Look To The East

By AARON EDGAR

"Let there be peace on earth, and let it begin with me."

This is a phrase in the first verse of a song, "Let There Be Peace on Earth", that is more or less familiar among we Methodists.

Although it is not found, we learned, in our official hymnbook, The Methodist Hymnal, it has worked its way into our "Order of Worship" on several occasions. If memory serves us correctly, it is usually used as a special, a solo.

After a headline in the daily papers early last week: "Britain Claims Victory In Falklands", our thoughts seemed to dwell on this lovely song.

Co-authored by Miller and Jill Jackson, the song is in reality a fervent prayer in all its verses. It is thought perhaps one of the above people wrote the words, and the other supplied the music.

How wonderful it would be, we thought, if this song could become the fervent prayer of every person in the entire universe! Chances are it will never be realized, but the thought is comforting and inspiring.

As Britain claimed victory in the Falkland Islands, thousands of Argentine soldiers dropped their weapons and fled as British troops smashed through the final defense line circling the capital of Stanley.

Those little knobs sticking up above the cold and icy waters of the South Atlantic had been the scene of much warlike activity and turmoil for several weeks. As we've indicated before, the entire course of action seemed so useless and uncalled for. Those tiny islands were almost too cold and barren for human habitation—only seals and penguins thrived best there.

As the white flag was raised over the capital, the bombs, shelling, bombardment and explosions ceased at least temporarily—and there was a measure of peace in East and West Falklands, the two major islands in the South Atlantic archipelago.

This was greeted with mixed emotions. The Britains were in the mood for celebration and jubilation over retaking the islands which they claimed were rightfully theirs. Argentines questioned their military leadership, and there was rioting and turmoil and upheaval in the Argentine capital. This isn't peace!

About 1,000 soldiers and civilians died in the "undeclared" war. Is there peace in the hearts of other thousands who lost a son, husband, father, sweetheart in this terrible conflict? Was the victory worth the price?

But this is just a measure of the warlike activities going on throughout the world. In many nations, it seems the populace thrives on war—and what a pity!

One could hardly place a finger on any portion of the world map and not hit a spot where there is not some sort of conflict. Treaties are disregarded, the big guns of war boom loudly, bombs bring destruction on large cities and many innocent people.

When smitten on the cheek, people are reluctant to turn the other, but are inclined to respond with clenched fists, drawn bayonets and deadly gunfire. Even the land where Jesus walked is not free of turmoil.

It doesn't seem popular to think of peace on earth; yet, at the approach of the Christmas season each year the words: "Peace on Earth; Goodwill Toward All Men" seem uppermost in our thoughts.

It must have been uppermost in thoughts of composers of the song, too, because there's a footnote to the song referring one to John 14-27 in the Holy Book:

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

Let There Be Peace! Wonderful to think about; seemingly impossible to achieve!

We talk of peace on earth, world peace. We continue to produce world destruction and annihilation!

Storm Damage Extensive Over Much Of Knox County

Knox County and a large area to the southeast of Munday was dished out a second and more extensive portion of destruction early Friday morning when heavy rain, winds that reached storm proportions and an abundance of hail brought almost complete destruction to crops of the county.

In Munday, the damage was principally from hail, although high winds were experienced. A number of instances of hail damage to screens and window panes were reported, garden spots were wiped out, and damage was severe to fruit trees, shrubs and other trees.

Repair crews of West Texas Utilities Co. found their work cut out for them Friday morning when it was discovered that at least eleven highline poles had been blown down just west of Munday. Some of these fell toward the highway, and other poles were leaning noticeably. Work crews were quick in getting the repairs made.

As if the first visitation of destruction on May 24 was not enough, this second one coming less than a month later, completed the job. This is the first time in years that farmers have been so completely wiped out this late in the planting season.

Along with the hail and wind, heavy rains fell. Some reports were of from five inches in the Rhineland area, to from 2.50 inches to better than three inches in others. Water covered the ground as far as the eye could see. If young crops should have escaped the hail, the pounding of hail and heavy rain on freshly-planted soil caused the soil to fill in all furrows. The land seemed as level and bare as if it had never been planted.

The destruction covered pretty much all of the county, with the exception of the Vera area, where Thelma Lee and penguins thrived best there.

Munday School Board Holds Special Session

The Munday Independent School District board of trustees met in called session on Thursday, June 17, 1982. The board voted to have a year-to-date audit through June 30, 1982, and to purchase equipment needed for the maintenance department. The board also voted to take bids on a pick-up for the transportation and maintenance department.

A presentation was made by Paula Schur regarding adult vocational classes to be taught in Munday.

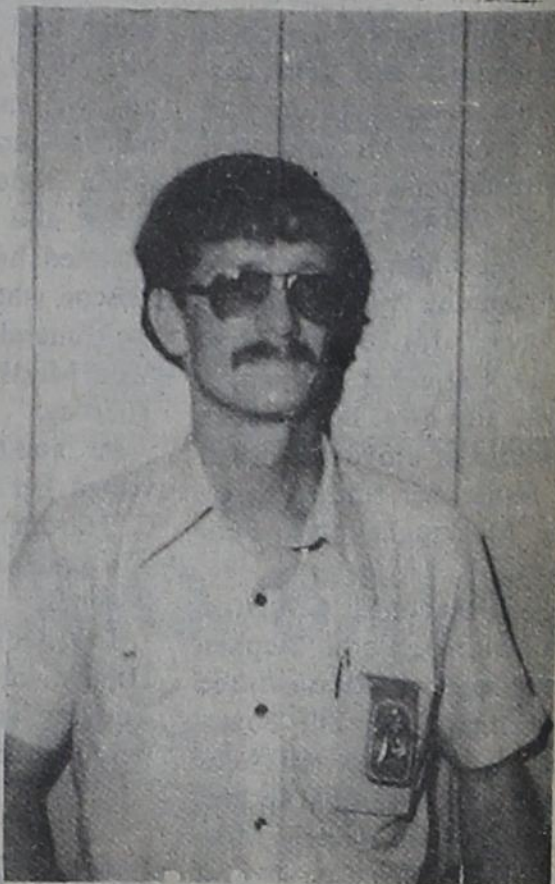

A meeting was also called for Tuesday, June 22, at 5:00 p.m. in order to tour the elementary and junior high buildings. The tour was designed to gain first hand information about needed repairs.

1982 CARDINALS for Munday Little League, pictured with Coach Bill Williams, are in front row, from left, Chris Baker, Ricky Perez and Doug Tidwell; center row, from left, Trey Thompson, Shane Simmons, Tyler Thompson and Michael Waggoner; back row, from left, Mondy Mayfield, Mitch Mayfield and Jeremy Way. M. L. Waggoner also helps with the Cardinal team.

Coulston, correspondent, reported an electrical storm and around 2 1/2 inches of rain; a portion to the northeast of Munday, and the Goree area, where heavy rain and high winds were reported.

