Holiday Street Lights Banned For Duration

As show windows of Munday's business houses began to take on the Christmas atmosphere this week, announcement came from the City of Munday and the Chamber of Commerce that holiday lights on the streets of Munday will be discontinued for the duration of the war. The announcement follows:

"Due to restrictions imposed by the Office of Civilian Defense and War Department, the usual Christmas street decorations of Munday will not be had this year, and for the duration of the war. This is recommended by both of the above departments as an air raid precaution and to conserve materials vitally needed for war production and to conserve electricity."

A number of the Munday stores have beautifully decorated windows in keeping with the Christmas season.

Uncle Sam Needs Junior Mechanics

A widespread civil service campaign began in this area today to recruit critically needed junior mechanics, \$1860 a year, for civilian employment at the Army Air Force Sub-depot, Midland, Texas, according to Ardelle Spelee, local civil service secretary.

Persons with two years mechanical training or experience may qualify. Auto mechanics and men with hydraulic, machinist or instrument experience are especially urged to apply for this civil service position.

Application forms may be secured from and should be filed with the local civil service secretary at the post office.

Persons engaged in war work of equal skill need not apply.

TO FAMILY REUNION

Mrs. Doe Brown of Bracketville, Miss Elizabeth Medley of Washington, D. C., Mrs. Ed Hester and Mrs. J. W. Medley of Haskell and Mrs. A. B. Warren of Munday visited with Mrs. Warren's brothers in Santa Rosa, New Mexico, over the week end. A family reunion was held there, this being the first time all of the family had been together in ten years.

ROBERT FORD WRITES OF VISIT TO LONDON

Mr. and Mrs. J. L. Ford received a letter from their son, Robert Ford, who is stationed "somewhere in England," giving an interesting account of a recent visit to London. Robert told of visiting the house of Winston Churchill, and other interesting places in the English capital.

Mrs. Homer T. Melton and little son of Benjamin were visitors in town last Saturday.

"Fill'er Up" Is Heard For Last Time Monday

Gas Stations Rushed Last Day Before Rationing

Practically everyone in this area started December 1st off with a full tank of gasoline. Only those who failed to get their tanks filled had their cars in repair shops, or, for other reasons were prevented from getting to filling stations.

Local gas stations and wholesale dealers reported a record day last Monday, as they probably heard the words, "Fill'er Up" for the last time for the duration. Now, station operators must see those little coupons before they can give you the quantity of gas asked for.

Rationing in this locality amounts to approximately 4 gallons of gas per week for people who made "A grades" on registration dates and received the A-basic rationing book. This is an edge over the eastern states, where gas rationing has been in effect for some time, as they are allowed about 3 gallons per week.

The gas rationing board has been swamped with applications for additional gasoline. Members of the board have again issued the warning that the speed limit of 35-miles per hour must be observed. One of the penalties for speeding will be forfeiture of your gas rationing book.

Funeral For Earl Cluck of Rule Is Held Last Sunday

Funeral services for Earl Cluck, brother of Tom Cluck of this county, were held at the Primitive Baptist church in Rule last Sunday afternoon. Elder S. H. Richards officiated, and burial was in the Rule cemetery.

Mr. Cluck, who was 42 years old, died suddenly at his home near Rule last Friday afternoon at 4 o'clock of an heart attack.

Surviving are his wife and three children, Mrs. Jake Taylor of Rule; Mrs. Johnnie Collum of Gatesville, and Billy Earl of Rule; three brothers, John Cluck of Ackerly, Tom Cluck of Munday and Bud Cluck of Middell, Okla.; three sisters, Mrs. T. A. Calloway of Waco, Mrs. E. V. Ashley, who resides near Rule, and Mrs. Roy Self of Rule.

Notice!

According to Article 2892 of Texas School Law on compulsory attendance, every child in the state who is seven years and not more than 16 years of age shall be required to attend the public schools in the district of its residence, or in some other district to which it may be transferred as provided by law, for a period of not less than 120 days.

Children who are not now attending school should enter now to get in the required time.

Masonic Work Is Slated For Monday

The regular stated meeting of Knox Lodge No. 851 will be held at the lodge hall in Munday next Monday night.

Work in the Entered Apprentice Degree is slated for this meeting, and other important business will be discussed. All members of the local lodge are urged to be present and visiting Masons will receive a warm welcome.

DEATON GREEN FAMILY LEAVE FOR SEYMOUR

Mr. and Mrs. Deaton Green and children, Jean and Gary, left the first of this week for Seymour to make their home. Mr. Green, who has been employed by the City of Munday for the past several years, has accepted a position with the Community Natural Gas Co., with headquarters at Seymour. Their many friends here wish them every success in their new home.

Pupils Hear Peter Loran's Talk On Russia

One of the most enjoyable programs of the school year was held last Monday morning at 10:45 when Peter Loran of Rhineland talked to them on the present Russian situation. All high school students and the upper grades of the elementary school heard this talk.

Mr. Loran, who was reared in Russia, told of his experiences there. He described the nature of the land, the terrain of the present battlegrounds and of how the Germans gained their present foothold on the Russian soil.

Everyone listened attentively for an hour as Mr. Loran gave his interesting address, which was interspersed with entertaining stories. The entire school would welcome another opportunity to hear him.

KIDDIES ASKED TO SEND IN THEIR LETTERS TO SANTA CLAUS

The Munday Times is getting ready to print letters to Santa Claus from the children of Knox county. These letters will appear in our Christmas edition which will be in the mails just before Christmas.

Kiddies are asked to send in their letters as early as possible, in order that they may appear in The Times and then be forwarded on to Santa Claus in time for him to fill their orders.

Teachers in the schools are asked to have little children in their classes write their letters and send them to us to be printed. We want lots of letters from the kiddies.....so hurry!

Thankful I am An American Citizen

Union Grove School gives thanks I am an American as the school lunch sponsors donated chickens and all the food for a sumptuous menu of baked chicken and dressing and all the trimmings of a real Thanksgiving Feast.

Ruth Ann Denton led Mrs. E. F. Branton's room in a prayer of Thankfulness and Barbara Ames led Mrs. Cash's room, followed by the sponsors and children happily enjoying the privileges of our American Way of Life.

C. B. GOODWIN GOES TO DALLAS FOR OPERATION

C. B. Goodwin, who is serving as justice of the peace in Munday, was taken to Dallas last Sunday where he is to undergo a major operation. His many friends here hope that he will have a rapid recovery and will soon be about his duties again.

War Bond Sales for Week Reach Total Of \$24,000

Collection Of School Taxes Running High

Tax collections for the common school districts of Knox county ran at a high clip during the month of October, 1942, according to Merrick McCaghey, county superintendent. A total of \$19,352.63 was deposited to the schools and was prorated to the various districts as follows:

Reid's Hardware Asks Patronage Of All Citizens

Wallace and Omar Reid, owners of the Reid's Hardware, announce this week that they are open for business, with a new stock of hardware arriving early in the week.

The new owners purchased the stock of Guinn Hardware Co., and are operating the business in the same location.

Weldon Warren, son of Sam Warren, moved back to Munday several weeks ago from Plainview, and is in charge of the Reid's Hardware.

