Pre-Homecoming Activities

The Munday High School Homecoming is planned for Saturday, October 12. To help prepare for the festivities, a variety of "pre-homecoming" activities are in the works. The following list just might help you keep up with what YOU need to be doing to make this year's homecoming the best ever!

SPARKLE CLEAN-UP DAY

Wouldn't it be nice to welcome Munday exes home to a sparkling clean community?! With your help, that can happen!

Saturday, September 21, has been designated Sparkle Clean-Up Day in Munday. On that day, trucks will be available on the west parking lot of City Hall to accept your trash, with the exception of batteries and tires. A recycling truck will also be parked at City Hall. All proceeds from aluminum cans, etc. will be donated to the "Cans for Kids" group who are raising funds to renovate the City Park.

Now's the perfect time to clean out your garage, attic, spare bedroom or storeroom. Let's all work together to make Munday "sparkle".

MUMS FOR MOM

The Munday Cheerleaders are selling homecoming mums and other spirit-related items such as garters, spirit sticks and friendship bracelets. The items will be made by Buds For You, but can be ordered at the high school. Order forms are available now at the high school principal's office. Samples may be seen in the display case in front of the homemaking department.

Orders will be taken now through Friday, September 27, at the school. Payment will be due upon receipt. Stop by the high school and order your mum today!

WINDOW DECORATING CONTEST

Local merchants are encouraged to join in the fun of homecoming with a window decorating contest. This, along with the purple and gold mums, will really impress all those out-of-town visitors on Homecoming Weekend.

There is no cost to enter, so let your imagination run wild! Wonder who will have the most impressive window display this time?

For more information, contact committee chairman Sandy King.

HOMECOMING PARADE

The Homecoming Parade will be an exciting event for the entire family! Everyone is encouraged to participate, with a float, a bicycle, tractor...you name it! Cash prizes of \$100, \$75, and \$50 will be awarded for the top three places. There is no cost to enter.

Get your float started today and leave the last minute details for your out-of-town classmates to help with...they'll love it! The biggest reward will be the fun and fellowship of reunited friends!

For more information, contact Annelle Welch or Cherie Hutchinson.

Local Businesses Challenged To Ride

Local businesses are being challenged to ride...in the Homecoming Parade, that is!

The First National Bank and Imaginations Book and Gift Shop challenge all other local busi-

nesses to participate in the parade. The "weapon" is merchants' choice...float, automobile, truck, tractor, etc.

Don't be square...take the dare!

Moguls Fall To Holliday, 6-0 In Torrential Downpour

The Munday Moguls were shut out Friday night by Holliday, 6-0, in the midst of a torrential rain storm.

Munday was unable to generate any offense at all. The soggy Moguls had only three first downs and 39 yards rushing, while completing two of five passes for 29 yards.

Holliday's strong defense kept Munday in the hole the entire game. Only once did the Moguls cross the 50-yard line. They advanced to the Holliday 36 as Mike Bunton completed two passes for 9 and 20 yards to Bobby Dockins.

The Moguls had the ball four times before picking up a first down late in the second quarter after Daniel Serrato recovered a Holliday fumble. From the 18-yard line Munday drove to their 47, but the rain-slick pigskin got away from them once more, with Holliday recovering the fumble.

This led to the only score of the game, as the Eagles traveled down field in 11 plays for a six-yard TD pass with 12 seconds remaining before halftime.

The second half was a repeat of the first...with even more rain. Several scoring opportunities were set up by Holliday, but all fell through. After driving 56 yards in 17 plays, the Eagles attempt for a 34-yard field goal fell short, leaving the score at 6-0.

The downpour of rain may have had a lot to do with the nine fumbles recorded during the game, four for Munday and five for Holliday. The Eagles also lost yardage to penalties, receiving twelve for 100 yards to Munday's five for 30 yards.

The Moguls will rally to host the Stamford Bulldogs this Friday night at 8:00 p.m.

COACHES COMMENTS

We played real well last Friday night, even though we lost. In fact, I thought we played better overall than we did against Haskell. Offensively, we came off the ball well, but we couldn't get their secondary off us because we couldn't pass or option very well in the rain.

We must improve our passing and option game to keep the defense honest for our power attack

to be successful.

Defensively, we improved on attacking blockers, but we still are not keying properly at a lot of positions. Holliday is a grind-it-out team, and that's what they did. Our secondary played well, but we got picked on the touchdown right before the half. We must overcome our inexperience and learn to fight through picks on the goal line.

Stamford is a big, fast team and we must regroup and play with a lot of enthusiasm.

Harvest Fest Set For October 19

The First United Methodist Church of Munday will host their annual Harvest Fest on Saturday, October 19.

