WINNERS OF AWARDS in the annual FHA style show were: in class III (l to r) Lezlie Gass, second; Gala Myers, first; and Mary Myers, third.

CLASS II WINNERS were: (l to r) Robin Elliott, second; Janie Hendrix, first; and Louisa Sepeda, third.

CLASS I WINNERS were: (l to r) Caroline Myers, second; Lynn West, first; and Kendra Cooke, third.

MODELING FASHIONS they made and wore for the style show are these senior girls: (l to r) DeeAnn Hertel, Kerri Baker and Theresa Therwhanger.

Winners Named In FHA Fashion Show

by Gala Myers
Thursday night was one full of entertainment and enjoyment as the annual FHA Fashion Show took place in the High School Auditorium.

The entertainment began with Robin Elliott playing a piano solo, "The Entertainer." Russell Routon played the guitar while Danny Brown and Joe Nelson sang the ballad "Red River Valley." Before the third year students began to model, the audience enjoyed a flute trio played by Susan Morrow, Julie Smith, and Kendra Cooke.

As the show progressed Zanell Franklin, accompanied by Gala Myers and Alton Cotton, sang "You Light Up My Life," and "We've Only Just Begun." Four talented

girls, Mary Vasquez, Lana Dunlap, Marsha Gass, and Pam Caram, showed the art of pantomime as they pantomimed getting stuck in the mud in Mary's new car.

Does everyone remember Snow White and the Seven

Dwarfs? Well, they were present Thursday night. Those who were involved were Norma Vasquez, Lynn West, Jerri Huckabee, Caroline Myers, Debbie Valencia, Joanie Vela, Perry Kuehler, Rachel Martinez, Kimi

Moon, Nancy Fetsch, Judy Brown, and Zanell Franklin. Annell Myers, Julie Myers, DeeAnn Hertel, Kerri Baker, and Gala Myers, dressed as puppets, did a hand routine they learned at cheerleading

camp to the music, "You Make Me Feel Like Dancing."

The audience learned the counting game with Brenda Bruggeman and Robbie Baker dressed as Raggedy Ann and Andy. They also had a little helper, April Offutt.

The popular Peanuts characters were imitated by Philda Sloan as Charlie Brown, Joy Shawver as Linus, Shanna Bryan as Lucy, Janet Zeissel as Snoopy, and Sharon Beaty as Schroeder.

Kelly Fisher, Belinda Stone, Karen Caram, Corrine Kuehler, and Brenda Walling revealed the Wash Tub Opry - The Hee Haw of MHS.

The kids really enjoyed the clowns, Martha Yruegas and Rose Ann Esquivel made it a fun part of the show.

To close the entertainment section, Carolyn Collier, Patricia Hemphill, Sharon Jones, Bearnice Shields, Linda Shields, Helen Spells, and Sharon Williams sang a couple of beautiful spirituals.

Each year at the end of the show the winners are announced. There are three winners from each of the three groups. Mr. Barton Carl of Carl's Department Store, very generously gives an award to each winner. He has done this for many years and we deeply appreciate his contribution to the show.

The winners from the third year class were: Gala Myers, 1st; Lezlie Gass, 2nd; Mary Myers, 3rd. The second year class winners were: Janie Hendrix, 1st; Robin Elliott, 2nd; Louisa Sepeda, 3rd. The first year class winners were: Lynn West, 1st; Caroline Myers, 2nd; Kendra Cooke, 3rd.

We want to thank everyone who came and those who participated in the style show for making it a success. We hope that you enjoyed the show.

Keith Davis Receives Honor

Mr. and Mrs. Welton Leflar received a letter recently from their son-in-law's commanding officer and would like to share it with all their friends. Keith Davis is married to the Leflar's daughter, Sammye. The letter is as follows: Dear Mr. and Mrs. Leflar: I am pleased to write and tell you of your son-in-law's latest accomplishment in his military service.

Yesterday, during the inspection of the day's Guard Force, your son-in-law, Keith Davis, was selected as "Colonel's Orderly." This honor is accorded to the soldier exhibiting the highest standards of personal appearance and professional knowledge and accomplishment. Your son-in-law's achievement is a credit to himself and a source of justified pride.

I am proud to have your son-in-law, and men like him, in the Regiment of the Mounted Riflemen.

Sincerely,
Thomas H. Tait
Ltc, 3rd Arm. Cal. Reg.

Jim Snowden Announces Candidacy For Congress

Jim Snowden, former Mayor of Tye, has officially announced his candidacy for the 17th Congressional District seat being vacated by Omar Burleson. Snowden, was elected to five two-year terms as Mayor of Tye, a small city near Abilene, and is presently serving on the City Council. Snowden was previously employed as the Base Documentation Manager at Dyess AFB in Abilene but retired from that position November 1, to devote full time to campaigning.

