VOLUME 37 MUNDAY, KNOX COUNTY, TEXAS, DECEMBER 18, 1941 NUMBER 25

Two Moguls Placed on All- District Team

Five Players Place On Second Team

Two of Munday's Moguls were placed on the all-district 9-A football team the past season. The players, chosen by the votes of the coaches of seven teams in the district, are Stevens, center, and Joe McGraw, fullback.

Chillicothe led the list, with five players on the first team. Munday and Seymour each placed two players, and Holliday and Archer City placed one each.

The teams are as follows:
First Team—Left end, Thornhill, Seymour; left tackle, Duke, Chillicothe; left guard, Horany, Archer City; center, Stevens, Munday; right guard, Keck, Seymour; right tackle, Calhoun, Chillicothe; right end, Lampe, Chillicothe; quarterback, Henry, Chillicothe; left half, Boney, Holliday; right half, Bell, Chillicothe, and fullback, McGraw, Munday.

Second team—left end, Cure, Munday; left tackle, Kitchens, Munday; left guard, Tidwell, Munday; center, Jeans, Chillicothe; right guard, Cadwell, Munday; right tackle, Owens, Crowell; right end, Campbell, Archer City; quarterback, Bird, Crowell; left half, Beavers, Iowa Park; right half, Spears, Crowell; fullback, Moore, Munday.

Honorable Mention
Ends—Thompson, Crowell; Denham, Munday; Burge, Holliday; Turner, Iowa Park; Hater, Seymour.

Tackles—Harris, Iowa Park; Singletary, Holliday; Lowrance, Munday; Styles, Seymour; Canup, Crowell.

Guards—Duncan, Chillicothe; Hoing, Holliday; Mouser, Chillicothe; Banks, Iowa Park; Roark, Crowell.

Centers—Francis, Chillicothe; Archer, Crowell; Tetcher, Holliday; Shaver, Seymour.
Backs, Carden, Munday; Williams, Archer City; Morrison, Archer City; Johnson, Archer City; Holliebeck, Crowell; Tidmore, Chillicothe; Kirksey, Holliday; Cude, Munday; Robertson, Archer City; Winton, Holliday; Henson, Seymour.

Master Farmer On Small Scale

C. A. Foreman Shows Cotton Profit

C. A. Foreman of Munday is Munday's small scale Master Farmer, and his experiences show just what can be done in Knox county.

Mr. Foreman rented a vacant lot which was a little shy of an acre, and he planted it in cotton. His total expense was \$3.75 for planting and plowing one time. Another plowing was given by Mr. Foreman with a garden plow, and the remainder of the work he did with a hoe.

Foreman gathered 1230 pounds of seed cotton, from which was ginned 430 pounds of lint. This he placed in the government loan at 14.45 cents, realizing \$62.13. He received \$10.70 difference between the seed and ginning, which shows him a net profit of \$69.08 from his farming project.

He explained that his small expense was due to Munday's floods which overflowed the ground, killing the weeds. On both occasions the cotton was large enough that it was not damaged by the overflow waters.

Palace Cafe Has Been Remodeled

Mrs. George Keene, owner of the Palace Cafe, has just had the cafe remodeled, making it much more attractive on the inside.

Fluorescent lights have been installed, and the interior of the building has been repainted in white. This adds much more light to the building and makes it look very clean and attractive. The work adds greatly to the appearance of the local cafe.

GOODFELLOW BOXES ARE IN STORES

A number of stores, including the grocery and variety stores of Munday are displaying Goodfellow Boxes which will contain Christmas things for needy families.

This is a program sponsored by Lowry Post of American Legion to see that everyone has some sort of Christmas this year. When you buy groceries or toys for your own Christmas, contribute something to boys and girls who otherwise may have no Christmas. Make an additional purchase and place it in the Goodfellow boxes.

The American Legion is depending upon the citizens of this community to support this voluntary movement. All contributions will be voluntary—and think how happy your contribution will make someone on Christmas eve.

Christmas boxes will be arranged and distributed on Christmas eve. Make your contribution now.

H. A. Sullins Gets First Shelterbelts In 1942 Program

H. A. Sullins of Vera, Texas, has signed up to have one-half mile of shelterbelt planted on his farm, according to the U. S. Department of Agriculture's local Forest Service official, Marvin G. Angle.

Mr. Angle stated that in his first week here in Munday that he has had several applications for shelterbelts in Knox county, but that Mr. Sullins was the first to sign up for one to be planted this year.

Mr. Sullins is figuring on having eight rows of trees planted on the west side of his place north of Vera, Texas, by the Forest Service this winter. These trees will be furnished and planted by the Forest Service without charge to Mr. Sullins. For his part, Mr. Sullins has agreed to give the trees proper cultivation and protection from livestock and rodents.

Other landowners interested in shelterbelts should apply at the County Agent's office or send a card or call at the Forest Service office in the City Hall, Munday, Texas.

Supervisors Of Lunchrooms Have Meeting Tuesday

A meeting of lunch room supervisors was held in Mrs. Jewel F. Lea's office in Knox City last Tuesday. The purpose of the meeting was to visit lunch rooms of Knox and Haskell counties to see how the various ones are operated.

The group visited the lunch rooms in the following schools: Knox City, Union Grove, O'Brien, Rochester, Rule and Munday. Supervisors of Knox and Haskell counties made their project visits in their respective counties.

This meeting was attended by the following supervisors: Miss Christel Carter, Baylor county; Miss Cecil Rider, Clay county; Mrs. Mazie Love, Wichita county; Mrs. Eva Morris, Wilbarger county; Mrs. Sally Terry, Hardeman county; Miss Hazel Culbertson, Foard county; Miss Juanita Allmon, Knox county; and Mrs. Simmons, Haskell county.

Atkeison's Food Store Announces Sale Celebrating 30th Anniversary

Celebrating thirty years of continuous service to the people of this trade area, the Atkeison Food Store this week announces its 30th anniversary sale.

From a meager beginning 30 years ago—back when the town of Munday was young and small—the business operated by W. H. and R. D. Atkeison has grown into one of the leading grocery concerns in this section. There's no comparison to the Atkeison store of 30 years ago and the one now serving the people of this area. As their business has grown, the store has enlarged and additional features have been added. The

County To Do Additional Work For Red Cross

The executive committee of the Knox county Red Cross chapter met in Knox City recently. Members present were Mrs. B. C. Anderson, county chairman; Joe Averitt, treasurer; Mrs. H. A. Smith of Truscott, chairman of home nursing; Jack Whitaker of Truscott, chairman of first aid; Mrs. W. E. Braly, R. B. Harrell and J. C. Campbell, Munday; John J. Hoffman and August Schumacher, Rhineland; T. W. Harber, Sunset; Mrs. Dewey Sullivan, Vera; Ray Willis, J. V. Jones and C. E. Cogswell, Knox City.

The main topic of conversation was the budgeting of funds that are retained in the county. Mr. Whitaker and Mrs. Smith outlined plans for training in first aid and home nursing. The next meeting will be held in Knox City on February 2.

Plans are already going forward for making further articles for the Red Cross. Mrs. Oates Golden of Munday has been elected county production chairman.

