TODAY and TOMORROW

TAXES time to halt
I don't know of any community, county or state in which taxes have not gone up in the past two or three years. Certainly there is none in which taxes are not materially higher than they were ten years ago. I've just got my tax bills for 1934, and perhaps I'm unduly concerned; but I can't help coming back to the belief I have long cherished, that sooner or later we're going to abandon the tax on capital and find other and more equitable ways of raising money with which to run our various governments.

The real estate property tax is a tax on capital. Nothing like it exists anywhere else in the world, so far as I am informed. It was adopted in America in the pioneer days when there wasn't anything else, much, to tax except land. I like the English system much better. There property is taxed on the basis of what it earns—the income tax carried down to the income of everybody who owns a piece of property that is rented. Of course, there are other taxes, but they do not constitute a lien on real property.

Property taxes can't go much higher, in most parts of the nation, without stirring up a revolt against the present system.

INCOMES the average

The average income in the United States is said, by Henry Wallace in his new book, to be about or under \$1,500 a year. That includes everybody who works for a living—except farmers. He figures that the average farm income has been cut down from about \$1,700 a year to something like \$500 a year. Of course, Mr. Wallace is talking about cash incomes. Out of his \$1,500 a year the industrial worker has to pay for food and lodging. If he has \$500 a year left he is either a financial wizard or just plumb lucky. But the farmer, out of his \$500 cash income, has to pay taxes and, like as not, mortgage interest to say nothing of insurance and other items he can't "work out," so it's about as broad as it is long.

The fallacy, it seems to me, lies in comparing the farmer with the wage-earner. The proper comparison is between the farmer and the business man, owner of his own business. The farmer is a capitalist, and subject to the risks that all capital is subject to. That isn't to say he doesn't have plenty of trouble, but at the worst he is not in such imminent danger of starvation as the unemployed industrial worker.

STAMPS for all taxes
I don't know how many kinds of Internal Revenue stamps there are, but it strikes me that the easiest and most painless way for any government to collect taxes is by making it illegal to buy anything that doesn't bear a government stamp. I know that's merely another way of saying "sales tax" which is a phrase that always makes politicians see red. Nevertheless, some of our most important sources of revenue are from the sales taxes, already in force.

There are revenue stamps on every bottle of liquor, every barrel of beer, every pack of playing cards, every pack of cigarettes or box of cigars. Shares of stock cannot be legally transferred without sticking revenue stamps on them. Everyone is familiar with the sales tax on gasoline.

The only reason why stamp or sales taxes are not imposed upon flour, potatoes, shoes, hats and canned goods, is the fear of the politicians in power that the ordinary man would thus be forced to realize that he is paying taxes, and would vote the politicians who imposed them out of office. There isn't any other reason at all.

Misses Hazel Clough and Lilly Albertson, who are students in Baylor College at Belton, spent the week end here with home folks.

Commissioner D. C. Osborne left Wednesday for Fort Worth where he will attend the County Judges and Commissioners' Association, being held in that city. Mr. Osborne plans to spend a few days in Mineral Wells on his return trip.

Everett Burton, who is in the CCC camp at Abilene spent the week end here with home folks and stated that the camp was making preparations to move to the new lake near Sweetwater due to the fact that the water in the lake near Buffalo Gap had been condemned by army officials.

"12 Old Maids" At Auditorium Friday Evening

The Methodist Missionary Society will present "12 Old Maids," a comedy, at the county auditorium on Friday evening, October 26, and if your physician has perchance advised against over-exertion in laughter, we advise against seeing this program, however, there are but few people who can't stand loads of it, and the public may be assured that there will be an abundance of laughs from start to finish.

For this program the organization has been fortunate in securing the musical organization of the Falls Refining Company, the "Falls Aviators," who will provide delightful music for the occasion, and a number of specialties have been provided for the evening, including an old-fashioned square dance by the youngsters of the town, and a chorus composed of Miss Ocella Brock, Mrs. Lela Beles, Mrs. Matt Dillingham, Miss Opal Armstrong, Mrs. Faye Elliott and Miss Vivian Rogers.

The admission has been set at 25 and 15 cents and the proceeds of the play will go toward the work of the society, and they respectfully solicit the patronage of the public.

Kernel Wheat and Chuck Wagon Gang Here on Tuesday

Kernel Wheat and his Chuck Wagon Gang, representing the Bewley Mills of Ft Worth were visitors to Munday Tuesday afternoon and evening, and, as usual, they were highly pleased with the reception given them here. Upon their arrival at five o'clock they parked their chuck wagon in front of the Piggly Wiggly store and for more than an hour entertained the hundreds who gathered around with their songs.

In the evening they entertained the Munday Chamber of Commerce at a dinner at the Munday Hotel at which were present almost one hundred, and the wise-cracks of Kernel Wheat and the songs of Bill Pennington and Joe Cack Sam kept the audience amused for more than an hour following the delightful dinner, which was attended by members of the chamber of commerce together with their ladies.

