

## COUNTY 'FOOD-FOR-FREEDOM' QUOTA GIVEN

### Boy Scout District Will Be Formed For Knox County

Knox County will be organized into District XIV of the Northwest Texas Area Council of the Boy Scouts of America in a meeting at Benjamin in the high school auditorium Monday evening at 8:00 o'clock, October 20th.

Representatives from Munday, Knox City, Sunset, Goree, Vera, and Benjamin will meet and organize the district with Field Executive Bennett Cooksey.

The Northwest Texas Area Council is composed of 14 counties with Wichita Falls being the headquarters city. C. H. Peden is Area Scout Executive and O. R. Burden the president.

Every Scout group is sponsored by some institution or a group of citizens who represent the people of a community. In many cases the institution is a church. In other instances it is a school, a fraternal body, a civic club, a service club, or patriotic society. Each institution appoints a committee of three or more of its members to serve as the Pack, Troop, or Ship Committee and assume the responsibility for seeing that there is an adequate meeting place, reliable leadership, and proper supervision of activities and program.

The main aims of the Boy Scouts of America are character building and citizenship training. Essential elements in the Boy Scout program are trained volunteer leaders; an activity program which results in achievement with recognition; and an organization—local, regional, and national, with trained professional leadership. The Boy Scouts of America maintain that no boy can grow into the best kind of citizenship without recognizing his obligation to God. No matter what the boy may be—Catholic, or Protestant or Jew—this fundamental need of good citizenship is kept before him.

From its very beginning, the Boy Scouts of America has laid emphasis on the Good Turn as one of the educational features in the Scout Program. The individual good turn, rendered unobtrusively by the Scout and often kept secret, appeals to his sense of the romantic. It helps the boy to develop the habit of caring about other people and so overcomes the human tendency to selfishness.

Scouting appeals chiefly to those who have an interest in outdoor life, but the Scout program does not overlook or neglect the values that are found in activities which take place indoors, craft work, dramatics, games and socials.

"If we are to receive the benefits of the Scouting Program we must organize that we may have more and better Scouting," said Cooksey in calling on local leaders in regard to the meeting to be held Monday night.

Cooksey is a graduate of the North Texas State Teachers College and of 66th National Training School for Professional Scouters. Before going into the Scouting profession he was principal of the Fairview High School in Wichita County.

He will spend one week each month with Scouts and Scout leaders in this county.

#### Truscott Pastor To Publish Poems

Rev. J. W. English of Truscott was recently honored by having some of his poetry accepted for publication in "The Muse of 1941," a release of the Horizon House of New York City.

Rev. English, pastor of the Baptist church at Truscott, is a former pastor of the Knox City church and is well known in the county. He has written several poems and his many friends in the county are glad that he has had some of his work accepted for use in The Muse.

Mrs. C. R. Elliott, who recently underwent a major operation at the Knox county hospital, was brought home last Saturday morning and is reported to be doing nicely. An ambulance from the Mahan Funeral Home went after her.

### Funeral For Mrs. Eva Reese Held Saturday

Mrs. Eva Reese, a resident of Munday for eleven months, passed away last Friday morning at six o'clock at the home of her daughter, Mrs. C. R. Parker of Munday. Mrs. Reese, who was an invalid, had made her home with Mrs. Parker since the death of her husband 11 months ago.

Eva Phillips Reese was born in Tennessee on May 7, 1865, and was 76 years, 5 months and 3 days of age. She had lived in Texas for a number of years.

Surviving her are eight children, who are: Mrs. C. R. Parker, Munday; Gordon Reese, New York City; Mrs. Mildred Damron, Los Angeles, Calif.; Mrs. Lake McDonald, San Antonio; Carrol Reese, Albany; Montie Reese, Laramie, Wyoming; Homer W. Reese, Oklahoma City, Okla.; and Rex V. Reese, Dallas. She is also survived by 25 grandchildren and 7 great grandchildren.

Funeral services were held from the First Baptist church in Munday at 2:30 o'clock last Saturday afternoon, conducted by Rev. W. H. Albertson, pastor. Interment was in the Johnson cemetery by the Mahan Funeral Home.

Funeral bearers were B. B. Bowden, J. J. Keel, J. O. Bowden, Aaron Edgar and Deaton Green.

### Wade McGuire Shows Calf At Dallas Fair

Wade McGuire of the Vera community is at the Dallas fair this week exhibiting his 1025 pound calf. Information from Wade the early part of the week indicates competition is strong and that he feels very hopeful of being in the money, if nothing serious happens to his calf. The McGuire calf was purchased from the Hamilton ranch and was exhibited at the Knox City show last February.

Wade McGuire of Knox county and Jack Morris of Baylor county loaded their calves out last Thursday night at Seymour. Mr. Russell Morris, father of Jack Morris, accompanied the boys to the fair. More news about Wade and his calf will be in next week's paper.

Miss Gayle Preston, who was injured some three weeks ago in an auto accident near Stamford, re-entered the Knox county hospital last Sunday for further treatment of her injuries.

## Bargain Rate Is Attracting Many

The attractive bargain rate to the Munday Times, which was announced recently, is already bringing in a number of subscriptions, both new and renewal. Readers of the Times realize that this offer is especially attractive this year, in view of the fact that prices have advanced on every item consumed by the American public.

The bargain rate will continue for a few weeks longer, although the publisher has announced it may be withdrawn at any time. Rising prices, may force us to withdraw the rate sooner than has been done prior to this time.

Among subscriptions received at the bargain rate during the past few days are the following: Wesley Loving, G. R. Eiland, Edwin J. Albus, Clayton Wren, Jack Pippin, J. M. Smith, Joe Wilde, Pvt. S. Kubala, D. P. Morgan, Jr.,

### AMERICAN HENS HAVE A BIG JOB!

Even American hens have been called in to play an important part in the United States' aid for Britain!

County Agent R. O. Dunkle took his pencil recently and did some figuring on what the Aid-For-Britain program demands of the United States. Figured on a national basis, Dunkle concluded that we are required to furnish the British people 666 eggs per second!

This result so astounded the County Agent that he put his pencil away without bringing figures on other products to such exactness.

Now he's wondering if American hens can meet the demands being made of them!

### 28 Registrants Of Knox County Are Classified

Twenty-eight registrants of Knox county were classified by the local board on October 9th, according to John Wilson, clerk of the board. They are as follows:

- 53A Jasper C. Durham.....1-B
- S-204 Hollis Henry Gore.....1-C
- S-239 Melvin E. Mayfield.....1-C
- 255 Carl E. Harlan.....1-B
- 262 Lloyd A. Gillentine.....3-A
- 266 Arnold J. Navratil.....2-A
- 300 Robert L. Sams.....1-A
- 301 Debbs Drake.....3-A
- S-339 John M. Young, Jr.....3-A
- 348 Boyd D. Moore.....1-B
- S-356 Lee Roy Kirkpatrick.....1-A
- 380 Forrest L. Heath.....3-A
- S-407 Hamilton S. Coates.....1-A
- 421 Chancey W. Hobert.....1-B
- S-440A James W. Walker.....1-A
- 457 Elvin O. Tuggle.....1-A
- S-474 Julius M. Moore.....1-A
- 482 James R. Traveek.....1-A
- 1332 Jack D. Abbot.....3-A
- S-829 Steve W. Fesperman.....3-A
- S-864 James C. Sanders.....3-A
- S-1134 Tom Compton.....3-A
- S-1168 Daniel Casillas.....3-A
- 1270 Alvin B. Cogdell.....4-F
- S-1287 J. C. Vickery, Jr.....3-A
- S-1270 Roy L. Howry.....3-A
- S-1372 W. B. Thompson.....3-A
- S-1389 Floyd E. Denham.....3-A

### SAM HAMPTON ENTERS WICHITA HOSPITAL

Sam Hampton, former postmaster at Goree and now rural carrier, entered a Wichita Falls hospital last Saturday where he underwent a major operation.

Mrs. Hampton accompanied her husband and remained with him until Sunday. She reports that Mr. Hampton stood the operation satisfactorily.

### Perdue Child In Dallas Hospital

Leroy Perdue, son of Mr. and Mrs. Roy Perdue of Goree, left last Saturday for Dallas where he entered a Dallas hospital for treatment. He was accompanied by his parents.

Leroy was critically burned when the Perdue home was destroyed by fire last March. His burns had never successfully healed, and he was taken to Dallas for further treatment.

Mr. and Mrs. O. V. Wilson left last Tuesday for their home in Denver, Colo., after several days visit here with Mr. Wilson's parents, Mr. and Mrs. W. W. Wilson.

### Howitzer Shells For Hitler

Passed by Censor.

THIS small corner of a munitions plant somewhere in Canada which is manufacturing howitzer shells gives an idea of the vast munitions program upon which the Dominion is engaged. In the manufacture of shells, chemicals and explosives, Canada has assumed a position of supreme importance in the war. Nine of the Dominion's twelve chemical and explosive plants (one of them the largest in the British Empire) are producing and the

balance will be in operation soon. This year alone, the total production of explosives in Canada should exceed the entire Canadian output during the whole of the 1914-18 World War. In the munitions plants, nine types of gun ammunition are being produced at a rate of millions of rounds per year. About forty per cent of the total national income of Canada this year will be spent by the Dominion for her own military needs and to give financial aid to Great Britain.

### Moguls Smash Wildcats In Mighty Gridiron Battle

#### Truscott 4-H Club Member In State Contest

Charles Hickman of the Truscott 4-H club entered the state contest in competition with other club members of Texas living in counties traversed by the Santa Fe Railway. The Santa Fe Railway offers 19 trips each year to the Chicago Livestock Exposition for outstanding 4-H club work within counties traversed by this road.

Charles prepared an elaborate record book of his last two years in Club work. This record contains pictures of his calves, news items and a complete financial statement of his 4-H club activities. The record was received the County Agent and mailed to the Extension Service at A. and M. College last Saturday.

Charles Hickman was eligible for this trip on account of his having won the reserve championship on his calf at the Wichita Falls calf show last February. The calf sold for 50 cents per pound and was purchased by Bobbie Burns of Wichita Falls. The League Estate ranch in Knox County bred the calf.

More news about Charles' success in the contest will be published later.

### Haynie Makes Trip To California With Cowboys of H.S.U.

Charles Haynie, son of Mr. and Mrs. C. H. Haynie of Munday, is on a trip to the coast with the Hardin-Simmons University Cowboys this week.

Haynie, one of the outstanding punters on the Cowboy football team, alternates between the backfield and end positions. He was among the 24 players who left Wednesday for California, where they will meet the San Jose State team Friday night.

Sergeant Ralph C. Skinner of the U.S. Army Recruiting Station at Vernon, Texas, visited in Munday on Tuesday of this week. Sgt. Skinner stated he would be at the Munday Post Office around noon each Tuesday for the purpose of interviewing candidates for enlistment in the U.S. Army.

### Drivers Licenses To Be Issued Here

A communication from the Texas Department of Public Safety this week indicated that a member of this department will be stationed in Munday in a short while for the purpose of issuing drivers licenses here. This comes as a result of efforts of a number of Munday people requesting this service.

The following letter to Representative Grady Roberts from J. B. Draper, chief of the driver's license division, is self explanatory:

Dear Grady,

Your letter was very much appreciated regarding issuance of drivers' licenses at Munday.

We are working on the new schedules now, and Munday is included in the new setup, which should go into operation immediately after November 1.

Sincerely yours,  
J. B. Draper

### Festival Plans For Rhineland Get Under Way

#### Committees Named For Big Event

Plans for the big "Harvest Festival" which will be held at Rhineland on Thanksgiving Day, November 27, got under way this week with the naming of committees for various phases of the celebration.

