Advance Tickets Now On Sale For Taste Of Munday

Advance tickets for the 1992 Taste of Munday and Portraits of Fall Fashion Show are now on sale at the Chamber of Commerce office, First National Bank or Michels Corner Cafe for \$5 each. The second annual event will be held from 11:30 a.m. to 1:00 p.m., Sunday, August 9, at the Munday High School gym. Tickets at the door will be \$6 each. Proceeds will go towards repairing the library portion of the Chamber office building.

In addition to the delicious specialties of area cooks, there will be two fashion shows, at 12 noon and 12:30 p.m., featuring the latest styles from several local merchants. Members of D-FY-IT (Drug Free Youth In Texas) will also be selling yummy homemade ice cream in several exciting flavors. (Proceeds from ice cream sales will benefit the local D-FY-IT Chapter.)

So come on out and enjoy the fun, Sunday, August 9!

Youth Led Revival Starts July 17

At Baptist Church

The First Baptist Church will host a youth led revival July 17, 18 and in the a.m. on July 19. We would like to invite every one to attend. Our guest team for the week is John Elliot, Geof (Jeff) Rich and Trey Morrison. All three of these young men are from the First Baptist Church Midland Texas. They will be with us all week and will be conducting day camps in the city park each morning from 9-12 noon. The day camps will be from July 13-17. Each evening there will be a different emphasis at the church that will include the youth or children.

Bill Sarpalius' Mobile Office

Arriving July 16

U.S. Rep. Bill Sarpalius' mobile office will be in Munday July 16 from 9:30-10:30 a.m. at the City Hall.

The mobile office allows the Congressman to bring his office's services directly to his constituents. A representative from the Congressman's office will be available to assist with constituent questions.

"I have always believed that to be an effective public servant you have to go to the people and hear their concerns and ideas," Sarpalius said. "I was elected not just to represent my district, but to serve. That's why I have this mobile office."

The mobile office will be traveling to each town in the district on a monthly basis. For more information, contact Community Representative, Dusty Hansard at (806) 371-8844.

Golf Scramble Set For Sunday

Want to beat the summer Sunday afternoon doldrums? Then come to the Golf Scramble at Lake Creek Golf Course this Sunday, July 12. Tee-off time is set for 1:30 p.m. Be there!

WITH THREATENING CLOUDS IN THE BACKGROUND, B-K Electric crews work to repair a downed line west of town following a storm that wreaked havoc in the area Thursday. Some outlying areas were without electricity for hours after the fast-building storm surprised many, with lots of hail, wind and rain.

WTU Creates Business Development Department

West Texas Utilities Co. is strengthening its commitment to the future of west Texas with the creation of a new business development department. Heading the department will be David Young, who was promoted from manager of economic development to director of business development.

Young will be responsible for the company's economic support programs which help local and regional groups like cities, chambers of commerce and industrial development agencies attract business and jobs to west Texas. "Attracting new industries is critical to the economic well being of this region" according to Paul Brower, WTU's vice president of marketing and business development who announced the changes. "This organizational change emphasizes the increased importance we see for this effort and will allow David and his team to maximize their efforts in promoting the many advantages of WTU's service territory" Brower said.

Young, a graduate of Northeast Louisiana University, holds a BS degree in business administration and a BBA in marketing. He joined Southwestern Electric Power Company in 1979 as a research assistant, then held staff advisor positions in energy audits and residential marketing before he became an economic development specialist in 1986. He moved to WTU in 1989 as manager of economic development. Both WTU and SWEPCO are subsidiaries of Central and South West Corp.

Working with Young are David Scott, community development consultant, Eric Geisler, economic development specialist, and Rita Sanchez, secretary. The department concentrates its efforts on promoting the region's traditional economic strengths and exploring opportunities for a more diversified future.

Traditionally, railroads, agriculture, ranching and oil were the economic foundations of the West Texas economy. As these indus-

tries have matured, cities and counties have initiated economic development programs to help diversify the local business base and capitalize on regional resources.

WTU's business development team is staffed to help communities and regional economic development organizations establish strategic plans and marketing strategies for their local job attraction efforts.

