General Election Tuesday Is Last Opportunity To Vote In '78

Tuesday, November 7, is the date you as a qualified voter have the opportunity to vote in the general election. This is not a presidential election, but we are to elect a U. S. Senator and Representative for this area. Nine constitutional amendments will require your attention and vote.

The different parties and one will be for a write-in candidate of your choice. The four parties are the Democratic, Republican, Raza Unida and Socialist Workers. You may vote a straight ticket by placing an X in the square beside the name of the party of your choice at the top of the party column.

County will be open from 7 a.m. to 7 p.m. Locations and boxes in Munday are: Munday High School 6N, Charles Baker, precinct chairman; Munday Community Center, 6E, James Smith, precinct chairman; and Band Hall, 6W, W. R. Moore Jr., precinct chairman.

U. S. Senator John Tower, Republican, is being opposed

by Robert (Bob) Krueger, Democrat; Luis A. Diaz DeLeon, Raza Unida; and Miguel Pendas, Socialist Workers.

Charles W. Stenholm, Democrat, and Bill Fisher, Republican face each other for the United States Representative, 17th District. This office is being vacated by Congressman Omar Bureson, who declined to run for re-election.

Another big race will be that of Governor of Texas. Attorney John Hill, Democrat will face opposition from Republican Bill Clements. Others on the ballot for governor are: Mario C. Compean, Raza Unida, and Sara Jean Johnston, Socialist Workers.

Three candidates will be on the ballot for Lieutenant Governor. They are Democrat Bill Hobby, Republican Gaylord Marshall and Andrea Doorack, Socialist Workers.

The Attorney General's race will also sport three candidates, Democrat Mark White, Republican Jim Baker and Socialist Worker Agnes Chapa.

Democrat Warren G. Harding will be opposed by Derrick Adams of the Socialist Workers Party for State Treasurer.

For Railroad Commissioner, Mack Wallace, Democrat must face Jana Pellusch of the Socialist Workers Party.

The last opposed race for a state office is that of Railroad Commissioner (unexpired term). John H. Poerner, Democrat, will be opposed by Republican James W. Lacy.

Running unopposed on the Democratic ticket are: Bob Bullock, Comptroller of Public Accounts; Bob Armstrong, Commissioner of General Land Office; Reagan V. Brown, Commissioner of Agriculture; Joe R. (Continued on page 2)

MOGUL Craig Paylor, 30, returned this punt 55 yards for a touchdown only to have it brought back for a 15 yard penalty for holding on the Moguls. Munday is now 4-0 in district ahead of Knox City and Haskell, who have one

loss. David Johnson, 72, and Isom Murray, 33, are shown preparing to block on Paylor's return. Munday defeated the Crowell Wildcats 24-0. The Moguls will face a tough Haskell team Friday night in Munday.

United Fund Works For Everyone

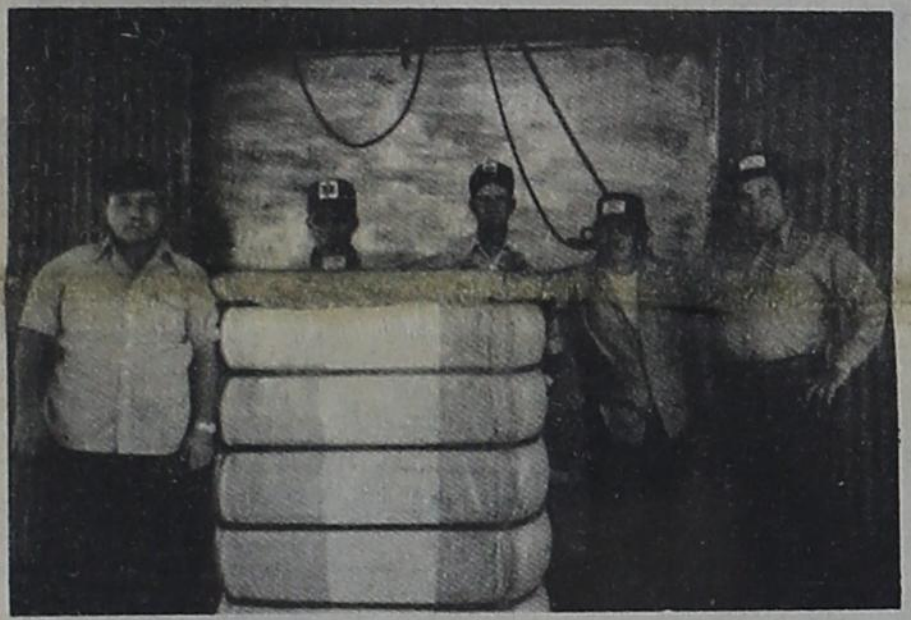

Since 1959, the citizens of the Munday area have contributed \$102,152.54 to the Munday United Fund. Everyone can be very proud of this outstanding achievement. The budget for 1979 is \$6,185. We have raised \$624.40 thus far, according to Frank Jackson, campaign chairman. We are \$5,560.60

from our goal. The deadline for the campaign is November 10.

Our contributions benefit the Little Leaguers, the disaster victims, the mentally retarded, the diabetics, the destitute, the poor, the elderly, the servicemen, the Girl Scouts, the Boy Scouts, the library, the autistic

persons, and the Bicentennial program.

This year, the Munday United Fund consolidates 11 separate drives into a single fund raising campaign. Why should you care about the United Fund? Because the United Fund cares about you. Thanks to you it works for all of us - The United Way.

FIRST BALE of '78 cotton ginned in Munday was brought in by Joe Decker. Shown left to right are: Troy Stone, ginner; Bobby Hutchinson, manager of Munday Gin and Seed Inc.; Joe Decker; Victor Garcia, employee and Jimmy Reddell, ginner.

First Bale Ginned In Munday

The first bale of 1978 cotton was ginned Monday, October 30, at Munday Gin and Seed Inc. The 2300 pounds of seed cotton was hand pulled. Joe Decker received 555 pounds of lint and 980 pounds of seed from the seed cotton.

The cotton was gathered from the farm around the home of Henry Decker in the southwest part of Munday. Decker received free ginning on the bale according to Pat Hutchinson.