One report was that the severe damage extended from Rhineland to the south-

KEN BRYANT, recently employed as a deputy for Knox County Sheriff's Department, is now serving in that capacity. Mr. Bryant was reared in California, and moved to Benjamin from Plainview. He has been in law enforcement five years, serving as patrolman and juvenile officer for the City of Plainview and deputy for Hale County. He was selected officer of the year in Plainview in 1980. He has an eighteen year old daughter, Mona, who will attend North Texas State University in Denton this fall, and a son, Kenny, age 12.

AFTER THE STORM SUBSIDED . . .

How They Fared!

As time permitted and contacts could be made, a representative of The Courier learned how some of the local farmers fared. Their loss has been severe, as shown in the reports below.

Edwin Johnson - His peach orchard, with fruit just coming into maturity, suffered heavy, if not complete, loss. The fruit was stripped from the trees; and if any remained it was so bruised by hail that it would be unmarketable and uneatable. Land where guar was just ready to emerge was levelled from the heavy beating and severe rain.

Zeissel Bros. - These men suffered what was termed a complete loss in all their operations. Crops spared from the first storm succumbed to the second.

Herb Partridge - What the first storm spared, this one demolished, making a

total loss. He plans to replant some melons, which should be ready to harvest by late September, and replant his guar.

Garon and Gary Tidwell - These men had so many farming areas that they did not suffer a complete loss. On farms southeast of Munday, they lost around 650 acres of cotton and 150 acres of wheat and some corn. Garon said they plan to replant cotton as late as July 3.

The Grady Phillips - This couple returned from a vacation trip soon after the storm and found their crops destroyed, damage to their home, with an uprooted tree falling and breaking their electric line. They had no electricity for some time.

Kenneth Baker - Kenneth felt fortunate in that all of his wheat acreage (except for the "mud puddles") had been harvested just ahead of the storm. A farm residence, formerly occupied by Sam Alcala for many years, was completely demolished, as were several large grain storage bins at the Baker farm. The main residence, occupied by Mike and Kerri Urbanczyk, suffered some damage. One window was either blown out or broken by hail, with water damaging the interior.

Don Bowman - Severe damage to crops and nine window panes broken out at the farm residence.

Bully and Barry Ratliff - Wheat had been completely harvested, but all of their cotton crop was destroyed.

W. R. Moore, Jr. - Wheat had been harvested, but much damage done to row crops.

Dwight C. Key - Harvest crews were making inroads on his wheat fields, but the storm completely "harvested" what remained, and Dwight found his harvest completed Saturday morning. He said he found more water going down Miller Creek than he'd ever seen before!

James Smith - Mrs. Smith reported very little hail on their place, but there was some water damage. James is not engaged on potato production this year.

It is just a "wait and see" proposition on potatoes, it was stated. Hail damage would not be so severe if the spuds do not remain submerged in water too long.

Local Businesses Close July 5 For Independence Day

According to Mrs. Callie Ann Combs, manager of Munday Chamber of Commerce, the majority of local businesses will close Monday, July 5, since Independence Day, July 4, is on Sunday this year.

This is the suggested closing date by the Chamber of Commerce, and most businesses will observe this day.

Around 60,000 acres of land were affected in the southern part of Knox County.

At least 40,000 acres over the county were affected by rain.

Around 25,000 acres of cotton suffered from 80 to 100% loss. Farmers were not sure about replanting.

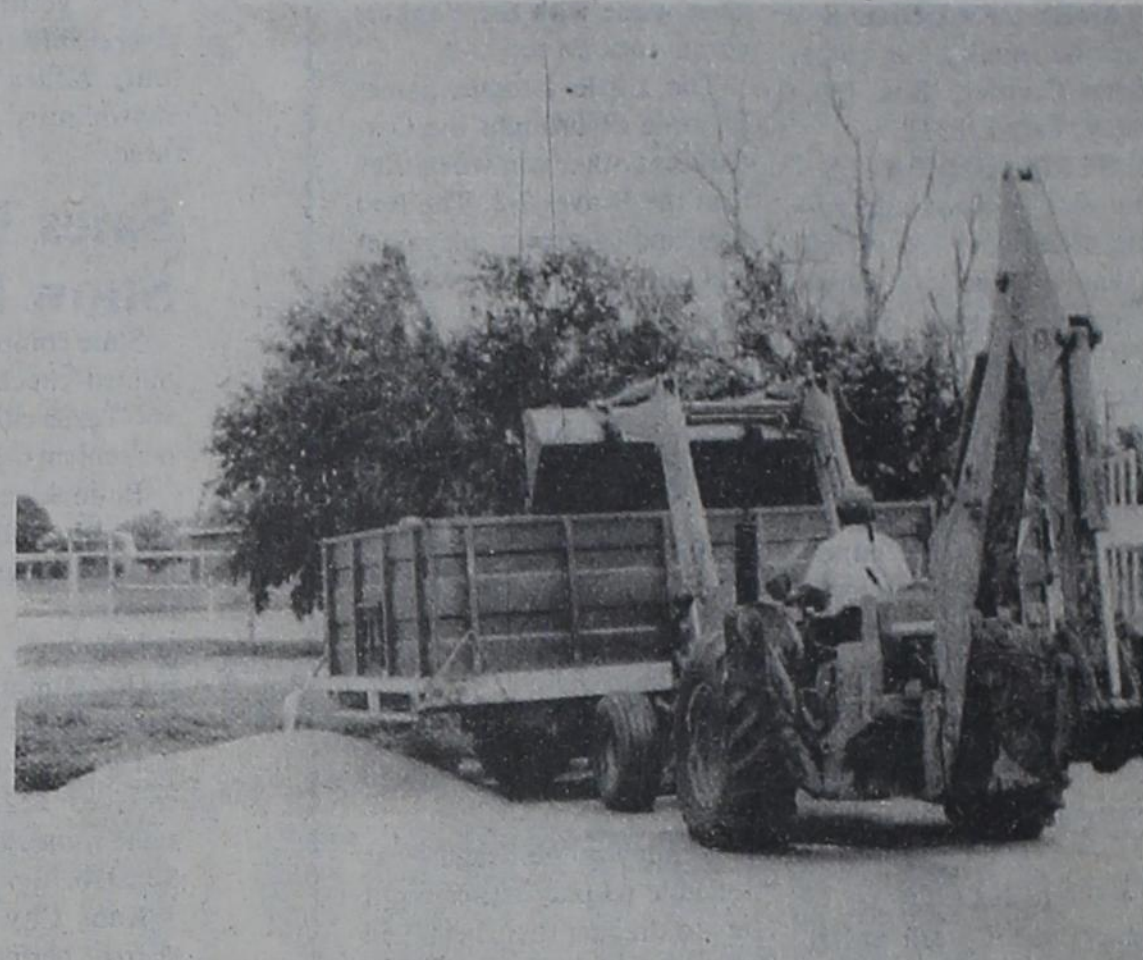

Suffering from 90 to 100% loss were some 5,000 acres of wheat. Many farmers in the county had completed harvest.

Some 500 acres of guar sustained total loss. Most of this will be replanted, as there remains enough time for maturity.

Potatoes - At least 500 acres suffered from 50 to 80% loss. Farmers were just getting well under way in harvesting this crop.

