MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, NOVEMBER 9, 1944

NUMBER 20

County Supt. Lists Teachers Of Knox County

Merick McGaughy, county superintendent, last week announced the teachers who are teaching in the various schools of Knox county. They are as follows:

Munday Independent Schools:
W. C. Cunningham, supt., H. A. Owens, high school principal, Miss Toby Baird, elementary principal. Teachers: Mrs. G. S. Dowell, Mrs. R. B. Bowden, Mrs. Francis Baker, Lorain Sillman, G. S. Dowell, James H. Bardwell, Mrs. W. C. Cunningham, Thelma Atkinson, Lucy Stogner, Mrs. Winston Blacklock, Mrs. Jeroldine Thompson, Mrs. Maurice Blacklock, Mrs. H. A. Owens, Mrs. James Bardwell, Mrs. Amy Moore, Gale Reynolds, Colored school, Mrs. Mable Wellington.

Knox City Independent Schools:
T. E. Holcomb, supt., Carroll Graves, high school principal, Ruth Rice, elementary principal. Teachers: Mrs. Sammie Carpenter, Evelyn Hollis, Mrs. Louise Finley, Mrs. Claydene Steakley, Mrs. J. H. Krause, Mrs. Lloyd Hamilton, Trudy Haney, Maxine Cape, Mozelle Parsons.

Goree Independent Schools:
H. D. Arnold, supt., Mrs. J. W. Griffin, principal. Teachers: Mrs. A. V. Kemletz, Mrs. Barton Carl, Mrs. W. M. Taylor, Mrs. H. L. Moore, Mrs. Glorie Norris, Cleo Hailey, Mrs. J. W. Griffin, Mrs. H. D. Arnold.

Benjamin Common Dist. No. 1:
A. N. Boyd, supt., Loren Reynolds, principal. Teachers: Mrs. Francis Reynolds, Mrs. Ruth McGaughy, Mrs. N. N. Boyd, Mrs. Virginia Casey, Mrs. Ina Fern Gray, Mrs. Thetice Allen.

Hefner Common Dist. No. 5:
Mrs. A. W. Akins, principal. Mrs. Ava Thiebaud, elementary.

Rhineland Common Dist. No. 5:
W. J. Hagerty, supt. Teachers: Mrs. W. J. Hagerty, Alma Schumacher, Mrs. Georgeen Claus.

Union Grove Common Dist. No. 13:
Mrs. E. F. Branton, Mrs. Otis Cash.

Truscott Common Dist. No. 3:
Miss Lelah Jones, principal. Teachers: Mrs. Rebecca Bullion, Mrs. Adelaide Pippin.

Sunset Common Dist. No. 27:
R. I. McLeRoy, supt., F. L. Wilson, high school principal, Mrs. B. F. Shannon, elementary principal. Teachers: Edith Simmons, Mrs. R. I. McLeRoy, Mrs. Lelia Hunter, Mrs. F. L. Wilson, Mrs. Annie Morgan, Mrs. Alta Burton.

Vera Common School Dist. No. 28:
H. A. Erdmann, supt., Mrs. Beatrice Talbot, high school principal, James McGaughy, elementary principal. Teachers: Mrs. Thelma Bowdoin, Mrs. Maurine Parris, Mrs. Edith Russell, Mrs. Zella Erdmann, Mrs. Rosalena McMahon, Mrs. Lula Faye Tidwell.

Gilliland Common Dist. No. 29:
Clyde Kennamer, supt., Mrs. Oma Kennamer, principal. Teachers: Mrs. Pat Wyatt, W. E. Lowrance, D. A. Ross, Mrs. W. E. Lowrance, Mrs. Jewel Tankersley.

Brock Common Dist. No. 18:
Mrs. M. D. Hardwick.

Northwest Texas Conference Being Held At Sweetwater

The annual Northwest Texas Conference convened on Wednesday of this week at Sweetwater, and will continue through Sunday.

Every church in the area is being represented at the conference by pastors, district superintendents and church delegates and laymen.

Appointments for another year will be read during the closing sessions Sunday. Rev. Sam Young of Stamford, district superintendent, anticipates several changes in pastorates for this district.

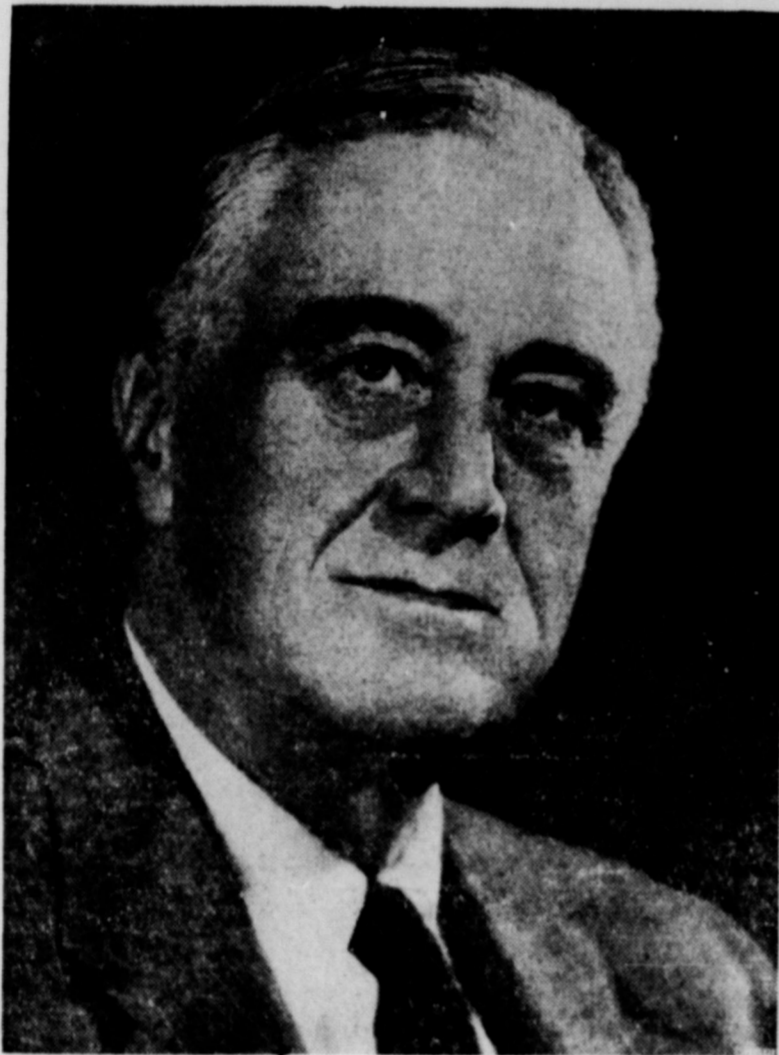

Rev. and Mrs. Luther Kirk left Wednesday morning for Sweetwater to attend the conference. M. F. Billingsley and Lee Haymes plan to leave either Friday or Saturday and attend the remaining sessions.

QUARTERLY CONFERENCE IS HELD SUNDAY NIGHT

Rev. Sam Young of Stamford, district superintendent, preached at the Munday Methodist church last Sunday night, after which he presided at the fourth quarterly conference of the church.

Reports from various officials of the church were heard, with the local charge turning in a good report for the year. All finance of the church have been met in full, and a substantial increase in membership was reported for the year.

"... And Achieve A Lasting Peace"

PRESIDENT ROOSEVELT

HARRY S. TRUMAN

"Let us unite to win the war and to achieve a lasting peace." These words were uttered by Franklin D. Roosevelt, President of the United States, Wednesday when returns of last Tuesday's election had been reported to show that he had been returned to office for a fourth term.

Tabulations of the returns showed the Democratic win added up like this late Wednesday: For Roosevelt—35 states with 413 electoral votes. For Dewey—14 states with 118 votes. The Democratic ticket went over by a landslide in Texas, despite the

split in the party resulting in a Texas Regulars Party's place on the ballot. Texas and the nation polled a tremendous vote for a general election. Knox county, also Roosevelt by an overwhelming majority, also polled a large vote. Incomplete re-

turns showed the county as follows: Democrats, 1268; Republicans, 87; Texas Regulars, 84. Munday polled a total of 540 votes in the two boxes, with 21 going Republican and 31 for Texas Regulars, the remainder being Democratic.

Knox Soldier Gets Award Of Combat Badge

With the Fifth Army, Italy.—Sergeant Jim Tomanek of Gilliland, Texas, has been cited by the 351st Infantry Regiment of the 88th "Blue Devil" Division and awarded the Combat Infantryman Badge for actual participation in combat against the enemy with Lieutenant General Mark W. Clark's Fifth Army in Italy.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

The handsome badge consists of a silver rifle set against a background of infantry blue, enclosed in a silver wreath.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

Tomy Ray Denham Wounded In Action

Word has been received here that Paratrooper Tomy Ray Denham was wounded in action somewhere in Holland on October 6, and was taken to England by plane for hospitalization. He was wounded in one of the lower limbs, just above the knee.

Dr. Chas. L. Farrington Tells Of Treatment Given Wounded Soldiers

The following is a letter from Major Charles L. Farrington, who is serving with the 96th Evacuation Hospital, somewhere in Europe and is being reprinted for what interest it holds for local people. The letter was written to his father-in-law:

Sunday, August 27th. Dear Skipper:

It's 4 a. m. and I've caught up with my surgery for the time being and I'm in Receiving. Had just scribbled a note to Sunshine when it occurred to me that I have never thanked you for the map you sent me. It is excellent—in fact too good, for it is too popular with the whole gang, and soon I'll be asking for another but I hope this one lasts until I can request one of the Low Countries and Germany.

When I said I was in Receiving, it occurred to me that you might like to know how our hospital functions. I assure you it is not the Carlisle way.

The patients are all brought in by ambulance from the front but they all have been seen already by at least one, and maybe two, medical officers. The first one checks the dressings that were applied by the Company Aid Red Cross men on the spot where the wound occurs—he reinforces but seldom changes a dressing. More plasma may be given. This is at the battalion aid station.

The ambulance pulls into our place and the stretchers are taken out by the ambulance driver and one of our Jerry prisoners at Receiving. Here all records are made and started, his diagnosis made and his valuables checked. From here he goes to either "Pre-Op" (pre-operative) or to "Shock." If the case is in Shock he goes to that service where he is given more plasma or blood along with the other stimulants until he is ready to be operated on. The doctors in Pre-Op and Shock send lists about every 20 or 30 minutes to the O R (Operating Room) giving the man's name, diagnosis, and the urgency of the case.

In the O R is a bulletin board where this list is kept, and you can choose your next case; but what happens is that the Sgt. there knows what kind of case each surgeon handles best and fastest, and he orders the case sent over (this is all done by phone) and the patient is waiting for you when you are through with the one on your operating table.

When I get hold of the man I check over where he was hurt, when he was hurt and what hit him. Usually by this time my anesthetic

Where To Apply For Items On The Rationed List

Some people are confused as to what agency they should contact to secure different items. For their benefit, Doyle G. Thomas, secretary Knox County A. C. A. has prepared a list of the different phases of work handled by the AAA office in Benjamin.

1. To secure tractor gasoline, application must be made to the County Farm Transportation Committee at the A. A. A. office.

2. To secure truck or pickup gasoline, application must be made to the County Farm Transportation Committee at the A. A. A. office.

3. To secure a stove apply to the O. P. A. Rationing Board.

4. For Protein feed apply to the county A. A. A. Committee at the AAA office.

5. To secure lumber for essential farm purposes apply to the county A. A. A. Committee at the AAA office or at your lumber dealer.

6. To secure Copper wire, apply to the county AAA Committee.

7. For Dairy Feed Payments submit your receipts to the county AAA Committee.

8. If terrace lines are needed, apply to the County Agent or the Soil Conservation Service. After the terraces are completed, notify the AAA office.

