Odd Bits Salvaged
By The Editor

Have you paid your poll tax?
k-k
That question was expounded numerous times the latter part of last week, and is being repeated this week. And it's a very good question!

k-k
Munday Lions got pretty well organized for observing "I Am An American Day" last Friday, and started out by personal contact, telephone, etc., to urge people to Knox County to "pay up and vote."

k-k
The move has been pretty well county-wide, as the idea has been promoted in Knox City during this month. Members of the local Lions Club also visited Rhine-land, Vera, Gilliland and Truscott in an effort to interest people of those areas in obtaining that little poll tax receipt.

k-k
We think it's a good idea—not only for this year, but for every year. Every eligible person should pay his (or her) poll tax every year.

k-k
You might think it is of little importance in off-election years, but we can't recall to mind right now of any year having passed without some sort of election being held. There's always school board elections and city elections—and every qualified person should be as anxious to vote in these as in any general election in which the U. S. President is elected.

k-k
The people who serve on school boards and city councils are carrying on these forms of government for you. We've often said that it's a crying shame for some 25 people to elect someone to serve in city government of a town like Munday with almost 2,000 population.

k-k
That has happened in Munday in years past, and history will likely repeat itself in the future. The fault was not in failure to pay the poll tax, although possibly some didn't, but in the fact that little interest was shown in the elections.

k-k
But your interest can run high and you still won't be able to vote unless the poll tax is paid. It's a duty we should perform, and a privilege we should enjoy.

k-k
"Some of the boys who have been working the town in the interest of getting poll taxes paid had better get over and pay theirs," one Lion told us Munday. "I haven't paid mine, yet."

k-k
You have until midnight Wednesday, January 31, to perform this little chore. Don't wait until the last minute of the last day to do this, though. Something might come up to prevent you from doing it.

k-k
Shucks, you don't even have to go to Benjamin to do this! We paid ours by mail last October, when we took the discount on our state and county taxes. You don't have to pay by mail, either. Just saunter over to the Chamber of Commerce office and have it done there. Mrs. Don Combs has been deputized for this purpose, and she can make you a voting citizen in 1962 in quick order.

k-k
The political aspect is pointing toward some interesting races this year in county, district and state contests. You can have more than \$1.75 worth of fun when voting time comes this year. If things work out in school and city elections, you'll get to use your voting privilege at least five times this year. That'll make each trip to the polls cost you only 35 cents!

k-k
Incidentally, too, next Saturday is the last opportunity you will have to use your old 1961 poll tax receipt. That's the date we'll be electing a new U. S. Congressman. You can vote for either Graham B. Purcell or Joe Bailey Meissner, one of whom will be elected. Again, we won't tell you how to vote, but vote. You take your choice, we'll take ours—and let's vote!

k-k
The Lions Club's move to collect old eye glasses has been rather puny. As of noon Wednesday, only half as many as had been expected had been turned in—and some of these were not from Lions. Not much time left. Glasses will be picked up Friday.

Father Of Senator Moffett Passes

Frank Lee Moffett, 101, who was born before the Civil War and had owned the same section of land in Hardeman County since 1889, passed away Saturday morning in the Chillicothe hospital.

He was the father of State Senator George Moffett and Mrs. Raymond Touchstone, both of Chillicothe. His wife, the former Ina Farrington, died in 1959.

Funeral services were held at 2:30 p.m. Monday from the First Methodist Church in Chillicothe and burial was in Chillicothe Cemetery.

Mr. Moffett celebrated his 101st birthday on October 31. He was the oldest and the survivor of seven children born to a family that settled in Ellis County in 1854.

Mr. Moffett remembered his father's return from the war, and the hardships of Reconstruction.

He served as county commissioner for 12 years and was in office when the present court house at Quannah was built. He was a 32nd degree Mason and a Shriner.

Mr. Moffett never lost his interest in travel, which took him to all states of the union except Maine. At the age of 68, he took a trip around the world, and later went to Australia.

Vera Rites For Mrs. W. Trainham Held On Monday

Funeral services for Mrs. Wesley Trainham, 53, life-long resident of Vera and an active club woman, were held at 3:30 p.m. Monday from the Vera Methodist Church.

Officiating were Rev. Don Yarbrough, pastor; Rev. W. W. Adcock of Abilene, district superintendent; Rev. Jim Frank Coulston, Abilene, and Rev. Douglas Crow, pastor of the Vera Baptist Church. Burial was in the Vera cemetery.

Mrs. Trainham passed away at 6 p.m. Saturday in the Knox County Hospital. She had been in ill health for several months. Born in the Vera community on May 20, 1908, Mrs. Trainham's home was a half mile southwest of Vera. During the past several years, she had been very active in Home Demonstration Club work in the county, district and state.

