NUMBER 29

Male Fashion Show Slated for Nov. 19

The Future Farmers and Future Homemakers of the Munday high school will sponsor a fashion show and pie supper Friday evening of next week, November 19. The National Home Guard is to put on the fashion show in which men will fashion women's clothing. Such belles as Jimmy Harpham, Supt. Cunningham, Ed Johnson, Cecil Fitzgerald, Don L. Ratliff and twelve or fifteen others will fashion and will be at their best trying to win the prize offered for the best performance. All high school girls and other women and girls are invited to bring pies to be sold at the auction after the show. Time 7:30.

A. J. Stratton, Goree Resident Buried Friday

A. J. Stratton, well known Goree resident, passed away at the Wichita Falls Clinic hospital on Wednesday, Nov. 3, succumbing to an attack of tetanus.

A native Texan, Abasalom Joseph Stratton was born November 26, 1873, in Parker county and was 69 years, 11 months and 8 days of age. He resided in Parker county for about 40 years.

He was married to Nell Johnson on December 11, 1904, and to this union four sons and two daughters survive. They are: Loyd T. Stratton and C. D. Stratton, San Bernardino, Calif.; A. J. Stratton, Jr., Fort Worth; Joe Stratton, Camp Phillips, Kans.; Mrs. Sibyl Carter, Cincinnati, Ohio, and Mrs. Doris Frey of Littlefield. He is also survived by five grandchildren, a brother, J. C. Stratton of Oklahoma City, and two sisters, Mrs. Venia Boyles of Clovis, New Mex., and Mrs. Ellen Jones of Elmore, Okla.

Mr. and Mrs. Stratton moved to Knox county in 1913, and have resided since that time just north of Goree, where they reared their family. Mr. Stratton was widely known throughout this section, and was loved by everyone. He was a favorite with the children, who loved him for his interest in them. He was an athlete and Acrobat and always entertained his friends with his ability.

Funeral services were held from the First Baptist church in Goree at three o'clock last Friday afternoon, conducted by Rev. S. E. Stevenson, pastor, and Rev. T. H. Gatlin, president of Weatherford College and lifelong friend of Mr. Stratton. Burial was in the Goree cemetery by the Laningham Funeral Home.

Active pallbearers were Johnnie Moore, Ruby Hammonds, Ira Stalcup, Claude Reid, Porter Blankenship and Wolford Kennedy. Honorary pallbearers were W. L. Luttrell, E. J. Crouch, I. J. Troy, Walter Thornton, W. F. McCauley, Albert Martin and Walter Price. In charge of the flowers were Mmes. Johnnie Moore, Ruby Hammonds, Claude Reid, J. W. Laningham, Melvin Cooksey, Virgil Peek, Lee Roy Brooks and Everett Berger.

Pfc. Preston Duke Is Now In England

Word has been received that Pfc. Preston H. Duke, well known Benjamin youth, is now stationed in England. Moving to Benjamin in 1936, Pfc. Duke operated a farm tractor for D. J. Brookerson for some time and worked at different occupations. He has many friends in the county.

He received his first training in Missouri, and later trained in Nebraska before embarking for foreign service. His wife and a sister are still residing in Benjamin, while his parents and three brothers are in defense work in Fort Worth. A younger brother, Lester L. Duke, is serving with the coast guard somewhere on the Pacific.

Pfc. Duke says the army isn't so awful, but he is in a hurry to get the job over and return to his home and loved ones.

Mrs. Travis Martin and little daughters of Seymour spent the first of this week here with Mrs. Martin's parents, Mr. and Mrs. M. H. Reeves.

John C. Rice Is Made Captain

J. C. Rice, Jr., former F. S. A. supervisor in the office at Seymour who is now stationed at Camp Ickett, Ba., has been notified by the War Department of his appointment to captain.

Capt. Rice is in command of a heavy weapons company in an infantry regiment, which consists of 158 men and seven lieutenants. He is the son of Mr. and Mrs. J. C. Rice of Munday.

Capt. Rice is a graduate of Munday high school, and also graduated with Texas A. and M. College with the class of 1939.

O'DANIEL TO SPEAK

Senator W. Lee O'Daniel will appear on a radio broadcast at 1:00 p. m. November 14 on the Wake Up America program. He will discuss the subject of limiting to 6 years the tenure of office of president, vice president and members of congress. This will be over the Blue network.

New Officers of County Council Named Recently

The Knox County Home Demonstration Council met on November 5 at the courthouse in Benjamin, with Mrs. J. E. Stover presiding.

The election of officers constituted the main business of the meeting. The following officers were elected:

Mrs. J. E. Stover, chairman; Mrs. J. C. Patterson, vice chairman; Mrs. Wesley Trainham, secretary-treasurer; Mrs. Lee Coffman, parliamentarian; Mrs. H. R. Hicks, reporter. County standing committees are: Mrs. T. B. Masterson, finance; Mrs. R. M. Almonroe, year book; Mrs. Marion Rider, education; Mrs. Ulric Lea, exhibit; Mrs. J. C. McGee, recreation; Mrs. Clarence Allen, 4-H Club, and Mrs. Taylor, marketing.

The council voted to meet on the first Friday in each month for the ensuing year.

Outstanding 4-H Club girl of each club in the county made her report, and the council selected Edith Rider of Gilliland as the Gold Star Girl of Knox county.

Louise Atkeison Is Supervisor Of Weekly Newspaper

The Range Finder, Camp Callan's weekly publication, which for the last year has been constantly publishing the Women's Army Corps in an effort to promote better relations with male soldiers, this week received a WAC for its new Public Relations Officer.

Second Lt. Clara Louise Atkeison, a native of Munday, Texas, who arrived here with five other WAC officers nearly a month ago, was transferred from the Finance office to the office of Public Relations officer. She relieved Capt. N. S. Wight, who for nearly 10 months held the position.

As Public Relations officer, Lt. Atkeison, one of the few WACs to hold such a high position in the Army, will supervise the publication of The Range Finder. She will also supervise all news and picture releases originating at Camp Callan.

"My opinion of an Army camp paper is perhaps universal. I believe first it should be for the boys in training. It should contain educational as well as entertainment features. It should be newsworthy and illustrated with good pictures," declared 2nd Lt. Atkeison. Before joining the WACs, the new Public Relations officer was assistant cashier for the First National Bank in Munday, Texas for eight years. Although she has had no actual newspaper experience, she studied journalism for a year at Fullerton (Calif.) Jr. College. She obtained her commission at Fort Des Moines in July after having served nearly nine months as an enlisted member of the corps.

FOR THE LAND OF THE FREE

MORE than 650,000 girls in all parts of the nation wear the green Girl Scout uniform and subscribe to the Scout code of service and patriotism. They believe in democracy and practice it now in their troops so that when they grow up they will be responsible citizens of the land of the free.

Munday-Seymour Game Ends Gridiron Schedule

Proclamation

"I, C. R. Elliott, Mayor of the City of Munday, proclaim the week of Nov. 7 as

STATE GUARD WEEK

In this critical hour of the nation's existence, there is no organization more essential than the Texas State Guard. It has for its objective the high and laudable purpose to preserve internal security, to assist in training men for the regular Army and to form a reserve military power, all of which it is accomplishing in a very creditable manner.

"We have every reason to be exceptionally proud of Munday's 17th Battalion, comprising five infantry companies. The personnel of the Guard is composed of executives, ministers, doctors, lawyers, salesmen—in fact, a cross section of the manhood of the city. It is very necessary that the various units be filled to their fullest complement, and I hereby respectfully urge all of our civic organizations, schools, churches, business concerns and all of our citizens to give the widest publicity to the worthwhile work that is being done by the Texas State Guard during the week of Nov. 7, to the end that each unit shall receive its full quota."

Cotton Ginnings

The November 3 report of the Department of Commerce, bureau of the census, shows that a total of 11,278 bales of cotton were ginned in Knox county prior to October 18. The 1943 ginnings are far short of those for 1942, the report showing a total of 22,065 bales ginned over the same period last year.

Xmas Mailing Should Be Done In November

Delivery of the annual flood of Christmas gifts and cards on time, always a serious problem, "will be more than a problem this year—it will be an impossibility—unless Christmas mailings are made largely in November," Postmaster General Frank C. Walker warned today.

"Transportation facilities are burdened to the limit with war materials and personnel, and the Postal Service has sent more than thirty-one thousand experienced employees into the Army and Navy," Mr. Walker said. "The only solution to the Christmas problem is: MAIL IN NOVEMBER. Mark your parcels, 'DO NOT OPEN UNTIL CHRISTMAS.' That is the only way to avoid disappointment on Christmas Day not only for many civilians but also for millions of members of the armed forces who are still in this country.

"It is also the only way to avoid the possibility of a Christmas emergency in the transportation and postal services. If the public will cooperate by mailing their

(Continued on Page 8)

Bobby Broach Heads District F. F. A. Group

Supervisor Visits Local Chapter

Bobby Broach of Munday was elected president, and Lyndol Smith, also of Munday chapter, was elected parliamentarian of the Vernon district of Future Farmers of America at a district meeting held at Crowell on Tuesday of last week.

Accompanying these boys to Crowell were Charles Roden, Edward Smith, McKelvy Jones and G. S. Dowell, instructor. The group left Munday at about nine o'clock Tuesday morning and drove to Seymour, where they visited the Seymour chapter for two hours. They went on to Vernon lunch, and later to Quanah where they visited the Quanah chapter. They reported that the boys at both Seymour and Quanah have a lot of good livestock and poultry projects with lots of interest being shown in F. F. A. work.

From Quanah, the group went to Crowell to the district meeting. The other official delegates, teachers and supervisors were dinner guests of the Munday chapter at the Arrow dining room.

J. B. Rutland of Austin, state supervisor, attended the meeting. He stated that he just had time to visit one local chapter, and that the Munday boys had made such a good impression on him that he decided to spend his time at Munday. Mr. Rutland visited in Munday half the day Wednesday, speaking to the boys, visiting them in groups and visiting their projects.

Surgical Dressing Quota Is Completed

Munday Red Cross workers have completed another quota of surgical dressings, with local ladies reporting the best cooperation in the work this time that they've ever had. Fifty-six women made 5,700 dressings, it was reported, in one evening.

Local supervisors expressed their sincere thanks to everyone who took part in any way in making this work a success. Fifteen women have completed the year's work in surgical dressings, it was stated.

JOHN LEE SNOWS PARENTS OF GIRL

Cpl. and Mrs. John Lee Snow are the proud parents of a baby girl who weighed 6 pounds and 15 ounces upon arrival at the Knox county hospital last Saturday night. The new daughter has been named Ellie Marlene.

