FARMERS TO VOTE ON COTTON REFERENDUM

Prizes Are Awarded On Decorations for Christmas

The Hat Shop, Baker McCarty Awarded First Prizes

The Christmas scene at the Hat Shop, which far exceeds any other decoration in artistic beauty, was awarded first prize in artistic division of Munday's Christmas decoration contest. Campbell's variety store was awarded second prize.

The first prize in the merchandise division went to Baker-McCarty, while second prize went to Eiland's Drug Store.

The Hat Shop's window this year features a small mountain village and a choir inside the village church singing Christmas carols. Although telling a different story than last year's Christmas scene, the display even exceeds last year's in splendor and beauty.

In the foreground are tiny village homes, while a winding road leads across the mountain stream to the beautiful church, and a horse-drawn cart with driver is crossing the bridge on the way to church. At night the church and homes are lighted, and as the crowds view the scene Christmas carols are heard by means of a radio.

In the background is a mountain scene, with a shepherd watering his sheep at a beautiful lake. Overhead is an angel, guarding the tiny mountain village and church, and inscribed there are the words "Peace On Earth." This is a scene that has to be seen and studied to find all its beauty, and it represents lots of work upon the part of Mrs. Alexander, who made practically every item by hand.

Baker-McCarty's window, other first prize winner, is a display that exceeds all of their previous Christmas merchandise displays in beauty. With a beautiful blue as a background, the windows have Christmas merchandise very tastefully arranged, and it shows an attractive array of merchandise. The west window features men's merchandise, while the ladies' merchandise is displayed in the east window.

"Little Moguls" Down Rochester; Tie With Anson

The future Moguls, the "B" squad which has been showing much promise during the past few weeks, gave fans some thrills in two football games played here last week.

On Wednesday night, the little Moguls took the Rochester team to a trimming in a wild scoring spree. The final score was 26 to 20.

Saturday morning, they battled the Anson team to a 0 to 0 tie, making the second time recently that they have tied the Anson "B" squad.

Assembly Program To Present Safety

Mr. Conner of the Texas Highway Patrol will present a safety program at the Munday school auditorium on Friday afternoon, December 6, at one o'clock.

Safeguarding the physical safety of all who drive or ride in cars will be discussed. Mr. Conner spoke before the teachers of Knox county at a meeting recently, and school officials have asked him to speak to the entire student body and to any school patrons who wish to attend the program.

Moral safety will be presented to the group in a talk by Rev. W. R. Bryant, Presbyterian minister.

ACCEPTS POSITION AT REXALL DRUG STORE

Darrell Worley, formerly of Rochester, has accepted a position at the Rexall Drug Store. Worley worked in Rochester for five years, where he worked and attended the school.

Achievement Day Program Is Held By Hefner H.D. Club

The Hefner Home Demonstration Club had an achievement day program on Tuesday afternoon, November 26, meeting in the home of Mrs. C. E. Warren.

The club entertained Benjamin club ladies. Various contests held the interest of the group. An amateur radio program was given, featuring the voices of inexperienced announcers.

On display were handwork, and quilts, bed spreads, wool blankets, table linens, scarfs, scrapbooks, the antiques, and a collection hobby of vases, fans and slippers.

A delectable salad plate was served to Mesdames Merick McLaughlin, Louis Cartwright, Wallace Herbert, Carland Oril Patterson, J. P. Tolson, F. O. Parker, B. Duke, Jim Pulty, E. A. Darwin, J. Mitchell, J. Middlebrook, all of Benjamin. Present from Hefner were Mesdames E. J. Jones, J. E. Cure, Ben Holder, R. L. Lambeth, Roy Jones, W. M. Taylor, S. G. Hampton, J. T. Murdock, George Weber, F. M. Lambeth, M. J. Jones, S. Johnston, Gene Payne, E. D. Ingram, Dave Jetton, and C. B. Warren, hostess. Visitors were Miss Neva Van Zandt, home demonstration agent; Mrs. Elmo Cure and son of Abilene, Mrs. Talmage Cypert of Knox City and Misses Doris Lambeth and Clydene Warren.

\$3 PER CAPITA PAID TO SCHOOLS

L. A. Woods, state superintendent of public instruction, last week announced the payment of a three dollar per capita apportionment of the state available school fund.

The total amount of the payment was \$4,612,710, based on 1,537,570 scholastics. Another payment will be made in December, Woods said.

RATLIFF ENLISTS FOR AIR SERVICE

William O. Ratliff, son of Mr. and Mrs. R. L. Ratliff of Munday, left the first of this week for Lubbock, where he enlisted as a volunteer in the air division of the army. He was sent to Kelly Field, Texas, for training.

WOMEN'S COUNCIL TO MEET ON FRIDAY

The Knox County Council of the home demonstration clubs will hold an all-day meeting at Benjamin on Friday, December 6, opening at 10 a.m.

All club representatives are urged to be present for this last meeting of 1940. Important business will be taken up. Lunch will be served at the noon hour.

RETURNS FROM CROWELL

Hugh Longino, who moved with his parents to Crowell two weeks ago, has returned to Munday to attend school. He will be here during the remainder of the school year.

Revival Now In Progress At Vera Church

A revival meeting that is attracting much interest opened last Monday night at the Assembly of God church at Vera. The meeting will continue through Thursday, December 12, with services being held each evening at 7:30 o'clock.

Rev. L. F. Joyner of Jackboro is in charge of the services. Rev. Joyner is a former pastor of the Vera church, and is well known in that community. He is an evangelist of wide acquaintance, and large crowds are coming to hear him in these services.

The general public is extended a warm invitation to attend each and every service of the revival.

MOVE TO MCCAULEY

Mr. and Mrs. O. C. Prather and family moved to McCauley last week, to make their home. They had been residents of Knox County for five years, living in the Sunset community. They have moved back to Mrs. Prather's old home place.