"The Black Cat" Out- Thrills "Dracula" and "Frankenstein"

The grim starkness of "Frankenstein" and the cold thrills of "Dracula" were but delightful pranks, compared to the weird and uncanny theme of "The Black Cat." Universal's master horror picture opening at the Roxy Theatre on Halloween.

Imagine if you can, the first time on the screen together, Karloff, the monster of "Frankenstein" and Bela Lugosi, the vampire of "Dracula." Together they will make you tremble and shiver.

Two demons in human guise meet on the ground of ten thousand dead souls. Grim hatred and bitter revenge flame in their hearts as they clash in what seems immortal combat.

Two innocent young lovers, blissfully unaware of their danger, are caught in the satanic toils of these two blood frozen creatures and made the unwilling victims of dread and fear.

Never before has such rank terror and fright been presented on the screen. Replete with thrills and fraught with chills "The Black Cat" will astound you with its daring.

Based on that famed tale of Edgar Allan Poe, America's greatest mystery writer, this picture is said to be the last word in melodramatic thrills. It abounds with intense suspense, intrigue and super-dramatic highlights.

A great supporting cast has been assembled to make this one of the outstanding pictures of the year and includes Jacqueline Wells, David Manners, Egon Brecher, Herman Bing and Lucille Lund.

GILLISPIE H. D. CLUB

Gillispie H. D. Club met Wednesday Oct. 24, at Sunset, with seven members present. Each member answered to the roll call with "my greatest time-saver in cooking."

The subjects for the round table discussions were "Duties and responsibilities of the Hostess" and "Courtesies due hostess from the Guest."

Plans were made for the club to be responsible for a table at the Exhibit at Knox City, November 16 and 17th.

Funeral Services For Myron Parsons Held Here Sunday

Funeral services for Myron Parsons, 24, were held at the Baptist church Sunday afternoon with the Rev. W. H. Albertson, pastor officiating and following the services the remains were laid to rest in Johnson cemetery.

Parson died at his home in the south part of the city Saturday evening following an illness of some three weeks from typhoid fever, and his condition had been critical for several days prior to his death.

Deceased was born September 1, 1911, and was a son of Mr. and Mrs. W. R. Parsons who have resided in this community for a number of years.

On December 7, 1929 he was married to Miss Mattie Lee Dollar at Plainview, Texas, and in addition to his wife and parents he is survived by two small children.

Myron Parsons was converted in 1923 and affiliated with the Baptist church and lived an exemplary christian life, and his untimely death has brought a great sorrow to his bereaved wife and parents who have the sympathy of a great host of friends throughout this community.

3 Munday Youths Enroll in Abilene Christian College

With several students still expected to register for part time work, Abilene Christian College has begun the largest enrollment in the history of the school, it was announced from the office of Jas. F. Cox, president. The enrollment is an increase of fifteen per cent over this time last year, with an increase of sixty-nine per cent from that of three years ago.

A check of registration figures shows that on October 10 there were registered in the regular college department 587 resident students; in the elementary and high school divisions there were 128 students; while 289 were registered in the extension department. Two students, not registered for other work, are taking fine arts courses—making a total of 1006 students enrolled in all departments of the college.

In other words, Abilene Christian College is at the present enrolling 1006 different students with its ideal of education, which is that the proper training develops the student mentally, physically, morally, socially and spiritually so that he may best serve God and man," said President Cox.

Among those students enrolled are: Chancey Hobert of Munday, who is a freshman in the college; Chalmer Hobert is also from Munday and a freshman in the college; Earl Nichols of Munday is enrolled as a freshman also. They were graduated from Munday High School in 1934.

ANNUAL EXHIBIT TO BE HELD IN KNOX CITY ON NOVEMBER 16th AND 17th

The annual Home Demonstration and 4-H exhibit will be held in Knox City, November 16 and 17, it was decided at a meeting of the County Council, Saturday, October 6. The Knox City and Union Grove clubs are making plans now in cooperation with the exhibit committee of the County for one of the best exhibits ever held in Knox County.

It was decided at the meeting of the Council that anyone, whether a club member or not, could enter their products and that any kind of containers could be used this year. The exhibits must be checked in not later than 10:30 a lock November 16 and must remain until 4:00 o'clock November 17th.

Other than the exhibit of canned produce there will be special exhibits of canned, meals, hooked and braided rugs, quilts, handiwork, cheese-cottage, process and American-school lunches, gifts prepared at home, tile exhibit. Each club is to be responsible for arranging one of these exhibits and it will be published later those having charge of the various exhibits.

There will be an exhibit of the 4-H clubs' work featuring tufted bedspreads, canned tomato products and records and stories of what the girls have accomplished this year.

The Knox City and Union Grove clubs are planning to have a booth where they will sell a variety of good eats on Saturday, the proceeds from this will go into their club treasuries to finance their work.

