

Kracker Krumb's

Odd Bits Salvaged
By The Editor

Because it has bearing on our forthcoming United Fund Drive, we have been requested to reprint the following article entitled "The Two Seas" by Dr. Gaston Foote, Methodist minister of Fort Worth:

There are two seas in the Holy Land, known throughout the world. One is the Sea of Galilee and the other is the Dead Sea. The Sea of Galilee was the scene of much of the public ministry of Jesus almost 2,000 years ago. Here He swam and fished; here He instructed His disciples, four of whom were fishermen. Here on the shores of Galilee Jesus spoke to the multitudes. On a nearby hill He delivered the greatest sermon of all time, the Sermon on the Mount.

The shores of the Sea of Galilee are still teeming with life. Villages and towns dot the lush shoreline. Fishermen in their little boats still catch fish from the sparkling waters. The stores and shops are crowded with eager and happy shoppers. Children play in the streets, on the beaches, in the meadows dotted with flowers and under the trees which send their hungry roots down below the waterline.

From the north the river Jordan flows into the Sea of Galilee, bringing its cool waters from the hills. It flows out again into the Jordan valley, giving up as much water as it receives.

Seventy miles south of the Sea of Galilee is the Dead Sea. It is 10 miles wide and 40 miles long, four times larger than the Sea of Galilee. But here there are no fish, no insects on the water, no birds, no trees, not a sprig of grass, no villages, no people, no life of any kind. Thirsty travelers from the desert dare not drink the waters.

What is the difference in these two seas?

Not the river Jordan. It empties practically the same amount of good water into both seas. Nor is it in the soil or the climate or the surrounding country.

Herein lies the great difference: The Sea of Galilee receives the refreshing waters and passes them on to the Jordan valley below. The Dead Sea receives the waters, but will not be enticed into releasing them to the parched lands below.

The Sea of Galilee receives—and gives! Every drop of water it can spare it gives away. The Dead Sea receives—and keeps. Every drop of water it gets it hoards.

The Sea of Galilee is teeming with life. The Dead Sea wears the shroud of death. There are two seas in the Holy Land. One gives—and lives. The other hoards—and dies.

There are two kinds of people in the world. Some of them receive and give—to the United Fund, to the Church—and live! Others receive and keep—and die. What kind of a person are you?

We like the United Way of giving to our various fund drives for different and important causes.

Before United Fund was organized last spring, we were constantly encountered with opportunities to give. Generally it was the same group of people who made these contacts—giving of their time and efforts in each of the drives.

With United Fund, we give once. Local people are called upon to serve as solitars only once—one contact, one check, and the giving to drives for the year is over.

United Fund this year is taking care of some seven or eight different causes. These include: Boy Scouts, Salvation Army, Texas United Fund, Munday Public Library, Red Cross, Heart Association, Cancer Fund, Munday Polio Fund, and possibly others. The drive opens Monday, November 2. You may give your entire amount in one check, or you may pledge the amount you wish to give and pay monthly or quarterly. What better way could you think of to give to all charities than by the United Fund? Support your United Fund drive!

DANCE AT RHINELAND

Jimmy Heap and his "Melody Masters" will furnish music for the dance which will be held on Thursday night, November 5, at the parish hall in Rhineland. The public is invited to attend.

Knox City Scout Leader To Head Local District Group To National Jamboree

The Northwest Texas Council, Boy Scouts of America, has selected unit leaders for the fifth national jamboree, according to Dr. Joe Steed of Wichita Falls, chairman of the jamboree committee. The national jamboree, which will see 50,000 boys and leaders camping together at Colorado Springs, Colo., will be held from July 22 to July 28, 1960.

"Each unit will be made up of 37 boys and three adult leaders," Steed said. Seven troops are being formed in the Northwest Texas Council. The council quota is 250 boys, and to date 103 have registered.

Any scout in this area who is interested in attending should promptly contact the Boy Scout office or one of the following

leaders for the Brazos Valley District:

Ulric H. Lea, scoutmaster, Knox City; Jay L. Moss, assistant scoutmaster, Holliday; John H. Falls, assistant scoutmaster, Archer City.

Dr. Steed named Ed Oglesby as Council Jamboree Equipment Chairman, John Barter, Jr., in charge of transportation, A. B. Ruff Personnel, and Phil Listen Jamboree Promotion Chairman. This committee is actively organizing and promoting the jamboree throughout the Northwest Texas Council area.

"A 2,000 acre site at Reverse J Diamond Ranch in Colorado Springs, Colorado, is being prepared for the jamboree. It will have its own water supply, electricity, telephone service, post offices and other services for the largest gathering of boys in the Western Hemisphere," said Dr. Steed.

Jamboree campers, all of them twelve years old or older, will share daily camp chores, cook their own meals, take part in displays, campfires, demonstrations, skill contests, and inter-camp visits during the seven day event.

Outstanding Americans will take part in the principal events.

Saving Bonds Sales In County Reach \$173,031

Mr. W. E. Braly, Chairman of the Knox County Savings Bonds Committee announced today that Savings Bonds sales for September totaled \$6,023. "Sales for the first nine months of 1959 were \$173,031 or 71.5% of the yearly goal," Mr. Braly said.

E and H bond sales in Texas amounted to \$115,170,663 during the first nine months of this year. This figure represents 63% of the yearly sales goal.

"The new improved interest rates on E and H bonds will add thousands of Americans who are already buying savings bonds and will help induce others to purchase the new 'best ever' Saving Bond," Mr. Braly pointed out. "All bonds purchased since June 1 of this year now earn an attractive 3-3/4% interest when held to maturity and old bonds earn at least 1/2% more than before. Considering the safety, ease of purchase and the new attractive interest rates, savings bonds are truly the 'best buy ever,'" he concluded.

4-H Council Will Meet On Saturday

The Knox County 4-H Council, composed of presidents and council delegates of 4-H clubs of the county, will meet at Benjamin at 9:30 a.m. Saturday in the court house. Main items on the agenda are: election of officers, planning awards banquet and Christmas party. Reports will also be given by presidents of each club. This year's officers are: Mack Harlin, Vera, chairman; Clarence Herring, Jr., Rhineland and Wanda Beth Welch, Gilliland, co-chairmen; Melba Ritchie, Vera, secretary and David Albus, Rhineland, treasurer. Council delegates are Clarence Herring, Jr., and Marilyn Albus.

Questionnaires Sent To School Patrons

Supt. W. C. Cox announced Tuesday that the Munday School Board is sending each parent a questionnaire pertaining to the schools, and these are to be answered by Friday, October 30.

A number of these are left in Mr. Harrell's office at the city hall and at the superintendent's office in the grade school. All interested patrons who do not have children in school may get one of these from the above listed offices. Please answer them by November 2.

BAND BOOSTERS TO MEET ON MONDAY

The regular meeting of the Munday Band Booster's Club will be held Monday, November 2, at the band hall at 7:30 p.m. These meetings are in the interest of the band and should be attended by all parents that have children in the band.

Jaycee President To Attend State Leadership Meet

Glen W. Barber, president of the Munday Jaycees, plans to attend a leadership conference on October 31-November 1 on Senator Lyndon B. Johnson's ranch near Johnson City.

The state-wide meeting is limited to local presidents and state directors. Several prominent speakers will be present, including Senator Johnson, Everett Dirksen and the president of the U. S. Chamber of Commerce.

Better Service For U. S. Mail

Postmaster Lee Haymes announced Wednesday a change in mail schedule here which will bring faster mail service to local patrons.

Effective Thursday, the mail from Abilene which had been arriving at 11:30 a.m. will arrive at 2 p.m. Letters mailed at the local post office by 1:30 p.m. will arrive in Fort Worth at 9 p.m. the same day, Mr. Haymes said.

Atoms For Peace Exhibit Will Be Here Wednesday

"Atoms at Work," a free mobile exhibit presented by the U. S. Atomic Energy Commission and sponsored locally by the Munday Jaycees, will be shown here Wednesday, November 4, on the City Hall lawn.

A timely display in this exhibit is the animated panel, operated by the spectator, showing how a nuclear reactor using atomic fuel can produce heat to convert water into steam, just as a standard furnace does. The steam, in turn, activates a turbine and generator to produce electricity.

Such power reactors are already in use in the submarines "Nautilus," "Seawolf," and others not yet completed. The Munday Jaycees urged everyone in this area to view this interesting exhibit during its stay in Munday.

Knox City Couple To Observe 25th Anniversary Sunday

The children of Mr. and Mrs. C. W. Stephens are honoring them on their 25th Wedding Anniversary with an open house at their home, 107 5th St., Knox City, on Sunday November 1. Friends and relatives are invited to attend.

