

## Kracker Krumb's Odd Bits Salvaged At Random

(By Aaron Edgar)

Would you say "Politics is" or "Politics are"?

That question has bothered us considerably in times past, but right now we're not going to condescend the aid of Mr. Webster to help straighten us out because that might ruin our column for this week.

Politics is (or are) or whichever way you want to use it is plumb alright with us. Then arises the other question: If Polly ticks, what makes her tick?

All of which is a round about way of saying politics is neither is, nor are, in Knox county right at the opening of the second month of this political year. The correct way to say it is "Politics ain't."

Which means the political pot hasn't started to boil yet, and it would quite a bit of kindling wood to make it boil during the type of weather we've been having.

We got to looking through some exchanges during the few leisure moments we had over the week end, and we found politics (is or are) going in full swing in a number of places, except Knox county.

Early in the year, several potential political candidates were quoted in the Abilene paper as having intentions of seeking office during 1948. But, as yet, none of them have made public such intentions.

In the exchanges, we found that Hardeman county had a total of 14 candidates seeking office.

Up in the old home town of Wellington, we found ten of them out for public office, with some opposition between office holders and would-be holders.

Hall county, according to its official voice, The Memphis Democrat, has a total of 16 persons vowing with the voters.

Haskell county leads this particular area, with a total of 23 listed in the Free Press last week, including precinct, county, district, and two out for the state representative post.

Some have announced in Baylor county, but the political column in the Banner must have been crowded out by legal publications.

Board count, to the north of us, has nine aspirants who have let the people know they want their votes.

And on and on it goes. Better than six months until election day, and office seekers are bidding for votes in many area counties.

It's a long and turbulent journey from now until the fourth Saturday in July, but folks are embarking on that voyage already, and most of them know that the journey will end for some of them up the dead end of Salt Creek.

Our guess is that there'll be politics and plenty of it (or them) in Knox county before the final day of reckoning comes.

There'll be office holders seeking another term; there'll be those who've never rowed their course with the political paddle who'll try it this year.

There'll be those who "know" they will be elected, those who believe they have a chance, and those who know the people to vote for them but who are afraid they won't.

Aspirants will begin feeling the pulse" of voters as soon as they thaw out from the recent cold spell, and pretty soon the fire will begin to simmer under the political pot of Knox county and will reach the boiling point along about the middle of June.

The sooner they announce, the longer they will have to run. There may be "dark horses" in the race before the final wind-up.

Some of them will be short-winded, and feel that they can't hold out for the full stretch. They'll come out later, and be hot as a (Continued on Page two)

## Club Calves Win Places In Ft. Worth Show

Knox County 4-H Boys took three places at the Fort Worth Fat Stock Show and Exposition for a total of \$55.00 in prize money, during the 4-H and FFA events Saturday, January 30. No calves were lost in the sifting Friday when over 100 calves were cleaned from the showings.

Showing two League bred calves and one Grissom calf, J. G. Pults of Benjamin took fifth place for \$15.00 in the pen of three division, and ninth and fourteenth places in the Heavy Weight class for \$20.00 each. Donald Pults took thirteenth place in the Open Class Monday with his League Bred Steer in the Heavy class. Boys exhibiting calves at the show included J. G. Pults, 3 calves, Don Pults 1 calf, and Mele Tackitt of Sunset 1 calf. All of these boys are eligible for the Stock Show auction which will be held this Friday. Breeding Cattle entries at the Stock Show included one Hereford Heifer by Jack Idol of the League Ranch of Benjamin and one Angus Bull and one Angus Heifer by Dr. J. B. Reneau of Munday.

The 4-H boys report that they think the show is one of the best that they have seen and are looking forward to a good auction Friday.

## Brazell And Cude Move Repair Shop To New Location

Announcement was made this week that the Brazell and Cude repair shop has moved to the building formerly occupied by Brown Chevrolet Co.

Mr. Brazell and Mr. Cude are in better position to render prompt and expert auto repair service in their new location, and they invite the people of this area to call on them when in need of repair work on their cars, trucks or tractors.

## American Legion To Meet Tuesday

A meeting of Lowry Post No. 44 of American Legion has been called for next Tuesday night at the Legion hall.

Members will discuss ways and means of raising money to pay for the paving project along the Legion property. It is important that all members be on hand and a good attendance is expected.

## RELATIVES VISIT HERE FROM PORTLAND, OREGON

Mrs. Pearl Bowen and son, Ron Bowen, of Portland, Oregon, came in last week for several days' visit with their uncle and aunt, Mr. and Mrs. M. D. McCrary.

Mrs. Bowen had never seen cotton in the fields, so the McCrary's took them to several fields where gathering had not been completed. Young Bowen is a baseball player, being signed up with the West Texas-New Mexico League.

Miss Shelly Lee has returned from Hereford where she had been visiting in the home of Mr. and Mrs. Paul Mathers and family.

## Resigns

C. D. Peckenpaugh, Vice President and General Manager, Fort Worth and Denver City and Wichita Valley Railways, and Vice President, Burlington-Rock Island Railroad, who announced Monday that he will retire from active service effective March 1st, after 58 years service with Burlington Lines.

## Making Hay

Even in these days of the atom and high-flying airplanes, "making hay while the sun shines" is still the rule! And with farm labor costs at an all-time high, farmers find the modern sweep rake a fast and economical one-man way of handling hay to the barn or stack. The rake is lowered and raised by the tractor's hydraulic system. It has an automatic unloading device and can handle more than a quarter-ton at a time.

## Knox County Hospital Notes

Patients in hospital February 3, 1948

Britt Moon, O'Brien, Joe Reid Jones, Truscott, Johnny Jones, Truscott, Charles Burton, Truscott, Mrs. Mary Sharp, Rochester, Mrs. I. F. McLeRoy, Munday, Mrs. Ed Jungman, Munday, Bueford Berryhill, Rochester, Margaret Guerra, Gilliland, Miss Lela Harland, Bomerton, Mrs. Ernest Hughes, O'Brien, Mr. W. B. Farley, Goree, Mr. Glenn Myers, Munday, Elizabeth Napper, Munday, Mrs. W. G. Welborn, Munday, Baby Boy Welborn, Munday, Mrs. Kate Miller, Winters, Mrs. I. F. Holder, Knox City, Mrs. E. L. Yarbrough, Benjamin, Mrs. L. B. Bay, Jr., Gilliland, Mr. Otis Cash, Knox City.

## Births

Mr. and Mrs. Guadalupe Guerra, Gilliland, a Daughter, Mr. and Mrs. W. G. Welborn, Munday, a Son, Mr. and Mrs. H. A. Howell, Knox City, a Son, Mr. and Mrs. C. J. Belcher, Munday, a Daughter, Mr. and Mrs. R. L. Adams, Munday, a Son, Mr. and Mrs. H. S. Foster, Goree, a Daughter.

## Patients dismissed since January 27

Mrs. R. L. Adams, Munday, Baby Boy Adams, Munday, Mr. E. G. Richards, Vera, Mrs. F. H. Propps, Gilliland, Mrs. B. B. Hendrix, Knox City, Ruth Salter, Benjamin, Mrs. Wade Lewis, Munday, Ruby Durham, Munday, Baby Girl Durham, Munday, Eugenia Garcia, Goree, Baby Girl Garcia, Goree, Mrs. T. L. Wilson, Munday, Mr. O. D. Propps, Benjamin, Charles M. Sampter, O'Brien, Jim Lovell, Benjamin, Mrs. W. T. Bradley, Rochester, Cruz Gonzales, Rochester, Mrs. P. E. Revera, Munday, Baby Girl Revera, Munday, Jerry Tomasek, Jr., Truscott, Mrs. Grace Bryt, Glendale, California.

Mrs. H. A. Howell, Knox City, Baby Boy Howell, Knox City, Mrs. S. B. Maddox, Truscott, Mr. Melton Stapp, Haskell, Mrs. Otto Brazell, Munday, Mrs. C. S. Dickey, Munday, Mr. A. F. Homer, Munday, Mrs. Elmo Stephens, O'Brien, Mrs. Hal Fairman, Munday, Mr. M. F. Emerson, O'Brien, Mrs. Howard Myers, Munday, Dewey Myers, Munday, Maria Romides, Munday, Sue Hodges, Munday, Mrs. H. S. Foster, Goree, Baby Girl Foster, Goree, Mrs. J. M. Hoge, Throckmorton, W. R. Reid, Munday, Mr. J. E. Hunter, Knox City, Glenn Beauchamp, O'Brien, Oscar Mangus, Knox City, Ray Paschall, Elbert, Mr. A. B. Gallia, Knox City, Mrs. Tom Everett, Knox City, Billy Joe Fritts, Rochester, Mr. B. S. Westbrook, Truscott, Charles Dowding, Knox City, Clifford Straw, Munday, Mrs. George Wade, Rochester, Mrs. C. J. Belcher, Munday, Baby Girl Belcher, Munday, Mrs. T. Hollingsworth, Rochester, Baby Girl Hollingsworth, Rochester, Jimmie Robinson, Knox City, Mrs. Rae Eastland, Stamford.