Survivors include her husband; her mother, Mrs. J. F. Hughes of Vera; one son, Jerrel Trainham of Lubbock; one brother, J. S. Hughes of Burleson and three sisters, Mrs. C. C. Allen of Abilene, Mrs. Carl Coulston of Vera and Mrs. C. D. Tanner of Olton.

Farm, Ranch Day Draws Big Crowd

The fourth annual Farm and Ranch Day, held here on Wednesday of this week, drew a large crowd from various parts of the county, as well as some from neighboring areas.

Sponsoring organizations, the Fort Worth and Denver Railway and the Texas Extension Service, as well as local sponsors, were well pleased with the turnout. Underwood's Catering Service of Abilene fed around 115 persons for the free noon-day meal, and it was estimated that a large number of persons attended the sessions but did not remain for the meal.

Specialists in their fields discussed such important topics as: Beef Cattle Production and Trends; Cotton Production, Harvesting and Ginning; Farm Fertility, Fertilizers, and Soil Improvement Practices. Of interest to women were discussions on Fertility of the Home Lawn and Garden, and Insect Control in the Home and Yard.

Local sponsors included the Chamber of Commerce, First National Bank, City of Munday, West Texas Utilities Co., Farmers Co-op Gin, Stamford P. C. A., Paymaster Gin, Knox County Farm Bureau, Knox Prairie Seeds, Inc., Cottonseed Delinting Co., and Agricultural Chemicals, Inc.

SINGING CONVENTION SET FOR SUNDAY

The Baylor-Knox singing convention will be held at 2:30 p.m. Sunday, January 28, at the Friendship Baptist Church, six miles north of Goree.

RECOGNITION FOR AGRICULTURE—Texas Governor Price Daniel recently signed a proclamation designating Feb. 4-10 as "Farm Bureau Week" in Texas. County Farm Bureaus over the state will be conducting membership drives during the special week in their effort to reach a new state record membership for the tenth consecutive year. In his proclamation, Gov. Daniel described agriculture as "vital to the economic well-being of our State and Nation," and pointed out that more than one-third of all Texans derive their livelihood directly or indirectly from agriculture. Present at the signing of the proclamation were, left to right above, Millard Shivers of Waco, Texas Farm Bureau organization director; the Governor; Anita Louise Koop of Edna, Texas Farm Bureau queen; and J. H. West of Bishop, president of the state farm organization.

Stamford P. C. A. Loan Volume Sets New High Record Last Year

An all-time record for one-year loan volume was established in 1961 by the Stamford Production Credit Association, and the credit needs during 1962 are expected to exceed those of the previous year.

J. L. Hill Jr., general manager of the Stamford Production Credit Association, in making a report on the 1961 activities of the agricultural credit organization, said that crop and livestock conditions are excellent in the association's territory and should result in a new all-time high loan volume for the association.

"Ample funds will be available through our association for the qualified farmer and rancher," Hill said, pointing out that credit will assume an increasingly important role in agricultural operations, to provide operating funds and to build capital structure.

The Stamford association's loan volume in 1961 totalled \$8,355,118, an increase of more than \$500,000 over the 1960 total of \$7,781,000. A considerable increase in the size of loans is reflected by the fact that the number of loans decreased from 859 in 1960 to 777 in 1961.

The Stamford PCA has supplied over \$111,000,000 in loans to area farmers and ranchers in its 28-year history.

Ample credit will be available to qualified borrowers, Hill said, emphasizing that the \$8.3 million in loans made by the association represents new money put into circulation, giving a substantial boost to the economy of the eight-county area.

The 36 Texas PCAs receive loan funds through the sale of debentures sold each month on the nation's commercial money market. The Federal Intermediate Credit Bank of Houston serves as discount agency for the Texas associations.

Owned and operated in its entirety by its 1,145 farmer and rancher stockholders, the Stamford PCA serves Dickens, King, Knox, Kent, Stonewall, Haskell, Jones and Shackelford counties.

Central office is in Stamford and field offices are operated in Anson, Haskell, Spur and Munday. "We have but one reason for being in business," Hill said, "and that is to provide a dependable source of low-cost credit for farmers and ranchers in our area."

The association's board of directors and loan committee are composed of farmers and ranchers familiar with agricultural conditions and problems in the area. Professional and personal credit counseling is offered to help each borrower make more money in his individual operations through sound credit practices, he said.

Composing the Stamford Production Credit Association's board of directors are C. G. Burson of Haskell, president; J. F. McCulloch of Stamford, vice president and Lasater Hensley of Guthrie, Mack T. Claburn of Anson and J. C. Moorhouse of Benjamin, directors.

Since their organization in late 1933 and early 1934, the 36 Texas PCAs, all home-owned and operated, have provided more than \$3 billion in agricultural credit to the state's farmers and ranchers.

