VOLUME 40

MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, DECEMBER 14, 1944

NUMBER 25

Ag. Census To Be Started In Early January

Agricultural Census enumerators for Knox county will start calling on all farmers in Knox county beginning on or about January 1st.

Each enumerator will be assigned an enumeration district. In each such district he must enumerate every tract of land which might be classified as a farm under the Census definition. The information is to be obtained by a personal visit. He must secure for each farm all the information requested in order that totals may be obtained which will represent a complete and accurate picture of the agriculture within the area.

The enumerator must obtain information in regard to a farm or establishment from the actual operator if possible. If unable to locate the operator, statements by members of his family, his employees, or other qualified persons may be accepted. Neighboring farmers may be able to supply the information. If obtained from other than the farm operator, note under Supplemental Information from whom obtained.

All persons interested in taking the agricultural census for Knox county should make application to R. O. Dunkle, county agent.

Funeral For Tony Wilde Is Held Monday

Funeral services for A. H. (Tony) Wilde, who died at the family home west of Rhineland on Wednesday, December 6, were held at nine o'clock last Monday morning from St. Joseph's church in Rhineland. Services were conducted by Rev. Herman Laux, O. S. B., and burial was in St. Joseph's cemetery, west of the Mahan Funeral Home in charge.

Pallbearers were Leo Kuehler, Martin Kuehler, Alois Kuehler, Albert Wilde, Reinard Kuehler and Pete Albus.

Mr. Wilde, one of the county's well known framers, suffered a stroke on Wednesday morning while helping butcher hogs at his home. He lived only a few hours, passing away at 3:15 p. m.

Born in Nebraska on September 15, 1880, Mr. Wilde was 64 years, 2 months and 21 days of age. He had resided in Knox county for about 45 years.

Surviving him are his wife, Mrs. Anna Wilde of Rhineland; six sons and four daughters, who are: Chas. Wilde, Rhineland; Leo Wilde, Rhineland; George Wilde, Wichita Falls; Arnold Wilde, Wichita Falls; Elmer Wilde, Rhineland; Mrs. Herman Friske, Mary Wilde, and Geneva Wilde, all of Rhineland, and Mrs. John Jackson, Parkville, Md.

He is also survived by 19 grandchildren and the following brothers and sisters: Joe Wilde, Mrs. Frank Kuhler, and Mrs. Tony Kuhler, all of Rhineland; Mrs. Fred Kuhler, Decatur; Mrs. Mary Brenneis, and Martin Wilde, Windthorst; Mrs. Katie Scheffe and Mrs. John Peysen, both of Scotland, Texas.

Soldier In France Writes His Letter To Santa Claus

A 32-year-old soldier, who is now in a hospital in Paris, France, sent his letter to Santa Claus, which was received by The Munday Times last Monday morning. He is Pvt. Bill Lemley, who is serving with the 101st infantry. The letter follows:

In A Hospital In Paris, France.

Dear Santa: I am a little boy 32 years old. I go to school with Hitler's children. Some of them are 65. They play around with 88 m.m. mortars.

For Christmas I would like some small fire crackers and a wooden gun; also some soda crackers to eat with C rations, as they don't put in enough dogs biscuits. And, Santa, a discharge would be accepted.

A Little Friend.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Leslie Phillips announce the arrival of a daughter, who was born December 4, at the Haskell hospital. The new arrival has been named Carol Ann.

Jim Smith Awarded Infantryman Badge

U. S. Army Forces in the Southwest Pacific—Private First Class Jim Smith, brother of Mrs. Ruby Lou Lane, Munday, Texas, has been awarded the Expert Infantryman Badge in the 40th Infantry Division New Britain.

To qualify for this award, the mark of a superior infantryman, requires the physical stamina of a fast cross country runner, skill of a top notch jungle fighter, crack marksmanship and deftness with the bayonet.

Among the many rigorous tests which he completed successfully to earn the badge were: A 25 miles march in eight hours and nine miles in two hours, 35 pushups and a 300 yard dash in 45 seconds.

Sunset Ladies To Hold Bake Sale

Ladies of the Sunset Home Demonstration Club will hold a sale at the city hall on Saturday, December 16.

Home baked pies, cakes and other pastry, as well as dressed hens, butter and other produce will be offered the public. Everyone is invited to attend the sale and buy their needs. Proceeds will be used to further the club's activities.

HAS OPERATION

Bobby Gene Burns, son of Mr. and Mrs. T. E. Burns of Munday, recently underwent an operation in a Fort Worth hospital to relieve an injury to his arm. He is getting along nicely, according to latest reports.

Mr. and Mrs. Felix Propps of Gilliland visited their son-in-law and daughter, Mr. and Mrs. W. R. Moore, last Monday.

Four Generations of Hunter Family

Four generations of a pioneer Knox county family are shown in this photo. At extreme right is G. L. Hunter, who came to Knox county more than 37 years ago and was actively engaged in farming west of Munday for many years. At extreme left is his son, L. E. Hunter, who came here with his parents when a young man who just recently rented his farm and sold his farming equipment. Center is J. E. Hunter, who is holding his young son, J. L. Hunter. J. E. was born on the farm his father still owns, and is farming a portion of land farmed by his father for 22 years. The Hunters are well known residents of the Sunset community and are among the county's most successful farmers.

