

**Insurance Head Must Vaccinate RHS Commencement Seek Laboratory Singers Meeting**

COLLEGE STATION—The appointment of E. R. Duke as state crop insurance supervisor for Texas has been announced by Roy Green, general manager of the Federal Crop Insurance Corporation, according to word received from Washington by the state AA A office at Texas A. & M. College.

From branch offices of the Corporation at Amarillo, Duke will direct the crop insurance plan which will guarantee insured farmers up to 50 to 75 per cent at the farmer's option, of their average yield on their 1939 wheat seeded for harvest.

MUNDAY—The board of trustees of Munday school district have passed a resolution requiring all children who enter school in Munday in the future must be vaccinated for smallpox and diphtheria.

The compulsory vaccination action was taken as a result of the wonderful success obtained through the Child Health Clinic sponsored by the Lions Club and P.T.A. The move should eliminate diphtheria and smallpox among students in the future.

RHINELAND—Commencement exercises will be held in Rhineland tonight at the high school auditorium beginning at 8 o'clock, according to statement by John J. Hoffman, superintendent of schools there.

The Rhineland School closed their year's work today and the commencement exercises will complete the school activities. Alphonse Kuhler is valedictorian and Miss Rose Ann Kreitz is salutatorian for the 1938 senior class.

WACO—Announcement was made here today by Burris C. Jackson of Hillsboro, chairman of the State-Wide Cotton Committee and President of the Texas Cotton Association, that a group of some fifty Texan would go to Washington the latter part of this month to confer with Secretary of Agriculture Wallace and Officials of that department with reference to the location of the Cotton Research Laboratory in Texas, as provided for in the farm bill.

BENJAMIN—The annual Knox County Singing Convention will be held Sunday, May 28, in this city at the Christian Church. Dinner will be served on the ground and outstanding singers and quartets will be there.

**R. R. Davenport's Mother Buried in Bellevue Tuesday**

Death last Monday morning claimed one of the pioneer women of north central Texas, when Mrs. Josephine Irene Davenport, mother of R. R. Davenport of this city, passed away at the Clinic Hospital in Wichita Falls.

Mrs. Davenport came to this state in 1887 when the family moved to Willsboro, and she has since resided in Texas, the majority of the period being spent in the area adjacent to Bellevue, her home for the past few years.

Born July 18, 1864 in Carroll County, Georgia, Mrs. Davenport was 73 years, 10 months and 28 days when she expired. She was preceded in death by her husband, who died in 1925.

Funeral services were conducted from the First Methodist church of Bellevue Tuesday afternoon at 3 o'clock with the Rev. E. O. Anderson officiating, assisted by Rev. Bascom Crutchfield. Interment was in the Bellevue cemetery in the family burial plot beside her husband.

Surviving are the following children, R. R. Davenport, of this city; C. R. Davenport, Bellevue; W. F. Davenport, Electra, Texas; M. E. Davenport, Electra, Beula Davenport, Bellevue; Mrs. Ray Davenport, Henrietta; a brother, M. E. Russell, Searcy, Ark.; two sisters, Mrs. Kate Baskins, Atlanta, Ga.; and Mrs. E. L. Martin, Columbia, South Carolina; twenty-two grandchildren and 6 great grandchildren.

The following Munday citizens attended the services; Mrs. Dave Eiland, Lee Haymes, Rev. H. A. Longino, John Spann, Leland Hannah and J. C. Harpham.

Mahan Funeral Home of this city assisted in funeral preparation.

**Three Births Here**  
Births reported from the office of Dr. R. L. Newsom this week were: an eight and one-half pound girl to Mr. and Mrs. Joe Allison, May 13; a nine pound girl to Mr. and Mrs. J. B. Barnett Sunday, May 15; and an eight and one-half pound son born to Mr. and Mrs. Joe Voss Sunday, May 15.

**Here on Business**  
E. Duval, of Abilene, former Munday business man, and son Bruce, were in the city Monday afternoon attending to business.

**24 SENIORS WILL GRADUATE MONDAY**

**Cyclonic Winds Strike Benjamin**

District Governor Of 2-E Lions Clubs

DR. R. N. RICHARDSON  
Dr. R. N. Richardson, executive vice-president of Hardin-Simmons University of Abilene, is the newly elected governor of District 2-E of Lions International, Texas. The Munday Lions Club is in Dr. Richardson's governorship.

**COUNTY RATES ANNOUNCED FOR CROP INSURANCE**

Rates Are For 50 And 75 Percent Of Average

Crop insurance which will guarantee insured wheat growers three-fourths of an average wheat crop in 1939 will cost farmers of Knox county an average of 1.0 bushels per acre, according to figures announced at the state wheat meeting recently held in Amarillo.

The county rate reflects the average per acre loss in this county during the 10 years, 1926-36. The premium that an individual wheat grower will have to pay for insurance will depend half on this county rate and half upon the crop losses on his own farm. The rates for each farm will be computed in the branch office of the Federal Crop Insurance Corporation.

The cost of insurance is not based on the average yield, but on the year-to-year variations in yield. "Two farmers with the same average yield for the 10-year period would not necessarily pay the same premium for the same percentage," E. N. Holmgren, administrative officer of the Texas AAA (Continued on Page 8)

**County Women Will Attend 12th Short Course at Denton**

Miss Nina Astin, Knox County home demonstration agent and at least one member from each of the nine home demonstration clubs of the county will attend the 12th annual short course and field day at Denton tomorrow.

The event is sponsored jointly by Extension Service, Texas Agricultural experiment station and the Texas State College for Women of that city.

Sectional meetings will be held throughout the day and those attending will enjoy a picnic lunch at noon in a grove of trees north of the college gymnasium. Each lady is to take their own lunch, which will be checked at the Administration building, and the wild flower exhibit will be on display there.

A food canning and preservation exhibit will be in the laboratory of the Rural Fine Arts building and other interesting exhibits will be seen during the short course.

There will be meetings for the men who come to the short course at the experiment station near the campus.

County Judge E. L. Covey and District Court Clerk Lee Coffman of Benjamin were in the city Monday afternoon attending to business.

**RAINFALL AFTER STORM REPORTED OVER 2 INCHES**

Some Hail Damage in County Reported During Week

Winds that reached cyclonic proportions Wednesday night caused considerable damage in Benjamin and in adjacent areas, according to information released to this paper today.

The T. B. Dobbs home in Benjamin was moved off the foundation and the front porch was ripped from the house by the small twister, which was believed to have dipped at points to do its damage.

Heavy Rain Fell  
Other damage reported was the garage of Marvin Chamberlain, which was demolished by the winds and by freakish twists, left the Chamberlain automobile on the spot undamaged.

A vacant rent home was also demolished by the storm and several small outbuildings were damaged. Immediately following the twister a hard rain fell, with precipitation estimated at 2 inches.

Some Hail in County  
During the week small sectors of the county were visited with light falls of hail and a few spots were believed damaged to the extent of 10 to 50 per cent. Wheat received most of the damage. Intermittent showers continued to fall in the county and rainfall in Munday since January 1st has passed 13 inches, according to H. P. Hill, local weather statistician.

Visits Son Here  
W. A. "Kid" Hammett, and wife, pioneer Texans, from Austin, visited in the home of his son, George Hammett and family of this city last week.

**W. C. "Bill" Glenn Enters Race For County Judgeship**

The Munday Times is authorized to announce the candidacy of W. C. "Bill" Glenn, of Benjamin for the office of county judge of Knox county.

Glenn makes the following statement to the voters of the county in his formal announcement of entrance into the race:

"After many solicitations from friends over the county and after serious consideration of the duties of a County Judge, I have decided to offer myself as a candidate for that important office, hoping that, if elected, I may, by my former experience in county work, be in a position to successfully handle the intricate duties of county judge of Knox county to the extent that the county funds will be kept within the county receipts without hindering any important or necessary work or improvement beneficial to the citizens of Knox county.

"I shall endeavor to meet the voters of the county in person before the primary, but as it may not be humanly possible to meet every one, I wish to earnestly solicit, in this formal announcement, the support of all Knox county voters.

W. C. (Bill) GLENN"

**NYA Allocations For Knox Schools For Year Are \$810**

Knox county school that participated in the NYA this year will have \$810 apportioned, according to information released by J. Lyndal Hughes, county superintendent of schools this week.

Of the \$810, Munday schools will receive \$216, Hughes stated, four boys being placed on the NYA during the past school year. The allocations for the county were based on recommendations of Hughes and the county NYA placement board.

The 1937-38 NYA expenditure in Knox county was \$1200 lower than the previous year, however, it was pointed out that the \$2,016 obtained in 1936-37 was due to the drought conditions of the area. The 1935-36 allotment was \$918.

Do You Trade at Home?

**PROGRAMS of Munday High School COMMENCEMENT SEASON 1938 BACCALAUREATE SERVICE**

**Baptist Workers To Meet in Knox City Next Tues.**

Program for the Workers Conference of the Haskell Baptist Association will have their regular meeting in Knox City next Tuesday, May 24, it was announced today.

The meeting will be held in the Baptist Church of that city and the public is invited to attend.

- The program follows:
- 10:00 Devotional Service.
  - 10:10 John the Baptist as a Preacher—J. Lowell Ponder.
  - 10:30 Paul's Conversion—S. E. Stevenson.
  - 11:00 Special—Women's Octette, Rochester.
  - 11:10 High Points in the Life of Simon Peter—Roy Shahan.
  - NOON—Lunch.
  - 1:30 Board Meeting.
  - 2:00 Special
  - 2:10 Sermon—H. R. Whately.

**Munday Schools Receive Checks On 2 Contracts**

Two checks, totaling \$222 were received by the Munday school system this week for the contract projects of vital interest to the southern section of the county were discussed.

