MUNDAY PEOPLE TO TAKE BOOSTER TRIP

Knox Girl Burns to Death in Fire That Destroys Home

Miss Daisy Mae Hutchinson, 14, only daughter of Mr. and Mrs. Bill Hutchinson, prominent Knox county farm family, was burned to death in a fire which destroyed the family home, four miles north of Knox City last Friday afternoon at 5:30 o'clock.

County and other officials joined in the investigation of the cause of the flames which took the life of Miss Hutchinson, who was a popular student in the Sunset Consolidated High School. No definite clue was available, although the theory has been advanced that a stove exploded and caused the fire.

Mr. and Mrs. Hutchinson were in the field when they discovered the home enveloped in flames. The girl had just returned from school. They rushed to the house, and while removing a tractor and other things away from the flames, discovered the daughter about 15 steps from the back door. Her clothing was burned to a crisp and burns almost completely covered her body. She was dead when her parents arrived at the scene.

Members of the Knox City fire department went to the scene, and the booster pump was used in a vain effort to save the building. The garage was also destroyed, as well as the home and all household belongings.

Funeral arrangements for Miss Hutchinson were in charge of the Warren Funeral Home of Knox City.

County Schools Are Inspected

Anthony Hunt Visits Schools Of County

Deputy State Supt. Anthony Hunt of Childress finished checking the schools of Knox county for state salary aid last week.

The county school will be allowed around \$14,000 in salary aid, Merick McLaughery, county superintendent, said. In addition, the schools will receive tuition and transportation aid.

"Twenty-five per cent less salary aid is required this year," McLaughery said, "due to the consolidation of schools. The schools employ six less teachers; there is some loss in scholastics and school tax collections were better than last year."

The county will receive 50 cents more per capita in scholastics money this year, it was announced. The amount was \$22 per capita last year, and will be \$22.50 this year.

Three Youths Leave Tuesday For Training

Knox county's quota of draftees was filled by volunteers, and several volunteers remain on the waiting list for call into the selective service training camps.

Three of Knox county's young men were accepted for training and left Tuesday morning for Dallas, where they will be assigned to training camps.

The county's first young men to be inducted into service are Bonner Z. Baker, Knox City; Leonard R. Cerveny, Munday, and Stanley B. Bridges, Goree, each of whom are volunteers.

They left early Tuesday morning, and were to leave Seymour at 4:50 Tuesday. They were served breakfast in Munday before departing and were taken on to Seymour by H. A. Pendleton and Mr. Cerveny.

Several Munday people were present at the early morning hour to see the young men leave.

Four County Surplus Stamp Plan Probable

County Officials And Merchants To Meet Here Monday

A plan whereby Knox county will participate in the food stamp plan, sponsored by the U. S. Department of Agriculture, is being worked out between county officials and merchants of Knox, Baylor, Haskell and Throckmorton counties.

A meeting will be held at the school gymnasium in Munday next Monday night to further discuss the plan. County judges and commissioners, as well as merchants of the four counties will be in attendance, and local Chamber of Commerce officials urge every business man in Munday to attend the meeting.

An effort is being made to group counties whose populations, and relief families, are not large enough to merit setting up the plan in each county. Such a four-county district would be served by one district office.

The plan is of particular advantage to merchants, in that the stamps would be issued instead of groceries and other surplus commodities. The stamps are used as money, and merchants would sell these products instead of having these products brought into each county from the Fort Worth commodities office.

Knox county has hauled more than 50,000 pounds of groceries into the county area since November 1st, County Judge E. L. Covey said. Through the stamp plan these groceries would be purchased locally, and the stamps are redeemable by the government at actual value.

Road Machines Received Here For County Road Work

Two new maintainers which were recently purchased for Knox county arrived this week, and are ready to be put to work on the county roads.

The addition of this machinery gives Knox county the most complete road equipment of any county in this section, according to Judge E. L. Covey.

One of the maintainers will be placed in the Munday precinct, and the other will be used in the Truscott and Gilliland sections.

SERVICE OFFICER HERE

J. T. Gray of Abilene, state service officer of American Legion, was here last Monday, helping local ex-service men with their compensation and disability claims.

BIRTH ANNOUNCEMENT

Mr. and Mrs. J. A. Dodson are the parents of a baby boy, born Tuesday morning at the Knox county hospital. Mother and son are reported doing nicely.

ATTEND CONFERENCE

Mr. and Mrs. J. A. Caughran spent the latter part of last week in Pampa where they attended the annual Northwest Texas Methodist conference. Mr. Caughran was an official delegate from the Munday Methodist church.

Moguls Play Albany's Lions Friday Night

Last Home Game For Munday Moguls

The Munday Moguls, said to be outweighed 8 pounds to the man, Friday night take on a big Albany Lions team that's burning for revenge of the 20-0 defeat handed them by last year's Moguls. The game will be played on Scruggs Field at Munday.

According to those who witnessed the game, Albany whipped Hamlin all over the field last Friday, but the lucky Hamlin bunch won the game. With 31-2 minutes to play Albany was leading in first downs 11-3 and had donated Hamlin a couple of touchdowns by fumbling. Albany also had two scoring marches of her own cut off by bad breaks.

The Moguls have been handicapped all season by four first year men in the backfield and five new men on the line. Notwithstanding the fact that the Moguls have only 3 old men from last year's team back this year, sports writers and fans rated their district champs—a fact which, according to Coaches Cooper and Hext, has done lots to hurt the green team. This high rating has caused all opposition to gun for them. Coupled with the loss of their offensive key, Forest Yancy, and bad breaks all season, the Moguls never-the-less have made a very good showing and are highly regarded by fans, sports writers and all opposition. They all know it takes some real football and luck to beat the scrapping Moguls.

The players and coaches have gone ahead without saying a word, taken the hard licks and had luck on the chin, and have accomplished so much that many people do not even realize the handicap they have been working under.

William Walton, 220-pound tackle with another year of eligibility, was lost to the squad this week. Cure, however, should fill Walton's shoes with very little trouble.

The Moguls need your help in beating Albany, a team which experts believe to be the best in the district. Let's all pull for the Moguls and give them some real backing. They deserve it!!

