Farmers Union to Discuss Building of Food Locker

A joint meeting of all Farmers Union members of the Munday and Rhineland locals will be held at the Farmers Union hall next Saturday afternoon for the purpose of discussing possibilities of building a frozen food locker plant in Munday.

Committee members are contacting prospective users of food lockers this week and asking that they sign tentative agreements for rental of a locker box.

All those who have not signed a tentative agreement and who desire to do so are asked to see some member of the committee not later than Saturday at noon. This committee will report results of their work at Saturday afternoon's meeting of the Farmers Union.

Results of this survey will determine in a large measure where the two union locals will go into the proposition, it was stated.

Members of the committee are: August Schumacher, John Albus, Frank Cerveny, Lewis Parker, Joe Koenig, L. B. Patterson, E. H. Nelson, J. C. Rice, Clay Grove, C. P. Baker, Leland Hannah and C. R. Elliott.

Vera Pastor To Serve in Army

Rev. A. W. Blaine, former pastor of the Vera Baptist Church, was appointed First Lieutenant in the Chaplains' Reserve on February 14, 1941, and was ordered to report at Infantry Replacement Center, Camp Wolters, Mineral Wells, Texas, on April 25 for one year extended active duty. On that date he reported to the Commanding Officer and was assigned to carry on the religious work in the 59th Training Battalion. He will also carry on the work in the 58th Battalion until other chaplains arrive.

The 58th and 59th Battalions comprise the 3rd Regimental Area, about 2,000 men. To date there are only four chaplains in Camp Wolters: a Presbyterian, Church of Christ, Catholic, and Baptist. There are approximately 8,000 men in the camp with several thousand more expected during the next few weeks.

Chaplain and Mrs. Blaine reside at 608 NW 5th St., Mineral Wells, Texas.

Bankers Meet To Be Held Here On June Third

W. E. Braly, president of the First National Bank in Munday, announced that the bankers of this area will hold their regular meeting in Munday on June 3. The three banks of Knox county, the First National in Munday; the Farmers State Bank, Knox City; and the First Bank of Truscott, will be hosts for this meeting.

The association, formerly known as the Tri-County Bankers Association, has grown recently until it includes the seven counties of Baylor, Haskell, Knox, Jones, Throckmorton, Young and Shackelford. Bruce Campbell of Knox City is president of the association.

Present plans are for having the meeting in the form of a picnic at the city park, with business session being held in the club house. Further plans of the meeting will be announced later.

Knox County Council To Meet on Friday

The Knox county council of home demonstration clubs will meet in Benjamin on Friday afternoon, May 2, at two o'clock. All council members are urged to be present.

The Hefner home demonstration club women will be guests at this meeting, it was stated.

Miss Willie Mae Snapka, who visited in Fort Worth, Dallas and West, Texas, the past two weeks, returned home on Tuesday of last week.

Stamford Dist. Conference To Be Held in Munday

The Munday Methodist church is making preparations for entertaining the Stamford district conference, which will be held here on Tuesday and Wednesday of next week.

Delegates from all churches over the district will be present. Rev. T. M. Johnston, district superintendent, will preside at the meetings, the first of which will be at 2:30 Tuesday afternoon. Routine business and reports of church work of the district will be heard. Inspirational messages will be delivered at the worship services, Rev. Luther Kirk, pastor, announced this week. Rev. J. L. Henson, pastor of the Spur circuit, will preach Wednesday night, and Rev. Kenneth Copeland of Haskell will preach at the 11 o'clock service Wednesday.

The public is cordially invited to attend any session of the conference, and a special invitation is extended to everyone to hear these good sermons.

Rain Postpones Softball Games

All games of the Knox county softball league were rained out last Sunday, and this caused a week's set-back in the schedule.

League officials reported this would cause the schedule to be completed a week later than had been planned, since many teams could not play mid-week games. The schedule will be followed in regular order, except all games come a week later.

Next Sunday's games are scheduled as follows: Needmore at Rhineland, Munday at Benjamin, Vera at Goree.

Utilities Co. To Sponsor Show On Next Monday

A free picture show to which the public is invited will be given here next Monday, sponsored by the West Texas Utilities Co. The show will be given at the Roxy Theatre, beginning promptly at 2:00 p.m.

The picture, entitled "Blame It On Love," is the romantic story of a young songstress who turns domestic. It is a movie packed with love interest and dramatizing the problem of a glamour girl. Learn how she solved her homemaking problems by seeing this picture.

BIRTH ANNOUNCEMENT
Mr. and Mrs. B. F. Hood of Galveston announce the birth of a son, James Furniss, who was born on Saturday morning, April 26 at a Galveston hospital. Both mother and little son are reported doing nicely. Mrs. Hood is the former Miss Hazel Dean Eiland, daughter of Mrs. Dave Eiland of Munday.

Carroll Blacklock, who has been visiting relatives in Ranger, is here for a visit with relatives and friends in Munday. Carroll expects to report back to his duties in Littlefield within a few weeks.

Moguls Will Conclude Drills Monday

Eight o'clock Monday night the 1941 Munday Moguls will play the ex-Moguls a regulation football game to wind up their spring training.

The two teams met two weeks ago and the affair ended in a scoreless tie. Some of the best boys ever to represent Munday high school will be seen in action Monday night. Both teams think they should have won the game last time they played and the action promises to be fast and furious. The Moguls are coming into the

U. S. DEFENSE BONDS AVAILABLE AT LOCAL BANK

The First National Bank in Munday has U. S. Defense Bonds—Series E available to customers of the bank, it was announced Tuesday by W. E. Braly, president.

This service is being rendered by the bank in order to make the bonds available to the public, and bank customers are asked to get details concerning the purchase of these bonds.

The U. S. Post Office and the bank are the two Munday firms having the bonds for sale, May 1st, and the defense stamps are also on sale at the post office.

Dance on Next Thurs. Benefits Iron Lung Fund

Plans are being completed here for the dance to be given on Thursday night of next week for the benefit of Knox county's iron lung fund. The dance will be held at the school auditorium, with the Howell Bros. orchestra of Knox City furnishing the music.

Committees report about \$350 still short of the \$1,500 required to purchase the lung, and the dance is expected to conclude the drive.

Hostesses for the dance are: Mmes. T. G. Bengel, H. A. Pendleton, P. V. Williams, R. D. Atkinson, H. F. Barnes, Don Ferris, Fred Broach, Sr., Pitzer Baker, C. R. Elliott, John Ed Jones, W. R. Moore, J. A. Wiggins, and W. E. Braly.

Honorary hostesses are all doctors of the county and adjoining towns.

Invitations have been sent to the younger set of square dancers from Stamford to be here. They have given exhibition dances in full dress costume to the Cowboy Reunion at Stamford.

Also a group of excellent square dancers from Throckmorton have been asked to come. This group had danced at the Fort Worth Fat Stock Show and other state shows.

These exhibitions are being planned for patrons who may wish to come and look on but who will not take part in the dance. Every effort is being made to make the affair an enjoyable one for everyone. The dance will be well sponsored, and order will be demanded of all participants, it was stated.

HAS APPENDECTOMY
J. C. Rice of Seymour, son of Mr. and Mrs. J. C. Rice of Munday, submitted to an emergency appendectomy at the Seymour hospital last Tuesday. Latest reports from the hospital are that Mr. Rice is doing nicely.

Omar Reid left last Sunday for Amarillo, where he entered the U. S. Veterans' Hospital for medical treatment. Bert Nichols, former adjutant of Lowry Post No. 44 of American Legion, is also in the Amarillo hospital for treatment.

My Home Town Speaker Goes To Wichita Falls

Allene Jungman or Polly Silman, Munday high school seniors, will represent the Munday Chamber of Commerce as home town speaker next Monday, May 5, in Wichita Falls.

According to word received from Miss Juanita Kinsey, chairman of the Wichita Falls district "My Home Towns" contest, the preliminaries will be held in the Hardin Junior College auditorium at ten o'clock that morning.

Miss Jungman has been prominent in the school during the four years of her work here. She has taken active part in dramatics and declamation.

Miss Silman has also been prominent in debate and her chorus work during the years she has been here.

They will be accompanied to Wichita Falls Monday morning by S. Vidal Colley, superintendent.

Foreman Nix Wins Place In Farm Youth Contest

FOREMAN NIX

Foreman Nix, Knox county farm boy who resides on Route one, Munday, is a winner in the National Farm Youth Foundation contest for 1940, it was announced this week by Pendleton and Stodghill, local dealers for Ford tractors and Ferguson implements.

The contest is sponsored by Ferguson-Sherman Mfg. Co., with the cooperation of Henry Ford and Edsel Ford of Ford Motor Co., and their local dealers. The aims and purposes of the foundation are to bring genuine opportunity to young men on the farm and to help them individually to realize that opportunity.

The following is a letter which Foreman received in regard to the contest:

Dear Mr. Nix:
Hearty congratulations on the splendid work that you have done. It is a real pleasure to inform you that your excellent record has won you a position with Bull-Stewart Equipment Company at \$125 per month. Your dealer, Pendleton and Stodghill, has certainly every reason to be proud of you and we know that since they helped make this opportunity possible for you, that they join us in our congratulations. The winning of this prize will be just the beginning of your successes. We are looking forward to having you in our organization.

Your training period will begin about June first. At that time Ferguson-Sherman expects to hold several training schools in different parts of the country for prize winners like yourself. You will be informed by letter from this office as soon as we have information as to when you are to go; we will give you notice as soon as possible.

Again may I express my hearty congratulations and say that I am looking forward to seeing you again and working with you.

Very truly yours,
Bull-Stewart Equipment Company,
W. E. Stewart, V-Pres.

Local Graduation Exercises May 19

Graduation exercises for the Munday High School will be held in the Munday grade school auditorium Monday, May 17, at 8:00.

Baccalaureate service for the class will be held in the school auditorium Sunday morning at 11:00 at which time Rev. Luther Kirk, will preach the class sermon. Decorations for both occasions will be done by the Junior class under the direction of Mrs. Travis Jones. The theme throughout the entire affair will be "American Patriotism" with arrangements under the direction of Miss Hylen Holloway. The auditorium will be decorated with national colors and a strong patriotism will be given by the talent exclusive from the Senior class.

