ERNESTINE DICKERSON, seated, receives a pin and certificate for 25 years of volunteer service to Bloodmobiles in Munday. Elaine Gulley, who pinned Mrs. Dickerson, was presented a certificate for ten years of service. One of the more successful visits in some time, Friday's Bloodmobile stop gained 59 pints of blood for the Red Cross Blood Services, and a host of local persons who work to help the Bloodmobile were recognized.

Area Donors Reach Bloodmobile Quota

A gratifying response was seen Friday at the final 1987 Bloodmobile, as Munday's quota of 60 pints was reached. 60 donors presented themselves, and none were deferred. One of the donations was incomplete but counted toward Munday's goal.

Reaching gallon marks were Mag Michalik and Melvin Cypert, one gallon; Mike Wulf and Tom Angerer, two gallons; Richard Albus, four gallons; Mickey Jackson, five gallons; and Lester Hutchinson, seven gallons. Angerer and Mrs. Michalik actually reached these goals at the emergency Bloodmobile in July but by error were not recognized.

First-time donors were Eurla Hutchens, Garry Brown, Joyce Hardin, Paul Taylor, Cindy McWhorter, Wayne Varnell and Vickie Huffman.

Registering donors were Winters Matthews and Virginia Cary. Ernestine Dickerson distributed bags, and trained volunteers assisting were Pat Hutchinson and Betty Hamilton. Overseeing the canteen were Elaine Gulley and first-time worker Linda Beth Jackson.

Food for the canteen was contributed by Helen Homer, Louise Beaty, Selma Choucair, Marge Hollar, Suzette Urbanczyk, Hazel Cypert, Donna Browning, Anna Decker, Shirley Amerson, Ruth Griffith, Phyllis Reed, Freida Brown, Nell Grisham, Marguerite King, Ruby Gulley and Alta McGuire.

Munday High School students who volunteered for the first time to help set up the donor room were Donald Edrington, Anthony Stinnett and Curtis Taylor. Helping load the Bloodmobile truck for the return trip to Wichita Falls were

Don Welch, Freddie Caram and Bill Williams.

A number of volunteer pins and certificates were presented during the Bloodmobile visit. Ernestine Dickerson was recognized for 25 years service to Bloodmobiles in Munday, and Latrece Lane received a certificate commemorating her 18 years of involvement in this project. Other longtime workers include Bob McWhorter, Bloodmobile treasurer, 15 years; Elaine Gulley, canteen, 10 years; Brenda Smith, 11 years; Betty Baker, 16 years; Joye Baker, 15 years.

West Texas Utilities was cited for 18 years of assistance, and the Knox County Fair, Bureau and Munday Volunteer Fire Department have assisted with the Bloodmobile for ten years. The Ladies Auxiliary of the fire department has helped for one year, and all these groups were recognized.

Other volunteers who received certificates were Rene Reed, nine years; Pam Reed, eight years; Winters Matthews, seven years; Marie Smith and Virginia Cary, five years; Allene Koenig, Betty Hamilton and Ruby Booe, three years; Pat Hutchinson, LuRose Schumacher, Lois Beaty and Reba Redder, two years; Paula Schur, Mag Michalik, Betty Wilde, Patsy LeFevre, Pam Nelson and Ralph Cypert, one year.

Singing Scheduled

Munday Senior Citizens will host their monthly singing night at 7 p.m. Thursday, September 24, at the Munday Community Center. Several out-of-town singers have been invited, and those who enjoy participating in or listening to the music are encouraged to attend.

Moguls 'Stinnett-ize' Struggling Wildcats

The Archer City Wildcats undoubtedly felt they would see quite a bit of Anthony Stinnett in their game with Munday, but they may have gone home wondering what he looked like, because they saw more of his back than anything. The senior tailback/quarterback scored three times, including punt and kickoff returns, and passed for another touchdown as Munday defeated the Wildcats 35-13 to boost their record to 3-0.

Stinnett carried the ball 16 times for 106 yards, plus adding 70 yards on a punt return and 85 on a kickoff runback. Munday's other ball carrier, Chad Bordovsky, rushed 37 yards on eight carries.

Archer City received the opening kickoff and punted three plays later. It didn't take Munday long to put their field position to good use, racking up a pair of quick first downs, and Chad Bordovsky sprinted in from the 4 for the first score. The touchdown was set up by a 22-yard Stinnett run. Consistent junior placekicker Lowell Hutchens connected for the first of his five points, and the Moguls began to roll.

Archer City was able to get down to the Mogul 31 on their next series, but Munday's defense toughened and the drive stalled. The Moguls' possession was marked with an off-sides charge and two back-to-back delay of game penalties, and Stinnett punted. But the Wildcats were unable to make much headway and returned the favor. This time Stinnett broke for a 34-yard gain on the first play from scrimmage. Then he stepped in at quarterback and lofted a 54-yard pass to Terry Collier, who took it in for the score, and Hutchens' kick made it 14-0.

Munday put the game away early in the second half. Stinnett took the kickoff to begin the half and raced 85 yards to the endzone. Then after Archer City's first possession gained one yard before being pushed back by a penalty, the fleet-footed Mogul returned the punt 70 yards for another touchdown just two minutes later.

The Wildcats finally got on the scoreboard at 3:37 in the quarter on Nicky McCorkle's quarterback sneak. But Munday got the ball again and drove from the 44 to the goal, using 12 plays and about six minutes off the clock. Stinnett plunged through the right side for the one-yard touchdown, and Hutchens tacked on the extra point for the victors.

Archer City mounted a second drive during the remainder of the final quarter, marching 63 yards in 13 plays, all but one of them on the ground. Andy Bowen went in for the final six yards, and McCorkle's kick was good for the final score of 35-13.

In JV action last week, the freshman team tied with Archer City 6-6. Tyler Thompson accounted for Munday's score, and Archer City's touchdown was the result of a drive that contained six complete but, according to the coach, illegal passes.

Munday junior high teams also began their season last week, with the seventh graders taking an 8-0 victory on Gene Shields' 75-yard touchdown on the final play of the game. Noel Campos scored the two-point conversion. The eighth grade Braves lost their first outing 22-0.

This week, the Moguls will travel to Electra to face the Tigers, who

own a record of one win, one loss and one tie. A large crowd is expected, as it is Electra's homecoming game, and Tiger fans will be hoping to see their team exact revenge for the 28-15 upset they suffered on Munday last year.

The Class AA Tigers are led by a stable full of good backs, including

Grant Johnson, Lenard Leviston and Luke Kimbro.

Coach's Comments

by Ron Steele

Overall, I was pretty happy with our game. Archer City blocks as well as anybody we've seen. It was

exactly the kind of game that I thought it would be - they went toe to toe with us.