Rev. Longino Moved To Crowell Church

Rev. Luther Kirk, former pastor of the Highland Park Methodist church in Lubbock, received appointment as pastor of the Munday Methodist church at the Northwest Texas Conference held in Pampa over the week end.

Rev. Kirk and his family are moving to Munday this week, and will occupy the local pulpit for the first time Sunday morning. A large congregation is expected to be present to hear the pastor's first sermon.

Rev. Kirk comes here highly recommended as a preacher and pastor. He is no stranger to people of this section, having served as pastor of the Rochester church several years ago. He was transferred from Rochester to Lubbock, where he organized the Highland Park church, which is located near Texas Technological College.

After completing four years as regular pastor of the Munday church, Rev. H. A. Longino received appointment to the First Methodist church in Crowell and is moving his family there this week. Much advancement has been made by the local church since Rev. Longino has been serving as pastor, and he and his family have made many friends in Munday and Knox county who wish them every success in their new field of endeavor. Rev. Longino will also serve as director of evangelism for the Vernon district.

Appointments for the Stamford district for another year are as follows:

Rev. T. M. Johnson, district superintendent; Aspermont, Raymond Van Zandt; Avoca-Point Creek, R. I. Hart; Bomarton circuit, J. W. Hawkins; Goree, J. W. Baughman; Haskell, Kenneth Copeland; Jayton, Ollie Apple; Knox City, Wallace Rosenberg; Landers, A. V. Hendricks; Munday, R. L. Kirk; Peacock circuit, Wendel Burba; Roaring Springs, L. A. Reavis; Rochester, N. S. Daniels; Rule, Ray Lee; Sagerton, Lloyd Hamilton; Seymour, T. C. Willett; Spur, J. E. Harrell; Spur circuit, J. L. Henson; Stamford, W. Carl Clements; Vera-Benjamin, E. P. Swindall; Weinert, D. A. Ross; Westover, Ancil Lynn; missionary secretary, J. E. Harrell; director of evangelism, W. Carl Clements.

AAA Committee To Be Elected Soon

Farmers and ranchmen will hold community meetings December 13 to elect men to administer the AAA program during the coming year.

At each meeting three men will be elected to serve as community committeemen. At the same time, delegates will be elected to attend the county convention to be held the following day. Because Knox County is allowed only three communities under the AAA setup, community committeemen serve as delegates.

Delegates to the county convention will elect three committeemen to administer the program in the county. In addition, two alternate committeemen will be elected.

These committeemen should be chosen because of their administrative abilities and on them depends the success or failure of the farm program in the county; therefore farmers should take great care in getting the best men available for the positions.

EDWIN JOHNSON TAKES TRAINING COURSE IN JOHN DEERE SCHOOL

Edwin Johnson, who is employed at the Munday Hardware and Furniture Co., attended the John Deere service school in Stamford last week. At the close of the school, Johnson received a certificate upon having satisfactorily completed the course. He is employed in the John Deere service department of the Munday firm.

To Advertise Parade of Santa Claus Nov. 30th

Neighboring Towns to Welcome News of Santa's Coming

When Santa Claus comes to Munday to participate in a glorious parade in his honor on Saturday, November 30, not only will local citizens be present but many neighboring towns are cooperating.

A group of Munday citizens will go on a goodwill booster trip, advertising Santa's visit to Munday, on Wednesday of next week. Taking with them a complete sound truck, furnished through the courtesy of Broach Implement Co., and the International Harvester Co., the group will first appear in Weinert shortly after nine o'clock Wednesday morning.

Supt. S. Vidal Colley will be in charge of the goodwill trippers, and he announced this week that members of the Munday school band would accompany local citizens on the trip.

From Weinert they will go to Rule, Rochester, O'Brien, and plan to visit Knox City and Sunset during the noon hour. Other towns on their itinerary are Benjamin, Truscott, Rhineland, Vera, Gilliland and Goree. The trippers plan to be in Goree at four o'clock Wednesday afternoon.

Every local merchant is cooperating in this Santa Claus day celebration, and they will have attractive gift goods on display in their show windows and in their stores for the convenience of Christmas shoppers.

More interest is being shown in this event than any of its kind in the past, and hundreds upon hundreds of visitors will be here for the gala Santa Claus parade.

Farmers to Vote On Referendum

Date For Election Is December 7th

All farmers who grew cotton in 1940 are eligible to vote in the December 7th referendum to determine if cotton marketing quotas will remain in effect during 1941, J. W. Smith, chairman of the AAA committee, stated.

The county AAA committee will be in charge of all arrangements for voting in Knox county, and it will be carried out as in any other election. The committee will choose three local farmers to serve as the balloting committee. Each 1940 producer of cotton is entitled to one vote, whether owner, tenant or share cropper.

Mr. Smith urges all Knox county farmers to consider the quota provisions and to study the present cotton situation closely, then vote their own desires. All cotton growers should come out and vote either for or against the referendum so Congress will have a clear-cut reaction from the farmers.

If two-thirds of the voting farmers approve, cotton quotas will be in effect and will apply to all cotton growing states. Should the quota fail to be voted, there will be only a voluntary farm program for cotton growers. No loan will be made, and no parity payments will be made.

Committee Named For Presbyterian Church Building

At a congregational meeting of the First Presbyterian church last Sunday, a building committee was named, composed of W. E. Braly, Fred Broach and E. H. Bauman, who were also elected church trustees.

This committee was given authority to proceed with the proposed church building program as they see fit, so long as they do not incur a debt on the church. They were also given authority to sell the lot on which the present church stands. Plans for the church building program are gaining momentum.

Mr. Broach was also elected an elder in the church at this meeting.

Mrs. H. A. Longino Is Honored By Munday Music Club

Mrs. Helen von Baumann, Mrs. S. E. McStay, Mrs. T. G. Bengel and Mrs. John Ed Jones were joint hostesses for the Munday Music Club which met at the home of Mrs. J. R. Smith on Wednesday of last week to honor Mrs. H. A. Longino with an individual gift shower. The reception rooms were artistically decorated in bronze and red chrysanthemums.