Everyone is invited and urged to take part in this exhibit and help make it a success.

Sheriff C. R. Elliott and District Attorney J. Donnell Dickson were here Tuesday afternoon on official business.

Senator Oneal Urges Adoption Of Amendment 1

To The Voters of Knox County:

I desire to call your attention to one of the proposed Constitutional Amendments to be voted on November 6th. This Constitutional Amendment will appear as No. 1 on the ballot. It was submitted to you by Senate Concurrent Resolution No. 16 of which I am the author.

The purpose of this amendment is to permit the Legislature to classify property so that hundreds of millions of dollars worth, and probably billions of dollars worth, of property now paying no taxes at all may be classified; and a rate placed upon the same that will not drive it into hiding. This will result in hundreds of millions of dollars worth of property for taxation and thereby take a part of the burden of taxes off of real property and other tangible property that is now over-taxed.

The purpose of this amendment is for tax relief to tax payers now overburdened, and to equalize the burden of taxation by giving the legislature the authority to classify and fix rates on property now escaping taxation so that it will be brought to bear a share of the tax burden.

Desperate efforts are being made by those interests and individuals who own large amounts of this property that is now escaping taxation to defeat this amendment and thereby continue to avoid carrying their share of the government expenses. To scare the voters this organized group has put out all sorts of misrepresentations with reference to this amendment.

First, to scare the owners of small homesteads, they say it will repeal the homestead exemption amendment. This matter was fully gone into by myself and the Attorney General's department before the amendment was introduced in the legislature. There is absolutely nothing to that contention. I supported and voted for the homestead amendment and would be the last man in Texas to try to disturb it.

Second, they tell people interested in small corporations that this will permit the legislature to levy all sorts of taxes on these corporations. There is no more truth in this than in the statement with reference to the homestead exemption. The proposed amendment gives the legislature no authority that it does not already have except to classify property. Every tax that can be levied under this constitutional amendment can be levied now, except that the legislature cannot classify intangible property such as mortgages, deed of trusts notes, vendors lien notes, stocks, bonds, etc., and thereby give them a lower rate than on tangible property.

It is a well known fact that you voters are fully aware of that the property I have just mentioned now bears practically no part of taxation, although in many cases the vendors lien note or deed of trust, or the mortgage note is worth nearly as much as the land against which it is a lien, and the land bears its full burden of taxes.

Attorney General Allred is vigorously supporting the adoption of this amendment. He has given careful study to the subject, and emphatically states that the adoption of the amendment is necessary for the reforming of our tax system.

Mr. L. A. Woods, State Superintendent of Public Instruction, is supporting this amendment. In a statement given out by him in October 23, he said:

"There is no cross purpose between the agencies condemning Amendment No. 3 (tax limit) and the democratic nominee for Governor, James V. Allred, in his efforts to see that Amendment No. 1 (classifying property) shall carry."

"As for myself, I can say that I am for Amendment No. 1 which is being supported by Attorney General Allred and General Allred and myself are working together in our efforts to defeat Amendment No. 3."

Personally, I am of the opinion that the forces attempting to defeat Amendment No. 1 (the Classification Amendment) are bending their efforts towards imposing upon the people of Texas a high sales tax. Already there has been announced in the press a determined effort will be made at the next session of the legislature to impose a 3 per cent gross sales tax upon the merchants of Texas.

If the people want tax relief, and tax reform, they should not overlook this opportunity to vote for the same. VOTE FOR AMENDMENT NO. 1 on the ballot November 6th.

BEN G. ONEAL, Senator.

FACTS VS. FANCIES

The weekly press is busy just now running a series of articles distributed from College Station apparently for the AAA and designed to prove that "the South is not about to lose its cotton markets to foreign countries because of the Bankhead act and the cotton adjustment program."

The first article asserts that "the exports for the cotton year just ended are expected to be nearly as high as those of the years preceding," that "America increased plantings 4,000,000 acres in 1933 and so did the rest of the world," and that the AAA plan "has not surrendered to foreign markets and is not likely to do so."

Well, if the gentlemen of the AAA ascertained what cotton exports actually were, instead of guessing what they "are expected to be," they would have found that cotton exports for the past four months were 1,300,000 bales below those for the same period of a year ago and that since August 1st of this year exports have fallen off more than 52 per cent.

We are quite willing to admit that there is a limit to foreign competition, and we have not turned alarmist on that score. In fact, we have taken occasion repeatedly to point out that the chief cause of the Southern farmer's estrangement from his export markets is the trade barriers raised by his own government.

The South is losing its foreign markets, and the cotton adjustment program is responsible for it to the extent that it is a part of the narrow nationalistic program that still grips our nation in the throes of economic chaos.—Dale Miller in Texas Weekly.

