The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party politics, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

### FACTS OF RECORD

Going by some of the charges that have been made against the pharmaceutical industry, the uninitiated would have every right to believe that the cost of drugs is a big and oppressive item to the average family, and that the costs have skyrocketed beyond all reason in late years.

So—a few facts of record are in order.

The American consumer spends about the same part of his income on drugs today as he did in 1939—and that was before most of our specific high-potency drugs, which have produced such miraculous results in numberless cases, were available. Drug prices account for about one penny of each person's disposable income—as compared, for example, with the five cents of every income dollar that goes for liquor and tobacco.

Significantly, since 1947-49, when the post-war inflation got going in earnest, the retail price of drugs and prescriptions has risen somewhat less than the price index as a whole. And the wholesale price of drugs has consistently resisted upward pressures, rising only three per cent in a recent 10-year period when the prices of all industrial products jumped an average of 22 per cent.

According to a New York University economist, if drug prices had risen as much as other prices since 1939 it would cost the consumer another billion dollars to buy the preparations used at present.

If this is exploitation of the consumer, we need more of it!

### HOW MUCH INFLATION IS SAFE?

A certain school of economists holds that a "little bit of inflation" is a good thing—or, at the least, isn't harmful.

But there seems to be a difficulty in deciding just what degree of inflation may be desirable or innocuous.

For instance, take a college economics textbook, written by a leader in this field. In the first and second editions, the author observes that price increases of around 5 per cent a year need not cause too great concern. In the third edition, however, the figure is reduced to less than three per cent. And in the fourth edition there is still another whittling, down to two per cent. Then, very recently, in an appearance on a TV program, the professor mentioned one-and-a-half per cent as a safe figure.

As the Chamber of Commerce of the United States observes, in listing these percentages

changes, "Some people hope the professor will keep on talking and that his book will go through many more editions." For then—if past precedent holds good—he'll soon come to the conclusion that the only safe situation is the total elimination of inflation.

### THE WONDERFUL HUMAN MACHINE

"The Wonderful Human Machine," an authoritative and educational study of the structure and functioning of the human body, has been prepared for public distribution by the American Medical Association.

The booklet is intended to give adults and children alike a greater understanding of the human body. The 56 pages are crammed with facts that describe in considerable detail, but in easy-to-read language, the composition and functions of the skeleton, muscles, nerves, heart, lungs, skin, digestive system and sense organs.

The booklet, graphically illustrated in several colors, was written for the layman but is sufficiently authoritative and detailed to be useful for such things as a basic reference work for beginning biology classes. It is an adaptation of a series of articles published in "Today's Health," popular magazine of the American Medical Association.

The A. M. A. announces that as a public service it will distribute the booklet for \$1.00 a copy, a price less than the cost of producing and handling. It may be obtained from: Pamphlets, American Medical Association, 535 North Dearborn St., Chicago 10, Illinois.

### NOTHING TO GIVE—UNTIL!

Soaking the rich, via the taxation route, has long been a political technique that has paid off handsomely as a vote getter.

But the fly in the ointment now is, that as the tax boosters run up the total tax take, to the confiscation point, there aren't enough "rich" to meet their demands, so they have to lower their sights and increase taxes on the middle and low income citizens to raise the money to cover their spending projects.

The biggest political spenders, who advocate having the "government" do this or that "free" or "at cost" or for "free" until it first takes the money away from them. You don't get something for nothing from government, because it has nothing to give until it first acquires it through taxes.

## CHURCH OF CHRIST

MUNDAY, TEXAS

"And ye shall know the truth, and the truth shall make you free." — John 8:32.

### GOD WANTS US TO STUDY THE BIBLE

We are commanded to study in 2 Timothy 2:15. We must give heed to reading (1 Timothy 4:13) and if we have the desire we can understand the doctrine of God (John 7:17). As Israel was destroyed for lack of knowledge so shall man today. God will forget you as you forget Him. It is very sinful to be ignorant of the Bible and refuse to study!

