

Kracker Krumbs Odds Bits Salvaged at Random

Last Monday we were handed three of the biggest, nicest red potatoes we ever saw.

They were Knox County's own products, grown on Knox soil and irrigated by water coming from underneath the soil.

They were being dug Monday, and were graded just east of town at the transient labor camp.

The three spuds weighed two pounds and nine ounces. The smallest one weighed 13 ounces, and it was reported about 50 per cent of the crop was this size.

They were given us gratis to help supply our own dinner table.

The man here with the potato digger and grading machine said these were the best grade of red potatoes that can be grown, outside the Idaho russets. They were hard and firm, had a tough skin, and the man was also surprised at the way they had kept without processing.

The 'taters were grown by Don Combs and Doris Dickerson, who operate the Knox-Plains Pump Company. Don has had some experience with potatoes in the Hereford area, and he believed Knox soil would grow them.

So this patch of around 17 acres was planted as a kind of experiment. That the experiment is proving successful, these men have no doubt.

They don't know just how much more the production will be until the entire crop is gathered, but estimates now are that they will dig around 100 sacks per acre. At 100 pounds per sack, that quickly multiplies into 10,000 pounds per acre.

Leroy Leflar is another potato enthusiast. He had six acres, and some believe his crop will produce more per acre than the 17-acre plot.

Joe Voss has three acres in potatoes, but reports were not available from his crop Monday.

Anyway, the boys believe that potatoes is a likely crop for the Munday area, and it's probable the lowly spud will be grown more extensively next year. Another thing about this experiment right now is that it seems the white potato is a better producer here than the red one.

All through the growing season, these men said, the difference could be seen in the two varieties.

Around 75 per cent of the crop harvest the first of this week was grading No. 1. The market was right, too—they had a call from Altus, Okla., where hot winds cut the potato crop down, and folks there wanted to buy all the spuds available here to complete their carload contracts.

So strong is these men's faith in the potato business that they're purchasing equipment to handle them.

Interested in the digger and grader that have been purchased are Mr. Combs, W. G. Leflar and Leroy Leflar. The digger and grader are already in operation.

Now they're talking of putting in a processing plant, so the spuds can be processed locally and kept for a period of time.

Anyway, quite a lot of potatoes are being harvested from these 26 acres—and just about a year ago, cafe men would give you the big haw-haw if you walked in and ordered French fries.

Reminds us of what an old timer used to tell us. "Give it a little work and lots of water, and Knox County soil will grow anything." We don't know how true that is, but it looks like the soil will grow potatoes!

Mr. and Mrs. Jimmy Reeves and son, Richard, visited friends in Fort Worth and Dallas the first of this week.

D.W.I., Worthless Check Charges Lead Cases In Courts At Benjamin

That local officers are clamping down on lawlessness in Knox County is evidenced by records obtained from the courts at Benjamin this week. The records carried cases disposed of since January 1, and leading the cases were charges of driving while intoxicated and obtaining money by worthless check.

Sheriff H. T. Melton, in making arrests, and County Attorney Tom Bullington, in prosecuting the cases, are leading the drive against lawlessness. "We especially want to stop this D. W. I.," they said, "and stop the drunken drivers from endangering the lives of our people."

Records of the courts show the following fines, including costs, collected:

Driving while intoxicated, seven fines for a total of \$626.50, with drivers licenses being suspended on six cases; possession of whiskey for purpose of sale, two cases, \$395 in fines; selling whiskey in a dry area, four cases, total of \$701.70 in fines; Overlength on truck, one fine, \$42.50; operating truck without contract carrier, one fine, \$42.50; theft under \$50, one fine for \$76.10; drunkenness in a public place, one fine for \$47.80;

Obtaining money by worthless check, 14 cases, total of \$519.10 in fine, one offender receiving a 2-year suspended sentence; swindling by worthless check, one fine for \$31.10; resisting arrest, two cases, total fines, \$270; transporting beer, one case, \$123.70 fine; illegal possession of a pistol, one fine for \$22.30.

Weinert Rites Slated Friday For Capt. Jones

Funeral services for Marine Capt. Stanley Milam Jones, about 30, son of Mr. and Mrs. C. T. Jones of Weinert, are scheduled for 3 p. m. Friday in the Weinert school auditorium.

Rev. J. Duff of Clayton, former pastor of Weinert Baptist Church, will officiate, assisted by Rev. Temple Lewis, present pastor, and Rev. C. C. Lamb, pastor of Weinert Methodist Church.

Burial will be in Johnson Memorial Cemetery, Munday, under direction of Holden Funeral Home, Haskell.

Captain Jones and two other men were drowned in a boating accident on Albemarle Sound last Friday near Edenton, N. C., where he was stationed. He had been recalled to active duty in the Marine Corps several months ago.

Captain Jones served in the Marine Corps in World War II, including duty in the Southwest Pacific fighting in several island campaigns. He was discharged in 1945 and, prior to re-entering service, was employed by and oil company at Breckenridge.

Besides his parents, Captain Jones is survived by a sister, Mrs. Hooper Wilkerson of Newcastle. His body was returned to Weinert from North Carolina Wednesday.

MASONIC MEET SET

A called meeting of Knox Lodge No. 851, AF&AM, will be held at the Masonic hall on Friday evening, June 12, at 7:30 o'clock. Work will be one in the E. A. degree, and all Masons are urged to be present.

Mrs. R. M. Almanrode has announced that Mrs. Georgia Maples of Goree has been selected as campaign director for the March of Dimes for 1954.

Weather Report

Knox County 4-H Members Attend District Meeting

Juanita Welch, Catherine Bidle of Gilliland and Janells Jackson and Donnie Hardin of Vera attended the district 4-H encampment at Buffalo Gap on May 27-30. They accompanied their agent, Mrs. Georgia Fae Perkins.

4-H Club girls from all counties of District 3 attended the encampment, along with their agents and adult leaders, the district agent, Miss Fern Hodge, and a specialist, Mrs. Eloise T. Johnson of the Extension Service.

The girls participated in well-planned recreational games, swimming, riflery, and a craft of crepe paper clay vases.

Mrs. Johnson, a family life education specialist, gave interesting discussions on "solving our problems" to the girls and agents.

New Officers of Eastern Star Are Installed June 4

A called meeting of the Eastern Star was held on Thursday evening at eight o'clock for the purpose of installing the new officers for the ensuing year. Installing officer was Mrs. Mary Schoverling, associate Grand Matron Grand Chapter of Texas, installing Marshall, Mrs. Koreen Logsdon; installing Chaplain, Mrs. Katie Lee Waters; installing Organist, Shirley Roberts; installing secretary, Mrs. Nona Mae McDonald.

Officers installed at this time were Worthy Matron, Mrs. Jesse Roberts; Worthy Patron, Joe B. Roberts; associate Matron, Mrs. Mattie Hammett; associate Patron, George Hammett; secretary, Jane Almanrode; treasurer, Louise Gaither; conductress, Sue Bowden; associate conductress, Frankie Ann Jackson; Marshall, Bonza Cox; organist, Eunice Raynes; Ada, Eugenia Roberts; Ruth, Elizabeth Bowden; Esther, Edith Rodgers; Electa, Bessie Shannon; warder, Claudia Rodgers; sentinel, M. L. Raynes.

Out of town guests were entertained with a dinner in the home of the outgoing worthy matron and worthy patron, Mr. and Mrs. E. L. Goolsby. They were assisted by the other officers for the previous year. Out of town guests for this occasion were Mmes. Mary Schoverling, Willie Laura Howington, Nona Mae McDonald, Mr. and Mrs. Waters, Mr. and Mrs. Logsdon, and Mrs. Collier. Mrs. Howington is District Grand Matron, district two, Grand Chapter of Texas.

Golf Tournament Slated For Sunday

A one-day invitational golf tournament will be held at the Munday Municipal Golf Course next Sunday, beginning at 6:30 a. m. Entrance fee is \$5.00. Good prizes will be awarded winners in each flight, and a big feed will be served at noon.

Players are expected from Stamford, Haskell, Rule, Rochester, Knox City, Crowell, Quanah, Seymour and Goree.

Qualifying scores must be reported not later than 5:30 p. m. Friday, June 12, either to J. K. Jackson, phone 4501, or I. V. Cook, phone 4711.

