Make Plans For Spring Cleaning Day Saturday

"Spring Cleaning Day" in Munday will be Saturday, April 15. The Munday Lions Club urges all citizens to take pride in their community and help with the beautification of our City.

If you need help the Munday Lions Club and the Boy Scouts will be available to assist you. Anyone wishing to donate their time and energy in this worthwhile project please contact the above organizations.

For the convenience of those hauling their own trash to the dump ground, the facility will be open from 9 a.m. to 6 p.m. on Saturday. Free cokes will be available at the dump ground on this date.

The City of Munday is providing two dump trucks and a loader to help in the clean-up activities. Anyone needing help to pick up and haul away trash should call the City Hall at 422-4331 so your name can be placed on

their schedule. Please call at your earliest convenience so plans can be made in advance to help everyone with their needs.

Remember, Saturday is "SPRING CLEANING DAY" in Munday.

Shot put: Vickie Toliver, 3rd; Julie Myers, 6th.

Triple jump: Pam Caram, 5th.

880: Caroline Myers, 1st. Mile: Julie Myers, 1st.

Support the athletes of Munday High School and attend the District Meet at Jayton, Thursday.

Munday One-Act Play Win First

MHS members of the UIL One-Act Play entitled "A Canterbury Tale from the Wife of Bath," walked away with high honors Wednesday, April 5 at the District contest held at Vernon.

Their play won first in district which enables them to advance to area contest in Big Spring April 14. Other towns competing were Hamlin, Rotan, Aspermont, Knox City and Haskell.

Members of the cast are Lana Dunlap, Danny Brown, Shari Offutt, Russell Rouston, Lyndle Reeves, Jay Haynie, Zanelle Franklin, Robbie Baker, Pam Caram, Kelly Fisher, Perry Kuehler, Kevin Herring, and Johnnie Andrade.

All-district honors were awarded to Lyndle Reeves chosen as best actor, Russell Rouston and Shari Offutt chosen as All-Star Cast and Pam Caram as honorable

mention. The play is under the direction of Mrs. Bill (Karen) Lognan.

Dressed in authentic costumes of Old English times, the cast portrays their characters to perfection. The plot of the play centers around a knight's efforts to answer a question posed to him by the queen. He has killed the king's prize stag and has been sentenced to death unless he can answer the Queen's question. The tale combines a tragic situation with comic flares throughout to the delight of the audience.

The costumes, the cast, and the scenery are all perfect in their effect. Indeed, a lot of work was put forth by all connected with this production. But, the end result has been worth it. A finer array of talent would be hard to find! Good luck to all of you at the area contest!

Junior Rodeo Held In Windy Weather

The Lake Creek Arena in Munday was the site for the opening of the Annual Lake Creek Junior Rodeo last Friday night at 7 p.m.

A larger crowd was in attendance for the second performance held Saturday night and was enjoyed by all.

The Jaycee sponsored parade which is usually held on opening day was one day later this year. The parade made its way through the downtown section with the new police car and the oldest fire engine in the Munday Fire Dept. leading the way. Music was provided by the

Munday Mogul Marching Band under the direction of Jerry Frazier. Horses, tractors and individual entries made up the rest of the parade.

The Jaycees, with Curley Awalt doing the cooking, had bar-b-que sandwiches and other goodies to satisfy the hungry crowd in attendance. The proceeds from the concession stand will go to the Munday Little League.

Few riders were able to complete their rides and score in the event entered. Those who possessed the

ability to finish on top of the animals gave the crowd a lot of excitement, and for the ones not so fortunate, the crowd was well pleased with their efforts.

The most exciting event had to be the stick horse races as dads, moms, brothers, sisters and the entire crowd cheered these youngsters on to victory. Winners Friday nite included: (0-3) Ray Hernandez, son of Mr. and Mrs. Pete Hernandez of Munday and (4-6) Susie Morgan, daughter of Mr. and Mrs. Melton

Strauss Announces Opening Of Campaign

Joanne Strauss, candidate for judge of the 11th Court of Civil Appeals at Eastland, in announcing the opening of her campaign, outlines her reasons for running.

"Beginning with my early days as an attorney, I have worked and dreamed of being an appellate judge—an impossible dream twenty-two years ago. Today, there is a fighting chance."

"In order to be a good appellate judge, a person must love to spend many hours doing extensive legal research. I do love this type work—it is my main asset as a lawyer."