9. For an earthen dam or tank, contact the AAA office.

10. Grain bins are handled by the County AAA Committee.

11. For cotton loans apply to the lending agency or the County AAA Committee.

12. For wheat, grain sorghum, or sudan loans apply to the County AAA Committee.

13. For information on Army trucks or pickups contact the county committee or the AAA office.

14. For new trucks or pickups, apply to the dealer or the AAA office.

15. For information on other phases of the AAA Program, contact the county committee, county committee or the AAA office.

IN PHILIPPINES
Mrs. Lois Burns has received word from her husband, Cpl. Thomas E. Burns, who is with a cavalry division, stating that he is somewhere on the Philippines. This was the first news from him since the recent Philippine invasion. Burns is the son of Mr. and Mrs. John Burns of Munday.

Lamesa Man Visits Grave Of Ralph Tidwell

A Lamesa man who is serving in the U. S. Navy recently wrote Mrs. Buck Tidwell that he had just returned from the Normandy beachhead in France and had visited the grave of her son, Ralph L. Tidwell. A portion of his letter follows:

Lamesa, Texas, October 31, 1944. Mrs. Blanche Tidwell, Rt. 2, Munday, Texas.

Dear Mrs. Tidwell: I have just returned from the Normandy Beachhead in France, and while I was over there I visited the Allied Cemetery, and also the grave of your son, Ralph L. Tidwell. It is located upon a high hill, surrounded by pretty trees, near Bayux, France.

I was in France operating on the France Beachhead about three weeks after your son was killed. If there is anything you would like to know, I will be glad to hear from you, and tell you all I can.

I am in the Navy, and am now on furlough visiting my parents, Mr. and Mrs. Buck Phillips, Rt. 1, Lamesa, Texas, and will be here until about November 15th.

Not knowing your son, of course there is very little I can tell you, but I am just doing for you like I would like for some boy to do for my mother under such circumstances....

Earl Pawnee Phillips, Lamesa, Texas.

Funeral For George W. Moore Is Held Monday

Goree Pioneer Dies Of Heart Attack

The hearts of many Knox county people were saddened last Saturday when they learned of the death of George W. Moore, pioneer resident of this county. Mr. Moore died suddenly at the Hefner gin, where he was employed as a cotton classifier.

A native Texan, Mr. Moore was born in Wood county on January 5, 1878, and died at the age of 66 years, 9 months and 29 days. He moved to Jack county, Texas, with his parents in 1884.

He was married to Ida Martha Blount on October 12, 1899, and moved to Knox county in 1901, having lived in Goree since 1906.

Mr. Moore professed faith in Christ some 30 years ago, and joined the First Baptist church of Goree.

His wife preceded him in death, having passed away on September 13, 1944. Surviving him are three children: Austin Moore, John W. Moore and Mrs. Lolabel Johnson; a granddaughter, Dortha Marie Moore; two brothers, W. M. Moore of Wichita Falls and Louis Moore of Dallas, and a sister, Mrs. Clementine Bailey of Bryson.

Funeral services were held from the family residence in Goree last Monday afternoon, conducted by Rev. S. E. Stevenson and Rev. J. Waid Griffin. Burial was beside his wife in Goree cemetery.

Truscott Wins In Achievement Day Exhibits

The achievement day events held by the Home Demonstration Club women of the county last Friday in the assembly room in Benjamin was a big success. The nine clubs each had a booth, and the phases of work carried on this year were exhibited.

Mrs. Centers, Hardeman county agent; Miss Elliott, Foard county agent, and Miss Williard, Baylor county agent, were the judges. Ribbons were given on booth, clothing and handwork, home improvement and foods. The winning clubs are:

Booth—Truscott, first; Union Grove, second; Benjamin, third.

Clothing and Handwork—Truscott, first; Benjamin, second, and Union Grove, third.

Home Improvement—Truscott, first; Benjamin, second, and Gilliland, third.

Foods—Union Grove, first; Gilliland, second, and Truscott, third.

After hearing reports of their 4-H Club work, the women voted for Johnnie Jackson of Vera as the Gold Star club girl of the county.

Mrs. R. M. Almanode, Sunset, was elected secretary-treasurer of the council for 1945.

The women, under the leadership of Miss Lucile King, can be proud of the work done this year, and are looking forward to a better 1945.

Post Office And Local Bank To Close Armistice Day

Two Munday firms will observe the Armistice Day of World War I, which falls on next Saturday.

Lee Haymes, postmaster, announced Wednesday that the Munday post office had been authorized to observe Saturday as a holiday. The post office will be closed all day, and all those having business to transact there are urged to do so earlier in the week.

It was also announced that the First National Bank of Munday will also be closed on Saturday. The bank usually observes such holidays as are observed by the clearing houses, since no business can be transacted with them on such dates.

Other business firms have decided to continue business as usual, remaining open both Saturday and Monday.

VERA BOY IS HOME FROM FOREIGN SERVICE

S/Sgt. Elmer D. Richards, returning from 17 months overseas in the Central Pacific theatre of operations, is expected to arrive at Fort Sam Houston on November 12, prior to reaching his home at Vera.

Richards will visit his wife, Mrs. Elmer D. Richards, and other relatives.

MUNDAY CLUB TO HOLD BAKE SALE

The Munday Home Demonstration Club will hold a bake sale in the city hall on Saturday, November 11. Included in this sale will be cakes, pies, dressed fryers, dressed hens, sandwiches, eggs and butter. Everyone is urged to attend this sale and patronize these ladies.

METHODIST LADIES TO HOLD RUMMAGE SALE

Ladies of the Methodist Missionary Society will hold a rummage sale on Saturday, November 11, at the Masonic building. Doors will be opened at 9 a. m.

All members and others who wish are urged to cooperate in every way possible. Proceeds from the sale will go into a fund for repair work on the Methodist parsonage.

Goree Boy Soon To Return Home

Mr. and Mrs. W. E. Blankenship were made happy last Thursday when they received a message from their son, Tuck, who has been serving in the Southwest Pacific for 20 months.

Tuck wired the family again Sunday from Mary's Island, saying that he would be home within the next few days.

Blankenship was wounded in line of duty on November 2, 1943.

Keep Up With Rationing

RATION REMINDERS

MEATS, FATS — Red stamps AS through Z8 and A5 through P5, good indefinitely. The four red stamps validated October 25 totaling 40 red points will have to last for at least a 5-week period. No new red stamps until December 3.

PROCESSED FOODS — Blue stamps AS through Z8 and A5 through W5, good indefinitely. No new stamps until December 1.

SHOES — Airplane stamps 1 and 2 and 3 good indefinitely.

GASOLINE — In 17 East Coast States, A-11 coupons, good through November 8. In states outside the East Coast area, A-13 coupons in new "A" book, good through December 21.

SUGAR — Sugar stamps 30, 31, 32, and 33 each good for five pounds indefinitely. Sugar stamp 40 good for five pounds of canning sugar through February, next year.

FUEL OIL — Period 4 and 5 coupons, good throughout coming heating year.

What a Man Does For Himself Dies With Him—
 but He Does For His Community Lives On and On

NOTHING TO YAWN ABOUT

Annual fire losses are climbing steadily toward the half-billion-dollar mark. Losses in the twelve months ended with September 30, are estimated at \$417,848,000. This is a step-up of some \$63,000,000 over the comparative period in 1943.

These figures in themselves mean little. But if 500 million dollars worth of property—homes, factories, and an endless array of personal effects, with 10,000 persons thrown on the pile for good measure, were lined up en masse and turned into one huge bonfire, while the people of the United States looked on, a gasp of horror would be uttered that could be heard in the next hemisphere. As it is, we look at the figures and yawn!

Of course, the knowledge that thousands of people are burned or smothered to death by fire each year, sends a slight shudder through a few of us. However, the majority of people have yet to learn the meaning of caution where fire is concerned. Though we may think we are cautious, there is hardly a home in the country that does not contain obvious, easily eliminated fire hazards. Refuse in the cellar and attic, faulty or improvised wiring, improperly installed heating devices, carelessly stored inflammable cleaning fluids, gas and oily rags—is your home free of all these menaces? It should be before you can justifiably feel you are doing your part to prevent fire.

Fire prevention authorities work to pound home one great truth about fire. Prevention starts with the individual. The effectiveness of the most elaborate, scientific extinguishing equipment in existence, is slight compared with the potential fire prevention accomplishments attainable if the individual would only awake to his responsibility.

Think! Will you contribute to the nation's shame by your carelessness?

A MAGNIFICENT FAILURE

After bucking a head wind for eight and a half hours, the Handley-Page, bound from New York to Chicago, non-stop, was forced down in a farm meadow, with a frozen water line, several hundred miles short of its objective. And so ended the first air express experiment on a bleak fall day in 1919. The cargo continued by train.

The twenty-fifth anniversary of the foregoing incident, marking the beginning of air express, is being celebrated this November. The Handley-Page was a cumbersome, four-motored ex-bomber—a "crate" of the worst kind, measured by today's standards. Yet the fact that the experiment was tried shows the pioneering instinct inherent in the American people. The comment of an official of the Express Agency at the time of the attempt, is prophetic: "The attempted flight of the Handley-Page shows the necessity for aviation maps which do not now exist; for proper starting and landing fields; and for a proper type of commercial machine which will have a revenue-load lifting capacity of a sufficient amount to make it worth while, without sacrificing the necessary speed. All of these things will come, and the day when we shall have regularly established airplane service between New York and Chicago and many other points throughout the country, is near at hand. We are in no way discouraged by the fact that the first attempt did not succeed."

"All of these things" have come. Unified air express covering our nation and many foreign countries, now carries millions of pounds annually on scheduled flights.

A NATION HUMILIATED

Labor boss Petrillo, head of the American Federation of Musicians, for reasons of his own, banned the making of phonograph records and transcriptions. The American public and the armed forces are denied the pleasure of recorded music, by this arbitrary order.

In the words of the New York Times: "To find out how this situation came about, one has merely to review the labor laws which the Congress has put upon the books and the laws and amendments that the Administration has opposed, together with the interpretation of the existing laws by the Supreme Court. The plain truth is that the powers exercised by Mr. Petrillo are powers conferred upon him by acts of Congress as interpreted by the Supreme Court. Congress has made it illegal for employers to discourage membership in a labor union, but has refused to make it illegal for unions to coerce workers into membership. Congress, according to the Supreme Court, has granted sweeping immunities to labor unions under the antitrust acts, the anti-conspiracy acts and even the anti-racketeering acts. These immunities are simply go-ahead signals to unions to commit acts that would be illegal if committed by anyone else."

CRITICS SEVENTY YEARS LATE

Ironically, the doctors, who have been criticized without mercy by "liberals" for not being more progressive in expanding medical service, are far in advance of their critics in important aspects.

"For many years," says Doctor John H. Fitzgibbon, chairman, Council on Medical Service and Public Relations, American Medical Association, "the medical profession of this country has urged the establishment of an agency of Federal government under which shall be coordinated and administered all medical and health functions of the Federal government, exclusive of those of the Army and Navy. Since 1875, the American Medical Association has urged the establishment of this agency. Surely the health of the people of this country is of sufficient importance to justify this step. The creation of such an agency with a secretary of cabinet rank and a commission including an adequate number of competent, experienced physicians, would do more to accomplish unity of purpose and execution than anything I can think of. Is there any logical reason why this change should not be consummated? An agency of this kind, devoting its entire energies to one large problem... would certainly be the first step in a constructive program. Why has this reorganization of Federal health functions been delayed? After advocating this measure for 69 years, I believe that it is now time for the medical profession to do something about it."

Here is a case where the critics are 70 years behind the doctors!

ARE WE IN FOR TROUBLE?

A leading banking institution observes that the test of our ability to recover from the war will be our capacity to produce and distribute goods. And in doing that "the essential thing is to find the equilibrium in costs and prices which will promote trade, and not block readjustment of arbitrary intervention."

During the war, production has been maintained with little thought of cost. As industry moves into competitive peacetime activity subject to the normal laws of supply and demand, cost will become a ruling factor. It will take ingenuity to make the readjustment, and since distribution is a critical phase of the problem, the retail merchants will play a leading role.