PFC. CURTIS COATES IS RECOVERING FROM WOUNDS

Pfc. Curtis Coates, who has been in Italy for several months, is reported recovering from wounds received in action in the Italian theatre of war.

A telegram to Mrs. Coates at Knox City from the War Department informed her that Curtis was wounded in both lower limbs; however, latest reports are that he is recovering. Coates has been ill a greater portion of the time he has been in Italy, due to climatic conditions.

WHITWORTH ACCEPTS FEDERAL APPOINTMENT

"Tuck" Whitworth, well known local farmer, will leave Friday for Tucson, Ariz., where he has accepted a federal appointment with the immigration naturalization service.

Whitworth will receive schooling for about six weeks as a patrol inspector trainee, after which he will likely take up duties with the border patrol. His family will join him later.

Wating and Wondering

This is 7-year-old Leonard Meredith. He is one of 402 orphans at the Methodist Home in Waco, one of the largest orphanages of the United States. He is waiting and wondering how big a Christmas present the people of Texas will send his home in money this month as support of the B. I. Institution for the coming year. December is the month of annual statewide financial offerings to the Home and not only Methodists but people of all faiths participate.

Frank Armstrong Is Home On Leave

Frank Armstrong, T. M. 3/c in the Navy, came in last week to spend a 25-day leave with his parents, Mr. and Mrs. C. W. Armstrong.

Frank is serving on a destroyer. His ship was badly damaged in the invasion of the Philippine Islands. The damage could not be repaired in Pearl Harbor, so the ship was brought to San Francisco. There the crew got a 15-day leave and later was granted another 10 days.

Other relatives here during Frank's visit are: Mr. and Mrs. B. Fitzgerald of Odessa, Mr. and Mrs. Grover Pool, Norman, Okla.; Mrs. J. B. Smith and son, Jimmy, Austin; Mrs. Inie Sharp, Centerville, Miss.

Frank will leave in time to visit his brother, Raymond Armstrong, at Hobbs, New Mexico.

Mrs. Virginia Smith-Moore and little son, Richard, of Austin came in Tuesday for a visit with Mrs. Moore's mother, Mrs. J. R. Smith.

Local School Students To Take Part In Bond Drive

Farmers Must File Estimates Of Income Tax

This year farmers have until January 15, 1945 to file their declaration of estimated income tax for 1944. Last year the declaration had to be in by December 15. But don't let this additional month of grace delay you in preparing your return. The best procedure is to get ready early, advises Tyrus R. Timm, economist in farm management for the A. and M. College Extension Service.

And in case you've forgotten, final returns for the calendar year, 1944, still are due on or before March 15 next. There's no change on that point.

Now about payment. Mr. Timm says it must cover the remaining amount not previously paid with earlier declarations of estimated tax, if you made one. In other words, you're expected to get square with Uncle Sam's bookkeepers on March 15 or when you make your declaration on January 15.

You can get the forms you'll need by writing to your nearest internal revenue office. They're available now. For summarizing the farm business you'll need Form 1040 F... that's a form one-oh-four-oh-F for farm expense and income. You'll need personal tax form... No. 1040... one-oh-four-oh is a good deal simplified this year, and Mr. Timm says the changes are all "for the better."

In addition, if you sell livestock for breeding which you've had on your farm over six months, you'll profit by obtaining another form called Schedule D. The same schedule applies to dairy cattle or work stock.

It's a good idea to get these forms as soon as possible, and be sure to order extra copies you can keep in your own files for future reference. Later on your county Extension Service agents will have additional information to help you prepare for this final accounting, Mr. Timm says.

1945 Will Be Favorable For Cotton Farmers

College Station—Calling attention to the United States Department of Agriculture outlook report that "present indications are that 1945 will be another favorable year for cotton farmers, at least so far as prices are concerned," the Texas War Cotton Production Committee today urged farmers to make plans to increase yields per acre in 1945 on all suitable land that can be planted to cotton under the present government program.

Returns from the 1944 American cotton crop, with lint cotton at parity prices and cottonseed prices far above parity, have been the highest for any year since 1928; and the Department expects the favorable income situation to continue next season unless production falls greatly.

Through wider use of improved practices recommended by the Extension Service, Soil Conservation Service and other agencies, Texas farmers can materially increase their cotton yields and income, L. E. Ellwood, College Station, Extension cotton work specialist and chairman of the Texas committee, said.

"Proper land preparation and planting of adequate acreage to good planting seed are the first steps toward insuring increased yields and total production in 1945," Ellwood said.

"Even with Texas average yields per acre the lowest for any major cotton state, cotton has been the best 'pay crop' most Texas farmers could grow for many years. The opportunity for making it even more productive and profitable in 1945 is great, and taking advantage of the opportunity will mean more money for growers, business and industry throughout the state," Ellwood pointed out.

Wounded Munday Soldier Recovering In British Hospital

A U. S. Army Station Hospital, England.—A Bronze Star recipient, Sergeant Albert J. Redder, 25, of Route 2, Munday, Texas, was wounded in the left leg by German shrapnel while fighting near Vire, France, and is now recovering at this United States Army station hospital in England.