"I am proud of the briefs I have written and believe I am ideally suited to act as your appellate judge. I want to be your appellate judge." A former corporation court judge and federal magistrate, for the past seven and one-half years, Mrs. Strauss emphasizes

JOANNE STRAUSS ...candidate for judge

that the appellate court has an impact on many lives.

"The legislature writes the law but quite often no one is sure what the statute really means. The trial judge has to interpret its meaning and wait until the appellate courts reach a decision clarifying the law. This applies to numerous everyday legal matters such as, marital problems, juvenile delinquency, workmen's compensation and business ventures of all kinds. Government must be by law and not by man—but man makes and interprets the law."

An attorney for 22 years, Mrs. Strauss is a native of West Texas. She earned her bachelor of science and doctor of jurisprudence degrees from the University of Texas. Her husband, Henry J. Strauss, is Judge of the 326th District Court. Judge and Mrs. Strauss have two children, both graduates of Cooper High School in Abilene and the University of Texas. The family is Methodist. They live at 860 Amarillo St., Abilene.

Park And Museum To Be Discussed At Meeting

A second Town Hall meeting will be held on Tuesday, April 18 at 7:30 p.m. in the Chamber of Commerce Meeting Room.

Since the last meeting, each civic club has been contacted to have representatives attend this meeting. Community needs will be aired, plans for future development will be made for a four to five year period. Clint Norman, Chairman of Project 1, will present plans under way for the development of the tourist park and museum which has already been selected as the first phase of development.

Students and senior citizens are urged to attend and

to participate in making plans for Munday at this meeting.

A statewide meeting of all towns in Texas who held Town-Texas meetings was held on Saturday, April 8 in Austin, Texas. Attending the Austin meeting were: Clint Norman, M. L. Wiggins, Curly Awalt and Dr. Bill Kingston. A report on the state meeting will be given on April 18.

City Sets Hearing On Budget

A public hearing will be held at the Munday City Hall Tuesday, April 18, at 7 p.m. to finalize the budget for all funds of the City of Munday. This budget will be for the fiscal year beginning April 1, 1978 to March 31, 1979.

A summary of the entire budget, including Revenue Sharing Funds, is available at the Munday City Hall for Public inspection from 8 a.m. to 5 p.m., Monday thru Friday.

Citizens are invited to make oral or written comments in regard to the budget if they so desire.

DISTRICT WINNERS. These students and their director Mrs. Bill (Karen) Lognan won the district UIL One-Act play contest with their production of "A Canterbury Tale from the Wife of Bath" in Vernon April 5. Lyndle Reeves was chosen best actor, Russell Rouston and Shari Offutt made the All-Star Cast and Pam Caram received honorable mention. The cast will go to Big Spring April 14 for the area contest.

Munday Receives Moisture

A cold front moving westerly through the area produced small hail, high winds and showers, Sunday and showers early Monday morning.

According to Goodson Sellers, U. S. Weather Observer in Munday, moisture received was .33 on Sunday and .17 on Monday for a total of .50 the two days. Munday has received 4.01 for the year to date.

POLICE REPORT

The Police Dept. issued 25 traffic citations and 21 warnings during the two week period from March 27 through April 9. The Dept. also filed charges on two for disorderly conduct, 1 for littering, 1 drinking in public and 1 minor in possession. Patrolman Nix also assisted Goree with a drunk in public.

I appreciate the co-operation received from the Munday Jaycees on the Rodeo and Parade. I appreciate their help and the young people's co-operation on the drinking ordinance. I feel the young people especially conducted themselves as very responsible, law-abiding citizens at the rodeo.

Congratulations to Gene Nix, he married Joyce Collier Friday night.

Chief Saffel

Teshia Kiker, Sweetwater; 2nd, Melody Walker, Rotan; 3rd, Trudy Estridge, Olney; 4th, Carl Hopkins, Haskell.

Ribbon Roping: 1st, Jerry McCowan, Knox City; 2nd, Will Lunn, Wichita Falls; 3rd, Mark Lesley, Vernon; 4th, Lari Dee Guy, Abilene; 5th, Bruce Gibbs, Olney.

Bulls: 1st, Edd Welch, Seymour; 2nd, Steve Hildebrand, Sweetwater; 3rd, Stacy Wilson, Bowie; 4th, Brad Fudge, Wichita; 5th, Phil Fox, Vernon.

