Lions Club Broom Sale Next Tuesday

If you're old broom has just about seen it's last day, then you're in luck!

The Munday Lions Club is getting ready for their annual fall sale of brooms, mops and a wide variety of assorted household items. The sale will take place Tuesday, October 1, from 7:30 a.m. to 5:30 p.m. at the City Hall parking lot.

All of these items are made by blind and visually impaired workers at the Lighthouse for the Blind. Proceeds from the sales will go to benefit blind and multi-handicapped employees by creating more jobs and financing other related services.

Bobby D. Burnett, chairman of this year's event, urges all local residents to turn out for this sale and take advantage of the bargains while supporting a worthwhile organization, the Lighthouse for the Blind.

Moguls Defeated By Stamford Bulldogs, 33-7

The Munday Moguls did something Friday night that they haven't done in a long, long time...they lost their second game in a row, falling to the Class 2A Stamford Bulldogs, 33-7.

That's the first time since 1983 that the Moguls have lost two consecutive games. At that time, Munday was in District 4-AA, with Jim Edwards at the helm for his first year as Mogul coach. Munday lost four games, falling to Knox City, 12-15; Electra, 7-28; Rotan, 0-20 and Haskell, 14-20. Coach Edwards and the Moguls have come a long way since then.

Friday night's game opened with Stamford receiving the kickoff and marching downfield to Munday's 30-yard line before the Mogul defense could stop the Bulldogs. The Moguls were unable to generate any offense at all and punted three times during the first period.

Following a scoreless first quarter, Stamford got the ball rolling. Their first scoring drive started at their 18-yard line and took only five plays. Darrell Willis

THE D-FY-IT PROGRAM is now a reality at Munday High School. Students in grades seven through twelve began the mandatory drug tests this week to qualify for membership. Shown above filling out forms are (left to right) Denise Carroll; Cathy Nelson; Kim Brockett, program coordinator; Imo Brockett, adult advisory board member; and Will Dutton. D-FY-IT is a student run organization promoting drug free youth.

D-FY-IT Rally Held

An organizational rally for D-FY-IT (Drug-Free Youth In Texas) was held at the auditorium of Munday High School on Thursday, September 19, at 2:45 p.m.

Kim Brockett, local D-FY-IT coordinator, explained the program to the seventh through twelfth graders. The purpose of the student-run organization is to give positive peer pressure to help students remain drug-free and to urge those who use drugs to stop.

A recent survey showed that although the United States accounts for only 6% of the world's population, it accounts for 60% of all drug abuse. D-FY-IT offers a positive way to deal with this problem on a local level.

The D-FY-IT program originated in Tyler, Texas, and has

since spread to many other states, Canada and several other countries. At the time they join D-FY-IT, students are given a T-shirt and an identification card. This card allows members to obtain discounts at participating businesses in any town where the D-FY-IT program exists.

Students who join D-FY-IT are required to test drug-free. Random testing will be done periodically. Any student who tests positive for drugs will have their D-FY-IT card revoked for a period of time to be determined by the student board. (Students who are tested are identified by Social Security numbers only...no names are ever revealed.) If a student tests positive for drugs, counseling is offered. If that same student

tests positive a second time, counseling is mandatory. The student will have a choice of several qualified individuals from whom to receive this counseling.

At the present time, the local D-FY-IT chapter is attempting to organize a group trip to Six Flags for D-FY-IT Day on October 5. On that day, discounts will be given on gate tickets to the amusement park to all D-FY-IT members and their families. Transportation will be provided by school buses and chaperones will also attend.

Another upcoming event for D-FY-IT is Homecoming '91. To assist with the expenses of this worthwhile organization (drug test kits, T-shirts, etc.), the Homecoming Committee has graciously granted the dance concession stand to D-FY-IT. When you attend and purchase items at the concession stand, remember that all proceeds will go toward helping Munday youth remain drug-free.

Members of the D-FY-IT Adult Advisory Board include: Kim Brockett, coordinator; Bill Kingston, Randy Whiteside, Imo Brockett, Betty Loftin, Mike Greenwood and Elaine Michels. For more information on the local D-FY-IT program, contact Kim at 422-4051 during regular business hours.