The next project will be knitting and the making of bandages for soldiers. Those interested in doing Red Cross work are requested to call or see Mrs. Golden.

Farmers Should Repair Machinery In Winter Months

Set aside one day or several days sometime soon and go over all farming equipment is the advice of August Schumacher, chairman of the USDA defense board, gave Knox county farmers this week.

By checking and determining extent of repairs, farmers will know the amount of work and number of parts necessary to get farm machinery in A-1 condition to handle next year's crop he said.

"Getting into gear boxes, looking into turning and moving parts of combines, mowing and planting machines now is the best way to determine the extent of repairs needed," the chairman said. Blow points should be taken to blacksmiths for reconditioning now instead of waiting until time for working comes around.

Farmers repairing machinery during slack winter months have various methods of determining the extent of work required, Mr. Schumacher said. He pointed out that some farmers locate the parts to repair and tag them. The tags, bearing short descriptions of the extent and kind of repairs to be made, can be removed as work progresses during the winter.

As farmers go into the Food-Freedom campaign, it is just as important to have plows, harrows and ensilage cutters in perfect working order as to have tanks and planes ready to run and fly, the chairman said.

Mrs. W. R. Moore went to Austin last Tuesday to visit her daughter, Mrs. Ralph Barnard and Mr. Barnard. Mrs. Barnard accompanied her mother home Wednesday and will remain for the Christmas holidays.

C. P. Baker made a business trip to Nara Visa, New Mexico, the first of the week.

Lott Keffer of Seymour was a business visitor in town last Monday.

City Drainage Problem Is Now Being Studied

Surveys Are Made To Determine Cost Of Draining Town

With the problem of draining flood waters from the town of Munday still a major one for city officials, a system of surveys were ordered recently in an effort to determine the cost of constructing drainage systems.

The surveys were made with the idea of bringing water south and east of town along the railroad, to construct a ditch in town running west from the railroad to the Baptist church, and another from the railroad to the Church of Christ and have it so constructed and connected as to form several units.

The survey revealed that there is only one inch fall in the town to every 100 feet, which will make the drainage problem even more acute.

The highway department proposes to put in a set of culverts south of town where the Pruitt road intersects the highway, another south of the Layton Lansford place, still another just north of the Lansford place and a fourth set east of town to drain the water away.

The costs of such drainage project is now being studied by members of the city council.

Mahan Burial Assn. is Formed

Wade T. Mahan, owner of the Mahan Funeral Home, this week announces the organization of the Mahan Burial Association. Mr. Mahan states many residents of this community have expressed a desire for a local association of this kind to fit the needs of local people.

This association is operating by authority of the Texas Insurance Department, which assures members of the association sound coverage through this organization. The costs for membership in the association are the lowest ever made in this territory.

Mr. Mahan invites the public to visit the Mahan Funeral Home or contact one of his representatives for complete details.

Defense Rally Held at Sunset

\$1,658 in Bonds and Stamps Subscribed

Showing a note of patriotism and their support of the government in this war, a defense rally was held at the Sunset school last Tuesday and was attended by a large number of citizens of that community.

T. W. Harber, school superintendent, reported that a total of \$1,658 was subscribed in defense bonds and stamps.

Several members of the Texas Defense Guard of Munday and Postmaster Lee Haymes were present for the rally and demonstrated the manual of arms with rifles and demonstrated other drill commands.

TUESDAY IS PRESS DAY NEXT WEEK

In order that Munday merchants may get their Christmas messages to readers before Christmas, The Munday Times will be published on Tuesday of next week and will go out on the routes on Wednesday. This early "press day" will also enable employees of The Times to enjoy the Christmas holiday.

The cooperation of everyone is asked. Send in your news items, Santa Claus letters, etc., early so they won't be omitted. This will be our last issue before the arrival of the New Year.

Knox County Farmers In Favor Marketing Quotas

Cotton Ginnings

A recent report from the Department of Commerce, bureau of the census at Washington, shows that there had been 34,926 bales of cotton ginned in Knox county from the crop of 1941 prior to December 1st.

The 1941 ginnings had exceeded those of 1940 by almost 1100 bales, the report shows, there having been 23,985 bales ginned during the same period last year.

Hoyle H. Sullins of Vera, special agent for the department, submitted the report to The Times.

School Money Received Here

County Supt. Merick McGaughey reported Wednesday that three payments of school money have been received from the state. A per capita payment was received last Saturday making a total of \$7 which has been received to date from the \$22.50 per capita due from the state.

A salary aid payment for the common school districts in the amount of \$1,706 came in recently. This money has been sent out in small payments this year, this being the third payment received by the county.

A third payment in transportation aid which came recently amounted to \$1,145.

Legionnaires Asked To Be On The Alert

Don M. Ferris, commander of Lowry Post No. 44, American Legion, recently issued a statement to World War veterans as follows:

"Congress has declared a state of war with Japan and the axis powers. Every citizen of the United States should immediately step out in full support of our government and make every sacrifice needed for a complete victory."

"Since the American Legion was organized, our membership has accepted and successfully carried out many assignments to duty which have proved to be of the utmost importance to our country. Assignments of an even greater importance for such patriotic service confront us in the near future. If we do the job well, we can have the consciousness of having again contributed our best efforts to the country we love."

"I call upon every veteran in our country to keep in active touch with conditions and offer his services wherever needed."

Miss Ann Atkeison will arrive in Munday this week end to spend the Christmas holidays with her parents, Mr. and Mrs. R. D. Atkeison. Ann is a student in the University of Colorado, in Boulder, Colo.

TO THE OWNERS OF ALL TRUCKS, TRAILERS AND BUSES

NOTICE IS HEREBY GIVEN that the owners of all trucks, buses, trailers and pickups with a minimum capacity of 3,000 pounds, if you have not already done so, write the War Department, 1222 West Commerce St., San Antonio, Texas, for questionnaires, giving your exact mailing address, as the use of your truck, bus or trailer, may be needed in the present emergency. Those who have already received their questionnaire, are requested to fill out same and mail it to the above address.

This is imperative and should have your immediate attention.

J. C. PATTERSON
County Judge, and
Defense Coordinator.

Free Show For The Children

P. V. Williams, owner of the Roxy Theatre, has announced a free show for the kiddies on Christmas eve, December 24th. An interesting picture will be shown, and Mr. Williams wants all kiddies in this section to be present for the show.

"All children are cordially invited to attend the show," Mr. Williams said. "There will be lots of fun for everyone."

"Mother, if you have a little one that can't come alone, you come and bring the little one. We will find room for you."

New Editor At Helm of the Knox County Herald

Now at the helm of the Knox County Herald at Knox City is Ben L. Daniel, who started his duties last week. He is the son of J. T. Daniel, owner of the paper, and a former student of Oklahoma City University.

Mr. Daniel succeeds Miss Hazel Jones as editor of the paper, and Miss Jones will continue to be associated with the publication. Daniel has had experience on the Ryan Leader at Ryan, Okla.

The Knox County Herald is in its 38th year of publication.

