CONQUERING TIME AND SPACE

Near the end of June, 1939, 22 passengers filed aboard a flying boat at a Long Island pier. Some 5,000 spectators cheered and a brass band played. The plane, capable of the then notable speed of 150 miles an hour, took to the air. Just under 30 hours later it reached Marseille, having gone via the Azores and Lisbon.

This was history's first transatlantic flight of paying passengers. The international air age was born.

Pan American World Airways operated that flying boat, named the Dixie Clipper. A short time ago another Pan American aircraft, the Jet Clipper America, soared off from New York's International Airport, bound for London and Frankfurt, and then on around the world to San Francisco. The American, with a capacity of 161 passengers, cruises at about 600 mph. This particular flight was Pan Am's 100,000th across the broad Atlantic. But it was just one of the 204 transatlantic passenger flights the airline operates on clockwork schedules every week. Since the Dixie Clipper's flight, Pan Am has carried 3,590,000 passengers across the Atlantic.

It has been only 23 years since the Dixie Clipper made history. In that brief span, time and space have lost the greater part of their past significance.

LET'S STAMP OUT POLIO!

Knox County has an opportunity seldom before presented to a community . . . to take another step towards completely eliminating poliomyelitis.

Since the introduction of the Salk vaccine in 1955, the incidence of polio has been cut back sharply. But even one case of a crippled child, or of a stricken parent is one case too many.

To help wipe out polio from our community for good, the area has organized a drive to provide Pfizer Sabin oral polio vaccine to all residents of the county. The Sabin vaccine requires no injection. It need only be swallowed. The vaccine will be administered on Sunday, September 16, at Munday and Knox City.

We urge all citizens of our community to get behind this push to wipe out polio. Let's show that when we are given the opportunity to do something for ourselves, for our families, and for our neighbors, we are not too apathetic or uncaaring to do it.

SYNONYMS FOR SOCIALISM

"Social progress" or "social reform" or some other pretty sounding phrase, is used by the misnamed liberals as a substitute for the world socialism, which they are working toward in the United States.

By clever devices they seek to create distrust of private enterprise, the capitalistic system, and the profit motive, the foundation on which our U. S. economy rests. Our government itself is the greatest beneficiary from profits through its tax take.

Mr. Khrushchev has boasted that we will destroy our private enterprise system from within by accepting the socialistic doctrine piece by piece—then we will be ripe for the takeover.

That fate will be up to our people themselves. If they sanction, through their elected representatives, the continued extension of government ownership of business and industry, they will set the trap that will ultimately crush their liberties and individual opportunity.

Looking at the world today the handwriting is as plain as the nose on your face—we will uphold our representative form of government, our profit system, and our individual property rights—or we will go down the socialistic drain along with the other subjugated nations.

MEDICARE AND SOCIAL SECURITY

Lost sight of in the debate about the cost of putting medical care for the aged under Social Security is the dollar cost to the individual, Tax Foundation, Inc., says.

For example, a 20-year-old entering the work force next year and working 45 years will pay \$9,798 into Social Security at present rates. If care for the aged is added, he will pay out \$11,199.50 during his 45 year career.

The measure's proponents estimate benefit payments and administrative expenses will be about \$1.1 billion for the first year. This will rise to about \$2.6 billion by the year 2006, they add.

Opponents have come up with different estimates. They say the first year cost will be \$2.2 billion, and that by 1983 the annual cost will be \$5.4 billion.

"The legitimate object of government is to do for a community of people whatever they need to have done, but cannot do so well for themselves in their separate and individual capacities. In all that the people can individually do as well for themselves, the government ought not to interfere."—Abraham Lincoln.

CHURCH OF CHRIST

GOREE, TEXAS

Falling From Grace:

A great portion of the New Testament is devoted to warning Christians against falling and telling them how to keep from falling. Every warning in the New Testament addressed to Christians implies the danger of falling from God's grace and being eternally lost.