"Citizens of this trade area are cordially invited to come in and see our stock of merchandise," the owners said. "Our stock is as complete as we can make it under present war conditions, and we expect to maintain a complete stock of shelf and heavy hardware for your convenience. Your patronage will be sincerely appreciated."

Father of Mrs. Tom Cluck Dies At Cone Home On Friday

H. A. Lamb, 76, of Cone, Texas, father of Mrs. E. T. Cluck of Munday, passed away at his home on Friday, November 27. Mr. Lamb had visited here several times, and was known to a number of Knox county citizens.

Funeral services were held from the First Baptist church at Cone at 2:30 last Saturday afternoon, conducted by the pastor.

Surviving him are his wife and six children, who are: Mrs. B. Flowers of Cone, Joe Lamb of Crosbyton, Velmo Lamb of Cone, Walton and Alton Lamb of Ralls, Mrs. E. T. Cluck of Munday.

Mr. and Mrs. Cluck and Mrs. Clyde Yost attended the funeral services, returning home Saturday night.

LOWRY RESIGNS AS CITY PARK KEEPER

Phil Lowry, keeper of the city park for the past two seasons, has tendered his resignation to the City of Munday, effective December 10. Phil will move his family to Fort Worth, where he will be engaged in defense work.

BIRTH ANNOUNCEMENT

Congratulations to Mr. and Mrs. Weldon Floyd upon the arrival of a baby son. The youngster was born last Tuesday night at the Knox county hospital. Mother and little son are doing nicely.

RETURNS TO GALVESTON

Miss Elizabeth Frances Moore has returned to Galveston, where she is employed by an insurance firm, after spending several days with her parents, Mr. and Mrs. A. M. Moore, and with other relatives.

BOGARD IS IN UTAH

Mrs. Bogard received word from her husband, Coach Mack Bogard, last week stating that he is now stationed at Salt Lake City, Utah. Coach Bogard entered the army several weeks ago.

THESE THINGS WE SHOULD REMEMBER

December 7, 1942, marks the first anniversary of the raid on Pearl Harbor and our formal declaration of war against the Japs and the Axis. This date will long be remembered by us Americans!

If the date, 12-7-42, appears after your name on this week's Munday Times, that's something else for you to remember. Yes, time for renewing your subscription. You don't want to miss a single copy during the next year, so renew now!

Many subscriptions, both new and renewal, were received during November, and we're expecting many more during this month. Let us have your subscription as early as possible, please.

Local Ladies Doing Work For Red Cross

Red Cross rooms are open on Tuesdays and Wednesdays for afternoon classes in making of surgical dressings. Night classes are Tuesdays and Fridays.

Sewing rooms over the Rexall Drug Store are open on Thursday and Friday afternoons. Anyone who will help in Red Cross work are requested to be present on these afternoons.

Money is needed to keep the local work rooms open. Anyone who will donate to this purpose are requested to see Mrs. W. R. Moore.

Quail Season Open In Texas

The quail season opened Tuesday all over Texas.

Even the gasoline rationing is not expected to keep all sportsmen at home, as it is believed many have made plans to get to their favorite hunting grounds. The "share the car" program may also be used by sportsmen.

The season will close on January 16. The bag limit is 12 a day and not more than 36 in any one week.

Many say there's a plentiful supply of quail this year, but they're likely to be protected this year by the gasoline rationing and a shortage of ammunition.

Another Class In Surgical Dressings Opens December 10

Another class in making of surgical dressings will begin on Thursday, December 10, at 9 a. m. Miss Myrtle Munday, who has taught other classes here, will also be the instructor for this course.

This course will be for Thursday only, with hopes of completing the class by six o'clock in the afternoon.

Miss Munday reported that local workers are getting along pretty well on the local quota of surgical dressings, but the work is hampered because of lack of workers. All who are interested in taking the above course are urged to be present at 9 a. m. December 10.

Box Supper To Be Sponsored by Local Future Farmers

The Munday chapter of Future Farmers of America will sponsor a box supper and game night at 7:30 tonight (Thursday) at the elementary school building.

Members and others are requested to bring boxes and a filled pocketbook. Proceeds from this event will go toward purchasing registered pigs for the chapter.

ACCEPTS POSITION WITH CITY OF MUNDAY

Eddie Johnson, well known Munday citizen, has accepted the position which was formerly held by Deaton Green. His duties will consist of street maintenance and work in connection with the water system.

Mr. and Mrs. Jim Reeves were visitors in Haskell last Thursday afternoon.

Women at War Week Is Observed By Brisk Sales

A report from the War Bonds and Stamps sales in Knox county during the "Women at War Week," November 23 through 28, is still incomplete, although a total of \$24,532.90 has been reported.

A report from Knox City has been received from the chairman, Mrs. Tom Paul Frizzell, Jr. A bond rally was held in Knox County on Wednesday, November 25, bringing in a total of \$10,000 in War Bonds and Stamps.

Mrs. Orb Coffman, chairman from Goree, reports \$3,000 in bond and \$62.00 in stamps sold during the week.

The drive at Munday has been through the ladies in the business houses, through the Munday Study Club which sponsored a booth on Saturday, and through the public school system. The report from this drive shows that \$520.40 in stamps and \$10,950.50 in bonds were sold.

We want to especially thank the faculty at school that carried on the school's drive so successfully. A close race was between the senior and junior classes, with the senior winning first place by selling \$153.10 in stamps. In the grade school first place went to 8-A class, with \$26.65 in sales. Total amount for the schools reached \$410.80.

The record stamp sales in the business houses went to Mrs. B. A. Yarbrough at Florence's Beauty Shop with \$76.75. Miss Mounce at Elizabeth's Beauty Shop ran a close second with \$63.85.

The ladies who assisted in the drive want to thank each and every citizen for the splendid response given in this "Women at War Week" drive. Through the coordinated effort of everyone, Knox county almost reached her monthly bond and stamp quota during this one week only.

MRS. C. P. BAKER
Chairman Women at War Week Bond and Stamp Drive.

Benjamin Lunch Room Group Enjoys Surprise Feast

The Benjamin School Lunch sponsors surprised the teachers and children with a Thanksgiving Feast last Wednesday which included everything from roast, cranberry sauce and all the other trimmings to ice cream.

The surprised happiness on the faces of the entire group was a pleasure to behold. A prayer of Thankfulness by the entire group was followed by Spt. A. N. Boyd expressing his pleasure at this demonstration of thoughtfulness and Jessie M. Smith, the Lunch-room Supervisor, thank the sponsors for their thoughtfulness at this Thanksgiving Time of 1942.

Miss Cash, the Homemaking Teacher, was in charge of general arrangements.

Hammett Attends Grand Lodge Meet

G. B. Hammett went to Waco on Tuesday of this week where he attended the annual Masonic communication of the Grand Lodge of Texas on Wednesday. Mr. Hammett went as a representative of Knox Lodge No. 851 at Munday.

Due to the war emergency, gasoline rationing, etc., Grand Master E. M. Wood of Anson called the Grand Lodge to meet for the one day only. The annual communication in ordinary times consumes the greater part of three days.

Accents Position In Olney School's

Miss Virginia Smith has accepted a position as teacher in the Olney high school and left last Sunday for Olney to begin her duties in the school there on Monday morning.

Miss Smith, daughter of Mrs. J. R. Smith of Munday, is a graduate of Texas University and had several years of teaching experience prior to her election to the Olney school faculty.