Corn - There were around 250 acres that suffered from 70 to 100% loss.

Total damage - Siepel estimated that this could run between \$5 and \$6 million.

WHOA, WAIT A MINUTE, this isn't the elevator! A truck hauling wheat to the elevator on Thursday afternoon partially dumped its load while the driver was in Starvin' Marvin's cafe for a cold drink. Daniel Ramirez, pictured on the loader, made short work out of the chore of re-loading the wheat. But the hydraulic system wasn't working correctly and started to dump again. It all worked out finally and as someone has said, "It's all in a day's work."

AFTER SURVEY COMPLETED

County Agent Gives Estimate Of Damage

Immediately after the rain, hail and wind early Friday morning, County Agent Charles Siepel and other members of the Knox County Disaster Emergency Board began a survey to determine storm damage to Knox County. The board's report is being prepared for higher authorities.

In a telephone report to The Courier, Mr. Siepel briefly outlined some of the board's findings, basically as follows:

Some 500 acres of guar sustained total loss. Most of this will be replanted, as there remains enough time for maturity.

Potatoes - At least 500 acres suffered from 50 to 80% loss. Farmers were just getting well under way in harvesting this crop.

Corn - There were around 250 acres that suffered from 70 to 100% loss.

Total damage - Siepel estimated that this could run between \$5 and \$6 million.

Brother Gentry Had Good Reason For Whistling!

Don Travis, new pastor of the First United Methodist Church, shared an interesting story with members of the Munday Lions Club at their meeting on Tuesday.

The story was about a new pastor who was going through the process of getting acquainted with his members, as Travis is doing. He met Bro. Gentry and started to tell of his visit to another member.

"Did you notice that Bro. Gentry was always whistling?" the man asked. "Did you notice that he was never whistling a tune, just whistling?" He asked the pastor to return and learn why Bro. Gentry was always whistling.

Upon returning, the pastor was shown the fine fruit trees, the vegetable garden, the lovely flower garden about the place. His informant had told him beforehand to look on the back porch.

Getting in view of the back porch, the pastor noticed Bro. Gentry's wife, who was blind, sitting in a swing. Then he learned the reason for the whistling: it was Bro. Gentry's means of communicating with his blind wife, of letting her know that he was there, that he cared, and that he loved her!

The story ended with the thought that Jesus is always present, that he cares for us, and loves us!

Goree Man Arrested

Police chief Gerald Saffel reported that on Thursday, June 17, Eddy Lee Giles of Goree was arrested on a warrant for charges filed by Louise Jones of Munday in the court of Judge Guy Bradley in Knox City. The charges by Mrs. Jones were that Eddy Lee Giles did assault her by throwing acid in her face, which is aggravated assault.

Bond was set by Judge Bradley at \$5,000. Giles remains in the Knox County jail at Benjamin. Arresting officers were Knox County deputy Ken Bryant, Chief Saffel and city patrolman Melvin Cypert.

Munday Ball Teams Report

In the PeeWee League the Bears beat the Rangers 7-6 in the first game on Tuesday, June 15. In the final game of the evening, the Moguls scored 11 to the Dodgers' 5.

The PeeWee games scheduled for Friday, June 18, were rained out.

In Little League action last week on Thursday, June 17, the Cardinals won over the Red Sox 13-12, and the Yankees and Braves played a close game with the Yankees coming out on top, 3-2.

The Little League games on June 24 brought the Cardinals another win when they beat the Braves 7-2. The Red Sox and Yankees played a real fine game which ended 0-0.

With three more nights of play scheduled, the Braves stand at 4 wins, 5 losses; Yankees, 5 wins, 3 losses, 1 tie; Cardinals 3 wins, 6 losses; and the Red Sox 5 wins, 3 losses, 1 tie.

Munday's senior league played Stamford here Tuesday night, June 15, and beat Stamford. Their game on Friday night was rained out.

Munday men's league was not able to play either night due to the fact that their field was under water following the multiple rains recently.

LOCALS

Mrs. Virginia Cary attended the Franklin family reunion at Brownfield on Saturday.

Visiting D. E. Whitworth on Father's Day was his daughter, Mrs. Patsy Combs of Rockwall. The two, accompanied by Mrs. Maggie Gaines, attended the Ft. Griffin Fandangle.

The youths are each entering in several different events. Leah will enter four, Kelley will participate in five, Shawn in six, Kristi in three and Todd in three.

Sales Tax Rebates Show Increase

State comptroller Bob Bullock recently mailed checks totaling \$35.5 million to 966 Texas cities as their share of the one-percent city sales tax for June.

Bullock reported that with 1982 half over, the rebates are nearly 14 percent higher than the amount paid by this time last year.

Munday's payment for the current period amounted to \$2,859.40 as compared to \$1,860.00 for the same period last year. Thus far in 1982 Munday has received \$22,878.76 in rebate. At the same time last year payments totaled \$22,336.76.

Knox City received \$3,696.48 for the current period as compared to \$3,630.00 for the same period in 1981. To date Knox City has received \$37,819.43 in 1982. For the same period in 1981 their payments totaled \$30,761.97.

Goree, Benjamin and Weinert received no rebate check for this reporting period at this time.

SS Representative In Munday On Wednesdays

A representative from the Vernon Social Security office has been coming to the Munday City Hall twice monthly on Thursdays. This schedule is being changed to the second and fourth Wednesday of each month.

In July the representative will be here at the Munday City Hall from 9:30 a.m. until 11:30 a.m. July 14 and July 28. He will be able to assist the people in this area with their social security needs.

ROD AND REEL fishing reaped the four nice catfish displayed in the above photo by Mark Brown, at left, and Bernard Pang. They each landed one and their fishing buddy, Ralph Cypert, brought in the other two Thursday morning at Miller Creek Lake Reservoir. Mark said it was great because he was expecting to just catch small perch all morning. They caught the four nice ones in about thirty minutes and then they quit biting.

YOUR TELEPHONE SERVICE - A REAL BARGAIN

All things considered, talking is a real bargain. The chart below shows how your telephone costs compare against other goods and services you use daily.

(figures based on data gathered from U.S. Bureau of Labor Statistics from October 1976 to October 1981)

* Away from home
** Basic local service in OTS's Texas exchanges

Frequently, the convenience of the telephone is taken for granted.

For instance, a few things you use your phone for:

1. Shop ahead, save gas
2. Make appointments (doctor, sales calls, lawyer, preacher)
3. Emergencies (police, fire, ambulance)
4. Talking with loved ones in other towns
5. Conducting business via long-distance, save on travel cost
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town.

Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

MRS. RANDAL KINNIBRUGH
the former Beverly Morton

Beverly Morton, Randal Kinnibrugh Wed In Kress

Beverly Jan Morton became the bride of Randal Wayne Kinnibrugh in a double ring ceremony in the First Baptist Church in Kress on Saturday, June 19, 1982, at three o'clock in the afternoon. Rev. Steve Vernon, pastor of the church, officiated.

Parents of the bride are Mr. and Mrs. Robert Morton of Kress. Mr. and Mrs. Billy Kinnibrugh of Vera are parents of the groom.

