Look To The East

by Aaron Edgar

Occasionally, we are indebted to a friend for supplying us with "thought fodder" for use in this column.

Sometimes we "hit a dry spell" you know and the old brain becomes more muddled than usual. Then it is that we think of the problem of pounding out a column on this old typewriter every week, then think of how much more fortunate we are than the daily newspaper columnists who have to do the chore for a full five days a week.

Before leaving for California early in August, Tuck Whitworth brought us a clipping from the Newport Ensign of Newport, Calif. It was sent by his son, Richard, who scribbled the note: Please show this to Aaron Edgar.

The clipping was an ad by Al Forgit, who advertised in that paper for many years. Following his death in 1980, his widow started repeating some of his ads. This one, published in March, 1976, follows:

I finally figured out why I have been able to live 81 years. There are so blamed many people saving my life, they just won't let me die.

The latest group of life-savers is the bunch that is fighting the nuclear energy power plants. These prophets of gloom and doom don't want us to use nuclear energy for anything useful. After all, there's one chance in 5 billion that an accident could release some radiation into the atmosphere. The worst possible accident could result in 4,000 or 5,000 deaths.

Now, I think these folks should carry a line of reasoning a bit further. They should ban tennis to save people from tennis elbow, outlaw swimming so people won't drown, and make kissing illegal to stop the spread of mononucleosis.

Of course these guys are too busy to bother with the most dangerous hazard to life - the automobile. If the car has as many safeguards built into it as the nuclear plants have, the old auto would be as safe as your Aunt Martha's rocking chair.

Somehow, these opponents of nuclear energy want to return us all to the dream of "where the deer and the antelope play". Well, it's not going to happen as long as we use cars with 300 horsepower engines to pollute and speed and kill. Nor will it happen as long as we keep over-populating the country.

Now, nuclear energy is here. We have found ways to use it. It will lower our dependence on the Arabs and their oil, and it gives us a chance to have almost unlimited power without pollution. Why do we insist on fighting it?

A nuclear power plant is probably not blow up. There is probably more chance you will lose your life from the explosion of your gas water heater or stove, or from having an airplane crash into your house at 3 o'clock on a Tuesday morning in November.

Having nuclear energy and not using it makes about as much sense as having electricity and sticking with gas street lamps and hand-cranked washing machines.

I'll tell you, I'm glad these guys weren't around when old Ben Franklin flew his kite. They not only would have tried to outlaw electricity, they would have outlawed kite flying too.

I'd sure hate to hear their solution to the venereal disease problem.

-AL FORGIT

In the ad it was also stated that by popular demand, a book will soon be published containing about 400 of Al Forgit's personal messages. Might be nice to have one of them occupy a prominent place on our bookshelf!

Error In City Council Minutes

Councilman M. M. Boe did not vote against the two year delinquent tax collection contract as stated in last week's Courier. He moved that the contract be accepted by the Council and the voting should have read as follows: Voting for passage was Boe, Hardin, Therwanger and Marr. Noes, none. Carried.

Moguls Sail To Victory Over 'Hounds'

Lowrance Collier, Mogul kicker and running back, made it a "field day" for the Moguls last Friday night as he led his teammates to an easy victory over the visiting Knox City Greyhounds.

Rivalry of the two teams contributed to the large crowd in attendance, and the 31-6 victory added reasons for celebrating by Mogul fans.

Munday took the opening kickoff, but a 15-yard penalty placed them on the 15-yard line to begin play. After three plays, another penalty of 7 yards placed them on their own 8-yard line.

A short punt gave the visitors possession on Munday's 32-yard line. From this point, the Greyhounds ran seven plays and James Earl Stafford crossed the pay stripe from two yards out. The try for extra point was blocked.

Twenty seconds later, the Moguls took the lead for keeps, as Quincy Adams raced 66 yards for the TD, and Collier added the extra point.

The battle waged for the remainder of the first quarter with no scores. Bryan Kuehler intercepted a Knox City pass on the 45-yard line and drove to the Knox City 35, where Stafford intercepted a Chris Moore pass. One play later, Estacio Ramirez recovered a Greyhound fumble, and the Moguls drove to the 13-yard marker where the drive was stopped by a pass interception.

The only scoring threat in the second stanza was when Knox City drove to Munday's 4-yard line, but failed to punch the pigskin over.

In the third period, Munday started their drive on their own 32 and went to Knox City's 39, when Lawrence Collier scored. The play was nullified by an illegal shift penalty. Five plays later, Munday scored on a 11-yard pass. Chris Moore to Dave Hunter.

Knox City ran three plays before Chris Moore intercepted a Dewayne Watkins pass. After two running plays, Moore hit Danny Sloan for 19 yards, then Collier went the remaining eight yards to score, kicking his own PAT.

Munday's defense held the Greyhounds to minus four yards in the third period.

In the fourth, Kuehler recovered a fumble by the visitors, but the drive stalled on the 33-yard line. On the fourth play by Knox City, Dave Hunter intercepted a Dewayne Watkins pass, giving

Commissioners Meet September 13

The Knox County Commissioners Court met on Monday, September 13, at 10 a.m., with all members being present.

Minutes of the last meeting were approved. Motion was made by Bobby Roberson and seconded by Billy Gene Johnston to pay all bills approved by the court. All voted yes.

The county treasurer's financial report was received.

Motion was made by Roberson and seconded by Philip Homer to place the field notes of Benjamin Independent School District in the county records, at the request of superintendent Benny Grill. All voted yes.

Motion was made by Homer and seconded by Johnston to send state treasurer 1982 report on Knox County lateral road funds and request for Knox County's pro rata portion of lateral road funds for the fiscal year September 1, 1982-August 31, 1983. All voted yes.

Motion was made by Homer and seconded by Johnston that John A. Smith, tax collector-assessor, purchase two typewriters for the tax office. All voted yes.

Motion was made by Homer and seconded by Lee Patterson that Sheriff Nix be authorized to purchase a self-contained breathing apparatus, as required by Texas Jail Standards, for Knox County Jail. All voted for.

Motion was made by Johnston and seconded by Homer to instruct the county judge to sign the draft (contract) of van use agreement of van used by and in possession of Knox County Aging Service with Knox County Hospital to transport elderly out-patients of Knox County to and from the Knox County Hospital for physical therapy. All voted for.

As there was no other business to be taken care of, motion was made by Roberson and seconded by Patterson that the meeting adjourn.

Munday possession on their own 37. Eleven plays later, Collier added his field goal.

Watkins then hit Ricky Gutierrez with a screen pass that added 50 yards - to Munday 12-yard line. Munday held on the six-yard marker, then Chris Moore pitched to Collier, who went 94 yards to score, aided by a good block by Dave Hunter. Kent Josselet added the extra point.

Collier was the Mogul's leading ground gainer, with 203 yards rushing. Quincy Adams gained 100 yards.

This leaves 2-A Munday undefeated thus far in the season, while Class 1-A Knox City is now 1-2.

A Little Rainfall Helps A Big Heap!

The "teaser" by way of rainfall that came on Wednesday of last week served to renew hopes that more would fall on the vast parched lands of Knox County.

More came, this time on the morning of Sunday, September 19, with a big display of lightning and thunder that awoke local residents a little earlier, perhaps, than usual. The rain began falling around 7 a.m., and continued in varying amounts until around noon.

Rain gauges registered better than an inch, with the official being 1.22 in Munday. This, added to the .32 of Wednesday, brought a total of 1.54 inches for the week.

Similar amounts were reported over most of the county. Folks were happy to receive the moisture and resulting cooler weather.

Amounts varied from 1.35 at Haskell and 1.20 at Rule to .60 for Goree, .55 for Stamford and .55 at Throckmorton.

Munday Man Is Killed In Pickup Accident

Coy B. Jennings, 60, local mechanic and Munday resident for over a half-century, was killed early Saturday when the pickup he was driving ran off the road near Floydada, careened into a field and flipped once.

He was pronounced dead at the scene by Walter Hollums, justice of the peace at Floydada. Trooper Keith Gross reported that the victim, who was alone, was northbound on state Highway 207 shortly

after midnight when his pickup ran off the right shoulder, crossed back on the road, slammed into a dirt embankment and veered into a field.

