MOULTON WIGGINS

## Wiggins To Chair United Fund Drive

Moulton Wiggins, a civic worker in Munday for many years, has been named drive chairman for the 1987 Munday area United Fund campaign. Brenda Smith is publicity chairman for the drive, which will kick off October 26.

In 1980, the United Fund drive netted 104 percent of its dollar goal under Wiggins' guidance. Prior to that, he served as chairman in 1966 and 100 percent of the goal was realized.

Wiggins said this year's campaign would key on local businesses. "We will try to get an employee in each of the larger businesses to collect from his co-workers, and we are asking the cooperation of all the businesses in town," he said. Another goal of the committee is to present information to the public about how United Fund money is spent and how it benefits the community.

"We will try to answer any questions people may have about how the United Fund drive works and what the donations go for," Wiggins concluded. More details about the drive will be published next week.

## Local 4-H Officer To Attend Meeting In Washington, D.C.

Angie Partridge of Munday, a state 4-H officer, will be in Washington, D.C. October 9-12 for the 1987 national teen leadership program. Angie and Billy Wayne Jones of Orange will represent Texas at the conference, which is offered to the 50 states, the District of Columbia, Guam and Puerto Rico.

Themed "Profiles for Tomorrow", the program is designed to provide leadership training to teenage 4-H members serving in leadership roles through state councils or other advisory groups, to expand the visibility of teen leadership in the nation and to provide an exchange of ideas on the role of teens in 4-H.

Leadership skills such as goal setting, decision making, communications skills, group process and team building will be stressed, and the teens will play an active part in developing and promoting programs to involve more students at both state and local levels.

Angie, the daughter of Wendell and Leona Partridge, is a junior student at Munday High School.

## FHA Anticipates Successful Year

The Munday Future Homemakers of America chapter is off to a good start with 46 members this year. Projects the girls will carry out during the school year include the secret brother program, which is chaired by Ann Parker, and a project involving the student body, for which Lynn Parker serves as chairman.

The FHA'ers are gathering together for a breakfast on October 8. The meal is for all members and will teach them not only some points about good nutrition but also show the younger members how FHA likes to mix fun with education.

## MOGULS REMAIN UNDEFEATED

# Munday's Big Plays Overpower Panthers

With visions of their unbeaten record falling at the hands of the visiting Panthers, the Munday Moguls pushed for two quick second-quarter scores and went on to defeat Seymour 29-19 Friday night, preserving the team's perfect 5-0 mark for pre-district play. The Class AA Panthers are 1-4 after a tough first-half schedule.

The Panthers won the game of statistics, holding Monday to only 205 yards offense. But the Seymour team also lost two passes to interceptions, one of which resulted in a Munday touchdown, and the visitors were flagged for ten penalties against Munday's two. Mogul Anthony Stinnett was the leading rusher with 173 yards on 25 carries, and Monty Worthington paced the visitors with 89 yards on 18 carries.

After receiving the opening kickoff, the Panthers found little running room against the Mogul defense. Then when Seymour punted, Munday blocked the kick and would have taken possession in excellent field position had it not been for a personal foul penalty which gave Seymour a first and 10 just inside Munday territory. From there Chris Hardamon and Monty Worthington uncorked their strong running game and got down to the 8. On quarterback Scott Porter's second try to go through the air, he hit Brian Carlock in the endzone, giving the Panthers the lead at 4:56 in the quarter. Hardamon kicked the extra point.

After a long delay in which Seymour tried repeatedly to manage an onside kick, Munday finally got a chance to put its offense in the game. That offense, led by the running heroics of Anthony Stinnett, only needed two plays to get across the goal. Stinnett gained all the yardage, 18 yards through the left side and the remaining 23 around the right. Normally super-consistent place kicker Lowell Hutchens missed the extra point, and Munday still trailed by 1.

The next several minutes were full of fumbles and short yardage plays. Munday recovered a Seymour miscue early in the second quarter but could only manage five yards in three plays. Hutchens attempted a field goal, which landed wide of the mark, and Seymour got it back, only to punt after one series.

This time Stinnett, with a little assistance by Terry Collier, marched steadily to the other side of the field, picking up nearly 70 yards in only eight plays. His final run was for seven yards and the touchdown. Munday tried for a two-point conversion to make up for the earlier missed extra point, but the second try failed, also, and the Moguls took a 12-7 lead.

That lead increased by 3 at the end of the half. Seymour tried to rally quickly and wipe out Munday's edge, but 20 yards in penalties pushed the Panthers farther back into their own territory and on fourth down the Mogul defense smothered the punter for a loss down to the 11. From that point Munday took over with less than a minute left. Stinnett moved forward one yard, then the coach called for the referees to let the clock tick off the seconds until only two remained, and Hutchens threaded the ball through the uprights for a field goal as time ran out.

Feeling a little more confident as they took the field again, the Moguls quickly ran up another score, courtesy of a long run by Stinnett, and a few seconds later, his three-yard plunge across the goal. Hutchens was good for the extra point this time, and the Moguls' lead began to look more comfortable.

The remainder of the third quarter saw exchanges of punts, and the Panthers began to get a bit rattled as the officials charged the team with 50 yards in penalties during the quarter. But they were able to put that fact behind them as the period ended and Hardamon and Worthington again combined to put Sey-

mour in scoring position. As before, Porter looked to the air for his scoring play, hitting Brad Donnell with a 17-yard strike for paydirt. The kick was no good.

When Munday's next possession gained little yardage, Seymour fans no doubt felt they could get back into the game with just a little luck, but the luck went on Munday's side instead. One of Porter's throws went into a crowd of receivers and Mogul freshman Perry Collier caught it on the run. Collier scrambled down the right sideline for an electrifying 30-yard scoring run, and the momentum belonged to Munday again.

With a 16-point lead halfway through the final quarter, Munday played conservatively, even though Seymour's next possession also ended in an interception, this time by junior Ronald Eddington. A punt later, the Panthers were able to march 79 yards to score once more

(See Moguls, Page 2)

MUNDAY LIONS sold mops, brooms and other items made by blind workers Tuesday in an annual project. Displaying items are, from left, Philip Homer, chairman of the sale; Dr. W.H. Stewart, E.B. Littlefield and Leon Sellers.

## Cross Country Team Gillespie Church Continues To Win Schedules Revival

The Munday Moguletta cross country team was victorious again during the past weekend, out-running the field at the Grafrod meet held at the Possum Kingdom fish hatchery. Of the 93 contestants in the varsity division, Mindy Myers of Munday came in first, and her teammate, Robin Reneau, was fifth. Both girls are MHS sophomores.

Also on the varsity team were Jae-Jae Reneau, Angie Offutt, April Offutt, Alicia Cook and Eva Campos. The junior varsity team, which consisted of Kacy Longan, Christy Williams, Chris Burnett, Maria Castillo and Rosalinda Castillo, also placed first in their division of more than 50 runners. Kacy Longan placed second in the individual contest, and coach Gina Farmer said Kacy's time would have placed high in the varsity division.

Both groups were running against teams from larger schools in preparation for the upcoming district contest.

## Golf Scramble

A golf scramble is planned for 2 p.m. Sunday, October 11, at the Lake Creek Golf Club near Munday. Tee-off time was delayed for this scramble to give participants time to eat at the Rhineland sausage dinner.

\*\*\*\*\*

## Sausage Dinner On Tap For Sunday

Knights of Columbus at St. Joseph's Catholic Church in Rhineland will be serving sausage, fried chicken and other delicious foods at their annual sausage dinner set for Sunday, October 11, at the KC hall. Serving hours are 11 a.m. to 1:30 p.m. and plates are \$5 for adults and \$3 for children under 12.

Everyone in the community is invited to share this meal with members of the parish, and after eating a big meal a walk through the bazaar provided by St. Anne's Mothers Society will give exercise to both the body and, the ladies hope, the pocketbook! Regardless of where one's interest may lie, there should be enough good food and interesting items for sale to please anyone.

## Council Okays New Insurance

The Munday City Council met in special session Tuesday, September 29. Members present included Mayor Doris Dickerson and aldermen Richard Albus, Jessie Andrade, Gene Brown and Garon Tidwell; Jessie Tucker was absent.

Mayor Dickerson called the meeting to order and explained that the meeting was called to consider insurance proposals for property and liability for the next 12 months. The city's present insurance carrier, Texas Municipal League of Austin, has submitted one proposal, as had Lanco Insurance Company of Haskell.

The council carefully considered the two proposals, and after discussion Brown moved the proposal of Lanco Insurance Company be accepted as submitted, including airport coverage at the lower premium offered (the complete insurance proposal is to be filed in the insurance files of the City of Munday). Albus seconded the motion, which passed unanimously.