Sgt. Redder, who has been awarded the Purple Heart, is "progressing very satisfactorily and will be returned to duty soon," said his ward surgeon, Captain Claude C. Craighead, of New Orleans, La.

"I was wounded by shrapnel," the infantryman said, "while advancing near Vire. A salvo of enemy shells was fired at us and I was hit when one of them burst about 75 yards from me. A fragment tore into my left leg and almost immediately afterwards the medics gave me first aid. I was sent to a field hospital and flown to England."

Sgt. Redder told of successfully completing a dangerous mission for which he was awarded the Bronze Star. "When we were somewhere east of St. Lo," he explained, "I received orders to take another man and plant dynamite in an old barn which the Germans were using as an observation post. We sneaked up to the building and went around to the rear where we quietly planted 40 pounds of TNT inside an open door. As we laid our six feet of connecting wire, a Jerry spotted us and opened fire with a machine gun. We finished the installation of the dynamite as we hugged the ground for protection. After we ignited the charge, we raced back to safety within our own lines. The barn was demolished."

Sgt. Redder is the son of Mr. and Mrs. Joseph Redder of Munday. He has a brother, Seaman First Class Phillips A. Redder, 20, who is in the South Pacific. In civilian life, Sgt. Redder worked on his father's ranch and farm. He entered the army in December, 1940.

Cotton Ginnings

Census reports from the Department of Commerce, bureau of the census, Washington, shows that 16,549 bales of cotton were ginned in Knox county from the crop of 1944 prior to December 1.

This is over 2,000 bales short of last year's ginnings, the report showing that 18,888 bales were ginned in the same period in 1943. H. A. Sullins of Vera, special agent for the department, submitted the report for publication.

Mrs. A. E. Womble returned home last Monday from DeLeon, Texas, where she had been visiting her mother and other relatives for several weeks.

Mrs. A. L. Sheppard of Vernon spent the week end with Mrs. Forrest Yancy.

WAR BONDS in Action

Classes To Be Bond Salesmen

Prizes Offered To Classes Making Most Sales

With the close of the Sixth War Loan drive but two days off, Knox county is still lagging on her quota, and committee members are wondering if Knox county people are going to fall short of their duty in this crucial time.

Classes of the Munday high school and junior high school have been solicited to help in the drive, and these boys and girls will be asking you "Any Bonds Today?" during the next few days.

This move is in the form of a contest, sponsored by the local War Bond Committee and the Munday schools. A prize will be awarded the student selling the largest number of bonds, and another for selling the greatest amount of bonds.

Mayor C. R. Elliott has officially declared Friday, December 15, as War Bond Day for the people of this area, and the student contest will close with a big bond rally at four o'clock Friday afternoon. The contest will close at this hour, and all students are urged to get their reports of sales to their respective classes by this hour.

W. E. Braly, chairman of the County War Bond Committee, and Mr. Elliott, chairman of the local committee, urge everyone to buy as many bonds as possible and to cooperate with these young Americans in putting Knox county's quota over.

Local Pupils To Be Presented In Operetta Tuesday

Miss Gail Reynolds, instructor in the Munday schools, will present her musical class in an operetta on Tuesday evening, December 19, beginning at eight o'clock. Participating will be fourth, fifth, sixth and eighth grade pupils.

The operetta will be Charles Dickens' "Christmas Story." Proceeds will be used to buy music for the music department of the school.

The public is cordially invited to attend this musical entertainment.

WALTER JUNGMAN IS MADE CORPORAL

AAF Convalescent Hospital, St. Petersburg, Florida—Walter Jungman, son of Mr. and Mrs. W. A. Jungman, Route 2, Munday, Texas, has been promoted to Private First Class, Colonel Richard E. Elvins, commanding officer, has announced. Assigned to AAF Convalescent Hospital, Don Ce-Sar Place, St. Petersburg, Florida, Pfc. Jungman who previously resided at Route 2, Munday, Texas, was recommended for promotion by his commanding officer, who places special trust and confidence in his fidelity and ability to carefully and diligently discharge his new duties.

"MAKE IT NEW"

College Station—County Home Demonstration Agent Hattye C. Owen, Red River county, reports that 4-H Club members in that county have concentrated their attention on making new accessories, trimmings and patterns for old winter dresses. At a recent meeting the members made pockets from felt, crocheted designs and by sewing buttons on to pocket size woolen fabric. Dickies, belts, coat lapels, and collar and cuff sets were designed and made. Red River county home demonstration club women have adopted the idea of a "hat sale" as the most recent means of raising money for their club. The agent reports that each member brought a hat and 25 cents to the sale and the hats were bought—sight unseen.

Misses Noralene and Laura Bea Moylette, who are attending school in Wichita Falls, visited their mother, Dr. Fidelia Moylette, over the week end.

Herman Egenbacker of Knox City was a business visitor here Thursday morning.

NO ESCAPE

"The need for increasing government revenue drives the alert tax official to the site of the least sign of financial prosperity, as surely as the keen scent of the desert coyote is attracted to the smallest green bush nourished by the tiniest stream of water. Scientists may boast that the horizon of invention is unlimited; but we can depend upon it, no matter how fast science moves it can never outstrip the tax collector. He is figuratively sitting on the laboratory doorstep waiting for new things to be invented so he can tax them." Thus spoke one authority recently.