## Deaths

Mr. A. B. Gallia, Knox City.

## Cotton Ginnings

Census reports from the Department of Commerce, bureau of the census, Washington, shows that a total of 27,892 bales of cotton were ginned in Knox county from the crop of 1947, prior to January 16, 1948, as compared with 15,754 bales from the crop of 1946.

The Times received this report Tuesday from Hoyle A. Sullins of Vera, special agent for the Department.

## Basketball Tourney Here Draws Interest; Finals Saturday Night

(By Wade T. Mahan)

First round games in the Munday Jaycee Invitational Basketball tournament were played Monday and Tuesday nights with results as follows:

In the very first game of the tournament fans got an indication of the fun in store when Knox City nosed out Weimer 48 to 46. Staging the tourney's best comeback thus far, Weimer came from a 16 to 3 deficit in the first quarter to tie the count at 46-all with only 22 seconds left to play, on a neat crisp shot by R. F. Jossellett. Stevens of Knox City then iced the game away for the winners with a looping two-pointer just 11 seconds before the game ended in a screaming frenzy from the hundreds of excited fans.

A. Dunham of the losing Weimer team scored 24 points to become high scorer for the entire first round of games.

Hewitt of Knox City dropped in twenty points for the runner up spot, as in Dunham's case, not only to start the first game, but also for the entire first round of games.

Crowell moved past Anson into the second round of tournament play when Anson failed to appear in time to start their game as scheduled at 8 o'clock.

In the final Monday evening game, the Munday Jaycees beat Seymour 55 to 30. This game, as always is the case when Munday and Seymour tangle in an athletic event, gave the fans many thrills before the Jaycees successfully pulled away to a comfortable margin. The unusual feat of one player scoring all of one team's points in one quarter was exhibited to the crowd when Bowen, Munday

## Lewis Floyd Is Candidate For Knox Sheriff

L. C. (Lewis) Floyd announced this week that he will be a candidate for the office of Sheriff of Knox County in the coming Democratic primaries.

Mr. Floyd needs no introduction to the majority of the voters of Knox County, having been a resident of the county for 58 years. He served as sheriff for two terms, from 1943 to 1947, and feels he is well qualified by experience to fill the office.

Mr. Floyd will make a formal statement to the voters at a later date.

Between now and the time the primaries are held, he will endeavor to see as many of the voters in the county as possible and place his candidacy before them personally.

In the meantime, he solicits and will appreciate any support given his candidacy.

## HOME FROM HOSPITAL

Mrs. P. B. Broach, Sr., who has been undergoing treatment in the Hendrick's Memorial Hospital in Abilene for two weeks, was brought home last Sunday. She is reported to be greatly improved. Her daughter, Mrs. Louise Ingram, remained in Abilene with her during her stay in the hospital.

## Former Area Minister And Two Of Grandchildren Die Of Asphyxiation Concert Leader

William Z. Rozan, above, head of Municipal Concerts, is bringing splendid artistic treats and general enjoyment to many Texas communities, including Metropolitan Opera singers, violinists, pianists and lecturers who have long been appearing in larger cities.

## Chillicothe To Play Moguls Here Friday Night

Coach Billy Cloud announced Thursday that the Munday Moguls and Chillicothe will be engaged in basketball and volleyball games here Friday night, beginning at seven o'clock.

Volleyball games will open the night's activities, with Munday and Chillicothe girls participating. This will be followed by games between B and A teams of the schools.

## Seymour Here Tuesday

Coach Cloud announced that the Seymour Panthers will play the Moguls here next Tuesday night in what will probably be the deciding game of this district.

Seymour won the last game between the two teams, 34-30, and the Moguls will be attempting to tie the things up and get a chance at a play-off game.

Good crowds are expected to these games.

## Special Services Planned At Haskell Methodist Church

Dr. F. Crossley Morgan of Concord, North Carolina will conduct Bible Conferences and Evangelistic Services at the First Methodist Church in Haskell, February 15-20 inclusive. These services will be sponsored by the Presbyterian and Methodist Churches of Haskell. Services will be held each morning at 10 o'clock and in the evening at 7:30.

Dr. Morgan is the son of Dr. and Mrs. G. Campbell Morgan and was born in London, England. He was educated in England and was a First Lieutenant in the First World War. He came to the U. S. in 1919. He was ordained by the Fort Wayne Presbytery of the U. S. in December 31, 1920. He served several pastorates before entering the Bible Conference work in March 1944. His passion is the acceptance of the faith and practice. His great Bible messages have been an inspiration to many churches throughout the United States.

The public is most cordially invited to attend all the services.

Mr. and Mrs. D. E. Holder, Jr. spent the week end in Fort Worth where they attended the Fat Stock Show.

## Weather Report

Weather report for the period of Jan. 29th through Feb. 4th 1948 as recorded and compiled by H. P. Hill, Munday U. S. Cooperative Weather Observer:

	Temperature	
	LOW	HIGH
1948-1947		
Jan. 29	16	47
Jan. 30	20	32
Jan. 31	19	31
Feb. 1	26	25
Feb. 2	37	27
Feb. 3	39	42
Feb. 4	36	26

Rainfall to date this year, .87 inches. Rainfall to this date last year, .60 inches.

Rev. Thomas S. Barcus, 70, of El Paso, retired Methodist minister and former presiding elder of the Stamford district, and two of his grandchildren, Wade Lancaster, aged 5, and his sister, Ann, were asphyxiated in Fort Worth last Sunday morning while they slept, as carbon monoxide gas fumes from a central heater circulated through the eight-room home of the children's parents.

The children's grandmother, Mrs. Thomas S. Barcus, was in a critical condition at All Saints Hospital, suffering from monoxide gas poisoning.

The parents, Mr. and Mrs. Jesse W. Lancaster of Fort Worth, were in Guatemala City, Guatemala, on a month-long trip. Rev. and Mrs. Barcus were caring for their grandchildren in the absence of their parents.

A negro maid, Thelma Hicks, entering the house at 10 a. m. found the bodies and called police. A neighbor, called to the scene by the maid, found Mrs. Barcus still breathing and called an ambulance.

Rev. Barcus retired from the ministry in 1942 after 44 years of service. He held pastorates in Fort

Word came over the radio Thursday morning that Mrs. Barcus passed away Wednesday night in a Fort Worth hospital, the fourth victim of the tragedy. Funeral services for Rev. Barcus and his two grandchildren were conducted at 2 p. m. Wednesday in the First Methodist church sanctuary in Fort Worth.

Worth, Houston, Orange, Graham, Plainview, Hereford, Longview and Big Spring, and was presiding elder of the Stamford and Brownwood districts of the Methodist Conference.

He was one of six brothers, four of whom were Methodist ministers. Their father, the late Rev. E. R. Barcus, came to Texas in 1850 and settled near Waco. He traveled over Central Texas on horseback preaching at people's homes.

Among the surviving brothers are Rev. J. Sam Barcus of Georgetown; former president of Southwestern University, and Rev. E. R. Barcus of Dallas. Another brother, George W. Barcus is on the staff of the attorney general's office in Dallas.

## Hospital Has Busy Month In January, 1948

January, 1948, was a busy month with doctors, nurses and attendants at the Knox County Hospital, according to the records kept during the month.

The hospital reached an almost record month in births, it was reported, with a total of 38 babies being delivered during January. Sixteen boys and 22 girls were born at the hospital.

All available rooms and beds have been taken up practically all the time, and the need for greater hospital facilities is felt more each day. With construction work begun on the new wing, this need will be met sometime in the future.

The admittance record has also gone higher, the hospital staff stated. A total of 218 patients were admitted during the month, including "out patients" and babies.

## KNOX CHAPTER TO MEET TUESDAY NIGHT

The regular meeting of Knox Chapter No. 260, R. A. M., will be held next Tuesday night at the Masonic Hall.

Work will be done in the Mark Master and Post Master degrees. Officers of the chapter urge all Royal Arch Masons to attend, and they extend a cordial invitation to visiting members.

## BIRTH ANNOUNCEMENT

Mr. and Mrs. W. G. Welborn are the proud parents of a boy born last Friday, January 30, at the Knox county hospital. The little boy has been named W. G. Jr. and will be known as Bill. He weighed 7 lbs. and 2 ozs. Both mother and little son are reported doing nicely.

Mr. and Mrs. W. R. Moore attended the fat stock show in Fort Worth over the week end.