Featured events include a delicious dinner, a country store with arts and crafts and an auction. A beautiful quilt, handmade by Nettie Partridge, will also be given away.

Mark your calendar now for this special event!

Memorabilia Needed From World War II

The Knox County Historical Commission is currently seeking donations or loans of memorabilia for an exhibit to commemorate the 50th anniversary of World War II.

The Knox County Courthouse is presently housing exhibits until permanent facilities are available. Each item in the World War II collection will be catalogued and all loaned items will be returned to the rightful owner at the conclusion of the exhibit. The opening date of the display will be announced at a later date.

If you would like to donate or loan any World War II memorabilia, contact the Munday or Knox City Chamber of Commerce offices or Mrs. Clara Brown in Truscott by Wednesday, October 23.

Health Screening Clinic Scheduled For Sept. 30

A health screening clinic will be conducted Monday, September 30, from 9:00 a.m. to 3:00 p.m. at Smith Drug.

At that time, blood pressures will be checked free of charge. There will be a \$5 fee for testing cholesterol levels and a \$2 fee for testing blood sugar.

This is a community service sponsored by Mediplex Home Health.

Whiteside Named Police Chief At September Council Meeting

(Following are the minutes of the September 10 meeting of the Munday City Council.)

The City Council of the City of Munday met this date in regular session at Munday City Hall at 7:00 p.m.

All members present. Mayor Richard Albus called the meeting to order. Minutes of the August 13th regular and August 19th special meetings were read. Matthews made a motion to approve the minutes as read. Seconded by Tidwell. Motion carried.

The Police report was given by Officer Whiteside. Ambulance and Municipal Court reports were reviewed.

Von Marr had requested to be on the agenda, but did not come to the meeting.

September 17-23 has been designated as "Constitution Week" by Congress.

Final probationary review of Officer Whiteside was the next item of business. Motion by Matthews to grant full employment status to Whiteside and to appoint him as Chief of Police and Fire Marshall. Seconded by Oustad. All in favor.

Motion by Matthews to purchase additional pagers and tone reeds for use when a pager is being repaired. Seconded by

Tidwell. All in favor.

Motion by Andrade to pay bills as follows: Operating \$15,793.53. Seconded by Matthews. Motion carried.

Motion to adjourn by Oustad. Seconded by Matthews. All in favor.

Meeting adjourned.

Bass Tournament Draws Nearer!

All you fishermen had better be getting in some practice...the Two-Man Team Open Bass Tournament is only one week away!

The tournament, sponsored by the Munday Volunteer Fire Department will be Sunday, September 29, from 7:00 a.m. to 3:00 p.m. at Miller Creek Reservoir.

Great prizes are in store, including \$100 for the biggest fish weighed in before 10:00 a.m. Cash prizes will also be given for first through fifth places for the biggest total weight of a five-fish stringer.

Registration fee is \$60 per team. Participants may register at the boat ramp parking lot from 12 noon to 8:00 p.m. on Saturday, September 28, or from 5:00-8:00 a.m. on the day of the tournament.

So, practice your trolling and casting folks...don't let that big one get away!

MHS JOURNALISM CLASS MEMBERS Kammi Haynie, Phillip Bowen and Ronnie Whitfield interviewed Ron Patella, foreign exchange student from Germany.

MHS Welcomes Exchange Student

By MHS Journalism Class
Phillip Bowen, Kammi Haynie and Ronnie Whitfield

Ron Patella, 16, of Germany, is currently involved in a foreign exchange program and is going to school at MHS.

Ron is from Rheine, Germany, which has a population of 70,000. His father runs an advertising agency, while his mother sells supplies for interior decorating. He will be staying with Reinhart and Reba Redder in Munday.

At MHS, Ron is taking chemistry, English III, government, football, pre-calculus, accounting, and world history. In Germany, he was taking twelve classes from 7:45 a.m. to 1:05 p.m., rotating with six classes every other day. He was involved in chemistry, two subjects of biology, two subjects of history, English, German, Latin, physics, physical education, politics and music. Ron has studied English for 3 1/2 years.