The road discussion consumed the entire meeting, and efforts will be made to bring to conclusion road projects in the near future, officials of the organization stated.

Twenty-five members of organization were in attendance and heard rules that must be observed in obtaining roads from the state highway department, Federal and county, as outlined by Covey.

**Vesper Service At Sunset Held Sunday Evening**

Vesper services were held for the Sunset senior class last Sunday evening at the high school auditorium at 8 o'clock. Sunset this year held Vesper services instead of the usual baccalaureate sermon.

Main address of the evening, given for the graduating class of '38, was delivered by Dean Walter Adams of the Abilene Christian College of Abilene. He used as his subject "Go Forward," and in a very interesting manner advised the seniors who will begin their journey into a new type of life after graduation.

Senior commencement program will be held in the auditorium Friday evening, at 8 o'clock, and Superintendent Wilson Harber stated that school will be closed this week.

**Judge Covey Talks At Chamber of Commerce Meeting**

County Judge E. L. Covey of Benjamin was guest Thursday noon for the regular Chamber of Commerce luncheon, at which time road projects of vital interest to the southern section of the county were discussed.

The road discussion consumed the entire meeting, and efforts will be made to bring to conclusion road projects in the near future, officials of the organization stated.

Twenty-five members of organization were in attendance and heard rules that must be observed in obtaining roads from the state highway department, Federal and county, as outlined by Covey.

**Mann Will Deliver Address**

Gerald C. Mann, prominent attorney and candidate for Attorney-General will deliver the commencement address at the grade school auditorium Monday night.

**ELEVEN BOYS TO PARTICIPATE IN VERA 4-H CLUB**

**Calves Are Purchased From Two Knox Ranches**

Eleven boys of the Vera 4-H club have purchased calves for the ensuing year and will raise them for show purposes for next spring. W. W. Rice county agent, announced this week.

Knox County has become known in the cattle empire of this section as one of the outstanding 4-H calf raisers and has taken off high honors in fat stock shows in Wichita Falls and Fort Worth.

For the past two years the Vera club has entered the grand champion of Knox county, and the district 4-H show in Wichita Falls, and this year won second place in the Aberdeen-Angus division at Fort Worth.

The calves purchased for the boys this year were from the Hamilton and League ranches, and Rice stated that two other boys will be given calves in the near future. They are Arnold Koenig and Robert Schumacher of Rhineland.

Boys receiving calves to date are Gaylon Scott, who raised the grand champion of Knox county, and the district show at Wichita Falls for 1937; Elton Scott, whose calf in 1937 won the county and district grand champion ribbons; Darwin Shipman, Joe Wayne Roberson, Bobbie Roberson, Wade McGuire, L. B. Hitchcock, Joe Dean Clough, winner of second place in the Angus division at Fort Worth this year, Hope Bratcher, Finis Bratcher.

**Work Started On Widening Roadbed Of State Highway**

According to information from the office of County Judge E. L. Covey, work is now under way of moving fence lines back on state highway 252, to make allowance for the 100 foot right-of-way required by the state highway department.

The road was taken over by the state department several months back and the Commissioners' Court has purchased right-of-way from the Seymour-Benjamin road to the Brazos river and will purchase the remainder of the right-of-way to Munday when the route is designated by the state highway department. It is hoped to have the Munday-Benjamin road hard-surfaced in the near future.

**Weather Report**

Weather report furnished by H. P. Hill of the Munday Cotton Oil Company, for the week ending May 18th, 1938.

	LOW	HIGH
1937 1936	1937 1936	1937 1936
May 12	59 65	82 91
May 13	56 60	73 95
May 14	61 52	73 80
May 15	57 63	84 88
May 16	65 67	85 98
May 17	61 66	91 99
May 18	65 64	89 97

Rainfall this week, 1.66 inches.  
Rainfall this year, 13.75 inches.  
Rainfall to this date last year, 4.93 inches.

**FINAL PROGRAM FOR SENIORS IS SLATED MONDAY**

Rev. H. A. Longino to Deliver Baccalaureate Sermon

**LIONS TROPHIES TO BE PRESENTED**

Gerald C. Mann is Commencement Speaker

Twenty-four students of Munday high school will receive their diplomas in the Commencement exercises held at the elementary school auditorium Monday evening, May 23, Dr. J. H. Bass, superintendent of schools announced this week.

Class night, which was to have been held Saturday night, May 21, was taken out of the list of activities for the Munday senior class, and the usual senior week activities will not be given seniors here with exception of the Junior-Senior banquet, held last Friday night.

Rev. H. A. Longino, pastor of the First Methodist church of this city will deliver the Baccalaureate address to the seniors Sunday morning at the elementary auditorium at 11 o'clock. Church services in the churches of the city will be discontinued for the morning preaching hour, but Sunday School will be in regular sessions, pastors stated.

Gerald C. Mann, candidate for attorney general of Texas, and former secretary of state, will deliver the commencement address Monday evening. Mann is pictured at left.

One phase of the commencement program that is holding the spotlight, is awarding of the two Lions Club trophies to the most outstanding senior boy and senior girl. The two seniors who will receive the honors will not be announced until the night of the awarding, at which time Lion President R. R. Davenport will present the trophies. They are on display at the Baker-McCarty store window.

**HEFNER SCHOOLS TO CLOSE FRIDAY WITH PROGRAM**

J. Lyndal Hughes to Give Program at School

In cooperation with Miss Eva Jones, principal, and Mrs. Sara Offutt, teacher in the Hefner school, County Superintendent J. Lyndal Hughes is planning a program to be presented on Friday, May 20th. Patrons of the school plan a basket lunch at the school at twelve o'clock to be followed by a program to consist of musical presentations and other specialty numbers.

Through use of a projection machine, Mr. Hughes plans to take the school children and their parents on a trip through the schools of the county. Since the first of the year, Mr. Hughes has preserved on slides a permanent record of the schools of the county. By this means, every school of the county may be projected on a screen. A record has been taken of drinking fountains facilities, teacherages, transportation equipment, playground equipment, shop and home economics departments, typing, bookkeeping and junior business training departments, buildings and playground activities. The permanent picture library consists of 108 slides and is on file in the County Superintendent's office and is available to every school. Likewise, illustrated slides of the primary story, Little Black Sambo, which was obtained from the Bureau of Visual Education will be shown for the entertainment of the little folks.

Mr. Hughes plans to extend to every rural school and community the benefits of Visual Education Aids beginning with the new school year 1938-1939. The growing significance of the Audio-Visual Education was particularly stressed at an Administrator's Conference held at Austin January 6th and 7th of this year, which Mr. Hughes attended. This conference was also attended by Dr. J. Horace Bass superintendent of Munday Public Schools, and Wilson Harber, superintendent of the Sunset Rural High School District.

What He Does For His Community Lives On and On"—

## COMPULSORY VACCINATION IN MUNDAY SCHOOL SYSTEM

The Munday Board of Trustees last week passed a resolution that should perpetuate the preventative measures against diphtheria and smallpox by the child health clinic sponsored recently by the Munday Lions Club and the Munday P.T.A.

The resolution passed by the board requires that all students entering school, must be vaccinated against the two diseases before school opens. Under the plan it is hoped diphtheria and smallpox will forever be eliminated among children of school age in Munday.

## DEATH STALKS NIGHT DRIVER

Because 60 per cent of all fatalities occur at night when only one-fourth of the day volume of traffic is moving—let's remember that people cannot be taught to see in the dark! Most of us overdrive our headlight and until our major highways, which in reality become 20 years out of date as night falls, are provided with adequate, modern lighting we must slow down after dark.

And it isn't the city street that is most dangerous. Automobile deaths on rural highways increased 154 per cent since 1924, and in 1936 26,000 or 69 per cent of the total traffic deaths happened in rural areas.

Let's remember to make Spring a time to live anew—not a season when too many must die because we forget.

## TISH, TISH—LaGUARDIA

Ernest O. Thompson, red-headed gubernatorial candidate, got his "Irish" riled up at a statement made by Mayor LaGuardia at Wichita Falls recently, when the New York Mayor touched on the subject of Texas, attempt to lure new industry to the state.

Quoth the Mayor—"We'll go to raising our own potatoes if you go in for manufacturing."

Thompson wants to know whether New York will plow up Wall Street or Broadway to sow potatoes and spinach. Thompson is right in his statement that Texas ought to encourage industrial growth, even in the face of the "Little Mayor's" threat to plant his own potatoes, should we grab off a few industrial plants.

## 7,000,000 BIBLES SOLD

An annual circulation, throughout the world, of seven million copies of the Scriptures, for the thirteenth successive year, was reported by the American Bible Society at its 122nd annual meeting held on Thursday, May 12, at its headquarters, the Bible House, 57th Street and Park Avenue, New York City. During 1937, the circulation, totalling 7,328,550 copies of Bibles, Testaments, and portions of the Bible was in 197 languages and dialects, including different systems for the blind. Scriptures in 97 languages were circulated in the United States and in 149 languages by the Society's twelve foreign agencies. Heavy gains were noted in war-torn China, Brazil and United States.

## MR. PROUD CITIZEN SAYS

Before you "belittle" the efforts of fellow citizens in promoting civic projects—center your thoughts on "What have I done to help build Munday." Then in a tight-lipped, quiet way—go on about your business.

## THE MUNDAY TIMES

Published Every Thursday at Munday

Grady G. Roberts Editor, Owner and Publisher  
Boyd Carley News Editor  
Harvey Lee Foreman

**SUBSCRIPTION RATES**  
In first zone, per year \$1.50  
In second zone, per year \$2.00

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially, and objectively.

**NOTICE TO THE PUBLIC:** Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

### BIBLE THOUGHT

For with God, nothing shall be impossible.  
—St. Luke, 1:37.