Mrs. Snow is the daughter of Mr. and Mrs. Lee Colvin. Cpl. Snow, whose home is in Edinburg, is serving with the U. S. armed forces in Sicily.

Soldier Thanks Red Cross Women For Parting Gift

The following letter was received this week by a soldier in foreign service: The Women of Munday, Dear Friends:

I am one of the fortunate soldiers who received a carton of cigarettes and other articles which were donated by you through the army transport system. Perhaps you might think that such a donation is insignificant in its quantity, but to me, I might add to thousands of other soldiers, such a parting gift from people we are leaving behind leaves within us a feeling of righteousness for the cause which we are to fight for on the far-flung battle fields of this global war.

Embarking for overseas duty is a momentous occasion in every soldier's life for many reasons; reasons for which we both have a complete understanding. Some of the articles contained in your assortment of gifts will be carried by me throughout the entire war—I hope.

For myself and for my buddies, I wish to extend to you my sincere thanks and appreciation for a job being, as we might say, "well done."

Sincerely,
Cpl. Joe Larraikin.
Mr. and Mrs. J. D. Crockett visited with relatives in Stamford last Sunday.

County Goes Over In War Chest Drive

Callaway In Austin Meeting

Rep. Callaway left his home in Crowell last Monday afternoon for Austin in response to a call from Senator G. C. Morris to attend a meeting of the joint legislative committee on rural education. Rep. Callaway has taken a great deal of interest in the cause of rural

education. Senator Morris is chairman of this committee.

The first meeting of the committee was held Tuesday morning at ten o'clock, and the committee will probably be in session for five days.

The committee is composed of ten members, five from the House who were appointed by Speaker Price Daniel, and five from the Senate, appointed by Lieut. Gov. John Lee Smith, president of the Senate.

F. F. A. Dairy Show's Awards Are Announced

Quite a number of Knox county citizens gathered here last Saturday for the F. F. A. Dairy Show, and many favorable comments were heard on the splendid type of cattle being raised by the Future Farmers as their dairy projects.

Jack Idol, manager of the League Ranch, and County Agent R. O. Dunkle were judges of the different classes of cattle. A total of 16 animals were shown by the boys.

An enjoyable band concert was held Saturday afternoon, given by members of the Munday school band, and judging of the animals followed the concert. Prizes in the various divisions were announced as follows:

Bred heifers—Hulen Montgomery, first and third; Kenneth Baker, second. (Nine animals were entered in this class.)

Open Class—Hulen Montgomery, first; Fred Seancey, second, and Charles Roden, third. Five animals were entered.

Dairy Cows—McKelvy Jones, first, and Buddy Gafford, second. These were the only two animals entered.

In addition to the F. F. A. animals, J. A. Caughran exhibited a registered bull and a cow in the show, and J. E. Frost exhibited two cows. These animals were not entered in competition with the F. F. A. exhibits.

Prizes of \$5, \$3 and \$2 were awarded by the Munday Chamber of Commerce for first, second and third places in each class. In addition, the merchants of Munday matched this amount with prizes, making the winners receive \$10, \$6 and \$4. Each exhibitor was awarded a prize, regardless of whether his animal placed in the show.

DANCE AT RHINELAND

There will be a big dance at the Community Hall at Rhineland on Monday night, November 15th. Everyone is cordially invited to attend and the dance is scheduled to begin at 8:30 p. m.

Proof that Knox county people will rally to a just cause has been shown in the splendid manner in which they have subscribed to the United War Fund. With every community in the county going over the top in their quotas, Knox county's people have answered the appeal in true Texas style—"Sure, I'll take a Texan's share!"

The full county quota of approximately \$5,000 was almost reached the first of this week, with many community chairmen turning in more than their quotas. It is hoped the drive will be concluded this week, at which time it is expected the county will go far over her set quota.

Mrs. H. R. Hicks, chairman, reported that noble response upon the part of people of the Sunset community has placed Sunset over the top with \$125 to spare.

Munday workers more than raised the quota in two days of solicitation last week, and W. R. Moore, county chairman, said Munday would almost double its quota. Other chairmen are turning in equally as encouraging reports.

Mr. Moore expressed his appreciation to all workers and to all citizens for the splendid manner in which they have met the challenge in this drive.

Two Munday Girls Making Tour With McMurry Chanters

McMURRY COLLEGE—Two McMurry College girls, Patsy Ruth Kirk, daughter of Rev. and Mrs. R. L. Kirk of Munday, and Flora Alice Haymes, daughter of Mr. and Mrs. Lee Haymes, Munday, left with "The Chanters" Saturday for a six-day trip into West Texas.

The Chanters, famed choral group of the college, will appear in 17 towns and cities of West Texas on 20 different programs in churches and high schools of the area. The highlight program of the trip will be on Wednesday night, Nov. 10, when the Chanters will sing before the annual Northwest Texas Conference in session at Lubbock.

McMurry College will be featured in a special program of one of the conference sessions when Bishop Ivan Lee Holt, President Harold G. Cooke and other college presidents and high church dignitaries will speak for the \$1,750,000 Endowment and Building Fund campaign of the college which is now nearing the solicitation period.

RECEIVES PROMOTION

The many friends of Raymond E. Phillips will be pleased to learn of his recent advancement in rating from Pharmacist's Mate Third Class to Pharmacist's Mate Second Class. Phillips is now serving at the United States Naval Ammunition Depot, St. Johns Creek, Portsmouth, Virginia. Not too much can be said about the phase of work which he is doing, but he does state that he is attached to the Industrial Dispensary there and finding his work very interesting.

RETURNS FROM VISIT IN CALIFORNIA

Mrs. E. E. McGregor of Benjamin returned home last Friday from four weeks' visit with her sons, Artist and Eugene McGregor, in California. Artist is employed in the aircraft factory in San Diego, while Eugene is serving in the U. S. Coast Guard and stationed at Santa Cruz. Mrs. McGregor reported a very enjoyable trip.

ATTEND FEDERATED MEETING OF TEXAS

Mr. and Mrs. Herman Jungman and Mrs. J. A. Wiggins left Tuesday for Austin, where the ladies are attending the 47th convention of Federated Clubs of Texas. The meeting was scheduled for Tuesday, Wednesday and Thursday. Principal speakers on the program are Mrs. Whitehurst, national president, and Miss Ethel Foster of Sterling City, state president.

Misses Fannie and Maud Isbell spent the first of this week in Wichita Falls, where they underwent medical treatment.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"

TEXAS STATE GUARD

The Texas State Guard, which demonstrated its usefulness in the recent emergency of martial law at Beaumont, has two other important wartime functions in addition to the preservation of internal security. The Guard assists in training young men for the Regular Army and constitutes a reserve of military power, ever available for call.

The Texas State Guard, its sponsors explain, is not a social club, marching society or group of oldsters playing at the game of soldiers. It is the armed force of the home front, equipped with weapons and trained in their use. It is an army dedicated to the protection of lives and property in Texas and the preservation of American liberties and ideals. Its personnel forms a cross-section of society. All enrollees receive basic military training, but the Guard is not subject to federalization as was the National Guard and its members remain subject to the draft.

Induction of younger members into the armed services tends to deplete the ranks of the Texas State Guard, which as a result must seek replacements of recruits. An able-bodied citizen, age 16 to 60, is eligible for service. The 27th Battalion in Fort Worth is composed of five infantry companies, and applications for enlistment are received at the Armory, 201 Lancaster Avenue, every Friday evening.—Editorial from the Fort Worth Star Telegram of June 27, 1943.

EVOLUTION OR REVOLUTION?

Revolution is a creature of desperation, as a rule. But there are exceptions to every rule. The Wagner-Murray bill to establish socialized medicine is one of those exceptions. It is revolutionary in spite of the fact that, far from a desperate medical problem, there is in this country the most competent, all-encompassing medical system in the world. It has progressed by evolution. The proposal now before Congress would stop that progress in mid-stride by revolution.

What is the record of the medical profession? The following comment is an infinitesimal part of it, taken from the American Medical Journal: "The infant death rate, accepted throughout the world as the most accurate measure of public health, is lower in the United States today than in almost any other country in the world... Life expectation is greater here than in almost any other country... The claim that American hospitals are in general best equipped of any in the world, cannot be challenged. They are the models admired by other nations. Medical education... has, thanks almost exclusively to the active supervision of the medical profession in the United States, attained world leadership.

"...Every phase of medical development in this country testifies to the soundness of the progress that has been made and indicates the desirability of continuing evolution."

The American medical profession has been tried and found superlative. Why destroy it?

BACKING THEM UP

A sign of the times is the growing concern of our fighting men with the problems that will confront us after the war. They have an excellent idea of what they are fighting for, and a determination to return to the same democracy they left, with a free industrial system able to give them jobs.

They want to know, and should know, that, besides providing for their military needs during the war, industry here at home is planning improvements for the postwar era which will assure them an even better standard of living than they had before and will include jobs for them.

In recognition of this objective, the National Association of Manufacturers, in cooperation with the National Broadcasting Company, has sponsored a weekly series of broadcasts by major industrialists that is being shortwaved to the European and African war theatres.

In one address in the series, Paul W. Lichfield, chairman of the Goodyear Tire and Rubber Company, told the boys that they'll get all the tires and rubber they need, and that "the ingenuity of American industry, which has converted all its resources to war, will at the proper time convert them back to peacetime ways which will insure you and your family a better civilization after victory than any of us have known up to now.

"Our first job is to win the war—a job you have tackled in the true American fighting spirit, and we on the home front are backing you up in every way at our command."

THE OPA PROGRESSES—BACKWARD

"A blurb recently emitted by the OPA with intent to shame complainers about rationing," says the Portland Oregonian, "tells us that our forefathers did without sugar until the thirteenth century, without buttered bread until the fifteenth, without potatoes until the sixteenth, without coffee, tea and soap until the seventeenth, without gas, matches and electricity until the nineteenth. A common comment on this record is that our forefathers also did without the OPA."

Our forefathers also did without false teeth, safety razors, patent toilets, and thousands of articles too numerous to mention. They didn't have department stores, chain stores, milk in bottles, canned food or bath tubs.

Eddie Rickenbacker and his companions starved on a raft for nearly a month and still lived to tell the tale. But is that any parallel we should seek to follow? If our national economy has created shortages, at a time when surpluses are needed, we can do without as our forefathers did if necessary.

Our planning and energies, however, should be directed toward increased production and progress, the constant aim of our forefathers.

