

Electra Tigers Pass By Munday 43 - 0

The Electra Tigers came roaring to Munday Friday night to shut out the Moguls 43 to 0.

The game began as usual for the Moguls. A fumble on their first possession gave the Tigers the ball. The Tigers could not move the ball the first go around and had to punt. Four plays later the Moguls punted back to the Tigers. On the first play of the Tiger's next possession QB Tyrone Robinson hit Brandon Lynn on a 57 yard touchdown pass. The extra point failed.

Later in the first quarter a blocked punt for the Tigers put them on the Mogul 7 yard line. Two plays later Mogul Kole Sanders recovered a fumble stopping the Tigers from scoring. A penalty put the Moguls on their own 4 yard line. Hard running by Aaron Kiser put the Moguls almost to the 14 yard line but the Moguls had to punt. A 51 yard punt and a fumble by a Tiger receiver recovered by Bronco Flye gave the Moguls the ball on the Tiger 33 yard line.

Electra scored two more touchdowns in the second quarter. Both were touchdown passes to Clark Jones, one was a 45 yard pass and the other was a 47 yard pass. The extra points were no good.

The second half began good for the Mogul defense. The Moguls shut down the Tiger running game holding the Tigers to -6 yards on their first two possessions of the second half.

The Tigers kept the Moguls from moving the ball by forcing 4 turnovers. The first was an interception by Brandon Lynn. Three plays later the Tigers had to punt. The Moguls ended up short of a first down after 4 plays giving the Tigers the ball on the Mogul 38 yard line. On the next play Tyrone Robinson connected with Brandon Lynn for a 38 yard touchdown pass. Once again the extra point failed.

A good return by Bronco Flye on the kick-off put the Moguls on the Tiger 48 yard line. Two plays later the Moguls were third and long, so the Moguls tried to pass. The pass by Jake Jordan was intercepted by Tiger Brandon Lynn. Lynn ran the ball back 55 yards for another Tiger touchdown. The extra point by Aaron Williams was good.

On the Moguls next possession Dustin Kiser did some hard running giving the Moguls two first downs. Two plays later the Moguls fumbled the ball on their own 39 yard line. The Tigers moved the ball down to the Moguls 2 yard line and one play later Clark Jones ran the ball in for the score. The extra point failed. The score at the end of the third quarter was

Electra 37, Moguls 0.

The Moguls controlled the ball in the fourth quarter. Electra had the ball for only 6 plays in quarter, but it was enough. Demetrius Breedlove ran the ball 74 yards mid-way through the fourth for the final touchdown of the game. The Moguls had the ball for the rest of the game. The Moguls' offense began moving the ball slowly down the field for 40 yards and three first downs before the time ran out.

Dustin Kiser led the Mogul offense with 73 yards on 17 carries followed by Freddie Sosa rushed 42 yards on 15 carries and Aaron Kiser had 23 yards on 6 carries.

Helping the Mogul defense were Bronco Flye recovering 2 fumbles

Arts & Crafts Festival Saturday, October 3

It's finally here! The third annual Arts & Crafts Festival will be held this Saturday, October 3, from 9:30 a.m. to 4:00 p.m. in the Munday Elementary School gym.

Some of the many attractions at this year's festival are painted t-shirts and accessories, unfinished and finished wood items, plus-size painted pant sets, rugs, pillows, gift items of all types, ceramics, Christmas collars and holiday shirts, and much, much more.

One feature you won't want to miss is the Knox County Schools Quilt which will be on display. The 48-block quilt is centered with an embroidered map showing the Brazos and Wichita rivers and the present towns of Knox County. Using a red, white and blue theme, the quilt depicts every school in Knox County's history. The blocks are arranged to begin with the northwest corner of the county

and go across to the east. Antelope Flat is the first school depicted.

The quilt was pieced, embroidered and quilted by members of the Knox County Historical Commission to raise funds for the Knox County Museum. Chairman for the project is Frances McGuire Cook of Gilliland.

