Odd Bits Salvaged
By The Editor

It's coming—one of the nicest annual events to be held in Munday.

It happens each year, pretty soon after the opening of school. That is, as early as the sponsors can get ready for it.

It's the annual P. T. A. sponsored supper and community get-together, so planned that people of the community can meet new teachers in the Munday schools and renew acquaintances with those who have returned to teach local children for another year.

This event will be held tonight—Thursday, September 20—at the football stadium. Visiting and eating will get under way at 7 p.m., and it will be good if you can come.

We understand they will have open house of the new field house, too, and you'll want to see that! P. S.—We were urged by an ardent local PTA'er to tell you about this event in this column, so come on out and see if we're right or wrong! It'll just cost you four-bits to eat the delicious meal.

Most of the people pulling for the mass immunization by means of the Sabin oral vaccine last Sunday were plumb gratified by the response of Knox County people.

They had expressed the hope of a near-100 per cent participation in this immunization; but, considering everything that took place, they were satisfied with around 50 per cent last Sunday.

Just two days ahead of our scheduled immunization program came the report of those contracting polio after taking the vaccine in Canada. This probably threw a scare into some people and caused them to stay away.

It was announced at the football game at Rule on Friday night that Knox County would go ahead with its program. Then, immediately afterwards, an announcement was made on the P. A. system that Rule had postponed its program, along with other towns and communities in the Abilene area.

The aid of radio stations and T. V. in Wichita Falls was solicited to carry the news to Knox County people. It was announced from the pulpits Sunday and carried by word of mouth about the streets and into the homes—and people came out in great numbers.

If similar response is made next Sunday by those who did not receive the type I vaccine last Sunday, Knox County should rate high among those whose people have started the immunization.

We did not get our cube of sugar last Sunday. Our plans had to be altered during the week end so we missed it, having the "make up Sunday" in mind however. Next Sunday, we plan to be there—and hope you do, too, if you also failed last Sunday.

An interesting thing in last Sunday's program was that a greater percentage of people over 40 years of age took the vaccine than any other age group. These percentages are listed in a news item elsewhere in this issue. Read them!

The sort of unexpected rain which came Sunday night—Monday reporting around 1.25 inches—caused some gripes among farmers who were in the midst of getting their cotton to the gins. We heard one say: "It was an awful nice rain, which we didn't especially need right at this time," but others were a little more pessimistic in their expressions.

Still we have the type of people, as we've always had, who remark something like this: "I'll never fuss about a rain in West Texas." There are so many times when we need it and don't get it, like about mid-August this year!

TO DISCUSS SOCIAL SECURITY PROBLEMS

A representative of the Social Security Administration will be in Munday at the City Hall on Thursday, September 27, from 10:00 a.m. until 12:00 noon. You are invited to meet with the representative to file your claim or to obtain information or assistance concerning Social Security.

Crenshaw Rites Held Saturday At Benjamin

David William Crenshaw, 94, one time farm manager and cowboy for the McFaddin Ranches of Beaumont, passed away at 4:45 Thursday at his home in Benjamin following an illness of two and a half years. His death was the result of an attack of pneumonia.

Funeral services were held at 2 p.m. Saturday from the Benjamin Methodist Church with the pastor, Rev. W. E. McQueen, officiating. He was assisted by Rev. Bill Wright of Tye and Rev. Lynn Wilson, pastor of the Benjamin Baptist Church. Burial was in Benjamin Cemetery.

Mr. Crenshaw was born in Salem, Ill., and was married to Miss Emma Gallier of Beaumont on January 1, 1904. He had been a member of the Methodist Church since 1922.

Survivors include his wife; three sons, Billy Crenshaw of Benjamin, Reuben Crenshaw of Lake Kemp, and Fred W. Crenshaw of Matador; a brother, John R. Crenshaw of Petersburg, Ill.; 15 grandchildren, 37 great-grandchildren and five great-great-grandchildren.

Palbearers were Dutch Venson, W. T. Cartwright, Donnie Hertel, Pate Meinzer, Kenneth Roberts, Alfred Kilgore and D. V. Gilbert.

Mrs. Taylor New Area Supervisor

Mrs. Mary Alice Taylor, supervisor and counselor for Knox County Schools, is a graduate of North Texas University, holds a life certificate in both elementary and secondary field and has done graduate work at North Texas University and Austin College with special work in counseling. She has also had experience in counseling.

Mrs. Taylor is working at the Munday and Rhineland schools this week. Next week she will be in the Knox City and Gilliland schools. She will work at Benjamin October 1st and 2nd and at Goree October 3rd and 4th. The schedule will be much the same throughout the year.

Munday Golf Club Elects Officers

At a recent meeting of the Munday Golf Club, officers for another year were elected. They are as follows: Barton R. Carl, president; W. O. Smith, vice president; Goodson Sellers, secretary and treasurer, and Joe Morrow, greens keeper.