### MUNDAY'S NEEDS FOR 1948

1. A modern and up-to-date high school building, to care for the present and future educational needs of our children.
2. A waterworks system that meets all requirements of health, sanitation and supply.
3. A street sweeper that will keep our pavement clean enough to be recognized as pavement.
4. A clean-up campaign of lasting effect; yea, one that extends even across the tracks.
5. Completion of our drainage and paving program, which will probably be accomplished this year.
6. More activity among our civic organizations, looking forward to, and planning for, a better Munday in the future.

### WE LIVE ON STEEL

The side of the steel picture which is most frequently presented to the public is concerned with shortages. It is high time we recognized some of the reasons for shortages. The causes lie in the changed manner of living and working of the American people.

Farming is a fine example. Not so long ago the horse and wagon were agriculture's main motive power. Now we have mechanized agriculture. The farmer's work is done with a long list of machines and tools, all of which involve steel—from an electric transformer to a big tractor. Steel is the very basis of present day agricultural techniques. Here is one striking illustration of why the demand for steel has increased. Farm labor scarcity has caused the use of steel in countless appliances to maintain production.

The same thing is true throughout industry. Motors, the electric utilities, the oil industry, farm equipment manufacturers, makers of household labor-saving devices—all are expanding to meet an

### WATCH OPEN FLAME HEATERS

According to engineers of the National Board of Fire Underwriters, emergency operation of unvented open flame gas and oil heaters brings a serious hazard to life in the home. If a house is tightly closed or a room is small, the oxygen present is gradually burned up, and the products of combustion develop dangerously high percentages of deadly carbon monoxide. The combination of toxic carbon monoxide and the asphyxiation produced by inadequate oxygen may result in a drowsy, painless death.

Inasmuch as these heaters are frequently used to implement regular heating systems, three safety rules suggested by the National Board should be known to every householder. First, the doors to individual rooms in which the heaters are burning should not be closed. Second, the heaters should never be left burning upon retiring for the night. Finally, the heaters should not be used as the permanent or sole source of heat for habitable rooms.

Smoke issuing from any open flame heater is a danger signal—it indicates a deficiency of oxygen or a dirty or badly-adjusted burner. A number of deaths were caused by the heaters during recent cold spells, and knowledge and caution in the home can prevent a repetition of these tragedies. Don't take a chance.

enormous and growing demand. Heavy industry, light industry, and consumer activity alike want steel in record quantities.

Steel is expanding, and a billion-dollar building program has been underway for some time. Steel has been plagued with strikes in its own and in related industries, such as coal, which cost the country vast tonnage. Its capacity is at a record peace-time level. We're hungry for steel because of a pent-up demand of unimaginable proportions.

Mr. and Mrs. Regional Walling and family spent Sunday in Fort Worth, where they attended the Southwestern Exposition and Fat Stock Show.

### Weekly Health LETTER

Issued by Dr. Geo. W. Cox  
M. D., State Health Officer  
of Texas

Austin—It is estimated that during 1947 there were 195,000 live births and 61,000 deaths in Texas. The number of births in 1947 far exceeds the former record of 180,000 in 1946. The excess of births over deaths last year gave Texas a natural increase in population of 134,000 people, according to Dr. Geo. W. Cox, State Health Officer.

It has been apparent for some time that reductions in the mortality due to preventable causes could not any longer offset the staggering increase in the number of deaths due to cancer and the various heart diseases. For the reason, it was not difficult to pre-

dict that 1947 would see the general death rate begin an upward trend.

Practically all of the increase in the mortality during the first nine months of 1947 may be attributed to the steadily mounting toll of death levied against the population by heart diseases, cancer, and apoplexy.

Considerable satisfaction should come to those engaged in public health work in knowing that during the first three quarters of 1947 the lowest death rates ever reached in Texas were reached for the following diseases: Typhoid fever, diarrhea and dysentery, scarlet fever, diphtheria, measles, poliomyelitis, tuberculosis, malaria, syphilis, pellagra, and typhus fever.

Mr. and Mrs. J. E. Reeves were visitors in Wichita Falls last Monday afternoon, and Mr. Reeves attended a meeting of area Boy Scout leaders Monday night.

### Do You Have Noisy Neighbors?

A lot of the neighbors were suddenly annoyed by Jeb Crowell's hammering at night. Jeb was building himself a new front porch—and the only time that he could give to it was after sundown.

Finally we decided the best thing to do was all pitch in and help—and get the carpentry over with as soon as possible. We did. Finished the porch next evening—and Jeb gratefully treated us to ice cold beer and cider.

From where I sit, that's what being a good neighbor means. In-

stead of complaining about the other fellow's habits, try to understand and share his interests.

So if my practising on the flute annoys you, come on over, neighbor, with your fiddle or guitar and join me! Maybe it will end up in our knowing and appreciating one another better . . . in an evening of good fellowship. And I'll promise to provide the beer that goes with evenings of good fellowship!

Joe Marsh

## Knox Prairie Philosopher Reads About All The Money People Have, But Wants To Know Where It Is

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek doesn't have much head for figures, his letter this week reveals.

Dear editor:  
I've been reading in your paper and nearly every copy of every other paper that turns up out here on Miller Creek about all the money the country has.

J. A.

According to the papers, we've got more money than we ever had before in history, the banks are so full the clerks have to watch where they're walking to keep from trampling on stacks of currency and some presidents won't bend over to pick up a dropped bill if it's less than five dol-

lars, although they don't live in this vicinity, maybe up north.

Sizing up this money situation some economists in Washington has adjusted himself in his swivel chair and figured out everybody in the country has \$175 in cash and I want you to know, before you start billing me for a subscription to your paper, that it may work out that way on paper in Washington but not out here in practice in the creek. I'd be perfectly willing to have the money parceled out, but without going into too many details I will frankly admit the Washington economist's mathematics don't fit me, or, in other words, I ain't got \$175.

However, this same economist has figured up the debt of the country and discovered it amounts to \$135 apiece for everybody, and he ain't no nearer the truth on this one, as I could pay off \$135 in debts and still not be welcome in half the stores doing credit business in Knox or Haskell County,

## Sewing Projects Begun By County's 4-H Club Girls

This month, 4-H Club girls in Knox County are starting on their first sewing projects, and it is a big event. During the fall, meetings were held on Selection and Use of Sewing Equipment, and the girls learned basic points about use of sewing equipment. Each girl then equipped herself with a 4-H Sewing Box to be brought to meetings on Clothing. At following meetings, problems about constructing a simple skirt were discussed. The girls had a demonstration on the selection and purchasing of cotton material for a gathered skirt, and discussed type of material suitable, combining plaids and figures into their blou-

se wardrobes, and materials best suited to various types of figures. Each girl is to bring the material for her skirt to the regular January meeting. The subject for this meeting is Preparing to Begin. Steps are demonstrated in the shrinking of material, straightening it on the ends to insure correct grain-line in the skirt. Members learn that a carelessly cut garment often hangs unevenly for the duration of its wear. Other demonstrations for the month include how to gather a skirt and attach it to a skirt band, and how to insert a zipper.

In some of the clubs, the agent, Eugenia Butler, is assisted in these demonstrations by club sponsors. These clubs who are fortunate enough to have active sponsors enjoy a more worthwhile program, as they hold two meetings per month. All clubs are looking forward to securing a sponsor to work with them and back up the 4-H club program.

The high-light of the 4-H Club Girls program this year will be a County-Wide Dress Revue to be held the last week in May. The winner of this contest for the best constructed school dress will go to College Station to represent this county in the State Dress Revue at State Round-Up in June.

Mr. and Mrs. Ralph A. Geddie of Lubbock spent the week end with Mr. and Mrs. Stanley Wardlaw. Mrs. Wardlaw and Tim Wardlaw returned to Lubbock with them.

## LOCALS

Ronald Foshee of A. & M. College, College Station, is visiting with his parents, Mr. and Mrs. R. E. Foshee, during the mid-semester term.

Arlidge Suggs of John Tarleton College, Stephenville, spent several days' with his parents, Mr. and Mrs. Raymond Suggs.

Charlie Massey Jr., Raymond Mitchell and Dickie Owens of Hardin College, Wichita Falls, spent the week end with home folks.

Misses Carolyn Bowden and Bobbie Whitworth of Hardin Simmons University, Abilene, spent the week end with home folks.

Mr. and Mrs. Bryan Cammack were business visitors in Wichita Falls last Thursday.

Mr. and Mrs. S. Hassen of Haskell and Mr. and Mrs. Frank Silman and K. Silman of Rochester spent last Sunday in the home of Sam and George Salem.

Mr. and Mrs. D. C. Swindle left last Friday for Alpine where they will make their home. Mr. Swindle is employed with the West Texas Utilities Co. there.

## Ray D. Ford And Miss Patsy High Wed In Jacksboro

Miss Patsy High, daughter of Mr. and Mrs. Hershall High of Seymour and Ray Ford, son of Mr. and Mrs. W. R. Ford of Munday were united in marriage in Jacksboro on December 20, 1947 at 2 p. m. The ceremony was performed by the Rev. R. C. Ledbetter, pastor of the Church of Christ of Jacksboro.