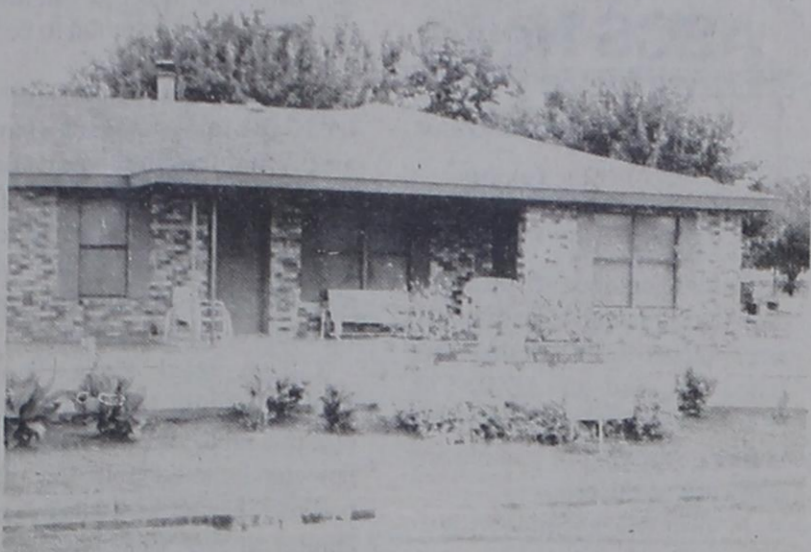

After his stay in the United States, which is only a semester, Ron will go back to Germany and attend two more years of school. Then he will serve in the army for one year. After that, he plans to go to a college or university in Amsterdam or Germany to pursue a career in advertising.

Back in Germany, Ron has one brother. Until school began this semester, Ron had never been in the United States.

On the weekends, Ron will fit in great. He likes to go out with his friends and have fun. Some of his hobbies are to listen to rock music, snow ski, and go to the disco.

Although the German unification has not greatly affected Ron, he thinks the unification is a good thing for Germany.

The students at MHS welcome Ron into our school and want to make his stay in Munday a pleasant one.

Bloodmobile Has A Favorable Turnout

The blood drive held last Monday, September 16, at the Church of Christ fellowship hall by the American Red Cross Bloodmobile had a very favorable turnout. Fifty-four donors participated, with 50 productive units of blood being accepted.

Due to the cancellation of two previously scheduled Bloodmobile visits, this was the first drive in Munday since January of this year.

It takes a host of volunteers to organize the local blood drive and each of them is truly appreciated for their dedication and effort. Among those donating their time to Monday's drive were James Merrill of the Munday Volunteer Fire Department, who helped with loading and unloading the Red Cross truck; W.O. Smith, publicity chairman, who got the word out to the public through posters, post cards and advertising; Ruth Griffith, Eula Mae Parks and Susan Gulley, who worked as telecallers calling regular donors to remind them of the drive; and Janie Hendrix of the Ladies Auxiliary of the Munday Volunteer Fire Department, who organized the canteen.

Brenda Smith, Bloodmobile Coordinator, said, "Munday is complimented everytime by the Wichita Falls Bloodmobile crew for providing the best canteen in the area."

Those who donated food include: Mozelle Smith, Nell Sloan, Ann Therwhanger, Jeannie Haynie, Ronnie Cude, Melissa Myers, Kathy Hunter, Janet Yates, Debbie Rueffer, Mrs. Joe Lowe, Mrs. Jerry Lowe, Jo Nell Moon, Brenda Shawver, Cindy Thompson and Jinx Burnison.

Other Bloodmobile volunteers were Winters Matthews, Joye Baker, Wilma Hogan, Elaine Gulley, Marie Smith, Almeda Blair and Ida Oustad. June Blake and Lois Beaty were professional volunteers.

Mrs. Smith would like to acknowledge the Church of Christ people for so graciously donating the use of their facilities and helping make the Bloodmobile a success.

Monica Brockett was a first-time donor at the blood drive. A complete list of donors was not available at press time, but all are greatly appreciated for giving the gift of life. Without you, there would be no blood drive.

VERA NEWS

By Mrs. Thelma Coulston

Mrs. Bertha Faye McKinney returned home Tuesday from a visit with her sister, Mr. and Mrs. E.K. Koelder in Plainview, and Mrs. Foy Lewis in Hale Center. She was accompanied by a grandson, Vance Long, who was returning home after a ten day visit with her.

Mrs. Aleitha Beck was in Munday on Tuesday night to watch her grandson, Gregory Marek, play in the 7th grade football game. Saturday she attended the softball game in which her two other Marek grandsons, Christopher and Jason, played. The boys are students in the Holliday school system.

Mrs. Violet Patterson is a patient in Hendrick Medical Center in Abilene. She was admitted Wednesday with severe back pains and at this time surgery is being considered. Violet's address is 7th floor, Hendrick Medical Center, Abilene, TX 79604 and her room phone number is 915-670-7720.

Mrs. Bill Townsend is home following her dismissal from the hospital in Wichita Falls. Visiting the Townsends during the weekend was a granddaughter, Carla Crawford of Lubbock.

Paul and Teresa Weiss, Duward and Wanda Richards, Wayne and Jane Sutton and Ruben and Lera Richards of Seymour enjoyed a short visit in their travel trailers to the Weiss's ranch near Davis, Oklahoma, a few days last week. All returned home Friday except the Duward Richards. They are spending a few days at Bay Landing and visiting his mother, Mrs. Blondie Richards, and Reese in Springtown.