By purchasing a ticket from the Historical Committee, you may be the lucky winner who will get to take this lovely quilt home to treasure forever.

A concession stand will also be available with sandwiches, drinks, and snacks. Admission is \$1 for adults and 50¢ for students. The festival is sponsored by the Munday Chamber of Commerce and Agriculture.

CHEERING FOR THE MOGULS this year are the seven young ladies pictured above. Standing from left to right are Michelle Wilde, Melissa Berryhill, Michele Berryhill, and Brandy Branam (head cheerleader) bottom row, Andrea Longan, Robyn Clem and Gina Vaughn. They are the daughters of Gary and Judy Wilde, Buford and Cheryl Berryhill, Jerry and Vickie Branam, Bill and Karen Longan, Daron and Christie Parker, and Jamie and Debbie Welborn, respectively.

American Heart Walk Set For Saturday, October 3

9:00 A.M. at Greyhound Stadium in Knox City

The annual "American Heart Walk" to raise funds for the American Heart Association has been scheduled for Saturday, October 3, beginning at 9 a.m. at Greyhound Stadium in Knox City, or at the school gym in O'Brien in case of bad weather.

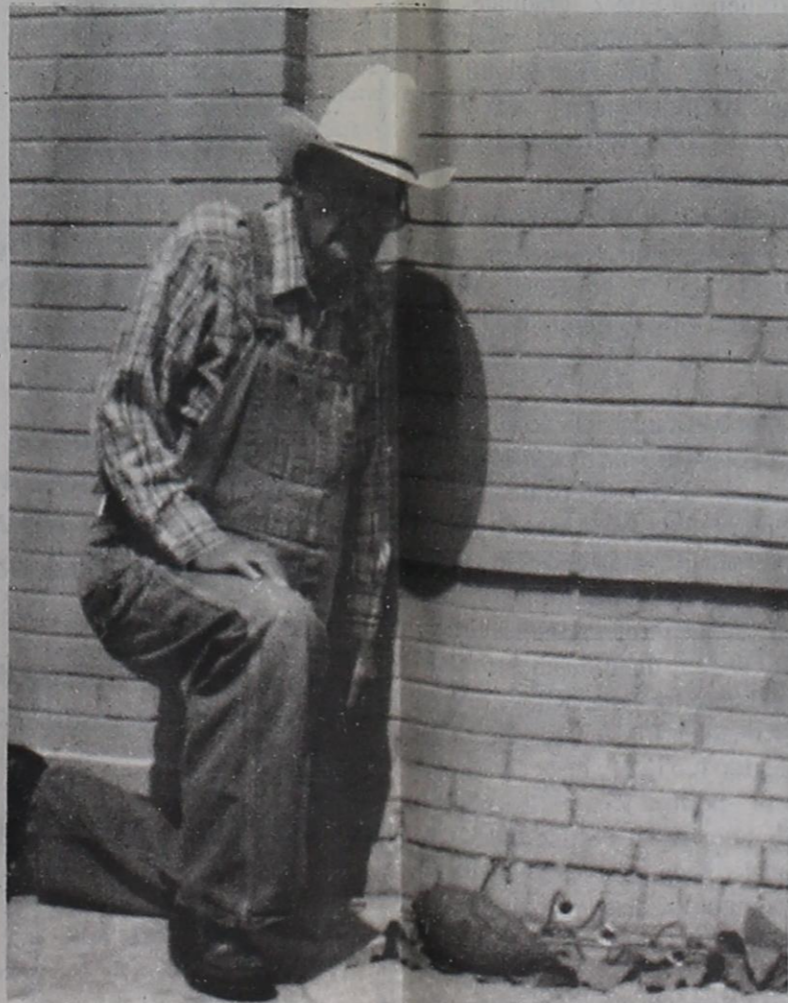

This year's event will combine walkers from all over Knox County as Knox City and Munday walkers will work together, instead of having two separate events, as in past years.