There are certain characteristics that we must have in the study of the Bible to enlighten ourselves: We must love the truth; we must reverence it as the word of God; We must not corrupt it; We must not handle it deceitfully; We should above all lay aside all prejudice. With this attitude no man can fail to understand what God requires of him in this life.

### FREE BIBLE CORRESPONDENCE COURSE

We would like to encourage you to study the Bible and for this reason we offer a free correspondence course to aid you in the study of God's word. Write today: CHURCH OF CHRIST—BOX 211—MUNDAY, TEXAS. GOD WANTS YOU TO STUDY THE BIBLE! Take advantage of this free offer and see for yourself that the Bible can be understood. Your salvation depends upon the WORD (John 6:63) and only the WORD gives understanding (Psa. 119:130).

"If any man speak, let him speak as the oracles of God." — 1 Peter 4:11.

## Rhineland School News

The Rhineland High School Boy's Basketball team entered into the Rochester tournament last week end. There was a struggle the first night playing against Paint Creek with the final score of 48-44 going against Rhineland. David Albus, senior was high scorer with 16 points for Rhineland.

Friday night the boys played Rule in the consolation games. Rule scored 54 over Rhineland's 33. Kenneth Moore, sophomore, was high scorer for Rhineland with 11 points. — Carol Bruggeman

There were two scheduled games for both boys and girls teams this week. Tuesday evening the teams played Mattson, at Mattson and Friday evening Rhineland will contest O'Brien at Rhineland Gymnasium. — Carol Bruggeman

Rhineland High School will hold its annual Christmas party on Wednesday, December 20, at 7 p.m.

Names were drawn among students and teachers last week for gifts to be exchanged at the party. Committee chairmen were selected by Supt. George Petrus and each student volunteered to

work on a specific committee.

Glynda Herring is chairman of the decorations with Diana Bruggeman, Sharon Birkenfeld and Dorothy Edrington as assistants. Velma Bellinghausen was chosen as head of the food and refreshments with Carol Bruggeman, Janice Kuehler and Judy Bruggeman as volunteer helpers. Recreation will be directed by Betty Herring with Susan Kuehler, Dwayne Herring and Anton Friske as volunteers.

David Albus is in charge of the task of securing a Christmas tree of size and shape to suit the students. Lyndon Moore, Marion Kuehler and Dwight Albus agreed to help him. Gifford Wilde, chairman, with Charles Decker, Kenny Moore, Billy Fetsch, Edwin Wilde and Eugene Brown agreed to attend to all clean-up detail after the party.

It has been rumored that the food's committee is planning on serving chicken-salad sandwiches as one source of nourishment and dancing will be provided by the recreation department. It has been heard from behind class room doors and "Hallhuddles" that Santa Claus himself may be there. We all hope these predictions come true and that everyone has a wonderful time. — Glynda Herring

Friday, December 1, Rhineland School and gymnasium were subject to a general clean-up. Mops, buckets, rags, brooms and lawn-

mowers were collected and put to use by the students. Clean-up detail was supervised by Supt. George Petrus. All students were relieved when their specific clean-up projects passed his inspection. "Looks pretty good," he said.—Glynda Herring and Susan Kuehler.

Students are looking forward to Friday, December 8, when they will have a free day to observe a holiday. Most of them are planning to use their free time to do some Christmas shopping.

Rhineland High School library recently received a large number of books on approval from the Western Book Company in Kirkwood, Mo.

Among the books purchased, there is a wide selection of biography ranging from Joseph Jefferson to Webster's Dodger's Double header. Most of the books are books of fiction ranging from stories of nurses and famous horsewomen to adventure stories for boys and a few are books describing the geographic sections of our country and carrying colorful illustrations.