Mrs. Orb Coffman, president, gave a tribute of appreciation to Mrs. Longino, who has been an active member of the club while in Munday. Mrs. Coffman concluded this tribute with the solo, "The House by the Side of the Road." Miss Eugenia Gentry gave two piano numbers; Mrs. C. P. Baker read several appropriate poems, and Mrs. Louise Ingram spoke of Mrs. Longino's service in the clubs of Munday and her contribution to the spiritual life of the community. Mrs. W. W. Pusey presided at the tea service.

Tea, sandwiches and cakes were served to Meses. Longino, Travis Lee, Paul Pendleton, H. A. Pendleton, Carl Jungman, C. H. Giddings, W. R. Moore, Louise Ingram, Gene Harrell, M. L. Barnard, C. P. Baker, Orb Coffman, T. G. Bengel, John Ed Jones, S. E. McStay, L. M. Palmer, P. V. Williams, J. R. Smith, Helen von Baumann, and Misses Eugenia Gentry and Fannie Isbell.

Munday Music Club Observes Annual Guest Program

Members of the Munday Music Club met last Thursday for their annual guest day program. Hostesses for the meeting was Mrs. Helen von Baumann.

Mrs. Orb Coffman directed a short business meeting, after which the following program with Mrs. Louise Ingram as director was given: Mrs. Fred Broach, Jr., gave the story of Peter Tchaikovsky's life and the story of the "Nutcracker Suite." Miss Eugenia Gentry played the four following piano selections of the suite: The March, The Dance of the Candy Fairy, The Dance of the Reed Flutes, and the Waltz of the Flowers.

Out-of-town guests were Mrs. Gene Heard of Houston, and Mrs. W. W. Pusey of Lexington, Va.

Lewis Warren And Miss Charlse Austin Marry at Vernon

Announcement was made this week of the marriage of Lewis Warren of Munday and Miss Charlse Austin of Benjamin. They were married in Vernon, Texas, on November 11.

Mrs. Warren is the daughter of Mr. and Mrs. H. J. Austin of Benjamin, and Mr. Warren is the son of Mr. and Mrs. A. B. Warren of Munday. The young people are well known over the county.

Mr. and Mrs. Warren are making their home in Munday, where Mr. Warren is employed at the Rexall Drug Store.

Bridge Club Enjoys Annual Thanksgiving Feed

Mr. and Mrs. C. P. Baker were hosts to the Monday Night Bridge Club for its annual Thanksgiving dinner last Monday night.

The tables were beautifully decorated with candles in candelabras and with yellow chrysanthemums. Attractive place cards and Thanksgiving turkey favors were placed for each guest.

Places were laid at foursome tables, and bride was enjoyed after the dinner, with high score for ladies going to Mrs. W. R. Moore, and Mr. Pendleton winning high for the gentlemen.

Present were Mr. and Mrs. W. R. Moore, Mr. and Mrs. Fred Broach, Mr. and Mrs. Grady Roberts, Mr. and Mrs. H. A. Pendleton, Mrs. A. H. Mitchell, Mr. and Mrs. Barker of Lockney, and the host and hostess.

Hugh and Harold Longino Honored By S.S. Class

A farewell party was given on Wednesday night of last week by Mrs. P. B. Baker's Sunday school class, the occasion honoring Hugh and Harold Longino.

After the games individual gifts were presented the Longino brothers by members of the class. While the gifts were being admired, refreshments were served to the honorees, David Eiland, Joe Dean Clough, Forrest Yancy, Bobby Rhose, Patsy Ruth Mitchell, Flora Belle Rathiff, Dixie Atkinson, Evelyn McGraw, Johnnie Maud Hendrix, Betty Jean Golden, Margaret Jean Womble, Flora Alice Haymes and Mrs. Baker.

Wesleyan Service Guild Meets For Bible Lesson

The Wesleyan Service Guild met at the Methodist church last Monday evening for the monthly Bible study. The group studied the 19th and 20th chapters of Matthew, with Mrs. M. B. Bounds as leader.

Mrs. Layne Womble read the 26th Psalm as the scripture lesson. The Bible lesson was very interesting and inspiring.

Members present were Mrs. Roberts, Mrs. Joe B. King, Mrs. O. H. Spann, Miss Merede Dingus, Miss Ruth Baker and Miss Slna Pearl Roberts.

Mrs. Fred Broach Is Hostess For Afternoon Party

Mrs. Fred Broach was hostess for an afternoon bridge party last Friday afternoon. High score at the games went to Mrs. Carl Jungman.

Following the games, a salad plate was served to Mesdames J. A. Wiggins, Ray Holcomb, T. G. Bengel, W. E. Braly, Carl Jungman, C. L. Mayes and Mrs. Taylor of Goree.

RAY MOORE shoots a fast one! His passes will go a long way toward winning for the Munday Moguls on Friday night of this week.

Landowners Vote December 14 On New Soil Conservation District

December 14 has been set as election date on the creation of the proposed Wichita-Brasos Soil Conservation District, including all of Knox County and approximately the north half of Haskell County. Only landowners residing in the proposed district are eligible to vote.

W. W. Rice, county agent, is in receipt of a pamphlet which may be termed the "official explanation" of the Texas Soil Conservation Act. The pamphlet was prepared by a joint committee representing the Extension Service of A. and M. College, the vocational agriculture teachers, the Bureau of Agricultural Economics, the Farm Security Administration, the Texas Forestry Service, and the Agricultural Adjustment Administration. The pamphlet is intended for use of those connected with these agencies who are called on to explain the act.

The first part of the explanation deals with: A. What a district can accomplish. B. What a district cannot accomplish. In "What A District Can Accomplish," it is stated that the law was passed by the legislature because farmers wanted it. A district, when organized, is a governmental sub-division. The supervisors, bona fide farmers or ranchmen of the district, elected by the qualified voters thereof, who are in charge of the district, can do only those things set out in the act. The question often comes up: "Can a district or the supervisors vote bonds or levy taxes?" They cannot do this, because it is not provided for in the law.