Layne Womble was a business visitor in Fort Worth and Dallas the latter part of last week.

"ACRES OF DIAMONDS"

Sharp dissension is developing in Congress over the administration's proposal to import labor. One group contends that because of the manpower shortage it is necessary to import a minimum of 100,000 workers.

The other group declares that our existing manpower resources are not being fully and efficiently utilized and that no foreign workers should be brought into this country until we have exhausted all of the domestic labor reserve. Furthermore, they contend that the proper allocation of manpower will eliminate any necessity for importing workers.

The War Manpower Commission cooperating with the State Department has discussed with four governments, plans for importing workers. The discussions involved the importation of up to 50,000 Mexicans, 10,000 laborers from Cuba, as many workers as available from Puerto Rico, and 40,000 negro laborers from the Bahama Islands.

Before this action is taken would it not be advisable to step up our work week from 40 to 48 hours a week and eliminate strikes, absenteeism, and some of the other time-wasters? Maybe we are searching all over the landscape for something we already have in our own back yard.

POLICY NEEDED — NOT CZAR

Sharply criticizing the activity, or rather the inactivity, of the War Manpower Commission which failed, after seven months, to establish a basic policy or program for meeting its increasing problems, the special Senate (Truman) investigating committee made some proposals of its own.

For one thing, the committee recommended lengthening the basic work week to at least forty-eight hours as against the present national average of forty-two and a half. Overtime wages in war industry, where the government buys the products, the committee proposed should be paid in war bonds, cashable only after the war or usable during hostilities for payment of Federal taxes.

The committee report also suggested that the forty-hour week in non-war industry be suspended as a "possible answer" to the severe labor shortage here.

However, although a policy is badly needed, according to the committee, compulsory legislation of a single manpower czar is not.

"The manpower problem is too difficult and complex to be solved by any simple solution such as creating a manpower czar or authorizing by statute a government agency to determine by coercion where each employee shall work.

"The administrative machinery would be too cumbersome and there would be too much room for favoritism and even graft by the thousands of local agents who would be exercising the power to determine whether and where John Jones and Bill Smith are to work."

SHARE THE RIDE

No one really knows how far-reaching will be the effects of stringent nation-wide gasoline rationing. Its resulting problems will be particularly acute amidst the vast distances of the Western United States. Thousands of war workers and farmers live many miles from production centers. Plans are under consideration for sharing of rides. Compulsion should be avoided wherever possible. American citizens, by nature and traditions, simply don't like it.

The Standard Oil Company of California recently ran large advertisements in the papers, which promise to help immeasurably in this transportation problem. They urge workers to go to the nearest Standard Station and put their names on the share-the-ride registers where every effort is being made to make it possible for car owners and workers to coordinate routes and times of departure.

Industry in every field of endeavor is striving to aid the over-all war effort. It knows that a problem that is not solved voluntarily, must be solved by government authority. If the oil industry can help solve the auto transportation problem on a voluntary basis, all of us will owe it a debt of gratitude, because it will have helped avert official restrictions of individual action and movement, which are dear to the American citizen. We should cooperate to the limit.

More than 70 per cent of the 825,000 men over 65 now eligible for federal old-age pensions have deferred their claims and stayed on the job. Another 24,000 who retired before Pearl Harbor have now dropped off pension rolls and returned to work.

A MILITARY NECESSITY

A textbook on "Fire Prevention Education," has been published by the National Board of Fire Underwriters, 85 John Street, New York City. It is for use by educators in the schools, and by civic leaders as a guide in organizing community fire prevention and protection.

Part One contains an introduction on fire prevention education and chapters on organizing and administering the school program; principles of instruction in fire safety; and on materials and activities for the elementary and high schools.

Part Two opens with a discussion of the importance of conserving life and material resources. Then follow chapters on organizing community fire prevention and fire protection work; selected community and organizational activities; prevention and control of farm fires; forest fire prevention and protection; public relations and community fire safety; securing public interest and cooperation through exhibits and audio-visual aids; and community education for fire prevention and protection.

At a time when we need every last ounce of strength, fire prevention is far more than a mere civic duty. It is in the nature of a military necessity. The National Board, in publishing the present book, the first of its kind, has rendered an important public service. It is making it available at less than the cost of printing alone, 85 cents with reduced quantity rates. It is up to the educators and civic leaders to take the fullest advantage of that service.

TO MEET DOUBLED SHIP QUOTA

A military event like the invasion of Africa brings home to us all, more poignantly than ever, the importance of shipping in the crucial battles of this war.

It is more than gratifying, therefore, to learn from Rear Admiral Emory S. Land, chairman of the U. S. Maritime Commission and head of the War Shipping Administration, that the construction goal of 24,000,000 deadweight tons of merchant ships in 1943 is being met.

Only a year ago our plans called for a total of but 12,000,000 tons; then the program was stepped up to 18,000,000 tons. Completion on schedule thus far of the 24,000,000 goal (6,000,000 of the 8,000,000 called for this year already delivered) is a tribute to an industry that has geared itself to meet the requirements of our fighting forces.

POSTWAR OUTLOOK

According to a special report which is now being completed for The Twentieth Century Fund, an endowed institute for research in economic problems, "Postwar America will easily be able to produce enough to provide every man, woman and child in the country with a decent minimum standard in the 'Big Five': food clothing, housing, education, and health care."

In the matter of food supply, the report says that while we have been growing enough food to meet the standard, the crop pattern must be shifted from wheat and cereals to more dairy products and vegetables. The American clothing industry, the report says further, from cotton in the fields to garment shops, has been entirely capable, for more than thirteen years, of turning out more than we can conveniently wear.

The housing budget will call for somewhere between a million and two million dwelling units over the country, every year for at least ten years after the war ends, and this will make the biggest single demand upon manpower of any project on the horizon.

On The Home Front

O.E.M. Division of Information

Food throughout the first year of the war has been ample, despite heavy shipments to our lend-lease allies, and the tremendous requirements of our armed forces. Up to November 29, sugar was the only food product actually rationed, although we had begun the voluntary share-the-meat program as a first step toward rationing of "red meats" early next year. Meat is such a vital part of military diet that severe penalties will be invoked against violators of the October 1 order limiting delivery for civilian use of meat from cattle, calves, sheep, lambs and hogs. The order applies to all slaughterers, including small country slaughterers and butchers, and farmers who kill animals for the use of themselves and their families.

In 1943 we'll have reductions in some kinds of foods, fruits, and vegetables, especially in certain canned goods. Distributors already have been given monthly quotas on the delivery of canned foods, local milk shortages have developed, and 50 per cent of all butter stocks in 35 major dairy markets have been reserved for military and lend-lease needs. Many imported spices and condiments are scarce and imported fruits, such as bananas, are almost unobtainable.

There are other problems on the Home Front, too. There will be need of many more women workers in our war plants next year — the manpower shortage will be even greater than it is today. Already the inter-city bus industry is critically short of good mechanics and service men, and so is the truck-for-hire industry. Truck workers are needed on western railroads, and there are 60,000 job vacancies among the public carriers. The battle on the Home Front involves tremendous problems and can only be won by brilliant planning, vigorous prosecution and all-out cooperation. The Home Front program can only be as strong as its weakest part. To win the battle on the fighting front, we must win the battle at home.

officials announced. Book one, already used for rationing sugar, will also be used for coffee rationing, and in addition must be turned in about the first of the year in order to receive war ration book two. Boards were warned to examine all persons who claim never to have applied for book one.

