Brazos Valley League Play-Off Starts Friday

MUNDAY WINS SECOND HALF IN BRAZOS VALLEY LEAGUE WITH SUNDAY'S WIN OVER RHINELAND

Skinner Burton's lads clinched the leadership for the last half of the season Sunday afternoon by taking the big end of a 3-2 score from the Rhineland lads, and arrangements are now under way for the final play-off game with Rochester, the first of which will be played here Sunday afternoon.

The game Sunday was witnessed by a large aggregation of fans from Goree, Knox City and other nearby towns, who had been attracted to the game by reason of its importance in the series, as a win for Rhineland would have made it possible for Goree to have shoved its way into a tie with Munday, but Munday's win clinched the argument for the home crew.

Under the superb pitching of Joe Bailey King and the efficient coaching of Cecil Jennings the home guards had the better of the argument all the way through after Aubrey Myers, Munday's shortstop, clouted the first ball thrown through by August Loran, Rhineland's battle-scarred curve artist, for a home run over the center field.

Munday takes the last half by winning eleven of the twelve games played during the latter half, the one game dropped being to Rhineland when Skipper Burton took a portion of his team out to Rhineland to play a game scheduled for Munday, but was transferred on account of rain here. The lads have played heads-up baseball all along, and much credit for excellent showing they have made is due to the coaching of Cecil Jennings, who knows his baseball, having for a number of years participated in game professionally in the Texas league, and his assistance has been very valuable to the team.

Following is the box score for Sunday's game:

Father of Former Munday Teacher Dies At Putman, Texas

Mark Kennedy, resident of Putman, Texas, for 44 years, died at his home there on last Thursday and funeral services were conducted Friday by the Rev. Cecil Fox, pastor of the Methodist church.

Deceased was the father of Miss Crysta Kennedy, formerly a teacher in the Munday Public Schools. Mrs. Homer Moore of Goree is another daughter.

Mr. and Mrs. Raymond Thomason of Haskell were here Sunday visiting friends.

Crowell Golfers Win On Points In Sunday's Series

Crowell golfers came over Sunday afternoon to take on the Munday golfers, and as a result of the play Crowell was declared winner on points, having registered 7 points to Munday's 5. Four foursomes took part in the play, and the various contestants, with results, were as follows:

W. H. Atkinson defeated Spears of Crowell; Dick Atkinson defeated E. Smith of Crowell; Hally of Munday and Reynolds halved; Griffith of Crowell defeated Ray Taylor of Munday. Spencer defeated J. D. Kethley, while Akers won over Walden. E. M. Anmons defeated Kincaid while Dickerson and Oswald halved. Bell defeated E. W. McGlothlin, Sr., while Farmer and Oswald halved. McGee defeated R. G. Campbell while Henry defeated E. J. Roberts. A. Bell defeated H. A. Pennington and Houston and Lane halved. Edwards and Wilson halved as did Dr. E. M. Roberts and Crowe. Lee Black defeated E. W. McGlothlin, Jr. and Jack Wilson defeated Lanier.

The matches were all very close and interesting and the games were enjoyed by both the visitors and the home guard, and here's hoping that they will again visit our club.

Geo. W. ARMSTRONG
Independent Candidate For Governor.

Judge Armstrong To Speak Here In Interest Candidacy

Judge Geo. W. Armstrong of Fort Worth, Independent Candidate for Governor, will speak at Munday, at 8:00 p. m. Friday, Sept. 9th.

Judge Armstrong is a logical and forceful speaker. He has written several books upon the operations of the Federal Reserve System and the money question. He was invited to Washington to make an argument as a monetary expert in support of the Putman bill. He will point out a way in which the State can establish its own currency and credit system, and thereby restore values and prosperity.

Judge Armstrong was a candidate for Governor in the Democratic primaries, but withdrew early in the campaign and announced his intention of making the race as an independent.

D. C. Osborne Wins In Commissioner's Race Over Loran

D. C. Osborne was re-elected county commissioner of precinct No. 4, at Saturday's primary over Peter Loran of Rhineland. Mr. Osborne receiving 479 votes and Mr. Loran 282. Munday gave Osborne 276 to Loran 26, Hefner gave Osborne 148 to Loran 26, Hefner gave Osborne 12 to Loran 26, while Rhineland gave Loran 124 and Osborne 16.