Awards Dinner Is Set At Stamford

The DeKalb Agricultural Association, in cooperation with dealers in this area, has planned an awards dinner for local winners in the DeKalb National Selected Five-Acre Yield Contest. The dinner will be at 12:30 p.m. Monday, January 29, at the Cliff House Restaurant in Stamford. A DeKalb cotton film, "The Cotton with the Bee in its Breeding," will be shown and awards will be made to the top farm families in this national contest.

For Senator

George Crose, Jr., of Graham has entered the race for State Senator, and stated he will make his formal announcement at a later date.

In 1958, Crose was elected county school superintendent of Young County on the platform of going to Austin and trying to persuade the legislature to abolish the office. His first attempt failed in 1959 but in 1961 H. B. 192 passed both houses. This law permits the people of any county to abolish the office by popular vote.

Thornton Rites Held January 15 In Seagraves

Theodore Payne "Dode" Thornton, 64, former resident of Knox County, passed away at 1 a.m. Saturday, January 13, in the Seagraves hospital. He had been ill since September.

Funeral services were held at 2 p.m. Monday, January 15, from the First Baptist Church in Seagraves with the pastor, Rev. Frank Pollard, and Rev. Joe Silvey, pastor of the Southside Baptist Church in Seagraves, officiating.

He was born March 20, 1898, in Caddo, Texas. In 1900, the Thornton family moved to Goree, and he resided there until moving to Seagraves in 1938. He was a well known water well contractor in Seagraves.

Survivors include his wife, Lois; three sons, Ted Thornton of Oak Harbor, Wash., Jimmy Thornton of Seminole and Johnny Thornton of U.S.A.F., Altus, Okla.; three daughters, Mrs. Doreen McCoolm of Tacoma, Wash., and Mrs. Anna Dell Freeman and Mrs. Janie Kennedy, both of Seagraves; three sisters, Mrs. N. V. Gilliland of Andrews, Wash., Mrs. Helen West of Fort Worth and Mrs. Harve Ratliff of Bowie; one brother, Van Thornton of Goree, and 13 grandchildren.

Glen Amerson left Wednesday afternoon for Lubbock where he has enrolled for the next semester at Texas Tech after spending a few weeks with his parents, Mr. and Mrs. Hal Amerson.

Runoff Election Set For Saturday

The battlelines have been drawn, and the "battle of the ballot" will be waged over the 13th Congressional District next Saturday as voters go to the polls and name a successor to Rep. Frank Ikard, who resigned.

John Deere Day Set For Monday

Tommie B. Harper of Quality Implements has announced his annual John Deere Day for Monday evening, January 29. The program begins promptly at 7:30 o'clock.

A feature of this year's John Deere show will be wholesome comedy by George Gobel, John Carradine and Billy Mummy. Other exciting films will include "Pattern for Performance," "The Best of Oddities," "What's New in Farm Equipment" and others.

"Our annual John Deere Day is designed especially for farmers and their families," Mr. Harper said, "but we extend an invitation to business people and all others interested in agriculture. Come out, be our guests for this interesting program."

County Exceeds Bond Sales Quota

During 1961 citizens of Knox County purchased \$215,505 in Savings Bonds. This represents 107.8% of the county's sales goal.

This announcement was made today by W. E. Braly, Chairman of the Knox County Savings Bonds Committee.

The total bond purchases in Texas during 1961 were \$155,694,292 which represents 94.3% of the goal for the state. Sales for 1961 represent approximately 2% increase over 1960 for the state.

Nationally, 1961 bond sales were 4% above 1960, and at the same time redemptions were 10% below 1960.

It has been announced that no party designation will appear on the ballot in Saturday's special election to fill the 13th Congressional seat vacated by Mr. Ikard.

Candidates in this race are Joe Bailey Meissner, Jr., Republican, and Judge Graham B. Purcell, Jr., Democrat. Purcell was high man and Meissner runnerup in the preliminary election December 16.

The only identification that will appear after their names on the ballot in Saturday's runoff election will be the county of residence, which in both cases is Wichita County.

Purcell Gets President's Nod

President Kennedy last Tuesday gave his support to the candidacy of Judge Graham B. Purcell in Saturday's runoff congressional election. Endorsement of Purcell's candidacy was in the form of a personal letter from the president.

Text of President Kennedy's letter to Purcell follows: "I am well aware of your candidacy for Congress. Mutual friends of ours have called attention to your talents and ability."

"The nation needs the kind of representation you can furnish in Congress, and I am delighted that our party has selected you to be its candidate from the 13th district of Texas."

"All of us are looking forward to working with you and to receiving your advice and counsel, particularly with regard to the needs of the people in your district."

Benjamin Man Gets Citation Certificate

AUSTIN — An official State Health Department citation was awarded this week to W. M. Hertel, Benjamin city manager, for proficiency in the management of a public water supply.

The impressively designed certificates of competency, signed by the state commissioner of health and authorities of the Texas Water and Sewage Works Association, credit recipients with having demonstrated "skill and knowledge" of water treatment plant management and an understanding of the public health importance of the work.