Already retailers have been consulting with manufacturers on steps to be taken to help insure price levels that will move things sorely needed by millions of consumers, through regular distributive channels in an ever-growing flood. The fear of some of the Washington regulators that producers and distributors may have a tendency to resort to the anachronism of charging all the traffic will bear after the war, is not logical. On the whole, industry of today must maintain reasonable prices or it cannot operate successfully.

The chain stores are typical of modern industry. Their existence depends on a tremendous volume of sales at a very small unit profit. Prices are held to an absolute minimum in order not to impair volume. High prices and low volume would spell doom for the chains, just as it would for the whole twentieth century system of mass production and distribution.

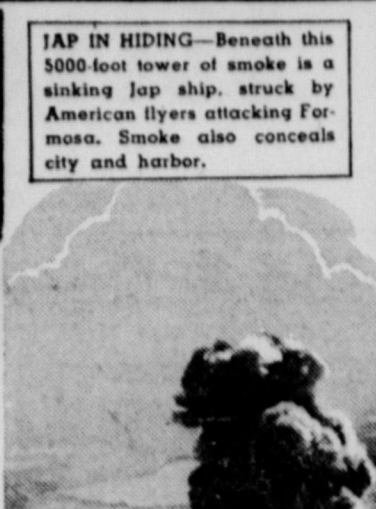

If the regulators intend to set up a permanent price control system on the obsolete theory that industry is going to look for excuses to boost prices after the war, the country is in for trouble. The very thing we are warned against will happen. A return to a normal equilibrium in costs and prices that will promote trade will be blocked by arbitrary intervention.

Time was when mother saved her wedding dress for her daughter. Now she saves it for her next wedding.

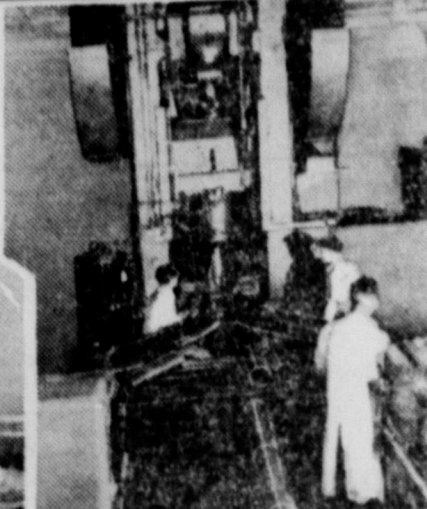

In The WEEK'S NEWS

EVERY INCH A CHAMPION
 —Arthur H. Davies, of the Gaines Research Kennels, Ridgetield, Conn., presents Pointer Champion Aristocrat's Fashion Plate to actress Constance Bennett, chairman of the New York City committee, during National Dog Week observance at Rockefeller Center. Sixty-five champions, representing as many breeds, participated in the parade.

JAP IN HIDING—Beneath this 5000-foot tower of smoke is a sinking Jap ship, struck by American flyers attacking Formosa. Smoke also conceals city and harbor.

"NOSING" SHELLS—This big 350-ton press at the Fisher Body's Grand Rapids Stamping Division shapes the noses on 155mm shells. Production of artillery shells started at this General Motors unit four months after plant received Federal go-ahead.

HOW DO YOU VOTE?—Clothes don't make the man, but woe-woe how they make a woman! In the center, above, are a couple of the Wellesley College girls who currently have the town lathers of Wellesley, Mass., tearing their official hair. Frances Rafferty, above star on the left, seems to bolster the town lathers' side of the argument, and Jane Wyman, curvaceous Hollywood lass modelling a 1945 bathing suit, clinches it. The dungeons and windblown shirt-tails seem to have lost the decision!

Gems Of Thought

CHEERFULNESS
 Between levity and cheerfulness there is a wide distinction; the mind that is most open to the former is frequently a stranger to the latter.—Blair.

The highest wisdom is continual cheerfulness; such a state, like the region above the moon, is always clear and serene.—Montaigne.

If good people would but make their goodness agreeable, and smile instead of frowning in their virtue, how many would they win to the good cause.—Usher.

He who sees most clearly and enlightens other minds most readily keeps his own lamp trimmed and burning.—Mary Baker Eddy.

Cheerfulness keeps up a kind of daylight in the mind, filling it with a steady and perpetual serenity.—Addison.

A laugh, to be joyous, must flow from a joyous heart, for without kindness there can be no true joy.—Carlyle.

No fier is considered an ace until he has downed five planes.

Legal Notices

We, the subscribers, have this day entered into a limited partnership according to the provision of the Revised Statutes, Title 165, relating to limited partnership, and do hereby certify that the name of the firm under which said partnership is to be conducted is B. A. Yarbrough Wholesale Tobacco; that the general nature of the business to be transacted is the buying and selling of merchandise, and the same will be transacted in the city of Munday; that the name of the general partner of the said firm is H. C. Hughes, of Munday, County of Knox, State of Texas, and the special partners are Leland Hannah and A. L. Smith, of Munday, County of Knox, and State of Texas; that the capital contributed by the said Leland Hannah and A. L. Smith, special partners, is Twenty-five hundred dollars each in cash; that the period at which said partnership is to commence is the 29th day of September, A. D. 1944, and that it will terminate on the 29th day of September, A. D. 1955.

Given under my hand and seal of said Court, at office in Benjamin, Texas, this 25th day of October, A. D. 1944.

municipal corporations, as Plaintiff, and The State of Texas and Knox County, a taxing sub-division, and J. M. Shipman, E. P. Miller, and J. S. Foster, and their unknown heirs, as Defendants.

The nature of said suit being substantially as follows, to-wit: Being a suit to foreclose delinquent taxes for the years of 1931 to and including 1943, upon the following described property, to-wit: Lots 3, 4, 7, 8, in Block 1, Lots 5, 6, 7, and 8, in Block 2, Lots 1, 2, 3, and 4, in Block 3, all of Blocks 5 and 6, all in the Bullington Addition to the town of Munday, in Knox County, Texas, which Taxes will aggregate of taxes, penalty and interest the sum of \$600.00.

Issued this the 25th day of October, 1944.

Given under my hand and seal of said Court, at office in Benjamin, Texas, this 25th day of October, A. D. 1944.

19-4tc. LEE COFFMAN, Clerk, District Court, Knox County, Texas.

ALL LIVESTOCK ARE IN GOOD CONDITION
 College Station — Texas livestock continued to be in generally good condition on the week ending October 23, according to a report by the Bureau of Agricultural Economics cooperating with the A. and M. College Extension Service. Ample range feeds were in prospect for most parts of the state. Brisk portion of cows, cattle and calves prevailed, featured by a heavy volume of calves and a large proportion of cows. Cattle and calves continued to move into small grain pastures in the Panhandle. Marketings of sheep and lambs were moderate, with feeder demand light, but the movement of hogs was slow in spite of an active market. Outbreaks of "sleeping sickness," in eastern and coastal sections were checked by preventive measures, the report said.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. Goree News Items

Dorris Ruth Stevenson attended the 3-day Baptist student convention which was held in Abilene last week. This was an event that had been planned a year ahead by the Baptist people and was well attended by many speakers and workers from different sections of the state.

Mrs. Opal Johnson is on the sick list, suffering from an attack of pneumonia. She is reported somewhat improved at this time.

Charles Johnson, who is stationed at Lexington, Ky., arrived by plane Monday morning in order to attend the funeral of his wife's father, George W. Moore, who died suddenly last Saturday, succumbing to a heart attack.

Among those who attended the worker's meeting last week were Mrs. Lucy Coursey, Mrs. Betty Spain and Mrs. S. E. Stevenson.

Mrs. D. A. Bowles of Bomarton and Mrs. A. H. Golden of Seymour attended the funeral of G. W. Moore here Monday afternoon.

Mrs. Lucy Coursey and Wade Coursey, B. M. 1/c, are visiting relatives at Baton Rouge, La., and other points before Wade's return to the hospital for further hospitalization.

Naomi and Jack Hampton are on the sick list.

Mrs. Ben Williams has returned from Weatherford, where she has been attending the bedside of a sister who is seriously ill.

Mrs. R. M. Stevenson of Munday was a visitor with her son and family, Rev. and Mrs. S. E. Stevenson, recently. She is one of the earliest pioneers of this section.

Mr. and Mrs. Deaton Green of

Seymour attended the funeral of G. W. Moore last Monday.

Mr. and Mrs. Herbert Peek of San Diego, Calif., have returned to their home after a visit with relatives here.

Mrs. S. J. Bailey of Quanah was a visitor here last week in the home of her sister and husband, Rev. and Mrs. P. T. Johnson. She came at this time to attend the bedside of Mrs. Johnson, who has been ill. Mrs. Johnson is improved, and she and Rev. Johnson left Friday for Dallas where she is receiving medical treatment, while they are also visiting relatives in Dallas.

John Goode was a business visitor in Fort Worth last week.

Pfc. Norvel Howery, who has served 19 months overseas and is now stationed at Fort Benning, Ga., is here to spend a furlough with his parents, Mr. and Mrs. L. N. Howery, and with other relatives.

Mr. and Mrs. Murphy Pennington went to Wichita Falls last Friday and brought Mr. Pennington's father home from the clinic hospital, where he underwent surgery. He is reported improved.

Mr. and Mrs. W. R. Caldwell were visitors with their son and family, Mr. and Mrs. Raymond Caldwell of Wichita Falls, several days last week.

Mrs. L. M. Tucker of Bomarton was a visitor with her parents, Mr. and Mrs. W. R. Caldwell, last Thursday.

Mrs. Eva Dell Roberts and son of Wichita Falls were recent visitors here with Mrs. Roberts' parents, and with other relatives.

People, Spots In The News

THEY WHO SERVE—While son, Sgt. J. R. Snell, lived near starvation for 15 months as prisoner of Japs on Bataan, and 10 more months in Philippine jungles before making good his escape, Charles Snell, foreman of A&P canning plant in Brockport, N.Y., worked to see that other soldiers were provided ample food. Sgt. Snell, wearer of two presidential citations, is shown pinning War Food Administration's "A" award on father's coat lapel at official ceremony honoring plant and its employes.

PUPPY LOVE—Judy Baker, three, of Pittsburgh, hugs her Spaniel in a pet show.

YANK 'SECRET WEAPON'—U. S. Army Engineers are shown with their newest 'secret weapon', the V-13, which is a plain street car. Army Engineers loaded it with ammunition and sent it rolling down hill into Aachen. From left to right, they are: Lt. William F. Rule, Elyria, O.; Maj. Martin F. Massoglias, Laurium, Mich.; and Lt. George W. Chalfont, Maywood, Ill.

an officers' training school. Those who received jackets were: Carl Taylor, Glenn Dunkle, Joe Ben Qualls, Nolan Parker, Bobby Pyatt, Charles Hertel, Calvin Brown, Charles Snailum, and Mr. Reynolds. Mr. Reynolds was surprised when everyone had received their jackets. Mr. Boyd gave him his. He hadn't the slightest idea of getting one.

Our officials for the game were Billy Gene Johnston, and Kenneth Johnston of O'Brien. Everyone on both sides were pleased at the way the game was called.

LOCALS

Mr. and Mrs. W. F. Pendleton of Dallas and R. E. Phillips of Farmersville spent the week end here, visiting in the home of Mr. and Mrs. H. A. Pendleton.

Mrs. J. S. Kendall of Austin and her mother, Mrs. C. C. Smith of Wichita Falls, visited with friends here over the week end.

Mrs. E. C. Henry returned to her home in Floydada last Friday after several weeks' visit here with her daughter and family, Mr. and Mrs. C. P. Baker.

Miss Maxie Dingus of Fort Worth visited her parents, Mr. and Mrs. G. W. Dingus, over the week end.

Mr. and Mrs. J. Dee McStay and little son, John Dee, of Vernon

spent last Thursday here, visiting with Mr. McStay's parents, Mr. and Mrs. S. E. McStay, and attending to business matters.

Miss Dixie Atkeison of Dallas visited her parents, Mr. and Mrs. R. D. Atkeison, and other relatives here over the week end.

Mrs. M. B. Caughran of Lubbock spent the week end with relatives and friends here.