The students and teachers were happy to receive these books and plan to further the improvement of books in the library and increase the number of their volume as the year progresses.—Diana Bruggeman

Tuesday, December 5, the students and teachers of Rhineland High School and also Parochial School had their pictures taken by Dixon Studio of Seymour. The students are anticipating seeing the proofs of the pictures next week at which time the basketball team's pictures will be taken. — Judy Bruggeman and Janice Kuehler.

Glynda and Dwayne Herring, Knox County Gold Star winners, attended the Gold Star banquet in Vernon, Saturday, December 2. Also attending the banquet were their parents, Mr. and Mrs.

## LIVELINESS AND LUXURY AT A LOW, LOW PRICE

# NEW CHEVY II

Never before such a team of totally new cars! Sedans, hardtop, station wagons, even a convertible . . . you name it, Chevy II has it. Nine models in all now in production. They're easy on the eyes, easy on the road and easy on your pocketbook. Two spunky engines, a four and a six (your choice in most models), purr along merrily on regular gas—and darn little of it, too. Thanks to Mono-

Plate rear springs, the ride reminds you of the big Chevrolet—and you know how smooth that is. The space and cushy comfort inside put you in mind of big cars, too. But Chevy II parts company from anything else around when it comes to offering all these fine features — at a sensible low price. Check your Chevrolet dealer and see for yourself.

CHEVY II 300 4-DOOR 3-SEAT STATION WAGON. Packs a whopping 76.2 cu. ft. of cargo.

CHEVY II NOVA 400 CONVERTIBLE. It's Chevrolet's newest and lowest priced convertible.

CHEVY II 300 4-DOOR SEDAN. Chevy II's saving ways in a practical 6-passenger family model.

Now . . . look 'em over and try one out!

CHEVY II NOVA 400 SPORT COUPE. Handsome hardtop with top-of-the-line go and glamor—at a pleasin' kind of price.

A NEW WORLD OF WORTH—Chevrolet • Chevy II • Corvair • Corvette at your local authorized Chevrolet dealer's

### Five Texans Win Natl. 4-H Awards

The Texas delegation to the 40th annual National 4-H Club Congress is back home after an unforgettable week in Chicago. Four of the 4-H members and a former club member were named national winners during the Congress.

Nancy Pycatt of Swisher county was named a national winner in the 4-H clothing program. She has been a 4-H member for 10 years and currently is enrolled as a freshman in Lubbock Christian College. She has been sewing since she was six.

Carolyn Garrison of Briscoe county took national honors in the 4-H garden awards program. She has been a 4-H member for seven years and six times has been a county garden winner and three a district winner.

Patty Porter of Kaufman county took top honors in the 4-H public speaking program for girls. Her national recognition climaxed a four year public speaking program.

Ronald C. Thompson of Bowie county, now a freshman at Texas A&M College, was presented a \$1,600 college scholarship for his outstanding achievements in forestry work. He has been a 4-H member for eight years. The other national winners were presented \$400 college scholarships.

Miss Sallie Hill of Dallas, the former 4-H member, was awarded a trip to Club Congress and was one of eight in the nation

presented the gold alumni key. She was named a winner in the 4-H alumni recognition program. Miss Hill is the senior home editor of Progressive Farmer and a former employee of the Texas Agricultural Extension Service. During her two years as a 4-H member, tomato growing and canning were her major demonstrations.

Though not members of the Texas delegation, the Brazos County 4-H Poultry Judging Team came home with a second place in the National 4-H Invitational contest held in Chicago on November 25. They were only a half point behind the first place team from Illinois.

### Guild Members In Meeting Nov. 27th

The Wesleyan Service Guild met November 27 in the fellowship hall of the First Methodist Church. After a short business meeting conducted by Mrs. Roberta Beck, final preparations were made for the bazaar which was held the next day.

The guild members then retired to the home of Miss Ruth Baker where a surprise housewarming was held with Mrs. Clara Wiggins as hostess.

Mr. and Mrs. Glen Lowrance of Chillicothe spent last Friday night with his mother, Mrs. J. F. Lowrance, and all spent the week end with Mr. and Mrs. C. B. Reid and family in Lamesa.