Mr. and Mrs. Stephens were married November 1, 1934 at Knox City and have lived in Knox and Haskell counties since then. They have four children, Mrs. Lucille Lummus of Corpus Christi, Mrs. Wynelle Roberts of Tulsa, Mrs. Peggy Gulm of Munday and Wyndoll Stephens of Rochester. They have nine grand children.

Missionaries To Speak At Munday Church on Sunday

Dr. and Mrs. B. W. Orrick, Baptist missionaries to Uruguay, will be guest speakers at the First Baptist Church in Munday at both services next Sunday. It was announced this week by Rev. Robert Young, pastor.

Dr. and Mrs. Orrick have spent 37 years as Southern Baptist missionaries to this South American country. Presently they are working with Latin-Americans in Haskell and Knox Counties.

Dr. Orrick will speak at the 11 o'clock service Sunday morning, while Mrs. Orrick will speak at the evening service. The entire public is cordially invited to hear these interesting speakers.

The visitors shown above are viewing the Power Reactor display in the interior of the free "Atoms at Work" exhibit which is being sponsored by the Junior Chamber of Commerce. It will appear at the city hall in Munday on Wednesday, Nov. 4. The exhibit is concerned with the peaceful applications of atomic energy.

Kickoff For United Fund Drive To Be Monday, Continuing Through November

The 1960 United Fund Campaign has its kickoff set for November the first and will continue throughout the month. Volunteer workers will be making contact with every citizen in our community for contributions. Remember to make a substantial donation for this will be the last time you will be called upon this year. Also keep in mind that you will be permitted to designate which benevolent organization your money will help, if you have a choice, otherwise your contribution will be divided on a percentage basis, which is determined by the budget. The Red Cross, the Boy Scouts of America, the Heart Fund, the Cancer Fund, the Salvation Army, the Munday Library Fund, and the Munday Polio Fund are already included in the drive this year.

The Munday Firemen Association has asked the United Fund to collect donations for them on their Muscular Dystrophy drive, rather than making a separate push for it. This is a project the National Fireman's Association has taken this year. The goal decided on by both the United Fund board and the Firemen is 300 dollars, which raises the United States budget from 6,500 dollars for Munday to 6,800 dollars.

Some may wonder just how United Fund works when a new organization wants to participate in its program. It is simple: the Firemen working with the budget committee of the United Fund established the goal for Muscular Dystrophy. It was approved by the UF board, therefore, only one drive a year is still reserved for the citizenry. Any organization, other than religious, may apply for acceptance into the United Way.

Muscular Dystrophy is one of our nation's most dreaded diseases. It claims 200,000 victims annually. There is no known cure for it, as yet, but your donations will make research for a cure possible. It is similar to polio in the beginning stages and has often been mistaken for polio, but it is different in that it continues to spread throughout the entire body until every muscle has become inactivated. It is fatal, but slow in its process, sometimes it takes five or six years, but eventually takes it toll. Its greatest number of victims are children.

Many of our citizens of Munday are planning to give one day's pay to United Fund. That would be a fair share to all those working for wages. It is done by asking your employer to hold out a day's pay for it. Those who work in Munday but are paid from offices outside our city are urged to support our local drive by giving a day's pay to the worker calling on you during November. Every one can share, have an equal share, and be proud, with one day's wages. Let's knock the top out of that big "U" out there on the City Hall lawn!

McKnight Closing Out Auto Store

Troy B. McKnight owner of the Western Auto Store here, announced Tuesday that he is closing out the store in order to devote his full time to the Farm Bureau Insurance Agency in this area. He was recently appointed agent for the Farm Bureau. "Our entire stock of merchandise is being discounted from 30 to 50 per cent," Mr. McKnight said, "in order to move it quickly. We invite you to take advantage of the savings offered during our Quit Business Sale."

Appointment Of Crew Leader For Farm Census For Knox County Is Announced

Appointment of Warren L. Collins of Knox City as a crew leader for the 1959 Census of Agriculture was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

Mr. Collins will direct a force of census takers who will canvass all farms in Knox, Baylor and Throckmorton. Before assuming his post, he will go to Graham, Texas, Morton Counties where he will receive five days of training by a member of the Census Bureau's staff. Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing

methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to conduct difficult interviews.

After completing his training, Mr. Collins will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on November 18.

Local Woman Gets Artificial Eye

Through aid rendered by the Munday Lions Club, a Munday woman has been fitted with an artificial eye. She recently went to Dallas to have the eye fitted.

This is one of the projects in the Lions Club's sight conservation program, one of its major projects. Several children have also been provided with glasses by the club. In the recent broom sale, the club realized almost \$250 which may also be used in their sight conservation and other worthy projects.

Girls' Football Game Slated Here For November 2nd

The Freshman and Sophomore girls will meet the Junior and Senior girls in a rough and tough football game Monday night, November 2, at 7:30 p.m. on the local field.

The football game is for the purpose of raising money for the Lettermen's Association. Admission will be \$1.00 for adults and 50c for students.

Water Authority Planning Sale Of \$1,200,000 In Bonds In Near Future

The North Central Texas Municipal Water Authority, created to develop a municipal water supply for the four towns of Haskell, Rule, Munday and Goree, plans to sell approximately \$1,200,000 in bonds at an early date, President W. R. Johnson of the authority's board of directors said this week.

This block of bonds will represent about 1-3 of the \$3,800,000 bond issue authorized last year by taxing voters in the four towns composing the authority.

Proceeds from the \$1,200,000 worth of bonds will be used in purchasing land needed for a reservoir on Miller Creek east of Munday, and to finance building of a dam creating the reservoir.

Engineers estimate that about two years will be required to secure land, clear the reservoir site, and construct the dam.

The entire bond issue of almost four million dollars is not to be offered at this time due to the prevailing high interest rate, Mr. Johnson explained. By the time the initial phases financed by the \$1,200,000 offering can be completed, directors believe that a more favorable interest rate can be secured on the remaining bonds.

Assessment Notice Due Soon

Work of compiling tax rolls of the Authority, which will include all taxable property in the four towns, is almost complete, Mr. Johnson said.

Assessment notices will be mailed to property owners within the next few weeks, listing the NSIMWA tax valuations against individual property owners.

TICKETS FOR TEXAS BOYS CHOIR CONCERT NOW ON SALE HERE

Tickets for the Texas Boys Choir Concert go on sale this week and may be purchased at Rexall Drug, Eiland Drug or Chamber of Commerce office. Adult tickets are \$1.00 and student tickets are 25c.

The Texas Boys Choir of Fort Worth, sponsored by the Munday Study Club, will make their appearance in Munday on Thursday, November 19, at 2:30 p.m. in the school auditorium.

Stone Announces For Commissioner Or Prec. Three

Sam Stone, well known farmer of the Gilliland community, became Knox County's first candidate for office in the 1960 elections last Tuesday, when he authorized The Munday Times to announce his candidacy for the office of Commissioner of Precinct Three.

Mr. Stone has lived in the precinct for the past 36 years, having been engaged in farming, and this is his first time to seek election to an office of any kind.

"I believe I am qualified to perform all the duties of this office," Mr. Stone said, "having a knowledge of the precinct and its needs. If elected, I will do my very best to make you a good commissioner, giving my time and efforts to the duties of office, and treating everyone fairly and squarely at all times.

"Upon this basis I earnestly solicit your vote, consideration and influence in the 1960 primary election."

ers. These levies will be passed on by a board of equalization, after which the tax rate for the current year will be set by the Authority.

Board of directors of the Authority is composed of W. R. Johnson, Haskell, president; W. W. Coffman of Goree, secretary; R. W. Herren, Haskell; E. L. Barger, Goree; C. P. Baker and L. E. Patterson of Munday; Morris Neal and Frank Campbell of Rule. The directors, two from each town serve two year terms and are appointed by the City Council in the respective towns. — Haskell Free Press.

Pancake Supper To Precede Cox Program Tonight

The Munday Study Club, the Farm Bureau, County Agriculture Committee, and the A. S. A. is sponsoring Murray Cox, Farm Editor WFAA Radio, Thursday evening at the elementary school at 7 p.m.

Preceding the program, the Farm Bureau under the direction of Troy McKnight and Omar Cure, will serve a Pancake supper at 6 p.m. Tickets to the supper are 75 cents, the program which follows is free. Lonnie Offutt and Jack Idol head the County Agriculture Committee, while Russell Boyd, and Gaylon C. Scott head the A. S. A. group.