A full day of fun and entertainment is being planned, and one of the largest crowds ever to assemble in Rhineland is expected to attend.

The entrants in the Queen of the Harvest Festival are being selected, and names of these candidates will be announced next week, it was stated. A large number of young ladies are expected to compete in this contest.

The following committees have been selected:

Eats: John N. Albus, Fred Redder, Peter Loran, Chas. J. Stengel, Theo. Hertel, Fred Decker, Robert Schumacher, Joe Decker, Raymond Wilde, Leo Fetsch, Louis Homer.

Entertainment: John J. Hoffman, Peter Loran, Chas. J. Stengel, Theo. Hertel, Fred Decker, Robert Schumacher, Joe Decker, Raymond Wilde, Leo Fetsch, Louis Homer.

Refreshments: Fred L. Stengel, Henry Decker, L. Loran, Walter Jungman, Albert Andrae, John R. Klug, Seme Williamson, and Johnnie Zeissel.

Building: August Schumacher, Frank Cerveny, Ferd Fetsch, Matt Kreitz, Frank Kuehler, Vic Redder, Mike Bruckner and Joe Redder.

### Munday Girl In Dormitory Office

Denton.—Recently elected secretary of Fitzgerald Hall, Miss Jean Williams of Munday will have a big part in the activities of her dormitory this year.

Miss Williams will work with the president and will keep the records. She is a sophomore student majoring in piano and is the daughter of Mr. and Mrs. P. V. Williams.

### Mrs. R. L. GAINES IS BROUGHT HOME SATURDAY

Mrs. R. L. Gaines, who has been under treatment in a Wichita Falls hospital for a broken hip received in a fall in Munday on October 4, was brought home last Saturday. Her husband went to Wichita Falls after her.

Mrs. Gaines is rapidly recovering from her injury and arrived home in fine shape. She is a beloved pioneer of this county, and her many friends are glad to learn of her rapid recovery.

### RECRUITING OFFICER HERE ON TUESDAYS

Sergeant Ralph C. Skinner of the U.S. Army Recruiting Station at Vernon, Texas, visited in Munday on Tuesday of this week. Sgt. Skinner stated he would be at the Munday Post Office around noon each Tuesday for the purpose of interviewing candidates for enlistment in the U.S. Army.

### County Asked For an Increase In Production

#### Increased Production Of Milk, Eggs And Hogs Sought

Knox county farmers were asked today to do their part in the "Food-For-Freedom" campaign by increasing their production of milk by 370,000 pounds and eggs by 59,000 dozen in 1942.

Tentative production goals set for the county were announced by the Knox County USDA Defense Board as follows:

10,730,000 pounds of milk, increase of 370,000 pounds over 1941.  
646,000 dozen eggs, increase of 59,000 dozen over 1941.  
8 per cent increase over 1941 in number of hogs for market or to be slaughtered on the farm.

"These goals are minimum rather than maximum goals," August Schumacher, chairman of the county board, pointed out. "Perhaps the farmers of the county can produce more than enough to meet the goals. If they can, then that's all to the good. The county USDA Defense Board will consider the goals, which were submitted to us by the State USDA Defense Board, and if the local situation seems to warrant increasing the goals or if it seems necessary to reduce some of them, then we will do so."

The principal factors to consider in setting the goals, the board chairman said, are the actual productive capacity and outlets in the county. It is important, he pointed out, that the state board and the Secretary of Agriculture know definitely just how much production of the needed foods can be expected.

"We have been promised that the U.S. Department of Agriculture will use its powers to maintain fair prices for the products needed in the Battle of Food," Mr. Schumacher said. "Production of these foods is important—just as important as winning battles on the sea and on the land. I know that Knox county farmers will do their part in the production of the greatest food crop in American agricultural history."

The county USDA defense board will meet at some future date to study the tentative production goals for the county. From that meeting will go a report to the state board stating the goals as agreed upon by the county group. From now until November 1 groundwork for the farm-to-farm canvass on production pledges will be laid. During the first three weeks of November AAA county and community committees, working with and assisted by the USDA defense board, will contact every farmer and ranchman in the county with a farm plan sheet. In addition to information concerning allotments, soil-building allowance, etc., which has appeared on farm plan sheets in the past, the form this year will include a production pledge on the products needed in the Food-For-Freedom campaign, the county chairman said.

### 3,805 Bales Of Cotton Ginned

As heavy rains over all of this section of Texas halted cotton gathering again, gins in Munday were again given time to catch up with their ginning. They had been running day and night since the pretty weather of last week permitted cotton picking again.

A check of the Munday gins revealed that they had ginned a total of 3,805 bales from the 1941 crop.

The regular cotton ginnings report from the Department of Commerce, bureau of the census, Washington, shows that 5,314 bales of cotton were ginned in Knox County from the crop of 1941 prior to October 1.

Cotton ginnings at that time were close to those of 1940, the report shows, since there were 5,452 bales ginned during the same period in 1940.

The report was sent the Munday Times by Hoyle H. Sullins, special agent for this territory.

"What a Man Does For Himself Dies With Him—  
What He Does For His Community Lives On and On"—

## THE NEWSPAPER—THE TOWN—

A newspaper, if successful, enjoys support of merchants in which that newspaper is located. When you see support lacking you may as well expect to find the newspaper lacking in publishing news events. Moreover, a newspaper is an expression of how people live in the town. Less advertising reveals merchants are not going after business they should. Some business firms opine there is no reason to advertise for folks already know they are in business, and make themselves content with that belief—until too late they awaken to the all-important fact another business has gradually taken business away from them. Selling your customers on new style trends, on quality foods, and other merchandise, is a creator of greater sales. Wide-awake business firms know Rome was not built in a day, therefore they continued to work to bring more people to their stores. Nor are they willing to be satisfied that people know they are in business and let it go at that.

Mark this: it is the store that utilizes newspaper space that is a leader, and you can select any town, anywhere, and you will find this true.

The shopping public realizes a store willing to quote prices in a newspaper ad has nothing to hide, not dependent upon a competitor to make the prices and then undersell slightly. Those who wait, for a competitor's ad to appear then mark down prove themselves rather undependable in selling, and were it not for the competitor would charge more, so the advertising store should be given credit for holding down prices. Such a store deserves business, and such a store gets the business.—Exchange.

## WAKE UP, AMERICA

Defense is America's first job today. Yet we Americans must not become so preoccupied with it that unknowingly we lose the very liberties we are arming to defend.

It's time that we woke up to the fact that in the midst of this emergency, when "speed, speed and more speed" is imperative in defense production, various labor groups are trying to establish restrictions and controls that are completely alien to our American way of life. Under threat of tying up production they are setting themselves up as little Caesars to dictate liberty or the lack of it to a growing number of American citizens. And slowly, systematically they are succeeding. Here is a case in point.

Today we are arming to preserve all our freedoms—free speech included. Yet free speech is denied by labor unions to many working to defend it. In one manufacturing company turning out equipment for the Army, non-union employees are prevented by the union contract from speaking freely at their work. This is what the contract specifies: "... hostile remarks about Local 248, sneering at or insulting its members or officials, directing special attention to the buttons of rival organizations by pointing to them in front of others and similar acts of an aggressive nature against Local 248, particularly when performed by persons known for their antagonism to Local 248, have been found to interfere with shop discipline and to justify layoffs or, if necessary, discharges, according to the circumstances." Such is the order that the union has imposed upon the company. In effect it amounts to a denial of the right of free speech. In effect the union has rewritten a part of the Constitution.

If such a case were unique it would be cause enough for grave concern. But it is not unique! It is one of a long series of steps that labor has taken to increase its control in this emergency.

In the dictator countries loss of freedom was progressive. It began in small and inconspicuous ways. First it was denied a few people, then an entire nation. The same thing can happen here.

## WHAT ABOUT THE FARMER?

It is urged that agriculture be given equal representation with industry and labor in all Federal defense agencies and bureaus. That is an absolutely just demand. Food is as important as munitions to the winning of wars.

The farm labor problem has disrupted normal farm operations—the farmer simply can't pay the wages that are offered by war industries. And the farmer's other operating costs are rising dangerously fast.

The farmer asks only that he be given the same consideration that is given to other groups. That in itself is vital to the success of the defense effort.

The trouble with a perfect day is that you stay up late and feel punk the following afternoon.

To safeguard and preserve the American way of life—buy Defense Savings Bonds and Stamps.

With negligible exceptions, people play the stock market or the horse races in the hope of recouping money already lost.

That slight knock in your new car will work itself out if you forget about it; or a louder rattle will develop to divert your attention.

## THE MUNDAY TIMES

Published Every Thursday at Munday

Editor, Owner and Publisher: J. G. Roberts  
News Editor: Aaron Edgar  
Foreman: Harvey Lee

Entered at the Postoffice in Munday, Texas, as second class mail matter, under the Act of Congress, March 2, 1879.

SUBSCRIPTION RATES  
In first zone, per year \$1.50  
In second zone, per year \$2.00

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

Modesty is a shining light; it prepares the mind to receive knowledge, and the heart for truth.—Guizot.

## EIGHT POINTS AND OTHERS

There are Americans so busy talking about "communism," a subject of which they know little or nothing, that they overlook the recent action of the Soviet government in adhering to the eight point declaration of principles recently enumerated by the President and Mr. Winston Churchill.

Meeting in London the representatives of the ten allied nations endorsed the aims of the Atlantic charter, although several of them, notably Poland, Czechoslovakia and Free France, asked for "security," suggesting that there must be some safeguard against the resurrection of German militarism.

It would be natural to assume that, after the end of the present war, the victors will take all necessary steps to clinch their success. The defeat of Germany will undoubtedly be followed by stern measures, designed to prevent the rise of another Hitler.

Meanwhile, the people of this country should be prepared to support whatever measures become necessary to force the Germans to disgorge the spoils that they may have acquired from the peoples of other nations by force of arms. This refers not only to territory but also to plants, facilities and supplies.—Happy Herald.

## FUTURE WONDER WORLD

We Americans may not be riding in rocket cars or making regular trips to the moon within the next ten years or so, but other wonders are in store for us. There's a chance that some of these wonders may change our lives as completely as the automobile did, or the radio or any one of the many inventions that have appeared within the past generation or two.

That, at least, is the prediction of Dr. Robert A. Millikan, eminent physicist and Nobel prize winner. He says that the life of many during the next few decades will be "powerfully" influenced by industrial and other scientific developments that are under way at the present time.

For several of these inventions we may not have long to wait, either. In the not too distant future we may be riding in cars built partly of milk, using fuel distilled partly from sweet potatoes, over roads made partly of cotton.

According to Dr. Millikan, the post-emergency period probably will bring new developments in transportation and international communications as a result of the "enormous" progress in military aviation. Among the other advances he lists new plastics, improvements in short wave radio, better sterilization of drinking water, new knowledge of vitamins to change our eating habits, and further developments in medicine and public health.

Such advances by no means exhaust the list of improvements in store for us, however. To our children, our present-day lives will probably seem as uncomfortable and old fashioned as the lives of our grandparents seem to us today. If the scientists continue to make life more and more attractive for us here in America, we may not want to take that trip to the moon when time for it does arrive.

One large automobile company has made production changes in its new models that will result in savings of 80 per cent in nickel and 50 per cent in aluminum over the amounts previously used.

Last year 32,025,365 automobiles were in use in the United States.

Forty-five thousand different operations are involved in the manufacture of a modern airplane engine.

The United States normally uses about 60 per cent of the world's rubber production 40 per cent of the nickel, 40 per cent of the tin, 45 per cent of the chromium.

One type of large bomber being manufactured for U.S. defense can carry about enough gasoline for five automobile trips around the world.

The best investment you can find; Defense Savings Bonds and Stamps. Buy them regularly.