To identify prospective businesses which may have an interest in WTU's service territory, the department attends trade shows and conducts out-of-state trips armed with information about the many economic advantages of the region. Together with other WTU departments, the economic development staff encourages existing businesses to expand or become more competitive through efforts like investment in technology or increased regional trade.

WTU serves 177,000 customers covering 52 counties and 53,000 square miles of West Texas.

Golfers To Meet Next Thursday

A meeting of the Lake Creek Golf Course organization will be held at 8:00 p.m. Thursday, July 16, at the First National Bank. All members are encouraged to attend.

Report Evaluating Water Resources Has Been Released

Texas Water Development Board Report No. 337, Evaluation of Water Resources in Parts of the Rolling Prairies Region of North-Central Texas, has been released. The report summarizes the results of an investigation of potential water supply and water quality problems in an area which lies within the Brazos, Colorado, Red, and Trinity River Basins and includes all or parts of 44 North-Central Texas counties.

Report topics include references to topography and drainage, climate, economy, geologic framework, source and occurrence of ground water, water-level fluctuations, chemical quality, projected water demand, current water availability, and hydraulic characteristics of the region.

A copy of Report 337 can be obtained by calling the Texas Water Development Board, Hydrologic Monitoring Section, 512/445-1484.

BVRA Playday Set For Friday

The Brazos Valley Recreation Association will host a Playday at 7:00 p.m. Friday, July 10, at the Knox City Arena.

Area Damaged By Hail Storm

While the area has had a lot of rain this spring and summer, there had been no damaging storms... until last Thursday evening when local residents were "treated to a doozy"!

A large storm - ranging from the Haskell County line on the south to the Brazos River on the north and Knox City to the west - hovered over the area and dropped 3.85 inches of rain and hail. After waiting for their fields to dry enough to harvest wheat and plant cotton, local farmers were once again faced with disaster, as most lost part, if not all, of their cotton and maize crops. In addition, most of the windows in the home of Bill and Lissa Myers, about five miles west of Munday on Highway 222, were broken out during the storm.

In Munday, lots of vehicle and

roof damage was reported from the hail. Most downtown businesses received roof damage, but no broken windows were reported. Several residences, however, did receive broken windows, with much damage to gardens and flower beds. Residents in the North Park addition once again manned the sand bags to keep the water from their homes.

City Administrator, Jim Slayton, stated that one of the storm sewer pumps was hit by lightning, leaving the remaining pumps to deal with the heavy deluge. He also reported a large limb was blown down across Cedar Street, forcing the area to be blocked off until City crews could remove it.

Guess it was too much to hope that the area would escape any storms this season. Maybe this one will be the only one... if we're lucky!

Cotton Growers Annual Meeting Held June 29

Rolling Plains cotton Growers held their annual meeting Monday morning, June 29, at the Stamford High School cafeteria. A good meeting was held, with about 120 cotton producers and other industry leaders attending.

Secretary/Treasurer Mark Lundgren of Stamford, outlined the activities and accomplishments of RPCG this past year. He talked about how RPCG is the effort of cotton producers in this 29 county area organized to solve their common problems more efficiently through group action. Lundgren outlined the changes RPCG had made to be more active than ever in order to be fully competitive in this political climate. "People are very skeptical about the government solving all our problems. Future farm legislation will be developed at a time when U.S. agriculture has moved beyond the bounds of traditional farm policy."

Congressman Charles Stenholm gave the luncheon address, emphasizing the need for cotton producers to be involved in the political process through organizations like RPCG. Congressman Stenholm explained that Special Interest is not a four letter word and there's nothing wrong with fighting for programs and policies that will improve the agricultural economy. Stenholm told the crowd how difficult it would be for agriculture to be represented in today's political arena, with farmers representing less than two percent of the vote. He said that the agricultural appropriations bill will be approved Tuesday, but Wednesday's headlines will probably read "\$59 billion farm budget adopted". But he said he doubted that papers would tell the rest of the story that 62 percent of that budget was for food stamps, school lunches, and other nutritional programs; after everything else is take out, farmers only receive about 20 percent of the total budget. Stenholm also told members that the problems they dis-

cussed about only a few producers funding the organization, while most have a free ride, is the way it's always been since he was hired to be RPCG Executive V.P. back in 1965.