Knox Prairie Seeds also ginned a bale later in the afternoon from the farm of Reid and Harper formerly the Burnison place south of Munday. The land is being farmed by Floyd and Mark Reed.

The Reeds' brought in approximately four bales which had mechanically harvested of Cascot B2 variety. One bale was ginned off the trailer and it produced 515 pounds of lint with 840 of seed.

Most Users Like New Lake Water

A report from the City Hall of Munday indicates that most of the City's water users like the new Miller Creek Reservoir water. Some of the users who use well water say they do not like the taste of the new treated water.

As in most cases anything new takes a little time in getting used to. The water is softer as can be seen in doing laundry. Cars are more easily cleaned and do not spot as bad as they did with the well water.

Several water consumers have inquired about the increase in water rates for the lake water. According to Walter Hertel, city administrator, "We know the price will be more, however the City Council has not set the rate at this time. The new rate will probably be set and go into effect in January of 79. At this time we are still charging the same rate for lake water as we were for the water coming from the City's wells."

Prices charged by the Greenbelt Water Authority and possibly others are being checked and studied to determine a workable rate to meet the City's operating costs and the Water Authority expenses.

"When the rate is set we will notify the water consumers in Munday," stated Hertel.

COURT TO BE CLOSED

The Knox County Courthouse will be closed on these following days this month: Nov. 7 - election day; Nov. 10 - Veterans day; Nov. 23 and 24 - Thanksgiving.

The Weather

Local Jaycees Attend Region Convention

On October 21, 1978 Mike Wellik, Frank Dutton and David Bordovsky attended Region IC Jaycee Convention in Abilene. During the convention Frank Dutton entered and placed third in the Texas Jaycee "Brownfield and Armbuster" awards competition. The award is based on a members (1) contribution to the Jaycee organization, (2) his contribution to his community, and (3) his personal and leadership growth. Congratulations Frank!

The convention marked the midpoint of this Jaycee year and was high-lighted by speeches from Gib Garrow, president of the Oklahoma Jaycees, and Elvis Wilson, president of the Texas Jaycees. Over 100 Jaycees and wives attended.

HEART ASSOCIATION TO MEET

The American Heart Association, Knox County Chapter will have their monthly meeting, Monday, November 6, at the Cottage Inn, in Munday at 12:00 noon. The public is welcome.

Purple Cloud Wins Best In Class

The Munday High School Band earned a first division and was selected "Best in Class", Saturday at the Second Annual Munday Marching Festival. Other Class A bands participating were Petrolia, Aspermont, Notre Dame and Crowell. Olney won best in Class AA over Winters High School. Throckmorton and Holliday Jr. High also received first division ratings in Class B and Class C.

Band director Jerry Frazier wishes to thank the many fans who came to support the band. Special thanks go to all who helped by supplying food, working in the concession and cleaning up. And of course, a big thank you to Curly Alwalt for preparing the bar-be-cue.

Judges for the festival were George Riddell, Abernathy; Milton Fox, Azle; and James Mallow, Brady. Mr. Mallow is president of the Texas Bandmaster's Association this year.

Moguls Win Number Four In District 7-A Competition

The Munday Moguls still lead the way in District 7-A after defeating the Crowell Wildcats 24-0 Friday night. Munday is the only undefeated team in district play. Knox City and Haskell have one loss each. Munday beat Knox City for their first loss and Knox City defeated Haskell for their only loss.

Munday took the opening kickoff at Crowell and moved the ball to the 37

yard line before they were forced to punt. A 38 yard punt by Larry Welch put the Cats on their 24 after a clipping call on the return.

Moving the ball to the 32, Jeff Christopher was called on to punt on 4th and 2. A 32 yarder left the Moguls 1st and 10 on their 36.

An incomplete pass, Isom Murray for 17 yards and a 1st down, the Moguls faced 4th and 2 on Crowell's 39. Welch punted for 19 yards. Crowell and Munday then exchanged punts on 4th down and long. Christopher hit a 29 yarder and Welch put his in the end zone from 44 yards out.

The Wildcats moved the ball to the 41 on a 17 yard run by John Thomas. The Mogul defense tightened and forced another Christopher punt of 40 yards.

Munday started on their 17 and Otis Adams carried for 30 yards on three tries with Phil Johnson recovering a fumble on the tackle saving a turnover. Quarterback Randy Routon then hit end Larry Welch on a pass good for 63 yards down to the 12. Johnny Dockins carried for two yards. With 11:54 left in the second quarter Isom Murray scored from the 10. The PAT by Welch was wide.

Crowell returned the kickoff 19 yards to the 35. The defense held and the snap to Christopher went over his head and a good rush forced a 21 yard punt.

The Moguls moved the ball to the Crowell 49 and then punted on fourth down to the 13.

Illegal motion was called against Crowell and the ball was moved back to the 9 yard line. Keith Sanders then blocked the punt only to have Munday offside. Kicking again from the 13 Welch blocked the punt and a safety followed making the score 8-0 with 6:37 to go.

Murray took the free kick and returned it 19 yards to the Crowell 40. Routon was dropped for a 10 yard loss and gained 9 back on the next play. Welch hit a 31 yarder to the 10 yard line.

Three plays and 6 yards forced the Wildcats to punt. Omar Choucair replaced Routon as quarterback for the Moguls. Choucair gained

3 yards to the 41 and then Robert Newman intercepted the ball. Two plays later Keith Sanders recovered a fumble on the 44. After a pass from Routon to Bobby Therwhanger good for 19 yards, Wildcat Christopher recovered a Mogul fumble on the 22. Three plays later and on fourth and 17 a punt for 20 left the Moguls in possession on the 35. Routon was again sacked by the Wildcats defense for a 11 yard loss. One incomplete pass and the half ended with a score of 8-0.

Crowell started the second half moving the ball against the Moguls. Howard Sparkman had a 50 yard romp before he was brought down by Kevin Herring on the 14. Sanders dropped Fly for a ten yard loss. McGee was also dropped for a 16 yard loss and Christopher punted to the 23.

The Moguls moved the ball to the 45 on plays by Routon to Therwhanger for 8 yards and runs by Murray and Craig Paylor. Welch then punted to the 30 where

Tractor Maintenance Course Scheduled At Ag Building

A tractor maintenance course has been set for November 27 thru 30 at the Munday Ag Building, according to vo-ag teacher Tom Brockman.