FACT, NOT FICTION

One of the points stressed by the five senators who visited the world's battlefronts last summer was the fact that the United States furnishes most of the oil for the fighting machines of the United Nations. To fill these war requirements, oil for our own domestic needs has been sacrificed. Either we must discover and produce more oil in this country or our domestic or war needs will suffer dangerously.

The decision is not left to the oil industry. The increased cost of "wildcatting" runs headlong into the elaborate anti-inflation schemes of government agencies which decide whether inelastic price fixing rules are more precious than oil. But our motorized nation cannot run on low prices without gasoline.

The oil industry has asked for a very modest increase in the price of crude oil which would mean an increase in the price of a gallon of gasoline of about one penny. There is little question as to the choice which would be made by gasoline starved motorists and cold home owners if they were given the opportunity to choose. Of course even a penny increase in the price of gasoline would admittedly breach the line against inflation—if there is a line to breach.

PREPARE POSTWAR TAXATION POLICY NOW

Of the domestic postwar problems there is none more important than that of taxation and government expenditures. With a Federal postwar debt of probably \$300,000,000,000, and interest charges of some \$6,000,000,000 a year, it is imperative that all other expenditures of government be limited and that a sound policy of taxation be adopted.

No tax policy can succeed which ignores the fact that the all-important thing is to increase the national income and at the same time expand the country's total wealth and productive capacity.

Failure on the part of our lawmakers to recognize this fundamental truth will lead to the destruction of private enterprise and substitution of some form of national socialism.

Recognizing this danger, a movement is now underway in the 48 states to secure an amendment to the Federal constitution limiting the power of Congress in peacetime to impose taxes on incomes, inheritances and gifts to a maximum of 25 per cent. Fifteen states have already passed resolutions requesting Congress to call a convention for the purpose of proposing such an amendment. Supporters of the measure emphasize that Congress should no more have limited power over one's property than over his person; for, in the language of Chief Justice Marshall, "The power to tax involves the power to destroy."

SUPPLIES AND TRANSPORTATION ARE 90% OF THE ARMY'S BUSINESS

LETTERS FROM THE PEOPLE

CAMMIE BEATY WRITES OF WAC ACTIVITIES

Fort Oglethorpe, Ga.

October 28, 1943.

The Munday Times, Munday, Texas.

Dear Friends:
My pleasant experience has prompted me to write this letter. My year in the service has just ended and I find more and more to be interested in each day.

I have been in Fort Oglethorpe, Ga. since March and find so many varied duties that each day is a new challenge. I am a mess sergeant and have one of the most interesting jobs in the Army. We have a fine group of girls working with us who cook for the girls here on the training post. They represent the experience and ideas from mothers home cooking from every corner of the country. You sometimes have four girls assigned to one kitchen and each be from the most extreme part of our country and ideas that add to the variety of our work. Everyone is quite envious of the W. A. C. for they like other branches of the services get the very best food that our Government can buy for them. Our girls take a special pride in the preparation and results of the food is fit for a king. Our big trouble is to keep these girls trim soldiers for it is easy to gain weight.

Last week-end four cooks and myself got orders to accompany troops being moved to Florida. We were to prepare meals on the train and then when this duty was done we were to be returned to our stations here. It proved to be quite an experience for few women had undertaken this task before at least not any of our particular group anyway. The cooks were highly praised by the train crew and commended by our troop train Commanders for the fine way they handled the job.

Of course as usual where there is work there is always some play and true to form the Post Staff saw to that. So we were given the week-end for sight-seeing Florida. The girls who were there were, one from Alabama, one from Ohio, one from Georgia and two from Texas. The sights were really a treat to us all, especially to this one having lived inland all my life.

The Second W. A. C. Training Center is located at Daytona Beach, Florida and a part of the training is actually done on the beach with the privilege of seashore and a grand training too. We did all the things you would imagine doing on a week-end on the beach. The weather was just like the Chamber of Commerce picture in it in the resort ads. It was a glorious day and we brought back sun burns that were the envy of every girl in our company for it has been quite cold for some time here.

I got my greatest thrill since being in the W. A. C. when walking down a street I was stopped by an attractive W. A. C. Staff Sergeant who was none other than Johnnie Patterson from Munday. This was a meeting we have been in the service, having met once earlier in Des Moines, Iowa almost by the same act of

luck. I hadn't known her whereabouts since she left Texas administration school for an assignment. She is the First Sergeant of a training company there.

You see we depend a lot on our Munday Times to keep us informed of the whereabouts of our friends in the Services and we really do enjoy those letters from other service people.

We are proud of our Texas girls now with us. With the plan now under way for State recruiting we hope to see more and more of our girls join us. There is still a great need for more trained women to fill the many jobs now open to trained persons from our Corps. I am hoping that Texas women keep up the tradition our men have made in the service of our country. There are now many more calls for women than there are women trained to fill them.

Looking forward to reading about our girls who are serving the war effort.

Sincerely yours,

S-Sgt. Cammie Beaty.

Gems Of Thought

PEACE

You may either win your peace or buy it; win it, by resistance to evil; buy it, by compromise with evil.—John Ruskin.

Nothing can bring you peace but yourself; nothing can bring you peace but the triumph of principles.—Emerson.

It matters not what be thy lot,
So Love doth guide;
For storm or shine, pure peace is thine,
Whate'er betide.
—Mary Baker Eddy.

USE A CHECKING ACCOUNT...

for CONVENIENCE

It's so handy to pay bills by check . . . and you don't have to keep a lot of cash around the house. Checking is easy!

for SAFETY

No chance of losing money from your purse when you use a checking account. Checks are handy for shopping use.

for PROTECTION

When you pay bills by check you have legal evidence of payment in the cancelled checks. Checking protects!

AMERICAN HEROES

BY LEFF

The invasion of Sicily was beginning. We needed a bridgehead at Gela. Twice we drove the Germans from the town. Twice they thrust us back to the beaches. General Patton leaped into the surf to take personal command of the desperate struggle. The Germans were forced back. Fresh troops swept landward. The bridgehead was ours. It's everybody's war. General and Private alike press the attack, oblivious to danger. At home all alike must back that attack with extra Third War Loan Bonds.

U. S. Treasury Department

Evidence Needed To Get Payments On Dairy Program

Knox county milk producers who wish to receive payments under the Dairy Feed Payment Program should save evidence of milk and butter sales for presentation in applying for such payments, according to August Schumacher, chairman of the Knox county AAA Committee.

The rate of payment for Knox county dairy producers will be 50¢ per hundredweight for whole milk deliveries and 6¢ per pound of butterfat sold in cream and butter. The butterfat test of the milk will not affect the payment for whole milk delivered.

Application for payment on October milk and butterfat deliveries should be made to the county AAA committee between November 1st and 30th. For the convenience of producers, the following locations and dates for receiving applications have been arranged in Knox county where assistance will be available for preparing them.

Applications for payment on November and December deliveries will be made January 1 to 10. The current Dairy Feed Payment Program of the War Food Administration, designed to partially offset increased costs of feed, covers the period October 1 through December 31, 1943.

To apply for payment, the milk producer has to present proof of his sales in the form of the customary sales slips, receipts, stubs obtained from the milk purchaser, or in some other form acceptable to the County Committee. Evidence of feed purchases will not be required.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

quired. After receiving the application with satisfactory evidence of milk deliveries, the county committee will write a draft on the Commodity Credit Corporation in favor of the producer. The draft can be cashed at any bank.

Men of Texas... if you are between the ages of 16 and 64 and can meet the simple physical requirements, there's a job for you in the Texas State Guard... You can get full information by calling 33 or by visiting the Company C, Armory located at elementary school building on Thursday night of each week... Join the Texas State Guard NOW! and KEEP YOUR GUARD UP!

A new machine has been developed for fast reproduction of drawings in either blueprint or black-on-white form.

THE EXPIRATION DATE ON YOUR PAPER!

Due to restrictions on production of newsprint, we are forced to cut down on the numbers of papers being printed whenever possible.

It is not our desire to stop the Munday Times now going to our regular subscribers, so you are urged to renew your paper ahead of the expiration date in order to keep it coming to you. Should your name be removed from our mailing list, it might not be possible to place it back on in the future.

If the date 11-15-43 appears opposite your name, your paper will expire on November 15, 1943. Your cooperation in renewing before that date will be appreciated.

Freshman News

The Freshman class had a little quiz last Friday in general Science. Some of us were pretty dumb but one pupil made a hundred. He was Frank Reeves. We hope we didn't embarrass him with our praise. We'd like for him to let us in on the secret.

We all enjoyed the Chapel Program given last Friday by Mrs. Taylor's class. We liked the play and admired the fan collection of Mrs. Taylor.

Sophomore News

All the Sophomores are present for the first time since we turned out for ball-pulling. Manda and Bernice, we're glad to have you back with us.

We're learning manners in English—about time don't you think? We had a class theatre party last Wednesday night. All reported a grand time. We want to thank Jim Earl and Mrs. Melvin Cooksey for the use of their cars. They were surely appreciated.

Junior News

Oh, that Plane geometry! The Juniors are really working their brains on all these angles, triangles, axioms, postulates, and other geometric figures soaking in. We hear Geometry helps the brain but we're beginning to wonder if it doesn't come more near wearing it out.

Brother Griffin, our History teacher is away all week at conference. The "dear old book" hasn't been idle though, because we're all studying our lessons faithfully (we hope).

Senior Report

These dreaded chilling winds of November have at last rushed around the corner, and it seems that most of the Seniors are gladly welcoming this weather. Due to the fact that this is November, basketball and volleyball season will soon open. Another reason for our enthusiasm is because all of the most important holidays will soon be here. The arousing feature of a class social or some kind of amusement is once again facing our class. We are looking forward to having some kind of entertainment in the near future. Isn't that true, classmates?

The fact that Bro. Griffin is away this week makes us feel slightly deserted, especially in our typing class. We also miss him in teaching our Government class.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing
 Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc. due to Excess Acid. Sold on 15 days' trial! Ask for "Willard's Message" which fully explains this treatment—free—at

however, we are thankful to have Mr. Arnold to take his place during his absence.

The dreadful thoughts of taking a quiz in Bookkeeping this week is troubling the Seniors. We fear that we do not know as much as we should, but we are earnestly hoping that we shall make good grades.

In our English class this week we are taking up the study of "Mechanics in English." We are having lessons on capitalization, enunciation, pronunciation, and spelling of words. Although it is easy as well as interesting to us, I imagine it makes Mrs. Henson feel as though she were teaching grade school pupils again.

Our Chemistry class is studying about the atomic and molecular weights of elements. We are learning how to balance chemical equations and are also solving chemical problems.

Senior Life

This cuddly baby girl arrived on December 5, 1926, at the home of a very proud family. She grew up to be a pretty blonde young lady with blue eyes and a sparkling appearance.