Hundreds See Santa Claus In Parade Here Saturday

Several thousand people from every section of the county and from adjoining counties gathered in Munday last Saturday to greet Santa Claus on his official visit here to open the Christmas shopping season. The Santa Claus parade was one of the most elaborate events ever staged here.

The parade formed at the elementary school building and marched through the business section of Munday, around the square and back to the starting point. It was divided into three divisions; the first was called "Beauty," the second "Comedy" and the third "Santa Claus."

Leading the parade were Sheriff Louis Cartwright and M. G. Franklin, local chief of police, on horseback. They were followed in order by the local color guard, grand marshal of parade, commander of first division, Munday band and pep squad, ten men in costumes with banners, blue tableau wagon with six girls in China pablona costumes, the Olney band, white tableau wagon with four girls in Teuhuna costumes, and the Sunset pep squad.

The second division consisted of its commander, the Knox City band, Snow White and the seven dwarfs, three little pigs, clown and pony cart, the Weinert band, and Holly-wood on Parade, consisting of large comic heads of movie actors, and lions head representing the Munday Lions Club.

ATTEND BALL GAME

P. V. Williams, Rupert Williams, Wade Mahan, John Ed Jones, Orb Coffman and Roy Maples of Goree, H. A. Pendleton and E. H. Bauman attended the Texas A. and M. football game in Austin last Thursday. They were accompanied home by Jack Williams and Hal Pendleton, students in A. & M. who visited home folks here over the week end.

BIRTH ANNOUNCEMENT

Mr. and Mrs. E. L. Jetton of Munday are the parents of a baby boy, born Sunday morning, December 1. Both mother and little son are reported doing nicely.

HERE FROM AMARILLO

Highway Patrolman and Mrs. C. O. Layne and two daughters, Frances and Alete, of Amarillo, visited Mr. Layne's mother, Mrs. Addie Layne, here on Wednesday of last week. They gave vivid word-pictures of the ice storm that isolated Amarillo recently.

Vote! IN THE COTTON MARKETING QUOTA REFERENDUM, DEC. 7

1941 COTTON MARKETING QUOTA REFERENDUM BALLOT. Do you favor cotton marketing quotas for the 1941 crop? YES NO

Cotton producers will have the opportunity on Saturday, December 7, to decide whether cotton marketing quotas, which have been in effect during the past three years, will apply to the 1941 crop. Every producer of cotton should go to his community polling place where he will be given a ballot, like the one shown above, on which to express his opinion. It is both a privilege and a duty of each producer to cast his ballot in the referendum. Whether the referendum is really representative of the farmers' thinking depends upon the number of producers who vote on December 7.

Red Cross To Complete Drive In Few Days

Mrs. D. J. Brookreson, county roll call chairman for the American Red Cross, stated Wednesday that the drive in this county would be completed within the next ten days.

Two communities of the county have already exceeded their membership quotas for this year. They are Vera and Knox City. Other communities will report their membership in the near future.

VOLLEYBALL GAME ADDED TO MHS PROGRAM

A volleyball net has been obtained for physical education students at MHS and a court constructed just back of the high school building. Volleyball is proving to be the most popular game on the school ground at present. "This game uses all the muscles of the body, requires teamwork, and lots of headwork," Mr. L. S. Hardegree, principal of the school pointed out in explaining the popularity of this game.

Weather Report

December 4, 1940, as recorded and compiled by H. P. Hill, Munday, U. S. Co-operative Weather Observer.

Table with columns: 1940 1939, LOW, HIGH. Data for Nov 28-31, Dec 1-4.

Cotton Report

The latest report from the Department of Commerce, bureau of the census, Washington, shows that 22,743 bales of cotton were ginned in Knox County from the 1940 crop prior to November 14.

MARY ANNE MCGUIRE NAMED QUEEN OF VERA FOOTBALL SQUADMEN

Miss Mary McGuire of Vera has been elected queen of the Vera six-man football team. She was crowned in ceremonies at a game recently between Vera and Knox City.

Miss McGuire, daughter of Mr. W. F. McGuire, is a sophomore in the Vera school.

Vera Banquet Slated To Honor Football Team

Feed To Be Given On December 10th

Many citizens of the county are planning to attend the banquet at the Vera High School on Tuesday night, December 10, at which time Vera's 6-man football team will be honored.

The Vera team had a very successful season this year, losing only one game and that to the Mattson team in Haskell County. The banquet is given in appreciation of the football boys and their successful year.

Plates for the banquet will be 25 cents and an appropriate program is being arranged. The banquet will be served by the Young Matrons Club of Vera.

Citizens are cordially invited to this banquet and are asked to make their banquet reservations early so the ladies will know how many to prepare for. This is expected to be a highlight of the Vera school year.

County to Elect AAA Committeemen

Since the AAA program has a direct effect on every farmer and rancher in Knox County, great care should be taken in electing the men who will handle the program locally for the coming year, stated County Agent Walter Rice.

December 13 has been set as the date on which community meetings will be held for the purpose of electing nine community committeemen to serve Knox County for 1941. The newly elected committeemen will take office on January 1, 1941.

Funeral For Mrs. Prince Is Held Friday

Mrs. J. C. Prince, a resident of Knox County for four years, died at 2 p.m. Thursday, November 29, at her Munday home.

Born September 8, 1888, at Meddell, Oklahoma, Mrs. Prince was 62 years, 2 months and 21 days of age when death came.

Survivors included the husband and six children who are: Ira Prince of Seymour, Dewey Prince of Munday, Mrs. J. R. Hill, of San Antonio, Melba, Alvia, and Alta Prince, all of Munday. She is also survived by her father, W. P. Collins; two sisters, Mrs. May Marshall, and Mrs. Rosie Hurst, Faxon, Oklahoma; two brothers, Jessie Collins, Faxon Okla., and Russell Collins, Anadarko, Oklahoma, and three grandchildren.