Adult Education Classes Offered

As part of the continuing education program of Munday High School, two classes will be offered in October.

The adult education classes include G.E.D. and English as a second language. Registration will be Tuesday, October 1, at 7:00 p.m. at the Agri-Science building behind Munday High School. There is no charge for these classes; books and materials will be furnished at no cost to the participant.

A conversational Spanish class is also being offered. This class will meet each Thursday from 6:00-8:00 p.m. at the Knox City High School.

Munday Youth Injured In Hunting Accident

Kevin Walker, grandson of Collis and Ernestine Michels, was injured in a hunting accident near Rhineland Saturday evening.

Kevin had joined two friends, Phillip Bowen and Jeffrey Cook, for an afternoon of dove hunting. According to Munday Police Chief Randy Whiteside, while reloading his gun, Kevin apparently got mud in the choke. On his next shot, the choke exploded, sending a piece of shrapnel approximately two inches long into Kevin's neck. (X-rays later revealed that the piece of metal narrowly missed Kevin's jugular vein and the top of his lung.)

Phillip and Jeff, both Boy Scouts, applied direct pressure to the wound and got Kevin into the pickup. In their haste, the pickup became stuck in the mud. Knowing the importance of keeping the victim calm, Jeff remained in the vehicle with Kevin while Phillip ran to the nearest house for help.

Luckily, the occupants of the house where Phillip sought help knew where Whiteside was dining and called him immediately. Whiteside called for an ambulance and then rushed to the accident site. When he arrived, he found the boys walking on the Rhineland highway, supporting Kevin between them. Due to Phillip and Jeffrey's calm approach to the circumstances, Kevin was not in shock...only worried about his grandmother.

He was taken to Knox County Hospital and later transferred to Wichita General Hospital. He was

scheduled to undergo surgery at 10:00 a.m. Tuesday morning to remove the shrapnel from his neck. While the injury caused partial paralysis in his left arm, a full recovery is expected.

Whiteside credits Phillip's and Jeff's Boy Scout training and calm response with preventing Kevin from going into shock or suffering a life-threatening loss of blood. Their quick thinking just may have saved their friend's life.

Arts & Crafts Fair To Be Held On Saturday, October 5

The Munday Chamber of Commerce is sponsoring an Arts and Crafts Fair on Saturday, October 5 from 9:30 a.m. to 4:00 p.m. at the Munday Elementary gym. Admission is \$1 for adults and 50¢ for children.

A concession stand will be open at the gym throughout the day. A bake sale will also be held in conjunction with the fair. (If you would like to donate a baked good, contact Lynn Fitzgerald at the Chamber of Commerce office.)

All proceeds from the event will go towards finishing the Downtown Park.

7 victory over Munday.

The Moguls travels to Electra this Friday night to take on yet another Class 2A team. Game time is 7:30 p.m.

COACH'S COMMENTS

We played extremely well for 38 minutes, but our own mistakes killed us in the last 10 minutes. I was real proud of how our Moguls fought back after being behind 14-0 at the half.

We came out and had a great drive to start the third quarter. After we stopped Stamford on the one-yard line, we had another great drive going until we fumbled. That really was the turning point in the game.

We've lost two games in a row to two tough opponents, but we're getting better each week. We have another tough AA opponent this week in Electra. I know our kids are going to be fired up and play hard each down, because now is the time to bring ourselves together and fight harder. We must continue to improve and believe in ourselves to get ready for district action.

Windbreak Seedlings Available At SCS

That's right folks! It's that time of the year again. The board of directors of the Wichita-Brazos Soil and Water Conservation District is now taking orders for the annual windbreak seedling program.

The local conservation district makes the low-cost seedlings available for local landusers in an effort to promote soil and water conservation. Trees available this year include: Afghanistan pine, Arizona cypress, Ponderosa pine, Red cedar, Catalpa, Cottonwood cuttings, Desert willow, Green ash, Honeylocust, Little walnut, Nanking cherry, Native plum, Osage orange, Pecan, Red oak, Russian olive, Sandcherry, and Skunkbush sumac. The seedling will be delivered on February 26, 1992, for a spring planting.