Executive Vice President Lindy Patton reported on the situation with arsenic acid. He explained how RPCG had put together the necessary data to defeat the EPA's proposed cancellation of the use of arsenic acid on cotton, a proposal which will cause much hardship cotton producers in the Rolling Plains. But after working to fight this cancellation, RPCG was backing off because a group of textile mills announced they would no longer buy cotton treated with acid. "RPCG felt that winning this battle could result in our losing the war," Patton said. "We cannot afford to allow our customers to differentiate our cotton from cotton grown in other areas." That is the way it used to be - Texas cotton was considered lower quality - but through the hard work of our producers, better varieties, and HVI classing, we now take a back seat to no one. Finally on level ground with everyone else, we don't want to give the mills the chance to discount our cotton for being treated with acid or for any other reason.

RPCG put together an excellent program on boll weevils. Frank Myers, former Program Coordinator for the Southwestern Boll Weevil Eradication Program, outlined how they eradicated this destructive pest from Arizona cotton. Myers stated the hardest part of eradicating boll weevils was deciding to do it. He said that actually moving the weevils out was easy, "you won't believe how easy it is once you finally decide to do so." Roger Haldenby, BW Program Coordinator for Plains Cotton Growers, discussed the benefits of the High Plains Containment program. Roger joked with the crowd on how hard they work to keep "your weevils in the

Morgan Named National Honor Roll Winner

The United States Achievement Academy announced recently that Tony Morgan has been recognized for academic achievement as a United States Honor Roll Award winner. Tony, who attends Munday High School, will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the Academy.

The USAA National Honor Roll Awards provide honor roll students with many benefits and services and is a great tribute to a student's dedication, talent and ability.

Tony is the son of Gerald and Gayle Morgan. His grandparents are Lala Morgan of Munday and John and Frances Chilcoat of Knox City.

Munday Native Receives Award Of Excellence

Margaret Cousins, noted author and retired editor from San Antonio, was presented the \$1,500 Lon Tinkle Award for sustained excellence during a career. The honor was bestowed by the Texas Institute of Letters at their 56th annual meeting held recently in Fort Worth.

Cousins is the former managing editor of McCall's and senior editor at Doubleday. She has authored several books for children and young adults and collaborated with Margaret Truman on "Souvenir". She is also a past recipient of the Award of Achievement from the University of Texas Ex-Students Association.

Her father, Walter H. Cousins, was owner of Cousins Drug Store in East Munday, in the location of the present-day Downtown Park. He was the first mayor of Munday after the town was incorporated.

Even though the family moved to Wichita Falls in 1910, as Margaret stated in *My Home Town*, some portion of Munday went with them and stayed with them - courage, optimism, responsibility, the gift of affection and the memory of happiness.

Congratulations and best regards to this well-deserving and talented Munday native!

MRS. MATTHEW DUMAS MALONE
... nee Judith Kathryn Pennartz

Pennartz-Malone Wed In Double Ring Ceremony

Judith Kathryn Pennartz became the bride of Matthew Dumas Malone in a double ring ceremony on Saturday, June 27, at St. Joseph's Catholic Church in Rhineland. Rev. Gary Guertz was the celebrant for the marriage ceremony and Nuptial Mass.

The bride is the daughter of Mr. and Mrs. Julius Pennartz of Rhineland. The groom's parents are Dr. and Mrs. David Malone of Denton.

The couple exchanged vows before an altar of lighted tapers in gold candleholders. In the center of the sanctuary was a prie-dieu, where the couple knelt. A unity candle trimmed with greenery and a large bow completed the setting.

Pews were adorned with large white bows accented with fuschia and turquoise flowers.

Nancy Wilde and Lisa Myers provided wedding music. Soloist, Josie Smith, sang *Suddenly, Always, Time In A Bottle*, and *Through The Eyes Of Love*. The *Ava Maria* was sung as the couple's mothers were seated.

Given in marriage by her father, the bride wore a white satin gown designed by Lilli. The fitted bodice featured a sweetheart neckline outlined in re-embroidered lace appliques, tiny seed pearls and iridescent sequins. The long tapered sleeves were encrusted with rows of pearls, sequins and appliques. Delicate schiffli embroidery, sequins and cut-out appliques circled the full skirt and chapel length train. Her bridal veil of illusion was attached to a headpiece of pearl flowers, crystal beads and iridescents. She carried a cascading bouquet of white roses and lilies accented with blue and fuschia roses.