HOME DEMONSTRATION COUNCIL HAS MEETING

The Knox County Home Demonstration Council met Saturday, October 6 in Benjamin with New Hope, Gillispie, Munday, Benjamin, Gilliland, Hefner, Knox City and Union Grove clubs answering Roll Call.

Reports were given by Mrs. E. B. Frasure, Mrs. Virgil Yost, Mrs. Roy Jones, Mrs. G. L. Pruitt, Mrs. C. R. Parker and Mrs. E. M. Almanzo of the meeting in Anson with Mrs. Maggie W. Barry, Extension Socialist of Rural Women's Organizations.

These women explained the function of the Council, its committees, the duties of the Council representatives and something of the programs we are to have in our yearbooks next year.

It was voted to have the exhibit at Knox City this year and the date was set for November 16 and 17. Because of the scarcity of food to can this year and the lack of money to buy jars, it was decided to let any type of jar be entered this year and not hold to our standard jar, the square, glass top, wire clamp jar.

Each club is to have charge of arranging one special exhibit but it was not determined what each club would take.

The sale of the Home Demonstration Cook Books was reported, very favorable but in order to dispose of them in the very near future the price of the book was cut from 35c to 25c.

Announcement was made of the change in District Agents, Miss Murray who has been in District 2 for several years is now District Agent in District 4 and Miss Lila Cooper is the new district agent of District 2.

A nominating committee was appointed by the chairman of the Council. This committee is: Mrs. G. L. Pruitt, Munday; Mrs. Marvin Chamberlain, Benjamin and Mrs. J. R. Spivey, Gilliland.

It was announced that the 4-H pantries would be judged November 5 and that the All-Farm Tour would be conducted November 22.

The Council adjourned to meet in November to select officers for the coming year. This meeting will be the last meeting of the Council this year.

THE BRAZOS PROJECT

West Texans and South Texans are vitally interested in the Brazos irrigation and reclamation project at this time, since it is one of the subjects that has been submitted by Governor Ferguson to the special session of the legislature for action, and since many do not understand the terms of the bill we will try to explain it as we understood it after having it explained to us by those who have been working on the project for a number of years.

It is proposed that an application be filed with the Public Works Administration at Washington for a loan of approximately fifty million dollars, with which it is proposed to build thirteen dams along the Brazos and its tributaries, one of which would be located along the Haskell-Stonesall county line, and others along down the stream as far south as Waco. In order to procure this loan it is necessary that some provision be made for its repayment, and the plan provides that this shall be done by diverting that portion of the ad valorem tax in ten counties south of Waco along the Brazos which goes into the general fund.

Since the constitutional limit of 77 cents in the one hundred dollar valuation cannot be exceeded, and since the State will be forced to levy this limit for many years, and probably for all time to come hereafter, there is not any likelihood of an increase of the ad valorem taxes by reason of this loan, which, as we understand it, will be made without interest, and it is estimated that more than \$300,000 can be repaid annually by the diversion of these funds.

For years millions have been poured into minor creeks and streams in the Northern and Eastern states on projects that have no value to speak of, and now that Texas has an opportunity to enjoy some of the generosity of a benevolent government, we believe it should get it. It will come to Texas or go elsewhere. Fifty million dollars spent in Texas during the next three or four years would mean almost as much to Texas in the way of relief work as the twenty millions that have been authorized by the state.

Munday Moguls and Rule Tie 0-0

The Munday Moguls played Rule last Friday and the game was a tie 0-0. The Moguls were backed by the Munday High School Pep Squad which was a big help to the boys.

Mrs. Palmer and Mary Eva Rigby did wonders with that group of excited girls.

The starting line-up for the Moguls was: Earl Meers, left end; Captain Kethley, left tackle; Boyd Meers, left guard; Greer, right end; and Probst, Bob Layne, Ralph Layne and Trammell in the backfield.

The Moguls started the game kicking off to Rule who fought hard to reach the Moguls goal, but the Moguls held them tight. They finally got possession of the ball and began marching down the field. On the third down just before the quarter was over Pruitt punted the ball to the Rule twenty yard line where the ball was killed. Elland came in for Poyson.

The second quarter started with the ball in Rule's possession on their own twenty yard line. They continued to try to drive through the line but made little headway. They threw several passes but all of them were incomplete. The Moguls got possession of the ball and were making good progress when the first half was over. The score was 0 to 0.

At the beginning of the second half the Moguls kicked off to Rule. Rule fumbled the ball and Munday threw them for a great loss. Then Rule punted out of danger, but the Moguls' safety man carried the ball only a short distance. Then the Moguls pulled a few trick plays and gained several yards, but lost possession of the ball. Rule pulled more passes and completed some of them. They almost made a touchdown but the Moguls regained the ball and began passing; few of the passes were completed.

In the fourth quarter the Moguls lost possession of the ball and Rule began driving hard to get through the line. They got to the Munday twenty yard line and tried a pass which was intercepted by Captain Kethley. The Moguls fought hard to make a touchdown, but Rule held them. The Moguls still had the ball when the final whistle blew. The score remained 0 to 0.