Funeral services were held from the First Baptist Church in Munday at three o'clock last Friday afternoon. She was laid to rest beside her daughter, Lois Zelma Prince, who died July 11, 1940. Mahan Funeral Home was in charge of the burial services.

WHAT THE CCC IS DOING

Long ago the CCC ceased being an agency for relief, made up only of boys whose families were receiving some type of assistance, and now the main eligibility qualifications are good character, desire for employment, willingness to learn, 17 to 23 1-2 years of age.

Those boys with natural aptitudes and interest in mechanics will find plenty of opportunities in CCC camps to learn both the theory and practical sides of gasoline motors under trained instructors. There are over 43,000 units of automotive equipment in the CCC, the largest fleet of motorized equipment in the United States. Over 100,000 expert truck and tractor drivers are turned out each year, and other thousands are trained to do the most complete over-hauling and repair jobs.

Telephone line construction, building of roads and bridges, radio and signal communications, photography, first aid and many other skills of important defense value are being given attention. Over 5,000 cooks are in training all the time, and henceforth many more and better ones will be turned out.

Members of the CCC who have no dependants are now allowed to have \$22.00 of their monthly pay remain on deposit with the Finance Officer, and receive the accumulated amount upon discharge, thereby providing themselves with resources to tide them over until employment is found or to allow them to enter some business, or continue their education.

Applications for enrollment in January should be made at once with your County Welfare Worker.

The 32 million farmers in America are only 2 per cent of the world's farm population, but they have made the United States the world's greatest producer of agricultural products.

Approximately 4,042,000 bales of cotton were consumed in the United States mills from August, 1939, through January, 1940, as compared with 3,397,000 bales for the same period a year earlier.

FIRST BAPTIST CHURCH

All services at the regular hours next Sunday. We had a very profitable meeting of the officers and teachers of the Sunday School Monday night of this week. We are making a special effort to enlist every member of the church either in the regular Sunday School meeting every Sunday morning, or in the Extension Department. We feel that if you are not in one you should be in the other. So help us make it 100 pct.

We are planning for a good delegation from this church to go to Rochester next Tuesday. This meeting will begin at 10 o'clock directed by some of our best Sunday School workers. We will have more to say about it Sunday.

W. H. Albertson

Mrs. T. H. Sosebee of Weinert was a business visitor in the city Monday.

Questions And Answers Given On Soil Conservation Act For Texas

Editor's note: The following questions and answers on the Soil Conservation Act of Texas were submitted the Munday Times for publication by Walter Rice, the county agent.

1. What is the purpose of the act?
To provide for the conservation of soil and water, control and prevention of soil erosion, to preserve wild life, to control floods and protect the land and the general welfare of the people.

2. What is a district?
A government sub-division of the state, and a public body, corporate and politic, organized in accordance with the provisions of this act.

3. What branch of the state government supervises the formation of a soil conservation district?
The soil conservation board, at Temple, Texas.

4. How may a group of landowners start a district?
By presenting a petition to the State Board, asking for a hearing. The petition must be signed by at least 50 landowners in the district. The petition from Knox and Haskell Counties was submitted to the State Soil Conservation Board on July 2, 1940.

5. What does the state board do after receiving the petition?
Granting the hearing, public notice was given for an open hearing to be held. The hearing for this district was held in Benjamin on July 30, 1940.

6. Who was permitted to testify at the hearing?
Any interested party was permitted to give his opinion or testimony. The hearing in Benjamin was favorable and an election was set for December 14.

7. Who is eligible to vote in an election to create a district?
All landowners, their wives, and others holding an equitable interest in the land, who are qualified to vote in the local and state elections, and who reside in the district may vote. To vote in state elections, persons must hold poll tax receipts or exemptions.

8. Can persons owning only city property vote?
No. Those property owners who do not own or have an equitable interest in farm or ranch land in the district cannot vote.

9. What majority of votes is necessary for the election to carry?
A two-thirds majority of the landowners who vote. If a representative number of landowners do not vote in the election, it will be declared null. A majority of the landowners should vote.

10. How will the district be governed?
By a board of five directors, who are qualified landowners and who are elected by landowners. Two directors are first appointed by the State Conservation Board for a term of one year and two years. The other three directors are elected. The term of office is three years for all who are elected.

11. Does the district have the authority to levy taxes or issue any bonds?
No. A soil conservation district does not have authority to levy taxes or issue bonds.

12. Will farmers be forced to take part in a district program?
No. The program is entirely voluntary.

13. Can the program ever be made compulsory?
Another election would have to be called to vote on specific regulations, and 90 per cent of the landowners must vote favorably on the regulations, or will never get 90 per cent of Knox County farmers to agree to such a program or any other similar program.

14. What benefits may be expected to be derived from a district?
The district would be eligible for the following: 1. CCC assistance and equipment; 2. Federal Soil Conservation Service assistance and equipment; 3. WPA projects available for organized districts, 4. the Farm Security Administration loans; 5. The water facilities program; 6. The reclamation service.

15. When is the election?
December 14, 1940.

Truckers Fined For Overloading

Austin.—For the second month, overloading fines reached a new high for 1940, as the October report of the License and Weight Inspectors of the State Highway Patrol, made available to the Texas Motor Transportation Association, showed more than \$37,000 charged against truckers for violation of the 7,000 pound load limit law.

Representing over \$1,200 a day, this total includes only fines for overloading, and takes no account of cases pending, of which there are 16, nor for other violations, such as fines for improper registration, operating without permit, speeding, and others.

Sheriff Louis Cartwright of Benjamin was here Friday on official business.