Under the State Health Department's operator certification program, operators are carefully examined on their technical ability and on their knowledge of their work's influence on community health. Each must pass a stiff written test to qualify for certification.

Goree Services For S. E. Vandever Held On Friday

S. E. Vandever, 77, well known Knox County resident, passed away in a Wichita Falls hospital at 3:55 a.m. Thursday. He had been a patient in the hospital for two years.

Mr. Vandever was born January 11, 1884, in Eastland County and had resided in Goree since January of 1940. He also had resided in Munday for a number of years, and was a retired farmer and carpenter. He was a member of the Baptist Church.

Mr. Vandever was married on June 7, 1908, to Bertie Yager. Funeral services were held at 2:30 p.m. Friday from the First Baptist Church in Goree with Rev. Hubert Sego of Madison officiating. Burial was in Goree Cemetery under the direction of McCaulley Funeral Home.

Surviving Mr. Vandever are his wife; two daughters, Nina Vandever of the home, and Mozille Vandever of San Angelo; one son, Lionel Vandever of Oakland, Calif.; two grandchildren and three great-grandchildren.

NEW BARBER NOW AT DICK MOORE'S SHOP

Dick Moore announced Tuesday that he now has a new barber employed at his shop, in the person of Mickey Jackson, who recently completed barber school in Wichita Falls.

Mr. Moore and Mr. Jackson both invite people of this area to come in and get acquainted.

STATE OF THE NATION

During the 1962 fiscal year, Budget Director David Bell informs us, the federal government's revenues will come to an estimated \$82,100,000,000 and its expenditures to \$88,985,000,000. The result will be a deficit of \$6,885,000,000.

A common defense of this huge deficit is that increased spending for national defense, in this time of an increasingly grave and clouded world picture, makes it inevitable. And it is true that the last Congress increased the military budget by several hundred millions of dollars. But the biggest single increase of all was for something that had nothing whatsoever to do with military force, or with the missile program, or with space exploration, or anything of the kind. It was an increase of \$981 million in price support payments to farmers.

Every American will willingly pay whatever is necessary to assure the national security, and no one can now say how large that bill will become in the future. But he has the right, and the obligation, to demand that his government save every possible dollar in the non-military phases of its operations.

TIME TO THINK AGAIN

Jurisdictional labor disputes have plagued many a basic American industry. An extreme example is provided by the controversy between Pan American World Airways, which is this country's principal international airline, and its pilots.

A key issue involved has to do with a jurisdictional dispute between the pilots' union and the flight engineers' union regarding the makeup of flight crews. The basic argument concerns the refusal of the pilots to operate jet aircraft with a professional flight engineer at the engineer's station in the cockpit unless a third pilot is also carried as a member of the crew. As a matter of record, Pan American and the Federal Aviation Agency have accepted recommendations for settlement of the dispute made by a commission appointed by President Kennedy. The President himself has termed the recommendations "fair and equitable."

But the pilots' union has not agreed. In addition, the pilots have made demands for increases in wages and reductions in working hours which, in the company's well-grounded view, would "expand featherbedding to a scale hitherto unknown in American industry." Numbers of these pilots now earn as much as \$30,000 a year, and the average is more than \$18,000. Average cockpit time for all Pan Am pilots in 1960 was 54 hours a

month. Yet, if current demands were met, Pan Am would have to increase its pilot roster by 50 per cent.

The company also points out that the demands come at a time when American airlines are falling behind foreign carriers in carriage of North Atlantic air traffic and when, as urged by the President, all U. S. industry is being mustered to redress our current adverse balance of payments. The pilots and their union, one can say in all moderation, should think again.

PORT NECHES, TEXAS, CHRONICLE:

"We will have a tough time selling our country to Africans and Indians and Chinese if we're not sold on it ourselves.

"It reminds me of two dogs I once had. When one of the mongrels came to the bank of a creek, fearing either discomfort or perhaps drowning, he would sit back on his haunches and howl—oh, such weeping and wailing.

"The other dog, without batting an eyelash, would plunge into the creek and continue the chase on the other side. It goes without saying which dog caught the most rabbits."

BOSTON, MASS., NEWS-TRIBUNE:

"Service stations collect federal and state taxes and sell gasoline as a sideline."

ALTOONA, PA., MIRROR:

"... administration policy seems to come out as 'everyone ought to get a raise this year that corresponds to what we can afford without inflation. And everyone who thinks he is underpaid should demand a bigger raise than that.'

"So the big drive to combat inflation by keeping costs and prices in check depends upon how many union members think they are getting all they are worth."

WINSLOW, ARIZ., MAIL:

"The old philosopher who claims we would be a stronger nation if we went without a few more meals and enjoyed fewer luxuries, may have been wiser than the present generation of Americans seems to think."