Munday vs. Woodson

On October 5 the Munday Moguls played Woodson. They tied their opponents 13 to 13. Next Friday, October 27, the Moguls will play Woodson at Woodson. The boys plan to win and we are certainly backing them. Since it is so far to Woodson most of us cannot go to the game. However, we can help our boys out by just walking up to the players and slapping them on the back, or simply say, "You have got win, because I am backing you."

HONOR ROLL

The honor roll for the first six weeks, ending October 19, is listed below. This first group is students doing excellent work and the faculty wants to say publicly that they are proud of the work these pupils are doing.

Sylvia Barnes, Junior.
Gordon James Barnes, Senior.
Thomas Rigby, Freshman.
Lucille Neff, Junior.
M. B. Caughran, Senior.
Vinton Tiner, Senior.
The following boys and girls are doing good work in their subjects also. The faculty hereby gives them an honorable mention.
Margaret Tiner, Freshman.
Joe Barnes, Freshman.
Roy McNeill, Junior.
Virginia Smith, Senior.

HALLOWEEN CARNIVAL
Next Wednesday night, October 31, the Parent Teacher Association is going to sponsor a Halloween Carnival at the Community auditorium. Booths of all sorts and descriptions will be built and every kind of entertainment will be found at this annual activity.

The most important part of the carnival to us is the coronation ceremony. Each class of Munday High met last Monday morning and selected its candidate for high school queen. Miss Gordon James Barnes was selected to represent the Seniors, Miss Darwin Campbell was selected by the Juniors, Miss Wanda Mc-Glothlin was selected by the Sophomores class. The Freshmen selected Miss Margaret Tiner. By the time this article is published, the contest will be nearly over. However, we can say that each one of these girls will be in the ceremony. The

candidate that is elected Queen will leave her class without a representative. Last year Darwin Campbell was elected Queen and the Juniors are certain that she will be Queen again. Gordon James and Wanda were attendants to the Queen in last year's ceremony, and the Seniors and Sophomores claim that they won't be this year. Of course this is Margaret's first time to appear in the ceremony, but the Freshmen are sure it will not be the last time. Who will the Queen be? Just turn out next Wednesday night and see for yourself.

"REVIVE US AGAIN"

Students, are we going to hold our hands while the spirit of Munday High is gasping for its very life? It has been common knowledge for several years that our school spirit has been waning but are we going to let it die?

Our superintendent and teachers are earnestly endeavoring to revive it. Come on, let's all cooperate to guard the convalescence of our high school spirit! If each of us would exert all of our influence in the classrooms and in the various activities of the school, the effort should be a successful one.

Then we will be able to say with pride, "We are from Munday High."

Campus Philosophy

What a student does when he has nothing to do shows what he is. It is all right for a girl to hang on to her youth but not when he is driving a car.

SENIOR SCRAPBOOK

It gives us great pleasure in presenting to you our nominee for Queen of Munday High School, Miss Gordon James Barnes. As far as we are concerned she is queen now, for we are going to put out some real competition against the other classes. We will not be beat! So you had better watch out for us!

The Seniors are a happy group this week; six week's exams are over and we have news that our rings will be here soon. If we could not be happy over that, then what will it take?

Picked Up At Random
My pa told me:
"Worked all year, 'til the New Year's high.
Then figured up the books—heaved a big sigh.
Worked all year, didn't make a thing.
Got less cash than I had last Spring.
Now some folks say "There Ain't No Hell."
But they never run a drug store, so they can't tell.
When Spring rolls around, guess I'll take another chance.
While the seat grows thinner in my old gray pants."
Joe: "Let's sit nearer the music."
Lavena: "But then you can't hear what I'm saying to you."
Joe: "Yes, I know. Come on."
Well, now that the six weeks' exams are over we can all breathe freely again. (That is some of us can.) It is getting to be a habit with some of the Juniors to make 60's and 20's in Geometry. Can it be that the Juniors are dumb? It looks like it—does it not?

Food Literally
Cooks in Its Own Juices When Cooked Electrically
... So You Can Imagine How Nutritious It Is and How Good It Tastes
The Modern Electric Way of Cooking Also Means More Ease and Comfort!
You can easily see why people are buying electric ranges! They like this easy way of cooking. Any mother wants an electric range when it enables her to give her family the benefit and pleasure of eating good nourishing food the entire year, with a big saving of her own precious time and energy. There is also an actual saving of food when it is cooked electrically... because there is so little shrinkage... and the best of it is not poured down the sink with excess water. Yes, indeed, cooking makes a world of difference in food!
Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

Do you wish your boys and girls to have access to the best that men have written in the past and in the present? Do you want them to come under the influence of such men as Washington, Lincoln, Woodrow Wilson, Shakespeare, Tennyson and Dickens? Then you are interested in your school library. Are you interested in how your boys and girls spend their recess and noon periods? Then you are interested in providing something for them to play with.

