Munday, Texas, Thursday, June 23, 1932.

Number 6.

C. of C. BENEFIT BALL GAME TUESDAY

SAM PLUNKETT SLAIN AT SEYMOUR LATE THURSDAY; TEMPLE DICKSON IS HELD

Sam Plunkett, Seymour freight line operator was killed late Thursday evening, and Temple Dickson, son of Judge Jo A. P. Dickson is being held in the Baylor County jail charged with the shooting. Plunkett is said to have been shot six times.

Ill feeling is said to have existed between the two since Sunday evening when Dickson's car is reported to have run into another car, following which Plunkett, who was a by-stander, filed charges against Dickson for drunkenness and he was placed under arrest.

At 6:30 Thursday evening Dickson is said to have gone to Plunkett's freight station and fired several shots into his body, as a result of which he died some two hours later.

Dickson had recently announced as a candidate for county attorney of Baylor county, and had announced his withdrawal following the filing of the charges by Plunkett.

Yeung Dickson is a member of one of West Texas most prominent families, his father being one of the pioneer attorneys of this section.

An eight-year-old son of Plunkett's was killed by an auto on the Wichita Highway out of Seymour about six months ago.

THAT'S THAT

Knox Democrats To Have Large Ballot In July Primaries

The application of K. F. Cunningham of Goree as a candidate for Representative of the 114 district was the subject of some discussion, there being a question as to whether it had been filed in the time prescribed by law, however, the committee placed his name on the ballot pending a ruling from the Attorney General.

The ballot will be the largest in the history of the county, and will contain 137 names in the county.

The county Democratic executive committee in session Monday at Benjamin placed assessments against county and precinct candidates for office; the maximum assessment for county office being \$37.50, and ranged down to \$5 for precinct officers.

The following candidates filed their names with the committee:

Representative, 114th District—George Moffett of Chillicothe, and N. S. Kilgore of Benjamin.

District Attorney, 50th Judicial District—J. Donnell Dickson, Dick Dreeser and John Vesle Wheat, all of Seymour.

District Clerk—Roy Phillips, re-election.

County Judge—J. W. Melton, Benjamin, for re-election, and Roy Smith of Knox City.

County Clerk—M. T. Chamberlain, re-election.

County Attorney—T. W. Templeton, re-election; J. C. Patterson, Benjamin.

Sheriff—C. R. Elliott, re-election.

Tax Collector—Miss Sarah Wright, re-election.

Tax Assessor—Earl Sams, Benjamin, re-election; E. L. Covey, Goree.

County Treasurer—J. T. House, re-election; Miss Lucille Harris, Munday.

County Commissioner, Precinct No. 4—D. C. Osborne, re-election; Peter Loran and D. C. Pitt.

Public Weigher, Precinct No. 6—Lee Haymes, re-election; Clyde Nelson.

The names of Charles Moorhouse of Benjamin and B. B. Davy of Munday will be on the ballot for chairman of the county Democratic executive committee.

Following the action of the executive committee in withholding approval of Mr. Cunningham's application, Representative George Moffett of Chillicothe, candidate for re-election, and N. S. Kilgore of Benjamin, also a candidate for the office, jointly signed the following statement and forwarded it to the chairman and members of the Democratic executive committee in each of the four counties embracing the district.

"Gentlemen: We, the undersigned, are candidates for Representative in the Texas Legislature, from the 114th District, composed of Knox, King, Ford and Hardeman counties. We understand that some contention of technicality, has arisen as to whether a third candidate for this same office will be on the ballot or not.

"We take this method of letting you know that we feel that the people should have the fullest opportunity to express their choice as to who represents them, and we request that you place the names of all three of the avowed candidates on the ballot."

K. F. CUNNINGHAM PLACED ON TICKET IN HARDEMAN.

The Times is in receipt of a telegram from Representative George Moffett advising that at his request the Democratic executive committee had rescinded its former action in barring the name of K. F. Cunningham on the technicality of its application for a place on the ballot being received too late, and that his name would be given a place on the ballot.

Jim Nelson and Ike Huskinson went to Chillicothe the latter part of last week to visit Frank Bateman, who is critically ill in a hospital there suffering from a tumor on the brain or some similar malady which has resulted in partial paralysis; however, his condition is somewhat improved and friends and members of the family are hopeful that he will recover, as his condition is showing signs of improvement.

Carl Patterson was here from Benjamin Saturday shaking hands with the voters of this community.

Roy Smith of Knox City was here Tuesday in the interest of his candidacy for the office of county judge.

C. of C. Line-Up Includes Stars of Game of Years Ago

At last the big game has been matched, and on next Tuesday afternoon the chamber of commerce will give the regular Munday team—Skipper Burton's outfit—the hardest game of the season. Indeed, the skipper will likely have to press into service his strongest line-up to cope with the strong aggregation he has been called upon to face on this date.

Mat Dillingham will be found on first base, and 'tis said he was good when he was younger—and lighter. Sid Campbell is also included in the line-up, and we're told that he has a reputation of laying 'em low. Then Lige McCord is scheduled to catch the game, and since he hails from Italy, Texas, the home of Great Shir-es, big things are expected of him.

