

THE MUNDAY MOGUL DEFENSE is lined up against the Spur Bulldogs during last Friday night's game. Spur's offense had previously outscored their opponents 262 to 55 which is averaging over 35 points per game, but the Mogul defense held the Bulldogs to a below average 13 points. Munday sacked the quarterback four times for a loss of twenty-five yards.

Moguls Put Leash On Bulldogs

The Munday Moguls excited the home crowd last Friday night by defeating the Spur Bulldogs 39 to 13. Spur came into the game as the favorite but was unable to leave as the same.

Spur scored first and put a scare into Munday fans but the Moguls themselves knew it was only the first minutes of the game. After each team traded a punt, the Bulldogs took over at their own 30 yard line. On first down there was no gain, but on second there was more than enough yardage made. Runningback Michael Kelley sprinted 70 yards past the Moguls for a Bulldog touchdown. Scott Rankin kicked the extra point and Spur took a quick lead 7-0.

Munday could only make two first downs on their next possession but with Spur on their own 36, the Moguls forced a turnover and Dustin Kiser covered the ball. Aaron Kiser carried the ball up to the 20, then Dustin hit Donny Browning in the end zone. The extra point was wide. Spur was still on top 7 to 6 at the end of the first quarter.

The Mogul defense was tough after that long touchdown by Spur. Chris Torres assisted by Jeff Cook sacked quarterback Andy Hale for a 5 yard loss. The Bulldogs were forced to punt after an incomplete pass.

The Munday offense took over at their own 39. Bronco Flye, Aaron Kiser, and Dustin Kiser along with outstanding blocking by the line moved the ball down field to the Bulldog 1 yard line in 15 plays. Dustin Kiser took the ball in from there. The Moguls tried a two point

conversion but didn't get in. With 5:50 left in the first half Munday went on top 12 to 7.

Spur had the ball at their 45 after a 15 yard penalty against the Moguls. The Munday defense backed the Bulldogs up when Aaron Kiser sacked the quarterback for an 11 yard loss. The Moguls soon took over at their own 27.

Dustin Kiser found Donny Browning down field this time for a 40 yard pass gain. Aaron Kiser then moved the ball 17 yards on the ground to the 10 yard line. On second and goal,

Aaron ran in from 9 yards out for another Mogul touchdown. Ky Edwards kicked the extra point. Munday was ahead 19 to 7 at the end of the half.

Munday received the kick-off in the second half. A good return and a penalty against Spur put the Moguls at the Bulldog 45. Aaron Kiser didn't want to wait, Kiser with great running and speed dashed the 45 yards for a touchdown. Ky Edwards kicked the PAT. With only :16 seconds gone in the third, Munday increased their lead 26 to 7.

Watch Out For Children On Trick-Or-Treat Night

Halloween is usually an evening of high-spirited fun for children, but this holiday can pose special hazards to kids and motorists alike, a safety official said.

"Children, distracted by the excitement of trick-or-treating, may forget the safety lessons taught by parents," said Trooper Joe Clement, Public Information Officer for the Texas Department of Public Safety.

"To ensure the safety of our kids, motorists should drive slowly through residential areas and be prepared to make emergency stops. It is also a good idea to occasionally honk your horn while driving through dimly lit streets to get the attention of children in the area," Clement said.

Parents should also provide chil-

dren with flashlights which serve a dual purpose of lighting their path and making themselves more visible to motorists. A last minute reminder of basic pedestrian safety rules for your children is also advised.

Homeowners can help by providing porch and sidewalk lighting where possible and try to remove any hazards in the yard that would be hard to see after dark.

"A few extra precautions on the part of motorists, parents and children could prevent tragedies this Halloween," Trooper Clement added. Let's all do our part to make this a safe Halloween.

Local children will be trick-or-treating Saturday night, October 30.

THE UNITED FUND DRIVE will get underway November 1 and continue through the 15th. Pictured above are the campaign chairman, Randy White, and the division chairmen, Stacy Hall, Judy Lowe, Dayle Kuehler, Cindy McWhorter and Pat Smith. The United Fund will benefit fourteen organizations in the Munday area. Please give generously when a volunteer comes to your door.

Purple Cloud Makes A 1, Advances To Area Contest

Munday High School Purple Cloud Band received an unprecedented tenth 1st division rating at the U.I.L. Region II Marching Contest in Wichita Falls Saturday.