There is no escape. A heavy tax burden will be our constant companion for years to come. This grim fact should be kept firmly in mind when the easy spenders try to tell us that we owe the public debt to ourselves, and for that reason there is no cause to worry over proposals for new and monumental government peacetime extravagance.

Women are getting men's wages today, the same as always. Except now they have to work for them.

Senior News

The Seniors are recovering from the grades they made on the six weeks exams. They ranged from -1 to 100 in Civics "Pretty Good!" We are planning on a big blow out for Christmas. It will be given by Christine, so Seniors, let's all be there.

Sport News

The Eagles are still going strong. We played the Goree Wildcats Friday night. We won a smashing victory with the scores being 72-23 in our favor. The Junior boys won their game by a close margin. The volleyball girls lost their game as usual.

Junior Class News

Most of the students are finding out the results of their six weeks test. Most of the grades looked fairly good and everyone is pleased with his or her report. We Juniors have said we were going to try and raise our grades the next six weeks.

Our class has started the construction of triangles in plane geometry this six weeks and we are eager to learn something new.

Almost everyone in our class has been keeping a good attendance record this year and we sincerely hope that they keep it up all the year.

We are looking forward to a Christmas party to be held at the home of Willie Mae Thompson.

Our basket ball games with Goree were very successful. Our volleyball team lost but they are still working toward entering in district tournament.

We were very glad to have Charles Ray Cood to visit the school. He has joined the Merchant Marines and has spent some time overseas. Charles Ray was once a member of our class.

We were pleased to have Rufus Frost of the Air Force to visit this school. He is one of our ex-graduates.

Whew! Those six weeks exams are over. Everyone seems to be fairly satisfied with their grades. This is the last six weeks before midterm, everyone will be busy getting in their last book reports, getting up notebooks and saying poetry for literature.

The Home Ec. II girls are going

to try to finish their dresses before Christmas. The shop II boys are busy on their projects (what ever they are). They don't say much about shop so we don't know what they are making.

The Sophs as yet, haven't made any plans as to what we are going to have in the way of a Christmas party.

Eighth Grade News

We all came out fairly well on our tests last week. Billy Camnaek wrote us a poem for today:

The Sixth War Loan
 Do you have a spirit of 1776?
 If you do, buy a bond,
 And give the Japs few extra kicks.

The Jap radio says, "We're the master one." They don't know it but they're dumb!

They've never whipped America. An old saying goes, "They'll never learn any younger!" If you can't find a Christmas present that the folks are fond of, give 'em a U. S. War Bond. After this Sixth War Loan, There's a big drive coming. That'll go smashing home. They've got prisoners true. But brother they won't have 'Em when we're through! Buy a bond and get in the swing. Make the enemy end up in a sling!

Seventh Grade News

Six weeks tests are over and our thoughts are turning toward the Christmas season. Our room is looking rather Christmasy. We have our tree up today.

We are practicing on our Christmas program too.

Lois Reddell was elected president of our English club, Royce Reddell is secretary and Tommy Frances Yost is reporter.

Fifth and Sixth Grade News

It seems that winter is really here this morning, about ten days ahead of schedule.

Shirley Yost is absent today and we miss her.

Glady's was in Wichita Saturday and Sunday, and reports an enjoyable time.

Jeanette's cousin, Mrs. Cunningham, from Bonham, Texas is visiting in the community.

Roy Dykes has some new cowboy boots. We realized he had them on when he heard him coming down the hall. He also has a new Collie dog.

Third and Fourth Grade News

Sue took her first airplane ride Sunday. She got a thrill looking down at the tiny looking houses.

Jimmy Burl visited his cousins, Mr. and Mrs. Ancel Waldrip, at Knox City. They enjoyed looking at the nice Christmas tree that they had up in their home.

Elaine's aunt and uncle, Sgt. and Mrs. Carrolton Smith were here on a short visit.

Jonny's brother and sister-in-law, Mr. and Mrs. H. B. Matthews, Jr. came in from Camp Roberts Saturday morning.

Charles Everett visited his cousin Joe Lynn Sunday.

Mildred visited her friend, Mrs. Lee Isbell, Saturday.

The third and fourth grades have

written letters to Santa Claus. They hope that Santa gets them in time.

First and Second Grade News
 Charlene went Christmas shopping in Haskell Saturday.

Claude Larry's cousin, Charles, who is in service, has been home on furlough and visiting with them.

Nell saw one of the largest Oak trees in the world down in South Texas during Thanksgiving.

Tommy's daddy came in yesterday from his annual deer hunt with a big deer. He went on a hunt a few days ago but because of rain he did not get to hunt.

Mr. and Mrs. Burton of Benjamin spent Sunday with Ruthie's family.

We are working on a little Christmas operetta, "When Santa Claus Was Sick." Everyone is working hard to learn his part. We plan to present the play on the night of Dec. 21st.

Mrs. Frank Nance Honored At Tea Monday Evening

Mrs. Frank Nance, Jr., the former Louise Gafford, was honored at a lovely tea last Monday evening in the home of Mrs. Ben Yarbrough. Hostesses for the occasion were Meses. Yarbrough, Erin McGraw, Walter Cunningham, A. H. Lawson, John Phillips, Forest Yancey, H. B. Douglas, Lee Hayes, E. H. Nelson, C. P. Baker and Miss Evelyn McGraw.