The bride wore a blue dress with black accessories. She is a graduate of Seymour high school.

Mr. Ford served thirteen months in the navy, two of which were served overseas. He attended school at Goree and Munday.

The couple plan to make their home in Munday where Mr. Ford is employed with the West Texas Utilities Co.

## 42 Party And Box Supper Held At Benjamin

Saturday evening, January 31, 1948, the P. T. A., Home Demonstration Club and Sorosis Club Ladies, of the Benjamin Community, sponsored a "42" party and "box supper."

Many exciting games of progressive "42" were played during the evening. Then came the hour for auctioning the attractive boxes. The bidders were very alert,

## Methodist WSCS Meets Monday In Williams Home

The Womens Society of Christian Service met in the home of Mrs. P. V. Williams Monday afternoon February 2. Mrs. J. D. Crockett was co-hostess, for the monthly business and social.

Mrs. McStay, president, called the meeting to order and the society proceeded with the business session, a fine program was heard on the topic, "That They May be One." Mrs. M. F. Billingsley was program director. Mrs. S. A. Bowden led the devotional followed by a prayer by Mrs. McStay, Mrs. Davidson, Mrs. Borden and Mrs. Atkinson gave very interesting parts on the program.

We are to study, "Great Prayers of the Bible" under the able direction of Mrs. J. C. Rice and we want you to be with us. Won't you come?

The hostesses served cake and coffee to nineteen members of the W. S. C. S.

and some competition was strong on some boxes. The proceeds from the boxes, totaling \$54.00, was given to the "March of Dimes."

Hot chocolate and coffee was served by the ladies to go with the boxes.

Everyone present for the evening, entertainment expressed themselves as having a wonderful time.

## Teacher's Pet

YAKIMA, WASH.—Jerry Syrcie, 6, shouldn't have any trouble winning favor after polishing this apple for his teacher, Verna Eastman. Of course, big apples from Washington state don't grow quite as large as the trick camera makes this one appear. It is just symbolic of the Yakima apple country's bumper crop. And Jerry represents thousands of small boys who will be bringing Washington apples to their teachers all over America.

Mrs. R. M. Almanrode spent several days in Dallas last week attending a board meeting of the Home Demonstration.

## Hefner H. D. Club Meets Recently With Mrs. Holder

The Hefner home demonstration club met in the home of Mrs. Ben Holder on Tuesday afternoon, February 3. Twelve members and the home demonstration agent, Miss Eugenia Butler, were present.

Mrs. Ramon Smith was elected living room demonstrator for this year, and Mrs. Hutchens was named delegate to the district meeting. Mrs. Weber was elected secretary.

Miss Butler gave a very interesting talk on color combinations. The next meeting will be in the home of Mrs. Mooney.

## REDUCES PRICES TO HALT INFLATION

CHICAGO—In the first downward movement of prices since 1939, Hotpoint, Inc., one of the nation's largest electric appliance manufacturers, has announced it is joining in the fight initiated by General Electric company, to curb inflation by reducing prices on its electric ranges, refrigerators, water heaters and Disposalls. James J. Nance, president, above, said that the reduced prices amounted to as much as 10% on new 1948 models recently introduced, and that reductions of as much as \$20 were made on some popularly priced models despite the greatest demand for Hotpoint appliances in the company's history.

"As a leader in the electric appliance industry we wholeheartedly subscribe to this crusade for lower prices. We expect to maintain these prices provided there are no further increases in our cost of labor and materials, and that there is no distortion of materials through rationing or new allocation," Nance said. He added that inflation is the greatest threat to America's progress and prosperity. "The country's gains of recent years could be wiped out if the upward trend of prices and wages were not reversed."

Hotpoint is now completing a \$20 million expansion program at five midwest plants that will triple former production capacities on its electric ranges, water heaters and dishwashers. The company's facilities for the production of refrigerators and home laundry equipment have already been enlarged to double prewar capacity.

Mr. Lewis Cartwright, and son, Keith, of Munday, were business

## Donald K. Hobert, Edith McWilliams Marry In Menard

Marriage vows were exchanged in the First Baptist church of Menard, Texas, on Saturday afternoon, January 24, at five o'clock to unite Donald K. Hobert of Munday and Miss Edith McWilliams of Menard. Rev. Ralph Wooten, pastor, officiated.

Vows were exchanged in the presence of only members of the immediate families, including the groom's parents, Mr. and Mrs. L. W. Hobert of Munday.

The bride was attractive in a suit of rose wool crepe with black accessories. She carried a white Bible and a bouquet of gardenia, showered with satin ribbon.

Miss Ann Wyatt played the wedding march and furnished other selections.

Mrs. Hobert is the daughter of Mr. and Mrs. D. A. McWilliams, prominent ranch people of Menard county. She is a graduate of Menard school and attended John Tarleton Agricultural College at Stephenville and Texas Tech at Lubbock. She is a member of the faculty of the Knox City schools.

The groom was reared in Munday and is a graduate of the local high school. He attended John Tarleton and Texas A and M College before entering the Navy. He served as a lieutenant in the Navy Reserves for three and one-half years. Since his discharge, he has been associated with his father in farming.

Immediately after the wedding, the couple left on a wedding trip to San Antonio and the Rio Grande Valley. They will make their home in Knox City, and Mr. Hobert will continue his farming operations.

visitors here Friday of last week.

Mr. and Mrs. Jim Potts and family, J. C. Carpenter, County Agent, Johnny McLaughy, son of Mr. and Mrs. M. D. McLaughy and Bryson Laird, son of Mr. and Mrs. P. W. Laird were among those from Benjamin attending the Fort Worth Fair Stock show Friday and Saturday of last week.

Mr. and Mrs. M. A. (Buddy) Bumpass, and son, Billy, were in Munday Saturday visiting and on business.

Among the business visitors in Benjamin Monday of this week were Mr. O. L. Knight, of Knox City, Mr. George Nix, of Goree, Mr. Lee Smith, of Knox City, Mr. Onie Welch, of Gilliland, Tommy Tapp of Truscott, and Mr. Henry Followell and son, Dorman, both of Munday.

Mr. and Mrs. Loyd King and small sons, of Goree, visited in the home of Mrs. W. A. Barnett and family Monday of this week.

Miss Louise Brown, and her brother John Brown, both of Munday, are working in the Tax Collectors office this week. We are very happy to have Miss Brown back with us; she was a former employee in this office. We are also very happy to have Mr. Brown working with us.

Miss Betty Fox, of McAdoo, vis-

THE STORE WITH THE GOODS

**You Pay For It**

By **GEORGE S. BENSON**  
President of Harding College  
Secoy, Arkansas

OTHER DAY that classic journal of ours, the Arkansas Gazette, commented: "The government has it all figured out what people do with every penny of their money. Now, if only the people could figure out what the government does with it." That is a real poser! To be sure, government has to spend a lot of money. We are a big nation. Moreover, we find it necessary to take on obligations in many foreign lands.

But whether the government (specifically the federal government, where they throw around the big sums) spends no more than is needful is important to everyone. Government is not a luxury; it is a necessity. Yet, to read the budget figures, you would think all operations were on a luxury basis.

**The Way To Depression** THAT government is expensive was proved again by John T. Flynn, who showed in Reader's Digest that TVA, a government project, forgot to include certain items in its bookkeeping. Instead of the indicated profit, there was a real deficit of \$130,000,000 to June 30, 1944. Flynn shows there was an actual loss in sales of power to that date of \$15,000,000. This demonstrates that efficiency is a quality unknown to government operations.

Here's a prophecy. Wait until the budget is presented to this Congress, then watch the departments and bureaus fight any reductions. Increase the appropriation and swell the payroll—but shrink the swollen department! Never. This kind of selfishness means meager tax savings. It permits very little tax reduction

for folks who so much need relief. The more we tax and the more we spend for government, the nearer we get to depression.

**Decisions TAXES** of all kinds Lie Ahead are too heavy these days. Corporation taxes are burdensome. Income taxes on all levels are too high. The individual income taxes cut down the rewards of the wage earner, keeping him from saving and investing. Instead, his tax payment is earmarked: "government expense." Some people oppose tax reductions for corporations and individuals, without realizing that continued heavy taxes will undermine our economic system and their own standard of living.

Obviously, one of the quickest ways to halt wasteful and unprofitable bureaucracy is to stop feeding fuel to its fires. Government, without a plentiful supply of tax money, could hardly be wasteful government. Congress has the power to say what the government shall spend and what amount it shall collect in taxes. It is up to us to see that our Congress keeps a proper rein on collections and expenditures.