## PINCER MOVEMENT!

## Gems Of Thought

The modest man has everything to gain, and the arrogant man everything to lose, for modesty has always to deal with generosity, and arrogance with envy.—Rivarol.

Modesty seldom resides in a breast that is not enriched with nobler virtues.—Goldsmith.

Human pride is human weakness. Selfknowledge, humility, and love are divine strength.—Mary Baker Eddy.

The greatest ornament of an illustrious life is modesty and humility, which go a great way in the character even of the most exalted princes.—Napoleon.

Modest expression is a beautiful setting to the diamond of talent and genius.—Chapin.

## TEXAS FOOD GOALS WILL BE MET

College Station.—The largest percentage increase among the food production goals announced for Texas by the State USDA Defense Board under the 1942 "Food For Freedom" campaign, is 18 per cent in cattle and calves for marketing and farm slaughter. Other goals include a 17 per cent increase in hogs; 10 per cent in eggs; 6 per cent in sheep and lambs, and 3 per cent in milk.

The suggested increase in beef is sought for processing rather than enlargement of herds, and would represent 269,093,000 pounds more than was placed on the market in 1941.

George W. Barnes, animal husbandman of the A. and M. College Extension Service, says there should be no difficulty in reaching the goal if current or better prices for livestock prevail. Ranchmen would cull their cows closer and sell off irregular breeders, and barren and over-age animals. There are very few herds of any size in Texas, he added, which do not have a selection of these types of animals, and on account of excellent pasturage and surplus feed older cows readily could be put into condition to go to market, at 900 to 1150 pounds live weight and sold at a profit.

Since the increases requested is a matter of pounds rather than units, the good pastures, trench silos and other home-grown feed reserves have made another contribution to the program. Calves are heavier this fall than for several years and the percentages of herd calf crops is larger. Furthermore, cattlemen will give closer attention to management and breeding.

"There will be no trouble whatever in reaching the goal in eggs, provide prices remain at the present level," says George P. McCarthy, Extension Service poultryman. Producers are being encouraged to buy protein concentrate to mix with home-produced grains in order to obtain a better balanced feeding program. A high percentage of farmers have not been using other than skim milk, but with prevailing prices for eggs producers are justified in making the additional expenditure to place this supplement in the ration, he believes.

With pullets coming into production, McCarthy estimates that the 1942 production of eggs in Texas will exceed that of 1941 by more than 12 per cent. Some of the major poultry growing counties will increase their output of eggs beyond the 10 per cent goal, but no county, he added, would fall below it.

## BRIEF ITEMS ... Found ... IN OUR EXCHANGES

THE SUCCESS FAMILY  
The father of Success is—Work.  
The mother of Success is—Ambition.  
The oldest son is—Common Sense.

Some of the other boys are: (1) Stability; (2) Perseverance; (3) Honesty; (4) Thoroughness; (5) Foresight; (6) Enthusiasm; (7) Co-Operation.  
The oldest daughter is—Character.

Some of the other sisters are: (1) Personality; (2) Cheerfulness; (3) Loyalty; (4) Courtesy; (5) Care; (6) Economy; (7) Sincerity; (8) Harmony.

## Tax Savings Plan

To make it easier for taxpayers to meet the increased taxes required by the National Defense Program, the Treasury Department is offering for sale two series of notes, both dated August 1, 1941, and maturing August 1, 1943. This is known as the Tax Savings Plan, and notes are available at this bank in the following denominations:

**SERIES A: \$25, \$50 and \$100 each** (Amount acceptable in payment of income taxes limited to \$1,200 in any one tax year.)

**SERIES B: \$100, \$500, \$1,000, \$10,000 and \$100,000 each** (Amount acceptable in payment of income taxes limited only by the amount of taxes due.)

Tax Savings Notes bear interest provided they are used to pay income taxes. See this bank for details.

## The First National Bank in Munday

Member Depositor's Insurance Corporation

this world. He certainly brought with him all the hate, scorn, murder, theft, pillage, robbery and rapine that could possibly be bunched together, and what he gains will be worse than nothing when it is all over.—Stamford Leader.

Religion will take care of itself, if each individual takes care of what is being taught and therefore what the nation believes. People who do not believe in something never amount to much in the world.—Hamlin Herald.

The country is tired of these jurisdictional disputes between jealous labor leaders. It is good and fed up with it. It knows its soldiers are under-equipped with the weapons of war, and that stoppage of delivery might cost thousands of lives—might even cost the nation's life.—Abilene Reporter-News.

As a rule, critics, though they may be highly educated, are generally wiser in their own conceits than a number of men who can give a reason. A fool can criticize, but it takes a wise man to discover and correct defects.—Rochester Reporter.

Governor Coke R. Stevenson is going to be a candidate for governor next election, he announced last week in Washington. Stevenson, after a trip to the White House, told reporters that he would run for the office which he inherited when W. Lee O'Daniel was elected U.S. Senator.—State Observer.

## SALES OF DEFENSE BONDS INCREASE

Washington, D.C.—Series E Defense Savings Bond sales during five months of 1941 are 116 per cent ahead of sales in the corresponding 1940 period of Series D, or "baby" bonds, an almost identical security also intended for small investors.

Of the \$1,504,411,000 total Defense Savings Bond receipts since last May, when the Treasury's voluntary savings program was started, Series E Bonds account for \$571,216,706, or 38 per cent.

Returns on Series E Bonds for five months show a continuous increase over those for Series D from May through September 1940. In May the increase was 64 per cent. In June this rate doubled, going to 138 per cent in August and to 144 per cent in September.

Joe B. Owen of Wichita Falls, area supervisor for the State Department of Public Welfare, was a business visitor in the city last Monday.

**Thursday, October 23rd**

**BARGAIN SHOW**

**"Dr. Kildare's Wedding Day"**

with Lew Ayers, Lionel Barrymore.

under the direction of Cecil Hood. Now the band is looking forward to formations to be shown on the home field here when the Munday Moguls play Holliday next week. The band and pep squad formed a "V" for victory at Crowell when the local footballers trounced the Wildcats last week.

Still proud of the three-year-old organization that placed second to the more experienced Seymour band in Haskell at the parade, the band is practicing for future contests. The band won \$10.00 and the pep squad \$7.50 in the Haskell contest.

### Ward Teams Play Haskell There Thursday Afternoon

The Munday ward school football team, downed by the heavier and more experienced Seymour ward team here last week will journey to Haskell Thursday afternoon to play the Haskell ward team.

Coach Kennamer states most of his men are in good shape and was fairly well satisfied with the first game. Drills on blocking and tackling were given the Munday Midgets and they are expected to turn in a victory soon.

### Volleyball Begins

The volleyball girls have been practicing on setting up the ball and driving it. Miss O'Donnell and Miss Stewart divided them into two groups, the girls who set up the ball and the "spikers" or the ones who drive the ball. The main difficulties are in jumping high enough, and putting enough force behind the ball.

They received a new ball last Monday.

### Homemakers Organize

The homemaking club had a call meeting Tuesday morning at 8:30. Twenty-two members were present. They planned to meet the first Wednesday in each month. Miss O'Donnell, homemaking teacher, acted as chairman.

The club was organized and the following officers were elected:

President, Margaret Womble; secretary, Jane Campbell; reporter, Nell Clowdis. A yearbook committee was appointed by the president. Those on this committee are: Helen Williams, Latrece Johnson, Lois Wardlaw and Lola Jones.

### Sophomores Have Weiner Roast

Last Monday night the Sophomore class had a weiner roast at Mr. and Mrs. Barton's. Everyone who went had a grand time. The class enjoyed playing games after eating the hot dogs and the other food which the room mothers and sponsors supplied.

All Sophomores sent thanks to

the room mothers, Mrs. Reeves, Mrs. Barton, Mrs. Gafford and Mrs. Jones, and the sponsors, Miss Brock and Mr. Perryman.

The class enjoyed having some visitors at the weiner roast. They were Miss Beene, Patsy Jo Allen, Perry Reeves, and some of the football boys.

### Eighth Year News

The eighth year class has been studying "spot" writing, and they have really been on the spot. We did some spot writing Friday. It is very interesting and lots of fun. Some excellent themes were written by Bobbie Marie, Mary Alice, Oleta, Janie, and Lyndol.

The eighth year girls have a baseball club, sponsored by Miss Burnett. Last Tuesday Miss Burnett nearly caught a fly. Keep up the good work!

Say! Did you see that swell football game last Friday between the Munday Midgets and the Seymour Junior Wildcats. The Midgets got beat just a little bit but that's all right. Come on, boys, fight!!

### Pep Squad Organizes

In addition to the powerful Munday Midget team the grammar school organized a powerful pep squad. The head leader is Lyndal Smith of the 8th year. Carolyn Hannah of the 7th year, Charlotte Ann Williams of the 6th year, and Patsy Massey of the 8th year are the other leaders.

At the last game the pep squad was unorganized but they did some yelling that would make any team strive to win. At the next game the leaders of the pep squad will be in tip-top condition. Yea! Midgets!!

### Library in Order

The departmental grades now have a library equal to their wants and needs. They have few books, but what they have are on their own grade level.

New books will be added during the year. The great problem is trying to figure out some way to keep new books.

The most important addition to the whole grammar school is a new Webster's International Dictionary, containing 3,350 pages and 600,000 entries. The dictionary is beautiful, helpful, and above all, it's new. The departmental grades are striving to keep it that way.

### Third Year News

The zoo in the third year room will be opened to visitors the end of this week. All of the parents and friends are invited to come to the zoo. Of course, there will be plenty of guides to take you through the park and explain about the animals. We have had a lot of fun working, and are almost sorry it is over.

### Senior Report

Don't forget, folks, that the Seniors are sponsoring the skating this month. We skate every Tuesday and Saturday night. The time is 8 o'clock and the New Reduced Prices are now 10 and 20 cents—10 cents for all grammar school students and 20 cents for all adults including high school students.

The Seniors are looking forward to electing their Queen for the Carnival.

### Sophomore News

Are we thrilled about the football game? Our boys really have what it takes to win these games.

### FARMS FOR SALE

160 acres 4 miles SW Munday, improved, choice land.  
331 acres 12 miles SE Munday. Improved, good land.  
147 acres 4 miles south of Munday, improved, good land.

First Natl Bank Building  
MUNDAY, TEXAS

## TRADITIONAL CROCHET DESIGN For a Charming Modern Luncheon Set

BACK from the rich Indies, Yankee Clippers brought the lordly pineapple motif in crochet. Here it is charmingly used in repeating circles for this luncheon set with a flavor as traditional as the early New England, where the design was first used. Crochet this heirloom design for your own luncheon table, using white or ecru mercerized cotton for a crisp, firm finish and long wear. Directions for making this luncheon set may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper, specifying design #7335.

This last victory really chased away any doubts about not winning the coming games.

The Sophomore English class wrote fire prevention themes last week. Most of them looked as if they were good but they might not have sounded so good.

Three cheers for the band and pep squad for winning second place at Haskell. With a band and pep squad like that no wonder our football team is winning.

### Freshman News

Did you see us take that Crowell team? Boy! Munday is surely on the road to district championship! Our Moguls are taking 'em comin' an' goin'!

Friday the Junior Business Class went to Spann's Tailor Shop and the Rexall Drug Store for business information. At Spann's we saw the different machines and files. In the Rexall we watched a typewriter at work.

### We'd Like to Know

What Dick was muttering about Friday?

Why Elma and Latrece were sleepy Friday?

Why Lloyd borrowed notes from Elma? (Who ever heard of "borrowing notes"?)

Why Latrece was so happy when she got to Crowell?

Why Patsy was in a hurry to get back to the field from town?

Why Dickie wanted to dance so badly?

Who Berniece was looking for in blue and white football jackets?