Wheat Allotment For New 1954 Farms

Farmers on land which no wheat was seeded for any of the years 1951, 1952 and 1953 may apply for 1954 wheat acreage allotment, according to Jesse T. Gilpin, County Office Manager, Knox County Production and Marketing Administration. To be considered for an allotment on a farm which had no wheat seeded for any of those years, the farmer must apply in writing to his county PMA committee by June 30, 1953.

Blank application forms are available at the County PMA Office for use in filing requests for allotments.

Gas Company To Open New Office Here On July 1

Keeping pace with a growing area, Lone Star Gas Company is establishing a combination of office and warehouse for the convenience of customers in Munday and surrounding territory, according to an announcement by O. F. Gates, local manager for Lone Star. The company has leased a brick building owned by D. E. Hilder which is located one block west of the City Hall at 823 Main Street, according to Mr. Gates.

The building, 25x80 feet, is being remodeled and modernized throughout and the office will be open for business July 1, Mr. Gates said. All gas distribution services for customers in Munday, Goree, Rhineland and Weindale will be handled from the new office, the gas manager pointed out. These services include the processing of gas bills, payment of bills, applications for gas service, installation of appliances and the servicing of equipment.

Until July 1, the First National Bank at Munday will continue as collector for Lone Star and also will take applications for gas service.

"The establishment of office and warehouse quarters in Munday," said Mr. Gates, "reflects Lone Star's desire to keep pace with the growing business economy of the area. In setting up these modern and improved facilities for the comfort and convenience of customers, we are looking forward to many more years of friendly and co-operative operations here."

Mr. Gates pointed out that the gas company is now serving nearly 1,000 customers in his territory and the enlarged facilities are being established to provide more efficient service for these customers. He said the new quarters will house a display of gas appliances, commercial department, billing office and manager's office in addition to the warehouse. Munday and the adjacent towns are part of Lone Star's Seymour district of which A. C. Haley is district manager.

Harrell's Named New Dealers For Chrysler-Plymouth

Harrell's managed by E. W. and Gene W. Harrell, were recently appointed new dealers for the Chrysler and Plymouth cars, succeeding the Munday Truck and Tractor Company. Invoices and routing orders have been received on the new cars, which are expected to arrive daily.

The name of the firm has been changed to Harrell's Motor and Equipment to conform with the new auto dealership.

The Harrell building is in final stages of being remodeled so as to have a modern repair auto shop, convenient parts department and display area for the new cars.

BOY RATES HIGH HERE, IN CALIFORNIA, TOO

Fourteen days she has been a grandmother, and she is already thinking he is the only boy in California. Could be at that, 'cause her son, Billy Bouldin called her the other night and told her so. That's proof enough!

Bruce Allen Bouldin is the son of First Lt. and Mrs. Billy Bouldin of Santa Ana, California. He arrived May 29, and weighed seven and one-half pounds. As you have probably figured out by now, the grandmother is Mrs. M. L. Wiggins.

Billy also told his mother he was leaving for the Far East on Tuesday, June 10. He is with the First Marine Air Wing.

Mr. and Mrs. W. E. McNeill had as guests in their home over the Memorial Day holidays Alma and Bertha McNeill of Wichita Falls, Mr. and Mrs. H. E. Carlson, Bobby and Nancy of Dallas, Mr. and Mrs. Roy McNeill and Julia of Charleston, W. Va., and Mr. and Mrs. Earl McNeill, Betty, Marie and Alice of Munday. Alma, Roy and wife and baby remained for another week's visit. They went to Wichita Falls Sunday, from which place Roy and family took a plane on Monday for Charleston.

For Three In One Family

Funeral Services For Crash Victims Held Here Tuesday

Awarded Degree

Alfred Guinn, above, son of Mrs. L. C. Guinn, Sr., of Munday recently received his bachelor of science degree in accounting from Midwestern University in Wichita Falls. He was valedictorian of the 1950 senior class of Munday High School. By attending summer school, Guinn completed the four-year course in three terms.

Active in student affairs, he was treasurer of Delta Alpha chapter of Phi Theta Kappa, national honorary fraternity; class editor of the staff of Wai-Kun, school yearbook; member of the Press Club; first vice president of the Business Club; member of the College "Y" and delegate to the Dallas Area Council of Universities; elected to represent Midwestern in "Who's Who in American Colleges and Universities"; member of Alpha Chi, national senior honorary fraternity; was on the dean's honor roll and treasurer of Honor Neighbors, service organization for the defeat of communism in all nations.

Mrs. Hamm Dies At Home In Knox City Tuesday

Mrs. J. W. Hamm, 82, resident of this county since 1914, died at her home in Knox City last Tuesday. She had been in ill health for a number of years, but her condition became critical only a few days ago.

Funeral services were held from the First Baptist Church in Knox City at 4 p. m. Wednesday, ad burial was in the Knox City cemetery by Warren Funeral Home. Grandsons served as pallbearers.

She was born in Prentiss County, Miss., on July 27, 1870, and came to Texas with her parents in 1874. She made her home at Emory for a number of years and married Mr. Hamm there on December 2, 1894. He preceded her in death in 1949.

A member of the First Baptist Church, Mrs. Hamm had taught a Sunday school class for the past 25 years.

She is survived by three daughters, Mrs. Clyde Smith of Knox City, Mrs. Charles Kennan of Fort Worth and Mrs. Charles George of Fredericksburg; three sons, W. B. Hamm of California, J. O. Hamm of Knox City and Rev. Alvin Hamm of Quitaque; two sisters, Mrs. R. D. Pollard of Millsap and Mrs. I. L. Brown of Edgewood; nine grandchildren and six great-grandchildren.

CATTLE DELIVERED

Roy Butler and son of Bomarton delivered 225 head of heifer yearlings to Colorado buyers on Wednesday. The deal was handled by Chas. Moorhouse Commission Company of Munday and Benjamin.

Mr. and Mrs. Clyde Nelson attended the graduation of their daughter, Ann, who received her B. S. degree from North Texas State College in Denton last Thursday night.

Duet Entertains Munday's Lions

A violin-guitar duet composed of Dewey Melton and Lloyd Jacobs played several lively tunes which brought loud applause from the Lions last Tuesday at the regular meeting of the local club, Lion Lamoine Blacklock was responsible for the program and had to "provide or sing." The group was glad that he obtained a program.

Tom Bullington was voted into the club after quite a discussion. Seems that his main reason for joining was that his wife didn't want to prepare dinner on Tuesdays!

The club has selected the American Legion hall as its permanent meeting place. This action has been favorably voted upon by the Legion.

Knox County Hospital Notes

Patients in the Hospital Monday, June 8th:

Mrs. Addie Benton, Rochester; Mr. Willis Pack, Knox City; Mr. Joe Murray Clonts, Knox City; Jesse Moss, Knox City; Mr. J. E. Hunter, Knox City; Mrs. Minnie Washington and baby son, Munday; Mrs. J. N. Stewart, Weinert; Juanita Posey, Knox City; Judge J. F. Hill, Benjamin; Miss Carol Hitchcock, Knox City; Mrs. W. A. Tjert, Goree; Mrs. J. E. Logsdon, Knox City; Mr. E. M. Owens, Knox City; Mrs. Mary Tomanek, Gilliland; Baby Sandra Carter, Knox City; Doyle Patp, Benjamin; Mrs. Clyde Jones, Rotan; Billie Jake Myers, Gilliland; Mrs. R. L. Headrick, Benjamin; Mr. W. D. Conner, Benjamin; Mrs. Harley Brown, Rochester; Mrs. Edna Keats, Knox City; Jessie Cassilas, Knox City; Mrs. C. T. Rendon, Knox City; Mrs. C. M. Paul, Knox City.

Patients dismissed since Monday, June 1st:

Judy Lowe, Munday; Mrs. I. M. Dotson, Houston; Joe Sharp, Munday; Willie Wells, Hale Center; Fred Graham, Aspermont; Gary White, Knox City; Mrs. J. E. Hunter, Knox City; Mrs. W. B. McNulty, Knox City; John Holliday, Rochester; Nathan Flye, Knox City; B. E. Keeth, Peacock; Mrs. Bertha Gothard, Knox City; Mrs. George Rowlett, Knox City; Miss Georgia Pruitt, Munday; Joe Tennison, Benjamin; Carl Ray Propes, Henderson; Ira Jr. Shields, Munday.

Births:

Mr. and Mrs. Charles Sargent, Dickens, a daughter.
Mr. and Mrs. Minnie Washington, Munday, a son.
Mr. and Mrs. L. G. Cook, O'Brien, a son.