The club is making plans for reworking the greens with Tifgreen 328 Bermuda. Plans are to have the greens replanted within the next few weeks, making them into some of the best in this area.

Members are also interested in increasing the membership and activities of the club. Anyone interested in becoming a member, please contact one of the above officers.

Clothing Program And Style Show To Be Held At Local School On Wednesday

The Knox County Home Demonstration Council will sponsor a clothing consumer program in the Munday Elementary School lunchroom on Wednesday, September 26 at 1:30 p.m. The highlights of the program will be "Laundry Recipes" given by Miss Mary Behrens and a style show and fabric display presented through the courtesy of the local merchants.

Miss Behrens is a staff home economist in the home service department of the Maytag Company. She will have clothes which have been correctly laundered and those which have been incorrectly laundered. These will be modeled by local high school girls. She will also have available booklets with correct laundry recipes concerning correct cycle, water temperature, kind of soap or detergent, bleach and rinse conditioner.

Home demonstration ladies and local models will model garments from the local stores. There will also be a fabric display with findings and trimmings for the fabrics. These will also be furnished by local merchants. The laundering of today's fabrics with the many types of washing machines and detergents is a major problem of today's homemaker. Every lady of the county is not only invited, but urged to come to this worthwhile and informative meeting.

Ricky Lehrman, 8, son of Mr. and Mrs. Norvell Lehrman of Sagerton, is shown with the special saddle he won as first prize in a coloring contest sponsored by the Texas Cowboy Reunion at Stamford. Ricky's coloring of a poster of the annual rodeo grand entry was adjudged best. Scandalous John Selmon, colorful arena director of the Cowboy Reunion, made the presentation.

Seven Accidents Investigated In Knox For August

The Highway Patrol investigated 7 rural accidents in Knox County during the month of August according to Sergeant Frank Jircik Patrol Supervisor of this area.

These wrecks accounted for three persons injured and an estimated property damage of \$3,260.00.

The rural traffic accident summary for Knox County from January through August of 1962 shows a total of 34 crashes. As a result of these crashes there were no persons killed and 29 persons injured. The estimated property damage amounted to \$16,496.00.

The veteran patrol supervisor stated, "With fall and winter approaching, now is the time to have vehicles checked in preparation for the cold winter ahead."

The Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways. All vehicles registered in this state are required to be inspected once a year, he added.

The new motor vehicle inspection year began September 1. However, the only thing new about the inspection this year is the sticker itself. The Sergeant pointed out, that this new sticker is a dry mount decal which we believe will adhere regardless of weather conditions.

RECEIVES INJURIES

Miss Bertha McNeill of Wichita Falls suffered cracked elbows in both arms and a wrenched knee and back in a fall last Friday. Miss McNeill was at the Parker Square Clinic when she tripped over a pair of scales. She was taken to the Bethania Hospital for treatment. They report that she will be unable to use her arms for two or three weeks.

Moguls Trip Bobcats 20-6 Friday Night

The Munday Moguls opened their season's football play last Friday night by surprising the Rule Bobcats in a 20 to 6 victory at Rule.

A big crowd of Munday fans were on hand to see the Moguls in action. Their opening game a week earlier was called off by Rochester because of rain.

The first quarter was scoreless and showed some good defensive play by both teams.

The Bobcats made their only score of the game in the second quarter when Bob Clark scored on a five-yard run. The play was set up by a pass interference play on the 10-yard line. The try for extra point failed.

The Moguls came back in the third quarter to score 14 points. Pete Alcala scored on a sweep around right end for 15 yards, and Bruce Pruitt kicked the extra point.

Later in the third, Doug McGrady plunged through the middle for another trip across the goal. Pruitt's toe again made the conversion good.

Staying on the ground all the way, the Moguls made their final score in the fourth quarter, when McGrady went around right end for a 25-yard scoring play. Pruitt again tried the extra point, but failed.

Claude Thompson, Former Resident Dies In Florida

Claude Thompson, 82-year-old former resident of Knox County, passed away Sunday at the home of a son in Eau Gallie, Fla., after suffering a heart attack.

Funeral services are scheduled for 2 p.m. Thursday (today) from the First Baptist Church in Goree with Rev. Benny Hagan, pastor, and Rev. John Street, pastor of the First Baptist Church in Munday officiating. Burial will be in Johnson Memorial Cemetery at Munday under the direction of McCauley Funeral Home.

Mr. Thompson, a resident of Rio Hondo, farmer in the Munday-Goree area for a number of years before moving to Rio Hondo in 1948.

Surviving are two sons, Melvin Thompson of Rio Hondo and Woodrow Thompson of Eau Gallie; three brothers, Homer Thompson of Wichita Falls, Julius Thompson of Quanah and Luther Thompson of Munday; three grandchildren and two great-grandchildren.

Lions Annual Broom Sale To Be On Wednesday

Members of the Munday Lions Club have set their annual broom sale for Wednesday, September 26.

