Odd Bits Salvaged
at Random

"Do you care to help the March of Dimes?"

On various and sundry occasions, one is asked this question these days—just an ever-present reminder that the March of Dimes drive is on.

The little containers are in most of the stores, the drive is mentioned at practically every meeting or public gathering.

And no one can say he hasn't had an opportunity to contribute. The little jars are reminders, the press carries stories, personal contact is made by personal workers.

Maybe it gets monotonous.

But when we think of the crippling effects of polio, the deaths caused by this disease, the monotony of suffering by afflicted persons, etc., it behooves us to contribute what we can—and then be courteous to those who ask us to again contribute.

Their work is without compensation, except for the knowledge and pleasure they have in taking a small part in the nation-wide fight against polio.

Goree is being host to the annual 4-H Club and F. F. A. livestock show next Saturday.

It's the first time in many years that the show has been held at Goree. In fact, we can't remember it ever having been held there.

But if our remembering is incorrect in this, we stand corrected.

Anyway, we think it nice and proper that different communities in the county have a part in this annual event.

It gives more people and different groups an opportunity to meet with the boys and girls and encourage them in their projects and undertakings.

And Goree firemen are taking the matter in hand—and from what we learn, well in hand.

They are planning a free barbecue lunch for the boys and girls taking part in the show, as well as working hand-in-hand with them, the county agent, and others in all arrangements for the show.

Our guess is that things will "be done up brown" next Saturday, and people from all parts of the county will gather in Goree for the show.

Our detailed account of our wrestling match with the F. I. C. A. and withholding tax forms last week caused us to be laughed at and about, but brought us very little sympathy, if any.

So when you get all your figures compiled and find you have to pay more income tax than you thought you would, don't come around to cry on our shoulder.

Anyway, we have a month longer this year than last—April 15th, to be exact.

But the sooner you get it over with, the more time you'll have to devote toward making a living in 1955, or paying back the money you had to borrow to pay your income tax.

We've delved deep enough into our return to know the situation is bad. How's it with you?

Mogul Schedule For '55 Announced

The 1955 football schedule for the Munday Moguls was announced this week by school officials. The schedule, opening on September 3, is as follows:

Sept. 3—Rochester	here
Sept. 9—Rotan	here
Sept. 16—Lockett	there
Sept. 23—Open	
Sept. 30—Throckmorton	there
Oct. 7—Rule	there
Oct. 14—Open	
Oct. 21—Albany	here
Oct. 28—Roby	there
Nov. 4—Roscoe	here
Nov. 11—Haskell	here
Nov. 18—Merkel	here

Last Rites For Mrs. J. K. Johnson Held On Monday

Mrs. Kelly Johnson, 78, beloved pioneer mother and resident of Knox County nearly 60 years, passed away at her home two miles west of Munday at 6:30 p. m. Saturday. She had been in ill health about a month.

Mrs. Johnson was born in Stephens County on September 17, 1876, and died at the age of 78 years, 3 months and 28 days. She had resided in Knox County since 1895.

She and Mr. Johnson were married on October 3, 1879, and lived on their farm west of Munday through the years. Mr. Johnson was active in farming until a few years ago.

Surviving her are her husband, J. K. Johnson of Munday; two sons, Edwin K. of Munday, and Moody of Seymour; two daughters, Mrs. Henry Matthews of Munday and Mrs. B. Bickham of Calallen; a brother, J. L. Tompkins of San Jose, Calif.; two sisters, Mrs. V. W. Caldwell of Spearman and Mrs. Annie Ratliff of Harlingen; 23 grandchildren and 13 great grandchildren.

Funeral services were held from the First Baptist Church in Munday at 2:30 p. m. Monday. Elder W. W. Brown of Abilene officiated and was assisted by Rev. Paul Nelson of Abilene and Rev. Robert H. Lloyd of Munday.

Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Pallbearers were Ed Johnson, Wylie B. Johnson, Dr. J. B. Reineau, Raymond Tompkins, Horace Tompkins and Harry Ratliff.

Meeting Called To Plan Rooms At Swimming Pool

Coach Troy Stewart requests all persons interested in helping promote dressing rooms for the local swimming pool to meet with him next Saturday morning at 9:30 o'clock at the school gymnasium. This meeting is not for the purpose of receiving donations, but for the organization of a club to start a campaign to raise money for this project.

He asks those interested to bring suggestions as to ways and means of securing funds for the project. Tentative opening date for the pool is May 1, and it will take some 30 days to construct the rooms; therefore, a period of 60 days will remain for the fund raising campaign.

Morrow Re-enlists For 6 More Years

Staff Sergeant Glenn R. Morrow, son of Mr. and Mrs. E. D. Morrow of Munday, Texas, has recently re-enlisted in the United States Air Force for an additional six year tour of active duty.

Sergeant Morrow, a veteran of four years military service, is presently assigned to the 3700th USAF Hospital, Lackland Air Force Base, San Antonio.

Sergeant and Mrs. Morrow now reside at 104 Corkhill Circle, San Antonio.

E. B. Littlefield was a business visitor in Abilene last Monday.

Mr. and Mrs. T. H. Armstrong and Mrs. Jack Clouds were visitors in Wichita Falls last Monday.

Mrs. T. G. Bengue was a Wichita Falls visitor the first of this week.

Speakers For Local Missionary Rally

REV. T. T. BRUMBAUGH

DR. GANJO KOSAKA

A great missionary rally will be held in the First Methodist Church in Munday on Wednesday evening, January 26, at 7:30 p. m. Three unusually outstanding speakers are to be present for the service. Heading the list of speakers will be Bishop W. C. Martin of Dallas, who presides over the work of three-fifths of the Methodist in Texas. Bishop Martin has recently been serving as President of the National Council and at the same time President of the Council of Bishops of the Methodist Church. The other speakers for the occasion are The Rev. Thoborn T. Brumbaugh, in charge of Methodist Missions in Japan, Korea, and the Philippines, and Dr. Ganjo Kosaka, president of Aoyama Gakuin University, Tokyo, Japan.

Dr. Kosaka, one of Japan's best known Christian educators, has been associated with Aoyama Gakuin as a professor and administrator for thirty years. Born in a Methodist parsonage in Japan, Dr. Kosaka was educated in the secondary school of Aoyama Gakuin, and then came to the United States where he continued studies at Ohio Wesleyan University. He took his Master of Arts degree from Columbia University, having majored in economics. In 1932 he became dean of Aoyama Gakuin University and in 1953 the president.

Dr. Brumbaugh visited in Munday about two years ago and spoke at the local Methodist church. He served as a missionary in Japan for many years before being placed in charge of Methodist work in the Far East. He went to Japan in 1924 as a missionary after having finished his educational work in Ohio Wesleyan University, Boston University School of Theology and Union Theological Seminary in New York. Dr. Brumbaugh has made three extended visits to the Far Eastern countries since the end of the Second World War. During recent visits in the Orient, Dr. Brumbaugh has interviewed religious, social and political leaders in Japan, Korea, Okinawa and the Philippines and is recognized as qualified to discuss intelligently various aspects of America's relations with the Far East and the responsibilities of the Christian movement in that part of the world.