Ed Bauman, who in his college days was one of the shining stars on the team of the University of Nebraska will also figure in the game in some way. Then there's such local celebrities as Troy Warren, Oral Matlock, Dee McStay, Porter Bryan, Joe Aycock, T. E. Dickerson, Harry Williams, Lee Haney, Ted Speke, Tom Haney, Jack McGray and Tubby Bernicot who will have a part in the game, in fact, from the list of players that has been furnished us by the committee, composed of E. J. Roberts, Henry Atkinson and Mat Dillingham, there's no limit or restrictions placed on the Chamber of Commerce as to the number of players who can participate in the game, for the list goes on and names Frank Trammell, who will likely umpire the game, Cecil Jennings, Oates Golden, Dick Atkinson, Guy Rutherford and Dorse Rogers, and other names will likely be added to the list of eligibles for the Chamber of Commerce, and it's beginning to look as if the gallery would have seats from end of town.

Anyway, the game is being sponsored by the Chamber of Commerce with a view of raising funds, and everybody who attends will be asked to dig up a thin skin, weevil-eaten dime and have a dollar's worth of fun. All business houses of the city will be asked to close during the game, and fans are respectfully asked not to throw pop bottles at the heads of the players. Hit 'em elsewhere. But be there.

Twenty Cities Will Send Sponsors To Texas Cowboy Reunion

STAMFORD, Texas, June 21.—Twenty cities and towns in West Texas already have selected sponsors for the Texas Cowboy Reunion to be held here July 4, 5 and 6.

The sponsors will ride in the grand opening parade of the Reunion on the Fourth of July. Each girl will bring her own mount and most of them will likely wear cowboy costumes.

Following the parade, they will be presented at the rodeo arena. A ball will be held in their honor that night and there will be other features of entertainment for the sponsors during the second and third day of the Reunion.

The sponsors having the best mount, the most attractive riding outfit and showing the best horsemanship will receive a handsome pair of riding boots and second prize will be a beautiful pair of spurs.

Sponsors who have been selected thus far are Miss Pauline Jones, Colorado; Miss Katherine Jones, Rule; Miss Caroline Phillips, Rotan; Mrs. Ethel Hall Ward, Swenson; Miss Grace Book, Sylvester; Miss Glyn Floyd, Roby; Miss Frances Mosherley, Albany; Miss Vivian Sears, Abilene; Miss Mildred Carr, Old Glory; Miss Maxine Pendleton, Munday; Miss Selma Swenson, Lund; Miss Lois Perkins, Stamford; Miss Angie K. Heard, Goree; Miss Mary Maude Millsap, Anson; Miss Katherine Mike Haskell; Miss Oma Wood, Seymour; Miss Grace Thurman, Lewisville; Miss Ruth Stiffler, Aspermont; Miss Mable Moorhouse, Benjamin and Miss Ella Moore Seale, Baird.

Representative George Moffett of Chillicothe, was here first of the week in the interest of his candidacy for re-election as Representative of the 114 district, comprising Knox, King, Ford and Hardeman counties.

Judge J. W. Melton of Benjamin was in the city Saturday in the interest of his candidacy.

Howard Stogner Is Fatally Injured in N. M. Auto Smash

Howard Stogner, former citizen of Munday, was killed and his wife and baby were critically injured in an automobile wreck near Las Cruces, New Mexico last Thursday. No details of the wreck has been received by Mrs. R. O. Peavy, a sister of the victim, who resides here, other than the brief news carried in the daily newspapers.

The news item concerning the tragedy, published in last Friday's Tribune Morning News under an Associated Press line, was as follows:

LAS CRUCES, N. M., June 16.—Howard G. Stogner was killed and his wife and child and two Arizona peace officers were injured, when an automobile in which they were riding was wrecked after a tire blew out near here late today.

Fred Kenney, sheriff of Cochise county, Arizona, was given first aid here and rushed to an El Paso hospital in a serious condition. A. C. Grimes, deputy sheriff, also of Cochise county, and driver of the car, suffered severe cuts on the face and head.

Mrs. Stogner was picked up unconscious but examination revealed she was suffering only from shock and bruises. Their daughter, May Elizabeth, 3 years old, was slightly hurt.

They were en route from their home at Santa Ana, Calif., to Crandall, N. M., when picked up by the officers who going to El Paso for prisoners. They were picked up at Douglas, Ariz.

Stogner has a brother, Roland Stogner, at Breckenridge, Texas, and another, Harrison, at Arlington, Texas. A sister, Mrs. R. O. Peavy, lives at Roswell, N. M. Mrs. Stogner's parents, Mr. and Mrs. Eli Lankford, live at Crandall.

Deceased was for a number of years a resident of Munday, and was employed by the Farmers Union Gin here as bookkeeper, and news of his death was received here with deep regret. The remains were laid to rest in New Mexico.

Child Welfare Board Named by Knox Court

The commissioners court of Knox county has named the following as members of the newly created child welfare board: Mrs. Herbert Smith, Truscott; Mrs. J. A. Kenney, Munday; Mrs. Oran Driver, Benjamin; Mrs. C. C. Hoge, Knox City; Mrs. J. S. Shannon, Gillespie; Mrs. Finis Bratcher, Vera, and Mrs. W. M. Taylor of Goree.

At the first meeting of the board held Monday at Benjamin, Mrs. Herbert Smith was chosen as chairman of the board and Mrs. J. A. Kenney as chairman of publicity.

Pink Parrish Here in Interest of His Candidacy Wednesday

PINK PARRISH

Pink Parrish of Lubbock, candidate for congressman-at-large, place No. 1, was here on Wednesday in the interest of his candidacy for that office.

Mr. Parrish is a native Texan, and has been a resident of the plains country for the past thirty years, during which time he has served as county judge of Crosby county, mayor of Lubbock and has represented the Lubbock district in the State Senate since 1928, being author of the Parrish Fee Bill, which limits the amount of fees county officials can receive and requires annual reports of their receipts and disbursements. He is also co-author of the Constitutional Amendment to exempt homesteads up to \$3,000 from paying State ad valorem tax.