NEW WILDCAT SURVEYED

A 7,000-foot wildcat for Knox County has been surveyed eight miles north of Vera by Humble Oil and Refining Company.

It's the No. S-1 W. T. Waggoner Estate and spots from 4280 feet from south and 2553 feet from west lines of section 5, block K. M. M. Thompson survey.

Box Rentals At Local Post Office To Be Increased, Effective July 1

Patrons of the Munday post office, as well as those over the nation, will be paying increased rentals on their boxes when rentals become due in July 1, according to Lee Haymes, local postmaster.

The basic schedule now in effect has not been changed since 1907, according to the post office department. The increased rental charges are made to conform with increased cost of providing equipment and maintaining postal service. This is also an effort to bring the post office department out of the deficit.

A sorrowing community again attended solemn rites of burying its dead last Tuesday afternoon, this time three members of the same family, all victims of a highway accident near Lubbock last Saturday which took a total of five lives.

The funeral at the First Baptist Church at 2:30 p. m. was for Edward Lafeteo Hardin and his two sons, Jack Dalton Hardin, 19, and John Eiland Hardin, 13. Services were conducted by Elder L. M. Handley of Lawn, Texas, who was assisted by the local pastor, Rev. Huron A. Polnac. Burial was in Johnson Memorial Cemetery with the Mahan Funeral Home in charge of local arrangements.

The father and two sons died of injuries received in the collision of two pickup trucks that occurred early Saturday morning in Hockley County, a few miles west of Lubbock.

Killed instantly in the accident were Jack Dalton Hardin of Peo, O. E. Edwards, 35, of Idalou, and K. R. Claborn of Lorenzo.

John Eiland Hardin died 24 hours later in a Lubbock hospital, and the father died in the same hospital at 10:20 p. m. Sunday. The father and two sons were in one of the pickups involved, and Edwards and Claborn were in the other.

The Hardin family had been life-long residents of Munday until moving to Peo a short time ago. Mr. Hardin's mother, Mrs. S. E. Roberson, still lives in Munday.

Mr. Hardin and his sons had been to Munday on business and were returning to their home in Peo when the accident occurred.

Besides the mother, seven children of the elder Hardin survive. They are: Ray Hardin, Arcadia, Calif.; Mrs. Willie Burleson, Portales, N. M.; Mrs. L. B. Patterson, Jr., Munday; Mrs. Norma Demel and Mrs. Max Demel, both of Peo; Mrs. Clyde Followell, Borger, and Mrs. Arlene Weaver, Muleshoe.

Jack Hardin is also survived by his wife, who lives at Artesia, New Mexico.

Methodist Youth In Assembly At McMurry College

Rev. H. Doyle Ragle accompanied by Gary Offutt, Tommy Gage and Bill Joe Brown are attending the annual Assembly of Methodist Youth Fellowship of the Northwest Texas Conference which is being held at McMurry College in Abilene this week.

The specific objectives of the assembly are to strengthen faith to win youth to Christ and to improve the Methodist youth fellowship. The boys are staying in the dormitory at McMurry and are requested to be in bed by ten o'clock each night. Their days are filled with schedules of worship program, work shops, interest groups, business sessions and recreation. The featured speaker, Dr. McMerrin Stowe of Oklahoma City, Okla., speaks each night at 7 o'clock.

Rev. Ragle is serving as counselor for the boys and teaching a class in the Old Testament and New Testament every day.

Drive carefully. The life you save may be your own.

Boxes that now rent for 60 cents will be increased to 90 cents; those now costing 75 cents will be increased to 90 cents; \$1 will be increased to \$1.50.

Rentals are based upon receipts of the local post office, according to the postmaster. The increase several years ago was because of higher receipts, and not due to basic changes.

Mr. Haymes stated the same boxes in larger towns, such as Fort Worth, will cost \$3, \$4.50 and \$6 per quarter.

HOW TIMES HAVE CHANGED:

Over the years, American retailing has made enormous advances in its services to the consumer—there is simply no comparison between the typical retail store of today and that of the past. And its employment policies have shown considerable progress.

An amusing and significant example is found in a set of rules posted in an Illinois store back in 1880. These include the following: Store must be open from 6 A. M. to 9 P. M. the year 'round. Store must be swept; counters, shelves and show-cases dusted; lamps trimmed, filled and chimneys cleaned; doors and windows opened; a pail of water and a bucket of coal brought in before breakfast. The employee who is the habit of smoking Spanish cigars, being shaved at the barber's going to dances and other places of amusement, will assuredly give his employer reason to be suspicious of his honesty and integrity. Each employee must pay not less than \$5.00 a year to the church and must attend Sunday School regularly. Men employees are given one evening a week for courting. After 14 hours in the store the leisure hours should be spent for the most part in reading.

That was the situation 73 years ago. In retailing, as in other enterprises, the lot of the American worker has improved to an almost unbelievable extent.

GRASS ROOTS OPINION

NATIONAL CITY, CALIF., NEWS: "The issue is state's rights . . . Decentralization of government would mean its return to the grass roots where people can watch it and see it."

VEST, MINN., VISION: "The TVA area is practically all in the state of Tennessee. So a comparison of Tennessee with the other Southeast States is indicated. The figures . . . show that Tennessee's remarkable development has been matched in those states, and exceeded in others. In other words, Tennessee has been just about average. It is not easy to see much justification in the claim that TVA has done what private industry could not do."

ALBANY, OREGON, DEMOCRAT-HERALD: "As the law now stands, a citizen has a legal right to belong to any party he chooses, including the Communist party, which as of now is not outlawed. He has not, however, the right or privilege to use the classroom and the college as a place to promote the ideas of a group devoted to the overthrow of the government by force."

BOSTON, MASS., JEWISH ADVOCATE: "Mankind is in ferment. The sanctity of the individual is threatened and God on high denied by an atheistic philosophy and power which would enslave the human personality and crush man's religious spirit. . . . The greater the show of belief in God, the more ominous the portent for His revilers."

"THE VOICE OF THE BOOK"

Scores of thousands of Americans die each year in accidents. Hundreds of thousands are seriously injured. Accidents take a ghastly toll in human misery—and a tremendous economic toll as well.

A notable contribution to accident prevention has been made by the Association of American Railroads, in a motion picture entitled "The Voice of the Book." While the film is primarily intended for railroad personnel and their families, it is equally appropriate for use among schools, civic groups and general audiences. It is based on principles which are fundamental to the achievement of greater safety in any walk of life.

Moreover, the film is as interesting as it is educational. It is the tale of warm human interest, in which a young man is torn between his love for the railroad and the girl he hopes to marry. His problem is happily solved as he listens to an inspirational message about safety delivered to a high school graduating class by his uncle, a retired railroad man who has devoted his life to helping others live safely.

For further information about the film may be obtained from the Safety Section, Association of American Railroads, 59 E. Van Buren Street, Chicago, Illinois.

GREAT LOGIC

A few weeks ago President Eisenhower discussed, at a press conference, certain cuts in defense expenditures he is recommending. He vividly described the philosophy that governs his thinking in these words: "I have always . . . believed that there is a great logic in the conduct of military affairs. There is an equally great logic in economic affairs. If these two logical disciplines can be wedded, it is then possible to create a situation of military strength within economic capacities."

"If, on the other hand, these two are allowed to proceed in disregard one for the other, you then create a situation either of doubtful military strength, or of such precarious economic strength that your military position is in constant jeopardy."

The President thus said, in effect, that a sound government economy is as important to our defense and survival as actual military power—and that reckless, unbridled spending can be as dangerous as a foreign foe. That is as refreshing and as important an attitude as we have seen in high places in government in many a long year.

"For the first time in years, there exists a real opportunity for more philosophy of the business executive to be applied in the operations and policies of our government . . . to achieve and hold this business viewpoint in government will not be an easy matter."—Harold F. Hammond.

"THAT IS JUST YOUR INTERPRETATION"

In answering religious questions, I and my brethren always give a Bible quotation. Sometimes, folks will then say, "That is just your interpretation."