Mr. and Mrs. George Simonich of Pep, Texas, spent last week end visiting in the home of Mr. and Mrs. Frank Knapp and family.

Mrs. A. A. Smith and Mrs. Effie Alexander were in Dallas last week buying Christmas merchandise.

"Peace on Earth" Again Emphasized By Window Display at The Hat Shop

In the realistically portrayed window display of Mrs. Effie Alexander, at the Hat Shop, one is vividly and poignantly carried back nineteen hundred years, to the sleepy and peaceful little town of Bethlehem of Judea.

Once again the message "On earth peace, good will toward men," is made real in this almost perfect replica of the scenes of the announcement and birth of the Savior; the visit of the wise men; the angels' appearance to the shepherds. The playing of Christmas carols is a beautiful background for the setting. The soft lighting effects are reminiscent of the lights that shone that night on the hills of old Judea.

First, there is the whole story written in scripture form beneath quiet pastoral scene of the adoration of the infant Jesus. Then there is the scene of the angels appearing to Mary, portraying the immortal story of the annunciation. In the

As farmers of the United States voted in favor of the cotton marketing quotas last Saturday, farmers of Knox county voiced their approval by the largest majority ever given in the county. R. O. Dunkle, County Agent, announced Tuesday that the vote was 93 per cent for the quotas in 1942.

A total of 538 votes were cast at the nine polling places in the county. Of these 499 were for the quotas and 39 were against them.

The vote by boxes and the per cent for quotas are given below:

	Total	For	Against	Pct.
Benjamin	24	22	2	92
Gilliland	30	27	3	90
Goree	62	59	3	95
Knox City	111	98	13	88
Munday	145	137	8	94
Rhineland	47	45	2	96
Sunset	36	33	3	92
Truscott	20	17	3	85
Vera	57	55	2	96

Six challenged votes were allowed, it was reported, all of them being for the quotas, and one ballot was received by mail.

Red Cross Packs Made in County Are Mailed December 8

Mrs. T. S. Edwards, chairman for Knox county's chapter, reports the following articles shipped on December 8th.

135 children's dresses from Benjamin and Vera, 85 hospital bed sheets from Truscott and Goree, 56 layettes and 17 small quilts from Munday and Knox City, 151 sweaters from Munday, Knox City and Goree.

Still other articles are to be mailed by Knox county people, it was stated.

Annual Dance Of Alumni Assn. To Be Dec. 29th

Many ex-students of Munday high school are expected to be on hand Monday night, December 29, for the annual dance sponsored by the Alumni Association.

Permission has been granted the ex-students to use the elementary school auditorium for this affair, as has been the custom in the past several years. Splendid music for the occasion will be furnished by Gordon Shay and his orchestra.

Following the usual custom, officers to serve the Alumni Association for the following year will be elected. This will be done during the short business session at intermission.

Ex-students of Munday high school look forward to this annual affair, and the dance this year is expected to draw a large crowd.

Admission price will be \$1.10 for couples and \$1.35 for single.

Wade Mahan Is Elected Secretary Of Munday C. of C.

At a recent meeting of directors of the Munday Chamber of Commerce, Wade T. Mahan was elected to serve as secretary of the organization for the coming year.

Mahan succeeds Mrs. Louise B. Ingram, who has served a number of years and who recently resigned.

Mr. Mahan will begin his duties on January 1, 1942. C. R. Elliott, president of the organization, stated Wednesday.

Mrs. W. M. Mayo, Mrs. Geo. Petrus, Edwin Albus and Herman Borwn have returned from a trip to Little Rock, Ark., where they visited friends and relatives. Mrs. Mayo visited relatives in Hot Springs, Jonesboro and Paragould. Paragould was Mrs. Mayo's birthplace, and this was the first time she had visited there in a number of years.

Alfred Hendricks has been employed at the Munday office of the Stamford Production Credit Association as assistant bookkeeper.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

THE INEVITABLE HAS HAPPENED

The unprovoked attack of Japan on American possessions simply marked the occurrence of the inevitable. For many months, most authorities have been convinced that we could not avoid formal participation in the war that now engulfs all the continents. The big question was when and where the spark would be ignited. The Japanese militarists, spurred by their Axis comrades, have answered that question for us and for the world.

The American people enter this war with a sense of grim and bitter necessity. No thinking man wants war. It is to the great credit of our government that it did everything possible, within the bounds of our national honor and interests, to maintain peace. That effort failed through no fault of those who administer our governmental affairs. It failed because the ruthless conquerors of our time are bent on world domination. Nothing less can satisfy them. It is all or nothing. And so, at last, the democratic world is allied in arms against the totalitarian world in the greatest war in history.

Here in America the task is clear. The American people will support their government to the limit, and they will make whatever sacrifices prove necessary. The issue of intervention versus non-intervention is as dead as last year's news. The isolationist leaders, displaying that patriotism which characterizes all true Americans, however different their opinions, have pledged their full support to the President and the nation. From this time on, it is the job of all to show the world that a free America is more than a match for any adversary.

The soldiers and the sailors who fight in this war carry into battle a traditional freedom. They are not the unthinking, "heiling" subjects of a dictator. They are not slaves, living and dying like puppets at the whim of a master. They have been reared in the freest of all great nations, under the deails which Lincoln called, "The last, best hope of earth." They know that they are fighting for freedom. They know how precious freedom is. And they know the sorrowful truth that blood must be shed if freedom is to be preserved.

Back of the fighting men of America will be a production machine unparalleled on earth. Labor and industry will not shirk the gigantic task that time and circumstance have given it. The price of failure would be the death of freedom. The days

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

It is not what he has, nor even what he does, which directly expresses the worth of a man, but what he is.—Amiel.

ahead will be hard and bitter, but not one can doubt what the eventual end will be—victory for freedom, for a way of life that respects the dignity of man.

It is all there in one word—freedom. Freedom of speech, freedom of press, freedom of worship, freedom of enterprise. These are what we possess, and these are what we are fighting to save and to perpetuate forever.

American industry is ready for this war. Go down the roster of our great private enterprises—the railroads, the power systems, the steel mills, the motor makers, the coal and metal mines, the oil wells and refining plants, the airplane factories and the rest. American enterprise represents a veritable miracle of preparedness. And now the tempo of production will be stepped up again and again. There can be no business "as usual," or "politics as usual," from now on.

Let there be no despair. Let there be instead, uncompromising determination. War has been forced on us. It has been forced on us by a nation to which we offered firm friendship, economic cooperation, aid in solving its problems—everything, in short, except the right to pillage and destroy and conquer. Now our enemies will learn how free men, backed by the limitless resources of our free enterprise system, can acquit themselves in battle.

KEEP IT RINGING
BUSY FACTORIES WILL DO IT.

Gems Of Thought

MERIT
Man's chief merit consists in resisting the impulses of his nature.—Samuel Johnson.

Good actions crown themselves with lasting bays;
Who deserves well, needs not another's praise.—Robert Heath

Human merit or demerit will find its proper level. Divinity alone solves the problem of humanity, and that in God's own time. "By their fruits ye shall know them."—Mary Baker Eddy.