We played a pretty good game defensively, but our linebackers did not have a good night. The specialty teams performed well, and of course

Local Residents React To NFL Strike

The National Football League Players Association called for a strike at 12:01 a.m. Tuesday when no agreement could be reached between the association's negotiators and management officials. The major stumbling block between the two groups was the issue of free agency: whether a player should be allowed to gain free agent status after four years and be free to choose any team he wants to play for, and whether his team should receive compensation for his loss. Other issues, such as a pension plan, were points of disagreement.

Sunday's games have already been cancelled, but NFL coaches say they will field teams of free agents and also-rans the following week. Although the players' strike doesn't affect local residents in any personal way, nearly everyone has an opinion. We found, however, that not everyone wanted their opinion printed in the paper!

Some of those who didn't mind airing their thoughts for public consumption had this to say:

"At an average salary of \$230,000, it has to be greed."

Garon Tidwell
"I hope it never gets settled for the year. I'm against them (the players union)."
Douglas Myers
"I think it's a mistake. They should look back to the 1982 season. The players are wrong."

Don Bunton
Ronnie Cude provided some

thought-provoking remarks: "We enjoy football in all phases - whether high school, college or professional. The current plight in the NFL is very unfortunate for all concerned whether it be the players, owners or fans. I can't help but feel most of the players are more interested in playing the sport than participating in a strike such as this, and that most likely there are those that will greatly benefit financially who are instigating this measure."

But... "Downright ludicrous!"

J.H. Kane
And... "Nothing but greed!"

Jeff Anderson
From Russ Byard: "I suppose the larger question is the question about organized labor against open shop. The real question, however, for our time is job security. I suppose everyone wants job security, and sports personnel have a short career in their profession. That is the reason for such large contracts. However, as for me and my house, I will not miss the games, for Sunday is the day for church and I rarely saw a complete game anyway."

Then there are such philosophical, open-minded great thinkers as Lyndle Reeves, who said, "I don't take the time to watch sports on television and could care less if the NFL players go on strike."

So there you have it, folks. Munday citizens do have opinions, and sometimes they will even make those opinions known. Which brings us to another idea - maybe some of these

residents, who we hope are reading their words in print, want to know how their friends and neighbors feel about other issues. If you have a suggestion of a poll or survey we might take, let us know. It might make interesting reading.

Note To Our Anonymous Writer

To "J.B.G." who left a note about cleaning up vacant lots in town, we can't accept news items or letters unless we know who sent or brought it in. But this letter certainly makes a valid point.

There are several vacant lots in town that need attention and many old houses and buildings that are practically covered with brush and weeds. These spots are eyesores, at the least, and they could be dangerous fire hazards.

We want to encourage persons who own lots or buildings that need cleaning up to do so and help make our town a cleaner place in which to live.

Cross Country Team Wins At Abilene

Munday High School girls' cross country team was victorious again Saturday, winning a meet held at Abilene Christian High School. The local girls ran against athletes from several Class 5-A junior varsity teams as well as a number of 3-A schools.

Munday's time of 11:10 won the Class A and AA division and was the best in the field. The 3-A, 4-A and 5-A division was won by a time of 11:48.

This meet was styled like a relay race, but Gina Farmer, who is coaching the Munday girls, said the remaining meets will require each girl to run the full two-mile course. Other meets will be held in Grafard and Abilene, and the district contest will be October 27 in Munday.

Local Couple Wins Caribbean Cruise

Dub Moon, manager of Osbornes in Munday, and his wife, Jo Nell, a store employee, have won a three-day Caribbean cruise sponsored by Snapper Power Equipment of Fort Worth. The Moons were awarded the cruise along with over 100 other Snapper dealers nationwide who have exceeded their Snapper sales quotas in 1987.

The Cunard Princess cruise will depart from San Juan, Puerto Rico, and will have ports of call in Tortola, British Isles, and St. Thomas, U.S. Virgin Islands before returning to San Juan.

Parental Advisory Group Meeting Set

A meeting of the parent advisory committee will be held at 3:30 p.m. Tuesday, October 6, in the teachers' lounge of Munday Elementary School.

The meeting will be held to consider educational programs pertaining to Chapter 1 reading and math, migrant students and pupils eligible for a class in English as a second language. Plans and suggestions for the school year will be discussed.

DUB AND JO NELL MOON of Munday will soon depart for a three-day Caribbean cruise courtesy of Snapper Power Equipment of Fort Worth. Moon, manager of the local Osbornes, won the trip by virtue of being above sales quota on Snapper equipment.

Anthony's talents were very much in evidence. I was disappointed at the end when we let Archer City shove the ball down our throats for one more touchdown. It will help a lot to have Trey Thompson back this week at middle linebacker. It will take him a week or so to get back in playing shape, but it is certainly a step in the right direction. Donald Edrington has a broken thumb, and we will know Wednesday whether he will have to undergo surgery or will be put in a cast.

I think our young quarterback, Marc Andrade, is showing a remarkable amount of composure. The team is too slow coming out of the huddle, though, and that is something we are working on this week.

The Haskell-Electra score was not indicative of the game. Electra had some costly fumbles and lost their big fullback in the first quarter. They ran the ball well, but it seemed like every time they were in position to score they lost a fumble or an interception. Electra has a good football tradition, and the team is well coached and full of young but talented athletes. And you can bet

they won't have forgotten what we did to them last year. They'll be coming at us with both barrels and we had better be prepared.

Our JV should not have been scored on in their last game. Archer City used a pass play that contained two violations. In the second half the officials began to flag them each time they tried it, but it was too late as they had already let the score stand. We were glad to get our backfield together at long last; they are crippled but they managed to limp through the game together and looked pretty good.

The seventh graders were excited to win their first game - especially after slogging through four quarters of scoreless effort. When Gene Shields finally got outside he just outran everybody on their field. The eighth graders tried hard but were up against an excellent Archer City team.

Local Teams Gather For Golf Scramble

The team of Don Coffman, Daniel Ramirez and Stacia Cook came in first at the Lake Creek Golf Club scramble Sunday, shooting a five-under-par 65 in 18 holes. One stroke back was the trio of Bob Bowen and Bully and Barbara Ratliff with a 66.

Third place went to Felton Jackson, Oscar Cypert and Ronnie Baker, who turned in a combined 67 score. Shooting 68 was the team of Dick Moore, Ed Jetton and Marion Waggoner, and Alvin Michalik, Gary Schur and Lupe Figueroa brought up the rear with an even par 70.

Interested golfers should watch the Courier for dates of other golf scrambles at the local club.