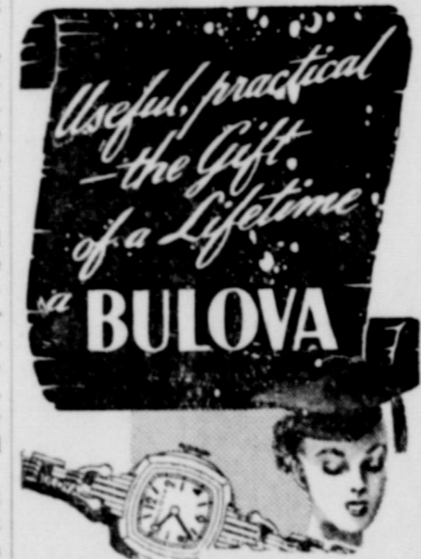

It further states that under the agreements to be made "Each interested party will thoroughly understand the contributions to be made by the other, whether it be technical assistance, labor, or materials, before an agreement is entered into. If a mutually agreed upon plan for the farm cannot be worked out, no obligations are assumed by anyone, and the matter is dropped. If there is any material or equipment that can be gotten by the district from the Department of Agriculture or any other agency, it will be controlled by the supervisors.

As to what the district cannot do, it is stated that "It cannot vote bonds or levy taxes," nor can it do the whole job for the farmer. If the farmer does not care to enter into a cooperative agreement with his district, the services of the vocational teachers and the County Agent as still available to him as they have always been; however, the services of these

agencies can be used more efficiently in cases where groups of farmers are working together. Very often farmers think they will be forced into a cooperative agreement after a district is organized. As explained above, this is not true. The land use regulations referred to in the act would only be considered after most of the district is protected by conservation practices, and then only if a particular farmer's method of farming is considered a menace or nuisance to the others. Besides this, 90 per cent of the landowners of the district would have to vote in favor of land use regulation before it could be enforced.

Under the caption, "What a Soil Conservation District Expects of the Farmers," there are a number of sub-heads. One of them states, "It will be necessary for the farmer to study the needs of soil and water conservation on his and his neighbor's farms. It will expect him to work with his neighbors in deciding on what needs to be done to conserve soil and water. If they are interested, groups of neighboring farmers may request assistance of the district in making necessary maps and surveys and in adapting the district plan to individual and groups of farms."

"What Advantages May Be Derived by Farmers From a Soil Conservation District?" Among the advantages listed under this head are: "It gives farmers a better opportunity to solve their soil and water conservation problems by (Continued on Page Five)

News From Weinert

W.S.C.S. HAS MEETING

On Monday, November 18, seven members of the Woman's Society of Christian Service met for the regular weekly service, with Mrs. H. A. Marsh at the piano, the opening hymn was sung and the business session was directed by the president.

A social will be given at the church Monday, November 25. A sing-song will be conducted and other diversion will be planned by the social committee, composed of Meses. H. R. Bettis, J. A. Bettis, Preston Weinert, H. A. Marsh, and Frank Ford.

Guests will make a quilt for the young people league. Bring your thimbles and needles. Chums will meet and compare gifts. Anyone who needs Christmas cards see the Finance Committee. Mrs. H. R. Bettis is chairman. Please see her and give her your order. You can have your name on them without extra cost and at a reasonable price. The program for the afternoon was miscellaneous; each one present gave an appropriate story or poem. Mrs. Preston Weinert gave the devotional, Mrs. G. L. Walker led in the prayer of dismissal. Those present were Meses. D. M. Baird, G. L. Walker, H. R. Bettis, J. A. Bettis, H. A. Marsh, Preston Weinert and H. Weinert.

H. Weinert attended the auction sale in Munday Tuesday.

STUDY CLUB HAS TEXAS PROGRAM

Fourteen members of the Weinert Matrons Club met in the home of Mrs. R. H. Jones on Thursday, November 14, with Mrs. G. C. Newsom hostess. Miss LaVerne Burgess, first vice president, presided for a short business meeting, in the absence of the president, Mrs. Payne Hattox, who attended the T.F.W.C., which met at the state club headquarters in Austin.

Mrs. J. V. Perrin was director of the Texas program, which was a

very interesting feature of the afternoon. She told the history of the first Americans of Texas. Mrs. Perrin wore a Navaho Indian costume, trimmed in silver twenty-five cent pieces and dimes. She told of the Indian reservation in East Texas, near Livingston.

Mrs. R. H. Jones gave the story of Texas under Mexican rule and of the Texas revolution. Mrs. Bill King told of the Texas republic and the annexation of Texas to the United States.

Mrs. Newsom, assisted by Mrs. Jones and Mrs. J. B. King, served a salad plate to Meses. J. V. Perrin, Vern Derr, Sam Bird, Jr., Bill King, P. F. Weinert, Clyde Taylor, J. B. King, T. L. Hawkins, R. H. Jones and H. Weinert. The next meeting will be in the home of Mrs. Sam Bird, Jr. Club members each will furnish a covered dish and serve a 1 o'clock luncheon, carrying out the Thanksgiving motif.

Mr. and Mrs. Clarence Chapman of Scranton, Texas, were guests of the H. Weinert family Friday night.

Mr. and Mrs. Ben Bruton and twin sons, Durwood and Elwood, were visiting Weinert friends Friday afternoon.

Miss Wanda Daken is a guest of her mother, Mrs. Dud Boone, and Mr. Boone. She will return to Houston after the Thanksgiving holidays to finish her business course.

MOTHER MRS. MONKE DIES IN OKLAHOMA

Fred Monke and Mr. and Mrs. Raymon Lisle went to Oklahoma Texas, where Mrs. Monke's mother died on Wednesday. She had a stroke of paralysis the previous week and Mrs. Monke was with her when she passed away. She was buried there Thursday. Mr. and

Mrs. C. A. Thomas, Superintendent I. J. Duff and J. W. Lisle attended the funeral services.

Son Born to Mr. and Mrs. Loe Mr. and Mrs. Rals Loe are the proud parents of a baby boy. "Little Rals" was born Thursday, November 14.

Mr. and Mrs. Ernest Griffith, Miss Pauline McBeth, Clay Griffith and Bernard Cooley attended the young people's assembly at Stamford Tuesday night.