Brooms made by the Texas Blind Shop Caravan will be sold by teams of Lions. The city hall square will be headquarters for the caravan, and teams of Lions will work from that point, making a canvas of the business and residential districts.

Proceeds from the sale will be used for sight conservation, the Texas Lions crippled children's camp at Kerrville, and other important projects sponsored by Lions Clubs.

Features in the sale will be quality brooms, ironing board covers and pad combinations, door mats, etc., all made by blind workmen of the state.

Be looking for Lions to call on you. Your patronage in this sale will be appreciated.

Jimmie Walling Shows Top Gilt In Knox County Show

Jimmie Walling, 12 son of Mr. and Mrs. Lendon Walling of Munday, exhibited the first place gilt in the Sears Roebuck Foundation show last Friday at Knox City. Jimmie won \$7 in the county show, and also won \$10 in the area show at Iowa Park on Saturday.

Winning second place and \$5 was D. L. Burleson of Knox City. Third place and \$4 went to Richard Armstrong of Knox City, and Richard Albus of Rhineland won fourth place and \$3.

Mike Langford of Goree was unable to show because his gilt was sick.

Show judge was Leon Burkham, vocational agriculture instructor at Knox City.

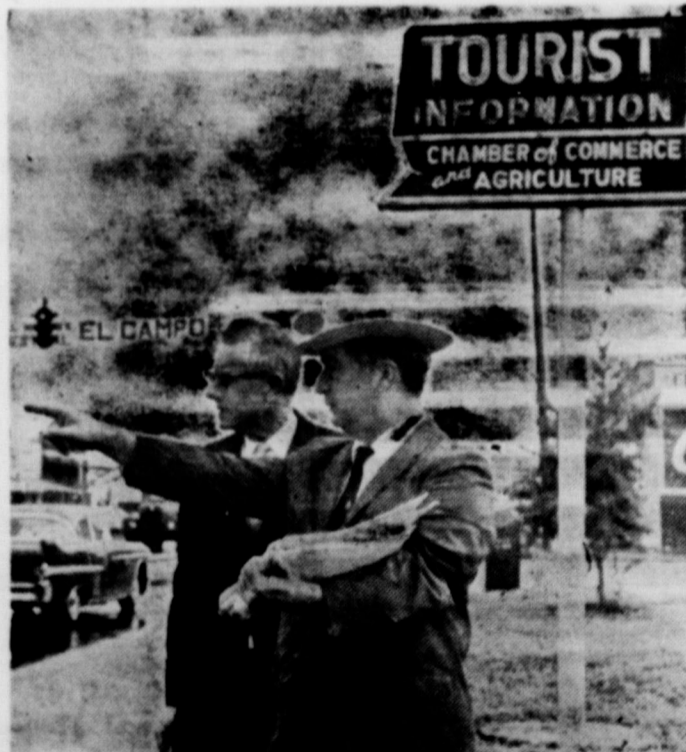

Dwayne Herring of Munday exhibited the boar, and also won \$10 at the area show with a seventh place showing.

Gene Haynie Named Director In C. of C.

At a special meeting of directors of the Munday Chamber of Commerce last Tuesday, Gene R. Haynie was elected director for a three-year term.

Mr. Haynie replaces Ray Snyder, who has moved to Wichita Falls.

Mr. and Mrs. Jim Gaines met Mr. and Mrs. Bob Gaines of Port Worth at Port Aransas and spent last week fishing. They report a fair catch and lots of fun.

GOVERNOR FOR A DAY—Sen. Culp Krueger (foreground), serving as Texas governor Saturday at his home town "state capital" in El Campo, confers with Jim Rankin, president of the Texas Motel Association, on means of helping the state's 3,000 motel operators in their efforts to attract more tourists to Texas. Rankin operates a motel in El Campo, where the governor-for-a-day festivities coincided with the city's annual "All Nations Festival." Sen. Krueger, president pro-tem of the Texas Senate, became the state's chief executive when the governor was absent from the state.

Despite the fact that a number of area towns postponed the Sabin oral vaccine program, Knox County went ahead with the immunization last Sunday as planned, and those in charge were well pleased with the response.

Plans for the mass immunizations were postponed in several areas surrounding Abilene after reports from Canada that a number of persons had contracted polio after receiving the vaccine.

The word was sent out far and near—by T. V., radio and word of mouth—that Knox County would continue with the program, and they came in large numbers.

A total of 4,471 people received the Type I vaccine Sunday in

Dr. and Mrs. Wayne Smith of Irving visited their parents, Mr. and Mrs. Joe Massey and Mr. and Mrs. A. L. Smith, last Sunday.

Knox County — 1,843 at Knox City and 2,628 at Munday. Persons receiving it at Knox City ranged from 97-year-old Mrs. C. W. Pulleg to a three-weeks-old infant.

The number and age range receiving it at Munday was: under one year, 55, or 2 per cent; one to five years, 344, 13 per cent; six to 14 years, 619, 24 per cent; 15 to 39 years, 736, 28 per cent; over 40 years, 866, 33 per cent.