Longtime Munday Resident Honored On 90th Birthday

The family of Delia Wren Mullican gathered at the Munday Community Center on Sunday, August 30, to celebrate Mrs. Mullican's 90th birthday. Mrs. Mullican was born September 9, 1897, in Knox County and married Emory Harper Mullican March 29, 1914. She is the mother of six daughters and the grandmother of 14 grandchildren, 26 great-grandchildren and five great-great-grandchildren. Only four of her grandchildren and their families were unable to attend.

The center was festively decorated with yellow and white balloons and streamers, and vases of yellow roses and baby's breath centered the tables as a tribute to this family's special lady. The noon buffet luncheon began with the group singing "Happy Birthday" to the honoree, accompanied on the piano by Mrs. Mullican's sister, Mrs. Vesta Medlin of Bells, Tennessee.

After the meal, a surprise program was presented by various members of the family. Jerry Meers of Lubbock, a grandson, served as emcee, conducting the program in an animated manner and inserting witty remarks and remembrances of family fun times. Great-granddaughter Angela Meers read a poem about her grandmother that she

wrote at age 17. Norm Anderson, a family friend, and the honoree's youngest granddaughter, Kimi Moon, furnished the group with special songs and provided back-up music for Mrs. Mullican's daughter and granddaughter as they sang a medley of old tunes. Grandsons Bobby Cude and Jerry Meers also helped out with the entertainment with several songs which were popular while they were growing up.

During a period of reminiscing, the grandchildren and their families shared words of love and praise for their "Grannie," and at the request of all, Mrs. Mullican recited a poem she has known since childhood, "The Master Is Coming." Mrs. Medlin performed piano renditions of "Tennessee Waltz" and "God Be With You Till We Meet Again" as the group sang along.

After the program, ice cream and cake were enjoyed by the 51 family members and guests who attended from Wichita Falls, Lubbock, Red Springs, Throckmorton, Rule, Bells, Tennessee and Munday.

Mrs. Mullican's daughters, all of whom grew up, raised their families and still reside in Munday, are Pauline Morrow, Ruby Meers, Viola Cude, Dorothy Lee Howry, Louise Fruehwirth and Jo Nell Moon.

Mrs. Raynes And Friends Treated To Birthday Surprise

The Saturday afternoon sing-along at the Munday Nursing Center had an element of surprise last week. The fact that the sing-along fell on the birthday of Mrs. Eunice Raynes, pianist for the event, prompted her children to take advantage of the occasion to honor her before the entire group of senior citizens and nursing home residents.

While Mrs. Raynes was playing the piano, her son and daughter, Felton Raynes and Beth Duke, surprised her by entering the room singing "Happy Birthday" and pinned a corsage on her. Their spouses, Tommie (Yost) Raynes and Vernon Duke, were also present, as were Mrs. Raynes' grandson, Michael Tayntor, his wife, Sara, and their infant son, Wesley Michael. Other special guests were Mrs. Frankie Yost Ponder and Mrs. Faye Johnson.

Following the programmed events, the group adjourned to the dining room, where refreshments were served to the singers, other guests and all nursing home residents and staff present. Centering the serving table, which was covered with a red cloth, was a white basket holding an arrangement of red flowers and red balloons inscribed in white with "I Love You." The table also bore a white birthday cake decorated with red roses and green letters, as well as individual servings of cherry punch in white cups.

Mrs. Raynes declared that the party was the biggest surprise of her life and it made "another birthday" a very special occasion.

BIG COWS NOT ALWAYS EFFICIENT

Big cows may not be the most efficient producers in a beef cattle herd.

Although big cows generally produce the heaviest calves, their maintenance costs may outweigh the benefits of the extra pounds of beef, points out Dr. L.R. Sprott, beef cattle specialist with the Texas Agricultural Extension Service.

A recent demonstration in South Central Texas showed that cow maintenance costs need to be considered along with the age of cows in coming up with an efficient herd.

Some 200 Santa Gertrudis cows aged two to 12 years were used in the study. Both cow weights and calf weaning weights were recorded and compared between cows of different age and weight groups.

The heaviest cows (1201 to 1700 pounds) weaned the heaviest calves at an average of 552 pounds. Medium-weight cows (1000 to 1200 pounds) weaned calves that averaged 539 pounds while the smallest cows (less than 1000 pounds) weaned calves averaging 506 pounds.

These figures show that the medium-weight cows produced calves 33 pounds heavier than calves from the smallest cows but only 13 pounds lighter than calves from the heaviest cows. This indicates that the medium-weight cows out-performed the smallest cows and did almost as well as the heavy cows, notes Sprott.

Furthermore, the heavy cows required about 18 percent more energy and 13 percent more protein on a daily basis than did the medium-weight cows. This extra input yielded only 2 percent more beef in the form of the weaned calf.

Thus a cattleman must decide whether or not he wants to maintain a cow that needs that much extra input for such a meager increase in calf weaning weight, notes Sprott.

Records from the study also show that as cow age increased, calf weaning weight decreased. The youngest cows weaned calves at 548 pounds while the oldest ones weaned calves weighing only 517 pounds. This points out the importance of keeping younger cows and culling older ones, emphasized Sprott.

All in all, cattlemen should make good use of records in determining the weaning weights of calves from various classes of cows and should use this information to make management decisions to increase herd efficiency, says Sprott.

I CAN'T BELIEVE!!!

Some people say they can't believe in God because they simply have no faith. Yet there is no department of life in which faith does not play a prominent part.

When we ride on a plane, we have faith in the pilot. When we enter an operating room, we have faith in the surgeon. When we enter the restaurant, we have faith in the folks there that the food is good. When we come to a bridge, we have faith it

will hold us up. When we deposit our money in a bank, it is because we have faith in those who operate the bank.

Everywhere, and in all stages of life, we exercise faith in connection with temporal things. It is not surprising, therefore, that we find faith to be the activating power in spiritual matters.

See you next week, and remember: be content with what you have, but not with what you are.

Last week we began a look at life insurance, in particular, term insurance. This week we will deal with whole life insurance, endowment insurance and insurance hybrids.

DEFINING WHOLE LIFE INSURANCE

Whole life insurance provides protection over your life span without an increase in premiums as you age. Policies that provide protection throughout the lifespan are called permanent life insurance. This is in comparison to term insurance, which is temporary, providing coverage for a limited number of years. Whole life insurance has the lowest premium and the smallest cash value accumulation of the permanent type life insurance policies.

There are two basic kinds of whole life insurance: Straight life requires you to pay premiums during your entire life; with limited payment whole life, your policy is paid up in a specified number of years. Since whole life policies build a reserve, you can cash in your policy for a lump sum payment or borrow against it. However, it is important to remember that

borrowing from the cash value also reduces the death benefit by the amount borrowed.