Instructor for the course will be Richard Pivonka. He received his Mechanized Agriculture degree from Texas A&M.

pre-enroll starting now by coming by the Ag Building during school hours.

To keep those tractors in the field and help reduce repairs, maintenance is required. A well planned program of maintenance adds years to the life of your tractor.

The class will begin on the above dates at 7:30 p.m.

PAM CARAM ...Contest Winner

Pam Caram Wins Century III Contest

A selection committee consisting of Mr. Dan Sloan, Chairman, Omar Choucair, Mrs. Millie Smith, and Dr. Dale Selzer chose Pam from a group of 35 senior class applicants.

Runners-up were Bobby Therwhanger, son of Mr. and Mrs. Bob Therwhanger, and Kathy Kuehler, daughter of Mr. and Mrs. Alfred Kuehler.

Applications were judged according to the leadership potential shown by the applicants, with particular emphasis being given to community and extra-curricular activities. The results of a current events exam were also reviewed by the selection committee.

Pam is the daughter of Mr. and Mrs. Freddie Caram. Pam, a senior, has been active in numerous extra-curricular activities including the National Honor Society, Band, Choir!

Student Council, Future Teachers of America, the Tom-Tom Newstaff, Future Homemakers of American, One-act play, the Starlites Flag Drill team, basketball and track.

Pam's hobbies and interests include painting, reading arts and crafts, refinishing of antiques, and travel. Pam has worked part-time at Ben Franklin's Variety Store, the Munday Chamber of Commerce, and baby sitting. Pam will now compete at the state level in hopes of receiving a cash reward and a possible trip to Washington, D. C. to compete nationally. She is currently writing a paper on the topic of "Inflation" which will be part of her entry at the state level.

District 7-A Championship Still A Nip And Tuck Race

The Munday Moguls still lead the way in District 7-A with 4-0 record by defeating Crowell Friday night by a score of 24-0. So far this season the Moguls have defeated Quanah, Paducah, Knox City and Crowell.

Knox City still remains one game away from the lead along with the Haskell Indians who lost to the Greyhounds 6-3 in earlier district play.

Munday will meet the powerhouse Indians Friday night in Munday. Knox City will play Paducah. A loss by Munday would put the District in a three-way tie if the Greyhounds win.

The Greyhounds remained in the District race by defeating Quanah 41-0 last week at Knox City. They rushed for 265 yards and totaled 308 yards for the night against 54 total offensive yards for the Quanah Indians.

Haskell hopes remained alive as they ran-up a 49-6 win over Aspermont. The Indians amassed 465 yards total offense to the Hornets

151. Munday will have to be prepared for the Indians as the game will most likely decide the District 7-A champ.

Haskell sports a powerful backfield composed of the brother duo, Monnie and Vonnie Hise, Tailback Mark Wallace and quarterback Jim Harris. Joseph Browning, split end, is a very capable receiver. All around the Indians have an outstanding team and will be hard to defeat.

Mogul supporters will be out in force to try and boost their team to a victory.

Detection Clinic Set Wednesday

A free screening clinic for anyone 16 years of age and older will be conducted in Munday on Wednesday, November 8th, by the Texas Department of Health, Public Health Region 4. The clinic is for the early detection of disease for persons who have not seen a physician for medical evaluation within a period of one year.

If an abnormality is found, the person will be notified and referred to his physician.

This program includes screening of medical history, blood pressure, height, weight, hearing, vision, diabetes, anemia, abnormal hemoglobins, skin disorders, urinalysis, and pulmonary function test.

Public Health Region 4 nursing staff will conduct these clinics each month. For an appointment you may call (817) 422-4205 in Munday or (817) 888-5585 in Seymour.

Remember To Vote Tuesday

We as citizens have opportunities in this country that few other countries have. We have a voice in the government. To exercise this voice one must vote!

Not voting dulls the voice and dims the governments insight to the peoples needs. The Munday Jaycees encourage all voters to study the candidates and then vote for the one of their choice.

Remember, your vote is not just one vote, but one more vote.

Don't forget to vote November 7.

MUNDAY MOGULS!!!

THEY LAUGHED, BUT IT WASN'T FUNNY!

"Behold, now is the accepted time; behold, now is the day of salvation."

Lee Roberson, President-Founder of Tennessee Temple Schools, relates the tragic, true story of the Conemaugh Valley and the Conemaugh Dam. Engineers were sent to the valley to inspect the dam, and they found it unsafe and in danger of breaking. They warned the people, "Move out! Get on higher ground!" But the people remained. The engineers came back and warned the people again, but were laughed at—"Nothing happened the first time you warned us. We're staying!" The next spring the engineers gave a third, more urgent warning for the people to move out. "You must get out at once. The dam is going to break!" The people accused them of trying to get their land. Fifteen days later, a rider on horseback came screaming through the valley, "The waters are coming! The dam is breaking!" He kept on shouting and screaming, and still we are told, some people stood and laughed! He was not out of their sight before they could hear the sound of the rushing waters, and in just a few minutes over 3,300 people had lost their lives! It took over six weeks to dig their bodies out of the refuse, the muck and the mire.

Listen! They had been warned, not once, not twice, but three times, even as we are seeking, once again, to warn you, that "today is the day of salvation!"

Jesus said, "I am the way, the truth, and the life; no man comes unto the Father, but by me". Won't you give your life to Jesus Christ? If we can help you, contact us. We're the

(Bill) Davis, Judge, Court of Criminal Appeals, Place 3; Ray Farabee, State Senator, 30th District; W. S. "Bill" Healy, State Representative, 101st District; James M. Binion, Member, State Board of Education, 17th District; Raleigh Brown, Associate Justice, Court of Civil Appeals, 11th District; and Bob Dickenson, Associate Justice, Court of Civil Appeals, 11th District (unexpired term).

On the ballot for County Office are: H. T. Melton,

County Judge; Gloria L. West, District and County Clerk and J. T. Cypert, County Treasurer.

Ballots for other precincts list their respective candidates.

Leading off the proposed constitutional amendments is the Tax Relief Amendment. This provides for tax relief for residential homeowners, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a re-definition of the tax base; for limitations on state spending; and for property tax administration.