Children Should Take Care of Toys
WPB warned the nation's children to take better care of their games and toys, with issuance of an order prohibiting manufacture of games or toys, or replacement parts, in which certain critical metals or other materials except joining hardware are used. The order, however, lifted the ban on use of rayon in toys and games.

Enlistment Closed To Essential Workers

Ending enlistment of essential employees in aircraft and shipbuilding industries in the Army or Navy, Selective Service Director Lewis B. Hershey has instructed state selective service directors to refuse releases to such men who wish to enlist. Workers who have resigned within 60 days before applying for enlistment also will be refused.

Big Inch Storage Tank Started
Construction of the first storage tank at the Longview, Tex., terminal of the big Texas-Illinois oil pipeline began last week end, Petroleum Coordinator for War Harold L. Ickes announced. Seventy miles of the line were completed during the last two weeks, in spite of heavy rains on the northern stretches of the project.

Shirts Shortened, Pajamas Simplified

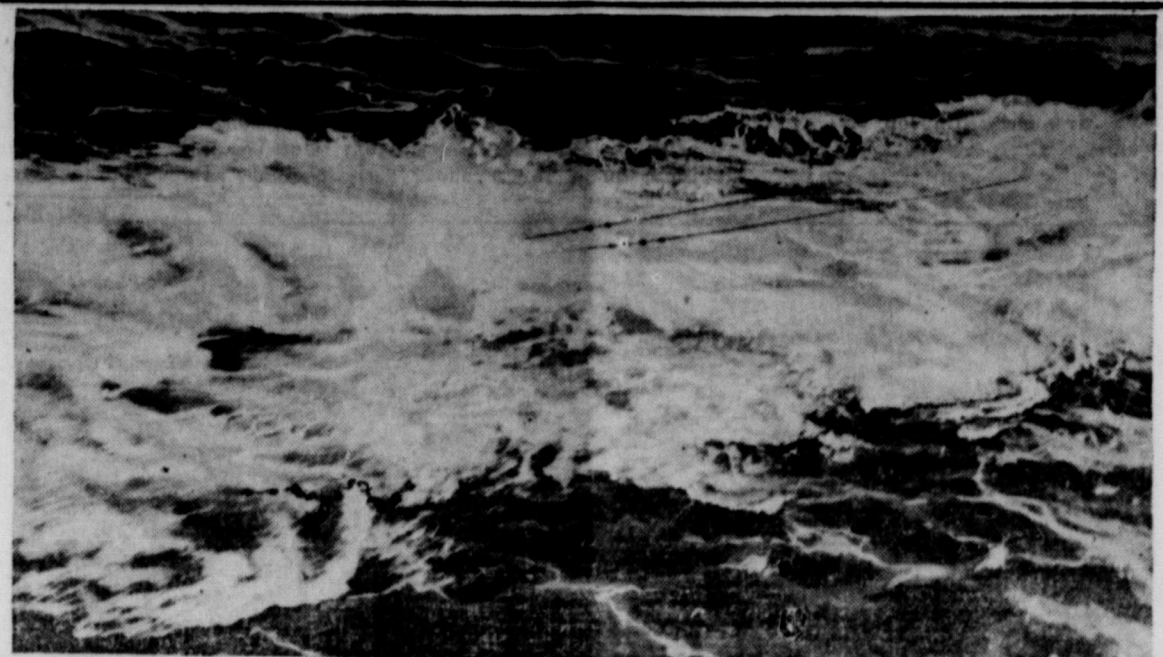

Shirts and Pajamas for men and boys came under the WPB axe, with issuance of a simplification order requiring that two to three inches be taken off the length of shirts, and collars, sashes and cuffs be eliminated from pajamas made after December 15. More than 10,000,000 additional shirts can be made from material saved by the order, and more than 2,500,000 pairs of pajamas may be manufactured. Shirts with bi-swing or box pleated backs are banned, and no more shirts may be made with pleated fronts. Shirts or pajamas made for men over six feet two inches tall are exempted from provisions of the order, except that no unnecessary material may be used.

Grade III Tire Ceilings Set
Retail and wholesale ceiling prices were announced by OPA for new passenger car tires of reclaimed rubber being produced under War Production Board restrictions. The maximum retail price for a size 6.00x16 tire is \$13.25. Only persons who obtain certificates from their local war price and rationing boards will be eligible to buy these tires. Dealers are required to attach to each casing a label showing the maximum retail price and indicating that it is a Grade II tire for rationing purposes.

Whipping Cream Delivery Halted
To conserve milk for consumer use, and for the manufacture of dried whole milk, cheese, butter and some other manufactured dairy products, WPB has prohibited dairy producers from distributing whipping cream or other heavy cream, to household consumers, retailers, restaurants, institutions and others. Coffee cream is not affected.

Truck Owners To Get Temporary Gas Allowance
Commercial vehicle owners who have applied for but have not received ODT certificates of war necessity may receive temporary transport rations of gasoline from their local war price and rationing boards. Gallonage thus issued will later be deducted from amounts

Canadians Destroy U-Boat Off Atlantic Coast

Since the outbreak of war more than three years ago coastal units of the Royal Canadian Air Force have carried on a constant patrol of the Western Atlantic, ranging far out to sea. An undisclosed number of marauding U-boats have already fallen victim to their bombs. These photos depict the death throes of one. Picture above shows sub as it desperately tried to dive. Only its "jumping wires" are visible. Bombs landed seconds later.

Here's a successful bomber crew just returned to its East Coast base after a submarine victory. Cooperating with United States airmen these crews are making it extremely unhealthy for Germany's U-boats. From left to right they are Flight Sergeant R. A. Coulton, Squadron Leader N. E. Small, A.F.C., Pilot Officer G. E. Frenole and Flight Sergeant D. P. Rogers.

allowed by the certificate of war necessity. Rations for use through December 31 may be obtained. ODT motor transport district offices will correct promptly any errors made in certificates already issued. Regional Manager John C. Massenburg announced. Where no errors were made, commercial vehicle operators must wait thirty days after issuance of the certificate to appeal for an adjustment.

Loyd E. Walker And Miss Alice Pope Wed In Abilene

In a candle light service in the parlor of Chambers Hall Saturday evening, November 21, at 8:30, Miss Alice Pope, daughter of Mr. and Mrs. L. F. Pope of Rochester, and Cpl. Loyd E. Walker, son of Mr. and Mrs. J. W. Walker of Munday were united in holy wedlock, the ceremony being read by Mr. Walter H. Adams, Dean of Abilene Christian College.

The bride was wearing a navy blue serge suit with a shoulder corsage of white asters. For something old she wore a locket which was a gift from the bride groom, for something borrowed, she carried a white linen handkerchief of Margaret Lee.

Hazel Lee, of Winters, was the bride's attendant. Best man for the bride-groom was Gayle Pope, brother of the bride. Other friends present were Misses Margaret Lee, Wilma Ruth Hooten, Mildred Hinton, Sarah Harper, Mrs. Charles Smith, Mr. Jack Green, and Mrs. Ora MacFarland, matron of the hall.