Mr. Parrish stated that as a young man he was a resident of Knox county for a year or more, having worked on a ranch in the Truscott country.

Mr. and Mrs. Lewis Cartwright and children and Mr. Walter Mayo have returned from a visit to Boerne and San Antonio, where they visited Mr. Cartwright's parents, Mr. and Mrs. J. W. Cartwright, and with other members of the family helped to celebrate the 50th wedding anniversary of the elder Cartwrights. They report that Bernard Cartwright is directing a large orchestra which is in great demand throughout that section of the state, and his many friends will be pleased to know that he is getting along nicely.

Frank Meers and sons are this week moving to Munday and will reside in the A. J. Warren home place. Mr. Meers states that this is the first move he has made in twenty years, and he is of the opinion that this moving game is all that Sherman said it was. Or was it war Sherman was talking about?

Mr. and Mrs. John Spann are in Mineral Wells and Weatherford this week visiting relatives and friends, and enjoying a vacation.

Nuckles, Roberts And Braly Win In Tri-County Meet

Joe Tom Nuckles, Seymour city champion, and medalist in the tri-county golf tournament here this week, had little difficulty in taking off the honors of the meet when he went into the finals with Cecil Jennings, local golfer, whom he defeated 9 up in the final 36-hole match. Nuckles' hardest match throughout the tournament was that with T. E. Craddock, also of Seymour, who threatened to set the youngster on his ear with a record-breaking 82 on the first nine holes of the match on the 35-par course.

Jennings went into the finals by defeating Jack Wilson of Knox City in the semi-finals, while Nuckles was eliminating Fanny Farmer, also of Knox City, 3 to 2. The Wilson-Jennings match went to the 22nd hole.

In the second flight semi-finals Byron Shuppe of Seymour defeated O. C. Harrison, also of Seymour, 3-2, while E. J. Roberts was eliminating Lee Haney, both of Munday, 1 up, in the finals E. J. Roberts defeated Haney, and took the flight.

In the third flight C. Wilson defeated E. M. Ammons and W. E. Braly defeated Henry Atkinson, with Braly taking the flight from Wilson.

Members of the local club are very grateful to E. J. Roberts, who provided ice throughout the tournament without cost, and in addition he gave freely of his time in making the tournament a success, and we would add the names of W. H. Atkinson and E. M. Ammons to those who contributed liberally of their time and energies in putting the meet over in a big way.

Mr. and Mrs. Walter Mayo have returned from a visit to Boerne and San Antonio, where they visited Mr. Cartwright's parents, Mr. and Mrs. J. W. Cartwright, and with other members of the family helped to celebrate the 50th wedding anniversary of the elder Cartwrights. They report that Bernard Cartwright is directing a large orchestra which is in great demand throughout that section of the state, and his many friends will be pleased to know that he is getting along nicely.

Frank Meers and sons are this week moving to Munday and will reside in the A. J. Warren home place. Mr. Meers states that this is the first move he has made in twenty years, and he is of the opinion that this moving game is all that Sherman said it was. Or was it war Sherman was talking about?

Mr. and Mrs. John Spann are in Mineral Wells and Weatherford this week visiting relatives and friends, and enjoying a vacation.

Thinking Out Loud

By J. A. K.

The telephone in this sanctum is as dead as a dole, and so is the one at home, and the way the presiding elder feels about it is about like this—we just don't give a dam.

Conditions have changed materially for us all during the past two years, and practically all of us have had to take a rap financially. In fact, most of us are just one jump ahead of the bankrupt court, and we're fighting the fight of our lives for existence.

But, in spite of the general condition—everyone has taken a drastic reduction, we have continued to pay the same old rate for same services that we paid when times were normal, and we have been told that certain concerns could not make reductions because they had an investment that must be protected.

No has T. O. L. and practically everyone else who has not already assigned their assets to creditors, and we have just decided that about the best way we can protect our investment is to dispense with the services of some of the concerns who feel that they cannot meet their patrons halfway in these times of stress. So we ask the indulgence of our patrons and trust that our action will not cause any great inconvenience except to ourselves.

During the more than ten years we have been in Munday we have maintained and paid for two telephones practically all the time, and during these years the rental and long distance calls have run well over \$100 per year, yet, our first knowledge that our service had been discontinued was when we called for one of the numbers from another telephone and were informed of the fact by the operator.

Chief Thornton, Walter Plunkett and H. D. Warren wish to thank the city council and citizens for making the trip possible for them to attend the 66th annual Firemen's convention, which was held at Austin, Texas, last week. They reported the convention to be the best and largest in attendance yet, there having been 1,041 registered in. With the cooperation of the city the boys assure them they will strive to make their department one of the best in the State.

Sunset Blasts All Hope of Munday In Sunday's Game Here

Chester Smith's superb pitching and the sensational fielding of his teammates blasted the hope of Skipper Burton's lack of getting into the running for the first half of the season in Sunday's game here, and they must now content themselves to completing the season in or near the middle of the percentage table, however, the Skipper and his boys are not too badly disappointed, and feel that they have an excellent opportunity to fare better during the latter half of the season, which begins on July 17th.

While the Sunset lads were giving a canning demonstration on the local sandlot the Goree boys were showing Rochester how they played last season, with one Neely Moore doing the pitching act for the first time since the memory of man runneth not, and that he did the job up brown and added a few finishing touches as indicated by the 9-3 score by which they humbled the league leaders.