The bride wore the traditional something old, her maternal grandmother's wedding ring; something new, her bridal attire; something borrowed, a rosary belonging to her mother; and something blue, her garter.

Kathleen Pennartz attended her sister as maid of honor. Bridesmaids were Carol Pennartz, sister of the bride, and Debi Seitz. Amy Smith was junior bridesmaid, and

Kelli Smith served as flower girl. They all wore tea length dresses of turquoise iridescent taffeta with keyhole backs and carried bouquets of lilies and roses.

The groom was attired in a black tuxedo with tails, black cummerbund and tie. Tim Goodwin of Wichita Falls served as best man. Raiford Malone and Walter Malone, brothers of the groom, served as groomsmen. They wore black tuxedos with turquoise accessories and a fuschia rose in their lapel. Ushers for the occasion were Gary, Jerry and Wayne Pennartz, brothers of the bride.

Following the wedding, the bride's parents were hosts for a dinner, reception and dance in the Knights of Columbus Hall in Rhineland. Kathy Kuehler of Wichita Falls, registered guests at the lace-covered registry table.

The bride's table, covered by a white cloth accented with a net and lace overlay, held the traditional three-tiered wedding cake adorned with cascading multi-colored flowers. Crystal candleholders with pink tapers and a crystal punch bowl completed the table setting. Jane Fiori, Caroline Hoaldrige and Teresa Pennartz served guests.

The groom's table featured a gray cloth with a white net overlay. The cake was flanked by a punch bowl and silver tea and coffee service. Serving at the groom's table were Stacy Redder and Judy Austin.

The groom's parents were hosts for a rehearsal dinner Friday evening at Michels Corner Cafe.

The bride is a graduate of Munday High School and Midwestern State University. The groom graduated from Denton High School and Midwestern State. They are both employed by the Wichita Falls Independent School District. Following a honeymoon trip to Tennessee, the couple will make their home in Wichita Falls.

Medicare Can Help Pay For Mammograms

Breast cancer is among the top health concerns of American women. In fact, more than 40,000 will die of breast cancer this year. Fortunately, more and more women have learned that early detection through mammography could allow effective intervention and treatment of the disease.

However, many women may not know that part of the costs of mammography screening may be paid for by Medicare. Since January 1991, Medicare Part B has paid for up to 80 percent of the lowest of these three--(1) the physician's charge; (2) the amount allowed under the Medicare physician's schedule; or (3) the established fee limit. (The 1992 fee limit is \$56.76, of which Medicare would pay a maximum of 80 percent, or \$45.41.)

Who is eligible? Women must be age 65 or older, or receiving Social Security disability benefits to be eligible.

Medicare will help pay for diagnostic mammograms for women who have any signs of a problem--such as a lump or mass in the breast--any time they're ordered by the attending physician and are considered necessary.

If a woman is 65 or older, Medicare helps pay for a mammogram every other year. For women aged 35-39 who are disabled, Medicare will help pay the cost of a baseline mammogram. For women who are disabled and aged 40-49, payment is for one screening every other year.

Women aged 50-64 who are disabled are covered for a yearly mammography screening. And so are women aged 40-49 who have been diagnosed as high risk

for breast cancer. For more information about this coverage, consult the Medicare carrier responsible for processing Part B claims.

Information on cancer detection and prevention is available from the Cancer Information Service's toll-free number--1-800-4-CANCER.

Cotton Growers

(Continued from Page 1) Rolling Plains and off the High Plains." Lindy Patton explained that the boll weevil eradication enabling legislation is ready for the legislature to pass when they finally go back work. He emphasized the need for a program, which will not only benefit the cotton producers, but benefit the entire Rolling Plains economy.

The meeting concluded with the election of new officers for the coming year.

NOTICE TO PET OWNERS

The Dog Tags that are required to be worn by your pet have arrived. Please come by City Hall with your dog(s) over the age of four (4) months old and proof of rabies vaccination. You must bring your dog(s) so that we can take photographs of each side of your pet for identification purposes. Do not bring photographs of your dog. We must take our own. No tag will be issued without proof of vaccination within the last three (3) months.