Surgeon General Luther Terry issued a statement late Saturday from Washington advising areas to postpone plans for mass immunizations with type III vaccine to adults, but recommended that children be given that type vaccine and that persons of all ages receive types I and II vaccine.

Next Sunday will be "make up Sunday" for those who did not receive type I vaccine last Sunday, and local officials are urging all those who were not on hand last Sunday to receive the vaccine on this date. It will be administered at the Munday and Knox City school gymnasiums.

Revival To Open September 23 At Baptist Church

A revival meeting will open on Sunday, September 23, at the First Baptist Church in Munday, and will continue through September 30.

Rev. John Street, pastor, will be preaching for this revival. Services will be held at 7:30 o'clock each morning and at 7:30 each evening.

Rod Coleman of Denver City will lead the singing. Prior to entering full-time Christian service, Mr. Coleman was in the entertainment business and has been on radio and television numerous times. In addition to pastoring churches in Texas and Arizona, he and Mrs. Coleman served two years as home missionaries to the Indians in Arizona. He is presently minister of music and education at the First Baptist Church in Denver City.

Mr. Coleman is also widely known for his marimba playing and special whistling along with the singing of gospel songs. He will have his marimba with him in Munday.

The public is cordially invited to all services of the revival.

SPECIAL PRIVILEGE MENACE

Senator Goldwater recently devoted a newspaper column to the special privileges the labor unions enjoy. Among them: "Almost total immunity under the anti-trust laws.

"Immunity from taxation.
 "Immunity from injunctions by federal courts.

"Authority to use union funds for purposes not related to collective bargaining, even where union membership is compulsory.

"Power to compel workers to join the union as a condition of continued employment."

This sampling does not, by any means, exhaust the list—Senator Goldwater lists at some length other important areas where the unions are given, under law, privileges denied to other organizations and groups.

The Senator makes it clear that he is not suggesting that all special rights now enjoyed by labor should be abolished. But he does believe that Congress should . . . re-examine the entire question of unlimited power for labor unions with a view to reducing their power."

Most of the special privileges of the unions were given them when they were small and weak and needed help. Now they are huge and powerful and rich, and are legally able to perform acts that would bring the full weight of government down upon an industry pursuing comparable policies. The need is not to deprive labor of legitimate rights. It is to prevent labor from destroying the legitimate rights and protections of the rest of us.

THE CUBAN CANCER

An extraordinarily alarming report comes from Robert S. Allen—a leading writer on national and international affairs. His first paragraph says: "Soviet technicians have begun installing 'electronic counter equipment' in Cuba that can be used to interfere with U. S. missiles launched from our major test center at Cape Canaveral, Florida."

This equipment, Mr. Allen goes on, consists of jamming and tracking devices. Soviet technicians have been sent to Cuba to put them into operation. They also can be used to interfere with our aircraft guidance control and ground-air communication systems.

The situation is so serious that President Kennedy sent his chief military advisor, General Maxwell Taylor, an officer of the highest abilities, to the Caribbean to find out the facts and to report

upon their significance.
 It is certainly obvious that no move of such ominous importance could have been made except upon the authority of the highest Soviet officials—primarily, Premier Khrushchev. And, if General Taylor learns what Mr. Allen obviously expects him to learn, this means that the Soviet Union, of which Castro is simply a willing pawn, is determined to establish an effective military base some 90 miles from U. S. territory. The cancerous Cuban situation may force this government into taking actions of the most far-reaching portent.

THE NATION IS YOU

Senator Byrd of Virginia, who is probably the Senate's foremost expert on fiscal affairs, has contributed an article to *Tax Review* in which he underlines some basic if unpalatable truths.

The nation's fiscal position, he observes, characterized as it is "by debt, deficits, and threatening inflation," does not inspire confidence either at home or abroad. The continuing loss of our gold, he goes on, imperils our security "like an atomic bomb." Finally, he says that we must go to the root causes of this crisis before it is too late—and those in authority must "act to restore confidence in the dollar. They can act most effectively and expeditiously by action to balance the domestic budget."

Senator Byrd is not an alarmist. He just knows a fact when he sees one, and speaks accordingly. In the long run, a nation which habitually outspends its income winds up in the same fix as a family or a business which outspends its income—broke and bankrupt. And remember, bankruptcy for the nation means bankruptcy for every citizen—the wiping out of savings, investments, insurance—everything.

NEED FOR INCREASED PROFITS STRESSED

Corporate profits generally have shown "a rather substantial deterioration" as a percentage share of national income in recent years says Robert G. Dunlop, president, Sun Oil Company. For example, he notes, in the five-year period ending in 1961 annual profits averaged only 5.1 to 6.1 per cent of national income, compared to an average of 7.3 to 9.4 per cent in the first five years after World War II.

Profit is the source of venture capital. So venture capital can only be accumulated if the business organizations of America operate at profitable levels.