Mrs. W. M. Mayo was a business visitor in Wichita Falls last Monday.

Mr. and Mrs. Gene Tonn of Haskell visited with Mrs. Tonn's parents, Mr. and Mrs. O. W. Lee last Sunday.

Sgt. and Mrs. Doyle Hughes and baby came in last week from Camp Polk, La., where Doyle is stationed, to spend a furlough with relatives and friends in this county.

Mrs. Lois Burns took her son, Bobby Gene, to Fort Worth for medical treatment last week. They returned home on Wednesday of last week.

There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newspaper paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newspaper.

Distribution for the present will be made from drug stores and newsstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we're making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

The Dallas Morning News

ALL VICTORY GARDENS SHOULD BE CONTINUED

College Station — The War Food Administration is encouraging the continuance of present Victory Garden organizations regardless of the course of the war. These volunteer organizations says WFA in a statement received by the A. and M. College Extension Service, "have played an important part in the success of the Victory garden program."

Home gardens have freed thousands of tons of fresh and canned fruit and vegetables for the armed forces, and have saved transport services and processing facilities, the statement continues.

"While it is not planned to set

a definite goal for Victory gardens in 1945," WFA explains, "every farm should have a garden large enough to produce vegetables needed for the family supply in fresh and preserved form. An abundant supply of fresh fruits and vegetables will be just as necessary for a healthy diet in peace as in war. Furthermore, many town, city and suburban families with fertile, sunny garden available or have access to a plot will want to continue having a garden. Regardless of when the war ends there always will be needed for an abundant supply of fresh fruits and vegetables."

Mr. and Mrs. Tom Haney and daughter, LaVerne, of Wichita Falls spent last Sunday here with

Mr. Haney's parents, Mr. and Mrs. G. W. Haney, and with other relatives and friends.

Miss Juanice Jones of Wichita Falls spent the week end with her parents, Mr. and Mrs. C. C. Jones.

Mr. and Mrs. Alvin Floyd of Abilene visited with relatives and friends here over the week end.

Mr. and Mrs. J. J. Keel and daughter, Leona, visited in the home of Mr. and Mrs. Dewey McDonald of Tahoka several days last week.

Mr. and Mrs. G. R. Eiland visited with relatives in Dallas over the week end.

Senior News

One more week has passed in the life of the Seniors and one more week toward six weeks exams. These tests come too quick for anyone to study for them. The Seniors have finally found a way of making money. Soda-pops are quite popular at ball games. Speaking of ball games, the Seniors seem all pepped up over that last basketball game, especially the boys. We certainly are proud of those Jackets. We thought we would never get them.

Something is getting wrong with the boys and girls of B. H. S. There hasn't been a "bust-up" in a mighty long time. I can't imagine why everyone is in such a good humor.

Senior Life

Margaret Bell was born in Seymour on July 22, 1927. She has black hair, blue eyes, red fingernails, and is very dark complected. To us she is just "Blackie." Popular—gosh I should say so although she can't go for others (boys I mean) because she has one of her own roped off.

"Blackie's" favorites are:
Color: Red.
Teacher: Mr. Boyd.
Past-time: Going to the show.
Sport: Tennis.
Boy: Charles Hertel.
Saying: Golly-ee.

Junior News

The Junior class has been very busy the past few weeks. For our queen's race we were able to get a bale of cotton, so now we have to pull it. Boy! what a job. Most of the Juniors have never pulled bolls, so they think it is fun. At least they have fun trying.

It seems that the second six weeks isn't far off and all of us are looking forward to some better grades this time.

Sophomore News

Mary Escobar has been making

See—

"THE MASTER RACE"
Sunday and Monday
The Roxy Theatre

the highest grades in the Sophomore class. In Speech we have been making quite a few speeches lately. In History we have been having unit tests.

We all are studying hard again because it is just two more weeks until six weeks tests. We hope that our basketball boys do as good on their next game as they did on this one, and we are proud to say that four of the Junior team come from the Sophomore class.

Freshmen News

The Freshmen have been having a few tests along to see just what we have kept on our minds lately. Our lessons haven't been there so you can imagine what kinds of grades we are making. English and Junior Business are the harder for the class and we have got to get our minds on them instead of other things, but nobody seems to be passing these days so we aren't out of style.

Sports

Last Friday night was the big night. The Mustangs met the Goree Wildcats at the Benjamin gym. The Juniors played the first game and it was a very good one. The score was 7 to 5 in the Mustangs favor. It seems as if the Junior team also have a good prospect for a good team this year also.

The Senior team was just a little shaky Friday night when they saw the Goree team, but that soon passed. Goree got the tip off but didn't make a goal. At the end of the first quarter they were leading us with a score of 4 and 2. But after the first quarter one of our guards, Joe Ben Qualls, got started. By the end of the game he had made 7 field goals. Everyone played a nice game though. The score was 33 to 17 in the Mustangs favor.

Friday morning our basketball award jackets came in. Everyone was so excited they could hardly wait to get them. That night before the game Mr. Boyd gave them to us. Everyone of the last year's players was there except one. This was Calvin Brown, who is now in

Helen Albertson, Ens. T. R. Havins Marry In Dallas

Miss Helen Albertson, daughter of Rev. and Mrs. W. H. Albertson, was married to Ensign T. R. Havins Jr., son of Captain and Mrs. T. R. Havins, Sr., of Brownwood, on Tuesday evening, November 1, at eight o'clock in the First Baptist church of Dallas.

The bride's father read the marriage ceremony and only members of the immediate families attended the wedding.

Mrs. Havins was a very popular member of the younger set here having attended the local high school and later attended Howard Payne College in Brownwood where she was a beauty and was also very popular there. Before her marriage she was employed by the West Texas Utilities Co. of this city.

Ensign Havins attended Howard Payne College and did graduate work at the College of Mines in El Paso. Being twice commissioned in the Navy, once in the Navy and now in the Naval Air Corps.

After a short wedding trip the couple will be at home in Pensacola, Florida, where Ensign Havins is stationed.

Ina Bell Sanders, Quinten Davis Are Married In Dallas

Miss Ida Bell Sanders became the bride of Mr. Quinten Davis on Sunday, October 29, in the home of the bride's sister, Mrs. Opal Tipton of Dallas.

Mrs. Davis is the daughter of Mr. and Mrs. J. W. Sanders of Goree. She was formerly employed at the Lockheed Corporation in Dallas. For the past year she has been attending Texas University at Austin.

Mr. Davis is chief inspector and supervisor in the Lockheed Corporation at Dallas.

The couple spent several days in Goree, visiting with the bride's parents.

Wives Of Service Men Entertained In Fowler Home

A luncheon was given last Sunday in the home of Mr. and Mrs. J. W. Fowler of Goree, honoring the wives of men who are in the various branches of the service, on foreign soil.

The ladies assembled at the First Baptist church for the 11 o'clock service, and were recognized in a body. After the church service, they went to the Fowler home, where plans had been made to entertain this group of women who are anxiously waiting for victory day.

The home was decorated with the season's flowers, and the table was covered with a cloth of lace. A luncheon course was served to the following:

Mmes. Sibyl S. Carter, Hazel Shelton, Virginia Earl Pruitt, Ethelda V. McConnell, Jerry Peck, Minta Pollan, Lila Suggs, Mildred Runnels, Betty Spain, Retta Jo Cunningham and Luanna Oliver.

Miss Mozelle Vandiver and Miss Dimple Peck assisted the hostess.

After the luncheon, pictures were made to send to the husbands in far away lands. The guests then presented Mrs. Fowler with a beautiful necklace in appreciation of the day of pleasure.

Munday H. D. Club Meets Wednesday; Business Session

The Munday Home Demonstration Club met on Wednesday, Nov. 8, with the president, Mrs. Frank Bowley, in charge.

A short business session was held, and the remainder of the afternoon was spent doing handwork. The following ladies were present:

Mmes. Frank Bowley, R. E. Foshee, Joe Patterson, J. C. Gollehon, G. L. Conwell, Earl Pruitt and J. B. King.

Publisher C. W. Moss of the Knox County Herald, Knox City, was a business visitor here last Friday.

First Lady of New Hampshire

—Photo by Wynn Richards

Mrs. Robert O. Blood, wife of the Governor of New Hampshire, will be featured in the November presentation of the American cotton industry's "First Lady" portrait series, her picture appearing in Harper's Bazaar. Photographed in the Governor's home at Concord, Mrs. Blood is shown with her grand-niece, Bonnie Green, who wears a party dress of pink dotted swiss. For the portrait, Mrs. Blood selected an aqua blue gown of Jacquard-woven damaska, designed especially for her by Josef Walker. The hip-length overblouse worn by Mrs. Blood has coin-sized black sequins as decoration. "I always enjoy adding cotton dresses to my wardrobe," Mrs. Blood commented. "They have so much individuality." The portrait is the twenty-first in the series sponsored by the National Cotton Council and Cotton-Textile Institute.

Miss Janie Spann Entertains Girls Circle Monday

The Girls' Circle of the Methodist church held their regular meeting last Monday night in the home of Janie Spann.

After some songs were sung, a very interesting discussion on missions was led by Mary Tom Kirk and the hostess. The circle then presented Mrs. Kirk with a lovely gift.

At the conclusion of the program, all the girls retired to the kitchen and made several kinds of candy.

Those enjoying the social were Mary Tom Kirk, Elma Lowe, Mozelle Ford, Jean Ratliff, Louise Gafford, Evelyn McGraw, Mavoureen Thompson, Junorose Salem, Helen Haymes, Janie Spann, Mrs. Kirk and Mrs. Spann.

Walter Skiles was a business visitor in Stamford last Tuesday morning. He was accompanied home by his sister, Mrs. Floyd Isbell, who is spending several days in the Skiles home.

Methodist W.S.C.S. Has Its Regular Meeting Monday

The Methodist W. S. C. S. held its monthly social last Monday in the home of Mrs. S. A. Bowden, with Mmes. G. W. Dingus and Worth Gafford as co-hostesses.

Mrs. Luther Kirk was given a very lovely corsage upon her arrival. It was a gift from her Sunday school class and was presented by Mrs. Oates Gloden. Mrs. Travis Lee was in charge of the program, the topic being "The Deaconess in a Strange Land." Mrs. J. C. Harpham gave a very interesting devotional, and at the close of the program Mrs. P. V. Williams presented Mrs. Kirk with a beautiful farewell gift from the W. S. C. S.

Mrs. S. E. McStay, president, was given a life membership pin in the society. A social hour followed the program. The following members were present:

Mmes. W. A. Baker, P. V. Williams, S. E. McStay, H. A. Pendleton, J. C. Harpham, Travis Lee, Joe Roberts, W. T. Ford, Luther Kirk, Lee Haymes, Oates Golden, G. W. Dingus, C. H. Giddings, M. F. Billingsley, J. C. Borden, C. H. Thompson, Gill Wyatt, J. C. Caughran, W. W. McCarty, Oscar Spann, S. A. Bowden, Worth Gafford and Miss Shelly Lee.

Munday School—

Freshmen News

Well! Well! The Queen's race closed last Tuesday at noon. And it ended with a "hang" because the Freshman class won. Our queen, Charlotte Anne Williams was crowned "Queen of Munday High School," Tuesday night at the carnival, by the King, Donald Waheed. This is the first time in the history of carnivals in Munday that a Freshman has won the honor of being crowned queen. This is also the most money ever turned in by anyone class as far as we can find out. The amount being \$340.80. So you see we have a right to be proud of the work that our class has done.

Our class would like to say, "Thanks" to the many people who helped us in any way. Especially do we appreciate the work of our sponsors, Mr. Cunningham and Mrs. Bowden, and our room mothers.

To express our appreciation to the farmers who gave us cotton. We are donating \$25.00 to help build a community shop, which is to be in the old school building.

Our class learned the value of cooperation—which is a good thing for any group to know.

Miss Gwendolyn Groves, who is in cadet nurse's training in Wichita Falls, spent the week end with her parents, Mr. and Mrs. Dan Groves.