The power generated by a hurricane like Carla is almost beyond the grasp of man's mind. The chief electrical engineer of the Central Louisiana Electric Company finds that Carla produced enough power to meet his company's production needs for 8,000 years. The company's power stations have a capacity of 315,000 kilowatts, and can generate 800 million kilowatt hours a year.

CHURCH OF CHRIST

GOREE, TEXAS

If Baptism Is Non-Essential:

Non-essential means not necessary. It means that people can be saved without baptism. The same people who teach that baptism is non-essential, teach that it is a command of God. The following quotation comes from the Manual for a well known religious group, "Baptism is not essential to salvation, for our churches utterly repudiate the dogma of 'baptismal regeneration'; but it is essential to obedience, since Christ commanded it." Would God command something that was not necessary?

If baptismal is non-essential, the new birth is non-essential. Jesus said to Nicodemus, "Except a man be born of water and of the Spirit, he cannot enter the kingdom of God" (Jno. 3:5).

If baptism is non-essential to salvation, then the remission of sins is not essential to salvation. To those who were convicted of their sins by hearing the gospel, Peter said, "Repent and be baptized every one of you in the name of Jesus Christ for THE REMISSION OF SINS. . . ." (Acts 2:38). There is no promise of remission of sins to the alien sinner any where in the scriptures, without baptism.

If baptism is non-essential to salvation, then being in Christ is not essential to salvation. Paul says, "For as many of you as have been BAPTIZED INTO Christ have put on Christ" (Gal. 3:27). The New Testament does not teach that one can believe into Christ, nor repent into Christ. Baptism is the divine command by which people enter into Christ.

If baptism is not essential to salvation, then becoming a new creature is not essential to salvation. Paul says, "Therefore if any man be in Christ, he is a new creature . . ." (2 Cor. 5:17). Concerning the new life in Christ Paul said, "Therefore we are buried with him by baptism into death; that like as Christ was raised up from the dead by the glory of the Father, so we also should walk in newness of life" (Rom. 6:4). The new life is in Christ, and we receive it when we are baptized into him.

Rhineland School News

The Rhineland Homemaking girls broke the monotony of classroom procedure with a combined money-making project and home economics activity Tuesday afternoon as they took up a doughnut making task.

The girls are grateful to Mrs. George Petrus for donating her time, assistance and favorite recipe to their project. Mrs. Travis Lee, home economics teacher, supervised proceedings and seemed well pleased with the turn-out. The doughnuts were sold at Tuesday night's basketball game.

land scored 13 points. Gayle Petty topped the Benjamin boys with 17 points, and Gifford Wilde added 11 points to the Rhineland team's score.

Rhineland High School students making the "A" Honor Roll for the 3rd 6-weeks are: Velma Bellinghausen, Carol Bruggeman, Diana Bruggeman, Judy Bruggeman, Glynda Herring, Susan Kuehler, and David Albus. These students have made no grade less than 90 on subject matter for the 6-weeks period and no grade below 90 on school citizenship.

Students making the "B" Honor Roll are: Sharon Birkenfeld, Dorothy Edrington, Betty Jean Herring, Janice Kuehler, Dwayne

Rhineland's boys and girls basketball teams were defeated by Goree in their second conference game held at Rhineland Tuesday, January 16. High scorers for the girls game were Goree's Brenda Harrison and Margie Pace, tying with 24 points each, and Janice Kuehler netting 8 points for Rhineland. In the boys game David Harlan meshed 23 for Goree, with Gifford Wilde tallying 15 for Rhineland.

Rhineland played their third conference game of the season at Benjamin Friday, January 19. Victory favored Benjamin's teams. Janice Kuehler of Rhineland

Matrons Club Meets At Weinert

The Weinert Matrons Club met Thursday, January 18, in the home of Mrs. R. C. Liles for a regular meeting.

Mrs. H. W. Liles, president, presided for a short business session after calling the meeting to order.

Mrs. Henry Vojkufka was director for the days program on the Civil War.

Members answered roll call by giving the name of a Southern or Northern leader during the war.

The program was opened with Mrs. R. C. Liles leading the members in singing "Dixie Land" and "The Battle Hymn of the Republic."

Mrs. J. W. Liles spoke on "The Day the Civil War Began." Mrs. Marvin Phemister gave "A Mark Deep on a Nation's Soul" and Mrs. Preston Weinert talked on "Texas, Scene of Final Battle."

The meeting was dismissed with Mrs. Vojkufka leading members in the Pledge to the Flag.

Refreshments of sandwiches, olives, pickles, squares of cake decorated with flags, tea and coffee were served to Mrs. W. C. Winchester, J. W. Liles, Fred

Monke, Henry Vojkufka, Preston Weinert, H. W. Liles, Marvin Phemister, C. G. Hammer, W. A. King and the hostess, Mrs. R. C. Liles.

The next meeting of the Matrons Club will be February 1 at the Weinert Community Center.

for a program on Home Life with Mrs. C. G. Hammer as hostesses.