LEON JOHNSON (left) was congratulated on his retirement by Gary Mizer, resident engineer, at a party held in Johnson's honor.

Johnson Retires From Highway Department

Phillip L. "Leon" Johnson of Munday was honored with a retirement party at 2:00 p.m. Wednesday, September 11, at the Munday office of the Texas Department of Transportation.

Johnson served 37 years and two months with the highway department. He began his employment July 1, 1954.

Leon was presented a retirement gift of a money tree from fellow employees throughout District 25.

Guests at the party were treated to homemade ice cream and cookies.

Among those present to say a few words about Leon were Vance L. Castleberry, district engineer; James G. Freeman, construction engineer; Terry L. Keeener, maintenance engineer; Daniel E. Brown, Wellington resident engineer; Joe Hall, Shamrock roadway maintenance supervisor; Gary Mizer, Munday resident engineer; Lee Bruce, Munday

roadway maintenance supervisor, and Brice Lindsey, Dickens roadway maintenance supervisor, and a host of friends and well-wishers.

Look Who's Here!

Phil and Sharla Riggs of Pilot Point are proud to announce the arrival of their son, Matthew Neal, who was born Wednesday, September 11, 1991 at Denton Community Hospital. Matthew tipped the scales at 9 pounds, 8 ounces, and measured 21 inches long.

His big sister, 3 year old Randi Jo, is so proud of him, and is a big help to her mom and dad.

Ready to spoil him are his grandparents, Spike and Sue Bryan of Munday and John and Merline Riggs of Bayfield, Colorado, as well as his great-grandparents, Cotton and Marie Smith of Munday.

Thank You!

While in the hospital and since returning home, we have received many messages expressing love and prayers for us. Thank you, dear friends, for your concern.

We are so grateful to the Munday Ambulance Service. Our community is indeed fortunate to have these professional people when an emergency occurs.

God bless each of you.

Notice of Effective Tax Rate

1991 Property Tax Rates in Goree Independent School District

This notice concerns 1991 property tax rates for Goree I.S.D. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 174,419.92
Last year's debt taxes	\$ -0-
Last year's total taxes	\$ 174,419.92
Last year's tax base	\$ 11,627,995
Last year's total tax rate	\$ 1.50 / \$100

This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 174,064.58
+ This year's adjusted tax base (after subtracting value of new property)	\$ 11,694,113
= This year's effective tax rate	\$ 1.4885 / \$100
x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$ 1.5332 / \$100

This year's rollback tax rate:	
Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$ 174,064.58
+ This year's adjusted tax base	\$ 11,694,113
= This year's effective operating rate	\$ 1.4885 / \$100
- .72 for school district (or zero)	\$.7685
x 1.08 (or add \$.08 for schools) = this year's maximum operating rate	\$.8485 / \$100
+ This year's debt rate	\$ -0- / \$100

This year's rollback rate before adjustment	\$.8485 / \$100
Rate to Recoup lost revenue	\$ -0- / \$100
Adjusted rollback rate	\$.8485 / \$100
This year's rollback rate	\$.8485 / \$100

SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the current fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
Maintenance & Operation	\$167,000

SCHEDULE B: 1991 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
---------------------	--	---------------------	--------------------------	---------------

This taxing unit does not collect a debt service tax

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at Knox County Appraisal District.

Large Crowd Attends 11th Vera Homecoming

by Thelma Coulston

As local folks were putting the finishing touches on the Vera Community Center Friday, August 30, former residents began to "come home" for the 11th Homecoming which was held Saturday and Sunday, August 31 and September 1. Some came to homes of friends and relatives and others came with their travel trailers to park at various locations.

Several class reunions were held Saturday afternoon and then the crowd gathered at the community center. Registration began at 6 p.m. On hand were Mrs. Helen Randolph, Mrs. Maurine Parris and Mrs. Aleitha Beck to assist the crowd of approximately 479 people who gathered to renew old friendships.

The talented group, *The Imitation Stats* of Seymour, were on hand to begin the entertainment Saturday evening. Quel Hughes, Thelma Coulston and friends played their special music during visiting time before the band, *Country Magic*, played. There was a cake walk and an auction of a crocheted bed doll. Sandwiches, cookies, cokes and homemade ice cream was available during the evening. Many people worked

very hard to provide this much appreciated courtesy.

Sunday morning complimentary coffee and doughnuts were served. This special treat was done in memory of Mrs. Viola Gore who started this tradition many years ago. Viola passed away in June 1991. She had been a resident of the Vera community since she and Hollis Gore were married during World War II.

And then the rains came! It did not dampen the spirit of those present, they just moved to the other side of the open shed and continued to visit. As chairman of the homecoming committee, Jerrell Trainham, said, "We never turn a rain down in this community".