WOMEN IN '40'S
Do You Hate NOT FLASHES?
If you suffer from hot flashes, feel weak, nervous, a bit blue at times—all due to the functional "middle-age" period peculiar to women—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Made especially for women—if helps nature! Follow label directions.
LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Seymour And Stamford Leading In 11-A District Gridiron Race

Stamford and Seymour are leading the pack unbeaten and untied in District 11-A play, but each faces a real trial horse before the two teams clash on Nov. 24 in the final game of the conference campaign.

Stamford, idle last week, gets its big test this week end against the tough Anson Tigers. The game will be played at Anson Friday night.

Seymour's toughest assignment prior to the finale will be against Haskell on Nov. 17.

Seymour beat Anson, 6-0, last week in the feature game of the district play. The victory was pulled from the fire in the last 30 seconds on a long pass.

Haskell downed Albany, 13-6, and Hamlin ran roughshod over Munday, 41-0.

Albany goes to Hamlin in the only other district encounter this week. Haskell entertains Lueders and Munday draws Rochester in non-conference games.

Results of Last Week

Seymour 6, Anson 0.
Haskell 13, Albany 6.
Hamlin 41, Munday 0.

District Standings

	W	L	Pct.
Seymour	4	0	1.000
Stamford	4	0	1.000
Anson	3	1	.750
Haskell	3	2	.600
Hamlin	1	3	.250
Albany	0	4	.000
Munday	0	5	.000

Games This Week

Lueders at Haskell (Thursday).
Rochester at Munday.
Stamford at Anson (Friday).
Albany at Hamlin (Friday).

HEFNER NEWS

(Mrs. E. J. Jones, Correspondent)

The general election was held here Tuesday.

Next Sunday church services will be held at the Friendship Baptist church, both morning and evening.

Mrs. T. H. Jones has come home from the Wichita Falls clinic hospital, and is reported getting along fine.

Mr. and Mrs. Ed Jones made a visit to Wichita Falls one day last week.

Mr. and Mrs. J. I. Bartlett and Mrs. E. E. Trimble, a lot of Southland, were week end guests of relatives and friends here and at Seymour. They formerly lived in the community.

Several ladies from here attended the achievement day at Benjamin on November 3, where Women's Home Demonstration Clubs of the county held a display of their year's work.

L. L. Hendrix of Lubbock has been here this week, looking after business interests.

Mr. and Mrs. Ed Nichols of Wood county visited Mr. and Mrs. J. H. Cooksey last week. Mrs. Nichols is a cousin of Mr. Cooksey.

Mrs. Arnold Haskin has as her house guest this week, her mother, Mrs. L. D. McElhannon of Goree.

Several from here attended the funeral of George W. Moore of Goree last Monday afternoon at two o'clock at the Moore home.

Mr. Moore died suddenly Saturday afternoon at the Hefner gin, where he was employed by ginner W. P. McNeill as a cotton classifier. He had been employed here for several years during the ginning season.

Autumn leaves are falling in their various colors of red, green and yellow ones. Yet we are hav-

ing the most beautiful "Indian Summer" in many years, with beautiful sunshine, lovely days and moonlight nights.

TWINS ARE BORN TO SGT. AND MRS. GRAMMER IN DALLAS SATURDAY

Mr. and Mrs. G. R. Eiland are the happy grandparents of twin girls, who were born to Sgt. and Mrs. Jim Grammer at a Dallas hospital last Saturday night.

One of the girls weighed six pounds and two ounces, while the other tipped the scales at seven pounds and 12 ounces. They have been named June and Jane. Mother and daughters are reported doing nicely.

Mr. and Mrs. Eiland went to Dallas to give the granddaughters a royal welcome.

DAIRY PRODUCTION PAYMENT

Records of the A. A. A. office at Benjamin show that producers of milk and butterfat in Knox County have received \$7,079.26 in Dairy Feed Payments since the program started, according to a statement issued by Doyle G. Thomas, secretary Knox County A. C. A. Two hundred and fifty-nine producers have shared in this payment.

Payments are now being made for the months of September and October stated Mr. Thomas. The payment rate for these months is 10c per pound for butterfat and 70c per hundredweight for milk. This is an increased payment of 4c per pound for butterfat and 35c per hundredweight for milk, Mr. Thomas stated.

W. C. Nance has returned to the navy base in San Diego, Calif., after spending a few days at home with his parents, Mr. and Mrs. Frank Nance and family.

Sophomore News

Well here we are back in school making corrections on our six weeks tests. Our class is now enlarged by one new pupil, Clayton Riddle.

It seems that the Juniors liked one of our class members so well that they elected her queen of their class, so now the Sophomores have two girls in the queens race. They are Ellen Bales and Betty Hunter.

Our honor roll students are Dor-man Followill, Jo Ann Whittemore and Anna Sue Waldron. We hope to have more on the honor roll this six weeks.

Junior Class News

We got off to a good start last week in our school work so we are progressing very smoothly this week. Each and every class is very interested in the school carnival which is to be Thursday night. We have elected Betty Hunter to be Queen of Sunset High this year. We are almost sure that our class can win if they will all work together. Our class is sponsoring a style show which will be the next event after the coronation of the

Queen.

We enjoyed a long talk given to us by Sgt. Cecil Joe Burton, a former Sunset student in the U. S. M. C. He told us many of his experiences during his several months of active service in the Pacific theater of war. He fought in several major battles and received the purple heart for wounds received in the battle of Tarawa. He received two citations for bravery during his foreign service. He described many of the different islands and countries that he saw while he was overseas. The descriptions he gave us on things he went through while fighting mean a lot to us for after all he was fighting along side several million other boys who are fighting to preserve freedom for the world.

Honor roll students first six weeks. The following are honor roll students:
 Barbara Jane Almanrode, Peggy Hunter, P. A. Johnson, T. W. Hertel, John Voss, J. B. Walling.

Senior News

The word that is buzzing in most every one's ear is "Carnival." We

Ex Libris... By William Sharp

THE AMERICAN CHARACTER

THE SOUTH LOST MORE LIFE AND PROPERTY IN THE CIVIL WAR THAN GERMANY IN WORLD WAR I...

FROM 1868 TO 1900 EVERY U.S. PRESIDENT EXCEPT ONE WAS AN OFFICER IN THE UNION ARMY.

IT TOOK 250 YEARS FOR AMERICA TO EXPAND TO MISSOURI -- ONLY FIVE FROM THERE TO CALIFORNIA!

A BOOK-OF-THE-MONTH CLUB SELECTION

was home over the week end.

Nell's baby sister, Mary Beth, can sit alone some. Mary Beth is now five months old.

Ruthie went to town this morning to see her brother Joe off to Virginia where he will be in school. Ruthie said it was a sad sight to see him go.

Third and Fourth Grade News

Our candidates for the carnival queen are Kay Frances in the third grade with Tony McWhorter as escort, and Elaine Nix, fourth grade with Donald Seaten as escort. We think we shall see one of our candidates crowned queen.

Jimmie Burl's uncle and aunt, Mr. and Mrs. Claude Freeman and children, Wanda and Claude, and Mr. and Mrs. Barney Freeman and son, Gail, all from Weatherford, Texas visited in the Morgan and Freeman homes last week.

Donald, Jimmie Lee, Patsy, and Goldie Fae are back in school. Charles visited in Goree Sunday. Goldie Fae's sister, Jessie Ruth Davis, from Ft. Worth visited in the Reeves home Sunday.

Our honor roll members of the third grade are: Sue Ann Richardson, Kay Leon Wilson, Kay Frances Atchley, Jimmie Burl Morgan, Lois Ann Michels, Shirley Ann McAfee, Jonny Matthews; honor roll members of the fourth grade are: Elaine Nix, Joy Minchew and Goldie Reeves.

Fifth and Sixth Grade News

We have chosen Gloria Jean

Michels for our dutchess and expect to see her crowned queen next Thursday night. Her escort will be Gerald Ray Myers. Come on sixth grade lets do our part now and elect our queen.

Gerald Ray has sold the most tickets in grammar school for the turkey. He has sold 30 tickets.

We have two new pupils, Driscoll and Sarah Riddle. They hail from Alabama. We are very glad to have these two new class mates.

We are glad to have J. L. Walker back at school today.

Gloria is the new English club president, D. B. Jones is reporter and Gerald Myers is secretary.

4-H Achievement Week Observed By 4-H Clubs

More than 100,000 members of Texas 4-H Clubs are observing National 4-H Achievement Week, November fourth to eleventh.

According to R. O. Dunkle, county agent, it will be a period of taking stock of the year's achievements in terms of contributions to the war effort, and making plans for next year's demonstration program.

Achievement week is of special significance to Texas because boys' 4-H Club work had its beginning in this state. Tom M. Marks of Jack county was the first county agricultural agent to take it up and

promote it actively and successfully. South Carolina claims the honor of starting girls' club work.

It is a long road from Marks' pioneering work in 1908, but progress has been steady. Today, Texas 4-H Club boys are not only demonstrating, but in many cases leading, in all branches of agricultural work. Working in close cooperation with county agricultural agents, they have attained a high standard in producing livestock and all types of field crops, in dairy and poultry work, and have rendered valuable services in soil building and conservation.

State Club Agent Johnson says that during the war period Texas 4-H Club members have been tied too closely with regular farm work to fully evaluate what their club work has contributed to the war effort. But during the 1943-44 season Texas boys produced and sold nearly four million pounds of beef, nearly five million pounds of pork and other farm products in corresponding measure. Members of girls' club not only did equally well, but worked shoulder to shoulder with their brothers in the fields, caring for livestock, poultry and gardens to fill the gaps in the home front left by fathers and brothers in the armed forces and defense work.

Jim Brasher visited with his family in Abilene over the week end.

Don Estes Jr., little son of Mr. and Mrs. Don Estes, has been critically ill in the Knox county hospital, but was reported much better the first of this week.

Mr. and Mrs. J. E. Bell have just received word from their son, Sgt. Hugh C. Bell, that he has arrived safely somewhere in England.

FOR SALE—F-14 Farmall, on rubber, with 2-row equipment; also J. I. Case tractor on steel, with 2-row equipment. J. L. Stodghill 1c.

G. A. White was a business visitor in Wichita Falls last Monday.

FOR SALE—1941 model H Farmall with 2-row equipment, in good condition. Elzo Moorman, 2 miles north of Goree. 19-2tp.

are looking forward to the school carnival which will be Thursday night.

Mildred Yost was elected as our queen. Come to the carnival Thursday night and see Mildred crowned as the Queen of High School.

The Seniors are sponsoring the Turkey. Buy a chance, you might be the lucky one, who can tell.

We enjoyed having Pvt. Paul Bradley as a visitor Monday.

The Senior honor roll consists of: Kay Frances, Christine Lindsay and Billy Clay Matthews.

We were glad to have another ex-senior, Cpl. Floyd Frost, who is in the Marines, to visit us this week.

Eighth Grade News

In Geography we are studying about fishing and lumbering. We are studying interest in Moths.

We want to thank the stores and people at Munday and Knox City who voted for Mildred Michels, our queen. Donald Nix is our king. Margorie Freeman made some interesting posters to advertise our carnival.

Patsy Matthews was the only eighth grader to make the honor roll. However, we resolved that she won't be the only one next time.

Freshmen News

The Freshmen are working hard to win in the race for the king and queen. We elected our queen, Maxine Hill, escorted by Bobby Fitzgerald. We are all looking forward hoping to win. The carnival will be held Thursday night, November 9.

Most everyone was disappointed last week when the report cards were issued out, for no one made the honor roll.

A few of the students were absent last week, but most of them have returned.

Seventh Grade News

We elected candidates for king and queen which we are very proud to say are Loyce Reddell and Leo Hill.

We are also glad to have quite a few pupils back from bull pulling. We have new history books which we are very interested in.

We elected a new president, secretary and reporter. The president is Tommie Yost, secretary is Betty Yost and reporter Betty Matthews. Our honor roll includes: Betty

Yost, and Royce Reddell.