When asked why he was entering the race, Snowden replied, "The prime motivation came from a letter written by Attorney General John Hill, which was placed in a capsule to be opened 100 years from now. In this letter John Hill warned that the people should start protecting themselves from the abuse of mass bureaucracy. I thought at the time that he was exactly right but 100 years too late. I think we must begin now!" A one-time stock farmer, Snowden is also deeply concerned over the fact that the "little man" is invariably ignored in this era of big time politics.

Snowden gained the spotlight in the Big Country area through his service on the 42nd District Court grand jury from late 1976 to early 1977. He initiated the grand jury investigation of the Texas Alcoholic Beverage Commission (TABC) in Abilene for alleged abuse of

power and violations of the Texas Liquor Control Act. His main objective was to see that the Liquor Control Act was enforced equally among the public as well as members of the TABC, and that no one's rights were abused.

The son of a former county judge of Garza County, Snowden was born September 23, 1921 and attended public schools in Tahoka (Lynn County). On November 1, 1942, he enlisted in the Army Air Corps, and was assigned to the pilot cadet program at Texas Tech in Lubbock. Upon graduation he served as a B-17 and B-25 pilot during World War II. He is married to the former Margie Ethridge of Post and has three children. Snowden plans a personal type campaign to include all 33 counties of the 17th Congressional District. His campaign slogan? Knox Among Top 10 Wheat Producing Counties In Texas

Knox County was among the top 10 wheat producing counties in Texas in 1977, Agriculture Commissioner Reagan V. Brown said today.

With a total harvest of 3,566,800 bushels, Knox County produced 3 percent of the wheat grown in the state, Brown said.

Of the 116,800 acres planted in wheat, Knox County farmers harvested 111,200 acres, and realized a 32.1-bushel per acre average yield, he noted.

The state's winter wheat production for 1977 totaled 117,500,000 bushels. This boosted Texas into the No. 6 spot

in the nation in total wheat production, Brown commented.

He stated that the low wheat prices which accompanied this near-record production have hurt Texas farmers, particularly in the face of rising production costs.

"However, Texas farmers will receive a substantial share of the \$1.2 billion in federal wheat deficiency payments that will be paid out this year," Brown noted. "This should help ease the serious cash-flow problems our farmers have experienced because of the low grain prices."

Knox City Youth Receives Achievement Award At Annual Banquet

Charles Lankford of Knox City was the master of ceremonies at the annual Knox County Livestock Awards Banquet held Monday night in the grade school cafeteria in Munday.

The invocation was given by Tom Brockman, vo-ag teacher in Munday.

Mrs. Leon Burkham was presented a beautiful arrangement of flowers by the members of the Munday FFA chapter. Mrs. Burkham worked very hard at the annual show and kept records of the premium sale. Also recognized for their work in this years show were: Mrs. Jim McCright, Mrs. Boyd Lynn Meers and Mrs. Don Welch. Everyone who helped with this years show was commended by Mr. Lankford.

Receiving belt buckles for the showmanship awards were: Shannon Ryder, Benjamin-Beef Cattle; Larry Welch, Munday-Sheep and Kristi White, Knox City-Swine.

A new award was added this year and is being given by Tackitt Enterprises of Knox City. Merle Tackitt, owner stated, this will be an annual achievement award and was selected by the vocational agriculture teachers and county agents of Knox County. According to Leon Burkham, vo-ag teach-

er of Knox City, the award is based on attitude, co-operation, participation and outstanding interest in livestock. This years recipient was Shelton Rhodes of Knox City. Shelton is the son of Mrs. Florence Rhodes of Knox City.

Prize money and monies from the Premium Sale totaled \$9,693.84. Checks were passed out to those present and buyers of the

W. S. Heatly Re-Appointed To Legislative Budget Board

Veteran State Rep. W. S. (Bill) Heatly of Paducah has been re-appointed to the important Legislative Budget Board (LBB) by House Speaker Bill Clayton.

The appointment of Heatly to the post gives him 21 years on the board, more than any person in history. The West Texas Democrat has served in the House 24 years.

The 10-member board, which includes the Lt. Governor and Speaker of the House, has responsibility for the preparation of the general appropriations bill for the Legislature.

The board makes its recommendations based on estimates and reports of needed funds from all state agencies and from its own inspections.

Heatly is a member of the Appropriations Committee of the House. In addition to his interim duties with that committee and the LBB, he is a member of the House Select Committee on Drugs

and Alcohol Abuse and Control.