Coy Brien Jennings was born on April 22, 1922, in Grady County, Okla., and had been a resident of Munday for 58 years. He was a veteran of World War II and a member of the First Baptist Church.

A mechanic by profession, Jennings worked for several Munday firms during the

years. His latest, and longest term of employment was with the "International house", which is currently known as Parker Implement Co.

He married Maurice Stovall, daughter of Mr. and Mrs. W. E. Stovall, on December 5, 1947 in Munday. Funeral services were held at 2 p.m. Sunday from the First Baptist Church in Munday with the pastor, Rev. Jim Way, officiating. Burial was in Johnson Memorial Cemetery under direction of

McCauley-Smith Funeral Home.

Serving as pallbearers were Doug Parker, Bill Williams, Frank Jemenez, Paul Anderson, Gilbert Jimenez, Benny Melton, Arthur Burros and Larry Browning. Named as honorary pallbearers were Lou Speers, Clifford Killian, and Gary Howry.

Surviving him are his wife, Maurice, of the home; and a daughter Barbara Marek of Munday; and many friends who join the family in mourning their loss.

CARRYING THE BALL for the Moguls is Lawrence Collier, No. 33. Collier had a fine night, accounting for 18 of Munday's 31 points with 2 touchdowns, three extra points and a field goal. Also identified is No. 52, Terry Hendrix. The Knox City player with No. 10 on his jersey is Dwayne Watkins. Munday defeated Knox City 31-6 in the game played here last Friday night.

Bloodmobile To Be In Munday On October 4

Monday, October 4, 1982, will be the date for the second regularly scheduled visit of the Red River Bloodmobile. Prospective donors are asked to come to the Munday Community Center between the hours of 2:45 and 6:30 p.m. on that date.

According to Mrs. Latreae Lane, co-chairman of Munday's bloodmobile with Mrs. Margaret Moore, the bloodmobile held in March received 41 donated pints of blood, and an emergency visit in June collected 40 pints. Mrs. Lane said, "Our quota for two visits during the year is 60 pints, and we need to meet it!"

Giving blood is easy - ask anyone who has donated. Donors need only to be between the ages of 17 and 66, to weigh at least 110 pounds, and to be in good health. Donating is safe and simple. The entire process, including the medical check, takes about 45 minutes - the actual donation requires only six to ten minutes.

Weather Report

For seven days ending at 5 p.m. Monday, September 20, 1982, as compiled and recorded by Goodson Sellers, local U. S. Weather Observer.

Munday Receives Increase In Rebate Check

State Comptroller Bob Bullock recently sent the biggest check ever for a single month's tax collections - \$49.2 million - to 967 Texas cities as their share of the one-percent city sales tax for September.

The statewide total is up 20 percent over last September's payment of \$41 million. The payment reflects taxable sales made in July and reported to the state by the end of August.

"Sales in several major South Texas cities declined in July, even before the latest Peso devaluation. But as a whole, our state economy keeps growing strong," Bullock said.

Bullock predicted further South Texas declines when merchants report their taxable sales for August, the month of the latest devaluation, and pointed out the border economy has bounced back within three months after past devaluations.

Houston received the biggest share of the one-cent local sales tax with a check for \$11.6 million. So far in 1982 Houston's payments are up 15.3 percent over 1981.

Dallas got \$5.3 million, up 30 percent from last September's check.

Munday's city sales tax rebate for this period was \$3,160.17, which is a slight increase over the check the city received for the same period in 1981. 1982 payments to date for Munday add up to \$35,584.69.

Knox City received a check for \$1,878.07. Knox City's 1982 payments to date are in the amount of \$52,493.30.

Neither Benjamin or Goree received rebate checks for this reporting period. Benjamin's payments thus far this year are \$2,089.53, and Goree has received \$3,317.24 in 1982.

Weinert has been paid \$1,370.38 this year, but did not receive a check for this period.

Haskell and Seymour received checks which represented large increases over the amount they were paid for this period last year. *****

Artichoke Growers Meeting Set Here

Wayne Swink of Aspermont has been appointed regional sales manager of AEFs, a Minnesota-based firm that is developing commercial possibilities of the Jerusalem Artichoke, a plant that has been called "the energy crop of the eighties".

Swink has called a meeting of all interested people of the Munday area for 8 p.m. Tuesday, October 5, in the Munday Chamber of Commerce office. Everyone is invited. *****

Von Marr Acquires Furniture Stores

Announcement is being made this week that Von Marr of Munday has acquired full ownership of Home Furniture in Abilene and Bynum's Furniture Gallery in Haskell and Munday.

Plans are under way to operate all stores under the firm name of Home Furniture Inc. Mr. Marr also announced that a gift gallery will soon be added to the Munday store.

Goree Citizens To Meet To Discuss Tax Increase

Citizens of Goree will meet at 7:30 p.m. Thursday, September 23, to vote on a proposal adopted by the Goree City Council to raise the tax rate by 30%.

The meeting will be held in the Goree City Hall, not in the Memorial Building, as was stated earlier.

The reasons for the substantial tax increase were given to The Courier by Mrs. Audrey Cooke, city secretary and wife of Jim Cooke, Goree city manager.

Mrs. Cooke said that inflation is the primary reason for the increase. Even decreasing the budget by nearly \$2000 from last year hasn't helped. It takes a large amount of money to run even a small city, and that money is hard to come by. Mrs. Cooke affirmed that it has been several years since Goree citizens have seen their taxes rise.

Another problem Goree is facing is the condition of its sewer system. In or-

der to avoid condemnation, the city must show proof that they have begun work on a new sewer this year. Included in the budget is \$1000 that is earmarked for purchase of 2 acres of the four or five needed for the new sewer.

The city borrowed funds at a high interest rate to buy a tractor and a backhoe, and this must be paid back, adding to the monetary burden.

The financial problems Goree is facing are no different from those most small cities must solve. Federal funds are not sufficient to meet the needs of small towns, so the taxpayers must dig into their pocketbooks to pull their city out of the red.

Mrs. Cooke said they had not received any complaints about the proposed tax rate, and city council members do not foresee any trouble in passing the increase. *****

Senior Class To Sell Magazine Subscriptions

The Munday High School senior class is selling magazine subscriptions through Monday, September 27. They will try to contact everyone. Anyone missed in the process who wants to purchase a magazine subscription, please call Dan Sloan, class sponsor, at 422-4138 and he will have someone contact you.

Proceeds from the sales will go into a fund to pay expenses of the senior class trip and graduation.

MRS. JESS DOUGLAS PARKER
nee Cliffla Jean Bradford

Bradford-Parker United In Marriage At Odessa

Cliffla Jean Bradford and Jess Douglas Parker were united in marriage in a double ring ceremony, Friday, September 10, 1982 at 7:30 p.m. The candlelight service took place at St. Luke's United Methodist Church in Odessa with the Rev. Leroy Watkins officiating.

The bride is the daughter of Mr. and Mrs. Billy R. Bradford of Odessa. Her grandparents are Mr. and Mrs. A. M. Bradford of Iowa Park, Mr. and Mrs. Coy Tuggle of Munday, and great-grandmother, Mrs. Ben Tuggle, also of Munday.

Mr. and Mrs. Kenneth Stamps of Odessa are the parents of the groom. He is

the grandson of Mr. and Mrs. Douglas Eaton of Rotan.

Guests were greeted and registered by Stephanie Bradford of Denver City. Within the sanctuary were two spirals holding votive candles and arrangements of apricot and ivory roses, gladiolas and carnations, with greenery and baby's breath. Dual baskets containing an array of apricot colored flowers were placed on either side.

The altar rails held votive candles and greenery. Pews were marked with votive candles, highlighted with apricot carnations, baby's breath and greenery.

Wedding music was presented by Marjorie McLelland, pianist, and Dortha Bennett, soloist. Selections sang by Mrs. Bennett included "You Needed Me", and "Wedding Song".