Joint life and survivorship joint life insurance policies cover two or more persons. These policies can be term or whole life. Joint life pays on the death of the first insured person; survivorship joint life pays on the death of the second. Various family income policies provide monthly payments to the survivors of the insured.

DEFINING ENDOWMENT INSURANCE

Endowment insurance is an insured savings plan paying the face value of the policy at the end of a specified period, at which time insurance protection ends. The insured receives the face value in a lump sum or by monthly payments. Endowment policies are expensive, but if purchased at a young age, the cash value may exceed the total amount paid. This type of policy is sometimes used for an educational or retirement fund.

DEFINING INSURANCE HYBRIDS

This is the fourth and final part of our series on types of insurance. It describes "hybrid" policies that have elements of the term, whole life and endowment policies.

Insurance hybrids combine some of the characteristics of term and whole life insurance with other investment options. Universal life insurance combines a term insurance policy with the interest-earning savings account that is geared to current market rates.

The premiums go into a cash-value fund. The cost of the term insurance and fees to the company are deducted from this fund. The remainder of the premium earns interest at a variable rate that is often higher than the fixed rate paid by whole life insurance policies. Universal life policy holders receive yearly statements listing the interest rate they have earned, the amount that has accumulated in their policy, and fees they have been charged.

Annual premiums for universal life are not fixed. When money is tight, your premium payments can be taken out of the accumulated cash value. Withdrawals, as well as loans, can be made from the cash-value fund. Interest earned is tax exempt until the money is withdrawn.

A variable life insurance policy invests most of your premium payments into investment funds that you select. The death benefit and the cash value vary with your investment.

Quilt Donations Being Accepted

Members of St. Anne's Christian Mothers Society have made a red and white quilt in the "Feathered Star" pattern which is on display at Buds For You in Munday. The quilt will be presented on a donation basis at the annual Knights of Columbus sausage dinner to be held this fall.

Donations for the quilt may be made at Buds For You or to any member of the Mothers Society.

Local Woman's Kin Helps To Publish Church Cookbook

When the women of Midland's First Baptist Church published a cookbook, Becky Elliott, wife of activities minister Charles Elliott, contributed more than recipes. "I put the cookbook together," she said, in about eight days.

She has also helped compile a church history of the past ten years, and said she was learning to be very careful to keep history up to date. Her other church activities include hosting a backyard supper for senior citizens each year and teaching a senior adult Sunday school class.

Mrs. Elliott teaches seventh and eighth grade English and English as a second language at a Midland junior high school. The Elliotts have lived in Midland 20 years. Her husband is the son of Mrs. Evelyn Elliott of Munday.

Two recipes Mrs. Elliott contributed to the cookbook are Sweet and Sour Turkey Sausage, a favorite of the senior church ladies who visit her home on special occasions; and English Shepherd's Pie, Texas Style, which she learned to cook during a tour of England, Scotland, the Netherlands and Switzerland this summer. The Elliotts attend a conference in Grindelwald, Switzerland each summer.

Sweet and Sour Turkey Sausage

- 2 long German or Polish-style turkey sausages
- 1 10-ounce can condensed tomato soup
- ¼ cup grape jelly
- ¼ cup vinegar
- 1 tablespoon prepared mustard

Cut turkey sausage into bite-sized chunks. Place in warming dish. Heat all other ingredients until jelly melts. Pour over sausage and serve warm.

English Shepherd's Pie Texas Style

- 1 pound lean ground sirloin
- 2 tablespoons flour
- ½ to 1 cup milk
- 3 cups fluffy mashed potatoes
- 2 cups grated Cheddar cheese

Brown ground sirloin in small amount of oil in skillet. Stir in flour until it is browned. Add milk to make thin gravy. Pour into greased casserole dish. Spread mashed potatoes over meat; cover potatoes with grated cheese. Bake at 350 degrees for 20 minutes.

ANTHONY STINNETT, Mogul No. 30, left, and No. 21 Perry Collier seem to be in agreement here: Collier will take down Archer City Wildcat Andy Bowen and Stinnett will run the ball in for the score. Stinnett was the sparkplug for the 35-13 victory in Munday Friday

night, scoring on kickoff and punt returns and throwing a pass for another touchdown. In this shot Wildcat defenders are looking at what they saw most of in the game - Stinnett's back.

Area Grid Roundup

HASKELL WINS OVER ELECTRA

The Haskell Indians notched their first win of the year by a 34-13 margin over the Electra Tigers Friday night in Haskell. The Tigers, who will host Munday this week, are 1-1-1.

Haskell took the lead in the first quarter on an 85-yard scoring pass from Patrick Perez to Alberto Alvarez. Electra quickly tied things up on Luke Kimbro's pass to Jarrol Willett, but Derrick Bullington returned the kickoff to put Haskell back on top.

The Indians built their lead to three touchdowns in the second half. Alternating at quarterback, Chan Guess threw a 50-yard scoring strike to Billington in the second quarter, and Mark Young scored on runs of 13 and 3 yards.

Electra finally got on the board again late in the game on Leonard Leviston's 12-yard run.

PANTHERS CRUMBLE AT IOWA PARK

The Class 3-A Iowa Park Hawks upheld a long-standing tradition Friday night when they humbled the Seymour Panthers 50-0. The domination included 17 first downs to Seymour's 3 and 415 yards of offense, while holding the Panthers to 21 yards on the ground and 35 in the air.

The Hawks opened their scoring spree with a 38-yard field goal by Toby Brown in the first quarter and ended it with Andy Jacobi's 20-yard run in the final period. In between were scoring runs by Joel Galloway, Jim Cummings and Gary Tatum and touchdowns passes from Dan Fanning to Jerry Fleshner and Jeff Huff to Chad Fielding.

The Panthers are 1-2 for the season.

GREYHOUNDS BEAT PETROLIA

The Knox City Greyhounds, victims of what they seemed to think was an unfair loss to Munday last week, won their first game of the season Friday with a second-half surge to dump Petrolia 18-16. Billy Large scored the winning touchdown from two yards out with less than a minute to play in the game.

Petrolia led 16-0 at the half after second-quarter runs by Allen Richards and Scott Reaves. The Pirates opted for the two-point conversion after each touchdown, and passes from Reeves to Jody Hataska and Michael Evans were complete for the extra points.

But Knox City woke up in the second half. Anthony McCrary put the Hounds on the scoreboard with a 35-yard run in the third quarter, and Richie Saxton's 18-yard scoring

pass to Harvey Rocha in the final stanza left Knox City trailing by 4.

The Greyhounds then mounted their final drive, which was kept alive by a fourth-down 18-yard pass play from Large to McCrary, and Large scored the final touchdown to give Knox City the victory.