The supper and the program are open to the public, and it is hoped that the community will be present for both. Murray Cox will bring a very interesting program, and his many radio listeners will want to hear him.

SWEETHEART NAMED FOR GOREE KITTENS

On Tuesday night, October 20, in a very impressive ceremony Captains Bobby Beatty and Donny Land crowned Jane Carl as sweetheart of the Goree Kittens. Jane, daughter of Mr. and Mrs. Barton Carl, is drum major for the junior high school pep squad.

The pep squad leader, Sandra Yates, presented the hero, Louis Flores, with a gold football. Fifty boys and girls took part in this event.

WHEN A LIGHT BULB BURNED OUT
 There's certainly nothing startling nowadays about the burning out of an electric light bulb. Yet a bulb that burned out 80 years ago, on October 21, 1879, signaled the dawn of a new era of civilization.

This was Thomas A. Edison's first successful bulb. For 40 hours the great inventor and his associates watched the glowing filament. Then he stepped up the voltage until the bulb completed its career in a blaze of glory.

In the span of a man's lifetime electricity has wrought changes which would have challenged the imagination of Jules Verne. In the home, on the farm, in industry, electric power performs innumerable tasks which make life fuller, easier, happier, healthier, better in every way. Today's electrical commonplaces would have been viewed as miracles less than a century ago, and we accept possibilities for the future that would have been dismissed not long ago as insane fiction.

The United States leads the world in electric production by a huge margin. The average price per residential kilowatt-hour is about one-third of what it was in 1913, while the cost of living generally is nearly three times as great. Its cost runs to about one per cent of most family budgets, despite all the services it performs and the steadily increasing quantities being used. By way of comparison, last year nearly five times as much was spent for liquor and tobacco as was spent for power service.

Edison's bulb was the revolution-making achievement of a free man working in a free society. And the great industry which it made possible was and is being built by free men, working together, in a free society.

WAS LENIN RIGHT?

Reports from Washington have lately given the country an indication of how seriously the Administration views the fiscal problem. That problem, it is clear, is second in the President's mind only to the problem of avoiding a third world war.

And the President and his advisors are not alone in this. All manner of qualified people, in and out of the government, are convinced that unless government spending can be curbed, the budget balanced, and inflation checked, we may be heading for a disaster that could destroy us

as a nation, and leave the free world, which depends so largely on American strength for survival, wide open to communism. The Kremlin would win the ultimate victory without firing a shot.

This, in fact, is what Lenin, architect of Soviet communism, expected. Long ago, he wrote that capitalism would destroy itself from within. What government does to the people's money and savings will determine whether he was right or wrong.

PLASTIC BAGS — MENACE TO CHILDREN

As cool-weather clothes are brought out of storage this season, coverings of plastic bags again become a menace to children. This warning is made in an article by Beatrice Schapper in Today's Health, and American Medical Association publication.

An electrostatic charge may be generated by friction from handling the bag. The youngster, while peering through, is apt to have the bag literally grab him through the electrical attraction to his face. The child cannot tear it. Death by suffocation may result — as it has in tragic instance after tragic instance during the past year.

The bags should never, under any circumstances, be used for make-shift coverings for pillows, blankets or mattresses in baby carriages, playpens or cribs.

The child should never be given the opportunity to handle one of these bags. That means that when they are removed from clothing, they should immediately be shredded, or tied in knots and put in a tightly covered disposal can.

The bags can prove as lethal as a loaded gun or a bottle of poison — and should be so treated.

ANTIGO, WISC., JOURNAL: "Although the committee on national education policies originally rejected a resolution advocating the use of force, when needed, to maintain classroom discipline, the American Federation of Teachers has now given its approval. The teachers said, however, that force was not a desirable thing in itself. They said it just sometimes could not be avoided."

According to National Petroleum News, gasoline demand is expected to rise again in 1960. But with the forecast that two out of every seven cars sold will be the smaller ones, oil marketers will have to wait to see how big the gain will be.

By John C. White, Commissioner

October is always a good month to start planning for the next agricultural year, and the Texas Department of Agriculture sponsored a two-day conference of U. S. and Mexican agricultural officials this month in San Antonio.

The conference was aimed mainly at bringing about closer cooperation between U. S. border states and north Mexican states through discussion of mutual problems by agricultural authorities and associations of two countries, chiefly in the field of insect pest control.

There was a sizeable delegation from both Mexico City and the north Mexican states, headed by Ing. Jesus Patino Navarette, the Mexican sub-secretary of agriculture, and Ing. Esteban Uranga, the official mayor of the department. Besides our own officials from the Texas Department of Agriculture, there was a strong representation from the U. S. Department of Agriculture.

Among items on the agenda for discussion from both sides of the border were further and more effective control measures for the pink bollworm screw-worm infestation, the citrus blackfly, the Mexican fruit fly and the Khapra beetle, a grain pest which recently prompted immediate and effective eradication measures by the Texas Department of Agriculture in the El Paso area.

Our inspectors from the Texas department were able to report that for the fourth successive season they have found the State entirely free of citrus blackfly, and credit for this record was given in large part to cooperative efforts of the U. S. and Mexico. Two blackfly-free zones are being

maintained in Mexico in the area nearest the Rio Grande Valley. This is being accomplished through the use of parasitic wasps to keep blackfly infestation at a low level south of established buffer zones, and by prompt insecticidal treatment of the new, small infestations within the buffer zones.

As a result of this cooperation, combined with constant inspection by the Texas department, the only blackfly infestations found on this side of the Mexican border were in 1955-56 when they were discovered in seven localities in the Valley. Prompt application of insecticidal sprays by the Texas Department of Agriculture and the Texas citrus industry eradicated the infestation without further spread.

Those who attended the San Antonio conference came away convinced that the Mexican officials and associations represented could be depended upon to carry out control agreements which will be of material benefit to agriculture in both countries.

LOCALS

Bunny Norvill of Hardin Simmons University in Abilene spent the week end with his parents, Mr. and Mrs. B. O. Norvill.

Mrs. Genevieve Cammack and Janet of Amarillo visited relatives and friends here over the week end.

Mr. and Mrs. John Bates and Roxanna visited with their daughter and family, Mr. and Mrs. J. C. Daniels, Lisa Lynn and Donna Kay, in Denison over the week end.

Mrs. Ralph Watkins, Rene and Paul, of Wichita Falls were Sunday guests of her parents, Mr. and Mrs. W. E. Reynolds.

Mr. and Mrs. W. R. Black and sons of McKinney were week end guests in the home of Mr. and Mrs. Elmer Curle.

Miss Carolyn Hobert of A. C. in Abilene spent the week end with her parents, Mr. and Mrs. Chalmer Hobert.

IT'S THE LAW
in Texas

HANDWRITTEN WILL CHANGES NOT RECOGNIZED IN COURT

Changing and revoking wills has involved many an estate in litigation because the proper legal methods were not used.

Take the case of Mr. S. Some time ago he went into his lawyer's office and laid in front of his attorney a will which had been prepared for him about a year previously. He said that he had made a few changes in it and wanted to know whether his attorney thought the changes were all right.

Mr. S. was attempting to change two items of his will by drawing

lines through certain words in these items and interlining, in his own handwriting, the changes he wanted. He was not attempting to revoke his entire will, but merely trying to change these two items.

If Mr. S. were to die with his will in that condition, the probate court would not recognize the changes that he had made, but would probably probate the will as it was originally written. Mr. S. was surprised to learn this and immediately requested that a new will be prepared.

After the will has been once executed, changes cannot be made legally by crossing out parts of a will and interlining corrections or additions. To change a will, an entirely new will must be written and properly executed — or an addition by way of a codicil must be executed.

Since a will does not take effect until the death of the person making it, the provisions of the will should be reviewed by the maker at least once a year to be sure that changing conditions and circumstances have not been such as to require a modification of the will. It is very easy to postpone doing a thing of this kind, but failure to do so may

result in the intentions of the maker of the will being thwarted.

There are many changing circumstances which would be brought to his attention if a person would review his will at least once a year in the light of circumstances at the time.

Such things as deaths among the legatees or devisees named in his will, births, marriages or divorces in the family, accidents or sickness among the close relatives which make it desirable to increase or decrease the amount given them, substantial increase or decrease in the value of the estate of the person making the will, and many other factors may cause a person to want to execute a new will or add a codicil to his old one.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Mr. and Mrs. B. E. Bowden and family visited her parents, Rev. and Mrs. T. N. Carter, in Comanche last Sunday. The occasion was to help Rev. Carter celebrate his birthday.