This missionary rally, which is to begin promptly at 7:30 on the evening of Wednesday, January 26, is a meeting for all the Methodist churches of the Stamford district. Rev. W. A. Appling, pastor of the St. John's Church in Stamford, is the District Missionary Secretary and has been working with Rev. Marshall Rhew, District Superintendent, in making plans for the rally. The general public is cordially invited to attend this outstanding service.

Leader In Knox County Farm Bureau Recently Named To State Committee

L. B. Patterson, Sr., vice president of the Knox County Farm Bureau, was named by Loys Barbour, state director, to serve on the field crops committee of the state organization at a meeting in Wichita Falls on January 14.

The proposed 2-cent increase in gasoline taxes was discussed. This tax is opposed by the Texas Farm Bureau, which recommended that any future increase in the highway road-user taxes should be based upon weight and distance formula or other fair measures so each user would pay in accordance with the amount of use and benefits he receives from the highways.

The fact was brought out at the state convention that cost had been estimated at \$15,000 per mile to build a road that would stand up under heavy commercial truck loads. The Farm Bureau believes in good roads, but also believes that highway users who cause destruction of the road system by extremely heavy loads should pay more in taxes than those who use lighter cars.

The organization is represented in Austin by Mr. Barbour and C. H. Devaney, and they would appreciate Farm Bureau members letting their congressman know their feelings on the proposed tax increase.

MOTHERS' MARCH OF DIMES PROGRAM, FRIDAY, JAN. 28

The mothers' March of Dimes program is being planned for Friday, January 28, it was announced this week. Plans for the program will be in next week's paper.

Mr. and Mrs. A. H. Mitchell visited their daughter and family, Mr. and Mrs. Michael Sloan and Sandra, over the week end.

Miss Helen Phillips and Marion Phillips of Abilene spent the week end with their parents, Mr. and Mrs. Press Phillips.

Boxing Bouts Slated Here For Monday Night

Another interesting fight card is expected to be rolled off here next Monday night in the second of a series of boxing bouts scheduled locally. The bouts will be at the Munday school gym.

Eighteen fights are on schedule for this event, according to members of the Munday Quarterback Club, who are sponsoring this year's card. Some of these should be very interesting to all boxing fans.

Boxers will appear from Knox City, Rochester, Seymour, Wichita Falls and Munday, it was stated.

School Census To Be Completed By First Of February

County Superintendent Merick McGaughey has asked the Times to remind school patrons of the county that the annual school census, now under way, must be completed by February. Personnel in each district are serving as enumerators.

Every child who will be six years of age before September 1, 1955, and who is not 18 years or age by that date should be enumerated, he said.

"It is very important that we do not miss a child who will be of school age," he said, "as the aid received from the state is based on this census. If your child is missed, please notify your local school superintendent as soon as possible."

Moffet Named On 16 Committees

Following is a list of committee assignments given Senator Moffett for the present session of the Texas Legislature by Lt. Gov. Ben Ramsey:

Chairman, agriculture; vice-chairman, livestock and stock raising; vice-chairman, oil and gas conservation; aeronautics, constitutional amendment, contingent expenses, congressional districts, federal relations, finance, highways and motor traffic, interstate co-operation, military and veterans' affairs, public buildings and grounds, public lands and land office, state affairs and water rights, irrigation and drainage.

The above committee assignments include practically all of the legislative subjects in which the people of the 23rd district are deeply interested.

Prolonged Drouth Steps Up Interest In Irrigation In Many Texas Counties

Drouth and its resulting loss of production as contrasted with irrigation farming has emphasized to farmers the necessity of utilizing every available source of water. The lack of moisture, reports E. H. Bush and R. V. Thurmond, extension agricultural engineers, brought record numbers of requests from farmers for information on soil and water conservation, irrigation and drainage.

The specialists in their 1954 annual report say that county agents and specialists of the Agricultural Extension Service were asked for assistance on such problems as the layout and design of terraces, drainage and irrigation systems, mapping, surveying of ditches, drains, contours and borders. Also information was sought on spacing, drilling and equipping wells; the crop-water relationships; crop rotations; fertilizer and legume practices, costs; economics; marketing and many other related subjects.

The information sought was supplied through 52 training meetings attended by 4,166 persons included county agents, leaders and others. The specialists also conducted or assisted with 58 farm demonstrations and made 161 county visits to help county agents with meetings, radio programs and demonstrations to pass on to farmers desired the information. Personnel from other agencies and organizations gave valuable assistance in helping take care of

Annual 4-H And FFA Livestock Show Slated To Be Held At Goree Saturday

Merkel Whips Moguls, 52-51

The Merkel cagers, defending champions, were pushed in the final quarter but came through with a narrow 52 to 51 victory over the Munday Moguls last Friday night. This gave Merkel a one-half game lead over Throckmorton and Haskell in the District 8A cage race.

All-State candidate Robert McLeod dunked 27 points in pacing the Badgers to their fourth consecutive win without defeat in loop play. Phillip Pursley was the No. 2 Merkel scorer with 11.

Joe Sharp of Munday was a close second to McLeod in scoring, meshing 21 points. Glen Amerson was next in line for the Moguls with 15.

The loss was Munday's second in three starts in loop action. After a nip-and-tuck affair in the opening minutes of the first quarter, Merkel pulled out front in the second quarter and was never headed. But the Moguls pulled up in the final quarter, only to see time run with the Badgers out front.

"Crutch Day" To Be Next Saturday

Next Saturday will be observed as "Crutch Day" for the March of Dimes.

A supply of miniature crutches have been received to further this drive, and members of the local 4-H Girls Club will be on the streets of Munday all day Saturday, selling these miniature crutches.

"Look for them and give them your cooperation," the sponsors urged. "Your purchase of a tiny crutch will be a help toward combatting polio."

REGAINS HEALTH

Word has been received that Mrs. U. S. Rogers, beloved Munday resident, has completely regained her health, but will remain in Haskell with her daughter, Mrs. R. L. Burton, until the weather gets warm. She then plans to return to her home in Munday.

Mr. and Mrs. Wallace Reid visited with Alvin Reid in the Methodist Hospital in Dallas over the week end. Alvin underwent surgery last Friday morning and is reported to be doing fine.

The annual Knox County Junior Livestock Show is scheduled to be held at Goree on Saturday, January 22, it was announced this week by County Agent W. J. Bryan. Animals are to be in place at 10 a. m., and judging will start at 1:30 p. m.

According to Mr. Bryan, about 130 projects will be shown, including 100 head of lambs, 18 beef steers and 12 fat barrows. Judges for the show will be J. D. Jones of Texas Tech at Lubbock, who will judge steers and lambs, and Clint Shirley of Fort Worth, who will judge sheep.