### Top-Ranking 4-H'ers Win '61 Awards for Best Projects

A trio of Texas teenagers who were tops at state fair in 4-H projects, will compete for national honors at the 40th National 4-H Club Congress in Chicago, Nov. 26-30. A fourth has won a scholarship.

Nancy Pycatt, 18, Gale Lamasus, Rudolph Baumgardner, and Helen Diers, all 17, were winners in clothing, dairy, electric, and health programs respectively, according to the Cooperative Extension Service.

Nancy, daughter of Mr. and Mrs. Loy Pycatt, of Tulia, is a student at Lubbock Christian College. During 10 years in 4-H clothing work she made over 80 garments. Those she modeled won six blue ribbons in Swisher county dress revues. She says her project helped her plan her well-coordinated college wardrobe.

Miss Pycatt has been local club president, held county offices three terms and was a junior leader for six years. Her Chicago trip is awarded by Coats & Clark Inc.

Gale is the daughter of Mr. and Mrs. Andy Lamasus of Schulenburg. Her dairy herd of eight won her grand championships at the San Antonio Livestock Exposition. She was also first in dairy production. \* Gale has been president of Fayette county's junior dairy club and secretary of the county council. She is a junior member of the American Jersey Cattle

Club, and was county rodeo queen.

The Oliver Corporation will be Gale's host in Chicago.

Young Baumgardner, son of Mr. and Mrs. John H. Baumgardner, of Plainview, is a high school senior. He completed 109 jobs in the electric project including rewiring the house and barn, replacing conduits, raising lines, installing outlets and repairing tools and appliances.

Baumgardner also built a transistor radio and installed a circuit breaker panel in the community building. Westinghouse Educational Foundation is the donor of Rudolph's trip.

Helen, valedictorian of her high school class, is the daughter of Mr. and Mrs. E. H. Diers, of Old Glory. Recognized as the top junior leader in health she was named assistant school health nurse.

She will be presented with a \$150 college scholarship from Eli Lilly and Company.

### Gillespie W. M. U. Sponsors Party

The W. M. U., of the Gillespie Baptist Church sponsored a "Queen For An Hour" Christmas party at the home of Mrs. Walter Bevers last Monday afternoon at 2 o'clock.

The queens were the following: Mrs. Bevers, Mrs. W. A. Smith, Mrs. Forrest, Mrs. Lemon, Mrs. Mattie Partridge, Mrs. Jim Harber, Mrs. S. M. Skaggs, Mrs. Wardlaw and Mrs. McElyea.

Christmas carols were sung by the group and Mrs. Lemon sang "Silent Night." A story "The Unexpected Guest" was told by Mrs. Ronnie Skaggs.

Each guest was presented a gift and had their picture taken by Jasper Bevers.

Hostesses for the occasion were Mmes. R. C. Partridge, Fred Redell, Sr., Warren Rister, Seth Yost, Roe Myers, Ronnie Skaggs and Don Choates.

### Taylor Circle Of W. M. U. Meets

The Dovie Taylor Circle of the First Baptist Church met Monday afternoon at 3 o'clock in the home of Mrs. E. H. Nelson for circle program.

The meeting was called to order and prayer calendar for the day was read by the chairman, Mrs. Nelson.

The program "Missions In Your Home" or ministering to international students was given by Mrs. R. E. Greenway, Mrs. J. C. Elliott and Mrs. Willis Apple. The closing prayer was led by Mrs. M. H. Reeves.

Seven members were present and two counselors at the church.

Mr. and Mrs. Gordon Sweatt and Miss Flora Sweatt of Plainview and Mrs. R. C. Partridge of Munday were guests of Mr. and Mrs. L. C. Sweatt last Monday.

### Activities of The Colored People

By Fannie Mae Johnson

Rev. Wilson and wife were at their post here Sunday. The sad news was that one of their little boys was burned last week.