Miss Rayburn Is Honored At Shower Saturday, Jan. 20

Miss Susan Rayburn, bride-elect of Garry Hardin, Seymour was honored with a bridal shower, Saturday afternoon, January 20, in the home of Mrs. Clyde Beck in Vera.

The guests were served pink punch, snowballs and white wedding cookies from a table laid with a pink tablecloth, with a net flounce. A driftwood tree with pink rose buds was the center piece, along with white candles in silver candle holders.

With Mrs. Beck in the receiving line were Mrs. Grady Hardin, mother of the groom-elect, the honoree and her mother, Mrs. John R. Rayburn.

Misses June Fuller, Beverly Harden and Evelyn Robertson served and registered the guests.

Miss Myra Nell Russell and Cozette Beck played piano selections during the party hours.

Hostesses for the shower were, Mrs. J. D. Jefcoat, Gaylon Scott, Lois Sullins, Mrs. Calvin Christian, Clyde Beck, Ernest Beck, Ernest Beck, Jr., Harold Beck, J. A. Fuller, Bobby Robertson, Claudelle Bratcher, Clelan Russell, Fred Wiles, Morris Robertson and Tom Bowdoin.

Mrs. Daisy Looney visited her cousin and husband, Rev. and Mrs. Lonnie Doyle, in Anson last Thursday. Rev. and Mrs. Doyle are missionaries to Brazil and are visiting in the States until June.

Aaron Ballard attended the funeral of his brother-in-law, Lon Doloff, in Seagraves last Saturday.

Miss Sara Offutt of A. C. C. in Abilene is spending the between semester holidays with her parents, Mr. and Mrs. Lonnie Offutt.

Marriage Announced

Wedding vows were exchanged December 20, 1961 by Natalie Jean Harrell and Charles Edgar Smith, III in the Methodist parsonage of Farwell, Texas. The Rev. Robert O. Tomlinson of the First Methodist Church officiated.

The bride is the daughter of Mr. and Mrs. Gene W. Harrell, Portales, New Mexico and the bridegroom is the son of Mrs. Dorothy V. Smith, Levelland, Texas.

Mrs. Smith was graduated from Portales High School and is attending Eastern New Mexico University, Portales, New Mexico where she is a Sophomore.

Her husband was graduated from Whiteface High School, attended South Plains Junior College, Levelland, Texas, and is now a senior at Eastern New Mexico University.

Miss Rayburn To Marry Garry Hardin

Mr. and Mrs. John R. Rayburn are announcing the approaching marriage of their daughter, Susan, to Garry Hardin, son of Mr. and Mrs. Grady Hardin of Seymour.

The wedding will be held at the Church of Christ in Munday at 3:30 p.m. Sunday, January 28.

Weekly Health LETTER

Issued by the State Health Department

Sooner or later, everyone needs a family health record. Dr. J. E. Peavy, state health commissioner, suggests you start yours now if you aren't already keeping one. Kept accurate and current, it can be of permanent value for the children's school records, for insurance data, and for your family doctor's use, the health official says.

A school note pad makes a good record book, but don't use it for anything else. And remember it has to be carefully kept if it is to be of full value.

You can start by jotting down the basic information you already have at hand concerning the injury and illness history of each member of your family.

Start it off with a brief listing of family history. Enter the date and place of birth of each person, and the place and date and cause of death of any deceased. Also enter pertinent information and the medical facts about each family member, such as the presence of chronic illness or physical handicap.

Next, start a section for dates of immunizations, being sure to provide space for each member of the family. Allow room for entering dates of immunizations against whooping cough, polio, smallpox, diphtheria, tetanus, and typhoid fever. Don't forget to include the dates of booster shots.

In a section of general information, list such things as the type of blood each member of the family has, and the drug sensitivities or special allergies of each. If the RH blood factor is known to be present in anyone, be sure to record it prominently.

The health record ought to include a check list of who in the family has had the more common diseases of childhood—chicken pox, measles, mumps, whooping cough, scarlet fever, diphtheria. Most of these are diseases of childhood, but sometimes an adult is exposed. German measles is a serious threat to expectant mothers, and mumps is a dangerous disease in any adult.

Dates of physical examinations, with a line or two for notes of special advice or instructions that followed the check-up should be noted in the health record. So also should illnesses requiring hospitalization, listing the nature of illness or injury, name of physician and hospital, dates of entry and discharge, length of illness, and type of surgery, if any.

Finally list the family's health and accident insurance information for quick and easy reference when needed.

Home for the between semester holidays from N. T. S. U. in Denton are Jerry Bowden, Jerry Jetton, John Walter Massey and Carolyn Hobart.

Reception Honors G. Purcell Family Sunday Afternoon

Friends and supporters of Judge Graham B. Purcell honored the Purcell family at a reception at the Shamrock Cafe in Munday last Sunday afternoon. Around 130 people called during the hours of 3 and 5 p.m. to meet Judge Purcell and his family.