Jim Frank Coulston, a former Vera resident now living in Sanger, was master of ceremonies for the program. Jim had spent many hours in preparation, and we appreciate him and his efforts.

Mrs. Lola Scott of Seymour, age 95, was recognized as the oldest person present. Those traveling the farthest were from South Carolina, Mississippi, Wisconsin and California.

The names of those who had passed away since the 1989 home-

coming were read and a moment of silent prayer was held in memory of the thirty-two.

A roll of honor was read which included those who served our country in the armed services from World War I to the present. This began with the names being read of those who had gone into service from this community. Many other names of those who had lived here were added. We hope to have a permanent record of these names displayed in the community center in the future. All veterans were specially recognized with a standing ovation.

The memorial continued with a reading of the names of the veterans buried in Vera Cemetery. Coulston then asked the following representatives to come forward: R.J. Trainham, whose grandfather, A.B. Feemster, was in the Civil War; Billy Dan Richards, whose father, Rube Richards, was in World War I; Eugenia Jeffcoat Dartt, who served in the WAVES in World War II; Jerry Beck, who served in Korea; and Randal Gore, who served in Viet Nam.

Coulston then drew a name from a jar which contained the names of the veterans buried in the cemetery. A beautiful red, white and blue wreath was presented to be placed on the grave of Paul Wiggins, a veteran of World War II.

Those taking the wreath to the cemetery were descendants or representatives Richards, Dartt, Beck,

Goree Bows To Avoca In Friday Night Football Clash

Goree lost their second football game of the season Friday night in Avoca. The fighting Wildcats fell victim to the Avoca Raiders by a score of 46-18.

Otis Dixon once again proved to be the standout for the Wildcats, as he ran for a 50-yard touchdown late in the game.

Sloan, both of Abilene, and Linda Kay Houston and Vickie Johnson, both of Arizona; her mother, Lola Jones of Munday; six brothers, David Jones of Wichita Falls, Jim Jones of Arizona, Thomas Jones of Sugarland, Joy Robert Jones of Seymour, and Julious Jones and Willie Jones, both of Dallas; three

sisters, Ada McKinney of Wichita Falls, and Jean Butler and Ella Aubram, both of Dallas; 30 grandchildren and several great-grandchildren.

The flying fish, when pursued by enemies, can soar above the water from two to 15 seconds and cover distances of 45 to 200 yards.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: Does the Bible say anything concerning our care of the earth? Is it right for people to pollute our world and water?

A: When I first considered this question, I didn't think that the Bible had much to say on the topic. After much study, I found that God's Word has a lot to say concerning this.

I noticed the very first com-

mand of God was to Adam. After God placed him in the garden of Eden, Jehovah told Adam to till and keep it (Genesis 2:15). Adam was not told just to till the soil, but to care for the soil and its plants and animals.

As trustworthy stewards of God's gifts (1 Corinthians 4:2), we are responsible for taking care of the earth since it really belongs

to God (Psalms 24:1; 1 Corinthians 10:26). We are also responsible for the use of our abilities (Matthew 25:14-30); our time (Ephesians 5:15-17); our money (2 Corinthians 9:6ff); and even our very lives (Matthew 16:24-26).

It pains me to see trash on the side of the roads and in our lakes. I am hurt by the reports of the illegal misuse of chemicals and the dumping of such waste. I cannot understand how people can allow and even justify such irrational behaviour. Can the profit motive be so strong that we are ruining the gift of the land? Can people be so lazy that they throw beer cans and other trash on the soil and in the water?

From the tops of mountains and depths of valleys, I have seen the wondrous beauty of God's gift - the earth - only to have such breathtaking color spoiled by a rusting can, candy wrapper or smoldering cigarette cast in the face of the one who gave us this land.

If you have a question for Larry, write him c/o Box 211, Munday, TX. 76371.

"Goodbye To A Friend"

by Alice Kahn

(The following article was sent to the Courier by Mr. Leon Looney, Class of 1962, Munday High School, who now resides in Garland. He asked that it be printed in hopes that everyone who reads it will take the opportunity "to come to this year's Homecoming just to shake an old friend's hand and share some of the days gone by". It is being reprinted with the permission of both the San Francisco Chronicle, in which it originally appeared, and Alice Kahn, author.)

PENNY IS GONE, and I can't think of anything else. Penny, my best friend, dead in Plano, in her 40's.

She was my friend in high school, but we drifted apart. I think I've seen her two times in 20 years. So why do I feel as if I've just lost my best friend?

Our paths kept almost crossing, but we rarely managed to be in the same state at the same time. The last time I saw her was 10 years ago in front of the merry-go-round on the beach boardwalk at Santa Cruz. We both had little girls and walked all over town pushing our umbrella strollers and catching up. She was traveling in California, and the meeting gave me a chance to learn her strange story.

