Munday-Hamlin Game Sunday To Rate as Classic

Baseball fans who saw the Munday-Hamlin game at Hamlin Sunday afternoon will long remember it as the baseball classic of the Wichita Valley League for the year and it was just that. The game went to the fourteenth inning after the score had been tied in the third frame 4-4, and for ten innings both teams made desperate efforts to shove over a score that might mean victory. Perfect fielding on the part of both teams accounted for the closeness of the game, as the pitchers for both teams were hit more or less freely, but each time they were gathered in by fast fielding without any damage.

Munday started out in due and ancient form with Rayburn and A. Myers singling. Foy Rinker relieved the tension of Hamlin's little left-hander by easing one over the park fence for a home-run, scoring Rayburn and Myers ahead of him. Hamlin came back in the second and third with two scores in each frame, and Munday shoved another across in her half of the fourth. With the score thus tied the game settled down to an endurance contest with Willy Knight hurling for the Champs and "Lefty" Courtney hurling for the Pipers.

In the tenth Knight was relieved by "Lefty" Hambricht, while Courtney was relieved by Choe Moulidin, young right-handed hurler recently signed by the Pipers, who hails from Oklahoma and is a Choctaw Indian. The hard-hitting Champs were too much for the young Choctaw however, and after 3 2-3 innings, with three runs over the home plate, he was relieved by "Spicer" Miers, veteran of many hard-fought pitcher's duels, who finished the performance for the home-guard.

Features of the game insofar as the home team was concerned were the fielding of Kuehler and Rinker and King, and the hitting of Foy Rinker, Rayburn and Wilde, each of whom garnered three hits. The Hamlin lads were drolled out in brand new uniforms of gray with red trimmings and possessed that old-time pep that made them so difficult to handle last season, and Sunday's victory was the hardest battle the Champs have experienced so far this year except in the defeat by the Mose Simms aggregation, in which our lads were outnumbered.

Publishers From Six Counties Hold Meeting at Haskell

At a meeting of printer-publishers held Monday evening at Haskell a permanent organization was formed for the purpose of cooperating in the enforcement of the printing code recently adopted and put into force by the government. The meeting was called by Sam M. Roberts, publisher of the Haskell Free Press, who entertained the visitors with a delightful dinner at the Tonkawa Hotel dining room. Those present were Mack Sweeney of the Knox County Herald, Knox City; Cedric Harrison of the Baylor County Banner, Seymour; Geo. English and son of the Stamford American; Bowen Pope of the Hamlin Herald and J. A. Kennedy of the Munday Times.

Sam Roberts was chosen as president of the new organization, Cedric Harrison was elected secretary and Bowen Pope vice-president. The organization will meet monthly, and all printers and publishers of Knox, Baylor, Haskell, Throckmorton and Jones and Shackelford counties will be urged to cooperate.

Dallas Trippers Get Glad Hand On Brief Visit Here

The Dallas trade trippers arrived in their special train promptly on time Wednesday noon and were received by a large number of citizens, and after marching up the main street led by the band they formed a circle on the south-west corner of the square where loud-speakers carried the program to everyone in the audience.

The welcome address was made by Mayor E. E. Akers, and the Dallas party entertained with a peppy program, including violin solos by Alexander Keesee, musical director of WFAA, the Bumble Bees, also a feature over the same station, and various other numbers, all of which were thoroughly enjoyed by the large audience present to greet them. The trippers came here on their return schedule toward home, and their train will stop only at Seymour and Wichita Falls after leaving here, and they are scheduled to arrive home Wednesday night.

W. L. Moore No. 1 Goree Wildcat, is Ready to Spud In

According to present indications, before this paper reaches its readers the W. L. Moore oil test near the northwest corner of the town will be spud in. All machinery is in place and the water pipe connected with the city mains, so just as soon as some minor adjustments can be made active work will begin.—The Goree Advocate.