Being one of the members of the Senior class since our first year, she has been a very true and faithful member through all the years. She is very popular among the younger set and has been secretary of our class up until the past two years. She takes an active part in all school activities and is loyal to her school work. Although she likes to go quite a lot, she still makes high grades in all her subjects.

Having a very good personality, she has many friends and beaux, especially a certain boy in San Benito or is it Munday? Anyway, we heard she and this boy from San Benito have some very interesting future plans made. Is that right?

She is quite friendly and talkative as well as a giggle-box. She seems to really get a pleasure out of life, especially when she hears Moran jokes.

Some of her favorites are: Dimples and black hair. Colors—Blue and pink. Teacher—Mr. Arnold. Subject—Typing.

Pastime—Listening to orchestra music and reading.

Song—"People Will Say We're in Love" by Frank Sinatra.

Movie Actor—John Payne.

Movie Actress—Ingrid Bergman and Maureen O'Hara.

If her plans are not changed, she wants to go to school at Dallas and become a registered nurse, but otherwise, she prefers something on the "wedlock" idea, wanting to make her home in the valley.

In case you don't know, this gal is none other than Clydeen Warren.

Miss Cora Jean Martin, who is employed in Fort Worth, visited with relatives and friends here over the week end.

Mrs. R. L. Ratliff was a business visitor in Wichita Falls on Wednesday of last week.

Increased Demand Placed On Service Industries by War

THE ELECTRIC UTILITIES

1939

1942

Each symbol represents 5 billion kilowatt hours output for industrial use.

THE RAILROADS

1939

1942

Each symbol represents 100 trillion ton miles of freight.

THE TELEPHONE INDUSTRY

1939

1942

Each symbol represents 10 million long-distance telephone calls.

Prepared by FITCH INVESTORS SERVICE

How war's impact has added to the responsibilities of America's utility, railroad and telephone industries is shown graphically in the above chart.

The magnitude of the added volume of work placed upon the men and women of these great service industries is difficult for the layman to grasp. The chart is worthy of study.

In every instance these industries have met war's challenge while maintaining practically normal standards of service to the civilian population. The workers who have quietly carried on these

enormous tasks are not eligible to receive official government awards for their truly great wartime accomplishments.

In an effort to give credit where credit is so obviously due, General Cable Corporation—the nation's leading independent supplier of electrical wires and cables,—has undertaken to publicize their records of accomplishment. An editorial from the New York Times calling attention to these war workers, has been reproduced in a General Cable advertising release from Coast to Coast.

FACTS ABOUT THE TEXAS STATE GUARD

1. The Texas State Guard is a Military Organization having a specific legal status.

2. The three primary functions of the Guard are:

a. To preserve internal security.

b. Assist in training men for the Regular Army.

c. To form a reserve of military power.

3. The Guard's place in the national war picture is a very important one: The Guard's service is a service deserving profound respect.

4. The Guard is not a Marching Society; it is not a group of men who like to wear uniforms and "play soldier." It is a deadly earnest army, staffed by competent officers. It is an army equipped with weapons that shoot real bullets, and it knows how to use them. It is an army dedicated to the protection of the lives and property of the citizens of Texas, and to the preservation of American liberties and ideals.

5. The 17th Battalion of the

T. S. G. comprising five infantry companies is domiciled at and completely staffed and officered by citizens of Munday, who serve without pay.

6. The personnel of the Guard is made up of executives, ministers, business owners, doctors, lawyers, salesmen, clerks, in fact a cross-section of manhood of the Munday—all anxious to protect homes, families, life and property.

7. All enlistees receive the Regular First Army Basic Training—Military Courtesy, Discipline, Sanitation, First Aid, Marksmanship, Scouting, Patrolling, Hand Grenade, Gas in Offense and Defense, and many other courses prescribed by the War Department.

8. The Guard is issued Regular Army uniforms and equipment. The uniforms are distinguished by the TSG emblem or shoulder patch on the left shoulder and is a distinguishing mark that all members are proud of.

9. The Guard is not subject to being Federalized as was the National Guard nor will association with the Guard exempt one from

the provision of the draft.

10. The Guard's recruits drill Thursday night, 8 to 10:30 at the Armory, located at the elementary school building. After a thirty day probation period recruits will be transferred to one of the regular units who drill each Thursday. The recruit may choose the drill most convenient to him.

11. Any able-bodied male citizen of good reputation, age 16 and under 60, who can stand a simple physical examination is eligible to join.

12. It is not contemplated that Guard Units will ever be called upon to serve outside the boundaries of Knox county.

13. The drill schedule of the 17th Battalion calls for a series of Bivouacs, Field Problems and Mobilization Maneuvers for the month of November, all of which will be interesting, instructive and healthful.

14. The ranks of the T. S. G. have been somewhat depleted on account of the Federal draft. A number of patriotic, interested recruits are required now to bring the Battalion up to war strength. You are badly needed. Enlist now! Apply at the Armory, elementary school building, Thursday evenings from 8 to 10:30.

Ethelda Robinson, Lt. J. K. MacConnell Soon To Marry

Mr. and Mrs. W. E. Robinson of Goree have announced the engagement of their daughter, Ethelda Vernon, to James Kirke MacConnell, lieutenant in the army air forces.

Lieut. MacConnell is the son of Mrs. Grace MacConnell, of Bay-side, Long Island. He has been stationed at the Hondo Army Air Field for some time.

Sunset H. D. Club Wins Prizes At Achievement Day

The Sunset home demonstration club members are very proud of the record this club made at the achievement day program in Benjamin last Friday. This club received more ribbons than any club in the county.

The club received two blue ribbons for first prizes in both appearance and home improvement, two white ones for third prizes in foods, clothing and handicraft. Six members attended the program and reported a grand time.

Plans are being made for a Christmas party in December, at a place yet to be decided on.

Goree Study Club Meets Tuesday With Mrs. Ratliff

The Goree Study Club met on Tuesday, November 2, in the home of Mrs. W. L. Ratliff. The home was decorated throughout with roses and chrysanthemums. The dining room table was covered with a beautiful lace cloth, and bottles of roses decorated the center.

The program for the evening was on Russia. Miss Hazel Ratliff played the Russian national anthem, and Supt. H. D. Arnold gave a very interesting lecture on Russia and her people. After this enjoyable lecture on one of our allied nations, the hostess served delicious refreshments to those present.

A good attendance of members was enjoyed, and a number of guests were present for this interesting program.

Kuhler-Bruggeman Celebration Held On November 3rd

On Wednesday night, Nov. 3, a surprise party was held at the home of Mr. and Mrs. L. J. Kuhler honoring Mr. and Mrs. Joe Kuhler and Mr. and Mrs. Philip Bruggeman, Sr., on their 40th wedding anniversary.

The table was laid with a lace cloth. The three-tiered white cake was decorated with pink and green trimmings and red and pink carnations with fern arrangement completing the decorations.

A lunch with refreshments were served to Rev. Herman Laux, O. S. B., Mr. and Mrs. Joe Kuhler and daughters, Mr. and Mrs. Philip Bruggeman Sr., Mr. and Mrs. L. J. Kuhler and family, Mr. and Mrs. M. C. Kuhler and family, Mr. and Mrs. K. W. Homer and family, Mrs. William Kuhler and daughters, Mr. and Mrs. Julius Kuhler and family and Mr. and Mrs. Philip Bruggeman Jr.

Knox City Study Club Has Regular Meeting Saturday

The Knox City Study Club met on Saturday afternoon, Nov. 6, in the Methodist church basement. The usual business hour was held with Mrs. T. S. Edwards as chairman and Mrs. E. F. Branton as secretary.

Mrs. Otis Cash, as hostess for the program, announced the subject "Relations With Britain" as the first of a series of post-war programs. Mrs. T. P. Frizzell discussed "Prevailing Policy of the Nineteenth Century," Mrs. C. C. Hoge, "America's Choice," and Mrs. T. S. Edwards, "A Postwar Program." A group of little girls, Julie Frizzell, Sana Ann Hamm, Carol Ann Armstrong and Jean Carol McCauley brought the club a much enjoyed musical number entitled "The Captain of the Pin-afore."

Wesleyan Service Guild Has Bible Study Monday

Members of the Wesleyan Service Guild met at the Methodist church last Monday night, at which time Mrs. M. F. Billingsley was leader of the regular monthly Bible study. Several songs were sung by the members, being followed by sentence prayers.

Members present were Mmes. O. H. Spann, M. F. Billingsley, Joe Bailey King and Misses Ruth Baker and Merle Dingus. Miss Jeanette Campell of Fort Worth, a former member, was a visitor for this meeting.

Mrs. W. V. Tiner and Mrs. James Dykes were visitors in Abilene last Friday.

AMERICAN HEROES BY LEFF

On the far side of a knoll exposed to enemy guns in the Solomons, one of Pfc. Rondell Lyons' comrades was wounded. Marine Private Lyons brought him in. Another man was hit. Lyons brought him, too, to safety. The injured men were thirsty. But all canteens were empty, and the Japs had the only water hole covered. Lyons went out in the face of continuous Jap fire and brought back water for his comrades. For this he wears the Silver Star. He risked his life for his fellows. The least we can do is buy more War Bonds for them.

U. S. Treasury Department

Soldiers Honored At Open House In Harris Home

R. E. (Shorty) White, who is a Seabee and stationed at Oakland, Calif., spent last week with his wife and little daughter, Carolyn Jo Ann and other relatives. Wayne Harris, who is stationed at the Naval Air Training Station at Norman, Okla., surprised relatives by coming in Sunday for a few hours visit.

Both sailors had to leave Sunday afternoon, and open house was held in the home of Mr. and Mrs. W. A. Harris of Goree in their honor.

Dinner guests were: Mr. and Mrs. John Harris and children, Mr. and Mrs. Paul Brogden and Emogene, Joyce and Reba, all of Goree; Mr. and Mrs. R. B. White and Bertis, Kirby and Jimmy, all of Haskell.

Other callers during the day were Mrs. George Oliver, Mr. and Mrs. Homer Lambeth and children, Mrs. Lila Suggs and daughter, Mr. and Mrs. Lloyd King and son, Mr. and Mrs. C. F. Suggs and daughter, Mr. and Mrs. Curt Howard and children, Mr. and Mrs. R. F. Suggs (Mr. and Mrs. J. C. Reagan, all of Goree, and Mrs. Perry of Old Glory.

Patricia Faye Putnam Is Honored On Her Birthday

Mrs. T. C. Merrell entertained with a party on Thursday afternoon, honoring her granddaughter, Patricia Faye Putnam, on her fifth birthday.