As no further business needed discussion, the council adjourned.

## Cotton Harvest Aids Advisable For Early Crop

by David Tunmire  
Knox County Extension Agent

Cotton is maturing rapidly in Knox County. Many fields will be ready for harvest well in advance of our normal freeze date. If the cotton is to be harvested at its top grade potential, the use of harvest aids may be advisable. Once cotton is mature and open, delays in harvest can mean reduction in grade due to color changes, lint yield losses, fiber length reduction and some loss of strength.

In a Wichita County demonstration in 1986, a delay in harvest of one month (from November 1 to December 1) resulted in a loss in value of \$10.80 per bale, based on loan prices of cotton at that time. That \$10.80 figure is just in grade change and does not take into account possible loss in yield.

At this point in the fall, desiccation should be delayed until 80-85% of the bolls are open. The remaining unopened bolls should be too hard to dent with pressure from the thumb and forefinger and too tough to cut cleanly with a sharp knife. The seed coat should also have turned dark in color. Once the

date gets beyond October 15 and into late October the desiccation threshold is usually lowered to 70-75% open bolls.

The only purpose of desiccation is to kill the plants, drop leaves and allow earlier harvest. Once desiccants are applied, all fiber and seed development stops.

Producers should remember that once cotton is desiccated, harvest should begin within a week to 10 days. Do not desiccate more cotton than can be stripped within a three week period.

Before desiccation, watch the five day weather forecasts and reports of impending hurricanes. Long delays in harvest following desiccation can be expensive. The uncertainty of Rolling Plains weather is the biggest gamble associated with this practice.

The two desiccants that are commonly used in the Rolling Plains include arsenic acid and paraquat. Both materials are marketed under a number of trade names. Arsenic acid is applied at 1 to 1 1/2 quarts per acre in five to ten gallons of water per acre. Paraquat rate of application is 1-2 pints per acre in at least ten gallons of water by ground application or at least three gallons of water per acre by aerial application. Tank mixes of these materials with Accelerate at the rate of 1-2 pints per acre is also a common practice in an effort to speed up the leaf drop process. These materials are hazardous. Follow label instructions and precautions carefully.

Do not use arsenic acid on hairy stem or hairy leaf varieties such as Paymaster 145. Producer experience with this practice on cotton varieties of this type has resulted in poor leaf and hair drop and resulting in trash that cannot be cleaned out of the gin, further resulting in lower grades.

There has also been much interest in the use of the boll opening compound Prep. Prep will speed up the opening of mature unopened bolls and enhance defoliation. Dr. Bob Metzger, Texas A&M cotton specialist, indicates that a yield potential of one bale of cotton to the acre is probably needed to justify the expense of this treatment. Application is normally made at the 50% open boll stage with sufficient unopened bolls to produce the desired yield. Tank mixes of Prep with a defoliant or desiccant is a common practice, however, there has been some reduction in boll opening response from the tank mixes. In other cases, dependent on conditions, Prep and desiccants are applied in separate applications with the desiccant following Prep by approximately one week. Rate of application of Prep is dependent on temperature and the degree of growth of the crop.

## Methodists Slate Harvest Fest Saturday

Munday Methodists invite everyone in the area to a community harvest festival to be held Saturday, October 10, at the church. Doors will open at 10 a.m.

A country store on the premises will feature arts, crafts, baked and canned goods, woodwork, children's toys and dolls and Christmas decorations and tree ornaments. Children's activities, which will begin at 10 a.m. and continue until noon, will include pony rides, balloons, a game room, clowns and a comedy hour.

A lunch of brisquet, beans, salad, bread, dessert and tea or coffee will be served from 11:30 until 1 p.m. Tickets are \$5 for adults and \$3 for children 12 and under.

At 2 p.m., there will be an auction of various items, including quilts, seminole dresses and shirts, needle-point pictures, folk art items and three special prizes, a dinner for six, dessert of the month and a guided quail hunt for two.

Music will be provided throughout the day by the McMurry carousel. A nursery will be provided for children under three.

## Tractor Driver Survives Accident With Locomotive

A tractor-train accident here Wednesday afternoon sent a local man to the Haskell hospital with various injuries. Miguel Nunez, 35, an employee of Floyd Reed, was taken to Haskell by the Munday Ambulance Service with broken ribs and numerous lacerations, abrasions and contusions. He was reported in good condition Tuesday and should be released from the hospital later this week.

Nunez was attempting to cross the railroad tracks a quarter mile east of Munday when the accident occurred. Investigating the accident was Knox County Sheriff Gene Nix, who said Nunez was apparently turned around in the seat, making sure the disk behind the tractor didn't hang up on the tracks. When the east-bound train collided with the tractor, Nunez was knocked out through the back window.

The James Merrell family, who lives south of the accident site, were the first ones to spot the accident and reported to authorities.

## Weather Report

For seven days ending Monday, October 5, 1987, as compiled and recorded by Goodson Sellers, local U.S. weather observer.

	TEMPERATURE	
	HIGH	LOW
Sept. 29	82	58
Sept. 30	83	54
Oct. 1	87	45
Oct. 2	79	52

**Knox County 4-H Food Show Winners**

**JUNIOR PARTICIPANTS** in the Knox County 4-H Food Show held Sunday in Benjamin are shown above. Youngsters in this conglomerated shot are: Amanda Baker of Knox City, Kandis Longan of Munday, first, and Heather King of Munday, second, in breads and cereals; Cody Alder-

son and Tressie Boyd of Knox City, Robyn Clem of Munday, second, and Anna Kay Kiser of Munday, first, in snacks and desserts; Michele Conner of Benjamin, Danette Owens of Munday, first, Jason Simmons of Gilliland, Cathy Nelson of Munday and Lorin Clem of Munday, second, in main dishes.

**Ride Set October 31**

St. Jude Children's Hospital has chosen Halloween, October 31, as the day for the annual bike-a-thon to benefit the hospital in its battle against childhood cancer and other illnesses. Phillis Urbanczyk will serve as chairman for the Wheels for Life ride in Munday.

Children of all ages are eligible to ride in the bike-a-thon, and all types of non-electrical riding vehicles not operated by batteries, even children's big-wheeled toys, can be entered.

**Local 4-H'ers Earn Food Show Honors**

Seventeen Knox County 4-H'ers participated in the 1987 county food show held Sunday afternoon, October 4, at the courthouse in Benjamin.

Each participant prepared a dish for the show and was judged on his or her knowledge of the dish, including function of ingredients, preparation principles and key nutrients, and on a menu for one day.

Judges were Lou Gilly, Haskell County Extension agent, and 4-H'ers Dalyn Gilly of Haskell and Teresa and Michelle Scoggins of Rochester. Results of the judging follow:

Junior main dish - Danette Owens, Munday, first; Lorin Clem, Munday, second.

Junior fruits and vegetables - Mitzi Anderson, Knox City, first.

Junior breads and cereals - Kandis Longan, Munday, first; Heather King, Munday, second.

Junior snacks and desserts - Anna Kay Kiser, Munday, first; Robyn Clem, Munday, second.

Intermediate main dish - Michele Berryhill, Munday, first.

Intermediate breads and cereals - Melissa Berryhill, Munday, first.

Intermediate snacks and desserts - Andrea Longan, Munday, first.

Senior breads and cereals - Kay Longan, Munday, first.

Others participating in the show were Michele Conner, Benjamin, Jason Simmons, Gilliland, and Cathy Nelson, Munday, junior main dish; Amanda Baker, Knox City, junior breads and cereals; and Cody Alerson and Tressie Boyd, Knox City, junior snacks and desserts.

The eight first place winners will advance to district competition in Wichita Falls on November 7.

**WTU Refund Is Due This Month**

West Texas Utilities Co. customers will receive another fuel cost refund this month.

The refund, requested by the company, was approved by the Public Utility Commission of Texas and will total about \$4.6 million. This includes actual over-collections of fuel costs from December 1986 through July 1987, plus interest.

The refunds will be credited to customer bills. A typical residential customer will receive a little more than \$7. This is the sixth refund made to WTU retail customers since the summer of 1985.

The fuel rates charged to customers have been adjusted with every refund, but the price of natural gas, WTU's main power plant boiler fuel during the period, has continued to decline.

Meanwhile, WTU is expecting a decision by the PUC in November regarding the company's request to increase its base rates. A hearing in the case ended September 16 and a final order from the three-member PUC is expected in time to apply any rate change on December bills.

The company had requested an increase to add \$50.3 million in annual revenues, which would bring the new coal-fired Oklahoma Power Station into the rate base.