In making the LBB appointment Clayton said, "Rep. Heatly throughout his long tenure in the House has been involved in the money management of the state. His expertise and desire to see that Texas is well served by the money it spends were certainly considerations in his re-appointment."

Texas Wheat Producers Association President Elected To National Office

Winston Wilson, President of Texas Wheat Producers Association has been elected as the Vice President of the National Association of Wheat Growers. The action came at the closing session of the four-day Twenty-Eighth Annual Convention of the organization Thursday, January 19, in Wichita, Kansas. Other officers elected were Glenn Moore, Willard, Montana as President and Jack Felgenhauer, Fairfield, Washington as Secretary.

Over 600 wheat producers from throughout the commercial wheat producing area of the nation braved winter snow and ice storms in their home areas as well as in the convention city to attend meetings. Secretary of Agriculture, Bob Bergland met with officers of the Association to discuss ways to immediately and in the long-run, strengthen farm income before addressing the membership session. Other key speakers included Sir Leslie Price, Chairman of the Australian Wheat Board. The chief spokesman for one of America's largest competitors in international markets pointed out that, "Sure, Australia will undercut U.S. prices three to five cents to keep a share of the market-but we had bloody well under-cut you at \$4.50 rather than at \$2.50, so, Australia wishes American wheat producers well in getting your prices up."

During the business session of the national meeting, NAWG re-stated its long-standing belief in and work toward 100% parity of income for farmers relative to that of the rest of the economy. In a series of some sixty-two resolutions the group mapped plans and procedures toward achieving such a goal. These call for higher commodity loan rates, increased target prices,

and expanded domestic and export market development programs. These actions would call for Administrative decision by the President and U.S. Dept. of Agriculture, legislative action by the Congress and greater voluntary participation by producers themselves in set-aside programs and especially in strengthened support of their wheat boards and commissions check-off programs for

Grain Sorghum Producers Association's Work Pays Off

January 12 the White House officially announced the '77 target price for grain sorghum at \$4.07 per hundred weight. The '78 target price for sorghum will be \$3.96 cwt.

It is directly because of Grain Sorghum Producers Association's (GSPA) work with Congress that the 1977 Food and Agriculture Act contains a provision establishing sorghum target prices in relation to the cost of production.

When the bill became law in September, GSPA was lauded as having won a major battle for grain sorghum farmers. However, OMB influenced the White House to hold up on final announcement of the target price until now.

The \$4.07 target insures sorghum farmers of over \$300 million in deficiency payments on their '77 crop. Deficiency payments (the difference between the target price and the government loan level) are estimated at 68¢ cwt. for sorghum, with the exact amount to be determined by the average price received by farmers from Oct. 1 through Feb. 28.

Using the 68¢ figure, a sorghum producer will receive \$6,800 in deficiency payments for each million

market development efforts. Attending the NAWG meeting from Texas included W. R. Moore, Munday and the Association executive officer, Bill Nelson of Amarillo. All of those attending had major committee assignments dealing with the national organization's programs-from international marketing to public relations and from research and education to transportation.

GSPA has expressed relief at the President's decision to abide by the law, but wonders why it took the President four months to verify the price supports when the law clearly states how they should be determined.

GSPA is also disappointed at the timing of the announcement. Coming only one month prior to planting in the southern sorghum belt, this late decision does not give farmers enough time to prepare their plantings.

GSPA thanks Congressmen George Mahon, Jack Hightower, Bob Poage and Glenn English for their support in securing the sorghum target based on cost of production as a provision in the farm bill, and especially commends Congressman Mahon for continually working with the President to insure that the farm program would be administered according to the intent of the law.

NATIONAL POLICIES -- 1978

The following letter was received by Omar Cure, President of the Knox County Farm Bureau, from Warren Newberry, Executive Director of Texas Farm Bureau, concerning National Policies for 1978.

It will be well to remember, said Mr. Cure, that in the overall Texas Farm Bureau membership, 80 to 85% of all members have agricultural income and that only those farmers who derive the majority of their income from farming may vote in the State and National Conventions where Farm Bureau policy is adopted.

The text of Mr. Newberry's letter follows:
Dear Farm Bureau Leader:

National policies adopted by voting delegates at the American Farm Bureau Federation Convention in Houston will be published soon in the AFBF Farm Bureau News. Our State and National policy books will be printed and distributed as quickly as possible.