Members of the Goree Fire Department are sponsoring the show this year and will furnish exhibitors with a barbecue lunch, in addition to other arrangements. This is the first time in many years that the show has been held at Goree.

Showmanship prizes will include a show halter for the best steer shown and hand made belts for the best lamb and barrow showmen. Prizes are being furnished by the Knox County Farm Bureau.

Mr. Bryan said this year's show should be one of the largest ever held in the county, and he and the sponsoring group would like for everyone to come out to see the show and encourage the boys and girls in their projects.

Brother Of Local Man Wounded When Robbery Thwarted

Det. D. M. Woods, Amarillo policeman, was killed and Det. Lt. Ell Leflar, his partner, was wounded during a running gun battle with a holdup man, who apparently killed himself a Amarillo last Monday night.

Police said the shooting occurred when officers, acting on a tip that a liquor store was to be held up, surprised the gunman during the robbery attempt.

Leflar was wounded in the stomach and another bullet went through his hat, but he continued to chase the gunman. He was later released from the hospital and his wound was said not to be serious. Leflar is a brother of W. G. Leflar of Munday.

The gunman apparently killed himself when cornered by police on top of a nearby building.

Beta Chi Chapter Holds Rule Meeting

Beta Chi Chapter of Delta Kappa Gamma, honorary society for women teachers, met in Rule at the Philadelphia Club House on last Saturday afternoon for the regular January meeting. Members from Haskell, Knox and Stonewall counties were present with members from Rule, Old Glory and Sagerton serving as hostesses.

Mrs. Marie Ward of Aspermont, president of the chapter presided at the business meeting. She then presented Mrs. Mabe Derr of Weinert, who was moderator for a symposium on teacher recruitment. Other members of the panel were Mrs. Ina Cowan and Mrs. Floy Goolsby of Munday and Mrs. Louise Greer of Haskell. Plans were made for a series of surveys of the local situation whereby all sides of the problem are studied. Further study will be made of the question in the February meeting when Mrs. Alice Patridge will preside and present "The Why the Where and the How of Recruitment."

Group singing under the direction of Mrs. Mary Martin of Haskell was enjoyed. The hostesses served coffee and cake to about forty members. Those attending from Munday were Mrs. Elizabeth Bowden, Mrs. Ina Cowan and Mrs. Floy Goolsby.

ACCOUNTANT OPENS WICHITA FALLS OFFICE

Recently discharged from the military service, Jimmie K. Stodghill has opened general practice as a certified public accountant at Wichita Falls, where he was reared. He served 2 months as an auditor in the comptroller's office at Fort Hood.

Stodghill is the son of Mr. and Mrs. C. V. Stodghill of Wichita Falls. His father is a former Munday resident.

WITHOUT BLOOD AND THUNDER

The idea seems to be more or less current that the American Medical Association always opposes legislation, which is designed to help give us more and better medical care. So it's high time this particular misconception of the AMA attitude was cleared up in the public mind.

In the past year, for instance, Congress enacted into law 15 major medical bills. The AMA opposed only two of these—one having to do with certain Social Security Act amendments and the other involving government policy on medical care for veterans with non-service-connected disabilities—in the firm belief that they were unsound. It took no position on two others. It actively supported 11 of the 15, including bills to finance the building of new non-profit health facilities; to lower the medical expense tax deduction; to extend the "Doctor Draft" law; to grant a federal charter to the National Fund for Medical Education, and to establish the Department of Health, Education, and Welfare, with an officer rank at its head.

In addition, the AMA supported two proposals that were not enacted by Congress. These would have streamlined Public Health Service grants to the states, and stimulated the establishment of private pension plans by self-employed persons and certain categories of employes.

As an AMA officer recently said: "It would be helpful if the American people had more knowledge of the fact that the AMA every year supports constructive legislation. The positive side of the story may not have blood-and-thunder news interest, but it spells out steady, continued progress in protecting the public health and welfare."

There are many in the United States who believe they could live a free life under socialism so long as they had the petticoats of the Statue of Liberty to hide under.

Freedom is the people's responsibility. Every time we seek new ways for the government to take over our responsibilities, we are stripping Miss Liberty of her glory.

Years ago some employers black-listed union members. This was tyranny and it was outlawed. What amounts to black-listing of non-union workers is equally as bad as tyranny.

"Self-reliance and self-respect are about as valuable commodities as we can carry in our pack through life."—Luther Burbank.

POWER FROM THE ATOM

Great progress can be expected in the development of atomic energy for peacetime purposes, such as electric power production. The fact that private enterprise, as well as government agencies, will participate in the work is assurance that the nation will get maximum results in a minimum of time.

However, there seems to be an idea in the public mind that the atom will revolutionize the electric business in the relatively near future. And this idea, to experts active in the field just isn't tenable.

One such expert recently said that while total electric generating capacity in this country is expected to reach 2,000,000,000 kilo. by 1965—double the present figure—it is doubtful is more than 3,000,000 kilowatts will come from atomically-fueled plants. He added that "economical and technical considerations make it certain that the enormous requirements for electric power in the next 75 years will be satisfied in the great majority by conventionally fueled plants."

Many other authorities have expressed similar views. They do not minimize the potential importance of atomic energy. But they are convinced that the changes it will bring about will be revolutionary, and will occur over a much longer period of years than many people now believe.

TWO FORMS OF TYRANNY

The Secretary of Labor has said that the Right to Work laws, which are now in effect in 17 states, have done more harm than good.

He is entitled to his views. But it is a significant fact that there has been a flood of comment—from newspapers, publicists, government officials and others—which hold that he is greatly mistaken.

Henry Hazlitt gave a widely-held opinion when he wrote in Newsweek: "To compel a man to join a union as a condition of holding his jobs puts irresponsible power in the hands of union bosses and is a gross infringement on the individual's right to work."

Years ago some employers black-listed union members. This was tyranny and it was outlawed. What amounts to black-listing of non-union workers is equally as bad as tyranny.

"Self-reliance and self-respect are about as valuable commodities as we can carry in our pack through life."—Luther Burbank.

HOW RELIGIOUS DIVISION STARTED (Con.)

As has been previously stated last week it is evident from the scriptures and history that the christian movement had its beginning about the year A. D. 33 and from this time until about A. D. 100 the teachings and religious practices of christianity were under the watchful guidance of inspired apostles.

Soon after the death of these inspired apostles, a departure from the original pattern began. The first change was in the government of the christian community or church (practices of an organization cannot be changed until the government of that organization is changed. In the student's Ecclesiastical History, Vol. 1, page 182, there is the following statement:

"In this more definite organization of the church, the most striking feature is the increase in the authority of Bishops, and the introduction of distinction of rank among them—as most christian churches has a plurality of presbyters—some of these obtained, whether by age, character, or ability, the position of a president, and to him was the title of Bishop applied in a special sense, while his colleagues retained that of presbyter."