The moisture was a welcome sight to all residents and will benefit most farmers in the dry spell they are experiencing.

March and April have produced a lot of sandstorms in the area and more moisture is needed by almost everyone. Pre-watering and the irrigation of some crops is in full swing.

This being the second week in April, it is very unusual not to see milo protruding through the ground. Lack of moisture has prevented most farmers from planting, along with the cool weather being experienced. Uniform planting date for cotton has been set for May 20 or later.

A little moisture is very welcome and we hope for a lot more.

JOHN HILL BELIEVES...

- ★ Texas needs no personal or corporate income tax — he will veto any tax increase
- ★ Local property taxes should be reduced — he will provide property tax relief by increasing the state's share of public education costs
- ★ Farmers and ranchers pay more than their share of property taxes — he will work for using agricultural productivity, instead of market value, to set property taxes

Alexia Mayfield Wed To John Rimmer In Weinert

Alexia Wyn Mayfield and John Duane Rimmer were united in holy matrimony Saturday, April 8, in the First Baptist Church in Weinert. Steve Stroope, brother-in-law of the groom, minister of youth, First Baptist Church of Abilene, officiated.

Parents of the couple are Mr. and Mrs. John A. Mayfield of Weinert and Mr. and Mrs. Paul W. Rimmer of Dallas.

Given in marriage by her father, the bride wore a white full length organza bridal gown flowing into a double ruffle and train. The lace yoke was trimmed and outlined with seed pearls and designs of embroidery beneath a high lace collar. Her long sheer sleeves were trimmed with matching lace and an organza ruffle extended over her wrists. For something old and borrowed she wore her sisters gold bracelet that belonged to their grandmother, Mrs. Lura Mayfield. Her bouquet was of birds of paradise and greenery.

Pianist Laurene Peterson of Abilene provided traditional wedding music and accompanied Alexia as she sang.

Reading a selection from 'Reflections of Shakespeare' was Robert Williams.

The church altar was flanked by two trees of palm leaves and Bird of Paradise. Pew markers were white candles and apricot bows.

Evelyn Mayfield of Dallas was her sister's maid of honor. Bridesmaids were Mrs. Phil Edwards of Abilene, Nancy Merrell of Abilene and Mary Dell Jenkins of Lubbock. They wore lilac chiffon full length dresses with flounces, long

MRS. JOHN DUANE RIMMER
...the former Alexia Mayfield

sheer sleeves and large collars. They carried an arrangement of birds of paradise and greenery.

Paul W. Rimmer served his son as best man. Groomsmen were Tim Powell, Larry Pritchett, and Robert Williams, all of Abilene. Groomsmen also served as ushers.

Mr. and Mrs. Brian Burgess registered guests at the church.

A reception, hosted by the Mayfields, was held in the Baptist Church Fellowship Hall. Kim Guess and Jeannie Kay Hummel registered guests.

Members of the house party were Mrs. Arch Mayfield, Mrs. Chan Hughes,

Mrs. Tiffen Mayfield, Mrs. Billy Wayne Hester, Mrs. Sandy King, Mrs. Joey Yates, and Mrs. Jerry Hester. Christi Guess and Michelle Raynes handed out wedding programs and rose petals after the reception.

The bride is a graduate of Weinert High School, has a Music degree from Hardin-Simmons University, and has done graduate work at S.M.U. She is employed with Six Flags Live Show Productions.

The groom is a graduate of Brian Adams High School in Dallas and a graduate of Hardin-Simmons University. He is employed as an accountant with Placid Oil

Company of Dallas. The couple will make their home at 1100 Lamar Blvd. East in Arlington.

A rehearsal dinner was hosted by the groom's parents at the Abilene Petroleum Club Friday night.

Garden Club Enjoys Luncheon

The Munday Garden Club met April 7 in the First Baptist Church at 12:00 noon for a salad luncheon. Table decorations were centerpieces of Daffodils, Dutch Iris, Tulips, Red Buds and Lilaacs.

Guest speaker for the afternoon was Mrs. Ernest Schnider, flower show judge of Wichita Falls. She presented three kinds of flower arrangements: 1. traditional; 2. conventional; and 3. creative.

In making an arrangement, Mrs. Schnider stated that line is very important, also color, banking, rhythm, form, balance, space and measurement. The kind of container adds a lot to your arrangement. Scale is important in making a miniature arrangement.