I left the hometown, Chicago, before she did, and moved to New York. The year I left New York, Penny moved there. She was employed as a social worker and studied acting. She met a guy named Shelley, an adman, and they got married. Following a spiritual leader with the unlikely name of Lester, they moved to Sedona, Ariz.

What a blessing

Later, Penny became a born-again Christian, finally a "charismatic Catholic." She said, "You know me... I'll always be a charismatic something." She and her husband, who changed his name to John, became caretakers at an

unusual Catholic church built into the beautiful red rocks of mountainous Sedona.

Did I mention that when I knew her she was your proverbial "nice Jewish girl"?

When we met in California, her conversation was peppered with phrases she repeated like slogans - "Praise the Lord" and "What a blessing". For weeks afterward, every time I saw a pretty flower, a little voice would go off in my head, "What a blessing!"

I thought Penny was a saint. Not because she spent her adolescent summers working at a camp for severely handicapped people. Not because she left college to work with Chicago's toughest street gangs. But because she once refused to go to a popular girl's pajama party because I wasn't invited. She told me my corny poems were wonderful. She sat up with me playing her brother's Frank Sinatra album, "Only the Lonely", after Tommy and I broke up.

Six weeks ago she called me after seeing my column in the Plano paper. I hadn't heard from her in at least eight years. She told me she had four children, ages, 12, 10, 8, and 6. She and her husband ran a drug treatment program for teenagers in Plano. Just that week I had seen a survey listing her town as one of the safest places in America and mine as one of the most dangerous.

It's cancer

The conversation was fairly mundane until I asked how she was doing. "I'm kind of walking in a miracle now," she said. "In May I was told I had cancer."

She told me how she prayed and believed she was getting better. That her hair had fallen out from the radiation therapy. That she could put up with anything as long as it was temporary. That her

doctor didn't understand why she prayed. That she had never been separated from her children.

Last week her husband called and said she was gone. I just can't believe it. Penny not in this world? Penny who tinted her hair honey blond and became a knockout at 16. Penny who taught me how to do the twist.

Love always

I got out the old yearbook and said goodbye to her picture. I read what she wrote: "...Alice, since that day that I found out that you knew the words to 'Daddy Cool' I've admired you. It's funny that a song like that could start such a wonderful friendship. The summer when we began our diets and lost all that weight, our trip to Wisconsin to see your sister, all our wonderful times that I'll never forget... Our midnight talks, those were the times we really let our hair down... I can only hope (sorry to repeat some words again) that no matter what the future holds for us I can always say that Alice Nelson is my friend. As long as I can say that I know I will not be lost or insecure. May God bless you and grant your every wish. Please, Alice, always stay as wonderful as you are now, for no one could ever ask for more in a friend. Love always, Penny."

You see what I lost. No one will ever talk like that to me again. Oh Reader, if you ever had a best friend, call her today.

MR. AND MRS. FELTON JACKSON

Felton Jacksons Honored On Golden Anniversary

Felton and Theda Jackson were honored on their 50th wedding anniversary with a buffet reception on Saturday, July 27, 1991, at the Goree Memorial Building.

The Jacksons were married July 26, 1941, at the First Baptist parsonage in Munday by Rev. W.H. Albertson. Felton is a now a retired farmer and Theda is an LVN at the Seymour Hospital.

The centerpiece of the serving table featured a three-tiered cake baked by Vicki Huffman and decorated by the Jackson's daughter, Marguerite Gray. The cake, accented with gold roses, stood on columns above a flowing fountain and was topped with a Precious Memories figurine.

Sharing the duties of master of ceremonies were the Jackson's

son, Rev. Danny Jackson, and their grandson, John Gray.

Hosts for the occasion were the couples children and grandchildren, Mr. and Mrs. Robert Jackson of San Angelo, Mr. and Mrs. Joey Gray of Goree, Mr. and Mrs. Leon Looney of Garland, Mr. and Mrs. Ronnie Hardin of Lockney, Rev. and Mrs. Danny Jackson of Tahoka, Mr. and Mrs. Forrest Kinny of West Hill, California, Mr. and Mrs. Andy Jackson of Conoga Park, California, 17 grandchildren and 11 great-grandchildren.

Retired Teachers To Meet Tuesday

The Knox County Retired Teachers Association will meet Tuesday, September 24, at 2:30 p.m. in the fellowship hall of the Methodist Church in Munday.

Featured speaker for the meeting will be Rev. Loren Gardner. All retired school employees are urged to attend.

Truscott-Gilliland News

By Mrs. Clara Brown

Sydney and Patty Alexander have had lots of family news recently. On August 7, 1991, Victoria Alexander Wright was born in the HCA Lewisville Hospital to Anna and Jimmy Wright. This is another great-grandchild for Sydney and Patty.