Walkers this year will be competing for prizes that include three \$50 savings bonds donated by Jerry's Plumbing, Counts Insurance & Real Estate, and Citizens State Bank, turkeys donated by M-System, and T-shirts which are provided by the American Heart Association. The top three walkers will receive the savings

bonds, while those having at least \$75 in funds collected will receive a T-shirt. Those raising at least \$150 will receive both a T-shirt and a turkey for their efforts, and those raising over \$200 will receive a T-shirt, a turkey and a sweatshirt.

Each walker entering the event is responsible for raising funds. They can receive pledges for each mile they walk, or they can just collect donations from area merchants and/or individuals. Donations made to the walkers should be made out to the American Heart Association and are tax deductible.

Readers are asked to support this worthwhile event by getting pledges and walking, or by making a donation to someone who is participating in the walk.

COACH'S COMMENTS

The junior high girls did a great job! It was their first time to compete over two miles. 15 points is the best score a x-country team can get.

The varsity girls did a good job. Jennifer ran great! Lori's finish was also super. Mandy Moore was sick-she can run with Jennifer and Lori. Both Kerri and Toni improved their times by over two minutes.

Abundance of knowledge does not teach men how to be wise.

Operation Wise Buy: Financing College

As the new school year begins, parents are more aware of the need to plan ahead for their children to get a college education. With the current low interest rates, it may seem like a futile effort to plan savings. However, there's one rather safe and attractive option consumers may be overlooking.

An option that's particularly attractive today is EE U.S. Savings Bonds, which earn at least 6 percent. Since 1990, interest on Series EE Savings Bonds may be exempt from Federal income tax if you pay tuition and fees at colleges, universities and qualified technical schools during the year the bonds are redeemed. The exemption applies to more than the education of your own higher education as well. That can be particularly valuable to adults thinking about career changes.

Series EE Bonds can be obtained as a payroll deduction, which makes saving easier for many consumers.

Buying early is buying wise. The minimum you can expect to accumulate by the time a child is age 18 is over four times as great starting at one rather than waiting until age 12. Buying a monthly Series EE Bond at \$50 will accumulate to 17,356.08 by age 18. This compares to a savings of \$10,328.96 if you wait until they enter middle school at age 12. If grandparents or a second parent match this with another \$50, the \$100 bond monthly reaches a value of \$34,712.16 over 18 years.

By the year 2006, a single year of higher education could range from \$17,000 to as high as \$37,000. Starting early and saving through a tax-saving option could be called "operation buy

Did You Know That....

* Calories can rack up fast as the shopping mall. A single-dip ice cream cone contains about 190, the same as a large chocolate chip cookie. A soft pretzel with cheese supplies in the neighborhood of 225 calories and so does a quarter cup of mixed nuts.

* Only 24 cents out of every dollar you spend on food goes toward farming costs. The other 76 cents pays for such expenses as processing, packaging, advertising, supermarket retailing, and intercity truck and rail transportation.

MRS. MARK PRESLEY
...nee Misti Dawn Floyd

Locals' Granddaughter Weds In Pennsylvania Ceremony

The First Church of the Nazarene in Easton, Pennsylvania, was the setting Saturday, July 25, for the evening wedding of Misti Dawn Floyd of Bethlehem, Pennsylvania, and Mark Douglas Presley of Easton, Pennsylvania.

Parents of the bride are former Munday residents, Mr. and Mrs. Travis C. Floyd of Conyers, Georgia. The bridegroom is the son of Mr. and Mrs. Jerry Presley of Easton, Pennsylvania.

The Reverend Richard Reitano officiated the ceremony. Musical selections included *Here and Now* and *I Will Be Here*, performed by the bride's sister, Heather Floyd, and accompanied on piano by Annette Conover. Shelly Kilman of Allentown, Pennsylvania, read I Corinthians 13:4-8 from the Bible, and Lori Johnson of San Antonio, cousin of the bride, read *Goodnight, Beloved* by F. Alexander Magoun.