Mrs. E. M. Owens and granddaughter, Donna Ruth Owens, visited with relatives in Vernon over the week end.

Watch For Prussic Acid After Frost

Johnsongrass or sorghum after a frost is sometimes extremely high in prussic acid content and is very dangerous to livestock, warns Dr. C. M. Patterson, extension veterinarian.

Certain chemical changes sometimes occur in the plant and it develops a content of prussic acid, or hydrocyanic acid when wilted by frost or drought, he explains. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten.

An appearance of nervousness, difficult breathing and difficulty in standing are symptoms of the poisoning. Whether a poisoned animal can be saved depends upon how quickly a veterinarian can get to it. Treatment involves injecting antidotes directly into the blood stream.

Young plants will develop more prussic acid after frost or drought than those approaching maturity, points out the veterinarian. Their leaves will contain from 3 to 25 times more acid than leaves of plants in the boot stage. Also, upper, younger leaves will contain more acid than lower leaves.

Dr. Patterson cautions against grazing frosted Johnsongrass or sorghum before it is completely dry. If Johnsongrass or sorghum is ready to cut for hay before a frost, it may be cut the first day after the frost, if care is taken to see that it is completely cured before baling.

It may also be used for silage, he adds. Generally, enough prussic acid is lost in gaseous form during the ensiling process and as the silage is removed and fed to make it safe for livestock. However, animals shouldn't be allowed to self-feed from a silo filled with frosted sudan or sorghum. If the silage is questionable it should be chemically tested by a local veterinarian or by letting one or two inferior animals eat it.

Accident Injuries Would Populate Large Texas City

AUSTIN — 622,534-plus Texans — more persons than live in Dallas — suffered accidental injuries during the past year, according to the Texas Safety Association.

Among these injuries, the Association reports more than 70,000 persons were injured in home accidents. That is roughly the population of Abilene or Midland.

TSA also notes that as many persons as live in Austin were injured while at work in 1958. And more Texans suffered injuries in auto accidents than live in Amarillo, Waco or Beaumont.

Furthermore, the cost of all Texas accidents, for 1958, exceeds \$445-million, or approximately \$49.50 for every man, woman and child in the Lone Star State.

Report Earnings To Social Security

Harry Jansen follows the fruit harvests. He starts the season picking cherries. Then come apricots, peaches, plums and finally apples and pears in the fall. It's hard work and Harry is getting along in years. He'll soon be 65.

A friend advised Harry to see about his social security. Harry had never thought much about his social security before. He did have a social security card and always showed it to his farm employers when they asked him. Harry's employers had conscientiously reported his cash wages under his correct name and social security number. These wages were credited to his own private account. He will soon receive a monthly check based upon the amount of his yearly earnings.

Unfortunately, not all farm workers' cash wages are being reported as accurately as Harry's. To be certain his social security account is growing year by year, a farm worker should be sure his employer, whether farmer or crew leader, has his correct social security number. He should also get in touch with his nearest social security office every two or three years in order to check the amount of earnings being credited to his social security account.

It is the farm employer's responsibility to file a social security report for wages of workers who are paid \$150 or more cash in a year, or who worked for him on 20 or more days during the year and were paid on a time basis.

It is the farm workers responsibility to himself and to his family to see that his wages are being reported. Future social security benefits for himself and family depend upon the amount of wages credited to his personal social security account.

Brown patch disease can be controlled in lawns, says Harlan E. Smith, extension plant pathologist, if proper practices are used. For details on controlling the disease, he suggests a visit with the local county agent.

Methodist Emphasize Total Enlistment In Revival Which Opens On November 8

Throughout the Methodist Church the conference year 1959-1960 has been designated by the bishops as "The Year of Enrollment." During this year by means of special services, visitation, and prayer groups each local Methodist Church will endeavor to find the people in the community who are not Christian and who are not in the church, and those who are in the church but are not fully participating. An effort will also be made to win these persons to Christ and to a place in the fellowship of His church. The training of persons to lead in the work of the church is a part of this program. Finally, its aim is to keep all church members in Christ's service.

As a part of the larger program, the Northwest Texas Conference of the Methodist Church has asked all its churches to become actively engaged in conducting a "Year of Enrollment" campaign in the local community. Training sessions have been held for all districts to aid the local churches in their planning. The Methodist Church in this community has taken part in this training. In the Stamford District, of which our church is a part, it has been decided that each local church is to give special concentration to the "Year of Enrollment" during the week of November 8-12. The week is to begin with a great Youth Rally at St. John's Methodist Church in Stamford on Saturday night, November 7, beginning on Sunday Nov. 8th in many of the churches over the District there will be special preaching services which will continue until Thursday night. In other churches there will be programs of visitation, and other activities involving all members of the church.

We in the First Methodist Church are happy to have a part in this "Year of Enrollment." We have made plans to begin our Prayer Groups the week of Nov. 26. These Prayer Groups which will be praying in preparation for the opening of the Revival will be meeting at the following places: Youth at 8:00 a.m. in Church Fellowship Hall daily Monday through Friday. Working Men's Prayer Group No. 1 at 8:30 a.m. in McCauley's Funeral Home. Working Men's Coffee Break Prayer Group No. 2 at 10:00 a.m. in McCauley's Funeral Home. Working Women's Coffee Break Prayer Group in lounge above A. L. Smith Drug at 10:30 a.m. each day. Young mother's Prayer Group at the Methodist Parsonage at 10:00 a.m. daily. Neighborhood Prayer Group for those living North of Knox City Highway at 10:00 a.m. at the home of Mrs. J. S. Shannon. Neighborhood Prayer Group for those living South of Knox City highway at the home of Mrs. R. D. Atkelson. Each of these Prayer Groups will meet every day Monday through Friday of the week of Nov. 26. The Revival will open on Sunday November 8 and will last through Thursday night November 12. Rev. John A. English Pastor of First Methodist Church in Abilene, will be speaker. The services on Sunday Nov. 8th are at 10:55

a.m. and 6:00 p.m. Week-Day Services are at 7:30 p.m. 1-2 Committees are at work planning for this special week of visitation, preaching and witnessing. Working on Advertising are: Hugh Peaty and Aaron Edgar. Attendance at the Revival Services: Wendell Partridge, Mrs. J. S. Shannon, Mrs. John C. Spann, Miss Donna Kay Partridge, Charles McCauley, V. E. Moore. Assimilation — Mrs. G. R. Eiland. Finance — Paul Pendleton, Group Evangelism — William H. Wright, chairman, Mrs. Charles Baker, Mrs. W. R. Rodgers, Mrs. R. D. Atkelson, Charles McCauley, Mrs. J. C. Borden, Hospitality — Charles Baker, Jeff Anderson, Mrs. A. H. Mitchell, Music — Rev. and Mrs. Rex L. Mauldin, Nursery — Mrs. Ida Nance, Mrs. Jay Baker. Personal Evangelism — W. R. Moore, Jr., Mrs. Joe Bailey King, Mrs. Bob Hicks, Reception — Mrs. Travis Lee, Ushers — L. A. Bowden, chairman, Dwight Key, Dr. D. E. Alexander, W. O. Ratliff, Youth — Mrs. J. C. Harpham, Linda Kay Smith and John Walter Massey.

Mrs. Homer Simons Guest Speaker For Study Club Meeting

Mrs. Homer Simons of Abilene will be guest speaker of the Munday Study Club in their program Thursday, November 5th at 7 p.m. in the Munday Elementary School building. Her topic will be "Dr. Johnson and His Dictionary." Mrs. Helen McClure will have on display her Samuels Dictionary dated 1785.

Mrs. Joe Canafax and her Home Economics girls will serve meals before this program and the program on November 12th which will be "The Dead Sea Scrolls" with Rev. Dan Barfield as narrator.

The Home Economic girls will receive the proceeds from the dinners and the plates will be \$1.50 each. They ask you to send your check to one of the following places: Rexall Drug, Eiland Drug or Chamber of Commerce office and to have them in by Wednesday noon before each program. Make your checks payable to Mrs. Joe Canafax and you may purchase as many as you like if you wish to bring guests.

Danny Welch Is Party Honoree On Seventh Birthday

Danny Welch celebrated his 7th birthday with a party at his home here on Wednesday, October 21 with 16 of his little friends present for the occasion.

The guests were served yellow cake with fudge frosting decorated on top with witches and small yellow pumpkins carrying out the Halloween motif.

Danny is the son of Mr. and Mrs. Leonard Welch.