ALBANY BLITZES ASPERMONT

The Aspermont Hornets suffered a 50-8 shellacking by Albany in their third game of the season. The Lions are 2-0-1, while Aspermont dropped to 0-3.

Steven Hise paced the Lions with 103 yards on ten carries and three touchdowns. Guy Craig scored twice for Albany, and Junior Garcia, Joel Scott and Ronald Holson contributed one score each. Gary Vickers threw for two of the touchdowns.

Tyrone Johnson's two-yard plunge accounted for Aspermont's only score.

ROSCOE BLANKS CLASS AA RANKIN

The Roscoe Plowboys played ball control and geared up defensively to defeat previously unbeaten Rankin at home Friday. Both teams own season records of two wins and one loss.

Roscoe dominated the game with 13 first downs and 239 yards of offense, holding the Red Devils to only six first downs and 135 offensive yards. Sammy Herrera scored on a one-yard quarterback sneak in the second quarter, and the six points were enough for the Plowboys.

SPUR HOLDS ON TO NUDGE ROTAN

A two-point conversion attempt fell incomplete, and the Rotan Yellowhammers dropped a 13-12 game to Spur Friday. Rotan had one more chance to score, but a field goal try with 22 seconds left was spoiled by a fumbled snap.

The Yellowhammers scored first on a 22-yard run by Steve McClain, but Spur took a 7-6 lead later in the first quarter on Justin McCormack's pass to Shane Shobert. Pat Perry increased Spur's lead with a six-yard run. Then Rotan's Kenny Warren went in from five yards out to make the score 13-12 early in the fourth quarter. But the Hammers couldn't complete the extra point and Spur held on for the win.

Rotan had previously dedicated the game to the memory of sophomore Junior Almanza, who died of a heart attack after football practice last week.

BENJAMIN RUNS PAST WOODSON

Buster Redwine and Jeff Pierce paced the Benjamin Mustangs to a

62-30 six-man victory over Woodson in the area county seat. The Mustangs built up a four-touchdown lead in the first quarter before Woodson got on the scoreboard.

Redwine scored the first three Benjamin touchdowns on runs of 9, 26 and 8 yards and Jody Stone went in from the nine for the next score. Pierce passed to Phil Boone to begin the second quarter, and he and Stone teamed up for a pair of running scores. After Woodson's Potts ran for three second-half tallies, Pierce contributed the Mustangs' final score on a 40-yard run. He also kicked six extra points and ran for another in the lopsided victory.

Wildcats Shut Out Two Lueders Teams

The Goree Wildcats trounced Lueders-Avoca 45-0 Friday night for their second win of the season.

Scoring for the Wildcats were Spencer Dixon, who tallied on a 52-yard punt return and a 9-yard run; Lonnie Shahan on a 15-yard pass reception from Jimmy Castorena; Grady Weaver, who caught scoring passes of 16 and 5 yards from Castorena; and Jay Hutchens, who contributed a 26-yard run. Paul Lucio was good on four of five extra points, and quarterback Castorena completed six of eight passes for 122 yards and three touchdowns.

The Goree Junior High Kittens were also victorious by a 32-0 margin over Lueders. The win extends to eight the number of games in which the Kittens have been unbeaten and not scored upon.

Otis Dixon paced the team with touchdown runs of 48 and 32 yards and a 56-yard punt return. Sergio Mateos scored on a 42-yard pass reception from Kenneth Mitchell, and Leon Sanchez tallied on a 15-yard run.

The junior high team will host Woodson at 6 p.m. Thursday, and the Wildcats will play the Cowboys in Woodson at 7:30 p.m. Friday.

Goree coach Cliff Gilmore has announced that Goree will play the New Life Academy of Lubbock on Saturday, October 17, for their homecoming game. The Wildcats' original schedule listed a game with Weinert for that night, but since Weinert was forced to cancel their football season due to injuries, Goree had to secure another opponent.

Welch Competes In Softball Tournaments

Billy Welch, son of Mr. and Mrs. Roy Welch of Ennis and son-in-law of Mr. and Mrs. Spike Bryan, is a member of the softball team of the South Hills Baptist Church in Fort Worth which recently competed in the American Softball Association's Class A church national tournament during Labor Day weekend.

After winning the Fort Worth church league, the team competed in the Texas Amateur Athletic Federation's Class A state tournament in Bryan. South Hills finished fifth out of 15 teams from throughout the state. Shortly after the tournament, the team received an invitation to play in the national tournament, which was held in Gadsden, Alabama.

Seventy-one teams from all over the United States were entered in the tourney. After losing a close game to a team from Tennessee and a second contest to a Mobile, Alabama squad, South Hills returned home with the satisfaction of competing and of being only the second team in the history of Fort Worth slow-pitch softball to participate in this prestigious tournament.

Dealing With Temper Tantrums

(Editor's note: This article was presented by the Knox County Child Welfare Board in conjunction with the Active Parenting Training program to provide more educational programs to prevent as much child abuse and neglect as possible.)

When a child's emotions are out of control, she is not particularly open to constructive suggestions. Telling the child to knock it off right now is unlikely to have much effect, and spanking her in order to stop her temper tantrum is likely to upset her even more than she was in the first place.

One way to deal with a temper tantrum is to turn it over to the child. "I can see you're really upset," you can say to the child. "If you want to have a tantrum, go ahead. I'll just wait here until you feel better." If the child is using a tantrum as part of a power struggle, this approach will take her back. Since she can't use her temper to get back at her parent, she will have to think of something else.

Another approach is to comfort the child. "I know things are difficult," you can say. "I want you to know I love and support you."

If a child's temper tantrum starts to get destructive, you will have to intervene. "I can allow you to be upset," you can tell the child, "but I cannot allow you to do things that are going to damage yourself, your room, or another person."

Wait until the child has calmed down; then have a family talk. Sit down and talk about what created this conflict. Before dumping how you feel about the way the child acted, ask her how she feels. Then ask her how she intends to handle this problem the next time it arises.

It doesn't help to go over and over what a child did wrong. Once a person realizes she has made a mistake, it is time to move on toward what she is going to do next time. By asking her about future behavior, you convey to her your confidence that she is capable of doing what is right.

Ladycats Improve Volleyball Record

The Goree Lady Wildcats volleyball team, gaining more experience every week, brought home the consolation trophy from the Chillicothe tournament last weekend. The Knox City Houndettes, who defeated Goree in two games on September 15 and again in their first game of the tourney, won the event, defeating the host team.

After losing to the Knox City veterans in the first round, Goree came back to beat the Chillicothe and Knox City junior varsity teams for the consolation prize. "I was so proud of the team," said coach Greta Waldrip. "They really started picking up spikes and improving their serving, and they did a lot of good things in that last match. The girls really wanted to win."