Hood H. D. Club Met

The Hood H. D. Club met Friday May 11th, at the home of first year wardrobe demonstrator, Mrs. A. A. Brown, there being one foundation pattern cut. Practically all the members have found foundation patterns. Most all the members plan to make a dress for the dress contest using their foundation pattern. Mrs. A. A. Brown has been improving her clothes closet by papering and adding shelves. "I believe I am going to appreciate the use of my clothes closet more since I have made improvements," stated Mrs. Brown.

The Club plans to have a cake walk at the school house Friday night, May 25, for the purpose of sending a delegate to College Station for the Short Course.

Mr. and Mrs. Jack Mayes and Miss Maud Isbell were visitors to Fort Worth the past week.

Mrs. Tom Haney, Mrs. U. S. Rogers, Misses Alice and Vivian Rogers were in Wichita Falls Saturday.

Dr. E. M. Ammons Chosen As Leader of Munday C. of C.

Dr. E. M. Ammons was elected president of the Munday Chamber of Commerce for the ensuing year at the annual banquet of the organization at the Munday Hotel on Friday evening of last week, at which time a delightful program was rendered and a delightful meal was enjoyed by some seventy-five citizens of Munday. Directors chosen for the ensuing year are: T. R. Haney, R. G. Campbell, J. C. Borsien, E. W. McGlothlin, Island Hannab, W. R. Moore, Chas. Foyt, R. S. Boles and W. H. Chapman.

With Supt. J. Horace Bass serving as toastmaster the program as carried out was thoroughly enjoyed by all present, and included musical numbers and a tap-dancing number by Miss Louise Kaigler, of Haskell, which was liberally applauded by those present.

Rev. H. C. Hand, pastor of the Methodist Church spoke upon the need of the churches of Munday for 1934-35, and stressed the necessity for a revival of interest in spiritual things among the citizenship. Rev. Hand expressed gratification at having been given a place on the program, stating that in his quarter century as minister this was the first time that the churches of a city in which he served had been given a place in the program of a chamber of commerce, and expressed the sincere hope that Munday might experience a soul-stirring revival and become more active in the reaching of souls during the present and coming year.

Mayor E. E. Akers discussed the outstanding need of the city for the future, and pointed out the need of an auditorium for general purposes as his idea of Munday's outstanding need. Mayor Akers stated that he realized that there were many things that are needed by our city and community, but in his opinion the building of a community auditorium was one of the most worthy undertakings that could be undertaken at this time.

Supt. Bass talked upon the needs of the schools, and expressed himself as having a desire to bring our public schools to a higher level, and inculcate into the minds of the students a better understanding of what education really means.

The program was entirely directed toward homefolks, and therefore no outside guests were present, which is a departure from the rules followed for a number of years.

THE PARK FUND

Those who have pledged money to the park fund are requested to see Howard Collins at the Jones & Elland office and pay their pledge, and the committee would be very glad to receive donations from any who have not contributed to the fund and who have not had an opportunity to do so. All funds should be turned over to Howard Collins, treasurer.

IN AND AROUND THE CAPITOL

By Julia A. Kennedy

AUSTIN, TEXAS, May 14.—Have been enjoying reading the Baylor County Banner the past few weeks. The Banner comes to our next door neighbors who are former Seymourites. Mrs. Donna McLeod and her daughter, Mrs. Carl Robinson. Mr. McLeod was a merchant in Seymour for a number of years, and Mrs. Robinson, who was Nancy McLeod, attended the Seymour schools. After Mr. McLeod's death they left Seymour, which was around 1920, but have always kept up with former friends and relatives there through the Seymour Banner. Mrs. McLeod has a son living at Balmorhea whom she is visiting at the present time. Mr. Robinson is an employee of the federal government, which necessitates quite a bit of traveling over the different states.

Other former Seymourites here are Mrs. Milam and sons. Mrs. F. O. Campbell, formerly of Munday, and Mrs. Milam were callers at our home the past Sunday. Mrs. Milam likes her work here fine, and is justly proud of the fact that her daughter, Miss Mary Grace, graduated from the State University last year with the highest honors. She is at present teaching in the public schools at San Antonio. James Milam will finish his law course this June, the other son, I believe, has two years to go before he finishes the law course. Mrs. Milam works in the Highway Department and she is a niece of our townsman, J. D. Henderson.