Escorted down the aisle by her father, the bride wore a gown of white Chantilly lace, featuring a sheath bodice, long duchess sleeves, and a sabrina neckline. The bodice was embroidered with delicate seed pearl clusters, and venise lace appliques with pearls draped down the open back. The cathedral-length train was trimmed with schiffli embroidered lace. She carried a cascade bouquet of zaphet orchids and calla lilies surrounded by miniature roses, stephanotis, and Italian ruscus accented with pearl spray.

Heather Floyd of Arkadelphia, Arkansas, was her sister's maid of honor. Bridesmaids were Leslie Lozano of Norman, Oklahoma, and Rita DiGrazia of Easton, Pennsylvania. They were attired in a soft floral pastel two piece dress. The off-the-shoulder top featured a peplum waistline and a floor length fitted skirt with a hemline vent.

Best man was Scott Setser of Kansas City, Missouri. Groomsman were John Kilman of Allentown, Pennsylvania, and Jeff French of Olathe, Kansas.

Serving as ushers were Adam Simcek and Carl Merwerth, both of Easton, Pennsylvania.

Joshua James, son of Mr. and Mrs. Phillip James of Wichita Falls, was candle lighter. Flower girl was Lindsey Kilman, daughter of Mr. and Mrs. John Kilman

of Allentown, Pennsylvania. Zachary French, son of Mr. and Mrs. Jeff French of Olathe, Kansas, was the ring bearer.

A reception was held outdoors

at the First Church of the Nazarene pavilion. White trellis decorated with lace hearts and greenery provided the back drop for the wedding table. The three tiered cake was decorated with white interlacing and accented with fresh flowers that complimented the bride's chosen pastel colors. Two white doves nesting in sprays of pearls encircled by a crystal heart adorned the top.

Assisting with the reception were the bride's aunts, Karen Johnson of San Antonio and Paula James of Wichita Falls, and a cousin, Lori Johnson.

The bride and groom were honored to have all four of their grandmothers present at the wedding. Grandmothers of the bride are Faye Johnson and Willie Floyd Smith of Munday. Grandmothers of the groom are Charlotte Fleming of Easton, Pennsylvania, and Dortha Presley of Shawnee,

Oklahoma.

A rehearsal dinner was hosted by the groom's parents at the Keystone Steakhouse in Easton.

The bride graduated from Easton Area High School and received her Bachelor of Arts degree from Penn State University. She is employed with Straight Arrow in Bethlehem.

The bridegroom is a graduate of Easton Area High School and Lincoln Institute of Technology. He is employed with Foster Wheeler in Clinton, New Jersey.

Following a honeymoon in the Pocono Mountains, the couple have made their home in Bethlehem.

MR. AND MRS. JODY STONE
...nee Susan Whittemore

Whittemore, Stone United In Afternoon Ceremony

Susan Elaine Whittemore and Jody Dale Stone were united in marriage at 5 p.m. August 8, 1992, at the First United Methodist Church in Munday. A.B. Martin of Red Springs officiated the double ring ceremony.

The bride is the daughter of Nancy Whittemore and the late Kenneth Whittemore. The groom's parents are Rickey and Olena Stone of Gilliland.

Two large, white wicker baskets filled with white roses, baby's breath and fern, two candelabras and the unity candle decorated the front of the church. Four grapevine wreaths with white, navy and pink flowers were placed on the walls. White, navy, and pink bows marked the pews.

The bride chose a formal gown of white satin with a princess bodice which was lavishly decorated with beads and sequins. The Queen Anne neckline and short puffed sleeves with a shaped cuff were accented with beads and sequins. The diamond shaped opening in back was outlined with

pearls and sequins and a cascade of pearls. The full-flowing skirt featured a double ruffle creating a bustle effect. She wore a pearl necklace which had been her grandmother's, Mrs. Wilma Whittemore, and she hand-made her beautiful headpiece.

Pink and white roses, baby's breath and fern, and pink and white streamers made up the bride's bouquet.