The Ladycat junior varsity was victorious in Knox City last week, picking up a 13-15, 15-13 and 15-13 win in three very close games.

Gina Harris and Dolores Castorena were chosen for the All-Tournament team at Chillicothe, quite an accomplishment for players who are competing for the first year in district volleyball action.

The team played Lueders-Avoca on Tuesday of this week, and will travel to Weinert on September 29.

More Foster Parents Needed In County

Members of the Knox County Child Welfare Board met recently in Munday. The board welcomed Mr. and Mrs. Harvey Burt and Mr. and Mrs. Matt Harrington of Knox City to the foster parent program.

The E.O. Reeds of Gilliland have been one of few foster parenting sources in the area for some time. The board discussed the great need for more foster parents and discussed the gratitude deserved by those who have taken on this responsibility.

The board received many memorial gifts this summer, which were greatly appreciated. These gifts are made in memory of a loved one by a friend or relative and help those who sometimes cannot help themselves. County residents are urged to keep this means of giving in mind.

The board's major fund-raiser will begin in late November when the Christmas gift program gets underway. The list for receiving gifts from the welfare board gets larger every year, as the economy remains strained in this area and more and more people become aware of the Child Welfare Board services.

Through educational programs, the board hopes to prevent as much child abuse and neglect as possible. When such tragedies do occur, board members are available to help meet the needs of the child and his or her family.

★ MUNDAY NURSING CENTER NEWS ★

By Nancy Cypert

Eula Mae Parks and Elaine Gulley came and called bingo for the residents. Each player received a prize. Thanks to these ladies for sharing with us.

Visiting Homer Lambeth were Gladys Lambeth of Goree and Mr. and Mrs. Billy Lambeth, Joe and Anna, of Lubbock.

Linda Beth Jackson came for arts and crafts with the residents. They painted a welcome plaque for the living room and are so proud of it. They also painted some flowers and ducks to sit around. The residents did a great job and want to thank Linda Beth for all her help. And for the cookies, too!

Dr. Newton Neufeld of Knox City visited his parents, Emmanuel and Ruth Neufeld.

Dr. Moylette and Geneva Penantz came and called bingo for the residents. They each received a prize of their choice. The residents had a good time and want to thank these ladies.

Margaret Pool and Fannie Seale of Beaumont visited their brother, Tom Black. We all enjoy seeing Margaret and Fannie on their yearly

visit.

We invited residents from Throckmorton Nursing Center to come and play bingo and eat lunch with us. Everyone had a really good time. I would like to thank Almada Blair for helping me with this.

Alice McNeill came Monday afternoon and assisted with the popcorn party. Thanks to Alice for her help.

Ann Van Deventer of Baytown visited friends in the home last week.

Helen Patterson and Anita Hosea came and called bingo for the residents. Each player received a prize and had a good time. Thanks to Helen and Nita for sharing with the residents.

Red West of Red Springs and Johnny and Rose Davis of Seymour visited Ruby E. West this week.

Ray Hunter came Wednesday morning and held devotional with the residents. We all enjoy this time with Ray each week and really appreciate his coming. And thanks to all the church members who accompany him.

Veta Alexander of Weinert visited her mother, Lillie Parker.

The ladies from the Gillespie Baptist Church were hostesses for the September birthday party last Wednesday afternoon. The residents were served delicious cake and punch and really enjoyed the singing. Thanks to these ladies for sharing with our residents.

Mr. and Mrs. Charles Atkinson of Goree and Jerry Atkinson of Haskell visited Lock Atkinson.

Valera Hertel and Mary Hertel came Thursday afternoon and called bingo for the residents. Each player received a prize of their choice. Our thanks to these ladies.

Visiting Mary Johnson were Mrs. Tim Hunter, Ky and Lindsay, Wanna Hunter and Tammy Hunter, all of Iowa Park, Joe and Maurine Stevens of Clyde, Iola Hudson and Mona Cook of Knox City, Laura Moylette and Linda Synder of Wichita Falls and Bernice Ragland of Graham.

Residents enjoyed their monthly

outing to the Dairy Queen for lunch Friday. We all have a good time. The residents enjoy visiting the other people who are eating out. Thanks to Shirley Welch and her crew for being so nice, and to Dean Feemster and Joyce Hardin for helping me.

Howard and Ruby Myers and Marie Burns came Friday afternoon for Bible study. Residents look forward to this each week. Many thanks to Howard, Ruby and Marie.

The Senior Citizens came Saturday afternoon for a sing-along. During the singing, Eunice Raynes was surprised with a birthday party by her children. The residents enjoyed being included in this.

The congregation of St. Joseph's Catholic Church held church services Sunday afternoon for the residents. Our thanks to Father Bob and the church members for coming and sharing.

The residents have collected several donations for their project of raising money for the Munday volunteer firemen. If you would like to donate, you still have time! We will present this money to the firemen in October.

Melton Services Held Here Saturday

Dewey Andrew Melton, 89, a longtime Knox County resident, died Thursday, September 17, in the Seymour Hospital. Services were at 2 p.m. Saturday, September 19, at the First Baptist Church in Munday with Dr. Pete Bradfield, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

He was born September 20, 1897, in Parker County and moved to Knox County in 1925. He married Bertha Humphries February 8, 1930, in Walters, Oklahoma, and she preceded him in death in June, 1984. A retired farmer, he was a member of the First Baptist Church.

Survivors include a son, Edward Melton of Abilene; two brothers, Raymond of Peaster and Leslie of Poolville; a sister, Opal Plantier of Tucumcari, N.M.; three grandsons, Wayne, Johnny and Andrew Melton; and a great-grandson, Brandon Melton.

Pallbearers were James Smith, Howard Thompson, Lee Roy Leflar, Jimmie Cooke, Ronnie Phillips and Austin Tomlinson Jr.

THE NEW HOME of Ray and Tracee Herring on Eden Street almost takes on a fairy-tale appearance with its gingerbread trim, but it's a cinch that no elves or gremlins did the work needed to get the yard looking this nice. Flowers now replace the wooden ones Tracee first used to spruce up her yard, and other plants and trees create a neat, pleasant atmosphere in this Munday Garden Club Yard of the Week.

Former Resident Buried Here Friday

Willie S. Campbell, 94, died Sunday, September 13, at her home in Lubbock. Graveside services were at 2 p.m. Friday, September 18, at Johnson Memorial Cemetery in Munday with Rev. James Patterson of Knox City officiating. A memorial service was held at 2:30 p.m. Saturday, September 19, at the First Presbyterian Church in Lubbock.