Candidates for different state offices are seen in the capitol every day. Several for governor have opened offices here. Among those going through the other day was Senator Ben F. Berkley of Alpine, Brewster County, announcing his candidacy for Lieutenant Governor. Mr. Berkley was a member of the Texas Senate for eight years and was the author and instrumental in the passage of the Cigarette Bill, which is now yielding to the public schools of Texas approximately three and one-half million dollars.

P.S.—To the West Texas Utilities Co: I wish to take this method of thanking you for selling me the Automatic Hotpoint Electric Iron about one year ago. Your salesman demonstrated the many advantages in using one of the light-weight, automatic irons, stating that if left on it would get just so "hot and no hotter" as the automatic control would cut the current off. Of course, I knew that that was one feature I would never need, as I was always careful and never left an iron burning when leaving the board. But my ego was greatly reduced when, upon arriving at home at 2:00 o'clock one Tuesday morning, after leaving here for Munday at noon the previous Friday, I found the iron just "so hot and no hotter." (Hope Jess has paid for it.) JAK.

Senator Oneal to Washington on Tax Unification Meet

WICHITA FALLS, Tex., May 16.—Senator Ben G. Oneal of Wichita Falls left for Washington, D.C., today to attend a two-days meeting of the Interstate Commission on Conflicting Taxation to be held in that city on May 18th and 19th. Senator Oneal is the member on this commission of fifteen representing Texas and the Southwest.

The Commission is meeting to prepare a program for the Interstate Assembly which will be convened later. Senator Oneal represents the Senate of Texas in the Interstate Assembly, which is a body composed of Representatives of each State. This Assembly is undertaking to bring the states together in an effort to work out problems common to them all and to reach a better understanding among the states in cooperating with each other.

Senator Oneal was selected by the Senate of Texas in 1933 to represent that body and was again selected to represent that body during the year 1934, in the Assembly.

Child Injured In Car Accident On Sunday Morning

Merle Weaver the nine-year-old son of Mr. and Mrs. Bert Weaver, suffered a dislocated shoulder and body bruises Sunday morning when he was struck by a car backing out of the driveway at the Weaver home. The youngster is getting along nicely but will be confined to his home for several days as a result of injuries sustained.

TODAY and TOMORROW

By Frank Parker Stockbridge

MOLLYCODDLES . . . good word

It was President Theodore Roosevelt who gave popularity to the good old English word "Mollycoddle." By that he meant someone who had everything done for him and was incapable or afraid of going or trying to do anything for himself. I think, looking back over the preceding paragraphs, that I have been taking a leaf out of Col. Roosevelt's book.

There isn't any way to count them, but it seems to me that mollycoddles are a great deal more numerous now than they used to be when Col. Roosevelt and I were both young. I wonder, sometimes, whether the boy of today gets the chance to be anything else. Keeping boys in school until they are sixteen, forbidding them to work if they are under eighteen, seem to me to be excellent ways of rearing mollycoddles. If a boy hasn't learned to fight his own battles against the world before he is eighteen, he hasn't much chance to learn later.

DEFEATISM . . . since the war

I am sometimes aghast as I listen to young folk talking about there being no opportunities left. There seems to have grown up since the war a school of thought which I can only characterize as "defeatism," a belief that the last frontier has been conquered and there is no more chance for enterprising youth to satisfy the spirit of adventure and the urge to rise by his own efforts.

Unfortunately that feeling has been encouraged by those in high places who ought to know better. I cannot help feeling that President Roosevelt did not stop to think his subject through before he promulgated the notion that this country had become so completely settled and explored that there is nothing ahead for the young except to find a good safe hole and crawl into it. And that the government must help them find the holes.

SECURITY . . . there is none

There is no such thing as security, of property, of income, of anything else, for that matter. How can there be, when there is no security of life itself?

One of the present-day tendencies that makes me wonder whether there are not a lot of wrong ideas in circulation is the idea that so many youngsters believe that they are entitled to security, to a job as soon as they graduate from high school or college, to a safe place in which to earn big money for a little work.