Church decorations included an altar set with greenery-adorned candelabras, flanking an arched candelabra with white satin bows and pairs of doves, and the memory candle.

Mrs. Ferman McBeth of Kress was organist. Mrs. Floyd Simmons of Kress was pianist. Soloists were Miss Jane Barnes of Ft. Worth and Tom Terrell of Kress. Steve and Donna Vernon of Kress were also vocalists.

The bride, given in marriage by her parents, chose a formal wedding gown of poly-organza and re-embroidered raschel lace over bridal taffeta. The bodice was designed with a Queen Anne neckline and featured long bishop sleeves and an empire waistline. Lace enhanced with seed pearls adorned the sleeves and bodice. Rows of lace ruffles fell in waterfall fashion on the full skirt which swept to a chapel length train.

Her veil of imported illusion edged with lace fell waist-length from a lace embellished coif. Her bridal bouquet was a cascade of yellow sweetheart roses, white daisies and baby's breath atop a white Bible.

For something old the bride carried a handkerchief which belonged to her great-grandmother. Her ring was something new, and she wore a blue garter. She and her grandmother Morton share the same birthday, and a topaz necklace of Mrs. Morton's served as something borrowed. In her shoe the bride carried a sixpence minted in the year she and her bridegroom were born.

Mrs. James Campbell of Hart, sister of the bride, was matron of honor. Miss

Rebecca Morton of Fort Worth, sister of the bride, was maid of honor. Bridesmaid was Miss Karin Kennedy of Canyon, and Tawney Stewart of Amarillo, cousin of the bride, was junior bridesmaid.

The matron of honor, maid of honor and bridesmaid were dressed in identical gowns of lavender, mint green and pale yellow, respectively. The floor length dresses were of quiana, designed with short sleeves and blouson waists. Their flowers were clusters of rainbow colored daisies and baby's breath. Miss Stewart was attired in a tiered sundress of rainbow hews.

Best man was Royce Miller of Vera. Groomsmen were Brandon Elliott of Seymour and David Merrill of Clovis, N. M. Todd Bradshaw of Canyon served as junior groomsmen.

The groom chose a white tuxedo with satin lapels and wore an ascot. Groomsmen wore western cut sandy beige tuxedos with satin lapels, ruffled shirts and western ties.

Ushers were James Campbell of Hart, brother-in-law of the bride; John Bliker of Abilene, Bill Hicks of Canyon and Keith Beck of Vera.

Tawney Steart and Todd Bradshaw served as candle-lighters. Rhonda Kinnibrugh of Vera, sister of the groom, registered guests.

A reception followed the wedding ceremony in the fellowship hall of the church. The bride's table was covered with a lace trimmed white cloth. The three-tiered wedding cake had white daisies accented with rainbow centers, and was made by the bride's cousin, Mrs. Max Borden of Amarillo. The table also held a candelabra with the bridesmaids' bouquets.

The groom's table was covered with a brown cloth. A boot-shaped chocolate cake, also made by Mrs. Borden, and a variety of hors d'oeuvres were served.

Assistants at the reception included Mmes. Roger Morris of Sundown, Russell Flick of Kress, Ronnie Bain

of Edmondson, Royce Miller of Vera, David Merrill of Clovis, N. M., Ken Fletcher of Carrollton, Doug Still of Canyon and Miss Cheryl Williams of Canyon. Mrs. Cindy Simmons provided musical selections at the reception.

A rehearsal dinner was hosted by Mr. and Mrs. Billy Kinnibrugh at Losson's Restaurant in Kress.

The couple will reside in Vera where the groom is engaged in farming.

The bride is a 1978 graduate of Kress High School and will receive her degree in elementary education in August from West Texas State University in Canyon. She was a member of the Buffalo Belles at the university and was employed with the registrar's office and the plant science department at WTSU.

A 1978 graduate of Seymour High School, the groom earned a degree in May in animal science from West Texas State University, graduating cum laude. While attending the university he was active in Block and

Bride club, Alpha Zeta, an honorary Ag fraternity, and the WTSU livestock judging team.

Pre-Nuptial Events
Mrs. Crawford Kiker hosted a shower for the bride in Canyon, a shower was given in Kress by Mrs. Melvyn Bagley, and Mrs. Claudell Bratcher hosted one in Vera.

A lingerie shower was given by Mrs. Ronnie Bain of Edmondson.

Michels Family Enjoys Visitors

Visiting in the home of Mr. and Mrs. John Michels were Gloria Descoteaux of Mansfield; Joe Cone, Ft. Worth; Paul Descoteaux and Kriss Patino, Grand Prairie; Chris and Barbara Descoteaux and Katie, Mansfield; Mildred Vadney, Temple; Wayne and Lois Smith, Placentia, Calif.; Mike and Diana Smith and Melinda, Ontario, Calif.; Dave and Cindy Berg and Amber, Huntington Beach, Calif.; and J. W., Elaine, John and Bryan Michels of Munday.

Former Resident Shares News Of Great-Grandchild

Mrs. Mildred Fitzgerald of Seymour, well-known in this area and former Munday resident, has shared with The Courier the news of having a great-granddaughter born June 18, 1982, at 12:30 p.m., in Hendrick Memorial Hospital in Abilene. She weighed 7 lbs. 9 1/2 oz.

This precious little bundle was named Stephanie K. Drennan and her parents are Steve and Danna K. Drennan of Guthrie.

Other special people in the baby's life are her paternal grandparents, Billy George and Sharline Drennan of the Pitchfork Ranch in Guthrie; maternal grandparents, Mr. and Mrs. Buen Ballard of Spur; a great-grandfather, Cecil Fitzgerald of Austin; and several aunts and uncles.

If you have an opportunity to visit with Mildred, give her a break and let her tell you about Stephanie, because we all know how great-grandmothers are.

Mrs. Reagan Celebrates 90th Birthday

Mrs. Maude Reagan was delighted last Tuesday, June 15, when friends and relatives started coming by her home to help celebrate her 90th birthday.

Dropping by were her three daughters, Mrs. Ruby West, Frances Cypert and Annie B. Lain; also two nieces from Abilene, Myrtle Sullivan and her two grandsons, and Virginia Bess Jackson and her daughter; and her grandson and family, Danny and Judy Lain and Leigh. Friends and neighbors included Mrs. Hosea, Edith Runnels, Dorothy Brown and Evelyn Elliott.

Not only did she receive many gifts and cards with wishes for many more happy birthdays, but her living room was bright with lovely flowers sent by different ones. Mrs. Reagan expressed her thanks to all those who made this such a wonderful birthday with their visits, cards, flowers and gifts.

Tax Relief For Two-Check Families

If you and your spouse both bring home a paycheck, you may be able to deduct up to \$1500 on next year's tax return. Differing rate schedules for single and married taxpayers give rise to the so-called "marriage tax penalty" when two wage earners of relatively equal income are married.

The Economic Tax Recovery Tax Act of 1981 will bring some relief to working couples who have been subject to the marriage tax penalty. The deduction from gross income is 5% of the qualified earned income of the spouse with the lower qualified earned income, or \$1500, whichever is less.