### Elementary Choral Club

The elementary choral club, under the direction of Miss Holcomb, has been working on Ciribiribin and A Song of Home. These numbers will soon be mastered and they plan to work up the songs required for Interscholastic League.

The sextet is working on The Bells of St. Mary's and Gently Falls the Night.

### Fifth Year Rooms

The fifth year rooms, under the direction of Miss Holcomb and Miss Beene have made Safety and Health posters the past two weeks. The enrollment is increasing. At present there are 45 students in the two rooms.

The boys have organized a playground ball club, and the girls a pep squad.

### First Grade News

Last week was a very interesting week for the first grade class. Rapid progress is being made in the Rhythm Band.

We designed an interesting and

attractive border for an October bulletin board. The children brought pictures that represented the month of October.

Last Friday we had a birthday party for Carrie Barnes, Betty Sue Rutledge, Wayne Bradford, Bobby Jack Guffey, and Anna Ruth Stodghill. These children's birthdays were in the months of August, September and October. We plan to have a party once a month for children whose birthdays come in that month.

Stories were read to the children, while the mothers prepared the refreshments, which consisted of birthday cake and punch.

Guests for our party were Mrs. Robert Guffey and two small daughters, Mrs. J. B. Barnes, Mrs. A. M. Moore, Mrs. A. Rutledge, Mrs. J. L. Stodghill, Jack Colley, Betty Stodghill.

Three room mothers brought refreshments and left before the party. They were Mrs. S. V. Colley, Mrs. Levi Bowden, Mrs. Joe Patterson.

### Junior News

The Juniors report plenty of hard study this last week. There were History workbooks to fill out, fire posters to make, and it seemed like a big rush to get everything in. In English we also have new workbooks. The Juniors all seem pleased about the way the game came out at Crowell last Friday night, and are looking forward to the game with Holliday.

### And We Wonder . . .

Why Patsy Ruth yells at 12:30 and is so quiet in all her classes and otherwise? (Could it be because she is pep leader?)

Why Retta Jo is so interested in No. 92?

Who is the "Betty" of Sand Springs? (Could it be the one to whom Delmar was writing in 4th period S.H.)

Why the "3 Jeans" are so interested in Seymour.

Why Margaret can't make up her mind . . . Munday or Seymour?

Why Earl's competition is a green pickup from Weinert?

Who it is "Sesh" calls gorgeous? (A blonde?)

Why "Killer" has time for all things, including fishing?

Why Bonnie Jean still thinks of that Junior first?

Why Jean Johnson takes unusual interest in No. 88?

Why Joe cut the corner so fast the other night? Was it to save 40 feet or a gallon of gas? You see Joe's convertible uses plenty of gas.

Mrs. J. J. Johnson of Auburn, Washington, and her brother, Clifford More of El Centro, Calif., have been visiting relatives and friends here for the past week.

Mr. and Mrs. Carl Mahan and daughters of Abilene visited relatives and friends here over the week end.

Mr. and Mrs. H. A. Pendleton, Jr., of Wichita Falls spent last Sunday with Mr. and Mrs. H. A. Pendleton, Sr., and with other relatives and friends.

Mr. and Mrs. J. C. Harpham were business visitors in Dallas last Sunday.

Miss Lera Irick of Throckmorton visited relatives and friends here over the week end.

## Defense Bond Quiz

Q. Has the Government set a quota to be raised through the sales of Defense Savings Bonds?

A. No; there is no quota and no time limit. The Defense Savings Program is to be a continuing effort, and both Defense Bonds and Stamps should be purchased steadily and regularly.

Q. Why were the nation's retail stores asked to sell Defense Savings Stamps?

A. American retailers were not asked—they volunteered through their national organizations to undertake the sale of Defense Savings Stamps on a vast scale.

Q. How many Defense Savings Stamps does it take to fill an album.

A. Seventy-five 25-cent stamps; seventy-five 50-cent stamps; seventy-five \$1 stamps; or fifteen \$5 stamps. The completed albums are immediately exchangeable for Defense Bonds (Series E) at your post office, or through your bank.

Q. Who directs the National movement to sell Defense Savings Stamps in retail stores?

A. The Treasury's Retail Advisory Committee, of which Benjamin H. Namm, of the National Retail Dry Goods Association, is chairman. Officers of 13 other great national retail organizations comprise the committee.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treas-

urer of the United States, Washington, D.C. Also Stamps now are one sale at most retail stores.

## LOCALS

Hal Dyer of Seymour was here Monday attending to business matters pertaining to the Community Natural Gas Co. Dyer is manager of this district with office in Seymour.

District Attorney C. E. Blount of Paducah was a business visitor in the city Monday.

Mrs. Allen Seale of Dallas spent the week end here, visiting with her parents, Mr. and Mrs. C. R. Parker. She came to attend the funeral of her grandmother, Mrs. Reese.

Mrs. Ellen Bounds returned home last week after spending several weeks visiting with relatives in Odessa.

County Clerk M. T. Chamberlain of Benjamin was a business visitor here last Saturday.

Sheriff Louis Cartwright was a business visitor in the city Monday afternoon.

Mrs. Don Ferris left last Saturday afternoon for Sweetwater, where she is visiting her parents, Mr. and Mrs. C. E. Binnion, and other relatives this week.

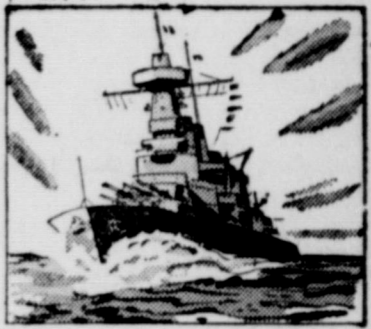

Travis Jones was a business visitor in Dallas last Monday.

# Fall in!

With more than 60 per cent of their efforts devoted to defense work, General Electric workmen, technicians, and engineers are in the front rank of America's defense.

1. The U.S. Army carries pack howitzers wherever man and mule can go. General Electric is making them on machines that once made electric motors.

2. Big as a house is a battleship's transmission. General Electric makes the gears, and the turbines that drive them, for four U.S. battleships launched recently.

3. Plane engines smothered for lack of air at high altitudes until the turbosupercharger, largely developed by G-E engineers, enabled them to fly seven miles up.

4. You depend on your radio for entertainment, but in the Army and Navy lives depend on radio communication. General Electric makes sets for the Signal Corps.

General Electric believes that its first duty as a good citizen is to be a good soldier. General Electric Company, Schenectady, N. Y.

## What You Should Know About Vitamins

### Vitamin B Complex

As the word "complex" indicates, Vitamin B Complex is composed of a group of nutritionally essential substances. They are vitamins B1, B2, B3, B4, B5, B6. First we will take Vitamin B1, (thiamine hydrochloride), is a white crystal or crystalline powder with a slight yeast-like odor. It melts at about 245 degrees. It is very soluble in water—one gram (about 15 grains) will dissolve in 1 cc (about 15 drops of water). It is very slightly soluble in alcohol, insoluble in ether or benzene, and decomposes quickly when exposed to alkalis.

Lack of appetite; peripheral neuritis; retarded growth of infants and children; impaired digestion, and improper assimilation are symptoms that you need Vitamin B1.

Dose for adults, 1 mg. to about 20 mg. daily; for infants, .15 mg. to about 2.5 mg. daily. In acute cases more may be needed, according to doctor's instructions.

## Bonner Baker And Miss Coggins Are Married Oct. 7th

Announcement was made last week of the marriage of Lieut. Bonner Baker of Munday and Miss Catherine Coggins of Weinert. The couple were married in Abilene on Tuesday, October 7, with Dr. M. A. Jenkins officiating in the ring ceremony which was read in the parsonage of the First Baptist church in Abilene. The bride wore a navy blue ensemble with white accessories. Miss Gladys Martin of Anson was maid of honor and the groom's brother, Roy Baker of Knox City was best man.

Mrs. Baker is the daughter of Mr. and Mrs. J. F. Coggins of Weinert. She attended the Weinert schools and an Abilene business school.

Lieut. Baker, who recently received his second lieutenant's commission at Ft. Monmouth, N.J., was reared in Knox county and is well known over the entire county.

The couple left immediately following the ceremony for Fort Sam Houston, where Lieut. Baker will be stationed with the Second Signal Corps.

Mrs. Roy Baker of Knox City and Clay Coggins of Rotan, brother of the bride, also attended the wedding.

## Foy B. Barnett And Miss Lillian Tiller Marry on Friday

Pvt. Foy Bain Barnett and Miss Lillian Tiller, both of Goree, were united in marriage last Friday afternoon at six o'clock in Seymour. Rev. T. C. Willett, Methodist pastor, performed the double ring ceremony.

Miss Jackie Flesher acted as bridesmaid and Harvey D. Arnold, Jr., was best man. Immediately following the ceremony, Mr. and Mrs. Barnett left for Dallas for a brief visit.

Mrs. Barnett is primary teacher in the Goree schools. She will continue her work in the school for the year. Mr. Barnett is with the 36th division at Camp Bowie, and will report for duty again on October 22.

The bride is the daughter of Mr. and Mrs. A. C. Tiller of Elysian Fields. She received her education at N.T.S.T.C., Denton, and has been employed in the Goree schools for the past three years.

Mr. Barnett received his education in Bridgeport high school. After graduation he entered business with his father.

## Methodist Stewards, Wives Entertained On Monday Night

Rev. and Mrs. Luther Kirk entertained members of the Board of Stewards and their wives with a buffet dinner at their home last Monday night.

Special guests for this lovely affair were Rev. T. M. Johnston of Stamford, district superintendent, and Mrs. Johnston. Following the dinner, the stewards assembled for the regular business meeting of church officials.

Present were Lee Haymes, Mrs. A. H. Mitchell, and Messrs. and Mrs. E. W. Harrell, R. D. Atkinson, M. F. Billingsley, E. B. Bowden, L. S. Hardgrave, L. M. Palmer, J. A. Caughran, J. C. Borden, C. H. Giddings, Oates Golden, W. A. Baker and W. R. Moore.

## County Federation Meets Friday With Mrs. E. F. Heard

Mrs. E. F. Heard of Goree was hostess for the county federation of study clubs in a meeting last Tuesday afternoon at 2:30 o'clock. Assistant hostesses were Meses. Forrest Daniel, Roy Jones and Orb Coffman.

Mrs. Ulric Lea of Knox City honor guest and speaker for the afternoon. She gave an interesting talk on proper foods and our part in the defense program. The guests were also entertained by six girls who sang two selections: "The World is Full of Beauty," and "America." The group joined in singing the latter.

The following representatives were present:

Goree: Meses. J. W. Baughman, S. E. Stevenson, Norman Rogers, Henry Coffman, Jim Goode, Charles Heard, Will Ratliff, Ernest Ingram, Roy Maples.

Knox City: Meses. C. C. Hogue, Ulric Lea and B. B. Campbell.

Benjamin: Meses. J. W. Melton, Leroy Melton, Merick McGaughey, Earl Sams and Carl Patterson.

Munday: Meses. Dorae Rogers, J. A. Wiggins, W. M. Huskinson and H. A. Pendleton.

## The Knew Klub Meets Monday In Holder Home

Members of the Knew Klub were entertained last Monday night in the home of Mr. and Mrs. D. E. Holder, Jr. Several games of bridge were enjoyed, and high score honors went to Mr. and Mrs. Carl Jungman.

The hostess served a refreshment plate to Mr. and Mrs. Jungman, Mr. and Mrs. Paul Pendleton, Mr. and Mrs. Gene Harrell, Mr. and Mrs. Fred Broach, Jr., Mr. and Mrs. R. B. Davey, Jr., and the host and hostess.

## Sewing Club In Meeting Tuesday With Mrs. Green

Members of the Mystic Weavers Sewing Club were entertained last Tuesday afternoon in the home of Mrs. Deaton Green.