Amendment number one deals with certain products and services rendered to the handicapped. Number 2 is to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens.

Giving the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes is the third amendment on the ballot.

Exemption from taxation on solar and wind-powered energy devices makes up number 4. Extend the jurisdiction of justices of the peace in civil cases is number 5.

Number six deals with the legislature being permitted to increase the number of justices on a court of civil appeals, permitting them to sit in sections and requiring a concurrence of a majority of justices to decide a case.

Repealing the constitutional authority for the State Building Commission and the State Building Fund is number 7.

Authorization of certain districts to engage in fire-fighting activities and to issue bonds or other indebtedness or to issue bonds or otherwise lend their credit for fire-fighting purposes is the last amendment on the ballot.

You may vote for or against any of these constitutional amendments by placing an X in the appropriate box beside the amendment.

Your duty as a citizen and a qualified voter is to VOTE. Take an interest in your government and go to the polls Tuesday, November 7, and cast your ballot for the candidate of your choice and vote on the nine proposed amendments.

Moguls

Crowell took over.

The Wildcats couldn't move the ball and a punt was returned 55 yards by Paylor only to have it nullified by a 15 yard penalty for holding. Runs by Paylor and Murray moved the ball to the 36 and Routon was thrown for a 13 yard loss to the 49. Routon then hit Murray on a screen pass good for 34 yards. After a five yard loss Munday had 4th and 15 from the 20. Welch then unleashed a 35 yard field goal making the score 11-0.

On the next series Y. Ramirez dropped Sparkman in the backfield and a fumble followed recovered by Sanders on the 19.

Murray went around left end for 11 and a loss of 2 put the Moguls on the 10. Two passes net 4 yards and Welch again kicked a three pointer from 24 yards out.

Murray carried for 2 to the 49, Routon ran for 17, a pass from Routon to Therwanger for 8, Dockins made 4 before Murray raced 20 yards for the TD. The score was now 21-0 after the PAT by Welch.

On the first play after the kickoff Routon intercepted a pass on the 31 and returned

it 3 to the 34.

Illegal motion on the next series cost the Moguls five yards and Welch punted from the 33 hitting a 36 yarder.

Phil Johnson and Keith Sanders then caught Crowell's quarterback for a 7 yard loss to the 30. On the next play a fumble by Crowell was recovered by Johnson on the 25.

Welch kicked his third field goal of the night from the 25 making a 35 yard field goal.

Sanders dropped Thomas for a 13 yard loss in the next drive. The defense held on

4th and 16 and took final possession of the ball.

Paylor carried twice for 12 yards and Choucair picked up 2. A facemask call on the Wildcats gave the Moguls first and ten on the 21. Choucair took the snap and downed the ball as the game ended.

"Sharon's Tips & Topics"

By Sharon Book

Learn To Listen

Communication is one of the most studied fields of today, yet we find this area to be one which causes the majority of our problems—whether it be with boy-friends, children, husbands, or friends.

Communication is much more than talking or listening and involves a development of special skills. One of the first things we all need to do is to "Learn to Listen" and gain the basis for understanding others and strengthen our relationships. Few people have mastered the art of listening with understanding. In fact, research shows that poor listening is a major family problem.

Here are six steps to becoming a more effective and efficient listener.

1. Be interested in the other person. Thinking that each person has something helpful to say makes listening easier.

2. Accept "less than perfect" in others. Each person has something to offer regardless of age, dress, mannerism, or speech.

3. Learn to "act" and not "react". Hear all of what a person has to say and view the entire idea rather than its specifics—and do not make assumptions.

4. Recognize that others may use words and convey thoughts that are outside our circle of knowledge. Use these experiences to expand knowledge. Some helpful responses are: "Oh, that is interesting," "I didn't know that," "That is something I have often wondered about," "Would you explain?"

5. Try to understand what the individual is saying. Sometimes words do not tell

the whole idea.

6. Pay attention. Faking attention is disrespectful and causes the communication process to break down.

Each of these six steps must be practiced over and over again to help us become more efficient in our communication. Taking time to share your ideas, feelings and problems is one way to let others know how important they are to you. Open, honest communication will involve both verbal communication and physical communication. "Body language" is a very important part of our communication. A hug, back rub or squeeze of the hand have special meaning for those we love—just as the words 'I love you' do. Honest two-way communication lets others know they're cared for and that their ideas are being heard and important too!

This is the 1st part of a series on communication.

Achievement Day Winners Announced

By Sharon Book

On October 21, homemakers from across Knox County gathered for their annual Achievement Day. The Knox County homemakers exhibited articles which they had made during the last year. The entries varied from macrame and toll painting to canned fruits and vegetables.

Speakers for the day were Mrs. Katie Taylor and Mrs. Coy Marshall, both from Quannah. They presented a synopsis of the Texas Home Demonstration Association which they attended

Baty Elected To Board Of SWCD

Louis Baty of Gilliland was recently elected to the Wichita Brazos Soil and Water Conservation board of directors for a five year term. Baty represents zone 5 of the district.

The purpose of the Wichita Brazos SWCD, with headquarters in Knox City, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with those governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Baty will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Baty is active in the Farm Bureau. He is a native of Knox County and has been farming in the Gilliland area all of his adult life.

In Texas there are 198 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners

this past month. After the program, everyone enjoyed the Salad Luncheon and the presentation of awards. Awards presented were: Woman of the Year, Mrs. June Navratil from Gilliland; Sweepstakes Award (High Point), Mrs. W. R. Owens, from Truscott; Sweepstakes Runner-Up, Mrs. Bill Ryder from Benjamin; and Club with most entries, Spring Chickens from Benjamin.

LOUIS BATY
...New Director

with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the land owner or operator.

Organized in August, 1942, the Wichita Brazos SWCD has been providing continuing service to the people of Knox County for 46 years.

For further information on district service and assistance contact the district office in Knox City or contact the district director in your area. Other district directors are: L. D. Offutt, Munday, Clifford Cornett, Knox City, Charles Griffith, Benjamin, Billy Kinnibrugh, Vera.