**★ MUNDAY NURSING CENTER NEWS ★**

By Nancy Cypert

Almeda Blair and Mauryse Stone came and called bingo for the residents, as did Dr. Fidelia Moylette and Alice Reneau. Each player received prizes and a good time was had by all. Thanks to all these ladies.

Becky Stone of Dallas visited her grandmother, Myrtle Tomlinson.

Ozelle Kilgore of Benjamin visited her brother, Glenn Draper.

Ann and Eddie Doaley of San Angelo visited her grandmother, Maude Reagan, and her aunt, Ruby E. West.

Eula Mae Parks helped with bingo last week. The residents always enjoy Eula Mae and want to thank her.

Red West of Red Springs visited his wife, Ruby West, and sister, Linnie West.

Steve, Jan, and Cory Wilson of Burneyville, Oklahoma visited her grandmother, Beulah Hosea.

Ray Hunter came Wednesday morning for devotional with the residents. Everyone enjoys this time with Ray. Many thanks to him for coming each week.

Emma Fetsch and Geneva Penartz came Thursday afternoon and called bingo for the residents. Each player received a prize of their choice. Our thanks to these ladies.

Mr. and Mrs. Bill Dings of Pampa and Mr. and Mrs. James Allen Boynton of Abilene visited Merle Dings.

Howard and Ruby Myers, Marie Burns and Christine Hardin came Friday afternoon and held Bible study with the residents. Residents enjoy this each week.

**Miss Bruggeman Is Honored At Shower**

Miss Brenda Bruggeman was honored with a bridal shower on Sunday afternoon, October 4, in the Munday Community Center. The bride-elect will exchange vows with Henry Castillo on October 24 in Austin.

Receiving guests with the honoree were her mother, Mrs. Philip Bruggeman of Rhineland, and her sister, Nelda Bruggeman of Austin. Melinda Haynes of Wichita Falls, also a sister of the bride-to-be, presided at the registry table, and Pat Kuehler and Judy Pennartz, also of Wichita Falls, served refreshments. The serving table was covered with a white cloth, and flowers were in the bride's chosen colors of blue and peach.

Hostesses were Mmes. Emma Fetsch, Geneva Pennartz, Vivian Steinbach, Frances Brown, Vlasta Orsak, Ethel Birkenfeld, Theresa Albus, Betty Kuehler, Mary Birkenfeld, Annette Brown, Dot Myers;

Also, Rose Marie Brown, Bertha Moore, Annette Welch, Betsy Zeissel, Janet Yates, Mary Myers, Maxine Kuehler, Mary Zeissel, Jeanene Redder, Reba Redder, and Geneva Kuehler and Miss Judy Pennartz.

October 9 - Kyle McAfee, Renita Redder, Jimmy Howry and Opal Allred.

October 10 - Eric Sosolik and Lance Brown.

October 12 - Amanda Gulley, Debbie Cypert and Mark Redder; Mr. and Mrs. Alfred Latham.

October 13 - Johnnie Cook and Dale Huffman.

**Cude Rites Held At Local Cemetery**

Charles Ray Cude, 59, a former Munday resident, died Saturday, October 3, at a San Antonio nursing home. Graveside services were at 2 p.m. Tuesday, October 6, at Johnson Memorial Cemetery in Munday with Dr. Pete Bradfield, pastor of the First Baptist Church in Munday officiating. Arrangements were under the direction of McCauley-Smith Funeral Home.

Born December 25, 1927, he was a clothing salesman and a veteran of World War II and the Korean War.

**★ KNOX COUNTY KONNECTIONS ★**

Jane Rowan  
County Extension Agent - Home Economics

**OCTOBER: NATIONAL ENERGY AWARENESS MONTH**

The Extension Service joins other Federal agencies, industry and the private sector again this year in focusing attention to our dependency on energy for our security, economy and our comfortable lifestyle.

"Energy Security: Our Future Depends On It," has been selected for this year's theme. It is important to encourage continued energy gains through conservation, energy efficiency and the advance of technology and the need to continue to contribute to energy security.

**ENERGY TIPS FOR CONSUMERS**

Good management means using resources effectively to obtain the maximum comfort, convenience, pleasure and satisfaction from your energy investment. There are many ways to conserve energy in and around the home without sacrificing your level of living. Although some of the tips involve spending money, the long-range benefits should pay for the cost. Comfort level is frequently improved.

- Find and fix air leaks around windows, doors, foundation, electrical outlets, exhaust fans and attic openings.

- Install storm windows and doors to reduce heat loss and/or heat gain.

- Use solar heat when available to reduce home heating costs.

- Provide summer shade for south and west windows.

- Adjust temperature setting by 5 degrees on heating and air conditioning systems and compensate for comfort with the clothing you wear.

- Adjust temperature setting on water heater to lowest effective setting. Use 140 degrees for dishwasher; possibly 130 degrees without a dishwasher. Insulate the

water heater.

- Insulate ceilings, exterior walls, under floors, heat duct and hot water pipes.

- Use exhaust fans effectively to control heat and excess moisture at the source.

- Use energy powered home appliances efficiently.

- Use lighting efficiently. Light the areas of your home being used. Select energy efficient bulbs, tubes and fixtures when replacements are made.

- Consider energy efficiency when purchasing appliances, automobiles and other motors. Consider lifetime cost when making purchasing decisions.

- If a change of housing is planned, consider how much space is essential. Extra space takes energy to heat, cool, light and clean.

- Whether shopping for housing to buy or rent, evaluate it for energy efficiency.

- Consider transportation/energy costs when selecting a place to live, work, socialize and shop.

- Schedule a home energy audit. Turn off home entertainment equipment when no one is really listening or watching.

- Make fuel economy a consideration in any new car purchase.

**Senior Citizens To Elect New Officers**

Members and visitors were welcomed October 1 at the monthly meeting of the Munday Senior Citizens. President Grace Hutchinson presided over the session at the Munday Community Center.

Leona Blankenship gave the opening prayer, which was followed by recitation of the Pledge of Allegiance. September minutes were read and approved, and the treasurer's report was accepted as given.

A nominating committee was appointed for the November election of officers. Euris Reid, Clyde Yost, Lorene Burnison and Virginia Cary were named to the committee and will bring their report to the November meeting.

Euris Reid moved that instead of flowers the Senior Citizens give memorials to the ambulance fund. Leona Blankenship seconded the motion, which passed. Game night times were discussed, and Ella Gresham moved that the time be set at 6 p.m. This motion also passed. Game nights for this month are October 8, 15 and 29, and the monthly singing will be held at 7 p.m., Thursday, October 22.

Grace Hutchinson said grace for the noon meal, a covered dish luncheon preceding a fellowship period. The group played bingo for their program during the afternoon.

The organization will meet again at 10:30 a.m. November 5, and all senior citizens are welcome to attend.

**Chamber Scares Up Halloween Plans**

Ghosts will invade a Munday house during the days preceding Halloween, and the public is invited to come join the scary fun as the "visitors" are flushed out of their hiding places.

The Munday Chamber of Commerce will sponsor the spook house at 411 North Third. It will be open Wednesday, Thursday and Saturday, October 28, 29 and 31, from 7 p.m. until the ghosts decide to rest for the night. The haunted house will not be available for viewing on Friday night because of the out-of-town ballgame, and surely any local ghosts will want to go to Aspermont to cheer for the Moguls!

A costume party is being planned in conjunction with the spook house, and prizes will be awarded for originality, design and theme. The event will be held at 8 p.m. October 31, at the same address.

Hot dogs and cold drinks will be available at the spook house on Halloween night, and everyone who enjoys thrills and chills of the Halloween variety should be sure to plan a tour through this unusual residence.

One 100-watt incandescent bulb produces more light than two 60-watt bulbs, with 20 percent less energy consumption.

## Former Resident Honored For Service To Midland Church

Charlie Elliott, minister of activities at the First Baptist Church in Midland, was recently honored with a dessert fellowship to observe his 20th anniversary of service to the church. A special edition of the church newsletter, "First Baptist Banner," also featured the popular minister.

Elliott, the son of Mrs. Evelyne Elliott of Munday, grew up here and received degrees from Hardin-Simmons University and Southwestern Baptist Theological Seminary. He accepted the post of youth and recreation minister at the Midland church in September, 1967, and spent ten years with youth programs and church activities. Those responsibilities were divided in 1977, when the church called a minister of youth education, and Elliott became minister of activities.

During his tenure at Midland, Elliott has formed a puppet ministry team, organized groups of young people to lead revivals, Bible schools and day camps during the summer and trained activities build-

ing assistants, several of whom have gone into full-time Christian work.