The bride is a junior in Abilene Christian College where she will be graduated this summer. The bridegroom is now in the service and is stationed in Ft. Leonard Wood, Mo.

CHURCH OF CHRIST

(Announcements)
 Carl A. Collins, Minister

Sunday Morning Services
 Bible School—10:00.
 Worship Hour Song Service—11:00.

Sermon—11:15.
 Communion—11:45.
 Benediction—12:00.

Sunday Evening Services
 Young People's Service—7:00
 Worship Hour Song Service—8:00.

Sermon—8:15.
 Benediction—9:00.

Next Sunday Minister Collins begins his second year with the local church. He states that the past year has been very profitable for the church and very pleasant as far as he and his wife are concerned. He says that although several members are gone because of war activities the congregation is still gathering strength and the future looks bright for the coming year. It is expected that the church will be more active in the work of the Lord this year than it has ever been before.

Minister Collins states that this is the time of times when, more than ever before, everyone should turn to God and the Bible and the unadulterated Bible truths should be studied by everyone and taught by everyone to everyone.

The Sunday morning sermon subject will be: "The New Testament Church At Work."

The subject for the Sunday night sermon will be: "What Would You Do?"

Many of our neighbors and friends are attending and a cordial welcome is always extended to everyone who comes. We invite you.

Senior Report

Well, folks, we are here again with a little of the news about the seniors. We are hitting the road in high, as some people say, in bookkeeping and English. We know anything and everything about adjectives and adverbs.

Here's something we'd like to tell you: If you think the school you attend is worth attending, be a worthy student; be 100 per cent in everything you do; do your best, always have that ambition and God will help you.

Junior Report

The juniors are working hard in their English work books. These books save much writing. We also seem to take more interest in them than we do just in our other English book, for we are improving in our grades.

Sophomore Report

Have you heard the news? The sophomores have a new reporter. If you want to know why, ask any of the Sophomore girls. Our new reporter is Cleo Herring.

Our weekly meeting was held during English class Monday. From now on we have decided to have meetings on Friday. Following the meeting, the program committee led us in playing a few games.

We have our new English work books. We hope they will be easier than our regular books. History seems to be very interesting.

Graphs in algebra seemed to be very difficult until Mr. Hoffman practically split our heads open and stuffed them with graphs.

Freshman News

Everyone is talking about mileage rationing. Wonder if some will have to walk. We do hope everyone will be able to come to school.

Report of Room III

Most of the students are back in school again. Everyone is almost through pulling cotton, and I think everyone is proud of having that big task over. Some seem to think they'd rather go to the boll patch than to school.

In health we are studying about how we hear. Some of the students think this part is very simple.

Report of Room IV

We hope that everyone enjoyed the Thanksgiving holidays as much

as we did. However, we were a little drowsy Friday. We all have our parts copied and are practicing the play, "Too Much Christmas." Everyone likes the Christmas songs, but the one which is most popular is "White Christmas."

LOCALS

Mrs. Clyde Goodrich and little son, Billie Mope, of Haskell visited with friends here last Monday.

Supt. and Mrs. W. C. Cunningham and little son visited with relatives at Mason during the Thanksgiving holidays.

Mr. and Mrs. Arthur Lawson and children visited with relatives in Stamford last Thursday.

Ralph Tidwell, who is attending John Tarleton at Stephenville, visited home folks here during the Thanksgiving holidays.

Mrs. Walter Patton of Weiner, pioneer resident of this area, was a caller at the Times office Monday and had the paper sent to her address for another year.

Mr. and Mrs. John Ed Jones were visitors in Fort Worth the first of this week.

Douglas Doshier of Benjamin was here Monday, visiting with friends and attending to business matters.

RESUMES SCHOOL DUTIES

Miss Charlotte Traylor, who has been ill for the past two weeks, returned Monday from her home in Denton last Saturday and has resumed her duties in the local schools.

Mrs. Earl Sams of Benjamin and her little granddaughter of Childress were here Saturday, visiting with friends.

Miss Jane Cmapbell spent the Thanksgiving holidays with her brother-in-law and sister, Mr. and Mrs. Duane Johnson of Fort Worth.

Shortage Of Trained Nurses

Abilene Hospital To Begin Courses To Train Women

Because there is a critical shortage of graduate nurses to serve, not only in the armed forces, but in civilian hospitals to replace those gone into the army and navy, the government is appealing to women and girls, 17 to 30 years of age, to enter training in accredited schools of nursing.

To help provide trained nurses to meet the war need, Hendrick Memorial Hospital at Abilene will enroll a special class in February, Stella McCullough, Superintendent of Nurses, has announced. She encourages women of 17 to 30 years old to write to her and, where possible, to see her at the hospital in Abilene. A high school diploma is required for entry into the school of nursing.

Members of the February class will have the good fortune to enter training in the Hendrick Memorial Hospital's new \$135,000 wing built largely with Federal Works Agency funds because the War Department classed this hospital as vitally necessary to the war effort. The new wing greatly enlarges the hospital for the second time within a few years. The hospital now is one of the largest and most completely equipped in the southwest. The new wing will house completely new quarters for the school of nursing. There is a modern home for student nurses adjacent to the hospital, built only

two years ago. All women and girls interested in the nursing profession and the splendid opportunities for service to the nation for the duration and a well-paying profession afterward are urged to write to Miss McCullough.

Rhineland News

Mr. and Mrs. Jim Homer and family, accompanied by Albert Brown, of Fort Worth spent the week end here. Cletus Wilde, also of Fort Worth, was a visitor here. (Norbert Homer and Henry Kuhler of Groom, Texas, visited relatives and friends here for a few days.

T. J. Hoffman, a student at Hardin Junior College of Wichita Falls, spent a few days here with home folks.

Miss Florine Williamson, Ethel Stengel and Nadine Kritz, students at Dranghon's Business College of Wichita Falls, were visitors over the week end.

Mr. and Mrs. Bert Hipps of Wichita Falls spent Thanksgiving here.

Mr. and Mrs. A. J. Jungman and daughter, Valeria, and son, Adolphus, of Pep, Texas, visited friends and relatives here a few days last week.

Mr. and Mrs. O. W. Tschoepe of Wichita Falls and son, Henry of California, visited here with Miss Helen Tschoepe, who is English teacher in R. H. S.

Mr. and Mrs. A. J. Sokora, Mrs. Mary Sokora and Mrs. George Petrus motored to Wichita Falls Monday.

Bernard Herring of the U. S. Navy, stationed at Norman, Okla., spent Thanksgiving in the home of his parents, Mr. and Mrs. Frank

Herring. Pat Bernard Klug of Camp Barkeley visited in the community a few days last week.

Henry Munchrath of Windthorst, Texas, visited here last Thursday. Misses Helen Tschoepe, Juanita Himmels and Georreen Claus motored to Wichita Falls last Friday.

FARMERS TO RECEIVE TEMPORARY TRANSPORT RATIONS

College Station — Temporary transport rations are in store for owners of farm vehicles whose certificates of war necessity do not provide sufficient gasoline for 30 days essential operation.

Under an adjustment phase of the transportation program, the Texas USDA War Board announced this week that farm vehicle operators should make requests for additional gasoline to local War Price and Rationing Boards where obvious errors have been made in certificates.