After sewing and visiting for some time, the members were served a delicious dessert plate.

Present were Meses. Chester Burden, Riley B. Harrell, R. B. Bowden, Oates Golden, H. B. Douglas, Chester Bowden, S. V. Colley and the hostess.

## Vera H.D. Club Meets Oct. 8th With Mrs. Beck

The Vera home demonstration club met October 8 with Mrs. Ernest Beck. The president, Mrs. Sam Shipman conducted the opening exercises.

After the business session, Mrs. Neva Van Zandt gave a very interesting talk on balanced meals prepared from home-canned foods. An attractive refreshment plate was served to a good number of members and guests.

The next meeting will be with Mrs. Mack Hayes on October 22. All members are urged to be present as officers for the coming year will be elected.

## Munday Study Club Meets Friday; Mrs. Ratliff Director

The Munday Study Club met on Friday, October 10, in a regular meeting at the club house. Mrs. Don L. Ratliff, program director for the afternoon, read the poem, "They Came."

The song, "My Sister and I" was sung by Polly Silman, accompanied by Lorene Silman at the piano. Mrs. Chan Hughes reviewed the book, "My Sister and I" by Dirk van der Heide.

Mrs. W. L. Barber acted as hostess. The following member were present: Meses. W. L. Barber, H. F. Barnes, J. C. Borden, Fred S. Broach, J. R. Burnison, S. V. Colley, J. C. Harpham, R. B. Harrell, Chan Hughes, Marvin Huskinson, Don L. Ratliff, M. H. Reeves, Jim Reeves, Dorae Rogers, J. A. Wiggins and H. A. Pendleton.

Howard Cobb, a former teacher in the Munday schools, visited friends here Wednesday night and Thursday. Cobb, who has been at New Orleans, La., has been transferred to Denton as assistant manager of a new McCrory store there.

## Tailored "Cords"

Among the smartest of the new back to school cottons, is this two-piece cotton corduroy ensemble. The tailored jacket and skirt with front kick-pleat are good for classroom and campus wear. A white tailored cotton shirt is worn under the jacket.

## Two Marriages Performed Here By Baptist Pastor

Two wedding ceremonies were performed during the week end by Rev. W. H. Albertson, Baptist pastor.

Mr. Eulice Booe and Miss Elsie Hodgins were united in marriage at the Baptist parsonage on Friday evening, October 10, at 9:30 o'clock.

James B. Steward and Miss Bernice Hudson, prominent young people of the Hefner community, were married at the Baptist parsonage on Saturday evening, October 11, at 7:30 o'clock.

## Wesleyan Service Guild Meets For Bible Study

Members of the Wesleyan Service Guild met on Monday night, October 13, for Bible study. The devotional was led by Mrs. Oscar Spann, and Mrs. Ellen Bounds conducted a very interesting Bible lesson.

Members present included Mrs. Oscar Spann, Mrs. Joe B. King, Mrs. Layne Womble, Mrs. Bounds, and Misses Ruth Baker and Merle Dingus.

## Regular Meeting Of Munday PTA Held Wednesday

The regular meeting of the Munday P.T.A. was held Wednesday afternoon, October 15, and was under the direction of Mrs. Robert Purifoy. The devotional was led by Rev. Luther Kirk, who stated the fact that a Christian home is both essential and reliable in our community and in America for the building of our nation.

A sing-song of patriotic songs was led by Mrs. L. M. Palmer. The discussion "The Home in the National Picture" was given by Mrs. J. O. Bowden and was based on an article in the September issue of the National Parent-Teachers magazine by Florence Bingham. Mrs. Bowden stated that our homes are the goal for the nation to be. The family, which is a complex relationship of humanity; and the home, which is the national shelter and environment, is a vital force in a democracy.

A short business meeting followed the program. The next meeting will be November 19.

Jack Seagraves of Wichita Falls, industrial engineer for the Community Natural Gas Co., was a business visitor here Wednesday.

## HERE FROM FLORIDA

Mrs. Wm. P. Farrington of this city returned Monday afternoon from a several weeks visit in St. Petersburg, Florida. Accompanying Mrs. Farrington home were Dr. Charles L. Farrington, in whose home she had been visiting, and his little daughter, Charlotte. Dr. Farrington and daughter will visit friends and relatives in this section for several days.

One out of every 11 acres of crop land in the 10 leading states is unprofitable for row-crop cultivation, according to H. H. Bennett, chief of the Soil Conservation Service.

## Attractive Everyday Foods Are Prepared in Demonstration Friday

"Attractive Everyday Foods" was the demonstration given Friday, October 10, at Benjamin by Extension Agent Neva Van Zandt, assisted by Mrs. W. E. Lowrance of Sunset, Miss Myrtle Munday, and Mrs. J. T. Murdock, Hefner. Thirty-four women, representing the eight home demonstration clubs of the county attended.

"Are We Well Fed" was the question asked and interpreted by Mrs. Van Zandt. In conclusion she stated that according to a survey made by the U.S. Bureau of Home Economics, only one fourth of the families in the United States have diets that could be rated as good. The families who have poor diets are found in the various income classes, showing that ignorance is one great cause of the nation's nutrition problem. "High incomes do not guarantee the right food" stated Mrs. Van Zandt as she named the common foods: pinto beans, yellow meal corn bread, oatmeal and sorghum as containing large amounts of the food elements so

often lacking in the diet. The club women agreed that producing food at home definitely pays in better diets, and that a part of their job in the Nation's Nutrition Program is to help educate people as to their food needs and how to get them.

The following foods were prepared to illustrate low-cost but well-balanced meals for one day:

- Breakfast**  
 Polled oats cooked in milk  
 Crisp bacon Hot dried apple sauce  
 Biscuit cinnamon rolls (enriched flour)  
 Coffee or milk
- Dinner**  
 Tomato Crown (Tomato, Onion sausage or hamburger)  
 Baked Irish Cabbage slaw (cream dressing)  
 Whole wheat bread Butter  
 Baked brown rice and date pudding  
 Milk
- Supper**  
 Cabbage Casserole  
 Beets with French fried

sour sauce sweet potatoes  
 Corn Muffins Butter  
 Whole wheat ginger cake  
 Milk

## WASHBURN NEWS

Health in the community is good at this writing.

Mrs. L. A. Searcey and Mrs. T. B. Gulley and children spent Sunday with Mr. and Mrs. A. L. Smith and family of Munday.

Mrs. Mann Broach spent last Sunday with her mother, Mrs. Hackfield, of Knox City.

Mr. and Mrs. Delmar Hill of Sunset visited Mr. and Mrs. A. M. Searcey last Sunday.

C. N. Smith received a message last week informing him of the death of his sister, Mrs. G. B. Neill of Merkel. Mr. Smith was unable to attend on account of a recent operation. Mrs. Smith and two daughters, and Mrs. J. R. King attended the funeral.

Mr. and Mrs. Charlie McAfee of Sunset visited relatives in this community last Sunday.

Maggie Searcey visited Olive Dobbs of Munday last Sunday. Mr. and Mrs. Clarence Booe vis-

ited relatives near Weinert last Sunday.

Mr. and Mrs. C. Y. Morris of Rule visited Mr. and Mrs. C. N. Smith here last week.

Mr. and Mrs. A. M. Searcey and daughter Maggie were in Seymour shopping last week end.

Bernice Stubblefield of Munday visited Jane Hill last week.

Mr. and Mrs. H. C. Gulley visited his parents here last week end.

## Weather Report

Weather report for week ending October 15, 1941, as recorded and compiled by H. P. Hill, Munday, U.S. Co-operative Weather Observer.

## PRESTO! CHANGO!

There's magic in our Zip-Lane! A mere flick of the wrist gives you a smart coat for cool autumn (and early spring) days... or a snugly warm coat that defies the coldest weather. The trick? The handsome zip-in lining! For Fall, you'll wear this soft fleece ulster, with guaranteed satin lining. When "the north wind doth blow," you'll zip in the extra lining. There's magic, too, in the style, fit and service of our Zip-Lane.

**THE MUSTANG** . . . News from Benjamin High School

Editor . . . . . Alonzo Cartwright  
 Assistant Editor . . . . . Lee Bivins  
 Sports Reporter . . . . . Pete Rutledge  
 Senior Reporter . . . . . Edna Earl Ruseell  
 Junior Reporter . . . . . Glenda Rutledge  
 Sophomore Reporter . . . . . Connie Patterson  
 Freshman Reporter . . . . . Elmer Covey  
 Faculty Sponsor . . . . . Miss Cole

**Sports Report**

After a good start Friday, at Mattson, the Mustangs were overtaken by injuries and turned back 18 to 12.

Alonzo Cartwright returned the opening kickoff for a touchdown, giving Benjamin the first quarter, 6 to 0. In the second period a fumble behind the goal line gave Mattson a safety. A few plays after getting possession of the ball on downs, Stark of Benjamin, scored from the 30. The half ended 12 to 2 in favor of Benjamin. The third quarter was scoreless and early in the fourth both Spikes and Keith Cartwright were injured. The replacements lacked experience and weight, and although giving good account for themselves, the team was unable to stop Mattson's thrust.

The Mustangs play Sagerton at Sacerton Friday, October 17, after which the remaining games will be played at home.

**Imagine . . .**

Glenda and Francis going to Knox City on Saturday nights.  
 Pete having a serious thought!  
 Mat reciting in Speech!  
 Lester not being embarrassed!  
 Alonzo not arguing!  
 E.C. going to the carnival!  
 Louise giggling!  
 Elda Pearl being in the typing room!

**Senior Report**

Wow! These six weeks exams are over and the Seniors are still in high spirits, which is more than we expected. The Seniors are proud of their grades and are

starting the new six weeks intending to make them better than ever. We have planned a class meeting for Monday afternoon, October 13, at 3:30. The purpose of the meeting is to plan ways in which to make money to finance the Senior trip next May.

**Senior Personality**

Nadene Parker was born at Gilliland, Texas, in 1925. She later moved to Benjamin, started to school here, and has not gone to any other school.

Her favorites are:  
 Teacher—all.  
 Color—blue.  
 Sport—basketball.  
 Song—Blue Champagne.  
 Subject—Speech.

**Junior Report**

The Junior class is sponsoring a Box Supper and Cake Walk on Friday night, October 17. We promise everyone a grand time, and we would like to see as many as possible attending. We would appreciate girls bringing cakes, and boxes. "Everyone Come!"

Junior Personality . . . James "Chris" Marlow was born April 4, 1924. He is the Junior secretary and treasurer. Chris has black hair, brown eyes, and a fair complexion. He is five feet, six inches tall, and girls, he's a real cowboy! Some of his favorites are:  
 Color—Blue.  
 Teacher—All of them.  
 Sport—Football.  
 Song—Yours.  
 Girls—Blondes.

**Sophomore Class**

The Sophomore class is planning a party, Friday night, October 17, at the home of Mrs. Galloway. Mrs. Spikes and Mrs. Galloway will serve refreshments.

Sophomore Personalities:—Connie Ray Patterson was born December 10, 1926, at Ranger, Texas, where he first attended school. He is the Sophomore reporter. Some of his favorites are:  
 Sport—Basketball.  
 Teacher—Miss Cole.

**TURKEY GRADING SCHOOL**

A state turkey grading school will be held at College Station on October 27 and 28.

All the associations that intend to do government grading on turkeys are urged to have a representative at this school.

This will be a general educational school in addition to carrying on work for licensed graders. The present plan is to do live grading, dressed grading, killing and dressing, packaging and other educational work along these lines.

With the stress that is now being placed on quality turkey, it is an opportune time for not only the processors but the producers to take advantage of this turkey grading school.