Munday advances to the area level competition this Saturday to be held at Memorial Stadium in Wichita Falls. This is the seventh time in ten years that Munday has advanced to the area competition.

Other Class A bands receiving 1st divisions were Paducah, Petrolia and Roscoe.

Ten bands will represent Regions II and VII for the competition on Saturday. Region V does not have a Class A band.

Tentative schedule for the area contest is as follows:

Petrolia 11:24 a.m., Munday 11:37 a.m., Paducah 11:50 a.m., Roscoe 12:03 p.m., Gorman 12:16 p.m., Sterling City 12:29 p.m., Hico 12:42 p.m., Eden 12:55 p.m., Menard 1:08 p.m., Irion County 1:21 p.m.

Classes 2A and 4A will follow the Class A competition. In each classification, two bands will be selected to the state competition to be held at the University of Texas in Austin on November 8.

In addition to the marching contests, twirlers from area schools were judged in solo and ensemble competition.

Students earning a 1st division on a Class III solo were seventh grader Angela Albus, daughter of Richard and Cathy Albus, and eighth grader Melinda Latham, daughter of Rudy and Linda

Latham.

High school students receiving 1st divisions in Class I solo competition were senior Mandi Moore, daughter of Ray and Diana Moore, sophomore Cathy Nelson, daughter of John Lee and Pam Nelson, and freshman Kandis Longan, daughter of Bill and Karen Longan. These twirlers will advance to the state solo and ensemble contest in San Marcos in June.

Kelly Jo Munoz, junior and daughter of Angel and Carmen Munoz, received a 2 on her solo.

Twirling quartet composed of Mandi Moore, Kelly Jo Munoz, Cathy Nelson, and Kandis Longan received a 1st division on a Class I ensemble and will also advance to the state contest.

Make plans to attend the area competition Saturday and support our Purple Cloud Band.

Amendment Election Tuesday, November 2

Tuesday, November 2, is election day across the state. On this day, qualified voters will have the opportunity to vote on sixteen proposed constitutional amendments.

A list of the proposed amendments and the effect they would have if passed appears in this issue of the *Courier*.

The last day to vote absentee by personal appearance will be Friday, October 29, at the County Clerk's office in Benjamin.

The voting precincts and polling places in Knox County are as follows: Precinct 1 - Benjamin Memorial Building; Precinct 2 - Truscott Community Center; Precinct 3 - Gilliland School Building; Precinct 4 - Vera Community Center; Precinct 5 - Goree Com-

munity Center; Precinct 6N - City Hall, Munday; Precinct 6S - Community Center, Munday; Precinct 7N and 7S - Aging Center, Knox City; Precinct 8 - Gillespie Baptist Church.

Any voters having questions concerning the constitutional amendment election may contact the Knox County Clerk's Office in Benjamin.

It's Time To Turn Back The Clock!

It's time to change your clocks and watches back one hour!

Central standard time will officially resume at 2 a.m. Sunday, October 31. Remember to turn your clocks back one hour before retiring to bed Saturday night.

An easy way to remember if you turn your clock back or forward one hour is, in the Spring you *spring forward* one hour for daylight savings time, and in the Fall you *fall back* one hour for central standard time.

The Texas Commission on Fire Protection recommends that you change the batteries in your smoke alarms as you change your clocks back Saturday night. This is something you don't think about very often. It would be a good time to make sure your smoke alarms are working properly, and replace old batteries.

Local Scout Troop Holding Fund Raiser

The Munday Boy Scouts and Cub Scouts will be joining in with scouts across the country on "America's Popcorn Sale". Munday scouts will be selling a variety of popcorn products as a fund raiser for the local troop. Profit will be kept by the Munday scouts.

Contact your favorite scout to place an order. For questions call Dr. David Neal at 422-4276. Sales will continue through November 1 and the popcorn will be in the week of December 4. Support your local youth through scouting!

Saturday, October 30, Is Trick or Treat Night!!

Saturday, October 30, has been officially declared *Trick or Treat Night* by the Munday Chamber of Commerce Board of Directors. With Halloween on Sunday this year, many parents have asked the Chamber to designate Saturday as the day for trick or treating.

There will be no official starting time for tricksters to begin on Saturday night, but at 9 p.m. the fire whistle will be blown once to indicate the end of trick or treating time.

Please remember to drive slowly and watch for children in your neighborhood.