However, I would like to call your immediate attention to two significant actions of the voting delegates which I believe will be of interest to you and to all Farm Bureau members. The first action is a "Spirit of the Convention Resolution -- A Message to Farmers," which reads as follows:

"The voting delegates of the American Farm Bureau Federation in session at Houston, Texas this 11th of January do hereby express our feeling of sympathy, concern and understanding of the seriousness of the farm income crisis brought on by low prices -- inflated costs and crops lost to drought. We further urge that all national and state Farm Bureau officials and staffs rededicate their efforts and talents to improvement of farm prices as top priority. We believe the means to do this are contained in the policies and abilities of this organization."

In support of this Resolution, voting delegates adopted a policy titled "Farm Prices and Income," which reads as follows:

"Depressed farm income has become a serious problem. Farm production costs are continually being driven upwards by government-caused inflation and burdensome regulatory programs.

Farmers should be receiving full cost of production and a profit for their products, and this objective should be pursued with vigor in domestic and export sales. An oversupply of products must be countered by reduced production and/or aggressive promotion and sales.

Grain and other agricultural prices have fallen sharply and total net agricultural income for 1978 is estimated to be at a level comparable to the mid-30's. Agriculture is under serious financial pressure. Foreclosures and a lack of net income in producers' operations are causing a real loss in the use of resources.

We support higher net incomes for agriculture. This has long been the major objective of Farm Bureau and much has been accomplished towards this goal. However we believe that if improved net incomes are to be long-lasting they must be achieved through market prices obtained in the marketplace and must not be dictated by government or arbitrarily set by individuals or a group of individuals. History has clearly demonstrated that holding farm prices above market levels requires strict controls on the amount produced. Such controls must be imposed and enforced by the government if they are to be effective. Farmers have opposed such controls.

Farm Bureau as an organization cannot legally endorse any form of agreement or understanding which limits the marketing of commodities or controls the prices to be obtained for such commodities without violating the antitrust laws and subjecting itself and its members to severe criminal and civil penalties.

We will:

(1) Intensify our efforts aimed at improving farm prices and net incomes. This will include, but will not be limited to, the expansion of agricultural exports and domestic programs to expand market demand.

(2) Develop and strengthen marketing organizations, structures, and programs that will improve net incomes for farmers.

(3) Institute and support emergency agricultural credit programs which will assist deserving farmers in meeting the current financial crisis. This will include, but will not be limited to, expansion of the Farmers Home Administration's lending authority to meet current needs, with a high priority on FmHA agricultural loans, and an emergency expansion of the FmHA's insured agricultural loan program.

(4) Urge the Congress and the Administration to control inflation and to examine carefully and remove or appropriately modify those rules, regulations, and programs which place added costs on agricultural producers and thus further intensify the cost-price income squeeze in agriculture."

While we have worked diligently toward these goals for years, I believe that all Farm Bureau members will want to rededicate their efforts toward implementation of these policies. I believe we should also call on non-members, other organizations, and allied groups to join us in this endeavor.

UMW To Observe The Call To Prayer And Self-Denial

This week, the United Methodist Women of First United Methodist Church in Munday will hold one of their most important annual observances--the Call to Prayer and Self-Denial. The program will be held at 2:30 p.m. on Tuesday, January 31, 1978, in the Church Fellowship Hall. Major events of the observance include the Quiet Day and description of the mission projects for which a special offering is given. Each woman who takes part is asked to give for others by denying herself and to pray. Through prayer, she experiences a spiritual oneness with planners, mission workers and those served in

church-related ministries.

The Women's Division of the Board of Global Ministries of The United Methodist Church sponsors the Call to Prayer and Self-Denial. Two areas of the large United Methodist mission program are designated for giving this year. In the United States, the offering will be used for Mission Institutions: Maintenance and Improvement of Women's Division-owned Property. The Women's Division owns approximately 95 pieces of property in 30 states, Puerto Rico and the Virgin Islands. At these sites, mission programs are carried out. Most of the buildings have been in service for many years, some as many as 75. A few are newer. All are heavily used, sometimes around the clock. The buildings need maintenance and improvement so that the mission programs can operate more efficiently.

Overseas, the offering will be used for "Children and Youth in Today's World." Children and youth make up the most of the world's population, over 60% of the people on some continents. Frequently, children and youth suffer the most from poverty, urbanization and violent social upheaval. Despite their large numbers their needs are often neglected, their voices unheard. The offering will go for programs for mentally and physically handicapped children, pre-natal and post-natal care for mothers and babies, nutrition and health care for children, child and youth advocacy, education for children and youth, Christian education programs and materials, and other needs.