I think that idea, that everybody is entitled to security, has been fostered by the distribution of enormous sums of public money to persons who have rendered no return for it and who, in many instances, could have got by, somehow, without it. It may take us a long time to get back to the realization that unearned security is the brand of the pauper.

ADVENTURE . . . means risk

The only life worth living is the adventurous life. I do not mean by that that everyone should be an explorer or run into needless risks, but I do mean that the most degrading and softening influence upon human character is refusal or fear to take chances. Show me a man who has never risked his fortune or his life, whether for an ideal or for gain, and I will show you a man who is to be despised rather than envied, no matter how wealthy he may be in worldly goods. His spirit is a poor, wishy-washy thing. Friedrich Nietzsche, the great German philosopher, hailed what he called the "dangerous life," as the only way for a man to save his soul. President Theodore Roosevelt expressed the same idea when he spoke of the "strenuous life." Both meant that one can only live life to the fullest if he does with all his might whatever it is he wishes to accomplish without thinking about money or possible consequences to himself.

There is nothing to life but living it. Nobody can win the game with death. The thing to do, it seems to me, is play the game for the sake of the game, and not with the false idea of winning.

MRS. S. W. REEVES IS CRITICALLY ILL HERE

As we go to press we are informed that Mrs. S. W. Reeves is critically ill at the Reeves home just east of the city, and her condition is such that it is feared she will not survive many days. Members of the family are at her bedside.

President Visits the Ranks of Buddy Poppy Wearers

WASHINGTON . . . "Poppy Week" is here again, the time when red poppies are sold throughout the nation, all receipts going to camp relief funds of veteran camps and hospitals. Above is pictured President Roosevelt receiving the first Buddy Poppy from little Miss Muriel Morgan as James E. Vanzandt, Commander in Chief of the Veterans of Foreign Wars, looks on.

SENIORS

The Seniors were entertained last Friday night with a "kid party," given by the Junior class, at the home of Jonel Williams. We were "kids" all right, but I think the prize should be given to Jonel and J. C. Jonel looked like a Cupid, and J. C. reminded one of "Daddy Longlegs."

The class tournaments were held last week and are to be continued this week. The sophomore girls won first place in playground ball, and the Seniors and Fish play for second place today. We are very confident we will win.

The Seniors received their invitations and cards today, so everyone will be ready for the worst.

Nina didn't come to school today. We wonder why? It seems that every time she takes the blues, they effect her head instead of her heart. Elmo really was kid last Friday night. He even had a bib to catch the ice cream.

Marjorie seems real happy this week. For one thing, she has received a graduation present. Ask her who from.

JUNIORS

Believe it or not, there are still "kids" in high school, and they all congregated at Jonel's home last Friday night to have a big time. (Needless to say, they had what they wanted—a big or "swell" time.)

The Juniors are still studying American writers in English, so the other day Elwood answered one of Miss Blanton's questions like this: "Foe is more famous than Lanier because he is more noted."

Elvis reports an attack of roseola. (Perhaps I won't be able to mention that any more, for most of all of us have had them now.)

Final exams are on their way! We hope we can pass them, but these few weeks between now and then will have to be full of activities different from amusements. (In other words, "cramped full of cramming.")

Rev. the old bachelor in the Junior class, had a full week-end. (It "ud make ya' dizzy to think uv all his gals.)

SOPHOMORES

From the way some of us came to school today, we think it is a winter day. Miss Leath sits around all huddled up like an old hen. Some of us don't like this rainy weather because we can't get outside and play, but others seem to like it???

We Sophomores are rather pleased with the class tournament so far. The Sophomore girls won first place in indoor baseball, and the Sophomore boys won second place in basketball. We are very proud of our captains, Mat Verhalen and Loree Driggers. The girls will play basket ball this week and the boys will play indoor baseball. We hope to win in all these events, too.

Miss Blanton told us something else that made us proud. We took a dynamic test in English Friday. She said we made higher grades than any other class, so far. We hope to keep that up.