The procedure for handling emergency cases was agreed upon by the Department of Agriculture and the Office of Price Administration.

The War Board explained that when allowances are corrected by the local War Price and Rationing Boards, operators will receive motor fuel rations for operation to December 31 and the amount of gasoline used will be deducted later from the total gallons of motor fuel allowed on a corrected certificate of war necessity.

County Farm Transportation Committees are scheduled to handle appeal cases from farmers for corrected certificates, the War Board said in explaining that regular ODT appeal forms would be sent to committees as soon as possible.

Temporary rations will take care of emergency cases and give committees sufficient time to consider appeals and make proper recommendations to ODT under regular appeal procedure, the Board pointed out.

Mr. and Mrs. B. L. Blacklock and sons, Lamoine and Wayne, visited with relatives in Ranger and Cisco last Thursday.

Mr. and Mrs. J. R. Collier and daughter of Abilene and Mr. and Mrs. Doyle Williamson of Haskell were visitors in the home of Mr. and Mrs. B. L. Blacklock last Sunday. Mrs. Collier and Mrs. Williamson are Mrs. Blacklock's sisters.

Mr. and Mrs. Jimmie Silman and Jimmie, Jr., Mr. and Mrs. Sied Wahood and family, Mr. and Mrs. Sam Salem and family and George Salem spent Thanksgiving day in

the home of Mr. and Mrs. C. S. Ameen in Lubbock. Mrs. Waheed and children and Jimmie Silman, Jr., remained in Lubbock and returned home Sunday.

Lowell Cure, who is attending John Tarleton at Stephenville, visited home folks in the county during the holidays.

Miss Juarey Jones, who is attending Hardin-Simmons University in Abilene, spent Thanksgiving here with home folks.

Ben Bowden, a student in Hardin-Simmons University, Abilene, visited with his parents, Mr. and Mrs. J. O. Bowden, during the Thanksgiving holidays.

Mr. and Mrs. Joe L. Mayes and family of Corpus Christi visited Mr. Mayes' parents, Mr. and Mrs. C. L. Mayes, and other relatives and friends here the latter part of last week.

THE MOST IMPORTANT ANNOUNCEMENT

EVER MADE BY THE U. S. TREASURY DEPARTMENT

The 9 Billion Dollar Victory Loan Drive Is On!

This week the United States Government begins the task of borrowing nine billion dollars from accumulated savings and idle funds in the next several weeks as an essential part of winning the war more quickly and more completely.

During these critical weeks you probably will be visited by a representative of one of the securities firms or banks which are contributing their time and effort — without compensation of any kind — to the Victory Fund Committee. He will explain to you, for instance, the benefits that you can obtain from the new Victory 2½'s — available for the first time. Welcome him as a war worker when he calls. If you miss him, ask your banker or securities dealer for full

particulars. There is no limit to the amount that you can purchase.

Today many American families are torn apart. Millions have left their homes or their jobs; thousands have given their lives and many more are prepared to do so.

But the government, your government, is not asking you to give anything to this Nine Billion Dollar Drive. It is asking you to lend it all of the money you can possibly invest in what is the safest investment in the world — at a good rate of interest.

When the Victory Fund representative calls, please remember this: it is in your own interest, as well as that of your country, to listen to him — and to invest.

Other Treasury Securities offered to investors through the Victory Fund Committee are Treasury Tax Savings Notes A and C, and U. S. Savings Bonds, Series F and G.

BUY THESE VICTORY 2½'S NOW

Twenty-six year 2½ per cent bonds due December 15, 1968, callable December 15, 1963. Issued in coupon or registered form at the option of the buyer. Commercial banks will not be permitted to hold these bonds until ten years after the date of issue. There is no limit on the amount any eligible investor may purchase. Interest is paid semi-annually, June 15 and Dec. 15. The bonds will be sold in denominations from \$500 to \$100,000. In the event of the death of a holder, the bonds may be redeemed at 100% and accrued interest for the purpose of satisfying federal estate taxes.

Two series of shorter term obligations: (a) 1½ per cent bonds due June 15, 1948, and (b) ¾ per cent certificates of indebtedness due one year after issuance. These securities are open for subscription by banks, and also by all other classes of investors, whether private, corporate or institutional.

Senior News

School is about as eventful these days as the highways are going to be when gasoline rationing starts. There are plenty of unexciting and thoroughly necessary to do, however. School is school, all reports which may have reached you to the contrary. And it seems unusually severe of late, which of course isn't fair. Seniors are traditionally supposed to do some first-class loafing; but this year it's stay on your toes or else.

We're writing an essay on "Fascist Italy" in Civics, at Mr. Kimbrough's request that we write on it. He wants to be sure that we read that chapter in "The Post War World" or someone else's paper. But for us, we consider Mussolini's rise to power interesting rather than otherwise.

Bomarton invaded Sunset last Tuesday night and calmly carried off both basketball games, much to our displeasure. You had better be careful about doing that, Bomarton, or we are going to come up with a team like we had last year. (Oh, yeah!). The volleyball girls are impatient for a game, but that may be all the good it does.

Eighth Grade News

We are glad to see Riley Gene Hoover back in school after a long period of absence, and we welcome Juanita Followill to our class. We hope she enjoys being with us.

The members of our class are sorry that Billy Max Graham was injured while playing football. We all miss him and wish for him a very speedy recovery.

News is scarce, time is short, so it's goodbye until next week.

Junior News

The Juniors all reported having a good time at their class party on Thursday, Nov. 26. There are some in this Junior class that just can't get it in their heads that they are supposed to go home after parties.

We wonder how Rosemary liked the dance Thursday night (pretty good, eh?)

Wynell, we just can't imagine where you were Thursday night. (Don't leave us in the dark this way!)

Buster, why do you like to keep practicing?

We will see Billy Bob and Houston find their interests in the Soph class. (Not bad!)

The Junior girls like typing and shorthand and are really going places in these subjects!

Freshmen News

Twelve members of our class enjoyed a party last Wednesday night. We had a very nice time and wished the rest of the class could have been there.

Barbara Jane went to Wichita Falls Friday. It was the first day of school she had missed.

We have another new pupil in our class. Her name is Opal Followill, and she comes from Arizona. We hope she likes to come out here to Sunset.

Boy, oh, boy, did we have a nice Thanksgiving. Not the turkey and cranberry days, but 3 tests, and our grades weren't anything to brag about either.

Margaret Ann Partridge visited her cousin, Barbara Jane, this week end.

Glynda Dean really travels around, she went to Wichita Falls last Wednesday where she visited with her aunt and uncle, Mr. and Mrs. T. W. Harber. She reports a very nice time.

Fourth Grade News

We have finished our Thanksgiving booklets and will make some Christmas booklets now.

We have some autumn leaves and pine cones in our room.

We were sorry that A. B. Moore moved away. He will go to school at Malone, Texas.

First Grade News

Thanksgiving has come and gone and everybody had a good time. The first grade children named many things they are thankful for.

Herschel Kimbrough spent the week end visiting his grandparents at Bellevue, and Buffalo, Texas.

Barbara Jo Phillips is glad to have her daddy home from the hospital.

Sue Ann Richardson had Thanksgiving supper with her uncle and aunt, Mr. and Mrs. Victor Thomas.