Serving as maid of honor was Misti Zeissel. Bridesmaids were Shanna Murphy and Sheila Morgan. They wore navy, tea length dresses with dropped shawl collars and navy shoes. Each carried a single long stemmed rose.

The groom's brother, Trey Stone, served as best man. Groomsmen were Phil Boone and Jeff Pierce. The groom and attendants wore black jackets with tails, black Wranglers and black Roper boots.

Sheila Morgan and Phil Boone also served as candlelighters. Mindy Zeissel registered guests. Musical selections were the

theme from *Dances With Wolves*, *Hymne*, *Forever Is As Far As I'll Go*, and *The Rose*, which was played while the couple lit the unity candle. Becky Ratliff was organist. Shanna Murphy read a poem, *Sunrise, Sunset*.

Honorary grandmothers were the bride's great aunts, Lorena Burnison of Munday and Paula Coleman of San Angelo. Lena Owens of Breckenridge is the groom's grandmother.

A wedding reception was held in the church fellowship hall, and was decorated in the bride's chosen colors of white, navy and pink.

The bride's table held a three-tiered wedding cake accented with pink and white roses. Missy and Jae Jae Reneau served cake and punch to the guests.

The groom's table held a chocolate cake with almond slivers, and was served by Tonya Kuehler and Kathy Welch.

Following the reception, a dance was held at the Knights of Columbus Hall in Rhineland.

The bride was honored with wedding showers in Munday and Benjamin.

Jody and Susan are making their home in Stephenville, where she is a full-time student at Tarleton State University and works at Burger King. Jody is employed at Cocanougher Feed Company and Sunrise Dairy.

Every now and then a columnist will wonder if anyone is reading what she is writing and run a reader re-action test. For example, a columnist might mention visitors in the community who go on a quail hunt when it is really dove season, as a story did in last week's column about Ann Shaw's brother. If there are comments and questions about the visitor's hunting quail out of season the writer will know that the column is being read. Let me assure you, this column is being read.

However, it really wasn't a reader re-action test that caused Ann's brother to be described as going on a quail hunt instead of a dove hunt. It is all the fault of this smart typewriter. I thought "quail", then realized it should be "dove" season, but the typewriter had already picked up my thought and entered "quail" even despite the fact that I personally was already typing in "dove". I know it is dove season and would never, ever type that anyone was hunting quail in dove season. (By the way, would anyone who believes the preceding sentence please contact me. I have a great deal for you - ocean front property in Arizona.)

Kristi Kemmell was visiting in Truscott last week. Johnny is still in Austin and will stay there about another year. She says he is still unable to talk, but he understands what is being said and can communicate through signals. She said he has somewhat increased mobility and control in his upper body, but still has a long way to go. She has become familiar with his therapies so she can continue to help him.

Jennifer Shaw, senior, and Crystal Dishman, sophomore, are nominees for homecoming queen at Crowell High School.

Barbara and Pam Bowman went to Breckenridge last Saturday to watch their grandsons and great grandsons, Dean and Alan Haskin, play soccer. Dean and Alan are the sons of Mark and Michelle Haskin.

Cordas Ray Lambeth of Wichita Falls, son of Mr. and Mrs. Felton Lambeth, was honored recently by the Lone Star Gas Company for completing 40 years of service. A construction and maintenance supervisor for the company, Cordas Ray started as a clerk in 1952 in Munday, was promoted to storekeeper and then timekeeper in Seymour before transferring to Wichita Falls in 1955. He has no plans to retire in the near future.

Josh and Sarah Dormier of Throckmorton spent the weekend with their grandparents, Buster and Francelle Echols.

Janet Dillard treated the third grade class to a 'job-well-done' party on Friday after they had completed the TAAS tests on Thursday. The class was served popcorn and cokes while they watched a movie as a special reward for having worked so hard

all week.

Mark and Darla Coffman and sons, Drew, Jordon and Riley of Haskell were Sunday guests in the home of Mark's grandmother, Ruth Coffman.

Don Lambeth of Anson visited his mother, Winnie Lambeth, on Sunday.