And furthermore, above, and beyond all that, the Rhineland lads were giving a good account of themselves with Ed Shaver's outfit from Knox City. With the battle-scarred August Loran performing they kept the visitors in an even dozen off the offerings of Messrs. Lory and Hassel Hill.

And now look what's gone and happened. Rochester, leaders in the percentage table throughout the season, is tied for first place with Dutch Kuehler's Rhineland outfit, with the Sunset lads following close behind, and it's beginning to look like this first half is going to be a merry little race, and if you think the lads who still have a fighting chance to get in on the bandwagon are not going to put up a merry little scrap you're all wet, and we're whispering into the ears of the Rochester fans and all who care to listen that they haven't this first half all sailed down as yet, not by a jugful.

Here's how the argument stands at the present time, and since the leaders lock horns Sunday afternoon, when Rhineland plays Rochester at the latter place, it's a cinch that the tie will fade out and one of the two teams will have a decided advantage for leadership in the first half of the season.

PIGGLY WIGGLY The Road to Prosperity Leads Through the Turnstiles at Piggy Wiggly

CARTWRIGHT
Due to the amount of rain in this community most of the farmers are behind with their work. Some of the crops are late and some of the sandy fields have blown out. We have noticed some and farmers plowing and harrowing to prevent the sand blowing out. Health is very good this week in our community. Mr. and Mrs. Dan Hicks visited Mr. and Mrs. John Gaines of Sunset last Sunday. Blois King is visiting his parents this week from Kilgore, Texas. Quite a few members of the young people enjoyed the birthday party at Mrs. D. C. Wordlow's last Saturday night. Ray Yarbrough was visiting friends in the Cartwright community Sunday. Mrs. Claude Hill and family from Thorp visited Mr. and Mrs. A. M. Searcy, Sunday. Mr. and Mrs. Banks Williams have moved in this community. They moved in the same house they vacated a few months ago. Lewis Wallace and several others went to work in the harvest fields last week. We think they intend to work until harvest is over. Mrs. Cooley and children of Munday spent Saturday and Sunday with her brother, Andrew Hill and family. Virginia and Inez Franklin spent Saturday night in this community. Lloyd Bradley spent the week-end Mr. and Mrs. Olin King of Knox at home in Cartwright last week. City was visiting here on Saturday night and Sunday. —Reporter.

PUBLIC WARNED AGAINST CIVIL SERVICE "COACHING" SCHOOLS
Washington, D. C., June 21, 1932.—The following statement is made by the United States Civil Service Commission: The Commission warns the public against preparing for "coaching" courses in preparation for Federal civil-service examinations. Schools which sell courses under present conditions accept money under false pretenses. A surveyor of civil service courses is now under indictment in Iowa for false representation. It is expected that other such cases of prosecution will follow. Comparatively few appointments are being made in the Federal civil service. Vacancies which must be filled are filled by the transfer of those in the service or the reinstatement of those who have been in the service, wherever practicable. It is seldom necessary to announce an examination. In most cases registers of eligibles exist as a result of examinations held during the past year. When an examination is announced, the applicants are usually hundreds of times in excess of the need. Money paid for civil service coaching courses at this time might almost as well be thrown to the four winds. THE OTHER CANDIDATE. Mr. Ferguson in his campaign speeches is making an effort to direct attention only to the candidacy of Gov. Sterling, and in so doing he probably hopes to go into the run-off with Gov. Sterling again, in which event, he would likely win the nomination for Mrs. Ferguson. But, let the voters remember that there are others in the race, and from reports we have heard from various parts of the state a big block of the anti-Ferguson strength will go to candidate Tom Hunter of Wichita Falls. Both the Fergusons and Mr. Sterling have had an opportunity to show their wares to the people of Texas, and not much can be said for either of them, so it seems that it's about time we were getting away from the leadership of them both and find someone who is sincerely and honestly willing and anxious to take a gang of tax-eaters off the payroll of the state, which we know from experience will not happen if either the Fergusons or Sterling is elected. Speaking of Tom Hunter, Orville Bullington of Wichita Falls, one of the outstanding leaders in the opposition party, has this to say of him: "For a public official, the people need three qualities in a man, first, intelligence to know what's going on, and what to do about it; secondly, enough honesty that nobody can buy him; and lastly, bravery enough that nobody can bluff him. Tom Hunter has all of these qualities." The cop got out his book and poised his stubby pencil. "What's yer name?" "John Smith." "No, yer real name," howled the officer, who had been tricked the day before. "Well, then, put me down as William Shakespeare." "That's better. You can't fool me with that Smith stuff." History Up to Date Teacher—Jack, who was Ann Boleyn? Jack—Ann Boleyn was a first iron sir. Teacher—What? Jack—Well, our history book says, 'Henry having disposed of Catherine pressed his suit with Ann Boleyn.' WILL TRADE: Good piano, cabinet model Victrola with records, bed with springs and mattress for milk cows, hogs, turkeys or chickens. MRS. E. M. WILSON. Society