Highway Week Being Observed

During Texas Highway Week the Texas highway user is being presented with a full picture of just how important highways have become in our modern life, particularly here in Texas, the biggest state in the nation. The moving drama of Texas' transformation from a raw, pioneer state to an empire of bustling commerce and busy people is being spotlighted as part of the Texas Highway Week observance, December 2 to 6. The fact that the combination of the motor vehicle and the highway has given Texas flexible mass transportation to serve her great cities and her ranches, her towns, and her industries, is being emphasized. Most Texans are more or less highway conscious today as a result of the development of the many splendid highways that have been built in all parts of the state, but it is questionable whether many fully realize how important good roads have become to each individual and to the state as a whole. It is also doubtful if many realize the great amount of construction, reconstruction, maintenance and improvement that is needed to complete our highway system to serve adequately all of the state and bring it up to modern needs and standards.

The average citizen doesn't know that of the 22,600 miles of highways under state maintenance, only a little more than half is considered modern. Recent surveys made by cooperating state and federal agencies disclose the Texas' highway system is far from complete, that, in fact, it would take an expenditure of about \$570,802,000 to bring the state system to a standard regarded as modern in the light of existing traffic demands. Based on present incomes available to the Highway Department each year, it would take 19 years to do the job that needs to be done today.

In addition, the discussion outlines what highways do mean in modern life, and their value to the average citizen, the farmer, the rancher, the manufacturer, the businessman, to the schools and the education of Texas children, particularly in the rural regions, and the great importance of the Texas highway system to the new national defense program. In reviewing all the various angles of highway benefits, it points out that highways are more than happy ways for Texas and its citizens.

Auction Sale Has Good Day

The Munday Livestock Commission Co. reports a good run of hogs and a big run of cattle for last Tuesday's sale. Some of the prices paid were:

Beef bulls, \$5.25 to \$5.75; butcher bulls, \$4.50 to \$5.25; beef cows, \$5.25 to \$5.90; butcher cows, \$4.50 to \$5; canners and cutters, \$3 to \$4.50; good fat yearlings, \$7.25 to \$8.50; common fat yearlings, \$5.50 to \$6.75; fat calves, \$7.50 to \$8.50; butcher calves, \$5.50 to \$7; Jersey calves, \$4.25 to \$5.25. Some good stock steer calves brought \$9.50, and one load of mixed steers and heifers brought \$9.25.

Over 100 consignors assigned cattle and hogs for the sale.

Buyers present were: Wichita Meat Co., and Ebner Packing Co., Wichita Falls; Vernon Meat Co., and Roscoe Jordan, Vernon; B. W. McMahon, Altus, Okla.; L. W. Brashear, Bowie; Jim Cooke and Roy Steele, Crowell; Mr. Dickey, Rule; J. A. Kinbrugh, Vera; Bill Goode, W. R. Mayo, Loyd Bradley, C. L. Patton, L. C. Vance and Joe Koenig, Goree; C. J. Williamson and J. M. Bradberry, Knox City; E. W. Hamby, Westover; R. W. Melton, Floyd Griffith and Velva Bowman, Weinert; Stanley Elkins, C. R. Elliott, Jess Motl, Grady Thornton, R. H. WELDERS NEEDED FOR U.S. DEFENSE

With 50,000 pilots expected to be trained this coming year the Physics class at Munday high school is making a special study of the relationship of physics and aviation.

Electric welding was found to be one of the chief needs of the airplane industry at this time. Students of the class discussed the oxy-acetylene method of welding and drew diagrams of the equipment used.

Mr. O. V. Milstead demonstrated the cutting of metal with the oxy-acetylene torch and the joining of steel by use of the oxy-acetylene welding outfit. The vocational opportunity of welding was pointed out to the students by Mr. Milstead. He said that welders made \$1.25 an hour and that there is at present a great demand for this type of work due to the preparation of national defense. The group of students under the direction of Mr. N. M. Wright was invited to witness a demonstration of electric-arc welding at Mr. Milstead's shop.

Mrs. Hunt of Seymour visited friends here a while last Saturday.

Charles Haynie, Jr., who is attending Hardin Simmons University in Abilene, visited home folks here during the holidays of last week.

Ernest Ameen of Mount Pleasant visited relatives here last Sunday night.

Frank Silman of Rochester visited with relatives in Munday last Sunday.

Miss Faye Marie Partridge, who is attending Hardin Simmons University at Abilene, visited her parents, Mr. and Mrs. R. C. Partridge, during the holidays.

Mrs. Deaton Green and children visited with Mrs. Green's parents, Mr. and Mrs. F. H. Newsom, in Wichita Falls the latter part of last week.

M. L. Wiggins was a visitor in Wichita Falls last Sunday. He reported Mrs. J. A. Wiggins, who underwent an operation at the Clinic Hospital in Wichita last week, to be doing nicely, although she will remain in the hospital for a week or ten days longer.

Mrs. G. R. Pruitt was returned to the Knox City hospital last week for further treatment.

Miss Leona Keel was a visitor in Wichita Falls last Thursday.

Mrs. Jimmie Silman and daughters, Lorene and Polly, and Mrs. Sied Waheed and children visited relatives in Lubbock several days last week.

Bill Ameen of Denver City is visiting in the home of his sister, Mrs. Sied Waheed, this week.

Mrs. Deaton Green spent the first of this week in Galveston visiting with her sister, Miss Tiny Newsom, who is attending the John Sealy Nursing School.

Society

Miss Holloway Is Invited To Join Honor Fraternity

An invitation to join the Delta Kappa Gamma Society, national honor fraternity in Education, has been presented to Miss Hylen Holloway, a teacher of English in the Munday High School. She will be in the Beta Chi chapter, which is in this section.