### VALUE OF A NEW CITIZEN

TO Mr. and Mrs. Citizen of Munday:  
YOU WERE A NEW CITIZEN OF MUNDAY ONCE

A new citizen is the heart of the city. They are the life blood of the city. They bring needed infusion of new spirit into the city.

They are the means of perpetuating the city. They add strength and prestige to the city. They give the city new ideas and spur on the old citizens.

They stimulate the morale of the city. They are positive necessities in building a greater Munday.

**IN FACT:** Nothing means more to Munday than a new citizen.

YES, you were a new citizen once. What did you mean to the building of Munday? What you mean to the city today, the new citizen means tomorrow.

**TO MUNDAY OF TODAY—Don't underestimate the value of a NEW CITIZEN!**

### POEM—"Seeing it Through"

We need men today who can see it through  
Who can stand on the battle line,  
Who can face the foe, and take the blow,  
And believe in a Cause sublime.

We need men today with courage and faith—  
Who welcome the chance to slave—  
To aid in the birth of a better earth:  
God send us men who are brave.

Oh! For the grace to lose and laugh  
For the moments we prove love true  
God grant us strength through the journey's length—  
And the power to see it through!  
—Rev. Theodore Galliard Lilley

A supposedly lucky wishbone was unlucky for Peter Larson of St. Paul, who was sent to jail for stealing it.

The trouble with those people who know so much is that much of what they know isn't so.

### BUSINESS THOUGHT

In modern business it is not the CROOK who is to be feared most, it is the honest man who doesn't know what he is doing.

## TUBERCULOSIS!

A series of articles dealing on the disease and the Texas hospital for Tubercular Patients.

By DOROTHY GARRETT

Note: The Times is in receipt of a letter from Miss Dorothy Garrett of Sunset, who was recently admitted to the Texas Sanitarium for T.B. and will publish from time to time articles from Miss Garrett on the disease and the state hospital.

### TUBERCULOSIS

To have active tuberculosis and not know it, and to be responsible for scattering tuberculosis far and wide is a very serious matter. Not only do such persons often lose their own chance for recovery by waiting until the disease has become far advanced before they begin treatment, but they may cause untold suffering to others by unknowingly and carelessly scattering seeds of infection.

To begin with there are many avenues of infection in lung tuberculosis. Germs may be scattered by open coughing, sneezing or spitting. A person within a few feet can easily catch the germ. There are many indirect ways of infection, such as handling books, magazines, dishes and from drinking glasses. These are only a few because there are numerous

ways that the germs can easily be spread.

Many ask what they can do to prevent tuberculosis, or what to do after they know they have it. First a person needs sunlight and fresh air, safe and clean milk and cleanliness. Also a patient should never be allowed to share a room with anyone else. It is best that he have a room alone.

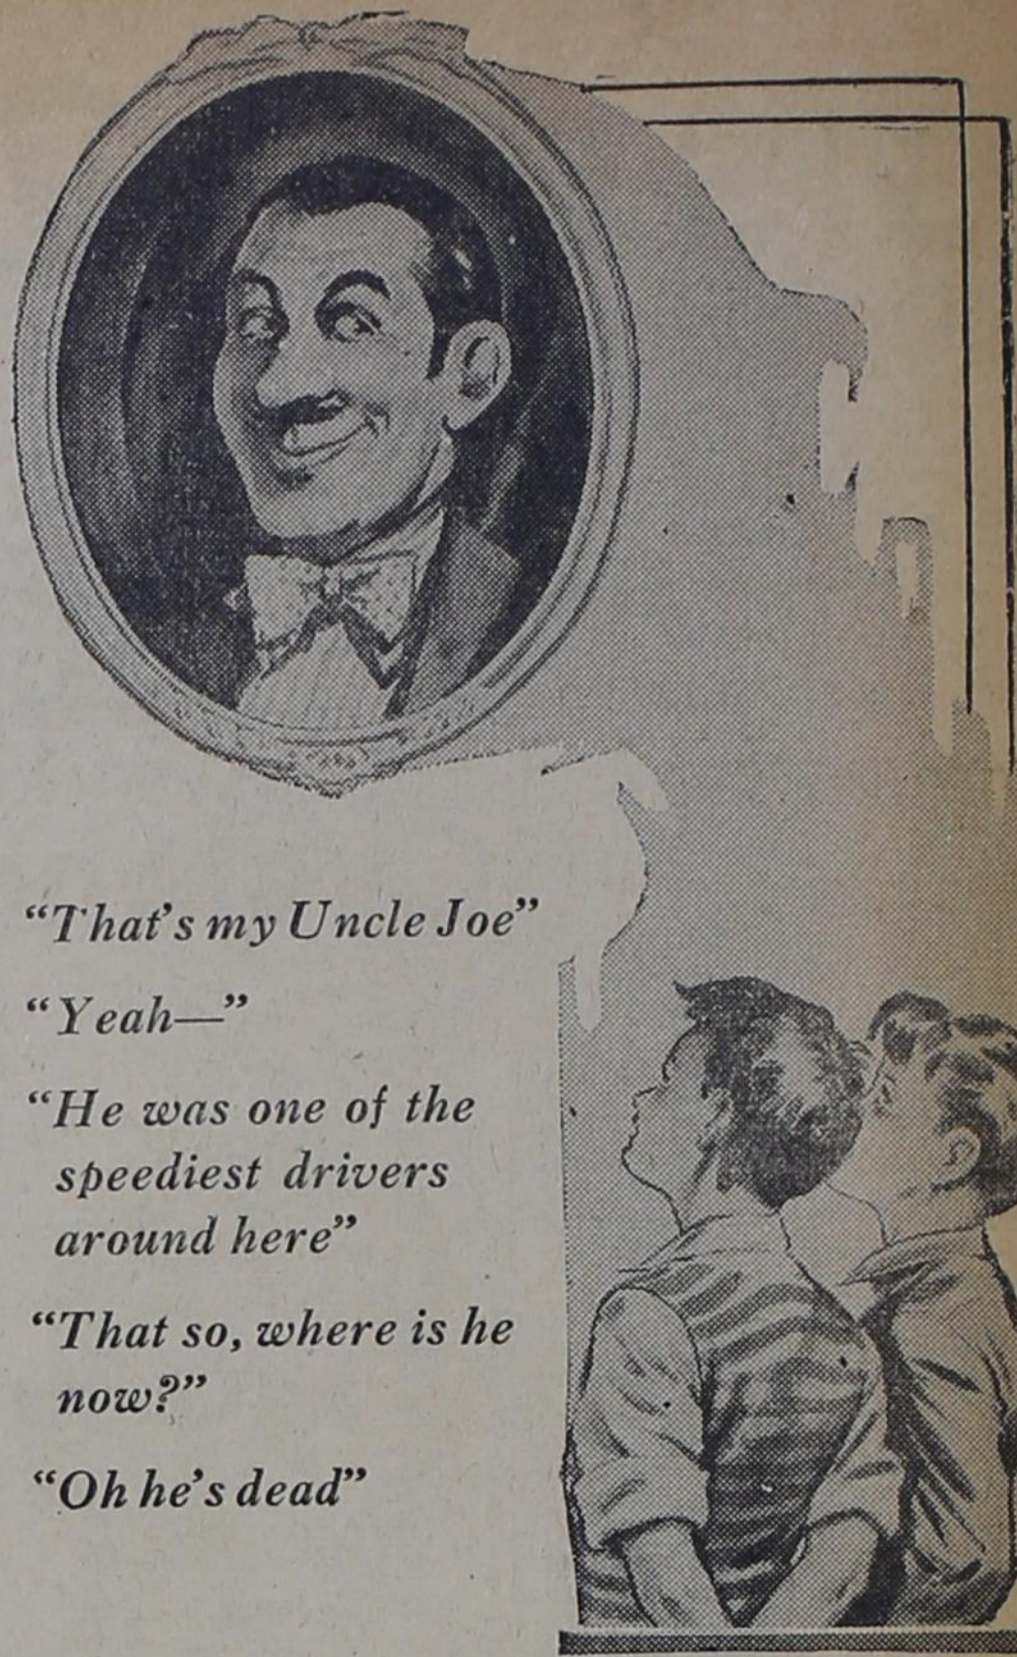

There are a great many people who are careless in everyday life, sometimes more so after they have contracted tuberculosis. Babies and small children should be kept away from chronic coughs. A grown person with a cough should not be allowed to handle babies. Every tubercular person should be diagnosed before he has germs in the sputum. The subject of tuberculosis should be taught in the home as well as in the school and lectures on health by physicians should be encouraged.

There are a number of ways of suspecting tuberculosis. A few are weakness or fatigue, nervousness or irritability, indigestion or poor appetite, or pains and soreness in the chest. Some run temperatures in the afternoon.

People who do not know much about tuberculosis often wonder what medicine is given. The most important medicine is "rest." Without that a person can have no hope of recovery. I'll admit that a few weeks ago I knew practically nothing on the subject of tuberculosis, but since I have come to this sanitarium I have read books and pamphlets and heard discussions on the subject and I fully realize the importance of knowing something about it. As I said in the beginning of this article, to have active tuberculosis and to endanger others with it, is certainly a major crime. I think it is indeed a great thing that the Parent-Teachers Association and the Doctors of Munday are giving the tuberculin test. And I also think that grown men and women as well as children should be encouraged to take this test.  
Dorothy Garrett

## IT TAKES COOPERATION TO CONTROL THE PROCESS

Each operation, a vital part in itself, is but a link in welding the chain that makes for strong, secure commercial projects. Together each is invaluable... alone, each is incomplete, unstable.

This bank has been proud of its record as a cooperating force in making Munday a more progressive, financially sound community. We hope to continue for generations.