Given in marriage by her father, the bride wore a formal gown of ivory silk organza, Chantilly and Brussels embroidery laces designed by Robert Work for Fink Originals. The fitted empire bodice was overlaid with embroidery forming a deep V-neckline and cap sleeves. Lace traced the waist. The A-line skirt was enhanced with groups of ruffles cascading to the hemline at the sides and center back. Brussels embroidery framed the face and extended the full length of the mantilla veil of silk French illusion placed over a Juliet headpiece. Bridal pearls highlighted the creation and formed a crown in the back. She carried a cascade of ivory roses and Stephanotis.

The bride wore a sixpence in her shoe. For something old she wore a gold ring given to her by her great-great aunt, the late Mrs. Darcus Phillips. Something new was her dress. She carried a blue sachet in her bouquet. Something borrowed was a pearl and diamond necklace belonging to her mother.

Pam Dickerson of Seymour, cousin of the bride, served as matron of honor. Bridesmaids were Sue Vestal and Dana Stamps of Odessa. Cecilia and Cara Bradford, sisters of the bride, served as flower girls. The bride's attendants wore floorlength gowns of apricot chiffon. They carried bouquets in shades of apricot and ivory and wore matching floral headpieces. The flower girls wore floor-length gowns of apricot silk organza accented with roses scattered daintly over the skirts. They carried baskets of flowers in shades of apricot and ivory and wore matching floral headpieces.

The bridegroom's attire was an ivory tuxedo with brown ascot tie and ivory rosebud for his boutonniere. Tim Foster served as best man. Groomsmen were James Mulkey and Grant Mayes, all of Odessa. The best man and groomsmen wore brown tuxedos and apricot boutonnières. Chris Signorin was ring bearer. He wore an ivory tuxedo, identi-

What Does Range Management Do For You

The ground is dry, cattle prices are too low, feed costs too much and there's not much grazing left, but I can't afford to sell. Does this sound familiar: How about this? Maybe it'll get better next year, maybe I'll get more rain, maybe cattle prices will go up and I can afford to cull my herd closer. Maybe....

How often do landowners catch themselves repeating this? It's possible most range managers figure that the fate of their ranching is led by factors always beyond their control. It's easy to overlook range health and to search for an instant cure-all for range recovery. Some of the instant cures include range seeding, fertilizing, brush work, cross fences, and grazing systems - or so you think! All of these will not help rangelands for long unless each range manager realizes that protecting range health is the key to having grazing in the future.

A basic range management saying is: "There is no grazing management system that is entirely satisfactory on an overgrazed range - first adjust the stocking rate; then apply management for range rest." In other words, for a rancher to improve his land, the problem must first be recognized, then treated, and thereafter the range must be properly cared for and periodically reexamined.

As Stockman Jared G. Smith wrote in 1895: "The one great mistake in the treatment of cattle ranges, the one which always proves most disastrous from a financial standpoint, is overstocking. It is something which must always be guarded against. It may seem like throwing away money not to have all the grass eaten down, but in the long run there will be more profit if there are fewer head carried per square mile." Have times changed so that Smith's words no longer apply? Proper grazing is still the success of rangeland.

For more information on range management principles, contact the USDA Soil Conservation Service office. They can help you with range improvement practices - old and new.

281,558 babies were born to Texas residents in 1981. The ratio of male and female births was 105 boys born to every 100 girls.

Thank you,
Sue Scheadick

Vera Happenings

By MRS. THELMA COULSTON

Mr. and Mrs. Claudell Bratcher visited her mother, Mrs. Ruth Ellis in Bellmire Nursing Home in Bowie, Sunday, and helped celebrate her 91st birthday. Other members of the family present for the occasion were Mr. and Mrs. Ralph Blanton, Mrs. Finis Bratcher and Shannon and Mr. and Mrs. Finis Clay Bratcher and family of Bowie and Mr. and Mrs. Clay Ellis and son and Mr. and Mrs. Ralph Blanton Jr. and three children of Wichita Falls.

Recent visitors in the Olen Coffman home were Marianne Rollins of Denton, Mr. and Mrs. Robert Coffman and son of Wichita Falls, Jon Moore of Seymour and Jud Lane of Olney.

Robbie Sullivan of Woodson visited a few days with Mrs. Lona Feemster and J. Winston. Saturday they were visitors in the home of Mr. and Mrs. Bobby Roberson in Benjamin. Visiting Lona and J. Winston Sunday were Mr. and Mrs. Bobby Frank Feemster and two girls and Mr. and Mrs. Michael Feemster and Daniel of Brownwood.

Mrs. Maddie Hardin was in Seymour Saturday morning to attend a bridal shower honoring her granddaughter, Mrs. Jennifer Elliott, in the home of Mrs. Jean Slagle.

Mr. and Mrs. Jerrell Trainham and Mrs. Carl Coulston were business visitors in Lubbock recently.

Mr. and Mrs. Clyde Beck were in San Marcos recently to attend the wedding of Emily Jenkins to Robert Hoffman. Emily is the daughter of Mr. and Mrs. Curtis Jenkins.

Mrs. Anson Ray and grandson, Dustin Hamilton, of Amarillo visited last Monday thru Wednesday with Mr. and Mrs. K. B. Ritchie. Other visitors in the Ritchie home Thursday was a son, Guindell Ritchie of Las Cruces, New Mexico.

Mr. and Mrs. Armon Smith, Mr. and Mrs. Norman Clark and Mr. and Mrs. Olen Coffman enjoyed the ice cream supper at the Red Springs community house on

Thursday evening. Recent visitors in the Harold Beck home were Mr. and Mrs. Arthur McGaughey of Knox City, Mr. and Mrs. Kent Beck, Josh and Elizabeth, of Duncan, Okla., and Mr. and Mrs. Ray Brooks, Ward and Wade, of Floydada.

Mr. and Mrs. Loran Patterson returned home recently from a ten day vacation tour. The trip included a visit with his sister, Dr. and Mrs. Joe Cardwell, in Starksville, Miss., then on to Augusta, Georgia, to visit in the home of a World War II army buddy of Loran's, Mr. and Mrs. Eugene Ross. The highlight of that visit was a tour of Paris Island and Beauford Island, South Carolina. Enroute home they spent the night with their son, Dickie Patterson and family, in Plano.

Know Your Jeans

The anticipated life of a pair of denim jeans is related to weight and fiber content of the fabric.

"Weight" of the denim indicates the number of ounces of one square yard of fabric, says Alma M. Fonseca, clothing specialist with the Texas Agricultural Extension Service.

"Lightweight denims are about 10 ounces, mid-weights are 11 to 12 1/2 ounces, and heavyweights are 14 to 15 1/2 ounces. The heavier the denim, the sturdier and more durable your jeans will be," Fonseca says.

Cotton jeans are durable, but blends (cotton-polyester or cotton-nylon) increase fabric durability and resistance to abrasion. Stretch denim (cotton with spandex or stretch nylon) is also very durable.

"The number of belt loops and their placement affect comfort and fit," Fonseca added. "Too few loops will cause the belt to ride up."

Call your local in by Tuesday noon. The Munday Courier, 422-4314.

PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on September 13, 1982, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective October 19, 1982. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 9.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

YOUR SATISFACTION IS OUR SECURITY

At a time when you hear alot about big banks getting even bigger, it still makes good sense to us to think that we're a small bank in a small town. It's as simple as this. Because we don't have so many customers, each one of you is really important to us. We think that people are the most important product we've got.

Just don't get us wrong. We don't think small about everything. Just look at our area farmers, cattlemen, businessmen and oilmen. These are the people we serve and these things are big in our community. So, come on by the bank and let's talk about your needs.

MR. and MRS. LOUIE JOHN MOTLOCH
**Vadney-Motloch Exchange
Wedding Vows In Temple**

Joan Ida Vadney of Temple became the bride of Louie John Motloch of Belton, in a double ring ceremony recently in the home of her parents.

The bride is the daughter of Mr. and Mrs. Richard Vadney of Temple. The bridegroom is the son of Mrs. Evelyn Motloch and the late Louie Motloch.