To keep warmest this winter, choose garments that are thick but not heavy, or select those that can be worn loosely in layers that trap insulating air next to the body, advises Becky Culp clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Coach's Comments

By Steve Rodgers

Our game with Crowell was tough and very physical on both sides. We felt that our young men might be down from the previous week, but they rose for the challenge.

We had outstanding effort from the defensive team this week, Johnny Melton and Wayne Mints wre the leading tacklers for the defense, with Johnny having 16 assisted tackles and Wayne with 13. Our head-hunter award went to the defensive team. There was no one player that had more than two unassisted tackles. Other members of this team are: Ronnie Phillips, Y. Rameriz, Phil Johnson, Larry Welch, Keith Sanders, Billy Welch, Bobby Therwanger, Kevin Herring and Montie McAfee.

Offensively, we were pleased with our kicking game. Larry Welch had a good night hitting 3 field goals. This speciality team works as a group and we feel that they all have something to do with the success of field goals.

This week we play Haskell and this game is very important to both teams. We feel that Haskell is probably the best overall team that our players have faced. This game will be a good physical contest and should help determine the district.

EIGHTH GRADE

By John Poulos

The Eighth Grade hit the winning column last Thursday by defeating Crowell in a 44-0 score.

I was more than pleased for the players. They showed great enthusiasm and team spirit. The defense was the vital key. They stopped the Crowell team near our goal line and I believe this was a big turning point of the game.

The offense blocked very good with hard running from

all our backs. Along with the offense and defense the kicking game gave the Braves good field position.

It's always difficult to give outstanding players recognition for the type of game they played, but this week it was easy. It was definitely a team effort and all the links in the chain were strong. "Average is to be the best of the bad and lowest of the good."

I believe the eighth grade proved they were more than average.

LOOK WHOS HERE

Let me introduce myself to you. My name is Terra Joann Searcey which is a pretty big name for a little girl weighing only 8 lbs. 6 1/2 ozs. and measuring 19 inches at birth. My birth date was Monday, October 30, 1978 at 3:55 p.m. and my mother was at Haskell Memorial Hospital when I arrived.

Speaking of my parents, they are Mr. and Mrs. Matt Searcey of Abilene.

I've been informed that I have many grandparents awaiting to spoil me. My maternal grandparents are Mr. and Mrs. Ted Herring, Rhineland, and my paternal grandparents are Mr. and Mrs. Clarence Searcey, Munday. My great-grandparents are Mr. and Mrs. Joseph Decker, Rhineland, Mrs. A. M. Searcey, Munday, and Mr. and Mrs. Frank Omon, Haskell.

Goree Remains On Top In District 5-B Race

The Goree Wildcats ran wild against the Throckmorton Greyhounds to the tune of 47-13 in District 5-B at Goree Friday night. The Wildcats remain undefeated in District play.

Billy Ray Richardson lead the Wildcat scorers with three TDs. He accomplished this in the first half on runs of 1, 20 and 4 yards.

Other scorers for Goree included: Robert Reagins, 7 yards in the first quarter and 25 in the third; Johnny Reagins, a 49 yard pass from

Robert Reagins; and Jeff Presnall intercepted a pass for a 55 yard scoring return.

Greyhound Rob Brown scored both of Throckmorton's touchdowns in the fourth quarter on runs of 15 and 5 yards.

David Gonzales intercepted two Greyhound passes and recovered two fumbles to spark the Goree defense. Goree is now 5-1 for the season and 3-0 in district.

The Wildcats will travel to Rule Friday night to take on the Bobcats.

Understanding Medicare And How To Claim Benefits

Even though Medicare has been around for almost 12 years, many people who have this valuable protection still do not understand it, or know how to claim benefits due them. Mr. James Harper, District Manager of the Vernon Social Security Office, said here today.

There are three groups of people who all have the hospital insurance part of Medicare, which is called part A. Mr. Harper explained. They are (1) all persons 65 years of age or older who receive a monthly Social Security check; (2) people who have been entitled to monthly social security disability benefits for 24 consecutive months; and (3) most people, of any age, who require maintenance dialysis, or who must have a kidney transplant, because of total kidney failure. Many of these people, who have Medicare Hospital Insurance, also have elected part B of Medicare, which helps pay for doctor bills and other types of medical services, said Mr. Harper.

As far as the basic hospital protection, or part A of Medicare, is concerned, beneficiaries need not worry about how to claim benefits, Mr. Harper said, because the hospital or institution where you have covered treatment and services files the claim for you.

When a Medicare patient enters a hospital, Mr. Harper said, he has to pay a deductible, which currently amounts to the first \$144 of the covered hospital expenses. This deductible, explained Mr. Harper, is similar to that which you may have on your auto-

New Earnings Limit For Students

The new earnings limit for students has been changed by the 1977 Amendments to the Social Security Act. In 1977 the earnings limit was \$3,000. For 1978 the limit on earnings for a student is \$3,240. If the student earns \$3,240 or less during the year he can get all of his social security benefits. Should he earn more than \$3,240 his benefits will be reduced \$1.00 for each \$2.00 he makes above \$3,240.

Students are also entitled to a one time monthly test where they may receive full benefits for all month in which they did not earn more than \$270.00 even though their total earnings for 1978 are in excess of \$3,240.

Students who do not plan to continue to be a full time student should notify the local social security office as quickly as possible so that benefits can be stopped thus preventing any overpayment.

A student's benefits stop if the student gets married. When a student receiving checks gets married he should promptly report his marriage to the nearest social security office.

Should you have any questions about student benefits please call the Vernon Social Security at 817-552-9346. The office is located at 1701 Cumberland in Vernon, Texas.

Hospital News

Patients admitted to the Knox County Hospital from October 21 thru October 28 were:

Munday: Dora Followill, Ernest Moore, Mary Hunter and Clarence Brown.

Knox City: Ethel Lovelace and Inez Leija.

Rochester: Eugene Bittick.

Lubbock: Cayloma Daniell.

Patients dismissed during that time:

Munday: Bertha Fincannon, K. E. Brown, Mary Hunter and Bessie Winchester.

Benjamin: Lou Leaverton and Cora Gillentine.