The fee for the tag will be \$2.00 each. The owner of any dog not wearing a collar will be fined \$50.00 per day. The owner of any dog not wearing a current City tag will be fined \$50.00 per day. The owner of any animal not vaccinated will be fined \$50.00 per day. Any owner that allows their dog(s) to run free without restraint or control will be fined \$50.00 per day. Any pet owner with more than four (4) animals, combination of dogs and cats, will be fined \$50.00 per day. Any stray dog or any dog considered to be a stray by the Animal Control Department will be impounded. The owner of any animal impounded will be subject to all applicable fines in addition to all costs of impoundment.

Fierce, dangerous and/or vicious dogs shall be confined within a secure building or enclosure and such dog(s) shall not be removed unless securely muzzled. Violation of this portion of the Ordinance will result in a fine of \$200.00 and forfeiture of the animal to be destroyed by the Animal Control Department.

Most of us like to have a pet around, especially if we have children. It is not the intent of the City to deprive anyone of their pet, but we must take the responsibility of our pets seriously. All pet owners must adhere to the rules. There will be times when your pet gets loose. These things happen, but flagrant violation will not be tolerated.

Services Held For D.L. Williams, 64

Delwin Leon Williams, 64, of Plainview, passed away Thursday, July 2, in St. Mary of the Plains Hospital in Lubbock following a brief illness.

Funeral services were held at 2:00 p.m. Saturday, July 4, 1992, in the Frist Baptist Church Chapel in Plainview with Dr. Travis Hart, pastor, officiating. Burial was in Plainview Cemetery under the direction of Lemons Funeral Home.

Mr. Williams was born May 3, 1928, in Floyd County, Texas. He grew up in Floydada, Lockney and Plainview, graduating from Plainview High School in 1945. He began work for Sheppard Sheet Metal in 1951, buying the business in 1958 and changing the name to Williams Sheet Metal. He was a member of the Plainview Bass Club, serving as president in 1986. He was also a member of the First Baptist Church and the ABC Booster Club and coached Little League baseball for seven years. He and Marie Stodghill were married September 1, 1948, in Plainview.

Survivors include his wife; a daughter, Mrs. Skeet (Dianna) Johnson of Wheeler; two sons, Terry of Abilene and Billy L. of Scottsdale, Arizona; a brother, Jamie of Plainview; six sisters, Mrs. James (Frances) Richardson of Lubbock, Mrs. Bill (Marilou) Powell of Round Rock, Pauline Strain of Snyder, Mrs. Walter (Gaynell) Schuler of Houston, Mrs. Jake (Sharon) Ray of Claude and Mrs. Jim (Brenda) Hall of Watauga; and six grandchildren.

ship, Euris Reid and Edith Runnels Monday afternoon.

Mildred (Draper) Fitzgerald visited her brother, Glenver Draper, and friends Tuesday.

Buck and Helen Tumbow of Weirert visited Slim Dickson on Tuesday.

Ann Smajstrla and Vivian Steinbach of St. Joseph's Church called bingo Thursday. Lillie Parker won the blackout prize, a beautiful red, white and blue flower arrangement.

Oleta Lee of Ft. Worth came to visit her brother-in-law, Harvey Lee, and took him shopping and just to see the country.

Dale and Sally Daniel of Kansas City, Missouri came to see his aunt, Opal Brewer.

Nancy Cypert showed "Father of the Bride" for us on Friday afternoon.

Virginia Cary read several poems this weekend instead of the usual singing.

Mr. Homer Moore moved into the Nursing Center on Friday. His son, Homer, Jr., brought Mrs. Moore to visit her husband Saturday afternoon.

Rebecca Harris of St. Jo visited her grandmother, Elizabeth Russell, a new resident of the Nursing Center.

Mr. and Mrs. Gene Smith visited her mother, Mrs. Ida Barnett.

Rev. Steve Barrett, pastor of the First United Methodist Church, led the services July 5. Helping with the music were Janice Dutton, Barbara Ratliff and Becky Ratliff.

Tonya Tolleson and Amber of Wichita Falls visited Fleta Mayo.

Residents participated in a spelling bee Wednesday, June 30. Virginia Williams was the winner.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: Should preachers be allowed to offend people with their preaching? I thought that the Bible tells us not to give offense to anyone.

