate is 60-75% of your maximum heart rate, depending on how far you have advanced in your exercise program.

(For example, for a beginning exerciser, age 35, maximum heart rate would be 220 minus 35, or 185. Target heart rate would be 60% of 185, or 111.)

Researchers feel that cardiovascular health is improved if you exercise so that your pulse is within this target heart rate for 20 to 30 minutes three times per week.

Staying on target is the final key to your program. You've found the exercise that's right for you. You know how much you should exercise to achieve the desired results. You need commitment to make the program work for you.

Choose a realistic starting date, the day when you know you will have time to begin your program. Establish a regular pattern; try to exercise at the same time each day, so that it does become a regular part of your schedule. (If you miss a day, reschedule on a day when you are not already scheduled; don't "double up" to make up.) Always be sure to allow adequate time to warm-up before exercising and to cool down afterwards.

Other ways to stay on target? Exercise with a friend or group which shares your commitment. If your first schedule doesn't work, try different activities and schedules until you find the one that's right for you.

"Fitness is a lifetime commitment," Dr. Taylor says. "What makes it work, however, is the day-to-day renewal and refinement of your goals."

MOGULS

(Continued from Page 1)

good teams meeting and both making costly mental mistakes.

Knox City is a big team, and from what I have seen on the films they are very aggressive. Just because Seymour beat them by a big score is not necessarily indicative of their team because Seymour is very good this year. Knox City has a good team, too. We will have to keep them from making the big plays that Haskell did. Anthony Oudems is as good a running back as I've seen. I think it will be a real head-knocking affair.

CUT FIREWOOD NOW

The rainy weather we have been experiencing has reminded me that winter is just around the corner. The average first freeze is still almost two months away but it's not too early to cut firewood.

Firewood cut now will dry by the time cold weather rolls around.

It takes as much as a year for split and stacked firewood to reach an 'air dry' condition. This is when 20 percent of the wood's weight is water. However, four to six months storage will dry wood enough for use.

Stack the wood off the ground in an open area to allow air circulation. Covering the wood pile to keep off the rain will speed up the drying process.

When cutting firewood, safety should be a primary consideration. A chainsaw is probably the most

dangerous piece of equipment most people ever handle. Chainsaws cause more than 30,000 accidents each year, mostly due to operator carelessness.

If buying firewood, be sure you know what you're getting. First, ask if the wood is green or dry. Then check on the amount and price. Firewood is often advertised for sale by the cord, but the seller usually means a 'face' cord.

A cord of wood is a stack four feet wide by four feet high and eight feet long. A face cord is a stack four feet high and eight feet long, but the pieces are only 18 to 24 inches long. From the front, or "face," it looks like a cord, but is only one-third to one-half a cord. A pickup load of wood is generally equal to a face cord.

Plan to cut or buy your firewood early so that it will be ready to burn once the winter season sets in.

Senior Citizens See Skit; Enjoy Lunch

Munday Senior Citizens president Rennie Patterson presided over the regular meeting of the organization on September 4 in the Community Center. Opening prayer was said by Claudia Harrell, and the pledge of Allegiance was recited. Minutes of the previous meeting were read and approved, and the treasurer's report was accepted.

A suggestion was made to ask for the use of one of the county senior citizen organization's mini-buses for a short trip. A committee of Louise Fruehwirth, Grace Hutchinson and Ruth Horton was asked to check for this request and report back to the group. The necklace order was asked about, and the report was that they have not been received.

A comedy skit titled "Census Taker" was presented by Louise Amerson and Maggie Gaines to the enjoyment of all present. The remainder of the morning was spent singing with Maggie Gaines and Mary Bowman leading and Eunice Raynes at the piano. Grace for the noon meal was said by Nina Elliott. A delicious covered dish luncheon and a period of fellowship were enjoyed by all.

Game nights for this month are September 11 and September 18, and September 25 is singing night. The next meeting will be held at 10:30 a.m. Thursday, October 2, at the Community Center. Any senior citizen is welcome to attend.

4-H Enrollment Meetings Planned

4-H enrollment time has arrived in Knox County, and every 4-H member or prospective member must fill out an enrollment card. Students in the third grade or nine years old through those age 19 are eligible to join the 4-H program.

Young people desiring to join a 4-H club in Knox County should attend the meeting nearest them. A parent or guardian needs to attend with the children. Meetings are set for:

5 p.m. Monday, September 15, at the Knox County Courthouse in Benjamin; 5 p.m. Tuesday, September 16, in the basement of the First United Methodist Church in Munday; and 7:30 p.m. Tuesday, September 16, at the Knox City Community Center.

Mrs. Yost Honored At Birthday Party

Mrs. Ola Yost was honored with a celebration observing her 80th birthday in the family home on Thursday, September 4. Hosting the event were her children, Mr. and Mrs. Foy Yost and Mr. and Mrs. Joe Yost, all of Ft. Worth, and Dr. and Mrs. H. B. Graves of Sweetwater.

A granddaughter, Melissa Josselet, and two great-grandsons, Michael and Jason Josselet, were also present. The phone rang all day with greetings from other grandchildren who were unable to attend.

The rain did not dampen the spirits of Mrs. Yost's Sunday school class, as all the members were there except two could not get into town. Neighbors who are loved and appreciated were also there to make the celebration complete.

Everyone wishes 'Mama Yost' many more birthdays.

I am the vine, you
are the branches; he
who abides in me,
and I in him, he bears
much fruit: for apart
from me you can do
nothing.

Collins Marks Final Days At Gas Station

Even if someone buys the station and sells Fina gasoline there, it just won't be the same! Dorse Collins' cheerful grin and pleasant words have greeted customers at the station since 1941, but he will no longer be at his familiar post after this Saturday.

Collins is retiring after 45 years of working at or running a gas station at the same location on U.S. Highway 277. His wife, Jean, who has also worked at the station and did the bookkeeping, will also retire, although she says her rest period may be temporary.

Dorse Collins began working at the station in 1941, when it was the Magnolia Petroleum Agency owned by Don L. Ratliff. Collins bought the Mobil wholesale dealership in 1952, and when Mobil Oil closed down its operations in the southwest in 1978, the station eventually became a Fina dealer.

In the course of his years in the business, Collins has employed a variety of assistants. Bob Brewer was his first employee, but the late J. C. Riley worked at the station for 50 years under several owners. In addition, Jean said, "We've worked just about every high school boy in Munday." Their one stipulation, she said, was that the young man continue schooling. "We wouldn't let them quit school to work for us. We thought this kind of work would convince them that they needed a better education and be able to make a living doing something besides selling gas."