Rev. Odis of Stamford filled the pulpit at West Beulah Sunday night. Our hearts were made glad from his wonderful message.

Barney Nell Williams of Wichita Falls visited her mother and grandmother, Mrs. Melvinna Spells and Mrs. Lear Thomas.

Mr. Diddy Moore of Lubbock visited his mother and brother here last week. Mrs. Octavie Colvin and L. L. Moore.

Mr. Jessie Thomas has returned home from Dallas. Mr. Kenneth Jones is visiting his parent, Mr. and Mrs. Walter Jones.

Mrs. F. M. Johnson received word of the illness of her son-in-law, Ray Gordean, in Oklahoma City.

### Joan Carter Circle Meets Last Monday

The Joan Carter Circle met Monday afternoon in the home of Mrs. Clyde Nelson. The meeting was called to order by Mrs. B. O. Norvill, chairman. She also brought the devotional and read the prayer calendar. Mrs. Jesse Yost led in prayer.

Mrs. B. L. Blacklock, program director, brought a very interesting lesson on "Missions in your Home." Others taking part in the program were Mrs. A. L. Smith, Mrs. Leland Hannah and Mrs. Chester Bowden.

After a short business meeting

the circle was dismissed with prayer led by Mrs. Nelson.

Refreshments were served to Mmes. Hannah, Smith, Yost, Blacklock, C. C. Jones, E. T. Byrum, Norvill, Bowden and the hostess.

Mr. and Mrs. Lavelle Bilbrey and Bonnie of Andrews visited relatives here and with his father, J. H. Bilbrey, in Goree.

Mr. and Mrs. A. B. Warren were Sunday guests of their daughter and husband, Mr. and Mrs. Joe Duke, in Wichita Falls.

Roddy Griffith and son, Carl, were in Dallas last Friday for Carl Roddy to receive a medical checkup. All reports were very good.

Mr. and Mrs. Johnny Frush-wirth and Linda and Mrs. Dorothy Lee Howey and Gay visited Mr. and Mrs. M. L. Black-ns and daughter in Haskell last Sunday.

Mr. and Mrs. Roy Gayle Berry and son of Port Worth visited her sister and husband, Mr. and Mrs. Roddy Griffith, last Wednesday night and Thursday.

Mrs. Lil Moorhouse visited with relatives in Colorado City over the week end.

**Weekly Health LETTER**

Issued by the State Health Department

AUSTIN — Now that school days are routine and winter is starting to push fall aside, there will probably be the usual increase in communicable diseases common to children.

Thousands of unnecessary cases of communicable diseases—and deaths—could be prevented every year in Texas, if all parents would only realize the danger of the common cold.

Colds, especially a child's cold, should never be neglected.

But how many times have you heard a parent mention that Junior or Susie "have the sniffles" but they "seemed" well enough to go to school.

And what's more they will continue to go to school as long as they're able to walk, and only when they become seriously ill does the careless parent call the family physician.

But by that time a good many children in Junior or Susie's classroom have become exposed, thus setting up a chain of sickness and time lost from school.

And with the threat of the various types of flu hanging over the State, the common sense protection of keeping a child home when he or she is not feeling up to par makes more sense than ever.

A child who is sent to school feeling tired, perhaps because of inadequate meals, is handicapped. He not only lacks the aptitude for learning, but he is running the chance of falling prey to disease germs.

A youngster who is allowed to go to school suffering from a cold or the flu, runs the risk of

**Riding Is The Fashion**

Suburban living fast is becoming a pleasant way of life as new machines are put in the market to simplify outdoor household chores through mechanization. More of such conveniences are in prospect, too. Latest entry is this International Cub Cadet, a compact lawn and garden tractor, which International Harvester Company will introduce next Spring.

**Gifts Needed For State Hospital**

In order that each patient might receive two gifts for Christmas, the Volunteer Services Council of the Wichita Falls State Hospital is asking for help throughout the area served by the hospital.

This county is one of 59 counties served by the hospital, Dr. Ben G. Yeager, Superintendent, announced.