Mr. and Mrs. J. I. Houser and son, John, of Eldon, Mo., and Harley Houser of Paris, Texas, were guests last week in the home of Mr. and Mrs. U. R. Houser, having left on Thursday last week for their homes. Mr. Houser states that crops are far better over the Munday section than any part of the country traversed in his trip to Texas by way of Paris, and he predicts an unprecedented era of prosperity for this section if the price remains at a reasonable figure.

With the Presidential Candidates

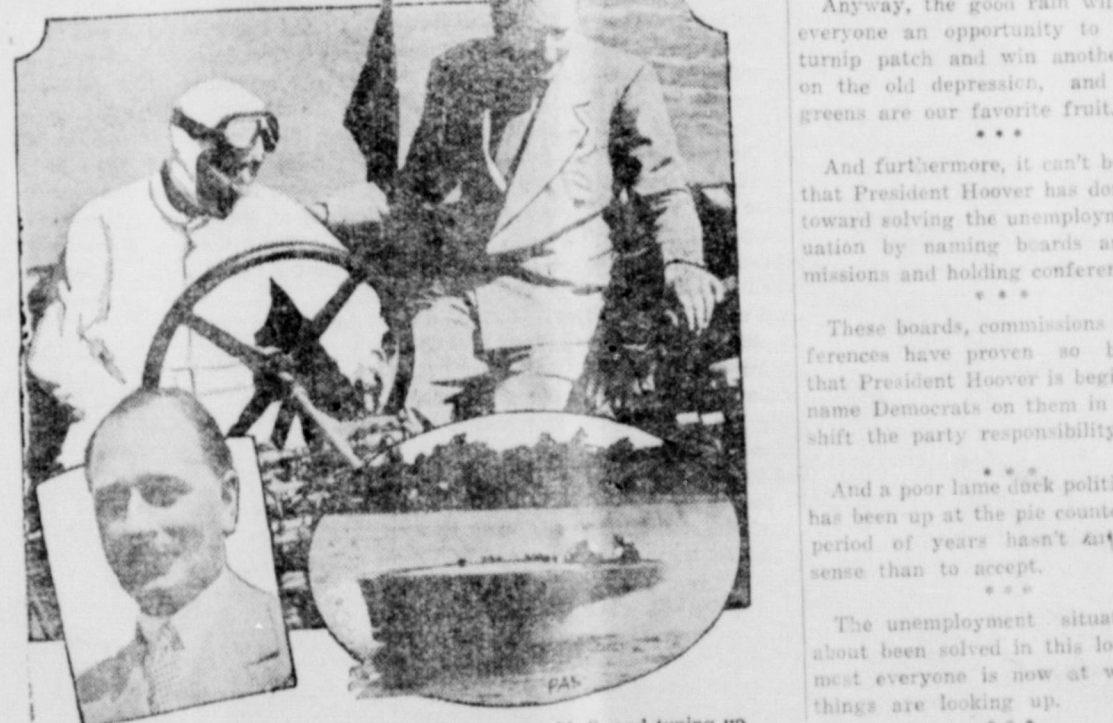

President Herbert Hoover, astride Billy, a light bay gelding from the Marine corral, took to the trail for once in a series of pictures of outdoor life at Camp Roper, Va., camp-site Franklin D. Roosevelt, his Democratic opponent, launched his first set speech at Columbus, Ohio. Photo to the right shows Gov. Roosevelt greeting the crowd upon his arrival at Columbus. . . and scene in open where he addressed 25,000 Ohio Democrats.

E. S. McCord Goes To Colorado City As Compress Mgr.

Mr. and Mrs. E. S. McCord and daughter, Miss Francis, will leave this week for Colorado City, Texas, where Mr. McCord has been transferred by the Gutter interests as manager of the compress. Mr. W. E. Boone of Dallas has been sent here to assume the duties as manager of the local plant, and will be followed later by Mrs. Boone.

W. H. Murchison Dies At Bastrop, Texas After Long Illness

W. H. Murchison, for many years one of the leading attorneys of this section of West Texas, and who for a number of years has resided at Haskell, died Sunday at Bastrop, Texas, following a prolonged illness. Funeral services were held at Bastrop, his boyhood home.