If you are interested in these two things (and we know you are), then you are interested in our school carnival to be given on Wednesday night, October 31. In order to make a profit, which will be used to purchase books and supplies for the library and playground equipment, we are appealing to you for donations to the carnival. The teachers and students are donating their time preparing something for your pleasure. We believe you will do your part to make the carnival a financial success; therefore we are asking you to bring such things as candy, fruit, little toys, popcorn, peanuts and anything which we might be able to sell. The students and faculty will greatly appreciate even the smallest donation to the carnival. Can we count on you to donate something?

House of Fun

If you want to see something that you never saw before be sure to see the House of Fun. You will see things that were never known to man before and perhaps you will never have another chance to see. We will mention a few of the outstanding things you will see. Ground hot. The only two red hats in captivity. Paradise on earth. A swimming match. Two of the world's fastest runners. A woman with two heads. A man eating under water. Doe-Doe.

Another center of attraction will be the doll throwing. Each doll will have the name of one of the teachers. So why not pick your favorite teacher (or vice versa) and "chuck" at him? There will be special prizes on the throwing. For the individual it will cost five cents for three throws. For two couples three throws each will only cost fifteen cents. If ten couples (boy and girl) register together it will cost at the rate of five throws for five cents.

Crazy House

Everyone is invited to come and see the Crazy House. Be sure your heart is not weak, for it might fall when you see and hear all those things that are supposed to be out on Halloween. We will not be responsible for your silk hose or clothing, because in a crazy house you might run over anything.

It will only cost you five cents, so why not enjoy a few falls and scary moments?

Did you say race competition? If you want to see some real racing just visit the brick building east of the school house and see the terrapin race. A small admission of five cents will be charged to see the race.

But more than this, why not enter a terrapin and get to see the race free? It costs only twenty cents to enter a terrapin and if you have a trained one it will stand a chance of winning the five-dollar ship model which will be given as the prize.

If a terrapin cannot be secured in your own environment, see some of the school officials or Pete Swanner, who is chairman, and one will be given to you.

The terrapins will be placed in the center of a large circle. To the center of the terrapin which first crosses the line will be awarded the ship model.

Did you ever see any real knife throwing? Well, you will if you come to the carnival, because we are going to have champion knife throwers. Come and show these champions how good you are at throwing knives. Bring your wife along because she is used to throwing things. There is always a prize given to the winner, so why not take the prize yourself?

Can you put eleven trains on ten railroad tracks? It does not sound logical, but it can be done. If you want to know how see the one-act plays which will be presented in the gym Carnival Night. The two plays have some real talent in the persons of the characters. Your ten cents will be most profitably spent in seeing these plays.

HOWARD'S EAGLE CRY

The second round of the League lowered the standing of the Sunset Senior boys. They were defeated by Old Glory 18-24. The girls still have an average of 1800 per cent so far. They defeated Rochester girls 18-28. They stars failed to shine; they were defeated by Old Glory All-Stars. The Eagles will play O'Brien Friday, October 26. Both teams were evenly matched last year and last about the same number of players, so they will be evenly matched this year. Come and see for yourself who has the best team. Admission 10c and 15c—35c per family.

Don't forget the boxing Wednesday night, October 31st. The boxers are: Arnold Land, wt. 160, vs. Clyde Ingell, wt. 160; Jack Land, wt. 135, pounds versus Asperlon Stogner, wt. 140. They are all experienced hands at the job. A. Land, J. Land and Stogner are from Sunset, C. Ingell is from Knox City. Also remember the terrapin races. The prize is a ship about entering. The prize is a ship about entering. The prize is a ship about entering. It is very beautiful and anyone would be proud to own it.

John McGraw spent several days in Dallas the past week. He was accompanied home by Mr. and Mrs. Cecil Riley and Cella and Olessa Love, who spent the week end here.

A coming event that is attracting much attention here now is the Inter-County Federation Meeting to be held in Wichita Falls Tuesday. Eleven counties comprise this Federation, the largest in the U. S. The Choral Club from here will present a number with Mrs. Louise Ingram as director and twelve girls will appear in a colonial dance with Mrs. Joe Davis as director. About fifty women from here plan to go to this meeting.

Mr. and Mrs. H. L. Chapman and grandsons, David Chapman of Winters, and Donald Chapman of Balinger were week end guests in the W. H. Chapman home.

Mrs. Lyle Stodghill who has been in the Clinic Hospital at Wichita Falls the past several weeks returned to her home here Sunday and is now convalescing nicely.

SOCIETY

Friendly 84 Club in Smith Home

Halloween was heralded in appointments for the monthly 84 party when Mrs. A. A. Smith and Mrs. M. H. Reeves were hostesses Tuesday evening in the home of the former. Autumn flowers in deep orange hues were decorations used throughout the entertaining suite where four tables were placed for 84.