Mrs. Harpham Honoree at Bridge. Honoring Mrs. J. C. Harpham, of Brownwood, Mrs. Jack Mayes entertained with bridge Friday morning. Varied shades of zinnias and nasturtiums decorated the rooms attractively. Mrs. Dick Atkinson received high score while Mrs. J. C. Harpham received cut. The honoree was also presented with a gift. An attractive salad plate was served Misses Alice Rogers, Thelma and Kathleen Atkinson and Cloedelle Mayes, Dick Atkinson, Dee McStay, T. E. Dickerson, Tom Haney, W. H. Atkinson, John Ed Jones, W. P. Farrington, E. M. Roberts, Dorise Rogers, Guy Rutherford, W. Mayo, of Goree, and the honoree. Miss Lucille Jarrell Weds at Mabank. Announcements have been received by friends here of the marriage at Mabank, Texas, on last Saturday of Miss Lucille Jarrell to Mr. Milton Simmons, of Dallas. The ceremony was performed at the Presbyterian church at Mabank by the pastor. The bride is a daughter of F. H. Jarrell of Mabank, and has for the past three years been a member of the faculty of the Munday Public School as a primary teacher, in which capacity she has endeavored herself to the children who have been under her care, and to the patrons of the school. The groom is a former citizen of Haskell, but has resided in Dallas for the past year. We join their many friends in wishing for them a long and happy journey together down through the pathway of life. Sunday Morning Breakfast Honors Visitors. Mrs. W. H. Atkinson and daughters, Thelma and Kathleen, honored Mr. and Mrs. J. C. Harpham, of Brownwood, with a breakfast Sunday morning. Cut flowers graced the table for typical southern breakfast which was served to Messrs and Mesdames Dorise Rogers, Jack Mayes, and E. M. Roberts, Mr. Ike Huskinson and Hollis Atkinson of Haskell, Texas.

Guests Honorees at Bridge Luncheon. Mrs. E. M. Roberts and Mrs. Dorise Rogers entertained with a bridge luncheon, honoring Mrs. J. C. Harpham, of Brownwood, and Mrs. L. B. Burnett, of Austin. Garden flowers in tones of yellow and orange predominated the game rooms. In bridge high fell to Mrs. L. B. Burnette, and cut to Mrs. Jack Mayes. The honorees were presented with dainty mementos. A delectable luncheon was served to Misses Kathleen, Thelma and Virginia Atkinson, Mary and Winnie Langford, Alice Rogers, Grace Bailey; Mesdames Dick Atkinson, John Ed Jones, Joe Aycock, Jack Mayes, Dee McStay, T. E. Dickerson, W. H. Atkinson, Harry Williams, Oates Golden, W. P. Farrington, Guy Patherford, W. M. Taylor of Goree and the honoree. J. U. G. Club Is Entertained. Miss Vivian Rogers entertained J. U. G. Club on Tuesday afternoon, at which bridge provided the diversion for the afternoon, and after a number of very interesting games were played delicious refreshments were served the following members: Misses Sue Craig, Lela Brock, Dolores Campbell, Jeanette Campbell, Hazel Deacon, Eiland, Francis McCard, Maxine Pendleton, Louise Aycock, Mesdames Carl Jungman, Joe Aycock and Earl Holt. Mrs. Taylor Entertained. Mrs. W. M. Taylor entertained with bridge at her home in Goree, Tuesday afternoon. Roses and other cut flowers decorated the rooms in profusion. In bridge, Mrs. L. S. Stewart scored high. A dainty tea course was served Misses Johnnie Patton and Mary Isabel Heard, Mesdames L. S. Stewart, A. E. Camp, J. Norton and Deaton Greene. Out-of-town guests included Miss Duck Kennedy and Mrs. Hamilton, of Putnam, Mrs. D. Wren of San Benito, and Mrs. J. C. Harpham of Brownwood, Mesdames Jack Mayes, E. M. Roberts, Dee McStay, Guy Rutherford, Dorise Rogers and Oates Golden of Munday.

ford, Dorise Rogers and Oates Golden of Munday. Shower Honoring Recent Bride. Friday evening, June 10th, members of the First Baptist church were hostesses at the home of Miss Leona Keel for a reception complimenting Mrs. J. C. Elliott, a recent bride, who before her marriage was Miss Nina Collins. A lovely plate consisting of cream and angel food cake was served the guests. The guest list included Meses. Chas. Haynie, George Isbell, Ky Hunter, John Lane, B. L. Blacklock, Charley Mayes, W. A. Baker, Ora Collins, J. E. Edwards, J. C. Campbell, Erna Mae Lee, Leland Hannah, W. H. Albertson, W. H. Chapman, M. H. Reeves, C. R. Parker, A. C. Brock, F. L. Decker, Louise Ingram, John Spann, E. M. Ammons, Elbert Hughes, C. R. Elliott of Benjamin; T. G. Bengue, W. E. Reynolds, D. T. Mauldin, R. E. Alexander, A. A. Smith, H. P. Hill, A. U. Hathaway, H. Cowan and Meses Merle Dingus, Maxie Dingus, Elizabeth Mounce, Onetta Blanton, Janelle Stodghill, Elizabeth Myers, Ruth Baker, Mattie Mae Collins, Katie Beth Bowden and Grace Nelson. Members of the Y. W. A. assisting were Mrs. J. O. Bowden and Meses Leona Keel, Ilene Bowden, Oesilia and Lela Brock, Christine Burton, Lucille Harris, Anna Mae West, Dessie Hammock and Lorene Parker. Ace High Club Entertained at Lane Home. Friday evening Mr. and Mrs. John Lane were hosts to members of the Ace High Bridge club, placing three tables for contract. Mrs. Farrington and Mr. Tom Haney winning high scores. Delicious refreshments of fruit punch and coffee were served Dr. and Mrs. Wm. Farrington, Messrs. and Meses Tom Haney, J. A. Kennedy, E. S. McCard, W. R. Moore and the hosts. Mr. and Mrs. R. L. Ballenger have this week moved to Vernon, where Mr. Ballenger has accepted a position as pharmacist for the Vernon Drug Company. For some time Mr. Ballenger has been employed by a drug store, at Seymour.