CHURCH OF CHRIST

GOREE, TEXAS

Can A Child Of God Fall From Grace?

God has made provision that all sinners can be saved. God's grace is sufficient to save all men. The sinner will not be saved if he does not believe in Christ. He has the power of choice, to believe or disbelieve. He chooses whether he will obey or disobey. His salvation is dependent upon his choice. Jesus said: "But he that endureth to the end, the same shall be saved" (Matt. 24:13). Will all people endure to the end? We shall let Jesus answer that question. "And on the rock are they who, when they have heard receive the word with joy, and these have no root, who for a while BELIEVE, and in time of temptation FALL AWAY" (Lk. 8:13). Jesus says that these believers fell away. The excuse is so often made when one falls away that they were not really believers. These people were believers. Jesus said they were believers. Jesus said they fell away. Do you believe this? If you do not you are not a believer in Christ, for these are the words of Christ, not man. Let Jesus speak again concerning these believers. "And these in like manner are they that are sown upon the rocky places who, when they have heard the word straightway receive it with joy, (notice, they have received the word) and they have no root in themselves, and so endure but for a time; afterward, when affliction or persecution ariseth for the word's sake immediately they are offended" (Mk. 4:16-17). Jesus said those who endure to the end shall be saved. It is the believer; that is going to be saved. Jesus tells here of some believers that did not endure to the end. Therefore, according to Jesus a believer who does not endure shall be lost.

The apostle Paul wrote to "brethren" (children of God) at Galatia, and said "Christ is become of effect unto you, who-soever of you are justified by the law, YE ARE FALLEN FROM GRACE" (Gal. 5:4). Are we prepared to accept these inspired words?

More on this subject next week.

Boy Scout Roundup Is Now In Progress

The 13-county Northwest Texas Council Boy Scout Roundup is now in progress and will be held through December 15. Roundup activities will be held in the Brazos Valley district of Archer, Baylor, Knox and Throckmorton Counties.

The roundup period is a time in which special emphasis is given to enlisting new Cub Scouts, Boy Scouts and Explorers. A nice "Go Roundup" patch will be presented each Cub, Scout or Explorer who recruits someone for his unit. The deadline for earning the patch is December 15.

Each leader of a unit that sets and reached a new member goal will be presented a "Go Roundup" neckerchief. These goals must be set and into the scout office by October 1, in order to qualify.

Mrs. Tom Alvis and Mrs. Charles Yost are attending Midwestern University in Wichita Falls again this year. They go on Monday, Wednesday and Friday. They reported that while attending last year they were never late, never had a flat and never missed a day. They are joined this year by Miss Neva Morgan.

Miss Ronelle Garland And Bobby Gene Cude Marry In Rites At Wichita Falls

In an 8 p.m. ceremony in First Christian Church in Wichita Falls Friday, Miss Ronelle Garland, daughter of Mr. and Mrs. Ronald C. Garland, became the bride of Bobby Gene Cude, son of Mr. and Mrs. Elmer Cude of Munday. Dr. William E. Wright, pastor, officiated.

Tall candelabra holding votive candles centered by an arrangement of white gladioli and feathered chrysanthemums formed the nuptial background.

Traditional wedding selections were presented by Brent Stratton, vocalist and pianist.

Ronald Garland presented his daughter for marriage. She wore a street-length gown of white cut velvet fashioned with fitted bodice, scooped neckline, long pointed sleeves and bell-shaped skirt. Her shoulder-length veil of tulle was attached to a tiara of seed pearls, and she wore a single strand of pearls. The bride carried a cascade bouquet of feathered chrysanthemums centered with an orchid.

Mrs. Walter J. Dean of Phoenix, Ariz., attended the bride as matron of honor. She wore a sheath dress of blue cotton brocade with matching accessories and carried a nosegay of white chrysanthemums tied with blue ribbons.

Don Bowman of Munday was best man, and ushers were Robert Lynn Bowden of Snyder, and Gary Cude of Fort Worth.

The bride's parents were hosts for a reception in their home. The table was covered with white lace over blue satin and centered with an arrangement of blue carnations flanked by silver candelabra and featuring the tiered wedding cake. Members of the house party were Miss Joan Cude of Munday and Miss Jane Strother of Wichita Falls.

The County House was the setting for a rehearsal dinner hosted by the bridegroom's parents Thursday night. Blue carnations and asters centered the dinner table which was covered with a white cloth.

The bride was graduated from Wichita Falls High School and attended Midwestern University where she was a member of Sigma Kappa social sorority.

A graduate of Munday High School, Cude attended Tarleton State College two years and is now a senior student at Texas Technological College in Lubbock where the couple will reside.

Miss Patsy Lane, Donald M. White Wed In Lubbock

Miss Patricia Lane of Lubbock and Donald McLane White of Houston were united in marriage at the twenty-fifth Baptist Church in Lubbock at 6:30 p.m. September 15. Brother Bert J. Homer officiated at the double ring ceremony.