The constitution limits the active membership to one-tenth of the women teachers in a country. The membership is based further upon success in teaching, powers of leadership, unselfish professional spirit, cooperative nature, and other desirable personal qualities. Only those are invited to join the society who are recommended by persons known to some of its officers, as having qualifications above set rank.

The main purposes of the fraternity are to aid in elevating the teaching profession and in developing high ideals and professional spirit among women teachers; to form scholarships to assist members to pursue advanced courses of study; to honor those who have achieved distinction in the teaching profession; to afford to teachers engaged in different lines of work, a beneficial opportunity of acquaintance, one with another; and to aid in securing better recognition of the work of women teachers.

Mmes. Eiland and Holder Hostesses For 84 Club

Meeting in the home of Mrs. G. K. Eiland last Friday night, the Friendly 84 Club was entertained in its regular meeting. Hostesses were Mrs. Eiland and Mrs. D. E. Holder.

After some time was spent at the games, the hostesses served pie and coffee to the following: Mr. and Mrs. T. G. Bengel, Mr. and Mrs. M. F. Billingsley, Mr. and Mrs. S. E. McStay, Mr. and Mrs. J. C. Borden, Mr. and Mrs. W. R. Moore, Mr. and Mrs. Chester Bowdon, Mr. and Mrs. C. R. Elliott, Mr. and Mrs. M. H. Reeves, Mr. and Mrs. Oates Golden, Mr. and Mrs. Jim Reeves, Mr. and Mrs. E. W. Harrell, Mr. and Mrs. Aaron Edgar, Mr. and Mrs. Riley B. Harzoff, Mr. and Mrs. Leland Hannah, Mrs. J. R. Smith, Mrs. P. B. Baker, Mr. and Mrs. Holder and Mr. and Mrs. Eiland.

Mr. and Mrs. Dorsey Rogers and son, Bill, of Houston, spent the first of this week here, visiting with Mr. Rogers' parents, Mr. and Mrs. U. S. Rogers, and with other relatives and friends.

Lloyd Routon And Miss Frances Brown Wed at Okla. City

Announcement was made this week of the marriage of Lloyd Routon of Goree and Miss Frances Brown of this city. They were married in Oklahoma City on November 23. They were accompanied to Oklahoma City by Mr. and Mrs. Jimmie Bowman and were married in the home of the bride's father, E. J. Brown.

The bride is the daughter of Mrs. L. H. Brown of Munday, and Mr. Routon is the son of Mr. and Mrs. Dan Routon of Goree. The young people are well known over the county.

Mr. and Mrs. Routon will make their home near Goree, where Mr. Routon will be engaged in farming.

Woodrow Thompson, Miss Inez Vernon Wed Thursday

Woodrow B. Thompson and Miss Inez Vernon, popular young people who reside northeast of Munday, were united in marriage on Thursday morning, November 28, at nine o'clock. The wedding ceremony was performed by Rev. W. H. Albertson, Baptist pastor, in his home.

Mr. Thompson is the son of Mr. and Mrs. E. C. Thompson. Mrs. Thompson is the daughter of Mr. and Mrs. G. W. Vernon. Both families reside near Munday.

The young couple will make their home in this county.

Arthur Howard Entertain With Dinner Thursday

Mr. and Mrs. Arthur Howard entertained a number of friends and relatives with a Thanksgiving dinner on Thursday, November 28. A "help-yourself" style dinner was served to the following guests: Mr. and Mrs. W. S. Howard, Mrs. Mary eBatty, Mrs. W. J. Swain and son, Clifton; Melvin Thompson and family, Mr. and Mrs. Ewen Beatty and son, Mr. and Mrs. Douglas Smith and son, Mr. and Mrs. Marshall Gass and son, Mr. and Mrs. R. J. Senior Report

The Seniors are all very happy this week because six weeks tests are over. Some of this happiness may disappear when we get our report cards Wednesday and see our grades.

The Senior class is sponsoring a musical program Friday night, December 6, beginning at 7:30, Billy Dean, accompanied by "The Herrington Trio," will furnish plenty of entertainment for everyone. The admission for the night show will be 10c and 15c. These radio performers are from KWFT, Wichita Falls, and are very widely known for their musical ability. We are expecting a large crowd, so be here and join the fun!!

The Seventh Grade

Exams are over and we hope that everyone is ready for the third six weeks. We enjoyed the Santa Claus parade last Saturday.

Cecil Cheek broke his arm during the week end and Mildred Yost sprained an ankle. It seems that they had bad luck last week end. Starting the third six weeks everyone is present and in good spirits and we hope to stay that way.

Due to the six weeks examinations, the Sunset Glow will be smaller. As you all know our students study hard, especially the last week. We hope we all did well on our report cards, at least.

Fourth Grade

Since school, the fourth grade has 24 members. It has gained two and lost two members.

A home room library is the most recent addition to the room. It contains books and magazines which the children enjoy.

On Thanksgiving, November 28, the fourth grade had an "old time" Thanksgiving dinner. Several of the mothers came and enjoyed the feast with the children.

The fourth grade is now working on Christmas decorations for their room.

Sophomore Report

Whoopie! Say, what was that? Oh, just some of these Sophs finishing a six weeks exam test in Algebra.

All six weeks exams are over,

and everyone has promised himself to study harder for the next six weeks. But will they?

Chatterbox

It seems Earl has an advantage of being tall, dark and handsome. Edna wanted to see a certain person Thursday night at Rhineland.

Johnnie can really drive a car. Say Kid, why not take us for a ride some time?

Two certain Soph girls really put a lot of questions in the question box this week.

It seems Victor, Joe, and Harold just can't keep out of mischief. So Long!

Hefner Club Has Regular Meeting On December 3rd

The Hefner home demonstration club met Tuesday, December 3, in the home of Mrs. H. L. Lambeth, with Mrs. Geo. Weber presiding.