Mr. Murchison has taken part in some of the most sensational court trials held throughout this section and is well known throughout West Texas.

Homer Thompson of Burk Burnett was here over the week-end visiting relatives and friends.

Five Inch Rain Floods Streams In This Section

The Munday country was visited by a five-inch rain, which began falling late Wednesday afternoon and continued without interruption on throughout the night.

The rainfall is said to have been heavier in some parts of the county, especially was the downpour heavy at Goree, where 12 inches of rain fell, according to a government gauge maintained there, and west of town in the Sunset community it was reported that the rainfall exceeded six inches.

Farmers are generally of the opinion that the rain will prove of much benefit to cotton, and no damage is reported except in a few instances where feed has been stacked outdoors and will be damaged to some extent. Cotton in some parts of the Munday territory was beginning to need rain, and it is said that the added moisture will materially increase the yield and improve the grade of staple.

Rochester Gets First of Play-off Series Friday

The first of the play-off series between Munday and Rochester will be played at Rochester on Friday afternoon, according to Manager Howell Burton, who conferred with the manager of the Rochester team on Tuesday afternoon. The second game will be played here on Sunday afternoon, and the third, if necessary will be played at Rochester at a date yet to be determined, but likely next week.

Due to the fact that the Munday team has been in financial straits, Manager Burton has announced that the admission to Sunday's game here will be 25 cents. This slight advance in the price of admission will be necessary, Mr. Burton says, to pay the obligations incurred by the team in halls, hats and other expenses necessary to the maintenance of the team, and he believes that the fans will gladly pay the slight increase in price in view of having a winning team.

Thinking Out Loud

By J. A. K.

Mundayites were deprived of the privilege of looking at the sun in eclipse Wednesday as J. P. Davis had them both—the sun and moon crowded out of the picture.

Anyway, we Sterling supporters have just experienced one eclipse and are not hankerin' for another. Ma Ferguson having relegated the "Big Boy" into obscurity on the face of unofficial returns.

Will Rogers had it about right when he stated in the daily press that "Sterling has made a good governor but this is the year that as the black crows used to say, "Even if you are good we don't want any more of you." This is the year when we are all just looking for somebody to lay our ills onto."

Heavy Vote Cast In Knox County In Run-Off Primary

Despite the fact that not one county office was contested for in Saturday's run-off primary an exceptionally large vote was cast in Knox county, and it is likely that the unusual interest was due to the contest between Gov. Ross Sterling and Mrs. Miriam A. Ferguson for Governor, and from unofficial returns it is evident that Mrs. Ferguson carried the county by a majority of approximately 150 votes.

Also a contributing factor is getting out the votes in the county was the fact that there was a contest in each of the precincts of the county for county commissioner, and as a result of these contests two new commissioners will occupy places on the court, W. C. Glenn having been defeated for re-election in the Benjamin precinct by Oral Patterson by 56 votes, and J. W. Chowning was defeated for re-election in the Truscott precinct by O. W. Welch by a small majority. W. M. Griffith of Knox City defeated St. G. Nix of Gillespie by a small majority, and D. C. Osborne defeated Peter Loran by a substantial majority.

We are publishing an incomplete tabulated report in this issue, however, we were unable to procure returns from Truscott, Hefner and Rhineland except in the District Attorney race, and the figures presented on this race at these boxes was as follows: Truscott gave Dresser 191 and Dickson 57; Hefner gave Dresser 42 and Dickson 17; Gilliland gave Dresser 93 and Dickson 33. Complete returns from the county give Dickson a lead over Dresser and we are reliably informed that Dickson was elected by a majority of 126 votes over the district. Dresser received a plurality in the July primaries which was overcome by Dickson in Saturday's primary.

We are informed that Ross Bates of the Hefner community has this week sold 169 bales of cotton which he carried over from last season at 8.75, which is the highest price we have heard being paid for the fleecy staple, and the substantial advance over last year's price has made it very profitable to Mr. Bates to hold it.