If you will notice, there are a few new species of hardwood trees this year including Nanking cherry, Native plum and Sandcherry. All of these are great for wildlife.

Anyone interested in placing an order for the seedling program should contact Cindy Carver at the Soil Conservation Service at (817) 658-3526, 1101 East Main in Knox City, or one of the district directors. The district directors of the Wichita-Brazos SWCD are Lonnie Offutt of Munday, C.H. Cornett of Knox City, Sammy Pierce of Benjamin, Louis Baty of Gilliland and Billy Kinnibrugh of Vera.

Mr. and Mrs. Bob Dickenson of Thorndale, Pennsylvania, and daughter, Peggy Carrol and her two children of Duncan, S.C., visited their Aunt Ursel and Uncle Nolan Phillips, Lala Morgan and Louise Spann over the weekend. Also visiting was Millard Thorp of Austin. On Saturday, they ate lunch at Phillips' home and celebrated Melton Morgan's birthday, along with Susie and her son.

WHITNEY SANDERS

Whitney Sanders Named Winner In Beauty Contest

Whitney Sanders celebrated her second birthday Sunday, September 22, in a very special way. She was crowned Princess in the Royalty Division of her age group in a beauty contest at Memorial Auditorium in Wichita Falls.

Five hundred boys and girls, ages one month through six years, were entered in the competition. Whitney competed against 21 other girls in the 17-24 month age group. In order to qualify for the Royalty Division, the girls had to score 90% or above in both health and beauty. After being examined by a doctor, Whitney scored 100% on health, and a panel of six judges rated her 98 1/3% on beauty. Points from health and beauty were added to points gained by ticket sales for the final total.

Whitney's parents, Tim and Mickie Sanders of Munday, expressed their gratitude for all who helped sponsor their daughter in this contest. All proceeds went to the Texas Wheelchair Bowling Association and contestants also participated in a food drive for the Salvation Army.

Others on hand to watch Whitney accept her crown, robe, trophy, ribbon and two gold seal diplomas were her sister, Haley Hutchinson; her grandparents, Bobby and Pat Hutchinson, Leonard and Hazel Kelly, and Gary Sanders; and her aunt and cousins, Phillis, Nicole and Brandon Urbanczyk.

The Lord's Corner

by Dr. Pete Bradford, pastor First Baptist Church

A man complained to his pastor, "It's getting to be just one continuous 'give, give, give.'" To which the pastor replied, "Say, that's one of the best descriptions of Christianity I've ever heard."

Here are some sermons-in-sentence on the subject of giving: * Only by giving of oneself is enough taken away to make room for receiving more.

* Discontentment makes rich men poor; contentment makes poor men rich.

* Two telltale marks of a Christian are giving and forgiving, for the world knows little about either.

The average American churchgoer gives less than 3% of his income for church and charity. Write the words of 2 Corinthians 9:7 inside your checkbook. Let them remind you that cheerful giving comes from the heart, not just the checkbook.

See you next week, and remember: all we can hold in our cold, dead hands is what we have given away.

Truscott-Gilliland News

By Mrs. Clara Brown

Eddie Lowrance is back from his trip to Alaska. He really enjoyed his trip and reports he shot a caribou.

Jo and Lloyd Heard were in Olney last Thursday to visit her mother and stepfather, Mr. and Mrs. John Chilcoat. On Monday, Jo and Glen Ray Heard took Lloyd out to dinner in Wichita Falls to celebrate his birthday.

Visiting the Heards on Sunday were Mr. and Mrs. Virgil Smith of Haskell. He was the visiting preacher at the Gilliland Baptist Church.

The Gilliland Church of Christ had dinner at the community center after morning services, followed by a singing from 2:00-3:00 p.m. A large crowd was present including visitors from Goree, Rochester, Benjamin and Seymour.