Actually, however, we believe the Bible needs no interpretation by us or anyone else. The apostle Peter says in 2 Peter 1:20 "Knowing this first, that no prophecy of scripture is of private (or special) interpretation." Therefore, we are perfectly content to accept just what it says without adding or subtracting. Not an interpretation, but what does the Bible say. Notice who does the interpretation on the following:

Mark 16:16: "He that believeth and is baptised shall be saved, he that disbelieveth shall be condemned." We believe that, just as it is. Do you say, "Yes, but it doesn't say I'll be condemned if I am NOT baptised." It sure doesn't, but who is interpreting the scripture? Not me. 1 Peter 3:21, "which after a true likeness doth now save you, even baptism." You say baptism doesn't save anyone, but what did Peter say? In answer to that question, "Brethren, what shall we do? And Peter said unto them, Repent ye, and be baptised every one of you in the name of Jesus Christ unto the remission of sins." Does your preacher ever give people that answer? Is that the answer you received? Then in all fairness, who is interpreting or making a private or (special) interpretation.

The Bible is plain and specific. You can't possibly misunderstand it without some help.

MUNDAY CHURCH OF CHRIST

CLIFFORD WILSON, Evangelist

News From The U. S. Congress

Congressman Frank Beard

WASHINGTON, D. C., June 5

This week it was my great pleasure to have the group of 67 that was visiting Washington under the sponsorship of the Bowie High School Travel Club as my guests for breakfast at the Capitol. Even though most of the group were from Bowie, it included a great many high school seniors, and there were those in the group who were from Nocona and Henrietta. During the breakfast Senator Lyndon B. Johnson came by to speak to the group, and the Secretary of the Navy, R. B. Anderson from Vernon, was also there and extended his greetings to them. From all reports, they had an extremely busy day visiting the White House, the Capitol, Mount Vernon, and other points of interest here in Washington. This is the first organized tour that has been in Washington from the District this Spring. I wish it were possible for more to make this trip, for I feel that a visit here is both educational and inspirational and that many people have a different idea about our government

and our country after having visited the Capitol.

The House passed a bill this week creating a commission to make a study of the relationships between the State Governments and the Federal Government. Even though I feel that we probably have too many commissions, and may times after one is created, it fails to function in any constructive way, it seems to me that this commission certainly has a very fine purpose in that it will study the ways in which the Federal Gov-

ernment might have encroached on the activities of the State Government. This is certainly a fertile field for investigation. I am hopeful that the commission will come up with some very constructive and specific recommendations about how to decentralize some of our government activities and return them to a State level where they belong.

There was also created a commission on the organization of the Executive Branch of the Government which is to carry on the work of the so-called Hoover Commission. This commission will seek to study ways to eliminate non-essential services and activities to define responsibilities of public officials and to reorganize and relocate agencies in the Executive Branch of the Government. We are all acquainted with the good work that the Hoover Commission did, and I think it is now generally known that the greater percentage of the recommendations of that Commission have been enacted into law. I am hopeful that this new commission will continue to work on the high level of the old Hoover Commission and produce the same worthwhile results.

In addition to our visitors from Bowie this week, the following were here: W. H. Wright of Vernon, Mr. and Mrs. W. L. Bass and daughters, Ida Kay and Alzada, and niece, Mary

June Davis, of Wichita Falls, and Mr. and Mrs. Roy Lanford of Bowie.

T./Sgt. Doyle Baker and Sgt. Philip Keller, who are in the Air Force and stationed in Puerto Rico, spent several days last week with Mr. Baker's parents, Mr. and Mrs. J. L. Baker, and other relatives.

Mr. and Mrs. Frog Stevens and children of Abilene visited relatives here over the week end.

Mr. and Mrs. Bob Jarvis and Mrs. Kirby Fitzgerald were Wichita Falls visitors last Friday.

"The FARMALL House"

A unique collection of RARE BIRDS
... of the genus *Commonosa Erroneous*, often observed breaking the rules of telephone courtesy. Watch for them... their calls are easily recognized.

THE SWIVEL-HEADED TERN
The call of this rare bird is a faint, inaudible whisper delivered in all directions except into the telephone receiver.

THE NIGHT-CALLING WROMGBIRD
His call — generally in the dead of night — often goes astray, for he never consults a directory.

THE LONG-WINDED CHITCHAT
Roosts on party lines for hours at a time — often attempts to call while other party is using line.

THE THREE-RINGED BUSH
When calling, lets phone ring only briefly before hanging up — when called, lets phone ring indefinitely before answering.

THE DEEP-THROATED WORD GARDNER
His call is either a shout or a mumble, but never in normal conversational tone... always impossible to understand.

Everyone benefits from telephone courtesy...

Byrd Family Has Reunion Sunday At Spur Park

The W. M. Byrd family reunion was held Sunday, June 7, in the Spur Park with all the children present with the exception of O. C. Byrd. Those present were Mr. and Mrs. J. I. Hughes and Elzie of Munday, Mr. and Mrs. M. B. Caughran of Lubbock; Mr. and Mrs. Doyle Hughes and family of Lubbock, Mr. and Mrs. Wayne Hughes of Brownfield, Mr. and Mrs. C. J. Byrd and daughter, Avery Hooten and children, Mr. and Mrs. Raymond Bradford and girls, O. C. Byrd family and Mrs. S. M. Brown, all of Wichita Falls; Mr. and Mrs. W. H. Condron, Mr. and Mrs. Buck Ballard of Spur and son and his family of Crosbyton, Mr. and Mrs. John Wyatt of Spur and their son and daughter of Van Horn; Mr. and Mrs. Roy Holly and family and their three married daughters, all of Post; Mr. and Mrs. G. W. Byrd and sons of Lubbock and a host of friends. There were 77 present for the reunion. They plan to meet the first Sunday in June next year at the same park in Spur.

Caran Walker Is Attraction At Family Reunion

Little two-months-old Caran Walker of Topeka, Kansas was the central attraction at the home of Mr. and Mrs. Lee Burnison the week end of May 30. She is the daughter of Mr. and Mrs. A. M. Walker and her daddy is in the Air Force and stationed in Topeka.

A family reunion was held over the week end and those who attended were Mrs. Emma Tyree, grandmother of Caran Ann, of Amarillo; Mrs. A. M. Walker and Caran A. W. of Topeka, Kans.; Mr. and Mrs. J. C. Nelson and family, Mr. and Mrs. Jim Nelson and family of Pasadena, Texas; Mr. and Mrs. Clyde Nelson, Mr. and Mrs. E. H. Nelson, Mrs. Lela Burnison and Louise, Mr. and Mrs. Gene Thompson and children, Mr. and Mrs. John Earl Nelson and children, Mr. and Mrs. Lee Burnison, all of Munday and Mr. and Mrs. Jiggs Edwards and daughters of Weirter.

Kay Sanders of Wichita Falls spent last week with her grandparents, Mr. and Mrs. H. A. Pendleton.

TWEEDY COED

Black and white is the mixture—cotton tweed is the fabric—both smartly interpreted in a daytime dress by Henry Rosenfeld. College girls will appreciate the cool qualities of cotton tweed for early fall and winter wear, asserts the National Cotton Council.

Gray Family Reunion Held At Cisco On June 7

The Gray family met June 7 in the Cisco Park for their annual family reunion. Those present were Mr. and Mrs. A. O. Carr and Donald Lee of Meridian; Mr. and Mrs. Zack Gray, Mr. and Mrs. Lloyd Gray, Linda Carol and Robbie Ann, Mr. and Mrs. Howard Gray and Lynn, Mrs. Myrtle Harmon, Mrs. Kathleen William and Thomas Jerry, Linda Sue, Nelda Kay and Morris Dean Sewell, all of Big Spring; Mrs. Annie Henderson and Weldon Giles of Seymour; Mrs. Ross Berry and Ross, Jr., of Fort Worth; Mrs. Eita Gray of Abilene; Mr. and Mrs. Loye E. Byrd and Mike of Corsicana; Mr. and Mrs. R. D. Gray, Donald Gary, Judy Talbert and Brenda Kay Talbert of Munday; Pvt. Melvin Gray of Fort Sam Houston in San Antonio.

All reported a wonderful time and planned to meet the same place and time next year.

Adelaide Kuhlner Honored At Bridal Shower On May 24

Miss Adelaide Kuhlner, bride-elect of James Rosnonsky of Vera, was honored with a bridal shower on Sunday afternoon, May 24, at the parish hall in Rhineland. Sixty-six guests registered, and thirty others sent gifts.

A refreshment plate of ice cream, cake squares, mints and cakes were served by the hostesses Mrs. Catherine Kuhlner, Miss Rose Marie Kuhlner, Mrs. Alphonse Kuhlner and Mrs. Julius Kuhlner.