Roll call was answered by giving favorite recipes. Plans were made for a Christmas tree which will be December 17 at Mrs. F. M. Lambeth's home. The program and entertainment committee was appointed for the next meeting.

Cake and coffee were served to nine members.

Miss Mary Couch of Haskell visited in the home of Mr. and Mrs. L. M. Palmer last Saturday evening.

Mr. and Mrs. Noble Wright spent the Thanksgiving holidays with relatives in Denton. They were accompanied to Denton by Mrs. Wright's sister, Miss Louise Knight, who teaches at Megargel.

Mr. and Mrs. Tom Riggsby and Mrs. Wesley Russell returned to their home in Ruidosa, New Mexico last Sunday, after a few days visiting with relatives here.

Mr. and Mrs. H. B. Leathers and little daughter of Paducah visited friends here the first of this week.

Miss Dorothy Crawford visited relatives in Floydada during the holidays.

Sports

Bang! There goes the gun for the beginning of the last football game of the season... the Benjamin Mustangs versus the Truscott Bulldogs. Whoa up there, Pete, you can't go through that line like that. But look, he did; with that good blocking which is characteristic of the Mustangs. Look out, there's a Bulldog grabbing at your heels and Pete's down! Within 15 yards of the goal line. Now play it pretty, boys, and make this touchdown. Oh, something bad is the matter, the Truscott boys have the ball... and so much for that. They held it almost continually throughout the rest of the game until the last quarter, when the Mustangs seemed to wake up. Pete completed a long pass of about 20 yards to Lester who made an outstanding run and received the ball just across the goal line. Too bad, boys, you should have started that kind of playing long ago. The game came to an ending with the Bulldogs victorious.

To the Mustangs, we wish to congratulate you on your playing this year. You have not won so many games according to the scoring, but we are proud of the way you have "played the game." Never have any of you conducted yourself on the field in such a way as to deserve being reprimanded. May you have a successful career next year and continue to be the good sports that you proved yourself to be this year.

To Coach Barton, we wish to thank him for his work with the boys this year. He has won the respect and admiration of all and to his boys he is a friend as well

Selective Service Volunteers Write Home Regarding Duty, Activity

Editor's Note: The following is a letter from Knox county volunteers in the U. S. Selective Service, which was submitted The Times by the Knox County Selective Service Board for publication:

Co. "A," Reception Center
 Fort Sam Houston, Texas,
 November 26, 1940.
 Knox County Selective Service Board, Benjamin, Texas.
 Gentlemen:

We thought you might be interested in a short report of our progress since induction into the army life of Selective Service trainees.

In Dallas we were received at the station and have been under the direct direction of a non-commissioned officer practically every hour since. The first two days were decidedly the hardest as we were on our feet from the time we left Munday until 9 p.m. the next night.

The G.I. haircut is unnecessary before coming in as it is approximately ten days before a Selectee gets an army haircut. The food is better than most of us got at home and the supply is apparently unlimited. Our Thanksgiving dinner was especially fine with turkey and dressing and all the trimmings, down to pecan pumpkin pie and fruit cake. Every day or so there is a sack of good candy on the table for each man to bring back to his barracks.

New men in this Center are quartered in new barracks with about 30 sleeping cots on each floor. This is reception center for entire 8th Corps Area, and a man's stay here is limited to 5 days after his complete clothing issue. As a rule the shoes fit, otherwise there are two sizes of clothing—too big and too little. From here the men are sent to various Army Posts in the Area, but none of our contingent have gone out as yet. Incidentally our barracks are heated with a circulating warm air system.

Every recruit must have a full month's formation and rifle drill.

ham has already given us topics that we might use in writing our term letters.

Mr. Barton is also helping some of the geometry students outside of class. We regret that our sponsor and science teacher, Mr. Younger, resigned his position and left us, but we were very fortunate in getting Mr. Currey, to take his place. We intend to cooperate with him in every way possible and make his task of becoming acquainted with all of us an easy one.

In an election held Monday at noon, the following were chosen to have the best features as follows:

- Prettiest ears—Mat Hertel and Glenda Faye Rutledge.
- Prettiest nose—Cidy Williams and Glenda Faye Rutledge.
- Prettiest hands—Cidy Williams and Elaine Galloway.
- Prettiest teeth—Douglas Meinzer and Wanda Nunley.
- Prettiest hair—Pete Rutledge and Edna Earl Russel.
- Prettiest eyes—Cidy Williams and Nadene Parker.
- Prettiest lips—Cidy Williams and Edna Earl Russel.
- Nicest personality—Alonzo Cartwright and Wanda Nunley.
- Best physique—Cidy Williams and Edna Earl Russel.
- Best character—Alonzo Cartwright and Wanda Nunley.
- Best manners—Alonzo Cartwright.
- Cidy Williams and Wanda Nunley were chosen to be the most perfect boy and girl.
- Miss Cole was chosen the most popular lady teacher and Mr. Barton the most popular man teacher.

ing before being assigned to any other special or professional job. So whether a man is a pill roller or a plow shaker, he will be a trained fighting man before he gets his feet on a desk again.

We have found the officers much more patient than we expected, and drilling somewhat less rigid. However, it still isn't a sissy's business. Every day, there are instructions in 'Personal Hygiene,' 'Military Courtesy,' 'First Aid,' etc. The Post Exchange sells practically every thing a fellow needs at prices very low. There is a good picture show, and a free recreation hall where different games are played. Gambling is strictly forbidden. About the hardest thing to get used to is the going to bed at 9 p.m., and getting up at 5:45 a.m.

A new selectee ought to bring along about three days supply of clothing and toilet articles. At least one change of clothing, including a heavy pair of shoes, which are worth their weight in gold the second and third days.