The flower show schedules were presented by Mrs. Ralph Don Adams, flower show chairman. The flower show is to be April 27 from 2:00 to 6:00 p.m. in the Munday Community Center. Theme for the show is "Vacation Paradise." It is open for school children and entrants will be judged according to grade school, junior high and high school. Anyone else in Munday wishing to display an arrangement is invited to do so, but these will not be judged.

Arrangements for the afternoon were made by Mrs. Aaron Edgar and Mrs. Hal Amerson. Hostesses for the luncheon were: Mmes. E. H. Nelson, Paul Pendleton, Ralph Adams, Sam Offutt and Alta Bowden. There were two guests, Mrs. Ernest Schnider and Mrs. L. W. Walker, Wichita Falls. Other members present were Mmes. Ralph Don Adams, Kenneth Baker, E. W. Braly, Leland Hannah, Weldon Floyd, W. C. Hertel, H. F. Jungman, W. C. Kirschner, Ruddy Latham, Erin McGraw, Dan Offutt, Mauryse Scott, J. S. Shannon and O. H. Spann.

HILL CARAVAN TO VISIT AREA
State Rep. Bill Clark of Tyler, the son-in-law of Attorney General John Hill, begins a 500-mile caravan through North and Central Texas April 17, one of 10 caravans by the Hill for Governor campaign to join forces April 21. The caravan begins in Haskell.

AARP Report

The Munday Chapter #1437 of the American Association of Retired Persons met in regular session Thurs., April 6 at the Community Center. The Chapter president, Mrs. Virginia Cary, presided over the business session, during which several items of business were discussed and voted on.

Plans were made to serve as hostesses at Leisure Lodge monthly Birthday Party Wed., April 19, furnishing refreshments and musical entertainment. AARP members be sure and note this date on your calendar and go help serve. This is always a highlight in the lives of the residents of Leisure Lodge and you will receive a blessing from it.

Thanks for the food was voiced by Mrs. Ammie Isbell. While preparation for the meal was underway, Mrs. Clifton Patterson favored the group with several piano numbers. During the noon hour everyone enjoyed the delicious food, and fellowship with friends and neighbors.

The program for the afternoon was a sing-song, with Mrs. Bera Spann leading the group in singing many old, familiar songs and Mrs. Patterson was at the piano. Our thanks to both of them for an enjoyable time together.

We missed some of our members due to illness but were so glad that Mr. and Mrs. Aubrey Roden came for a short visit with everyone. There were 35 members and one visitor in attendance.

The next regular meeting date will be Thursday, May 4. Game nights will be April 21, April 24 and May 1. Reporter, Grace Gollehon.

Simpsons To Celebrate Anniversary

Mr. and Mrs. Otis Simpson are to be honored in observance of their Fiftieth Wedding Anniversary. A reception will be held on Sunday, April 16 from 2 until 4 p.m. at 626 S. Jefferson in Abilene at the home of a son, Mr. and Mrs. James Simpson.

Hosts for the occasion will be the Simpson's children, who invite all their friends and relatives to come and share the joy and happiness of the couple as Mr. and Mrs. Otis Simpson celebrate their Fiftieth Anniversary.

Mr. and Mrs. D. E. Whitworth recently returned from a weeks visit with their daughter and son-in-law Glen and Bobbie Selbo in Littleton, Colo.

Poster Winners Announced

Wichita-Brazos Soil and Water Conservation District poster contest winners were announced this week. According to Pete Elliston of the Soil Conservation Service the quality of posters was excellent and the number of students participating was at an all time high. Posters were prepared under the supervision of their teachers, in grades one through eight. Schools participating were Knox City-O'Brien, Benjamin, Munday and Goree.

Posters were first placed on the local level and awards presented with the first three places in each grade competing for district awards.

The District Contest was judged by: Mrs. Ila Moody, retired teacher, Weinert; Mrs. Hazel Long, retired teacher, Knox City; and Curley Hays, Public Relations Director, West Texas Utility Co., Abilene.

The winners in each grade

RUSSELL'S RIDDLES

by Russell Routon
Last weeks riddle was: What has 2 tails, 6 feet, and 2 trunks.

The answer is: An elephant with spare parts.

COLLEGE REP. SPEAKS TO SENIORS

by Brenda Bruggeman

A representative from Weatherford College spoke to the Seniors on April 7. Information on WC was passed out, and then a slide presentation of the campus and other activities was shown.