Mr. and Mrs. Sam Bird and Janice accompanied Mrs. Bird's mother, Mrs. Georgia Bell, to Abilene, where she took the bus for Lampasas, to spend the winter with relatives.

W. T. Johnson and roommate of H.-S.U. at Abilene, were weekend guests of his parents, Mr. and Mrs. Bill Johnson.

Mr. and Mrs. Jack Rich attended church in Seymour Sunday and visited friends.

Mrs. Howard Bell of Coleman came to Weinert Tuesday, and her mother, Mrs. S. L. Coggins, returned home with her.

Mr. and Mrs. Clyde Taylor visited friends in Graham over the week end.

Mrs. H. R. Rich spent the week end in Abilene, guest of her daughter, Miss Dorine Rich of Hardin-Simmons University.

Mr. Clay Griffith attended the Methodist conference in Pampa over the week end. He spent Sunday night and Monday with his grandparents, Mr. and Mrs. E. D. Clay, in Wellington.

Mr. and Mrs. Bill Pickering visited their daughters in Menard over the week end.

Mrs. R. H. Jones and Mrs. J. W. Medley were shopping in Abilene Tuesday.

Mr. Garland Davis will join a hunting party in Abilene Wednesday for a deer hunt in the Mason country.

BAPTIST W.M.U. MEETS

The Baptist Missionary Society met at the church November 18, for a Royal Service program.

Opening hymn, "Onward Christian Soldiers," was sung, and Mrs. R. L. Foote led the prayer. Topic for the program was, "Faithful Amid Persecution—Europe," by Mrs. I. J. Duff. Others taking part on the program were Meses. R. H. Jones, R. L. Foote, J. F. Cadenhead, Garland Davis, T. L. Hawkins, Bailey Guess, G. C. Newsom. Mrs. D. Van Pel dismissed with prayer.

There were ten members present.

LOCALS

Mr. and Mrs. Luther Redwine of Port Arthur, Texas, were guests over the week end in the home of Mr. Redwine's parents, Mr. and Mrs. G. W. Redwine, and other relatives.

Guests in the home of Mrs. H. T. Dulaney of Goree this week are her sons, Harvey Dulaney and family of Tucson, Ariz., Matthew Dulaney of Douglas, Ariz., Andrew Dulaney of Cooper, Texas. Mrs. Felix Harlan also of Cooper, a daughter, and Mrs. Frank Bolander of Portland, Oregon, a niece, are also guests.

The infant daughter of Mr. and Mrs. Johnnie Tidwell of the Hefner community underwent a major operation at the Knox City hospital one day last week. She is reported to be recuperating nicely.

BIRTH ANNOUNCEMENT

Mr. and Mrs. N. C. Adams of Benjamin are the proud parents of a boy, born Wednesday, November 13. Mrs. Adams and little son are doing nicely.

Choir

Thursday, November 14, we were entertained by a choir from Hardin-Simmons. The program began at nine o'clock. The songs, sung by the choir consisted of light opera, negro spirituals, and semi-classical songs. Solos, duets, boys' quartet, girls' quartet and numbers by the choir made up the program, which was enjoyed by everyone. The Hardin-Simmons Choir was sponsored by the Junior Class.

Junior News Report

The Juniors have resolved to study harder and to learn more this six weeks. To begin the right way, we had a test in plane geometry last Friday, and a test in American history. We have been having spelling matches in English, which have proved to be very interesting. A group of American history students are meeting out-

side of class with Mr. Cunningham to learn how to study more easily and get more out of the lesson. We find that this is going to help us enjoy our history more.

Sophomores

The Sophomores are busy as bees in their school work this year. Everyone did good in their last six weeks work, and are trying to do better this six weeks. We haven't had much in entertainment but are planning to have a swell Thanksgiving party. The girls in our class taking Home Ec are making wool dresses, and our one and only boy, Jimmy Moorhouse, is doing his best trying to keep up with his world history.

Freshman News

The freshman class won the Halloween queen's race. Elaine Gallo-way was elected our queen. We haven't had any socials of any kind yet, but plan to have quite a few in the near future. We are very proud to have the largest class in high school this year, and we are all looking forward to a big year.

Sports

The Benjamin Mustangs met the Knox City Greyhounds again last Friday on the "Goathead Gridiron." The Mustangs, seemingly were not "on" for at the end of a rather exciting game the scores stood: Greyhounds 57, Mustangs 0. Too bad, Mustangs! But don't you boys mind a little thing like that. We are still behind you 100 per cent, and although you sometimes lose the game according to the scores, we like the way you play the game. Every one is anxiously awaiting the game Wednesday, with Trusecott, which will also be played on the Benjamin football

working together. It makes available to them a district program and plan that is set up, approved and supervised by local farmers. If the district requests assistance in preparing a program and plan, the U.S. Department of Agriculture, a memorandum of understanding will be entered into between the department and the district. Such a memorandum will be dependent upon the adequacy of the district program and plan and availability of funds and personnel.

Another advantage of having a district is that "It makes available to farmers types of assistance from government agencies which can be made available only through organized districts. This is a very important part to explain to the farmers. The Department of Agriculture Soil Conservation technicians cannot assist farmers except in designating work areas such as districts, camps, or demonstration projects, etc. The services that will be made available through the district by these agencies include almost every kind of technical aid, surveys, maps, etc., that may be needed.

On the material side, it sets out what may be done by the SCS and CCC camps, the Water Facilities program, the Land Utilization program, Farm Forestry program. WPA projects sponsored by Soil Conservation districts, loans to districts of available material, etc.

One of the matters which seems new to most of our farmers is the fact that "The Emergency Relief Appropriation Act of 1939 under section 1 (B) (3) provides for the sponsorship of WPA projects by Soil Conservation districts where there is need and it is advisable to establish such."

During the past year, 36 Soil Conservation Districts have been created in Texas involving more than 44 million acres. Elections will be held on December 14 for the creation of 21 additional districts in Texas, including the proposed Wichita-Brazos district.