The program will include a song by the class "The Star Spangled Banner"; "Pledge of Allegiance" by Hugh Longino; a song "America" by the class; a patriotic speech; a solo by Polly Silman; a valedictory address by Bonnie Jones; a trio composed by Patsy Ruth Mitchell, Audrey Nell Phillips, and Polly Silman will sing "Democracy Forever."

Presentation of the annual Lions Club trophy to the best all-round boy and best all-round girl will be made by Mr. P. V. Williams.

Scholarship awards will be presented by L. S. Hardgree, principal of the high school and diploma will be given the graduates by Supt. S. Vidal Colley, after which the class will sing "One More Song." Benediction and recessional will then conclude the program.

Iron Lung To Be Exhibited Here

Word was received Thursday that an iron lung, the type of which is to be purchased for Knox county, will be on exhibition here on Thursday of next week.

The lung will be demonstrated all day Thursday at the Broach Implement Co., in the building formerly occupied by the Stamford P.C.A. office. A representative of the manufacturers will be here for demonstrating the mechanism.

Citizens are asked to drop by and see the lung in operation. It will also be shown during the dance at the school auditorium on Thursday night.

DONATIONS TO THE IRON LUNG

The following names have been turned in to The Munday Times as contributors to the iron lung fund:

Orb Coffman	\$1.00
George Weber	1.00
A. L. Haskin	.50
A. E. Hord	.50

Graduation exercises for the Munday High School will be held in the Munday grade school auditorium Monday, May 17, at 8:00.

Baccalaureate service for the class will be held in the school auditorium Sunday morning at 11:00 at which time Rev. Luther Kirk, will preach the class sermon. Decorations for both occasions will be done by the Junior class under the direction of Mrs. Travis Jones. Presentation of the annual Lions Club trophy to the best all-round boy and best all-round girl will be made by Mr. P. V. Williams.

TWO BOYS ENLIST IN U.S. AIR CORPS

William Fuller Shannon, son of Mr. and Mrs. J. S. Shannon of Sunset, and Dan O. Billingsley, son of Mr. and Mrs. M. F. Billingsley of Munday, left Wednesday for Dallas to be inducted into service of the U.S. Army.

They were scheduled for assignment to Brooks Field for training in the ground service of the air corps.

Cecil Blanton and family of Corpus Christi spent the first of this week with relatives in Munday.

Mrs. Shannon Layne spent the week end in Haskell visiting with her son, Bob Layne.

Several Crops Are Wiped Out

3-Inch Rain Falls
Hail Reported Spotted Over the County

A hail storm which played havoc with a number of grain crops of Knox county fell last Tuesday night and was accompanied by a three-inch rain in Munday.

Several farmers reported severe damage to their wheat and other small grain as the hail seemed to be spotted, jumping to several sections of the county.

From the John Reneau farm southwest of town, the hail wiped out a strip about a mile wide, extending from this point on northwest of Munday, through the Press Phillips and Gene Michels farms. Hail was also reported east and southeast of Munday, with heavy damage being done in the vicinity of Grover Jones' place.

Only a little hail was reported at Goree, but some farms between Goree and Munday were damaged.

The southwest portion of Munday received heavier hail than other portions of the town. In this section house-tops were damaged and automobiles that had no shelter were also damaged. Many residents of this portion of town reported leaks at the homes caused by damage to the roofs of their homes.

Water ran into several business houses along main street of this city.

Hail was light at Knox City and Benjamin, although these sections reported good rains. Near Truscott, a strip a half-mile wide and five miles long was reported hailed out.

Tuesday night's rainfall brought the week's total for Munday to 4.10 inches, according to H. P. Hill, U.S. weather observer. The heavy rain put about 12 feet of water in the lake at the city park, according to reports.

Two Injured In Car Accident Sunday Night

Chancey Hobert and Don L. Ratliff, both Munday residents, received painful injuries last Sunday night when the car in which they were riding overturned near Seymour.

The two men were returning to Munday when the accident occurred. Hobert, who was driving, pulled the car off the paving in passing another car, striking soft shoulders. As the machine pulled back to the paving it went off the other side and overturned several times. The automobile was badly damaged in the accident.

Both Hobert and Ratliff received painful cuts and bruises and were taken to the Seymour hospital for treatment and observation. Both were brought home Monday, and reported to be getting along nicely.

LEGION CONVENTION TO BE AT BRYSON

The District 13 of American Legion will hold its regular convention at Bryson next Saturday and Sunday, according to an announcement received this week.

Lowry Post No. 44 of Munday is a member of this district, and it is likely that some three or more delegates from the local post will attend the convention.

Jones And Eiland to Celebrate 17th Anniversary Here June 1st

To Pay Accounts With Silver Dollars

An insurance firm which has operated under its present name for 17 years will celebrate its seventeenth anniversary here on June 1st of this year. This firm is operated under the name of Jones and Eiland, and is headed by John Ed Jones and G. R. Eiland.

Operating in this community continuously for many years, this firm assumed the present name and

ownership in 1924. This agency carefully analyzes and protects its patrons' insurance needs with correctly written contracts purchased in strong, reliable old line stock companies.

As a reminder that their celebration is soon to take place, Jones and Eiland will pay their current obligations on May 1st with silver dollars, and further plans will be made for June 1st, when the firm celebrates the completion of 17 years of service to this trade area.

and the Blue Team captained by 'oe Spann.

The game will start as soon as the Home Guard gets through drilling on the football field, provided the field has become dry enough to play.

The game will give Munday fans a chance to see what the football prospects here will be for the next several years. All boys will have at least four more years of eligibility and some will be eligible for the next six years.

JUNIOR FOOTBALL GAME THURSDAY NIGHT

The spring training for the Junior footballers of Munday grade and high school will close Thursday night with a game between the team captained by Bobby Haymes

Mann Family Gathers for Opening Campaign Rally

The Mann family gathered at Sulphur Springs for the opening rally of an illustrious member, Attorney General Gerald C. Mann, in his campaign for the United States Senate. At left is Grover Mann, Gerald's father, his mother, Gerald and Mrs. Gerald Mann. In the background are the Gerald Mann children, Lola Ann and Gerald, Jr. Inset shows the candidate shaking hands with an uncle, Steve Mann, who returned to Sulphur Springs the first time in 25 years to attend the rally.

Seventh Grade Exercises To Be Held May 16

The seventh grade exercises for the Munday Elementary School will be held in the elementary school auditorium Friday night, May 16, at 8:00 o'clock. The program will be a one-act play put on by members of the seventh grade graduating class, followed by perfect attendance awards, and the awarding of diplomas. A list of the graduates will be published at a later date.

Munday Elementary Girls Win First in Playground Ball

The elementary girls' playground ball team won first place in the county meet held at Sunset last Saturday, winning over Sunset in the finals, 14 to 7. The girls seemed determined to win the championship, displaying plenty of confidence and hustle. Ethel Mae Stone pitched two good games and was the "tired soul" at the end of the day. Betty John Beauchamp was the outstanding star in the final game, hitting a home run in the sixth inning with the bases loaded. Too much credit cannot be given Louise Gresham and Eloise Gray at catching and second base, respectively, for little stealing was done with Louise throwing to Eloise to head off numbers of runners that had reached first base. Following is the list of girls that are on the team: Louise Gresham, Ethel Mae Stone, Joan Snody, Mildred Smith, Eloise Gray, Mada Manire, Betty John Beauchamp, Lanelle Cloudis, Oleta Norman, and Betty Jane Spann.

Junior High Girls Take Second in Ball

The Munday high school junior girls came back from Sunset Saturday at noon, not satisfied, but happy to win second place in baseball at county meet.

The first game Munday played was with Vera, winning by three points. The next game, Sunset defeated Munday, giving them first, Munday second, and Vera third.

The lineup for Munday was; c, Alta Prince; p, Mildred Brown; 1b, Marjorie Howeth; 2b, Daphne Snelson; 3b, Neva Gray; 1s, Frankie Trammell; rs, Maurice Stovall; lf, Patsy Kirk; rf, Sybil Wallace, cf, Billie Hill.

The baseball team of Munday High School thanks their coach, Mrs. Travis Jones.

Good sportsmanship was shown by all the competing teams, according to Captain Brown.

Band Plays and Films Shown Make Up Program Friday

Mr. Hal Dyer, manager of the Community Gas Company for this district, furnished the students of Munday schools entertainment in assembly Friday by showing three films on a projector owned by the Seymour Lions Club.

The first film was taken of local people, showed several scenes about school, including the first grade, patrol boys, students coming out of the ward school and across to the high school, and some teachers.

Another film showed how marble was polished by hand and machinery, and was very educational. Another film made the students think seriously, as it showed life on the Isle of Guernsey before war broke out; the photographer took pictures of the torpedoing of a ship. This film helped students realize the cruelty of war.

After the pictures the band, under the direction of Mr. Martin, played three numbers they were to play at the contests in Abilene Saturday.

Lions Club Money Furnishes Several Glasses to Students

Through money made available by the Munday Lions Club while it was still existent, several Munday school students received glasses that were needed. Dr. Scott, Haskell, examined and fitted glasses for the students. Most of the students were in the ward school. Teachers gave praise to the

Army Inspects Plane Engine Model

DEARBORN, Mich.—A model of the 1,500-horsepower experimental airplane engine being built by the Ford Motor Company was inspected recently by Maj. Gen. H. H. Arnold (left), deputy chief of staff, and other high army officers during a tour of Ford de-

fense work. Gen. Arnold is shown with Henry Ford (center) near the engine model. This new supercharged Ford aircraft engine, a V-type, 12-cylinder, liquid-cooled design, is expected to deliver more power for its weight than any engine now on the market.

Lions for such benevolent work, stating this would enable some to get far more out of school, that were formerly handicapped daily in studying, reading and writing.

Little Tommy had spent his first day in school. Mother was anxious to know how he had got on. "What did you learn, dear," she asked. "Didn't learn nothin'" came the reply.