A MUNDAY INSTITUTION 32 YEARS

## First National Bank in Munday

Member of Federal Deposit Insurance Corporation

## WHO HAS THE RIGHT TO SPEND YOUR MONEY?

LIFE INSURANCE consists of TWO THINGS: WHAT YOU PAY, AND WHAT YOU ARE PAID. If you pay more than justly needed, someone else is spending YOUR MONEY. IF YOU FAIL TO GET what you have already paid for, someone else will SPEND YOUR MONEY.

IN BUYING LIFE INSURANCE YOU SHOULD CONSIDER (1) The amounts you pay, (2) The convenience for you to pay, and (3) the time it will take to get settlement when it is needed.

### THE MOMENT A POLICYHOLDER DIES

THE BENEFICIARY IS DUE the INSURANCE MONEY. If the COMPANY and the MONEY are near, and they have a reputation for paying quickly, it makes the policy worth more to you by virtue of you having CASH WHEN MOST NEEDED.

THE DIFFERENCE BETWEEN OUR RATES AND OTHERS IS YOUR MONEY. You make your payments to our company at the First National Bank in Munday, and save postage and money order fees, which is YOUR MONEY. When a DEATH occurs, you have someone telephone us COLLECT, and we pay quickly. The saving you make by having CASH QUICKLY, will also be YOUR MONEY.

You buy the necessities of life where your money buys most, so why not apply this business method to your insurance?

Call us or write for rates, and ask ANY FUNERAL DIRECTOR WHO KNOWS, if we PAY our claims quickly.

## SOUVENIR TICKET

GOLDEN JUBILEE  
CELEBRATION  
STATE FAIR OF TEXAS

## Souvenir Tickets Will Finance Fair

Souvenir tickets which are now being sold for three for \$1.00, will be used to finance the rehabilitation of the grounds for presentation of the Golden Jubilee of the State Fair of Texas, and also to provide for the budget for various departments of the "World's Largest State Fair."

The campaign for disposal of the tickets got under way when the nineteen directors of the State Fair, subscribed for one book of tickets for each employee of their firm. Since the meeting when the original subscription was made, various business firms, civic organizations, fraternities and others have subscribed for one book of tickets for each employee or member of their organization. Goal set for the sale of tickets is 100,000 books, or 300,000 tickets. President Otto Herold said here recently that he expected the

issue to be oversubscribed.

The tickets come three in a book, and each book has a souvenir cover printed in five colors, with gold the predominant note, significant of the Golden Jubilee Celebration. The ticket cover was so designed that purchasers may keep the cover as a memento of the Golden Jubilee Celebration of the State Fair of Texas. The above is a facsimile of the ticket and the same design is executed on the ticket in five colors.

Hotel executives and employees of more than 1300 San Francisco hostels recently visited Treasure Island, site of the 1939 World's Fair of the West, which they are helping to publicize in daily contact with tourists.

Bank leaders of the nation are planning a display at the 1939 Golden Gate International Exposition, and may present on Treasure Island scenes showing actual operations of a bank.

Are You Boosting Munday!

## Tallest Youth In World Will Visit in Haskell

The tallest person in the world, Robert Wadlow, 20-year-old Alton, Ill., youth who towers 8 feet and 8 1/2 inches in height, will make a personal appearance in Haskell on Friday of this week, when he will visit Hassen's Store from 9:30 to 11 a.m.

Wadlow's tour of this section is sponsored by the Peters Shoe Company of St. Louis, and his appearance there will be free of charge to all who visit the store on that date. Mr. Hassen announced, Wadlow wears a size 37 Peters Shoe, made especially for him—the largest ever made for a human foot.

Mrs. W. R. Moore, and daughters Mary and Mildred and Miss Geneva Smith were in Abilene last Friday attending a district music meet.

San Francisco's big French colony will celebrate the fall of the Bastille during the 1939 Golden Gate International Exposition.

The 1,000,000th case of lower Rio Grande valley grapefruit juice was packed during the first week of April by the Rio Grande Valley Citrus exchange, according to word received by the Texas Planning Board. The Board estimates that Texas now controls about 60 per cent of the grapefruit juice industry of the United States. Considerable grapefruit juice is being shipped from the valley to California.

## KEEPING TAB ON The Eagles

By BUDDY BUMPAS

### GRADUATING SENIORS DEFEAT FUTURES

Last Wednesday afternoon the unbelievable happened, when the graduating senior basketball team, composed of Partridge, F. Shannon, Frost, Henderson, and Bumpas defeated the future senior team composed of Strickland, H. P. Shannon, Matthews, Myers, Burton, Hill, Cude, Hunter, and Hardin. This was the first time in the history of Sunset that this has happened. At the half it looked as if the old jinx would hold true, with Strickland who is to pilot the Eagles of '38 and '39 and his crew leading by three points. But after the half Captain Stogner and his team started using their experienced heads, and walked off with an easy victory. Frost was high point man, with twice as many points as any other player in the game.

The team of '38-9 will have only two letter men, Strickland and H. P. Shannon. Coach Kimbrough has seven other men to pick from for the other three positions. It will be quite a mix up because each of the players is well fitted for his position. So, watch the Eagles of '38-9.

### SENIORS WIN FINAL GAME

Friday afternoon, May 13, the Senior girls who are leaving Sunset played the girls who are coming out for the team next year. As the Senior girls had only five girls to play, Herbert Partridge helped them out. They played eight three-minute quarters. The girls were out of training and got very tired. At the end of the game the Senior girls had won with the scores 44 to 38. Pauline McAfee and Juanita Rogers played part of the time on the team for next year. This was these girls' first time to play with the high school girls, and they showed that they are going to be a great help to the team for next year.

For the last three weeks the class tournaments have been played. The Senior girls were "tops" as they won first place in basketball, bolyeball and baseball. They did not lose a game in the event.

One day last week the Senior high school girls baseball team went to Knox City to play playground ball. The Eagles were victorious. The game ended with the scores 8-6 in favor of Sunset.

### SUNSET SENIORS ENJOYED PICNIC

Last Friday evening Mrs. T. J. Partridge sponsored a picnic for the seniors. They all met at the "dip" and cooked their supper on a camp fire. Really an observer could hardly tell which furnished more enjoyment, frying all that bacon and scrambling all those eggs, or eating.

There were some twelve of the seniors and their sponsor, Mrs. Otis Cash, present. They had as their guests, Ruth McGee, Geneva Walker, Mary Frances Reeder, and Mr. Otis Cash, all of Knox City, E. G. Parkhill of Sunset; and Mr. and Mrs. T. J. Partridge and Wendell.

One Senior girl was heard to say she wondered why the Senior Class had not had a dozen or more such outings already. The entire group thank the hostess for a very pleasant evening.

LeRoy Henderson

### Sophomore Report

On May 13, the Sophomore class had a picnic near the "dip." They had a big ball game, and then supper. It was sandwiches, lemonade, cake, cookies, chicken, and fruit, along the creek. They came home after this, they all went on a hike about ten o'clock. All of them had a very nice time in spite of the fact that two of the boys fell into the creek.

School days are almost over for this year. The Sophs are looking forward to their Junior year when they can have a Junior-Senior banquet and a Junior play. They know all work and no play makes Jack a dull boy, so they mean to have a good time next year. (Of study a little), so farewell until next year when good times begin.

### New Affiliation For Sunset Hi

On Friday, May 13, in spite of the old superstition, Sunset had good luck. One of the three State Supervisors, Mr. Pascal Buckner, visited the Shop Department, consisting of woodwork, forge, mechanical drawing, and sheet metal, and granted affiliation to the school. Mr. Buckner showed pleasure at the way Mr. Bigony, instructor in Laboratory of Industries, had carried on the work. He was pleased with the equipment, notebooks, progress charts and was reported having said that the work was in accordance with State plans. The school is proud of Mr. Bigony's and the Shop boys' success.

The affiliation of Laboratory of Industries gives Sunset 21 affiliated credits.

Floyd Frost

### Freshmen News

The Freshmen have really been working this week. Why? Well, mostly because this is the last week of school and time for final exams.

Saturday night, however, they relaxed and had a jolly good time at the home of Guy Hardin. There were about twenty-two freshmen present, and their sponsor, Mr. J. W. Bigony, furnished most of the fun.

The annual flag fight will start Thursday, May 19, 1938 at 3:45. As this will be the Freshmen's first year to take part in the flag fight, they plan to be well represented.

Gene Griffith

### Junior Class News

At last the last week of school is here. It is not so enjoyable as a few of the pupils anticipated. They say a few of the Junior pupils are really having to burn some mid-night oil.

The Junior class has really been having its part of the fun at school and have one more main event, the flag fight, to look forward to.

The Junior class met at the home of one of their classmates, Wardell Sweatt, last Monday night and played games and then roasted marshmallows. All reported a great time.

Come on Juniors, and let's all make this last week the best week of all the year.

EAGLES ECHO COMPLETED  
 On Friday, May 20, the annuals will be issued.

The staff members have expressed their enjoyment of working on the Eagle's Echo. They have put out a lot of work on the books, but they think that the work has been profitable and beneficial to them. They hope that everyone will enjoy his annual.

### Home Ec Report

The Sunset Home Economics girls have completed their class projects and home projects, and all of the girls are sporting their new dresses.

After the class projects were finished, the Junior and Senior girls modeled their dresses in a group, and the Freshmen and Sophomore girls modeled theirs in a group.

In the Freshman-Sophomore group, the places were as follows: Katie Bell Sweatt, 1st. Virginia Parkhill, 2nd. Margaret Hardin, 3rd.

In the Junior-Senior group the places were: Lillian Hackney, 1st. Wardell Sweatt, 2nd.

Faye Marie Partridge, 3rd. Final examinations are coming up this week and the girls wish to say that they have really enjoyed taking Home Economics; and the senior girls envy the girls in the other classes because they will get to take further work in Home Economics.