Sarah Lou Henley Circle Meets With Mrs. T. A. Brown

The Sarah Lou Henley Circle of the First Baptist Church met in the home of Mrs. T. A. Brown last Monday afternoon at 3 o'clock with 16 members present and one visitor.

A very interesting program was brought by Mrs. Lee Isbell, Mrs. Gus Brown, Mrs. Chester Bowden and Mrs. J. C. Elliott.

Seven packages of baby gowns and diapers were placed in Dr. Eiland's office for needy mothers.

A refreshment plate of coffee and cake was served during the social hour.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Don Dodson are announcing the arrival of a daughter at 7:05 a.m. Tuesday, October 27, 1959 at the Knox County Hospital. She weighed 7 pounds and 9 1/2 ounces and has been named Teressa Jo. She has a three year old brother, Larry Don, who is very proud of his little sister.

Mr. and Mrs. J. H. Amerson were visitors in Dallas over the week end and attended the Texas Tech and S. M. U. football game on Saturday afternoon.

Mrs. H. H. Cowan and Miss Merle Dingus were visitors in Wichita Falls last Saturday.

Baptist Circle Meets Monday In James Smith Home

The June Petty Circle of the First Baptist Church met in the home of Mrs. James Smith last Monday, October 26. Mrs. Joe Patterson led the opening prayer.

Mrs. B. L. Blacklock, club program chairman, began the program "Missions in the Old Testament." She was assisted by Mrs. James Smith and Mrs. Andy Hutchinson. The closing prayer was led by Mrs. Patterson.

Mrs. Litt Lemley, Community Missions chairman, delivered a layette to the office of Dr. R. L. Newsom to be distributed among the needy, which was contributed by members of the June Petty Circle.

MUNDAY SCHOOL LUNCHEON MENU

Monday: Pinto beans, fried potatoes, spinach, cornbread, milk, fruit cobbler.

Tuesday: Barbequed beef, creamed potatoes, green beans, hot rolls, butter, sugar cookies, milk.

Wednesday: Ham-bean scallop, corn, canned tomatoes, cornbread, milk, rice with sugar butter.

Thursday: Meat patties, gravy mashed potatoes, english pears, carrots, hot rolls, cookies, milk.

Friday: Beef stew, cabbage slaw sliced cheese, cornbread, milk, cherry cobbler.

Party Honors Bride-Elect Here Tuesday Night

Miss Eloise Gresham, bride-elect of Leon Watson, was honored with a bridal shower last Tuesday night from 7:30 to 9 o'clock, in the basement of the First Methodist Church of Munday.

Guests were greeted by Mrs. Gerald Reynolds, the bride elect, her mother, Mrs. Ivan Gresham and C. P. Watson, mother of the groom-elect.

Miss Euwana Gresham, sister of the honoree, registered guests at tables adorned with cut glass vase with pink rosebuds. The registration book was monogrammed with "Eloise and Leon," and with wedding bells between the names in gold.

Covering the refreshment table a pink damask tablecloth. A pink umbrella in a bowl of white glads and mums, shielded a bride and groom. Refreshments of pink punch and cookies completed the table setting.

Refreshments were served by Mrs. Charles Baker and Lynda Gresham, sister of the honoree. Gifts were displayed on tables about the room.

Hostesses for the occasion were Mrs. Mmes. Aubrey Roden, Gerald Reynolds, J. F. Middlebrooks, Bess Guinn, Lee Bruce, Charles Baker, Jeff Mitchell, Alice Lowrance, Frank Trammel and Audrey, Jim Welch, J. R. Hill, Ray Holcomb and daughters, M. L. Wiggins, Kenneth Hendrix, Don Elliott,

Ezell Reynolds, Norlene Willoughby and Miss Mildred Fincannon, Munday; Floyd Bailey, Roy Speck, Hershel Tankersley, F. W. Barton, Paul Fitzgerald, O. W. Caussey and Wanda Tiffitt, Knox City.

Mr. and Mrs. S. B. Jetton and daughter, Lynell, of Goree and Miss Myrtle Jetton visited with their brother and family, Mr. and Mrs. Floyd Jetton and son, Roddy, in Azle over the week end

and helped them celebrate their 22nd wedding anniversary on Saturday.

Misses Mattie and Mae Mayes of Fort Worth were guests of their brother and wife, Mr. and Mrs. C. L. Mayes, several days last week.

Mrs. Roger Williams of Weatherford visited Mrs. W. P. Farrington and other relatives and friends here last Sunday.

NOTICE TO FARMERS:

We now have a limited supply of new Oliver 3-point and drag-type moldboard plows. These are likely all that will be available to us in the near future.

We believe we can get plenty of the turn-over type plows for your needs, so let us serve you when in need of these.

Huge Bobcat, Killer of 21 Choice Hens Finished By Blast Of Farmer's Shotgun

This yarn, a true one, begins with an exclamation, proclaiming the resplendent beauty, of these golden days of autumn, and changes abruptly to the supposition, that the wild animals are using it to their advantage, in toning up the liver, preparing for the cold days, that will surely come.

The other morning I went to the chicken-house, as per usual, to let the 45 hens outside, into the warm sunshine for the day. Unsuspectingly, I pulled the door open, and there at the east end, stood a gray animal with a bobbed tail, and having an overall appearance of an exaggerated member of the feline family; a huge cat, no less.

Taken unawares, I called out to the head of the house, to bring the shotgun and come quickly, that here was a cat, standing among dead hens, that needed his immediate attention.

Come on the double, he did, and as I opened the door, took sight and let go, with a 12 gauge roar, toward the critter.

"Look out, Pa," I yelled, but Pa really looked in, then sprang back, as I slammed the door, a split second before the angry, or injured wildcat would have bounded through it, in spite of our nervous location there. His exit blocked, Mr. Cat retreated

Dunbar School To Have Basketball Team This Season

The Dunbar Apaches will make their first appearance of the basketball season in a game with the Depriest school of Hamlin Thursday night in the Dunbar gymnasium.

A girl's basket ball game will be first between the Dunbar girls and the Hamlin girls.

Both games are expected to get a lot of action from each team. Lets come out and boost our girls and boys in their first game of the year.

Starting lineup for girls are Erma Jean Boozer, Doris Odams, Linda Jackson as forwards; Alberta Lewis, Ella Hornicut and Hazel Jones as guards.

Starting lineup for boys are David Sheerod, Preston Sheerod, as guards; Lee McDonald as center; Willie McDonald and James Webb as forwards.

to the rear of the room. This time Farmer Stone looked down the barrel of the shot-gun that was pushed through the wire-netting, and blasted away with the finish, to a vicious killer of 21 choice hens.

And so, this not so quiet rural scene, may be charged to experience, the likes of which no farmer will relish, it does prove, that the wary bobcat, whose habitat is Knox County, is on the prowl, and deadly.

Mrs. Sam Stone Gilliland, Texas

BENJAMIN NEWS

Mrs. Isbell Smith of Amarillo was a guest of her sister and husband, Mr. and Mrs. George Jackson, last week.

Mr. and Mrs. D. W. Crenshaw spent the week end with Freddy Crenshaw and family in Matador.

Mr. and Mrs. El Thompson visited relatives and friends in Munday over the week end.

Mr. and Mrs. John B. Chilcoat visited her sister, Mrs. Myrtle Jones, in Seymour last Friday.

Mrs. Allie Moorhouse visited her sister, Mrs. Van Browning, in Stephenville over the week end.

Mr. and Mrs. Wayne West and children of Seymour visited his parents, Mr. and Mrs. Tom West, last Sunday.

O. D. Propps visited Mr. and Mrs. Pat Propps and family in Albuquerque, N. M. last week.

Houde Clark of Lamesa visited relatives and friends here over the week end.

Bert Swaner returned home last Saturday after spending several days in Galveston.

Mr. and Mrs. Poy England and children of Whon spent the week end with Mr. and Mrs. Homer T. Melton.

Bozo Melton of Lubbock visited relatives here last Sunday enroute to visit his parents, Mr. and Mrs. Leroy Melton, in Seymour.

Mrs. Oleta Welch of Haskell visited friends here one day last week.

Mrs. Pete Barnett and her mother visited Mrs. Bonnie Howard of Brownfield in the home of Mrs. Beatrice Gaitner in Goree last Saturday.

Mr. and Mrs. Billy Clowers and

children of Munday visited Mr. and Mrs. Clarence Clowers last Sunday.

Mrs. Alice Dutton and Mrs. N. W. Smith of Knox City visited Mrs. Della Barnett last Sunday.

Mr. and Mrs. George West and daughter of Merkel spent the week end with relatives here. His mother, Mrs. Betsy West, returned home with them after spending several days with her son Ike West, and family in San Antonio.