Unwise spending and taxing could take this nation into the bankruptcy of communism. It could do it more quickly than anything else. Indeed, the power to tax is the power to destroy. We must see to it that America keeps an efficient and well-managed government, not a wasteful bureaucracy. That will be a powerful factor in deciding, in the coming months, whether America will remain prosperous and economically stable.

**Goree News Items**

Children and grandchildren of Mr. and Mrs. J. C. Morton present Sunday February 1 for their golden wedding celebration were as follows: Calvin Morton, Glendale, Calif.; John Morton, Holtville, Calif.; Mr. and Mrs. Pat Morton, Irvine, Calif.; Mr. and Mrs. Jim Morton, Marylyn and Micky Jim, Hollydal, Calif.; Edna Morton, Laguna Beach Calif.; Mrs. Sadie Burton, Billy Guy, Nancy and Sue, Costa Mesa, Calif.; Mrs. Imogene Leflar and Terry Lee, Gardena, Calif.; Mr. and Mrs. Lee Bomar, Joe and Patsy, Mr. and Mrs. Wayne Crawford and Marylen, Silverton, Texas; Mr. and Mrs. Don Alexander and James Ross, Childress; Mr. and Mrs. Raymond Cockerell, Westover; Mrs. Myra Bigham, Wichita Falls; Mrs. Sam Warren, Deaky, Linda and Johnny, Joy Kay Morton, Munday; Gene and Wayne Bingham and Buddy Laynel of Goree. A complete write up of this celebration

will appear in a later edition of this paper.

Mr. and Mrs. Charles Goode of Kim, Colo., visited friends and relatives in Goree several days last week.

Mrs. J. E. Fritz, Mrs. Henry Griffith and Mrs. Wallace Moorhouse were Goree visitors Saturday.

Mr. and Mrs. Ira Stalcup and Edwards, Mr. and Mrs. Beverly King of Graham were stock show visitors Sunday.

Mr. and Mrs. Jim McNeese of Turkey came Sunday for the golden wedding celebration of Mr. and Mrs. J. C. Morton, Jim is a brother of Mrs. Morton.

Charles Arnold of Austin visited home folks Sunday. He also visited his little niece, Linda Ann and her parents, Mr. and Mrs. Dalton Jones of Seymour.

**1948 Insect Control Program To Give New Hope To Cotton Belt**

An optimistic outlook for Cotton Belt farmers, who annually suffer a \$283,000,000 loss at the hands of cotton-attacking insects, was held out by the Southeastern Cotton Insect Control Conference at Columbia, S. C., recently.

An intensive, new insect control program for the entire Cotton Belt was drawn up by outstanding agriculturists, insecticide manufacturers, sprayer and duster equipment fabricators, and cotton at the meeting sponsored by the National Cotton Council.

In planning 1948 insect control measures, it was emphasized that one of the major requirements for the success of the program is that farmers make their choice and place orders for insecticides and equipment as early as possible.

Dr. R. W. Harned, in charge, division of cotton insects, Bureau of Entomology and Plant Quarantine, Washington, D. C., announced the 1948 recommendations for cotton insect control.

Highlighting his report were recommendations on the following insecticides:

**Benzene Hexachloride**—Results obtained throughout the Cotton Belt indicate that benzene hexachloride may be useful for control of: boll weevil, cotton aphid, cotton fleahopper, tarnished plant bug, rapid plant bug, cotton leafworm, thrips, southern green stink bug, garden webworm, and fall army worm. Benzene hexachloride failed to control the bollworm and spider; and in many experiments it produced conditions which resulted in a great increase in their numbers. Benzene hexachloride killed many beneficial insects.

Results of experiments showed that a dosage of approximately one-third pound of gamma isomer per acre gave satisfactory control of the insects just named, and that one-half pound of gamma isomer gave a quick "knock out" of a heavy aphid population.

As a cotton insecticide, definite advantages have resulted through mixture with other toxicants. A mixture containing three per cent gamma benzene hexachloride, five per cent DDT, plus 40 per cent sulphur has been especially effective.

**Calcium Arsenate**—This insecticide was termed "an economical and effective insecticide" for boll weevil and cotton leafworm control, but admittedly it will not control the pink bollworm, cotton fleahopper, cotton aphid, common red spider, tarnished plant bug, and rapid plant bug.

For boll weevil and cotton leafworm control use of seven to 10 pounds per acre is recommended. For bollworm control the amount

should be stepped up to 12 to 16 pounds per acre. For fleahopper, tarnished plant bug, and rapid plant bug, use of 15 pounds per acre of a mixture of two-thirds sulphur and one-third calcium arsenate is recommended.

Two per cent of nicotine and alternate applications of calcium arsenate are one per cent nicotine in all applications of calcium arsenate will prevent a cotton aphid buildup if properly applied.

**Chlordane**—No official recommendation was made on use of chlordane because "additional research is needed to determine its effectiveness alone and in combination with other materials." Results of some field tests indicate that a 10 per cent chlordane dust gave boll weevil control equal to that of calcium arsenate, prevented an aphid buildup and killed weevils developing in squares.

**Chlorinated Camphene (Toxaphene)**—Experiments have shown that chlorinated camphene will control the following cotton insects: boll weevil, bollworm, cotton fleahopper, thrips, cotton leafworm, southern green stink bug, rapid plant bug, and tarnished plant bug. Two pounds per acre of the technical material (10 pounds of 20 per cent dust) is recommended for all of these pests, except the fleahopper, rapid plant bug, and tarnished plant bug, which may be controlled with one pound of technical chlorinated camphene per acre (10 pounds of 10 per cent dust). Two pounds of the technical material per acre will suppress the aphid, but will not control heavy infestations. It does not control red spiders and may result in their increase unless the dust contains at least 40 per cent sulphur.

Cotton Council officials stressed

the fact that recommendations for all of the insecticides vary from state to state to suit local conditions. They urged that farmers consult their county agents or vocational agriculture instructors in planning their insect control programs.

**LOCALS**

Misses Carolyn Bowden and Bobbie Whitworth went to Abilene Wednesday to enter H. S. U. for second semester.

Miss Jo Ann Whittemore and Miss Barbara Russell of Plainview, students in Abilene Christian College, spent the between-semester holidays here with Jo Ann's parents, Mr. and Mrs. Ed Whittemore.

Ronald Foshee, student in Texas A and M College, returned to school this week after spending the mid-term holidays with his parents, Mr. and Mrs. R. E. Foshee.

USDA'S State Crop Insurance office reports that 3,993 cotton claims for indemnity have been received under the 1947 program and final payments in Texas will amount to approximately \$1,180,000.

Rev. Bolden of Vernon, pastor of Scott's Chapel Methodist Church held service Sunday and Mr. and Mrs. John Keys united with the church.

Mrs. Elizabeth Nappers entered the Knox City hospital Saturday and is reported doing fine.

Mrs. Mable Hawkins has been very ill but is on the way to recovery.

M. W. Wilson, who rented from Mr. Jungman servant quarters was destroyed by fire on Monday night.

Rev. and Mrs. Silvester Sanders left Wednesday for Abilene to attend the district meeting of the Church of God in Christ.

**Reeves Named An Officer Of Area Scouters**

R. B. Anderson, Vernon, was re-elected president of the north-west Texas Council of Boy Scouts for 1948 and three area scouters received the Silver Beaver award, highest honor bestowed upon scouters by the Boy Scouts of America, during the council's annual meeting here Monday night.

The Silver Beaver award went to John Ebner, Wichita Falls; Pierre Stine, Henrietta, and Ed Forbes, Electra, Hunter Jones made the presentation.

Other council officers for 1948 are T. J. Waggoner Jr., L. H. Culbertson and J. E. Reeves, vice presidents; Dr. Karl Weststone, commissioner; C. E. McCutchen, treasurer; J. N. Sherill, national council representative, and George D. Fox and J. J. Perkins, representatives.

**Scoutmaster's Key** Martin Nelson, Troop 16 scoutmaster; Eddie Brown, former scoutmaster of Troop 16 and now district commissioner, and Walter

Krog, high ranking officer of the Order of the Arrow, received scoutmaster's key's.

A pageant entitled "Our Heritage" was presented by scouting units of this area.

**Buffet Dinner** Scouts, their parents and area scouters witnessed the pageant, which depicted the growth and origin of scouting in Texas since the coming of the white man to America. The pageant and an address by President Anderson were presented in the high school auditorium.

During a buffet dinner in the high school cafeteria, Dr. Karl Weststone announced certificates of award to scoutmasters and leaders of 19 area cub packs, 20 area troops and two area Explorer posts.

The business session preceding the buffet dinner was held at Highland Heights Christian Church.

More than 8 out of 10 U. S. farms have radios, and 6 out of 10 have electricity from a central power station.