The most obvious change in the gas station business is, of course, the price in oil. Jean Collins leafed through an old ledger she kept dur-

DORSE AND JEAN COLLINS are shown at what has been their place of business for the last 45 years. But Collins Fina will no longer be open after Saturday, as the couple has decided to retire. Although the station is for sale, no one had expressed any interest in keeping it open when the Courier interviewed Dorse and Jean. Their daughters are hosting a retirement party for their father Sunday afternoon at the Shamrock Cafe.

ing the 1960's, recalling charge customers and pointing out prices of various items and services. Gas at that time cost 30 cents a gallon, and a standard grade oil was 55 cents per quart. Service calls and flat repairs were \$1 each, and a wash job was \$3.

Use of credit cards is prevalent now, although the couple said buying gas on credit was done by many

people back during the "good old days." "You extended credit or you didn't do business," Jean said, then pointed out, "just about like it is now."

"Our regular customers have kept us in business through the years," she added.

Jean Collins told a humorous story about something that happened during the time that J. C. Riley, fondly known as Jake, worked for them. Riley could not read nor write, and at one time, the Munday Times employed a man who couldn't hear or speak. One day when Dorse returned to the station from lunch, Riley told him, "Mr. Dorse, you've got to go over to the Times. That boy over there wants something done to his car, and I couldn't read what he was writing and he couldn't hear what I was saying!"

It is with reluctance that they have decided to sell the station. "We hate to close because Munday doesn't need to lose another business," Collins said. "But there just comes a time in your life when you need to make some changes."

Collins said he has lots of fixing

up to do around his house, and he likes to do woodwork. Add hunting and fishing to that, and he doesn't think he'll get bored.

Dorse and Jean were both raised in Munday and married in 1948. He served in the Air Force during World War II. Some of his community memberships include the Lions Club, the Chamber of Commerce board of directors, the Masonic Lodge and the Housing Authority board.

They are proud of the fact that their grandchildren, Alicia and Jeffrey Cook, are the fourth generation of Munday school students in Jean's family. They also have another granddaughter, Lindsay Lankford, who lives in Electra.

The couple's daughters, Stacia Cook and Karen Lankford, will honor their father with a retirement party Sunday, September 14, at the Shamrock Cafe dining room. Friends and customers are invited to drop by between two and four o'clock in the afternoon to wish Dorse well in his retirement.

Dorse and Jean are cautiously optimistic about Munday's future. "Being so rich in vegetable growth, we are totally dependent on agriculture with no industry," he said. "Our farmers are going to have to make better crops or the prices are going to have to improve. But I think the economy will pick back up, and when it does Munday will be all right."

"And this is 'think to next year' country," his wife chimed in. "Things will be better next year."

Munday residents hope that life just gets better and better for this deserving couple.

Community Calendar

September 11 - Munday JV at Knox City.

September 12 - Lions Club pancake supper; Knox City at Munday.

September 15 - Fire Department.

September 16 - Lions Club; Weight Club; 4-H Club.

Visiting Mrs. G. W. Hawkins last week were her brother, Mr. and Mrs. Lloyd Bowden of Waco, and her sister, Mr. and Mrs. M. L. Joyce of Albany.

Farmers Must Insure Small Grains By End Of September

Texas farmers have until the last day of September to buy multi-peril crop insurance for small grains.

"Crop insurance is basically a risk management strategy in which a farmer pays a premium to protect against large, unpredictable yield losses," says Dr. Ashley Lovell of Stephenville, economist with the Texas Agricultural Extension Service.

"Crop insurance can assure a farmer of a minimal cash flow in case of a major crop loss so that he will have a chance to farm the next year," adds the economist.

Producers who insured their small grain crops last year will have their contracts renewed automatically unless they cancel them, Lovell points out. However, any changes in the level of coverage or price election must be made by September 30.

Multi-peril crop insurance for 1986-87 wheat, oats and barley will be available only under the Actual Production History (APH) program, Lovell explains. Under APH, yield guarantees are based on actual production records of the insured or grower rather than on county average yields as was the case previously under the area coverage plan. This means that a farmer must provide evidence of previous years' production and acreages.

Selecting crop insurance requires choosing a price election and a yield guarantee of either 50, 65 or 75 percent of the insurable yield which

reflects the past production history, explains the economist. Price elections are \$1.00, \$1.25 or \$1.50 a bushel for barley; 60 cents, 80 cents or \$1.05 for oats; and \$1.50, \$2.00 or \$2.60 a bushel for wheat. The combination of yield guarantee and price election determines the level of insurance coverage and cost of the premium.

Lovell reminds farmers that the premium cost for this insurance reflects the federal subsidy of the premium.

Interested producers can obtain additional information by contacting a local firm that offers multi-peril crop insurance.

Visiting Mr. and Mrs. Douglas Myers over the Labor Day holidays were Mr. and Mrs. Danny Parchman, Todd and Tami, of Lubbock, Mr. and Mrs. Howard Scheffler of Hurst, Mr. and Mrs. Gregory Myers and Jessica of Tulsa, Oklahoma, and Mrs. Jerry Phillips, Rebecca and Jonathon of Abilene.

5 Ways to Accentuate the positive!

For every checking account need, Olney Savings has a positive answer. In fact, we have five great checking accounts, and they're about as positive as checking accounts get — because they all pay interest! Plus they offer many other positive features, too. For instance:

- +** The Olney One Account
Earns market rates, unlimited checking, free first order of checks, MPACT Card available and no service charge (with minimum balance of \$1,000).
- +** The Olney Savings Check Club
Earns interest, free notary service, free personalized corporate style checks, free money orders and traveler's checks, free credit card registration, travel and entertainment discounts, no service charge (with monthly membership fee), monthly magazine and much more.
- +** The Olney Savings Super Checking Account
Earns market rates, free personalized checks, free notary service, free money orders and traveler's checks, free MPACT Card, free membership in the Olney Savings Check Club, and many other benefits. \$2,500 minimum.
- +** The Olney Savings Checking Account
Earns interest, free first order of checks, no service charge (with minimum balance of \$500), free checking for Senior Citizens and students, free notary service and more.
- +** The Olney Savings Commercial Checking Account
Earns interest, truncated accounts and non-truncated accounts (checks returned in statements or carbon copies only), free traveler's checks and money orders, treasury tax and loan depository, no service charge (if required balance maintained), Visa and MasterCard services.