Knox City: Ona Mae Reeves, Maggie Cagle, Allene Wall, Mary Hope Carr and Lillian A. Robertson.

mobile collision insurance, under which you are required to pay the first \$100 or so of the repair bill. By law, the Medicare deductible must always be roughly equal to the nationally averaged cost of one day's care in a hospital. Once a Medicare patient has paid his deductible, Medicare will pay most of the medically necessary hospital charges for up to 60 days in a single period of illness. If the patient should be hospitalized over 60 days in a single period of illness, he becomes responsible for part of each days bill, for the next 30 days. Social Security calls this portion of the bill that a patient must pay "coinsurance". Currently, a

Medicare patient pays \$36 a day during this 30 day coinsurance period.

Under part B of Medicare, which most beneficiaries carry, the patient has more responsibility, for a larger share of his bill, Mr. Harper said. In some cases, a Medicare patient's doctor or supplier of medical services accepts assignment of payment on the patient's Medicare claim, and also handles all of the paper work involved in filing it. In these cases, the Medicare beneficiary pays only 20 percent of the charges allowed by the Medicare insurance claims processing company, plus a once-a-year \$60 deductible. In the majority of cases, however, doctors or

suppliers of medical services do not accept assignment. In these cases, the patient is responsible for seeing that his claim is filed, even though some doctors offices and clinics will fill out the papers. Regardless of who fills out the papers, however, when assignment is not accepted, the Medicare beneficiary should be aware that he may have to pay an additional part of his bill, above and beyond both the \$60 annual deductible and 20 percent of allowed charges.

The reason for this is that the Medicare claims processor may find that the charge for a particular service exceeds the average customary charges for that service by doctors or

suppliers in that area or State. When this happens the patient is solely responsible for charges in excess of what the Medicare processor determines to be the average customary charge for the service. Another important point for a Medicare patient to remember, said Mr. Harper, is that Medicare will not pay anything at all on prescription drugs, or medications which a patient can administer to himself.

Considering that prescription drugs are not covered, that Medicare claims processors can recognize and pay on only average customary charges for an area, and that there are deductibles and coinsurance amounts to be

paid by a Medicare patient, the average Medicare patient can expect Medicare to pay about 60 to 65 percent of his total health care costs, Mr. Harper said. However, with health care costs as high as they are today, that's still pretty good insurance, and it is provided at a very reasonable cost, in terms of the tax dollars and premiums paid. In fact, said Mr. Harper, when you consider that Medicare beneficiaries are all high risks, medically speaking, the cost is extremely reasonable. More important than that, though, he said, is the fact that Medicare beneficiaries are guaranteed a means of being able to seek and have necessary medical treatment. That's the most important aspect of the Medicare program.

Look at the Record:

VOTE DEMOCRATIC

You are hearing a lot these days about the cost of government. Balanced budgets. Per capita cost of government. Unemployment. High taxes. Outlook for the future.

In all these categories Texas is the envy of people living in the other 49 States of the Union. This explains why Texas continues to gain population and why business remains good in Texas. We have no income tax, individual or corporate. Cost of living is below the national average because less of a worker's pay check and a smaller portion of the profits in business are required to pay for public service than in other sections of the country.

Texas State Government operates on a cash basis. The Legislature has no power to create a debt against the State. There is always real cash in the State Treasury to pay obligations as they become due.

Texas hasn't had a Republican Governor since 1873. Texas hasn't had a

Republican-controlled Legislature since Carpetbag days following the Civil War.

Texas has increased in wealth and population and has kept pace with social and cultural progress under government administered by Democrats.

Life is richer and more enjoyable, with less government interference in personal and community affairs in Texas than in other sections of the nation.

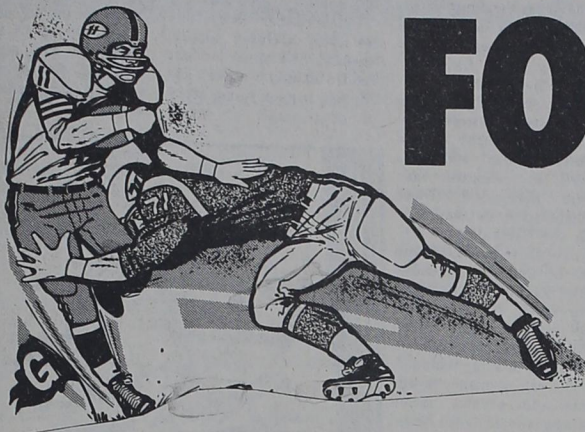

Vote to keep it that way by voting a straight Democratic ticket in the General Election, Tuesday, Nov. 7, 1978.

Sherry Wheelles, Bob Couch Married October 28

Married on the afternoon of October 28, in the Park Cities Baptist Church in Dallas, was Sherry Lynn Wheelles, daughter of Mrs. Sybil I. Wheelles of Bedford, and the late Wm. E. Wheelles, and Bob Collins Couch, son of Mrs. Mae Couch of Munday. Officiating the ceremonies was Britton Wood single adult minister at Park Cities Baptist Church.

The altar was decorated with a floral arrangement of white and yellow fugi mums flanked on both sides with brass candelabras.

Providing music for the ceremony was Janice Smith, organist, Ken Barker, pianist and Joyce Aiken, soloist.

The bride given in marriage by her brother, Bruce Wheelles, wore a formal gown of candlelight peau de soie and alencon lace fashioned with an empire lace bodice and long sleeves edged with deep lace cuffs. A lace motif bordered the hemline of the A-line skirt. The floor length veil, made by the bride's mother, was made of candlelight illusion bordered with lace. She carried bronze woben abbey roses and white starburst mums.

The bride's matron of honor was her sister, Carol Brown of Arlington. She wore a floor length gown of Fabiana knit fashioned in a blousen look top and full

accordion pleated skirt. She carried a nosegay of bronze mums.

The bridesmaids wore dresses and carried nosegays identical to the matron of honor. The bridesmaids were Patti Bettis of Grand Prairie, Anita Wheelles of

Bedford and Gayle Cooper of Carrollton.

Best man to the groom was Tom Aiken of Carrollton. The other attendants were Ken Hodnett of Dallas, Rick Couch of Dallas and Ron Bettis of Grand Prairie.

Flower girl for the occasion was Jackie Brown of Arlington and ring bearer was Derek Wheelles of Arlington.

Ushers were Buddy Brown of Arlington and Jac Cooper of Carrollton.