For example, if you earn \$20,000 and your spouse earns \$8,000, you would be taxed on \$27,600 (\$8,000 x 5% subtracted from \$28,000) rather than the \$28,000 combined income.

Although this new provision should provide some relief for many two-earner families, you should continue to keep track of your withholding to avoid owing additional taxes at tax time.

If you find that you are falling behind during the year, the two most common remedies for underwithholding are estimated tax payments or revised Forms W-4, "Employee's Withholding Allowance Certificate". Estimated taxes are paid directly to IRS in quarterly installments on vouchers that come with the Form 1040-ES, "Declaration of Estimated Tax for Individuals". The 1040-ES comes with instructions and a worksheet to help you determine how much additional tax you must pay to supplement the withholdings from your wages.

If you choose, instead, to give your employer a revised Form W-4, you can claim fewer or no allowances, request that your employers withhold at the higher single rate even though you're

married or, if you're already at the single rate, request additional withholdings.

Besides the unpleasant surprise of a big tax bill, failing to have enough withheld can bring about an estimated tax penalty. Making sure that your current year's withholding equals or exceeds your prior year's tax will insure that you avoid this penalty. Additional information is available in IRS Publication 505, Tax Withholding and Declaration of Estimated Tax. The free publication may be requested by using the handy order form in your tax package.

Elimination of the marriage tax penalty will provide relief for many two-earner families. But, a watchful eye to insure proper withholding is still important.

Area Boys Attend Golf Clinic

James Steward and Michael Bowman of Goree and Dent Offutt of Munday attended a three-day golf clinic at Weeks Golf Course in Wichita Falls on Wednesday through Friday of last week.

A tournament was held on the final day of the clinic. James and Michael participated in the age 15-18 division. Dent played in the 12-14 age division, winning second in his group.

James and Michael will be seniors this fall at Goree High School. Their parents are Mr. and Mrs. Jack Steward and Mr. and Mrs. Martin Bowman. Dent will be an incoming freshman at Munday High School and is the son of Mr. and Mrs. Dan Offutt.

Farm And Ranch Report

CHARLES SIEPEL, Knox County Extension Agent **Harvest, Store Fresh Potatoes Properly**

Fresh potatoes can be harvested any time for immediate consumption once the tubers are of sufficient size.

However, yield is reduced and storage quality is lowered by harvesting potatoes before tops begin to dry down. Potatoes harvested early (immature tubers) have thin skins which allow fairly rapid water loss, causing them to shrivel and become soft shortly after storage.

Once harvested, proper storage is important to maintain the quality of the fresh potatoes. You can store the potatoes in complete darkness in moist air at about 60 degrees F. for several weeks, or at lower temperatures to 38-40 degrees F. for long-term storage. Colder temperatures prevent sprouting while warmer temperatures encourage it. Whatever the storage temperature, keep potatoes in complete darkness. Exposure to light causes freshly dug potatoes to turn green and to develop an undesirable bitter flavor.

Digging potatoes at the right time and storing them properly can mean a supply of top quality potatoes for some time.

So Nice To Get Together

When years go by and people you love are unable to have a visit together, it is a treasure when the time comes for that reunion. This is the type of good time had by Don and Callie Ann Combs this past weekend.

They were joined by Callie Ann's sisters, Mrs. Carl Prichard of Dallas and Mrs. Jack Hays of Amarillo in Lorenzo. Aunts, sisters of Callie Ann's mother, who were also present for the visit, included Mrs. Ruth Young, Mrs. Jack Moore, Mrs. Jennie Moore and Mrs. J. D. Fox, plus a cousin, Dale Young of Lubbock. To add to everyone's enjoyment, Mr. and Mrs. Dwayne Mauldin, Robby and Neely, also came from Lubbock to be with the kin.

BY CHERYL BERRYHILL

Larry Smith brought the residents three sacks of fresh potatoes last Tuesday morning. He said if we needed any more during harvest time, he would be glad to bring them. The residents are really enjoying eating these fresh potatoes. We really appreciate his thoughtfulness in thinking of us. Thank you Larry.

Martha Nell Franklin brought some fresh green beans out of her garden one day recently. Several residents and the activity director got together and had a snapping party. The results were fresh beans for dinner the next day, and were they delicious! Thank you, Martha.

BIRTHDAY PARTY
Ladies from the First United Methodist Church hosted the June birthday party held Wednesday, June 16, at 2:00 p.m. Eva Thompson was the only honoree for the month of June. Ladies serving cake and punch were

Merle Dingus, Pam Bowman, Cordell Offutt, Louise Moore, Ruth Baker and Dorothy Travis. The new Methodist preacher, Don Travis, entertained the group with several songs, accompanying himself on the guitar. Eunice Raynes played the piano for the group. The residents really enjoyed the party and entertainment.

VISITORS AND VOLUNTEERS

Brenda Smith gave the Tuesday morning devotional for the residents.

Louise Moore called bingo Tuesday afternoon and gave bananas and cakes for prizes.

Ruth and Tony Hammons visited Aunt Kate Glasgow on Monday afternoon and Saturday.

Henry Liberda of Wichita Falls visited his mother, Mary Nacol, and his uncle, Joe Kubena, on Tuesday.

Dr. Fidelia Moylette came Thursday afternoon and called bingo for the residents.

She gave prizes of their choice.

Rev. K. E. Woolley of Benjamin conducted Bible study on Friday afternoon. Dovey Partridge led the singing accompanied on the piano by Mrs. Woolley. We are so glad these three people take time to be with us each Friday. The residents look forward to seeing them each week and enjoy the messages Rev. Woolley brings.

Eva Thompson went home for a short visit over the weekend. Bobby and June Thompson visited her in the

rest home on Saturday and Sunday.

Mrs. Ken Lawson of Knox City visited her mother, Mollie Bromley, on Sunday.

Mr. and Mrs. Red Thompson of Tullia visited her mother, Allie Dickerson, on Sunday.

Volunteers of the Munday Senior Citizens conducted the Sing-along on Saturday afternoon for the residents.

The First Baptist Church members of Munday conducted the Sunday afternoon church services for the residents.

Lillie Carnahan came back from the hospital last week. We sure are glad to have her back.

We want to say thank you to all the visitors and volunteers for taking time to visit us during the week.

West-Hatley Exchange Wedding Vows At Stamford

Miss Carla Elaine Hatley and Thomas Carroll West exchanged wedding vows Saturday, June 5, 1982 at 2 o'clock in the afternoon at Trinity Baptist Church in Stamford with Rev. James Bigham officiating.

The bride is the daughter of Mr. and Mrs. Ralph E. Hatley of Stamford. The groom's parents are Mr. and Mrs. Thomas R. West of Munday. His grandparents are Mrs. Mauryse Stone of Munday and Mr. and Mrs. C. T. West of Haskell.

The altar was decorated with a pair of seven-candle candelabras with ivory tapers accented with lemon tip, baby's breath and blue silk roses. Centered in front of the raised altar was the traditional unity candle candelabra, decorated in the same manner. Pew markers were ivory lace bows over olmosa and baby's breath.