Mrs. Worth Gafford, Mrs. Frank Nance, Jr., and Mrs. Frank Nance, Sr., were in the receiving line and greeted guests as they arrived. Miss Evelyn McGraw presided at the register, where about 100 guests registered.

Guests were ushered to the dining room, where hot spiced punch, cookies and sandwiches were served. The dining table was covered with a beautiful lace cloth, with rosebuds forming the centerpiece.

Throughout the home were displayed the large array of beautiful and useful gifts which the bride received.

Guests called between the hours of 7 and 10 o'clock.

Relatives who spent Monday in the home of Mr. and Mrs. Steve Kubena included George Moeller, Sr., Mr. and Mrs. George Moeller, Jr., and son, Roger; Mr. and Mrs. Felix Klose and sons, all of Haskell, and Pfc. and Mrs. Eugene Tiechelman of Dallas.

Methodist WSCS Meets Monday For Christmas Program

Mrs. R. L. Ratliff was hostess to members of the Methodist W. S. C. S. at their annual Christmas program on Monday, December 11, with Meses. A. G. Rummel and J. W. Roberts as co-hostesses. Potted plants and fresh garden flowers were used as decorations.

Mrs. W. R. Moore was in charge of the program, which was very impressive and carried out the Christmas theme. Her program consisted of the following numbers which were beautifully given:

Song, "Come All Ye Faithful," sung in unison with Mrs. M. F. Billingsley as pianist; prayer, Mrs. Don Davidson; Devotional, Christmas scripture and poems, Mrs. C. P. Baker; duet, "Jesus Christ," Meses. P. V. Williams and C. H. Giddings; Meditation, Mrs. Moore; prayer song, "Joy To The World," sung in unison.

At the close of the program, Mrs. S. E. McStay presided at the business session. An attractive refreshment plate was served to the following:

Mmes. H. A. Pendleton, W. R. Moore, P. V. Williams, S. E. McStay, J. C. Borden, J. C. Harpham, J. D. Crockett, D. E. Holder, C. H. Giddings, M. F. Billingsley, T. L. Thompson, Don Davidson, G. W. Dingus, W. T. Ford, H. F. Jungman, R. L. Ratliff, J. W. Roberts and A. G. Rummel.

Kelta Kappa Gamma Has Christmas Meet At Knox City

The Beta Chi Chapter of Delta Kappa Gamma enjoyed a lovely Christmas party in the home of Mrs. B. B. Campbell of Knox City Saturday afternoon, December 9, with 22 chapter members present.

Mrs. Campbell's home was cheerful and pretty throughout, with Christmas lights and decorations. One was made to remember Whittier's words in the famous poem, when he said:

"Shut in from all the world without, We sat the clean-winged hearth about, Content to let the north wind roar In baffled rage at pane and door, While the red logs before us beat The frost-like back with tropic heat."

The meeting was opened with a beautiful initiation service in which Miss Winona Schultz of Aspermont was initiated into the chapter as an active member. Mrs. W. O. Malloy of Haskell was welcomed as a transfer member from a Dallas chapter.

The chapter president, Mrs. E. R. Carpenter, conducted the business meeting. Everyone enjoyed the answers to roll call, giving "Christmas Customs 'round the World." Mrs. E. F. Branton and Mrs. G. S. Dowell entertained the group with a clever selection of Christmas games and lively contests.

Mrs. Iva Palmer directed the singing of the Christmas carols. A huge Christmas pie was substituted for the traditional Christmas tree, but the pieces of pie, when unwrapped and examined proved to be very useful little Christmas gifts.

The refreshment plate was both pretty and refreshing, with apple sauce cake, topped with whipped cream, hot fruit punch, salted nuts, and plate favors of real Christmas holly.

Everyone enjoyed Mrs. Campbell telling them the many interesting things about her antique home furnishings and quite an interesting time was spent in examining and discussing the pieces of furniture and other treasures throughout the house.

Present for the meeting were: Meses. Irene Ballard, Veta Farrh, Scott Greene, Iva Palmer, W. O. Malloy, E. R. Wilson and Miss Louise Newman, of Haskell; Lucy Hattox, Ila Moody, Hazel Weaver, Ronelle Wilkinson, Fred Monke and Miss Julia Williams, Weibert; J. E. Green, Rube; Stella Mae Trice, Old Glory; Miss Winona Schultz, Aspermont; and the hostesses, Meses. B. B. Campbell, E. F. Branton, E. R. Carpenter, Otis Cash and Miss Ruth Rice, Knox City, and Mrs. G. S. Dowell, Munday.

Munday Study Club Has its Christmas Party On Friday

The Munday Study Club had its annual Christmas program at the club house on Friday, December 8. Hostesses were Meses. M. H. Reeves, J. W. Roberts, J. D. Crockett, and Chan Hughes.

The Christmas theme was expressed in the decorations, which consisted of containers of red chrysanthemums and a very attractive Christmas tree.

Club members and their guests were greeted by Meses. J. R. Burnison, J. C. Harpham and Chan Hughes.