The Modern Cocktail An old Dutchman, returning to Holland, was asked by a friend what, in his estimation, was the strangest thing he had noticed, and he replied: "The United States has many wonderful things, but the strangest is a drink called the cocktail—and here is how they make it: They put in whiskey to make it strong, then water to make it weak; gin to make it hot and ice to make it cold; lemon to make it sour; sugar to make it sweet; then they say: 'Here's to you!' and drink it themselves."

Booklet a Forward Step In The Legion's Service, National Com. Says "The distribution of the simplified summary of rights and privileges of World War service men and women under all federal and state laws will be an epochal step forward in the American Legion's service to veterans," Henry L. Stevens, Jr., national commander, said in a statement addressed to all World War veterans. "Its distribution will be widespread. It will be given to every member of the Legion whose membership is of record on July 1915. 'I want one of these booklets for three reasons: 'First, I want it because I am a veteran and I wish to be fully informed of my own individual rights and privileges, and there is no other compilation of this kind in existence that I know about, without reading and studying every federal and state law that has been passed since 1919. This was done by the force of editors and writers who wrote this thirty-two-page summary. 'Second, I need it as a lawyer, because it gives in concise and plain language every provision and will save the trouble of wading through a mass of legal technicalities in order for me to put my finger on just what is wanted. Such a booklet, if it were available for purchase, which it is not, would cost about \$3.50, as much or more than Legion membership. 'Third, as a Legionnaire, I feel it my duty to be able to answer quickly and intelligently any question which any World War veteran may ask in any state regarding his rights under any federal or state law. Every veteran should feel the same way, and if he is a Legionnaire he will.'"

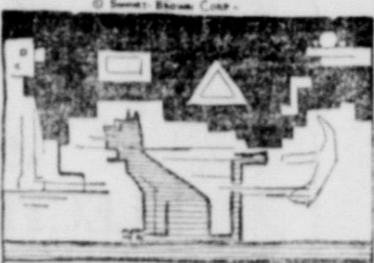

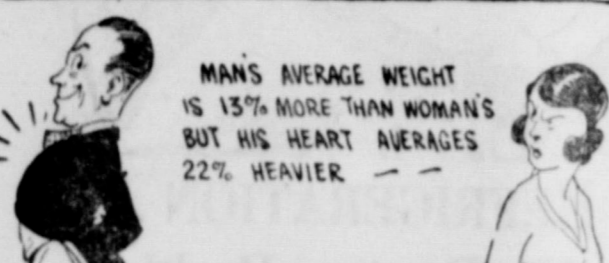

Munday Men Badly Injured in Auto Smash Near Olney. Albert Johnson and Glenn Bates of Munday were seriously injured and a Mr. Walker of Megargel also badly injured in a wreck on the Seymour-Olney highway at an early hour last Thursday morning. Johnson and Bates were driving a gasoline truck for Walter Dye, local independent gasoline dealer, and were enroute to Olney when they met a heavily loaded truck driven by Walker. Walker's truck was loaded with oil well casing and weighed several tons, while the Dye truck was empty. The trucks came together when the drivers were blinded and all were badly injured. Walker was unconscious in an Olney hospital in an unconscious condition and his condition is said to be very critical. Johnson was brought home and later carried to the hospital at Seymour, where he is said to be getting along nicely, while Bates' injury proved not to be so critical and he is well on the way to recovery. It is feared that Johnson may lose the sight of one eye as a result of his injuries. The Dye truck was a complete wreck, and the other truck was badly damaged. Supt. Davenport of the Sunset school was in town some days ago and stated that plans were being made for the opening of the schools there about the middle of August, and after running for some six weeks they plan to turn out for the fall, resuming work again early in the new year.

Questions and Answers about Conoco Germ Processed Oil Q: WHAT DOES "GERM PROCESS" MEAN? A: The word "Germ Process" describes the scientific method by which this oil is manufactured. Such processing adds immunities to the oil's lubricating properties. North American patent rights to this process are owned by Continental—only CONOCO oils are Germ Processed! Q: IS IT DIFFERENT FROM OTHER OILS? A: Yes. It is the only oil of its kind, and does what no other oil can do. The Germ Process gives the ability to penetrate and combine with metal surfaces in your motor. The Germ Process also gives more "oiliness" than any other oil. Any oil would be better if it were Germ Processed. Q: WHAT IS THE "HIDDEN QUART"? A: The "Hidden Quart" is tangible evidence that CONOCO Germ Processed Oil penetrates metal surfaces and gives sure, safer lubrication. During the first 250 to 350 miles after your first fill with Germ Processed Oil, a pint to a quart seemingly disappears. On later fills, it does not. That's the Hidden Quart—it stays up in your motor and never drains away! Other oils drain away when your car is idle, leaving vital parts unlubricated during the starting period, when almost half of all motor wear occurs. CONOCO's Hidden Quart lubricates before your motor starts—cutting down costly starting wear! Q: WHY SHOULD I CHANGE TO CONOCO GERM PROCESSED MOTOR OIL? A: Because, by cutting down starting wear, it gives your motor longer life, keeps it sweeter running and saves expensive repair bills. Because Germ Processed Oil's extra oiliness makes your car run better. It forms a stronger protecting seal, making starting easier and giving more power. It withstands crankcase dilution and high temperatures. CONOCO Germ Processed Motor Oil gives you the safest, surest lubrication you can buy. Change now to this better oil at any CONOCO Red Triangle station. CONOCO GERM PROCESSED 30 MOTOR OIL A HIDDEN QUART STAYS UP IN YOUR MOTOR AND NEVER DRAINS AWAY

Nerves NERVINE Dr. Miles' NERVINE "Did the work" says Miss Glivar WHY DON'T YOU TRY IT? After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles' Nerveine which gave her such splendid results that she wrote us an enthusiastic letter. "If you suffer from 'Nerves,' if you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fatigued, your nerves are probably out of order. Quiet and relax them with the same medicine that 'did the work' for this Colorado girl. Whether your 'Nerves' have troubled you for hours or for years, you'll find this time-tested remedy effective. At Drug Stores 25c and \$1.00. NERVINE

THE TAX MEASURE.