He discussed the various occupational education opportunities available at WC. These programs include Farm and Ranch Management, Welding, Vocational Nursing, Secretarial Science, and many others. Weatherford College is located near the Dallas-Ft. Worth metroplex area.

BOBBY BURNETT GIVES TALK

by Diana Redder

On April 6, Mr. Bobby Burnett spoke to the seniors and Mrs. Frazier's class on the functions of various lawyers. He also discussed the problems of buying a house and showed us several housing contracts. Besides giving advice on how to overcome problems involved with buying a house, he also discussed property sales. Mr. Burnett also passed around several examples of deeds, abstracts, and other documents.

We would like to thank Mr. Burnett for taking the time and effort to come and speak to us.

CONFUSIOUS SAY...

by Diana Redder

Monday night, at 7:30 p.m., the seniors entered a world of Chinese lanterns and Oriental mystique. It was an annual Senior Supper, sponsored by the

Munday Church of Christ and held at the Community Center.

As each senior entered the door, they were greeted by Robbie Baker, Marsha Gass, Sharon Hendrix, and David Booe, all dressed in Oriental clothes, and were asked to remove their shoes. The room was decorated with Chinese lanterns which hung from the ceiling and which supplied candlelight for the guests to eat by. Reverend Dan Cox welcomed all the seniors and gave the invocation. Everyone sat on the floor Oriental style and enjoyed a delicious meal.

After supper, each senior received a fortune cookie and read them aloud. "The Way We Were" was the theme of the entertainment and featured a baby picture of each senior and an amusing story of some funny childhood incident.

The senior class would like to thank the ladies of the Church of Christ for all their hard work in order to make the evening memorable.

BAPTIST SR. SUPPER

by Gala Myers

The Baptist Church held their annual Senior Supper, April 3. They furnished the transportation and the meal began at the home of Tony Shawver with appetizers. Then everyone went to Garon Tidwell's for salad and to the church for the main meal.

After the main meal Joy Culwell, from Colorado City, Texas, spoke. Joy spoke on "It's better to be rich and healthy than poor and sick."

The supper ended with delicious homemade ice cream at the home of Bob Therwhanger.

The seniors of '78 want to thank all of you who worked to make the supper a success.

JIM SNOWDEN
...17th dist. cong. cand.

Jim Snowden Has Statement For Voters

Jim Snowden of Tye, Democratic candidate for U.S. Representative, District 17, has authorized this newspaper to publish his statement to the voters as follows:

TO THE PEOPLE OF THE 17th CONGRESSIONAL DISTRICT:

Basically, I believe that government should be the embodiment of equality and not an instrument through which special and individual advantage can be gained.

I believe our government is determined to pauperize a segment of our society

through maladministration of welfare programs.

I believe in the supreme worth of the individual and his right life, liberty and the pursuit of happiness.

I believe every right implies a responsibility; every opportunity, an obligation; every possession, a duty.

I believe that the law was made for man and not man for the law; that the government is the servant of the people and not their master. I believe in the dignity of labor, whether with head or hand, that the world owes no man a living but that it owes every man an opportunity to make a living.

I believe that thrift is essential to well-ordered living and that economy is a prime requisite of a sound financial structure, whether in government, business or personal affairs.

I believe that truth and justice are fundamental to an enduring social order.

I believe in the sacredness of a promise, that a man's word should be as good as his bond; that character - not wealth or power or position - is of supreme worth.

I believe that the rendering of useful service is the common duty of mankind and that only in the purifying fire of sacrifice is the dross of selfishness consumed and the greatness of the human soul set free.

I believe in the all-wise

and all-loving God, named by whatever name, and that the individuals highest fulfillment, greatest happiness and widest usefulness are to be found in living in harmony with his will.

I believe that love is the greatest thing in the world; that it alone can overcome hate; that right can and will triumph over might.

Sincerely yours,
Jim Snowden

'D' Day For DEMOCRATS

I have no opponent in the primary for reelection as Representative for the 101st Legislative District. For that I am deeply grateful. I am sure my good fortune in this respect is explained by the fact that my constituents let prospective opponents understand they are satisfied with my service.

Even though I have no opponent in the Democratic Primary, Saturday, May 6, I urge my friends to go to the polls and mark an "X" in the little square opposite my name on the official ballot. I will appreciate your vote and will try to justify your confidence in me as your Representative for the next two years.