Miss Loys Gray, Jerry Thomason To Marry On June 15

Mr. and Mrs. Melvin J. Gray are announcing the engagement and approaching marriage of their daughter, Miss Loys Gray, to Mr. Jerry D. Thomason, formerly of El Paso, now living in Pecos. He is the son of Mrs. Marvin V. Gerber of Germany.

The wedding is to take place at the home of the bride-to-be on June 15, at 5:00 p. m.

ATTEND FAMILY REUNION IN ABILENE

Mr. and Mrs. E. J. Cude and children, Mr. and Mrs. R. T. Morrow and children, Mr. and Mrs. Boyd Meers and children, Mr. and Mrs. E. H. Mullican, Mrs. Dub Moon, Mr. and Mrs. Johnny Fruehwirth and daughter, Mr. and Mrs. Grady Howry and children, Mrs. Dee Mullican and Mrs. C. H. Mullican attended the Lawson family reunion which was held in the home of Mr. and Mrs. Marcus Lawson in Abilene last Sunday. There were 100 of the family present at the reunion.

Mrs. Bess Guinn and daughters, Shirley and Patsy, Mrs. Lucille Stodghill and Mrs. C. A. Reagan of Vera visited their sister, Mrs. J. S. Reulet, in Mart several days last week.

Inside Job!

WASHING WINDOWS of the ultra-modern Alcoa Building in Pittsburgh, Pa., has been simplified by science. Washing the windows at Alcoa means deflating the butyl tube, swinging the window inside the building for cleaning, then swinging it back into position. The tube, designed by the General Tire & Rubber Company, holds the window in place. No longer need the window-washer dangle precariously from the 42-floor window casing. His is now an inside job.

Mr. and Mrs. Doug Moore of Borger visited relatives here and at Gorce over the week end.

Mrs. Jack Hensley and daughters are visiting relatives in Oklahoma for several weeks.

Tommy Parker of Waco was a week end guest in the home of Mr. and Mrs. A. L. Smith.

Wesleyan Service Guild Meets At Church On Monday

The Wesleyan Service Guild met Monday night, June 8, at the church in a very impressive service. Mrs. Doyle Ragle was in charge of the program. Mrs. J. H. Bardwell and Mrs. Travis Lee furnished a background of beautiful organ-violin music while the following officers were installed: president, Mrs. Lee Haymes; vice president, Mrs. I. V. Cook; treasurer, Mrs. Carl Gage; promotional secretary, Mrs. J. Weldon Smith; superin-

tendent of study, Miss Merle Dingus; christian social relations work, Mrs. H. R. Hicks and Mrs. Levi Bowden; superintendent of supplies, Mrs. Oscar Spann.

Following the program and a brief business meeting, a delightful social hour was enjoyed with Mrs. H. A. Medford as hostess. Those present were Meses. Carl Gage, Erin McGraw, C. P. Baker, E. R. Ponder, Joe B. King, I. V. Cook, Lee Haymes, H. R. Hicks, Oscar Spann, J. Weldon Smith, Levi Bowden, H. A. Medford, Doyle Ragle, J. H. Bardwell, Travis Lee and Misses Merle Dingus, Ruth Baker, Florence Gaines and Colene Wheeler.

Knox Prairie Philosopher Thinks That England Got Queen Crowning Idea Reading The American Papers

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek takes the cake this week for back-warmness, as his letter will reveal.

Dear editor: I've heard it said by statesmen and students of history that the British Empire has been declining and shrinkin in recent years, and while I've got nothin against declinin and shrinkin, know lots of folks who've been doin it steadily for years, I had not paid much attention to the claim.

In fact, the way England could still manage to swing a loan, regardless of who was in the White House, Democrats or Republicans, led me to believe she was as mighty as ever, but the last few weeks I've begun to have my doubts.

They were brought on by all the excitement and hullabaloo over the crownin of the Queen over there.

Now personally I got nothin against the Queen, looks like one of the most level-headed young ladies I ever heard of, but what worries me about England is it looks like that once mighty empire is runnin out of ideas, at least of original ideas. Now she's copyin after America.

Crownin a queen is all right, it brings a big crowd to London, turns lots of tourists' dollars loose, but thunder, the idea has been used so much in this coun-

try it's about as novel as a Fourth of July float. In the last few years a community which ain't crowned some sort of queen was considered queer, almost unorthodox. A picture of some girl gettin crowned—doesn't make any difference who by, anybody from the governor to a county commissioner to a president of a chamber of commerce to a newspaper editor seems to be equally skillful at the job, in fact, I guess it's one of the few jobs it takes the least trainin at to reach perfection in that's known to man—as I say, a picture of some girl gettin crowned queen is as common a sight in the papers these days as a bathin beauty or a fugitive from justice.

In the last few years I can personally remember havin seen pictures of girls gettin crowned as bathin beauty queen, black-eyed pea queens, watermelon queens, cantaloupe queens, petroleum queens, wheat queens, alfalfa queens, football queens, soil conservation queens, photo queens, better roads queens, in fact, the only two queens I have not seen pictures of are cumquat queens and blacksmith shop queens, and also Johnson grass queens, and somebody may be workin on them.

England is just runnin out of new ideas, but it didn't seem to make much difference if she did copy an American idea, the crowds sure swarmed in for the crownin.

Yours faithfully,
J. A.

CIVILIAN PERSONNEL MAY TRAIN IN NAVY'S FIRE FIGHTING SCHOOL

NEW ORLEANS—The Navy has announced that certain civilian personnel will be eligible for training in U. S. Navy Fire Fighter Schools.

In an instruction signed by the Hon. John F. Floberg, Assistant Secretary of the Navy for Air, the specialized training is set up for employees of cities and states and of U. S. Maritime and commercial firms in which fire fighting ability is a vital necessity and is in the public interest.

The Navy realizes the need for training key personnel of such organizations in the use of Navy fire fighting equipment and techniques.

To further such training the Navy offers a four-week course of instruction in fire fighting at the Naval Base, Norfolk, Va., and at the Naval Supply Depot, Oakland, California.

Auto Travel at New Peak

- 8—Colonial Historical Park Va.

More than 40,000,000 people visited national parks last year and the figure is expected to go higher in 1953 as America prepares to spend a whopping nine billion dollars on motoring vacations. As another indication of the tremendous popularity of mobile vacations, 28 states now rank tourist receipts among their three top industries. New Mexico and New Jersey place it first.

For particulars regarding civilian training at Navy fire fighter schools, requests should be addressed to the Chief of Naval Personnel, Navy Department, Washington 25, D. C.

Instruction of civilians at these schools is granted subject to provisions that it not interfere with the training of Navy personnel and that no expense to the Navy or government be incurred.

Week end guests in the Jim Gaines home were Mr. and Mrs. Gordon Gaines and son of New Home.

Miss Irene McClaran of Wichita Falls spent the week end here with her mother, Mrs. Ann McClaran.

Marion Jones spent the past week in Pecos visiting his sons, Ross and Dalton, and family.

Miss Adelaide Kuhler Becomes Bride Of James Roznonsky In Rites June 2

In a beautiful and impressive ceremony, Miss Adelaide Ann Kuhler became the bride of James J. Roznonsky on Tuesday morning, June 2, at 8:00 o'clock in St. Joseph's Catholic Church in Rhineland before an altar banked with white flecked gladioluses. Rev. Fabian Diersing, O. S. B., officiated at the double ring ceremony.

The bride, given in marriage by her brother, Albert Kuhler, was attired in a lovely chapel length original by Bridal Creations, consisting of nylon tulle and lace, the bodice and long sleeves were made of lace. The sleeves extended to points over the hands. Appliques of lace adorned the neckline and the skirt was tulle over satin. Her finger tip veil extended from a crown of rhinestones and seed pearls. For something old the bride wore an engagement ring 50 years old belonging to her mother. The something new was her trousseau and something borrowed was pearl ear rings belonging to her sister-in-law, Mrs. Alphonse Kuhler. She wore a blue garter for her something blue. Her three strand of pearls was a gift of the groom. She carried a white orchid showered with stephanotis and white satin streamers on top a white prayer book.

Miss Rose Marie Kuhler, sister of the bride, was maid of honor. She wore a ballerina gown of orchid lace and net with a matching half bonnet and carried a colonial bouquet of yellow

carneations and satin streamer. Mrs. Doris Pibil, cousin of the groom, was bridesmaid and wore a gown of yellow net identical to that of the maid of honor, and carried pink carnations. Miss Susan Marie Kuhler, niece of the bride, was flower girl. She wore a ballerina gown of pink net with draped ruffles on the skirt and a matching half bonnet. She carried deep rose carnations.