High score was held by C. A. Elliott, Chester Bowden, Mrs. D. E. Holder and Mrs. Chester Bowden. Low score was held by Dr. E. M. Ammons, C. E. Elliott, Mrs. C. A. Elliott and Mrs. W. V. Tiner.

Refreshments of chicken salad, bread and butter sandwiches, potato chips and fruit tea were served to Messrs and Mesdames D. E. Holder, T. G. Benze, G. R. Eldred, C. A. Elliott, H. A. Pennington, W. E. Braly, J. C. Campbell, J. C. Burden, W. V. Tiner, B. L. Blacklock, Chester Bowden, M. F. Billingsley, C. R. Elliott of Benjamin, Dr. and Mrs. E. M. Ammons, Mrs. W. R. Moore, Mrs. J. H. Smith, Dr. A. A. Smith and M. H. Reeves.

Sans Souci Club Entertained

The Sans Souci Bridge Club was entertained Tuesday evening by Mr. and Mrs. Riley B. Harrell at their home.

High score was held by Riley B. Harrell and Mrs. Hubert Isbell. Refreshments of chicken salad, rolled sandwiches, lady fingers with butter spread stuffed olives and hot punch was served to Messrs and Mesdames Hubert Isbell, Aaron Blanton, Ira Bowden, Rex Holder and Glenn McGlothlin.

W. M. U. Entertained

The W. M. U. Social was held in the M. H. Reeves home Monday evening with Mrs. Reeves and Mrs. B. L. Blacklock hostesses. The devotional was given by Mrs. A. C. Brock with talk by Mrs. J. O. Bowden. The book, "Stewardship Applied in the Church," was given by Mrs. W. H. Albertson.

A social hour was enjoyed with refreshments of nut pie topped with ice cream and served with coffee. Those present included Mesdames Leland Hannah, A. U. Hathaway, J. O. Bowden, C. R. Parker, W. H. Albertson, W. E. Reynolds, J. Horace Bass, A. C. Brock, Jma. White and J. M. Perdue.

Home Demonstration Club Meets

The Home Demonstration Club met in the lunch room Friday. A report of the Council meeting was given by Mrs. G. L. Pruitt followed by a round table discussion of plans for the county fair to be held at Knox City November 16 and 17.

Those present included Mesdames G. L. Pruitt, L. W. Hubert, L. P. Jones, J. E. Edwards, C. R. Parker, Elmer Dickerson, Frank Bosley, Ralph Weeks, J. M. Perdue, Jma.

Reneau, S. B. Krump and C. M. Matlock.

Junior W. M. U. Meets

The Junior W. M. U. of the Baptist Church met in the J. C. Elliott home Monday evening with Mrs. Elliott and Mrs. Merle Joyce hostesses.

A Royal Service program was presented with foreign missions as the main discussion.

A social hour followed with 42 the diversion. A refreshment plate of date loaf, pie topped with whipped cream was served Mesdames C. C. Pippin, Joe L. Mays, R. L. Boles, P. B. Broach, Rex Holder, Riley B. Harrell, Hubert Isbell and Philip Lowery.

Wednesday Club in the Boster Home

Halloween was suggested in the decorations of fall flowers and bridge appointments when Mrs. Pitzer Baker entertained the Wednesday Bridge Club in her home Tuesday evening.

High score was held by Mrs. Fred Brock. A delicious refreshment plate of tuna cannellini salad, cheese straws, cranberry ice and stuffed dates was served Mesdames Chas. Mays, Fred Brock, W. H. Chapman, W. E. Moore, Joe Davis, H. A. Pennington, W. H. Albertson and H. F. Monk of Weirton.

Monday Study Club Holds Meeting

The Monday Study Club met in regular session on Friday afternoon, October 19th at the Club House.

Mrs. R. D. Adelson was hostess and director of the program. The subject of the afternoon was "A Tour of the West." Mrs. W. L. Reynolds gave a most interesting account of the old West, portraying life in the days when the West was claimed for civilization. Mrs. Pitzer Baker gave in an impressive manner the poem "Out Where the West Begins." Mrs. E. M. Ammons talked on the New West. She took us with her in a review of the vacation trip she made the past summer. So real was this review and presented in such a vivid and unique way that each one present had a mental picture of the outstanding points and things of interest in the new west.

Mrs. J. D. Kethley, president, conducted a business meeting at the close of the program. Only two active members were absent—one on account of illness and the other being out of town.

Improvements will begin at once in the Club House. The Study Club has reason to be proud of its new home. —Club Reporter.

School Faculty and Trustees Entertained

Outstanding among the social affairs of the week was the party given by Mr. and Mrs. J. Horace Bass when they entertained the school faculty and trustees with an "84" party.

Flowers in golden hues, with mums predominating, were used in decorations suggesting a Halloween motif, with table appointments in keeping with this theme.