Vocalist for the nuptials was David Michalik of Munday, who sang "The Wedding Song" and "Annie's Song".

The bride, given in marriage by her father, was attired in a formal length gown of ivory silk organza. The fitted bodice was covered with Chantilly lace and featured a Queen Anne neckline and pleated bishop sleeves designed with pointed Chantilly lace cuffs. The full pleated skirt extended to a chapel length train. She wore a matching veil of silk organza edged with satin piping and appliques of Chantilly lace. She carried a silk flower cascade bouquet of ivory open roses and blue rosebuds with accents of blue daisies

with ivory and blue gypsophila.

Attending the bride as matron of honor was Mrs. Mark Miller of Stamford. Bridesmaids were Mrs. Michael Sanders and Mrs. Danny Kendrick, both sisters of the bride, of Stamford. They wore floor length gowns of blue with tiny rosebud print, designed with an off-the-shoulder ruffle trimmed with lace, and narrow straps tied on the shoulder. The full skirts had deep ruffled hemlines trimmed with lace. They carried nosegays designed in mixed shades of blue silk roses, peonies and daisies highlighted with ivory gypsophila. Each wore a hair corsage of blue silk wild roses with blue and ivory gypsophila.

Melissa Hatley of Dallas and Amber Kendrick of Stamford, nieces of the bride, were flower girls. Ringbearer was Cody Craig Mashburn of Buffalo Gap, cousin of the groom.

The flower girls wore floor length gowns of blue with rosebud print ruffle at the neckline and a matching ruffle at the hemline of the full skirts. They carried white lace baskets decorated with blue satin bows and filled with blue and white silk flowers.

Serving the groom as best man was Phil Johnson of Munday. Groomsmen were Randy Waggoner of Munday and Perry Patton of Weinert. Ushers were Greg Melton and Omar Choucair, both of Munday. Mark and Matthew Sanders of Stamford, nephews of the bride, were candlelighters.

The groom wore a light blue Bentley tux trimmed with dark blue and a white ruffled shirt with a blue silk open rose boutonniere with white gypsophila. His attendants wore light blue Bentley tuxes with dark blue vests and trousers and white ruffled shirts. Their boutonnieres were designed of blue silk rosebuds with white gypsophila.

Mothers and grandmothers of the couple wore corsages of blue silk roses and white gypsophila. Members of the house party wore corsages of silk carnations in shades of blue.

Following the ceremony the bride's parents hosted a reception in the fellowship hall of the church. Pam Sanders of Stamford, niece of the bride, registered guests. Serving at the bride's table were Michelle Raynes of Weinert and Lynn West of Munday, sister of the groom.

The rehearsal dinner was hosted by the groom's parents at the VIP Center.

The bride is a graduate of Stamford High School and is employed by Monogram, Ltd., in Seymour. The groom is a graduate of Munday High School and is employed by Wilburn Drilling Company.

Following a wedding trip to Dallas, the couple is making their home in Munday.

Williams To Appear At JVCC

Energy has been and still is the name of the game in this part of Texas for most of this century. The men and women of the industry are turning their energies toward raising \$750,000 in a unique partnership between the petroleum industry and the West Texas Rehabilitation Center. It is known as the Joint Venture for Crippled Children (JVCC).

Andy Williams will be the featured entertainer when the West Texas Rehabilitation Center kicks off its Joint Venture for Crippled Children at the Abilene Civic Center on July 9. Past entertainers have included Bob Hope and Glen Campbell, who have headlined the dinner.

Andy Williams is an entertainer for all seasons. His warm personality, his loving care and taste in music and his grace performing style have gained him the public's adoration in the full spectrum of the entertainment world, from recordings to personal appearances, from television to the concert hall, wherever people congregate to listen and enjoy musical and variety entertainment.

In the recording field, Andy has seventeen gold record albums to his credit.

The West Texas Oil and Gas Exposition will be held at the Abilene Civic Center on July 22-24 with the 4th annual JVCC Oilfield Equipment and Services Sale to be held at 1 p.m., Wednesday, December 1. There will be exhibits at the oil show featuring the unusual and specialized equipment and services of the oil and gas industry.

It's A Girl

Fathers Day, June 20, 1982, had a very special meaning for Ray Herring when his wife Tracee presented him with a beautiful baby daughter. Kristin Paige made her arrival at Hendrick Medical Center in Abilene at 3:28 a.m., weighed seven pounds, eleven ounces, and measured twenty inches long.

While there, she made her television debut on Channel 9, with her parents, as a special tribute to all fathers. Maternal grandparents are Mr. and Mrs. Charles Yost of Munday and Mr. and Mrs. Gene Baccus of Lake Jackson. Paternal grandparents are Mr. and Mrs. C. H. Herring Sr. of Rhineland. Kristin is also blessed with an abundance of great-grandparents, uncles, aunts and cousins.

Theodore Roosevelt was the first United States president to fly a plane.

Temptations Under Stress (Psalm 55)

With the pressure of ruined crops and dismal prospects as in other times of stress, there are temptations to which we are especially susceptible. These are times when the burdens of life seem heavier than we are able to bear. The Christian is never promised that he will not experience difficulty. The burdens of life are a fact of life. They can take many forms. There are financial burdens, the burden of heavy responsibility, the burden of personal sin, family burdens, and the burden of criticism or ridicule. Whatever your burdens, there are certain temptations you are especially susceptible to when experiencing pressure or stress.

1. Temptation to blame God. (Psalm 55:1) "God doesn't care." Burdens have a way of making us think that God doesn't care. We think that if He truly loved us, He would not let this happen to us. But that is precisely why God allows burdens into our life. He does it to show us His love, to test and mature our faith, to teach us to depend more fully upon Him, and to demonstrate His power and provision. The burdens we bear can be God's doorway to blessing.

2. Temptation to escape. (Psalm 55:6-8) When under pressure, it is a common reaction to try to run away from problems. We think that if we can get away from

Taxes When Selling A Farm

Certain tax considerations can reduce tax dollars when selling a farm, notes an economist with the Texas Agricultural Extension Service, Texas A&M University System. Spreading income by selling livestock in the fall, machinery the next spring and perhaps waiting another year to sell the land can save tax dollars.

Hearty Honored By Resolution

In the last days of special session of the Texas Legislature, members of the legislature passed a "Concurrent Resolution" honoring W. S. (Bill) Hearty for his years of service.

The lengthy resolution, House Concurrent Resolution No. 15, mentioned the many years of Mr. Hearty's service to his hometown and many areas of Texas, and especially honors him for his 28 years of public service to the citizens of Texas as a state representative.

Of special mention was "the capable leadership he exercised while a member of the Legislative Budget Board since 1926, the longest time any Texan has served in this capacity; his 26 years of service on the House Appropriations Committee, serving as chairman for an unprecedented six terms, from 1959 to 1971."

In a conclusive statement, the resolution was worded: "The Texas Legislature has benefited from Mr. Hearty's many years of sound judgment and dependable leadership, and it is appropriate that the two houses of the Texas Legislature pay tribute to this

eminent lawmaker . . ."