Life is continually weighing us in very sensitive scales, and telling every one of us precisely what his real weight is to the last grain of dust.—James Russell Lowell.

Merit is never so conspicuous as when coupled with an obscure origin, just as the moon never appears so lustrous as when it emerges from a cloud.—Bovee.

PUT FIRST THINGS FIRST

Knox county farmers are planning to answer the call for more milk, pork, eggs, and other food products. Among other things, it will mean an increase of 400 lbs. of milk per cow over this year's record production, of one more brood sow on every fourth farm and eleven dozen eggs when ten dozen were laid last year.

In truly democratic manner, they are deciding to meet the needs of the present emergency. They propose to do the job, but by better care and better feed without increasing cow numbers and without increasing capital investment.

WHAT'LL THEY THINK UP NEXT?

Seedless watermelons have finally been achieved. A Chinese scientist—a Dr. C. Y. Wong of Lingnan University—did the trick. His solution was interesting, but hardly practical for the average watermelon grower. He used a number of growth-promoting substances, including naphthalene acetic acid, indole butyric acid, sulfanilamide, colchicine and several others. In most of the experiments the chemicals were worked into a salve with lanolin and applied to the pistils of the flowers.

WASHBURN NEWS

Mr. and Mrs. J. A. Hill and children visited relatives near Fort Worth last week end.

Mr. and Mrs. H. N. McClellan and Mr. and Mrs. P. J. McClellan of Iraan, Texas, visited their sister, Mrs. C. N. Smith and family last week end.

as far as seeing football games were concerned.

As a token of his appreciation of the Moguls, Mr. Terry honored them with a banquet at the close of the season. This was on Friday, December 5, the day of the bi-district game at Stamford. The banquet was without fanfare, and few knew of it except the football boys and coaches. Mr. Terry didn't give the banquet for publicity or fanfare, but to show his love for the boys who had "carried on" for Munday high school during the football season and who lost only one game all season.

In appreciation of the banquet and for his loyalty, the football boys invited Mr. Terry to the bi-district game at Stamford, which they all attended in a body. J. M. accepted, and he was a Mogul for the night—just one of the boys. The loyalty and support from one of Mr. Terry's age has won the love and admiration of every member of the Munday Moguls, as well as that of the coaches.

News From Goree

Mrs. L. S. Hollis is improving after a stay in the hospital at Wichita Falls and will soon be coming home.

Mrs. L. V. Cade and daughter, Nancy, of Lubbock and J. S. Hampton of Slaton spent the week end with their mother, Mrs. J. G. Hampton, and brother, Sam Hampton of Goree.

Mr. and Mrs. Carl Oliver visited Mrs. Oliver's brother at Camp Berkeley. Her brother has been called to service in the tropics.

Cherry Moore and Mr. and Mrs. Roy Perdue made a trip to Dallas the past week. They carried Leroy, Jr. to the hospital for a checkup. The report was that he is improving rapidly.

Hubert Edwards and Les Jameson of this city made a trip to the Rio Grande valley the past week, returning Monday. They brought

a load of fruit back for the Christmas market.

Dorothy Lee Howard is another Goree girl who has entered college recently. She has enrolled in Decatur Baptist College.

Mr. and Mrs. Virgil Edwards and son and Mr. and Mrs. Weldon James are visiting their parents at Edinburg this week.

Mrs. Sam Hall is making a few days visit in Collin county with relatives this week.

The revival which has been in progress for some time at the Methodist church will close this week. Rev. B. B. Crimm will go to his home for the Christmas holidays.

Naoma Hampton was awarded the \$5 which was given away in Goree last Saturday and has purchased defense stamps with it.

Mrs. Charles Johnson, who has been on the sick list for some time, shows some improvement.

Billy Jo Ratliff entertained the

district League gathering in her home on December 8th. A large crowd was present, representing a number of churches. Refreshments were served to more than 50 guests. Billy Jo is president of the young people's League.

Morris McElhan came in from California to be with his mother who has been sick for a week. It was a happy occasion for Mrs. McElhan to have Morris here. The other children will be coming in for Christmas. Morris lives in Northern California in the rice section and he told a lot of interesting things about rice planting. A great many of the growers have the rice planted by airplane which are fitted with seeders. They fly about 12 feet above the ground. Many of the farmers are producing \$2,500 worth of rice to the acre this year.

Mr. and Mrs. Barnett, Francis Farmer and Mrs. Foy Bain Barnett made a trip to San Angelo to visit the boys stationed there who expect calls for service on the Pacific coast any time. The boys came in to be here for a short time.

Mrs. J. M. Rister has been on the sick list for some time but is improving.

J. E. Blankenship has been sick for a few days but is reported improving.

G. F. Oliver and Carl made a trip to Bowie last Monday.

W. P. McNeill left last Saturday morning for Bellevue where he is visiting relatives.

Mary Jone Duncan was a business visitor in Munday the first of this week.

Lieut. Jack Williams of Camp Wolters spent the week end here with his parents, Mr. and Mrs. P. V. Williams.

Munday School News

Christmas Marionette Show In Assembly Friday Afternoon

One of the most entertaining programs of the school year will be presented in assembly Friday, December 19, at one o'clock in the Munday school auditorium, when the seventh grade group will stage a one-act play "The Holly Goblins' Christmas Eve," a marionette show.

After several weeks of rehearsal and building under the direction of Mr. Kennamer, the 7A group feels it has one of the most entertaining shows of the Christmas season.

Holly Goblins will be performed by miniature marionettes. The cast of characters will be as follows:

Santa Claus, Holly Goblin, Tinker the Tye, Mama Doll, Delective, Boy and Girl.

At the strings for the marionettes will be: Arledge Suggs, Rose Marie Stodghill, Frances Hallmark, Elizabeth Smith, John E. Beavers, Glenn Ray Morrow and Rosa Lee Pippin.

Voices will be: Roland Foshee, Jenell Dougherty, Carolyn Hannah, Gloria Strickland, and Bobby Howell.

School Employees and Students Back Stamp and Bond Move

At a meeting of the Munday Public School faculty it was agreed by the teachers unanimously, to allow some money each month out of their salary for defense stamps, and to carry on a strong campaign

in the school for the encouragement and organization of Defense Stamp Clubs.

Supt. Colley stated that every employee of the Munday school is now giving a small portion of his salary each month to defense stamps or bonds, including teachers, janitor, and bus drivers.

Monday morning the high school classes pledged themselves one hundred per cent to the buying of defense stamps. Most of the ward school students likewise have gone one hundred per cent, it is reported.

Speech Students Debate Vital Defense Questions

Speech students in Munday High School have been debating questions that concern the school itself, the community and defense questions.

Such questions as, Resolved: That after the war there should be formed a United States of Europe, and Resolved: That all nations of the Western Hemisphere should form a union, are now being debated.

The class has studied reasoning, proof, facts, and seeing both sides of a question before making a decision in case of rumors, gossip, etc.

The class will prepare a five-minute speech after the debate questions and briefs have been fully discussed. The class then plans to put on two one-act plays "Dress Reversal" and then "The Kleptomaniac," the first play composed of football boys with the coach, and the other composed entirely of girls.