George Hans, cousin of the groom, was best man and Albert Pibil was groomsman. Master Marion Kuhler, nephew of the bride, was ring bearer carrying a white satin heart shaped pillow. Julius Kuhler, brother of the bride, and William Roznonsky, brother of the groom, were ushers. The altar boys were Jerry and Tim Kuhler, nephews of the bride, and Jerry Bellinghausen, cousin of the bride.

The bride's mother was attired in navy blue nylon and wearing red carnations. The groom's mother wore brown nylon and a pink carnation corsage.

The bride is a graduate of Rhineland High School of the class of 1947. She is the daughter of Mrs. Catherine Kuhler and the late J. C. Kuhler.

Mr. Roznonsky, son of Mr. and Mrs. Jim Roznonsky of Vera, attended school at Bomarton, and spent 21 months in the U. S. Army. Thirteen months were spent overseas in action in the far East. He is now employed with the Lone Star Gas Company of Wichita Falls.

A reception was held in the

MRS. JAMES ROZNONSKY

Miss Williams And Lloyd Reed Will Marry On June 27

Mr. and Mrs. J. L. Williams are announcing the engagement and approaching marriage of their daughter, Jeanette, to Mr. Lloyd Reed of Oil Center, N. M., formerly of Goree. He is the son of Mr. and Mrs. John L. Reed, also of Goree.

The engaged couple will marry in services to be conducted Saturday evening, June 27, at the home of the bride-elect's parents, Mr. and Mrs. J. L. Williams.

home of the bride in the evening. The table was covered with a white crocheted table cloth made for her by her mother, and centered with a three-tiered wedding cake and pink candles. The newlyweds were honored with a dance at night and made a short wedding trip to Carlsbad Caverns.

Mr. and Mrs. Roznonsky will make their home in Wichita Falls.

AUSTIN HIGHLIGHTS

By Senator "Cotton" George Moffett

The 53rd Legislature devoted considerable time to water legislation. It is difficult to frame water laws on a state-wide basis for a state as large as Texas. El Paso has an average of eight inches of rain per year, while over in the Sabine River area more than 32 inches of rain have already fallen this year, and the annual average is around 50 inches.

Eight bills were passed by the 53rd Legislature relating to the various aspects of the water problems in this state. The authority of the Board of Water Engineers was increased so that they can approve or reject applications for a water permit according to whatever the circumstances dictate should be done. Heretofore, this Board has had very little authority. It was mainly a record keeping agency.

A constitutional amendment which sought to levy a tax on the right to use water created more commotion than any of the water bills offered. Its purpose was to levy a tax on the right to use water from any public stream or lake in Texas. It would even have placed a small tax on water impounded in a ranch pond. Its worse defect lay in the fact that it would levy a double tax upon water and irrigation districts which had already voted a tax upon themselves with which to build dams, lay pipelines, dig canals, etc., through and by which they would be assured an ample water supply for the use of the people living within said cities and irrigation district. This water tax amendment to the constitution failed to recognize that some areas in Texas had already incurred heavy indebtedness in efforts to solve their own water problems. There are ten cities in the Senatorial District which I represent which have taken care of their water problems in this manner.

The plea in behalf of this state-wide water tax amendment was that by levying a tax on the use of water throughout the state a fund could be created from which other dams and water facilities could be built. In practice this would have meant that Central and East Texas would have gotten the benefit of the taxes levied because, in most places in West Texas, the various cities have already constructed dams and are paying for them out of local taxation. Most of the West Texas members were against this state-wide water tax proposal. I was glad to have been active in bringing about the defeat of this unjust and inequitable water tax amendment. It will probably be brought up again at a future session. If it is, I hope it will exempt those cities and irrigation districts which have already had forethought enough to take care of their own needs.

Unquestionably, much thought should be given toward solving the various water problems that exist in Texas, and West Texans should be continuously alert that their interests are properly safeguarded in any future leg-

Jeanette Williams Complimented With Bridal Shower

Miss Jeanette Williams, bride-elect of Lloyd Reed, was complimented with a miscellaneous wedding shower Friday evening, June 5, held at the recreational room of the First Baptist Church in Goree.

Miss Josephine Williams, cousin of the bride-elect, greeted approximately 60 guests and registered them in the bride-elect's book.

Hostesses for the pre-nuptial event were Mes. Pat Martin, Jr., John Moore and Ruth Temple, Misses Mary Coffman, Glenda Mayo, Jackie Latham, Jerry Patterson, Johnnie Hutchens, Pat Putnam, Josephine Williams and Geraldine Lambeth.

The entertaining room was attractively decorated in the bride-elect's chosen colors, pink and white. The refreshment table was covered with a white cloth and centered with an archway, entwined with pink carnations and greenery. A bride doll stood underneath the archway. The bride elect's cake and a crystal service completed the table appointments. Plate favors were wedding bells of pink and white featuring the letters "Lloyd and Jeanette" inscribed on the bells. Seasoned flowers concluded decorations for the party room.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Albin Halfmann of Rowena, Texas are announcing the arrival of a son, David Allen, born on June 4. He weighed 9 lbs and 4 ounces. Mrs. Halfmann is the former Alice Steinbach of Munday. Both mother and son are doing fine.

islation written in Austin. I plan to do my part in this matter.

Munday H. D. Club Meets Wednesday With Mrs. Bowley

The Munday Home Demonstration Club met in the home of Mrs. Frank Bowley June 10 at 2:30 p. m. A business meeting was held and they decided to order Tri Chem paints. They also decided to hold a Bake Sale the 4th of July to raise money to pay the members to attend summer camp at Leuders July 23 and 24. A dress form was made for one of the members.

Refreshments were served to Mes. R. L. Raynes, Ray Ford, Fred Lain, Raymond Tidwell, John Rice, R. M. Almanrode, John Peysen and the hostess, Mrs. Frank Bowley.

Mr. and Mrs. Joe Williams and son, David, of Ozona were week end guests in the home of her parents, Mr. and Mrs. J. E. Reeves.

Mr. and Mrs. Bill Morris and son, Gwin, were visitors in Denton over the week end.

Miss Evalyn Ford And Jack Huie Are Married May 30th

Miss Evalyn Ford, daughter of Mr. and Mrs. W. R. Ford of McCamey, and John Huie, son of Mr. and Mrs. Jack Huie of Lohn, were united in marriage at 3:30 p. m. Saturday, May 30. The ceremony was performed by Rev. C. A. Rowell, pastor of the East Side Baptist Church of McCamey.

The bride wore a light blue dress with white accessories. She is a graduate of McCamey High School, and has been employed by Burton-Lingo Company.

Mr. Huie served in the Korean war. He is a graduate of Lohn High School.

Best man was Ray Kimbell, and maid of honor was Mozelle Wilson, sister of the bride.

The couple plan to make their home in Brady, where Mr. Huie is employed by the Ernest Lloyd Construction Company.

LOCALS

Mrs. Frank Nance and son arrived Saturday from Turlock, Calif., for an extended visit with her parents, Mr. and Mrs. Worth Gafford, while her husband is working in Greenland.

Sgt. and Mrs. Glen Ray Morrow of San Antonio were week end guest in the home of their parents, Mr. and Mrs. H. B. Stubblefield and Mr. and Mrs. Elmo Morrow.

Mrs. Donald Jolly and sons returned to their home in Muskogee, Okla., last Saturday after a week's visit here with her father, Lee Hayes and Mrs. Haynes.

Mrs. Ella Lyles Wilson of Compton, Calif., was a guest in the home of her sister, Mrs. W. T. Ford, the past week.

Mr. and Mrs. Moreland Her-ring of Waxahachie visited in the home of Mrs. W. T. Ford over the week end.

Mr. and Mrs. Bert Griffin were Sunday guests in the home of Mr. Griffin's mother and sister in Wichita Falls.

Abraham and Joe Choucair and Kay Waheed were Sunday guests in the D. Hassen home in Stamford.

Mrs. Faye White of Baird was a guest in the Lee Haynes home last Thursday.

By JOHN C. WHITE, Commissioner

FARM SAFETY MEASURES

Farming is a dangerous job. The risks are physical as well as financial. In the last year of record, about 15,000 U. S. farm residents were killed in agricultural accidents. Another 1,300,000 were injured.

Each farm is a separate sphere of management and operation which involves a wide variety of activities and working conditions. The heavy toll of accidents caused by these different farm tasks wipes out some 17 million man days of labor each year.