Mr. and Mrs. Charlie Hamilton of Fort Worth visited with friends here one day last week. Week end guests of Mr. and Mrs. Bill Ryder were Mr. and Mrs. Jimmy Moore and children of Marietta, Okla., and Mrs. Marvin Hunt and son of Borger.

School Carnival Set For Friday

The Halloween School Carnival will be held Friday night, October 30, at the Munday Elementary school.

Preparations by each room are being made for various money raising ideas. You'll be able to eat, play games and be thoroughly entertained.

Doors of the grade school, where festivities will take place, will open at 6:45 p.m. All grades will take part with all types of things for old and young alike to enjoy. Hot dogs, sandwiches, cakes, pies and drinks will be served and other entertainment will include variety shows, picture shows, art shows, horseback riding, hay rides, and even dominoes for the men.

Crowning of the queen will be a highlight of the night and each room is working towards their candidate the queen.

Candidates for queen are: Seniors, Wanda Guinn, with Linda Guinn as duchess; Juniors, Wanda Welch with Dayle Phillips as duchess; Sophomores, Cheryl Matthews with Carolyn Berryman as duchess, and Freshmen, Shirley Booe with Judy Anderson as duchess.

Proceeds from the carnival will be used for improving the school library.

Mr. and Mrs. Wayne Smith of Irving visited their parents, Mr. and Mrs. Joe Massey and Mr. and Mrs. A. L. Smith, over the week end.

Mrs. Bill Tucker of Konawa, Okla., is here for a ten day visit with her sister, Mrs. J. C. Campbell.

The Munday Times

Weekly Health LETTER

Issued by the State Health Department

During a recent conference devoted to orientation and experience for people in the field of heart disease, some interesting facts were discussed.

The Division of Cancer and State Department of Health revealed figures on the prevalence of the nation's number one kill-

er. In 1958 there were 25,042 deaths from heart disease per se in Texas.

Adding the 11,158 fatalities from vascular lesions (primarily "strokes") equals a total of 36,200 deaths attributed to cardiovascular disease.

Last year there were 73,443 deaths in Texas from all causes. This means that 49 per cent of all persons who died did so as a direct result of some cardiovascular condition.

To further dramatize the effect of this condition, subtract from the total deaths the number killed by accidents (5,214).

This leaves us with the cold

fact that 52 per cent (well over half) of the persons who died from natural causes did so from cardiovascular disease.

Accurate information concerning the occurrence of the different types of heart disease in the population is not readily available.

It varies in different parts of the world and even in different parts of the United States and in different peoples or ethnic groups.

However, Dr. Paul Dudley White's estimate is perhaps as good as any. (He was one of the specialists attending President Eisenhower.)

He found the occurrence of the different types of heart disease in 3,000 organic cases to be as follows:

Coronary heart disease accounted for 48 per cent; hypertensive heart disease (high blood pressure) claimed 26 percent; rheumatic heart disease took 23 per cent congenital heart disease made up six per cent; and all the other types caused seven per cent of the deaths from cardiovascular disease.

The State Health Department's role centers around aid to heart disease clinics or centers, a rheumatic heart disease program, clinical and public health nursing consultation, and lay and professional education.

There are 23 cardiac clinics serving 7,000 patients in Texas, each operating with a full staff providing both diagnostic services and treatment.

Jet Age Christening

The first of 17 Air France Boeing 707 Intercontinental jet airliners came off the assembly line early last month.

In October, the jet will be flown to Paris for installation of luxurious French-designed interior appointments. It will be christened "Chateau de Versailles," reflecting the lavish character and hospitality of its namesake.

The fleet of 707 Intercontinentals is scheduled to enter service on the world's largest airline on the North Atlantic route this winter. Other long-range flights are planned between New York-Mexico City and Chicago-Montreal-Paris.

Installation of four Pratt and Whitney jet engines is now in progress. Largest commercial airliner in the world, the Intercontinental weighs 296,000 pounds in 145 feet long. Engine thrust is 50,000 pounds at maximum cruise.

Flying time between New York and Paris will be reduced to 6½ hours on Air France's Intercontinental. Air France is

the first foreign flag carrier to purchase this new long-range Boeing 707.

The Intercontinental will join Air France's fleet of Caravelle medium-range jets now in service all over Europe.

recover in spite of the treatment."

Senator Chauncey M. Depew, orator of the late Nineteenth Century, accepted on only a few days' notice, an invitation to deliver the oration at the unveiling of the Statue of Liberty in New York harbor. George W. Curtis, a scholarly orator, said to Depew, "I was very much surprised that you accepted the invitation. I declined because there was only one month until the unveiling." Curtis added that he always refused an important invitation unless he had three months.

Turkey prices for the remainder of 1959 are not expected to improve materially over those for the same period of a year ago. John G. McHaney, extension economist, points out that the 1959 turkey crop is a big one — about 5 percent above last year and 1 percent above the record crop of 1957. However, he adds, storage stocks are down 18 percent; a large percentage of the 1959 crop has already been marketed and the number going to market between now and Christmas will probably be no larger than for the same period last year.

Vera Defeats Goree, 55-34

Douglas Gore of Vera scored five touchdowns last Thursday night in leading his Vera team to a 55 to 34 triumph over Goree in District 3-B six-man action at Goree last Thursday night.

The longest of Goree's jaunts were for 45 and 35 yards, respectively. Teammate Wayland Hardin tallied three Vera touchdowns and Gary Hardin scored once.

Tommy Decker scored twice for Goree, once on a 10 yard pass from Charlie Latham and once on a 35 yard run. Latham, Jimmy Howell and Robert Jackson tallied the other Goree TDs.

The loss was Goree's second in loop competition.

IN APPRECIATION

We are closing the Phelps Ice House on Friday of this week. We wish to say "Thanks" to all who were so nice to us during the summer. We intend to reopen about April 15, 1960. Again we thank you.

Mr. and Mrs. J. L. Wolf. 1tp

BOYCE HOUSE

One of the wittiest men I ever knew was Charley Garibaldi, desk sergeant at the police station in Memphis when I entered news paper work. Not only was he witty but he could think of something clever to say at the time and not half an hour later, as is the case with most of us. His humor gained much of its effect from the grace and ease with which it was delivered, and in the manner of a polished actor.

I had been working on the "police run" only a few days when a young man was brought in on a reckless driving charge. We recognized each other as schoolmates. Soon afterward, another acquaintance of high school days was brought in on a speeding charge. After he had posted bond

and left, Garibaldi demanded, "Was that a school for crime that you attended?" — which amused the officers and, of course, embarrassed the young and serious reporter.

A youth, about six feet, three was brought in, one night. The sergeant asked, "How old are you?" "Sixteen," was the answer, Garibaldi declared, "You ought to be a lot of help to your parents when you grow up."

The desk sergeant had a remarkable memory. When I returned to headquarters after having been out for supper and would ask if anything had happened, he would give a reply that was strictly accurate in every detail, and without referring to any notes.

"Jerry Blaine, 27, traveling salesman, 2300 Light Avenue, was struck by an automobile as he was crossing the street at Union and Third at 8:15 o'clock tonight. The driver, Henry Hammers of 1102 Gusto Lane, was released on \$500 bond on a careless driving charge.

"Blaine was taken in a Shannon ambulance to the City-County Hospital where he is expected to

NEWS FROM VERA
(Mrs. Thelma Lee Coulston)

Mr. and Mrs. Pete Feemster of Weatherford visited last week end with her mother, Mrs. W. P. Hurd.

Mr. and Mrs. Louis Clark and family of Olton visited last Saturday and Sunday in the home of her parents, Mr. and Mrs. Edd Allen.

Mrs. Glen Garrison and two children of Stephenville spent the week end with her grandmother, Mr. and Mrs. Barnie Welch. Mrs. Garrison and children came as far as Vera with Loyd Don Welch of Gilliland who is attending John Tarleton college.

Mr. Earl Louder of Lubbock visited his son, Rev. and Mrs. Gene Louder from Friday through Sunday.

Mrs. H. A. Patterson is visiting with relatives in Hot Springs, Arkansas this week. Before returning home Mrs. Patterson will visit with her daughter, Dr. and Mrs. Joe T. Cardwell and family in Starkville, Mississippi.

Mr. and Mrs. Lefoy Thomas and family of Wichita Falls visited Sunday in the home of her parents, Mr. and Mrs. Jim Kinbrough.