Mrs. Harpham was director of the program. Mrs. J. W. Roberts introduced those appearing on the musical part of the program, who were: Mrs. Orb Coffman of Gorse, who gave a vocal solo, accompanied at the piano by Mildred Coffman, and Sue Hallmark, who also gave a solo, with Carolyn Hannah as pianist. At the close of the musical numbers, Mrs. Harpham introduced Mrs. Fred Broach Jr., who gave the outstanding part of the program, reviewing the book, "Dragon Seed," by Pearl S. Buck.

The hostesses served spiced tea and cookies. Plate favors were miniature Christmas trees. This was a very lovely occasion and was enjoyed by all who attended.

Munday H. D. Club Has Christmas Party Wednesday

The Munday Home Demonstration Club had a Christmas party on Wednesday, December 13, in the home of Mrs. J. O. Tynes. Christmas games were enjoyed by all.

A delicious refreshment plate was served to the following ladies: Meses. J. R. King, J. B. Graham, J. B. King, R. E. Foshee, J. O. Tynes, Frank Bowley, J. C. Gollehon, Joe Patterson, J. B. Broach, G. L. Pruitt, G. L. Conwell, Earl Pruitt, Swindell and Miss Lucile King.

Miss Dixie Atkinson, who is attending X-Ray technician's school in Dallas, spent the week end here with her parents, Mr. and Mrs. R. D. Atkinson.

CARD OF THANKS

It is with a feeling of deep gratitude that we attempt to express our thanks to everyone who were so kind and thoughtful to us in the death of our beloved companion and father.

Your many kindnesses will always be cherished in our hearts and our prayer is that you will have such loving friends when sorrow comes your way.

Mrs. A. H. Wilde and Family.

CARD OF THANKS

We take this means of expressing our sincere thanks and appreciation to all our friends and neighbors who were so kind and thoughtful to us in the death of our beloved baby and during the illness in our home.

Every word, every thought and deed are deeply appreciated, and we pray God's blessings on you all.

Mr. and Mrs. Homer Lain and Family.

Activities of Colored People

We enjoyed the visit paid our school by "Uncle Hap" Hathaway. He told us an interesting Christmas story and encouraged us to live clean, useful lives. Before leaving he distributed candy to all the children, as has been his custom for the past years. We always look forward to his visits with pleasure.

We wish to express our appreciation to Mrs. Bowden and other members of the Baptist Missionary Society for the glasses and large boiler donated our lunch room this week.

On last Friday night, the foreign and home mission band met with the president Mrs. Elmore Hendric in charge. On the fifth Sunday, there will be a rally at the Church of God in Christ, sponsored by the mission band. Everyone is invited.

On the 2nd of December, Pastor Alexander and wife and Mrs. Hendric were guests for dinner in the home of Mrs. Aline Whittney. They were guests in the home of Mrs. Ida Dean on the third.

Mr. Jess Gardley received a letter from Simon Williams, former Munday resident, who is ill in the hospital at San Angelo, asking for help, and he is thanking the white and colored friends for the liberal donations amounting to over \$21.00.

On Monday night, Mrs. T. V. Scott, president of the Missionary Society, was at her post, and they had a grand meeting; also enjoyed their pastor, Rev. Meadows of Haskell.

ABOUT PASTURES

College Station—T. E. Harvey, Smith county, put one ton of lime and 500 pounds of 20 percent superphosphate on five acres of pasture land. This land was seeded to Dallis grass, White Dutch, Persian and Hop Clover. Two outstanding results were noticeable in September. The clovers were three to four inches high, whereas in the adjoining pasture which had not had superphosphate administered on it, the clover could hardly be seen; and of 48 cattle which were turned in the pasture, all but two went straight to the plot that had been fertilized for grazing. Mr. Harvey spent \$25 per acre on this plot, but he believes the money was well spent, according to County Agricultural Agent M. B. Hill.

HOW MANY ANSWERS TO THIS AD?

HELP WANTED. Industrious, dependable servant to do housework for large family. Must help with washing, ironing, cleaning, cooking, etc. Also expected to entertain family in evenings. No time off. Salary about 15c a day.

Obviously, the only servant who will do so much for so little these days is electricity.

We're glad that electricity is able to work around the clock in war plants and still stay on the job in your home. We're proud that you pay low pre-war wages for its services!

That's news in wartime. It's possible only because of sound business management—and because your friends and neighbors in this company know their business.

MERRY CHRISTMAS

—and thank you!

The Yuletide means a time for expressing sentiments we've had all year. We'd like to express real thanks for the way all our customers—and that includes you—have co-operated with the government's rationing program. You have found shortages at times, and haven't complained. We know our service hasn't always been what we'd like it to be, but you've been good sports. Rationing has caused headaches, but we all know it was necessary. Thanks a million for co-operating, and a

Last Friday night the Moguls had their annual Football Banquet. We had a delicious dinner which was enjoyed by all.

There were about 127 people who attended the Banquet. This is a larger number than has attended in previous years.

The tables were covered with white cloths and were decorated with purple and gold paper. The guests ate by candlelight.

The football boys want to thank Mrs. Bowden and the Pep Squad for such a "super" banquet.

Lloyd Zack Gray made second string team all district tackle this year. The team is very proud of Zack and wish they had him back next year.