Seventh Grade Buys Stamps

7B students have all been so nice they will certainly be disappointed in Santa Claus does not come to see them. They are looking forward to their Christmas tree Friday afternoon.

The are going to do their bit in helping to win the war. Many have already bought Defense Stamps and the others are planning to do so soon. They have pledged themselves to go 100 per cent.

Third Year Writes and Acts Own Play

The tree in the third year room, directed by Miss Hall, already has a few gifts on it. By Friday it should be loaded down with presents.

For the Christmas party, which will begin shortly after lunch, the boys and girls are presenting a play on the birth of Christ, which they have written. Then finally will come the singing of carols, and the giving of presents.

Friday morning the children are going caroling. They will go through the elementary school building, stopping at the doors of different rooms to sing favorite carols.

They wish everyone of you a very, very merry Christmas.

Eighth Year Buys Stamps to Help

Monday morning the eighth year class went to the postoffice to get a Defense Stamp book and some

stamps. They were out of stamps but got a book and enjoyed getting them ourselves. Every member in the eighth year class is looking forward for stamps Christmas.

For the first time in the history of the class they will have a 'night' class party, Thursday night at 7 o'clock. Every member of the class will be at the party. They just can't wait until Thursday night comes!

If you are undecided about what you want for Christmas, why don't you ask Santa to bring you Defense Stamps? Every member of the eighth year class has some kind of stamp—either a ten or twenty-five cent one. By the end of the year each member will have a Defense Bond. Not a bad idea—do you think? Now, don't forget, Uncle Sam needs your help! Be sure that a "P.S." is added to your Santa Claus letter if you want a stamp.

Some time the eighth year class would like for you to meet each member of their class, as well as their sponsor, Miss Burnett. Just now it is important for you to know the "All A girls," Betty Jane Spann and Mary Alice Beck. The boys in the class are on the active side of school. The eighth year basketball boys are Charles Roden, Merle Weaver, Howell Franklin, Joe and John Spann, and Charles Ray Cude. Rex Voyles and Willis Pippin want to play but haven't come out yet.

Odds and Ends Around M.H.S.

Munday high school students were sorry to hear that Mr. Ayers would not be with them on Monday because his wife was carried to a Wichita Falls hospital. We are hoping she is up and doing well soon.

One of Mr. Kennamer's main characters in his coming puppet show was totally disabled on Sunday night of this week. It is hoped he can get another patched up that can fill her place. If the Japs were bombing this far over we would declare that she was bombed, for she is certainly in a thousand pieces.

Several children of Munday High School are now sending their letters to Santa Claus. Old Santa will certainly have to have a big supply of watches if he satisfies the demand for them at this time.

The Munday schools will dismiss December 19, for the Christmas holidays. We will be out until December 29. All are expecting a good time and a visit from Santa Claus.

Here's hoping that all the readers of this column have purchased some Defense Stamps and Bonds.

Sophomore News

The Sophomore Christmas party last Thursday night was a great success. All of the class had a big time and give their sincere appreciation and thanks to the room mothers and sponsors who made it possible to have a good time. Everyone received a present and Santa had so much work that it got warm for him (her).

The class had a meeting last Monday morning and decided to buy United States Defense Stamps. Everyone has a little book to keep their stamps in. The one who has the most by December 29 gets a prize.

Thrift Club

The Junior Business Thrift Club is no more! The purpose of the organization was to promote thrift and saving among the students of the Junior Business Training Class and to show them the kind of book-keeping necessary in the conduct of a club. They feel that the purpose has been realized and that the time has come to disband. Therefore, the deposits of \$14.88 which the members had made were returned to them on Monday morning and the sum of \$2.10, the net proceeds from fees and fines, was transferred to the Freshman class fund.

Stenos Progress

The members of the Shorthand class are now taking dictation at the rate of thirty words a minute. The marvelous thing about it is that most of them can read fairly well what they have written, and they turn in some nice letters transcribed on the typewriter. The goal is to reach a rate of 40 words a minute by the close of the first semester.

Freshman Report

Monday morning the Freshmen decided that each one should buy his own defense book and stamps. Miss Stewart will bring the stamps to school and we will pay her for them. When the Christmas holidays are over we hope we can say, "Every single Freshman has at least started a bond."

Tuesday night the Freshmen are having their Christmas party in the Home Ec cottage. The room mothers are sponsoring it for us. We draw names last week and everyone is expecting something nice. Here's hoping they get it!

Current Science Topics

A new bullet has been designed

to prevent sound waves. This invention has also been used in making airplane propellers more silent to avoid detection.

Have you noticed the new candy wrappers? Scientists have found a substitute for tinfoil—this type of wrapper is necessary to keep the moisture in the candy. Before, we have had an ample aluminum supply for tinfoil but now all the aluminum is used in the airplane industry.

Glass tires on glass bridges—In a few years Americans may be riding on glass tires over glass bridges. On some large highways the speed limit is about 75 miles per hour. Rubber tires cannot stand the pressure. Scientists are already trying to make treads for tires out of glass.

England reports that they are using glass for reinforcements for cement.

Senior Report

Everyone is happy because when Friday comes we'll get to rest our minds a week—imagine that! I think the person that seems the happiest is our sponsor, Miss DeLoach. Unfortunately she lives 800 miles from here and it is her first time to get back to her home in Heber Springs, Ark., since school started.

If everything turns out all right this week the seniors plan to have a Christmas tree and exchange gifts Thursday afternoon, as we are not getting to have a party this year.

The senior class met Monday morning and voted that each member of the class buy a stamp a week or a stamp a day until he saves and buys enough for a savings bond. If everyone buys an entire bond that means there will be 24 children who have a bond.

Seniors On Review

Dick Harrell was born on May 8, 1924, in Anson, Texas. He start-

ed to school in Anson and later moved to Rochester. Dick joined the Seniors when they were in the Seventh Grade.

Dick takes active part in track, tennis and dramatics. He is vice president of the Senior class and Sports Editor of the annual.

Dick plans to enter college next fall and major in Business Administration. Success and happiness to you, Dick!

Atoms and Molecules

The chemistry class has been making intensive studies of the atom and molecule. They have learned the structure of the atom, weight of the atom, and the number of atoms in different compounds. We have found that the atoms and molecular theory is very essential today in our national defense program. The durable steel could not be made unless the scientists understood the atom and knew the formulas and properties of carbon. In the manufacture of gunpowder the scientist must know how the molecules are spaced in order to give the right amount of force for an explosion of the powder.

Boulder Dam Film

The film on the construction of Boulder Dam was shown to the Science and Civics classes Monday. It showed the very beginning of construction of the world's largest dam.

It was shown how waters had flooded many homes and left people in that section of the country homeless. Then they started construction of the dam and it was completed in September 1935. President Roosevelt dedicated the dam to the benefit of the people of the United States.

It was indeed a difficult task to build this dam, but it was made possible. The first thing they did was to blast the Black Canyon

walls and then build dikes to hold back the water so they could complete this dam.

Along with this picture they showed the largest man-made lake in the world, Lake Mead, formed by the dam, and the city which was built in Nevada to supply homes for the men working on the dam. The city was Boulder City, Nevada.