Mrs. Viva Gipson of Silver Valley has been spending a few days with her daughter, Mr. and Mrs. Fred Wiles and children. Also visiting in the Wiles home recently was her sister, Mrs. Martha

Simonton and family of Vernon. Mr. and Mrs. Bill Hardin and family of Abilene visited over the week end with his parents, Mr. and Mrs. E. C. Hardin.

The Vera football boys defeated Goree in their game last Thursday night with a score of 55 to 34. This week Vera will play Paint Creek at Vera.

Mrs. Robert Feemster, June and Janice and Mr. and Mrs. Muriel Feemster and little daughter of Wichita Falls attended the wedding of Jerry Feemster in Lubbock over the week end.

Mr. and Mrs. F. A. Benham of Seymour visited Sunday in the home of Mr. and Mrs. Glen Beach and family and Mr. and Mrs. Olen Beach.

Mrs. Tom Russell and Mrs. Tom Rowdoin attended the District meeting of Phi Kappa Gamma in Wichita Falls, last Saturday.

Jan Richards and Donnie Gay Hardin of North Texas college in Denton, visited over the week end with home folks.

Mrs. Loran Patterson and children visited Sunday in the home of her parents, Mr. and Mrs. Tom King in Seymour.

Mr. and Mrs. Derrell Coffman of Wichita Falls visited over the week end with her parents, Mr. and Mrs. Sutton Beasley.

Mrs. Martha Rannefeld of Roscoe, Texas visited last week with her daughter, Mr. and Mrs. Paul Weiss and family.

Week end guests in the home of Mr. and Mrs. Carl Kuchan and Barbara included Mrs. Cliff

TYPICAL UNIT of civil defense stockpiling engineering equipment showing the pumps, generators, water purifiers, and some of the miles of flexible-coupled pipe which could be used after an attack to provide a stricken community with pure water. Some of this "hardware," grouped in "Ten-Mile Units" to service ten miles of pipe each, already has been used in natural disasters to pump out flooded areas, and to bring in and purify water for towns with dry reservoirs. (ODCM Photo)

ford Boone and three daughters of Irran, Texas, and Miss Karen Bookout of Wichita Falls.

The Women's Society of Christian Service observed a quiet Day of Prayer and self-denial at the First Methodist church, last Monday. The spiritual life leader, Mrs. Clifford Robertson, had charge of the program, a good crowd was present for the day.

Mr. and Mrs. Michael Shoar, Sandra and Susan, of Muenster were week end guests of her mother, Mrs. Muriel Mitchell.

Mr. and Mrs. Jesse Yost and Mrs. S. E. Robertson visited with Mr. and Mrs. V. M. Lee and Ronnie in Denison and with Mr. and Mrs. Joe Womble and sons in Sherman over the week end.

Sun Girl in Sun Pool

The beautiful "Duel in the Sun Girl", starlet Shirl Frey enjoys a splash in the "Pool in the Sun" in the beautiful patio pool of the fabulous Fontainebleau Motor Hotel in New Orleans, the largest motor hotel swimming pool in the country. Its 150,000 gallons of sparkling, purified water... shimmering under blue tropical skies... is an irresistible invitation to film starlets and hotel guests alike.

The newest addition to luxurious tourist accommodations in New Orleans not only boasts of the king-size pool which it provides, but is hard at work becoming the world's largest motor hotel. Completion of the second unit of the luxurious motor hotel will add an additional 200 luxury guest rooms and suites, giving total accommodations of 400 guest rooms, plus meeting rooms, ballroom, restaurants, lounge, and patio cafes, and it will be the world's largest de luxe motor hotel.

Old Age, Survivors And Disability Benefits In County \$350,000 Annually

As of February 1959, old-age, survivors, and disability insurance monthly benefits were being paid in Knox County at the rate of \$350,000 a year, according to Erton F. Tate, manager of the Wichita Falls social security district office.

"This is an increase of about 26% over last year," Tate said.

Tate stressed that while the benefits are intended primarily for the beneficiary's economic security, the payment of social security benefits at the rate of \$350,000 a year in Knox County helps business in the community generally because most of the money is spent immediately on food, clothing, and other necessities. "In February social security benefits were being paid nationally at a rate of nearly 10 billion dollars annually."

"Payments to a retired worker with no dependents receiving benefits averaged \$67.50 a month nationally in February, and to a retired couple \$119.40 a month," Tate said. "The average for a widow with two young children was \$163. The maximum payment for a family is \$254."

"There were several reasons for the increase in beneficiaries over last year," Tate said. The long term growth of the aged population and of the proportion of the aged population eligible for benefits are important factors in the continuing increase in the number of beneficiaries. Other reasons for the increase of beneficiaries are found in the provisions of the 1958 Amendments to the Social Security Act which now make it possible for the wife, dependent husband, and children of a disabled worker beneficiary to receive monthly payments. These amendments also provide for benefits to aged dependent parents of a deceased worker even though other survivors are entitled to payments.

Moreover, Tate pointed out, it is now easier for a disabled worker to qualify for benefit payments. He no longer needs social security credit for 1 1/2 years of work in the last three years before he became disabled. If he worked under social security for at least five years out of the ten before he became disabled, he may be eligible for disability benefits.

"Increase in average benefit payments reflect the seven percent raise in benefit amounts which became effective with the checks for January 1959," Tate said. Average disability benefit payments also reflect the elimination of the so-called "offset" provision in the old law. Disability benefits under social security are now payable in full even though benefits are also payable under State workmen's compensation or under some other Federal Government program.

The beneficiary group, number of beneficiaries and total monthly payments as of February 28,

1959, are as follows:
Retired worker, 295, \$17,849;
totally disabled workers, 4, \$228;
wife or husband, 127, \$3,788; widow or widower, 42, \$1,996; mothers with children, 14, \$676; children, 70, \$2,492.

For the north Texas District of eleven counties, social security payments at the end of February 1959 were being paid to 14,019 beneficiaries at the rate of \$764,265 per month. This was an increase of over 2,000 beneficiaries in the number being paid monthly benefits during 1958.

Goose Season Opened Sunrise On October 26

The Texas waterfowl season opened at sunrise Monday, October 26, on geese only, according to the director of law enforcement of the Game and Fish Commission.

The daily bag limit on geese is five (5); provided such limit shall not contain more than (a) two (2) Canada geese or its subspecies, or (b) one (1) Canada goose and one (1) white-fronted goose. Possession limit is one (1) day's kill.

The duck season will officially open November 13, when shooting will begin at 12 o'clock noon. After the first day, shooting will be permitted from sunrise to sunset.

The mourning dove season, which opened in the North Texas zone September 1, closed on October 20. The mourning dove season in South Texas will not close until November 19, except in counties in the Rio Grande Valley, having a three-day whitewing hunt, where the season will close on November 16. During this hunt mourning doves could be killed also.

The season closed on rails and gallinules October 20. The woodcock season is from December 7 to January 15, and the snipe season is December 3 to January 1.

There has been a heavy movement of both ducks and geese across Texas for several days, according to the director. Some good concentrations are reported in areas both in the Red River Valley and along the Texas coast.

Mrs. A. U. Hathaway, Mrs. C. R. Parker, Mrs. J. B. Bowden and John Cure were business visitors in Vernon last Monday.

Mr. and Mrs. Zane Franklin and Laura Gladys and Mrs. Jimmie Rullington visited with Mr. and Mrs. V. M. Lee and Ronnie in Denison over the week end.

Mr. and Mrs. D. E. Holder, Jr., and Dianna Dee of Lubbock visited his parents, Mr. and Mrs. D. E. Holder, Sr., over the week end.

OUR LOSS! YOUR GAIN! ... WE'RE QUITTING BUSINESS

All Of Our Merchandise Must Go!

I have taken over the Farm Bureau Insurance Agency for this area, which requires my full time, and I am unable to devote the time necessary for operating the Western Auto Store.

Therefore, I am closing out the entire Western Auto stock — just plain quitting business. Everything must go as quickly as possible.

Prices will be marked from 30 to 50 per cent off on all merchandise in order to move it quickly. This is your opportunity to buy merchandise at cost, or below!

Our decision to quit at this time offers you great savings on Christmas merchandise. We have just received a large amount of Christmas goods -- and they will all go at absolute cost. Save, save, save!

All of our fixtures are for sale, and the building will be for lease as soon as we can clear it.

Please — no lay-aways, and no charge accounts during this sale. When we quit — we quit!

Western Auto Store

The simplest and most reliable method for determining the lime requirements for your soil is to have a soil test made every two or three years. Dr. W. F. Bennett, extension soil chemist, points out that sandy soils in lime deficient areas will require more frequent applications of limestone than will clay soils.