"Well, then, what did you do?" "Didn't do nothin'." A woman wanted to know how to spell "dog," she asked. "I told her. That's all."

Mrs. Smith: "Did you mail my letter, Liza? It was most important, you know." Liza: "Yes, ma'am I did."

Mrs. Smith: "Then why did you bring back the three cents I gave you for the stamp?" Liza: "I didn't have to use it, ma'am. I just slipped the letter in the box when no one was looking."

A cow must eat 100 pounds or more of grass daily to produce 20 to 25 pounds of milk.

TEXAS TECH ANNOUNCES COMMENCEMENT DATES

Lubbock—Bishop Ivan Lee Holt of Dallas will deliver the commencement address at Texas Technological College Monday evening June 2, at Tech Stadium. The baccalaureate service Sunday evening June 1, will be conducted by Dr. C. E. Hereford, pastor of the First Baptist Church in Lubbock.

Approximately 420 seniors are candidates for June graduation, according to President Clifford B. Jones.

Mr. and Mrs. Paul Pendleton and Mr. and Mrs. L. M. Palmer spent the week end in Dallas. They took Mrs. Pendleton's sister, Mrs. B. D. Hanson and her children to Dallas, and they went from there to Pittsburg, Texas.

The South Plains region of Texas is the center of Sudan grass seed production in the United States.

Forty-one states, including Texas have enacted laws permitting farmers to establish conservation districts.

Munday Senior Class To Present Play May 2nd

The senior class of Munday High School will present its annual three-act play on next Friday night, May 2, in the auditorium of the ward school at 8:15 o'clock.

The play is "Feudin' in the Hills" by James C. Parker. The action of "Feudin' in the Hills" revolves around two mountain families—the Martins and the Pruitts—who have been feuding for generations. The leading male character is that of Mr. Martin, played by J. E. Reeves. He is an old-time backwoods man, with genuine hatred for his neighbors across the valley—he is uneducated and seems to be proud of it, indeed, he is a throwback to the old days when people said, "It was good enough for my father; it's good enough for me."

Grandma Martin is also a very important character. This role gives Allene Jungman an excellent chance to show her acting ability. She furnishes the farce comedy in the play, and everything she says or does should be taken with a grain of salt. Others of the Martin clan are Mrs. Martin, played by Bonnie Jones; Edna Mae Martin, by Peggy Heath; Jed Martin, by L. B. Patterson; and Zula Martin, by Sue Stodghill.

The romantic element is supplied by Sam Pruitt who lives across the valley from his sweetheart, Edna Mae Martin. Hugh Longino portrays the character of Sam.

Other characters are: Dr. Ambercrombie, Joe Dean Clough; Myrtle Ambercrombie, Polly Silman; Dina Pruitt, Audrey Nell Phillips. You'll be amused at the circumstances surrounding the characters in this play, and the unusual ending will leave you delightfully surprised. You are, indeed, assured of an evening of entertainment when you see "Feudin' in the Hills."

Band Places in Fourth Division at Abilene

Everyone was excited and on their toes Friday—that is the ones in the band—for they were going to Abilene Saturday. They left Munday about 7:00. It rained almost all the way. They went to the Fair Park Auditorium about 10:00 o'clock to play. First they went to the "warm-up" room and practiced. After diligent practice they came to the fatal moment to compete with 15 or more bands in Class C. Next, they went to the sight-reading room and did our required march and overture of sight-reading. When sight-reading was finished, it was about lunch time;

so the band went to town. No other band activities were held until 7:00 p.m., but it had rained so much there was no marching as scheduled. The band ranked fourth division in both playing and sight-reading.

A weary and muddy bunch of Munday band members started home about 7:00.

From all information collected, the variety and jewelry stores were given a rush by hunters of souvenirs, friendship hearts for bracelets and watch chains.

Physical Ed Class Goes to Weinert

The senior physical education soft-ball club went to Weinert last Friday afternoon to help dedicate the new school building. They played the Weinert senior boys first. The club was taking a beating until the first of the ninth when the Munday club made six runs and the game ended 10-5 in Munday's favor.

The next game was with the Mattson seniors who had a fast pitcher. The game was only seven innings. All the boys did a good job of carrying out their assignments.

The Munday players were Morris Coates, Joe Dean Clough, John Broach, Joe Morrow, Forrest Yancy, Lee Patterson, Wayne Thompson, O. V. Milstead, G. C. Conwell, Sargent Lowe, J. E. Rooves, and Mr. Colley, who managed the club.

Milk Bottles Used by Munday Students to Aid Britain

Pupils of Munday Schools are dropping their pennies in bottles these days for aid to the school children of Britain who are not fortunate enough to go to school unmolested, as we are in the Americas.

Few countries of Europe are left undisturbed or can feel secure, even for a short time, under their present government.

We, as Americans, are proud of our freedom and are glad to do our bit for the comfort of those that are so perturbed in these trying times.

Money collected by the students for the nation-wide "Young America Wants to Help Britain" campaign will be sent May 2 to the state headquarters in Dallas.

The Second Grade Chirp

May Day is Good Health Day. May first is May Day. It is Good Health Day. On that day the pupils of the second grade will have a program about Good Health.

Everyone has learned the eight rules of the Health Game. All of the boys and girls are trying to observe the rules. They wish to build strong bodies. Good foods are builders. Milk, eggs and vegetables help to build healthy bodies.

Water helps to keep children healthy. Healthy children drink much water. Clean hands and clean teeth help to build healthy bodies.

Second Grade Museum

The pupils in Group One have been reading stories about rocks. They decided to start a museum for the room. The following rocks have been found and brought to school—marble, by Marquerite Hammett; quartz, by Jean Green; soft rock, by Marquerite Hammett; glass rock, by Miss Crawford.

Soon the second graders will have an interesting collection.

Story Hour

Tuesday at Story Hour time the following pupils will read stories: Bearylene Washburn, Loyce McGraw, James Simpson, and Billy Joe Cadwell.

Tuesdays and Fridays are days for stories by the pupils.

Typing Students Work

Some of the typing students are finding time to spend several periods a day in the typing room. Do you wonder why? This is the secret. They must be able to type 30 words per minute, over a period of 15 minutes and not make more than 5 errors. This is harder than you might think.

Peggy Heath and Nadine Kreitz have made 40 words per minute, but L. B. Patterson says if he ever makes 30 words he will be satisfied.

Shorthand Students Get Office Experience

For the past two weeks the secretarial training students have been working in the offices of Superintendent S. Veda, Colley, and Principals L. S. Hardegree and L. M. Palmer.

The students have been doing this to improve their shorthand speed and accuracy, which have proved to be a great success in the dictation they receive in these offices. The students also feel that the experience they receive will be of great benefit to them if they desire to take up office work as a secretary or stenographer. After a few days of experience the students believe that experience in the work they intend to do is far better than trying to secure it altogether from books.

Auxiliary Holds Regular Meeting Last Monday

The Woman's Auxiliary of the Presbyterian church met last Monday afternoon in the home of Mrs. W. R. Bryant. Mrs. Billingsley gave the devotional "Women Chosen of God—Esther."

Mrs. Don Ferris was program leader of "Why the Christian College?" Mrs. Bryant gave a report of the meeting she attended in Fort Worth.

Refreshments were served to Meses. Melvin Strickland, Don Ferris, Fred Broach, Sr., M. F. Billingsley, W. R. Bryant, Jack Mayes, and Miss Fannie Isbell.

The auxiliary meets on May 5 with Mrs. W. E. Braly for the officers training class. A covered dish luncheon will be served, and members are urged to be there by 10:30. The meeting will be over by 2 p.m. Each cause secretary has been asked to bring her calendar of work and present an outline of work for the new year.

Wesleyan Service Guild Meets At Church Monday

The Wesleyan Service Guild met in regular monthly Bible study last Monday night in the basement of the First Methodist Church. Mrs. Luther Kirk was leader of the study.

Members present were Mrs. Kirk, Mrs. M. F. Billingsley, Mrs. Joel Massey, Mrs. Jim J. Roberts, Mrs. Joe B. King, and Miss Ruth Baker.

Members are urged to be present next Monday night, at which time the business and social meeting will be held at the church.

Mr. and Mrs. Travis Lee and little daughter and Mr. and Mrs. Gene Harrell spent the week end in Wichita Falls, visiting with Mr. and Mrs. Lee's parents, Mr. and Mrs. Homer Lee and Mr. and Mrs. Mark Walker.

Mr. and Mrs. R. H. Lain and Mrs. Lois Reagan spent last Sunday in Seymour.

Doc Snelson And Mrs. Dollie Guthrie Wed on April 15th

Announcement was made last Monday of the marriage of Doc Snelson of San Antonio and Mrs. Dollie Guthrie of Munday. The couple were married in San Antonio on April 15.

Mrs. Snelson was accompanied to San Antonio by Mrs. Lillie Brown. The bride is the daughter of W. E. Tomlinson of Munday, and Mr. Snelson is the son of Mrs. J. M. Snelson of Knox City. Both are well known in Knox county.

Mr. and Mrs. Snelson will make their home in San Antonio, where Mr. Snelson is now employed.

Sunset Women's Demonstration Club Meets on April 22

The Sunset women's home demonstration club met on Tuesday afternoon, April 22, in the home of Mrs. George Offutt.

The club members gave reports of what they had done in various lines since November. After the business session, Miss Evelyn Offutt entertained the club with several beautiful selections on the piano.

The next meeting will be with Mrs. Weldon Floyd on May 13. Members are urged to bring their birthday gifts for January birthdays if they desire to join the birthday circle.

Refreshments were served to ten members and visitors.

Mr. and Mrs. Otis McClain and daughter, of Plainview, spent last week end here visiting in the home of Mr. and Mrs. Lee Haymes. Mrs. McClain is Mrs. Haymes' sister.

Music Club Has Meeting in Home of Mrs. Williams

Members of the Munday Music Club met last Thursday, with Mrs. P. V. Williams as hostess. Mrs. Joe T. Hext was director of the program.