She is the daughter of Mr. and Mrs. Charles Lane of Lubbock. Mr. and Mrs. H. D. White of Lubbock are parents of the groom.

Given in marriage by her father, the bride wore a gown of chantilly lace over nylon tulle and satin. The fitted lace bodice had a sweetheart neckline and long sleeves of lace which formed petal points over the hands. A tiara of seed pearls and sequins held her veil of silk illusion which accented the waltz-length gown. She carried a bouquet of white feathered carnations.

Mrs. Larry Chaney of Lubbock was matron of honor. She wore a pale blue dress of cotton satin featuring a scooped neck, brief sleeves and a full street-length skirt. Her head piece was a circle of blue entwined with pearls and a face veil of tulle. She carried a bouquet of white carnations.

Larry Chaney of Lubbock was best man. Ushers were Gene Lane, brother of the bride, Johnny Price of Abilene and Charles Smith of New Home. Mike White, brother of the groom, was candlelighter.

A reception followed at the church. Miss Sylvia Taylor of Lubbock registered the guests. Members of the houseparty were Meses. John Henry Taylor, Wilson Ellis, W. H. Ferguson and Doug Ward.

For her wedding trip to points in south Texas the bride chose a basket weave sand cotton two piece suit in turquoise with matching head piece and black accessories. She added a corsage from her bridal bouquet.

The bride is a 1961 graduate of Monterey High School and was employed by Retail Merchants. The bridegroom is a 1959 graduate of Lubbock High School and attended Arlington State College. He is warehouse manager of B&H Wire and Insulation Co., in Houston, where they will make their home.

The bride is the granddaughter of Mr. and Mrs. Clyde Patton of Goree and the late Mr. and Mrs. Ed Lane of Munday.

Drive carefully. The life you save may be your own!

Student Council Is Organized In Munday School

The Student Council has been formed in high school for the purpose of letting the students have a part in the governing of the school. The following officers were elected for the school term: James Earp, president; Kenneth Smith, vice president; Millie Moore, secretary; Judy Hardin, treasurer; Nancy Penick, Chaplin; and Jan Pendleton reporter.

Other representatives include one from each class, the president, and the presidents of the clubs. These are as follows: Paul Reed, Charles Patterson, Dickie Patterson, Larry Thompson, Clyde Burnett, Judy Anderson, Douglas McGrady, Ricky Couch, Jimmy Duncan, Johnny Hunter, and Karen Johnson.

The first meeting was September 12. A proposal was made for a parking lot at the high school. Also it was discussed as to what kind of activity could be provided for those arriving at school early in the morning.

The Council again met September 14, 1962. The purpose of this meeting being to elect the chaplain and the reporter. It was decided to have a short devotion before school on Monday and Thursday mornings, for those wishing to attend. A committee was selected to look into the prospects of constructing a parking lot on the east side of the band hall. No plans have been made effective toward this project.

Mogul Band Wins First Place In Abilene Show

Over ten thousand people saw the Munday band win first place at the third annual ACC band day—West Texas Fair Parade of Bands—in Abilene last Saturday. The band performed before an estimated 8,000 at the East Texas State A.C.C. ball game and were seen by over 2,000 in the downtown parade.

Besides the parade and the ball game, the band was guests of Abilene Christian College for a chicken dinner and guests of the Abilene Chamber of Commerce for the West Texas Fair.

Other than Munday, bands competing were Woodson of Abilene, Rochester, Santa Anna, Eden, Rock Springs, Merkel, Roscoe, Roby, Jim Ned, Tuscola, Throckmorton, Moran, Trent, and Albany.

Besides the street competition, each band was given an opportunity to play individually at the ball game and played, en masse, of the football field for the half-time show. They played "Swing Safari" in rock and roll, "When I Grow Too Old To Dream" with a waltz step, and "Seventy Six Trombones" featuring the trombones of all the bands.

The bands next public performance will be at the annual P. T. A. supper tonight, (Thursday, September 20).

Accompanying the band to Abilene were Mrs. J. E. Massingill, Mrs. John Peysen, B. B. Bowden, and Bobby Brooks, band director.

RUMMAGE SALE

The Senior class of Munday High School will hold a rummage sale Saturday, September 22, from 10:00 a.m. until 6:00 p.m. on the City Hall lawn. Money collected will be used for class purposes.

New power, durability in 1963 Chevrolet truck line

Two new, modern, more efficient six-cylinder engines lead a long list of improvements in the 1963 Chevrolet truck line. Other features include a new front axle and spring design in medium- and heavy-duty series for excellent ride and durability; generally heavier frames; easy-riding independent front wheel coil springing in light-duty models; narrower front sheet metal width for easier handling in close quarters on many models and improved body and sheet metal mounts for softer ride.

Survival Course For Adults Will Be Taught In School

Supt. Willis Apple announced Wednesday that a free course in "Personal and Family Preparedness for Survival" will be made available through the Munday Public Schools to all adults of the community. Vital survival information as the effects of radioactive fallout, protective measures against nu-

clear weapons, tornadoes, fires, floods, and decontamination procedures will be discussed.