Generally speaking we have a very high class bunch of men, who are in good spirits. We haven't seen but one case of homesickness, which must be a record.

This covers the high spots of the business so far and we hope it covers some of the frequent questions you must hear from prospective Selectees.

Best regards to you gentlemen and best wishes to the home boys who will follow us in the later calls.

Sincerely yours,
 (Sig)

Moguls Lick Rule Bobcats In Closing Game of Season

Munday's strong Moguls soundly beat Rule's Bobcats, 22 to 7, in Rule last Thursday. The superiority of the well-coached and smart Moguls was never questioned or in doubt.

Munday scored every time the Moguls got the ball in the first half, and they did not punt a single time. Red Stevens, the Mogul field general, mixed his plays up well, sent powerful smashes into the middle of the line, strong reverses outside of either tackle, and then passed over the secondary.

Munday used only 8 plays to score the first touchdown. Mixed in was a beautiful bullet pass, Moore to Morrow, for 28 yards. Then big Joe McGraw on a reverse to the right ran 22 yards to cross the goal line standing up. A few minutes later Stevens ran the same play to the left for another touchdown. Red kicked the extra points, sending the oval squarely between the uprights.

In the second quarter Munday scored her third touchdown. A long pass, Moore to Patterson, put the ball on the 12-yard line and another pass on fourth down, Moore to Morrow, into the end zone brought the score.

Munday only tried 32 plays during the afternoon, but gained 241 yards on the Bobcats, which is a fair offense in anyone's ball game. Rule tried 61 plays, making 43 yards rushing and 142 passing. The Bobcat tried 25 passes, and the Moguls, holding a 3-touchdown lead, were content to play it safe and let Rule make short yardage.

The Moguls tried 161 yards on running plays and 80 yards on passes. Red Stevens downed a Bobcat passer in the end zone to give Munday a safety and two more points.

The Mogul-Bobcat game saw such stars as Troy Denham, Red Stevens, Joe Morrow, Lee Patterson and A. B. Kitchens bow out of the high school gridiron picture with a glamorous career. The boys will be gone next year, but their deeds on the football field will live on and inspire the younger boys who will take their places to greater accomplishments.

McGraw carried the ball 10 times for 92 yards, an average of 9.2 yards per try. Red Stevens carried 7 times for 53 yards for an

average of 6.7 yards. Munday's lineup: Patterson and Morrow, ends; Denham and Kitchens, guards; Tidwell and Cure, tackles; Stevens, center; Red Stevens and McGraw, halfbacks; Moore, quarter and Carden, fullback.

STUDENTS EXPLORE HEATING SYSTEM

Fourth grade students under the direction of Mrs. N. M. Wright were shown through the heating system of the Munday Elementary School by Mr. Gray, in charge of building and ground maintenance for the local schools.

The proper temperature of a home was discussed by the class and a study of different types of heating systems has been carried on. Each room of the Munday school system is provided with a thermometer and the fourth grade students are learning to read a thermometer in order to keep their school room and homes at the best temperature for healthful living.

We are glad to be back in school

after the Thanksgiving holidays. Everyone reports a good time with plenty of reasons for having been thankful. Just before the holidays we tried to show the true Thanksgiving spirit by helping the Girl Scouts fill a basket with food for someone not so fortunate as we are.

Robert Lee Mathers of Hereford Texas, is visiting us this week. He says that the first grade at Westway School is planning to build a house like ours soon.

Everyone enjoyed the Santa parade Saturday. We are writing our letters to Santa, and beginning our plans for decorations for our room this month.

We are beginning work on a play for the Christmas assembly program, and are all eager to be a brownie, fairy or gnome, with

greatest enthusiasm to get the role of Old St. Nick.

Sixth Grade

The sixth grade is happy to welcome Mary Tom Kirk as a new pupil. They now boast a room of 42 pupils. One of the honor roll students, Patricia Walton, has moved to Haskell. Carl Franklin, who has been absent for some time, has returned to school. It makes us feel like one big happy family. Just think of the fun we will have when our Christmas tree gets here.

The question that confronts us now is, what will we let Santa Claus to bring Tiny Tim Goldfish?

Room 4B

Room mothers of 4B entertained the pupils with a party Wednesday afternoon at 3.

After games were played, lovely refreshments of apples, cookies, and candy were served by Mmes. Waheed, Williams, Molyette and Kinsey.

Three new pupils have enrolled in 4B. They are: Joy Guffey from O'Brien; Floyd Chaney from Frost; and R. L. Hicks, Jr., from Lubbock.

Several students in 4B spent Thanksgiving out of town. Among them were: Donald Waheed, who went to Lubbock; Clifford Killian, who went to Weinert; Bobby Joe Fitzgerald, who went to Knox City; Ruby Joyce Wallace and Joe Guffey who went to Rochester.

Charlotte Anne Williams celebrated Thanksgiving by seeing the Moguls beat Rule.

Alfred Hendrix, Larry Kinsey and R. L. Kirk are out of school because of illness.

Third Grade

The third grade enjoyed the Thanksgiving holidays very much. Some of us visited out of town and some of us stayed at home and ate turkey.

Most of us saw the Santa Claus parade Saturday. We were happy to see jolly old St. Nicholas and we are looking forward to his return Christmas Eve night.

The pupils of the third grade are working on a Christmas unit. In health each row in our room has a Christmas tree with a sock on it. Each morning we have inspection. If everyone is clean on the row—that row gets a gift pasted on their tree—but if anyone forgets to obey all our health rules his row gets a hole punched in its sock. We are going to see which row can have the most gifts on its tree by Christmas. We are enjoying our Christmas work very much.