### LEGION THANKS ALL FOR COOPERATION IN RECENT PRODUCTION

Officers of Lowry Post No. 44 of American Legion, and auxiliary members, take this means of expressing their thanks to everyone for their cooperation in the production, "Fun For You" which was staged last Thursday and Friday night's under the sponsorship of these organizations. Special thanks go to those in the east, merchants who helped make the production a success, as well as to the general public for the fine attendance.

### RAIL SHIPMENTS OF POULTRY AND EGGS

Austin—Turkey shipments from Texas stations increased in December to 247 carloads, The University of Texas Bureau of Business Research reports.

Shipments of turkeys exceeded November shipments by 53 cars and remained 67 cars above the December 1946 level. Egg shipments decreased from 49 to 24 carloads in December as compared with 160 cars in December 1946.

Receipts of eggs by rail at Texas stations declined to 46 carloads as compared with 73 in November and 113 in December 1946.

### CARD OF THANKS

We wish to thank our many friends who were so kind to us during our sorrow in the death of Mrs. Mollie A. Perry. Especially we thank those who were so generous with the floral offerings and cards. May God richly bless each of you.  
Mrs. R. F. Suggs, sisters and brothers.

A pasture is a labor-saving device, since the animals gather their own feed and spread manure as they graze, cutting down on the farmer's work.

## Legion Show, "Fun For You" Is Great Success

The American Legion local talent show "Fun For You" was a big success on last Thursday and Friday nights. Fun was had by everyone attending this gigantic affair.

Particularly amusing was Ed Johnson, Slim Newkirk, Roddy Griffith, Cecil Fitzgerald and Hank Mathews, dressed as Hollywood beauties.

Mr. Jimmy Harpham, as Tom Brennenman, entertained the crowd as he presented lovely corsages from Conner's Florist, to Mrs. Emma Hill and Mrs. Joe Keeler for being the eldest guests on Thursday and Friday nights, respectively.

Mrs. Hattie Sessions and Mr. F. M. Jacobs were nominated "Good-Good Neighbors" for their unselfish kindness and helpfulness to citizens of Munday. Mrs. Charlie Conner and Mrs. Lillie Wilson received nylons donated by the HUB for the craziest hat.

In the hometown headlines, Mr. Don Wardlaw and Frank Hendrix were judged the baldest men present. Mr. and Mrs. J. O. Bowden received the award for being married the longest on both nights, while Mrs. Joe Keeler and Mrs. R. M. Moore received the award for having the most children, grandchildren and great-grandchildren. Mr. and Mrs. C. E. Fox with three children and Mr. and Mrs. Henry Decker with three children, won the award for the couple with the most children present.

Ten gifts were awarded on the "Lucky-Lucky" ticket stubs, having been presented by Whites Aito Store, Baker-McCarty's, Weeks Grocery, Claus Grocery, Hallmark Auto, Griffith Oil Co., Campbells Variety Store, Haynie Beauty Shop, Ratliff's Service Station, Elizabeth's Beauty Shop, Rodger's Grocery, H. & H. Candy Co., Spann Tailor Shop and Holder's Grocery.

Wanna Johnson, Loyce McGraw, Joyce McGraw, Patsy Morrow, Patsy Whitworth, Marguerette Hammett, Bety C. Morrow, Barina D. Suggs, and Marjorie Campsey were lovely as the Roxy Rockettes in "I'll be Walking with my Honey Down Honeyman Lane", "Did You Even Get That Feeling in the Moonlight" and "I'm Always Chasing Rainbows."

Charles Baker, as Dr. I. Q., gave

## SPECIAL WORKING CONDITIONS FOR 'SEEING-EYE'

A made-to-order bed and all the free meals he can handle for working eight hours a day—that's what 8-year-old "Duke" gets as his conditions of employment at the Timken Roller Bearing Company's Columbus, Ohio plant.

You see "Duke" is a dog and for six and one-half years has been the eyes of his blind master, Jack English. Each working day he guides English to the time clock and thru the huge plant to the bench in the metallurgical department where his master is employed as an inspector. Until a few weeks ago Duke's working hours were spent on the hard concrete floor. Then, William Fowler, general manager of the plant, ordered the special bed for the ever faithful dog.

During the war, Mr. English worked for several war production plants, developing the skill that he uses now on the Timken inspection line. Super-sensitive touch, coupled with the electronic devices now in common use, enable English to hold his own in one of the world's largest roller bearing plants.

away seven silver dollars for right answers. Earl Ponder and Toby Lane who substituted on Friday night, acted as Joe Kelly while Kirby Fitzgerald was the Duke of Paducah. Joe Lane as Uncle Ezra and Minnie Pearl was Clara B. Byrd, entertained with their local barn dance.

The story telling scene featured Miss E. L. Jewell as the story lady; Little Lee Ann Green as Cinderella, Joe Decker as Santa Claus, Tommy Cunningham as Prince Charming and Sandra Montgomery as the Sandman; the Quiz kids of the fifth and sixth grades and Joe Kelly.

The finale, the history of the freedom of America, was one of the most inspiring ever witnessed by Munday citizens. The Spirit of '76 portrayed by Fred Shaw, Billy Bouden and Keith Cartwright. The Civil War by Slim Newkirk, Jene Griffith and Robert Guffey. The World War I by Charlotte Williams, Ura Wilson and William Latham. World War II by Roddy Griffith, Raymond and James Carden, Raymond Phillips, Dorse Dickerson and Bonner Barton. The little people were Hank Mathews, Joe Lane, Mary Fitzgerald, Kirby Fitzgerald, Mary Johnson, Charles Reese, Marquetta Fitzgerald, Cecil Fitzgerald, Ed Johnson. Uncle Sam was played by Junior Grimes with Lateace Lane as Columbia and the flag girls. At the end, "God Bless America" and "The Star Spangled Banner" and tips was slowly played as the curtain slowly closed.

To these people and all of you who made this a success, we extend our deepest thanks and express best wishes to all.

Wages to farm workers have tripled since 1940. An all-time high was set in 1947.

## Tire Demands Will Continue High In 1948

HARVEY S. FIRESTONE, JR., DETAILS OPERATIONS

Since the last year before the war Firestone has nearly doubled its working force in its domestic plants and more than tripled its wage payments, Harvey S. Firestone, Jr., Chairman of The Firestone Tire & Rubber Company, told stockholders in addressing their annual meeting in Akron, Ohio. He declared that the rubber industry would continue to face large demands for its products during 1948 as the pipelines of distribution have not yet been completely filled and replacement needs and manufacturers' requirements will maintain production at rates far exceeding those of pre-war years.

He told stockholders that Firestone had set a new peacetime record during its past fiscal year, increasing its sales 10 per cent to \$638,477,166. Net profit amounted to \$26,977,877.

### Wages Increased

"The achievements of the rubber industry in 1947 can be credited largely to continuous production, expanded capacity and advanced manufacturing techniques born of years of research and development," he said.

"During the past year, wages were again substantially increased," Mr. Firestone stated. "The average hourly earnings of all rubber tire industry employees continue to be the highest paid by any major manufacturing industry. Average weekly earnings are approximately 23 per cent higher than those of the average industry worker in the United States, in spite of the fact that a large number of employees work only 36 hours a week compared with the 40-hour week that is typical in other manufacturing industries. The demand for our products set a new peacetime record. We

by the sheer weight of numbers.

Your columnist is probably the only person in Texas who has neither read the book, "Gene With The Wind" nor seen the movie of that same name nor heard the song, "Open the Door, Richard" nor ever been in THAT store in Dallas.

As far as his contemporaries were concerned, Shakespeare was just one of the boys.

The checking out time of hotels is getting earlier and earlier. It used to be 6 in the afternoon; now, at most of them, it is 5 or even 4. If this keeps on, pretty soon when a man registers, he will already owe one day's room rent.

Expect folks are a little "het up" in the Young County capital. A radio commentator recently remarked he was from Graham where, he said, "there is the biggest square in Texas—and folks with heads to match." That's what the man said!

Men strive for success. But what is success? Measured by the standard of their day, many men were failures—end yet they achieved immortality. Defeat may be the path of finer fame and greater glory than victory. Who occupies the larger space in history—Hannibal, the military genius of ancient Carthage, who lost only one battle; or Scipio, the Roman who won that one battle? Hundreds of biographies have been written about Napoleon; a half dozen about Wellington, the victor of Waterloo. Who will be remembered longer: Robert E. Lee or U. S. Grant? Lee's name shines with glorious luster; he is the embodiment of chivalry, of knighthood, of gallantry; Grant is remembered only because he overwhelmed Lee

utilized every practical means of increasing production and, like many other companies, we used a large share of the profit for the addition of new plants and equipment in order to produce more goods and create more jobs.

"In 1922, our Company originated the balloon tire. This past year, we completed the development of the Firestone Super-Balloon tire. This new tire established completely new standards of comfort, safety, economy and style and it has been adapted as original equipment by many leading automobile manufacturers for their 1948 models.