Refreshments of pumpkin pie topped with cream, cheese fillets and coffee were served to Messrs and Mesdames Jno. Bowden, John Ed Jones, Leland Hannah, R. D. Adelson, L. M. Palmer, L. S. Herdegren, Richard Coody, Misses Ollie Bateman, Evelyn Williams, Merle Lowe, Maudie Mae Bennett, Catherine Burr, Joarid Park, Mary Couch, Mrs. Louise Ingram, Mrs. Jones, H. F. Parnes and J. H. Parker.

Methodist Missionary Society in Campbell Home

The Methodist Missionary Society met in the home of Mrs. J. C. Campbell on Tuesday afternoon, October 23, with Mrs. John Spann, Mrs. Cesar Spann and Mrs. Lee Haynes assisting hostesses.

The program was arranged by Mrs. P. V. Williams and stressed some of the problems of the negro race. The devotional was given by Mrs. J. C. Burden. A colored trio, consisting of Mary Braxton, Alena Johnson and Essie Coleman sang two songs which were greatly enjoyed. Mrs. G. R. Eldred gave an article on the Negro in the Rural South.

Mrs. H. A. Pennington presided during the business session. During the social hour pumpkin pie and coffee were served Mesdames J. C. Burden, S. A. Bowden, H. C. Hand, Ray Aycock, John Lane, J. D. Kethley, H. T. Maples, J. A. Caughran, D. E. Holder, Pitzer Baker, H. A. Pennington, G. W. Duggan, G. E. Eldred, P. V. Williams and Miss Shelley Lee.

Thursday Club in Broach Home

Sweet past and roses made a cheerful setting for the monthly meeting of the Thursday Luncheon Club when Mrs. Fred Brock entertained members and invited guests with a buffet luncheon and games of "42" at her home Thursday.

The guest list included Mesdames W. H. Atkinson, Tom Haney, A. A. Smith, Effie Alexander, John Ed Jones, R. H. Neff, Louise Ingram, W. E. Moore, T. G. Benze, W. H. Chapman, L. S. Herdegren and Miss Shelley Lee.

Shower for Recent Bride

A lovely surprise shower was given in honor of Mrs. J. T. Offutt Wednesday afternoon in the home of her parents, Mr. and Mrs. T. R. Smith. The hostesses, Mrs. Don Phillips and the bride's sister, put the surprise over in a very effective way, for Correll was unaware of the occasion until she arrived after a number of the guests were already at the home, and then she assumed that it was only a party until she was ushered into a room where the many lovely gifts were spread.

Jim Nelson returned Wednesday morning to Clovis, New Mexico, where he has recently accepted a position with the Southwestern Dress Company.

U. E. Hauser is in receipt of a letter from Dr. J. E. Hammond, former Munday officer, who is now in the U. S. Public Health Service with the rank of Captain, and is located at Portland, Maine. Since leaving Munday Dr. Hammond states, he and his family have been in practically every foreign country in the world and he has only recently returned from a hunting trip into Canada. Dr. Hammond still retains an interest in Munday and its citizens and send his regards to his many friends here.

J. Lyndal Hughes, county superintendent, and Mrs. Hughes have recently returned from a visit with relatives at Galveston, and while away Mr. Hughes visited the offices of county superintendents in Houston, McLennan and other counties throughout central Texas, in familiarizing himself with the duties of the office which he will assume in Knox county early in 1935. Mr. Hughes stated that he planned to return to that section of the state within a few days and would attend the state meeting of the State Teachers Association at Galveston and would confer with the Superintendent of Education at Austin before returning to Knox County to assume his duties. While here he held a meeting of the teachers of the county and was highly pleased with the standing of the rural schools of the county.

J. C. Nelson and Miss Elgie Hand accompanied Jim Nelson to Clovis, New Mexico, Wednesday.

Mrs. Stephens Decker and daughter, Mrs. Bess and Mr. and Mrs. Joe Decker and family have returned from Fort Worth and Dallas. They were accompanied to the Fair by Miss Helen Decker and Mrs. Bailey who reside at Fort Worth.

Mr. and Mrs. E. S. Briggs, Mr. and Mrs. Raymond King, and Miss Willie Briggs will arrive Friday for a visit in the home of Mr. and Mrs. W. H. Atkinson. Mrs. Briggs and Mrs. Atkinson are sisters.

A Special Event

FOR FOOT SUFFERERS

A member of the personal staff of Dr. Wm. M. Scholl, world noted foot authority, from Chicago, will be in our store.

Wednesday, Oct. 31

As your feet bother you! Do you suffer from corns, callouses, bunions, itching feet, "Athlete's Foot," weak arches or any other foot trouble?

Here is your opportunity to learn how to obtain relief... and to obtain Podograph prints of your socked feet without charge. Also sample of Dr. Scholl's Zinopal for corns, and an interesting booklet, by Dr. Wm. M. Scholl, "Treatment and Care of the Feet."