"In making a plea for closer cooperation from the farmers of this country in providing natural cover and food for birds, the American Wildlife Institute points out that the present value of insect eating birds to the nation's farmers is more than \$350,000,000 a year."—American Wildlife Institute.

With 1940 feed supplies, and with pastures improved by conservation farming, farmers could provide every person in the nation with 45 quarts more milk and cream and 81 pounds more cheese, butter, ice cream and other manufactured dairy products than each person ate in 1939.

A rich Indian bought a \$5,000 car and drove away. The next day he was back at the agency, limping and swathed in bandages, and said, "Drive shiny car; step on gas; trees, fences go by; beep fast; pretty soon see big bridge coming down road, turn out to let; bridge go by—Bang! Car gone—gimmix 'nother one."

"I saw your mistress going to a neighbor's as I crossed the road. Do you know when she will be back?"
"Yes, ma'am, she said she would be back as soon as you left."

S. W. and F. M. Hutchens of Rochester were business visitors here last Tuesday.

Freshman Report
 The Freshmen are now studying business letters in English. We are also studying checks and money orders, because we will have to know something about them in later life.
 Science seems very interesting to us since we are studying stars and planets. We learned that the sun was not a planet but a star, and if a star is young its color is whitish or blue, when it gets a little older is it yellow or red, and when it is very old it is dead (gas) and gives off no light; a light year is 6,000,000,000,000; the planet nearest the earth is Venus; the planet with conditions favorable to life is Mars; "shooting stars" are not true stars, but meteors; the brightest star is Sirius; evening stars are planets; we have an eclipse of the sun when the moon comes between the sun and the earth; we are about 93,000,000 miles from the sun, and it takes about eight light-minutes for light to come to us from the sun.

DEPUTY SUPERINTENDENT VISITS SUNSET SCHOOL

Mr. Anthony Hunt, deputy state superintendent of the State Department of Education, visited the Sunset Schools, on Wednesday of this week. Mr. Hunt was very well pleased with the type of work that was being done throughout the system. He was especially pleased with the Home Economics department, and the other vocational departments.
 Mr. Hunt and county superintendent McGaughey who accompanied him were highly elated at the financial prospects of the school for the coming year.

Expression and Music
 Mrs. Pyle from Goree is teaching expression and music in the Sunset school. At the present she has six expression pupils and four music students. She states that there would be much more interest if she had more pupils.

In Memory of Daisy Hutchinson
 The faculty and student body of Sunset School wish to express their deepest sympathy to Mr. and Mrs. Bill Hutchinson in the loss of our student and their daughter, Daisy Hutchinson. Daisy was a student loved by her classmates and her absence will leave a vacant spot that cannot be filled by any other.

Fifth Grade News
 For two weeks, we in the fifth grade have been stressing good manners at home, in the school room and out on the playground.

At lunch time when we are taking the edge off our sharp appetites, we don't forget our table manners. We remember to keep one hand in our lap and chew with our mouths closed. The names of all undainty eaters are exposed in club meeting on Friday morning.
 All these good eating habits we are trying to establish are going to be forgotten Thanksgiving Day when we go to see Grandmother and have to wait for that second table.

Senior Class News
 The Senior class of Sunset plan to start soon on rehearsals for a one act play, "The Obstinate Family." This play is a farce and is filled with thrills and laughter.
 Do you remember how you enjoyed our last play, which was given during the first six weeks of school? We promise you even more entertainment with The Obstinate Family. Be sure and watch for the date this play is to be given and start planning right now to be with us.

Freshman Report
 The Freshmen are progressing rapidly in general science; and recently had what they call their most interesting experiment, what the lack of air will do to a mouse.
 In English they are really learning things. They didn't realize just how much they didn't know about the parts of speech.
Sophomore Report
 The Sophs are looking forward

much. It seems that they had rather have holidays than school days. (Well, show us the person who doesn't!)
 The Sophs are very sorry to lose their classmate, Gaynelle Phillips, who has moved to Clovis, N. M., the past week.

Pep Squad Report
 The Sunset pep squad girls have received their three snare drums. The girls performed at the last two football games, at Truscott and at Vera. The three drummers are Jane McLeroy, Wanda Sue Partridge, and Frances Walling.
 The girls are planning to participate in the parade at Munday on November 30.

First Grade
 The first grade is studying Indians and Pilgrims. They have made an Indian tepee, and are planning on having a Thanksgiving dinner in their home room the 20 of November.

Third Grade
 Everyone in the third grade is improving in his work. They only had two on the honor roll last six weeks, but the next time. They are making a Thanksgiving poster for their room.

Seventh Grade
 The seventh grade is prospering in its school work. They are liking their subjects better. Since school started again, they have had three English programs.
 Mr. Ingram has been away, so Mrs. Ingram has been teaching in his place. During the past week they have been outlining their geography lesson, they have been studying natural resources, which they find to be very interesting.

We Wonder Why . . .
 Robert Travis wears a tie, could it be because he sits by a certain Senior girl in the study hall?
 Guy Hardin doesn't go anywhere to the Thanksgiving holidays very besides Munday? Or does he?
 Evely and Juanita Mincey are so friendly this week?
 Jeanelle Partridge has a certain seat in civics and how she could graduate as a junior!!
 Joe Waldron acts so lonesome this week?
 Loma Rae Clarke was so happy Monday morning? Was it because something that happened Sunday?
 Kenneth Myers acts so cute lately?
 Ruby was so happy last Friday!
 Polly enjoyed Sunday night so well?
 Winston Blacklock was home from Vernon Sunday for a visit with his parents, Mr. and Mrs. B. L. Blacklock.

Miss Flora Belle Sims visited with relatives in Commerce, Texas, over the week end.
 C. J. Koenig, who is employed on the north plains, spent the week end here with his parents, Mr. and Mrs. Joe Koenig.
 Miss Ilah Moody was a visitor in Wichita Falls over the week end

Knox City Rings The Bell Often To Down Benjamin

The Greyhounds of Knox City "rang the bell" seven times last Friday afternoon to down the Benjamin Mustangs 46 to 0. The 6-man game was played on the Knox City gridiron.
 The Greyhounds started scoring early in the game, and seemed to cross the zero mark easily, while at the same time held off several threats of the Mustangs.
 Benjamin's largest scoring drive came in the third period, but they bogged down near the goal line.