Roll call was answered by naming a woman composer. A paper, "Woman's Struggle for Recognition in Music," was presented by Mrs. A. A. Smith, Jr. A poem, "White Cliffs," by Alice Duer Miller, was read by Mrs. C. P. Baker.

Mrs. Helen von Baumann played a beautiful piano solo, "The Butterfly," by Edward Grieg. Charlotte Ann Williams sang "Jeannie With the Light Brown Hair" by Stephen Foster, and Mrs. John Ed Jones sang "Spring is a Lady," by Lily Strickland.

Mystic Weavers Sewing Club Has Meeting Tuesday

Mrs. M. L. Barnard was hostess to members of the Mystic Weavers Sewing Club last Tuesday afternoon. After sewing and visiting was enjoyed by the members, the hostess served a salad refreshment to the following:

Mmes. H. B. Douglas, Riley B. Harrell, Chester Borden, Aaron Edgar, Chan Hughese, Chester Bowden, John Ed Jones, Carl Whitfield, a guest, and the hostess.

Mrs. J. K. Mosby of Wichita Falls spent several days here last week visiting her daughter, Mrs. Robert Green, and Mr. Green.

LOOK Magazine & Travelers Safety Service

YES, LADY, we know you were well brought up. You say "Please" and "Thank you" and use the right fork and write the nicest bread-and-butter letters. But when it comes to your conduct while driving, you most definitely could learn manners from a truck driver.

Truck drivers are good drivers. They keep on their side of the road, they don't go at fantastic speeds, they practice that fundamental rule of democracy and good breeding: Give the other fellow a break.

Which is more than can be said for many of our nicest ladies and gentlemen. A strange transformation takes place when they sit behind a steering wheel. They ignore the comfort of friends riding with them. They disdain the rights of people on foot. They yell boorishly at drivers who displace them.

Many who wouldn't touch a nickel that belonged to someone else flaunt all law and order when behind a steering wheel, with the callousness of experienced criminals.

The serious part of this curious behavior is that bad manners make bad driving, and bad driving makes accidents and death.

So mend your manners and become a good citizen even when driving. It may save your life.

CARE TODAY ★ HERE TOMORROW

The Knew Klub Has Its Regular Meeting Monday

Members of the Knew Klub met last Monday night in the home of Mr. and Mrs. Carl Jungman. High score for the evening went to Mr. and Mrs. Paul Pendleton.

A sandwich plate was served to Mr. and Mrs. Gene Harrell, Mr. and Mrs. D. E. Holder, Jr., Mr. and Mrs. L. M. Palmer, Mr. and Mrs. Paul Pendleton, Mr. and Mrs. Rupert Williams, Mr. and Mrs. Fred Broach, Jr., and the host and hostess.

Shelley Lee Circle Of Christian Service Meets on Tuesday

The Shelley Lee Circle of Christian Service of the Methodist church met Tuesday in the home of Mrs. Wade Mahan for luncheon and study. Hostesses for the meeting were Mrs. Sebern Jones, Mrs. John R. Rayburn, Mrs. Hugh Beatty, Mrs. E. B. Littlefield and Mrs. Mahan.

Mrs. Dorse Rogers, mission study leader, introduced the first lesson of the year's study, taken from Paul's Letter of the Apostles.

Other members present were Meses. Luther Kirk, D. C. Eiland, Gene Harrell, Robert Green, Travis Lee, Ike Huskinson and Howard Collins.

Mrs. A. F. Huskinson Is Honored On Her 79th Birthday

Friends and relatives of Mrs. A. F. Huskinson gathered at her home last Saturday for a surprise party honoring her on her 79th birthday. A number of beautiful and useful gifts were presented her on this occasion.

The guest list include Meses. W. A. Baker, E. C. Henry, P. V. Williams, C. L. Mayes, Ike Huskinson and son, Billy; J. J. Keel, J. A. Warren and Misses Shelley Lee and Elizabeth Mounce.

Mrs. Harpham Is Hostess to New Deal Club Recently

Mrs. J. C. Harpham was hostess to members of the New Deal Club in their regular meeting this week. High score was held by Mrs. Carl Jungman.

Refreshments were served to Meses. Ike Huskinson, Jack Mayes, Carl Jungman, Wade Mahan, Helen von Baumann, Dorse Rogers, Sebern Jones, and Mrs. Lawrence E. A. Huffman of Tyler, called for tea.

Mr. and Mrs. Art Mills of Dallas and Mr. Mills' parents, Mr. and Mrs. W. T. Mills of Kansas City, Mo., and Mrs. Anna Gesner of Denver, Colo., spent last Wednesday in the home of Mr. and Mrs. C. H. Giddings. Art Mills is a pilot with Braniff Airlines on the Dallas-Chicago run. The visitors are relatives of Mrs. Giddings.

Miss Doris Bowen returned Wednesday from a visit with her brother and his wife, Mr. and Mrs. Doyle Bowen of Mineral Wells.

METHODIST CHURCH

Luther Kirk

It has been said, "The church that lets down after Easter is pretty apt to lose the battle." Someone said "The roads were muddy and the weather was bad, therefore we didn't venture out Sunday." The strange thing about that individual was that the roads nor the weather prevented his going on week days. Folks usually do just about what they want to.

The Psalmist said, "I was glad when they said unto me, let us go into the house of the Lord."

Many papers have stressed the cost of armaments, but few have noted the frightful bill for crime, now costing the United States (so says Mr. L. W. Peabody) \$15,000,000,000 annually. The subject is not mentioned by reform groups, and is, as a rule, ignored by the press.

The crime bill has arisen from \$9,000,000,000 to the present figure since the repeal of the 18th Amendment. We join in the fight against Hitler; some protest the cost of that fight. What about a citizen's resolution against an internal foe costing more in life, health, morals and money than the Axis bill of \$7,000,000,000.00? Approximately 300,000 are sentenced by the courts of our land annually. This number could be reduced. The best way to do it is to teach people how to live. A good place to receive a part of that training is in the church. Christian friend, be loyal to God and the Church. Attend church Sunday.

Sunday School, 10 a.m.
Morning worship, 11 a.m.
Young Peoples' Service, 7 p.m.
Evening worship, 7:50 p.m.

Auxiliary To Have Bake Sale Saturday

The Women's Auxiliary of the Presbyterian church is sponsoring a bake sale next Saturday. The sale will be held at Broach Implement Company.

Nice, large cakes of all kinds will be on sale. They will be absolutely fresh, as they will not be baked until Saturday morning, and the sale begins at two o'clock Saturday afternoon.

Those wishing a cake put aside for them are requested to call Mrs. Fred Broach, Sr. Proceeds of the sale will go toward paving the street in front of the Presbyterian church.

NEARING NEW MARK

College Station.—Nearly 300,000 mattresses—292,958 to be exact—have been delivered to Texas farm families under the Department of Agriculture's cotton mattress demonstration program. Of this number, 47,977 mattresses were delivered in March, according to reports compiled by Mildred Horton, vice director and state home demonstration agent of the Extension Service, and R. T. Price, state administrative assistant for the AAA. With the cotton comfort program just getting under way, 2,784 comforts were made in Texas during March.

VISIT IN AUSTIN

Mr. and Mrs. J. S. Kendall spent several days last week in Austin, visiting with their children. They also went to San Antonio, where they attended the flower festival. Returning home last Saturday, they reported a very enjoyable trip.

Mrs. A. F. Huskinson is spending this week visiting relatives in Corsicana. John C. Spann took her to Corsicana the first of the week.

Mrs. E. A. Huffman and little son, Jerry, of Tyler is visiting in the home of Mr. and Mrs. Lawrence Kimsey this week.

Sheriff Louis Cartwright of Benjamin was in town last Tuesday on official business.

Colored School Closes Friday

The colored school of Munday closed its regular session last Friday night, and the teacher was presented with a beautiful bed lamp as a token of appreciation for her service in the school.

Mr. and Mrs. Gus Johnson were judged the most outstanding patrons and were given a lovely vase. Alta B. Colbert, P.-T.A. president, presented the awards.

Mr. and Mrs. Wellington, who left Sunday for Wichita Falls, were honored in the home of Aline Johnson. Hostesses were Alta Colbert and Katie Washington. Ice cream and cake were served as refreshments.

Farm Youths Urged to Enroll In National Farm Foundation Contest

Citing the fact that a Knox county boy, Foreman Nix, has won a place in the 1940 National Farm Youth Foundation contest, Pendleton and Stodghill, Ford tractor dealers and sponsors of the contest locally, are urging Knox county farm youth to enroll in the contest this year.

During the coming year 29 \$1,000 scholarships will be awarded throughout the United States to NFYF scholarship holders judged most proficient at the completion of the courses in farm management and engineering and practical training. In each of the nation's 29 NFYF areas a secondary award will be made, and at least one \$500 scholarship will be awarded in each major district.

Age limits have been extended in the foundation in order that a greater number of young men may have the increased opportunity for local scholarships. The age limits this year are between 17 and 26 years.

According to Harry Ferguson, foundation chairman, many cash awards will be made in each general area for proficiency in tractor operation and other classifications.

Pendleton and Stodghill are now accepting applications for scholarships in the local foundation classes, and young men interested in the contest are urged to get in touch with this firm for further information. The only rules for admission, other than the age limits, are that the young men live or work on American farms and be of good character and sincere purpose.

Foundation activities are sponsored nationally by the Ferguson-Sherman Manufacturing Corporation with the active cooperation of Henry and Edsel Ford.

Defense Bonds Committee For County Named

The county committee to carry on an educational program on the sale of U. S. defense bonds in Knox county was named recently, and the committee members met in Benjamin on Wednesday night to plan their program.

The committee, as announced by Roy Baker of Knox City, county chairman, is as follows:

Munday: S. V. Colley, J. M. Terry, J. A. Wiggins, M. F. Billingsley, Lay Haynes, Mrs. W. E. Braly, R. B. Davy and C. R. Elliott.

Benjamin: M. D. McGaughey, Chas. Moorhouse, Dr. G. H. Beavers, Tom West, L. C. Melton, Mrs. D. J. Brookreson and Mrs. W. W. Rice.