### Production Record

"Enlarged production facilities enabled us to increase substantially our output of Contro, the elastic yarn which is widely used in wearing apparel; Foamex, the foamed rubber latex cushioning material; and Velon plastics. Velon materials are in ever-increasing demand for upholstery, luggage, handbags, rainwear, shower curtains, insect screening and many other products and uses.

"The Company produced the largest volume of rims in its history and continues to be the leading manufacturer of stainless steel barrels. During the past year it developed additional lines of stainless steel containers and turned out a wide variety of stampings.

"The operation for the Government of three synthetic rubber plants made Firestone one of the largest producers of synthetic rubber in the world.

"For the second successive year, the National Safety Council presented to all Firestone domestic plants its Distinguished Service to Safety Award. Our Company is the only one in the rubber industry ever to receive this honor."

In November 1947, the National Education Association reported that colleges and universities in the U. S. were serving 2,338,236 students compared with the 1946 peak of 2,078,095. About 48 per cent of the students are veterans.

## VISIT IN MINERAL WELLS

Eiland's Drug Store

## Kidneys Must Work Well-

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

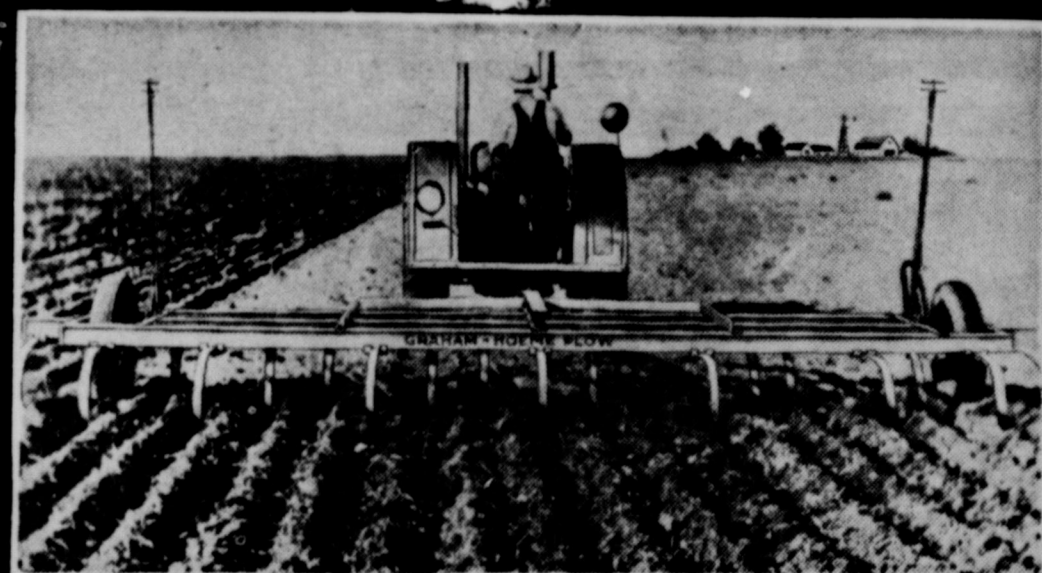

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, stinging or too frequent urination sometimes warns that something is wrong. You may suffer nagging back-ache, headaches, dizziness, rheumatic pains, getting up at night, awaking.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

## Miss Helen Haymes and Donald Jolly Wed January 28th

Miss Helen Haymes, daughter of Mr. and Mrs. Lee Haymes of Munday, became the bride of Donald B. Jolly, son of Mr. and Mrs. O. W. Jolly of Abilene, in a double-ring ceremony read on Wednesday evening at the home of the bride's parents.

The marriage service was read by Rev. Don Davidson, pastor of the Munday Methodist church, under an arch of eucalyptus leaves flanked by lighted tapers and large baskets of white gladioli and white snapdragons among eucalyptus leaves and fern. Only the immediate families of the bride and groom and a few friends were present.

The bride, given in marriage by her father, was beautiful in a street-length dress of white wool crepe, featuring a bustle back. Her bouquet was of white camellias with streamers of white carnations and satin ribbons atop a white Bible.

For "something borrowed," she wore rhinestone earrings, and the "something old" was a lovely cameo brooch belonging to Mrs. Oliver Lee, and which had belonged to her mother. It was over a hundred years old.

Miss Melba Mahon of Lorraine was maid of honor, and Miss Madie Jones of Tuscola was bridesmaid. They wore identical dresses of pastel orchid and corsages of yellow chrysanthemums and acacia blooms.

The groom was attended by his brother, David Jolly, as best man, and Weldon Carter of Abilene as groomsmen.

The pre-nuptial music was furnished by Miss Shirley Jolly, sister of the groom, at the organ.

A reception followed the ceremony. The three-tiered wedding cake, topped with a miniature bride and groom, after being cut by the bride and groom, was served by Mrs. Mac Haymes, and punch was served by Mrs. Bobby Haymes, both sisters-in-law of the bride.

Mrs. Jolly was reared in Munday.

## Betty Stodghill Honored On Her 12th Birthday

Mrs. Lucile Stodghill entertained a group of girls last Saturday evening with a dinner, honoring her daughter, Betty, on her twelfth birthday.

A delicious dinner was served, after which several games were enjoyed. All the guests spent the night with the honoree.

Enjoying the party were Gwendolyn Fox, Donita Davidson, Beba Faye Spann, Gladine Leager, Joyce West of Seymour, Barbara Jo Phillips, Charlene Fitzgerald, Ruthie Stodghill, and the honoree.

## Munday H. D. Club Meets With Mrs. Joe Patterson

The Munday Home Demonstration club met in the home of Mrs. Joe Patterson, January 28. Miss Butler was in charge of the meeting and gave an interesting demonstration of remodeling and re-syling clothing.

Refreshments were served by the hostess to the following members: Mmes. G. C. Gollehon, Leland Floyd, G. L. Conwell, G. T. Pruitt, J. T. Offutt and Miss Butler.

day and is a 1945 graduate of Munday high school. For two and one-half years she has been attending McMurry College in Abilene.

Mr. Jolly is a graduate of Abilene high school and attended McMurry College before entering the service of his country for several years. At present he is attending North Texas Agricultural College in Arlington.

Following the reception, the couple left for their new home in Fort Worth. For traveling, the bride wore a hand-tailored apron gaberline suit, with the camellias from her bouquet as a corsage.

## Grand National GM Car Contest Winner

A new Cadillac Convertible changes hands as C. E. Wilson, president of General Motors, gives the keys of the car to Thomas E. Anslow, Buick worker at Flint, Mich., who won the first prize in the GM "My Job Contest." Anslow, (right) competing against 174,000 other entries, told why he liked his job as a forge hammer operator. Thirty-nine other new car winners were named in the GM contest.

## Mark Koenig and Alice Ann Paetzold Wed At Hereford

In a double ring ceremony performed at 9:00 o'clock, Tuesday morning, January 20th, at St. Anthony's church in Hereford, Texas, Miss Alice Ann Paetzold, daughter of Mr. and Mrs. John J. Paetzold, became the bride of Mark Koenig, son of Mr. and Mrs. J. C. Koenig, Goree, Texas.

The service was read by the Reverend Albert Heald as the couple knelt before an altar decorated with white gladioli and lighted white tapers.

Preceding the ceremony, Miss Adeline Koelzer sang "On This Day" and "Ave Maria." She was accompanied by Miss Martha Jensen, organist, who played the traditional wedding marches.

Miss Eleanor Paetzold was her sister's only attendant. She wore a gown with a high neckline, full skirt and cap sleeves with gloves to match. She wore a large pink picture hat of hair-braid trimmed with a large bow of pressed illusion with streamers which hung below the hip line. She carried a nosegay of blue carnations. Leo Koenig served as his brother's best man.

The bride, who was given in

imported French illusion was attached to a tiara of seed pearls and crystal cut beads. Her arm bouquet was of white gladioli and lilies of the valley. She wore a strand of pearls, a gift of the groom.

Mrs. Koenig graduated from Hereford High School. Mr. Koenig graduated from Goree High School and has been employed with the Consumers Coop Assn. in Amarillo, Texas.

After a short wedding trip, Mr. and Mrs. Koenig will live near Hereford where he will be engaged in farming.

Out of town guests were: Mrs. Joe Koenig and Leo Koenig of Goree, Texas; Miss Viola Gabel and Miss Eleanor Paetzold and Mr. Albert Koenig of Amarillo, Texas; Mr. Charlie Koenig of Dumas, Texas; Mrs. Joe Looper of Pampa, Texas; Mr. Arnold Neusch of St. Francis, Texas.