HERE FROM ARIZONA
 J. G. McCarty of Yuma, Arizona, came in last Friday for a visit with his brother, W. W. McCarty. The two brothers met in 1937 for the first time in over 30 years, and this is Mr. McCarty's second visit to Munday.

Mr. and Mrs. Glen Bilbrey of Artesia, New Mexico, spent the first of last week with relatives at Munday and Goree.

County Judge E. L. Covey of Benjamin was a business visitor here Monday.

Ask Yourself These Questions

- Do you remember that in 1937 we gathered our first Acala cotton in any volume?
- Do you remember that before that time we had one of the worst, if not the worst, markets for cotton of any community in this area? (Now we have one of the highest markets.)
- Do you remember that our average production was lower than some other communities in the county? (Now our average production is higher than any other community in the county.)
- Do you remember that our community average production was less than 130 pounds per acre? (It has risen to 160 pounds per acre.)

WHY? Our percentage of Acala has risen all the time and is the reason for most of these gains. These gains are large when you remember that they are averages for all.

SECRETARIAL STUDENTS LEARN NEW METHODS

By Maxine Harrison
 The Secretarial Training students of Munday high school under the direction of Mr. Howard Cobb have begun the study of the Sundstrand adding machine. These students will learn how to add, subtract, and divide and multiply with this machine . . . using both whole and fractional and decimal numbers.

HARDIN-SIMMONS STUDENTS SING HERE

A group of students from Hardin-Simmons University entertained students of the Munday school system on the morning of November 18.

The classical songs sung were: "Sweetheart Song," "Street Song," and others.

A negro spiritual, "Were You There When They Crucified My Lord," was also offered by the group.

Popular songs were not neglected. Those sung were "Blueberry Hill," and "I'll Never Smile Again." One of Stephen Foster's old favorites sung by the 40-voice choir was "O Suzannah." Mrs. Lola Gibson Deaton was director of the singers, who have just been on a week's tour of 20 West Texas towns.

HOMEMAKERS SERVE DOCTORS' LUNCHEON

The Homemaking classes under the direction of Miss Irah Moody, planned and served a dinner in the homemaking cottage to 28 doctors at the district meeting Tuesday, November 19th.

BILLINGSLEY SPEAKS TO CIVICS CLASS

A study of state and national judiciary systems is being made by students of high school Civics under the direction of Mr. L. S. Hardegree, principal of the high school. Judge Billingsley, local attorney, spoke to the group on the work-

ings of courts. Next topic to be studied by this group will be the state and national legislative bodies—their method of operation and their place in the scheme of government.

MHS SENIOR PLAY GAINS MUCH APPLAUSE

An appreciative audience saw "The Red Lamp," a two act play by Munday High School seniors Friday night. The play was directed by Miss Hylen Holloway, sponsor of the class.

All characters handled their lines with a thoroughness showing an understanding of every situation.

The play was a comedy in which the complications resulting from the use of a red lamp to signal a lover, a tramp, and a neighbor caused conflicting personalities to meet.

Allene Jungman played the part of a tyrannical old aunt who wanted to see her niece make a "money-match."

Polly Silman was the niece who wanted to marry immediately and could not wait for her lover's wealthy uncle to die. Hugh Longino played the part of Polly's brother. A tramp, and the friend of Hugh, was played by Frank Nance.

Two cases of mistaken identity heightened the humor. L. B. Patterson, the suitor, was mistaken for a gardener and thus allowed to be in the presence of his beloved. Frank Nance, as the tramp was mistaken by the aunt as the suitor and hastily rushed from the house after being "forced" to take a ring, necklace and check for \$100.

STRONG MINDS, BODIES OBJECTIVE AT M.H.S.

Mimeographed aids are being handed to each teacher on the staff of the Munday School system.

Included in the list so far have been a summary of the talks given at faculty meetings including advice on the method and use of playground work. Teachers were given specific instructions for carrying out a definite health and playground program to build strong minds and bodies for the American democracy.

Most recent of the aids given to teachers includes the code of ethics of the National Educational Association, and this sheet tells in detail of the relations of a teacher to his pupils, relations of a teacher to his profession, to his associates, information on securing a position, something about salaries and commissions.

These aids are being prepared and sent out from time to time from the office of S. Vidal Colley, superintendent of Munday Schools.

METEOR IS ADDED TO SCIENCE DISPLAY

A meteor, found in the Elm Fork of the Trinity River, has been added to the collection of scientific materials at Munday High School. So far this year students have collected and mounted for display several hundred insects of importance to crop raisers. A brown and red bat have been added as a beginning of local mammals.

SHOW CLIMATE CAUSES

Initiating a unit on World Geography the 4A class taught by Mrs. N. M. Wright is having demonstrated to them small models of the earth, sun and moon which revolves showing the cause of the seasons, phases of the moon and

day and night. Greatly influenced by climate are the different countries of the earth and study of the effect of the planetary configurations is aiding the students to understand the cause of the climate in different countries.

Following this introduction the students will study the peoples, products, trade, and culture of every country in the world. Last week Mrs. Ed Bowden told of a trip to Baltimore, Maryland; and 4A invited 4B to join them in attendance on the lecture.

AXIS PUPILS LEARN HATE; U.S., RESPECT

A poster showing the basic contrast between the learners under dictatorship and the pupils in a democracy has been received by Munday High School from J. W. Studebaker, the U.S. Commissioner of Education.

Shown in the poster is a group of students in a dictator-ruled country who are burning their text-books in a huge bonfire. In contrast is shown the students in an American school—studying their books and learning respect for their neighbors.

FIRST BAPTIST CHURCH

Sunday School Sunday morning at ten, preaching at eleven, Training Union at six-thirty in the evening and preaching at seven-thirty. There were even 200 people in Sunday School Sunday, and quite a number of our people were out on account of sickness, and visiting.

Sermon subject for Sunday morning, Fifth Columnists. The evening service will be a special Thanksgiving. We will have some special music in keeping with the occasion. There are so many things for which we here in America should be grateful. The spirit of gratitude should possess our hearts. The blessings of God are abundant.