Simon, the sorcerer, believed and was baptized; therefore he must have been saved for Jesus said "He that believeth and is baptized shall be saved" (Mk. 16:16). But after Simon had reached the saved condition, he tried to buy the power of God with money, and Peter said to him, "Thy money PERISH WITH THEE, because thou hast thought that the gift of God may be purchased with money. THOU HAST NEITHER PART NOR LOT IN THIS MATTER, for thy heart is not right in the sight of God, repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee. For I perceive that thou art in the gall of bitterness, and in the bond of iniquity" (Acts 8:16-23). Simon was then lost, although he had before been saved.

Addressing the Christians at Galatia who desired to be saved by the law of Moses, after becoming children of God, he said, "Ye are fallen from grace." (Gal. 5:4).

You can find much more in the word of God on this subject. For instance, James chapter 5 and the last two verses thereof, "Brethren, if any of you do err from the truth, and one convert him, let him know, that he which converteth a sinner from the error of his way shall SAVE A SOUL FROM DEATH, and shall hide a multitude of sin." Save a soul from what death? Not physical death, for it is "appointed unto all men once to die" (Heb. 9:27). This includes the good and the bad alike. The only death from which you can be saved is the second (spiritual) death, which means to be cast into a lake of fire and brimstone (Rev. 20:14-15; 21:8). Who are the sinners here addressed? They are members of the church (children of God). James 5:19. No wonder, then, the apostle Paul said "Let him that thinketh he standeth take heed lest he fall." (1 Cor. 10:12).

Miss Linda Louise Hill And Philip W. Cobb, Jr., Marry September 1st

MRS. PHILIP WINSTON COBB, JR.

Miss Linda Louise Hill became the bride of Philip Winston Cobb, Jr. in a double ring ceremony Saturday, September 1, at 3:30 p.m. in the Pioneer Drive Baptist Church in Abilene. Rev. Gene McGinnis read the ceremony.

The bride is the daughter of Mr. and Mrs. J. R. Hill of Munday and the groom is the son of Mr. and Mrs. Phillip Winston Cobb of Cherokee, Ark.

Mrs. Gene Lloyd, organist and Judy Johnson, soloist, both of Abilene, presented wedding selections.

Given in marriage by her father, the bride wore a gown of chantilly lace over tulle. An apron of lace enhanced the skirt of ruffled tulle. Analogues of lace, highlighted by pearls and sequins, accented the scalloped sash and neckline.

A crown of pearls held the bride's hair in a veil of imported tulle and chantilly lace. She carried gardenias and stephanotis intermingled with seed pearl hearts and white ribbons.

Her something old was a handkerchief belonging to her grand-

mother, something new was her wedding gown, something borrowed was a white Bible belonging to the groom's aunt and something blue was her sister's blue garter. She had a penny in each shoe with the year of both their births.

Miss Jonni Hill, sister of the bride, was maid of honor. Miss Julie Cobb of Little Rock, Ark., sister of the bridegroom, and Miss Anita Epps of Abilene and Miss Sandra Wright of San Antonio were bridesmaids.

The maid of honor wore a dress of white silk organza trimmed with floral appliques with pearl centers. The bodice featured a scalloped neckline. She carried a bouquet of carnations accented with royal blue satin streamers. Her circle veil was held by a white satin bandeau.

Bridesmaids' dresses were fashioned of royal blue silk organza over taffeta. Dresses had full, gathered skirts and fitted bodices. They each carried a long stemmed carnation. They wore matching bandeaux with circular veils.

Mr. Cobb was his son's best man. Ushers and groomsmen were Fred Cobb of Camden, Ark., brother of the groom, Neil Jarvis of Abilene and Claud Larry Hill of Wellington.

Pamela Gressett of Lubbock and Ronnie Prince of Winters lighted wedding tapers. Cheryl Hill of O'Brien and Bill Williams of Abilene were flower girl and ring bearer. All are cousins of bride.

The reception was held in the parlor of the church. Miss Martha Elliott of Munday, and Misses Linda Eoff and Judy Anderson of Abilene were in the houseparty. Others assisting were aunts of the bride.

For a wedding trip to San Antonio, the bride wore a cotton and dacron suit in brown. Her accessories were in coordinating colors.

The bride, who is a graduate of Goree High School, is employed by Mack Epien's as a secretary and is presently attending Hardin Simmons University. The bridegroom, a graduate of Camden High School, is stationed at Dyess Air Force Base.

The couple are at home at 1417 N. 7th in Abilene.