The Chamber wishes everyone a Happy Halloween!

Spur received the ball at their own 31. A 15 yard penalty against the Bulldogs pushed them back the the 16. A 10 yard pass gain put them back out to the 26. On first down Jason Hise assisted by Jeff Cook sacked the quarterback for a 4 yard loss. Cook went solo on second down and took them for a 5 yard loss. After trading a punt with the Moguls, Spur got the ball back this time at their own 20.

The Bulldogs then drove the ball down field. Moving the ball 40 yards on the ground and 40 in the air with 7 first downs in 20 plays. Spur scored on a 1 yard pass from quarterback Andy Hale to Chad Key for the touchdown with :23 seconds left in the game. The PAT failed. Munday finished off the

WTU Sponsors A Booth At Atlanta Trade Show

Under the marketing name "West Texas Natural Fiber Team," West Texas fiber industry members and allies participated in the nation's largest textile and apparel trade show in Atlanta, Georgia to promote natural fibers and to recruit new business related to the industry.

For the 3rd year in a row, West Texas Utilities Company sponsored a booth and led a team of regional allies at the Bobbin Blenheim Show in Atlanta. This year's show was highlighted by a cooperative effort from various Big Country producers, manufacturers and state allies. Samples and literature for organic and naturally-colored cotton, mohair, wool, and cashmere produced in West Texas were available at the booth.

The success of the show should be good news for area wool and mohair producers in light of the recent attempts by Congress to do away with the federal subsidy program. "We knew there was a high demand for our natural fibers, but the level of interest shown at the show exceeded our expectations - particularly for mohair and organic cotton," said Steve Teaff, Agri-Business Specialist at WTU. The Bobbin show was attended by over 750 exhibitors and 25,000 attendees. Teaff says he plans to keep

the new marketing name for the group because it reflects a clear message.

WTU's economic development staffers were supported in the booth by Preccia Miller, representative for Ol' Sonora Mohair, representatives from the Texas Department of Agriculture's (TDA) "Naturally Texas" program, and the Texas Department of Commerce's (TDOC) Industrial Recruitment department. Also attending was Doug Parker representing a group from Munday which is formulating a business plan for a textile spinning mill. He was there looking for potential customers, and new manufacturing ideas.

"We're trying to get participation from representatives at all levels of the textile industry in West Texas," said Eric Geisler, Economic Development Specialist at WTU. "The idea is to promote our area fiber producers and, at the same time, use them to attract the

industries that add value to the raw materials they produce. It helps when you can tell a potential industry that Texas is the leader in natural fibers, that we have scouring plants in San Angelo and Brady, we're centrally located, and we have competitive labor rates. We are fortunate to be able to offer low electric rates because power is usually a significant cost to textile companies."

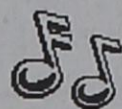

Teaff and Geisler added that the group urges participation from anyone active in the industry. The 1994 Bobbin show will again be hosted by Atlanta and the group plans to have an even greater presence next year. Other activities being discussed are a recruiting/trade mission to the northeastern or southeastern United States in conjunction with TDA and TDOC and other related trade shows.

For further information, contact Geisler or Teaff at West Texas Utilities Company, Abilene, 915-674-7030.

Ina Roberts Celebrates 90th Birthday

Ina Roberts, of Goree began her 91st year of life Friday, October 15, 1993. Most of Ina's family helped her celebrate her 90th birthday. Past and present memories, and future dreams were discussed.

This pretty lady was very proud of all her gifts, but most pleased about the presence of her children, grandchildren, great grandchildren, and great-grandchildren.

A friend, Audie Johnston of O'Brien, was also in attendance. A great country cooked meal was enjoyed by all. Ina, and her guest, anticipate another good time, same date, next year.

Other family members attending were Billy Joe and Marie Roberts, Kenneth and Sammie Roberts, and Jim and Johnetta Roberts.

The Present is a point just passed.

This is the week we've all been waiting for. This is the week when we have more time.

That's right. A normal week has only 168 hours. This week has 169. Saturday evening we will all move our clocks back one hour and have that hour to live over again!

I wonder, what have you been putting off until you had some "extra" time?

Is it a visit to a shut-in? Is it an hour of prayer? Is it attending a worship service? Is it reading a book? Is it spending some time with you family?

This week you have extra time. Take an extra hour and do something extra-special with it. Make it an hour worth remembering!