For checking account service that always treats you and your money positively, visit the Olney Savings near you today. Our interest bearing checking accounts are just some of the many positive ways we can help you reach your financial goals. Come see us soon. Or call and we'll come see you.

★ TRUSCOTT—GILLILAND NEWS ★

By Mrs. Clara Brown

The Truscott Reunion Saturday, August 31, was a real success, with even the weather cooperating. Over 250 purchased barbecue tickets and many more, probably over 400, attended for the afternoon or came after supper. The weather was slightly cloudy and pleasant. The tents borrowed from Womack's and D&B by Owen New really made the afternoon visiting pleasant, and provided shelter from a few sprinkles which fell after sundown. Derrell Hord and R.C. Daniel also helped with the tent arrangement.

There was a good sale of "Between the Wichitas" and Knox County coins. Some people were disappointed because they could not get bronze coins, but those were long ago sold out. The only ones left are the brushed silver coins, a few two coin sets and a few four coin sets. When the coins were first issued people were told they would become collector's items, and that point has been reached. Paul Bullion, Murry Bullion, Gail Whitley and the rest of the band did a great job on the music Saturday night.

Following is a partial list of out-of-town visitors. This includes only those who registered. Some did not include their addresses and some of the names may be misspelled in this copy. Among those registering were Ladella Chilcoat Abbott, Thelma and Midge Adcock (Crowell), Otis L. and Pauline Barnett of Midlothian, Bill and Pattie Sue Young Benson of Benjamin, Mrs. Roy Browder, Mr. and Mrs. Bob Browder, Jack Bullion, Carlton Browder, Mr. and Mrs. Nile Bryant of Floydada, Newt and Opal Bryant, Willa Mae Hitchcock Cotten of Ft. Worth, Murlene Black of Houston and Rev. and Mrs. Paris Barton of Haskell.

Others were Herb and Opal Jean Browder Coleman of Houston, Dan and Bess Callaway of Snyder, Elizabeth Chowning of Wichita Falls, Francis Carroll, Marion Chowning, Jr., Woody and Nina Culpepper of McGregor, Nina Combest of Vernon, Wilke Lou Combest Davis of Blue Ridge, Bobbie Crofford Craig of Jacksboro, Bernice Crofford Wade of Ft. Worth, J.A. and Evelyn Crofford of Hereford, John and Francis Chilcoat of Knox City, J.D. Carroll of Abilene, Bill and Mary Beth Chowning English of Wichita Falls, James Cranford and Edith P. Cranford of Chillicothe, Mary Sue Bryant Collier and Buster Collier.

Also registering were Frank and Bobbie Davidson of Whiteface, Catherine Louise Davoast of Dallas, Phil and Lamoine Tarpley Davidson, Gene Ann Whitaker Frizzell of Granbury, James and Kathy Gillespie of Matador, Bob and Kylene Gillespie of Quanah, J.H. and De Alva Gillespie of Crowell, Mr. and Mrs. Wisby Garcin of Arlington, Thelma Garrett of Crowell, Arline

Shaw Greeley, A.G. Glidewell of Vidor, Diane Myers Gaston and Tammy, Angie, and Rusty of Amarillo, Sean Grigan, James H. Grigan of Dallas, and Aline Groves of Benjamin. Others who registered were Betty Hicks and Ronda, J.D. and Margie Hitchcock, Scott Hays of Amarillo, Bettye and Marion Hord of Knox City, Jewell Haynie of Crowell, Sue Roberson Helm of Marble Falls, Lewis and Laverne Holmes of Eden, Robert and Charlene Holmes, and Lottie and Leon Howell of Wichita Falls.

Also Bryon Lorene Jones, Calvin C. Jones, Geneva Jones, Joe R. Jones of Brownwood, Tony Jones of Brownwood, Harvey Jones of Crowell, Karen Jones, Virgil and Bonnie Johnson of Crowell, Jimmie L. and Jeannie Jones of Seymour, Myrtle Jones of Knox City, Lon and Jane Laquey of Dublin, Lanette Chowning Lane, Velmeta Solomon Loyd, Norma Jones Lee of Vernon, Danny Patton of Crowell, Jimmie and Elmer Pitts of Wichita Falls, Diedre Shaw Parker, Glenna Roberson Prince of Clovis, New Mexico, William Pettes, Helen Glover Keys of Odessa.

Other visitors were Cotton McNeese of Howe, Wilson and Livenia Myers of Crowell, Aubrey Myers, Buddy and Sarah Myers of Fort Worth, Pierce McMurtry, Clyde and Haulene Myers, Cornelia McDaniel of Crowell, Ivy and Matt Maurer, Larry Myers of Amarillo, Helen and Bud Myers, Lyn and Shirley Myers of Amarillo, Montana and Cody Mobley of Vernon, R.J. and Glenna Traweck Owens of Crowell, Clifford Ohr, Elmita Black Oliver of St. Louis, Mo., and Jimmy Ray and Tanya Nova of Vernon.

Others were Hazel and Henry Randolph, N.A. and Alfred Robertson of Bryan, Zela B. Sowers, Laverne Stephenson, Sybil Simmons of Gilliland, Jason Simmons, J.H. and Estelline Sowers, Dorothy Collier Skipworth of Vernon, Allen Tapp, Curtis Tapp, Edward A. Tapp, Tennie Ola Tapp, Ernest Tapp, Lee L. Turner, Joe B. and Betty Turner of Whitehouse, Wayne and Janet Turner of Kilgore, and Irene Myers Roberson Todd of Crowell.

Concluding the lists of out of town persons who registered were Susie Turner of Amarillo, Bob and Wanda Whitaker of Chillicothe, Bettie Joe White of Lubbock, Helen and Oscar Whitaker of Tahoka, Tom and Catherin Westbrook of Henrietta, Renee Westbrook Fowler and Rhonda Westbrook of Wichita Falls, Ruby Lee Jones Wisdom, Dick and Pat Van Dyke of Michigan, Jennifer Woodard, Jessie Glasscock Wyatt, Joyce Jones Williams of Floydada, and Imogene and Dutch Young of Benjamin.

Cornelia McDaniel of Crowell won the Sesquicentennial quilt

Saturday night. She was not expecting to win and missed hearing her name called so those around her had to tell her that she had won.

Ila Mae Bullion, Gail Whitley and her daughter, Crystal, went to Plano last Tuesday to get Murry's children, Marek, Matthew and Carter. Murry and Shelly came to Truscott on Friday.