Regardless of whether or not it is altogether responsible for the new tax measure covering practically everything as a means of balancing the budget, its enactment in all likelihood means the driving of the final nail into the coffin of the Hoover regime, and it will be buried in the November election by an avalanche of votes unprecedented in the history of the party.

Seemingly the only method considered by official Washington in accomplishing the balanced budget has been the creation of additional sources of revenue.

Every department of our government is operated on an extravagant basis that no individual corporation would condone. The editor of Nation's Business, pointed out some days ago that the diplomatic service, of which few citizens have any great knowledge, offers one of the greatest channels for waste and extravagance in paying political debts to party leaders. In Mexico City and Argentine and other small countries, our government maintains from 65 to 100 individuals on the government payroll at attractive salaries. Elaborate residences and almost unlimited privileges are placed at the disposal of army and navy officers at government expense. New boards and committees are being created to reward influential political leaders. All of these things call for additional revenue, and the only way to get it is to ram the hand of the government down into the pocket of Mr. Average Citizen and get it, regardless of the dire need in which Mr. Average Citizen may himself be in. And with a burden of taxation already estimated to be approximately \$100 per capita, our Government goes merrily on with their tax measures, and those enjoying governmental patronage go merrily on with their fat salaries.

Indeed, in the face of the most disastrous period of depression in the history of our country the administration at Washington has hurled a monkey wrench in the machinery that was already slowed down by reason of being overloaded. The wheels of commerce that have slowed down will in many instances be completely stopped. A return to normalcy to which the American people have been anxiously waiting, looking and longing, has been materially and needlessly retarded by an administration which at no time has shown an inkling of sympathy for

the common people of this nation, and under whose regime they have been reduced to a state of pauperism.

Even as we read where the Senate of the United States has killed the soldiers bonus bill, we see in the same issue where our government has made a loan of more than four million dollars to a certain railroad through its Reconstruction Corporation for the purpose of paying off bonds held by Wall Street bond holders.

Anyway, let's not waste too much of our pity on the peons of Mexico, the people of Soviet Russia, or even the heathen Chinese, until we can figure more definitely whether we are drifting. Let's quit teaching the fallacies of monarchial government until we have more closely approached the idealistic democracy of government of, for and by the people, from which ideal we are constantly drifting.

GIVE NERVE A REST.

In a recent statement to the press, a well known New York doctor calls attention to the fact that while science has made great strides toward the abolition of diseases combatted for hundreds of years, a new series of ailments are coming to take their places. Most of these ailments, he declares, are directly traceable to the fast pace of modern living. Thousands of human beings are ruining their health in the battle for the dollar, or as some call it, "the battle for recognition."

People work and rush to the verge of exhaustion; then alcohol, coffee, tea or other stimulants are resorted to, resulting in nervous, an ailment of the nervous system. Some advice in this connection is quoted: "In such cases medicine is of little avail. What is needed is to give one's nerves a vacation through periods of rest and relaxation, even during business hours. Artificial stimulants should be avoided or reduced to a minimum. Coffee from which the caffeine has been removed by scientific means is recommended. More time spent in the garden, on the golf links, or in boating and fishing, will yield

Work Weary "NERVES"

Do they make you Restless, Cranky, Tired, Sleepless, Dyspeptic, Head-achy? Do they spoil your pleasure and interfere with your work?

Tens of thousands have found a way to get relief from over-worked nerves—a way so simple, so pleasant, so low in cost, that we are constantly receiving letters that say, "If I had only found Effervescent Nerve Tablets sooner." Simon Brandt writes: "I was very nervous from over-work. I couldn't sleep well, appetite was poor, and I felt weak for a long time."

"Used Dr. Miles' Nerveine and now feel fifteen years younger and I am working the same as I did before—fourteen to fifteen hours daily.

"Sorry I did not learn about this wonderful medicine sooner as I had tried everything I could hear of, without results, until Dr. Miles' Nerveine put me back on my feet."

When you are nervous, try this—put a Dr. Miles' Effervescent Nerve Tablet into a glass of water. Watch it bubble up like sparkling spring water—drink it—enjoy the feeling of calm and relaxation that follows.

Dr. Miles' Effervescent Nerve Tablets are a scientific formula for soothing overworked nerves in combination with Magnesium Sulfate and other salts which tend to correct brain-activity from undue strain of nervousness.

A PANOLA COUNTY FARMER'S PRAYER

I was riding past a lonely-looking old house one night last week. My horse pricked up his ears and nearby I saw a man secreting himself in a lonely place, so I stopped to see what was going on. He fell on his knees, and, with uplifted hands, cried out in a loud voice: "Lord, I am only a Panola county farmer. Thou knowest when cotton was 21 cents a pound, I had flour and plenty of everything to eat in my house and was well clad. But I was not satisfied. I wanted a change. I wore a Hoover badge and was faithful to the G. O. P. I believed I would get 35 cents a pound for my cotton and \$48 a ton for seed. O, Lord, two years have passed, never to return. Father, I am now too poor to buy the necessary Rockefeller for my Henry; it won't run without oil. I am still wearing a Hoover badge, but it is on the seat of my overalls.