After the banquet, football was over until next year and now the Moguls go into basketball. We are very happy to have Supt. Cunningham as our basketball coach. If we follow his instructions we shall come out victorious during our basketball season.

F. F. A. News

The Future Farmers will play both the senior and junior basketball teams from Goree on the local court Tuesday evening at 7:30.

The District F. F. A. meeting and basketball tournament will be held at the Seymour high school on Wednesday afternoon and night this week. About twenty of the local F. F. A. boys will attend and will take their Chapter sweetheart and pianist with them. Munday and Seymour will play the first game of the tournament at 2 p. m. The preliminary games will be completed by six o'clock. From 6:30 to 8:00 p. m. the business and inspirational meeting will be held in the Vocational Agriculture Department and beginning at 8:00 p. m. the finals of the B. B. Tournament will be played in the gym.

The next district F. F. A. meeting will be held in Munday during the first week in February. It will last from 2:00 p. m. to 10:00 p. m. During the afternoon the chapter conducting contests and the demonstration contests will take place. The Home Economic Girls will have open house for the visiting boys; the local F. F. A. Sweetheart will entertain the other chapter sweethearts and their escorts. Outdoor games such as softball, shinney, touch and pass, etc. will be played. The district banquet will begin at 7:30. More than 150 people are expected to attend, of which more than 100 from out of town.

Owing to such a full schedule the regular December meeting will be postponed until after Christmas.

The Community Farm Shop will be ready to open for business the first of January. The F. F. A. boys have done part of the work on the building but owing to cold weather we have not been able to run the

concrete.

Senior News

The class has already put those dreadful old six weeks exams in the back of their minds and gone on to the much brighter things in life.

The invitations were ordered and everyone is trying to think of someone that would enjoy attending the best graduation exercises that have been presented in Munday in a number of years. (Ahem!)

December 21 will be the date for the Senior Christmas party. Committees have been selected and are drumming up some humdinger ideas for one more grand party.

Super Senior Sixth-War-Loan Salesmen—that's the Seniors. The aid of the school has been enlisted to help put over the Sixth War Loan drive and the Seniors intend to do their best and win that twenty-five dollars—both prizes, you know, of twelve and one half dollars. So, fellow citizens, if you want to back the attack, buy war bonds. To buy a war bond, see a Senior. We'll all be winning together!

Junior News

We want to thank the Pep Squad girls for such a swell football banquet! Everyone enjoyed the program and the food was relaly delicious.

Mr. Elliott visited our school Tuesday and talked to us about the sixth war loan drive. To the class that sells the most bonds a \$12.50 prize will be given; and to the class that sells the largest value of bonds the same prize will be given. Much interest is being taken in this bond drive and we know that the Juniors will do their best in this contest.

Christmas holidays are right around the corner so all you high school kids had better get your letters in to Santa Claus; and don't forget something for the soldiers.

Sophomore News

Mr. Elliott visited the high school department and asked us to sell some of those good old "War Bonds." We seem to have built up a reputation for bringing in the money. Anyway we're asked to sell bonds. If we were worried to death over the queen's race, we had a season to worry, but buying those bonds should be a deep and serious thought during the sixth war loan. A comment made by a New York paper was: "Are we going to let our G. I.'s both fight and finance this war?" Think this over, because it's time to do something.

The results of the football banquet showed that two of the Sophomores are still leading the Moguls in next year's football season. By a majority vote Lloyd Haynie was elected Co-Captain. Also out of the class, Carolyn Hannah was elected main cheerleader for the pep squad.

The girls looked rather nice sporting corsages and the boys sporting the girls. It was a very formal and a very nice affair. We congratulate Mrs. Bowden and the Pep Squad girls on their ability to entertain.

Humble Makes Billion Gallons Aviation Gas

Houston—The 14,000 employees of Humble Oil & Refining Company will be signally honored on December 14th at a ceremony commemorating the manufacture of a billion gallons of finished 100 octane Aviation Gasoline at the company's Baytown refinery. The ceremony, which is open to the public, will be held in the grounds of the refinery, adjacent to the main office building and will be attended by high ranking military officials, representatives of governmental agencies and civic and industrial leaders.

Representing Under Secretary of War, Robert P. Patterson, will be Major General Hubert R. Earmon, former commanding general of the 13th Air Force in the South Pacific and now commanding general of the

newly-created AAF Personnel Distribution Command. Humble President, H. C. Wiess will make a token presentation of the billionth gallon of finished 100 Octane Aviation Gasoline to General Harmon, who will accept it on behalf of our nation's armed forces.

Rear Admiral William Ward Smith will represent Secretary of the Navy, James J. Forrestal at the ceremony and voice the appreciation of the Navy for the achievements of Humble people in the production of vital war materials.

Mr. Wiess will also make a token presentation to employees of the medal which was struck especially for the occasion. The medal was designed by Rene Paul Chambellan, prominent American Sculptor and is cast in bronze, depicting various refining operations with a refinery worker in the foreground. The backside of the medal shows a squadron of flying fortresses dropping bombs, while below is printed a congratulatory statement to Humble employees from General H. H. Arnold, signed in his facsimile signature. The medal will be presented in a specially designed booklet which contains a message from the management of Humble, commending the employees for their war production achievements.