Funeral Services For Mrs. Lloyd Lenley Held Here Tuesday

Funeral services for Mrs. Lloyd Lenley, 24, who died in the Knox County hospital at Knox City Monday afternoon were held Tuesday afternoon at the Baptist church at the cemetery. The services were conducted by Elder T. A. Duan, Primitive Baptist church, from Crossbyton, Texas, and interment was made in Johnson cemetery.

Mrs. Lenley had been ill only about one week and her untimely death came as a great shock to members of the family and friends, and a large concourse of friends gathered at the cemetery to pay their respects to the good lady.

Deceased was born June 2, 1908 at Weatherford, Texas, a daughter of Mr. and Mrs. J. M. Voyles, and came to this community in 1925, and was married to Lloyd Lenley in January, 1925. In addition to the grief-stricken husband she is survived by two daughters, aged 6 years and one 18 months old. She is also survived by her parents, Mr. and Mrs. J. M. Voyles, one sister, Miss Bula Mae Voyles, and two brothers, Alton and Martin Voyles.

Rain Stops Game With Simms Team Here On Wednesday

Mose Simms Ollers came here Wednesday afternoon for a game with the Munday team, but as they arrived dark clouds began to gather and it was soon evident that there would be no possibility of playing on the local grounds, so the teams decided to go to Goree and play, it being reported that no great amount of rain had fallen there, but as the teams arrived there it began a regular downpour, and prevented the playing of the game.

Family Reunion Is Enjoyed By Family Mrs. R. L. Edwards

Mrs. R. L. Edwards is enjoying a visit this week from all her children, this being the first time they have all come together since the death of their father some three years ago. The guests include Mr. and Mrs. M. S. Shipman of Oklahoma City; Mr. and Mrs. Gracius Brown of Quanah; R. L. Edwards, Jr., of Ranger; Mrs. R. D. Turpin of Rochester. The visit of the children is indeed an enjoyable occasion for Mrs. Edwards.

CHURCH OF CHRIST.

Elder Grady Brooster of Floydada, an old time friend of many Munday people, is expected to be here Sunday and will preach. All other services as usual.

Sorrals Win For Sheriff In Haskell Over Al Cousins

Sheriff Sorral was a re-elected Sheriff of Haskell county in Saturday's primary over Al Cousins. Sorral's majority was something over 100 votes.

One of the closest contests in Haskell county was that between M. Mape and H. Weinert for County Commissioner in the Weinert precinct, the unofficial count gave Mape a lead of two votes over Weinert, but we are informed that a contest will be filed by Weinert on the grounds that at least two of his supporters were denied a vote in one precinct when they went to the polls and the supply of ballots had exhausted.

Final tabulations of the Texas Election Bureau given out Wednesday afternoon give Mrs. Miriam A. Ferguson a lead of 2,398 votes over Governor Ross Sterling. No more reports will be given out by the bureau until late Saturday when they will tabulate and give reports on official returns from various counties.

Gov. Sterling gave out a statement at Austin Wednesday afternoon in which he claimed to have received a substantial majority of the legal votes cast and let it be known definitely that he would contest this election, and as matters now stand it looks as if the matter might get into the courts and remain there for some time.

HOW I BECAME A RADIO STAR

By LANNY ROSS

NECESSITY, always the mother of resourcefulness, started me on my career as a professional singer. My father and mother had put me on a train for Vancouver, B. C., and school at the age of six. I promptly spent my dinner money for a toy.

"They'll have to sing for your supper tonight," the conductor remarked facetiously.

I took him seriously, mounted a seat at the end of the dining-car, and sang the popular automobile song of the day, "Get Out and Get Under." I sang other songs too, and passed the hat. As a result, I got supper, breakfast, and left the train in Canada with \$1.65 in my pocket.

Even after that first flash of financial success, I didn't intend to sing my way through life. True, I was soloist on the glee clubs of my preparatory school, Yale in Watertown, Connecticut, and of Yale University, but I was studying for my arts degree as well.

Now that radio has given me an auspicious start in life, I suppose I can attribute the opportunity to the leisure I had in college with the chance it gave me to cultivate my voice and acquire some experience through a wide variety of appearances with the University Glee Club. I traveled all over the country with that organization, as well as to Bermuda, Nassau and Europe.