Given in marriage by her father, the bride wore her mother's wedding gown. The gown of candle-light ivory bridal satin and Chantilly lace was designed with a fitted bodice and bouffant skirt. The sweetheart neckline featured a nylon net insert and appliqued Chantilly lace roses that extended down the center of the bodice to the waistline. The roses were accented with clusters of seed pearls. Her veil of polyester illusion was attached to a crown of satin, appliqued with Chantilly lace roses and centered with seed pearls.

Justice of Peace, Eugene

McKenzie officiated.

Maid of honor was Carol Marie Vadney of San Antonio, the bride's sister.

Best man was Ronny Dean Motloch of Belton, brother of the bridegroom.

A reception followed in the Vadney home.

After a wedding trip to Austin the couple will make their home in Belton.

The bride, a graduate of Temple High School, is employed by Jiffy. The bridegroom, a graduate of Belton High School, is employed by Delta Centrifical.

The bride's grandparents, Mr. and Mrs. John Michels of Munday, attended the wedding.

Patsy King spent several days last week in Fort Worth visiting Mr. and Mrs. W. K. Warren, Kim and Rene'. Mrs. Marguerite King accompanied her to Fort Worth, then flew to Raleigh, North Carolina to attend the General Federation of Women's Clubs Leadership Seminar.

Many Styles Popular For Fall Coats

With the weather beginning to turn cooler, now is the time to begin thinking about a new fall coat. If you plan to buy or make a new coat this fall, the choice of styles and colors will be wide. Many styles will require minimum tailoring, making it easier to sew them at home. Look for high quality fabric so the coat will give good service.

"Big" or "full" styles will be popular. Full, swinging coats, capes and ponchos will be big, adding to that look.

A relaxed silhouette, fluid and feminine, will also be seen. These styles will include blouson jackets, vests, and lightweight wrap coats, all exciting and new.

Classic ensemble dressing will still be strong. Tailored car coats and "city looks" that average about knee-length will make up this style.

Skiwear will influence the casual coat market with piping and quilting on waist-length jackets.

Bulky looks in lightweight fabrics will be a popular

trend. Leather, suede and wool are expected to be the three top sellers.

Fleece, brushed wools and furry fabrics will also be popular. Slicker fabrics and pearlized, oiled, or laquered finished will balance the bulky fabrics.

Colors will be subtle. Gray, black and white are expected to lead the field, especially in tweeds and bi-color fabrications.

Local Girl To Participate In Capping Program

Tammy Amerson, a junior nursing major from Munday at West Texas State University, is one of 70 nursing students who will receive caps during the annual convocation ceremony on Friday, Sept. 24.

Convocation begins at 7 p.m. in the Mary Moody Northern Recital Hall on the WTSU campus.

The capping of nursing students symbolizes completion of basic course requirements for nursing majors, said Anita Carroll, nursing instructor. Male nursing students receive bars in place of caps, Carroll said.

Featured speaker during the ceremony is Dorothea L. Fee, a registered nurse and assistant administrator, Nursing Division at High Plains Baptist Hospital in Amarillo.

Tammy is the daughter of Mr. and Mrs. James Amerson and is a graduate of Munday High School.

Knox Retired Teachers To Meet

The Knox County Retired Teachers Association will have the first meeting of the year on Tuesday, September 28, in the Knox City Community Center at 2:30 p.m.

Guest speaker will be David Norton, the physical therapist for Knox County Hospital.

Hostesses will be Lois Smith, Sammie Carpenter, Mabel Pyeatt and Hazel Long.

Various Art Classes Offered In October

VRJC Continuing Education has announced the following October schedule of classes to be held in Munday. They are: Color Theory; Intermediate Oils - Poppies; Floral Arranging; Intermediate Watercolor; and Stencil Art.

These classes will be taught by teachers coming from out of town which makes it necessary to set a deadline for pre-enrollment.

Anyone interested in any of the above listed classes may contact Mrs. Paula Schur for further information.

A classified ad in The Munday Courier brings results. Call 422-4314.

Local Woman Attends Seminar

A British author, economist, and futurist told a General Federation of Women's Clubs Leadership Seminar that America is on the verge of a new vision of itself which includes people doing things for each other, not for money but because they care.

Robert Theobald was the keynote speaker September 11 when more than 250 GFWC leaders met in Raleigh, N.C. to attend the Seminar cosponsored by the GFWC and Chevron U.S.A. Inc. On September 13, nationally known humorist Jeanne Robertson of Burlington, N.C., stressed the therapy of laughter.

The GFWC is the oldest and largest nondenominational, nonpartisan, international service organization of volunteer women in the world with a half million members in the United States and 10 million worldwide, said Juanita M. Bryant of Boonville, N.C. and Washington, D.C., the International President.

Those attending the September 11-14 meeting included the GFWC Board of Directors and GFWC Leadership/Personal Development Chairman from the 50 states.

Mrs. Marguerite King, member of the Weinert Matrons Club, attended this seminar. She is the Federation of Women's Clubs Leadership/Personal Development Chairman of Texas.

Workshops dealt with such topics as Finances for Women, Networking Skills, and Grantsmanship, said Jean Cutler of South Pasadena, Cal., GFWC National Leadership/Personal Development Chairman.

From 1980 to 1982, GFWC members in America donated 22½ million volunteer hours and gave more than \$67,000,000 to community projects.

It's A Girl

My name is Shauna Roseanna Slovak. I was born Friday, September 17, 1982 at 9:23 p.m. and weighed seven pounds, twelve ounces.

My brother, Brandon, almost four years old, and I live with our daddy and mother, Stan and Rhonda Slovak, in Dallas.

My grandparents are Aubrey Jr. and Lucille Roden of Pampa. My great-grandmothers are Ruby Roden of Munday and Mary Zelisko of Haskell.

TOM-TOM NEWS Correction In Band Article

Kristi Smith was elected president of the Big Purple Cloud band, not her sister, Kelli, as was reported in last week's Tom-Tom news. Kristi is a senior, head cheerleader, and a lead trumpet player. The girls' parents are Mr. and Mrs. Ritchie Smith.

Area Grid Results

ALBANY LIONS BEST PIED PIPERS

Albany's Lions, leading all the way, emerged victors over the Hamlin Pied Pipers in a non-district contest at Hamlin on Friday night.

The Lions scored in the first period after recovering a fumble. In the second period, Schkade ended an 87 yard drive to score.

Hamlin got on the scoreboard in the third period on a drive covering 16 yards as a result of an Albany fumble. The Pied Pipers got another counter in the fourth stanza, but another PAT failed.

Albany added their third seven points in the fourth with a good extra point, ending in a 21-12 victory over their hosts.

WEINERT BULLDOGS LOSE TO NORTHSIDE

Clinty White scored five touchdowns to lead the Vernon Northside Indians to a 68-20 victory over their hosts, the Weinert Bulldogs, Friday night.

Northside is now 2-0 for the year, while Weinert stands at 1-1.

ROTAN DEFEATS ASPERMONT TEAM

The Rotan Yellowhammers scored first against the Aspermont Hornets, but had to fight hard to come out with a 20-7 victory over their hosts.

Rotan scored on the first play from scrimmage, but the

Hornets came back quickly with a 54-yard pass, adding the extra point to make the score stand at 7-6.

On the next series Rotan went 68 yards for a touchdown. Again the extra point try failed. In the last quarter, Rotan added another TD, and completed a pass for two extra points. Final score 20-7.

CISCO LOBOS ROUSTS SEYMOUR

Cisco's Lobos shamed their visitors, the Seymour Panthers, 31-6 in a non-district game Friday night.

Potter, who carried 17 times for 140 yards, returned a punt 85 yards for the Lobos' first counter with less than two minutes used up in the game. He also added two more scores in the first half. Larry Adams added a 79-yard punt return for the Lobos of 9-AA to raise their record to 2-1.

The loss offset a good performance by Seymour's Monty Morris, who carried 22 times for 149 yards and scored the Panthers' only counter on a 55-yard first quarter run. The Panthers fell to 1-2 for the year.

ANSON DEFEATS HASKELL INDIANS

Both the Haskell Indians and Anson Tigers were 1-2 going into Friday night's game at Anson, but two Indian mistakes contributed to a 12-7 win by the Tigers.