We haven't met the new Methodist preacher at the writing of these announcements, but we are wondering if we can't work out a general co-operative Thanksgiving service for Wednesday night of next week. Something will be said about it from the various pulpits Sunday. As the school observes Thursday, and the people probably will be scattering Wednesday evening, maybe it would be better to have the service Tuesday evening. Definite announcements will be made Sunday.

CARD OF THANKS

It is with deep gratitude to all our friends and loved ones that we attempt to express our thanks to everyone for the deeds of kindness, words of sympathy, beautiful floral offerings, and every help extended us in our dark hour of sorrow, in the death of our son, father and brother, Wilson Davy.

The prayer of the family is that God will bless you all and give you such loyal friends when sorrow comes your way.

Sixth Grade Presents

Own Composition

The sixth grade composed a play, "What Book Week Means to Bob," and presented it in the assembly program Friday afternoon. Director of the play was the class teacher, Miss Kathleen Burnett.

Characters were: Bob—Lyndal Smith, Tim—Robert Purifoy; Bud—Doyle Dean Johnson; Leonard—Joseph Borden, Alice—Betty Beauchamp; Kathryn—Patsy Massey; Frances—Martha Reynolds; Sue—Betty Jane Spann.

Authors reading their own poems at the program were: Lyndal Smith and Oleta Norman. These students both wrote poems on book week. Mary Alice Beck told the story of books. The same program was given Wednesday to the Munday P.T.A.

Thanksgiving Play

To Be Presented

The second grade is making a study of the Forest Indians in connection with the Pilgrims and the first Thanksgiving. As the class has charge of the assembly program Friday they are presenting a two act play entitled, "The First Thanksgiving in Plymouth." The second grade Rhythm Band will make its first appearance of the year at the assembly. Members of the band are: Royce McGraw, leader; Garon Tidwell and James Simpson, drums; Jean Green, tambores; Burna Dean Suggs, Betty Conwell, Loyce McGraw, Joyce McGraw, and Ina Mae Jones, bells; Joyce Yarborough, Clea Joe, Trammell, Joan Williams and Patsy Beck, sticks; Billy Joe Cadwell, Juanita Brown, Mildred Lovell, Alfred Bennie Guinn, and Charles Brazzell, barooks.

Rules of politeness adopted by students of the third grade are as follows:

- We do not push our fellow-students.
- We keep quiet when someone else is talking.
- We say "Please."
- We close the door quietly.
- We say "Thank you."
- We are helpful.
- We are kind to one another.
- We use our handkerchiefs.

Grammar School Plays

Weinert in Football

The Munday grade school football team journeyed down to Weinert last Monday at noon and trimmed the Weinert grade school to the tune of 12 to 0. Jarring Dick Owens at fullback accounted for the first score, plunging off left tackle for 4 yards, early in the second quarter. In the third quarter quarterback Billy McGraw pincer center for 4 yards and the second score. Both extra points failed. Outstanding on the offense for Munday was the ball lugging of Dick Owens and Billy McGraw, while the defensive line play of L. D. Jones was something to marvel at. Time and again L. D. broke through mass interference to throw ball luggers for big losses.

It was the first game for the future Moguls but observers saw in them prospects for a good Mogul football team 3 or 4 years hence.

Following is the Munday lineup but due to no official lineup being listed we were unable to get the Weinert names:

- L.E.—Cal Dodson Lowry
- L.T.—Truman Lowrance
- L.G.—Tommy Stephens
- C.—Charles Roden
- R.G.—Charles Ray Cude
- R.T.—Doye Dean Johnson
- R.E.—Rex Voyles
- Q.B.—Billy McGraw
- L.H.—James Hogan
- R.H.—Joe Spann
- F.B.—Dick Owens

Substitutes: Lloyd Gray, John Spann, Herbert Stodghill, Merle Weaver, Roy and Troy Bookout, Brice Dolba, Kenneth Harrison, Davie Lee Morgan, Wallace and Willis Pippin, L. D. Jones, James Cadwell, Billie Joe Henslee.

Grade School Team to

Play 8th Grade Friday

Sometime Friday the grade school football team will play the 8th grade in high school on Scruggs Field. The grade school lineup will include about the same boys that played against Weinert, while the 8th grade team will include such stars as Buddy Gafford, Bobbie Haynes, Derald Gray, Gene Hendrix, and others. This game, although a great deal of rivalry exists between the teams, is being played more for practice and experience and will furnish both teams a lot of football knowledge.

Knox County To Participate In Mattress Program Again Next Year

The County Executive Committee of Cotton Mattress program met at the court house in Benjamin Tuesday Nov. 19 to make plans for participating in the Department of Agriculture's 1941 Mattress Program. The program is to be carried out jointly by the Agricultural Adjustment Administration, Surplus and Extension Service, as in 1940, according to Extension Agents Neva Van Zandt and Walter Rice.

After voting to participate in the 1941 program, the executive committee named Vera, Knox City and Munday for the three places where centers will be located. A fourth center may be set up in the Northern part of the county at a later date.

Under the new program, there will be one paid supervisor for each center. The committee named the following supervisors: Munday, Miss Myrtle Munday; Knox City, Miss Corne Hodges; Vera, Mrs. Vertie Sullins.

The 1941 mattress program will include a higher income farm group, the 1940 income having been \$500 or less plus \$50 for each member of the family in excess of four, instead of the \$400 limit as for this year. Eligible families may receive one mattress for each two persons in the family. Persons who live in town must have received at least half their income from agricultural occupations.

A charge of 65c will be made for each mattress to take care of expenses. There will be an expense account at each center which more.

School authorities invite the public to skate and vote for their favorite class. Tuesday and Saturday nights are the regular skating nights. Admission is ten cents for grade school students and fifteen cents for adults.

The senior class is in third place and the juniors in second. Last place is held by the sopho-

will be open for public inspection. Mattress application blanks are obtainable from either of the extension agent's office, AAA office and from the local supervisors. Mail or send applications to Neva Van Zandt of Walter Rice.