First and Second Grade News

The honor roll for the last six weeks consists of: Tommy Walling, Ruth Burton, Nell Johnson, Grace Posey, Jerry Groves, Dolores Parker, Jeanette Draper and Loretta Floyd.

We are looking forward to our school carnival on Thursday night, November 9. We are having a fish pond.

Sue Voss was elected queen of the first grade, and she chose Joe Voss as her escort.

Loretta Floyd was elected queen of the second grade and she chose Jerry Groves as her escort.

Grace's mother and daddy are both in the hospital and Grace is absent today.

Sylvia's sister of Fort Worth is home on a visit for a few days. She plans to go to California.

Claude Larry's aunt of San Antonio is here for a week's visit with relatives and friends.

Jerry's mother who is training in Wichita Falls to be a Cadet Nurse

REMEMBER WHEN

—Sunday visitors "dropped in" and mother popped corn to eat with polished red apples? Hospitality was simple then and "visiting" was one of the fine arts of being neighborly. Remember?

The Munday Times
 Commercial Printers

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

OPA To Help Locate Cars

Holders of certificates for the purchase of new cars can get help from the Office of Price Administration in locating that automobile, that agency announces. Any certificate holder having difficulty in laying hands on a car is urged to write OPA Inventory and Control Branch, Empire State Building, New York, N. Y. The records of that office will be made available to assist the buyer in locating an automobile.

At the same time OPA will require all automobile dealers to post lists of their current inventory of 1942 cars held for sale and dealers who refuse to sell to a buyer who has the cash and required papers may be barred from dealing in any cars rationed now or in the future.

November Tire Quota Increased

The November quota of new automobile tires allocated by the War Production Board will be 1,850,000 or 250,000 more than in October, it is announced by the Office of Price Administration and War Production Board. "As near as we can tell, this quota should satisfy normal November replacement needs of eligible "B" and "C" ration holders," Max McCullough, Deputy OPA Rationing Administrator said. He pointed out that the ration quota this month makes it "clear that recapping will still be necessary for most motorists if they are to keep their cars in operation." Unfilled "B" and "C" tire applications, needed increases in dealer inventories and a higher production rate are required before "A" ration holders can expect new tires.

Legal Notice

Citation By Publication THE STATE OF TEXAS

To: Wm. G. Morrison, J. P. Coleman, J. E. Whitsett, May Rice, Amy C. Enrick, Lois Lewis, Ida May Dockery, and Mina Laudman, and the unknown heirs of the above named persons, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 11th day of December, A. D., 1944, at or before 10 o'clock A. M. before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas. Said plaintiff's petition was filed on the 25th day of October, 1944. The file number of said suit being No. 4359.

The names of the parties in said suit are: City of Munday, and Munday Independent School District, both municipal corporations, as Plaintiffs, and Wm. G. Morrison, J. P. Coleman, J. E. Whitsett, May Rice, Amy C. Enrick, Lois Lewis, Ida May Dockery, and Mina Laudman, and their unknown heirs, and the State of Texas and Knox County, a taxing subdivision, as Defendants.

The nature of said suit being substantially as follows, to-wit:

Being a suit to foreclose tax lien upon the following described property, to-wit: all of Lots 5 and 6, in Block 140, Reeves and Musser Addition to the town of Munday, Texas, some times called Bolander Block, for the years of 1927 to and through 1943, in amount of \$301.57.

Issued this the 25th day of October, 1944. Given under my hand and seal of said Court, at office in Benjamin, Texas, this the 25th day of October A. D., 1944.

LEE COFFMAN, Clerk, District Court, Knox County, Texas

Paper Shortages To Continue

The public can expect no relief from existing paper shortages until about the middle of 1945 because of the heavy wartime requirements of newsprint, magazine and book paper and the manpower shortages in this industry, the War Production Board reports.

OPA Consumer Notes

The basis for a nation-wide reduction of consumer prices on cooked corned beef expected to be at least 10 cents a pound and greater in some instances—was set by issuance of OPA specific dollar-and-cents ceilings for this product at the wholesale level.

Primest cheese prices at all levels of distribution will be three cents a pound higher after this week as a result of OPA action to relieve hardship suffered by manufacturers under the previous price ceiling.

Ceiling prices of plug chewing tobacco have been increased by 20 per cent at all sales levels as a step to help manufacturers overcome the increased cost burden under which they operate.

Leather-soled moccasins with a house-slipper type of construction will continue to be stocked by stores as ration-free foot-wear through December 31. After that date, OPA advises, this type of footwear will be classified as rationed.

Buyers of coal and other solid fuels are entitled to receive from their dealer an invoice, sales slip or receipt that contains full information about the kind of coal sold to them and the price paid. This is required of dealers by an OPA provision effective November 11.

Most Box Matches to Armed Forces

Hold that light, mister, will continue to be the popular phrase in coming months, according to a War Production Board report which states that about 90 per cent of all penny box matches and 25 per cent of all book matches produced in the next six months will be delivered to the armed forces. Although few penny box matches will be available to civilians during this period, matches of the household "strike anywhere" type will be produced in sufficient quantity to meet all civilian needs, WPB said.

Army Doctor Recruitment Ended

Recruitment of civilian physicians for the army has been discontinued, according to information received from the War Department by Paul V. McNutt, chairman of the War Manpower Commission. At the same time, Mr. McNutt said that recruitment for the navy must continue since it has urgent need for approximately 3,000 additional medical officers. The Public Health Service of the Federal Security Agency and the Veterans Administration are also continuing to recruit physicians.

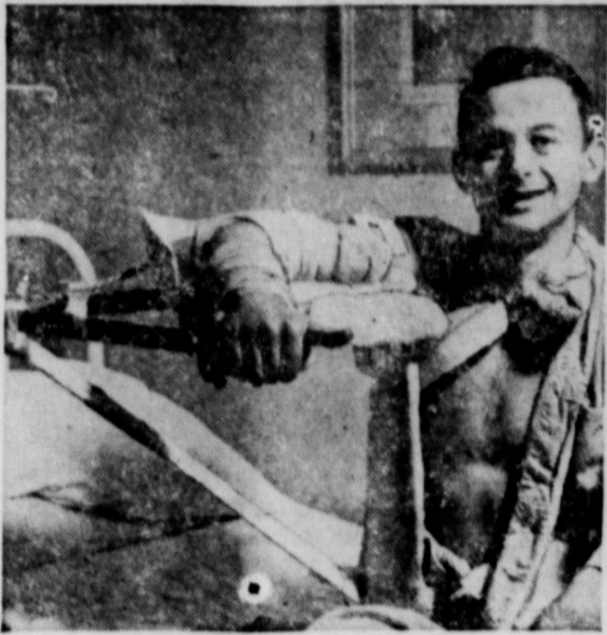

Less Dusty Roads In Prospect

Prospects of less dusty intermediate and county roads next spring and summer are decidedly improved as a result of action by the Petroleum Administration for War in permitting the use of residual fuel oil for road building and maintenance. The permission applies to all parts of the country except the west coast. This action is possible because of current supplies of residual oil. The restrictions were lifted at this time to permit states, counties and local governments to plan year's road programs now.

Ships Named For Great Americans

The names of three great Americans, Wendell L. Wilkie, George W. Norris and Alfred E. Smith, will be honored by being given to three new liberty ships now under construction, it is announced by the United States Maritime Commission.

They Are Buying War Bonds - Are You?

Mea must have what it takes in full measure when ordered into a machinegun nest as first scouts. Pvt. Burtehell Linwood of Weld, Me., can tell you all about it for he didn't come through unscathed. The other side fractured his humerus bone but he will get back to near normal as a result of funds available for hospitalization from War Bond sales.

Pfc. Tom Burrade, 20-year-old Noxapater, Miss., boy, hit while on an ammunition truck in France, regained consciousness in England, his jaw fractured and lips cut to the chin, but thankful for War Bond sales.

Lt. Leo Klein, 27, Scranton, Pa., hospitalized with burns and compound fracture of both legs, was a B 17 bombardier-navigator with 14 missions accomplished when ordered to a rest home. The train on which he was riding figured in a wreck near London and he suffered wounds that had passed him by on dangerous missions. War Bonds funds are mending his hurts.

Both the Japs and Nazis have been catching it hot and heavy lately... and so many Texans are in the fight that even the enemy never knows when one will turn up.

So many Texans are serving in the Royal Canadian Air Force (they joined before the U. S. entered the war) that some correspondents refer to it as the "Royal Texas Air Force."

Incidentally, Sgt. Steve Hourihan, son of Mr. and Mrs. J. T. Hourihan of Balmorhea, has set some sort of a record in this war. A mechanic and gunner aboard a B-24 Liberator flying from Southern Italy, he has completed 300 combat missions and helped drop more than 13,000 tons of bombs on the enemy. His group has two presidential citations.

J. W. Woodward of Athens has been returned to the U. S. after 18 months in the Southwest Pacific, where he was twice wounded and awarded the Purple Heart and Oak Leaf Cluster. Lt. Charles Brandon of Pecos, assistant operations officer of a B-24 Liberator group in England, has completed 100 missions in only 140 days. That's flying!

And word comes now that Pvt. Frank Lozano of Manor, who has been missing in action since July 31, is a prisoner of war in Germany.

Most American anti-aircraft units have had little actual fighting during the sweep across France into Germany, due to the fact that few Nazi planes dared oppose our air fighters, but the unit of Corp. Bill Ammons, Jr., of LeFors, is an exception. That outfit has shot down several German planes, and is still on the move toward Berlin.

Capt. Irby Dyer of Monahans, a bomber pilot stationed in Italy, has won an unusual distinction. For several months he has worked in close collaboration with Yugoslav airmen. Now he has been made an honorary member of the Yugoslav Air Force, and wears the RYAF wings in addition to those given him by Uncle Sam. Dyer is a for-

MORRIS ERVIN

Representing the Cincinnati Times-Star in Texas, November 13 to 22, will be Morris D. (Tex) Ervin, Washington correspondent for that paper. Ervin is one of 25 top flight writers who will be in the state during Texas in the War Week, set aside by proclamation of Governor Coke R. Stevenson.

The visiting newsmen will look over various leading industrial plants, the flying fields at San Antonio, the navy installation at Corpus Christi, and sections of east and west Texas.

The tour will begin with the opening of The General Tire & Rubber Company's new factory at Waco November 13. Other industries to be inspected are the Ford plant at Dallas, the Humble Oil plant at Baytown, the Dow Chemical plant at Freeport and the U. S. Steel operation at Houston.

mer Pecos attorney.

From Briggs, Texas, comes news that Mr. and Mrs. Kyle Smith have been notified that their son, Pvt. Floyd B. Smith, was slightly wounded in fighting inside Germany. But he expects to recover in time for the march into Berlin!

Another wounded Texan veteran is Pvt. Ely Grimsley of Mansfield, who has been returned to McCloskey General Hospital to recuperate. Others recently sent home after being wounded include: S/Sgt. Randolph J. Garrett, Star; S/Sgt. Harvey A. Halfman, Rowena; Pfc. Indalecio Alcora, Kerrville; Pfc. Gilberto S. Tapia, Brownsville; Pvt. Harvey L. Byrd, Rochester; Pvt. Antonio R. Moreno, Eagle Pass; Pvt. Howard J. Kirk, Goose Creek.

Mr. and Mrs. Lemoin Skiles of Stamford spent the week end here, visiting with Mr. Skiles' parents, Mr. and Mrs. Walter Skiles.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox M. D., State Health Officer of Texas

Austin — All children should be protected against diphtheria at a very early age, according to a statement on the subject released this week by the Texas State Department of Health, explaining that toxoid which can be administered easily and without danger can safeguard youngsters against this serious disease of childhood.

Dr. Geo. W. Cox, State Health Officer, urges Texas parents to have their children who are not already protected immunized at once.

"A dose of toxoid can save a child from serious illness or even death," Dr. Cox asserted, "and those who have not been safeguarded against this danger should be inoculated immediately."

"Babies should be protected by immunization by the age of eight or nine months," Dr. Cox said. "A first dose of toxoid is recommended by authorities on the care of infants by the age of eight or nine months, or even as early as six months. A second dose is usually given later."