In the Bible the governing officers of each congregation were called by different names which described the nature of their office, the same office—"Elders" (presbyters) Tit. 1:5; Bishops (Overseers) 1 Tim. 3:2; and Pastors (Shepherds) Eph. 4:11. All apply to the same official capacity with no special designation of any one officer. No one man was given authority over more than one congregation. The New Testament pattern is that of congregational independence—each congregation a separate unit bound together by no ecclesiastical authority, but by christian love and having in common identical teachings concerning salvation, the same observances in worship, and all wearing the name of Christ.

Naturally with the departure from the Bible pattern of church government would come a change or other changes in the christian system. The climax came when this order became a religious dictatorship governing almost all of the religious groups throughout the world—religious groups which themselves were filled with doctrinal corruptions and unscriptural practices.

MUNDAY CHURCH OF CHRIST
BOX 211 — Phone 6151
PAYNE HATTON, Evangelist

Pirates burying their gold and jewels on a lonely beach; robbers closely pressed by the law, hiding the loot of bank robberies and train holdups in caves; old prospectors hitting a gold or silver bonanza in the mountains or the desert but never revealing the location and carrying their secret with them to their graves—these are subjects that thrill us all.

Here's a story about buried treasure that is a little different. For a long time a man living in Gorman hunted for a fortune in silver—\$6,000,000, he said it was—that the Spaniards had buried. He had an old map but, how he obtained it, he never told, and he would let no one see it. He couldn't hunt much of the time because he had to make a living and years went by and still he hadn't found the treasure. He grew too old to do the digging himself but, when he could scrape together a little money, he hired a digger.

Most of the townspeople knew of eight jackloads of silver, or but they took no stock in the tale of eight jackloads of silver, or maybe it was ten. A few folks even scoffed; and the one who derived the most fun in ridiculing the story to his cronies was the owner of a store.

That was the way matters stood when, one Saturday, the roving reporter for the Fort

Worth Star-Telegram visited Gorman. Someone told him the story and introduced the old fortune seeker. His eyes burned as he said, "All I need is a little more money, I'm right on top of it—not many more feet to go."

The newspaperman wrote the story of the supposed treasure and the long search, and after it came out in the paper, many people wrote to Gorman for particulars, some even called friends by long distance; and there was a brisk demand at the hardware store for picks and shovels.

And the "doubting Thomas"—the shop owner—called his buddies together after he had seen the treasure story in cold print and they got a pool of \$600 to go out and hunt for the buried silver they had always laughed about!

They never did find it, by the way.

I loathe, abhor, detest, despise, Abominate dried apple pies. I like good bread, I like good meat,

Or anything that's fit to eat; But of all poor grub beneath the skies, The poorest is dried apple pies. Give me toothache or sore eyes, But don't give me dried apple pies.

Mrs. Freddie Morrow spent the week end with her daughter and husband, Mr. and Mrs. Deon Martin, in Abilene.

Mr. and Mrs. Bill Lemley were Sunday guests in the home of Mr. and Mrs. John Lemley in Wichita Falls.

Mr. and Mrs. Oscar Pollard of Lubbock were guests of Mr. and Mrs. Clayton Wren last Friday and Saturday.

News From The U. S. Congress

Congressman Frank Beard

As has been my custom, I expect every week from now until

the Congress adjourns, to send out a weekly news letter about the happenings here in Congress. It is my hope that these news letters may bring some information that you would not otherwise receive and that they will be of interest. If there are any particular questions you would

like to have discussed here, please let me know.

Up to this point, the Congress has been concerned mostly with getting organized, getting the committees appointed, and putting everything in shape so that the real work of this session can begin. There is only one committee in the House to which membership is elected, and that is the Committee on Ways and Means. I had the honor of being elected to serve on this committee. Besides being a committee of tremendous importance from a legislative standpoint, the Democratic members of this committee also make up what is known as the "Committee on Committees" for the Democrats in the House. I am very grateful to my colleagues for having selected me to serve on this important committee, and it will certainly offer an opportunity to be of real service.

Generally speaking, the Texas delegation in the House will have great influence during the coming session of the Congress. In addition to having Sam Rayburn of Bonham as Speaker of the House, which is the highest and most important position a member of the House can attain, Texas will be ably represented on all of the important committees. The Committee on Agriculture will have as its second ranking Democrat W. R. (Bob) Poage of Waco. Also serving on this committee is Clark W. Thompson of Galveston. On the Appropriations Committee the second ranking member is George H. Mahon of Colorado City, Texas, and the fourth ranking Democrat is Albert Thomas of Houston. Paul J. Kilday of San Antonio, and O. C. Fisher of San Angelo, are both members of the important Armed Services Committee. Wright Patman of Texas and John J. Bell, a new member from Cuero, will serve on the Committee on Banking and Currency. In addition to being chairman of the House Administration Committee, Omar Burleson of Anson is also a member of the Foreign Affairs Committee. Jack Brooks of Beaumont will be on the Committee on Government Operations along with Joe M. Kilgore, who is a new member to represent the Rio Grande Valley district. Jack Brooks also will serve as a member of the Judiciary Committee, and Kilgore will be on Post Office and Civil Service. Walter Rogers of Pampa has two important assignments in that he will serve with Martin Dies of Lufkin as a member of the Committee on Interstate and Foreign Commerce as well as on the Committee on Interior and Insular Affairs. J. T. Rutherford from Odessa will have member-

Texas 4-H'ers Win National Honors

THREE Texas 4-H Club members were announced as national winners in the 1954 4-H award programs at the National 4-H Club Congress in Chicago. Each received a \$300 college scholarship. Their names, the programs in which they were honored, and the donors of their awards are:

Ernest Butler Carolyn Lindsey Ralph Swinford, Jr.

Ernest Butler, 16, of Mabank, Soil Conservation, The Firestone Tire & Rubber Co.

Carolyn Lindsey, 17, of Plainview, Garden, Allis-Chalmers Mfg. Co., Tractor Division.

Ralph Swinford, Jr., 17, of Wichita Falls, Safety, General Motors.

Over 1,200 4-H Club boys and girls from the 48 states, Alaska, Hawaii, Puerto Rico, and Canada attended the Congress, along with young people and youth leaders from 25 foreign countries.

A highlight of the Congress was the major policy address by Secretary of State John Foster Dulles at the opening banquet. Thus the 4-H'ers learned more of their Congress theme, "Working Together for World

Understanding" from the Nation's No. 1 diplomat.

During the week, the delegates participated in discussions, heard other outstanding speakers, met top stars in the sports world, enjoyed top-flight entertainment at banquets and major meal events, attended the International Live Stock Exposition and Horse Show, took part in press conferences, radio and TV appearances, toured the city and visited the museums, and attended a party at the Aragon Ballroom.

The National 4-H Club Congress is a cooperative effort of the Agricultural Extension Service, business and civic organizations, and the National Committee on Boys and Girls Club Work, Chicago.

ship on the Committee on Interior and Insular Affairs and the District of Columbia. Olin Teague of Bryan will be chairman of the important Veterans Affairs Committee. Jim Wright from Weatherford and Brady Gentry of Tyler will represent Texas on the Public Works Committee. John Dowdy will be on the Committee on Post Office and Civil Service and on the Committee

on House Administration. Homer Thornberry of Austin will serve as a member of the powerful Committee on Rules.