Sunday dinner guests in the home of Bernice and Jack Steward were Church of Christ preacher, Greg Melton and his son, Taylor, and Buddy and Tonya Cypert, Cody, Jaci and Kristin, all of Haskell.

Retired Teachers Meet September 22

The first meeting of the Knox County Unit of Retired Teachers was held Tuesday, September 22 at 2:30 p.m. in the Fellowship Hall of the First United Methodist Church in Munday. There were thirteen members and one guest present.

Barbara Ratliff, president of Knox County Retired Teachers, gave the welcome and presided for the business meeting. She encouraged all members to attend the Region IX RTA Drive-In Conference October 21 in Wichita Falls.

The invocation was given by Douglas Myers.

Vice-president Dorothy Myers presented new yearbooks which were dedicated in memory of the late June Kane, beloved member and former Munday teacher.

Mrs. Myers then introduced Larry Fitzgerald, minister of the Munday Church of Christ, who brought an inspirational challenge on God's view of the golden years. God has respect for older people and to use age as he has commanded. You retire from your profession, but not from God's service. The golden years are a blessing!

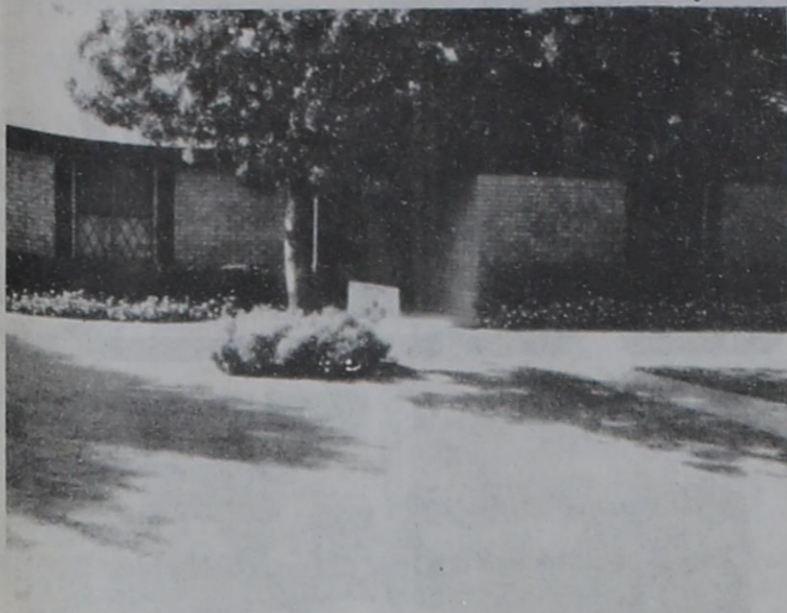

Following the program, delicious refreshments were served by LaRue Reeves and Margaret Hill. Members enjoyed a time of visitation before the meeting adjourned.

Business Economic Injury Disaster Loans Available From SBA

Businesses depending on farmers and ranchers in Knox County and 29 other Texas counties can now apply for low interest Economic Injury Disaster Loans from the U.S. Small Business Administration (SBA). These loans are available to help businesses meet normal operation expenses that cannot be met due to the effects of disaster.

A drought, freeze, flood and hail which occurred between January 1 and December 31, 1991 caused many farmers and ranchers to experience reduced incomes which may have had an adverse economic effect on businesses depending upon these producers.

To obtain an application or receive additional information, interested business owners may call the SBA toll-free at 1-800-473-0477. Businesses have until February 22, 1993 to file an application.

Q: The New Testament says that Jesus lived in Nazareth to fulfill the prophecy that "He should be called the Nazarene." Where is that prophecy found?

A: The New Testament book of Matthew (2:23) does refer to this prophecy. The prophecy is found in the original language of Isaiah 11:1. Here Jesus is called a "shoot from the family tree of Jesse and a branch from Jesse's roots." The original term for "branch" is "netzer". The term "Nazareth" is most likely derived from the same Hebrew term. Hence, the town is called "a branch" or "an offshoot."