To keep immunity at a high level, Dr. Cox said that a reinforcing dose of toxoid is advised before a child is old enough to enter school. Those who went to school or kindergarten this year without this additional safeguard or without ever having been protected certainly should be immunized without any further delay.

THE OLD JUDGE SAYS...

"Now that you mention it, Judge, I can see this really has been a war of jobs."
"Yes it has, Fred, and the biggest job of all is the one being done by our armed forces across the sea... the actual physical fighting that is bringing victory closer day by day."
"And here at home, Judge, our job has been to supply our men abroad with the ammunition and equipment they need to finish their job. And to provide the money to buy these supplies through our purchase

of War Bonds. By and large, I think we've taken our job seriously, too."
"You're right, Fred, we have. But there's one more big job we've got to do for our men over there. That is to abide by their wishes that this country should be kept the same way it was when they left it... not changed around while they're away and can't express their opinions."
"In all fairness, Judge, that's a simple request no one can afford to disregard."

Being Yourself

Most of us spend half our time trying to imitate someone else. We don't like the way we talk, so we talk like other people. We don't like our naturalness, so we copy the mannerisms of others; therefore, we acquire an artificial quality that hides the real persons we are.

We want to be great, so we set about becoming so by using the same methods others have used. We want to be President, so we pattern ourselves after Mr. Roosevelt; we want to be actors, and we mock the Barrymores and Lunts; we want to sing, so we croon like Crosby, or warble like Sinatra.

There may be only one Roosevelt, one Barrymore, or one Sinatra; yet, they were and still are distinct individuals. There is only one YOU. Like yourself the way you are; if you don't, no one else will either. Whoever you are, whatever you are, or whatever you aspire to be, always be yourself.

Senior Life

On the morning of February 1, 1928, Mr. and Mrs. E. Y. Johnson were blessed with a bundle of beauty who now happens to be our favorite classmate, Miss Latreace Johnson. She has been the most outstanding character in our class ever since its origin.

She has taken a very active part in the Munday School Band for the last five years, playing the clarinet two and a half years and saxophone two and a half years.

She is also an active member of church, being a Sunday school teacher and sponsor of the Junior G. A. organization.

Now, to get down to earth, Latreace has a passion for silly hats and insensible shoes. She loves to sing, read light fiction, learn new pieces on the piano, write long "newspaper" letters and care for

children, especially small ones. Only a few of the interesting things about Latreace are as follows:

Third grade: Queen of the class.
Seventh grade: Valedictorian, leading role in graduation play, class reporter.

Freshman: Queen of class, Freshman Life for Annual, received scholarship medal, reporter of class.

Sophomore: Class reporter, Junior: Class reporter.

Senior: Class reporter, Queen of class, editor of annual.

Her favorites are:
Hobby: Caring for children.
Sport: Fishing, football.
Song: Together.

Colors: White, blue.
Past-time: Singing silly songs.
Teacher: Mr. Owens.

Now, as for Latreace's love-life, that is known to only her. She is one of the girls in school who do not let everyone know who her favorite boy-friend is, but we all have a pretty good idea. These school kids get around too much for anyone to keep a thing of that sort a secret. She is partial to the small boys but it comes to the real thing, well, give her a certain sailor and she will make out just fine.

She plans to attend T. C. U. next year if she doesn't get married, first, but whatever she does, we are sure she will be a success all the way around.

(Written by a Senior.)

Junior News

"Hats off" to the Freshmen for such a swell queen's race! Although it didn't seem so swell last Tuesday when the Juniors found out they were a little behind the other classes. The Juniors are taking it with a "grin?" and are counting very much on crowning the queen of M. H. S. next year. Come on future Seniors you can do it.

The Juniors are planning a class party for Friday night. It is to be at the home of Janie Spann. Everyone is planning a swell time and we know we won't be disappointed.

The Moguls play their last home game here Thursday night. Come on folks, lets all back the Moguls in every way and come out to see them play Rochester.

Sophomore News

The annual carnival is now history and the classes are richer by a good many shekels. It was all a lot of fun for us school kids but the general public no doubt recalls it as a pain in the neck. Aside from the money derived from such a contest, we students receive valuable

QUICK ON THE DRAW

PVT. ARNOLD H. TIBBS

may be just a bush-league artist along side another southpaw painter named Leonardo da Vinci, but he's enjoying his drawing lesson from "teacher" Agnes Bartha.

Soldier Tibbs, who is recovering from combat injuries at an Army hospital in Phoenixville, Pa., often drops in at the USO club. There he swaps experiences with service men not yet assigned overseas like Pvt. Sol Cherry, who is gazing doubtfully at Tibbs' art work. To be sure its volunteers know how to help veterans cushion the bumps back into civilian life, the National YWCA, one of the six USO

GAS tronomy GLAMORIZE YOUR VEGETABLES

Shelves overloaded with home-canned vegetables offer excellent opportunities for serving many versatile dishes. Try different combinations to make them a real asset to the meal.

The range, whether burners or oven are used, is most important in the preparation of the vegetables. Those who live beyond the city gas

lines and have their range serviced with propane or butane—the "bottled" or "tank" gases—will find the cooking of vegetables simplified. Easily regulated low flames are excellent when you don't want to overcook the vegetables. The moist heat of gas ranges will brown and cook vegetables evenly.

Mix a can of your corn, with eggs and milk, and bake in a buttered casserole, topped with buttered crumbs. Try your peas heated with bits of crumbled bacon or pearl onions. Green beans can be scalloped, that is, layered with white sauce and topped with buttered crumbs or cheese.

Home-canned beets take on glamor when orange juice and rind or orange sauce is added. Carrots are delicious when baked with a tablespoon or two of honey and sprinkled with chopped parsley.

training in cooperation, sportsmanship and leadership; all of which will be of inestimable value to us long after we have ceased to darken the doors of Munday high.

Plans are underway for a general housecleaning of the old diggings, and goodness knows it's time for some clean-up work. Since it's a settled fact that we can't have a new building till after the war is won and the W. P. A., O. P. A., or what have you, releases building material; we can at least make life more pleasant by making our old building spic and span. Come on, seniors, give out with the plans.

Everyone around the premises were cracking smiles and wondering what they would look like when the annuals arrive next spring. The pictures are probably good but this is one man's opinion only (No other opinion acceptable). With the help and cooperation of our annual staff we will have one of the best of annuals, of our high school history.

Society News

The queen's race "did" come to a close with a "bang," a bang of \$993. Even though each class (Fish excluded) was disappointed, because it's candidate wasn't queen, everybody was very happy over the consequence.

Queen Charlotte Williams, with her Duchesses, Latreace Johnson, Junerose Salem, and Jean Ratliff, were all we could ask for. They made a very lovely beginning to the "Halloween Carnival".

We were surprised to find the annual photographer, here to greet us Monday morning. At the end of the day, we had just about decided, if there weren't any scared people when the annuals come out. We could count on more annuals in the years to come.

Thursday night Rochester comes to test their football ability. Moguls show 'em what you can do and show 'em in a big way...

Sports News

The Moguls play their second non-conference game on their home field Thursday night with Roches-

ter. They have been working very hard this week and will be ready for Rochester Thursday.

Last Friday the Moguls were defeated by Hamlin. This game proved to be the worst defeat for the Moguls this year. The team as a whole learned a lot by this game and are working hard this week to correct the mistakes that were made.

Contributed about 300 articles. Burna Dean, Dorrels, Charles and Bobby Joe led with a total of 145 articles contributed.

The class appreciates very much the help of our good room mothers in assisting the seventh grade with the preparation and handling of their booths at the carnival. We think our seven room mothers the finest ever.

Fourth Grade News

Last week all of the fourth grade went to the gin. We have been studying about cotton and wanted to know how cotton is ginned. At the gin a man took us all through the building. When he took us through the gin we saw the motor that runs the gin and where the burs were taken and the rest of the things. One very interesting thing we saw was how the seeds were taken from the cotton and how it was made into bales.

Yesterday Anna Ruth Stodghill brought her cousin, Joy Nell, with her to school. Joy Nell is visiting Anna Ruth. She lives at Silverton.

I GIVE YOU TEXAS by BOYCE HOUSE

Not since Sam Houston's day has a more colorful figure strode across the Texas political stage than "Farmer Jim" Ferguson, who passed away recently.

Tradition says that one Sunday morning, while waiting for his wife to put on a new hat preparatory to going to church, the small-town banker-lawyer made up his mind to run for governor, financing his campaign with a sum he had set aside with the idea of making a trip to Europe.

He was elected on a platform championing the cause of the tenant farmer. Re-elected, he found himself facing impeachment. According to legend, Ferguson declared that if the Senate removed him from office, he would be an issue in Texas politics for the next 20 years. He was removed and he made the prophecy come true.

Ferguson established a party of his own, ran for President in 1920

and was badly beaten—and it looked like the end of the trail. He ran a butcher shop in Temple, tried for the United States Senate two years later in the Democratic primaries and made the runoff but was defeated.

Next campaign year, he decided to try for Governor but the courts barred his name. He was seated on a baggage truck, waiting for a train, when he told a friend he was going to file his wife's name for the office. "Two governors for the price of one" was his slogan. That—and "vindication." Again, he made the runoff, against the Ku Klux Klan candidate. Former enemies of Ferguson supported Mrs. Ferguson's candidacy against the robed organization and the cry, "Me for Ma," swept the State.

Mrs. Ferguson was defeated for re-election by young Dan Moody, the so-called "red-headed" Attorney General—(actually his hair is a light brown; Capitol correspondents should be fitted with glasses). The woman governor won a belated second term in 1932.

Ferguson's "vest-pocket vote" was proverbial. He was especially strong in the rural sections. A stump-speaker said, "You farmers have only three friends in the world—God Almighty, Sears-Roebuck and Jim Ferguson." It was an opposing speaker who angrily declared that there were parts of East Texas where the only name that would get more votes than Ferguson was Levi Garrett, the snuff manufacturer. (To be continued.)

Pvt. A. E. Bowley came in last Monday from Camp Sibert, Ala., to spend a 15-day furlough with his wife and family and with other relatives.

AT CAMP WOLTERS

Houston Hayes Sweatt, son of Mr. and Mrs. L. C. Sweatt, has arrived at the infantry replacement training center at Camp Wolters to begin his basic training as an infantryman. He has been assigned to a battalion stressing rifle training.

Lieut. J. C. Nelson, who is stationed at San Antonio, spent several days here last week visiting with relatives and friends and attending the bedside of his mother, Mrs. J. R. Nelson.

Mr. and Mrs. Jess Burnison spent the week end in Austin, visiting with their daughters.

MUNDAY, TEXAS

Higher Prices Paid For Cattle Here Tuesday

The Munday Livestock Commission Co. reports a good run of cattle for last Tuesday's sale. All classes of cattle sold from 25 cents to 50 cents higher than last week's market. Some of the prices were as follows:

Canner and cutter cows, \$4 to \$6.75; butcher cows, \$7 to \$8.50; fat cows, \$8.75 to \$10.50; butcher bulls, \$6.75 to \$7.75; beef bulls, \$8 to \$8.75; butcher yearlings, \$8.50 to \$10.50; fat yearlings, \$11 to \$13.25; rannie calves, \$5.50 to \$7; butcher calves, \$7.50 to \$10.50; fat calves, \$11 to 13.

Several bunches of stocker calves sold by the head from \$28.00 to \$39.50, and some good stocker steer calves sold from \$11.25 to \$12.00 per hundred.

Camp Barkeley To Hold Memorial For Casualties of War

Camp Barkeley — Families of war casualties living in the area surrounding Camp Barkeley will be honored at a memorial program to be held at 3 p. m. Sunday, November 12, at the high school auditorium in Abilene.

The program, being held in connection with Armistice Day, will be open to the general public. The commanding general of the Eighth Service Command has designated Sunday, November 12 as a Memorial Day for the current war casualties whose families reside in the Eighth Service Command.

Abilene citizens and military personnel from Camp Barkeley will be represented on the program. A tribute to the heroic dead will be paid in a symbolic manner.