Mr. and Mrs. Gilbert Green of Wichita Falls visited in the homes of their parents, Mr. and Mrs. Carl Green and Mr. and Mrs. M. L. Jacobs, over the week end. Gilbert was formerly employed at the Clover Farm Store of this city, and is now with the E-Z Grocery of Wichita Falls.

**Knox County Hospital Notes**

Patients in the Knox County hospital October 14, 1941, include: A Rutledge, Munday; Reecie Bogie, Texarkana; Roy Woodward, O'Brien; Mrs. Deroy Drake, Goree; Mrs. Esker New, Truscott; Mrs. R. L. McLeroy, Munday; Mrs. Bob Jones, Knox City; Mrs. Lilly Brown, Munday; Miss Gayle Preston, Abilene; Mrs. Nancy Nicholson, Munday; Cleo Lynch, Denison; Mrs. Shelby Bell, O'Brien.

Dismissed since October 7, 1941, were: Mrs. Royce Stephens, O'Brien; Mrs. W. N. Bishop, O'Brien; Mrs. C. R. Elliott, Munday; Carlton Mooney, Seymour; Mrs. Francisco Garcia (Mex.) Munday; Mrs. J. W. Tankersley, Knox City; Amos Davis, Grandbury; Verna Bell Jenkins, Weiner; Baby Kirk, Tyler; Mrs. H. A. Cox and baby daughter, Rochester; Wayman Smith, Munday; Mrs. F. W. Brown, Vera; Mrs. Harold Merriman and baby daughter, Throckmorton; Baby Riggsby, Ruidoso, N.M.

**BIRTHS**

Born to . . . . .  
 Mr. and Mrs. H. A. Cox, Rochester, a daughter.  
 Mr. and Mrs. Deroy Drake, Goree, a son.

**DEATHS**

Baby Drake, Goree.

**New Seed Law Protection For Texas Farmer**

Austin.—The new Texas Seed Law, passed by the 47th Legislature, will help eliminate one of the hazards of farming—that is, questionable seed, according to J. E. McDonald, State Commissioner of Agriculture. The law requires that all seed offered for sale for planting and sowing purposes must be tagged, giving commonly accepted name, germination percentage, mechanical purity and other information. Thus, farmers will be able to buy seed for planting purposes without taking risks as to its actual value.

Because other states had more stringent laws governing the sale and shipment of seed, it was necessary that a uniform law be drawn in order to protect Texas farmers from the practice, by local as well as out of state firms and individuals, of "dumping" inferior seed into the trade channels of Texas. The new act, designed by agricultural leaders and Texas Seed Council, was passed by the legislature as emergency legislation. The vote was 129 to 3 in the House and without dissenting vote in the Senate.

"The use of good seed is a vitally important factor in any farm production program," states a pamphlet on the new law issued by J. E.

**LOST**—2 whiteface club calves, weight 500 each. G. C. Conwell, Goree, Texas. 1tp

**People, Spots In The News**

**AIR BATTLESHIP**—The 70-ton flying battleship for the U. S. Navy nearing completion at the Glenn L. Martin plant near Baltimore. The 200-ton foot wingspread of the ship will lift a load of 150 fully equipped men, according to the builders.

**1941 INFANTRYMAN** Sergeant Daniel Rosser, Ft. Benning, Ga., poses as the "United States Infantryman of 1941" with new type steel helmet that combines the best features of the British and German types. Lose-fitting breeches and comfortable puttees feature the outfit.

**APPLE QUEEN**—Dorothy Adams, who will be Queen of the Hudson Valley Apple Harvest Ball, joins her subjects to pick one of the big-crop years and help relieve labor shortage due to defense work and the draft.

McDonald, Commissioner of Agriculture, and Linden Jones, chief of the Seed Laboratory Division. "If the farmer will plant seed of known quality, a more uniform stand will be obtained, resulting in a substantially increased volume for our farm families."

There is nothing in the Act to prevent one farmer selling to another farmer seed grown on his farm when such seed is not advertised in the public press outside the vendor's county, and not shipped by common carrier.

If the farmer leaves on consignment or sells planting seed to a merchant, processor or seed dealer in his home county, the dealer is required to have the seed tested and tagged before it is offered or exposed for sale.

Anyone shipping seed to other states must comply with the seed laws of the state into which such shipments are made. "The Texas

State Department of Agriculture will be glad to furnish shippers with information as to the noxious weeds of other states, and will make a free examination of such seed to find if any noxious weeds are present in their shipments," McDonald said.

Mr. and Mrs. G. W. Haney and son, Lee Haney, spent Wednesday in Wichita Falls, visiting in the home of Mr. and Mrs. Tom Haney. While there, G. W. made an inspection of Sheppard Field.

County Agent and Mrs. R. O. Dunkle and son, Glen, of Benjamin visited in the home of Mr. and Mrs. Aaron Edgar last Sunday afternoon.

P. V. Williams spent the latter part of last week in Dallas and attended the Texas University-Oklahoma University football game there Saturday afternoon.

Deputy Sheriff Orvel Capehart of Benjamin was a business visitor here last Monday.

**"MY 5 CHILDREN** and I use ADLERIKA when needed; have kept it on hand for 20 years." (C.C.-Mass.) ADLERIKA with its 3 laxative and 5 carminative ingredients is just right for gas and lazy bowels. Get ADLERIKA today. City Drug Store

**SEED WHEAT For Sale** . . . I have the early variety Blackhull wheat. \$1.25 per bushel. C. R. Elliott. 16-2tc

**At The Churches**

**METHODIST CHURCH NOTES**

Luther Kirk

Jesus believed that human personality had very great possibilities, and envisioned these possibilities far beyond their present attainment. It is therefore the task of the Christian Church to realize Jesus' vision in the training of our own growing generation and those to come. This realization cannot be achieved by short cuts nor by mere chance. Is the church, so far as you are concerned and so far as you are able to help, doing its best? Friends, let us shoulder arms for Christ.

Attend church Sunday.  
 Service at the Methodist:  
 Sunday School 10 a.m.  
 Morning Worship 11 a.m.  
 League 6:45 p.m.  
 Evening Worship 7:15 p.m.  
 Dr. George S. Slover, former pastor, will bring the message at the morning hour. Bring your lunch and we will spread together after the service. You help make this a glorious occasion by lending your presence and prayers.

**FIRST BAPTIST CHURCH**

All services at the regular hours Sunday. We are asking for a meeting of the deacons immediately after the close of the service Sunday morning. Some very important business should be cared for. We would like to have every deacon present.

Sermon subject for Sunday morning, Rejoicing in the Lord. W. H. Albertson.

Sied Waheed was a business visitor in Wichita Falls last Tuesday.

Ed Bauman was in Dallas Wednesday, attending to business matters.

Miss Evelyn McGraw, who is attending Weatherford Junior College, spent the week end here with her mother, Mrs. Erin McGraw.

**STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.**

of The Munday Times, published weekly at Munday, Texas, for October 1st, 1941.

State of Texas  
 County of Knox, ss

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Grady Roberts, who having been duly sworn according to law, deposes and says that he is the owner of The Munday Times and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, (and if a daily paper, the circulation) etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Grady Roberts, Munday, Texas.

2. That the owner is: Grady Roberts, Munday, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: Mergenthaler Linotype Company, Brooklyn, N.Y.

GRADY ROBERTS, Owner  
 Sworn to and subscribed before me this 14th day of October, 1941.  
 Seal Harvey Lee.  
 (My commission expires June 1942)

Phillips says frankly:

"THIS OIL IS  
**OUR  
FINEST  
QUALITY**"

Whether you buy a single quart, or a crankcase-full, what you want is top oil quality at an economical price.

And you'd like assurance in advance that you are getting the kind of quality which will meet and beat the high heat of your modern high-speed engine.

So to those who want our best oil, we frankly say: Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

For replacing summer-thinned lubricant, or for the normal 1,000-mile change, ask for Phillips 66 Motor Oil.

**PHILLIPS 66 MOTOR OIL**

**News From Goree**

Mrs. Forrest Daniell left Saturday evening for Abilene to be with her sister, who is ill.

Barton Carl spent the first of this week in Dallas, attending market and purchasing merchandise for his store in Goree.

Mr. and Mrs. Jack Ford of Plainview were visitors in the home of Jack's parents, Mr. and Mrs. A. E. Ford, last week.

Mr. and Mrs. A. J. Beaty of Wichita Falls were visitors in the A. E. Ford home last week end. Mr. and Mrs. Jack Ford visited several friends in the Hefner community, where Mrs. Ford, the former Nell Walton, lived before her marriage.

The Condon reunion, which has been held for 25 years, was held at Seymour Park on October 5th. Fifty-two members were present, and a happy day was reported with stories of early days being discussed.

Rev. and Mrs. Jess Gray have moved to Rochester to make their home. Rev. Gray will have work in that field.

Mr. and Mrs. S. P. Heard and children of Rule were Sunday visitors in the home of Mr. and Mrs. Ed Vandiver.

Mr. and Mrs. A. E. Bowley and son of Munday spent Sunday in the home of Mr. and Mrs. Mack Tynes.

Mrs. J. T. Lawson left last week to spend some time with her children in Dallas.

Mrs. Grady Bridges and daughter, Sally, of Archer City spent the week end in Goree, visiting her parents, Mr. and Mrs. S. F. Farmer.

Mr. and Mrs. Louis Payton and daughter, Sue Ann, of Archer City were visitors over the week end with Mrs. Peyton's parents.

Mr. and Mrs. Ira Stalcup and son spent Sunday in Seymour visiting Mr. and Mrs. John Edwards.

Mr. and Mrs. Jack Coy and little daughter, Frankie Lee, of Old Glory spent the week end with Mr. and Mrs. Frank Hill.

John Williams, who is employed at Rule, was a week end visitor with his parents, Mr. and Mrs. Ben Williams.

Mr. and Mrs. Bryan Lawson and daughter, Nancy Ann, spent Sunday in the home of Mr. and Mrs. Jack Moore, celebrating the birthday of John and Joe Moore.

Mrs. Sam Warren and son, Dickie, of Plainview spent the week end with Mrs. Warren's parents, Mr. and Mrs. J. C. Morton.

Mr. and Mrs. Louis Blankenship and Mrs. Claud Vance spent Sunday visiting in Abilene.

Mr. and Mrs. Cherry Moore have brought their little daughter, Brenda Kay, home from the Haskell hospital, where she has been under special care since her birth. The young lady has gained two pounds and is doing fine. She now weighs almost 6 pounds.

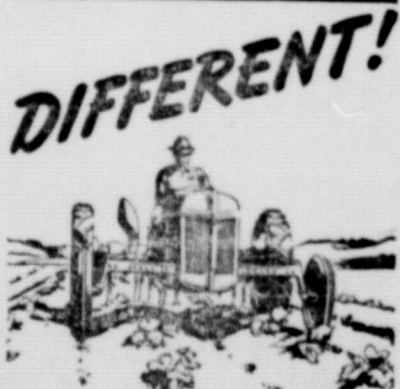

Mr. and Mrs. S. Westerman of Seymour were visitors in the home of Mr. and Mrs. Frank Hill last Sunday.

Mmes. Henry Coffman, Jim Goode and Buster Coffman were business visitors in Wichita Falls last Monday.

J. M. Hutchens of Dallas, son of E. A. Hutchens, was a visitor in Goree the past week. Mr. Hutchens came in unexpectedly and it was a happy surprise for his relatives.

Hoyt Gilbreath of Weinert was a business visitor here Monday morning.

Glenn Burnett of Benjamin was a business visitor here last Monday.

**Food-For-Freedom Campaign Starts**

College Station.—Agricultural workers of Texas will gather in College Station October 27 for a state-wide kick-off meeting in the USDA's "Food-For-Freedom" campaign.