Knox City: Roy Baker, T. E. Robbins, Mrs. Ottis Cash, Mrs. Kay Frizzell, A. J. Malouf, E. O. Jamison and A. M. Whittis.

Truscott: A. S. Tarpley, George Brown and J. Lyndal Hughes.

Goree: H. D. Arnold, Ben Hunt, Sam Hampton and Orb Coffman.

Vera: R. N. Smith, H. Sullins, E. A. Beck and W. M. Ford.

Gilliland: H. T. Cook and E. A. Burgess.

LEAVE FOR MICHIGAN

Mr. and Mrs. L. O. Graham and family and Mr. and Mrs. J. B. Graham left last Saturday for Saint Jo, Michigan, where they will make their home. Before leaving, Shorty came in and had the Munday Times forwarded to his new address, saying he wanted to keep up with happenings here.

RIGHT OUT OF THE AIR

By EARLE FERRIS

CONNIE BOSWELL, pictured here, will be heard every Thursday night on the Bing Crosby hour over CBS for the entire summer.

She doesn't believe in vacations and while others may drop out occasionally so the popular Connie will keep right on singing.

Dolores Gillen, full grown dramatic actress who takes the role of five-year-old Barry on "Joyce Jordan—Girl Intern," recently received a letter from a Providence, R. I., play producer, announcing he had written a play, "Daddy's Boy," especially for the youngster. He wanted full particulars about Barry's height, weight, color of hair, parents' name, and name of his agent!

Radio Row is calling Don Voorhees, pictured here, the musical magician, because he concludes

the "Cavalcade of America" music Monday nights in one NBC studio and then is on the air a minute later from another studio eight blocks away with his program featuring James Melton and Francia White.

Raymond Gram Swing, commentator heard Mondays and Fridays at 10 p.m., e.d.s.t., over Mutual rarely ventures predictions. But

he did predict the revolt that would overthrow the Yugoslavian government a week before it happened.

Twenty-one times in five years of broadcasting—that's how often Alice Frost, star of the CBS "Big Sister" program, has been renewed.

Diminutive 13-year-old Olive Major, soloist on the Eddie Cantor program and a native of Cali-

fornia, had to come to New York to be fully appreciated by the movie people. Since returning to Manhattan with the banjo-eyed comic, Olive is being approached frequently regarding screen tests.

Abbott and Costello are expected to increase the popularity of the Charlie McCarthy show, though it is one of the top rated air shows. The comedy team is heard Sundays at 8 p.m., e.d.s.t., over the NBC-Red network.

Don't be surprised if Jack Benny, pictured here, has Kay Francis as a guest on his Sunday night pro-

gram via NBC soon. Kay has just been signed to appear opposite Jack in "Charley's Aunt," so Benny's likely to invite her over any day to "get acquainted."

Alumni Association Of Knox City Makes Plans for Reunion

The executive board of the Knox City Alumni Association met last week and perfected plans for an all-day reunion to be held in Knox City on June 1.

All alumni members will meet at the school auditorium in Knox City in the morning and attend church services in a body. Dinner will be served at noon, and a meeting of the members will be held during the afternoon.

Mrs. E. R. Carpenter, president, is to appoint committees to make all arrangements for the reunion. The executive board is composed of Mrs. Carpenter, Mrs. Mable Pyeatt, secretary; Roy Smith, H. M. Jones and Joe Reeder, Jr.

All graduates of Knox City high school are invited to keep the date in mind and make their plans to attend this reunion.

Postmaster J. M. Diggs, H. B. Leathers and Gene Hunter, Haskell residents, were visitors in the city Wednesday morning.

To protect the East Texas commercial timber belt from fire, the Texas Forest Service maintains 72 look-out towers.

During the century 1840-1940, the average wool fleece weights sheared in the United States increased from two to eight pounds.

Hens lay about as many eggs during March, April, May and June as they do all the other eight months of the year.

Economists in the U.S. Department of Agriculture are predicting that sheep farmers will receive a larger income from wool this year than they did last year. Last year's wool income was 30 per cent larger than the 1939 figure.

Young People Hold Meeting At Stamford

Short Play Presented By Munday People

A district meeting of Methodist young people was held at the First Methodist church in Stamford last Saturday and Sunday, carrying out the theme of "Marching."

The Munday young people presented a short play at the meeting, entitled "Hands That Obey," which dealt with the liquor question of today. This little play was also presented at the regular services at the Munday church last Sunday night.

The principal speaker for Sunday's services was Dr. Turner, president of McMurry College, Abilene. A mission group from McMurry College also had charge of the devotional programs.

The Munday church had the largest delegation of any church in the district, with the exception of Stamford. Nineteen were in attendance from Munday.

Mother of Mrs. R. L. Edwards Dies At Sheridan, Ark.

Word was received here Monday of the death of Mrs. J. B. Allen, mother of Mrs. R. L. Edwards, who is visiting here with her son, Leland Hannah, and family.

Mrs. Allen had been in poor health for some time. She was almost 89 years of age, and resided with a daughter in Sheridan, Arkansas, where she passed away Monday morning.

Mrs. Allen had visited in Munday on several occasions and was well known to Munday people. She was the grandmother of Mr. Hannah, and her daughter, Mrs. Edwards, is a former resident of Munday. Mrs. Edwards was not physically able to make the trip to Arkansas to attend the funeral services.

New Sterilizer Installed At The Rexall Store

A. L. Smith, manager of The Rexall Store in Munday, announces the installation of a sterilizer at the Munday store for the purpose of completely sterilizing all glasses, silverware and dishes used at the fountain.

"We believe in complying with regulations of national, state and local health authorities in taking every precaution to guard the health of our customers," Smith said. "All glasses, etc., used at our fountain will be completely sterilized."

The apparatus is large enough to care for the needs of this store even during rush periods, it was stated.

Mr. and Mrs. W. R. Moore went to San Antonio last week to take their daughter, Mrs. Howard Harrell and baby daughter, who went from there to their home in Mexico City. While away, Mr. and Mrs. Moore also visited their son-in-law and daughter, Mr. and Mrs. Ralph E. Barnard of Austin.

Cotton loans made by the Commodity Credit on the 1940-41 crop in Texas amounted to \$77,640,143.88. Of this amount, \$28,476,125.98 had been repaid on April 14, and loans outstanding on that date aggregated \$49,164,017.90.

Construction On Lee Residence Is Begun Last Week

Workmen started construction last week on the new home of Mr. and Mrs. Travis Lee, and construction will be rushed to completion.

The new home is located in the southwest portion of the residential district, on what the boys have jokingly dubbed "Sandy Acres." It will be of brick veneer construction and will contain five rooms and bath. It will be modern throughout and a splendid addition to Munday's modern residences.

A Scotchman had been promised a new hat for a present.

Before it was bought, the donor called and asked, "Would you rather have a felt hat or a straw hat, MacPherson?"

"Well," said MacPherson, "I reckon I'll take the straw one. Maybe it'll be a mouthful for the cow when it's worn out."

Wife: "I think you should talk to me while I sew."

Hubby: "Let's change it around, and you sew to me while I read."

Judge: "The jury having acquitted you of bigamy, you are free to leave the court and go home."
Prisoner: "Thank you, your honor, but I want to be on the safe side—which home?"

A GOOD BUSINESS

We have had an excellent business during our first four days of sale. Used Cars have moved at a fast clip. We have also sold lots of new Fords, and on each one, we have gotten a good used car. Therefore, our used car stock is in good shape. As this sale will continue for two weeks longer, NOW is the time to get set for the summer with a car at a bargain. We will also need some additional used cars. Bring your old car for an appraisal on a new one. The time to buy or sell is the RIGHT TIME and that is NOW!!

I GIVE YOU TEXAS

By Boyce House

Arkansaw Traveler.

The names of the district highway foremen are posted on signs beside the road. As you approach a curve or sharp turn, there is a marker that tells you the top speed that it is safe to make. . . Odd name: Sell-A Million filling station. . . Driving through a forest, guess what the Guerdon picture show is advertising: "Trail of the Lonesome Pine." Honest.

Approaching Hot Springs, you see a roadside inn which proclaims "Wisconsin Cooking." And I always thought it was cheese that State was famous for. . . A poet must have named "Green Pasture Camp."

Hot Springs is a picturesque city, the business district (with a very long main street) nestling in a valley with steep hills on all sides. There is a Hollywood sort of atmosphere. Here is an old Indian with long, plaited hair; there are two young men with bushy whiskers, and watch out for that cripple in a wheel chair, which he propels along the sidewalk at a fast rate with two canes which he uses like a pair of oars.

The row of bath houses is impressive. People with folding metal cups get drinks from the fountain of hot water on the street. A man is sitting on the steps of a bath house, and is resting his arm on a sign, "Do not sit on these steps."

Hot Springs is a city of huge hotels, Happy Hollow, where children ride burros, lace and jewelry shops, sight-seeing buses, shooting galleries, instantaneous photo stands.

You need never lack for something to do in Hot Springs—climb the hills or drive through miles of scenery, boat on Lake Hamilton and dine at the cafe built in the form of an old stern-wheel river steamer, go to a night club, play golf, see wrestling matches or boxing, and, during the month of racing, watch the horses run at beautiful Oaklawn Park.

Viewing the "sport of kings" is E. H. Crump—you know, Mr. Crump, the political "boss" of Memphis, Tennessee. Rosy-faced, his once-red hair now powdered with gray, he has had a song and a race horse named for him.

And that chap with the old cap twisted around so far that it looks like a beret is One-Eyed Connally himself, in person. He's been crashing gates since he was nine years old and the harder it is to gain admittance, the better he likes it.

He has posed as prizefighter, "second," or has borrowed a Western Union cap and a yellow envelope and once he had to buy a few sandwiches and put them on a tray—that was the Dempsey-Carpenter fight where he tried fifteen times before he made it.)

The races draw thousands of visitors and they fill the hotels, cafes and stores to overflowing and also spend millions of dollars which benefits other lines of business. Many Texans (unable to see racing in their own state) are in the throngs.