Other visitors in the Bullion home were Ila Mae's sister, Nadine Nibling of San Angelo and her brother, Phil Summers and his family of Whitewright, Ila Mae's aunt, Joyce Sparks of Abilene and her cousin, Ann McEwen of Abilene. Ann is the daughter of Hattie McEwen.

Mr. and Mrs. James Arnold and sons, Kevin and Jimmy, of College Station, visited in the Clara Owens home Sunday.

Mrs. Jane Marshall of Amarillo died last Saturday and was buried Wednesday, September 3. She was the mother of Carol Bratton of Fort Worth. Mrs. Bratton's husband was pastor of the Gilliland Baptist Church for several years.

Two hundred four persons were served at the Gilliland homecoming

Comment Period On USDA Conservation Provisions Extended

The closing date for comments on the proposed Highly Erodible Land and Wetland Conservation provisions—commonly referred to as cross-compliance, sodbuster and swampbuster—of the Food Security Act of 1985 has been extended from August 26 to October 25, the U.S. Department of Agriculture announced.

These provisions are designed to reduce soil loss due to wind and water erosion, protect the nation's long-term capability to produce food and fiber, reduce sedimentation and improve water quality; assist in preserving the nation's wetlands; and lessen the incentives to produce agricultural commodities on highly erodible farmland.

The comment period was extended because of the complex issues involved in implementation of the new provisions.

Comments should be sent to: Director, Cotton, Grains and Rice Division, USDA/ASCS, P.O. Box 2415, Washington, D.C. 20013.

Comments must be received on or before October 27 to be assured of consideration.

THE BENJAMIN MUSTANGS were successful in their first football outing of the season, defeating Vernon Northside 36-12. Even with only 11 boys out for football, coach Steve Skelton's six-man team may be a real contender. Shown in back row are, left to

right, Jody Stone, Phil Boone, Kemp Jones, Jeff Pierce, Buster Redwine and Coach Skelton. In front are Bill Bland, Kennon Allen, Joel Bolanos, Jeff Conner and Bryan Busby. Not shown is Shane Simmons.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

Sorry I missed having any news in last week. A weekend away from home plus the Labor Day holiday just made it almost impossible to get it gathered up.

The rain has been so nice, hasn't it? Our rain gauge has shown about 6 inches, give or take a few tenths either way, since Sunday, August 31. But regardless it has been nice. And what about that cool northern Sunday morning! Sure makes us realize that fall's in the air and winter can not be too far ahead!

ABOUT OUR SICK

Clodell Duke and Jonnie Williams are coming along nicely since their surgeries. Jonnie is already back at work but Clodell said it would probably be another week before she returns. She goes back for her check-up Friday.

Brother K. E. Woolley spent several days in the Knox County Hospital and came home last Sunday. He had a flare up with his heart but seems to be feeling fine now; just needs to take it easy for a few days until he gets his strength back.

Don Hertel returned home Thursday after three days in the Knox County Hospital also. He seems to be doing OK.

Van Green finished up his radiation therapy for a lung problem Monday, September 8. He's feeling fine and the doctors say he's doing fine and we are so thankful for that.

There have been a few changes around Benjamin the past few weeks as far as where folks are living. Jerry and Linda Parker have purchased a mobile home and moved it onto their lots down in the southwest part of town east of Albert Alexander's house. Tommy Joe and Patti Bufkin and family have moved into the Michael Driver house in the north part of Benjamin and James and Jimmie Klutts have moved back into their home just off the Knox City highway.

Also we have some new residents in the area, the Jack Whitten family. Mrs. Whitten is no newcomer, she's the former Judie Ryder. They and their children, Christie, Rhonda and Jay, are living in a new house just brought in and put down on Bill Ryder's place north of town. Jack is in the ranching business and Judie is working part time in the Abstract office. We welcome them back to the community.

HERE N THERE

Gladys Humphries of Tulia and

Mr. and Mrs. Lloyd Kilgore of Lubbock visited their sister, Leola Isbell, several days last week.

Van and Gladene Green visited his mother in Denton over the Labor Day weekend.

Jan and Homer Rolston, Lorrie and Jennifer, spent the Labor Day weekend with relatives in Kermit.

Debbie Bufkin of Wichita Falls visited her parents, Sonny and Doris Bufkin, on Sunday.

Leroy and Gloria West vacationed in the Burnett-Llano area a few days last week.

Kathie and Jack Waldron, Justin and Tres, spent a few days last week in San Antonio visiting and also were there to be with his father, Jack Waldron Sr., of Ft. Worth, who underwent eye surgery in a San Antonio hospital.

Fred and Nancy McGreger took their son, Chris, back to Austin last Monday where he is a student at the University of Texas.

Mrs. Laura Jo Jarvis and Mrs. Mary Fitzgerald of Munday visited Ozelle Kilgore last Tuesday morning.

Randy and Dorothy Hibdon, Chrystal and A. R., spent Labor Day weekend with his mother in Cooperon, Okla.

Micky and Pete Waldron left Friday on a vacation trip that will take them to California and Washington and other places of interest.

Van and Gladene Green attended

the golden wedding anniversary celebration of Mr. and Mrs. C. H. Herring in Rhineland Saturday night.

Betty Parker of Aspermont spent Labor Day with her parents, Gloria and Leroy West.

Homer T. and Kathleen Melton went to Lubbock Saturday for a few days visit with their daughter and family, the Jack Youngs, and also had a check-up with their doctors.

Ruth Ressel is spending a few days with relatives in Lubbock.

It's off to college for several "Benjaminites". Lana and Oscar Gideon and Troy Pratt are enrolled in Tech, Lori Griffith is back at Baylor University at Waco, Chris McGreger is in his second year at the University of Texas, Lonnie Bohannon is at South Plains Jr. College at Levelland, Kent Hertel is at Midwestern University and Doug Brown is attending Tarleton State University at Stephenville.

Please let me know if I have left anyone out! I tried not to forget anyone but probably have.

Call in your news - 454-3551.

LOCAL

Visiting Mr. and Mrs. Worth Gafford during the weekend were their granddaughter and family, Mr. and Mrs. Peter Aan and Evan of Arlington.

★ KNOX COUNTY KONNECTIONS ★

County Extension Agent - Home Economics

IRON CONTENT OF FOOD COOKED IN IRON UTENSILS

A recent study found that cooking in iron utensils significantly increased the iron content of food. Food with more moisture, more acidity, and longer cooking time increased more in iron content during cooking in iron cookware.

Iron deficiency is widespread throughout the world and is probably one of the most prevalent nutritional deficiencies in human populations. This study implies that iron cookware could be used to increase the iron content of food.