Visitors this week in Washington were Mr. and Mrs. Tom Davis of Vernon.

Week end guests of Mr. and Mrs. Ralph Cyfert were Mr. and Mrs. O. W. Cyfert and daughter of Wichita Falls.

Guests in the home of Mr. and Mrs. A. M. Moore over the week were Mr. and Mrs. Boyd Moore and family of Pampa and Mr. and Mrs. Barney Traisher and family of Haskell.

Mr. and Mrs. Claud Rogers visited his uncle and aunt. Mr. and Mrs. Frank Rogers, in Stamford last Sunday.

Miss Sue Clark of Dallas visit-

ed relatives and friends here over the week end.

Everybody loves a bargain...

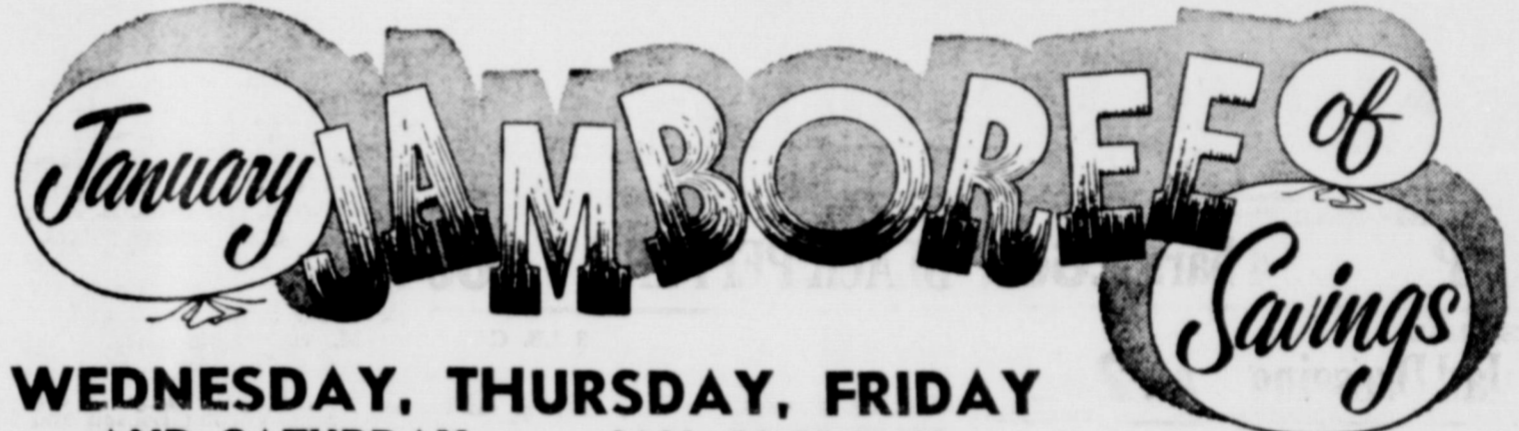

...and the biggest bargain in your budget today is your electric service. The fact is that West Texas families get almost twice as much electricity per dollar today as they did twenty years ago. For mere pennies a day electric service helps you live better, feel better, play better, work better. Just a few examples:

For about a nickel you can refrigerate all your food for a whole week end. Hot water is always on tap for just a few pennies' worth of electric service. Television is enjoyed by one and all for just a few cents of electric power a day. Everything comes out clean in the family wash for just pennies of electric service.

And all this low-cost electric service is right at your finger tip...around the clock. Usually bargains don't come this easy, or this big. No wonder everybody loves this bargain...ELECTRIC SERVICE

Goree News Items

Announcing the Arrival of Little Miss

CHRISTYE LYNN GREENWOOD
The loss of a father has never been reported over childbirth, but this statement was almost proved untrue before Christye Lynn made her appearance at the Knox County Hospital at Knox City, Thursday, January 13. She tipped the scales at 6 lbs., 5 ounces. Maternal grandparents are Mr. and Mrs. Pete Beecher of Goree. Paternal grandmother is Mrs. Lola Greenwood of Rochester. Mrs. Greenwood and baby are doing fine and, believe it or not, Papa Tommy, has almost come down to earth again.

GOREE F. F. A. CHAPTER HOLDS REGULAR MEETING

The Goree F. F. A. Chapter held a regular meeting Tuesday night, January 18. Reports were heard from the secretary, treasurer and the Donkey Basketball committee. This committee reported a good game attendance, and fair gate receipts. It was decided that the chapter would have a Father and Son banquet. Committees were appointed to be in charge of the arrangements. Approximately fifteen members and the chapter sweetheart will attend the district banquet. A district sweetheart will be chosen from the chapters' representatives.

COMMUNITY SINGING IS WELL ATTENDED

A community singing was held in the home of Mr. and Mrs. Lester Belcher Monday night. A good time of singing spiritual hymns was enjoyed by 25 persons.

Mr. and Mrs. James Carver visited in Abilene Saturday and attended the A. C. C. and Southwest Texas basketball game that night.

Miss Nancy Lawson returned to college Monday morning after spending a few days with her parents convalescing from a recent illness.

Mrs. W. M. Taylor and Miss Hollis were Abilene visitors Saturday.

Visiting in Vernon Sunday were Mr. and Mrs. Barnett. They visited Mrs. Joe Barnett, who is in the hospital there.

Gordon Earl Moore, who is

attending Midwestern University spent the week end with his parents, Mr. and Mrs. Ernest Moore. Martin Bowman, student at Arlington, visited over the week end with his parents, Mr. and Mrs. Floyd Bowman.

Miss Carol Coffman was a week end guest of her parents, Mr. and Mrs. Buster Coffman.

Mr. and Mrs. Gerald Myers of Lubbock visited in the home of her parents, Mr. and Mrs. Melvin Cooksey.

Visiting with Mr. and Mrs. Lloyd Bradley over the week end was their son, Jerry, who is attending school in Lubbock.

Mr. and Mrs. T. M. Tucker and Mr. and Mrs. W. R. Caldwell visited Mr. and Mrs. Wesley Darlek in Megargel Sunday afternoon.

Mr. and Mrs. Sam Hampton and Mr. and Mrs. I. J. Floy visited Mr. Pete Reed, who is in the Haskell Hospital, Sunday.

Mr. and Mrs. Pete Beecher and Mrs. Bobbie Chamberlain attended a postal workers meeting in Haskell Tuesday night.

Mr. and Mrs. Charlie Goode of Kim, Colo. were visitors in Goree this week.

Mr. and Mrs. Vernon Routon are touring in South Texas this week.

Mr. and Mrs. Buster Latham and Dusty Lynn visited Mr. and Mrs. Terry Edwards an children in Benjamin Sunday.