Dickey McAnally ran 13

yards to set up the Tigers' first score, after which Jay Baccus scored from one yard out. Baccus came back with an eight yard pass to Virgil Brazzell for the Tigers' second and final score of the game.

Haskell scored their seven points in the final quarter. Coach Jim Lisle commented: "The weather was good. They capitalized on our mistakes."

HARROLD HORNETS DEFEAT WILDCATS

Harrold's Hornets weren't nice to their visiting Goree Wildcats Friday night, as they "doubled the count" 50 to 25 to win.

Bo Miser scored first on a pass from Wesley Gates, who moments later kicked the first of several points-after. Goree came back with a two-yard TD run by Virgil Reagins, but the run for extra points failed.

Gates ran in from the 20, and again from the six before the first period expired. The second quarter found Gates scoring again on a 75-yard interception, then David Kimbrow scored on a Gates pass. Gates scored again on runs of 33 and 12 yards.

Goree scored seven more points in the second quarter and 12 in the final period, featuring Richard Dixon and Reagins.

QUANAH EKES BY PADUCAH DRAGONS

Quanah's Indians scored early in the game, then hung on for three scoreless quarters to eke out a 7-0 margin over the visiting Paducah Dragons.

The 3-A Indians' victory over 2-A Paducah leaves Quanah 3-1 for the season, while Paducah stands at 2-1.

GUTHRIE JAGUARS FALL TO MUSTANGS

The Guthrie Jaguars went to Benjamin Friday night and took an early lead over the Mustangs, who showed their superiority by a 64-28 victory before the six-man game had ended.

Benjamin's Troy Oxford, who scored on runs of 37, 19 and 43 yards, and Alan Baty, who scored on runs of 68, 75, 1 and 13 yards led the Mustangs in an overwhelming offensive assault.

Freshman Feature

By Kelly Wren
There is a new face in the halls this week. The freshman class has a new boy!

He is Jeff Vinson, son of Joe and Vickie Vinson. Jeff recently moved to Munday from San Antonio, Texas. He is living with his uncle and aunt, Marion and Mattie Waggoner.

Jeff plans to join the Munday junior varsity football team. He has never played football before, so he is looking forward to the challenge.

Agencies Benefited By United Fund

Northwest Texas Council Of Boy Scouts

The Boy Scouts program is designed to help boys develop into good citizens of the community. In the program the boys go camping, do service projects and learn skills that will be useful for them in life. Provides for the Council organization and the maintenance of the Council properties.

The Salvation Army

The Salvation Army is a service organization that provides a ministry of aid to persons in need. It provides disaster relief and assistance in many areas. In Munday the unit provides assistance to travelers through our area who are in need. It also provides limited assistance to local persons in need.

The American Red Cross

The American Red Cross is a national organization that provides disaster relief in places where hurricanes, tornadoes, floods or other catastrophes are experienced. They also help armed forces personnel to get emergency leave in times of crises. Locally the American Red Cross supports the semi-annual blood drive to support the blood bank.

City-County Library

The Library in Munday serves youth and adults throughout Knox County since it is the only library in the county. It provides books, films, film projector, tapes, magazines to the area. The library is a member of the Big Country Library System which means they can secure materials from other libraries on almost any subject anyone would want. Just ask the librarian.

Mental Health Association Of Texas

Promotes good mental health through educational materials which are distributed periodically. It seeks to provide better community services to persons across the state.

Campaign Expenses

Provides publicity, materials, printing, and secretarial help for the campaign carried out in our local community. This also includes secretarial help for correspondence throughout the year.

Scholarship Program Announced

Beginning in the fall of 1983, the Southwestern Division of pioneer Hi-Bred International, Inc., will initiate a new scholarship program to benefit farm youth in Texas, Oklahoma and New Mexico. Through the scholarship program, Pioneer will award six four-year scholarships annually to FFA and 4-H members in the three states.

Each year, one FFA and one 4-H member in Texas, Oklahoma and New Mexico will be awarded a scholarship from Pioneer. To qualify for the Pioneer scholarship, the applicant must be a graduating senior in the upper 25 percent of his or her class. They must also be planning to pursue a degree in agriculture, home economics or a related field at an accredited college or university in the state where the scholarship is awarded.

Selection of the scholarship winners will be made by the respective FFA or 4-H scholarship committees in each state. The criteria they will use to select the scholarship recipient will include accomplishments while in FFA or 4-H, scholastic ability, financial need, leadership ability and citizenship.

The winners of the scholarships will be awarded \$1,000 annually for four years provided they remain enrolled in an approved college and maintain a 2.0 or higher grade point average on a 4.0 grade scale. Students may apply for the scholarship through their local FFA chapter or 4-H club.

Coach Lankford Comments

by Coach Rogers Lankford

We were disappointed in the first half of our game against Knox City, but the team came out in the second half and played good solid football, just as they have been doing all year. The Moguls have definitely been a second half team this season.

We had excellent mileage out of our two starting running backs, Lawrence Collier and Quincy Adams. Lawrence had 192 yards on 20 carries, made two touchdowns and kicked three extra points and a field goal. Quincy rushed for 128 yards on 12 carries and had one score on a 66-yard run. Lawrence's touchdowns were both on option pitches, one for 17 yards and the last one for about 96 yards. Dave Hunter made an excellent block on that play, enabling Lawrence to go on in for the score.

Dave Hunter also scored a touchdown on a pass route that he ran successfully last year. Kent Josslet kicked our last extra point.

This week we will work more on our passing game, trying to get our timing down a little better. Although our passing game could have been better against Knox City, the passes that were completed resulted in first downs in crucial situations.

Our kicking game was a little weak in the beginning of the season, but we have been working on it and it is coming along well. This was the first game in a long time when we have made several scores and had a perfect night kicking.

After Knox City scored their touchdown, our defense settled down and played sound football. Knox City did some things we weren't expecting, and the boys re-

grouped to counter their moves. We readjusted some things at halftime, changed some blocking assignments and tried to make up for some things Knox City was doing a little differently, and buckled down to stopping them in the second half, which we pretty well did.

Defensive standouts in the game were Bryan Kuehler, Danny Hertel, Chris Moore, Terry Hendrix and Quincy Adams.

Our defense must keep on doing the things they do every week. It is imperative that each player do his job, see what he may be doing wrong, and take steps to correct this. Munday has a reputation for being a physical team, and we must keep on being so through the remainder of the season. If two teams are evenly coached and have about the same talent, the most physical team will usually win the game.

Last year we were a little too confident when we went to Rule, and they slipped us up. This should be an incentive to play that much harder this year.

The Bobcats have two good backs, Mike Rhoads and Otis Lockhart, who may be better players overall than Knox City's highly regarded backs. Their line may lack some depth and size. Rule is a relatively small, young team, but their coach gets maximum mileage out of the team every year. After what happened last year, we don't want to regard them too lightly.

Need to buy or sell an item? Try the classified page in The Munday Courier, 422-4314.

Junior Varsity Gets 2nd Win

by Coach Robert Redden

The Munday junior varsity won their second game of the season last Thursday night with a 19-6 victory over Knox City-O'Brien.

Our first score came in the first quarter on a 55-yard pass from Dent Offutt to Ryan Wright. We missed the extra point, and the score was 6-0. In the second quarter, Todd Thompson ran one in from about 40 yards out, and Ronny Lowrance kicked the PAT. Then Knox City scored and we went in at half-time leading 13-6. We came back in the third quarter with a 12-yard run by Ronny Lowrance to extend our lead to 19-6, and it held for the rest of the game.

We were able to move the ball well but had trouble scoring. Turnovers hurt us in this game. We lost three fumbles and had one pass intercepted. Mistakes like these will hurt us more as the season goes on, and we need to stop making them.

This team is capable of winning some big ballgames, and we must keep playing well to stay on top this season. Most of the teams we will be facing will have more experienced players and will not be lacking in depth as we are. Our defense will not be able to let up the rest of the season.

We play Quanah on their field Thursday (tonight), September 23. They have only played one game this season, and lost it. We shouldn't let this mislead us, as their coach always does a good job and I expect this to be a tough game.

Lunchroom Menu

Sept. 27 - Oct 1

BREAKFAST

Monday - Doughnut, applesauce, milk.