Judge Purcell, candidate for the 13th Congressional seat vacated by Rep. Frank Ikard, made a short speech to the gathering in which he emphasized the following points:

1. Although a Democrat, he is no "rubber stamp man" for anyone or any interests. That he will present the problems of his people to the administration.

2. That with his farm background, he understands problems of farmers. He pledges to work toward solving limitations placed on the use of Mexican farm labor.

3. That he is for all the people of the district and is not backed by, or obligated to any special group.

4. That with six years of experience as a district judge, he is accustomed to public responsibility and making important decisions.

Guild Members Meet On Monday

The Wesleyan Service Guild met at the Fellowship Hall of the First Methodist Church at 7:30 p.m. Monday, January 22, with 13 members present.

An interesting program was given by Mrs. R. M. Almanrode and Miss Merle Dingus from the current study book "Under Orders."

It was decided the Guild would have their annual chili supper in February. The date of the supper will be announced later.

Mrs. O. H. Murry and Mr. and Mrs. Ralph Murry and children of Brownfield and Mr. and Mrs. Wayland Draper of Rule visited Mr. and Mrs. Kirby Fitzgerald last Sunday.

Activities of The Colored People

By Fannie Mae Johnson

Sunday evening the Junior Mission raise a good offering and the brotherhood raise their of-

fering. Brother Mack T. Thomas is the president of the brotherhood. The Junior brotherhood didn't report Sunday.

Sunday School was well attended at all churches Sunday in might of the cold weather.

Brother and Sister Wilson arrived at 11 o'clock a.m.

Mrs. Eula Adams was appointed director over the Junior Mission.

Mrs. Henry D. Kennrad returned home Sunday after being in the Knox County Hospital some 5 or 6 days. She is resting fair.

I wish the hold of Munday could have been present at West Beulah Sunday night to hear the

wonderful words coming from the mouth of pastor Wilson talking about Lot's wife look back. Saying it's dangerous to look back. God warn Lot to get his family and get out of town because fire and brimstone was going to rain down on that wicked city. God will always notify his children when to move out before trouble come.

Knox Prairie Philosopher Wonders How The City People Ever Got Along Without An Urban Affairs Department

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek recently encountered a city man, his letter this week reveals, you'll have to decide.

J. A.

Dear editor:
I was visited by a friend from a big city recently and he was all excited over the latest development out of Washington.

"Say," he said, "did you know Washington is thinking about establishing a new Cabinet post, the Department of Urban Affairs?"

"Nope," I said. "What for?"

"Why, to help the cities solve their problems, like you farmers have got a Department of Agriculture," he said. Then he went on to explain that cities have grown by leaps and bounds in recent years, problems have piled up, like traffic congestion, noise, inadequate police protection, water shortages, classroom shortages, worn-out city streets, slums, crime, high taxes, etc.

"You name the city," he said, "big or little, and it's got problems. Big problems. There just isn't enough money coming in to satisfy all the demands and needs of city people, and the bigger the city, the worse the problem. The Department of Urban Affairs is the answer."

"Why, that's fine," I said, looking at him out of the corner of my eye. "wonder why somebody didn't think of that a long time ago? You city folks have been asleep. Why, us farmers thought up the Department of Agriculture to solve our problems years ago. In fact, the Department of Agriculture is celebrating its 100th anniversary this year, and where do you think farming would be today if we hadn't had that Department?"

"That's right," he said, "but we're catching on. We're going to get some help finally."

"Why," I said, seeing he wasn't catching on, "you simply can't imagine what shape farming would be in today if us farmers couldn't turn all our problems over to the Department of Agriculture. You take cities. You've got a surplus of cities, haven't you? Must have, since no city government is breaking even, they can't quite make ends meet."

FOR SALE—Slightly used repossessed G. E. washer and dryer. Bargain. Boggs Furniture. 29-tfc

FOR SALE—5,000 bales of broadcast cane hay. Louis Blake, 9 miles northeast of Munday. 29-6tp

population piling up in huge surpluses, labor costs are high, street paving equipment wearing out and no money to replace it with, and things like that. It's sure clear to me that what cities need is a Department of Urban Affairs to handle their problems. It's the only answer."

"Say," he said, "are you kidding me . . . ?"

But I told him I had to go feed my chickens and would see him later.

Yours faithfully,
J. A.

P. T. A. Program Held On Thursday

Approximately 100 parents and teachers enjoyed the program at the P. T. A. meeting Thursday evening, January 18, at the grade school auditorium.

Music was furnished by the Munday high school stage band, under the direction of Bobby Brooks, and the sextette of the high school chorus, Jan Pendleton, Claire Hrapham, Shirley Booe, Lynda Smith, Karen Johnson, and Peggy Booe, accompanied by Jan Hawkins at the piano.