Ruth Burton's mammy and daddy, Bob Burton, of Benjamin, had Thanksgiving with the Burtons of this community.

Group One, which includes Jimmie Burl Morgan, Shirley Ann McAfee, Sue Ann Richardson, Charles Everett Yost, Kay Leon Wilson and Barbara Jo Phillips, have completed reading their third book and will begin reading in the fourth one December 1st.

We will be rather busy working on a little Christmas program and making Christmas decorations and learning to write letters to Santa. We have already learned to spell and print quite a number of words.

Seventh Grade News

Eugene Russell was ill last Friday. We are glad he was able to come right back without a prolonged period of illness.

Mrs. Wilson substituted for Mrs. Shannon last Friday. We had a good class.

We missed having our club meeting last week, but hope to resume meeting next week as usual.

Sixth Grade News

Mrs. Weeks visited her husband at Camp Barkeley at Abilene this week.

Mrs. Shannon spent the Thanksgiving holidays in Dallas.

We are proud of the goldfish that Mrs. Weeks brought us for our room.

Glenna Bradley's aunt and cousin, Mrs. Wigley and Hix from Colorado City, are visiting her.

Patsy, Marjorie, and Jo Ann were the best citizens for the week.

Fifth Grade News

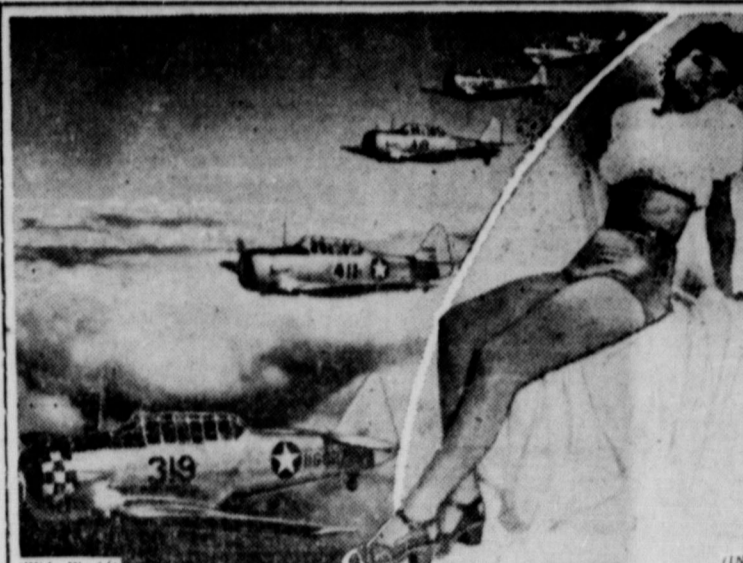

We are planning a Christmas tree in our room. Of course, it's a long time until Christmas yet.

Patricia Ann Johnson visited her grandmother in Sagerton Sunday.

Lois and Royce Reddell visited in De Leon the past week end.

We are sorry that several of our pupils are out of school today. We wonder if they had too much to eat for Thanksgiving.

Red Blooded AMERICANS

FRED MASSENGALE, In Terrell Tribune

You are a red-blooded, American citizen—

If you are griping about the sugar rationing.

You are complaining about the gas rationing that is to come.

You do not like the idea of only one cup of coffee per day.

You do not believe in rationing meat.

You are not buying any war stamps or bonds.

You pass on rumors that are derogatory to the best interests of our country.

You never turn your hand to collecting scrap—anything that can be used in winning the war.

You never participate in any activity that would assist the boys, who are in the front lines—in the desert or in the jungles—fighting for you and your home.

You think that your boy is better than the other boy and should be given a commission without earning it; or placed upon some high pedestal in some office, where he would not be subject to military rules and regulations.

You think that you and your family deserve more than the other fellow's family.

If you are in any of the classes listed above, you are a red-blooded, American citizen—

Yes, like hell you are!

Friends, few people realize the seriousness of the situation now confronting this country. We are fighting two nations that have spent more than twenty years in preparing for this war. War and hate is bred into the children of Germany and Japan, and do not

think the soldiers of those nations are cowards or that they do not know how to fight. Fighting is all they know. You have read how they treat their prisoners, subjecting them to every imaginable torture. And do not think for one moment the articles you have read are fiction or war propaganda, for every one who has penned an article on the treatment of prisoners tell the same tragic story.

This country was not wanting war; did not expect war, and was not prepared for war; couldn't even stop strikes.

In Germany and Japan people are working from 60 to 80 hours per week. In this country, it's hard to get some people to work 40 hours—and some won't work at all—prefer to remain on the unemployed list. To win, everybody should work—and this half week holiday stuff should be eliminated.

You might ask yourself the question: "How much am I helping to win the war?"

How many sacrifices have you made to support the boys in the army, the navy and the marines?"

Think it over! Perhaps you have gone to the bank and withdrawn money from your savings account and bought war bonds.

Surely you don't expect a pat on the back for doing that.

That was no sacrifice—you did it for the little extra interest you could get from your government.

We all know in our own hearts whether we are sacrificing anything.

We sacrifice when we use less sugar, coffee, meat or other food-stuffs, knowing that the less we use, the more it will mean for our boys in the armed forces.

We sacrifice when we put an extra pound of energy into our daily jobs.

We are sacrificing when we tell our employer to deduct 10, 15 to 20 per cent of our wages to purchase war bonds. We are making a real sacrifice when we tell him to deduct more than we really thought we could "afford."

We are sacrificing when we know that the buying of a war bond will mean doing without some of the things we would like to have.

The big idea of buying stamps one day and cashing them the next, or buying bonds and cashing them just as soon as you can get them indorsed will not get the job done.

Many of the boys at the front fighting for you are investing all they have in bonds. Surely you

do not want them to do all the fighting and buying.

You may not like this article; that's because it's the truth—and the truth hurts some folks.

Well, if you do not like it, you know what you can do.

And the faster you go, the better it will suit me.

Sargent Lowe, who is attending N. T. A. S. at Arlington, visited with his parents, Mr. and Mrs. E. E. Lowe, during the Thanksgiving holidays.

Mrs. Paul Pope and little daughter of Cisco visited in the home of

Mr. and Mrs. B. L. Blacklock the latter part of last week. Mr. Pope came to Munday after them last Sunday.

Mr. and Mrs. Joe Bailey King and Miss Jeanette Cooper were visitors in Abilene on Thanksgiving day.

Mr. and Mrs. Jimmie Sillman and George Salem visited relatives and friends in Stamford last Sunday.

Mrs. C. P. Baker and son, Kenneth, visited with relatives and friends in Floydada last Thursday and Friday.

Munday School News

Senior News

The Seniors returned to school after Thanksgiving holidays with the idea of studying very hard the next six weeks. The grades on our second six weeks exams were not any too good but we have made a resolution to bring those grades up.

The class officers of the Senior, Junior, Sophomore and Freshman classes met this week and began making plans for organizing a citizenship club. The plans aren't completed yet but they should be by next week. The club is to sponsor the different activities of the school and its purpose is to help make a better school.

Senior On Review

Benton Snelson was born May 24, 1925 in the Gilspie community. At the age of five she moved to Munday and started to school. When she was in the fifth grade she moved to Big Spring and started to school. But the next, when she was in the sixth grade, found Benton back in Munday Grammar School.