Games were played, and gifts were presented to the honoree.

A color scheme of pink and blue was used on the refreshment table. Guests included Misses Trinity, Midgie Saneedo, Margaret Ann Yandall, Don and Martin Bowman and the honoree.

Lieut. and Mrs. Bill Billingsley came in Sunday from Clovis, New Mexico, where Bill has been stationed, and visited the first of this week with Bill's parents, Mr. and Mrs. M. F. Billingsley. Lieut. Billingsley reports for training near Nashville, Tenn., this week.

Mrs. F. E. Jetton is in Fort Worth, where she will visit relatives and friends for several weeks. This is Mrs. Jetton's first visit away from home since her recent illness.

Goree News Items

Mr. and Mrs. Chas. Goode and Mrs. Jim Goode have returned from Kim, Colo., after a short visit with the Ben Goodes. Miss Margaret Mais of Chicago returned with them for a visit with Mr. and Mrs. Jim Goode.

Charles Arnold, who is attending school at Norman, Okla., was a visitor with his parents, Mr. and Mrs. H. D. Arnold, recently. Charles is taking special training for naval service and expects to be called into active duty soon.

Mrs. Elizabeth Cowser and Mrs. Georgia Maples entertained the No. 12 Luncheon Club on November 5th with 9 members present. After the luncheon, the members attended the flower show at Seymour, reporting an enjoyable time.

Mrs. Lloyd Stewart and Hill Allen left Saturday morning for Dallas to attend the bedside of their sister, Mrs. Elmo Parks, who underwent surgery in a hospital there. Mrs. Parks is improving, according to latest reports.

Betty Coffman, daughter of Mr. and Mrs. Henry Coffman of Dallas, is here for a few days visit. Betty says that Goree looks good to her yet, and she is enjoying being back home. The Coffmans are employed in defense work.

Mr. and Mrs. Bud Coffman have returned from Lubbock, where they visited their son, Cordie, who underwent surgery in a hospital there recently. Cordie is much improved, according to latest reports from his bedside.

Mr. and Mrs. Earl Claburn of Munday were Sunday visitors with their parents, Rev. and Mrs. S. M. Claburn. Mr. and Mrs. Andrew Gilbert of Munday were also visitors in the Claburn home.

Lloyd and Don Stratton left last Tuesday for their home in San Bernardino, Calif., after a few days visit with their mother, Mrs. A. J. Stratton. They were called home at this time because of the serious illness of their father, who passed away after their arrival.

Mrs. Jack Carter of Cincinnati, Ohio, who came for the funeral of her father, A. J. Stratton, will remain here for a longer visit. Mrs. Carter's husband is serving in active combat duty with the naval forces.

Mrs. Foy Bain Barnett of Dallas is here for a few days visit with Mr. and Mrs. W. O. Barnett and

with friends. Mrs. Barnett taught in the Goree school for several terms. Her husband, Lieut. Barnett, is with the American forces in combat duty.

Mrs. Opal Tipton and Miss Ida Sanders of Dallas were here for a week end visit with their parents, Mr. and Mrs. J. W. Sanders. Mrs. Tipton's husband is in active combat and reported that he was injured on duty but would soon be out of the hospital.

Wanda Sanders has returned from Lubbock, where she visited her sister and family for a week. Eunice Thornton was a week end visitor here with her parents. Mr. and Mrs. W. L. Thornton. She is attending school at Wichita Falls.

Esther Hill is visiting her parents, Mr. and Mrs. Frank Hill, after undergoing a tonsillectomy in a Dallas hospital.

Charlene Robinson of Dallas was a visitor here with her grandparents, Mr. and Mrs. W. O. Barnett, over the week end.

Mrs. W. O. Barnett attended the shoe convention at Dallas and will also purchase more stock for the fall trade.

Miss Marjorie Arnold of Wichita Falls was a week end visitor here with her parents.

Relatives and friends here for the funeral of Mrs. R. S. Barton on Tuesday of last week were the following: Mr. and Mrs. H. G. Johnson, Miss Zoe Allen, Adelaide Barton, Amarillo; Palmer Barton, Grand Island, Neb.; Alton Barton, San Antonio; Mr. and Mrs. C. A. Holland, Mr. and Mrs. Walter Stewart, Mr. and Mrs. Edwin Bevers and daughter, Lou Lane, Cleburne; Mr. and Mrs. Chas. Hill and Mrs. Ed Vincent, Dallas; Mr. and Mrs. Lewis Cantrell, Fort Worth; Mr. and Mrs. C. C. Cantrell, Greenville; Mrs. Zell Barton, Liberal, Kans.; Mrs. Ed Campsey, Graham; Mr. and Mrs. E. Guval and Mrs. Etta Gray, Abilene; Mrs. Ed Moorhouse, Mr. and Mrs. Togo Moorhouse, Mr. and Mrs. Clyde Burnett, Mr. and Mrs. Bobby Burnett, and Mr. and Mrs. O. D. Propps, Benjamin; Mr. and Mrs. Vance Favors, Quanah; Mr. and Mrs. Jake Parrott, Throckmorton; Mrs. Ethel Lemmons, Mr. and Mrs. Ray Willis, Mrs. Tom Webb, Mrs. O. W. Cua-sey, Mrs. Press Clarke, Mrs. T. E. Holcomb, Mrs. Rudolph Hackfield, Mrs. Geo. Stubbs, Mrs. Sam White and Mrs. C. S. Woodward, Knox City; Mr. and Mrs. Ozzie Turner and Hubert Chowning, Truscott; Mrs. Will Ratliff, Goree and W. M. Huskinson, Wichita Falls.

Mr. and Mrs. O. D. Propps of Benjamin were business visitors here last Saturday.

Keep Warm. . .

Even in these days of war rationing of oil and scarcity of house warming fuels, it is not necessary that our homes be chilly or uncomfortably cold. We shall probably learn from our war experiences that one is more healthy when the house is sensibly heated, rather than too hot. A temperature of 65 degrees F. is high enough to maintain comfort, and at the same time avoid the hazard of living in stuffy, overly heated rooms.

If one dresses warmly, is reasonably active, he need fear no ill effects simply because he keeps the home thermometer hanging around 65 degrees.

Methodist W. S. C. S. Meets Monday At Local Church

Ladies of the Methodist Women's Society of Christian Service met last Monday afternoon at four o'clock at the Methodist church, at which time the usual study course was held.

The title of the book is "We Who Are America," and the fourth chapter was given by Mrs. J. W. Roberts.

Members present were Mmes. Travis Lee, W. R. Moore, R. L. Ratliff, J. D. Crockett, G. R. Eiland, Chester Borden, Luther Kirk, J. W. Roberts and Miss Shelly Lee.

Monday Night Bridge Club Meets In Moore Home

Members of the Monday Night Bridge Club were entertained in the home of Mr. and Mrs. W. R. Moore last Monday night. This was the first meeting of the club in several months.

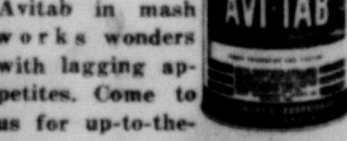

At the games of bridge, high score honors were held by Mr. Moore and Mrs. J. C. Harpham. A delicious refreshment plate was served to the following:

Mr. and Mrs. Fred Broach, Mr. and Mrs. Grady Roberts, H. A. Pendleton, Mrs. A. H. Mitchell, Mrs. Louise Ingram, Mr. and Mrs. C. P. Baker, Mr. and Mrs. J. C. Harpham and the host and hostess.

Another Tribute to "Mr. Dooley"

* We have prepared a booklet, "Bill Bailey Got the Credit But the Man Behind the Gun Was Mr. Dooley", of particular interest to the Power Utilities, the Railroads, the Telephone Industry, the Electric and Wholesale. A copy will be sent in reply to any request on a company letterhead. Address: General Cable Corporation, 420 Lexington Avenue, New York 17, N. Y.

CIVILIAN AWARDS
Testimony to the effect that the stimulus of the Army-Navy "E" and "M" production awards has been very great constantly is accumulating. Both management and labor on the home front have been helped to even greater efforts and devotion to the great task of turning out the vital materials of war. Now both directors and workers in a category other than those previously recognized are to receive an achievement award for work well done. These factors makes them ineligible for Army-Navy "E" recognition. But if they meet the same high standards demanded for that badge of honor they are to receive the award of the War Food Administration's "A" flag. Qualifications considered in selection for the award will include ingenuity in the development of war food products, low absenteeism, cooperation in the food purchase programs, accident prevention and the like.

A number of vital factors on the home front still lack recognition in the form of public awards. The power and utility companies, the communications companies, and even the enormously busy railroads do not fall within the technical requirements for existing awards. There would seem to be little reason why the powerful incentive which existing awards for merit have supplied should not be extended to such fundamentally important elements as the electric light and power industry, which has shown an increase of 73 per cent in its kilowatt hour output since 1939; or the telephone industry, which last year handled 93 per cent more long-distance calls than in 1939; or the American railroads, which in 1942 increased the ton miles moved as compared with 1939 by 135 per cent and the passenger miles by 92 per cent in the same period. The service industries have done and are doing an outstanding war job. They, too, deserve an accolade.

At The Churches

PRESBYTERIAN CHURCH

Dr. William N. Sholl of Haskell preaches here each Sunday morning at 9:30 a. m.

Our church is located on the Main street of Munday and has an attractive auditorium with added Sunday school facilities. The Auxiliary meets on Mondays and is accomplishing a good work. All Presbyterians living in Munday and surrounding country are urged to attend our services. A very hearty invitation is extended to all visitors, especially those who have no regular church home.

Christmas Boxes Asked For Boys At Sheppard Field

There are, I am sure, those in our county who would be glad to know there is a well planned organization through which they can serve our men in uniform. By becoming a part of this organization you will find a channel leading directly into Army Camps, Navy and Coast Guard stations and Marine bases.

The Red Cross Camp and Hospital Council offers the opportunity to make our efforts in this direction count for something.

It is an organization of organizations functioning through the Red Cross, the Red Cross, as you know, being the only civilian agency permitted inside military and naval reservations. They, too have proper knowledge of actual

FIRST BAPTIST CHURCH

Next Sunday is not show day, but it is a good time to come and show your colors. No individual is asked to do more than his best. We urge you to come to the services next Sunday morning. Be there on time.
W. H. Albertson.

needs of the men in service; therefore, there can be no overlapping of effort.

Of course, the basic needs of our armed forces are being supplied by the Military and Naval authorities. This service of the Camp and Hospital Council is simply to provide for our boys the "Extras" they could not otherwise have.