Tuesday - Cinnamon toast (made with homemade bread), orange juice, milk.

Wednesday - Biscuit, jelly, orange juice, milk.

Thursday - Fish, catsup, macaroni and cheese (Cheddar), tartar sauce, mixed fruit, cornbread, milk.

Friday - Cheese hamburger (homemade bun), trimmings, French fries, catsup, Rice Krispies cookies, milk.

LOCAL

Mr. and Mrs. Coy Tuggle attended the wedding of their first granddaughter, Cliffa Jean Brandord, recently in Odessa.

In the past 20 years, the average American male has gained weight, according to the Health Insurance Association of America. At the same time, the average female has lost pounds.

The death rate among women because of lung cancer has increased four-fold since 1955.

Would you risk losing your religious freedoms?

You already have.

Did you know?...

- The Supreme Court no longer considers your religious freedom a God-given right.
- Courts have ruled Christian traditions unconstitutional if practiced in certain public places.
- Judges are reaching into areas once considered the sacred domain of the family.

Rule Next On Moguls' Agenda

Rule's Bobcats will be journeying to Munday on Friday night for their annual encounter with the Munday Moguls. Although this will be a non-conference game, the friendly rivalry that has existed between the two teams throughout the years promises to draw a large crowd for this game. They will be bringing their band and pep squad and many interested fans.

The Moguls will make this a good game, and they invite the support of all local fans.

County Youths To Show Animals At Haskell Fair

Knox County will be well represented in the Haskell County Fair this weekend. Several young people from this area will be showing livestock on Saturday, September 25.

Showing steers will be Lino Hernandez with one; Melissa Zeissel Myers with 2; Ronnie Brown, 2; Angie Partridge, 2; and Julie Partridge, 1. These youths are all students in the Munday school system.

Doug Brown of Benjamin will show three heifers at the fair.

Showing sheep and lambs will be Jae-Jae, Missy and Robin Reneau, with nine animals between them. Lambs will be exhibited by Todd, Trey and Tyler Thompson, with 12 all together; Neil Waggoner with 4 and Jeff Vinson with 1. Shane and Kristin Simmons of Truscott will show their rabbits on Saturday.

Musical Jamboree To Be Feature OF Homecoming

A 7:30 p.m. ball game on Friday, with Weinert's Bulldogs journeying to Rochester, will be an opening feature of Weinert's homecoming ceremonies slated for October 1-2.

A musical jamboree, slated for 7:30 p.m. Saturday, will feature the following performers and eras:

1920 - Bailey Guess; 1930 - Faye Smith Gray and family; 1940 - James Smith; 1950 - Wilburn Hill; 1960 - Kay Newton Graham, Sherry Newton Adams, Evelyn Mayfield, Anita Edwards Watkins, Sandra Mathison Nichols; 1970 - Alexia Mayfield Rimmer; 1980 - Kristi White Hutchinson and Kristi Underwood.

The homecoming queen and coming home queen will be crowned after the jamboree, and an open musical will be held for all who wish to participate. A dance at the Haskell Country Club and various class parties will close Saturday night's activities.

Concluding the weekend ceremonies will be a community-wide worship service on Sunday morning.

Lions Plan For Annual Broom Sale

Plans are now being formulated for the Munday Lions Club annual broom and mop sale, which is scheduled for Tuesday, October 4.

At Tuesday's meeting of the club, Lions Norman Anderson and Doyle Lowrance were named to complete preparations for the sale. They will delegate division bosses and details for inventory of the Lions Caravan.

Lions Caravan for the Blind will set up on the west side of the city hall lawn, and workers will load up and take off from there.

Steven Joyce, executive director of Northwest Council, Boy Scouts of America, was speaker for Tuesday's program. He gave a brief account of the beginning of Boy Scouts in America, pointed out some changes in the program and complimented the Lions for their involvement in the local program through the years.

The speaker was introduced by Lion Norm Anderson.

Flag Clinic Held Saturday

On Saturday September 18, 1982, band director Mike Davis hosted a flag seminar for Munday High School Band Colorguards. The seminar lasted from 9 until 5:45 at the band hall.

Clinician for the event was Mrs. Charlotte Dugan of Mineral Wells. Mrs. Dugan is colorguard coordinator and sponsor for Mineral Wells I.S.D. She has had extensive experience in colorguard at both local and state levels.

The colorguard consists of Cindy Maston, captain, senior; Jeannine Smith, junior; Holly Hutchinson, sophomore; Cherie Welch, junior; Cindy Berryhill, sophomore; Bobbie Toliver, sophomore.

The girls worked hard and improved on their routines in order to elevate the total performance of the band organization.

Lawns Need Fall Fertilizer

Fall fertilization can boost a lawn while minimizing energy requirements for mowing and removal of grass clippings. A fall fertilizer application not only prolongs green color in lawns but also stimulates root growth, reduces winter injury and promotes early spring recovery, said a turfgrass specialist with the Texas Agricultural Extension Service.

Use a fertilizer high in nitrogen and potassium and low in phosphorus, such as 15-5-10 or 12-4-8. Apply 1 to 2 pounds of nitrogen per 1,000 square feet. With a 12-4-8 fertilizer, that's 10 to 15 pounds.

Most lawns in Texas can be fertilized through October.

Call in your locals to the Munday Courier, 422-4314.

Senior Citizens Monthly Singing Is Tonight

The Munday Senior Citizens monthly singing will be held Thursday night (tonight), September 23, at 6:30 p.m. in the Community Center. Singers from out of town have been invited and we are expecting to have a very enjoyable evening of good singing.

Those wishing to sing or just listen will be welcomed. Virginia Cary, Reporter

Police Report

The Munday Police Department had the following traffic activity:

Five traffic citations; five warnings; two motorist assists, and assisted D. P. S. in looking for dangerous drunk driver on Highway 82.

The department contacted three owners concerning the penning of five dogs. The owners either penned the dogs immediately, or were given a short time to do so. One female dog which had lived in a neighborhood for several years was unclaimed, not vaccinated, not tagged and was unhealthy. She was terminated.

A small explosion was investigated on Thursday night. This occurred in the north part of town. Residue from an old newspaper with strong smell of sulphur was found in the street. The possibility of a small bomb made from black powder, or match heads, existed. There was no damage to property or people. The evidence will be examined by a criminal laboratory to determine the type of explosive for further reference.

Knox City officers were assisted with two disturbances involving large numbers of hostile people.

Knox County Hospital News

Patients in the Knox County Hospital as of September 17, 1982:

Munday - Gill Wyatt, Genevieve Kuehler, and Susie Trammell.

Knox City - Louise Finley, Margaret Cassillas, Noba Oliver, J. C. McGee, Lovel O. Brown, Lela Loper, Gladys Day and Elzie Marion.

Visiting Mrs. Abigail Reynolds for several days were her son-in-law and daughter, Mr. and Mrs. George Tweed of Santa Maria, California. Another son-in-law and daughter, Mr. and Mrs. Ralph Watkins of Wichita Falls, and a grandson and family, Paul and Connie Watkins and little Abigail, of Bridgeport, visited them on Sunday.

Mrs. Reynolds and the Tweeds went to Oklahoma City on Tuesday to visit the Tweeds' daughter, Dr. and Mrs. Gene Claffin. From there they will go to Commerce to visit the Don Reynolds family.

Support the Moguls this Friday night as they take on the Rule Bobcats at 8:00 p.m. at the Munday field.

IN TOUCH

Bro. Jim Way
First Baptist Church

Once when Jesus and His disciples were traveling into Caesarea Philippi, He asked them a very important question. He asked, "Whom do men say that I am?" They gave Him the popular answers held by most of the people. He then asked, "But whom do you say that I am?" Simon Peter said that He was "the Christ, the Son of the Living God." Jesus complimented Peter on His spiritual insight.

The question Jesus asked the disciples is still the most critical question in our lives. It is one that each of us must

answer. Many today would say that Jesus was a prophet. Some say He was a good man. Many believe Him to be a great religious leader. A few believe Him to be their Lord and Savior, the Son of the Living God. Many do not know.