The free course, conducted by instructors from the Texas Education Agency, provides: A free manual and other related materials, showing of films, slides and filmstrips; discussion, question and answer periods, and certificates to all who complete the course.

Classes are scheduled to begin on September 24 and continue through September 28. They will be at the Munday elementary school and will start at 2:15 p.m. Adults who are interested are invited to attend all sessions.

Farmers Responsible For Tax On Wages

Farm and ranch operators who hire agricultural workers must deposit Social Security tax funds, when such tax amounts to \$100, reminds C. H. Bates, extension farm management specialist.

The employer-employee tax rate in 1962 is 6 1/2 per cent, an increase over the 6 per cent levy of last year. Half of this amount, or 3 1/8 per cent can be deducted from the wages paid to farm employees.

Either of two tests apply, as previously, to determine those wages subject to the tax. The first test is \$150 in wages paid to an individual in a calendar year. The second test is having hired the same employee 20 days on a time basis, regardless of the amount of wages paid. So, when either of these situations apply, the tax is applicable and must be reported for the workers involved.

Federal regulations require that tax on agricultural labor be paid to the government whenever the amount due equals \$100. Bates explains. In other words, when a farm employer has paid out \$1,600 in eligible wages, he should deposit the Social Security tax due on that amount in any commercial bank qualified as a depository for federal taxes. The money is sent by the bank to the Federal Reserve Bank in Dallas and a receipt showing amount paid is returned to the employer.

Farm employers then attach these receipts to their 1962 income tax return as evidence of payment of part of this year's

Forty flags from around the globe will decorate each of nine flagbursts which will be suspended over the Texas International Trade Fair at the 1962 State Fair of Texas, October 6 through 21 in Dallas. Designed and executed by Peter Wolf Associates, the flagbursts will set the theme in the World Exhibits Building for the 1962 State Fair's "Exposition of Nations."

tax obligation.

Bates urges farmers and ranchmen to pay their taxes on hired labor when it is due and avoid the risk of paying a penalty. Good business records can be very helpful in keeping up with wages paid and taxes due, he concludes.

REUNION IN FIELDS HOME

Present for a reunion held in the home of Mrs. Dessie Fields last Sunday were Mr. and Mrs. Tuck Duval of Venezuela, Mrs.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Partridge are proudly announcing that they are the parents of a beautiful little girl. She made her arrival Thursday, September 13, 1962, in the Knox County Hospital. She weighed 7 pounds and 5 ounces and has been named Elizabeth Ann. Grandparents are Mr. and Mrs. Harold Partridge of Munday and Mr. and Mrs. J. B. King of Brown Branch, Mo.

ELECT OFFICERS

The seven A class elected officers last Monday for the first time. The chairman was elected first as Connie Bellinghausen; vice president, Jan Meyers; secretary, Karon Tomlinson; reporter, Nancy Blakley; treasurer, Bobbie Patterson. The meeting was then at rest.

Mr. and Mrs. Billy J. Lain and children of Midland spent the week end with her mother, Mrs. Fannie Armstrong.

Fishing Without Licenses Is Big Offense For July

Fishing without a license accounted for 60 per cent of the game and fish violations during July, according to the monthly violation report of J. B. Phillips, coordinator of law enforcement of the Game and Fish Commission.

There were 196 fishing violations and 129 other hunting and fishing violations. In all there were 325 violations with fines and costs totaling \$5,804.15.

Among hunting violations were nine charged with hunting in a closed season and eight hunting at night.

Besides the large number of persons apprehended without fishing licenses, there were 18 violations for illegal fishing methods.

Despite warnings that fishing licenses should be bought by all persons between the ages of 17 and 65 who fish with rod and reel, or who fish outside their home county, there are those who continue to disregard the need for a \$2.15 fishing license.

TO STATE MEETING

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles. All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

See the "New Reliabilities" now at your Chevrolet dealer's!

Knox Prairie Philosopher Takes A Look At The Cuban Situation And Continued To Look And Look

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek discusses the Cuban problem this week, without making much dent in it.

J. A.

Dear editor:
I was talking with a man in town the other day who keeps up with things in the world and he said it was time we did something about Cuba.

"Whatta you mean?" I asked. "I mean it's time President Kennedy did something about Cuba, that's what I mean."

"Whatta you suggest he do?" "Me suggest? That's not my job. That's his."

I came on back home and got to thinking about this and decided he's right.

Something ought to be done about Cuba. Something ought to be done about the Berlin wall. Something ought to be done about Russia, about the Congo, India, Algiers. Something should have been done about Hitler before he got cranked up, something should have been done about the Kaiser, about Attila the Hun, Julius Caesar, the driver who nearly ran over me when I was coming back from town, high taxes, economic depressions, and the next man who's going to go berserk and shoot up his family.