The program, directed by Rex Mauldin, pastor of the First Methodist Church, was a panel discussion on spiritual emphasis in school, home and church with J. B. Lawson, high school principal, Howard Emerson, minister of the Church of Christ and Robert Young, pastor of the First Baptist Church.

In the business meeting the president, Marshall Benner, told the audience of the motion of the executive committee to bring before the P. T. A. body "To Adopt a Project of putting Water Fountains in the Schools," starting with grade school. The motion was made that it be accepted and carried.

Mr. Brown's sixth grade won the room count and refreshments were served by the seventh grade mothers.

The next P. T. A. meeting will be on February 15 and the program will be under the direction of Mrs. J. H. Bardwell, who will present her Junior High Chorus.

Report On Social Security Required

Most social security beneficiaries whose earnings exceed \$1200 for the year are required to file a report with the Social Security Administration within three and one-half months after the close of the year, Erton F. Tate, Manager of the Wichita Falls Social Security office said today.

Tate explained this means a report is required between January 1 and April 15, 1962, for each beneficiary under age 72 who had total earnings for 1961 of over \$1200. The report is not required from beneficiaries who were over age 72 all months of 1961. Earnings all through the year in which age 72 is reached, can affect benefits and a report is required for the year in which 72 is reached if the yearly earnings exceed \$1200.

"In figuring your total earnings for the year, you must include all wages earned as an employee, plus the net earnings you derived from self-employment," Tate said. "Do not count annuities, pensions, or income from investments."

"The whole picture can be summed up this way: First, be sure to notify the Social Security Administration as soon as you know you are likely to earn over \$1200 in the year, whether it is at the start of the year or well along in the year. Second, when the year closes, if you have earned over \$1200 in that year or told the social security people you expected to do so, be sure to make your annual report by April 15, of the next year."

In 4-H Payoff

A young forester from Northeast Texas has returned from the 40th National 4-H Club Congress in Chicago.

Alan Dreesen, of Jefferson, celebrated his 17th birthday anniversary while attending the week-long congress on his expense-paid trip provided by

the American Forest Products Industries, Inc. The youth was one of 12 4-H'ers from different parts of the country to earn trips to the event through excellence in forestry.

More than 1,400 4-H'ers from every state took part in the congress, attending banquets, a pop concert, sightseeing, dancing, and getting a chance to make friends with youths from far off places.

Young Dreesen began his forestry work when he was 10—planting 1,000 pine seedlings on four acres of his parents' 221 acre farm in Marion county.

Since the first planting, he has put down 1,500 more seedlings while harvesting some of his first crop for pulp wood.

He credits 4-H training with his ability to prune and mark trees and for his plans to create fire lanes to protect, as he describes them, "nature's stationary giants."

One of four children, he is a son of Mr. and Mrs. Wilborn J. Dreesen.

In addition to winning his trip, Dreesen was given a matching pen and pencil set.

Treated Lake Ready For Opening Soon

Lake Sweetwater will be reopened to anglers February 15, after having been closed down since the complete kill by biologists in August 1960. Bass planted in the lake after this kill now have reached sufficient size and weight to justify reopening of the lake, according to Marion Toole, inland fisheries coordinator of the Game and Fish Commission.

Lake Sweetwater was given a rotenone treatment to kill all the fish in the lake after netting samples had shown that 99% of the fish population of the lake was undesirable.

Lake Sweetwater covers 550 acres, and is operated by the City of Sweetwater as a municipal water supply and recreational

area. A fish kill by the Game and Fish Commission was in cooperation with the Sweetwater City Council.

After the kill, the lake was stocked with black bass fingerlings, and netting samples show that these fish now have attained a weight of two or three pounds each. Several channel catfish caught in nets average 2 1/2 pounds.

Recent netting samples showed no carp, suckers or shad.

Banquet Honors 11-A Players

The District 11-A all-district football banquet was held at Crowell on Thursday evening, January 18. Five Munday players received awards from both the district and the Wichita Falls Record News for being named on the first team. They are as follows: offense-end, George Reed, senior; tackle, Bob Masters, senior; guard, Roy Perez, junior. Defense-middle guard, Jackie Booe, sophomore; linebacker, Tony Hobert, senior.

Receiving honorable mention awards were: offense-back, Jerry Meers, senior; tackle, Jackie Miller, junior. Defense-tackle, Tommy Dickerson, senior; linebacker, Bruce Pruitt, junior.

These boys, along with coaches Wayne Bingham and Doyle Lowrance, enjoyed a speech by Berle Huffman, coach from Texas Tech, and a fine barbeque meal served in the cafeteria at Crowell.

CARD OF THANKS

You will never realize how much your thoughtfulness meant to me during my stay in the hospital. The lovely flowers, cards, gifts and visits were really appreciated. May it be in my power to return your kindnesses and may God bless each of you.