A: One of the most misunderstood (and misquoted) passages in the Bible is 1 Corinthians 10:32-33: "Give no offense to Jews or to Greeks or to the church of God, just as I try to please all men in everything I do, not seeking my own advantage, but that of many, that they may be saved."

This passage has been misapplied in many ways to attempt to silence teachers and preachers from speaking the truth. Some feel that if they are "offended" that this justifies them leaving their congregation or even the entire service of the Lord.

This passage is a conclusion on the discussion of violating conscience in regard to a cultural practice of eating meat possibly sacrificed to an idol. The offense has nothing to do with direct command nor with preaching truth. It says that if a person might be led astray by exercising Christian liberty, then we should not use that freedom. (Read the entire context of 1 Corinthians chapters 8-10.)

Jesus, the perfect sinless preacher, offended three groups of people by his preaching. Jesus offended the Pharisees by rebuking their sins and their lack of understanding of true worship (Matthew 15:1-12). Christ offended his hometown folks by

teaching the truth concerning his ministry (Luke 4:16-30; Matthew 12:53-58; Mark 6:1ff). And Jesus offended his own disciples by his teaching concerning the bread of life (John 6:35-69).

Proclaiming the truth in love is never sin but following the example of Jesus (Ephesians 4:14-15, 25).

Benjamin News

By Mrs Gladene Green

Our sick list is short this week - our friends seem to be doing better.

Era Brown returned home Tuesday after several months stay in the Arlington area. Of course, her initial trip was just a short vacation, but while she was there, she fell and broke her hip, so spent several weeks recuperating. She's doing well now - able to be home and very glad to be here!

Dorothy Spikes reports that their son, Rusty, underwent surgery last week at Bethania Hospital in Wichita Falls. He's doing well and hopes to be released today.

Nora Duke spent a few days in a Wichita Falls hospital last week, returning home Thursday. She's much improved and hopes to see some more pleasant days for awhile.

Julia Trepanier spent several days last week in the Seymour Hospital after suffering a fall at her home. She didn't break any bones, but certainly bruised herself up. She's much better now.

Our best to all these friends and anyone else who may be ailing.

Reunions Held
Summertime always means family get-togethers. The Nunley Clan met on Sunday at the Community Center in Vera. The kids and grandkids of the late Grover and Thelma Nunley enjoyed a

day of fun, good food and lots of visiting. Those attending were: Joy Yancey and Mike, Ann, Kerri and Cory Yancy, all of Lakeside City; Brenda Golleher, Toni Benson and Daniel and Kevin Rickman, all of Wichita Falls; Jack Nunley and Mike and Collette Young, all of Seymour; Joe Nunley of Dickens; Lana Caldwell of Haskell; and Darlene Benson, Jane Gideon, Weldon Gideon, Dutch and Imagean Young and DeeAnn and Anthony Lamb, all of Benjamin.

The Whitten family had their annual reunion on Sunday at the Ex-Students Building in Benjamin. They, like the Nunleys, had a full day of fun and fellowship. Those attending were: Dennis and Evelyn Anderson of Miami; Jerry and Barbara Anderson of Kerens; Paul and Laurie DeMars and children of Allen; Stasy Antilley, Ryan and Kallie of Guthrie; Kenneth Anderson and Carol Carlisle of Springtown; Elizabeth Meux of Wichita Falls; Brandi Eschle of Irving; Carol Griffith of Farmington, New Mexico; Michelle and Casen Brock of Lubbock; Carl and Martha Brock of Anson; Hershell and Bonnie Tankersley, Marvin and Barbara Jones, Dorothy Anderson, John Lewis, Steve and Virginia McNelly and children, and Doyle Griffith, all of Knox City, and Fred and Jan Carver and

Tammy and Mike Lyles, Tom, Jacy, Tyler and Cassie, all of Benjamin.

The week prior to the reunion, Jan and Fred Carver had the following guests: Dennis and Evelyn Anderson of Miami; Jerry and Barbara Anderson of Kerens; Kenneth Anderson and Carol Carlisle of Springtown; Brandi Eschle of Irving; Dorothy Anderson, Ricky Carver and Jael Webb of Knox City; Gary, Stasy, Ryan and Kallie Antilley of Guthrie, and Tammy Lyles, Jacy, Tyler and Cassie of Benjamin.