Needed most, Mrs. Roger Manar, chairman of the hospital's Christmas committee said, are items of men's and women's clothing, toilet articles and cosmetics, cigarettes and games.

Any small items, preferably something different, that can be wrapped at the hospital for presents, are needed. All types of Christmas wrappings and fire-proof decorations also can be used. Gifts should be sent unwrapped, including ribbon and wrapping paper, to Volunteer Services, Box 300, Wichita Falls.

serious complications. These troubles may develop into pneumonia, or if his resistance is low, signs of tuberculosis may appear.

However, when a slight illness is promptly and properly cared for, the child is usually well in a day or so.

The teacher can also be alert to notice if a child isn't feeling well. Of course, she is not expected to diagnose disease, nor is it her province to give health examinations, but she can recognize the common signs of pallor, cold, and fever.

For his own protection and of other children in the classroom, a sick child should not be allowed to stay in school.

Mr. and Mrs. D. G. Gray of Hale Center were recent visitors of her parents, Mr. and Mrs. E. E. Lowe.

Mr. and Mrs. Donald Hobert visited L. W. Hobert in the hospital in Wichita Falls last Sunday.

**State Hospital Mark the packages "Christmas Donations."**

Freight companies will ship free to State Hospitals if the package is marked "for charity."

Mrs. Manar is asking that the gifts be sent to the hospital as soon as possible so that they may be processed in plenty of time for Christmas.

Cash donations will also be accepted gratefully by the Volunteer Council. The money will be used to purchase last-minute items for the patients' Christmas. Checks should be made out to: Volunteer Services Council of the Wichita Falls State Hospital.

**left last Tuesday for California to spend the Christmas holidays with their children and families.**

Dr. D. E. Alexander, Cindy and Sherry, visited with Mr. and Mrs. C. L. Cupp in Waco over the week end. Mrs. Alexander and Suzann, who spent last week with her parents, returned home with them.

Mr. and Mrs. Woody Wade and sons, Wilson and Danny, of Merkel were Sunday guests of Mr. and Mrs. Jeff Anderson and family.

Misses Johnette and Linda Hill of Hardin Simmons University in Abilene visited their parents, Mr. and Mrs. J. R. Hill over the Thanksgiving holidays.

**LOCALS**

Mr. and Mrs. Allen Embree of Abilene were Sunday guests of her sister, Mrs. L. W. Hobert.

Mr. and Mrs. Chester Bowden visited relatives in Fort Worth and Waco over the week end.

Mr. and Mrs. Herby Peek visited Mr. and Mrs. A. P. Moore in Seymour last Sunday.

Mrs. Nora Broach was a business visitor in Dallas last Monday.

Mr. and Mrs. C. L. McAfee

### Howell Service Held At Walters

Funeral services were held at 10 a.m. Tuesday from the Pearson Funeral Home chapel in Walters, Okla., for James W. Howell, father of Mrs. Ray Snyder of Munday, who died Saturday in a Norman, Okla., hospital.

Mr. Howell was a long-time resident of Walters, and had also lived briefly in Wichita Falls.

Other survivors include his wife; Ome Lee Howell of Wichita Falls; three daughters, Mrs. May Foster of Nowata, Okla.; Mrs. Edna Haven of Wichita Falls, and Mrs. Irene McDavid of Walters; two sons, Ray Howell of Lancaster, Calif., and Aubrey Howell of Wichita Falls, two brothers, George B. Howell of Randlett and Frank Howell of Fort Worth; a sister, Mrs. Pearl Davis of Temple, Okla.; 20 grandchildren and several great-grandchildren.

### Christmas Leave Policy Offered To Recruits In Army

As in the past, a Christmas leave policy is again being offered by the U. S. Army. According to Sfc. Maurice Wilson, army recruiter, men enlisting from December 11 through New Year's Day may request as much as 15 days leave before reporting for basic training.