She was born in Parker County and married William Campbell February 19, 1919, in Munday. He died in 1965, and she was also preceded in death by two brothers, John and Oscar Spann. She was a

member of the Order of the Eastern Star.

Survivors include one daughter, Marjorie Vlasman of Austin; one brother, George Spann of Abilene; one sister, Kate Donnell of Azle; and two grandchildren.

Among family members attending her graveside services were Mr. and Mrs. Andy Vlasman and Leslie, Austin; Mrs. Kate Donnell, Naoma and Ford Harrell, Azle; Mr. and Mrs. George Spann, Ennis; O.H. Spann, Irving; Mrs. Frances Lee, Wichita Falls; Mae Murphy, Dickens; and Mr. and Mrs. George Spann, Abilene.

THE BIGGEST HITTER

Newspapers Reach Every Audience

In case your subscription lapsed, "going out to get a paper from the stand" isn't as difficult as you may think. That's because the local newspaper (and all of its shopping news) is now available in just about every neighborhood.

- 89% have single copy sales available right in the local neighborhood, or at the nearby store.
- 84% of the single copy buyers take the paper home for the entire family to read.
- All age and income brackets read the paper. Those in the higher income brackets (over \$35,000) are all likely to be newspaper subscribers.

(SOURCE: Newspaper Advertising Bureau - New York)

While it's more convenient to subscribe to a newspaper in advance, still newspapers today are available in every neighborhood. This makes it easy to read the news... and run to the stores and take advantage of all of the ad specials, too... even when your subscription temporarily lapses

LEONARD AND CAROLYN WELCH are the new owners of Leonard's Fina in Munday, formerly Collins Fina and more recently Haynie's Fina. The Welch's have been running the station for several weeks now. The couple, who have lived in Munday for a number of years, hated to see a Munday business close, so they bought the station as their first venture into this type of work. Welch said he plans to leave his farming interest in Gilliland to his brother-in-law so he can devote full time to the station, and Mrs. Welch will be there often to keep books and run errands.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Mr. and Mrs. Harlan Boone of Jacksboro visited Mr. and Mrs. Dalton Gore Monday and attended graveside memorial services and burial of their friend, Claude Funderburk of Lubbock, who had passed away in a Lubbock hospital. Claude, 70, is survived by his wife, the former Rachel Wiggins and two children. Claude and Rachel both grew up in the Vera community.

Mrs. Henry Patterson spent the past two weeks in the home of a daughter, Mr. and Mrs. Bobby Thornhill, in Seymour. This week she is visiting with another daughter, Mrs. Reba Nix, in Munday.

Mr. and Mrs. Claudell Bratcher were in Bowie Sunday to help her mother, Mrs. Ruth Ellis, celebrate her 96th birthday. Other Ellis children present for the occasion were Mrs. Edith Blanton, Mrs. Flo Bratcher of Bowie and Mr. and Mrs. Clay Ellis.

Mrs. Joardis Kinnibrugh remains a patient in the Seymour Hospital. Visiting her and Orville have been

their daughter, Mrs. Betty Jo Schwend, and her three children of Ft. Worth.

Mr. and Mrs. Carl Coulston entertained with a dinner and forty-two party in their home Thursday evening. Present were Mr. and Mrs. Armon Smith, Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. George McKinney, Mr. and Mrs. Claudell Bratcher and guests, Mr. and Mrs. Quel Hughes and Mr. and Mrs. Delbert Montgomery of Seymour.

Jim Kinnibrugh is now a patient in General Hospital in Wichita Falls.

Mrs. Loran Patterson visited in the home of her sister, Mr. and Mrs. Glen Crawford in Munday Thursday and Friday.

The American flag which was presented to the Vera Community Center during homecoming activities was donated by Mr. and Mrs. Loran Holland of Burkburnett, and had flown over the Capitol building in Washington D.C. The Texas flag was presented by the VFW Post 7871 of Seymour.

The cool front that moved into our area made the climate more pleasant and enjoyable, and the felt hats looked more "seasonable."

It caused us to realize we are nearing the Winter of "87" - predicted to be a harsh one. If a heavy mesquite bean crop is a sign, and the activity not stopping in the ant hills during the noon hours - another old-timer's sign - then we should get ready for a cold one. I think "fall has fallen."

The Foursquare Church enjoyed a day of fellowship on Sunday with a bountiful and delicious noon meal being shared after the morning services.

Paul Chambers, pastor, was honored to have his parents as special guests. They live in Donna. Mr. and Mrs. T.W. Barton of Rochester, parents of Mrs. Paul Chambers, were also special guests for the day.

The Church of Christ reports very good attendance for their lecture-ship with area preachers as guest speakers.

Steve Willis of Rochester spoke Sunday night, and many of his church members came to support him.

W.E. Burkham of Knox City was guest speaker on Monday night. Many guests from the area around Weinert came to enjoy the fine lessons and fellowship.

The local members served coffee, punch and cookies for an hour of fellowship following Sunday night services, and home-made ice cream was the fare following Monday night services.

The meeting concludes Wednesday night.

Our newest resident is little Miss Lindsey Bre Anne Pannell, infant daughter of Landon and Tammi Pannell.

Lindsey joined a very active family, as her mother is a full-time senior student at Haskell High School and commutes each day. Her father has recently accepted a job with Soil and Water Conservation Services, and works on the farm in his "spare time."

Our congratulations to the family, and welcome, Lindsey, to Weinert.

Mary Robertson of Slaton has returned to her home after spending a week visiting her late husband's sisters, Pearl Alexander, Mr. and Mrs. J.T. Alexander, and Alice Andrews of Haskell. Alice went home with her to spend a few days in Slaton.

Mr. and Mrs. B.J. Robertson had their son, Jeff, home for the week-

end, but Jeff's wife was unable to come because of her job.

J.T. and Florence Alexander had both their children home recently. Charlene and Bill Harlan of Houston, and their son, Mr. and Mrs. Wade Harlan of Giddings, and J.W. Alexander of McKinney visited here.

The Alexanders were not physically able to attend the recent wedding of their granddaughter in Houston, when Tessie Harlan became Mrs. Chet Rogers, but they are enjoying the photographs made of the wedding.

Alton Sanders was honored on his birthday when his brothers and sister took him out for lunch at the Shamrock Cafe in Munday.

Beside the birthday "boy" those in attendance were his wife Mildred, brothers Eddie and Myrnie, R.S. and Betty Sanders, and his sister, Myrtle and Marvin Phemister.

Mr. and Mrs. D.I. Whie were in Ft. Worth last weekend to visit their daughter, Sue and Jimmy Hackney, Todd and Talinda. While there they attended the annual Tarrant County gather of Churches of Christ held at the Convention Center in Ft. Worth.