Dorothy Gammill

### Karns Talks on Electric Wiring

E. E. Karns, district supervisor of the Rural Electrification Administration in Oklahoma City, will be one of the main speakers at the twelfth annual Short Course and Field Day at Texas State College for Women. With the day's program beginning Friday, May 20, Mr. Karns will talk at 10 a. m. on "Wiring the Farm Home for Electricity."

May 26, Thursday (1) Flax production on the Gulf Coast Country, R. S. Miller, Extension District Agent.

(2) Agricultural Economics Notes, J. W. Barger, head, Agricultural Economics Department.

## Skipworth Warns Fewer Loans Will Be Made for Food

Borrowers from the Farm Security Administration are being warned that fewer loans will be made in the future for purchase of food, and that next year's food supply for FSA clients must be grown at home to an even greater degree than in the past.

R. E. Skipworth, FSA's supervisor in Haskell, Knox, Baylor, Stonewall and Throckmorton counties, said that the abundance of the family table next year will depend largely upon work done within the next few weeks. Field crops will be taking all the farmer's time a little later, he said, and in the meantime attention should be focused upon the garden, poultry, cow and hog to assure that each will contribute its proper share throughout the entire year.

"Many families have been so centered upon the mere fact of obtaining cows, hogs and chickens, that they have failed to give sufficient attention to efficient handling of this livestock, after it has been obtained," the supervisor said. "Some of them let all their cows freshen at the same time, and the result is a surplus of milk at one season and a shortage at another. Others allow their sows to farrow too late to provide a winter meat supply, or they fail to set aside a calf to fatten for fresh meat or for canning."

Annie Mae Hudson, FSA's home management supervisor, said the most difficult matter of all is to keep gardens growing steadily month after month. "Some vegetable should be replanted after every shower," she said. "And just at this time, of course, the big job is to put up a supply of canned products that will carry through until next summer. The garden is of more than usual importance this year because in many areas there is a shortage of fruit. This fruit shortage can be made up by an increase in leafy, green and yellow vegetables."

The local office has been informed that 35 per cent of FSA borrowers in this county who last year

required loans for purchase of food are able to carry on this year without such financing. This same is true of 15 to 20 per cent of all FSA borrowers in Texas, and 30 to forty per cent in Oklahoma. "Money formerly spent for food will be available for paying indebtedness on livestock and equipment," the supervisor said. "When these borrowers own their teams and tools debt-free, they have made the first long step toward eventual ownership of their land."

More than 5,000,000 head of livestock was shipped from Texas last year, including cattle, sheep, lambs and hogs, according to Texas Planning Board statisticians.

Construction of Treasure Island, 400-acre site of the Golden Gate International Exposition, has changed the tides in San Francisco Bay.

Forty-passenger United airlines will fly from New York to San Francisco in 11 hours during the 1938 Golden Gate International Exposition.

HOW DO I LIKE MY  
SERVEL  
ELECTROLUX

?

11 YEARS

CONTINUOUS USE

Not 1c for Repairs!

"WE bought our Servel Electrolux—the first in this region—in the spring of 1927. It has been in continuous service ever since. It has averaged about \$1 per month to operate, the entire time. We have never spent one cent for service or repairs! It still makes ice, preserves food, just as well as the day we installed it. We believe Servel Electrolux is a paying investment!"

This is the statement of Mr. James E. Brewer, prominent jeweler in Ballinger, Texas. It speaks for itself.

### ON THE FARM—

"I operate a small dairy—9 to 12 cows. My 7-ft. kerosene Servel Electrolux furnishes all the refrigeration I need, plus plenty of ice for home use. It cost \$8.40 for kerosene over 10½ months; until I bought it, our ice bill was \$75 to \$100 per year, not to mention expense of going after it, time lost and wear and tear on the car. Servel Electrolux takes all the country off the farm and puts you right in the city!"—Mrs. C. W. HOLMES, Megargel, Texas.

FREE! 300 SERVEL ELECTROLUX REFRIGERATORS

Ten given away FREE each day, May 20 through July 1 (except Saturdays, Sundays and May 30)

For details, Tune in the P & G Guiding Light Program WBAP-WFAA—2:45 P.M.

Come to our store for contest entry blanks or get one from your grocer.

SERVEL  
ELECTROLUX  
THE Gas REFRIGERATOR

Also Operates on KEROSENE (COAL OIL) ... BOTTLED GAS ... BUTANE ... AS WELL AS NATURAL GAS ...

ANY automatic refrigerator is pretty AND shiny, when new. Runs quietly. Freezes ice cubes. But before you buy, ask yourself this: "What will it do 10 years from now?"

Mr. Brewer's Servel Electrolux—after 11 years use—is doing as good a job as the day it was installed! Why? Because Servel Electrolux, the Gas (or Kerosene) refrigerator, has no moving parts in its freezing system. Nothing to wear; to cause big repair bills, or replacements. It is silent—the first year and the 11th year and forever.

Do you have the idea "they're all alike"? Then compare Mr. Brewer's Servel Electrolux with any other automatic refrigerator 11 years old—if you can find one! Servel Electrolux is different—entirely different—from all the rest. And hundreds of owners in West Texas will tell you theirs have paid for themselves many times over. Yours will, too. Will you let us prove this to you, in black and white? TODAY?

Just a Small Down Payment Puts It In Your Home

**MISS JEANETTE CAMPBELL AND CECIL COOPER UNITED IN MARRIAGE IN J. C. BORDEN HOME BY REV. H. A. LONGINO**

The marriage of Miss Jeanette Campbell and Mr. Cecil Cooper was solemnized Saturday night at the home of Mr. and Mrs. J. C. Borden of this city at 8 o'clock.

The Rev. H. A. Longino, pastor of the First Methodist Church of Munday performed the ring ceremony in the living room of the Borden home, which was decorated with white gladioli flowers, to carry out a color scheme of white for the impressive ceremony.

The bride wore a white chiffon dress and bolero jacket with white accessories and a corsage of white gardenias, for the service, and the couple were attended by Miss Campbell's father, R. G. Campbell, and Mr. Cooper's parents, Mr. and Mrs. J. F. Cooper of Weinert.

Following the reading of the marriage vows, Mrs. Cooper cut the wedding cake, trimmed with white icing, and centered with a miniature bride and groom. The wedding cake and punch was served to guests.

Mrs. Cooper is the accomplished daughter of Mr. R. G. Campbell of this city and is a graduate of the Munday High school. For the past few years she has been employed in the Haynie Beauty Shop.

Mr. Cooper is the son of Mr. and Mrs. J. F. Cooper of Weinert, where he received his high school education and since has been employed in this city at the Baker-McCarty Store.

Guest list for the ceremony other than attendants were: Mr. and Mrs. J. C. Borden and son, Joseph; Mr. and Mrs. Homer Lee and son Bobbie of Wichita Falls; Mr. and Mrs. C. P. Baker; Mr. and Mrs. Robert Green; Mrs. J. C. Campbell and daughter, Dorothy; Miss Lorene Newsom; Mr. Howard Collins; Mr. Willard Bauman; Mrs. Ed Campbell and her daughter and son-in-law, Mr. and Mrs. Theron Harbour of Wichita Falls; Miss Jane and Master Grayford Campbell, sister and brother of the bride; Mrs. H. A. Longino; Mrs. W. P. Farrington; Mrs. R. H. Neff; and Mrs. P. V. Williams.

The bride and groom left after serving of refreshments for Wichita Falls, and Petrolia, with Mr. Howard Collins and Miss Lorene Newsom, and returned Sunday night.

Mr. and Mrs. Cooper will be at home in the Bunts apartments to their friends.

## MRS. PARTRIDGE FETES SUNSET SENIORS

Mrs. Emmett Partridge was hostess to the senior class of Sunset high school last Sunday at a luncheon at the first of a series of events honoring the seniors of 1938.

The students gathered at the home of the hostess during the morning and social gathering constituted the morning activities.

At noon the guests were assembled and served luncheon. The menu consisted of fried chicken, peas, candied sweet potatoes, corn fresh tomatoes, potatoes, Jell-o salad, fruit salad, rolls, iced tea, ice cream and cake.

Miss Marguerite Jarvis was the only senior unable to attend, due to illness, and she called just before luncheon was served, expressing her regrets and conversing with her classmates.

Attending were: seniors, Buddy Bumpas, Loveda Cheek, Lemuel Clarke, Floyd Frost, Dorothy Gammill, Frances Gray, LeDean Groves, Lillian Hackney, LeRoy Henderson, Nell Nix, Faye Marie Partridge, Herbert Partridge, Fuller Shannon, Aseklon Stogner, Ida Lou Walling, and Inez Vernon; and the following invited guests: senior sponsor, Mrs. Otis Cash, Mr. Otis Cash, and Miss Lois Spraggins and E. G. Parkhill, Jr.

## COMING MARRIAGE ANNOUNCED AT COFFEE PARTY

Announcing the engagement and approaching marriage of Nina Spencer, daughter of Mrs. J. O. Spencer of Pittsburgh, Texas, to Paul Pendleton, son of Mr. and Mrs. H. A. Pendleton, Mrs. L. M. Palmer, Misses Dallas K. Smith and Mary Couch were hostesses at a coffee Saturday morning at 10 o'clock at the club house.

Pink and white, the bride's chosen colors, were repeated in decorations and favors. Candlelight glowed upon a lace-covered table centered with a ring of pink rosebuds. Tiny nosegays attached to miniature wedding rings contained scrolls which announced June 5 as the wedding date.

The program featured a vocal solo, "I Love You Truly," by Elizabeth Dillon, piano selection by Mildred Kennedy and Mrs. Jim McDonald, and a reading by Mrs. Pitzer Baker.