## BIRTH ANNOUNCEMENT

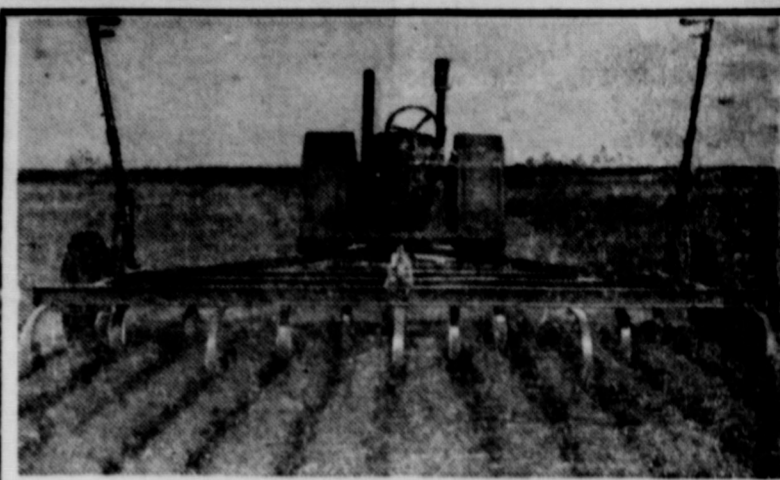

Mr. and Mrs. Chas. Jennings, Jr. of Delhart are happy to announce the arrival of a girl born last Monday, February 2. The little girl has been named Mary Janice and weighed eight pounds. Mrs. Jennings is the sister of Mrs. Robt. Green of Munday.

Mrs. W. W. Wilson left several days ago for Fort Worth for several days' visit with her son and

daughter-in-law, Mr. and Mrs. Geville Wilson. She went at this time to attend the bedside of her daughter-in-law, who underwent a major operation.

## ENTERS HOSPITAL

Sheriff Homer T. Melton entered a Wichita Falls hospital the latter part of last week for treatment for sinus trouble. He is getting along nicely, according to latest reports.

THE JEFFROY "SOIL CONTROL CULTIVATOR"

The chisel-type cultivation of the Jeffroy "Soil Control Cultivator" is not new! In fact, the first plows of this type were made over 3,000 years ago by the Egyptians for farming along the Nile River. They used a sharpened stick, while in the Jeffroy machine, silicemanganese steel is required to stand present-day speeds and uses. Down through the ages many plows have been used and discarded, but the chisel-type plow has proved to have less draft, control erosion, and conserve moisture more effectively than any other plow invented!

- ★ Plows and cultivates the natural way. ★ Conserves the moisture. ★ Prevents blowing.
- ★ Stops erosion. ★ Cuts plowing cost in half.
- ★ Constructed to last a lifetime. ★ Pre-war prices. ★ Made in 4 sizes to fit your power: 7 ft. - 10 ft. - 13 ft. - 16 ft.

Hughes-Dayton Imp. Co.

The chisel opens the way for moisture to go into the subsoil.

Moisture penetration in the soil, does not run off. Shallow and heavy worked lands are more effectively cultivated.

Disc-type cultivation leaves a smooth surface that quickly soaks and conserves water.

## Where would you look for a lonely farm?

City folks used to think farm life was a lonely life. Today, automobiles, telephones, and—above all—electric service—have nearly ended loneliness on the farm.

Low-cost, dependable, electric service turns dark into day, pumps water, milks cows, grinds feed—does dozens of other chores—brings entertainment and market reports.

Who brought electric service to the farms?

The business-managed, self-supporting electric companies began the job some 60 years ago. They did the pioneering... developed new methods and equipment... learned to meet the problems of weather and distance... and continued to bring better and cheaper electric service to more and more farms and ranches.

In 1936 the Rural Electrification Administration was born. With Rural co-operatives, it joined in the job.

Today, electric service is available to more than three-quarters of American farms. The majority of those farms are being served by business-managed, tax-paying electric companies.

It has been the policy of the West Texas Utilities Company, not only to supply the low-cost, dependable electric service which makes the farm a happier place in which to live... but also to help the farmer make the best possible use of electric service, to lessen the burden of farm work and to increase production and profits... and in turn the purchasing power of the area we serve.

### Pumping Oil Fields in Reverse

PITTSBURGH, PA.—By pumping water and natural gas into the depths of the oil fields, modern science is bringing 10 to 50 per cent more oil to the surface. This typical cross section shows one way it's done. Here gas is pumped in above the oil pool, and water underneath it. These artificial pressures, from above and below, force the oil to flow thru the sand or rock in which it is imbedded and up the well shaft. Sketch is based on an explanation by Gulf Oil.

### Veterans' News

More than a half-million World War II veterans in 1947 bought homes of their own with the aid of Government-guaranteed loans under the GI Bill, the Veterans Administration reports.

VA said 540,000 GI home loans were made to veterans during the year compared with 410,000 in 1946. This brings the total number of GI home loans approved since the program started late in 1944 to 1,055,771.

VA found that the average home bought by veterans in 1947 carried a price tag of \$7,300. Four of every 10 veteran-purchasers paid over \$8,000 and one in 20 upwards of \$12,000 for the homes they chose.

Of 490,000 first-mortgage loans guaranteed during the year, 290,000 were for the purchase of existing homes at an average price of \$5,700. About 100,000 were for newly-constructed houses averaging \$8,200 each.

Eligible veterans, estimated to number more than 14,000,000, still have nearly 10 years in which to exercise their home ownership rights under the GI Bill. Real Estate loans carry a Government guarantee of 50 per cent of the amount of the loan, up to a maximum guarantee of 4,000.

(Continued From Page One)

and his all-around game was largely responsible for the Rochester victory.

The Knox County Geeks, a favorite team with the local fans, are coached by Jiggs Thompson, ex-Mogul football star, and composed of Knox County students who are attending Hardin College in Wichita Falls. They were off to a shaky start, but rallied to win over Has-

kell by the afore-mentioned bare two points. J. Rawls of the Geeks, who was not a starter, incidentally, scored a fat 16 points for his team. Medford of Haskell was runner-up with 14 points.

In second round games Wednesday night, Monday played Rochester and Crowell played Lueders. The winners of these games will play Knox City and the Knox County Geeks in the semi-finals Thursday night, starting promptly at 7:30 p. m.

The finals will be played Saturday night. The winner will receive

\$100.00, the runner-up \$50.00, and third will receive a trophy. An all-tournament team will be selected and awards will be made to the outstanding player, the best sport, and to the player making the most free shots.

Cut Coffman, Herbert Partridge, and W. A. Gilmore of Haskell are handling the whistle-blowing and are doing crowd pleasing jobs. Winston Blacklock is announcing the games and Paul Pendleton is official score keeper, with Jim Shockey as official time-keeper and Charles Baker a general nuisance.

Anyone who gives a hoot about basketball should not miss the Thursday night semi-finals, and Saturday night finals are certain to be lulu.

**McLeroy To Leave School At Sunset**

Mr. R. I. McLeroy has announced that he will not be in the Sunset schools next year. He has been with the schools of this community for nine years and reports a very enjoyable time while his stay there. His greatest hope is that they have a bigger and better school and he thinks there is a possibility for that in the future.

So far, Mr. McLeroy hasn't any definite place in mind where he might go.

**Black Rust May Hit '48 Wheat**

The stage is all set for a severe epidemic of stem rust—or black rust—in the wheat country next spring.

That's the warning from the agronomists and plant pathologists of Texas A and M College and USDA's Bureau of Plant Industry.

It all depends on the principal actors—the rust spores and the right weather. The combination of wheat germinating so late on the High Plains, together with the large acreage of earlier wheat in the Rolling Plains areas east of the Cayrock, makes a favorable situation for the development of stem rust on late wheat if the spores develop sufficiently on the early planted wheat.

Nothing can be done about the weather, of course, but the situation can be greatly aggravated by the planting of stem rust susceptible varieties of spring wheat and

OUR THANKSGIVING GIFTS, TOO, FEATURE THE HOME, AND INCLUDE: BEAUTIFUL SILVER, SUCH AS PLATES, PITCHERS, TRAYS, AND FINE CHINA AND DAMASK.

Copyright 1947 J.C.

barley, the specialists say, as such varieties affect wheat farther north, as none of the hard red winter wheat varieties are immune to stem rust.

Agronomists recommend the planting of oats in place of spring wheat or barley. They say the yields of spring planted oats are much more certain in Texas than either spring wheat or barley and stem rust of oats does not effect wheat. Varieties of oats such as Poltex, Kanota, New Nortox or Ferguson 922 are good selections.

The specialists point out that in view of the great need for a bumper wheat crop in '48, every possible precaution should be taken to reduce the possibility of a stem rust epidemic.

Mrs. Bobby Barton, Mrs. Homer Lain and children, Barbara Rose and Teddy, spent Monday in Abilene, visiting with Mr. and Mrs. Tommy Parkinson and family and Mr. and Mrs. D. E. Bowen and Doris.

The goal for "Freedom Gardens" in 1948 has been set at 20 million. Texans expect to reach the million mark in home gardens.