A young man from the city was sent to take inventory of a farm. He hadn't had any experience in this new type of work, but he managed to make a list of all the chatels and stock, until he came to an animal he was unable to identify—a goat.

So he phoned his boss and said, "What do you call this thing that's around here with a rough coat that is worn out in spots, a beard and a long, sad, face?"

"That, you fool, is the farmer."

Around Austin: For over two years, Jim Carroll, former Houston Press Oil editor has waged an unrelenting campaign against the price-fixing fair-trade bill. "Mr. Anti-Fair Trade," as he is frequently called, was happy the other day. "The bill's supporters have now admitted officially before a Senate committee that it will repeal the Anti-Trust law. My ambition was to expose the seriousness of the bill. If Jim Hogg's greatest contribution to Texas is to be wiped off the books, the people are entitled to know about it. And now the people have been given official notice."

There are no cuspidors in the gallery of the House, and signs warn citizens against using the floor. Has a tobacco chewer no rights no more nowhere, not even in his Capitol?

N. H. Pierce, publisher of the Menard News, awhile back, was about to park in one of the spaces around the Capitol reserved for a state official. The guard shouted "You can't park there." Pierce replied, "It's a big car, all right, but I believe it will go in"—and he backed the auto in and then walked off with an innocent air.

Scotch joke No. 5,991,463: and there was a Scotchman who bought only one spur. He figured if one side of the horse went, the other was sure to follow.

G. B. Hammett was a business visitor in Benjamin last Saturday.

Miss Margaret Tiner, who is attending Hardin-Simmons University in Abilene, spent the week end here with her parents, Mr. and Mrs. W. V. Tiner.

People, Spots In The News

Junior Report

The Juniors have started planning the trip to Lake Kemp on Junior Day.

We have postponed the Junior-Senior banquet until May 16.

Senior Report

Last Saturday part of the Seniors spent the day at Hardin-Simmons University. Everyone wanted to go but Wanda and Butch.

They reported a very enjoyable time. Wanda spent most of her time with a B.H.S. ex-student, and Butch was with a Knox City ex-student (red-head). Betty and Edith must have been attracted by the khaki uniforms.

Last Friday an election was held by the high school teachers for the purpose of determining who was to be the best all-around boy and girl. After much deliberation, it was decided that the honor should go to Alonzo Cartwright and Wanda Nunley. These are determined by the students' record of scholastics and citizenship, and is the highest award presented by Benjamin high school. These two students will receive medals. Congratulations, you two!

Sadie

Wanda, why did you like the Cowboy band better than the Cowgirl band??

Butch, did you have trouble finding Margaret last Saturday? From all indications there must be something about a soldier.

We wonder what Edith and Betty think.

Douglas, what were you looking for under the seat of Perry's car Sunday? Something you lost Saturday night?

The students who don't know which direction is north might get this information from two of the B.H.S. teachers.

Wanda, why didn't you tell us that you were planning so big on going to Abilene?? Did you see any of the B.H.S. exes.

Have you had any trouble with your car, Bud??

Bill, don't you know it's closer to K.C. than Crowell?

Wonder why several of the boys have decided to take in the dance at Crowell??

How was fishing Saturday, boys?

Freshman News

The "Fish" have just finished taking their six-weeks exams and don't have much to say. We planned to have Freshman Day on the

17th of May, but it may have to be put off for a week or two. We have not decided for sure where we are going yet.

We Wonder . . .

When Mr. Cunningham prepares his speeches.

Why Miss Reynolds is attracting so much attention to a certain ring she happens to be wearing.

What the Senior boys did at Abilene.

If the girls saw any uniforms in Abilene. Did you get any ad-dresses, girls?

How all the Seniors managed to come out with such good grades this six weeks.

If we are going to have a Senior play this year.

Where all the equipment in the science room has gone.

Where we might find the key to success.

Why Squirrel has been eating so much candy lately.

What life will be like in 1950. 1950 here we come!!

Can You Imagine—

Butch not wanting to make a report on the trip to Abilene?

Edith flirting with soldier boys? Edith, you're breaking down our defense.

Wanda liking the cowboy band better than she liked the cowgirl band at H.-S.U. Saturday?

Clyde and Bill taking a sudden interest in Crowell?

Douglas going to Stamford Saturday night??

A senior boy without a charge account for candy??

Betty with a new plot for a short story??

Edith without a patriotic emblem?

Seniors having to take final examinations??

The seniors having enough money to make their trip to Carlsbad??

REA LINES SPREAD

College Station.—Allotment of \$500,000 for construction of two transmission lines in Texas has been granted recently by the Rural Electrification Administration. The Brazos River Transmission Electric Cooperative of Itasca and the Farmers Electric Generating Co-operative of Gilmer each received \$250,000. This brings allotments made by the REA since it was established in 1935 to \$362,656,621.22, of which \$93,274,500 represents operations of the current fiscal year.

U.S. Defense Savings Bonds Are On Sale at Post Office and Bank

The United States Defense Savings Bonds and Postal Savings Bonds were placed on sale in the main Post Office at the opening of business on Thursday, May 1, as part of the national effort to make America impregnable.

Postmaster Lee Haymes announced today that plans are nearly completed for this community, along with thousands of others from coast to coast, to do its full part at the opening of the savings program. It is expected that civic leaders will be among the first purchasers of savings bonds and the stamps here.

Walker, in a letter to postmasters throughout the country, said that the help of local postmasters would be "a real service to the country." He transmitted the thanks of the Secretary of the Treasury, Morgenthau for the help that local postmasters had already given in the sale of United States securities, and also Mr. Morgenthau's thanks in advance "for the cooperation which he knows you will give to this new effort."

The new Defense Savings Bond is similar to the familiar "Baby Bond," of which more than five million dollars worth have been bought by more than two and a half million Americans since 1935. A Defense Bond may be purchased May 1, or thereafter, for \$18.75. In ten years this bond will be worth \$25,000. This is an increase of 33.1-3 per cent, equal to an annual interest return of 2.9 per cent, compounded semi-annual-date of purchase, the bond may be redeemed for cash, in accordance with a table of redemption values printed on the face of the bond.

To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in a year. The bonds are in denominations of \$25, \$50, \$100, \$500 and \$1,000, all of which are sold for 75 per cent of their maturity value, and all of which mature in ten years.

For larger investors who can afford to purchase up to \$50,000.00 worth of bonds a year, the Treasury Department has offered two additional kinds of Defense Savings Bonds, but these will be sold only through banks and by direct mail from Washington, D. C. They are intended for associations, trustees and corporations, as well as individual purchasers.

For the smaller investor who wants to buy a Government Bond on an easy payment plan, the post office will have a new series of Postal Savings Stamps, at 10c, 25c, 50c, \$1, and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, an attractive pocket album, into which to paste his stamps until he has enough to buy a \$25 bond or one of higher denomination. Thirty million of these albums are now being prepared.

The cover design of the album is in color, featuring a United States battleship and an eagle bearing the American flag. On the back cover is a painting of the Minute Man statue by Daniel Chester French, which symbolizes the American citizen ever alert in defense of his country. The inscription is "America on Guard."

Secretary Morgenthau said that even a boy or girl who saved 10c to buy a Savings Stamp would help the country. He added that "you can safeguard your own money and your own future, while helping the national defense, by buying United States Savings Bonds now."

W. Van Richards of Stephenville was a visitor in the city last Sunday.

Few Appeals Are Made To Selective Service Boards

With 272,005 Selective Service registrants classified by Texas' 351 boards as of April 1, on the basis of their availability for military service, only 527 appeals had been made to Selective Service boards of appeal, and only one request for adjudication of decision had as yet been submitted to the president it was announced today by the State Director of Selective Service.

"This is a splendid record for our State," the director declared, when making the announcement. "It is a record that speaks highly for the work of the patriotic citizens who are serving without pay as members of Selective Service boards, and as examiners and advisors, and also to the State as a whole. It is more heartening to all Americans to know that this spirit of co-operation for national defense prevails throughout the country, for, according to information from national headquarters more than 4,000,000 registrants now have been classified with only a comparatively infinitesimal number of appeals from the decisions of Selective Service Boards.

The Selective Service System is anxious to make certain that all registrants, their dependents, and others interested in their welfare, have opportunity to obtain review of any classification they consider unjust. "While we do not want the appeal machinery clogged up with claims of those who merely seek to delay their induction, it is equally important that no registrant be inducted until he has had ample opportunity to exercise all

his rights," the Director said. Any registrant or his dependents, or others interested in his welfare, can obtain full information concerning his rights to appeal a classification by consulting his local board, appeal agent, or advisory board for registrants.

The Knox County Local Board has classified 425 registrants to date, and no appeal has been made from a classification in this county. Our County Board has carefully studied the Rules and Regulations in making their decisions, yet with utmost care and sympathy they have tried to be equally fair and impartial in each individual case.

Roy Mayo of Goree was here Tuesday afternoon, visiting relatives and attending to business matters.

C. W. Seaton of Vera was a business visitor in the city Tuesday afternoon.

George Weber of Goree was a business visitor here last Tuesday.

E. L. Covey of Benjamin was here last Monday, visiting relatives and attending to business matters.

See the New Farmer-Proved MASSEY-HARRIS Clipper Combine

Whether you're a new hand at combining or an old hand at the game, your first glimpse of the Clipper tells you "There's my machine." Once you see this machine in action, you'll be all the more anxious to bring this extra crop protection to your farm.

SIMPLICITY—The Clipper has by far the simplest construction of any combine on the market.

LIGHT WEIGHT—Many combines claim light weight . . . compare them with the Clipper's 3,200 lbs. That light weight means less power is required to pull the Clipper . . . more power is available on the power take-off shaft.

CROP INSURANCE . . .

The Clipper will bring you a greater measure of crop insurance than you've ever known because of its ability to handle any crop no matter what its condition. It will deliver more and better grain to the bin. It will shorten your working hours . . . and make your time more productive.

Thirty-six harvests have seen Massey-Harris combines at work in the fields, but never, in all those years, has Massey-Harris been able to offer you so much service per dollar invested.

WE NOW HAVE THESE COMBINES IN STOCK . . . AND WILL HANDLE A COMPLETE LINE OF REPAIRS.