The charming bride-to-be, wearing a shoulder corsage of pink rosebuds, was presented a dainty hand-made "Wishing Ring" book where the following guests were registered: Mrs. H. A. Pendleton, Sr., Mrs. Roy Sanders, Abilene, Mrs. Henry Mason and Mrs. H. A. Pendleton, Jr., of Wichita Falls.

Mesdames J. H. Bass, Howard Cobb, Bess Porter, John Ingram, Louise Ingram, C. P. Baker, John Ed Jones, Leland Hannah, W. P. Farrington, R. H. Neff, L. S. Hardigree, Dick Atkinson, Lyle Stodghill, Cecil Barton, Jim McDonald, W. R. Moore, A. L. Smith, Bud Reynolds, P. V. Williams, Oates Golden, John Lane, Tom Haney, T. G. Benze, Agnes Mayes, Carl Jungman.

Misses Dorothy Campbell, Mildred Kennedy, Mayme Crouch, Dorothy Crawford, Elizabeth Dillon, Mary Ethel Darnell, Bertha McNeill, Ruth Baker, the honoree and the hostesses.

## OPERA ARTISTS PRESENTED IN COFFMAN HOME

In one of the outstanding social events this season in Goree, Mr. and Mrs. Orb Coffman presented Mrs. Silita Haley of Wichita Falls, soprano soloist who is studying under Maestro Frederick Vajda, member of the Metropolitan Opera Company of New York City, in a program at their home last Saturday evening.

Vajda and Mrs. Haley were houseguests of the Coffmans and he accompanied the distinguished young singer at the piano. Vajda is also a member of the San Francisco Opera Company, and the two artists were enroute to San Francisco where Mrs. Haley will resume her voice studies and will also study French under Mrs. Vajda.

Mrs. Haley held her appreciative audience completely with her renditions which reflected the prodigious study and training she has had.

The program given by Mrs. Haley follows: "Je Veux Vivre"—Romeo and Juliet, by Gounod; Gavotte from "Manon" by Massenet; "Jewel Aria"—Gounod; "Ave Maria," by Verdi; "Goin' Home," by Dvorak; "Summertime," by Gershwin; and "You'll Git Heaps o' Lickin'," composed by R. Clarke.

Guest list for program included the following from Goree; Mr. and Mrs. Hill Heard, Mr. and Mrs. Roy Maples, Mr. and Mrs. W. L. Stewart, Dr. and Mrs. E. F. Heard, Mesdames Henry Cowser, S. F. Farmer, C. C. Maloney, Will Ratliff, John Coffman, Forrest Daniels, and Misses Jessie Daniels, Francis Farmer, Marjorie Arnold, and Mary Maloney, and the following out-of-town guests: Mr. and Mrs. Morris Randall of Seymour; Mrs. Louise Ingram, Mr. and Mrs. T. G. Benze, Mr. and Mrs. Jim McDonald and Mr. and Mrs. Oates Golden, all of Munday.

## MISS MARY MOORE MAKES NATIONAL HONOR ROLL

An excellent showing was made by five piano students of this city when they attended the district meeting of the National Piano Playing Contest held in Abilene last Friday afternoon at Hardin-Simmons University.

Miss Mary Moore accomplished daughter of Mr. and Mrs. W. R. Moore, was accorded the highest honor when she qualified for the National Honor Roll, by her piano renditions. Miss Moore was the only member of the Munday delegation to make the National Honor Roll.

Miss Jean Williams, daughter of Mr. and Mrs. P. V. Williams and Miss Maxine Eiland, daughter of Mr. and Mrs. G. R. Eiland, Sr., both were placed on the Texas State Honor Roll through their efforts.

Juracy Jones, daughter of Mr. and Mrs. Edgar Jones and Ben Bowden, son of Mr. and Mrs. J. O. Bowden, were made members of the district honor roll.

The unusual record compiled by the piano students is an accomplishment of merit and denotes the abilities of music instructors of the city.

## MUSIC CLUB HAS FINAL MEETING OF SEASON

The Munday Music Club closed their year's work in a meeting Thursday of last week with a study of modern American music.

Mrs. John J. Ingram was in charge of the meeting and the following program was given under her direction.

Two pianos—"Butterfly Waltz," by Friml, rendered by Miss Fannie Isbell, Mrs. H. A. Longino, Mrs. Jim McDonald and Mrs. Orb Coffman.

Vocal solo—selection from Walter Cox, Texas composer, sung by Mrs. Orb Coffman.

Piano solo—"Mississippi Suite," Groffe, by Mrs. Jim McDonald.

Vocal solo—"I've Got Plenty O' Nothing," Gershwin, by Mrs. Orb Coffman.

The club has made an extensive study of the opera during the past season and also studied European composers. They will not resume meetings again until after the summer months.

## SUNSHINE CLUB MET IN ELMER BROWN HOME

The Ladies Sunshine Club met at the home of Mrs. Elmer Brown Wednesday afternoon. The members present were Mesdames W. J. Swain, W. S. Howard, Mary Beatty, Gus Brown, Douglas Smith, Thurman Cannon, Arthur Howard, Melvin Thompson, R. B. Jones and Ewen Beatty. There was one visitor present, Mrs. Smith, grandmother of Mrs. Beatty.

The club presented Mrs. Eula Mae Phillips with a nice pot plant last week. Mrs. Phillips has been confined to her bed for some time.

The next meeting will be at Mrs. Thurman Cannon's, Wednesday afternoon, May 18. All the ladies in this community are invited to join our club.

## NEW OFFICERS INSTALLED AT CLUB MEETING

Officers for the new year, which will start next fall, were installed by the Munday Study Club in their last meeting of the present social season at the club house last Friday.

A business session closed the years work and a report of the past months work showed that a donation of \$2.00 was made to the cemetery fund and \$5.00 to the child health clinic held recently.

The out-going officers of the club were hostesses to the members and served a delightful tea at the close of the meeting.

Officers installed were: Mrs. Jack Mayes, president; Mrs. J. C. Harpham, first vice-president; Mrs. Wade Mahan, second vice-president; Mrs. Lawrence Kimsey, recording secretary, Mrs. Chester Borden, corresponding secretary; Mrs. Marvin Huskinson, treasurer; Mrs. Lyle Stodghill, assistant treasurer; Mrs. Marvin Reeves, executive member; Mrs. Fred Broach, parliamentarian and critic; and Mrs. W. L. Barber, federation counselor; and Mrs. Chandler Hughes, reporter.

## MRS. HUSKINSON IS HOSTESS TO BRIDGE CLUB

Mrs. Ike Huskinson was hostess to the New Deal Bridge club at her apartment home Wednesday.

The guests were seated to a luncheon at noon and following the luncheon contract bridge was played.

High score for the afternoon was won by Mrs. E. M. Roberts.

Club members present were Mrs. E. M. Roberts, Mrs. Wade Mahan, Mrs. Ralph Johnson, Mrs. Jack Mayes, Mrs. Lawrence Kimsey, Mrs. J. C. Harpham and two guests, Mrs. Robert Green and Mrs. Harold Leathers, and the hostess.

To Father's Beside Joe Bailey King of this city was called to Abilene Sunday to be at the bedside of his father, J. W. King, who underwent a major operation at an Abilene hospital. Mr. King was reported to be doing nicely.

Mr. and Mrs. Roy Sanders of Abilene visited in the home of Mrs. Sanders mother, Mrs. H. A. Pendleton during the past week end.

## SURPRISE SHOWER GIVEN MISS NINA SPENCER TUESDAY

In one of the loveliest and most enjoyable social affairs of the grade school students during the past year, the Second Grade pupils gave a surprise kitchen shower for their instructor, Miss Nina Spencer, bride-elect of Mr. Paul Pendleton, Tuesday afternoon at 2 o'clock in the home of Mrs. Leland Hannah.

Acting as hostesses for the affair were the room mothers of the second grade, Mesdames Pitzer Baker, Lyle Stodghill and Leland Hannah.

Each of the little guests registered in a bride's book as they entered the party rooms, which were decorated in the motif for brides.

The table where the gifts were placed was centered with a wedding cake with a miniature bride and groom. After the gifts were opened the children were served strawberry shortcake and ice cream, with dolls being plate favors for the girls and marbles plate favors for boys.

## MARSHMALLOW ROAST GIVEN SUNSET JUNIORS

Members of the Sunset Junior class met in the pasture of Mr. and Mrs. L. C. Swatt Monday evening for a marshmallow roast.

After a number of games were played, the group gathered around the camp fire to tell bedtime stories and to see who was the biggest liar. While marshmallows were roasting, hot chocolate and cookies were served.

More games were played and then ice cream cones were served to the following guests: Misses Lois Spraggins, the Junior sponsor, Louise Gray and Ralph McBeth, Hallie Phine Clark and Orville Strickland, Traphene Wren and E. G. Hunter, Winters Groves and J. E. Parkhill, and Junior Matthews. Guests other than the class were: Virginia Parkhill, Clea Jones, Buddy Bumpas, Elvis McMahn, Frances Gray, Katie Bell Swatt, and the hostess, Wardell Swatt.

## MISS LOLA KEMP MARRIED LAST SATURDAY

Miss Lola Mae Kemp and Mr. Vernon Donaldson were united in marriage last Saturday night in the home of Rev. Albertson, who conducted the ceremony.

Miss Kemp is of the Washburn community, and Mr. Donaldson is from Throckmorton, Texas. The couple will make their home in Throckmorton.

The young couple were attended by a bridal party of 25 persons, consisting of relatives and close friends.

## JUNIOR-SENIOR BANQUET HELD LAST FRIDAY

Smell of hay, twang of a guitar, flicker of old oil lamps, undertones of a bass fiddle, clothes of the dude rancher, clothes of the fifth avenue debutante, sniffs of saddles, moonlight—All of these familiar, and unfamiliar sensations mixed with the shrill, happy voices of the Juniors and Seniors to unfold the highspot of the year—the Junior-Senior Banquet.