The Council, of which Knox county is a part, is made up of nine counties adjacent to Sheppard Field. It is for this camp and hospital we are asked to provide the "Extras." Lists of the articles asked for have been sent out over the county to Women's Clubs and may be had for the asking.

The immediate request is for Christmas boxes. Each box is to be made up of homemade cakes, candies and cookies, and one gift not to exceed fifty cents. These gifts will be for the men in hospital at Christmas time. We know these men will have the best of medical care; the boxes are asked as morale builder.

Church groups, women's clubs, The Legion, Fraternal organizations, Junior Red Cross and individuals are urged to have a part in helping to see that Knox county does her full share.

BROWNIE SCOUT

THIS member of the youngest group of the Girl Scouts, the Brownies, is beginning early to learn how to help herself and others. Knitting squares for a Red Cross Afghan is her way of helping win the war.

Women who wish to do war work which has a real future are enrolling by thousands as Girl Scout leaders.

IT CAN'T HAPPEN HERE!

What do you think? Do you really believe that we are safe, that we are sitting over here behind two oceans where the enemy can't get to us? If you do we are in a terrible position. That is just what the enemy wants us to think. Let me remind you that the Axis powers have been preparing for this war and did prepare long before hostilities broke out. Do you think they overlooked sending their agents to this country long before they invaded France? Don't you know it to be a fact that there are saboteurs and fifth columnists in this country ready to strike when the proper time comes? If you are not aware of these things then it is time for you to wake up and find out what is going on around you.

President Roosevelt has declared that this country is "The Arsenal of Democracy." It is our duty to produce, produce and produce and transport this production to the zones of operation. Do not overlook the fact that the war production is effective only in proportion as its output is able to be transported into the theatre of war to be used against the enemy. Also transportation is of no value unless the production is available for the transportation.

One of the functions of the Texas State Guard is to protect the production and the vital installations producing war material. Frederick the Great said that a general in all his projects should not think what he himself wishes to do, as about what the enemy CAN do. He should never underestimate his enemy, but should appreciate all the difficulties and hindrances the enemy is physically capable of interposing. Be on the safe side, prepare for the worst. If this principle had been instilled into our own forces at Pearl Harbor, if the French, Belgians, Norwegians, Poles and all the other countries the Axis have overrun had prepared for the worst, even though it never happens, they would not today be where they are. Germany has planes capable of making a round trip to America and back to Berlin, other planes capable of making sacrifice missions with full loads of bombs; we also have planes capable of doing the same thing. It is well to remember that what we can do, others may do; IT COULD HAPPEN HERE.

Nothing that our leaders have said or done lends any encouragement to the insidious belief that "IT CAN'T HAPPEN HERE." That fatal state of mind in nation after nation after nation, was the absolute prerequisite to Hitler's successes. It constituted a major theme in all his strategy. The only duty of his fifth columnists before the zero hour in every one of the 19 countries he has attacked, was to promote that idea. In no one of the 19 countries was a single overt act committed by a German sympathizer before that moment of attack.

Friends let us all be cautious, let us all be on the alert, don't repeat some rumor you have heard. This is going to be long bloody war. Let us not underestimate the possibilities of the enemy. Thousands upon thousands of our boys and friends will be sacrificed in their efforts to make things secure and comfortable for us at home. What are we doing about it; what is your priority; have you given a TEXAN'S SHARE in the drive for the National War Fund? Let us all hope and pray that the day will never come when we will be called upon to defend our own loved ones and homes and all we hold dear to us. The Texas State Guard needs men, men who are willing to work and sacrifice some of their personal time to be ready for the emergency, if and when such time should ever come. This week has been set aside by the Governor of the State of Texas as TEXAS STATE GUARD week. If you think you can spare a little of your time for the protection of

your own interests and loved ones we will be happy to have you join us. See any member of Company C, 17th Battalion, Munday, Texas, or the units in Rule, Throckmorton, Olney, Bryson or Seymour and they will be glad to take your application.

Don't get it in your head it can't happen here, other countries thought the same thing and are now under the heel of the dictators. It might happen and it could happen here; let's be prepared for the worst.

MAJOR J. C. HARPAM,
Comdg. 17th Battalion,
Munday, Texas.

CHILD CARE AIDE

HELPING care for the children of war workers and of mothers active in volunteer community services is one of the many ways the Senior Girl Scouts are serving their country. They know how, too, having made a special study of Child Care in their Senior Scout troops.

On The Home Front

O.E.M. Division of Information

WFA Releases Canned Foods

Approximately 2,790,000 cases of canned peaches, peas, and tomato catsup were released to consumers recently by the War Food Administration. The canned goods probably will not reach retail shelves for several weeks. These foods were a portion of the reserves owned and held by canners to meet possible emergency requirements of the government.

V-Mail Christmas Presents

Relatives and friends still have time to send men and women overseas V-Mail notices of war bond gifts for Christmas. The Army Postal Service has assured delivery by December 25 of all V-Mail notices sent before December 1. War bonds as Christmas gifts will help to hold down inflationary buying of scarce merchandise, and will be a financial cushion for the service man or woman upon return to civilian life, the Treasury Department added.

Increase Civilian Food Supply

More peas, beans, rice, and cheddar cheese are going to be available for civilian consumption. Supplies have been increased by the removal or reduction of government set-aside orders. Present conditions indicate there will be enough dry beans to provide about 10.4 pounds per capita for civilian consumption in the 1943-44 marketing season, compared to 8.6 pounds in 1942-43.

Tire Situation Tightens

Operators of passenger cars may find it impossible to obtain used tires because commercial vehicles delivering essential goods are now eligible to receive used passenger and truck tires of sizes smaller than 7.50-20 to replace tires no longer serviceable. November quotas recently released by OPA for passenger and truck tires show 30 percent fewer for trucks and 14 percent fewer for passenger cars.

No More Issue of Books 1 or 2

No more copies of War Ration Books One or Two can be issued by local rationing boards for any purpose whatsoever. All stamps in the two books have expired ex-

cept stamp 18 in Book One, for shoes, and blue stamps X, Y, and Z in Book Two, which may be used to buy processed foods through November 20. OPA said the covers of the two books may be thrown away when the stamps have been used or have expired.

Ration-Free Children's Shoes

Some relief from the shortage of youngster's shoes will be provided about the first of the year by a new supply of children's non-leather shoes for general wear, to be sold ration-free, OPA has announced. In general, children up to about eight years of age will benefit. The shoes will have canvas uppers and soles made from remnants and heavy woven fabrics, reinforced with vulcanized rubber. Shoes of this type larger than misses' and youths' size three will be rationed.

Unsalted Butter Price Down

Maximum prices of unsalted butter have been reduced by 3-4 of a cent a pound, which means direct savings to consumers. Other changes made by OPA in the price regulation for butter will act to end inflationary pressures which had arisen. Unsalted butter previously had a 3-4 premium over salted butter.

Revise Limit on Farm Construction

The limit on farm construction, including residential, has been placed at \$1,000 under a revision of Order L-41 by WPB. Previously, there were separate limits, farm residences not being considered part of the farm unit.

CCC Wheat Loans

Loans on 103,877,754 bushels of 1943 wheat, totaling \$130,509,475.72, have been made by the Commodity Credit Corporation through October 23, 1943. The average amount advanced was \$1.26 per bushel, which includes some transportation charges from the production area to warehouse locations.

Plane Production Reaches New High

Production of all types of air-

craft reached a new high of 8,362 planes in October, including the largest number of heavy bombers ever produced in a single month, it was announced recently.

Country Grain Elevators Exempt
Country grain elevator establishments which employ not more than eight individuals now are exempt from applying for War Labor Board approval of wage and salary increases, even if the establishments are part of a chain which employs a total of more than eight, according to WLB.

Cut New Car Quota

Only 20,600 new passenger automobiles have been released for rationing during November, OPA has announced. This is the lowest figure since rationing began and represents a reduction of nearly 35 percent from the October quota of 30,800.

Millions Sign Home Front Pledge

More than 12 million pledges have been signed during OPA's Home Front Pledge Campaign—The Citizens' Battle to Kill Black Markets and Hold the Line Against Higher Prices. In Minnesota, so many rural families signed the pledge that the district OPA office ran out of forms, and had to stipulate that one member sign for the entire family. When the supply ran low in Evansville, Ind., newspapers printed the pledge so the campaign could carry on. Similarly, in West Virginia, 1,030,000 pledge scrolls were printed without charge to relieve a shortage. (Newspapers in San Francisco and Wenatchee, Wash., likewise printed the pledge form.)

Ceramic Stove Model Built

The first ceramic cooking stove model to be built in the U. S. was recently demonstrated at the National Bureau of Standards. The

stove contains only 80 pounds of metal, mostly cast iron. The pre-war all metal model which it supplants weighed 1,085 pounds. The ceramic stove is designed to be heated with anthracite or coke. It uses only about 10 pounds of fuel in 24 hours and if it is fired every 12 hours, it will be ready for use at any time. It is expected that the first ceramic cooking stoves will reach the market around the first of the year. The purchase price has not been determined yet, but it presumably will be lower than that of the all-metal ones.

Texas...wear the uniform of your State Military Force...If you are prevented from belonging to one of the branches of the armed service, you can make an important contribution to the war effort by joining the Texas State Guard. Visit the Company C armory located at elementary school building on Thursday night and see what your local unit of the State Guard is doing, or for full details, call telephone 33...join now...KEEP YOUR GUARD UP!

Mrs. H. A. Pendleton spent several days in Dallas during the week end, visiting with her daughter-in-law, Mrs. Hal Pendleton.

CARD OF THANKS

We take this means of expressing our sincere thanks to each and every one who were so kind and thoughtful to us in our recent hour of sorrow, in the death of our mother, Mrs. R. S. Barton. Every deed of kindness, word of sympathy, and every floral offering were deeply appreciated. We pray God's richest blessings on you all.
The Barton Family.

A SERIOUS MESSAGE ABOUT CHRISTMAS SHOPPING

1. THE SHORTAGE OF MANPOWER

Will make it impossible to serve you as your store wants to serve you, if you wait until December.

2. DO YOUR CHRISTMAS SHOPPING EARLY

While stocks are complete you will have a wider range to choose from.

3. TRANSPORTATION FACILITIES

Are overloaded NOW. Ship EARLY to be assured of delivery of your gifts in time for Christmas. The Office of Defense Transportation has called upon the Post Office Dept. and the Railway Express Agy. to urge the public to consider the date of December 10th as a voluntary closing date for mail and express shipments of Christmas gifts.

4. CHRISTMAS WRAP

Not sufficient manpower to handle it if the peak of Christmas wrapping comes in December. (Gift-wrapping supplies are limited.)