Mr. and Mrs. Buel Claburn and family and S. M. Claburn visited with Mr. and Mrs. Mack Claburn in Anson Sunday. The Buel Claburns also visited in Albany with Rev. and Mrs. J. W. Griffin and family.

Visiting with Mr. and Mrs. Walter Coffman over the week end were Mr. and Mrs. Wayne Bingham of Lawton, Okla., and Miss Jerry Patterson of Munday.

Mr. Calvin Robinson, who is employed in Dallas visited with Mrs. Robinson and Vickie here over the week end.

Mrs. James R. Rodgers, Mrs. Jim Henslee and Miss Carol Floyd visited Leland Floyd, who underwent surgery last Friday in the General Hospital at Wichita Falls.

D. L. Thigpen of Abilene spent last Tuesday here with his family.

Mrs. Walter Bevers Honored With Coffee And Cake Saturday

Coffee and cake honoring Mrs. Walter Bevers was given by her daughter, Mrs. Dayman Lewis, of Houston Saturday afternoon from 3:00 to 5:00 o'clock to neighbors and close friends.

The dining table was covered with a white linen cloth and was centered with a bouquet of white daisies and snapdragons.

Mrs. Lewis served the cake and Mrs. S. B. Campsey served the coffee to approximately 30 guests.

Those registering during the afternoon were Mmes. W. E. Braly, Gil Wyatt, A. U. Hathaway, Lelia Womble, Oates Golden, Paul Pruitt, Ivan Bruce, Leland Hannah, Tip Albus, Ina Scott, Don Wardlaw, Albert Johnson, Dave Griffith, Walter Rodgers, P. B. Baker, W. T. Ford, Roe Myers, Dora Followell, Melvin Strickland, Mr. and Mrs. H. T. Cunningham, Mr. and Mrs. Ed Johnson, Mr. and Mrs. E. H. Nelson and Rev. and Mrs. Doyle Ragle.

Mr. and Mrs. Joe Sahadi and children left last Saturday for Austin to make their home for a few months.

I. V. Cook of Plainview spent the first of this week here, visiting with friends and attending to business matters.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful. The J. K. Johnson Family. Itc

Legal Notice

AN ORDINANCE PROVIDING FOR NOTICE OF CLAIMS FOR DAMAGES FOR THE DEATH OR PERSONAL INJURIES OF ANY PERSON OR FOR DAMAGE TO OR DESTRUCTION OF PROPERTY; MAKING SUCH NOTICE CONDITION PRECEDENT TO THE RIGHT TO SUE THE CITY OF MUNDAY, TEXAS, AND PRESCRIBING THE AUTHORITY TO WAIVE NOTICE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MUNDAY, TEXAS:

Before the City of Munday, Texas, shall be liable for damages for the death or personal injuries of any person or for damage to or destruction of property of any kind, which does not constitute a taking or damaging of property under Article I, Section 17, Constitution of Texas, the person injured, if living, or his representatives, if dead, or the owner of the property damaged or destroyed, shall give the City Council or City Secretary notice in writing of such death, injury, damage or destruction, duly verified by affidavit, within forty-five days after same has been sustained, stating specifically in such written notice, when, where and how the death, injury, damage or destruction, occurred, and the apparent extent of such injury, the amount of damages sustained, the actual residence of the claimant by street and number at the date the claim is presented, the actual residence of such claimant for six months immediately preceding the occurrence of such death, injury, damage or destruction, and the names and addresses of all witnesses upon whom it is relied to establish claim for damages; and the failure to so notify the City Council or the City Secretary within the time and manner specified herein shall exonerate, excuse and exempt the City of Munday from any liability whatsoever. No act of any officer or employee of the City shall waive compliance or estop the City from requiring compliance, with provisions of this ordinance, as to notice, but such provisions may be waived by resolution of the City Council, made and passed before the expiration of the forty-five day period herein provided and evidenced by minutes of the City Council.

This ordinance shall become effective on the first day of February, 1955, and the City Secretary shall give notice of the passage by causing the ordinance to be published in The Munday Times, the official newspaper of the City of Munday, Texas, within ten days after the passage of this ordinance.

PASSED AND APPROVED this the 18th day of January, 1955.

M. F. BILLINGSLEY, Mayor

ATTEST: HARVEY LEE, City Secretary.

PIGS FOR SALE—See Edward Melton, five miles northeast of Munday. Telephone 6658. 26-2tp

By JOHN C. WHITE, Commissioner

COTTON BURRS RELEASED FOR FARM USE

An easier method of cotton ginning trash treatment against the Pink Bollworm has been approved by the Texas Department of Agriculture, making cotton burrs more readily available for return to the farm for use as fertilizer and feed.

Many gins in Texas previously have been forced to burn burrs because treatment methods were too slow or necessary equipment too expensive. This prevented farmers from being able to use burrs on the land where they are aids in preventing soil blowing, or erosion during heavy rains. In addition, it deprived the farmer of an element which adds valuable organic matter to the land. Untreated cotton burrs have their disadvantages, however. They provide the ideal hibernating place for the Pink Bollworm. Just a few hundred of these worms carried to a farm in gin trash could infest and ruin hundreds of acres of cotton in one season. Recent experiments show that gins equipped with a single "chopper" fan could achieve an effective kill of bollworms in the waste burrs. The fan is installed near the outlet where trash is blown from the gin. Burrs treated in this manner are "safe" for return to the farm in any area of Texas.

A number of devices were tried but many of them proved to be inadequate or impractical. The single-fan installation will be a boon to gins which cannot afford the more expensive devices and methods.

Gin trash which is blown from the gin untreated still must be burned or given other approved methods of treatment before it can leave the yard.

It would be to the farmer's advantage to make certain any trash he carries away from the gin yard has received proper treatment. This normal precaution could save an untold amount of cotton.

Knox Prairie Philosopher Comes Out In Favor Of Much More Sympathy For Members Of The State Legislature

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek found out the Legislature is in session, his letter this week reveals.

Dear editor: When you get right down to it, the other fellow's problems aren't much different from your own, the man who is trying to figure out how he can buy a new washing machine is offset on one side by the man who is trying to figure out how he can buy a second automobile, or in a higher bracket, a new office building, and I got to thinking about this after reading about the opening of the Texas Legislature last week in Austin.

After reading fourteen columns of type on the Legislature in three different newspapers that turned up out here with the help of a strong north wind, I have come to the conclusion that the average lawmaker's problem is about the same as yours or

mine: he's either go to cut expenses or bring in more revenue, and either course ain't gonna result in universal happiness.

And figuring out how to do either is about as hard in the Legislature as it is at home, although of the two I believe I'd rather have just the problem at home, as I figure most Legislators are under double jeopardy, they've not only got the problem at home but in the Legislature as well.

And also the job at Austin is a little more complicated. At home, if you decide to cut expenses, you don't make over three or four people mad at the most, and half of them stay half-

LOCALS

Week end guests in the home of Mr. and Mrs. W. E. Braly were Mr. and Mrs. T. L. Fore of Tulla.