ILLUMINATION FACTS

Although standard frosted incandescent light bulbs are the most commonly used household bulbs, they are the least energy efficient since they produce less than 20 lumens per watt.

The lumen is a measure of the amount of light given off by a bulb. A bulb giving off 2,000 lumens is twice as bright as one that produces 1,000 lumens.

Consider both watts and lumens on different bulbs. For example, compare one 100-watt 1,750 lumen bulb to two 60 watt 870-lumen bulbs. Together, the two 60-watts consume 20% more electricity than the 100-watt bulb, but produce 10 less lumens of light.

The 100-watt bulb, with more lumens per watt, is the energy-efficient choice in this situation. Your best buy will be the bulb that gives you the most lumens per watt, has the longest life, and will cost the least over its life.

* Next week we will look at ways to use incandescents more efficiently.

HOSPITAL NOTES

Mrs. Joyce Greenwood reports that their grandson, Bobby Greenwood, son of Sgt. Joel Greenwood, underwent eye surgery in a Los Angeles, Calif. hospital last week. Bobby is recovering nicely from the surgery.

Mrs. Jack Beaty was in Haskell Saturday for a medical checkup.

Mrs. Dewitt Green and her mother, Mrs. Hallie Campbell, were in Graham on Friday for Mrs. Campbell to have a medical checkup.

ATTENDS FUNERAL

Mrs. Lois Moore accompanied her daughters, Mrs. Neil Taylor of Wichita Falls, and Mrs. John M. Edwards of Seymour to Olney Saturday to attend the funeral of Horace Moore. Horace was the nephew of the late Ernest Moore.

Mr. and Mrs. Jim Cooke and Mrs. Robbie Forsberg of Alvarado and Mrs. Claudia Mae Norton of Cleburne attended the funeral of Mrs. Cooke's cousin, Alan Griffith, at Tye on Sunday.

HERE AND THERE

Visiting Mrs. Ruth Coffman several days last week was her daughter and family, Mr. and Mrs. Jimmy Stovall and sons, Steven and Scott, of Midland. Scott left the latter part of the week for the Great Lakes Naval Station at Chicago to enlist in the Navy.

Weekend visitors in the Harold Jones home was their son, Jan Jones and sons, Chad and Brent of Irving.

Mr. and Mrs. Calbert Haskin of Lipan visited her mother, Mrs. Pauline Beecher, last Tuesday.

Weekend guests in the home of Mrs. Winnie Lambeth were Mr. and Mrs. Don Lambeth and DeeDee of Anson and Mr. and Mrs. Scotty Wells and Christopher of Andrews.

Visiting Mrs. Ruth Nix during the weekend were Mrs. Mary Jo Skains and Mrs. Eva Pace of Dallas and Joyce and Tyler Nix of Munday.

Joe Hunt and daughter, Jody, of Vernon visited his parents, Mr. and Mrs. George Hunt, Sunday morning and attended church services at the First Baptist Church.

Visiting Mr. and Mrs. Les Jameson during the weekend were his daughter and husband, Mr. and Mrs. Keith Dickson of Littlefield.

Weekend visitors in the home of Mr. and Mrs. L.O. Chamberlain were Mr. and Mrs. Jimmy Routon of Lubbock, Randy Routon and Ricky Coody of Irving and Chad Yost of Munday.

Visiting Mrs. Winnie Howry last week was her son and family, Mr. and Mrs. Tommy Howry, Lori and

Tommy II of Levelland, and her granddaughters, Mrs. Anna Gray and Miss Linda Nickerson of Graham.

Mr. and Mrs. E.B. Hosea visited their son and family, Mr. and Mrs. Brad Hosea, Amber and Andrea, of Wichita Falls, Friday night.

Mrs. Helen Roberts returned home last Wednesday from a two weeks visit with her parents, Mr. and Mrs. E.C. Bennett, at Robert Lee.

Dewitt Green visited Mrs. Loretta Green in the General Hospital and Mrs. Mildred Simpson at the Bethania Hospital in Wichita Falls last Wednesday. He also visited in the Charles Horry home.

Visiting Mr. and Mrs. Jack Nuckols on Sunday were her mother, Mrs. G.W. Brown, and her sister and husband, Mr. and Mrs. Bill Hurley of Seymour.

Johnny Jones and son, Jeffery of Arlington, visited his parents, Mr. and Mrs. John Jones, over the weekend.

Mr. and Mrs. Gary King and Lloyd Glynn of Breckenridge visited his parents, Mr. and Mrs. Lloyd King and Eddie, last Monday. Gary visited his parents again on Tuesday.

Mr. and Mrs. Billy Lee Lambeth and children, Joe David and Anna, spent the weekend visiting his mother, Mrs. Gladys Lambeth.

Mr. and Mrs. Tom Waldrif and family of Knox City were visitors at the First Baptist Church here Sunday morning.

Josh, Sara and Susan Dormier of Throckmorton visited their grandparents, Mr. and Mrs. Carl Echols, on Sunday. Also visiting in their home were Mrs. Jeanine Echols and Jacob of Sunset.

Jerry Decker of Carrollton and Billy Decker of Fort Worth visited their parents, Mr. and Mrs. Bill Decker, last week. They also visited in the Tommy Decker home.

Mr. and Mrs. Greg Melton and Taylor of Haskell and Mr. and Mrs. Johnny Moore were dinner guests in the Ruby Hammons home on Sunday.

Mr. and Mrs. Jack Beaty visited in Seymour on Saturday.

Mrs. Goldie Brown visited her sister, Mrs. Allene Parham and Jeanette, in Wichita Falls the first of last week.

Mrs. Marion Lee Green visited her sister, Mrs. Mildred Simpson, in the Bethania Hospital, last Monday and Tuesday.

Kemetha and Krista Anderson of Wichita Falls visited Mr. and Mrs. Archie Struck Saturday and Sunday. Mr. and Mrs. Struck and John

Cole attended the striping exercise for Mrs. Glenda Anderson at Wichita Falls Sunday afternoon.

Mr. and Mrs. Felton Jackson visited Mr. and Mrs. Robert Jackson at San Angelo recently. The Robert Jacksons accompanied Mr. and Mrs. Jackson to Paige, Texas where they visited Mr. and Mrs. Robbie Jackson and attended the wedding of Jimmy Jackson and Miss Rhonda Newman at the First Baptist Church at Lexington, Texas. The Jacksons also visited Mr. and Mrs. Mircle in Lincoln.