"Lord, I give the time that is mine to living for You. Amen."

Our sympathy to the family of Grace Snailum. Grace died last week after a lengthy illness.

ABOUT OUR ILL
Shirley Brown is having good days after her 5 day series of chemotherapy in Lubbock last week. November 1 she begins another 5 day series of treatments.

Darlene Benson is doing pretty well following surgery last Monday on the leg she broke in the spring. After the first surgery her leg didn't mend as it should have.

Maretha Patterson says her great-nephew, Bart Bivens, has been released from a Midland hospital after recent surgery.

FIREMEN PROGRAM
In observance of Fire Prevention Week, several of our local volunteer firemen gave a program at the school. They demonstrated their equipment and answered questions from the students.

The Benjamin Volunteer Fire Department is busy "rigging up" a spook house for Halloween. It will be at the fire hall and should be a good one.

FALL FEST COMING

As always each class has chosen candidates to reign as fall fest royalty. The candidates are: kindergarten, Jessica Bufkin and Tomas Acevedo; 1st, Maria Acevedo and Chance Propps; 2nd, Ashley Bufkin and Clint Beck; 3rd, Laura Neal and Bubba Benson; 4th, Ashley Cartwright and Casey Conner; 5th, Amanda Ervin and Mitchell, Eddy; 6th, Blaine Conner and Justin Waldron; 7th, Lacy Carver and Tyler Carroll; 8th, April Rogers and Bobby Condon; 9th, Heather Stone and Ricky Joe Carver; 10th, Bonnie Bohannon and Jason Patterson; 11th, Rebel Rainwater and Jason Simmons; 12th, Stephanie Conner and Robert Estrada.

With paid admission you will receive a ballot to vote for the couple of your choice in 3 categories. A duke and duchess will be chosen from grades K thru 5, prince and princess, 6 thru 8, and king and queen from high school.

Anyone who is furnishing items for the carnival booths needs to have the items there by the time it starts or shortly thereafter. The carnival starts at 6 p.m.

HERE AND THERE
Sam and Clara Loper of Lubbock were recent guests of his sister, Hazel Stockton.

Steve Conner of Lubbock spent last weekend with his children, Michelle, Blaine and Clayton and his dad, Bud Conner, and other relatives and friends.

Pam and Richard Garrett of Plano and Kay Pruitt of Munday visited Rex and Maretha Patterson last weekend.

Dub and Jo Cartwright were in Abilene last Wednesday for her to see an ear specialist. Jo has a

return visit scheduled mid-November and hopefully her hearing will be improved.

Judy and Jim Bob Conner spent last weekend with their son and brother, Jeff in Lubbock.

I spent last weekend in Childress with my girls, Debbie and Gordon Taylor and family and Diane and Kevin Bell.

Calvin and Thelma Brown of Perryton visited the Stanton Browns last week and the funeral of Grace Snailum on Tuesday.

Henry Rogers and his son, Wesley of Haskell, visited relatives in Irving last weekend.

NOTICE!!!
There have been several reports of dishes, etc. that have been taken to the ex-student building for various functions disappearing for one reason or another. Probably none have been taken intentionally. If you have a dish, etc. in your possession which you now realize is not yours just return it to the building. (Tuesday and Thursday are good days, as it is open from 9:30 to 12:30 for senior citizen lunches).

Bobby Hudson has lost a tray that he sure would like to have back and I lost an ice chest, yellow with an orange lid.

Also, on days when we have funeral meals at the building it is planned to leave the door open after the meal until almost night

so you can go by and pick up your things. That should solve some of the problems. Thanks!

BENJAMIN VS GUTHRIE

Benjamin Colts played Guthrie Thursday, October 14. Guthrie won 67 to 52.

The game went back and forth during the first quarter with Guthrie scoring first. Benjamin came back on a 62 yard touchdown pass from Wade Pierce to Jay Whitten. Guthrie scored again, then Billy Clark ran 48 yards for a touchdown, making the score Benjamin 16, Guthrie 13.

The game got away from the Colts as Guthrie scored 34 unanswered points. Halftime score was Guthrie 47, Benjamin 16.

The Colts never gave up, scoring 36 points in the second half. Final was Guthrie 67, Benjamin 52.

Leading rushers for Benjamin were Jonathan Sanchez with 208 yards and Billy Clark with 106 yards. Jay Whitten lead the receivers with 108 yards and 2 touchdowns. Tyler Carroll added 20 yards in receptions.