I sincerely hope the people of this Representative District will turn out in large numbers. The size of the vote is an indication of popular interest in public affairs. A good turnout will increase the effectiveness of your elected officials in meeting their public responsibilities.

Thank you in advance!

CONSERVATION POSTER Winner from Goree in 1st grade is Gina Harris, 1st place.

Will our kids live under the domination of an Enemy Power? Only a strong national defense can prevent it.

And strong national defense takes men of strength and courage, men like Dusty Rhodes.

At the end of World War II, the United States was the greatest military power in the history of civilization. Our military force was the greatest deterrent to war, the greatest power for peace this world has ever known.

What's happened to it? Today, the Soviet Union has a larger army, stronger force of strategic weapons, more submarines, more tanks, more weapons than the United States.

Is the answer an arms race? No. The answer lies in a better use of our defense funds, in elimination of duplication in the armed services, in constant research to keep us militarily powerful. The scrapping of the B-1 bomber at a time when Russia is expanding its air power is just one instance of the dangers of an unrealistic military policy in our government.

Dusty Rhodes believes that the only way we can preserve

our freedom and the freedom of our children is through a strong national defense. He is a member of the Military Affairs Committee of the Abilene Chamber of Commerce.

"I served during one war, as a Navy man for four years during the Korean conflict. I don't want my kids or my grandkids to fight another one. I am convinced that only a powerful national defense can deter the threat of global conflict in which there can be no winners," says Dusty.

And he'll fight to make sure our country has the military might to discourage unfriendly nations. As a lawyer who's used to having the cards stacked against him—and still win—as a man in whom the indomitable frontier spirit is still alive—Dusty is the kind of fighter we need in Congress.

TEXAS TALK

McDonald's impact on the beef and dairy industry is mind-boggling. The fast-food chain of 4,200 restaurants uses nearly 9 million pounds of hamburger per week. The average store sells 2,000 patties per week or the equivalent of five head-of-beef, which means that the chain needs 21,000 head per week just to keep it in 100% beef patties. McDonald's uses only domestic beef and to supply their lean meat needs for one year takes one million head in addition to the trimmings from some 750,000 fed cattle. The chain, which opened 472 new restaurants in a recent one-year period, is the world's largest buyer of beef and the world's largest buyer of potatoes and fish. McDonald's buys bakery products from 142 bakeries and its shake mix and dairy products from 168 dairies throughout the nation. McDonald's share of the \$50 billion spent on meals away from home is \$3.1 billion. Big Mac has come a long way from that first store in Des Plaines, Ill. in 1954. *****

TOP ESSAY. Annelle Myers of Munday shown with trophy for champion conservation essay in the Soil and Water Conservation District.

CONSERVATION TODAY FOR THE FUTURE OF TOMORROW by Annelle Myers

The United States of America has been abundantly blessed. The richness of its natural resources is legendary the world over. In the early years after the founding of our great country, the rich soil, the lush green forest, and the sparkling clear waters were all inspiring and things of beauty to behold. But in the name of civilization and progress, as time marched on, forests slowly disappeared, soil became eroded, and water became polluted.

It seemed to take America many years to wake up and realize that without proper care our natural resources would not be endless. The American people slowly became aware that maintaining our rich resources meant to rebuild, replant, and conserve. Conservation had to be a way of life to keep things in balance.

Good soil conservation practices to be adopted were contour strip cropping, ter-

minating, and reforestation. This all prevents the soil from washing away.

Small dams helped slow down rain swollen streams and vegetation along the banks of streams protects against growing currents. Good ground and tree cover can prevent much wind erosion. The Soil Conservation Service has worked with communities, organizations, and people to reclaim many acres of eroded and wasted land. With proper practices, this soil can be healed and reclaimed for many uses—wildlife habitat, forest, recreation, pasture and range farms, building sites, golf courses!

Our once sparkling streams and waterways have become heavily polluted with organic wastes such as animal wastes, human sewage, and wastes from meat packing plants, canneries and other agricultural industries. In the water,

these wastes break down chemically using up oxygen needed by fish. The fertilizing effect of these wastes causes heavy growth of slimy algae, aquatic plants and other things, turning this water into scummy holes. These organic wastes can be kept from polluting our water resources by properly processing them so that they can be applied as irrigation to vegetated soil. The runoff from feedlots can be controlled by building settling basins, and animal and industrial wastes can be treated in lagoons to render them less harmful.

