coo. Just the other day we notice truck from being destroyed. ed a good-sized boy pick a paper Local people are again warned from the street and place it in the to not burn their trash in the container.

tainers are situated at such the truck. stragetic points as these:

One at Rodgers Grocery, beginning from the east; one at Broach Equipment, one near White Auto, one at Holder's Grocery, one at the bank.

One at the bank, the Farmall House, Tiner Drug, south of Main street at Blacklock Grocery, north on Munday Avenue at the Times Office.

One at Baker-McCarty's, the Fair Store, at Munday Hatchery and at Atkeison's. One at Chan's Cafe, at City Grill and at Morton and Welborn's store.

Then, folks, there are four placed on the city hall lawntwenty of them in all, and they haven't been placed there just for decorative purposes, although they are right smart looking dodads.

. . . . So, wherever you are in town, it won't take many steps for you to go to the nearest one and deposit your waste paper.

Then when a stiff windcomes along, there won't be so many loose papers flying around town, creating messes and fire hazards.

These things rounded out 1948 with quite a few accomplishments, and now a brand new year has been placed right in our laps. What are we gonna do with

We haven't done much with it, so far. As of today, six of those precous days have gone by,

and we haven't got our "needs all figure out, yet.

Christmas day.

THE REXALL STORE

HEY'RE being born in record numbers these days; 4 million babies last year-12 million since the war!

They make one very important reason for the gigantic expansion program of the business-managed electric companies. Another reason is that everybody's appetite for electric service is getting bigger-in towns and on farms, in homes and in industry.

Ordinarily, we work and plan about 5 years ahead to meet the anticipated demand for electric service. (It takes a long time to plan,

build and equip power plants.) Today, in addition, we're working hard to catch up with much needed construction we could not do during the war years!

The West Texas Utilities Company is now rushing the work on an \$18,000,000 construction program. This \$18,000,000 construction program is part of the company policy of anticipating future needs ... of keeping ahead of the babies.

How is this \$18,000,000 being spent? It is paying for new generating facilities ... for improving and enlarging existing equipment ... for hundreds of miles of wire, cable and pole lines. It means new jobs ... agricultural and industrial development ... a more prosperous West Texas for all of us!

West Texas Utilities

ISSUE INTEREST BEARING TIME WARRANTS

Notice is hereby given that the Commissioners' Court of Knox County, Texas, intends on the 24th day of January, 1949, at a Special Session thereof, to pass an order authorizing the issuance of Knox County Road and Bridge Time Warrants, in an amount not exceeding \$7,000.00 bearing interest at the rate of not to exceed 4% per annum, and maturing serially as follows:

\$1,000.00 in each of the years 1950, 1951, 1952, 1953, 1954, 1955 and 1956, interest payable semiannually as it accrues. Said Warrants are to be issued in accordance with the provisions of FOR SALE-'47 Buick sedanette; Chapter 153, Acts of the Regular Session of the Forty Second Leg-

This action is given by the authority of the Commissioners Court of Knox County, Texas.

J. B. Eubank, Jr. County Judge, Knox County, Texas.

Mr. and Mrs. Joe B. Norton and son, Gary Wayne, returned home last Sunday from Conway, Ark., where they visited Mrs. Norton's parents, Mr. and Mrs. Frank Herring, and from Greenville, where they visited Mr. Norton's

and family spent the holidays in McCamey visiting with Mr. and Mrs. Frank Brown and Jerry.

Kraker Krumbs—

(Continued from Page One)

As the old year was fading away, we received some discouragement on the sweeper proposition-it's gonna be almost impossible for the town to secure one, we heard.

But think back over the near impossible things we did last year. Our paving, school building, fog machine, street markers and house numbers, clean-up campaign, garbage collection, drainage district. These loomed up like great mountains when we

So the street sweeper mountain can be overcome. Whether we get it in 1949 or not, it's go ing to be one of our primary needs for the year. What's years?