In fact, I turned down a chance to become a member of the American Olympic track team in 1928 and to compete in the games at Amsterdam so that I might tour Europe with the Yale Glee Club. It was a difficult decision to make, but I finally came to the conclusion that if I were going to take this singing business seriously, I had better run around with singers than with quarter-milers. Incidentally, competing with foreign athletes was no novelty to me, for I had been a member of the Yale Harvard track team which had defeated Oxford and Cambridge in England the previous year.

One of my proudest possessions today is a scroll notifying me that I had been elected an honorary member of the American Olympic Team of that year. One of my best friends is Ray Harbert, the star revenue quarter-miler, who won the Olympic 400-meter race at Amsterdam in 1928. We met seven times during our college careers, and Ray won four races and I won three. Next to my music, perhaps, my liking for athletics, particularly track events.

From the time of my first appearance before the microphone soon after I was graduated from Yale, I have concentrated on improving my voice at the expense of all the frills and furbelows others would substitute for vocal excellence. In this respect, I might again answer a question frequently asked me. Am I a crooner? Frankly, I am not. If I were one, I would admit it.

What is a crooner? Nothing but a lullaby. When a tenor, a baritone, or a bass singer sings softly, he is crooning.

I have been in radio a little more than four years and it goes without saying I enjoy it immensely. The program on which I appear now and which is sponsored by General Foods, makers of Maxwell House coffee, is in my opinion, an ideally arranged and conveniently placed evening attraction.

My success on the program has enabled me to study law at Columbia University, from which I now have a degree. I consider law an "ice in the hole" which I will always have, should I suddenly, for some reason or other, decide to leave the radio field.

SOCIETY

Mrs. George Salem Hostess at Pretty Party

Mrs. George Salem entertained a group of friends in her home Thursday afternoon from four to six-thirty o'clock. Five tables were laid for bridge, Mrs. John Lane winning high score.

A delicious oriental dinner plate was served, consisting of cabbage meat loaf, string-rot, pickle, olives, paprika crackers and mint iced tea. The color scheme of green and brown was further carried out by lettuce and parsley which topped the meat loaf.

The guest list included Mrs. John Lane, Joe Davis, J. A. Kennedy, J. D. McRay, T. E. Dickinson, Jack Hayes, Tom Hanes, Boss Naff, Guy Rutherford, U. R. Houser, B. H. Langford, E. S. McCord, J. C. Jordan, Dick Atkinson, Ed Wood, Adrian Akers, H. A. Freston, Fred Evans and W. H. Moore.

Reports from Mrs. Florence Williams who is ill with typhoid fever, are to the effect that she is not getting along well and much concern is felt by members of the family and friends over her condition.

J. Donnell Dickson, nominated in Saturday's election, for District Attorney, was here Wednesday shaking hands with friends and expressing his gratitude for the support given him here.

Miss Annala Linn, 15-year-old daughter of the New Hope community, granddaughter of Mr. and Mrs. E. B. Freston, was an operatic performer at the Knox County hospital on Wednesday of last week and is now well on the road to recovery. Having been returned to her home.

Bowmerang Class Entertained

Tuesday evening members of the Bowmerang Sunday school class were entertained by Misses Mary Alice and Lucille Lawrence with a watermelon feast. The class met with Mrs. Annons, where cars were waiting to carry us to the Lawrence home. Upon arrival we found the lawn well lighted, and in spite of the rain we enjoyed many hot door games.

Delicious watermelon was served to twenty members. If you did not attend this social you missed a treat, and if you are not attending the Bowmerang class you are the loser again. Come next Sunday. We need you, and know you will enjoy the wonderful lesson our teacher, Mrs. Annons, is bringing us.

ATKEISON-WILLIAMS

On Sunday, August 21, Mr. Hollis Atkeison of Haskell and Miss Mary C. Williams were united in marriage at the home of the bride's aunt in Henrietta, Texas, and they left immediately after the ceremony for Colorado on a brief honeymoon trip, after which they will make their home at Haskell.

The bride has for the past three years been a member of the faculty of the Wichita Falls Public Schools and is a young lady of culture and high attainments. Her home is at Little Rock, Arkansas.

The groom is a son of Mr. and Mrs. W. H. Atkeison of the city, and was graduated from high school here by association himself with the father in the grocery business and for the past several years has been in charge of the Atkeison store at Haskell.