Turkeys, pork and cranberries head the list of plentiful foods for November, reports the Texas Agricultural Extension Service. Other plentiful in Texas are broilers and fryers, lard, apples, potatoes, sweetpotatoes, onions, almonds, filberts, rice, lamb, and dried beans.

Knox Prairie Philosopher Says If You Think The TV. Quiz Shows were Rigged, Then You Should Try Farming

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek brings up a novel idea this week, but he's probably confusing farming with what he does.

Dear Editor: Now that everybody has pretty well found out that television quiz shows were fixed, I have been looking around here and doing some heavy thinking and have come to the conclusion that the investigating committee that brought this to light has only scratched the surface. If you think television quiz shows are fixed, you ought to try farming.

Do you reckon farming is fixed? It has a lot of the earmarks. For example, like a TV. contestant you start out on a farming year feeling like you're going to hit the jackpot, you've got the answers this time straight from the experts ahead of show time, but when the time comes to cash in it seems that the producers of the show trip you up and run in another contestant known as the middle man who winds up with the big money. Or maybe he doesn't get it, but it goes somewhere, as groceries on the shelf keep going up and the farm keep going down. If the middle man doesn't get it, the insects do, or the weather. Regardless of how many books they give us to take home and read, even with the pages marked, we can't find the right answers. I wish you would contact that Congressional Investigating Committee and have it look into this.

Yours faithfully,
J. A.

farming situation. On second thought, though, maybe they'd better not.

When people found out quiz shows were rigged, the shows collapsed. We can't have that happening to farming. Just forget I ever mention it.

Yours faithfully,
J. A.

Fort Worth Rodeo Prices Not Changed

FORT WORTH — In spite of a general trend of rises in entertainment prices, there will be no increase in the 1960 Fort Worth Rodeo ticket prices, W. R. Watt, president-manager, has announced.

Reserved seats, Monday through Thursday matinees and Saturday morning, Jan. 30, will remain at \$2.00 and \$2.50. All nights and Friday, Saturday and Sunday afternoon matinees will remain at \$2.50 and \$3.00.

The original indoor Fort Worth Rodeo and Horse Show opens Friday night, Jan. 29, 1960. Shows are twice daily through Sunday, Feb. 7. Regular matinees are 2 p. m. A special matinee is scheduled for 10 a. m. Saturday, Jan. 30.

CARD OF THANKS

I wish to thank everyone that helped in any way during my illness. For the prayers, the lovely cards, the groceries that were brought in and all the visitors were greatly appreciated. May God richly bless each of you in my prayer.

Mrs. Bertha Ballard. 1tp

County Program Building Committee In Meeting Monday Night, Hunter, Speaker

The regular fall session of the Knox County Program Building Committee was held Monday night, October 26 in the County Courthouse at Benjamin with Jack Idol, Chairman, presiding. Tom Hunter, newly appointed Farm Management Agent for Extension District 3, was guest speaker for the occasion. During the course of his speech, Mr. Hunter brought out that the rewards for good management have never been greater nor the penalties for mistakes more severe than they are today. He also emphasized that management is the key to successful farming and ranching.

Following Mr. Hunter's talk, reports were given by the following committees:

- Clothing — Chairman, Mrs. Dwight Burgess.
 - Livestock and Range — Chairman, J. C. Moorhouse.
 - Foods — Chairman, Mrs. J. G. Adecock.
 - Grain Crops — Chairman, Ted Russell.
 - Family Economics — Chairman, Mrs. Arnold Navratil.
 - Cotton — Chairman, L. B. Partridge.
 - Homestead Improvement — Chairman, Mrs. O. R. Miller.
 - Vegetable — Chairman, Herbert Partridge.
- Next years program plans were then accepted from the following committees: Cotton, Family Economics, Livestock and Range, Homestead Improvement, and Vegetable.

This years officers were then selected to serve again for next year. They are: Jack Idol, Chairman; W. M. Ford, Vice Chairman, and Mrs. O. R. Miller, Secretary.

New subcommittees were suggested to be set up for 4-H Club Work and Home Improvement and it was suggested to add Bill Langford of Knox City to the Vegetable Subcommittee.

Attending the meeting were: Mrs. O. R. Miller, Mr. and Mrs. Arnold Navratil, Wanda, Norma Joe, and Doris Navratil, W. M. Ford, Arnold Waldrip, J. C. Moorhouse, Herbert Partridge, Gay-

lon Scott, Loyd Griffith, Jack Idol and the County Extension Agent Miss S. C. Kinsey and Troy Jones. Next meeting was set for March 1960.

Musical Program Given Thursday

The second in a series of programs sponsored by the Munday Study Club was given Thursday evening in the elementary school building, where punch and coffee were served preceding the musical program given by Mr. and Mrs. Walter Charles of Abilene. Mr. Charles is musical director and conductor of the Abilene Symphony Orchestra Association.

The musical program was one of the best to be presented in Munday and was a most enjoyable occasion for all who attended.

MASONIC LODGE TO MEET ON MONDAY

The regular meeting of Knox Lodge No. 851, AP&AM, will be held at 7:30 p.m. next Monday. Work will be done in the master's degree, and all Masons are urged to attend.

Rev. and Mrs. Mart Hardin and children of Merkel spent Sunday night and Monday with his mother, Mrs. J. C. Campbell.

Remove imprints left on carpeting after you have rearranged heavy furniture—steam the spot with hot iron placed over damp cloth the same as you would wool trousers. After steaming, brush the spot quickly with stiff brush.

Unless it maintains adequate air-flow, a vacuum cleaner can't pick up dirt—it just rubs it deeper into the rug the way careless people do to cigarette ashes with their shoe. It's the hidden accumulation of dirt in the dust bag that curtails vacuum cleaner efficiency. To make certain it is always doing a thorough cleaning job the new automatic Electrolux vacuum cleaner stops and the cover pops open whenever it needs a new dust bag. Then it won't operate properly again until the new bag is in place.

Stains can be removed from china teapots if you soak them overnight in hot soda water. Then rub with a cloth moistened in vinegar and dipped in salt.

To stop annoying "hammering" noise in radiators, place small wooden blocks under the end opposite the steam supply line. This allows water in the radiator to return to the boiler.

If you starch the cover of your ironing board, clothes iron much more easily and your cover will stay clean longer. Sprinkle a little talcum powder on the board before putting the cover back—it'll neutralize the smell of the hot iron on the cover.

CIVIL DEFENSE warehouse worker at Lebanon, Pa., stacks cases of medical supplies, part of a vast store kept in Office of Defense and Civilian Mobilization warehouses against the day when enemy attack might leave millions of Americans injured. (ODCM Photo)

Murray Cox Will Show Films Tonight

Murray Cox will show films of his recent trip to Hawaii at the Elementary school building Thursday, tonight, October 29, at 7 p.m. sponsored by the Munday Study Club, Farm Bureau and A. S. C. county committee. Before the program beginning at 6 o'clock a pancake supper will be served, the charge is 75c.

Mrs. James Emerson and Mrs. Kenneth Stubblefield were visitors in Wichita Falls last Saturday.

Don Howman of Texas Tech in Lubbock spent the week end with his parents, Mr. and Mrs. Floyd Bowman.

HOME ON LEAVE

Pvt. Nolen Morgan, who has recently finished his basic training at Fort Riley, Kans., is spending his leave here with his parents, Mr. and Mrs. Edgar Morgan, and other relatives. After his leave he will be stationed at Ft. Devon, Mass.

Mr. and Mrs. Worth Gafford visited with relatives in Coleman over the week end.

Tommy Cunningham of Texas Tech in Lubbock was a week end guest of his parents, Mr. and Mrs. H. T. Cunningham.

Travis Hardy and family of Midland visited with Mr. and Mrs. W. O. Hardy over the week end.

Carnival For Dunbar School To Begin On Friday

The Dunbar School Carnival will be held Friday and Saturday nights in the gymnasium.

The carnival will open at 7:30 with a "Spook Parade." Prizes will given to the best dressed spooks.

There will be games, cake walks, dart throws, basketball throws, fish pond, ping pong throws, ring the cane and many others.

Eating booths will be open at 7:00 to serve hamburgers, corn dogs, candied apples, pop corn, peanuts, fried pies, donuts, cup cakes, coffee and soda pop.

Proceeds from the carnival will go for the purchase of a clock for the gym.

DINNER AT GOREE

The Goree Cemetery Association will serve a turkey dinner on Friday October 30, at the memorial building in Goree. Serving will start at 11:30 a.m. The public is invited to attend.