"Lord, I am thankful for one thing; that is that Hoover made common rabbits taste good in the summer time. I pray that Thou will keep them replenished so I shall not want. I am sorry, O Lord, that my tomatoes and cucumbers would not pay the gathering of them.

"Give us this day our daily (corn) bread (which Coolidge tried to make us eat for four years, and Hoover had us eating in three months). And lend us not into temptation to vote for another republican. President Hoover has all the power, Mellon all the money.

THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

• THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employes, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 70,739 while the payroll declined to \$109,892,226. In 1931 the number of employes fell to 57,098 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

• The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

Postmaster Rneau Explains Details of New Postage Rates

In order that the patrons of the local office might better understand the changes that are to be made in postage rates, he has given out the following detailed information, which becomes effective July 6, 1932.

Sec. 284. On and after the thirtieth day after the date of the enactment of this act and until July 1st, 1934, the rate of postage on all matter of the first class (except postal cards and private mailing or post cards, and except other first-class matter on which the rate of postage under existing law is 1 cent for each ounce or fraction thereof) shall be 1 cent for each ounce or fraction thereof in addition to the rate provided by existing law.

Upon all matter of the first-class postage shall be charged at the rate of 3 cents for each ounce or fraction thereof; postage on letters deposited in rural or star route boxes, or mailed to persons who are served by rural or star route carriers, shall be charged at the rate of 3 cents for each ounce or fraction thereof.

A drop letter is one addressed for delivery from the office at which it is posted, there is no drop rate on any matter except letters, and that is 1 cent for each ounce or fraction thereof.

J. B. RENEAU, Postmaster, Munday, Texas.

AN ORDINANCE

Prohibiting the driving of an automobile or motor vehicle within 300 feet in the rear of any fire truck, fire hose cart or other fire fighting apparatus of the City of Munday when such fire truck, fire hose cart or other fire fighting apparatus is being operated on and along the streets of the city of Munday in response to an alarm of fire, declaring violations of the ordinance a misdemeanor and fixing punishment, and exempting from operation of the ordinance members of fire department of the City of Munday in active duty, and persons under supervision and direction of the Fire Chief of the City.

BE IT ORDAINED BY THE CITY COUNCIL OF MUNDAY, TEXAS.

Section One: It shall be unlawful for any person to drive or operate an automobile or motor vehicle on and along the streets of the City of Munday, Texas, within Three Hundred feet in the rear of any Fire Truck, Fire-hose Cart or other fire-fighting apparatus of the City of Munday, when such Fire Truck, Fire-hose cart or other fire-fighting apparatus is being operated on and along said streets in response to an alarm of fire.

Section Two: Any person violating the provisions of Section One of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by fine not to exceed One Hundred Dollars.

Section Three: The provision of this Ordinance shall not apply to any member of the Fire Department of city of Munday in active duty or to any person operating an automobile or motor vehicle under the instruction and supervision of the Chief of the Department of the City of Munday.

Section Four: The fact that there is no ordinance or law in effect in the Corporate Limits of the City of Munday prohibiting persons from operat-

ELECTRIC REFRIGERATION . . . to Protect His Precious Health

As you no doubt know, your baby's future health and happiness depend, in a large measure, on the nutritive quality and the purity of the foods he receives now. The matter of proper nutrition is taken care of through the scientific diet prescribed by your doctor . . . but it's your job to insure the other requisite, Purity!

And here's how you can do it: Health authorities agree that to prevent undesirable bacterial action foods must be kept at a constant temperature of below fifty degrees. This constant cold so necessary to the safe preservation of baby's foods is assured automatically through the mechanical perfection of the modern Electric Refrigerator. So the simplest answer to the problem of safely guarding health is through use of this invaluable *Electrical Servant!*

Ask one of our Trained Representatives—or your Electric Appliance Dealer—to explain more fully the vital importance of modern Electric Refrigeration. You'll be delighted with the Economy, Comfort and Convenience of an Electric Refrigerator—and surprised to learn how easily you can arrange this necessary purchase under a Convenient Payment Plan.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

E. O. Thompson Gives Platform For Commission

Ernest O. Thompson of Amarillo, candidate for election as a member of the State Railroad Commission for the unexpired term of Pat M. Neff, has announced his platform in which he sets forth in a brief way the issues confronting the

ERNEST O. THOMPSON

Commission as he sees them. Mr. Thompson's name goes before the voters at the July 23 primary. In his platform he said:

"The Railroad Commission regulates the railroads, trucks and buses, oil and gas business, and gas utilities.

"Because of the importance of these industries and the part the Commission plays in the development of our great natural resources, the office of Railroad Commissioner directly affects the economic welfare of each individual citizen.

"I stand for a fair deal to all concerned, always keeping in mind that the people's interest should come first.

"Every side of every question coming before the Commission will be given a fair hearing and a prompt decision.

"The Railroads are necessary. They should be given fair treatment. Trucks and buses are here to stay. They fill an important gap in our transportation system. They will not be discriminated against.

"The oil and gas business has become so important to Texas that our general business now depends largely upon the prosperity of the industry. It is the duty of the Commission to foster and conserve these natural resources for orderly development.

"I stand for a fair rate in production—fair to producer and the consumer; fair to the utility and fair to the public.

"I respectfully ask the support of the Democratic voters of Texas in the coming primaries."