Juracy Jones

LOCALS

E. L. Covey of Benjamin was a business visitor in town last Monday.

Mrs. LoRoy Melton and Mrs. Lewis Williams of Benjamin were shopping in town last Monday.

Mrs. Dorse Rogers and Mrs. J. C. Hargham were visitors in Haskell last Saturday.

Mrs. C. K. Mosby, Mr. and Mrs. Everett McConnell and son of Wichita Falls, and Mrs. Charles

Giddings of Albuquerque, N.M., spent last week end in the home of Mr. and Mrs. Robert Green.

James H. Bardwell, a teacher in the schools at Goree for a number of years, has received a cable from his brother in Hawaii that all is well with him.

Miss Lorene Silman, who underwent an appendectomy at the Knox City hospital last week, was returned to her home last Sunday.

Mrs. C. C. Coates of Knox City visited her son, Curtis Coates, and his family here the first of this week.

Mr. and Mrs. Herbert Sams and Mrs. A. H. Sams of Benjamin were visiting in the city last Sunday night.

Mrs. R. A. Clements was a visitor in Stamford last Saturday.

Miss Gayle Preston of Abilene spent last Sunday visiting friends in Munday.

Country Club Is Scene of Meeting Of Bank Employees

Mr. and Mrs. W. E. Braly were hosts to the employees of the First National Bank and their families, with a turkey dinner with all the trimmings, last Thursday night at the country club.

This has been an annual affair since 1935 when Braly assumed management of the bank. Since that time the bank "family" has grown from 7 to 16. Miss Louise Atkinson and Moulton Wiggins are the only present employees who have been in continuous service at the bank since 1935.

Colored lights and mistletoe formed the centerpiece for the dining table. Christmas decorations were used throughout the club rooms. The mantle was decorated with candles and mistletoe.

Braly told of his appreciation of the loyalty and splendid cooperation of the employees this last year and presented each employee with a check for a 15% bonus from the board of directors.

Bank deposits reached the million-dollar mark this year for the first time in the history of the bank.

Guests were Messrs. and Mesdames J. A. Wiggins, Travis Lee, Fred Broach, Jr., Rupert Williams, and Paul Pendleton. Miss Louise Atkinson, Moulton Wiggins, Ben Hausler and Harvey Arnold.

Miss Thelma Atkinson will arrive here next Saturday from Albuquerque, N. Mex., to spend the Christmas holidays in the home of her father, W. H. Atkinson and other relatives.

Mr. and Mrs. A. A. Smith, Jr., and Mr. and Mrs. Carroll Blacklock spent last week end in Wichita Falls in the home of Mr. and Mrs. R. L. Ballinger.

SHOP EARLY—Give gifts that will serve as well as thrill. We have plenty to choose from. The Gift Shop, (over First National Bank.)

Dan Billingsley, Miss Jane Moore Wed on Saturday

Miss Jane Moore of Goree, and Corporal Dan O. Billingsley were married in a service read by the Rev. R. L. Kirk, pastor of the Methodist church, last Saturday night. The ceremony was read at the parsonage.

Lamoine Blacklock served as best man at the wedding. The bride is the daughter of Mr. and Mrs. Ernest Moore of Goree. She was reared in Knox county, attended the Goree schools, and is a popular member of the younger set at Goree.

Corp. Billingsley, son of Mr. and Mrs. M. F. Billingsley, was recently graduated from Chanute Field, Illinois, and has been stationed at Oodfellow Field, San Angelo. He will report for duty Dec. 28th.

Bridge Club Has Annual Christmas Party on Monday

The Monday Night bridge club was delightfully entertained in the home of Mr. and Mrs. C. P. Baker last Monday night with supper served buffet style.

After supper gifts that were artistically arranged around a beautifully decorated Christmas tree, were exchanged.

In the games of bridge, high honors were held by Mrs. H. A. Pendleton and Grady Roberts.

"Time out" was called to hear the President's message. Guests present were Mr. and Mrs. H. A. Pendleton, Mr. and Mrs. W. R. Moore, Mr. and Mrs. A. H. Mitchell, Mr. and Mrs. Fred Broach, Mr. and Mrs. Grady Roberts, Mrs. Jack Mayes and the hostess.

Guests in the home of Mr. and Mrs. D. E. Holder, Sr., over the week end were Mrs. Holder's sister, Mrs. Williams, Mr. and Mrs. A. Tart, and Slim Tart all of Abilene.

Sybil Proffitt And Dallas Man Wed December 14

Mr. and Mrs. Jim Proffitt announce the marriage of their daughter, Miss Sybil Proffitt of Munday, to Mr. Ivan Straw of Dallas. The marriage took place Sunday, December 14, at Seymour.

The bride wore a sky blue dress with white accessories. Present for the wedding were the bride's mother and sister, Inez Proffitt, and Guendell Yarbrough.

The couple left immediately following the ceremony for Dallas to make their home. Mrs. Jim Proffitt, Miss Inez Proffitt and Lois Usery accompanied them to Dallas for a visit.

Annual Christmas Dinner Enjoyed By Munday Music Club

The annual Christmas dinner for the Munday Music Club was held last Thursday night at the study club. Hostesses that served the turkey dinner with all the trimmings were Mesdames John Ed Jones, Helen von Baumann, H. A. Pendleton, W. R. Moore and Miss Fannie Isbell.

Mrs. Don Ferris was toastmistress and introduced the guest speaker, R. E. Baskin of Seymour. The speaker stressed the importance of the Christ life and the need of these war days through his humorous talk.

Mrs. C. P. Baker gave a scriptural reading and carols, and the club gave a program of Christmas carols. Mesdames Orb Coffman, Oscar Spann, P. V. Williams, Louise Ingram, Mr. and Mrs. Don Ferris and Mr. and Mrs. L. M. Palmer presented the music.

Present were Messrs and Mesdames H. A. Pendleton, W. R. Moore, W. M. Taylor of Goree, Fred Broach, Jr., Don Ferris, Arthur Smith, Jr., R. L. Kirk, Clyde Kennamer, Travis Lee, W. M. Huskinson, R. E. Baskin of Seymour, Mesdames John Ed Jones, C. P. Baker, W. P. Farrington, P. V. Williams, and Louise Ingram.

Hefner H.D. Club Enjoys Christmas Tree on Tuesday

A meeting and Christmas tree was enjoyed by members of the Hefner home demonstration club on Tuesday with Mrs. Geo. W. Weber

as hostess. A short business session was held, followed by a program of carols, songs and musical numbers.

Mrs. S. E. Stevenson gave a talk on "The Bible, the Book of Books." Mrs. J. W. Baughman talked on "Women of the Bible," and Mrs. J. W. Fowler gave a reading, "The Prince."

A contest for each one telling their New Year's resolutions was held. Each person received a gift from the beautiful Christmas tree. Gifts consisted mostly of cotton material.

A delectable salad plate was served to 20 members, 6 guests and the home demonstration agent.

The Knew Klub Meets Monday In Broach Home

Mr. and Mrs. Fred Broach, Jr. were hosts to the Knew Klub with a Christmas dinner in their home last Monday night.