Loree went fishing over the week end. She reports she had a very nice time and caught a good many fish. We wish she had brought us some.

Mat can't seem to "sabe" some things Miss Leath tells him in the Spanish class. Sometimes she isn't talking in Spanish either.

FRESHMEN

You can really tell who is winning this class tournament in baseball, as the swell has gone to their heads. It is nice for the Sophomores to accomplish something, at least once in a while, but—well, the Sophs will tell plenty about it if you have not already heard it. Although the most needful lady, Elizabeth Earp, is out with the whooping cough, we intend to give our upper classmen a run for their money, as we already have.

The Freshmen boys are fighting to the finish, but it seems that the other teams come out a margin ahead. With the material we have, the boys should rally to the cause.

Last Wednesday evening the most exciting mishap took place that most of us have ever witnessed. Maurine Gammill slipped into deep water (over her head), and being unable to swim, was compelled to be dragged

out with a rope. It was not exactly this serious, but the Freshman picnic in honor of the close of school, was a real picnic. We want to thank Mr. and Mrs. Hughes for their help, and especially do we wish to thank Mr. and Mrs. Chester Smith for permitting our picnic to be held in their pasture and for the use of their swimming pool.

GILLESPIE CLUB REPORT

The Gillespie Home Demonstration Club met May 9, at the Sunset school with five members and our agent, Miss Faulkner, present. The members present were: Mrs. Roseal Partridge, Mrs. L. L. Womble, Mrs. L. M. Melton, Mrs. R. M. Almanrode and Mrs. J. L. Hughes.

The meeting was a very interesting one and we regret that other members were kept away on account of illness and other reasons.

Mrs. Partridge gave a detailed report of the Council meeting of May 5, at Benjamin. This report included plans as to how our club can become federated. Miss Faulkner will have more to say about this later.

The dress contest will be held some time in June. Each club member should strive to have a dress in this contest and attend this contest, even though you do not enter the contest. decide if you can go, and report this to Mrs. Partridge so that she can report to Council.

Our club voted to postpone the play until summer when it will plan something unique for a social at that time.

May each member strive to be present at the next meeting. This will be May 28, at Sunset.

Mrs. J. L. Hughes, Reporter.

RESOLUTIONS PASSED BY THE FIRST NATIONAL BANK IN MUNDAY, TEXAS, ON THE DEATH OF TOM ISBELL

Whereas, Almighty God, in his divine and infinite wisdom has seen fit to take from us our esteemed friend, Vice-President, and director of this bank:

Now, therefore, be it resolved by its board of directors, assembled in a special meeting, that, in the death of Tom Isbell that this bank has lost a valued officer, and the country one

Now we ask you to

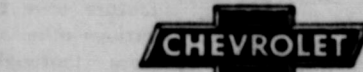

WHY do you suppose Chevrolet keeps repeating, in all of its advertising, "Drive it only 5 miles"? Here's the reason: Chevrolet engineers have tried out all the various makes of cars in today's low-price field. And they have proved, to their complete satisfaction, the same things that hundreds of thousands of Chevrolet owners are proving in their daily driving: How much more smoothly a car travels with genuine, fully-enclosed Knee-Action. How much more comfortably it handles, with

shock-proof steering. How much more restfully you ride, in a Fisher Body car. How much more safely you drive, with cable-controlled brakes. And how much finer performance and better economy are secured from an overhead-valve Six! In other words, Chevrolet engineers know for sure that the Chevrolet ride simply can't be matched by any other in the low-price field. They know it—thousands of owners know it—and now we want you to know it too, before you make your final choice of a low-priced car. CHEVROLET MOTOR CO., DETROIT, MICH.

SOCIETY

**Women's Home Demonstration
Club Meets Friday**

Ways and plans were discussed whereby we might raise money to send delegates to the A. & M. Short Course at the meeting of the Woman's Home Demonstration Club at the lunch room on Friday.