The trouble is, there are some problems that can't be solved ahead of time. There are too many things in life that can't be headed off.

Regardless of how violent and dangerous a family squabble next door is, and regardless of how wrong one side is and how right the other is, where's the man who can solve it by wading in himself?

It's wrong for Castro to trample the Cubans with the aid of the Russians, but it might be wrong to start an atomic war about it. Don't ask me.

I'll tell you, being President is a fine job, but it sure has its drawbacks.

Running the world, like raising a family, has problems no man has the answer to. You can do what you can, but half the time it won't work. The kid will either grow out of it or he won't.

Something ought to be done about Cuba, all right, just as something ought to be done

about this Johnson grass farm. I'd rather think about Cuba, though. I know what ought to be done about this farm.

Yours faithfully,
J. A.

RODGERS FOOD MART

Here's why Martha puts laundry in the freezer

A woman's work, especially the ironing, is never done. Sometimes Martha just has to take time out for shopping or visiting during the day. But sprinkled clothes can't be left to sour or mildew! So Martha pops them into a plastic bag and into the freezer they go. When she gets back, they'll be ready for her to start ironing again. Isn't it amazing how many ways women have learned to use flameless electricity to make living better . . . and, it costs so little, you can use lots of it.

FREEZER TIP...Sprinkle your clothes and place in Freezer for about 10 minutes and they will be ready for ironing.

Walling Rites Are Held In California

Funeral services for I. W. Walling were held in Sacramento, Calif., on Monday, September 17, at 2 p.m. in the First Presbyterian Church of which he had been a life time member and a devoted worker. Burial was in Sacramento.

Mr. Walling was born October 23, 1910 in Munday and was the son of the late Mr. and Mrs. W. H. Walling. He finished high school in Munday in the spring of 1929 and entered Texas Tech in Lubbock in the fall later transferring to Commerce where he received his B. S. degree in 1936.

He taught school at Sunset, later moving to Merkel to teach and married Miss Billie Marie Green of Tye on December 22, 1935. He was a chemist and worked for the department of Public Work, division of water resources. He was transferred to Sacramento ten years ago.

Surviving are his wife, a son, Martin, and daughter, Carolyn, all of Sacramento; four brothers, Robert Walling of Carlsbad, N. M., R. J. Walling of Seymour, J. C. Walling of Pharr and J. B. Walling of Fort Worth; five sisters, Mrs. C. T. Russell of Carlsbad, N. M., Mrs. A. L. Russell of Munday, Mrs. E. L. Lawson of Breckenridge, Colo., Mrs. T. M. Spruill, Carlsbad, N. M., and Mrs. Jim Arnold of Albuquerque, N. M.

Labor Committee For County Named

These Knox County citizens, Claud Hill, H. H. Partridge, Weldon Smith and A. J. Loran will serve as a County Farm Labor Committee and met recently with Mr. Marvin Worsham, Manager of the Texas Employment Commission office, to review the total seasonal employment needs developed by the TEC.

The Committee was presented with the figures of the TEC that Knox County will be short 3740 cotton pickers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The Committee will function

Billy M. "Boots" O'Neal, Texas and Southwestern Cattle Raisers Association field inspector for this area, right, was awarded a graduation certificate by Col. Homer Garrison, director of the Texas Department of Public Safety, following the successful completion of a Criminal Investigations Seminar in Austin, Sept. 14. O'Neal lives in Paducah. Looking on is Joe S. Fletcher of Fort Worth, TSCRA secretary-general manager.

under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Knox County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals by granting a "ceiling". The Committee consults with the local Office Manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in Post Offices in Knox City, Munday, Goree, Benjamin, Vera and in the County Agent's office, and in the County Courthouse.

Rhineland School News

Rhineland High School has been going full swing since September 4. Everything is reported intact.

Mr. George Petrus is again superintendent and teachers several of the classes including physical education. We are proud to have him back again.

Mrs. Chester Bowden is back this year and on the school faculty. We are indeed glad to have her.

The teachers and pupils hope to achieve a successful school year.

The sophomore and junior classes held their second meeting of the year September 19 with Judy Bruggeman presiding.

At the meeting they decided on the business of the dance Wednesday night and plans were made for later business in the year. The meeting was then adjourned.

The Rhineland senior class held its first meeting September 19. They elected officers as follows: president, Marion Kuehler; vice president, Dwight Albus; secretary-treasurer, Velma Bellinghausen; reporter, Carol Bruggeman.

Later business will be discussed at the next meeting.

Mrs. Ann McClaran, John and Irene, of El Paso visited with Mrs. J. B. Bowden and other friends and attended to business matters from Thursday until Monday.

Mrs. Lee Allman and Dee Dee visited Mr. and Mrs. A. B. Warren and Mr. and Mrs. Ben Yarbrough from Thursday until Sunday enroute to their home in Las Cruces, N. M., after a two weeks visit with her parents, Mr. and Mrs. Joe Duke, in Wichita Falls.