Dinner was served from quartette tables centered with candles in a nest of coral berry and nandina leaves.

In the games of bridge, high honors went to Mr. and Mrs. D. E. Holder, Jr.

Christmas gifts were distributed from a beautifully decorated Christmas tree to Mr. and Mrs. Paul

Pendleton, Mr. and Mrs. L. M. Palmer, Mr. and Mrs. D. E. Holder, Jr., Mr. and Mrs. Gene Harrell, Mr. and Mrs. Rupert Williams, Mr. and Mrs. Carl Jungman and the host and hostess.

Mr. and Mrs. Lawrence Kimey and son, Larry Rex, were business visitors in Lubbock, Lamesa and other points on the Plains Wednesday and Thursday.

F.F.A. BOYS SELLING FIREWORKS FOR FUNDS TO BUY DEFENSE BONDS

Members of the Munday chapter, Future Farmers of America, will sell fireworks each Thursday and Saturday before Christmas. The profits from the sale will be used to purchase defense bonds and stamps.

The following boys purchased dairy heifers at Dallas last week: Ralph Tidwell, Hulien Montgomery, Aubrey Roden, Bobby Barton, Ben Bowden, Buddy Gafford, and Austin Floyd. This brings the total purchases of the local chapter to 20 head of heifers. All have been from well-bred, high-producing herds.

BOYS RECEIVE DIPLOMAS

Of the 25 boys who received training in the National Defense Metal Working course, six of them have completed the minimum requirements for receiving a diploma. Those who finished the course with 150 hours or more received diplomas this week. They are: E. T. Reynolds, Judson Giddings, Frank Brown, Walter Jungman, Sargent Lowe and Billy Lowrance.

Most of the boys are now taking the truck, tractor and auto mechanics course being taught by C. R. Vaughn at Moore Chevrolet

each Monday, Wednesday and Friday from 6 to 11 p.m.

Several boys are enrolled in this course who did not take the other course. Four more vacancies exist in the enrollment and anyone between the ages of 17 and 25 who are interested in taking advantage of this free course sponsored by the federal government are asked to contact Manuel W. Ayers, local defense supervisor, for details of enrollment.

News From Goree

The Goree Red Cross announces that 20 sweaters are ready to be knitted for boys in the service, and 50 hospital garments are ready for assignment. All who can please call and get some work to do. Mrs. E. F. Heard is in charge of the assignments.

Mr. and Mrs. Orb Coffman and children were visitors in Wichita Falls last Saturday.

Mrs. Esther McGraw and Bonnie June Roberts were visitors in Wichita Falls last Saturday.

C. H. Andrews has installed a bowling alley in Goree and will operate it for an indefinite time.

Mrs. Jim Morton was a business visitor in Wichita Falls last Monday.

P. V. Williams manager of the Roxy Theatre of Munday, cordially invites all the kiddies of Goree to attend the free show at the Roxy, Wednesday morning at 10 o'clock, December 24th. There will be a very interesting picture and he wants all the kiddies to be there.

Mrs. B. C. Anderson and Miss Mullins of Knox City were here Monday on matters pertaining to the Red Cross work and conferring with Mrs. E. F. Heard, who is in charge of the work here.

Mrs. Gussie Lewis and E. M. Bowman were Haskell visitors last Monday.

Mr. and Mrs. Floyd Bowman and Mrs. Vaughan Williamson were visitors in Seymour last Monday. Mrs. Gussie Lewis will leave

Saturday for a Christmas visit with her sister, Mrs. A. Evans, who resides in Burnett county.

Horace Arledge of the Stamford P.C.A. office was here two days

this week assisting workers in the Munday office with detail work.

Mr. and Mrs. Ernest Griffith of Weinert were visitors in town last Tuesday.

Teachers and pupils are busy preparing for the Christmas program to be given in the auditorium next Sunday night, December 21, at 7.30. A cordial invitation is extended to all to attend this program.

We take this opportunity to wish each and every one a very merry Christmas.

Senior Report

The seniors have been very busy in English, writing themes and summaries. Now we are studying about arguments and unsound reasoning. We find the latter quite interesting, especially when Miss McGraw and the Senior boys argue on such questions as "Is There Such a Thing as Luck?"

The Juniors and Seniors are busy decorating their room for Christmas. We are also rehearsing the plays and songs that we will present during our Christmas program.

The students in Room I have joined the Junior Red Cross.

We were very glad to have the county superintendent, Mr. McGaughey, and county agent, Mr. Dunkle, visit our school the past week.

We Wonder Why—

Theresa would like to take a trip to California. Miss McGraw doesn't believe in luck.

T.J. is called "Glendie." Oh yes, we know, and she lives in Seymour, doesn't she, T.J.?

Albert enjoyed his part in the Christmas play.

Junior News

We have decorated our room and it looks very nice. We are not finished with it yet.

We are going to have a Christmas program in the auditorium. A small admission charge will be made.

The Juniors are a little sad because examinations come just before Christmas.

We will have a few holidays at Christmas.

The Juniors wish each and every one of you a Merry Christmas and a Happy New Year.

Sophomore Report

Christmas is coming next week. We hope everyone has a Merry Christmas, lots of fun and happiness.

We also have exams next week so we will not think of Christmas until the exams are over. We hope that everyone will pass, so they may have a Merry Christmas, too. Algebra is difficult now, since

we started statement problems. We also hope that these statement problems will soon quit, so that we may get ahead again.

Freshman Report

As Christmas is drawing nearer we began decorating our room. We chose blue and silver as the colors with which to decorate. We have a stencil on each board. On the front board we have candles and on the side board we have holly. We received our play. It is called "Poppa Reads the Christmas Carol."

The class enjoyed listening to the news over the radio last Friday morning, during our history class. On every Friday we discuss current events.

We will have our six weeks test on December 22 and 23, just three days before Christmas. School will close the 23 and take up the 29.

News of Room III

We are all busy decorating our room for Christmas. Red and green roping is running across the room with silver icicles hanging over them. There are also pictures on the boards.

We are also getting ready for a Christmas party which we will have Friday, December 19. Our presents will be distributed at the party.

Mrs. Ruby Kethley of Abilene visited friends and relatives in Munday over the week end.

George Hammock and Robert Horan were business visitors in Wichita Falls last Friday.

Lee Haymes and Jim Goode were business visitors in Wichita Falls Wednesday of last week.

Mrs. W. M. Huskinson, Miss Louise Atkinson and Miss Gayle Preston visited Mrs. Wade Mahan and baby daughter in the Haskell hospital last Sunday afternoon.

Mrs. Helen von Baumann spent last week end in Chickasha, Okla., visiting in the home of Mr. and Mrs. Ralph Johnson.

Mr. and Mrs. Aaron Edgar went to Quanah last Sunday to attend the funeral of Earl B. Chancellor, who died of a heart attack at Wichita Falls early Saturday morning. Mrs. Edgar and Mrs. Chancellor, both members of pioneer Hardeman county families, have been close friends since girlhood days.