The service for the Quiet Day, Be Thou My Vision, was written by Jean Hawk Troy. The service is organized around the hymn, "Be Thou My Vision." The theme is hunger--physical hunger, spiritual hunger, emotional hunger, and intellectual hunger. About 1.5 million women in 35,000 local units in all 50 states will join in the observance. Last year, the offering totaled \$792,455.

Walter Paul Coady, 50, of Munday died at 4:05 a.m. Friday at his home after a brief illness. Services were held at 2:30 p.m. Saturday, January 21, at the First Baptist Church in Benjamin.

Rev. James Patterson, pastor of Knox City United Methodist Church, officiated, assisted by Rev. Jim Ray, pastor of First Baptist Church. Burial was in the Benjamin Cemetery, directed by Smith Funeral Home of Knox City.

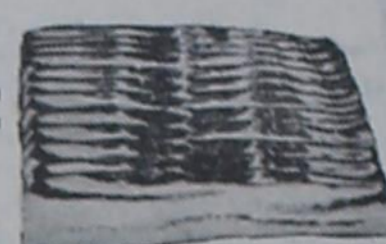

Born Feb. 24, 1927, in Benjamin, he had lived in Munday the past 10 years. He was a highway construction worker and a Veteran of World War II. He was a member of the Methodist Church.

Survivors include his parents, Mr. and Mrs. Walter L. Coady of Munday; two daughters, Paula of Hanna, Wyo., and Michelle of Munday; a son, Chad of Hanna; a sister, Margie Herring of Wichita Falls, and three brothers, Donnie and G. H., both of Seymour, and Ronald of Dallas.

METHAN PRODUCTION SEMINAR--Livestock feeders, farmers and agribusinessmen who want to acquaint themselves with the facts about methane generation from livestock manure are invited to a special seminar on that subject Feb. 15 at the Seward County Community College in Liberal, Kan. Featured will be discussions on methane technology and methane's economic potential in commercial livestock feeding. There will also be a tour of a large-scale manure-to-methane plant, says an agricultural engineer with the Texas Agricultural Extension Service.

DiETING? Taking Vitamins? Concerned About Nutrition?

A daily nutrition secret of noted Olympic athletes is available to you
Bee Pollen from England

Olympic Gold Medal Sprinter Steve Riddick:

"They're fantastic! My recovery power after a hard sprint race is proved at least 75% by me eating Bee Pollen from England a permanent part of my training regimen."

Just a pod a day does it!

One month's supply (30 pods) \$4.95
Three months' supply (90 pods) \$9.95

For you, many noted Olympic athletes, who have to stay at the peak of fitness and good health, have made bee pollen a part of their daily training secret. Why? Because bee pollen is one of nature's most concentrated sources of a whole range of micro nutrients which men and women factors believe your body needs every day. Now a British nutritionist has found a way to keep bee pollen fresh in tiny gelatin pods called "Bee Pollen from England." So now you, too, can use this natural food and make it a part of your daily nutrition routine.

Baker As President Myers On TET Board

W. R. Baker, Knox City superintendent, was recently elected to his third consecutive term as State President of Texans for Equitable Taxation. In addition, Douglas Myers of Munday will serve on the TET Board of Directors as representative of a twelve-county region which includes Knox County.

Both men were instrumental in organizing TET in 1975 and have played major roles in the organization's legislative successes.

TET members held their annual business meeting in Austin on January 10. With an eye toward the 1979 session of the Texas Legislature, the group passed resolutions calling for quicker legislative action on school finance issues, mandatory cost estimates on all proposed bills affecting local

taxes, equalized and earlier State funding allotments for public schools, as well as statewide property tax relief.

House Speaker Bill Clayton delivered the keynote address to TET members. He praised TET members for their efforts in developing a school finance law designed to hold the line on property taxes. He said that, of Texas' 1100 school districts, over 300 reduced taxes this year and another 600 held taxes down to 1976 levels. He and TET President, W. R. Baker, reminded those present that school taxes could start to rise again if additional measures aren't adopted in 1979. Clayton concluded his remarks by urging TET members to stay involved in decision-making at the State and local levels.

News From Leisure Lodge

from our customers to furnish them with a record of how much they spent on medicine the past year. We are happy to be one of the pharmacies in our state that can furnish this information to its customers. However, we cannot store detailed Rx data indefinitely. For this reason, those customers of ours who require such information should contact us at once to request this information. We do not have permanent records to go back more than one year at a time. If you wish to have such records, please do not wait to file your request. Do it today.

Remember, it is important that you have the information you need for income tax or insurance records, but now is the time to make a request for the year of 1977 records.

Call 422-4552 today and give us lead time so that your records will be complete.

As always, we want to serve you to the best of our ability. Please assist us in this important matter.