The Bible declares that Jesus is the only way to God the Father - to heaven - to

eternal life. It further states that "Jesus" is ultimately, eternally important. One can reject a preacher or reject a church and still be saved. No one who rejects Jesus, however, can be. It is not doctrine nor tradition, ceremony nor ritual, creed nor church that has power to save. It is Jesus alone. Whom do you say He is?

Goree News Items

By MRS. GRACE SMITH

HOSPITAL NOTES

Mr. Walter Coffman returned home on Friday after spending last week in the Bethania Hospital in Wichita Falls.

Mr. Howard Peek underwent surgery at the General Hospital in Wichita Falls Monday morning.

Mr. Cannon Roberts has been receiving medical treatment in the Seymour Hospital.

AARP MEETS

The Goree AARP Chapter met for their regular game night at the home of Mrs. Tennie Tynes last Thursday evening. Games of "42" were enjoyed throughout the evening. Refreshments were served to seventeen members and one visitor, Mrs. Chloe Lambeth of Lubbock. Everyone reported a very enjoyable time.

HERE AND THERE

Mr. and Mrs. Ralph Forsberg and Terry of Alvarado visited her parents, Mr. and Mrs. Jim Cooke, on Saturday.

Visiting Mrs. W. R. Couch during last week were Mr. and Mrs. Otis Rhodes, Ft. Worth; Mrs. Myrtle Bowman, Mrs. Bertha Garrett and Mrs. Rose Moore Olney; Mr. and Mrs. Bob Woodall, Seymour, and Rev. and Mrs. Hal Moble of Irving.

Mrs. Karen Sanders and Tammye of Wichita Falls visited her parents, Mr. and Mrs. Harold Jones during the weekend.

Mr. and Mrs. Bill Yates received word on Sunday of the death of her niece's husband, Mr. Doyle Saunders, who resided in Ft. Worth.

Mrs. Dess McMahon and Mrs. Tennie Tynes visited a few days last week with their brother and wife, Mr. and Mrs. Grady Thornton, in Granbury. They helped Mrs. Thornton celebrate her birthday. They also visited in DeLeon and Desdemona.

Mr. and Mrs. Harold Beaty spent the weekend with their daughter and family, Mr. and Mrs. Tommie Howry, Lori and Tommie II, in Levelland.

Mr. Homer Moore visited his brother Mr. Walter Moore and family in Olney one day last week.

Mr. and Mrs. Vernon Moore have returned from several days vacation trip near Ft. Smith, Ark.

Mr. Clifton Mooney of Dallas visited his mother, Mrs. Gladys Mooney, during the weekend.

Mrs. Etta Mae Frazier, accompanied by her son and family, Mr. and Mrs. Don Frazier of Bowie, have returned home from a ten day visit with relatives in Midland. Mr. and Mrs. Tommy Thompkins and son brought Mrs. Frazier home and spent the weekend visiting here.

Sherry Hutchens of Seymour visited her grandparents, Mr. and Mrs. Lewis Hutchens, during the weekend.

Mrs. Winnie Howry and Mrs. Beth Nickerson visitor in Wichita Falls on Friday.

Mr. Billy Decker of Ft. Worth visited his parents, Mr. and Mrs. W. L. Decker, during the weekend.

Mr. and Mrs. LeRoy Brooks visited Mr. and Mrs. Clyde Morton at Lake Kemp last Wednesday.

Mr. and Mrs. Riley Bell visited Mr. and Mrs. Roger Bell and boys in Graham and Mr. and Mrs. James Barker and boys in Olney on Saturday.

Bobby Beaty and P. J. Buford of Hurst and Brian Beaty of Seymour visited Mr. and Mrs. Jack Beaty over the weekend.

Ann Bell of Abilene spent the weekend with Mrs. Etta Mae Frazier.

Mr. and Mrs. Johnny Lowrance and Jason of Hobbs, N.M., visited Mrs. Lanna Mae Lowrance and Mrs. W. R. Couch last Thursday. Mr. and Mrs. Wayne Couch of Skellytown visited in their homes during the weekend.

Visiting Mr. and Mrs. Vernon Moore last Wednesday night were Mr. and Mrs. Doug Donoho, Jay and Zane, of Munday and Mr. and Mrs. Merle Lambeth. Visiting in their home on Friday night were Mrs. Chloe Lambeth of Lubbock and Mrs. Lois Howard and Mr. and Mrs. Jerry Atkinson and Matt.

Kenneth Roberts and Kenneth Russell of Plainview visited Mr. Roberts' father, Mr. Cannon Roberts, in the Seymour hospital on Saturday. Mrs. Tom Oates and Mrs. Irene Jacobs of Anson visited their brother in the hospital on Sunday.

Mr. and Mrs. Melvin Matus of Graham visited Mr. and Mrs. Floyd Nickerson and Linda and other relatives here last Wednesday.

Mr. and Mrs. Darrell Patterson and family attended the auto show in Wichita Falls on Saturday.

Mr. and Mrs. Jay C. Elliott were in Lubbock to visit friends during the weekend. Mrs. Elliott also attended a ceramic seminar while in Lubbock.

Mr. and Mrs. Jack Beaty visited Mr. and Mrs. Modrell Howard in Seymour last Thursday.

Visiting Mr. and Mrs. Billy Huffman on Sunday were Mrs. Glenda Flores and children and the Huffman's grandchildren, Elisha and Kyle Speck of Knox City, Amy Huffman of Munday and Brian and Crystal Huffman of Goree.

Mrs. Loree Atkinson of Plainview and her son, Gaylon Atkinson of Houston, visited Mr. and Mrs. Vernon Moore Saturday night.

Mr. and Mrs. Dewitt Green visited their son and family, Mr. and Mrs. Dickie Green, Wade and Justin, in Crowley over the weekend.

Mr. and Mrs. Roy Shake and family of Abilene were dinner guests in the Johnny Moore home on Sunday.

Visiting Mr. and Mrs. Joe Birkenfeld and Debra on Sunday were Mr. and Mrs. Tony Scott and Amanda, Snyder; Mr. and Mrs. Don St. Clair and John, Mr. and Mrs. David Birkenfeld and Jenny, Janet Birkenfeld, Mr. and Mrs. Joe Shahan and boys and Robert Smajstria, all of Seymour; Mr. and Mrs. Lloyd Shahan and Tony and Johnny Birkenfeld of Munday and Mr. and Mrs. Wayne Birkenfeld and Dwayne of Goree.

Mr. and Mrs. Lloyd King and Eddie

visited their son and family, Mr. and Mrs. Gary King, Mark, Candy and Lloyd Glynn in Breckenridge during the weekend.

Mr. and Mrs. S. B. Jetton visited their daughter and family, Mr. and Mrs. Burt Williams, Lynette and Kevin in Spearman several days last week.

Visiting Mr. and Mrs. W. B. Neighbors several days last week was his sister, Mrs. Laura Peabody of Memphis. Mrs. Peabody also visited Mr. and Mrs. S. B. Jetton.

Mr. and Mrs. Archie Struck visited their son and family, Mr. and Mrs. Kenneth Struck and children in Grand Prairie over the weekend.

Mrs. Grace Smith accompanied her son, Gordon Smith and boys, Steven and Jonathan of Munday, to Wichita Falls Monday evening for a visit with Mrs. Gordon Smith, who is a patient in the General Hospital.

Bentsen Announces Campaign Leaders For Knox County

Senator Lloyd Bentsen announced Monday that C. E. Williams of Knox City has been named to head the Senator's 13-member campaign steering committee in Knox County.

"The Knox County campaign steering committee represents every aspect of community life in this important area of Texas," Bentsen said. "I am pleased that these civic and business leaders have agreed to work for my reelection."

Members of the Knox County Bentsen steering committee are: Rev. Leon Ward, Knox City; Mrs. Betty Smith, Knox City; David Counts, Knox City; Mrs. Stacia Cooke, Munday; Bobby D. Burnett, Munday; Sam Leaverton, Benjamin; and Mrs. Juanita Burnett, Benjamin.

Other members include Mr. and Mrs. Sydney Alexander, Truscott; J. T. Cooke, Gilliland; and Mr. and Mrs. M. A. "Buddy" Urbanczyk, Rhineland.