We must continually exercise old conservation practices and constantly search for newer and better ones. The fruition of our labor will be a better, more beautiful, and healthier America for ourselves, our children, our grandchildren, and generations to come.

The district track meet for the Munday Moguls will be

held Wednesday, April 19, at Jayton. Preliminaries will begin at 9:00 a.m. and finals will start at 1 p.m.

Members of Munday's Believers Chapel are proud to announce the birth of a son to their pastor and wife, Jerry and Frieda Sparks.

Little Jason Daniel Sparks made his arrival at Knox County Hospital on Tuesday, April 11, 1978 at 10:30 a.m. He weighed 7 lbs. 13 ozs. and was 18 inches long.

Grandparents are Oscar Sparks of Baltimore, Md. and Tommie Warner of Winchester, Ky.

Bobby and Patsy Hutchinson are very excited about the birth of their first grandchild and want to tell you all about her.

Haley Cilleen made her arrival at 9:40 a.m., Monday, April 10, at the Knox County Hospital. She weighed 7 lbs. 7 ozs. and measured 18 inches in length.

Both Haley and her proud mother, Mickey, are doing fine. Her aunt, Phillis, is already making plans to help spoil her the minute she comes home.

Conservation Essay Winners

Benjamin school hosted the award presentation for the 1978 Wichita-Brazos soil and water conservation district essay contest.

Pete Elliston of the local soil conservation service discussed the rules of the contest and the procedure used in judging of the essays. Title of the essays this year was "Conservation

Today For The Future of Tomorrow."

Elliston introduced district director Charles Griffith of Benjamin who made the presentation of awards and expressed appreciation on behalf of the board of directors for the quality and level of participation this year.

Goree Baptist To Have Film On Corrie ten Boom

"CORRIE: Behind the Scenes with THE HIDING PLACE," a new full-length color release from World Wide Pictures, will be shown at First Baptist Church, Goree on Sunday night, April 16th. A single showing is scheduled to begin at 7:00 p.m.

THE HIDING PLACE, a true story filmed in Holland and other European locations, is based on the experiences of Corrie ten Boom, who, with her father, sister, and brother, provided refuge for countless Jewish families. A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Boom's activities were discovered, and they were sent to prisons and concentration camps.

Roger Deerinwater, pastor of First Baptist, Goree, stresses that the showing of "CORRIE" is open to the public free of charge. "We encourage families to plan to attend together, for what we believe will be a memorable experience," he concluded.

A nursery will be provided. *****

Stenholm To Visit

Approximately 40 volunteers promoting Charles Stenholm for Congress will visit Munday Friday, April 14. Stenholm is a Democratic candidate for the 17th Congressional District.

The visit was arranged by Charles Baker of Munday and Stacy Angle of Knox City. Stenholm's Knox County campaign coordinators. Other Knox County towns being visited that same day include: Benjamin, Truscott, Vera, Rhineland,

Knox City and Goree.

The group of Stenholm volunteers will be in town to meet the citizens, answer questions concerning Stenholm and distribute campaign literature. The general public is invited to visit with the volunteers.

PLANT CERTIFIED

For Higher Cotton Yields

Yields from certified cotton planting seed were up to 18 percent higher than yields from caught or non-certified seed according to research by Dr. L. L. Ray at the South Plains Research and Extension Center in Lubbock, Texas. Certified seed has not undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollination are eliminated. And certified seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. See your ginner or Pioneer brand seed dealer for these certified varieties.

Dependable even in dry country!

Certified LX571*

You can't control the weather. So, you need a hedge against drought. . . . and that's where the Lankart variety LX571 fits in. It consistently produces top yields of high quality cotton . . . even under tough, dry conditions. And you don't have to give up anything to get this outstanding drought tolerance, either.

LX571 produces fairly long, strong fiber . . . with micronaire normally in the premium range. And storm resistant bolls strip well in one pass through the field. Add up all the good things about LX571 . . . then it's easy to see why this is one of the most planted cotton varieties in the Rolling Plains, Central Texas and Southwestern Oklahoma.

*LX571 is a U.S. protected variety (Plant Variety Protection Certificate No. 7200018). Unauthorized propagation and unauthorized seed multiplication prohibited by law. LX571 cotton planting seed can be sold by variety name only as a class of certified seed. It is unlawful to sell non-certified seed of this variety.