Anna and Mike Shaw helped sponsor the 4-H homecoming dance at Crowell Friday night. It should have been the "homecoming dance after the game", but there wasn't any game. The game was canceled because the officials did not show up...they had been told the game would be on Saturday night. The game was rescheduled for the next afternoon at Petrolia.

Irene Reed of Gilliland was honored by her husband and children with a birthday celebration Sunday. Attending were Gary Reed and Laura and Dickie McCannies and Jenna, all of Benjamin, Donnie Reed, Dwayne and John of Seymour, and Teresa, Mark and Brittany Kuehler of Gilliland.

Thank You!

A note to say in donating our remaining "expense balance" in the amount of \$1,243.00 to the Chamber of Commerce for the downtown park, we feel this contribution was made toward a worthy cause, and everyone young and old will benefit from this for years to come, making our town a prettier place to live and visit.

We would also like to say "thank you" for all the good homecoming dances given over a period of thirty years. We tried hard to make them as memorable as possible for you, our exes, and your families.

Carl Quisenberry Opens Law Office In Seymour

Carl Graham Quisenberry, a fourth-generation resident of Baylor County, was born at the old Baylor County Hospital, December, 1939, and graduated from Seymour High School in 1958. His parents are J.C. and Pauline Quisenberry. Carl was largely raised on the family ranch east of Seymour, "chasing cows and plowing", where he now resides.

He graduated from Texas Tech University in 1962 with a Bachelor's Degree in finance, and from Baylor Law School in 1965. In the fall of 1969, he entered the United States Army Artillery and Missile Center at Fort Sill, Oklahoma, as a Second Lieutenant. As an artillery officer, he served thirteen months in Vietnam near the DMZ attached to the 7th Marine Regiment 11th Marines. The Bronze Star is among his many medals.

Quisenberry left the service in 1967 as a Captain, and served

approximately two years with the United States Treasury Department as a bank examiner before entering law practice in Fort Worth. The past twenty years, he has been associated with a major law firm there, where he handled or supervised the handling of approximately 15,000 cases. Though not board certified, he specializes in litigation in federal and state courts (criminal and civil), bankruptcy, family law, probate and personal injury. He includes among his clientele numerous insurance companies.

Carl Quisenberry has returned home now, where he will maintain his full-time practice at 111 South Main in Seymour, though he still maintains branch offices in Jacksboro and Cisco as well. Carl would very much appreciate your business and will always take the time to talk to anyone about any problem they may have. Gratis the first time.

Thank You

Friends are so thoughtful and kind. This we can attest to since our many bouts of illness and surgeries.

For the flowers, food, gifts, cards, calls and visits, and especially your prayers, we are eternally grateful.

Benjamin News

By Mrs Gladene Green

The Benjamin Fire Department has asked me to let the people know that they are going to give the "Spook House" one more try this Halloween. The dates are not set for sure, but the location will be the same as last year. Plan now to attend.

Virginia Griffith and her mom, Audrey Nolan, are both doing well in the care home.

Jane Gideon was in Wichita Falls last week to see her doctors for some tests. She is on her way

to recovery and plans to go back to work this week.

Era Brown spent one night in the Knox County Hospital. She is home now, and her daughter, "Dutch" Jones of Hawley, is here to stay with her.

Our prayers go to all our friends who are not well.

Our Benjamin Mustangs suffered defeat Friday night at the hands of Northside. The score was 48-0, and the game was called in the third quarter. Munday and Knox City also lost their games. They are getting ready for "the game" - Munday Homecoming October 12.

CAFE TO OPEN

The Mustang Cafe, owned by Jack and Kathy Waldron, will re-open around October 1 under new management. Diane Vasquez of Knox City has been busy all week cleaning, painting and getting it ready for business. We are all very excited about the prospects of having a place to eat again. Every town, regardless of size, needs a cafe!!

Living Sermon

There isn't a word that a preacher can say,
No matter how lovely or true;
Nor is there a prayer that his lips pray,
That can preach such a sermon you!