Halftime activities included the

crowning of the football hero and sweetheart.

Selected as "hero" was Wade Pierce, an outstanding 8th grade ball player. He lives with his very proud grandparents, Sammy and Barbara Pierce. He is the son of Linda B. Pagel of Killen and Mr. and Mrs. Keith Pierce of Wichita Falls.

Sweetheart this year is Lacy Carver. Lacy is a 7th grader and a cheerleader. Her parents are Craig and Susan Carver. It's congratulations to these two young folks.

Goree Homecoming November 12 - 14

Plans for this year's Homecoming are almost complete and feature a whole weekend of fun and fellowship.

Beginning Friday, November 12, the Goree Cemetery Association will serve supper in the memorial building. After supper, a street dance will be held between the old Rogers Drug/Coffman Insurance Agency buildings and the old Barger Feed and Seed building.

On Saturday, November 13, registration will begin at 9 a.m. in the high school hall. After a morning of renewing old acquaintances, a catered meal will be served in the cafeteria. The fare will be barbecue with all the trimmings cooked and served by The Branding Iron Restaurant from Wichita Falls. Tickets for the meal are \$6.00 for adult plates and \$3.00 for the children. These tickets can be reserved by calling Lee Patterson or Harold Jones prior to November 13.

The assembly begins at 3:00 p.m. in the high school gym. Bobby Lee Jordan, class of '55 will be serving as master of ceremonies with several more exes sharing high school memories and providing musical entertainment. The climax of the program will be the crowning of the Homecoming Queen. Following the assembly, Goree Firemen will be serving supper in the school cafeteria. Then, at 8:00 p.m., the school gym will be the setting for the Homecoming Dance. It will be decorated like your high school prom (but don't wear formals). There will even be a prom queen and king.

Plans are almost finalized for a community wide church service in the high school gym with one of our ex-students leading the worship service. There are also tentative plans for a Sunday dinner. That will

be announced at the assembly on Saturday.

So, make work arrangements, contact your family and your friends and plan to come on back home on November 12, 13, and 14.

Hope to see you there, Pauline Harlan Beecher.

October 31 - Insurance Deadline For Wheat

October 31 is the final date to purchase multi-peril or Federal Crop Insurance for wheat and oats. This date has been extended from September 30 and is very important to you for disaster purposes if you made less than 35% of your ASCS yield in 1993.

Even though you have until March 4, 1994 to file for 1993 disaster, you must purchase multi-peril or Federal Crop Insurance in order to draw disaster on any crop that produced less than 35% of the ASCS yield. The insurance must be purchased by the sales closing date for the crop in question which is **October 31 for wheat and other small grain.**

Cotton Loan And Loan Deficiency Payments

1993 crop cotton is eligible for regular loan if produced on a participating farm or on eligible flex acres.

1993 crop cotton is also eligible for loan deficiency payment (LDP) or POP, as it is commonly called, due to the current world price on cotton. Eligibility rules are the same for LDP as loan.

Cotton may be placed in the regular loan or offered for LDP but not both.

Beneficial interest must remain with the producer at the time of loan or LDP. If you have a contract on the cotton, we must have a copy of this contract. Cotton **must not** be invoiced out by a buyer prior to you making application for loan or LDP.

Loans and LDP's will be processed here in the county office until volume picks up - at that time grade cards will be sent to Lubbock for processing - which will mean a 2 or 3 day delay in getting your cards back from us. However, it should cut down on the time it takes for you to get your check which will still be written here.

I just read an amazing passage of scripture, a small story from the Old Testament, Joshua 3:1-17. I call it amazing because it speaks to us so well today.

Moses' job of leading the fledgling nation of Israel has now passed to Joshua. And, understandably, Joshua is more than a little nervous about filling this spiritual giant's shoes! "This is Moses," he thinks to himself, "the only man who ever saw God and lived! How am I supposed to take his place?"

Joshua's attitude towards Moses is a lot like our attitude towards the heroes of the Bible. We marvel at their faith and their willingness to serve God. But, when we hear Jesus calling, "Come, take up your cross and follow me," we hang our heads, and shuffle away.

It's hard for us to believe that God would use us the way he used Moses, Elijah, David, or Paul the Apostle. After all we're just ordinary people, not spiritual giants like the people of the Bible.

We would do well to remember how Moses' ministry started.