Visiting Mrs. Mamie Fitzgerald on Thursday was her son and wife, Mr. and Mrs. Norris Fitzgerald of Midland. They all visited in Dallas on Friday.

Mr. and Mrs. Felton Jackson spent last weekend visiting Mr. and Mrs. Edwin Reeves at Weinert. Mr. and Mrs. Arlon Alexander and son, Dawson of Plains, were also visiting in the Reeves home.

Genealogical Society To Organize In County

A meeting to organize a county genealogical society will be held at 7 p.m. Monday, September 22, in the fellowship hall of the First United Methodist Church in Knox City. Information on how to start family research will be available, and everyone is invited to attend.

For more information, contact Kathy Huntsman at 658-5073 or Faye Railsback at 658-5063.

LEE ROY AND AUDREY LEFLAR make their home in this gracious dwelling where beautiful red salvia welcomes guests up the walk. Other flowers and greenery against the wrought iron railing bring to mind a scene from the old South and hanging plants descend from the porch overhang. This Munday Garden Club Yard of the Week could almost win the honor every week, because it is always lovely.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Labor Day visitors in the Olen Coffman home were Gaston Shipman of San Antonio, Buz Hodges of Haskett, Ark., and Marianne Rollins of Denton. Also visiting have been her brothers, Sam Wirz, Gayle and Don, of Redlands, Calif., and Clement Wirz of Seymour.

Mr. and Mrs. Kent Beck, Josh, Elizabeth and Adam, of Duncan, Okla., were weekend visitors with his parents, the Harold Becks.

Clyde Beck spent Friday helping his son, Mr. and Mrs. Russell Beck and family, of Wichita Falls, move to Enid, Okla. where Russell is the new manager of Gordon's Jewelry Store.

Mr. and Mrs. Robert Morton of Kress spent the weekend in the home of their daughter, Mr. and Mrs. Randal Kinnibrugh and children.

Kevin Trainham was a patient in General Hospital in Wichita Falls, Wednesday through Friday, where he underwent surgery on his foot. Visiting him were his parents, Mr. and Mrs. Jerrell Trainham.

Mr. and Mrs. Doyce Clouse of Abilene visited his sisters, Mrs. Frances Kuchan and Mr. and Mrs. Clifford Boone, Saturday afternoon.

Mrs. Henry Patterson accompanied Mr. and Mrs. K. B. Ritchie to Rule Sunday, where they attended church services.

Mr. and Mrs. J. L. Trainham are spending a few days at their home in Houston.

Mr. and Mrs. George McKinney were in Rule during the weekend where they attended a reunion of her relatives, the Jennings families.

Mr. and Mrs. Jerry Gore and a friend, Tom of Hobbs, N.M., spent the weekend with his mother, Mrs. Mary Lou Gore, and arrived in time to attend the Rochester-Guthrie football game in Guthrie Friday evening.

The Vera Community Center is again asking your financial help as we move into the final stages of completing our building. We are ready to put up the tin and to complete the inside work. We are asking your support to finish this worthwhile project. Please mail your checks to Mrs. Clyde Feemster, Vera, TX. 76383.

Debrah Beck and David Robertson of Denton visited her parents,

Mr. and Mrs. Harold Beck, during the weekend.

Mr. and Mrs. Elmer Rutledge of Weatherford were recent visitors in the home of Mr. and Mrs. Claudell Bratcher.

Michelle Forkner of Amarillo spent last week in the home of her friends, Mr. and Mrs. Jerrell Trainham. Other visitors in the Trainham home during the Labor Day weekend were Mr. and Mrs. Elmer Laird, Debbie, Luther and J.J., of Midwest City, Okla. and Mr. and Mrs. Bobby Laird of Seymour. Michelle returned to Amarillo Sunday with her mother, Mrs. Georgia Forkner, who had spent the weekend in the Trainham home.

Mr. and Mrs. Mike Bryan of Wichita Falls were recent visitors in the home of her parents, Mr. and Mrs. Ferman Dowd.

Mr. and Mrs. K.B. Ritchie were recent visitors with his brother, Mr. and Mrs. Aubra Ritchie in Granbury. Visiting in the Ritchie home during the Labor Day weekend were Mr. and Mrs. LaMoine Ritchie of Lubbock, Mr. and Mrs. Billy Parrham and family of Idalou and Mr. and Mrs. Aubra Ritchie of Granbury. Aubra and Vetrica attended the Shipman family reunion in Seymour.

Mr. and Mrs. Clyde Beck entertained with a dinner and forty-two party in their home Monday evening. Attending were Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Armon Smith, Mr. and Mrs. Carl Coulston, Mr. and Mrs. George McKinney, Mr. and Mrs. Loran Patterson, Mr. and Mrs. Claudell Bratcher, Mr. and Mrs. Gaylon Scott and guests, Mr. and Mrs. Delbert Montgomery of Seymour.

Mrs. Finis Bratcher and daughter, Shannon, of Bowie were recent visitors in the home of her sister, Mr. and Mrs. Claudell Bratcher.

Mr. and Mrs. Ronnie Clark and children of Plainview have been visitors with Mr. and Mrs. Duward Richard and all enjoyed a few days outing at Bay Landing at Runaway Bay near Bridgeport. Duward's sister, Mrs. Goldie Cass of Ketchum, Okla., is spending the week in their home.

Mr. and Mrs. J.L. Trainham of Houston and a son, Murl, and little son, Murl Jr., have been staying at

their home on their farm here in Vera. Murl and son returned to Azle Sunday and J.L. and Joyce remained here for a few days.

Mr. and Mrs. Guy Wall of Hale Center were recent visitors with their friends, Mr. and Mrs. Carl Coulston. Guy and Bernice are former residents of the Vera community.

Mr. and Mrs. Oga D. Murpree and family of Katy were recent visitors with his sister, Mr. and Mrs. Dalton Gore. Other visitors in the Gore home during the weekend were Larry Dan Gore of Wichita Falls and Randal Gore and children, Andy and Chrystal, of Mansfield.

Lyndal Hughes of Euless and a son-in-law, Wesley, of Houston visited Mr. and Mrs. Carl Coulston on Friday.

Mr. and Mrs. Claudell Bratcher were recent visitors with a son, Mr. and Mrs. Burt Bratcher and children in Conroe.

Mr. and Mrs. Paul Weiss, Mr. and Mrs. Jerrell Trainham and Mr. and Mrs. Claudell Bratcher vacationed with their travel trailers in Ruidoso, N.M., recently.