With this liberal leave policy, young men can enjoy the holiday season with their families and still draw full pay allowances from the army.

As of December 1, all enlistees are being sent to Fort Ord, Calif., for basic training. The leave for those enlisting between December 1 and January 1, and who do not desire immediate leave, will be afforded from December 22 through January 2.

Those who desire more information on this leave offer and the many benefits available to young men should contact Sfc. Wilson at 1809 Wilbarger, Vernon, Texas. Sfc. Wilson is in Knox City and Munday every Wednesday.

### Extra Care Needed In Winter Driving

Winter is the season of greatest darkness, which calls for extra care in vehicle maintenance and operation, it was declared today by J. O. Musick, General Manager of the Texas Safety Association.

"Not only are the hours from dusk to dawn longer at this time, but often even in daylight hours the blowing rain, sleet or snow may become so bad that headlights should be turned on so your vehicle can be seen sooner by other drivers," he warned.

"It is extremely important to have clear visibility through windshields. Wiper arms and blades and the defroster — all must work properly to clear away rain, road splash and interior fogging," he continued.

"Also, the rear lights on every vehicle should be functioning properly to meet legal requirements and to provide utmost safety in knowing that drivers following you are alerted to your presence on the roadway," Musick added.

"A fundamental rule for after-dark driving is to limit speed to a rate which will enable you to stop within the assured clear distance ahead," he stated. "On ice or snow, you must go slower to take into account the lengthened stopping distance. Use reinforced tire chains when needed for severe conditions."

IT PAYS TO ADVERTISE!

### Texas Girl Named Winner In Natl. 4-H Garden Program

A Briscoe county teenager, Carolyn Garrison, has been named a national winner in the 4-H garden awards program, and the recipient of a \$400 college scholarship. The scholarship was presented to Carolyn by the Farm Equipment Division, Allis Chalmers Manufacturing Company during the 40th National 4-H Club Congress in Chicago.

Eighteen year old Carolyn is the daughter of Mr. and Mrs. Pascal Garrison of Silverton. A member of 4-H for seven years, she lives with her parents on an 850 acre farm.

During each of the seven years that Carolyn has maintained a garden, she has been able to show a profit ranging from \$20.00 to \$125.00. She got her start in gardening by borrowing the money from her parents to purchase seed and garden tools. She was able to erase her financial obligation after the first year, and since that time has not only provided her family with produce needs, but also managed to show a profit for her labors.

To reward her further for her efforts, she has been named county garden winner six times and district winner on three occasions. In 1959, Carolyn and her demonstration partner entered the vegetable production and marketing team demonstration and won both the county and district contests and a trip to the State 4-H Round-Up. For the past two years she has organized and led a county garden tour.

Carolyn's work in this program was conducted by the Co-operative Extension Service.

Mr. and Mrs. Carl Green and Mrs. L. B. Snelson spent last Saturday night and Sunday with Mr. and Mrs. Gilbert Green and children and Mr. and Mrs. Travis Gore and children in Wichita Falls.

Mr. and Mrs. Arthur Smith Jr. attended the T. C. U. and S. M. U. football game in Fort Worth last Saturday afternoon.

Mr. and Mrs. Aaron Edgar visited with Mr. and Mrs. I. V. Cook at Methodist Hospital in Lubbock last Sunday. Mr. Cook is recovering nicely from his recent operation, and is expecting to be able to return to his home in Plainview the middle of this week.

Mr. and Mrs. J. J. Keel and Leona visited with relatives in Merkel last Sunday.

Kit Withers, Jerry Floyd, Harry Shields and Joe Lynn McMahon, all students in Midwestern University in Wichita Falls were week end guests of Joe Lynn's parents, Mr. and Mrs. J. O. McMahon.

When properly handled and cooked, venison provides a real taste treat, says Ed Cooper, extension wildlife specialist. The deer should be dressed immediately after it is killed and protected from contamination until placed in storage. Flavor is improved by marination before cooking, Cooper says.