Joyce and Tom Aiken hosted the wedding reception at their home in Carrollton. Assisting at the reception were Miss Andrea Nocosia, Mrs. Grace Reynolds, Mrs. Faye Hodnett and Miss Chris Kalish.

After a wedding trip to Pensacola, Florida, the bride and groom will be at home at 3727 Brookhaven #424 in Dallas.

The rehearsal party was held in the home of Tom and

Joyce Aiken on October 27, 1978.

The bride is a 1967 graduate of West Texas State University where she was a member of the WTSU band, and a member of Tau Beta Sigma sorority. She is currently employed by Skaggs Supercenter.

The groom is a graduate of Munday High School and Naval Communications School, Pensacola, Fla. He has spent 7 years in the U. S. Navy stationed at Naval Communications Station, Honolulu, Hawaii; USS Midway, homeported at Yokosuka, Japan; and Naval Communications Station, San Diego, Calif.

Now Is The Time To Control Weeds In Lawns

By Tommy Antilley
Now is the time to control those unsightly weeds and grasses that emerged in your lawns last winter and became more prominent as spring came.

Winter weeds begin to germinate as the temperature drops in October and November. Weed seedlings emerge from November

through January but remain small and often don't become obvious until January or February.

Many herbicides will control these weeds before they have a chance to germinate. These are in easily applied granular form which is easier to calibrate than liquid herbicides. These include Balan, Betasan, Pre-San and Dacthal.

All of these herbicides can also be found as mixtures with fertilizers. Extreme care should be used when applying herbicides mixed with fertilizers as a common mistake is to apply too much which can damage flower beds and shrubs. Home owners should read label directions carefully and

observe all precautions. Some other herbicide-fertilizer mixtures contain atrazine and simazine, but these should never be applied around young trees or ornamentals or injury

may occur. Before buying any herbicide, read all of the label directions and precautions to avoid destroying trees, shrubs or flowers around the home.

"SERMONS WE SEE"

During the time our darling was sick and when he went away we saw so many sermons—you came with food for us, brought beautiful plants, sent flowers to the service, prepared and served a delicious meal, gladly sat with Dad at the hospital, kindly rendered services at the hospital, willingly accepted the duty of being pallbearers, and expressed sympathy by beautiful cards and visits. A lovely memorial service was prepared by Reverend Paris Barton of Weinert Baptist Church who was assisted by Reverend Jack Mints of Munday Baptist Church. For all these sermons we have seen we shall be eternally grateful.

Fred Lain Rites Held Sunday

William Fred Lain, 74, died Saturday, October 28, 1978, at 10:50 a.m. in Knox County Hospital after a lengthy illness. Sunday afternoon at 3:00 p.m. the First Baptist Church of Munday overflowed with friends and relatives who came to pay their last respects to a long time resident of this area. Paris Barton, minister of Weinert Baptist Church, officiated, and was assisted by Jack Mints, minister of Munday First Baptist Church. Burial was in Johnson Memorial Cemetery, directed by McCauley-Smith Funeral Home of Munday.

Born January 6, 1904 in Parker County, Mr. Lain moved to Knox County where he married Leita Melvina Lane of Cleburne, Texas, March 9, 1929. They lived in and around Munday where he both farmed and barbered until 1958 when they moved to Midland where he owned and operated the OK Barber Shop. He was a member and past president of the Southside Lions Club, receiving a 10-year perfect attendance pen in 1968.

Shortly thereafter Mr. and Mrs. Lain returned to Munday where he farmed until retirement in 1974.

Survivors include his wife; a son, Larry Don Lain of Knox City; a daughter, Joan Lain of Munday; two brothers, Homer Lain of Abilene, C. W. Lain of Seymour; two sisters, Mrs. Clyde Morton and Mrs. Arnold Land of Goree; seven grandchildren and one great grandchild. He was preceded in death by two sons: Danny Max Lain in 1943 and Billy Jay Lain in 1973.

Pallbearers were Eddie Sanders, J. R. Hill, Gene Haynie, George Hodges, Gene Brown, and Jerry King.

Police Report

Oct. 16 - Oct. 27
The Munday Police Department issued eleven citations and ten warnings during this report period.

There was one minor in possession and 1 DWI filed. One 15 yr. old female was reported missing but later found. There were two prowler calls, one involving vandalism. There were three traffic accidents investigated.

4-H Cow Camp November 11 And 12

The leaders of 4-H, adult and teens, are invited to participate in the 1978 4-H Cow Camp for Volunteer 4-H Beef Leaders. This training will be scheduled for November 11 and 12 at the Texas 4-H Center near Brownwood, according to Jeannine Callahan, 4-H and youth specialist with the Texas Agricultural Extension Service.

This workshop will provide excellent training for 4-H leaders who work with youth in all aspects of beef projects. The topics for this workshop include: "Leader-Oriented 4-H Livestock Programs;" "Working with Kids - The Developmental Processes;" "Judging and Selection: How Leaders Can Train Teams;" "Fitting and Showing Heifers;" and "Fitting and Showing Steers."

Workshop instructors for the November 11-12 weekend sessions will be: Mr. W. Dee Whitmire, State 4-H Club Leader, Laramie, Wyoming; Dr. Nelson Adams, Area Livestock Specialist, Fort Stockton; Dr. Larry Boleman, Area Beef Cattle Specialist, Bryan; Mr. Don Richardson,

County Extension Agent, Alice; Mr. Ronnie Leps, County Extension Agent, Conroe; and Mr. Lanny Bullard, 4-H and Youth Specialist, College Station. For registration and other information, interested persons may contact the county Extension office.

Six Man Round-Up

MUSTANGS WIN BY THREE OVER PATTON SPRINGS

Joey Pierce had it altogether Friday night at Benjamin as the Mustangs downed the Rangers 42-39. Pierce either scored or passed for all the touchdowns but one the Benjamin team scored.

Pierce scored from five yards and kicked the PAT in the first quarter. In the second quarter he added two more TD's and another PAT. Craig Hertel received a pass from Pierce in the third and Joey scored another TD. His last score came in the fourth with a PAT. The only play he did not combine with was a

35-yard pass from Billy Carl Benson to Jimmy Redwine. Patton Springs scorers were: Don Baxter, 24 points; David Baxter, 6 and Tim Baty, 6.