Bo Milson spent the Fourth of July weekend with relatives in Montague.

Earlene Meinzer visited her sister, Mabel Jacobs, in the Knox County Hospital Saturday and Sunday. Reports today (Monday) that Mabel is much improved.

Tracy, Susan, Ashley, Matthew and Lucas Cartwright spent a few days with relatives in the Dallas area and also made a trip to Six Flags.

Opal McLaine of Leonard is spending a few weeks with her daughter and son-in-law, James and Jimmie Klutts.

Dorothy and Bill Spikes and Bill and Dean Anderson of Ker-ville vacationed in Red River, New Mexico last week and also attended class reunions of those who graduated during the 40's. They reported a nice, cool, relaxing time.

Loraine Powers of Midland was here last week for the funeral of Jr. Clower in Vera on Friday. Mr. Clower died in Big Spring after a lengthy illness. Those from Benjamin attending the funeral were Gloria West, Hes and Louise Hall and Rex and Maretha Patterson.

Clodell Duke spent the weekend with her daughter and family, the Denny McCarthys and Jan Pollock in Wichita Falls.

Christi Whitten of Amarillo and a friend, Matt Goforth of Butler, Missouri, visited Christi's parents, Jack and Judie Whitten, Rhonda and Jay last week.

Michelle Bufkin spent the Fourth of July weekend with her sister and brother-in-law, Debbie and Richard Goforth in Ft. Worth.

Farm and Ranch Report

Knox County Extension Agent - Ag. Texas Agricultural Extension Service

ROTTEN TOMATOES CAN BE CONTROLLED

As July first is approaching, many gardeners are eagerly awaiting the first harvest of vine ripened tomatoes only to be let down when a big rotten spot on that first tomato shows up.

Lou Pack of Knox City is one of those unhappy but "tomato hungry" people.

The problem with this years tomato crop is called Blossom End Rot and there are some things that can be done to avoid the disease.

Blossom End Rot (nonparasitic): blossom end rot is a physiological disorder of tomato

that can appear on fruits at any time in their development, but most commonly appears when fruits are one-third to one-half grown. The initial symptoms are water soaked spots on the blossom end of the fruit. These spots later enlarge and become black. Secondary infection by other decay causing organisms usually follows. The cause of this disorder is considered to be calcium deficiency in the developing fruit. Extreme fluctuations in moisture, root pruning and excessive nitrogen fertilization can also result in blossom end rot. Best means of control is to maintain a uniform supply of moisture through irrigation and soil mulches. Calcium chloride can be used as a spray for control under some conditions. Gypsum may also be applied to the soil but results will take a longer time to see.

How do you respond to the death of a dream? When your most cherished ambition is shattered by a financial reversal, a physical injury, or an unexpected change of plans, what is your reaction?

Have you committed your dreams and ambitions to God? He may want to approve and confirm them, or He may want to change and re-fashion them into something you've never imagined! That's His right as Creator. So give Him that right. . . right now!

See you next week, and remember: The hardest territory to hand over to God is the heartland of your dreams.

PUBLIC NOTICE

CITY OF MUNDAY NOTICE OF INTENTION TO ISSUE COMBINATION TAX AND REVENUE CERTIFICATES OF OBLIGATION, SERIES 1992
The City of Munday does hereby give notice of intention to issue Combination Tax and Revenue Certificates of Obligation, Series 1992, in the maximum principal amount not to exceed \$150,000, for paying all or a portion of the City's contractual obligations for the purchase of a garbage truck and 345 dumpsters, fencing the municipal warehouse and elevated storage, and for paying legal fees in connection with this project. The City proposes to provide for the payment of such Certificates of Obligation from the levy and collection of ad valorem taxes in the City as provided by law, and from the surplus revenues of the City's Waterworks and Sewer System, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the City's revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or any part of the Net Revenues of the City's Waterworks and Sewer System. The City Council intends to consider for passage, at a Regular Meeting to be held at 7 p.m. on July 14, 1992, an Ordinance authorizing the issuance of Combination Tax and Revenue Certificates of Obligation, Series 1992, at the City Hall, Munday, Texas.