"Really God, you should send someone else. I'm a nobody, I've never lead anyone, and I'm not very good with words."

God's only response to all his protests was "I, the Lord, will

be with you." Many years and four books later, Joshua finds himself leading the Israelites. Once again God commands them to cross a deep body of water that blocks their path, and just like before, the water parts and they cross on dry land.

This must have been a very important moment in the lives of the Israelites. It proved to Joshua and his people that God would go with them even now that Moses was dead. They learned something that day, that they would all do well to learn:

People don't follow God because they are great. People are called great because they are willing to follow God.

Ask God to help you see the work he has called you to do, and to give you courage to be obedient to his will for you. You never know what God may have in mind for you. And remember that he only needs your obedience, not great skill or speaking ability.

After all, even Moses had to start somewhere.

NURSING CENTER NEWS

By Virginia Williams

Stella Carver visited Vera Mae Carver.

Elaine Gulley and Eula Mae Parks called Bingo Vera Carver won the blackout game on Tuesday.

Joe Gafford brought his mother, Irene Gafford as a new resident to the Nursing Center on Thursday.

On Thursday October 21, Annie Smajstra and Alice Reneau from the Catholic Church called bingo. Elizabeth Russell won the blackout.

Rev. Don Whitsell of the Methodist Church came to the Nursing Center and visited all his friends and enjoyed taking exercise with all of us who take exercise and play ball every day for an hour. We all enjoyed having him visit us.

J.R. Williams of the First Baptist church of Goree had the church service at 3:00 p.m. at the nursing center. Peggy Myers played piano. Nell Williams led the singing.

Earlene Meinzer of Benjamin came to see her sister Mabel Jacobs on Sunday afternoon. Janet Mitchell of Wichita Falls visited her mother Mabel Jacobs and her mother-in-law

Bea Mitchell.

Mrs. Joyce King of Houston visited her mother, Ruby West and her father Red West from Friday to Sunday afternoon. She took her mother to church and Sunday School at Red Springs and then had a lovely birthday dinner. Joyce went home Sunday.

The First Baptist Church of Munday had the Birthday Party for the residents of the Nursing Center on October 20. Those who had birthdays in October were Fleta Mayo and Ruth Baker on the 10th, Audrey Gully, Lilly Parker and Donnie Crouch, the 15th, and Ruby E. W\$Est on the 30th. We all want to thank them for the lovely party.

Bill and Maurine Williams took his mother to Abilene to get a new hearing aid. They also went shopping.

We sang several songs on Saturday morning and then Virginia read from the Guide Post. We all repeated Psalms 23 and then we sang more of our favorite songs. Leona Elliott played the piano for the singing.

Retired Teachers Attend Workshop In Wichita Falls

District IX Texas Retired Teachers Association Fall Drive-In Workshop was held October 20 at Ramada Hotel in Wichita Falls.

Perry Goolsby of Wichita Falls, District IX President, presided at the meeting. Helen Lyles, unit President Clay County gave the welcome.

Reports from TRTA and TRS were given by Charles Mitchell, State President, of Olney.

Bob Keck, TRS staff member of Austin, stressed the need to increase membership. Members do make a difference and have influence all over the state. TRTA is the only organization in the state of Texas that represents retired teachers exclusively. TRTA members must continue to protect the TRS funds in order to be main-

tained as at the present. "If you want TRS to serve you, you must serve it!" he stressed. Texas Retired Teachers must remain involved.

Senator Steve Carriker reviewed the constitutional amendments which are to be voted on in the November 2 election.

Jackye Plummer of Wichita Falls, chairperson, reported on State TRTA Convention that will be held in Wichita Falls April 6-9, 1994.

Mr. Goolsby presided over a short business meeting, then adjourned the workshop.

Attending from Knox County Unit were Dan Sloan, vice president, Douglas and Dorothy Myers, public relations chairman and president.

Q: What did Jesus' cross look like?

A: The Bible does not tell us the shape of the cross. Tradition has it that Christ's cross was shaped like a lower case "t". However, there were three other types of crosses used by the ancients to execute people. One looked like an upper case "T". Another looked like a plus sign "+", with all four sides equal in length. The fourth looked like an "X". Any of these four types of crosses could have been used in Christ's execution. The Apostle Andrew was, according to tradition, executed on the "X" type of cross.