Texas farmers may face one of the major accident creating situations this year—labor shortages. When hired help is scarce, the farmer takes on more of the work load. He toils longer hours and becomes tired long before the job is done. As a result, he is tempted to take risky short cuts or postpone needed repairs on machinery and buildings. This sets the stage for crippling accidents.

Farm machinery is the big killer. Careless handling of equipment causes many mishaps but even a careful operator may be hurt if he is running broken or worn machines. A good maintenance program for machinery could do much to keep down farm tragedies.

Another common cause of injuries is farm animals. Some accidents with animals are unavoidable. Still, many result from impatience on the farmer's part or an underestimation of the animal's dangerous traits. An ill-tempered bull not properly confined can easily kill a man or maim the farmer, worker, or member of the family.

Fires are a greater hazard on the farm than in the city. They cause 3,500 of the 15,000 farm deaths each year—not counting the millions lost in valuable food, domestic animals, clothing, buildings and equipment. These fires occur at the rate of 300 per day and most can be traced to defective heating units, flammable roofing materials, overloaded electrical wires and lack of protection from lightning.

But the farmer and city dweller share equal risks right in the home. Four thousand farm residents die each year from accidents inside the house. Thus, home safety is a prime starting point in eliminating accidents.

which rob families of their livelihood. Now that another season is underway, a little more caution and advance planning may help assure you of being around when the time comes to reap the harvest from seeds you're planting today.

THRIFTINESS THROUGH SAVINGS BOND PLAN

The Savings Bonds program is only one example of the thriftiness of the American people. Other savings have also increased, very substantially: Life insurance equities now amount to \$62 billion, an increase of 65 percent since 1945; \$58 billion worth of savings bonds are now outstanding for an increase of 20 percent in the same period. Time deposits in commercial banks at the end of 1952 amounted to \$40 billion for a 7-year increase of 34 percent. Mutual savings bank deposits amounted to \$22.5 billion for a 7-year increase of 47 percent.

The total backlog of liquid savings in the hands of citizens of our country amounts to over \$200 billion—an effective bulwark against depression and deflation.

SO BEAUTIFUL! SO POWERFUL!

GENERAL MOTORS LOWEST PRICED EIGHT

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car. Certainly it's as distinctively styled as any car on the road—and its beauty carries through into its luxurious, roomy Body by Fisher. Performance-wise, Pontiac is second to none, with power to spare that whisks you through city traffic or cruises with remarkable economy. And Pontiac is a big car, with a long, 122-inch wheelbase.

But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac. Come in and get the facts that prove that dollar for dollar you can't beat a Pontiac!

EXTERNAL PARASITES OF LIVESTOCK AND POULTRY CUT PROFITS

The battle between man and the insect kingdom goes on continuously. Whenever sanitation and control programs become ineffective, the bugs take advantage of the situation and rapidly increase in numbers with a corresponding increase in damages done. The annual toll taken by external parasites from the pro-

ducers in Texas of livestock and poultry amounts to millions of dollars. Right now the extra dollars are needed to help keep production on the black side of the ledger.

The entomologists of the Texas A. & M. College System have released a publication, C-324, "A Guide for Controlling External Parasites of Livestock and Poultry in Texas", and it is available at the office of all county agricultural agents.

The entomologists point out that external parasites are present the year round and that lower production of meat, milk and eggs result when the bugs are not controlled. In addition, diseases are spread and infested livestock and poultry go down in condition because of the loss in energy and from annoyance. Organic insecticides, they say, will control the major external parasites and there is little excuse for allowing them to exist.

Included in the guide are formulas, mixing instructions and methods of application for a great number of insecticides along with an even longer list of the parasites that do the most damage. The information is given in a condensed form and is based on experiments conducted by the Texas Agricultural Experiment Station, the Bureau of Entomology and Plant Quarantine and Animal Industry of the United States Department of Agriculture.

Nurses Are Needed In V. A. Hospital

Registered nurses are urgently needed by the Veterans Administration hospital at Houston, Dr. Lee D. Cady, manager, has announced.

Salaries of the nursing positions to be filled range from \$3,740 to \$5,940, and include established VA benefits of annual leave, sick leave and forty-four hour work week. Housing accommodations are available on the station in some instances.

Interested parties are requested to write Chief of Nursing Service, Veterans Administration Hospital, Houston, Texas.

MRS. YOUNG PRESENTS PUPILS IN RECITAL

The piano students of Mrs. Pat Young were presented in a program Friday evening at 3:30 p. m., May 22nd, at her home on the Bomarton Highway.

Sue Reeves, guest pianist and a pupil of Mrs. J. B. Balch, presented three selections. Advanced works in the original were featured throughout most of the program. Compositions of Bach, Beethoven and Mozart were used as well as those of MacDowell, Tshalkowsky, Gershwin and Cole Porter.

Appearing on the program were Given Morris, Linda Gayl King and Patsy Jo Tidwell of Munday and Jeleta Stanford and Sue Reeves of Seymour. Cooling refreshments were served to performers and guests.

GRAIN STORAGE CRISIS AT HAND, FORMER PMA-CCC OFFICIAL WARNS

Warning to farmers that grain storage this year may be the shortest in history is being voiced by Elmer F. Kruse, former administrative executive for the PMA's commodity operations, including CCC.

"The farmer's chance of finding commercial storage in 1953 will be poorer than ever," Kruse says in an article appearing in the June issue of the Farmstead News, a magazine circulated by Quonset building dealers. Kruse is now farming his 80 acres near St. Mary's, Ohio.

Telling farmers how they can profit by owning their storage facilities, Kruse points out that within a few weeks after the harvest start of the wheat season wheat on the ground is likely to be the greatest problem facing the grain grower. "The Commodity Credit Corporation probably will have to take over for long-term storage more than one billion bushels of wheat and corn," Kruse writes. "I for one do not feel that any grain grower can afford to be without his own storage facilities in 1953."

Secretary of Agriculture Ezra

Elmer F. Kruse

Benson warned farmers and commercial storage men on May 13 that the job of storing the new wheat crop would be left largely to farmers and the storage business. Benson said the Agricultural Department would be concerned chiefly with storing 1952 grain to be turned over to it by farmers under a price support program.

Kruse said this grain, plus grain in regular commercial storage, would make it almost impossible for the new grain to flow into the usual trade channels at harvest time.

Kruse also added that his 30 years of experience as a farmer, plus research work by the U.S.D.A. and others, had convinced him that farmer-owned storage was profitable as well as practical.

He pointed out that the market slumped at harvest time each year and that he had seen farmers forced to sell at price reductions of 10 to 60 cents a bushel because they didn't have adequate storage

Joe Stevens, who is in the Air Force and stationed at Lackland Air Base in San Antonio, spent the week end here with his mother, Mrs. W. R. Mitchell, and Mrs. Mitchell.

Miss Betty Patterson was a guest of Miss Betty Morrow at the Lawson family reunion in

Abilene last Sunday.

Mr. and Mrs. H. P. Hill spent the week end in Tatum, N. M., with Mr. and Mrs. Earl Nichols and daughter.

Mr. and Mrs. A. H. Mitchell visited in Dallas the first of this week.

Miss Patsy Morrow of Abilene is spending this week with her mother, Mrs. Freddie Morrow, and other relatives and friends.

Mr. and Mrs. P. V. Williams were business visitors in Dallas the first of this week.

Brief Articles On The Draft Law And Regulations

(Editor's Note: This is one of a series of short articles on the draft law and its rules and regulations.)

The draft law requires every man registered with a local board to report any change in personal status to his board.

"Young men have asked us just what changes they should report," Brig. Gen. Paul L. Wakefield, state draft director, says. "Generally, anything which has a bearing on classification should be reported."

The state director pointed to the following things which should be regarded as change of personal status:

1. Current change of mail address should always be sent to the board.
2. Marriage should be reported at once.
3. If a wife becomes pregnant with a couple's first child, a physician's certificate must be sent to the board immediately

after the fact is known.

4. All additions to the family must be reported.

5. Any deaths in a man's family should be reported.

6. If a man and wife are divorced or they no longer live together, this must be reported.

7. Permanent change of job should also be reported.

8. Serious injury or physical defect should be reported.

9. If a man becomes a student in a college or university, this fact should be reported.

10. If a man enters the Reserves or National Guard, he should ask his commanding officer to notify his board. He should assure himself that it is done.

11. If a man has attempted to volunteer for armed forces service and has been rejected, he should advise his local board.