Most newspapers pick Hill over Clements

"John Hill may be the best candidate for governor in decades. Judging from his record, he should win easily over his Republican opponent, whose chief qualification is money. Unlike his opponent, Hill is not given to outrageous promises, interperate personal attack or underhanded tactics. He will work hard for the best interests of the state and its people."

— Austin American Statesman

"The more Mr. Clements has explained his blunt viewpoints — even those views we could agree with — the more he has raised doubt as to how effective a bulldozer could be in Texas government. Conversely, John Hill has grown in our evaluation as a man who not only is the best state attorney general in recent history, but also is a man with the intelligence, savvy and ability to serve Texas well as governor."

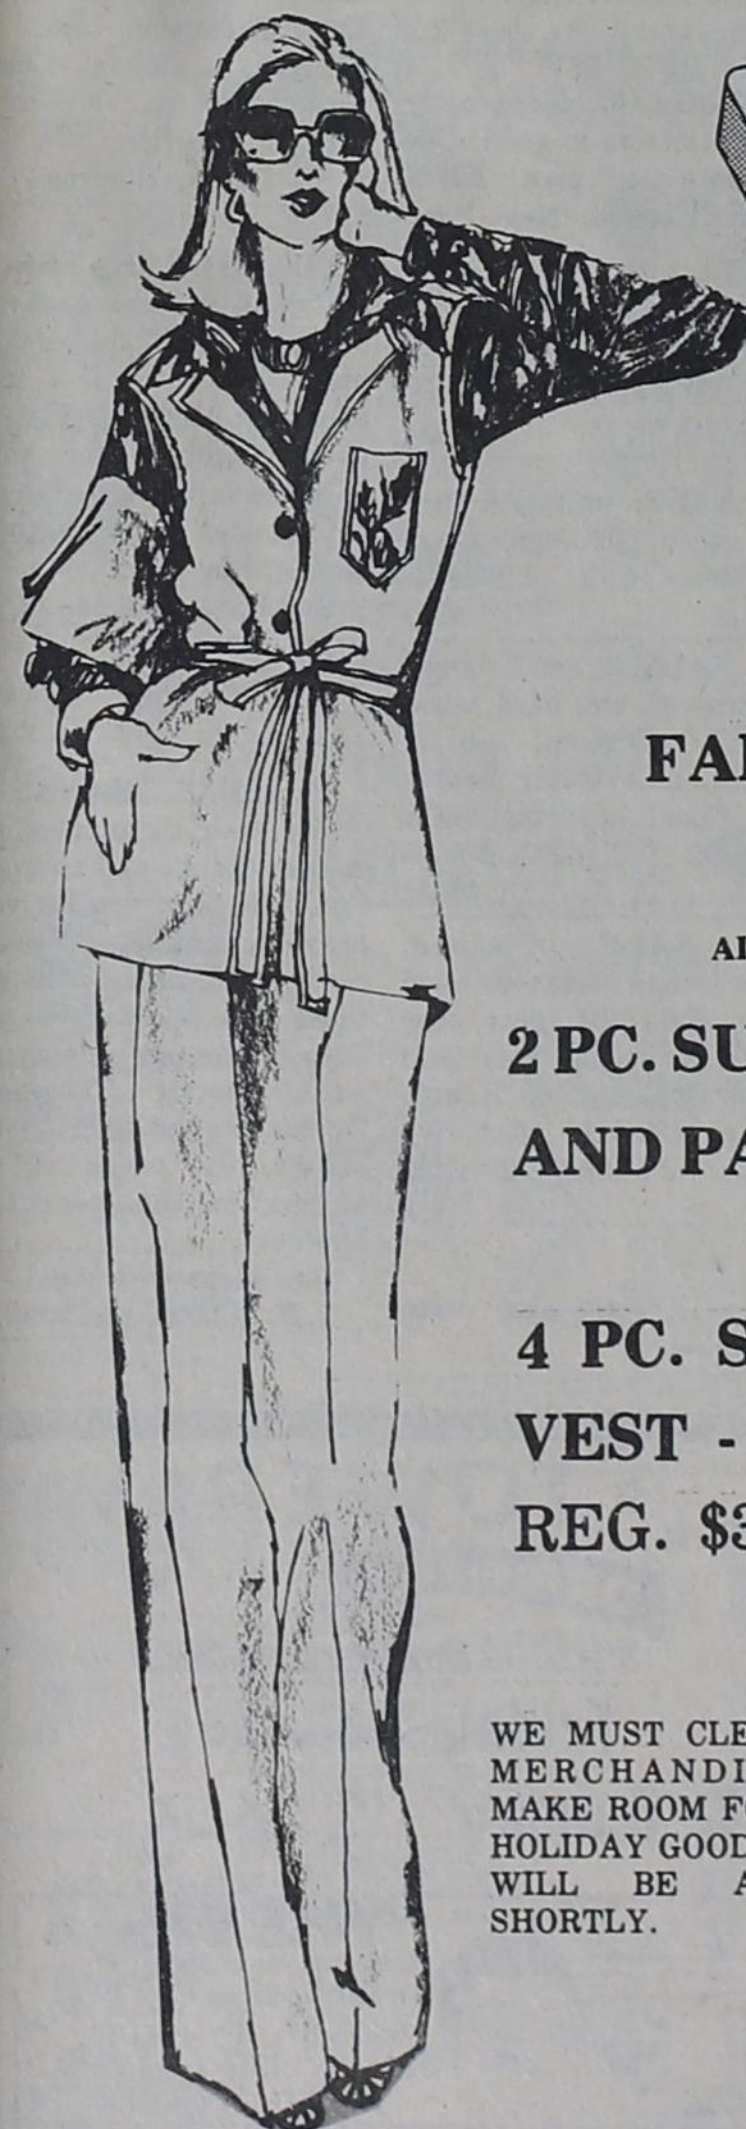

— Abilene Reporter-News

"We believe Hill will bring vitality and leadership to state government. Hill is not an advocate of big government. Nor is he a free spender. He has pledged that no new taxes will be levied if he is elected. His anti-inflation program is the kind of fiscal conservatism Texans can accept gleefully."