In addition, he has served the state Baptist organization as a state brotherhood board member, as associational R.A. director, regional recreation consultant and program director for Paisan Encampment. He also developed the day camp program at Paisano General Encampment Week, training FBC youth to be leaders.

Elliott is one of a group from the Midland church who work in Mexico each year, developing a ministry at Emmanuel Mission in San Vicente and helping the people along the Rio Grande. He also leads members of the congregation to the Baptist Senior Adult Conference in Grindelwald, Switzerland.

In conjunction with his recreation ministry, he organized the city-wide church basketball league, directs the volleyball league and gathers children and youths for aerobics, exercise, fitness seminars and weight room activities. He also heads an outreach service to senior adults,

holding monthly luncheons, summer backyard suppers, a special Christmas banquet and various trips.

Elliott's wife, Becky, is a teacher in the Midland school system and also teaches a Sunday school class. The couple has three sons, Michael, who has just completed submarine training with the U.S. Navy and will be stationed at Norfolk, Virginia; Danny, a senior at Midland Lee High School; and John, an eighth grader at Alama Junior High.

In the special church newsletter, church pastor Daniel Vestal called Elliott's ministry "remarkable," and added, "Only eternity will tell how wide is his circle of influence."

## Knox County Native R.J. Walling Dies In Wichita Falls

Reginald J. Walling, 81, of Seymour, a native of Knox County, died Monday, October 5, at a Wichita Falls hospital. Services were at 2 p.m. Wednesday, October 7, at the Seymour Memorial Funeral Home chapel with Rev. John Trice, pastor of the Gillespie Baptist Church, and Weldon Walling of Knox City officiating. Burial was in Johnson Memorial Cemetery in Munday.

Born January 30, 1906, in the Sunset community near Munday, Walling attended Gillespie schools and later graduated from Weatherford Business College. He married Treasure Voss May 2, 1926, in Munday. A past president of the Sunset school board, he had lived in Baylor County since 1949, where he was a farmer and a member of the First Presbyterian Church.

Survivors include his wife; a daughter, Doris Beasley of Wichita Falls; six sons, Lendon of Munday, Weldon of O'Brien, Randell of Proctor, Dennis of Paducah, Tommy of Sherman and Larry of Seymour; five sisters, Eloise Russell of Carlsbad, N.M.; Bea Ressel of Munday, Rachel Spruill of Blossom, Ida Lou Lawson of Fort Worth and Frances Arnold of Albuquerque, N.M.; a brother, J.B. of Fort Worth; 28 grandchildren and 34 great-grandchildren.

## Thompson Reunion Held In Oklahoma

The Thompson family reunion held October 13-14 at Quartz Mountain Lodge near Altus, Oklahoma, was attended by the following:

Opal (Thompson) Thornton, Paducah; Docia (Thompson) Rowland and Clois and Dorothy Rowland, Vernon; Ronald, Sharon and Tammy Tirez and Lonie Cobby, Wichita Falls; A.J. and Hazel Rennels, Canut, Okla.; Dale and Pat Massey, Weatherford, Okla.; Iona Allison and Barbara Jencks, Elk City, Okla.;

Also, Art and Wanda Smith, Shanna Smith and Dale Frederick, Lubbock; George and Jean Landon, Enid, Okla.; and Alva (Thompson) James and Hub and Ola Thompson, Munday.

Mrs. Lois Jackson, former resident of Munday, is visiting Leona Michels, Hazel Pruitt and other friends in Munday. The Jacksons owned the delinting plant here years ago.

## More Haskell County Fair Winners

Mrs. Joseph Jones of Munday won a first place ribbon and Best of Show at the Haskell County Fair for her 120 year old copper kettle. Mrs. Edwin Smith won second with her hand propelled sewing machine which was carried in a covered wagon.

Mrs. Joe Roberts judged the antique section of the Haskell Fair.

## ★ Weinert News ★

By Mrs. Myrtle Plemister

I regret you looked in vain for the Weinert column last week, but I tried! For \$10.50 the P.O. would "guarantee" a delivery, but I declined that. For \$2.50 Priority Mail, they assured me it would be delivered on time - so I did, they didn't!

I do bring you greetings from many people and places that Marvin and I visited on our journey. Our daughter, Lola Sue, always sends greetings. She loves to read about your activities and thought you might like to know that the Title Seven program she wrote has been approved by the government, and a \$100,000 grant was provided to put it into action. It is a bi-lingual program for the fourth, fifth and sixth grades, and she will be training teachers and the parents of the students, realizing a dream she has had to get parents involved in their children's education in these age groups.

She has written bilingual programs for pre-kindergarten, kindergarten and first, second and third grades in the past, and has seen all of them implemented into the school curriculum in Harlingen. She is a busy person.

Truman Winchester sends greetings, also. He is living in the Retania Nursing Home in Harlingen, is in very poor health, wears a pacemaker, but still has a happy disposition and many, many fond memories of Lone Star and Weinert.

We visited in Kingsville with Ila Moody and her son, Scotty and Linda. She is getting stronger, had been up for four hours the day we were there, loves to hear from Weinert and plans to one day return to her home here. Her eyes prevent her reading and writing a lot, but she hopes you continue to remember her. Her address is 613 S. 19th, Kingsville, Texas 78363.

Since our son David and his family live in Wimberly, that seems to be the shortest route to Weinert! Greg loves his job at Safeway, Marcus loves his school and football, and Peggy seems to love taking care of them. David is in Haiti just now on a mission meeting and helping dig a water well for an orphan's home his church group sponsors there.

While in Wimberly we met Edith McClaren, daughter of Mr. and Mrs. Jerry McClaren, formerly of Weinert, granddaughter of John McClaren. Edith is Mrs. Bo McMillan. They reside in Cisco, and she said hello to all her family friends here.

Our out-of-town visitors bring us joy and we are happy to report some of them.

Grace Hutchinson of Munday, Joel and Doris Smith of Medina and Mr. and Mrs. Joel Smith, Jr. with their son of Lubbock, were in town and attended worship services at the Church of Christ.

Joel and Doris are still involved with the Medina Children's Home and Doris' health is improving after her heart attack several months ago.

Raymon and Janie Boykin and Shelly were in town last week. Shannon Forehand and Kelly Earp of Angelo State University were home to visit their families here this weekend.

Margie and Pete Jordan and Mrs. Phil Jordan of Hamilton were visiting in the home of Margie's mother, Francis Mahan. Margie's daughter, Pam and Timothy Marshall of Weatherford, Oklahoma, and daughter, Sarah, were here for the weekend also. Pam is a pharmaceutical student in college there, and Tim is athletic counselor.

Helen and Buck Turnbow entertained Helen's sister, Mr. and Mrs. Roy Luker, who are moving to Midland from Grand Prairie so as

to be near their son's family.

The Weinert Foursquare Church will host a revival October 11-14 with Phil Hyde of Albuquerque, N.M. as visiting evangelist. Eveyone is invited to attend.

Several out-of-town guests were in town for the Pleasant Valley school reunion when approximately 75 ex-students and patrons registered for the event. Mr. and Mrs. Willie Farrel were in charge of the reunion.

Francis Kay Brown of Odessa was in our area and stopped by the store to leave her greetings, as did Fred Smith of Dallas. They are both ex-Weinert residents and Pleasant Valley students.

Bundy and Lenora Scott Wilson of Quitman were here for the 50th reunion of her class, and spent the weekend in the home of good friends, Laverne and J.A. Mayfield.

Mr. and Mrs. Sam Benechi of California, sister to T.E. Reeves' mother, Hazel, are in town to visit their nephews, T.E. and Willie Farrel and families.

John Hamilton of Lyford was a recent visitor in the home of his sister, Hazel and Russel Rainey, and with his wife's brother, Ernest and Louise McGuire.

Other guests of the McGuires were Becky Fry of Bowie and Brandon McGuire of Haskell.

Mr. and Mrs. Ricky Wade and young son, Taylor Brandon, 10 days old, were up to visit the Yates family and attend worship services at First Baptist Church.

Michelle Johnson of Wichita Falls spent the weekend with her parents, Bobby and Betty Raynes.

Mr. and Mrs. Eddie Sanders were in Hillsboro and Waco for a few days to visit relatives and especially to see Myrnie's sister, Luke and Leatha Holloway.

Ted and Faye Jetton were in Newcastle to visit Faye's brother, Stanley and Helen McMillen, who have just returned home from a visit to California.

Donnie Crump has returned safely from his mission trip to Benzi, Central America, where he participated in an inspirational 10-day revival with four other missionaries. The country is an English language

country, having been under British rule for many years, and it was formerly called British Honduras.