Mr. and Mrs. George McKinney were recent visitors with a granddaughter, Mr. and Mrs. Jerry McCarty and three children in Houston, and Mr. and Mrs. Bill Odom and sons in Richmond. After returning home they visited a nephew, Mr. and Mrs. Braxton McKinney and family in Abernathy, where George and Braxton celebrated their birthdays, and with Bertha Fay's sister, Mr. and Mrs. E.K. Koelder in Cotten Center. Mrs. Willie Jennings of Rule is spending this week in the McKinney home.

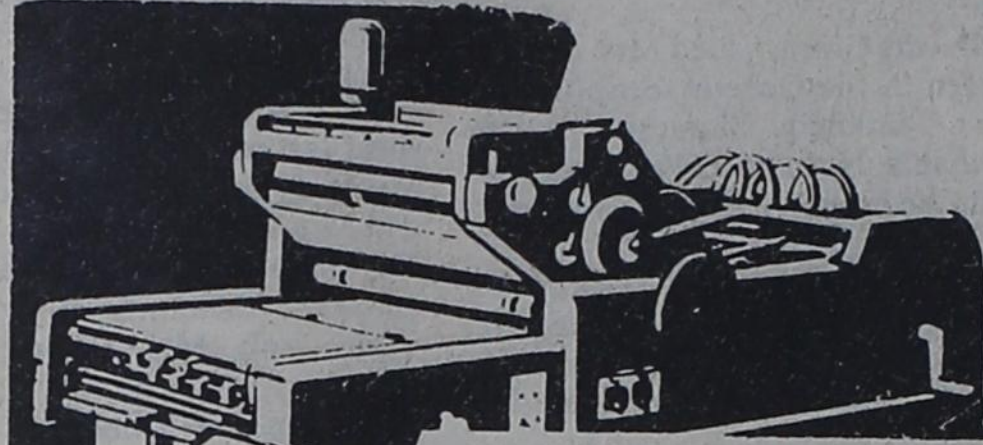

Jody Stone of the Waggoner Ranch spent the week with his friend, Phillip Boone, and attended football practice with him.

Buz and Sissy Hodges of Hackett, Ark. visited their grandmother, Mrs. Frances Kuchan, Thursday through Monday.

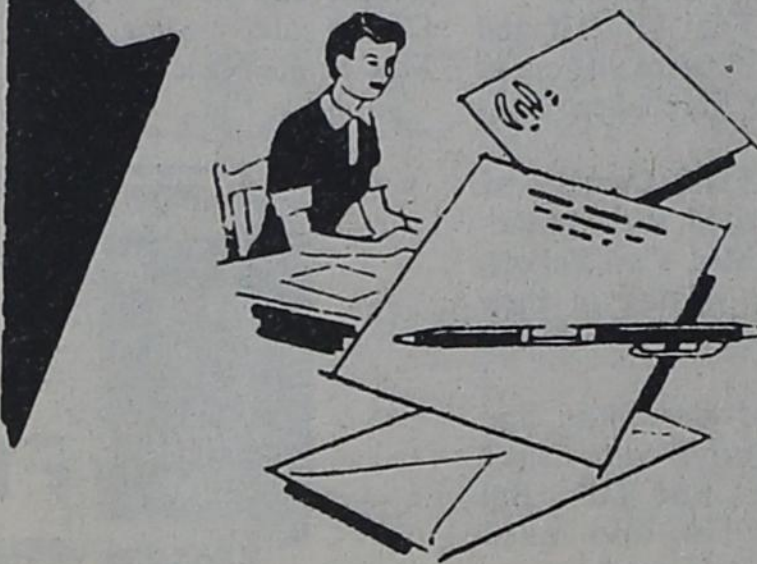

Mr. and Mrs. Jim Coulston, Michelle and Jonathan, of Sanger were Labor Day weekend visitors with their parents, Mr. and Mrs. Ferman Dowd and the Carl Coulstons.

Mr. and Mrs. Frank Henderson of Del Rio were visitors with her parents, the Clifford Boones, and were accompanied home by their daughter, Heather, who had spent a few days with her grandparents.

NORTH SIDE OF THE SQUARE
STAMFORD, TEXAS

Area Teams Open '86 Football Season

PANTHERS HUMBLE KC GREYHOUNDS

The Seymour Panthers completely dominated the Knox City Greyhounds at Knox City Friday night to take a 44-0 victory in opening night action. The Class AA Panthers are ranked number two in the Texas Sports Writers poll, the same poll that rates Knox City fourth in Class A.

The first half gave no indication that the score was going to be so lopsided. Knox City's first five possessions ended up in Panther territory but fumbles and a crushing Seymour defense led by Reed Slaggle and Mike Griffin kept the Hounds from scoring.

Seymour led 10-0 at the half on the strength of Slaggle's first quarter field goal and a pass play from quarterback Cornelius Hardamon to Jon Hrcirik. Potential all-state tailback Mark Peters took the ball on the first handoff of the second half and raced 65 yards across the goal to give Seymour a 16-0 lead, and after trading possessions a couple of times, the Panthers reeled off a string of four consecutive touchdowns. Scoring in the second half besides Peters were Chris Hardamon, Hrcirik and Chris Beamon.

Anthony Oudems carried the ball 14 times for Knox City, gaining 95 yards in the big loss.

ARCHER CITY CATS SHUT OUT BY WINDHORST

After suffering an 0-10 season last year, the Windthorst Trojans came out fighting in the first game of the 1986 season, taking a 14-0 win over the Archer City Wildcats on the home field.

The first Trojan score was set up when the team took the first pos-

MUNDAY MOGUL DEFENSIVE players try to catch Haskell's Stephon Brockington in an effort to keep him from crossing the goal in Friday's Munday-Haskell football game. Brockington scored Haskell's first touchdown after Munday fumbled the opening kickoff. Moguls shown in this shot are James Gass, Russell Reddell, Curtis Taylor, Chris Baker, Ricky Taylor and Trey Thompson.

session of the game and marched 71 yards in 13 plays to the Archer City one yard line. But running back Tim Sargent fumbled to defensive back Jimmy Malone, giving Archer City the ball. Three plays failed to net a first down, and Wildcat punter Michael Schroeder bobbled the snap at his own goal line. Windthorst's Kevin Veitenheimer came up with the recover for six points.

Archer City couldn't take advantage of two Windthorst fumbles, and the Trojans found the end zone again during the second quarter. Bob Zotz took it in, set up by a sideline run by 130-pound Tony

Schenk and a pass from Jason Berend to Ronnie Wolf. Wolf caught the ball for the two-point conversion.