Mr. Hearty's many friends in this area will be glad to learn of this latest tribute to his long tenure of service.

Kimberlea Harvey Convicted In District Court

Kimberlea Ann Harvey of Knox City, charged with aggravated robbery, was found guilty in District Court held in the Knox County courthouse last week.

Mrs. Harvey was sentenced to five to seven years. Knox County Sheriff Gene Nix and Munday police chief Gerald Saffel furnished The Courier with a report of the trial.

The aggravated robbery charge stemmed from the October 27, 1981, robbery of Munday Medical Center. On that date, Mrs. Tommie Crawford, employee, was robbed of over \$30.00 in cash and a \$500.00 ring.

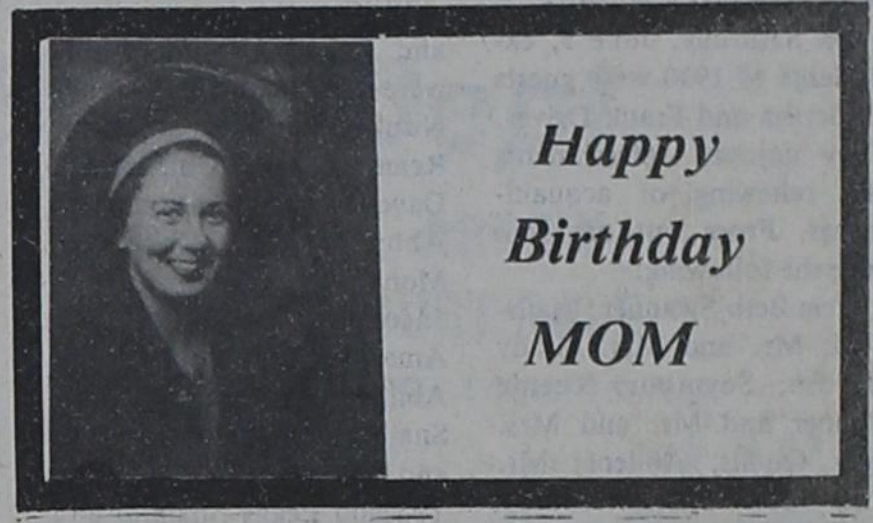

Attorney for Mrs. Harvey was John Fouts with Chapman and Atkins law office in Haskell. The defense of Mrs. Harvey was that she was, having been easily compelled, forced into the robbery act by her husband, Carter Harvey. He has previously pleaded guilty, and is

serving a term of five to ten years in Huntsville.

District attorney W. H. Hearty handled the prosecution. Hearing testimony all day Monday and Tuesday morning, the jury went into deliberation and reached the verdict of guilty about mid-afternoon Tuesday, after approximately thirty minutes of deliberation.

The punishment phase was conducted by the jury and set at approximately 7:00 p.m. Tuesday, District Judge D. J. Brookreson, presiding judge, set bond at \$25,000. Mrs. Harvey was released on bond Thursday, and arrested on Monday by Sheriff Gene Nix and Deputy C. H. Blackmon, due to the fact of bond surrender by the surety of the bond.

Mrs. Harvey has a 30 day deadline, beginning the day of conviction, to present her case before the Court of Criminal Appeals.

HOME COMING '82

The Benjamin homecoming, which was held on June 4-5-6, has been termed very successful. Around 500 registered, and a lot of folks didn't get around to registering. There was a lot of visiting and "fellowshipping" going on, and everyone really enjoyed it. Highlights of Friday night's activities included crowning of coming home and homecoming queen. Michelle Bufkin, a 1982 graduate of Benjamin High School, was crowned homecoming queen by Craig Hertel. Nela Beth Meinzer Swanner of Mansfield was crowned coming home queen by Tommie Hendrickson, the 1980 queen. Each queen received a beautiful white mum with purple streamers.

HOST GET-TOGETHER

On Saturday, June 5, ex-students of 1930 were guests of Bertha and Frank Driver. They enjoyed refreshments and renewing of acquaintances. From out of town were the following:

Abilene Mall To Host Fireworks

Mall of Abilene will host its traditional Fireworks Celebration on Saturday, July 3rd, at dusk.

The display will take place in the southwest corner of the mall property with the presentation of over 150 aerial shots. The highlight of the event will be the conclusion of the celebration with the firing of 120 rapid shots during the multi-colored "Fantasy Grand Finale".

The display, which is free and open to the public, is the officially sanctioned fireworks display for Abilene and the surrounding communities.

GTE Makes Organizational Changes

W. O. Wells, vice president-general manager of General Telephone's Western Area, has been named general manager of the newly formed Mid-Texas Division Operations, with headquarters in Brownwood, effective July 4.

It was also announced that Bill Drennan, current Brownwood Division manager for General Telephone, will become general manager of the South Central Division Operations, with headquarters in Bryan, also effective July 4.

The Mid-Texas Division Operations will serve customers located in the current Brownwood Division and will be one of 11 division operations in the four-state area served by General Telephone.

The changes in the company's organizational structure are being made to make the company more responsive to individual customer needs, according to E. L. "Buddy" Langley, General Telephone Company of the Southwest president.

Mr. and Mrs. Floyd Key of Comanche were guests of Floyd's brother and wife, Mr. and Mrs. Dwight Key, during the weekend.

MR. and MRS. MIKE PARKER

Seymour Couple To Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. Mike Parker of Seymour will celebrate their golden wedding anniversary in July. To honor the occasion the couple's five children will host a reception Sunday, July 4, from 2:30 to 4:30 in the afternoon at the Senior Citizen's Community Center in Seymour.

Mike Parker and Melma Holder were married July 2, 1932 in Benjamin. Mr. and Mrs. Parker both grew up in the Goree-Munday area and made their home there following their marriage. They moved to the Red

Springs community in 1947. The children are Mrs. Joe (Hellen) Neskorik, Seymour; Charles E. Parker, Electra; Mrs. Charles (Dolores) Trainham, Wichita Falls; Bennie M. Parker, Caldwell, Idaho, and Mrs. Billy (Luellon) Beck of Plainview.

A. C. Boggs Of Haskell Dies June 15

A. C. Boggs, 93, retired owner of Boggs Furniture Store in Haskell for many years, passed away at 4:30 a.m. Tuesday, June 15, in Rice Springs Care Home in Haskell.

Mr. Boggs was born October 22, 1888, in Houston, and married Sarah Ellen Barnett on February 4, 1906, in Oakwood. The couple moved to Haskell in 1929 and he operated the Boggs Furniture Store until his retirement in 1975. He was a member of the Haskell Church of Christ.

The deceased was known to many Munday people through his association with his sons, Mahlon and A. C. Jr., (both deceased) who operated the Boggs Furniture Store in Munday for many years.

He was preceded in death by his wife, January 11, 1967, the two sons and a daughter.

Funeral services were held at 2 p.m. Wednesday, June

16, from the Church of Christ in Haskell with Payne Hattox, Church of Christ minister at De Leon, and Mike Strawn of the Haskell Church of Christ, officiating. Burial was in Willow Cemetery in Haskell under direction of Holden-McCauley Funeral Home.