The Alexanders are also proud of their 17-year old Lewisville senior, Ashli Alexander, who will be representing her community at the Miss Teen Texas competition November 29 in Houston.

Ashli, who plans to study pre-law in college, is one of only a few students enrolled in Lewisville's new dual enrollment program with the University of North Texas. She will get both high school and college credit for a philosophy course.

She is not only intellectual, but also a beautiful young woman with a charming smile. No matter what happens in November, it looks like the Alexander family already has a winner in Ashli.

Lee and Gail Whitley and Crystal went to Abilene Saturday, August 31, where they met Donald and Kay Miller, Denny Rycerson and Shane Pettiet, all of Guthrie. They all had supper and then attended the A.C.U. game against Angelo State. Clint Miller is attending ACU on a football scholarship, but will probably be red-shirted this year.

Lee Looney of Midland visited his parents, June and Newell Looney, over the weekend.

Jimmy and Dottie Hord of Corsicana visited his parents, Darrell and Vula Hord, and brother, Randall, over the weekend. They had been on vacation in New Mexico and visiting his sons in Amarillo.

Visiting Edmund, Geraldine and Michael Tomaneck during the weekend were Joe, Kay and Sarah Tomaneck of Boyd.

Johnny and Kristi Kimmell may be leaving El Paso for Austin soon. Although plans are not yet final, it looks like he will be entering a rehabilitation hospital there. Kristi reports that Johnny can move his arms and legs and is less dependent on the trach tube for breathing.

Visiting Louis and Lula Baty over the Labor Day holiday were their son Steve of Dumas and an Amarillo friend, and Billy Paul Baty and a Dallas friend.

Rich and Linda McQuain, Matthew and Bryan visited Curtis Casey September 1. The McQuains have lived in Hawaii for 13 years and were enroute to their new home in Raleigh, North Carolina. After lunching with Curtis, they planned to visit her sister at Allen, Texas, and her aunt and parents in Arkansas. Her father was once pastor of the Truscott Baptist Church.

Curtis Casey reports that in the announcements section of the Wichita Falls Baptist Church telecast Sunday, it was announced that Mrs. Elizabeth Chowning, mother of Mrs. Mary Beth English, had broken her hip and is at Bethania Hospital. Mrs. Chowning is a former Truscott resident.

The Gilliland community enjoyed an ice cream supper Saturday night, September 7, at their community center. About 25 attended, including Seymour residents Paul and Emal Lee Horne and Frank and Benita Langston. Entertainment was provided by Babe Quintero Berry's daughter, Monica, and a friend. The two Wichita Falls girls gave a clogging demonstration of about five numbers.

Frances Cook left Sunday for the Texas State Extension Home-maker's convention in Austin. Also attending from Knox County was Mrs. Vera Reid of Knox City.

Florence Miller says Todd Campbell of Haskell and three friends visited her and Ob on Friday and Saturday. They went

dove hunting and had very good luck.

Lee and Gail Whitley and Crystal attended the Guthrie football game, which Guthrie won 71-64. They went to watch Denny Rycerson, who is a close friend of Lee's nephew, Clint Miller.

Visiting Oscar and Faye Boykin are her mother and sister, Mrs. Verler Mac Russell and Nola Eason, and a good friend, all of Cleveland.

The Lloyd Heards were in Olney Friday to visit her mother and stepfather, Lois and John Chilcoat. Others there for the day were the Heard's daughter and grandchildren, Rhonda, Justin and Amanda Kessler of Ft. Worth, and Jo's sister and brother-in-law,

Nancy and Jerry Anderson of Perryton. They all went to Newcastle for a fish fry.

Forty-five guests attended the September Grandma's Sunday Dinner, including Paul and Carol Hancock of San Angelo, who saw the dinner mentioned in the Texas Events Calendar and the San Angelo and Wichita Falls papers. Others were here from Crowell, Benjamin, Gilliland, Seymour and other area towns. Someone said when the Hancock's first arrived at the center they asked, "Where's the town?"

Ila Mae Bullion returned Sunday from a Colonial Dames workshop at Salado. Last Wednesday, she met two cousins, Mary McClurg of the Lubbock chapter (who is state treasurer) and Mary Lou Fuller of the San Angelo chapter (who is state music chairman) and attended the workshop with them. Ila Mae is state flag chairman and a national commit-

tee member on veterans. Following the two-day workshop, the ladies went to Palestine to visit another cousin, Guy Keeling and his wife. Also attending the Salado meeting was another cousin, who is president of the Austin chapter of Colonial Dames.