FREDERICK TEAM BLANKS ELECTRA

Defending Class AA state champion Electra started its 1986 season off on a sour note, losing 6-0 to the Frederick, Oklahoma Bombers. Both teams were scoreless in the first half at Bomber stadium, but James Cobb ran 29 yards for the score in the third quarter. The extra point kick failed.

Frederick was driving for another score when the final gun sounded. The Bombers racked up 13 first downs and 234 yards on the ground, while Electra only had eight first downs and 107 yards total offense in the loss.

ROTAN DEFEATS ROBERT LEE

Quarterback Steve McClain passed and ran for a pair of 20-yard touchdowns to pace his team to a 19-0 defeat of the Robert Lee Steers in Rotan Friday night. Wide receiver Jimmy Pittman was on the other end of McClain's scoring

strike. Fullback Brad Long ran eight yards across the goal for the third Yellowhammer score. McClain hit 8 of 10 passes for 160 yards, and Long ran 15 times for 65 yards. The Yellowhammers had 363 yards offense to the Steers' 179.

FORSAN BUFFALOES PLOW PAST ROSCOE

Forsan halfback Wayne Wright expanded his team's lead by two touchdowns in the third quarter as Roscoe fell 20-6 to the Class AA Buffaloes in their opening game Friday night. Roscoe had the statistical advantage, but couldn't find the goal line. Forsan's Lee Morris put the Buffaloes on the scoreboard in the first quarter with a 48-yard punt return.

Wright's pair of scores in the third quarter, the second on a 56-yard run, put Forsan up for good. Roscoe finally scored on a pass from quarterback Sammy Herrera to Patrick Ivey with 25 seconds remaining in the game.

ASPERMONT TAKES VICTORY OVER SPUR

Spur took the early lead on a long pass, but the Aspermont Hornets came right back to score, then shut the Bulldogs down for a 16-6 opening night win. Spur scored on the first play of the game, a 71-yard pass from Dale Matlock to Randall Courtney. But Aspermont responded with a 75-yard drive that ended with a one-yard TD plunge by Tim Meador, and the PAT gave the Hornets a 7-6 lead.

Aspermont's John Robinson tackled Cody White in the endzone later in the quarter for a two-point safety, then Tyrone Johnson's ten-yard scoring run in the second quarter gave Aspermont their final lead. A steady defensive attack by the Hornets kept Spur from adding to their score.

ABILENE CHRISTIAN PASSES BY ROBY

The Roby Lions lost their opening night game at home Friday as

Abilene Christian High School's Nathan Hendrick led his team to a 22-0 shutout win. Both teams made plenty of errors, as Roby couldn't get its offense in gear and ACHS had trouble hanging on the ball after carrying for good yardage.

Hendrick ended a 70-yard drive in the first quarter by tossing a ten-yard scoring pass to Shawn Dalbert. A Chris Anderson field goal in the second period gave the Panthers a 10-0 lead. Then Hendrick and Dalbert connected again and Hendrick caught a pass from Ken Wallick for the scores that put the game out of reach for Roby.

ACHS rolled up 386 yards of offense and 17 first downs against the Lions' 80 yards and only four first downs.

BENJAMIN OUTSCORES VERNON NORTHSIDE

The Benjamin Mustangs held Northside scoreless until the fourth quarter while racking up five touchdowns to claim a 36-12 six-man victory Friday night.

Jeff Pierce's three-yard run in the first quarter got the Mustangs on the scoreboard. A pass from Jody Stone to Kennon Allen for 44 yards netted the Mustangs their second touchdown, and Pierce kicked the extra points. Buster Redwine gathered in a 24-yard pass in the second quarter for another touch-

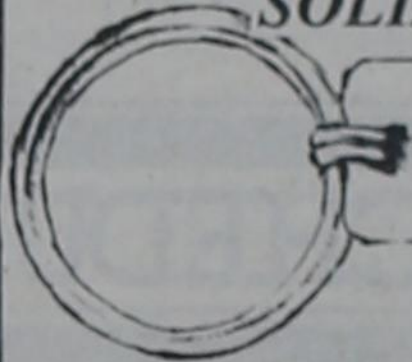

down, then added a second score later in the game on a nine-yard run. Pierce scored his second tally in the third quarter with a ten-yard scamper and kicked the additional points.

Northside finally came alive in the fourth quarter with touchdowns by Kenneth Isnhower and Jimmy Wilson, but the game was out of reach by then. Isnhower rushed 101 yards on 19 carries for his team, while Pierce ran for 181 yards on 21 carries to lead the Mustangs. Redwine added 148 yards on 21 carries.

DON'T SHOOT
AT POWER
LINES!

NEVER SHOOT AT POWER LINES or the insulators that hold them, because the result could be a dangerous downed electric line. A severed line could cause a serious electrical outage, and the downed line itself could be extremely hazardous.

ADDITIONAL SAFETY TIPS:

- **Use Power Tools Wisely**
Be sure wiring is in good condition and all circuits are grounded. Never use electric tools in the rain or on wet surfaces. Also, when buying new equipment, look for the "UL" seal of approval from Underwriters Laboratories.

- **Keep Children Away from Electrical Outlets**
Don't let small children play near electrical outlets. A child could put some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.
- **Always Disconnect Cords by Pulling on the plug**
When disconnecting electrical items, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords or outlets.

Meeting Scheduled For Gymnasts' Parents Club

An important meeting is scheduled for 7 p.m. Saturday, September 13, at the Munday Community Center for the Gym-Dandee Parents Club.

Several major issues will be discussed at this meeting. There have been questions asked about the gymnastic program and the equipment. These will be discussed and hopefully an answer to our problems will be solved.

The decision will be made

whether to hire a new coach for this year or to drop the program, so everyone will need to be there to vote on this issue. ****

Letter To The Editor

Mrs. Joyce Nix, Editor
The Munday Courier
Munday, Texas 76371

Dear Mrs. Nix:
I am writing to thank you for your cooperation in printing the District Court news releases which I send you. I feel that it is important for the public to be informed of what is happening at the Court-house.

In addition thereto, it is important to our Probation Department for the public to know when a probationer's probation has been revoked and he is sentenced to serve his term in the penitentiary. This information hopefully will be a deterrent to other probationers not to violate the terms and conditions of their probation.

Thank you again for your cooperation and help in this regard in the future.

Sincerely,
David W. Hajek
District Judge

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Currently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 4 de noviembre de 1986. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/858/8683 o por escribir al Secretario de Estado, P.O. Box 18887, Austin, Texas 78711.