Mr. and Mrs. Bob Beauchamp and daughter of Abilene were week end guests in the home of Mr. and Mrs. Royce Hardy.

E. C. West and Mr. and Clifford Smith and daughter of Fort Worth accompanied Mrs. S. A. Bowden, who spent the past week there, home and visited over the week end.

Mr. and Mrs. Wayne Blacklock and daughter of San Antonio visited his parents, Mr. and Mrs. B. L. Blacklock, over the week end.

J. K. Jackson left last Sunday for Abilene where he will attend the Humble Training School for six weeks.

Joe Lynn Floyd and Merle Tackett left last Sunday for Fort Worth where they will be employed at Consolidated.

mad at you anyway. But in the Legislature, you cut expenses and you're liable to make two-thirds of the people in your district mad.

Or, if you decide to increase your income at home, it mostly means working harder yourself, but in the Legislature, it means voting for somebody else to work harder, which is one of the poorest ways ever devised to stay in office. You vote for two-thirds of the people in your district to work harder by paying more taxes, and it's almost as effective as firing yourself at the next election.

Personally, I'm glad my only problem is worrying about the finances of this Johnson grass farm, without taking on the whole state of Texas. I know my limitations, even if some imalLegislaw limitations, even if some Legislators can't say the same for themselves.

However, I've noticed that the state, like the average family, keeps on getting by, one way or another, although personally I don't see how.

Yours faithfully,
J. A.

Name Texas 4-H Youth for Awards

HIGH RATINGS in the 1954 National 4-H programs were reported by four teen-agers in Citizenship and Public Speaking programs. Statewide recognition was based on their club records.

Two club members, **Elwyn Ellis**, 17, of Plainview, and **Shirley Whitworth**, 16, of Roby, have received certificates of honor in recognition of their outstanding records in the 4-H Citizenship program, which is in honor of Thos. E. Wilson. This program is designed to encourage 4-H Club members in those attitudes, qualities and acts which reflect a good citizen's concern for others.

During his eight years in 4-H, Elwyn has participated in citizenship, leadership, swine, home grounds and other projects, for which he won 23 awards. He was president of his 4-H club and a school citizenship club. He has participated in school, community and county activities, and flag ceremonies at 4-H camps.

He entered grass, dairy and livestock judging and taught swine showmanship at county meetings. He took part in the placing of a 4-H welcome sign at the county line on seven highways leading into Plainview, worked on community soil conservation programs, and served on achievement program committees. His 4-H club collected money to buy a pig, which was sent to a 4-H boy in San Salvador.

Shirley has participated in citizenship, clothing, home improvement, beef cattle, food preparation, and junior leadership, during her three years as a 4-H'er. Her leader is Mrs. Cullen Terry. Shirley has been active in numerous

Both programs are conducted under the direction of the Cooperative Extension Service.

George T. Irvin, 16, of Grand Prairie, and **Treasure Ann Kees**, 16, of Channing, have developed their ability to speak in public to such an extent they have been awarded State honors in the 4-H Public Speaking program. The Pure Oil Co. presented George a 19-jewel wrist watch and Treasure Ann a chest of silver for their accomplishments. Each also received a certificate of honor.

The title of George's talk was "What Makes a Community?" while Treasure Ann's winning talk was "A Creed for Americans." Recognition was based on presenting a timely topic in a convincing manner.

George says a community is made of four houses: the City Hall, the home, the school and the church. Each has its function in the community, John R. Moffitt is George's club leader.

For Treasure Ann, America has many meanings, including not only her rights and privileges as an American but also her obligations. She believes the greatest creed of all is simply "I am an American."

From where I sit... by Joe Marsh

A Pretty "Snappy" Menu

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'worm' kept right on snapping back. They all got their feathers ruffled. You never heard such a ruckus!"

"I finally had to break up the ice with an ax before those hens

would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

Joe Marsh

1954 Taxes Become Delinquent

February 1, 1955

All City and School Taxes for 1954 become delinquent on the above date and interest and penalty will be added after that time.