We have quilted two quilts and some are working on foundation patterns and new sleeves seem to be the object of many. Mrs. Pruitt gave a report on the council meeting at Benjamin on the 6th and reports indicated that we were progressing nicely on the cook book. Those present were: Mesdames L. Jones, Frank Bowley, Ralph Weeks, C. R. Parker, G. L. Pruitt, Ora Collins, Chas. Matlock, J. M. Perdue and L. W. Hobart.

**Mrs. P. V. Williams
Entertains**

The As You Like It Club met in the home of Mrs. P. V. Williams Thursday afternoon in rooms made gay with a profusion of flowers. High score was held by Mrs. R. H. Neff.

A refreshment plate of apricot sherbet and angel food cake was served. The guest list included the following members and guests: Mesdames M. F. Billingsley, Matt Dillingham, E. W. McGlothlin, J. D. Kethley, W. P. Farrington, R. H. Neff, T. G. Bengel, S. E. McStay, Pitzer Baker, H. T. Maples and Fred Broach.

**Annual Senior Festivity
Held**

For a number of years the Senior class of Munday High has journeyed to some picturesque spot for their annual week end outing some time during the latter part of May.

The Senior Class of '33-34 chose Medicine Park, Okla., as their destination and leaving Friday afternoon they were chartered by L. S. Hardigree, Mrs. P. V. Williams, Mrs. J. D. Kethley and Miss Mary Couch. They visited several spots of interest in Oklahoma, returning home Sunday afternoon.

Those who enjoyed the trip were Virginia Bess Atkinson, Inez Campbell, Billie True Hill, Hazel Clough, Rosalyn Houser and Mrs. Ike Huskinson, Jack Williams, Jerry Kethley, B. B. Bowden, Earl Nichols, Duane Johnson and Sam Warren.

**Mr. and Mrs. W. R. Moore
Entertain**

Vanishing teas are quite the vogue in Munday at the present time as is evidenced by the number of teas given the past week. These teas are sponsored by the Methodist Missionary Society and one prettily planned was that given by Mr. and Mrs. W. R. Moore Tuesday evening. Punch and cookies were served to Messrs and Mesdames H. A. Pendleton, Russell Matson, W. H. Chapman, Mr. and Mrs. J. D. Kethley, Dr. and Mrs. W. P. Farrington and Miss Elizabeth Mounce.

**County Federation at
Knox City**

A large delegation of women from over the county met in the home of Mrs. Bridges at Knox City Thursday afternoon. Highway beautification was the theme of the meeting and in a report from Mr. Vance Favor, who is foreman of county highway beautification, it was learned that the Knox County highway department has put out 204 hackberry trees, 41 water elms, 107 paradise, 7 wild china, 10 red haws, 7 chittam, 78 Chinese elms, 11 algeritas and 18 elders. Wild verbena, Scotland bluebells, and river pinks have been planted. Honey suckle, trumpet vine, etc., are put out by the good fences.

An interesting program was rendered by the Knox City Club on Texas artists and their works. Favors of hand-painted Texas was the courtesy of this club to the federation. A dainty refreshment plate was served. The following ladies from Munday were present: Mrs. Doris Rogers, Mrs. H. A. Pendleton, Miss W. H. Chapman and Mrs. J. C. Harpham.

**Teachers Entertained
With Picnic**

The room mothers of the school made a happy occasion for the teachers Wednesday evening when they invited the faculty to Seymour park for a picnic supper. Games were played and a delicious picnic lunch was spread. About twenty-five couples were hosts for this occasion.

**Mr. and Mrs. Holder
Entertain at Tea**

Meeting for an evening's diversion at "42," Mr. and Mrs. D. E. Holder entertained in the series of vanishing teas that are being sponsored by the Methodist Missionary Society. Refreshments of ice cream and angel food cake were served to Messrs and Mesdames Chester Bowden, O. F. Groer, Rex Holder, Roy Aycock, S. E. McStay and Mrs. Milt Hogan.