He joins the many friends in wishing the newly married couple happiness.

IMPROVED THANKS TO CRAZY CRYSTALS

"We want to let you know how much CRAZY CRYSTALS have done for us. My husband has been sick for one year and a half with rheumatism and his father for six months with the same. I was the only one able to work. I was beginning with pains in my knees, then we heard over the radio about CRAZY CRYSTALS, so we got one box. They helped me a lot. I feel better than I have for a long time. My husband feels better than he did when he took baths and medicine. His father is 76 years old, but feels better than he has for three or four winters. We are going to get another box tomorrow. Mr. and Mrs. Tschib, 1254 Adrian Street, St. Paul, Minn."

BAYER ASPIRIN

is always SAFE

beware of imitations

Unless you see the name Bayer and the word genuine on the package pictured above you can never be sure that you are taking the genuine Bayer Aspirin that thousands of physicians prescribe in their daily practice.

The name Bayer means genuine Aspirin. It is your guarantee of purity—your protection against the imitations. Millions of users have proved that it is safe.

Genuine Bayer Aspirin promptly relieves:

Headaches	Neuralgia
Rheumatism	Lumbago
Neuritis	Toothache

No harmful after-effects follow its use. It does not depress the heart.

for ANY BABY

WE can never be sure just what makes an infant restless, but the remedy can always be found. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy, and give it promptly. Relief will follow very promptly. If it doesn't, you should call a physician.

WHO'S WHO—AND WHY.

The people of Texas have just passed through one of the most hotly contested campaigns in history, and even as this is written it is impossible to say who will be Governor, as it is generally believed that the matter will be contested in the courts, Mr. Ferguson having announced as early as Sunday that he would contest the election if Mrs. Ferguson was not nominated on the face of returns, and it is generally believed that Mr. Sterling will do likewise, since the nullification of any goodly number of votes would change the results to either of the candidates.

But with the Democratic primaries over and either one of the candidates named, there seems to be more than

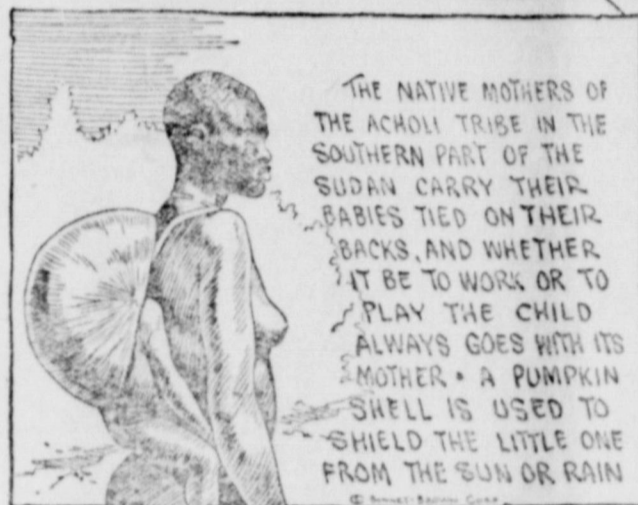

the usual chance for Mr. Ballington, the Republican nominee for Governor, since many voters who participated in the primaries will be dissatisfied with either of the candidates, and many were dissatisfied with both. Indeed the voter is confronted with a situation that should cause him much concern if any of the charges that have been hurled by the two candidates are based upon facts, and in his dilemma the voter can but turn to the nominee of his party or bolt and vote for the Republican nominee or the Independent candidate, Judge Armstrong.

There's no use hedging around the fact that our party has reached a very undesirable state in Texas when so many voters remark, as we have heard them during the past few days, that neither of the candidates are ac-

ceptible to them but as between them they will choose the lesser evil—some choosing Sterling and some the Ferguson.

And the Republicans of Texas have not been asleep at the switch. For several months it has been generally conceded in the circles of their party that the nomination would be given to Mr. Grant of Houston. In fact he had the assurance of no less a personage than Boss Cressler that he would be nominated, but when the G. O. P. bell weather came together in Dallas and discussed the possibilities of their party in the face of the turmoil and strife within the ranks of the Democratic party in the state, Mr. Grant, whom they regarded as a weak candidate, got the nod, and Mr. Grant, who is regarded as a strong candidate.