Friday the thirteenth was the "Last Round-Up" Day. After this the wagon will roll in and our branding will be over—we hope the Seniors have the MHS brand sufficiently burned so that rustlers cannot easily remove it.

The gym was transformed into a ranch barn, with piles of hay and saddles. Mr. Bass was the big boss, and Winston made a very convincing foran in cowboy togs. Music was furnished by the Blue Ribbon Melody Boys from Stamford. After the banquet we all took part in dancing the Virginia Reel. The banquet itself was in keeping with the ranch motif. The tables were arranged in U-shape, covered with oil cloth. The gym was lighted with kerosene lamps and lanterns. The dishes served were given ranch names. The waitresses wore cowgirl costumes.

Cheers for the Junior room-mothers for chuck preparation, to Sophomore girls for serving, and to Miss Darnell, our sponsor.

## BEAUTY SPOTS IN MUNDAY

Written by 3rd Year Home Ec Girls of Munday High School

Miss Shelley Lee has a lovely yard containing roses, lilies, clover, pansies, and cactus plants.

Everyone is very grateful to Brother Longino for the work he has done around the Methodist parsonage and church.

Some painting has been done at the postoffice. The walls have been painted maroon. The doors and some of the other woodwork was painted a light gray.

New gold colored drapes are found at the top of the Fair Store windows.

The Campbell Variety also have new drapes at the tops of their windows.

Mrs. L. W. Hobert has a lovely bed of flowers.

Mrs. Mertie Cox's flower bed containing larkspur and poppies make a beautiful scene from the road.

Bob Huckabee's yard is looking very beautiful, showing that there has been some hard work done on it.

Louise Jacobs

Mr. and Mrs. Homer Lee of Wichita Falls, former Munday residents, were in the City last Saturday.

J. D. Kethley, optometrist of this city, spent the first part of the week visiting friends and relatives in Abilene. His family is there where his children are attending college.

## News From County H. D. Clubs

MISS NINA ASTIN Home Demonstration Agent

### HEFNER CLUB MET IN E. J. JONES HOME

The Hefner Home Demonstration club met Tuesday afternoon May 17 in Mrs. E. J. Jones' home.

The president opened with all repeating the club pledge in unison. The standing committee reported on club finances.

The last council meet was reported by our representative. We elected Mrs. W. H. Barnett to attend the One Day Short Course at Denton, May 20th.

A story was told of new invention of making starch out of sweet potatoes at Laurel, Miss., by Mrs. E. J. Jones.

Mrs. Sidney Johnston showed a collection of colored pictures and told of proper types of pictures and how and where to hang them in the home.

Handwork was done during the social hour.

Refreshments were served to Mesdames W. H. Barnett, Ben Holder, Sidney Johnston, R. L. Lambeth, F. M. Lambeth, Geo. Weber, E. A. Jones, T. H. Jones, C. E. Jones, M. J. Jones, and the following visitors: Mrs. Jack Freeman, Mrs. L. L. Hendrix, Mrs. E. R. Holder, Ferris Mobley, Guy Williams of Brushy, and the hostess and Mrs. J. G. Martin. Mrs. E. J. Jones

### MUNDAY H.D. CLUB MET IN EDWARDS HOME

The Munday H.D. Club met Friday, May 13, at 2:30 in the J. E. Edwards' home.

The president, Mrs. Frank Boley, presided, and after a short business meeting a review of No Honor Lost, written by Nelia Gardner White, was given by our President.

A refreshment course was served to the following members and two visitors: Mesdames Geo. Pruitt, Ora Collins, John Rice, Geo. Conwell, Elmer Dickerson, L. W. Hobert, C. E. Bolander, J. J. Keel, C. R. Parker, Frank Boley, Bill Phillips, A. E. Whittemore, Don Phillips, R. B. Wilson, Ralph Weeks, Lura Waddington, Kirby Fitzgerald, Speck, Gilbert, John E. Remeau.

The next meeting will be with Mrs. L. W. Hobert, May 27. Miss Nina Astin of Benjamin will demonstrate making a sponge cake.

Each member is to bring a sponge cake to be judged.

### MISS ASTIN GIVES DEMONSTRATION AT SUNSET CLUB

Miss Astin gave a demonstration on sponge cakes by baking an angel food cake. She gave each step in the procedure of mixing and why certain precautions were taken in the mixing of cake and in oven temperature. After 30 minutes mixing, 1 hour baking, one hour cooling and 30 minutes for cake frosting it was ready to be served to each club member present.

The meeting was held in the home of Mrs. I. W. Walling, the club president, on May 2. Roll call was answered by nine members. Each member gave a recipe that was used a long time ago. "Lady Baltimore Cake" proved to be the favorite old recipe.

The following members were present: Mrs. I. W. Walling, Mrs. R. C. Partridge, Mrs. T. J. Partridge, Mrs. R. M. Almanrode, Mrs. A. P. Garrett, Mrs. Roe Myers, Mrs. Gammill, Mrs. W. C. Kimbrough and Mrs. J. W. Bigony.

The Sunset club has made great progress in this year's work, but there is lots to be done to complete the year's work. Several of the ladies have been learning how to make lace with a sewing needle and thread, they hope to accomplish their work and add several needed articles to their linen closet. We adjourned at 6:00 o'clock, thanking our hostess for an enjoyable afternoon.

NEXT MEETING SLATED MAY 24 IN J. W. WALLING HOME

"Recreation for Every Member of the Family," will be the topic of discussion for the regular meeting of the Sunset Home Demonstration Club. The meeting will be held in the home of Mrs. I. W. Walling, May 24.

All members are urged to attend, as summer time is almost here, and that is the time for recreation and rest. Maybe each member will receive beneficial results from ideas given by the different ladies. Come and bring someone with you.

## CHURCH NEWS

**FIRST BAPTIST CHURCH**  
Next Tuesday, May 24th, Associational Workers' Conference meets with the Knox City church. A good program has been arranged. You will enjoy the meeting.

There will be no preaching service next Sunday morning on account of the Commencement sermon at the school auditorium. Be on time for Sunday School. We will get out in plenty of time for the other service. Training service at 7:35. Preaching at eight. You are always welcome to any or all of our services.

W. H. Albertson

## SCOUTING THE

MUNDAY, TEXAS, TROOP

Cecil Cooper, Scoutmaster  
Robert Greene, Assistant  
Henry Dingus, Reporter  
Meeting Place—Legion Hut

Last Monday night the Scouts met at their usual meeting place, the Legion Hall. More than twenty boys were present, including the Scoutmaster and the Assistant Scoutmaster. We still haven't moved to our new quarters, the old Grammar school building, because the lights haven't been fixed yet. However, each patrol has worked there a little, cleaning up the patrol-rooms.

We have decided to put on four Scout plays, three of which have already been selected. Those selected were: "Jerry Sees a Gonna," "The Haunted House" and "The Call of the Eagle."

We, the Scouts, are planning to attend the Scout Camp in the Wichita Mountains, some time next month. The camp will open in the early part of June, but our district won't get to go up there until the third week.

The total cost of the camp, which will last for a week, is only five dollars; all Scouts are urged to go, as we are going to pass some of our first-class work there.

Next Monday night will be an important meeting night for the Scouts, because the parts for the plays will be given out, and everyone is requested to know by then whether or not you are going to the Scout camp, if possible. There will also be a special treat for all scouts who attend the meeting, so be sure and be there at seven forty-five at the Legion Hall.

The Flying Eagle patrol, headed by Dick Harrell, is still ahead in our patrol contest. Incidentally, so far they have been one hundred per cent perfect. We have agreed that the three losing patrols will treat the winning patrol to a swimmin' party some time in the near future.

To Petrolia Sunday

Mr. and Mrs. Cecil Cooper and Miss Lorene Newsom and Howard Collins, all of this city attended the baccalaureate sermon at Petrolia high school Sunday. Miss Tiny Newsom, sister of Lorene Newsom is a member of the Petrolia graduation class.

## Seating Capacity of Texas Cowboy For Coming Reunion July 4, 5, and 6 Reunion Will Be Increased by 2,000

### Organization to Spend \$7,000 for Ground Improvement

STAMFORD, May 18.—Replacement of the old No. 1 grandstand with a larger and more comfortable structure which increases the seating capacity at the rodeo arena by 2,000 is the largest single item on the \$7,000 improvement program now under way at the Texas Cowboy Reunion grounds just outside the Stamford city limits. The enlargement will give a total grandstand capacity of 10,000 benches and 3,000 bleacher seats.

The new grandstands, as well as the other improvements, will be completed in advance of the opening of the ninth annual Reunion which will be held on July 4, 5 and 6. The floor of the rodeo arena is being re-graded to give a better take-off for roping contestants as they dash into the arena.

The bucking chutes, pens, judges' stand and directing official's platform are also being rebuilt. A new two-story rodeo office is replacing the smaller structure used for that purpose. As during the past two years, the rodeo arena will be practically dust-free, the ground being treated with a special preparation for that purpose.

Five registering trunstiles of the type used at the Texas Centennial Exposition will be installed at the main entrance to the rodeo arena and a new fence will be built on that side of the show arena.

This year's improvements, along with the superior lighting system installed last season, gives the Cowboy Reunion probably the finest outdoor arena in the United States.

In the chuck wagon area, a steel-towered Dempster windmill will lend ranch atmosphere. The mill will be near the east shore of the lake which has been filled with sparkling, clear water by abundant rains this spring.

Ridary Clubs of South America are fostering legislation aimed to help the masses, according to Major Jose Perez-Brown, Commissioner for the 1939 Golden Gate International Exposition, who recently visited Bolivia, Ecuador, Peru and Chile.