5. GIVE WAR BONDS or STAMPS

The best Christmas Gift for 1943.

 Sophomore Reporter Lyndol Smith
 Freshman Reporter Jimmy Massey
 Eighth Grade Reporter Donald Waheed

Senior Report

This week has been a quiet one for the seniors for the social activities have calmed down. Last Friday nearly all of the seniors were at the Sadie Hawkins party and enjoyed themselves thoroughly.

The English IV class had an interesting adventure by listening to "MacBeth" from records. Wouldn't it be nice if all the teachers used record players for illustrations in class? However, the seniors will have to leave some of the enjoyable things behind to start "digging" again. The six weeks is gradually coming to a close and there are notebooks and themes to be brought up.

Senior Life

On July 26, 1926 in the Hood community the Roden family had a great tragedy which grew up to be Aubrey. Known as Curly or Jr. to his fellow classmates, Aubrey lived here all his life and has gone to the Munday schools since he was in the third grade. His first years were spent at Hood. Aubrey takes part in nearly all the sports such as football and basketball and was in the Junior play last year.

Aubrey is a typical dignified senior and is known as the gentleman of the class. In the spring he plans to take the test the navy is giving and wishes to leave for college after graduation. His future life he is not sure about but he plans to enter some field of aviation.

Sport: Football and basketball.
 Hobby: Building model airplanes and reading.

Song: Song of the Army Air Corps.

Junior News

Now that the Sadie Hawkins party is in the past the boys can settle down again. It must have been quite a strain on some of them. Some didn't even come to school the rest of this week. It must have hit them pretty hard.

Mrs. Kirk has gone to conference and is to be out of school the rest of the week. Miss Atkinson is taking her place and we are sure she will be a good teacher.

The Junior play is being selected and tryouts will be held pretty soon. The class is eager to get it and start learning their parts.

Sophomore News

The Sophomores who went to the Sadie Hawkins party last Friday night reported to have had a swell time.

Be sure to attend the football game next Friday night. We play Seymour and it will be well worth

your money to see it. Its our last and biggest game of the season.

Freshman News

The Freshman class is glad to welcome two new members this week. They are Patsy Campsey and Wanda Henson. Wanda has been with us every year through school and we are certainly glad to have her back. We hope that Patsy will be happy in our school.

In science we have been studying the human body. It is a very interesting study.

Last Friday our class enjoyed very much the program that was given by the eighth grade.

We are all keeping our fingers crossed for the Moguls Friday night.

Society News

It seems that the highest point in the social life of Munday high school was the Sadie Hawkins party held last Friday night at the gym. The games were under the direction of Miss Dowell, Miss Atkinson and Mr. Owens.

It seems that the races were the main events of the party. The best one was the three legged race. There were four girls that didn't like the idea of dressing up, but they suffered while the others had a nice laugh. Patsy, Berniece, Jerry, and Elma had to roll onions with their noses, and what an odor! Some of the boys had the same trouble. They were: Aubrey, Buddy, and Hulon. Bobbing for apples took the circle, too, and it looks like the boys won on the deal. The refreshments were sandwiches and cokes. I think the boys wish Sadie Hawkins day would come more than once a year.

Future Farmer News

The future Farmers had a meeting last week. Our speaker was Mr. Rutland, State Advisor for the FFA.

Saturday the FFA held a calf show in which the FFA boys exhibited their dairy calves. Hulon Montgomery's calves almost monopolized the show, taking two first prizes and one third.

Seventh Grade News

Our reporter was sick last week and failed to report that we made \$15.05 at the Carnival and everyone had a good time. Our class met with the room mothers in the home of Mrs. D. D. Clough and organized a "Study Club." We are to meet once a month and review the passed work we've had. Sandwiches and hot chocolate were served to 21 pupils and 6 room mothers in the home of Mrs. Clough at a class party.

Six Grade News

We had \$36.75 in bonds and stamps. Joan Williams bought a bond.

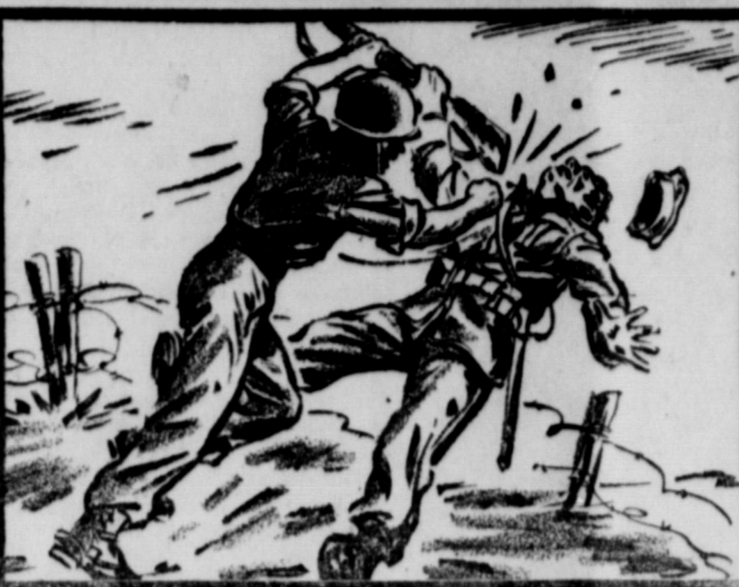

N. A. Howeth, Marie Howeth, and Robbie Lee Profit are back in school. They have been working. We are all glad to see them back. We are writing letters in English.

Third Grade News

We are happy over our Armistice Day Holiday. We are working hard on our English notebooks.

AMERICAN HEROES

BY LEFF

Scouting on foot in Tunisia, Pfc. Charles H. Evans was captured by 30 Italian snipers and marched to the rear. A bayonet at his back, Evans whirled, disarmed his guard, and escaped. Although wounded by rifle fire, he hid in a cactus patch till nightfall, slipped back to our forces with valuable information picked up as a prisoner. For this he wears the Purple Heart and the Silver Star. Celebrate Evans' escape with another War Bond.

By the Treasury Department

Virgil Ely moved to Amarillo Monday.

Albert Langley was absent Monday due to illness.

Our room won the \$5.00 offered by the P. T. A. for the largest membership. We got 92 members.

SB News

Our room has been very busy this past week on the membership, for the P. T. A. We made about three dollars, we surely were proud and hope to have more people join. We have also been busy working on our program which we will present on Friday, and we invite you every one to come.

SA News

Friday we presented our chapel program. Some of us thought it was a success and some thought it a failure. Anyway we put it on. When Billy Jay Lain, a contestant, was called upon to do his consequence (which was to play a guitar and sing a song) he was so scared that he forgot how. He tried to play several different songs, but at last of the program the audience called Billy Jay to play again and to our surprise he played and sang every song perfectly. So that's why some call it a success and some a failure.

School will be dismissed Thursday for Armistice Day. We hope everyone has a swell time.

Mr. and Mrs. F. E. Jetton had all of their children as their guests last Sunday, including the following: Floyd and Jean of Fort Worth, Mr. and Mrs. V. G. Lambeth and children, Goree; Mr. and Mrs. Dave Jetton and children, Munday; and their little great grandson, Jerry Edwin Jetton of Fort Worth.

Mr. and Mrs. J. R. Baker of Columbia, Tenn., came in last week for several days visit with Mr. and Mrs. C. L. Mayes and with other relatives.

Fall in with the Texas State Guard! If you are between the ages of 16 and 60 and can pass a simple physical examination you can proudly wear the uniform of your state military force... The Texas State Guard is not a social club... marching society or a group of men playing soldier... it is the armed force of the home front... Equipped with the latest weapons and trained in their use. It is an army dedicated to the protection of the lives and property in Texas and the preservation of American liberties and ideals... Vacancies now exist in Company C. Call telephone 33 or visit the armory located at the elementary school building on Thursday night of each week for details. Join now and KEEP YOUR GUARD UP!

LOCALS

Mrs. D. C. Eiland and sons, David Chase and Clarence Allen, and Mrs. Sebern Jones and little son, Mike, were business visitors in Wichita Falls last Monday.

Barbara Lee Walker, little daughter of Dr. and Mrs. James N. Walker of Dallas, spent the week end here with her grandparents, Mr. and Mrs. G. R. Eiland.

Mr. and Mrs. Deaton Moorhouse of Seymour visited with friends here last Sunday.

Mrs. D. H. Davis visited with relatives and friends in Lamesa over the week end.

Ruddy Griffith, who is stationed at Sheppard Field, spent the week end here with Mrs. Griffith and with his parents, Mr. and Mrs. D. G. Griffith of the Sunset community.

Billie Bilderback, who is sta-

tioned at Fort Sill, Okla., visited here with his parents, Mr. and Mrs. Jack Bilderback, over the week end.

Pvt. Wayne Thompson of Sheppard Field, and Miss Eva Ruth Thompson of Wichita Falls visited

their parents, Mr. and Mrs. Luther Thompson over the week end.

Mr. and Mrs. W. E. Braly were visitors in Wichita Falls the first of this week.

Mrs. S. E. McStay left Tuesday

for Vernon for several days visit with her son and family, Mr. and Mrs. J. D. McStay and little son.

Mr. and Mrs. R. O. Dunkle of Benjamin were here Saturday, visiting with friends and attending the Future Farmers dairy show.

Your Government Says:

Enough food is wasted annually in the home to feed the larger part of our armed forces at home and abroad. This waste must be reduced by better meal planning, better food storage. If waste is cut down by one-third, we could add more than eight percent to our food supply.

Prescription Filled Over 15 Million Times

Recommended to do just two things: relieve constipation and gas on the stomach.

This successful prescription is now put up under the name of ADLERIKA. Get a bottle of Adlerika next time you stop at your druggist's and see for yourself how quickly gas is relieved and gentle but thorough bowel action follows. Good for old and young. Get Adlerika from your druggist today.

No Loss...

If you have hogs to kill, you need not fear spoilage in your meat if you bring it to our vault for curing.

Changes in the weather mean nothing, for our vault is kept at the same temperature at all times.

We have an adequate number of bins, and we can take care of a large quantity of meat. We assure you of a complete cure, and you will be well pleased with this method.

Your Ice Business Always Appreciated

Banner Ice Co.

"Banner Ice Service Pleases Everybody"
 G. B. HAMMETT, Local Mgr.

Thanks Friends

I take this means of expressing my sincere thanks to my friends and customers for the patronage given the Travis Jones Appliance Co. in the past several years.

We have tried to give you the best service possible under present conditions, and we assure you this service will be continued in every way possible. Dave Jetton will continue operating this business.