The important thing is that Jesus did die for your sake so that you might be reconciled to God (Ephesians 2:13-18). Therefore, since Jesus gave us the example of crucifying himself for us, we should be willing to figuratively crucify our old selves to lead a life dedicated to God (Galatians 2:20). This is what Jesus meant when he told us: "If anyone would come after me, let him deny himself and take up his cross and follow me" (Matthew 17:25).

It is the preaching of the cross which the world considers "folly" but it is the very wisdom of God himself (1 Corinthians 1:17-25).

Halloween Safety Tips

It's almost Halloween - that magical time when witches, goblins, ghosts and skeletons stalk the street hoping to frighten the unsuspecting. But what is really scary is that this holiday greatly increases the risk of injury to children who plan to go trick-or-treating. Many Halloween-related injuries involve falls caused by environmental hazards, cumbersome costumes and masks, and burns from flammable costumes. In addition, pedestrian injuries can occur to children walking in unfamiliar neighborhoods and from motorists who are unable to see young trick-or-treaters clearly. Parents should keep the following safety tips regarding costumes in mind:

- * If a mask is worn, cut the eye holes and nose hole large enough to allow full visibility and so breathing is not hampered.
- * Be certain that masks, wigs, beards, and hats fit securely and are not cumbersome.
- * An alternative to face masks may be the application of non-toxic face paint or make-up to the child's face.
- * Look for "flame resistant" labels on costumes, masks, beards and wigs. When shopping for fabrics to use in home sewn costumes choose flame resistant fabrics. Sales people can assist in identifying these fabrics.
- * Avoid costumes made out of flimsy materials and outfits with big, baggy sleeves or billowing skirts. These are more likely to come in contact with an exposed flame or candle than tighter fitting costumes.
- * Do not allow children to carry knives, swords or other props unless they are soft and flexible.
- * Buy or make Halloween costumes that are light or bright enough to make them more visible to motorists at dusk and in the dark.
- * Costumes should be short

October Proclaimed As Domestic Violence Awareness Month

Whereas: Violence against women and children continues to become more prevalent as a social problem due to the imbalance to gender and age.

Whereas: The problems of domestic violence are not confined to any group or groups of people but cross all economic, racial, affectional preference, and societal barriers; and supported by societal indifference.

Whereas: The crime of domestic violence violates an individual's privacy, dignity, security, and humanity, due to systematic use of physical, emotional, sexual, psychological and economic control and/or abuse.

Whereas: The impact of domestic violence is wide ranging, directly affecting women and children and society as a whole.

Whereas: It is battered women themselves who have been in the forefront of efforts to bring peace and equality to the home.

Now, Therefore: In recognition of the important work done by domestic violence programs,

I, Richard Albus, mayor of the city of Munday, do hereby proclaim the month of October 1993 as Domestic Violence Awareness Month and urge all citizens to actively participate in the scheduled activities and programs sponsored by the Noah Project-North to work toward the elimination of personal and institutional violence against women.

Mogulettes Place Second

The Munday Mogulettes placed second overall in the varsity girls division of the District Cross Country Meet held Monday in Spur.

Kandis Longan was a medalist with a third place finish in a time of 13:54. Lanessa Wilson placed 15th, time of 15:52; Lori Clem 16th, 15:57; Mandy Moore 19th, 16:07; Kizzie Shields 21st, 16:35; Kelly Munoz 22nd, 16:39; Mindy Zeissel 26th, 17:48.

The second place finish qualifies them for the Regional Meet to be held Saturday, November 6, in Lubbock.

Kevin Stone placed 8th in the varsity boys division running a 21:27. Zane Donoho and O'Keith Taylor both ran a 34:55 placing 16th and 17th.

Ambra Welch was a medalist for the Junior High Girls by placing 3rd with a time of 16:35. Angie Stone placed 26th by running a 26:15.

Local Cowgirl Fights Disease And Wins The Battle To Live

She can ride and rope as good as any man, and better than a lot of them!

Linda Hart is a down-to-earth cowgirl, and lives about 8 miles west of Munday with her husband, Jay, and her two children, Mandy and Ray. She has horses in her heart, soul and mind, and becomes a part of them whenever she climbs into the saddle.

Born August 14, 1957, she is the daughter of Jackie Condron of Crowell, and the late Cloyd Condron. She grew up on ranches, riding horses every day helping her father with the cattle and other chores.