You vowed to serve Christ, and then know that you did,
They're watching the things that you do;
There isn't any action of yours at is hid,
Men are watching and studying you.

You say you're no "preacher",
Yes, but you preach,
A wonderful sermon each day;
The acts of your life are the

things that you teach,
It isn't the things that you say.

If Christians are Christians...as they do profess,
Men would notice their glorified mien,
And say, "What a wondrous thing they possess,

Who follow the meek Nazarene."

Oh, Christians, remember, you bear His dear name,
Your lives are for others to view;
You are living examples, men praise you or blame,
And measure all Christians by YOU!

(I hope to see you in study and worship this Sunday!)

Counts Named To Sunset Commission

House Speaker Gib Lewis, D-Ft. Worth, announced Wednesday, September 18, that he has appointed Rep. David Counts, D-Knox City, to the Sunset Advisory Commission.

The Sunset Advisory Commission reviews the operations of state agencies to assist the legislature in determining whether an agency should continue to exist and whether its functions should be modified by legislation.

"Based on his years of experience and his active involvement in legislation, I am confident Rep. Counts will do an outstanding job of evaluating whether agencies are performing efficiently and meeting the needs of our state," Lewis said.

Rep. Counts was appointed to a term that expires August 31, 1995. ***

Yard Of The Week

This week's Yard of the Week honors go to Charles and Betty Baker of 250 North 15th Avenue. Garden Club judges noted that the marigolds, periwinkles, chrysanthemums and shrubs made for a very picturesque lawn. (Picture not available.)

The City Hall received Honorable Mention. The well-tended lawn and flowers help to beautify our community. ***

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

(Note: This question comes from out of state, but applies to us all.)

Q: Do you think it is ever right for a preacher to refuse to perform a marriage ceremony? My pastor has done this and I can't understand why.

A: I cannot answer on behalf of your minister. I do not know what his reasons are. I follow the principles set down in scripture concerning marriage.

When I'm asked to perform a wedding ceremony, my first questions help to ascertain whether or not a person is scripturally qualified for marriage. Those who are divorced, unless their divorce was for the reason of unchastity, cannot re-marry. This command comes directly from Jesus. It did not come from man, theologian, preacher or "the church". Jesus said: "...whoever divorces his wife, except for unchastity, and marries another, commits adultery (or makes her commit adultery)" (Matthew 19:9).

Those who are scripturally qualified for marriage are (1) people who have never been

married (1 Corinthians 7:1-2); (2) those who have been widowed (1 Corinthians 7:39-40); (3) those who have divorced because their spouse committed unchastity (Matthew 19:9); and (4) meet legal qualifications (Romans 13:1ff).

There are times in which the best advice is not to marry although this advice is not binding. We have an example of this in 1 Corinthians 7:8-9, 25-40. This may be because of the fact that society might cause problems for the couple (as in the case of "mixed marriages"). There might also be economic or social barriers, age differences, etc. Yet I've noticed that if these couples have a strong faith for the Lord and a strong love for each other, they often become good examples for the rest of the couples in their congregations once they marry. In the case of these opinions, it's not up to the preacher to make the judgment.

One final thing that might enter into a preacher's decision to perform a marriage ceremony is whether or not a couple wants to participate in something that is unscriptural. For example, I will not perform a ceremony that is followed by a reception that serves alcoholic beverages or incorporates a blasphemous "rite" such as found in some non-Christian ceremonies (appealing to Buddha or Allah, etc.).

I suggest that if you are truly concerned about this that you go to your preacher (not behind his back) and ask him why he wouldn't perform the ceremony and his reasons behind the decision. If you still have questions, please write.

If you have a question for Larry, write him c/o Box 211, Munday, TX. 76371.

The Vera Community enjoyed another successful homecoming that, again would not have been possible without the generous time and effort of many people. We are grateful to all the people who worked fixing up, cleaning, decorating, setting up and taking down tables and chairs, and for all the behind the scenes work that must be done to prepare for such an event and does not show unless it is not done.
We would like to also thank those who came and all the people who so generously contributed to our storage building fund.