Clara Brown returned to Truscott after spending several days visiting her children. She visited Jacquelyn and Al Richey in Houston and saw their new home in West University; Ruth and Steve Mescall, Alex, Meagan and Rachel in Baytown and saw their double garage recently converted into a playroom; and Bill and Staci Brown in their newly purchased home at Brownfield. Mrs. Brown

came home to the old Truscott telephone office, with 1962 and 1981 additions, now standing on the banks of China Creek. (Does

anyone know how old the telephone building part of this house is?)

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retardation

institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of major repair to, or renovation of other facilities for use as state prisons, or other punishment facilities."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing a state lottery."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

Munday Girls Begin Cross-Country Season

The Munday Junior High and High School Girls' Cross-Country teams started their season off on the right foot at the ACU Invitation Meet Saturday, September 14, in Abilene.

The junior high girls, who competed against teams from Class A-5A, won the first place trophy with a ten point margin over second place Eldorado. There were 112 runners and 21 teams entered in the event. The distance run was 1.2 miles.

Munday runners, their times and

places were: Lori Clem, 7:29, second; Kandis Longan, 7:35, third; Jennifer Baker, 7:41, fourth; Kizzie Shields, 8:05, seventh; Mindy Zeissel, 8:13, thirty-first; and Stephanie Lanfranco, 8:38, sixty-third.

The next competition for the junior high girls will be Saturday, October 5, at Munday.

The Munday High School Girls Cross-Country team finished sixth overall in a field of 23 teams at the Abilene meet. This was an A, AA, and AAA division with 129 runners.

Munday girls times and places were as follows: LaWanna Harde-man, 12:13, 27th; Mandi Moore, 12:29, 42nd; Kerri Smith, 12:32, 44th; Kelly Munoz, 13:23, 77th; Amanda Gulley, 14:33, 96th; Jamie Howry, 14:51, 102nd; Robin Welbom, 15:06, 107th; and Toni Sellers, 15:16, 108th. The distance for the high school girls cross-country run is two miles.

The next meet for the MHS girls team will be Saturday, September 28, at Grapard.

Benjamin News

By Mrs Gladene Green

We have several on the sick list this week. Hes Hall was admitted to the Seymour Hospital this morning suffering from pneumonia. Virginia Griffith and Zula Conner have both had a stay in the Knox County Hospital. Virginia is now back at the Knox City Care Home and Zula was released Sunday afternoon.

Jan Carver's mom, Dorothy Anderson of Knox City, was able to come home Sunday after back surgery and a week's stay in a Wichita Falls Hospital. She is doing fine, but has much recuperating to do. Jane Gideon continues to improve. Good wishes to all these friends.

SOROSIS CLUB MEETS

The Benjamin Sorosis Club met for the opening meeting of the 1991-92 club year on Saturday, September 14 at 10:00 a.m. in the home of Lucille Moorhouse.

The program was centered on our nation to the south, Mexico, which was reflected in the decorations and meal.

Seven members and twelve guests were present. Special guests were the president of the Mesquite District Federation of Women's Clubs and Louise Massey and Darys Duncan of Stamford.

REVIVAL SCHEDULED

As noted in last week's paper, a revival will begin Sunday night, September 22, at 7:00 p.m. at the First Baptist Church in Benjamin. Rev. Bobby King, pastor of the First Baptist Church in Knox City, will bring the message nightly and Buddy and Latrease Lyle of Anson will be in charge of the music. Meeting time September 23-28 will be 7:30 p.m.

The public is cordially invited to attend.

HERE 'N THERE

Word was received her Sunday of the death of Lewis (Penny) Meinzer. He passed away Sunday morning in a Wichita Falls

hospital. He had undergone quadruple by-pass surgery on Tuesday and complications followed. His funeral will be Tuesday in Childress, where he had resided for many years. Sympathy goes to his family during this time.

Dean and John Nolan of Andrews and Joe Paul, Jane, Jennifer and Elizabeth Griffith visited Virginia Griffith and Audrey Nolan this past weekend. Also visiting them was Peggy Dillard of Lubbock.

Era Brown was in Abilene Thursday for a thorough check-up with a cardiologist. She was advised to continue her good regimen and is feeling pretty well.

Bo Milson returned home Saturday after a week's visit in the

home of David and Val Milson and new baby son, Tanner. She says they are all fine and adjusting to their new way of life. Tanner was born September 3.

We have a new clerk in our post office. Barbara Pierce begins today (Monday). She replaces Louise Hertel, who went to work full time recently for Judge Perdue.

Sir Winston Churchill began his massive History of the English-Speaking Peoples when he was in his sixties; he finally finished when he was 84.

Look at the number on your sticker!

If your safety sticker has the number "9" on it, you'll need a new one before the month is gone. Let us safety inspect your vehicles and install stickers before the time runs out.