The Haskell-Knox Association of WMU met Tuesday for their annual associational meeting. The meeting started with a 9:45 a.m. registration and concluded with a noon luncheon. It was hosted by the Weinert Baptist WMU.

The teacher appreciation dinner for out-going and in-coming Sunday school teachers was held in the fellowship hall of the First Baptist Church on September 30. Donnie Crump, pastor, was in charge of affairs and recognized teachers.

Sympathy is extended to the Joe Lee Ferguson family upon the death of their son Joe Lee III, who was interred near his home in California on July 18. He was 50 years old. The Ferguson family moved from Weinert to Oregon when Joe Lee III was a small boy, and they still reside there.

Weinert school started counting attendance on Monday, October 5, and is hoping for perfect attendance for all 62 registered students, and also hoping for a few more to enroll, as this month's attendance is important all over Texas.

Brenda and Kenneth Sanders, Kent and Kole, were in Denton Saturday night to attend the football game between North Texas State Eagles and ACU Wildcats. Their son Gregg plays on the Eagle team; ACU was really smeared.

Leonard and Linda Mahan and Donald were in Weatherford for the weekend to visit their daughter and attend a granddaughter's birthday party. Both granddaughters, Tabitha and Mallori Sadler, returned with them for a week's visit.

Happy Birthday wishes to Ima Stewart, Marilyn Earp, Harlan Weinert, Barry Walker, Henry Ejems, Brian Adams, Calvin Davis, Helen Boykin and Brad Castillo.

Congratulations to Mr. and Mrs. Julian Estrada, Mr. and Mrs. Gilbert Jimenez Jr., and Mr. and Mrs. Junior Stewart, who are all celebrating anniversaries this week.

J.D. Davis and Mrs. Robert Horan Jr. are on the sick list this week. Get well soon.

The average American household watches TV for seven hours and two minutes a day, according to A.C. Nielson reports.

### NOTICE OF NEW TARIFF OFFERING CENTRANET<sup>SM</sup> SERVICE

General Telephone Company of the Southwest gives notice of its proposed new tariff offering, Centranet<sup>SM</sup> Service, which is to be offered in all company wire centers where such facilities exist to provide the service.

Centranet is a central office based service which provides PBX type features to multi-line business customers. Basic operating features include Direct Inward Dialing (DID), Direct Outward Dialing (DOD), Station-to-Station Dialing, Automatic Identified Outward Dialing (AIOD), and Touch Calling. The tariff is designed for Centranet customers with a minimum of 2 and maximum of 100 main station lines.

Effective with this tariff, ECENTREX Service will be limited to existing installations only.

The proposed new tariff offering has been assigned Docket No. 7652, and will become effective upon approval of the Public Utility Commission of Texas.

Rates for service will be applicable to customers who subscribe to the service, therefore, there will be no effect on any other rates of the company. The new offering will increase the company's gross annual revenues by approximately \$423,013 or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission within fifteen (15) days of the date of this notice. The deadline to intervene in this docket is November 9, 1987.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

## ★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

**PERIWINKLES LOOK LIKE** spring, but the deep red growth around trees and plants in this yard lets everyone know that fall is here. Flowers, plants and shrubs are neatly tended and healthy looking in this Munday Garden Club Yard of the Week. This week's sign is in the yard of Jimmy and Phillis Urbanczyk on Cedar Street.

### The Lord's Corner

by Dr. Pete Bradfield  
Pastor, First Baptist Church

The old preacher stood up to preach. He read his text, Matt. 4:24 "...they brought unto Him all the sick people that were taken with DIVER'S DISEASES." The preacher then said: "Now, the doctors can scrutinize you, analyze you, and sometimes cure your diseases, but when you have DIVER'S DISEASES, then only the Lord can cure you. And brethren, there is a regular epidemic of DIVER'S DISEASES among us. Some DIVE for the door

after Sunday School's over. Some DIVE for the TV set during the evening worship service. Others DIVE for the car for a weekend trip, while others DIVE for their nickels and dimes to put in the offering, instead of tithing. Yes, it takes the Lord and the love of the church to cure DIVER'S DISEASES.

See you next week, and remember: don't be like the rooster who thought the sun rose to hear him crow.

A norther brought in a dust storm last Friday morning then cooled things off so after sundown that a coat and a blanket felt good at the ball game in Quanah Friday night. Winter isn't here yet, but summer is gone, though we'll probably have more warm October days. The day long rain hoped for last week didn't materialize, so we are still hoping.

Edmund Tomanek was the first to get his hair cut at Gail Whitley's new shop, and also the first to get his hair cut with her new clippers. This "christening" for the shop took place last Friday. It is nice to have a new business in Truscott, but we are sorry to see Erna Lee and Paul Horne leaving Gilliland. Gail, who has substituted in Erna Lee's shop for years, will cut hair for both men and women as well as do hair setting and give permanents. She said Jim Pratt of Benjamin has finished the carpenter work, including building a walk and ramp, and all the utilities are in place, including the telephone, which is 474-3338.

Grandma's Sunday Dinner for October will be Sunday, October 11, at 12:30. The brown and gold quilt will be given away that day too.

Anyone who wants to donate to the October 24 garage sale can bring it to town anytime, or leave word and your items will be picked up. This is a good chance to get junk hauled off, or perhaps the correct term is "pre-used items."

Gilliland and Truscott did well at the Knox County Achievement Day Saturday at the Memorial Center in Benjamin. Clara Owens was named Woman of the Year among Knox County Extension Club members. She has been a member of the Truscott club since 1939 and the one page nomination form was not big enough to list all the things she has done through the years for her community and club.

Lula Baty was in the sweepstakes judging, placing third in the number of total points. She won blue ribbons for canned apples, crocheted baby booties, soft sculpture of puppies in a basket, sugar cookies and angel food cake; red ones for fresh green beans, a crocheted collar, and a loaf of bread; and a white ribbon for picante sauce.

Jodi Miller got a blue and "best of show" for her jar of green tomato and pineapple relish. Other awards to Gilliland Home Extension club members included Frances Cook: quilted framed picture, blue, banana bread, blue; Thelma Jamison: jam, red, decorated broom, red, house plant, blue, and a handpieced quilt "Dream Rose" which was copied from an old family quilt.

Lula made her argel food cake from scratch and byhand. She beat the egg whites with a wire beater.

Truscott winners included Clara Owens' quilt which got a blue and best of show; Vula Hord's blue for a tailored man's shirt; Gail Whitley's blue for a jungle print woman's "big shirt" and lhaki pants and a blue and best of show in horticulture for fresh pineto peppers; Ila

Mae Bullion got blue ribbons for photography, single picture and group picture, and a pecan pie.

Clara Brown got a white in miscellaneous crafts for a woven binder twine chair bottom.

In the youth division, Kristin Simmons of Gilliland won a blue in folk art and a blue in oil painting. Also in the youth division, Crystal Dishman won a blue on a whole wheat shortcake, a blue on fresh chili peppers, a red on canned tomatoes and a blue on a skirt and top. She scored the most points overall and received a best of show award for junior high division.

Curtis Casey visited Bob and Wanda Whitaker in Chillicothe last week.

Edith Cash was in Lubbock last week to see the doctor. She goes back Tuesday.

Benjamin defeated Newcastle 74-25 Friday night.

Christi Whitten of Benjamin spent the weekend with Kim Cash.

Mr. and Mrs. Homer Jamison of Amarillo visited Thelma Jamison Sunday.

Lori Cypert of Arlington and her son, Jason, visited her grandparents, Mr. and Mrs. Glen McGuire, over the weekend.

Forest and Winnie Carter of Granbury and Mahlon and Fay Mitchell of Richardson visited Venta Horne over the weekend. The Carters also visited the Glen McGuires Friday.

Jo Kay Hayes of Abilene visited her parents, Clarence and Jodi Miller, last week, leaving Sunday afternoon.

The son of O.R. Miller's niece came up from Hardin-Simmons for a weekend with the Millers. Royce

and Brenda Miller and daughters had Sunday dinner with the Millers.

The Johnny Kimmels were in Wichita Falls Sunday afternoon.

Curtis Casey reports that his niece, Judy Smith (Carol Beth's daughter) has been dismissed from Baylor Hospital and is back home in Conroe. She is doing well despite having been unconscious for three weeks.

Jason Simmons won a blue ribbon with his meat dish at the Knox County 4-H Food show at Benjamin Sunday.

Patty Alexander was in Abilene last week for the funeral of her cousin, Betty Hatchett.