Mrs. Bailey Guess has returned from a visit in Ft. Worth in the home of her son-in-law, Hale Alderman, and granddaughters Dana and Cindy.

On September 13, she was honored to be present for the renewal of wedding vows between Cindy and Mitch Murrell. They chose their grandparents anniversary date for the ceremony, a very small, intimate home wedding with only family and close friends in attendance. We extend congratula-

tions. John and Laverne Mayfield were in DeSoto for the first birthday of their granddaughter, Adrienne Wyn Rimmer, which turned out to be a mini family reunion, with Arch and Edy Lou Mayfield coming from Plainview and Evelyn and Tom Ricketts coming from Dallas.

Mrs. Faye Jetton, Mrs. Laverne Mayfield and Mrs. Mabel Overton of Paint Creek are attending the State Home Extension Clubs Convention in Ft. Worth this week.

Mr. and Mrs. Toby Yates were honored on their 40th wedding anniversary on Sunday when their three children and five grandchildren took them to the Cliffhouse in Stamford for a luncheon.

Their children are Mary and Ed Murphy, Shanna and Lane, and Caron and Joe Yates, Jace, Dusty and T.J., of Weinert, and Linda and Ricky Wade of Abilene. Congratulations!

Congratulations are in order for Melvin and Wanda Vojkufka and Hugh and Bea Miller who will celebrate wedding anniversaries on Sunday.

Happy Birthday wishes to

Georgia Turnbow, Wanda Hester, Peggy Adams and Tiffany Loving.

H.L. Guess is recuperating from surgery that he underwent at the Stamford Hospital last week.

Our other ill are doing well at this time.

Imo and Pete Brockett and family helped Imo's mother, Florence Haynes of Munday, celebrate her 83rd birthday with a luncheon party held at Seymour on Sunday.

The Weinert Baptist R.A.'s are working on a paper drive, and have changed their pickup day to each Tuesday afternoon. For details call Debbie Crump.

The Weinert Senior class will sponsor a barbecue dinner Sunday, September 27 from 11:30-2:00 p.m. at the Weinert High School Cafeteria.

Adult tickets will be \$5 and \$3 for children under 12.

Menu consists of barbecue brisket, sausage, beans, potato salad and cole slaw. Senior students will make deliveries to shut-ins.

The first electric shavers went on sale in 1931.

Truscott Man Dies At Home Thursday

Marion Chowning, 66, a lifetime Truscott resident, died Thursday, September 17, at his home. Services were at 3 p.m. Sunday, September 20, at the First Baptist Church in Benjamin with Rev. K.E. Woolley, retired pastor, officiating. Burial was in the Truscott Cemetery under the direction of Smith Funeral Home of Knox City.

He was born December 19, 1920 in Truscott. A Coast Guard veteran, he attended the Baptist Church.

Survivors include his mother, Idoma Chowning of Knox City; two sons, Douglass of Lubbock and Carroll of Odessa; a daughter, Sandra Stickler of Fountain, Colo.; a sister, Helen Whitaker of Tahoka; and seven grandchildren.

LOCAL

Mr. and Mrs. Norris Morgan of Ft. Worth visited his mother, Lala Morgan, and her parents, Mr. and Mrs. Joe Morrow and Susan, Friday night. Norris accompanied his mother to the ballgame that evening and the three visited Ursel and Nolan Phillips, Gerald Morgan and Mr. and Mrs. Melton Morgan and Christy. The Morgans returned home Saturday afternoon.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

As sad as it is, with the loss of a loved one, life does go on for those who live. That's why I'm attempting to write a short column this week and hope I can get back into it regularly and fairly thoroughly right away.

I would like to say however, that if you are reading this column and have not received a thank you card from the girls and me, please accept this as our personal thank you. The many calls, flowers, memorials, and cards, all the food brought to our homes, the meal at the community center and each and every other act of kindness and your prayers, are greatly appreciated. We couldn't get by without our friends.

SCHOOL NEWS
Well, school 1987-88 is underway. And the ballgames have already begun. The high school team has been victorious each week. Junior high boys played Patton Springs Thursday night and although they didn't bring home a victory, I understand they played pretty well and will be ready for their next challenge. And I bet they do good!

The PTO picnic was held last week and the Halloween Carnival committees were announced. The carnival will be Saturday, October 31, 1987 at 6:30 p.m. in the gym.

Committees are as follows:
Door - Barbara Pierce, Derinda Simmons, Judy Conner.
Bingo - Mark and Tammy Collins, chairmen; Randy and Dorothy Hibdon, co-chairmen; Roger and Betty Bohannon, Freddy and LaNay Cash, James and Cheryl Tomlinson, Kenneth Carroll.
Cake Walk - Pam Duke, chairman; Judie Whitten, co-chairman; Reyes Barrientez, Charlotte McNitt, Julia Trepanier, Olita Stone, Donna Westmoreland, Mrs. Estrada.

Food Booth - Trena Patterson, chairman; Jody Kimmell, co-chairman; Susanne Russell, Mary Tom Bohannon, Linda Parker, Ruth Redder, Belle Grill, Jan Rolston, Susan Carver, Charolette Welch, Janet Conner.

Coronation and decoration - Kathy Waldron, chairman; Pam Conner, co-chairman; Gay Neil, Carol Dickson, Susan Jones, Patty Bufkin, Alma Jean Boone.
Don't forget to be sure to respond with a donation (if you are approached) to any of these booths. Remember when our kids were in school and how we all depended on

W.G.'s Party At Griffith Home

The September party of the W.G. club was held Saturday, September 19, in the home of Ruth Griffith.

Salads and desserts were enjoyed, followed by a gift exchange and revealing of secret pals. Viola Cude led the group in a devotional. Birthday wishes were extended to Elaine Gulley, and the rest of the evening was spent playing games.

Attending were Dorothy Putnam, Viola Cude, Elaine Gulley, Alta Bowden, Pauline Morrow, Juanita Massey, Allene Beaty, Frankie Ponder and the hostess, Ruth Griffith.

others! It takes us all to make this type thing successful.

And also, the Benjamin Volunteer Fire Department is again rigging up a spook house. That ought to be fun and the money goes to a good cause. Will let you know later when the house will be open - dates, times, etc.

HERE AND THERE
Randy, Dorothy, Chrystal and A.R. Hibdon spent the weekend with his mom near Hobart, Okla.

Jack Waldron Sr. returned to his home in Ft. Worth recently after several days visit with his sons and their families, the Jackie Waldrons and the Pete Waldrons.

Bud, Debbie and Michael Clower spent the weekend with her mother in Winters.

Imagean Young and DeeAnn Lamb were in Wichita Falls last Friday on business.