Approximately seventy-five employees chosen by lot from the widespread operations of the company will be in attendance as special guests of the company. Several thousand employees and members of their families who live in the vicinity of Baytown will likewise visit the refinery during the period of December 14 to 17th inclusive, at which time booths and exhibits depicting the company's operations and displaying Army and Navy equipment will be open for inspection. Many Humble people, as well as the general public, will be visiting the plant for the first time. Motion pictures, accompanying the exhibits will also be shown to orient visitors to the refinery before they are taken on an inspection tour of the giant petroleum assembly lines. The celebration and all displays will be open to the general public and anyone desiring to visit the refinery may do so, according to company officials.

Mr. and Mrs. P. V. Williams were business visitors in Dallas several days last week.

Winston Blacklock was a business visitor in Haskell last Friday.

Mrs. Hazel Shelton and her sister, Jerry Ratliff of Goree, were visitors in Abilene last Friday.

How Much Is a Billion Gallons of 100-Octane Gasoline?

That's a billion gallons of 100-octane gasoline! But it's more than that. It's the effort of the 14,000 men and women of Humble Oil & Refining Company, who are today celebrating the production of the one-billionth gallon of 100-octane aviation gasoline at Baytown refinery—a remarkable feat in the history of the petroleum industry.

It is one of the wartime contributions of the 14,000 men and women of Humble—scientists, drillers, roustabouts, stenographers, pipeliners, technologists, truck drivers, geologists, glassblowers, stillmen and those working in hundreds of other occupations.

Here is a partial list of their accomplishments to date:

- FIRST** to produce at one refinery a billion gallons of finished 100-octane aviation gasoline. The Baytown refinery has produced more 100-octane aviation gasoline than any other plant in the world.
- FIRST** to produce synthetic toluene. The Baytown Ordnance Works, first to synthesize toluene from petroleum, has supplied the toluene for at least one out of every two bombs used by the United Nations since Pearl Harbor.
- FIRST** in the production of crude oil. Humble Oil & Refining Company is the nation's largest producer of crude oil, and is currently supplying about one-fourth of the increased production required for war as measured by the gain since 1941.
- FIRST** in the transportation of petroleum. The Humble pipe lines transport more oil than any other system, handle one barrel in every seven of the domestic supply.

These accomplishments climax a quarter century of development, planning and team work of a great organization. The men and women who made them possible are behind the billion gallons of 100-octane aviation gasoline. They are behind whatever America needs of them for victory.

Senior News

Some of the conversations held among the seniors seems to be on the subject of graduation. Most of us can hardly wait until we graduate. Yes, we want our school days to end, although we realize that the education we are obtaining in R. H. S. will help us to accomplish a world of good. We all admit that some of our happiest days have been spent in school, in spite of all the work and worrying we have to do.

Plans are being made for our Christmas program, and so far they are progressing very well. A group of the seniors has been chosen to act in a play and these members are doing their best to give an enjoyable performance.

We are beginning to make pos-

ters for our high school play, "Elmer and the Lovebug." Prizes will be given to those who make the best ones, so every one is trying to do his best.

Junior News

This week the juniors have spent their excess time reviewing for tests next week. Gee! do we dread those exams! It seems that everybody is busy trying to complete his English reading assignment of four hundred pages before the end of the week. Those poor librarians have really been kept busy.

In a recent class meeting we selected the following officers:

President—La Verne Albus.
 Vice President—Veronica Franklin.
 Secretary-treasurer—Mary Ann

Decker.
 Reporter—La Verne Albus.

Sophomore News

Miss Claus seems to be leading us a merry chase these days. Yesterday our assignment was to memorize the twenty-third psalm. Herman Schumacher was the first to recite. As he came nervously forward he seemed free of all sense. Everyone was anxiously awaiting the sound of his voice. Then it came. As in a nervous coma he said, "Miss Claus is my teacher—I shall not pass—she caught me to explain hard constructions and exposed my ignorance before the whole class. She maketh me write themes, she destroyeth my peace of mind. Yea, though I study until midnight, I shall gain no knowledge for currency and politics sorely trouble me. She prepareth a test for me. She giveth me a low grade. My sorrow runneth over. Surely sorrow and distress shall follow me all the days of my life and I shall dwell in the Sophomore English class forever. Several hours later when he again became conscious he realized his mistake.

Freshman Report

"Rain, rain, go away, Come again some other day." That is what you heard from the freshmen last week. Since we have short recesses we like to get outside in the fresh air.

Everyone was happy because we didn't have school the Friday after Thanksgiving. Everyone really enjoyed the Thanksgiving dinner. After spending most of our money we were ready to go home.

In our Freshman English and Literature we are reading Christmas stories. The one we are now reading is, "Santa Claus Came to Simpson's Bar" by Bret Harte.

This week we will give our book reports. The freshmen had to read three hundred pages this six weeks. Next week we take our six weeks tests, and do we dread them!

Eighth Grade News

We have elected our class officers this week. They are as follows:
 President—Wynelle Albus.
 Vice President—Betsy Decker.
 Secretary-Treasurer—Eatherine Bellinghausen.

We all contribute to the Junior Red Cross last week.

We have been planning on having a Christmas party the Friday before Christmas. Everyone is anxious for the Christmas holidays to