Churches in the vicinity are being requested by the committee in charge to conduct memorial services on Sunday, November 12.

Freeman Rogers and Mrs. Ida Floyd of Goree spent the week end with their mother, Mrs. John Rogers of Munday, who has been ill.

4-H Meetings For October Are Well Attended

Two hundred 4-H Club boys and girls and five visitors attended the 4-H Club meetings held by the agents during the month of October. Only six clubs were visited as the other five were dismissed for cotton picking. The clubs visited were as follows: Hefner, Munday, Truscott, Benjamin, Union Grove, and Knox City.

The boys were in charge of the meetings in most places. After the business was attended to, the meeting was turned over to Mr. Dunkle, county agent. He gave a very timely and important demonstration on "Culling Chickens." Two hens were used in this demonstration to bring out the good and bad points in culling chickens. Mr. Dunkle gave the following things to look for in culling chickens:

- Cull**
1. Yellow coloring in beak, ear lobes and shanks. Ear lobes shrunken and wrinkled.
 2. Stage of molt—early molter poor layer.
 3. Pale shrunken comb.
 4. Depth of body—one finger spread between the lay bones.
 5. Body capacity—small.
 6. Skin of abdomen—hard and dry.
 7. Vent—small, dry, yellow.
- Good Layers**
1. Beak, ear lobes and shanks white. Ear lobes full and white.
 2. Stage of molt—late molter is good layer.
 3. Large red comb.
 4. Depth of body—3 finger spread between points of lay bones.
 5. Body capacity—large.
 6. Skin of abdomen—soft and pliable.
 7. Vent—large, moist, pale.
- Mr. Dunkle also showed the amount of combined milo, protein supplement and oyster shells it takes to produce one egg. He also had an example of the amount of combine milo grain alone it would take to produce one egg.
- Miss King, home demonstration agent, gave a demonstration on food and feed wastes. She discussed this from the standpoint of eggs. She showed the effects of various feeds upon the production of eggs.
- When chickens are fed a balanced ration plus plenty of oyster shells and good clean water (warm in

Dodge Army Truck Output Tops 300,000

Ready for shipment over there, these command and reconnaissance cars (right) will be delivered by the Army to Ordnance depots all over the world. Dodge has built more than 300,000 vehicles many of which are now seeing service on the European, Asiatic and Russian fronts.

From these assembly lines (above) flow 3 1/2 ton weapons carriers for the U. S. Army and our allies. From other lines roll the newest model—a versatile 1 1/2 ton six-wheeled troop and cargo carrier—and the army's ambulance, of which Dodge has made more than 30,000. All of these modern fighting trucks are designed to forsake the highway and roll where soldiers walk. Recently this division again became a producer of a limited number of "job-rated" trucks for essential civilian needs.

Just off the line, part of a production of the rugged weapons carrier awaits delivery to the U. S. Army.

Labor And Crop Report Given By County Agent

Excellent weather again assisted harvest this week with demands for all types of agricultural labor still acute. Demands for gin hands, elevator hands, and feed shockers are becoming more acute.

Cotton Pulling Situation
The cotton pulling situation is not as critical as previous. The good harvest weather has assisted materially in relieving some of the demand for pullers. Crews have been

winter and cool in summer) there will not be a loss in your egg production.

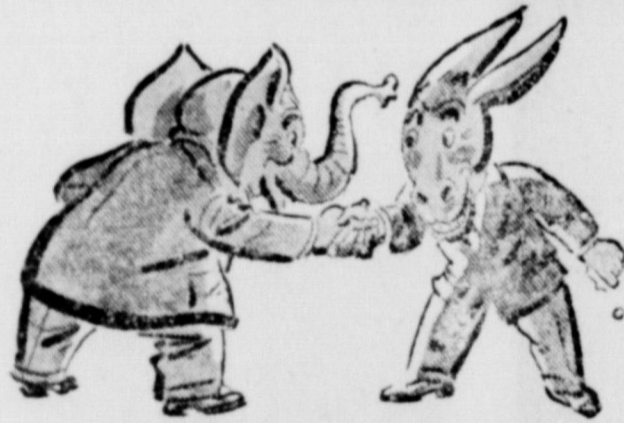

\$45,000,000 is lost annually from bad eggs says Miss King. The causes of this loss is through shrinkage, blood rings, rotten eggs, breakage, dirty eggs and mold. One way one can reduce this loss is by producing infertile eggs.

Miss King stressed that it was just as essential for boys and girls to have a balanced diet as it is for chickens to have a balanced ration.

gun finishing pulling on some farms and are now moving to neighboring farms. Some exceedingly large crews (40 to 70 pullers) who do not want to split up into smaller units are ready to move into other areas where there are large fields with sufficient housing. Most gins are running full capacity and some are not able to gin all the cotton they receive daily. Compresses are now stacking cotton on their yards, as they cannot handle the amounts being brought in.

Grain Sorghum Situation
Grain sorghums are 45 per cent harvested with an expected demand for combines after frost. Most elevators are full, grain is being piled on the ground, and rail shipments are still limited. Further congestion of elevators and rail shipment is expected as the peak of harvest is reached. Combines will be needed in Dawson and Wheeler counties after frost.

Mr. and Mrs. E. A. Ragsdale and daughter of Fort Worth and Mrs. G. L. Nielson of Harrold visited their parents, Mr. and Mrs. C. M. Thompson, last week end. Their son, Milton, also came in Sunday from San Diego to spend his father's

It's PARTY AGREEMENT That DRY CLEANING WINS

SAFE—

Home cleaning is always risky even at its best. Sending your clothes to a competent dry cleaner protects both you and your garments.

ECONOMICAL—

You'll find dry cleaning is thrifty, too, as it makes your clothes last so much longer. Try regular dry-cleaning and see the difference!

TIME SAVING—

By sending your clothes to be cleaned regularly, your mind and time are free for those important things that need attention.

Joe B. King, Owner

Activities of Colored People

Services were held at the Church of God in Christ last Saturday night. Visitors were Elders Bennett and Faucett of Abilene, Chaplain Sanders, Sgt. Cole of Camp Barkeley and Dr. Lattimore of Abilene.

Brief sermons were delivered by Sgt. Cole and Dr. Lattimore. The music was rendered by the soldiers and was enjoyed by all.

After the services the visitors, Rev. and Mrs. Alexander, Mrs. Allene Johnson, Elizabeth Hunter and Lilliamae Newson were guests in the home of Rev. and Mrs. S. L. Sanders, where a delicious supper was served.

Sunday was a high day, with Pastor Alexander at his post. Elder Hemphill of Fairhill, Texas, preached Sunday, also Elder J. Johnson.

The lunch room will be open this week. We are very grateful to Rev. Alexander for papering for us. The painting was done by the girls of the school and an ex-student, Albert Williams.

The Charity Association met in the home of Mrs. Ida Mae Atkins last Thursday night, with Mrs. B. C. Warren presiding. The lesson was taught by Mrs. Elnora Hendricks. An enjoyable time was reported.

Dr. Farrington—

(Continued from Page One)

me with the first man's cast, so by the time the cast is finished the second case is ready for me. That way we work two tables all of the time and it keeps my anesthetist hopping to keep two men asleep.

After I finish with the man he will go either to my orthopedic ward or back to Shock if he is too bad. On the ward there is one nurse and two enlisted men to care for 60 patients, so if the man needs close watching, more blood, etc., he goes back to Shock where we have one medical officer, two nurses and four enlisted men for each ten patients.

After I finish my 12 hour shift in the O R I make my ward rounds and select the patients that are in good enough condition to evacuate farther to the rear—and that is the major part of the cases from the first half of my shift and the last half of the shift that was on

before me.

This gang have to work like hell. Just think of a 400 bed hospital with 400 patients and 300 personnel; and besides the medical work there is all of the paper work required by the Army—laundry for the hospital has to be done—700 people have to be fed—water has to be hauled—food has to be gone after, prepared and served to all of them—equipment cared for—electric lights have to be installed and maintained. In other words, a complete Public Utility Service. Lights, water, garbage disposal, and the thousand services that are usually supplied to a hospital have to be done by our gang, and what a swell job they are doing! And everything we use has to be put on wheels and moved constantly. The supply officer even has to get and carry new clothes for the wounded that are returned to duty. The man goes back to the front lines with new underclothes, new shoes—everything new. His old clothes are usually so torn and dirty that they are burned because they are not worth salvage. Not many men's stores put out 100 complete wardrobes every day in the week.

Our patients are all so avid for news and music that we have radio loud speakers on each ward with one large central radio that is run by the boys in the Lab.

He! I get to patting myself and my outfit on the back so hard that I forgot about this patient that I was going to trace for you.

And I forgot to say that he stops in X-ray on his way to the O R and his X-ray films come in with him. Now I have him on the ward and I order him evacuated to the rear. He is again picked up by ambulance and carried to a large collecting point (if he is a relatively minor wound) where he waits his turn for his train or ambulance ride back to the Beach and goes to England. If he can return to duty inside of ten days he goes to a Convalescent hospital. If it is a serious case where hours count, I can get him evacuated by air. So, in judging which patient leaves here, I also more or less decide how he is to go back.

It seems like everything I do or order done is very closely allied with movement, and that means more supplies, more gasoline, more trucks.

On this last move I saw one solid line of two-way traffic, 20 miles long, all Army trucks, that was all in my vision at once. Magnify that a thousand times and I can understand why gasoline and trucks have as high a priority as food and

planes. Because we jumped so far ahead of supply we are again eating K rations, but no one is kicking about it for we can see why we can't get supplies to work with, ammunition, gasoline and white bread all at the same time.

The country we are in now is more like Illinois or Missouri than any place I've been since I left the Middle West. The weather is hot—so hot that sleeping in a tent in the day time is difficult. The land is flat and all under cultivation—no more cattle pastures except the small lot up close to the barns. The hogherders of the Normandy and Brittany types are no longer seen. That is why our armored boys can roll so fast—and why we have had no mail for nearly a week, and that hurts.

Good night Skipper. I hope this makes a little sense. I haven't the energy to reread this mess to find out.

Love,
Charles.

LOCALS

Harold Gleason of Jacksboro was a business visitor here one day last week.

Mr. and Mrs. Jimmie Randolph and little son of Vera were business visitors here last Monday.

George Salem was a business visitor in Dallas the first of this week.

Miss Inez Proffitt of Dallas spent the week end with her parents, Mr. and Mrs. Jim Proffitt of Goree.

County Judge J. C. Patterson and County Agent R. O. Dunkle of Benjamin were business visitors here on Wednesday.

Mr. and Mrs. L. E. Rosser of Dallas spent several days here last week, visiting with Mr. Rosser's mother, Mrs. I. P. Rosser, and his sisters, Mrs. R. A. Clements and Mrs. Dave Eiland.

Mr. and Mrs. Jack Benton of Corpus Christi are guests this week in the home of Mrs. Benton's parents, Mr. and Mrs. J. D. Crockett. They are also visiting relatives at Knox City.

Wherever you eat—

BALANCE YOUR LUNCH with FRESH FRUITS and VEGETABLES

"JUST BABY AND ME"

The noonday lunch is most often neglected by the busy housewife. A raw vegetable salad, a quick-cooked vegetable or two, milk and bread, with fresh fruit for dessert, require very little time and are easy to prepare. Whether you eat at home, in a restaurant or other eating place, be sure you get plenty of vitamin-rich fruits and vegetables.

THE WORKINGMAN'S LUNCH

Variety in the lunch box is easy to achieve when you use plenty of fresh fruits and vegetables. Crisp lettuce and celery, whole red ripe tomatoes, carrots, a big bunch of Grapes, a bright red Apple, or a juicy Pear... These fresh fruits and vegetables add freshness and life to the lunch box—and full food value!

LUNCH TIME AT SCHOOL

Children grow fast and play hard... and every bite they eat must be full of food value. For strong bones, good teeth and a healthy body, include plenty of "protective" fresh fruits and vegetables in their luncheon menu. For a better lunch, wherever you eat, follow the luncheon menu pattern.