At The Churches

PRESBYTERIAN CHURCH CHRISTMAS SERVICES

A Christmas program and tree will be given for the children of the Presbyterian church, Sunday morning, December 21st.

A vesper service will be given at the church at 5 p.m. for all the church and visitors.

The topic "A Church Family Worship Service, Come Worship With Us."

FIRST BAPTIST CHURCH

How beautiful and refreshing this warm sunshine is this Tuesday morning! It is my plan now to be back in the services next Sunday. How happy we will be to see all of you and to greet you in the services. We will never be able to express our appreciation for the many kindnesses shown in so many different ways during the past five weeks. May God's richest blessings be on each of you.

In these days of war with its attendant sorrows, privations, and sacrifices, may our faith be fixed in Him. There have been given to us by our all-wise Creator some things that are worth dying for. These heritages are ours; without them living would be a hollow mockery, and a woeful disappointment. It is not the Church's business to prosecute this war, it is the business of the government with its army, navy and air force. It is our business to maintain a stable Christian faith and courage. Remember that Christianity is not licked until it gives up inside. That which we have inside us makes or

destroys us.

Next Sunday you will be given an opportunity to give a free-will offering to Buckner Orphans Home. There are some 650 children who are dependent. You will be happy to respond to their call.

Two more Sundays in this year. Let us make the best of them.

W. H. Albertson

"CHRISTMAS" TO BE SERMON THEMES AT CHURCH OF CHRIST

Sunday morning at eleven o'clock Carl A. Collins, Minister of the Church of Christ, will have as a theme for his sermon; "Christmas, What It Is and What It Is Not." Sunday night at seven thirty his sermon theme will be; "The Spirit of Christmas." The interest and attendance were all very fine at all services last Lord's Day and it is expected that this coming Sunday will show a new high in both.

Sunday morning Bible School begins at ten o'clock sharp and it is hoped that the entire congregation will be on hand. Many visitors attended the services last Sunday and a cordial invitation is extended to everyone to attend this coming Sunday.

METHODIST CHURCH NOTES

by Luther Kirk
 The Call of The Church
 I am about the best friend you ever had. I am about the sweetest memories—memories of brides, memories of mothers, memories of boys and girls, memories of ages as they walk in the shadows. I am blessed with loving

thoughts crowned by happy hands and hearts. In the minds of the greatest men on earth I find a constant dwelling place.

I safeguard man through all his paths. I lift up the fallen. I strengthen the weak. I help the distressed. I show mercy, bestow kindness and offer a friendly hand. I am good fellowship, friendliness, love. Sometime—some day in the near future YOU will yearn for the touch of my friendly hand. I am calling you—NOW. I am YOUR CHURCH.

—Selected

It seems to me that the call of the church should receive a more ready response from all its members in the midst of these trying times. If the church has ever meant anything to you it should mean more today. True and patriotic Americanism is true patriotism to God. Are you a true American in the sense of loyalty to your forefathers and their faith? If so you love the church. If you love the church you will support the church. Support its services with your presence.

Attend church Sunday.

VISITORS IN BOWIE

Mr. and Mrs. Paul Tankersley and boys, Ronald and Donald, spent the week end in Bowie, Texas. While there Paul enjoyed the day bird hunting.

Mr. and Mrs. R. E. Phillips and Mr. and Mrs. O. E. Carlyle of Farmersville spent last week end in the home of Mr. and Mrs. H. A. Pendleton. Mrs. Phillips and Mrs. Carlyle are sisters of Mr. Pendleton. Sunday guests were Mr. and Mrs. Roy Sanders and daughter, Carol Ann, of Haskell.

Mr. and Mrs. Lawrence Kimey

and son Larry Rex, spent the week end in Fort Worth, visiting relatives.

Some species of trees are like men—they are able to adapt themselves to an environment.

ENROLLMENT IN JUNIOR RED CROSS 100 PER CENT

County Supt. Merick McGaughey Junior Red Cross chairman for the county, and his co-workers have achieved an enviable record during the recent Roll Call. When all reports are in, the workers state, they expect to have 100 per cent enrollment in the schools of Knox county.

CECIL JOE BURTON JOINS MARINE CORPS

Cecil Joe Burton, son of Mr. and Mrs. Cecil Burton of Sunset, is Knox county's newest addition to the U.S. Marine Corps. Cecil joined the Marines last week, and his parents took him to Abilene on Monday of this week. From there he went to San Diego, Calif., for training.

HAS APPENDECTOMY

Mrs. Manuel W. Ayers was taken to a Wichita Falls hospital last Monday where she underwent an appendectomy. Latest reports from the hospital are that she is doing nicely.

THE REXALL STORE

"The Most Complete Drug Store in Knox County"

"Our sleeves are up, Uncle Sam!"

America is at war!

Whatever may be necessary, Lone Star Gas System stands ready to do its full part so that dependable gas service is available at all times for the Defense Program. This is our Number One Job. Whatever it takes—it shall be done.

In airplane factories, army camps, manufacturing plants, flying schools and many other defense projects dependable gas service continues to be vital. Likewise, dependable gas service is most necessary to the health and welfare of the homes of this community. Ours is a double task as we face these responsibilities.

Now more than ever the real significance of dependable gas service stands out in its full importance. Our interconnected pipe line system facilities connected to more than 1,200 wells in sixty separate gas fields is geared to the emergency. Our sleeves are rolled up, Uncle Sam. There is a job to be done, and it must be done well.

LONE STAR GAS SYSTEM

Almost every metallic item of defense and every part of every machine required in producing these items is absolutely dependent upon heat treating. In war or peace dependable natural gas service is of major importance to the industries as well as the homes of this area.

Santa Claus has opened his Toyland headquarters here, and you'll find a lot of practical and useful toys for all the boys and girls . . . toys that they will enjoy, sturdy toys that will last for many days.

We have other suggestions for useful and practical gifts for all members of the family.

Do your Christmas shopping early, and avoid crowded shopping days.

Make our store your headquarters.

Mahan Burial Association

... Is Now Accepting Applications For Membership.

Our agents are in the field. It is to your interest to let them explain to you the benefits provided by this association. Our rates are the very lowest and can be paid from the most modest income on a monthly, quarterly, semi-annual, or annual basis.

Any person in this territory who is in good health and between the ages of 1 day and 99 years, is eligible for membership.

We are authorized to accept membership from 29 counties, but the primary purpose of the Mahan Burial Association is to serve the people of the territory which it has been the privilege of the Mahan Funeral Home to serve for the past five years.

The Mahan Burial Association is operating under the laws of the Texas State Insurance Commission governing the organization of burial associations operating in Texas. This guarantees members of this association the maximum benefits of this association, as provided by law.

A large percentage of the funeral homes in Texas now operate burial associations. The Mahan Burial Association is being organized in keeping with the practice of the Mahan Funeral Home to provide every modern service a funeral home can provide to make the burden lighter in an hour of grief.

The Mahan Burial Association is strictly a local organization for the benefit of local people. Many have already joined, and more are joining every day. Contact any agent representing this association, or visit the Mahan Funeral Home, for full details of the benefits provided. The cost to you will be less than you have ever before heard of for the same service.

Mahan Burial Assn.