The term "son of Jesse" is what King Saul used to belittle David's humble beginnings when the king became jealous (1 Samuel 20:31; 22:7; 25:10). Therefore, the term "Netzer (branch) of Jesse, is a term of humility made into a term of greatness by the coming of

The Cross and The Flame
First United Methodist Church
Steve Barrett, pastor

As I prepare for four days of hiking and camping in the Cimmaron Wilderness of New Mexico, I reflect on the wilderness motif in the Scriptures. Mark tells us: "And the Spirit immediately drove Jesus out into the wilderness. He was in the wilderness forty days, tempted by Satan; and he was with the wild beasts; and the angels waited on him" (1:12-13). Jesus knew who he was. At his baptism the heavens had opened and God said: "You are my beloved son; with you I am well-pleased" (1:11). But it is one thing to be told who you are; it is another thing to become who you are. Before he could begin his ministry, Jesus had to be "driven" into the wild.

The wilderness is a dangerous, inhospitable, nery place. Its resources are limited and given begrudgingly. The wilderness sojourner is tempted to return to the safety of the city. The Children of Israel complained about the wilderness' provisions, longed to return to the good old days of Egyptian slavery, and they doubted that

they would ever reach the promised land.

You and I would like to take up permanent residence in the promised land of milk and honey and delightful ease. But God drives us out into the wilderness of adolescence, parenting, teaching, marriage, aloneness, growing older, serving others, illness, and death. Sometimes we wonder if we have the resources we need to face the wilderness.

Jesus and the children of Israel are our examples to learn from. Like Jesus we allow ourselves to be driven into the wilderness, relinquishing control of who we want to be, boldly believing in God. The children of Israel were not so bold, but they also discovered that God was faithful. And you also know that there are flowers to be picked in the desert, there is joy felt in aching muscles, and there is a beautiful horizon to never take your eyes off!

ASCS Staff Meets With Presidential Counsellor

Clayton Yeutter, Counsellor to the President for Domestic Policy, met with local employees of the Agricultural Stabilization and Conservation Service and Agriculture leaders from across Texas. Mr. Yeutter coordinates all domestic policy activities for the President through the operations of a new Policy Coordinating Group (PCG). The PCG is the domestic equivalent of the National Security Council.

Prior to coming to the PCG, Yeutter served as Secretary of Agriculture. While at Agriculture he was actively involved in farm legislation and in negotiations to open export markets for American farm products throughout the world.

Secretary Yeutter met with the group at the Texas State Conference of the Agricultural Stabilization and Conservation Service recently held in Lubbock. The training conference was designed to train local employees in program administration and to improve the effectiveness of the farmer-elected County Committee System.

Jerry D. Harris, Chairman of the Texas State ASC Committee,

stated that Clayton Yeutter has consistently worked to expand the role of U.S. Agriculture in the world. Domestic policy involves agriculture in every way. Secretary Yeutter's visit with ASCS committees and employees demonstrates the place farm programs have in our domestic policy.

The Agricultural Stabilization and Conservation Service is the United States Department of Agriculture agency that administers farm programs passed by Congress. This includes programs that effect many local farmers and ranchers.

Chairman Harris noted that this meeting brought together local agriculture leaders and Administration policymakers for training and evaluation of the effectiveness of current programs. The conference helped find ways to improve the service provided through policy decisions and improve the knowledge of ASCS employees.

Weinert Homecoming Quilt On Display At Schoolmarm Antiques

Donations are still being accepted for the beautiful quilt to be awarded to some lucky person at the Weinert Homecoming this Saturday.

The blue and white hand-quilted cover and matching shams were lovingly made by the women of Weinert. Much of the blue fabric was donated by Weinert residents, so the quilt has an extra significance for those with Weinert ties.

The quilt may be seen at Schoolmarm Antiques in Munday, where it is currently on display. Donations are being accepted here or from many Weinert residents.