Benton is a very loyal and helpful member of our class and is well liked by both students and faculty.

She has been a member of the High School Chorus for three years and a member of our Volleyball team for two years.

Benton says she would like to take a business course when she finishes high school. Whatever she does the class wishes her happiness and success. Good luck, Benton.

Sophomore News

We're relieved now that the exams are over. Receiving our papers and seeing the grades will be a disappointment to some but a pleasure to others.

Miss Traylor is with us again. We're happy to have her back and hope she will be able to finish the term with no further misfortunes.

Home Ec is having a good time with knitting. Some very neat squares are being turned in for Red Cross.

The pictures came in today, and there was a mad scramble to see the other person's and exchange with closest pals. There were some pretty fair countenances presented in the sophomore section.

Officers of each class and some of the teachers are dwelling on a plan for a student council, and the betterment of our schools in general. If the plan works, and it

surely will if all cooperate, Munday high school will soon be a real A-class school.

The sophomores enjoyed Mr. Loran's talk very much. We're all anticipating another talk from him when he finds time to come and see us.

Freshman News

The Citizenship Club is taking a remarkable form. The freshman class is very much in favor of it and thinks it will improve the school to a great extent. They appreciate the fact that Mr. Cunningham and Mr. Turner are helping in the organization of the club.

The class enjoyed the presence of Mr. Loran very much last Monday morning, and we hope he will come again sometime soon. Mr. Loran spoke on the subject of Russia, and the Freshmen feel they have learned much from his descriptions of this great nation.

The freshmen are wondering what the result of this six weeks will be. They will soon know.

Third Grade News

Did we enjoy those good old holidays. Bobby John Jones ate dinner out at Rhineland. Herbert Ford visited his grandparents, Mr. and Mrs. Dave Crenshaw of Benjamin. Bobby and Dickie Waheed spent the week end in Lubbock with their grandparents, Mr. and Mrs. Layman. Jackie Gray shopped in Wichita Falls. Lee Arnold Caddell went to see his grandmother in Truscott. Doyle Purifoy visited in Stamford with his grandparents. The other members of the class spent the day at home with parents and friends.

Fourth Year News

This is report card time again. We hope some of our grades are better this time. Billie Louise Belcher is back with us, and we are glad she can come to school regularly now.

Most of us had an enjoyable Thanksgiving. We are making plans for a Christmas program to be given in assembly in the near future.

Seventh Grade News

The seventh grade enjoyed the Thanksgiving holidays, but they all have a slight gobble in their voices now.

Report cards were received Wednesday with whoops and wails. Some children were a little shy about producing their report cards to their parents.

We have also received our pictures which were taken earlier in the year. Most of them were very nice.

The seventh grade bought \$5.45 in defense stamps last week. We hope to do better from now on.

Cattle Bring Higher Prices Last Tuesday

The Munday Livestock Commission Co. reports a big run of cattle and hogs for last Tuesday's sale. Fat calves sold fully 25 cents higher than a week ago. All other classes sold fully steady with last week's sale.

Top hogs sold from \$13.25 to \$13.55; sows, \$12.50 to \$12.75; canner and culler cows, \$4.50 to \$7.50; butcher cows, \$8 to \$9.25; fat cows, \$9.50 to \$10.50; butcher bulls, \$7.75 to \$8.75; beef bulls, \$9 to \$9.80; butcher yearlings, \$9.50 to \$10.75; fat yearlings, \$11 to \$13; rannie calves, \$7.25 to \$8.50; butcher calves, \$8.75 to \$10.75; fat calves, \$11 to \$12.50.

Mrs. Etta Webb had five of her children home for Thanksgiving. They are: Cecil Webb and family of Guyton, Okla.; Jeff Webb and family of Seymour, Tom Webb and family of Knox City, Mr. and Mrs. Leon Reagan of Spur and Mrs. W. W. Bouldin and sons, who are making their home with Mrs. Webb for the duration of the war. Her children who could not be present are Mr. and Mrs. C. C. Wright and son of Mentone, Mr. and Mrs. C. E. James and family of Ventura, Calif., and W. W. Bouldin, who is in the U. S. Navy.

TO MAKE HOME HERE
Mrs. W. A. Hammett, formerly of Fort Worth, has moved to Munday to make her home. She is the mother of G. B. Hammett, local manager of the Banner Ice Co.

Mr. and Mrs. Chester Bowden and Mrs. Layne Womble were visitors in Wichita Falls on Wednesday of last week.

D. P. Morgan, Jr. Now At Lowry Field

D. P. Morgan, Jr., of Munday, who recently entered military service, has been in Lowry Field, Colo., for the past two weeks. He has completed the school of teletype operators, which is new in the army and navy and the only course offered by the army that operates in complete secrecy. The course included types of operation used between the army and navy and the theory of procedure of operation.

"I am now ready for action with attack units," Morgan wrote his parents. "The food here is excellent and the people are really nice. It snows here nearly every week and is cold. But take me back to Texas, is my motto."

The C. C. Brown family of Goree, have moved to Hawley, Texas. The Munday Times wishes Mr. Brown and family much success in their new place of residence. They will keep in touch with the people of Goree and Knox county each week through The Munday Times.

Tax Assessor-Collector E. B. Sams and Miss Maxine Lane, also of the tax office in Benjamin, were business visitors here last Monday.

W.-M. Rowan of Knox City was in town Monday, visiting friends and attending to business matters.

Last week we lost a very cute girl. Her name is Peggy Smith. The girl who just moved in from Shallowater, Texas, is Darleen Brown. We are glad to have her.

Eight-A News
We enjoyed the Thanksgiving holidays very much. We received our report cards today. We hope our grades have improved over the last six weeks.

In geography we are studying about our sources of power. What we haven't learned about construction in the past, we are certainly learning in our English now. We are having programming.

Our assembly program Monday was very interesting and educational.

Eight-B News
Today is "Read'em and Weep Day" (report cards). Our students are almost afraid to receive their cards, as teachers say they haven't progressed like they should have.

Everyone seemed to have a good time Thanksgiving, although they gained a few pounds. The class is also looking forward to the Christmas holidays.

The 8-B class is glad to have one of their "prodigal students" back. Glenn Roy Morrow, who moved to Graham but got so homesick he had to come back.

Nothing Wrong With Navy Life

Editor's Note: The following letter concerning life in the U. S. Navy was received a few days ago from B. C. Barton, who is stationed at Norfolk, Virginia, and is being reprinted for whatever interest it may hold for young Barton's relatives and friends.

To Whom It May Concern:
The Navy life is OK; an enlisted man has plenty of freedom, more than he knows what to do with.

I have been in Norfolk Station almost a month. I have duty every fourth night and the rest of the time I can go to town every night. Skating and dancing are what most of the sailors go for.

After "Boots" training, the navy life is very easy. Go to work at 0800 (8:00) and get off at 1630 (4:30). Show every night on the station, good food and all you can eat, good buildings to sleep in and beds to match.

Sports: football, soccer, tennis, golf, basketball—anything a sailor would desire.

The doctors and medical attention cannot be beat. Dental service is very good. Cheap dependant insurance.

If you are thinking of entering the service, take the Navy. I think you will see I am right.