Representatives of all agricultural agencies, farm organizations, and agricultural publications are being invited to attend the meeting, according to B. F. Vance, chairman of the Texas USDA Defense Board.

Scheduled for discussion at the meeting are statements by specialists in the production of the various foods required for defense as to how production can be increased; outline of the plans for the farm-to-farm production pledge sign-up; and statements by various groups as to the work they are doing to encourage increased food production.

Following the state-wide meeting similar meetings will be held in each of the 13 agricultural conservation districts of the state, Vance said. The district meetings will follow the same general plan as the state meeting. After the district meetings, county workers will hold county and community meetings in connection with the farm sign-up.

Texas farmers are not waiting for the sign-up to start increasing production, Vance pointed out. Various agencies and farm organizations already are holding community meetings to acquaint farmers with the food needs for defense and, according to reports received by the board, production is rising steadily.

**LOCALS**

Mr. and Mrs. Hal Fairman of Vernon visited relatives and friends here the first of this week.

Billy Arthur Lee, who is attending N.T.A.C. at Arlington, spent the week end with relatives and friends in Munday.

## I GIVE YOU TEXAS

By Boyce House

Governor Coke Stevenson is a good story-teller. Here's one that's credited to Texas' pipe-smoking chief executive:

On his ranch near Junction, he had working for him a cowhand who was the second biggest liar in the world, Stevenson figured. He had already fired the biggest.

And he thought he ought to have a heart-to-heart talk with the second cowboy, so the Governor told him how the other man had been let out because the rest of the crew couldn't abide the fellow's lies.

"Yes, I know," and the cowhand shook his head.

Stevenson continued, "Now, take what he said about the trees in East Texas being 800 feet high—"

The cowboy broke in, "Yeah, the trouble with that guy was he just never had seen any real trees like we have up in my country."

What sort of fellow is Gene Carrigan, manager-coach of the Fort Worth Rangers, who will introduce Texas' newest sport, ice hockey, on the night of Nov. 5 in Will Rogers Coliseum? Carrigan is over six feet, weighs more than 200 pounds, has wavy black hair, blue eyes and a flashing smile. He was born in Edmonton, Alberta, farthest north of any city in Canada but soon will have his final papers and will be an American citizen.

The Aurora Borealis can be seen clearly of nights in Edmonton. It's so bright you can nearly see to read a newspaper by it. Days are short in the winter and lights are kept on in stores and offices until 9 a. m., and then turned back on at 5 p. m. But in July golf matches can be played by natural light until 10 o'clock at night.

Ponds, rivers and lakes are frozen about half the year; and for as long as two weeks at a stretch, the temperature stays at 30 degrees below zero, or lower. Gene learned to skate at 7, using the skates of an older brother and pushing a chair around on the ice rink that his father had formed by flooding the backyard with water.

Such is the hardy, outdoors background that produces great players in this fastest of all sports, ice hockey.

A wise old owl sat in an oak—  
The more he heard, the less he spoke;  
The less he spoke, the more he heard—  
Why can't we be like that old bird?

Collier's in a recent issue told of a loan shark case in Dallas: "For nine years, the victim had paid \$2.25 a week for a loan of \$20, borrowed to settle a hospital bill. Never having been allowed to apply a cent to the principal, he still owed the \$20, although he had paid a total of \$1,053 of 5.265 per cent interest."

A tramp knocked at the back door and the lady of the house said, "You seem to be an able-bodied man; you ought to be strong enough to work." And he replied, "I know, mum. And you seem to be beautiful enough to go on the stage, but evidently you prefer the simple life." She said, "Step into the kitchen and I'll see if I can stir up a meal for you."

One for the old joke contest: Two neighbor women had an argument. One claimed she had loaned the other a pitcher and when it was returned, it was cracked. The other

woman said, "In the first place I returned the pitcher in good condition; in the second place, it was cracked when I borrowed it; and in the third place, I didn't borrow it at all."

Having heard that farmers are dissatisfied at the price paid for the butterfat grading of distributors, Rep. Virgil Goodman, chairman of an investigating committee, declares, "We want to know if this situation is true," and he invites all farmers who are dissatisfied to write him the facts and get their neighbors to do likewise. The letters will be kept confidential, he adds. Goodman's address is Route 1, Box 423, Fort Worth.

## Weekly Health LETTER

Issued by Dr. Geo. W. Cox, M.D., State Health Officer of Texas

Austin, Texas.—"The axiom, 'you can lead a horse to water but you can not make him drink,' perhaps has no more striking parallel in human conduct than man's indifference or refusal to use the protective methods and preventive procedures that medical science has developed during the last 40 years. Indeed, the lack of personal cooperation is the weak link in an otherwise strong chain against not only some of the infectious and influenza that impair health or destroy life in middle-aged and older groups but against a number of the communicable childhood diseases, in which latter class diphtheria is an example," states Dr. Geo. W. Cox, state health officer.

"Toxoid immunization is available in Texas practically to all children, either through the family physician or at clinics arranged

## Night Dash in Lightless Auto Saves Life of Dying Patient

A RACE by night down six miles of winding canyon road in a motor ambulance without lights is the hair-raising adventure which enabled Grover C. Birchfield, of Los Angeles, California, to save the life of a patient dying of a heart attack.

Birchfield was on his way from Santa Margarita Project in the mountains to San Luis Obispo county hospital with a cardiac patient. Three miles from the starting point and still 2,000 feet up on the narrow mountain road, the ambulance's light fuses blew out. Despite the instant transition from light to darkness, Birchfield managed to stop the ambulance.

He and his orderly snapped on two flashlights that were in the car and got out to investigate. On one side was a deep canyon. On the other towered the black, precipitous ledges of the mountainside. There was no way of replacing the fuses. Yet something had to be done, if possible, on account of the condition of the patient.

"I gave the man an armshot of adrenalin," Birchfield says, "but he seemed to be dying. We then decided we must do the only thing left for us to do if we were to try to save his life, even at the risk of three lives.

"We took our two flashlights, loaded with fresh batteries—we always kept them in good order. I jumped into the driver's seat. My orderly perched himself on

Grover C. Birchfield

the car's right fender. Bracing himself to avoid being spilled off into the roadway, he trained our two flashlights on the road ahead. We started down the mountain-side.

"Those six miles seemed like sixty before we reached Santa Margarita and Highway 101. There we shunted the patient from the ambulance to a closed panel-body pie truck. Twenty minutes later we pulled up in front of the Atascadero County hospital."

Despite the delay, the hazardous ride down the mountainside, and the transfer to another car, the patient survived. Without the dependable performance of the emergency "headlights," Birchfield says, and his orderly's ability to sit a bouncing, swaying fender, there would have been one fatality and perhaps three.

ed by physicians for those who are unable to pay the usual fee for this service.

"While the number of Texas children who have the benefit of this protection is large, evidently there are many who, because of parental misconception or unconcern, have not been made invulnerable to an attack of diphtheria through this simple and practical procedure.

"Perhaps the decided drop shown in the diphtheria illnesses and

death rates during the last 35 years has developed an unwarranted sense of security on the part of too trusting parents. Nevertheless, whatever the cause, the fact remains that diphtheria manages to continue a steady massacre of young lives, with ample weapons to prevent it; and these to be had only for the asking.

"Consequently, not only a large number of parents, but every parent, should be acutely aware of diphtheria's potential killing pow-

er and take the necessary steps to eliminate it.

"Almost all diphtheria deaths that will occur in Texas during 1941 will have been preventable. With intelligent parental cooperation, most of these deaths even yet can be avoided. Science, through toxoid, eminently is fitted to afford this protection. But it is largely the parents' responsibility to see that the child obtains it."

## HEFNER NEWS

Next Sunday is preaching day at the Methodist church.

A. L. Haskin and H. L. Butler are attending Bible school in Fort Worth the past few days.

Mrs. W. A. Harris and family attended the ordination of two ministers, Parker and Albright, at Vera October 5th.

Mrs. Dibrell Jones is on the sick list.

Mr. and Mrs. Marion Jones and children visited Mrs. Riley Higgins and family in Abilene recently.

Ray Harris of Hemet, Calif., has recovered from an appendectomy.

Guy Trimble and sisters have returned from Albuquerque, N.M., where they attended the bedside of Mrs. Bruce Steward, who is recovering nicely.

Miss Burnice Hudson, daughter of Mr. and Mrs. Jerry Hudson, and Jack Steward, son of Mr. and Mrs. Henry Setward were united in marriage at Munday on October 4th. They are popular members of the younger set and have the best wishes of a host of friends and acquaintances in this section.

Miss Loma Rae Clarke enrolled recently at Metropolitan Business college at Dallas. She is the daughter of Mr. and Mrs. Tom Clarke of the Sunset community.

Lee Haney of Fort Worth came in the latter part of last week for a week's visit with his parents.

Mr. and Mrs. G. W. Haney. Lee is on vacation.

Amos Rutledge, well known citizen who resides south of Munday, is in the Knex City hospital for medical treatment.

J. C. Seaton of Vera was a business visitor in the city last Monday.

James Ussery, who has been in the army service and stationed at Fort Sill, Okla., has received his discharge and returned home one day last week.

Mr. and Mrs. B. L. Blacklock spent last Sunday in Clarendon, visiting in the home of Mr. and Mrs. Winston Blacklock.

Mrs. J. J. Keel, Misses Leona Keel, Merle Dingus, Elizabeth Mounce and Christine Burton were visitors in Haskell last Sunday.

Mr. and Mrs. Quincy Joe Lee and Mr. and Mrs. M. H. Lee and baby of Wichita Falls visited with relatives and friends here last Sunday.

## HOME FROM KANSAS

Mr. and Mrs. E. R. Hebert returned home last Sunday afternoon after spending several weeks on a vacation. They visited relatives at various points in Kansas, and reported a very enjoyable trip.

## CARD OF THANKS

We wish to thank each and every one for the kind expressions of sympathy during the illness and death of our mother and grandmother. May God bless you all.

Mr. and Mrs. C. R. Parker and Family

H. W. Reese and Family

C. M. Reese and Family

Mr. and Mrs. Bruce Campbell

J. C. Poe and Family.

An "Interconnected" System ~ the vital key to unfaltering service!

**COLORADO CITIES FACE GAS SHORTAGE AS FLOOD CUTS LINE**

Denver, September 23 (A.P.)—The pressure in a gas main supply, sank lower and lower today as workmen strove to repair a pipe line running from northern Texas to Mexico by a flood.

Homes using natural gas for heating and cooking faced the prospect of a completely exhausted supply if the still-flowing flood waters by noon today, Public Service officials said in Denver.

Denver, Colorado gas users and other cities are served by the pipe line. Industrial gas users to the three ceased operation yesterday morning when the flood severed the 22-inch main line yesterday morning when it swirled down Seneca Creek, Clayton and Mount Dora, New Mexico.

Stringing lifelines and working in tossing rowboats, repair crews began work on a six-inch auxiliary bypass around the main pipe. It is possible to lay it, would suffice only if temperatures rise from the 30s and 40s, where they have hovered for two days beneath widespread rain clouds.

A standby plant, producing artificial gas, was in operation in Denver, but its capacity will not be sufficient without much warmer weather, they said.

**OUR CUSTOMERS HAVE THE SECURITY OF AN INTERCONNECTED NATURAL GAS SYSTEM.**

- Lone Star Gas System, of which your local gas company is a part, is an INTERCONNECTED pipeline system connected to more than 1,200 wells in 60 gas fields.
- The 4,800 miles of interconnected pipeline system of Lone Star Gas System extend into every proved major gas field in its territory, assuring its customers a dependable and adequate supply over a long period of years.
- Modern facilities of Lone Star Gas System include 21 giant compressor stations for supplying large quantities of natural gas from far distant fields to maintain dependable and uninterrupted service under any and all weather conditions.
- Pioneers in the development of natural gas in Texas, Lone Star Gas System is recognized throughout America for the high standard of its service.