Pendleton and Stodghill

TIME TO SPARE I. C. HESS

Walter Chrysler while an apprentice at Delwin, Iowa, playfully lettered his initials in the concrete rim of a roundhouse engine pit. In his lunch hours, he studied mechanics with International Correspondence Schools of Scranton, Penna.

93-year-old James W. Correll of Mt. Bethel, Penna., began writing poetry at the age of 87.

Cus R. Adkins of Richmond, Virginia, taught himself to concentrate in a noisy apartment by turning his radio on full blast.

Two New York sisters completed their education by correspondence while accompanying their parents on a round-the-world tour.

By saving 15 minutes a day an average reader can read 16 books of 300 pages in a year.

Improved Soil Aids Child Health

Observance of Child Health Day every May 1 indicates the nation's interest in the welfare of its future citizens such as this radiant child. This interest is shared by the 6 million farmers cooperating in the AAA farm program. As a contribution to proper nutrition for growing children, these farmers are creating soil conditions which assure an abundance of healthful foods both now and in the future. Application to the land of liming materials and superphosphate, shown in the top picture, is one means of doing this. Such practices mean better pastures, more and better milk from dairy cows, and healthier American children.

where she will visit friends and relatives.

Other guests in the Fowler home were Mr. and Mrs. J. O. Dockery and children of Colorado City.

Mr. and Mrs. Roy Smith are entertaining a 7-pound son, born April 25.

The following girls attended the district Epworth League at Stamford: Billy Joe Ratliff, Chloe Dell Stalcup, Virginia Goode, Lois Miller and Ethelda Robinson.

Rev. and Mrs. Jimmy Rice are the proud parents of a son, born April 23rd.

Mrs. Mable Hall, who has been visiting her son Quince at Bakersfield, Calif., has returned home. Quince was called into service while Mrs. Hall was in Bakersfield.

Mr. and Mrs. Frank Silman of Rochester visited relatives here last Sunday.

Mr. and Mrs. John Smith and Miss Pauline Homer of Wichita Falls are visiting in the home of Mr. and Mrs. K. G. Homer this week.

Mrs. P. V. Williams spent several days this week in Denton, visiting her daughters who are attending T.S.C.W.

BENJAMIN BOY TO RECEIVE HIS DEGREE AT TEXAS UNIVERSITY

James Robert Bisbee of Benjamin is a candidate for the degree of bachelor of business administration from the University of Texas, it was announced Saturday by Dr. J. A. Fitzgerald, dean of the school of business administration. Degrees for the 236 students in this department will be conferred at the June 2 commencement exercises.

Lloyd Sweatt left last week for Amarillo, where he is taking medical treatment at the U. S. Veteran's Hospital.

Mrs. E. M. Wilson returned home last Tuesday after a week's visit with Mr. and Mrs. Carl Mahan and children of Abilene.

Mr. and Mrs. H. A. Fendleton and Mr. and Mrs. A. H. Mitchell and Patsy Ruth were visitors in Abilene Wednesday.

Miss Maud Isbell is in San Angelo this week, visiting in the home of Mr. and Mrs. Guy Rutherford.

Radio Announcer: "The three minutes silence on your radio, ladies and gentlemen, was not due to a technical breakdown, but was sent to you through the courtesy of noiseless typewriters."

TEXAS OUT-O-DOORS

Third Pass is Opened
Austin, Texas—A pass through Padre Island at Murdock's Landing, the third which the Texas Game, Fish and Oyster Commission has dredged on the Texas Gulf coast, has been finished, according to word received by the chairman of the game commission here. The dredge cut more than a mile through the island from the Laguna Madre to within fifty feet of the ocean recently. A high wind completed the cutting and the dredge was forced to back out. However, it returned to deepen the pass at the Gulf. A heavy stream of water has been running into the Laguna Madre and Baffin Bay as a result.

It is believed passes are necessary along the Gulf coast to prevent the water in the upper and lower Laguna Madre from becoming too saline and killing tens of thousands of fish. Especially is this true during drought periods. The first pass cut by the Game Department was at Corpus Christi pass. Then Cedar Bayou was opened. It was necessary to move

the dredge more than fifty miles downshore to start work on the Murdock's Landing pass.

A pass 1,000 feet long will be soon cut through Peat Island in order to allow the dredge to move through the Laguna and maintain Murdock's pass. The Game Department will cut another pass soon, but where it will be located has not been decided, members of the Commission have announced.

Heavy Population, Cars Hurt
Texans could legally kill six deer, twenty-five ducks or geese in a day and there was no limit on the number of turkeys, prairie chickens, doves and quail in 1903 (according to an announcement of the most recent game laws in the May 15, 1903, issue of the Winnabow Wide-Awake, a newspaper now in the possession of V. Lamb, of Flint, Texas.

The season on turkeys, prairie chickens and quail was from Nov. 1 to Feb. 1. The dove season ran from Sept. 1 to Feb. 1.

Now a person can take only two buck deer in a season, three turkeys, not more than 12 quail in a day or 36 in a week, no prairie chickens and 12 doves. Thus is shown the effect of the doubling of the population in Texas between 1900 and 1940 and the damage to game which the motor car and good roads have made possible since the turn of the century, as has often been pointed out by the executive secretary of the Game Department.

In 1900 the Texas population was 3,048,710. It had more than doubled when the 1940 census was taken. Too, in 1903 there were few motor cars in Texas and hardly any roads over which they could travel. Now no place is too inaccessible for hunters and fishermen to reach within a day or two.

Money in Game, Fish
That land can be made to produce excellent profits from fish and game is often demonstrated. The game manager for region 1 recently reported another case to the Texas Game Department. White's reservoir, in Chambers county, southeast Texas, is an artificial 500-acre lake in rice field country. It yielded more than \$900 worth of commercial fish for 1940. Approximately 100 duck hunters had sport on the lake. Had they been charged \$3 per day and had averaged two days' hunting that would have yielded an additional \$600. This would have meant an income of \$3 per acre. In addition, there was considerable bass and perch fishing in the lake. A charge could have also been made for that sport.

Although reservoirs in the prairie are constructed for livestock watering, rice irrigation or industrial purposes, the potential wildlife values are so great that landowners can hardly afford not to manage them so as to produce a crop of wildlife, it is pointed out by Game Department officials.

Captures White Buzzard
A white buzzard has been added to the collection of albinos at the Houston zoo. W. C. Ferrell of Augusta, Texas, captured the bird after he had creased one of its wings with pellets from a shotgun. White buzzards are extremely rare, this being the first one reported to the State Game Department in a decade.

Trade agreements between the United States and Canada have been modified to permit free entry of oranges into Canada during the months of January to June, inclusive.

News From Goree

W. S. Glasgow of Lawton, Okla., grandfather of Mrs. George Webber, died Saturday morning. Mr. Glasgow was brought to Goree for interment. The following went to Lawton and accompanied the body to that city: Mr. and Mrs. George Webber, Tom Webber, J. M. Barnett, Pat Patterson, Audie Bason, Sid Polson. He is survived by one son of Lawton, 10 grandchildren, and three great grandchildren.

Ten Goree girls attended the Hardin-Simmons University Senior Day at Abilene. Those attending were Bettye Glo Norris, Lois Miller, Dora Butler, Wynette Barnett, Elaine Moore, Dorothy Howard, Billy Jo Ratliff, Chloe Dell Stalcup, Virginia Goode, Ethelda Robinson.

Cliff and Cal Moorman are at the bedside of their father at Goree, who is very low.

Mr. and Mrs. J. H. Bardwell attended the district Epworth League at Stamford Sunday.

Ben Williams made a trip to Wichita Thursday.

Frances Farmer has written from Havre, Montana, that she is enjoying her visit and that this section has had one of the heaviest snows in 33 years.

Leroy Perdue, Jr., who is in the

Knox City hospital, is improving slowly, but will be there for some time.

Mr. and Mrs. A. L. Martin made a business trip to Wichita Falls Monday.

Mary Ellen Webb left Sunday to attend the Golden Jubilee at Crowell.

Mr. and Mrs. W. O. Barnett and Lillian Tiller made a trip to Brownwood Sunday to visit the boys in training there. Going by way of Anson they were joined there by Mr. and Mrs. Foy Easley. Mr. Easley, uncle of Foy Bain Barnett, was a member of the 36th Division during the first World War. The entire party reported a very enjoyable day. They dined with the boys, ate the same food the soldiers have, and were shown through every department.

Mrs. J. M. Harper of Livermore, Calif., sister of Cal and Cliff Moorman, was a visitor in this city last week.

D. B. Jones, who is in a Dallas hospital, is reported very ill at this time.

The small son of Mr. and Mrs. Cecil Oliver is seriously ill with pneumonia.

Mrs. Leon Fowler and small daughter Dorothy Nell, of Dallas, have been visiting in the home of Mr. and Mrs. J. W. Fowler the past week. Mrs. Fowler left Sunday for Abilene and Colorado.

ADVERTISING Is Business Insurance

Insure the volume of your sales by a program of advertising directed to acquire new customers, and to keeping the confidence and patronage of your regular customers. Advertise your merchandise or service that your place of business will become a recognized dealer and grow faster in the business you sell. Make friends through acquainting the general public of your desire to do business with them.

Persistent newspaper advertising will bring your business to the fore as no other medium can possibly do. Even though residents here and afar have never set foot in your place of business, through the consistent use of space in their newspaper, they become acquainted with you and your business, which will net profitable returns in the future.

Give your business the opportunity to return the profit which your investment should. Place it before the public.

Your Buying Public Will Read Your Ad In This Paper

Your prospective customers read their home newspapers thoroughly. It has an appeal which no hand bill tossed into your yard can possibly be expected to have. The home newspaper is read because it contains all the paper. The advertisements of local concerns have their news of your home and community. Each member of the family finds time each week to read their local appeal to every reader. With the undisputed fact that home news is always best news, your sales message thus attains the reader's interest which is necessary to return profitable sales from money spent for advertising.