Miss Marguerite Hammett of Abilene was a week end guest in the home of her parents, Mr. and Mrs. G. B. Hammett.

Mrs. Oscar Spann spent last week in Sweetwater visiting her son, O. H., and family.

**LET'S TALK
LIVESTOCK
BY TED GOULDY**

FORT WORTH — Summer movement of cattle reached a peak at Fort Worth Monday that was a record for the season, and the largest run of grown cattle since 1934 arrived. Some 10,500 cattle and 1,500 calves were estimated and during the day both figures were eclipsed.

Biggest modern day run of cattle and calves to Fort Worth was the second week of October 1946, the week after OPA regulations were dropped. On that Monday, some 10,150 cattle and over 9,800 calves arrived. That being a season of heavy calf sales, which June is not, the combined totals far surpassed the Monday run at Fort Worth.

High grade cattle and calves found prices steady to weak, ex-

cept prime drylot fed beeves were steady to strong. However, the cull, common, plain and medium to fairly strong cattle and calves were weak to \$1 lower. Shelly low grades were off \$1 and more.

Another larger offering appeared in the sheep barn at Fort Worth Monday, as receipts hit 14,500. Choice fat lambs of over 70 pounds were fully steady, lighter weights and the medium and lower grades were weak to \$1 or more lower. Ewese were \$1 off. Old bucks lost \$1. Choice fat yearlings were steady, but others dipped sharply.

Hogs were steady to 25 cents higher, topping at \$24.50 and \$24.75. Sows were steady at \$20 to \$22, and feeder pigs cashed at \$21 down.

Good and choice fed steers and yearlings sold for \$17 to \$23.50, the day's top honors were shared by L. G. Davis of Shackelford County and G. A. McClung of Johnson County. Davis had 37 steers averaging 1,070 lbs. at \$23.50 and McClung had 20 yearlings of 995 lbs at \$23.50. Common and medium grassers sold from \$10 to \$16, and cutter grades sold from \$7 to \$10. Fat cows \$8.50-12.00, a load of heif-

ettes averaging 1,025 lbs. from G. A. White, Brady, topped at \$14.25. Canners and cutters \$5.00-8.50. Bulls from 7.00-14.00, some shelly dairy breeds down to \$6 and below.

Good and choice fat calves \$16.00-20.00, some yearling weights 500 lbs. and up, \$21.50. Common and medium \$10.00-15.00, culls \$7.00-10.00. Good and choice quality stocker steer calves \$16.00-20.00, good and es choice steer yearlings \$15.00-19.00, heifer calves and heifer yearlings \$2 to \$3 under comparable steers. Stocker cows \$10.00-13.00.

Good and choice milk lambs \$18.00-25.00, few to \$26.00-26.50 and cull, common and medium to good sorts from \$12.00-18.00. Feeder Spring lambs \$12.00-16.00. Feeder yearlings \$10.00-15.00, cull yearlings \$8.00-10.00. Fat yearlings \$17.00-20.00.

Two-year-old bucks \$9.00-14.00, and old wethers \$10.00 down. Old ewes \$3.00-5.00. Old bucks around \$3.

Mrs. D. C. Elland and David met Dr. Elland and Allen in Dallas last Saturday. Dr. Elland and Allen have been visiting in New York, Pennsylvania and Washington the past two weeks. They all returned home Sunday night.

Mrs. W. P. Farrington visited in Dallas the first of this week.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox, M. D., State Health Officer of Texas

AUSTIN—Increasing number of lockjaw will develop between now and fall. State Health Officer Geo. W. Cox warned today, despite known measures of prevention.

Lockjaw, or tetanus, cases jump in summertime because exposure in the form of cuts, scratches, or puncture wounds are more frequent in warm weather when people are out of doors.

The germs of lockjaw are commonly found in soil—especially manured soil. They enter through a skin break and emit a deadly toxin which causes jaw and neck muscles to constrict so severely that jaws involuntarily close, vice-like.

Slowly, the muscle constriction spreads to other body muscles, until the victim is bent like a bow. A fatal case of the disease has been traced to a scratch from a rose thorn.

Lockjaw germs are spore-formers, which means they can live for years outside an animal body. Its life processes lie dormant in a tiny seedlike pod, sitting about on the ground until finally perhaps through a silver or nail scratch, it gets back into live tissue.

The wound may heal, but inside, protected as it is from the air, the spore will begin "revegetating" and emitting deadly toxin.

Farmers are especially vulnerable to lockjaw. Dr. Cox cautioned, because the primary source of lockjaw germs is the intestinal tract of farm animals. They're passed onto the ground

discretion of the family physician in animal dejecta, easily available for re-entry into the human body when that body is cut or scratched or otherwise wounded.

Exposures to lockjaw are so common that it is mere common sense for everyone to maintain a high level of protection via immunization. Dr. Cox called this method of gaining immunity "simple and convenient". He said immunizing shots should be given children early in life, at the

ian. "You can't go to a doctor with every little scratch," he emphasized. "so the best way to handle it is to take an immunizing series of shots, and keep the immunity level high with periodic 'booster' shots."

Mrs. Travis Martin and children of Seymour were visitors in the home of her parents, Mr. and Mrs. M. H. Reeves, over the week end.

He's Done Something for Himself!

Only a few short minutes ago, the man you see in the picture above was handed the golden keys to his 1933 Cadillac—and now he's off on that first delightful journey behind the wheel.

And as he leans back against the deep, soft cushion, and looks out over that proud hood into the roadway beyond . . . well, he knows that he's done something for himself!

He knows it just from the way he feels there in the driver's seat—rested, relaxed, and at peace with the world . . . completely confident that he has made the wisest possible choice of a motor car.

He senses it in the marvelous way the car handles and drives and rides . . . so effortless and smooth and quiet that it's a joy and an inspiration just to hold the wheel in his hands.

And he knows it, too, from the feeling of pride and satisfaction he enjoys as he looks forward to the

delight of his family and the approval of his acquaintances and friends.

And how the miles and the years will bear him out in his conviction!

Let him arrive at a distinguished hotel . . . or an exclusive club . . . and he will find that his Cadillac constitutes the perfect "letter of introduction."

In fact, let him travel wherever he will in this broad land of ours . . . and he will find his Cadillac a trustworthy and unfailing companion, an inspiration to own and drive, a valued contributor to a magnificent way of life.

Yes, you're looking at a man who's done something wonderful for himself—wonderful beyond even his fondest dreams.

And if you think it's time you did something for yourself, then we suggest you come in and see us.

Let's make it "Cadillac time" for you!

Korean refugee examines remains of stove in ruins of her home. Clothes and shoes for such war sufferers are sent overseas by American Relief for Korea, a United Defense Fund agency, financed through Red Feather and other united community drives.

Scratches need not mar furniture permanently. For white scratches on mahogany, this treatment may be effective: Use iodine applied to a small bit of cotton on a toothpick to touch up the scratches.

Mrs. Carl Davis and children left Tuesday for Stockton for the summer to be with her husband who is employed there.

Mr. and Mrs. Melvin Bridge water and sons of Fort Worth came in Tuesday and are spending their vacation in the home of her parents, Mr. and Mrs. C. N. Smith, and with other relatives.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Sargent, Jr., of Dickens are announcing the arrival of a baby girl on Wednesday, June 3, at 11:55 p. m. at the Knox County Hospital. Marjorie Lou, to be called "Margie Lu", weighed 7 pounds and 12 ounces. Mother and baby are doing fine and staying with her parents, Mr. and Mrs. J. A. Hill, at the present time. Mr. and Mrs. Charles Sargent of Weinert are the paternal grandparents.

NEW ARRIVAL THIRD DAUGHTER IN FAMILY

"Three of a kind" and papa Robert says that will beat two pair. Debra Jean is the new daughter of Mr. and Mrs. Robert Patterson. She arrived at the Baylor Hospital in Seymour, Saturday, May 30, and she weighed 8 pounds and 1 ounce. Big sisters, Bobbie Lynn, age 4, and Donna Gail, age 2, were very happy when their mother brought their little doll baby home last Monday. Both mother and baby are doing fine.

Maternal grandparents are Mr. and Mrs. Clements Wirz of Seymour. Paternal grandparents are Mr. and Mrs. Clifton Patterson of Goree.

Mr. Patterson is engaged in highway construction work near Munday and they are making their home here. Miss Betty Patterson, an aunt of the new arrival is employed in Dr. Joe Croley's office.