### Munday School Lunchroom Menu

October 12-16, 1987

#### BREAKFAST

Monday - Cereal, juice, milk.

Tuesday - Cinnamon toast, juice, milk.

Wednesday - Doughnuts, juice, milk.

Thursday - Cheese toast, juice, milk.

Friday - Cereal, juice, milk.

#### LUNCH

Monday - Chili dogs, pinto beans, cole slaw, brownies, milk.

Tuesday - Tacos, salad, blackeyed peas, sugar cookies, milk.

Wednesday - Spaghetti and meat, green beans, carrot sticks, batter bread, cobbler, milk.

Thursday - Tuna salad, corn, lettuce wedge, hot rolls, cake, milk.

Friday - Cheeseburger with trimmings, potatoes, fruit, milk.

### Hairstylists Attend Seminar

In order to bring the latest ideas in hairstyling to the people of this area, Janie Hendrix and Tracee Herring, licensed cosmetologists and co-owners of "Shear Looks" Beauty Salon have recently returned from a 2-day exclusive Redken Seminar in San Antonio.

Tracee and Janie participated in special classes taught by nationally reknown hair stylists, learning the newest haircoloring, hairshaping for men and women and perming and waving techniques.

Striving to offer top quality hair care and styling techniques, Janie and Tracee will offer the benefits of this educational experience to the people of our area.

# Area Grid Report

## YELLOWHAMMERS CLAW HAWLEY

Rotan got its second win of the 1987 season Friday night in home territory, defeating Hawley 34-7. The Bearcats are 1-4, while the Yellowhammers upped their record to 2-3.

Kenny Warren paced the Hammers with 143 yards on 17 carries. George Patterson scored twice for Rotan, and Billy Speck and Robert Daniel added offensive touchdowns. The Yellowhammer defense scored, also, as Willard Roddy caught a loose ball mid-air and ran it in for the score. Hawley's lone tally in the second quarter was on a turnover; Scott Smith intercepted the pass for the Bearcats and Todd Lovelady kicked the extra point.

Rotan held Hawley to only 111 total yards offense and forced four turnovers while dominating the game.

## ROBY SPOILS MEADOW RECORD

The Roby Lions bounced back from a one-touchdown deficit to edge Meadow 13-7 and break the Bronco's four-game winning streak. The Lions pulled in their first win of the season.

Meadow won the game statistically, with 17 first downs and 295 yards offense, but the Broncos also lost three fumbles, while the Lions only had one turnover. Ernie Limon's four-yard TD run in the second quarter gave Meadow the lead, then Roby's Jay Helms broke for 58 yards in the third period to put the Lions on the board. Reggy Spencer scored the winning touchdown in the final quarter with a three-yard plunge into the endzone.

## ROSCOE, ANSON FIGHT TO TIE

With no extra points scored, the

Roscoe Plowboys and Anson Tigers battled to a 12-12 tie in the final district contest for both teams. Anson had the edge in first downs (16 to 9) and a few yards more on offense, but aside from that the two squads were evenly matched.

The Plowboys put two touchdowns on the scoreboard in the first half. Sammy Herrera connected with Lance Kirby for a 74-yard scoring strike to give Roscoe the early lead, then Herrera plowed two yards into the endzone in the second period. Anson narrowed the lead to 6 just before halftime on a 33-yard pass from Monty Hall to Jeff Thomas. Hall then ran five yards for the tying touchdown in the third quarter, but Junior Jimenez of Roscoe blocked the extra point attempt, preserving the tie.

Roscoe is 2-2-1 in 1987, and Anson is 1-3-1.

## ASPERMONT BEATS MOTLEY COUNTY

The Aspermont Hornets won their first game of the season Friday night in Matador, trouncing Motley County 28-12. The Matadors are 2-3 for the year.

The Hornets scored all their points in the first half, rolling to a 28-6 lead at intermission. John Robinson's 82-yard pass interception was the big play of the half, and Tyrone Johnson ran for 13 and 35-yard scores. Paul Page contributed one tally for Aspermont, and Jason Counts kicked all four extra points.

The Matadors got on the board in the second quarter on Brandon Edleman's pass to Mike Trevino, and Edleman passed for another score in the final period.

## HASKELL BOMBS KC GREYHOUNDS

When the Haskell Indians took the opening kickoff to the Knox City 19, then fumbled away their scoring chance, it looked like it might be a long night for fans on both sides. But the Indians tightened up and pushed to a 21-0 victory over the Greyhounds.

Mark Young picked the action up in the second quarter, going in from the one for the game's first score. Later in the period, Young tossed a two-yard scoring pass to Louie Torres, then in the final stanza Young's 19-yard sprint was good for the last score. Chan Guess kicked all three extra points.

## BENJAMIN RACES PAST NEWCASTLE

The Benjamin Wildcats demolished Newcastle 74-25 in Knox County Friday night. The game was called with 8:14 to go in the fourth quarter because of the 45-point rule.

Jeff Pierce and Buster Redwine began the scoring spree in the first quarter and went on to combine for nine touchdowns. Redwine ran for 72, 44, 60 and 4 yards as well as returning a kickoff 75 yards to score. The other Benjamin touchdown was contributed by Kemp Jones on a pass from Pierce, who also kicked seven extra points.

Scoring for the Bobcats were Mike Pafford, Wesley Kinsey and Tony Duckworth.

## OTHER AREA SCORES...

Archer City outlasted Chico 15-8; Electra edged Stamford 28-21; Paducah blitzed Memphis 37-0; Quannah bombarded Crowell 49-7; Rochester pounded Woodson 50-17; and Throckmorton topped Windthorst 14-6.

## Wildcats Thrash Paint Creek Pirates

It was a short ballgame at Goree Friday night, as the contest was called at halftime because of the 45-point ruling in six-man games. But in the two quarters of play the Goree wildcats had all the opportunities they needed to prove their superiority over the Paint Creek team, as the Wildcats pounded the Pirates 61-6.

Grady Weaver scored four times for the Wildcats, including intercepting a pass for the final touchdown. Spencer Dixon, Paul Lucio and Gary Dixon crossed the goal for Goree in the first quarter, and Gary Dixon and Lonnie Shahan scored in the second period between Weaver's tallies. Quarterback Jimmy Castorena accounted for three of the scores on his passing abilities; the signal caller completed 5 of 11 pass attempts.

Goree racked up 310 yards rushing and 53 more in the air, and the Pirates threw for the same number of yards but only managed 20 yards total rushing and six first downs.

The Goree junior high Kittens, while defeating Paint Creek 31-24, suffered a disappointment in that this was the first game in two years in which the Kittens had been scored upon. Lyndle Garcia contributed four touchdowns to Goree's winning effort, and Otis Dixon scored another.

This week the junior high team will host Newcastle at 6 p.m. Thursday, and the Wildcats will travel to Newcastle, where kickoff will be at 7:30 p.m. Friday, October 9.

Mr. and Mrs. Utah Groves of Daggett, Calif., have returned home after spending the past week visiting his sisters, Mrs. Robert Feemster of Knox City and Mrs. Hank Matthews.

Other visitors were Mr. and Mrs. Ray Hailey of Amarillo, Mr. and Mrs. J.P. Groves of New Braunfels, Mr. and Mrs. Doug Menizer of Knox City, Mr. and Mrs. Louis Urbanczyk of Goree, Mr. and Mrs. Dowell Matthews and Brook of Anson, and Mrs. Leta Stubblefield, Mrs. Anna Urbanczyk, and Mr. and Mrs. Buddy Urbanczyk of Munday.

We are glad you are reading the Munday Courier, and we hope you enjoy each issue.

## Former Munday Businessman Dies

Robert L. Green, 73, of Temple died Sunday, September 27, at his residence. Services were held September 29 at the First United Methodist Church of Temple with Dr. Jack Riley and Dr. H.C. Farrell, Jr. officiating.

He was born in Durant, Oklahoma, and grew up in Clarendon. A member of the First United Methodist Church, he was in the retail lumber business for 43 years and was a past director of the Texas Lumberman's Association. He was in the lumber business in Munday during the 1950's.

He is survived by his wife, Ann Green of Temple; one son, Steve Green of Rio de Janeiro, Brazil; two daughters, Lee Ann Walser of Dallas and Judy Lane Nash of Garland; two sisters, Lodie Bentley of Amarillo and Helen Green of Canyon; and three grandsons.

## Trees, Benches Needed At Nursing Center

The resident council at the Munday Nursing Center has put in a request for shade trees and benches on at least two corners of the nursing center lot. Activities director Nancy Cypert explained that when the elderly residents of the center walk outside, they must go all the way back to the building if they tire. If a tree and bench were placed on the corners, they would have easy access to rest areas where they could catch their breath before continuing their stroll.