Pallbearers were Lowell Cameron, Pyatt McCallum, Roy Medford, Gerald McCoy, H. V. Woodward, Wayne Peiser, Hole Harrell and Robert Speer. Men of the Haskell Church of Christ were named honorary pallbearers.

Survivors include two daughters, Maggie Merchant of Haskell and Minnie Brasher of Seymour; 14 grandchildren; 28 great-grandchildren; and seven great-great-grandchildren.

Senior Citizens To Have Singing

The Munday Senior Citizens will have their monthly singing Thursday, June 24 (tonight), at 6:30 p.m. in the Community Center.

We expect singers from Knox City, Red Springs, Haskell and perhaps others. Anyone wishing to attend will be welcomed.

Twirlers Attend Camp

Christy Morgan, Elaina Morgan, Amy Parker and Jeannette Navarrette, Munday Jr. High twirlers, were participants in the Big Country Front Line Camp for baton twirlers, flag corps, and drum majors held on the campus of Hardin-Simmons University in Abilene June 7-11. Approximately 275 youngsters were on hand for the five-day clinic.

The camp was conducted by Southwest Camps of Cisco, with Fris Ritchie as camp director. The baton twirlers were taught by a six-member staff of twirling experts from Florida, Texas and Arizona, headed up by Ken Sasser of the International Twirling Teachers Institute in Fort Lauderdale, Fla. The drum majors were given their instructional program by Rob Lovett of Brownfield, a band director and former drum major at Texas Tech University. The flag corps girls were taught by a staff directed by Maggie McCormick of Ruston, La., former flag corps director at the University of Houston.

In addition to the Front Line Camp, Hardin-Simmons University and Southwest Camps also are hosting two sessions of cheerleader camps, June 14-18 and June 21-25, and one session of drill team camp, June 28-July 2.

Be Careful With That Cooked Food

Once food is cooked, it should be served soon or promptly refrigerated. The reason for this is that bacteria in food multiply quickly at temperatures ranging from 45 to 140 degrees Fahrenheit.

A spokesman for the Texas Department of Health says the best rule is to keep hot foods hot and cold foods cold until they are served. Keeping food just barely cool or only warm doesn't help a bit.

JUNIOR HIGH TWIRLERS: Pictured from left, Christy Morgan, daughter of Mr. and Mrs. Melton Morgan; Elaina Morgan, head twirler and daughter of Mr. and Mrs. Gerald Morgan; Amy Parker, daughter of Mr. and Mrs. Doug Parker. Kneeling is Jeannette Navarrette, daughter of Mr. and Mrs. Marty Navarrette.

*Dr. Hooker will begin medical practice in Munday on August 16, 1982

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

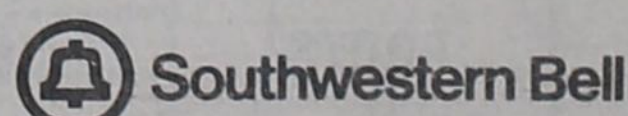

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectarían a los clientes de otras compañías de teléfono.

Dark Tan Can Age You fast
Don't fall for the Madison Avenue pitch that deep, dark tans make people young, healthy and vigorous. Not so, says a Texas College of Osteopathic Medicine dermatologist.
"We live in a sun worshipping society, where deeply tanned people are admired and regarded as healthy," said Stephen Kessler, D. O. "In reality, deep tans wrinkle and age the skin before its time and present the threat of skin cancer."
And, of course, sun can burn. Dr. Kessler's advice is to wear a sunscreen lotion (the best available is marked SPF 15) if the skin hasn't been exposed to sun for a while. Continue to wear the sunscreen over a period of weeks until the skin tans. Then the tan will be a protection from normal summer sun exposure.

Earth Sheltered Housing
Earth sheltered housing is one alternative to combatting high energy costs. Such homes may be constructed below natural grade, above natural grade, in a hillside or partially below grade. The amount of earth cover may range from as little as 50 percent to as much as 80 or 90 percent of the wall and roof, says an agricultural engineer with the Texas A&M University System.
While there is little published data on the energy savings of earth sheltered homes, those that are well designed, constructed and maintained should be more efficient than poorly constructed conventional homes.

McClatchy Recipient Of Mahone Award
The late Don D. McClatchy, former president and chief executive officer of Olney Savings Association, was chosen to receive the coveted 1982 John T. Mahone Award from the Texas Savings and Loan League.
Presented at the annual convention in Houston, McClatchy was selected for meritorious service to his community.
The award originated in 1979 in honor of John T. Mahone, past president of First Federal Savings of Austin by his company at his retirement. It is presented annually to any employee in a Texas savings and loan association who has exhibited outstanding leadership and active involvement in community affairs. *****

Local Reserve Officers Vote To Work On Drug Problem

Small town police officers are not without problems. Enforcing the law is not always simple but a job citizens expect to be done. There has been a great deal of talk among citizens as of late on the drug problem in Munday. Chief Gerald Saffel made comments on the problem recently for publication, along with a plan to be initiated by the reserve officers of Munday. Chief Saffel stated, "I have been chief of police in Munday since August 1977. The number of teenagers using narcotics has steadily increased during this time and the number using marijuana would stagger the imagination of most adults in this small town.

"Marijuana, the most commonly used narcotic by local teenagers, comes into town through both large and small dealers, all of whom know the buyers on a first name basis. This marijuana sells for up to \$100 for a 1 oz. bag. The amphetamines (speed, meth., uppers) in powdered form sell for about \$100.00 for a small bottle one inch in height and one-half inch in diameter.

"Cost of drugs will naturally be a drain on teenagers' parents. Much of the time parents are unknowingly buying dope for their teenagers with the large allowances given them. Of course, if a drug user cannot get the money from their parents, they work or use one of the best ways to get a fast dollar - sell dope to a friend for a small profit. If selling doesn't work, then at times things are stolen and sold to obtain the needed cash.

"I want the citizens of Munday to realize that this problem of drugs is not easy to handle. Many ideas and methods have been tried. There is a way that has

worked to catch teens with dope and discourage others from using drugs. This is the purchase of a trained narcotics dog. We should be able to utilize one to a good advantage here in Munday.

"The reserve officers of Munday have organized to help with this problem. Monty Booe is serving as the current president and Bob McWhorter is secretary-treasurer. They have agreed to begin preparation toward the purchase of a dog, which will be about \$4,000, considering the training, care, insurance and food for the animal. Continual donations will be needed after the dog is secured.

"In order for this effort to be a success the reserve officers will need your donations. If one teenager can be discouraged from a life of crime, it will be a very small price to pay. The reserve officers must rely on

donations, as they receive no salary or benefits for their service.

"Reserve officers in Munday are Monty Booe, Bob McWhorter, Mike Stevens, Joe Tidwell, Nancy Cypert and Donna Saffel. They are licensed reserve police officers. They will be happy to discuss any phase of the drug problem with anyone who would like to inquire further.

"Please send or take your donations to Bob McWhorter, Monty Booe, or any reserve officer. The money will be placed in a special bank account, Reserve Officers Association Narcotics Prevention Fund." *****