Benjamin Girl Wins Ribbons At Abilene Fair

Amy Griffith, daughter of Mr. and Mrs. Charles Griffith of Benjamin, was Knox County's big winner in the swine division of the West Texas Fair held last week in Abilene.

Amy won first place ribbons with two of her entries, those being in the medium weight crossbreed and lightweight other pure breed divisions, and her entry in the lightweight crossbreed division won sixth place.

Amy is a freshman at Benjamin High School.

Air Force Offers Jobs To Former Personnel

Some former Air Force enlisted personnel are being offered their old job back.

Prior service men and women who were discharged from the Air Force are eligible to reenlist immediately if their job falls within some specific communications, electronic or mechanical career fields that the Air Force has determined as critical.

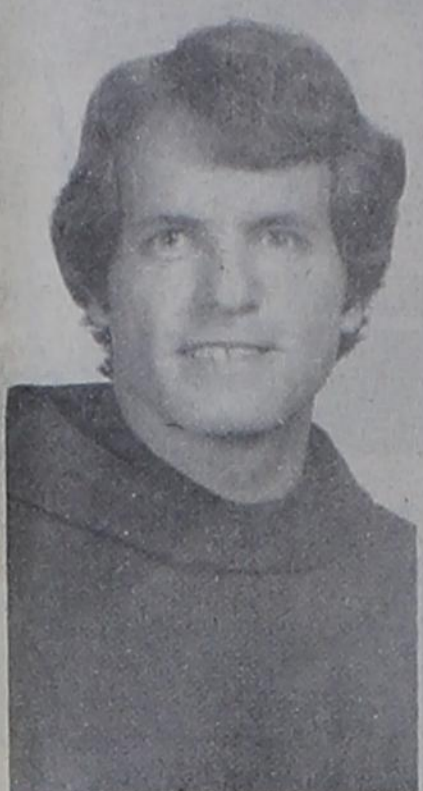

Ex-service personnel from others branches of the service may also qualify for Air Force enlistment providing they held a skill required by the Air Force and had the proper training provided by their military branch.

Prior military personnel are urged to contact their nearest Air Force Recruiter for additional qualifying factors.

Bro. Jeremy Myers Makes Holy Vows

Brother Jeremy Myers, O.S.B., 26, monk of New Subiaco Abbey, Subiaco, Arkansas, for the past three years, made his solemn commitment of vows on the Feast of the Exaltation of the Holy Cross on Tuesday, September 14, 1982. His commitment makes him a permanent and lifelong member of the Subiaco Monastic and Benedictine Community.

Brother Jeremy is a native of Rhineland. After attending grade school there, he enrolled in Subiaco Academy, a college-preparatory school for boys operated by the Benedictine monks of Subiaco Abbey. He graduated with the class of 1974, ranked third in his class. He continued his education at St. Joseph's Seminary in St. Benedict, Louisiana, graduating in 1978. He has spent the past two years at St. Meinrad's School of Theology, St. Meinrad, Indiana. He is currently in his third year of theology, with ordination to the priesthood two years in the future.

Brother Jeremy is the son of Mr. and Mrs. Billie Jake Myers of Rhineland.

Big Country Savings Becomes State Stock Thrift Association

John Harrell, president and chief executive officer, has announced the conversion of Big Country Savings from a state mutual to a state stock savings and loan association.

Brought about by the purchase of the Association by Commodore Insurance of Dallas, the change makes Big Country Savings one of the most profitable thrifts in the state of Texas.

The home office will remain in Stamford. All officers, directors and employees will be the same. And the Association is still fully insured by the Federal Savings and Loan Insurance Corporation.

Harrell commented, "We have expanded our asset base to over \$100 million in assets. And changing from a state

mutual to a state stock will not affect our customers in any way except that now we can offer them better and stronger services through a statewide and national presence."

Other affiliates of Commodore Insurance include Commodore Life Insurance, Dallas; Del Monte Mortgage Corporation, Carmel, California; and National Mortgage Corporation of America, Dallas. National Mortgage covers sixteen states outside of Texas. And both Del Monte Mortgage and National Mortgage are F.H.A./V.A. approved mortgage corporations.

Big Country Savings has offices in Stamford, Haskell, Quanah, Abilene and Dallas.

Farm And Ranch Report

CHARLES SIEPEL

Fixed Interest Rates Becoming A Thing Of The Past

The financial market has experienced wide fluctuations in the interest rates over the past two years. Lending money at a fixed rate of interest has become very risky. Therefore, bankers are expecting the agricultural producers to bear some of the risk associated with interest rate volatility. As a result there have been changes with types of loans available for farm producers.

During the second quarter of 1981, 57 percent of all feeder cattle loans and 55 percent of other farm operating loans had fixed interest rates. Since this time, variable rate loans have come to dominate agricultural financing. By July 1982, 60 percent of all new feeder cattle loans and 58 percent of new farm operating loans noted in a Federal Reserve Bank of Dallas survey were variable rate loans. During this same period, variable rate loans accounted for 70 percent of new long-term farm estate loans and 68 percent of new intermediate term farm loans. We can only expect the use of variable rates to continue in the volatile economy we live in today.

PUBLIC NOTICES "BECAUSE THE PEOPLE MUST KNOW"

PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that B-K Electric cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective October 6, 1982, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed changes. The Utility expects that the proposed schedule of rates will furnish the Utility 10.81% more in revenues than are furnished by the existing schedule of rates.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas, and the municipality of Seymour, Texas.

The Statement of Intent is available for public inspection at the general office of the Utility located at 419 North Main Street, Seymour, Texas 76380.

Throckmorton To Host Mare-Foal Clinic

Horse producers across the Rolling and South Plains will hear the latest information from a faculty of experts at the Rolling Plains Mare-Foal Clinic, Thursday, Sept. 30, at the R. A. (Rob) Brown Ranch west of Throckmorton.

Junior High Teams Remain Undefeated

by Coach Ed Pugliese
Our Munday junior high teams came away with their second victory of the year in as many games when they traveled to Knox City last Thursday night.

The eighth grade Braves pulled off an 8-0 win in the last 40 seconds of their game on a pass from Jeff Bruce to Reggie Tucker. We were disappointed in the game as the team did not play as well as they are capable of doing.

The seventh graders did a super job in their game, winning by a 22-8 score. Knox City scored first, then we came back and took control of the game. Anthony Stinnett and Corey Moore played well for us.

We play Quanah there this week and this is when we will find out how good our teams really are. Quanah's junior high teams are much larger than ours, and they are going to be very tough. We will have to play extremely well to stay unbeaten.

Our games at Quanah will begin at 4 p.m. (instead of 5 p.m. as originally scheduled), and our bus will leave Munday at approximately 2 p.m.

Local Six-Man Football Action

There will only be one six-man football game in the county this week as the Benjamin Mustangs come to Goree to take on the Wildcats.

This promises to be a fine football game. Benjamin is 2-0 for the season and boasts several talented players including junior quarterback Troy Oxford.

Goree suffered an upset last week at the hands of the Harrold Hornets and will be looking to get back into the win column.

These two teams have explosive offenses and solid defensive players and should provide plenty of thrills for the large crowd expected to be on hand.

Weinert's team will be traveling to Patton Springs to try and get back on the winning track after being defeated by Northside last week. Patton Springs is also coming off a loss to Rochester.

Harris County was the wedding capital of Texas during 1981 with 31,672 marriages. It also had the most divorces, 21,743; for a ratio of 69 divorces for every 100 marriages.

PUBLIC NOTICE

Lone Star Gas Company, in accordance with Section 43(a) of Article 1446c V.A.T.C.S., hereby gives notice of the Company's intent to implement a new schedule of rates including a cost of service adjustment clause for natural gas service to be charged to the residential and commercial consumers in the City of Goree, Texas effective October 14, 1982

The rate schedule is expected to furnish a 12.966 percent increase in the Company's revenues from residential and commercial customers in the City of Goree, Texas

A Statement of Intent has been filed with the City of Goree and is available for inspection at the Company's business office located at 126 West Main, Munday, Texas.