The resident council is asking family members of residents to donate to this cause, and contributions from anyone who might be interested in helping these citizens of our town will be very welcome. Mrs. Cypert can be contacted for information in this matter.

Thank you for reading the Munday Courier.

## LOCALS

Mozell and Al Lee of New Braunfels and Ruby Boggs of Haskell visited Mozell's granddaughter and great-granddaughter, Tracee Herring and Kristin, Tuesday morning. That afternoon they visited Lala Morgan before returning to Haskell.

## ★ Goree News ★

By Mrs. Grace Smith

### HOSPITAL NOTES

Mrs. Carlene Harlan is receiving medical treatment in the Seymour Hospital.

### WE CARE NIGHT

The Goree High School students were entertained Friday night, which was "We Care Night" at the parsonage. A large number of students attended, as did three special guests, E.B. Hosea, George Cotton and the coach, Cliff Gilmore.

### GOREE SCHOOL HOMECOMING

The eleventh Goree School Homecoming will be held on Saturday, October 17. A football game will be played on Friday night, October 16 at 7:30 p.m.

Registration will begin on Saturday morning at 9 o'clock in the high school building. The snack bar will be open from 9 a.m. until 11 a.m. in the school cafeteria.

Stanley's Barbecue of Wichita Falls will cater the noon meal in the school cafeteria from 11:30 a.m. to 1:30 p.m. If you plan to eat with us, send your money for tickets to Mike Hord, Route 1, Goree, Texas 76363 and they will be saved for you at the registration table. The tickets will be \$5 per plate. Please let us know as soon as you can the number of tickets you will need.

General assembly will begin at 2 p.m. Wayne Bingham, superintendent of Breckenridge High School will serve as master of ceremonies. An old-fashioned barbershop quartet will take us on a sentimental stroll down memory lane. There will be recognition of the classes from the earliest one to the latest one.

### VISITORS

Mr. and Mrs. Charles Atkinson visited Mr. and Mrs. Vernon Moore in Cleburne last Tuesday. From there they went to Waxahachie for a visit with Mr. and Mrs. Elwin Morse, then to Corsicana where they visited Mrs. Atkinson's mother, Mrs. Susie Lee, at the nursing home there. From there they traveled to Dallas for Charles to have a medical checkup.

Mr. and Mrs. Jimmie Dale Beaty and daughter, Rhonda of Greenville, Miss., visited his parents, Mr. and Mrs. Ewen Beaty, several days last week. Also visiting in their home last week were Mr. and Mrs. Danny Waincott and Phillip of Knox City.

Visiting Mr. and Mrs. Riley Bell last Wednesday was her brother and wife, Mr. and Mrs. J.E. McKinney of Seymour.

Mrs. Goldie Brown visited her sister, Mrs. Allene Parham and Jeanette, in Wichita Falls several days last week.

Guests in the E.B. Hosea home Sunday night were Mr. and Mrs. Jaylon Fincannon of Austin.

Mrs. Doris Harlan, accompanied

by Mrs. Betty Parkey of Wichita Falls, spent several days last week with her daughter and family, Mr. and Mrs. Rodney Gilroy and Roddy at Corpus Christi.

Mrs. Nina Redding visited Mrs. C.C. Childs in Wichita Falls last Tuesday.

Mr. and Mrs. Grady Williams spent last weekend visiting relatives in Fort Worth.

Visiting Mrs. Etta Kirk last Thursday was her sister and husband, Mr. and Mrs. Ott Radford of Paris.

Jerry Bradley of Arlington spent the weekend with his parents, Mr. and Mrs. Lloyd Bradley.

Mrs. Elizabeth Watson and Mrs. Winnie Howry visited Mr. and Mrs. Melvin Matus and Katie in Graham several days last week. Also visiting in the Matus home were Mrs. Anna Gray and daughters, Tara and Kelcie. Mrs. Watson also visited her cousin, Mrs. Ethel Shelton, while in Graham.

Mr. and Mrs. Dorse Blankenship of Olney and their granddaughter, Brandi Moore of Knox City, visited Mrs. Blankenship's parents, Mr. and Mrs. John Jones, Saturday night.

Visiting in the Tommy Greenwood home during the weekend were Mr. and Mrs. D.A. Corley and Jerry Corley of Burleson.

Visiting Mr. and Mrs. Dewitt Green and Mrs. Hallie Campbell on Friday were Mr. and Mrs. Don Ray Davis and Daniel Davis of Newcastle. Mr. and Mrs. Archie Struck visited in their home Sunday afternoon.

Mr. and Mrs. Ward Cooksey of Throckmorton visited her parents, Mr. and Mrs. Ruby Hammons, on Sunday.

Mr. and Mrs. Carl Echols visited her mother, Mrs. Addie Underwood, in Seymour Sunday afternoon.

Jerry Decker of Carrollton spent the weekend visiting his parents, Mr. and Mrs. Bill Decker.

Mr. and Mrs. Charles Grisham spent the weekend with his mother, Mrs. Effie Grisham, at De Leon. Visiting Mrs. Ruth Coffman last week was her great-grandson, Drew Coffman of Bridgeport.

Mrs. Grace Hutchinson and Mrs. Nahwana Donoho of Munday visited Mrs. Gladys Lambeth Sunday afternoon.

Jimmie Dale Beaty of Greenville, Miss. visited Mr. and Mrs. Jack Beaty Saturday afternoon.

Visiting Mr. and Mrs. Barton Carl this week are their daughter and children, Mrs. Richard Treet, Aaron and William, of Denver, Colorado.

Mrs. Kate Coffman has been a very busy person lately. On September 2 she underwent eye surgery at the Houston eye clinic. Mrs. Coffman reports that the surgery was a great success and that she has been able to read and sew without glasses since her surgery. While at Houston Mrs. Coffman attended football games in which her great-granddaughter, Cheryl, was a cheerleader. On her return home she spent the weekend with her daughter, Mary Bingham, and her grandson, Kurt Bingham and family, at Irving.

Visiting Mr. and Mrs. Elkin Warren Sunday afternoon were Mr. and Mrs. J.O. Dawdy of Floydada.

The ancient Greeks believed feeding snakes evergreen berries would destroy their venom. They stopped believing it after the snake bit them.

## FIGHT WIN

MEMBERS OF THE GOREE Lady Wildcats volleyball team are pictured here with their coach, Greta Waldrip, at far right. In back row are manager Clara Allen, Cathy Reagins, Maricelda Nava, Gina Harris, Jamie Peek, Sherry Hutchens and Cynthia Lambeth; shown in front are Dolores Castorena, Marcie Hale, Stacy Hutchens, Kelly Jo Moore, Norma Mateos and Patricia Lucio.

## Goree Ladycats Improve District Volleyball Record

The Goree girls' volleyball team continues to be successful in their first year of organized competition. The Ladycats won two more district games last week, defeating Lueders-Avoca 15-10, 15-7 and edging Weinert 15-12, 15-11.

In the Lueders games, Delores Castorena served for a match-high total of 15 points. Stacy Hutchens followed with 9 points. Castorena was again the high point server in the Weinert match with 9 points.

"Both teams were very competitive," said coach Greta Waldrip. "The Weinert girls are not quitters, and they made us work for every point. We've been working on picking up spikes and back-row serve re-

ceptions. The girls are really working hard and want to win." The team's next district contest will be at Rochester on Tuesday, October 13.

The Goree junior varsity played the Weinert varsity for the second half of the double-header and lost in a close match. Goree won the first game by a 15-4 margin, then stumbled to lose 15-9 and 15-10 in the next two games. High point players for the JV was Norma Mateos with 14 points. Molly Estrada of Weinert led all scorers with 15 points.

If the earth were made of ice, the heat from the sun would melt it in 14,981 years.

## ★ BENJAMIN NEWS ★

By Mrs. Gladene Green

### FOOTBALL NEWS

The Benjamin Mustangs sent Newcastle home Friday night with a loss in their pocket. Benjamin won that game 74-25. The game was called in the fourth quarter because of the 45 point rule. This win leaves Benjamin still undefeated in this school year.

### SOROSIS CLUB MEETS

The Benjamin Sorosis Club met October 7 with seven members and six visitors and one new member, Gaye Neal, present.

The program was given by Dolly Vincent, a local resident who recently spent two years in Bahrain living with a native family. She enjoys telling of her experiences and warm relationship with the people there. She showed those present some of the clothes worn by the people there and pictures of the people and their country and also displayed other items native in Bahrain.

Her program was very much enjoyed by those in attendance.