And, regarding the outcome of the battle of ballots or the contests that will likely follow, the victor may rest assured that another warm campaign is awaiting him, for to assume that the Democratic nomination is equivalent to nomination this year in Texas might easily result as disastrously for the nominee as did the presidential race in this state in 1928.

Furthermore, since both the possible nominees have been guilty, or at least have been charged as being guilty, of bolting in the past, they have themselves laid a precedent in bolting. Mr. Ferguson's bolt a few years ago is well known to every informed voter, he having thrown off allegiance to the Democratic party and declared his intention to destroy it. Mr. Ferguson counters with the

charge that Mr. Sterling bolted and voted for Hoover in 1928. We have no information on the matter and therefore cannot say whether it is true or not, but Ferguson democrats will not likely stampede getting to the polls to vote for Sterling in November, and our prediction is that there will be another interesting campaign on the heels of the primaries.

TO THE PEOPLE OF THE 50th JUDICIAL DISTRICT:

Unofficial returns indicate that I have been nominated District Attorney of the Fifth District by a substantial margin. I would be ungrateful if I did not publicly express my appreciation not only to those who actively supported me but also to the entire citizenship of this District. However, my true appreciation will best be shown by the effort I put forth to make you an honest and efficient officer.

Assuring you that I will at all times be at your service, I am
Yours sincerely,

UNEQUAL REGULATION IN TRANSPORTATION CAUSES DISORDER AND CONFUSION

The instability, confusion and disorder which unrestrained truck transportation has brought about is responsible in large measure for much of the distress in which all business finds itself today. Texas has moved to find a remedy and all concerned in the welfare of this state and its institutions should cooperate in the effort to restore stability and order to our transportation systems.

The Texas Railroads, in these advertisements, have endeavored to place before the people of this state some of the reasons why the existing laws, regulating motor transportation, should be upheld and enforced.

1. The railroads are necessary for the successful marketing of the enormous production of this state, which is used and consumed in every other state in the union.

Uniform, published, non-discriminatory transportation service rates are essential to the orderly conduct and welfare of business.

Unregulated truck transportation inevitably results in discriminatory charges and practices, rebating, unfair and unbusinesslike competitive methods, bringing about losses and commercial insecurity.

The wholesaler, jobber, retailer and local merchant suffer from the unfair competition of truckers and peddlers who, for the most part, are non-residents, pay no taxes and contribute nothing to the community welfare.

The farmer and agricultural producer must have at his command facilities adequate to transport crops and produce which move long distances in large volume, at low cost, by rail.

2. The railroads build and maintain their own roadways, pay heavy taxes for the support of state and municipal governments and institutions, and expend millions of dollars for payrolls, materials and supplies. Railroad workers are substantial citizens, home owners, and valued members of their communities.

3. Rail transportation is the most efficient and economical in existence for the movement of traffic in volume by land.

4. Texas highways belong to the people and are built and maintained at heavy cost. Their use for commercial purposes is a privilege, not a right. They should be kept safe for general use and not prematurely destroyed by heavy trucks.

5. The stability, security and orderly conduct of business require reasonable control and regulation of all transportation agencies.

NEW FALL MERCHANDISE

We have purchased and are receiving daily the largest stock of Fall Merchandise that we have carried in many years. All indications point to a higher cotton market, and cotton goods and other merchandise will advance accordingly, and we therefore purchased before price advancements were effective, and we are prepared to save you money on everything in the dry goods line. We want you to come in and inspect our line whether you are ready to buy now or not, for we want you to familiarize yourself with our high quality merchandise at our low prices.

We urge early buying on the face of an advancing cotton market—the one chance the farmers have had in many years to buy low priced merchandise on a profitable cotton market.

Composer of "Ramona" Collecting Unwritten Melodies of Spain

Mabel Wayne, Composer of "Ramona" in America's Collection

New York City—Mabel Wayne, most famous woman composer, is going to Spain to study, at the same time, the great wealth of unwritten Spanish music, in the way of folk-songs, ballads, and dances, that have never been noted, but have been handed down from mother to daughter for centuries. The great world is wondering just what effect authentic local color will have on Miss Wayne's future compositions.