**Lone Star Gas Co.**

## COTTON QUIZ

WHO WAS THE FIRST EUROPEAN TO RECEIVE A GIFT OF AMERICAN COTTON?

ANS. QUEEN ISABELLA OF SPAIN. COLUMBUS BROUGHT BACK SOME COTTON IN 1493 AS PROOF THAT HE HAD DISCOVERED A NEW ROUTE TO INDIA!

### Moguls Win . . .

(Continued From Page One)

less, with the pigskin see-sawing back and forth, and with frequent fumbles due to a wet ball. Lady Luck was with the Moguls, for they rarely lost possession of the ball on fumbles and their recovery of Wildcat fumbles made the game costly for Crowell.

Cure did some nice punting for the Moguls, placing the ball in the "coffin corner" several times. After one of these nice kicks in the third quarter, Crowell attempted to kick out of danger and had their punt blocked by Tidwell. The ball rolled back into the end zone and Spears of Crowell fell on it to score a safety for Munday.

Leading now by a score of 15-0, the Moguls intercepted a Crowell pass in the fourth quarter on the Mogul 40. McGraw led the advance from that point to the 2-yard marker, from where Moore went over for the third counter. The fourth touchdown followed an exciting jaunt by Cure, who placed the ball in scoring position. Moore passed to Carden for the final score.

Munday's linemen turned in some of the best performances ever seen in class A football. Left Guard Tidwell played a jam-up game, and he was the fellow who played a lot of his defensive game in Crowell's backfield breaking up their plays. Kitchens and Lowrance are due credit for their game at tackle positions. Lowrance, who weighs only 145 pounds, smeared many Wildcat plays. Right Guard Cadwell turned in a nice game, and Stevens couldn't be bested at his game. Playing center on offense and halfback on defense, Stevens was in Crowell's hair all the time.

Thus Munday's debut in district 3-A was a thriller to all local fans who will be backing the Moguls in the tough district games which are to follow.

Starting Lineups		
CROWELL	Pos.	MUNDAY
Roark	L.E.	Denham
Owens	L.T.	Lowrance
Pierce	L.G.	Tidwell

**RIGSBY BABY HOME**  
**FROM HOSPITAL**  
 Mr. and Mrs. Lowry Rigby and baby daughter, Lorees, of Ruidosa, New Mexico, came in last week for several days visit with relatives and friends. Lorees became seriously ill last Friday and was taken to the Knox City hospital for treatment Saturday. She was brought home last Monday and is reported to be improving.

Mr. and Mrs. Grady Roberts were business visitors in Wichita Falls last Saturday.

### Lots of Cattle, Hogs Here For Auction Sale

The Munday Livestock Commission Co. reports a big run of cattle and hogs for Tuesday's sale. Most classes of cattle sold lower than last week.

Top hogs sold from \$10.25 to \$10.40; butcher shoats, \$9 to \$9.25; packing sows, \$8.75 to \$9.50.

Beef bulls brought \$7.40 to \$7.75; butcher bulls, \$6.50 to \$7; beef cows, \$6.75 to \$7.25; butcher cows, \$5.75 to \$6.50; canners and cutters, \$5.50 to \$5.90; fat yearlings, \$9.25 to \$10.50; butcher yearlings, \$7.50 to \$9; fat calves, \$9.25 to \$11; butcher calves, \$7.25 to \$8.75; rannies, \$6 to \$6.75.

Several head of light stocker calves sold from \$22 to \$33 per head.

Buyers here for Tuesday's sale were Ebner Packing Co., John Ruddy and Adams Packing Co., Wichita Falls; Vernon Packing Co., Vernon; J. H. Bell, Fort Worth; B. H. Preston, Burkburnett; Keck Grocery and Market, J. M. Bradberry and C. A. Hull, Knox City; U. S. Market, Stamford; Roy Steele and Mr. Merriman, Crowell; Perry Woods, Pete Cooper and Clarence Peek, Seymour; Roy Maples and C. L. Patton, Goree; C. R. Elliott, Mrs. Irene Meers, C. L. Mayes and G. H. Conwell, Munday.

### District Court Has Light Week

The fall term of district court, now completing the second week, is faced with one of the lightest dockets in its history, according to those familiar with court records. The docket this week, which was scheduled as criminal week, was so light that the regular petit jurors who were to appear last Monday for jury service were notified not to appear.

Next Monday will begin the third week of court, at which time the following petit jurors have been notified to appear for jury service: R. M. Myers, Deaton Green, R. L. Ratliff, A. C. Brock, P. V. Williams and Otis Simpson, Munday; W. E. Blankenship, J. L. Brown, J. L. Cloud, Tom Weber, D. C. Harkin and J. T. Murdock, Goree; E. M. Apple, L. W. Cypert, E. A. Egenbacher, S. Hutchinson, Neal Logan, L. C. Teague, E. M. Almanrode, A. C. Tackitt, R. L. Lowrey, Oda Claburn and Neal Perdue, Knox City; Chester Smith, and P. J. Redder, Rhineland; H. A. Sullivan, Ernest Kinnibrugh, Clay Tucker, and F. O. Westmoreland, Vera; Hugh Eubank, J. R. Brown, Seth Wood and S. O. Turner, Truscott; J. B. Moorhouse, J. D. Redwine and H. T. Melton, Benjamin.

Mrs. Pitzer Baker and Mrs. Joe Bailey King were visitors in Haskell last Sunday.

### Welfare Worker For County To Be Selected Soon

The Department of Public Welfare announces a competitive examination for county caseworkers position in and for Knox county.

The job involves determining eligibility for WPA employment, selection of boys for the CCC and certification of persons eligible for federal surplus commodities. The applications will be available at the welfare office in Benjamin, or at the Munday Times.

The closing date for acceptance of these applications will be Tuesday, October 21, at 5 p.m. Applications must be filed with the area supervisor at the State Department of Welfare office, 822 Ohio St., Wichita Falls, not later than the above time and date. All persons applying and meeting the minimum qualifications will be required to report at Wichita Falls at 3 p.m. Monday, October 27, for written examinations. Those persons not meeting the minimum qualifications for this position will not be permitted to take the examination.

The minimum qualifications are as follows: Successful completion of 2 years of study in an accredited college or university; or a combination of education and experience determined to be equivalent, substituting 1 year of successful, full-time, paid employment in social work capacity in a public or private social work agency determined by investigation to have maintained high standards of work and supervision during the period of the applicant's employment therein, for each year of the required college education.

### Local Midgets To Play Haskell Next Friday

Friday afternoon at 3:30 o'clock, the Munday "Midgets" will play the Haskell elementary team at Haskell. Little is known of the Haskell team, but the Munday boys are preparing for a stiff fight. The Midgets are not expected to be at full strength, since three of the larger boys on the squad will be out of this week's game. A schedule for the season has been prepared by L. M. Palmer, principal of the elementary school. It is as follows:

October 17, Haskell there.  
 October 23, Seymour there.  
 October 30, Olney here.  
 November 6, Olney there.  
 November 13, Haskell here.  
 November 18, Holliday here.  
 November 27, Holliday there.  
 Boys expecting to make the trip Friday are: Joe and John Spann, Willis Pippin, Charles Cude, Merle Weaver, John Beaver, Fred Searcey, James Hogan, Charles Roden, James Cadwell, Billie Joe Hensler, Lloyd Haynie, Kenneth Baker, Delbert Montgomery, Kelton Tidwell, R. L. Trammell, Grayford Campbell, John Brown, Donald Washed, Clarence Searcey, Arledge Suggs, Tommy Yates, Jimmie Massie, James Wilkerson and Gene Brown.

### MRS. BERTIE WILSON RETURNS MONDAY FROM BEDSIDE OF HER SON

Mrs. Bertie Wilson returned home last Monday afternoon from San Diego, Calif., where she had been attending the bedside of her son, Ura Wilson, who was injured two weeks ago in a train-car accident. She reported Ura to be holding his own but it will be some time before he will be fully recovered from his injuries.

### Eleven Students Of County Enroll At H.-S.U., Abilene

Eleven students of Knox county are enrolled in Hardin-Simmons University at Abilene, according to an announcement made by the college last week.

A member of the H.-S.U. Cowgirls, Margaret Dyke is enrolled as a senior student from Munday. She is the daughter of Mr. and Mrs. W. V. Tiner and is the bride of James Dyke, Altus, Okla., senior.

A sophomore from Munday is Charles Haynie, who is active in athletics. The son of Mr. and Mrs. C. H. Haynie, he plays football, basketball, and is a member of the track team at Hardin-Simmons.

Other Knox county students at Hardin-Simmons are: Juniors: Harvey G. Albright, son

of Mr. and Mrs. E. A. Albright, Vera; Frances Inez Mayfield, daughter of Mrs. Annie Mayfield, Benjamin; E. G. Parkhill, Jr., son of Mr. and Mrs. E. G. Parkhill of Knox City.

Sophomores: Dwayne A. Parker, son of Mr. and Mrs. L. A. Parker, Benjamin; Lera Virginia Parkhill, daughter of Mr. and Mrs. E. G. Parkhill, Knox City; and Margaret Janice Dutton, daughter of Mr. and Mrs. John G. Dutton, Knox City.

Freshmen: Billy English, son of Rev. and Mrs. Joe W. English, Truscott; Marjorie Propps, daughter of Mr. and Mrs. A. E. Propps, Knox City.

A special student is Virginia Fay Cooke, daughter of Mr. and Mrs. R. L. Cooke, Goree.

Jack Mayes of San Angelo visited relatives and friends here last Sunday.

### Knox City Six Man Team Wins Over O'Brien

Knox City's six-man football team defeated the O'Brien team 8 to 7 last Friday afternoon in a contest that was close and hard-fought throughout. O'Brien held the edge in statistics but came out on the short end of the score.

O'Brien scored early in the first period after two earlier threats had failed. Hewett made the touchdown and Carver carried over for the extra point.

Knox City forged ahead in the second period when a pass, Hill to Hackfield brought a touchdown, and Carpenter kicked goal for two points—as the scoring is counted in the six-man play.

O'Brien led in first downs and penetrations with Carlisle, Hewett and Carver starring. Outstanding players for Knox City were Hackfield, Hill, Hardwick and Frizzell.

P.F.C. Walter E. Newton, member of the 70th School Squadron, Ellington, Field, Texas, spent Tuesday night in the home of his uncle and aunt, Mr. and Mrs. S. E. McStay. Private Newton was enroute to his home at Happy, Texas, for a visit with his mother and family.

### Style Show For H.D. Clubs Held

A year's work on clothing was climaxed with a county-wide style show, Friday, Oct. 10, for Home Demonstration Clubs of the county.

The various clubs held elimination contests in their respective communities previous to the county show. The best garments were then shown at Benjamin in the following classes: street dresses, house dresses and remodeled dresses.

Scoring based on general appearance, suitability to person and purpose and economic factors, was done by Miss Helenore Reynolds, homemaking teacher at Benjamin.

The following winners were announced: Street dresses: First, Mrs. J. C. Patterson, Benjamin; Second, Mrs. Frank Bowley, Munday; Third, Mrs. Ernest Ingram, Hefner.

House dresses: Mrs. O. A. Burgess, Gililand; Mrs. Lee Coffman, Benjamin; Mrs. Don Phillips, Munday.

Remodeled dresses: Mrs. J. T. Murdock, Hefner; Miss Myrtle Munday, Munday.

Bennett Cooksey of Vernon, area scout executive, and Jim Polk of Childress, who is in charge of the Boy Scout western division, were visitors here Tuesday in the interest of Boy Scout work.