### HERE AND THERE

Shirley Jordan returned to her home in San Antonio last Wednesday after a week's stay with her mom, Grace Snailum, after Grace's return from Amarillo. I talked to Grace this morning and she says other than feeling weak from the chemotherapy and radiation therapy, she is feeling pretty well and that she is slowly gaining her strength back.

Visiting Grace later in the week were Darr Snailum of Ft. Stockton and Bill and Vera Snailum of Abilene.

Bobby and Philomae Roberson, Judy Conner and Jan Rolston attended the funeral of Levoy Kinnibrugh in Seymour last Tuesday.

Dee Ann Lamb and Anthony spent a few days last week with her sister in Wichita Falls.

Jarvis and Sheila Palvadore and son of Vernon visited her parents, the Charles Joneses, during the weekend.

Dutch and Imagean Young visited relatives in Lubbock during the weekend.

## Fincannon Rites Held Here Monday

Lewis Fincannon, 71, a former Munday resident, died Saturday, October 3, in the Navarro Regional Hospital in Corsicana. Services were at 2 p.m. Monday, October 5, in the First Baptist Church in Munday with Dr. David Hale, pastor of the Northside Baptist Church in Corsicana, officiating, assisted by Dr. Pete Bradfield, pastor of the Munday church. Burial was in the Goree Cemetery under direction of McCauley-Smith Funeral Home.

He was born May 16, 1916, in Dublin and married Bonnie Faye Pollock November 9, 1940, in Seymour. A retired truck driver, he was

a member of the Northside Baptist Church.

Survivors include his wife; a daughter, Brenda Wilson of Houston; two sons, Jaylon F. of Austin and Tony of Arlington; two sisters, Mrs. Al Latham and Mrs. J.S. McCrary, both of Munday; five grandchildren and a great-grandchild.

Mrs. Lucille Armstrong of Possum Kingdom and Mrs. Eloise Fatheree of Ft. Worth surprised their sister-in-law, Alma Phillips, with a visit last week.

Looking for business supplies? We might have what you need. Munday Courier, 422-4314.

## PUBLIC NOTICES

BECAUSE THE PEOPLE MUST KNOW

### NOTICE OF SUBSTANDARD BUILDING THE STATE OF TEXAS COUNTY OF KNOX

To: W.E. Green, owner, whose residence is unknown, or if he be deceased, his heirs and legal representatives, or if the said owner be deceased and if any of his heirs be deceased, then their heirs and legal representatives, whose names and places of residence are unknown.

You are hereby notified pursuant to Ordinance generally known as "The Substandard Building Ordinance of the City of Goree, Texas" and "The Unsanitary or Unsanitary Lots Ordinance of the City of Goree, Texas" that the building(s) located inside the city limits of the City of Goree, Texas, being more particularly described as Lot 4 in Block No. 112 and Lots 11 and 12 in Block No. 18 of the Original Town of Goree, situated in Knox County have been declared to be substandard by order of the Goree City Council dated September 7, 1987.

If repairs or improvements, or demolition, are not accomplished by you or your representative, in compliance with the foregoing ordinances on or before the 13th day of October, 1987, the details of the defects which need correction being on file in the city offices at Goree, Knox County, Texas, such building(s) shall be demolished by the City of Goree, its agents, employees or representatives.

By order of the City Council.  
George K. Cotton, Mayor 52-5tc

### NOTICE OF SUBSTANDARD BUILDING THE STATE OF TEXAS COUNTY OF KNOX

To: Jessie Carrasco, owner, whose residence is unknown, or if he be deceased, his heirs and legal representatives, or if the said owner be deceased and if any of his heirs now be deceased, then their heirs and legal representatives, whose names and places of residence are unknown.

You are hereby notified pursuant to Ordinance generally known as "The Substandard Building Ordinance of the City of Goree, Texas" and "The Unsanitary or Unsanitary Lots Ordinance of the City of Goree, Texas" that the building(s) located inside the city limits of the City of Goree, Texas, being more particularly described as Lots 1 and 2 in Block No. 9 of the Original Town of Goree, situated in Knox County, Texas have been declared to be substandard by order of the Goree City Council dated September 7, 1987.

If repairs or improvements, or demolition, are not accomplished by you or your representatives, in compliance with the foregoing ordinances on or before the 13th day of October, 1987, the details of the defects which need correction being on file in the city offices at Goree, Knox County, Texas, such building(s) will be demolished by the City of Goree, its agents, employees or representatives.

By order of the City Council.  
George K. Cotton, Mayor 51-4tc

**NOTICE**  
The City of Goree will take bids on a 1964 truck. Bids should be mailed to the City of Goree, Box 248, Goree, Texas 76363. Can be seen by calling City office. We have the right to accept or reject any and all bids. 1-2tc

## CAPITOL JOURNAL

STEVEN A. CARRIKER  
House of Representatives

This is the third in a series of informational columns on the constitutional amendments and referendum propositions which Texas voters will consider on November 3. The amendments are presented in the order in which they will appear on the ballot, and my intention is to provide you with arguments that have been raised for and against each proposal.

**Amendment No. 8:** "The constitutional amendments authorizing the issuance of general obligation bonds for projects relating to corrections institutions and mental health and mental retardation facilities."

Bond proceeds would fund construction of prisons and mental

health/mental retardation facilities. Federal courts have mandated that the State of Texas make significant capital improvements in these program areas. This amendment would allow facilities to be paid for over the life of the project rather than all at once in advance as has been the practice in Texas. The result would be lower taxes now but higher taxes later. As the man says "you pay your money and you take your choice."

**Amendment No. 9:** "The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed, and to serve in a different state office but may not receive an increase in compensation granted to that office during the legislative term to which he was elected."

The heart of this amendment is to remove a constitutional roadblock which sometimes prevents state senators from seeking higher state office before their terms have expired. If adopted it would also allow the governor to appoint a legislator to fill a vacancy in a statewide office. If you feel that these people should be available to the electorate as potential candidates or appointees, then you will want to vote for this amendment.

**Amendment No. 10:** "The constitutional amendment to allow the Legislature to exempt from ad valorem taxation certain personal property not held or used for the production of income."

The amendment would allow the Legislature to exempt most types of tangible personal property (except residential structures) from the property tax. Examples might include boats, planes, and recreational vehicles. Local taxing units would have the authority to override the state exemption and tax these items. Supporters say that most areas do not tax these items anyway, and those areas that need the revenue from this taxation would be allowed to continue to tax tangible personal property. Opponents caution that this exemption will save money for the wealthy, while leaving the less fortunate to make up the difference. Further, a blanket statewide exemption would be better than the proposed local-option system.

**Amendment No. 11:** "The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time."

This so-called "freeport" exemption would eliminate the property tax items which are in Texas for less than 175 days for assembling, storing, manufacturing, processing or fabricating. Supporters say the amendment would reinstate a previous tax exemption that has been a proven incentive to economic development in Texas. The exemption would apply, for example, to cloth which is in Texas to be sewn into blue jeans. Ten other states offer similar limited exemptions to attract assembling, manufacturing, and processing businesses. Another 37 states (not including Texas) exempt all inventory goods. Opponents say that the amendment would deprive school districts, cities, and counties of needed tax revenue.

## Boxed Drinks Safe, Convenient To Use

The aseptic packaging of drinks has some consumers wondering about safely storing and using these products, says a Texas A&M University Agricultural Extension Service specialist.

According to nutritionist Marilyn Haggard, aseptic packaging involves sterilizing the product and container separately. Then the product and package are brought together in a sterile environment where the container is filled and sealed.

Aseptic packaging is now used for a variety of products, including boxes for juice or milk and foil pouches for juice and fruit drinks.

"The aseptically packaged milk does not have to be stored in the refrigerator, and can sit on your shelf for up to 6 months," she says.

"While it's safe and wholesome, aseptically packaged milk does have a slightly different taste, which is often described as 'richer' than regular milk, even after it's been chilled," adds the specialist.

Haggard notes that aseptic juice boxes or pouches can be a special convenience for sack lunches.

"The cartons can be stored overnight in the freezer without the multi-layered packaging tearing as the freezing juice expands. Then if you pack the frozen carton in a lunch, it should thaw, but still be cool by lunch time," she explains.

The aseptic juices have a shelf life of six to eight months, and like canned food, should be rotated so those bought first are used first, says the specialist.

## Community Calendar

- October 9 - Munday at Rotan.
  - October 10 - Methodist Harvest Festival.
  - October 11 - Rhineland Sausage dinner.
  - October 12 - Fire department.
  - October 13 - Lions Club.
  - October 14 - St. Anne's Mothers Society.