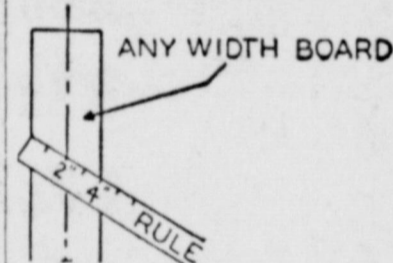

THE CITY OF MUNDAY

MUNDAY INDEPENDENT SCHOOL DISTRICT

Finding Board's Center

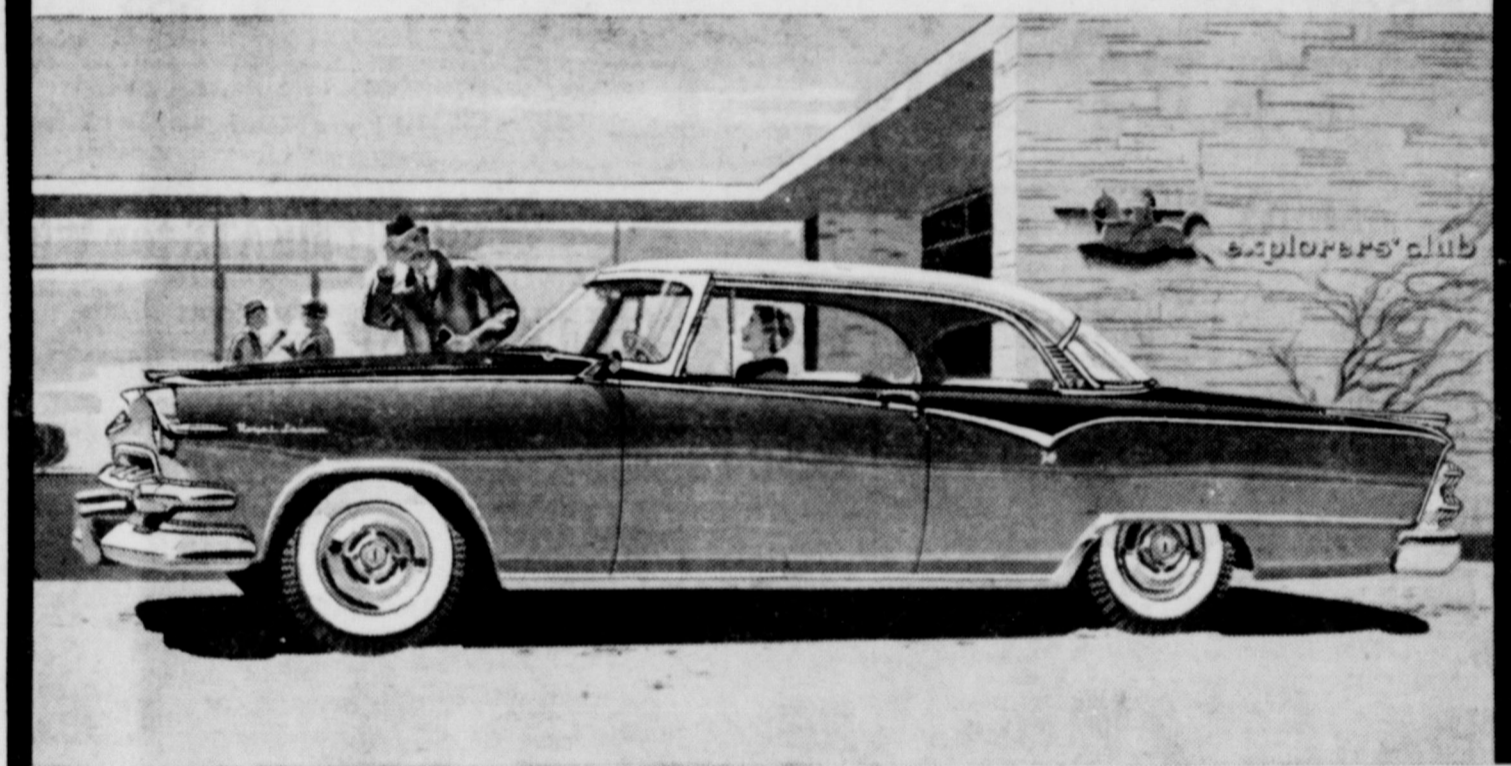

FINDING the center of a board is simple as ABC. Lay an ordinary ruler diagonally across the board so that an even number falls

at the edge. One half of the even number in inches will be exact center of the board. In the illustration from *American Builder*, authoritative magazine for builders, the figure at the edge is 4; therefore a mark at half this figure, or 2, will designate the board's center.

Custom Royal Lancer

Custom Royal Lancer V-8 in dramatic new three-tone exterior styling.

A car of noble proportions, gallant and gay,
and born to rule the road in flashing style!

In every age, there are those who are not content with the humdrum, the commonplace.

If you are one of these, the Royal Lancer speaks directly to your heart.

For here is a car that fairly breathes adventure. You sense it in the bold forward thrust of its hood, the sweep of rear deck, the rakish slant of the New Horizon windshield.

Its beauty is not calm and placid, but eager and alive—the measure of performance that stems from the most advanced aircraft-type V-8 engine on the road.

And should you choose to make this car yours, you will have this assurance: In any company of automobiles, there is nothing to challenge the distinction of your Royal Lancer by Dodge.

FED CATTLE OPEN 50 CENTS HIGHER

FORT WORTH—Well finished beef sold higher at Fort Worth Monday, with most steers and steer yearlings strong to 50 cents higher and fed heifers mostly 50 cents higher. Some fed heifers at \$23 were mates to heifers sold late last week at \$22.50. Shortfed cattle sold about steady.

Cows were mostly steady, and bulls drew steady to 50 cents lower prices. Calf trade was generally steady and quality considered, although some creepfed heavyweights sold to better advantage than late last week to top at \$20.

High grade stockers and feeders were far short of the needs

of the buyers and prices were strong on the available offerings, quality considered. Some good stocker steer calves and stocker yearlings drew \$20, and better kinds in sizable lots were quotable well above that range.

Good and choice fed steers and yearlings sold from \$19 to \$24, some, mixed heifer and steer yearlings to \$23.50, the best price for mixed lots in some weeks. Lower grade butcher cattle sold from \$12 to \$18, with cutter grades around \$10.

Fat cows cashed at \$10 to \$12.50, and canners and cutters drew \$6 to \$10. Bulls sold mostly from \$9 to \$14, a load of breeding bulls to \$225.00 per head.

Good and choice slaughter calves drew \$15 to \$20, and common and medium offerings sold for \$10 to \$14, with culls at \$8 to \$10.

Medium and good stocker steer calves and yearlings drew \$15 to \$20, and helpers of similar kinds sold \$2 to \$3 under comparable steers unless fat enough for slaughter. Stocker cows drew \$9 to \$12.

BUTCHER HOGS AGAIN START WEEK STRONGLY

Top hogs sold at \$18.25 to \$18.50 at Fort Worth Monday, the latter figure paid for good meat type hogs by shippers and independent packers. Less desirable hogs sold for \$17 to \$18. Sows drew \$13 to \$16. Butcher hogs were steady to 50 cents higher.

SHEEP AND LAMBS SOLD STEADY; CLUB LAMBS DRAW \$20.50 HIGH

A generally steady trade prevailed at Fort Worth on all classes of sheep and lambs, although the top was \$20.50 on some club lambs—50 cents better than the high mark last week.

Stockers and feeder demand was again broad, with shipper buyers aggressive buyers on mixed feeder and fat lambs again. Older sheep were scarce and fully steady.

Good and choice fat lambs in the wool sold from \$17 to \$20.50, shorn lambs with Fall shorn pelts at \$20 down, and No. 1 pelt lambs sold from \$19.50 downward. Cull, common and medium sorts sold from \$10 to \$16.

Stocker and feeder lambs bulked at \$14 to \$19, the latter figure on mixed feeder and fat lambs, and some very thin stocker lambs cashed at \$17. Old ewes drew \$5 to \$7. Old bucks drew \$3.50 to \$4.50. Yearlings drew \$10 to \$16.50, and aged wethers were quoted from \$7 to \$12.

Between the moving parts of muscles, tendons and bones there are cushions—tiny, flat sacs filled with an oily substance. These are the bursae. As the parts move, the two inside surfaces of the sacs glide against each other providing satinsmooth action.

The body has more than 140 of these little sacs. Most important is the subdeloid bursae in the shoulder, which helps the major shoulder muscle operate. It is the most important because the human shoulder wasn't designed for the work it now has to do. The result is that though bursitis can occur in any of the 140 bursae and often does affect elbows, hips, ankles and joints, 80 per cent of the time it is in the shoulder.

If an attack of bursitis occurs, a physician should be consulted. He can control bursitis but he can't control the results of neglect. Curing bursitis takes time and patience.

Claud Rogers was a business visitor in Wichita Falls Tuesday.

County agents in 218 Texas counties assisted 13,246 operators with range management problems during 1954. More than 43,000 persons attended meetings and field days relating to range management problems. These activities were a part of the Agricultural Extension Service program in the counties.

HOME and AUTO SUPPLY

Weekly Health LETTER

Issued by Henry A. Holle, M. D., State Health Officer of Texas

AUSTIN—"A hundred years ago nobody worried about bursitis because nobody had it," said Dr. Henry A. Holle, State Health Officer. It wasn't until forty years ago that there was enough of it around for it to be given a name. Today an estimated two and a half million Americans suffer from the hurting joints caused by bursitis.

The reason for the big increase seems to be found in modern living. So many of the things people do—typing, working adding machines, driving, handling compressed-air tools, exercising strenuously on week ends—are the very things that can cause an attack of bursitis. Too, people live longer nowadays and bursitis most often attacks after forty when age weakens tendons.