Long-time favorite.

Cotton growers in Texas, Oklahoma and Eastern New Mexico have relied on certified Lankart 57 for consistently high yields for years. This variety has vigorous plants with short main stems and short fruiting branches. Leaves are large and dense. And this medium-early maturity cotton has storm-proof bolls. Lankart 57 is a good stripper cotton, too. . . . well-adapted to Texas and Oklahoma dryland production.

Certified LANKART 57

Certified LANKART 611

High yielding, early variety.

This cotton variety was developed for the early maturity needs of dryland farming . . . especially in the Blackland and Rolling Plains of Texas and Southwestern Oklahoma. Vigorous plants with short main stems and close fruiting branches produce large bolls of high quality lint. A good stripper cotton for the Southern High Plains on wilt-free soil.

Who goes out of this world for you?

We do . . . General Telephone. This is one of our earth stations. It beams 18,000 phone calls at a clip to a satellite hovering more than 20,000 miles above the equator. It gathers in the same number of calls, and sends them out over our regular telephone network. It's part of the incredibly complex system that's just about the world's most efficient communications system. And it has reliability built in, whether

it's an earth station talking to outer space, or a cute little phone built like Mickey Mouse. Because we realize how important it is to keep you in touch with your world.

We spend hundreds of millions of dollars every year, making sure that when you pick up your phone . . . It works.

We keep you talking.

Council Holds Special Session On Police Items

The City Council of the City of Munday met in Special Session April 6, at 7:30 p.m. in the City Hall.

All members were present and Chief Saffel and Gene Nix met with them.

Mayor Norman called the meeting to order and M. M. Booe led in prayer at the request of the Mayor. Minutes of two Special meetings on March 27, 1978 were read and Reid moved they be approved as written. Hobert seconded. All members voted for.

When the siren to the new police car was hooked up, it was found to be burned out. Estimated costs to repair was approximately \$100, if parts can be found. After discussion, Booe moved the City purchase a 100 watt electronic siren with P. A. system for \$345. installed from Fire Appliance Co. of Texas. Reid seconded. All for.

Next item discussed was repair and installation of crystals in two radios that were secured from Surplus for \$20 each. Approximate cost was \$410 to install two crystals in one battery unit, 1 crystal in the police car unit and buy a charger for the battery unit. After discussion, Booe moved the crystals, repair, and charger be bought as set out above from Bill Posey in Stamford. Marr seconded. All in favor.

A request for additional help during the rodeo Friday and Saturday by Chief Saffel was discussed. The extra help was for 16 hours and is to be paid to Jackie Whorton at \$2.65 per hour. Reid moved for approval and Hobert seconded. All for.

The Council discussed the possible employment of a full time city judge, a matter

which was tabled from a prior meeting. The City now operates with a part-time system. After discussion a motion was made by Reid to employ a full time judge with the salary to be negotiable in the \$200 range with current judge Sellers to be given first opportunity for the position. Booe seconded. Voting in favor: Reid, Booe, Marr and Hobert. Hardin Abstained. Carried.

A school on criminal investigation will be held at A&M at College Station on April 25, 26 and 27. After discussion Marr moved that Gene Nix be sent at a cost of approximately \$61.80 for registration, lodging, and meals, also he is to be reimbursed for gas. Reid seconded. All for.

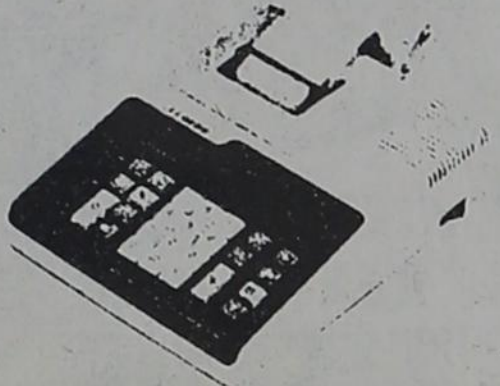

No other business, meeting adjourned.

The Romance and History of money

THE FIRST PAPER MONEY

The very first paper money to be issued in the American Colonies was in 1690 by Massachusetts. Money was needed to pay the wages of soldiers engaged in a Canadian expedition and since there was so little metallic coin available, the Colonies were obliged to issue paper money to finance the operation.