Linda and her two older sisters and younger brother started competing in 4-H horse shows when she was around nine years old. They participated in Junior Rodeos, and she went on to compete in college. That is where she came to love calf roping.

Linda married Monte Bradley March 14, 1977, and they had two children, Mandy and Ray. Just seven short years later, Monte was killed in a car accident. Linda immediately had to get a job to support her kids.

She met Jay Hart, and they were married August 16, 1985. They started out breaking horses in Guthrie. Then Jay got a job with Larry Thompson of Munday, where he worked for 2 years, then moved to Benjamin to work on the League Ranch. After that ranch sold, they moved back to Knox County where Jay works cattle and shoes horses for the public.

Linda stayed busy raising her children, helping with the cattle and training her two barrel racing horses, Dancing on Ice, a very special mare given to her by Bob Cude, and her gelding, LeDondi.

But everything came to a screeching halt in January of 1990.

Linda remembers getting sick in December, but she just took over-the-counter drugs and kept going, never slowing down a bit.

In January, she took her two colts to a barrel race to get them ready for a futurity. While there, she started getting sharp pains all over, and had an extremely bad headache, which was unusual for her, and was so stiff she could hardly get on her mare. As she ran the barrels, she said she was "like a monkey on a dog." When she got out of the alley way, she had to have help getting off her horse.

Linda went to this barrel race by herself, so she had to drive herself home in this condition, unable to get in touch with Jay. She made it home and called the doctor the next day. She ended up in the hospital, unable to eat, drink, or move because she was so stiff and in such excruciating pain.

After three days went by with no improvement, Linda's husband took her to a doctor in Wichita

LINDA HART RIDES her horse, Dancing on Ice, for work and for play. They can be seen riding through pastures working cattle, or racing around the arena in the clover leaf pattern during barrel racing competition. Horses are her life . . . if you don't believe me, just ask her.

Falls. She said she remembers waking up in the hospital with her mother and Jay in the room, and the doctor told her flat out that she should have been dead seven days ago, because this disease can kill you in 48 hours. It gets into your respiratory system and blocks all your passages and can kill you instantly. She was paralyzed on her right side from her head to her toes.

The disease was Guillain Barré Syndrome, a French cousin to polio and has the same symptoms as multiple sclerosis. The only way to tell the difference is to have fluid drawn from your spine.

In two weeks, she was able to come home for the long recuperation period. She had very little immune system left and was still in lots of pain. The doctor told her to become a couch potato for 60-90 days, and that it might possibly be 6 months before she would ever get back on her feet. She thought, "Man, you don't know me. There's no way I'm laying down that long!"

"It was by the grace of God that I survived," she said, "and the fact that I was physically fit before going into the hospital."

After about three months at home, Linda walked about a mile to the river with her two kids, and walked in the water against the current, determined to build her strength back. Ray and Mandy would have to practically carry her back to the house, she said. She forced herself to do this, trying to get her legs to working again. She ended up back in bed for three to four days each time she did it.

"I know why it happened," she said. "God was dealing with me, and this was the only way he could get my full attention if I was still. I'm not saying God did it . . . He allowed it to happen because there were a lot of things in my life that needed to change."

Linda found a special, dear friend during this ordeal. She asked Kathy Conklin of Jayton to ride her mare for her, since the futurity

was coming up in just three weeks and the fees had already been paid to the West Texas Barrel Racing Association. Kathy agreed, and a special friendship was born. Kathy would go to Linda's house and take her with her to the barrel races. She would help Linda to the bleachers, carrying her and her pillow, and then go back for the horse. It was a trying time for both of them, with Linda coaching her on how to ride this powerful horse in the way she had trained her. Kathy won a lot of money on the mare, and did really well. They had a lot of good times together, and are still good friends.

Linda spends most of her time now helping her husband with the cattle, which is what she prefers to do more than anything else. "I love working cattle. It's just my life. I know it, I know horses, and it's something I'm comfortable with."

Even though Linda is not able to help as much now as she did before she got sick, she enjoys what she's physically able to do, and is still competing in barrels during the summer, and having a lot of fun at the ranch competitions she enters with her family.

"I really learned you just have to take care of yourself because you've only got one life and one body, and you're the only one that can take care of it. I've learned to enjoy a lot more things in life . . . my kids, my family, a lot of things I took for granted. God really showed me there's more important things than what I wanted, and wanted to do. It's been a hard lesson to learn, but it's been a valuable one."