Your home newspaper has the confidence of its readers. It is a part of the community. It is looked forward to weekly to bring its readers the news, the local happenings about local people which all of us know as neighbors and friends. Such interest cannot help but stimulate the value of advertising space.

At the low cost of advertising space in this newspaper, plus the local reader interest, your advertising dollar is worth much more than it would be if applied to any other medium to acquaint the public with what you have to sell.

Munday Times

KNOX COUNTY'S LEADING NEWSPAPER

Good Sale Held Tuesday Despite Rainy Weather

The Munday Livestock Commission Co. reports a good run of cattle and hogs for last Tuesday's sale, considering the bad roads over the country. The market was fully steady on butcher cattle, while stocker cattle were fully 25 cents higher than last week.

Top hogs sold from \$7.00 to \$8; lights and heavies, \$7.75 to \$7.85; sows, \$6.75 to \$7.

Beef bulls brought from \$6.50 to \$7; butcher bulls, \$5.75 to \$6.50; canners and cutters, \$3.75 to \$5.25; beef yearlings, \$9 to \$10.50; butcher yearlings, 7.75 to \$8.75; fat calves, \$9 to \$11; common fat calves, \$9 to \$11; common calves, \$7.50 to \$8.50; rannies, \$6.50 to \$7; common stocker calves, \$7.75 to \$9; good quality stocker calves, \$9 to \$12.

Buyers here for the sale were Kerns Packing Co., Roscoe Jordan and Albert Waller, Vernon; L. W. Brasher, Bowie; C. R. Taylor, Sweetwater; J. M. Bradberry and Roy Tankersley, Knox City; C. R. Elliott, C. L. Mayes, Lee Isbell and J. W. Elliott, Munday, and Scribbs Bros., Weinert.

IT PAYS TO ADVERTISE

Postal Employees Meet At Goree On Monday Night

Mrs. S. F. Farmer, acting postmaster at Goree, and rural carriers S. G. Hampton and Oscar Lewis were hosts last Monday night to members of the Brazos Valley Postal association, composed of employees of Baylor, Knox, Haskell and Stonewall counties.

Postmaster Claude Norman of Rule led the roundtable discussion on domestic mail and savings bonds. About 20 of the 35 members were present.

At the close of the business session, which was held in the school auditorium, refreshments were served by members of the school homemaking class under the direction of Miss Almarie Nunnally, instructor.

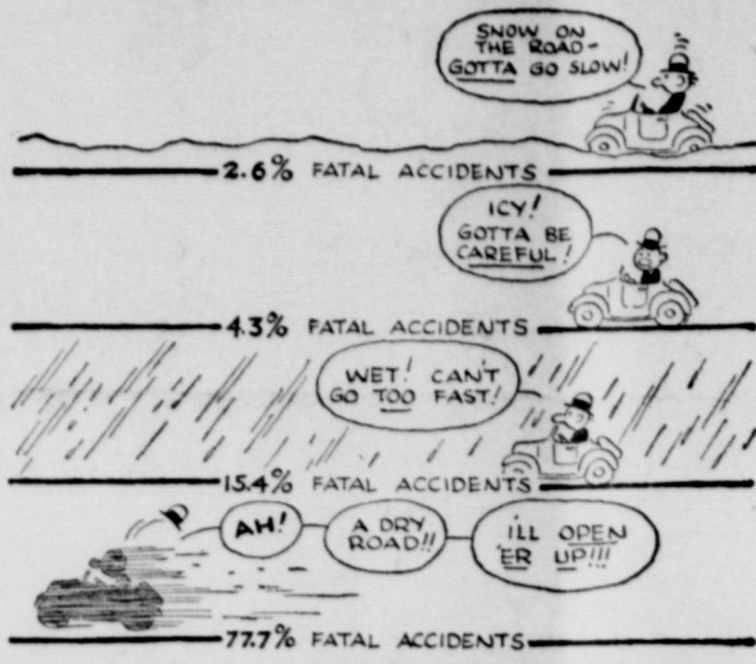

HERE FROM LELIA LAKE

Mrs. W. S. Noble and Miss Lucy Stogner of Lelia Lake, Texas, are here this week, visiting in the home of their sister, Mrs. W. E. Hammock. George Hammock went to Lelia Lake after them last Thursday night.

Mrs. Cecil Fitzgerald is visiting relatives in Talco and Texarkana this week.

Tax Assessor-Collector E. B. Sams of Benjamin was a business visitor here Monday.

Most Accidents Occur on Dry Roads, Report Shows

More than 75 per cent of all fatal motor vehicle crashes last year occurred on dry roads, according to "Here Today—" annual safety booklet just issued by The Travelers.

This is but one of many surprising facts revealed in this latest study of 1940's highway death record which analyzes the circumstances surrounding accidents which killed 35,000 persons and injured 1,320,000 others.

About 15 per cent of the fatal crashes happened on wet pavements, 4.3 per cent on icy roads and only 2.6 per cent on snowy surfaces.

Youth Eligible For NYA Work To Be Interviewed

Representative To Be Here on Fridays

A representative of the National Youth Administration will interview applicants for NYA projects placement between the hours of 10:00 and 12:00 a.m., every Friday in the City Hall in Munday, it was announced today by Bala Williams, Area Three director.

Unmarried young men and women between the ages of 16 and 25 who are out of school and unemployed, may file application for NYA employment, Mr. Williams stated. There are three general types of NYA work experience projects; namely, local projects, full-time resident centers, and part-time resident centers.

On local projects youth work live at home. Their work experience may consist of local construction work such as building community centers, vocational agriculture buildings, or home economics buildings. The scale of pay is \$16.00 for 80 hours work per month.

On full-time resident centers youth live and work on the project full time and receive \$12.00 per month for their own use; food, lodging, laundry, and medical attention are furnished. Work experience is offered on various projects which consist of shop work such as woodworking, sheet metal working, foundry, radio, auto mechanics, machine welding, and aviation mechanics; domestic service;

construction and agriculture.

Girls are assigned to part-time resident centers who want to learn the fundamentals of homemaking and at the same time obtain work experience in public hospitals and clinics, school cafeterias, libraries, nursery school and clerical work. They live at the project site two weeks out of each month and receive \$12.00 for their own use; food, lodging, laundry and medical attention are furnished.

Youth are selected on the basis of their willingness to work, desire to learn and ability to take advantage of work experience offered.

Local Boys Win In Declamation At Regional Meeting

Jimmie Silman, sophomore of the Munday High School, placed second in the regional meet in Abilene for junior boys declamation. McCelvey Jones, ward school seventh grader, placed third in the regional meet in the ward school boys' declamation, held last week.

The two boys had won first place in the county meet, first place in the district meet composed of 8 counties and places in the regional meet where some 25 counties of West Texas are represented.

According to results tabulated the boys were the only literary places taken by contestants from Knox county.

Ameen Is Now In Radio Communication

A letter received by Mrs. Sied Waheed from her brother, Nabih Ameen, who is in the air corps stationed in Puerto Rico, stated that he has been classified in communication radio service, which consists of inter-code and maintenance work for his squadron.

His squadron has now been fully organized, and they may be transferred to either Trinidad, St. Thomas Island, Haiti or some other island in the Atlantic.

Since the first assignment of camps to erosion work, eight years ago, CCC enrollees have built 3,500,000 check dams, planted more than 250,000,000 trees in gullies and fields subject to critical erosion, constructed 27,000 miles of terraces and installed 350,000 terrace outlet structures.

W. M. Mayo of Goree was a business visitor here Saturday afternoon.

Deaths

Baby Bobbie Laverne Bailey, Munday.

Texas produced 37,575,000 lbs. of creamery butter in 1939. The 1939 farm milk production of Texas was 1,966,000,000 quarts, according to figures compiled by the dairy industry.

Summer or winter, chickens seek protection from wind and sun. Tamarix, desert willow, lilac, Russian mulberry, and other shrubs add to the comfort of poultry.

Weinert—Celebrating the completion and occupancy of a 14-room addition to the school plant of this progressive Haskell county city, Weinert civic leaders and school officials were hosts Friday at an all-day dedication program and basket dinner.

Assembling early Friday morning, visitors thronged the school grounds and were escorted through the modern buildings comprising the plant of the Weinert rural high school district and the new \$50,000 addition.

Beginning Friday morning at 10, the dedication program was opened with a song program by the Weinert Sunshine Quartet and a 15-minute address by County Attorney Murchison, in which he paid tribute to school patrons and officials.

School History

History of the Weinert School system was read by Mrs. Pearl Monke, postmaster at Weinert, and lifetime resident of that city. She listed Mollie Farr as the first teacher in Weinert; followed in succession by Ethel Black, Maude Isbell, S. L. Coggin, J. M. Edwards, Beulah Mae Cook, Mr. Harrison, Mr. Bowman, Mr. Moss, Mr. Odor, and Mr. Stirling. In 1931, the present superintendent, I. J. Duff, became head of the Weinert school system.

Lewis Williams of Benjamin judge of the 50th judicial district, and a former resident of Weinert, gave the dedicatory address during the morning program.

Guest speaker was President Don Morris of Abilene Christian College.

At noon the basket dinner provided by Weinert school patrons was supplemented by a barbecue arranged by the Weinert chamber of Commerce.

Afternoon program of the celebration included softball games, string band music, and inspection of the school plant, with a majority of the visitors remaining for these activities.

THE POCKETBOOK OF KNOWLEDGE BY TOPPS

COTTONSEED

We have delinted seed for sale. Their selling price is higher per pound, but the cost per acre is less than the cost per acre to plant fuzzy seed. These delinted seed may be planted more like you want to leave them, thus saving your chopping and labor expense ... an expense that will be greater this year than in the past few years.

State Certified Acala (Delinted), per 100 ... \$5.25

State Certified Acala (Fuzzy), per bushel ... \$1.00

Your attention is called to the fact that to be eligible on the Free Classing Service and any local Government Program through the regional setup, you must plant all or a part of your cotton crop in Acala. The high production yield and the premium character of this Acala Cotton should recommend it to you.

We will reclean and treat your planting seed with Ceresan very cheaply if you will bring them to the gin lot early in the day during the next week.