**Tuesday Club Meets In
Moore Home**

The Tuesday Club was delightfully entertained Tuesday afternoon when Mrs. W. R. Moore placed three tables for members and guests for bridge games. Roses and verbena made a charming setting for this party. Mrs. R. H. Neff and Mrs. H. A. Pendleton tied for high score honors. Congeeled salad, potato chips, olives, tuna sandwiches, angel food squares and iced tea were served. The guest list included Mesdames T. G. Bengel, R. H. Neff, W. P. Farrington, H. A. Pendleton, W. H. Chapman, S. E. McStay, Jack Mayes, W. H. Atkinson, T. E. Dickerson and P. V. Williams.

**Vanishing Tea In
Bowden Home**

Entertaining the second in a series of vanishing teas, Mrs. S. A. Bowden entertained at her home east of town Thursday evening with games of "42" as the diversion. Roses were predominant in the flowers that decked the rooms. Ice cream and cookies were served Mesdames Chester Bowden, H. C. Hand, Milt Hogan, Weldon Parker, Roy Aycock, Chester Bowden, Austin Caughan, Levi Bowden, A. F. Huskinson and

for You**

— In fact, the Electric Washer and Ironer will save enough to pay their entire cost in a very short time . . . and then go on saving you money year after year.

Clothes laundered this way last longer, look better, and are cleaner than when washed by oil-fashioned methods. Statistics compiled by a leading woman's magazine prove that the Modern Electric Washer lengthens by three times the average life of garments and linens. Just think what the savings in this one factor alone will mean . . . besides the saving in cash, time and labor.

Ask for a complete demonstration of our Home Laundry Equipment. Prices and terms are sure to please you.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Knox County Home Demonstration

Club Women Plan to Attend One Day Short Course at Denton, Tex. Several home demonstration club women plan to attend the one day short course at Denton Friday, May 18th. Exhibits of bedchamber, American Cottage, and Processed Cheese will be featured at this meeting. A very interesting and instructive program has been arranged and those attending are sure to get a great deal of help from this meeting.

4-H Bedroom Contest to Close Saturday, May 15

The final judging of the 4-H bedrooms that have been improved by the bedroom demonstrators in each of the 4-H clubs will be Saturday, May 26. These bedrooms were judged in January before any improvement was made. The principle merits that these rooms were judged on are—getting the most interesting and pleasing results at an small cost as possible and having a room that is

comfortable and easily cleaned in the end. Each of these rooms must have five groups of furniture in them, which consists of a sleeping unit, study unit, dressing unit, storage unit, and a bathing unit if there is not a bathroom in the house. With the room arranged in this manner each girl will have one which will meet all her needs. The girl who is judged for first place in the county will receive a trip to College Station July 20 to August 3 to the Farmer's Short Course. Her room will also be judged by the district winners the state winners are selected and announced at the Annual Bedroom Banquet at Short Course. Much interest is being shown throughout the county in this contest.

Wardrobe Unit Built at Small Cost "I feel sure I will be able to save at least five miles a month when I get my closet completed and my, what a relief it will be to have all my clothes organized in one place and not have to run all over the house," stated Mrs. E. M. Almarode, class 1 Wardrobe Demonstrator in the Gillespie Home Demonstration Club. "This closet is 4' x 5' 1/2 feet. I have used scrap lumber to build the frame, the inside of the closet is lined with heavy cardboard boxes and then papered with the plain side of the wall paper turned out. This was left from papering my bedroom. I plan to paint the shelves ivory as I have some ivory paint on hand. "I think I will just park myself in this clothes closet. I will be so proud of it," Mrs. Almarode further stated.

Foundation Pattern Valuable "I don't believe I would take \$200 and be without my foundation pattern," said Mrs. W. M. Taylor, Helper Home Demonstration Club. "I have found this pattern most useful in my sewing and I am sure I have much better fitting clothes since I started using it. There has been nearly 200 of these patterns made, yet many others will be made before the year is over."

FIVE big men can relax in utter comfort on the deep cushions of the Ford V-8. Wide seats keep elbows out of ribs. Ample leg room keeps legs from being cramped. Why? Because Ford measures roominess in terms of usable body room. Not in terms of the distance between bumpers, which means nothing when you come to analyze it.