In these successful hits, "Ramona," "The Little Spanish Town," and "Carmen," Miss Wayne has revealed an American's idea of Spanish music. In "Ramona" she invented the four waltz, the popularity of which has caused it to

be included by many other composers in "Carmen" and the greater popularity of her work. This has also caused a new wave of interest.

Whether her music is for the stage or for the concert hall, it is so simple, so direct, so full of melody, that it has won the approval of the most discerning critics. It has been very popular in modern American music. Miss Wayne points out, "On the other hand, we have taken much from the Spanish. As most Spanish music has been composed for the lute, I am especially interested in hearing it played by native musicians. Perhaps the Spanish voice will penetrate among strings in American orchestras."

RHINELAND

Examinations are over. The results were exceptionally good. They seemed not to have been doubted by many of the pupils because of the good work done during the month. Yet everyone is glad to know that they are in the past.

Mr. and Mrs. John N. Albus were host and hostess of a delightful party given in honor of Rev. Sebastian of Wichita Falls at their beautiful home last Sunday evening. A delicious dinner was served to the following guests: Rev. Sebastian of Wichita Falls; Rev. Leo, O. S. B. of Windthorst; Rev. Meiler, O. M. S. of Seymour; Rev. Albanese, O. S. B. of Rhineland; Brother Francis of Wichita Falls; Mr. and Mrs. John J. Hoffman and family, Mr. and Mrs. Charles Stengel and family, Mr. and Mrs. A. H. Diering and family, Mr. and Mrs. Fred Stengel and family, Mr. Peter Loman, Mr. Martin Schumacher and children, John and Bertha, Miss Gertrude Hicks of Windthorst; Miss Clara V. Williams, and Messrs. Clement and Raymond White. An enjoyable evening was spent by all. Various games were played, after which, ice cream and cake was served by the hostess.

Mrs. William Houser, Sr., returned last Wednesday, from Jonesboro, Arkansas, while in Jonesboro, Mrs. Houser visited with her daughter, Sister Mary Geraldine.

Miss Cora Albus returned last Saturday from Waterloo, Iowa, where she had been working in St. Francis hospital.

A society course, consisting of ice cream, cake and lemonade, was served later in the evening to Mr. and Mrs. Frank Herzog, Mr. and Mrs. Albert Sikora and daughter, Mr. and Mrs. Fred Zinner, Mr. and Mrs. William Herd, Mr. and Mrs. Herman Jungman, Miss Elizabeth Kubala, and the host and hostess.

Rhineland closed their first bale of cotton on Wednesday morning of this week. It belonged to Mr. William Herd.

On Sunday evening a group of young people entertained themselves by having a picnic and marshmallow roast in Mr. Fred Reider's pasture. Among those who took part in it were: Mr. and Mrs. Fred Reider and

New Fall Merchandise - Is Here -

Our New Fall Merchandise is here in the greatest array we have ever shown in Munday and we want you to visit our store and see the new things in Ladies' Coats, Dresses, Millinery, Shoes for Men, Women, Boys and Girls, New Piece Goods, New Lingerie and other things too numerous to mention here.

We were fortunate in getting into the market before the advance in the price of cotton as we cannot replace our stock today at the low prices at which we purchased our Fall line, so you may rely upon us for real values.

Included in the new goods received is a big line of Work Clothing, and we especially urge you to buy early, as the price on this merchandise is sure to advance materially on the face of the present cotton market.

A visit of inspection will be appreciated, whether you are ready to buy or not. We take pleasure in showing our merchandise and you will get pleasure from wearing dependable merchandise from this store, for it is right in Price, Quality and Style.

F. W. Dagggett, general passenger agent for the Fort Worth & Denver was here the latter part of last week in company with Mr. Craig, also a representative of the Fort Worth & Denver, and while here paid this office a very pleasant visit. Mr. Dagggett states that he has during the past few weeks covered practically the entire system in Texas and nowhere has he found crops looking as good as they do over the Munday section, and he is expecting a good business over the road this fall. Incidentally Mr. Dagggett stated that his road had filed an application with the Railroad Commission for the inauguration of a 1½ cent fare on the Wichita Valley, officials of the company believing that such a reduction would have a tendency to stimulate use of railroad transportation.