I am going into the armed forces around November 15, but the Travis Jones Appliance Co. will continue to take care of our present customers. I hope to return and continue my associations with my many friends after this conflict ends.

Sincerely,

Travis Jones

CLEAN your plate, Patty!

You and all other American boys and girls have a big part in the job of making the food our farmers are producing go just as far as it will in feeding our Army, our civilians, and in helping to feed many of our Allies. If you waste only one piece of bread a week, just imagine what a lot of food waste that would be if all the people in our country did the same.

This is why Mother wants you to be sure and eat all she serves you. If you want more, ask for seconds. With her gas refrigerator, Mother has a good place to keep left-overs for use in nourishing soups, stews, and special dishes.

LONE STAR GAS COMPANY

Xmas Mailing

Christmas parcels DURING NOVEMBER, we can handle a small volume of light, last-minute mailings, such as cards, up to December 10—but we can do that and avoid an emergency only if November is really 'Christmas Mailing Month.'

Postal officials pointed out that the volume of mail now is far above any previous records, that railway cars by the hundreds have been diverted to war service and that the air lines have only about half as many planes as they once operated.

More than two hundred thousand extra temporary employees normally are employed to help with the holiday postal rush. This year, the extra employees will be largely women and high school boys and girls who are unable to work the long hours usually required and whose work will be relatively slow. To deliver the Christmas mails on time, therefore, it is necessary that mailings be spread out over a longer period so that available transportation equipment and postal personnel can be used during more weeks. It will be utterly impossible to make the deliveries by Christmas if mailers wait until the last three weeks before the holiday, as in normal years.

There is another reason for shopping and mailing earlier than ever before. Retail stores are short-handed. Purchasers can avoid shopping in crowded stores, long waits for service, and other inconveniences of late shopping if they buy now. They will also doubtless have a better choice of merchandise than will be available later.

Postmaster General Walker observed that his warning is not an

THE SUNSET GLOW

Editor-in-chief Nelda Matthews
 Assistant Editor Bonnie Ely
 Senior Reporter Dwaine Russell
 Junior Reporter Billy Matthews
 Sophomore Reporter Weldon Walling
 Freshman Reporter Mary Lou Nelson
 Sponsor Miss Helen Albertson

Having been extra busy the first of last week the editors rather laid down on their jobs and failed to get in an issue of the paper. However, we will include in this issue the information concerning our school carnival which should have been in last week's issue.

The total amount taken in on our carnival was \$375.00.

We wish to sincerely thank everyone who helped in the smallest way to make our carnival a success.

Senior News

We had quite a busy week of it preparing for our carnival.

We had the stage exquisitely decorated in military style with each branch of the service represented by giant glittering insignias. If you were present, you already know of its superb beauty. The amount taken in on the queen's race amounted to \$164.59.

We were very sorry that our queen candidate did not win. We put up a good fight, however. The sophomores put up a better one and we wish to congratulate them

attempt to tell the public what to do; it is only an advance notification of what will happen if they mail late. He feels that the public is entitled to the facts, and that when they know them, they will decide to MAIL IN NOVEMBER.

on their splendid work.

Our style show was a riot. Everyone yelled with laughter. Really, it was quite comical to see our classmates and teachers appear on the stage as celebrities.

The senior class had an enjoyable party at the school house last Thursday night. Each member was allowed to invite a guest. We all had a grand time and as Mr. Wilson said, we behaved nicely....

Junior News

The junior class was well represented at the senior party the other night or at least that is what I heard. They seemed to have enjoyed themselves immensely.

Concerning the carnival, I think that everyone should know about the industrious juniors taking in about \$25.00 on the cake-walk. We think that this is pretty good. There were really some beautiful cakes and pies contributed for this and we wish to thank everyone who gave one because they were greatly appreciated.

We also sponsored a game room but we did not take in too great a sum on this venture although I'm sure it was no fault of ours....

We spent the biggest part of last week laboring over our history workbooks. Most of us got them in just before the deadline. However, a few were lagging.

We were sorry to report the loss of one of our pupils, Luther Baker, who is leaving for Dallas shortly.

Sophomore News

The Sophomore class won the queen race, and were we proud of our class working so hard (or did we work?) We were also very proud of our queen, Betty Nell Walker.

The Benjamin volley ball girls were our visitors Friday night. They really played a swell game. We won, however, much to our happiness. We hope to be able to return the game soon.

The Benjamin basketball boys played also, they are really fast, and the game was close for a while, but our boys won and that is all that counts.

Eighth Grade News

The eighth grade is still coming along fine as far as we all know. However, everytime we get back test papers some of us just naturally get in the dumps.

At the carnival we helped sponsor the Black Cat Inn along with Mrs. Hunter and Mrs. Shannon. It was a fine success and we made \$20.75 on it.

Seventh Grade News

We came out pretty good on the queen's race. We had \$17.00 in our bank. We didn't win but we ran a close race. We wish to congratulate the second grade queen who was crowned queen of grammar school.

This is the volley ball girl's week to play in the gym. We are learning rapidly how to serve and hit the ball over the net.

We are learning a new song in music. Its "A Trumpet Call of Spring." It has four parts and is a little difficult but we are learning it gradually.

Sixth Grade News

Patricia Johnson visited her grandparents in Oklahoma this week end. She brought back some pine cones and large acorns.

We have a new boy in our room today. His name is M. J. Fields

COTTON QUIZ

HOW DID MEXICAN COTTON-SEED FIRST ENTER THE U.S.?

ANS: IN TOY DOLLS! - MEXICAN LAWS WOULD NOT PERMIT THE SEED-AS SUCH- TO BE CARRIED OUT OF THE COUNTRY, BUT THERE WAS NO LAW PREVENTING THE STUFFING OF DOLLS WITH COTTONSEED!

One hundred pounds of scrap fats and oils can be converted to more than six pounds of glycerin, then to nearly 15 pounds of nitroglycerin.

A large optical company has turned over to the government its speedy machine method of grinding precision lenses. The machines eliminate the previous slow grinding of lenses by hand.

and he is from Muse, Oklahoma.

Jerry Dickens' sister, Coy, who is attending school at Wichita Falls visited home folks Saturday and Sunday.

Fourth and Fifth Grades

We have a new pupil in the Fifth grade. Her name is Dorothy Louise Melvin. Welcome to our class, Dorothy.

Gloria Michel's father and mother came home Saturday after visiting Antone Jungman, who is in a hospital at Santa Barbara, Calif.

Helen and Ellen Colvin came back to school after an absence of about three weeks.

Roy Dykes and Charles Parker went hunting Saturday and killed a rabbit.

Betty Baker's brother from Sheppard Field visited here Saturday.

D. B. Jones' little sister, Paula Jean, will soon be walking to school with him. She can take one step already.

Second and Third Grades

We are glad to have two new pupils, Leborn and Cleborn Fields, in the third grade.

We are very glad Elaine Nix is able to be back in school.

Joy's brother-in-law, Robert Speed, visited in her home over the week end.

We are glad that Jack and Joyce are back in school. They are glad to be out of the boll patch.

First Grade

The first grade sponsored a fish pond for the carnival which brought in \$9.46.

A total of \$16.48 was paid in on the first grade queen, Ruth Burton and her escort, Tommy Walling.

Doris Ann Hutchens of O'Brien visited Johnnie Marie Hutchens Sunday.

Nell Johnson visited her grandparents and an aunt in Oklahoma over the week end and brought back some little pine cones and both large and small acorns. An uncle came back with her.

Ruth Burton's sister, Jane, from Tech, Lubbock, spent the week end with her parents, Mr. and Mrs. Cecil Burton.

Mr. and Mrs. M. C. Hallmark and children of Fort Worth spent the week end with relatives and friends here.

Mrs. Weldon Warren and children, Dickie and Ann, of Plainview, are visiting Mrs. Warren's parents, Mr. and Mrs. Jim Morton of Goree, and with Mr. Warren's parents, Mr. and Mrs. S. J. Warren of Munday.

Mrs. Jerry Kane and little daughter, Jerrilyn, have returned from Waco, where they visited Jerry's parents and other relatives for several days.

Mr. and Mrs. Jack Idol and two sons of Benjamin were here last Saturday, visiting with friends and attending the F. F. A. dairy show. Mr. Idol was one of the judges of dairy cattle exhibited in the show.

Tax Collector-Assessor E. B. Sams of Benjamin was a business visitor here last Monday.

Sheriff L. C. Floyd of Benjamin was here Monday, visiting with friends and attending to official business.

STATIONED IN IOWA

Thomas J. Cloud, son of J. L. Cloud of Goree, has been transferred from the Amarillo Army Air Field to Iowa State Teachers College at Cedar Falls, Iowa, where he is taking special training for an officer in the cadets.

Mrs. Leonard Kuehler and baby daughter left this week for Los Angeles, Calif., where they will spend the winter. They made the trip from Dallas by plane.

Mrs. B. L. Melton, Jr., and son, B. L. III, have just returned from a visit with her husband, who is in the navy air corps and stationed at Memphis, Tenn. They are visiting Mr. Melton's parents, Mr. and Mrs. B. L. Melton of Goree.

Tom P. Frizzell, son of Dr. and Mrs. T. P. Frizzell, has recently been named division chief at Kemper Military School, Boonville, Mo.

Mr. and Mrs. J. C. Mills and children and Joy Garven of Aberrath visited in the home of Mr. and Mrs. T. L. Thompson over the week end.

BACK THE STATE GUARD!

Plenty of Turkeys

The civilian turkey supply, just starting to come on the market, will be almost as large as last year, according to the Department of Agriculture. However, this year's demand will probably be much larger and shoppers will be wise to put in orders early. Men and women on duty in the American armed forces, at home and

abroad, will be served a pound of turkey at dinner Thanksgiving Day and will have all the traditional "fixin's."

Mr. and Mrs. Grady Roberts of Haskell visited relatives and friends here last Saturday afternoon.

BACK THE STATE GUARD!

Hog Killing Time . .

We have everything for curing meat—plain sugar cure, smoked sugar cure, Diamond M meat salt, liquid smoke. We grind your sausage for only 1 cent per pound.

Pinto Beans We have a truck load of those big, easy cooking, Colorado mountain grown beans. Get your supply now!

Let us have your order for that Thanksgiving Turkey!

Feeds Hog supplement, concentrate for mixing your own poultry feed, bale alfalfa, soy bean meal, and just about any kind of feed you want. We have the largest stock of feeds in the country. Let us supply your needs.

We expect to have everything for your fruit cake in the next week or so!

This store is in O. P. O. Group 2. That means our prices are lower than O. P. A. Group 1.