Music News

Due to the coming Christmas season, the Munday Public School Music classes have started singing and learning songs pertaining to this time. Also this department is proud that the departmental grades including the fourth grade have learned the difference between a major and minor third. This knowledge better enables them to know the mode of a song and also to read it with intelligence. A quartet of fourth grade students is about to be organized, but nothing definite has been decided.

5B News

Thirteen weeks have gone by and room 5B still has nine of its members with perfect attendance records. Following is a list: H. C. Claborn, Glen Denham, Lloyd Haynie, Roland Williams, Marquietta Fitzgerald, Ruby Dell Franklin, Peggy Smith, Gloria Strickland, Berniece Stubblefield.

Gilbert Chaney, from Frost, Texas, entered our class last week and we extend him every courtesy in making him feel at home. Santa Claus is not far away, so they say, and soon we'll have our tree up and decorated to join many others in saying Merry Christmas.

Second Grade News

The Thanksgiving holidays were greatly enjoyed by most of the girls and boys. Quite a few of the children went for visits. Joan Green visited her grandmother in Wichita Falls. Alfred Guinn visited his sister in Seymour. Marguerite Hammett went to Weinert. Ina Mae Jones went to Olney. Betty Conwell went to Wichita Falls on Saturday. Kenneth Stubblefield went to Benjamin in his new V-8.

Alvin Franklin rode a horse in the Christmas parade Saturday. Joyce Yarbrough got a ride in the wagon with Santa Claus.

The Second Grade will learn to write letters this week. Of course, the general idea is to let Santa Claus know what each one wants. We hope to write nice letters.

Hamlin Player Is Questioned

Hill Likely Won't Be In Bi-District Game

The case of Tommy Hill, Hamlin backfield man whose eligibility was questioned by Munday in October, has been presented to R. J. Kidd, interscholastic league head at Austin, who stated evidence submitted indicated Hill to be ineligible.

Supt. S. V. Colley presented letters and telegrams from junior high schools in Fort Worth, stating that Hill participated in basketball in these schools. It was upon this evidence that Kidd based his opinion.

Hill is not likely to be in the lineup when Hamlin plays Chilli-cothe Friday night for bi-district championship.

Kidd said he had been advised that evidence submitted indicated Hill to be ineligible. He was reported to have cautioned Hamlin not to use him unless certain he is eligible.

Changes Made In Payroll For CCC

Changes have been announced in regard to the pay of all members of the CCC. Beginning January 1st the amount sent home monthly will be reduced from \$22.00 to fifteen dollars. \$7.00 will be placed aside for the boy, to be given him upon discharge. \$8.00 will be paid to him in cash at camp, as heretofore.

Training is being intensified in building operations, and repairing bridges, roads, telephone lines etc. so that the youths may become competent repair men and fit into the general defense program.

Healthful outdoor work and the good food use is reflected in the physical improvement of members of the Corps. The average gain in weight is ten pounds in the first two months. With doctors and dentists available in all camps, every boy is assured of first class attention. When a serious illness develops, he is sent to one of the Army Hospitals for treatment and care. Operations may be performed only with the consent of parents or guardians. Alertness and health go hand in hand and CCC has an outstanding record of returning boys to their homes better citizens who are confident and able to cope with problems that must be solved in everyday life.

Mrs. C. P. Baker and sons, Kenneth and Charles, and Mrs. Joe Bailey King were visitors in Abilene last Thursday.

County Treasurer Bob Burton of Benjamin was a business visitor in the city Wednesday. While here he availed himself of the bargain rate and shoved his Times date up another year.

Fire Prevention Measures Listed

Austin.—Careless fires caused by an increase of fire hazards about the home during the winter season are more numerous than other times of the year, Marvin Hall, state fire insurance commissioner, said today as he warned home owners to exercise great care in the installation and use of the various types of heating stoves.

The Commissioner listed the common heating stove as one of the leading causes of fires in Texas over a long period of years, and called attention to the fact that during the past 10 years the average annual property loss has been approximately one-half million dollars.

The most important fire prevention measures to be adhered to in the installation of stoves and pipes are:

1. Some protection should be provided in the form of asbestos board, sheet iron or tin guard walls.
2. The floor beneath the stove should be protected with metal at least 12 inches on each side.
3. All smokepipes should connect directly into a chimney. They should not pass through walls and partitions. Where they do, the pipes should be separated from the wall by means of a special kind of metal box called a "thimble," and it should be made of galvanized iron, double-walled and ventilated.
4. Smokepipes should not be permitted to pass through floors, closets or other concealed spaces. Where this faulty construction exists and cannot be altered, the pipe should be surrounded by a ventilated thimble with a radial thickness of at least three inches. It must extend through the floor and should project about one foot above its upper surface.
5. Stoves should be protected with screen guards to prevent children from getting too close.
6. Clothing should never be hung on or near stoves to dry.
7. Always dispose of ashes in a metal can, never in a wooden box or barrel.

Argentine wheat production isn't constant, but over a period of years the total yield does not equal that in Kansas and North Dakota.

Joe Cade and son of Gilliland were business visitors in town Saturday.

Mrs. McGuire of the Vera community was a business visitor in the city Monday.

TO FATHER'S BEDSIDE

B. L. Blacklock left Wednesday night for Raymondville, Texas, upon receipt of a message that his father, J. D. Blacklock, was dangerously ill. He was accompanied by his brother, Carroll Blacklock of Littlefield, who came by for him Wednesday night. The elder Mr. Blacklock is well known here, having visited his son on numerous occasions.

Mrs. D. J. Brookreson, Mrs. Herbert Sams and Mrs. Lewis Williams of Benjamin were business visitors here Wednesday.

Mr. and Mrs. Wallace Moorhouse of Benjamin were in town last Saturday.

County Clerk M. T. Chamberlain and family of Benjamin were business visitors here Saturday.