Travel lore and the thrills of outdoor vacation trips in Western States, will be an outstanding theme of the 1939 Golden Gate International Exposition on Treasure Island in San Francisco Bay.

Outstanding operatic and musical stars will sing for thousands on Treasure Island, site of the 1939 World's Fair of the West, in a series of pre-Exposition "pop" concerts.

Forty-foot elephants, fashioned by sculptors, look down from the massive Fortals of the Pacific, the main entrance, on visitors to the Golden Gate International Exposition.

## Weekly Health Letter!

Issued by Dr. Geo. W. Cox,  
M.D., State Health Officer  
of Texas

### Public Health to Be Given in Texas Tech College

AUSTIN—Announcement was made this week in Austin by Doctor Geo. W. Cox, State Health Officer, of the inclusion in the Texas Tech College curriculum of a public health course in sanitation to be offered this summer from June 9 to August 25.

This public health course is the first ever to be offered by any Texas college or university and is made possible at Texas Tech college in cooperation with the State Department of Health and the League of Texas Municipalities.

The course is designed for water works operators, sewage plant operators, and sanitarians in the smaller Texas cities who have for some time now demanded Texas public health courses offered within the State by men familiar with Texas problems. For the public health personnel of larger cities, the course will offer an opportunity to broaden their knowledge of public health and its trends.

The public health course will consist of training in plumbing, water works and sewage problems, garbage disposal, rodent control, mosquito control, swimming pool operation, proper handling of milk for distribution, and general sanitation with the inclusion of some field survey work and laboratory exercises.

"We feel that the inclusion of this series of public health courses in the curriculum of Texas Tech College is a step forward in public health work in this State, because it makes accessible to so many more men an opportunity to study these problems than if they were forced to go out of the State for these courses. We should like to call attention to this series of courses to the smaller cities particularly, so that plumbing inspectors, water plant superintendents, food and drug inspectors, may be given a chance to attend these courses this summer with resultant bettered operation and maintenance of the municipal health program."

"Wear them and compare them with your former sock expense."

### Junior-Senior Banquet Given Last Thursday

The banquet given last Thursday, May 12, in honor of the Seniors, was one of the most outstanding social events of the school year.

The auditorium was beautifully decorated with pink and white streamers pinned off with pink roses. The tables were lovely with bouquets of fresh flowers in crystal vases, and at the ends of each table were lighted pink tapers in crystal holders. Each place was marked by a pink nut cup filled with candy and a small booklet having the program of the evening, the menu, and the names of the seniors.

Speeches of the evening were made by Rev. Matthew Wiederkehr, Mr. John Hoffman, the seniors: Alphonse Kehler, Gerald Stengel and Rose Ann Kreitz. Alma Schumacher gave a toast to her classmates. Bertha Stengel gave a toast to the seniors.

Dorothy Koenig and Catherine Homer recited the poems, "A Lady in Distress," and "Seein' Things at Night." The high school girls quartet sang two songs: "Lights Out," and "Twilight on the Trail." The high school boys' trio sang "Carry Me Back to the Lone Prairie." Georger Claus rendered a lovely rendition of "Listen to the Mocking Bird," as a piano solo. Rev. Matthew Wiederkehr gave the blessing and thanks before and after the banquet.

### Senior Class News

The Seniors wish to express their appreciation to each and everyone who in any way helped them to reach their goal. We have enjoyed our associations with teachers and students, and regret that we are also experiencing the fact that there is joy in accomplishment. To the lower classmates we wish to remind that the race is not always to the fleet, but often to the persistent.

In spite of the weather, we enjoyed the banquet very much and are grateful to those who made it possible.

### Junior Class News

All of the Juniors came to a conclusion that they have enjoyed this year of school better than any other, even though it was considered one of the most difficult.

We thank all of the teachers for their patience to guide us through the year, and we are hoping to see all of the students back again with us when the school opens for the next term.

To the Seniors, we say that we wish them the best of luck, happiness and success, when they enter the new world which faces them. We also thank them for the good examples they have set before us. We will try to follow in their footsteps.

Since this is our last report, we take this opportunity to wish the teachers and students a joyful vacation and "Auf's Wiedersehen."

### Sophomore Report

Since this is the last Sophomore report that will be written this year, I feel very sad when I think that we will no longer be able to publish our news as sophomores. But we are gratified when we remember that the next report from our class will be the Junior report.

Although we are glad to get a vacation, we do not like the thought of being separated for so long from our teachers as well as our classmates.

Good luck to you, Seniors. We have enjoyed your company as fellow students, and we hope to profit by your example.

### Freshmen News

At this time of writing there are only a few days left until school will be out—and are we glad. We have enjoyed the year as Freshmen and hate to leave this class, but we hope to be present one hundred per cent next year to resume our work as Sophomores.

We are proud to say that one-half of our class made a general average of 90 or better in our year's work.

The banquet was a great success. There was a big cloud in the sky, but this did not scare us away. The students were there one hundred per cent. We regret that two trustees could not be with us.

W, the Freshmen, wish to congratulate the Seniors of 1938 for their encouraging example they have set for us. We hope that they will reach the goal that they have set out to reach. We know that we will miss you, Seniors, but we cannot keep you here, because life travels on and on.

### Confined to Bed

Sebern Jones, owner of the Clover Farm Grocery of this city who has been confined to his bed during the past two weeks with a foot ailment, was reported to be improving this week.

Willard Bauman, son of E. H. Bauman, visited his father here the past week end. Willard is a student at Texas Tech college at Lubbock.

## CHURCH NEWS

### METHODIST CHURCH

Because of the Commencement services at the elementary auditorium Sunday, 11 a.m., our morning service is called off. There will be Sunday School at the usual hour but closing in time to get to the school service in plenty time. Those in charge of the school services will appreciate your going to Sunday School and coming to this service at the appointed hour.

Church service at 8:00 p.m., should be of interest to each one since it is the preparation for the Aldersgate Commemoration on the following Tuesday night. Our church is now making several steps forward that will mean much to her future. One of course is the uniting with two other great bodies of Methodism. The M.E. Church of the northern states, and the Methodist Protestant Church, our comeback in missions since the depression is attracting attention and recovering territory lost. The most important just at present is that of a new Spiritual Awakening through the Aldersgate Commemoration. The public has been asking for these advances and now that they are coming let's back them up with our whole-hearted support.

There is some discussion as to a supervised recreation program for the summer months under the direction of an appointed leader. We stand ready to cooperate in keeping our youths interest and in assisting in any way possible, looking to their future's best interest.

## WEINERT SENIOR CLASS PRESENTS ANNUAL COMEDY

"The Whole Town's Talking," a comedy in three acts, written by Loos and Emerson, was presented by the Weinert senior class last Friday night.

A series of lies in a fake love affair and the culmination of an affair between two of the characters as a result of their lies furnished an unusual amount of comedy for the audience.

Students cast in the roles for the production were: Edward Havan, Helen Thomas, Clara Sue Mitchell, Oleah Muston, Mattie Louise Chatwell, J. B. King, Eldon Sanderson, Anna Belle Hawes, Mildred Owens, Margaret Toliver, Marion Anderson, and Winton Palmer. Ben Sloan was stage manager for the production.

Some such move should have our most serious attention in the immediate future. The future hope of America is not going to be much stronger than the foundation upon which it rests.

"Cast not dirt into the well that gives you water." Proverb. H. A. Longino

## Torn From Homes by Tornado, Electric Refrigerators Still Provide Ice, Food Protection

FOLKS who spend good money for a refrigerator are buying a specific Service. In addition, their purchase should give them a guarantee of Safety. The folks who many years ago bought the two electric refrigerators pictured above bought both Service and Safety. A recent tornado in a small West Texas community proved this point. Buildings crumbled around them and the wind tossed them into the street like a fretful child discarding a toy. But—these electric refrigerators operated perfectly when picked up and connected to an electric socket the following day. That IS Service! There was no damage resulting from refrigerant fumes. That IS Safety!

## IN MEMORIUM

### The Senior Class of 1938

BORN SEPTEMBER 6, 1926  
DIED FRIDAY, MAY 20, 1938

Services will be held at the School Auditorium  
Monday evening, May 23rd, at  
8 o'clock

## CLASS WILL

This is our last week to attend Munday High School, and nobody knows it better than we Seniors. Even though we will be busy studying, practicing, and complaining, we will find time to regret many things that we have left undone, and we want to leave these tasks and pleasures to the Seniors of 1938-39 to complete for us.

Harvey Reid would like to leave his "mousy" habit of never talking, but always grinning, to his friend, Wayne Patterson.

Judson wishes to leave his habit of talking all the time to anyone and everyone to Leslie Phillips.

Margaret wants to leave the Tom-Tom to Jimmie Boone.

Geneva Smith wants to leave the grand times she has had dancing to Jean Williams.

Ruby Lee wants to leave her dislike of studying Spanish to Dorothy Peysen.

Mattie Marie wants to leave her habit of neatness to Ann Atkeison.

Mary and Thomas want to leave the fun they have had holding hands in the study hall to Lewis Warren and Wilma June.

Laverne wants to leave her ability of eating seven pieces of chicken at one time to Maxine Eiland. Added to this she might leave her also the wonderful ability of working all Geometry problems.

Lucy Lee wants to leave her ability to keep silent to Lenore Longino.

Edith Henslee wants to leave her chewing gum chewing to Fern Jones.

Joe Albertson wishes to leave his football playing ability to Gene Thompson.

Thomas wants Winston Blacklock to carry on the tennis profession.

Burl wishes to leave his track ability to Doyle Thompson.

Johnny wants J. B. Pollock to take care of all innocent Freshmen girls.

Ida Belle wishes to leave her intelligence in Spanish to Laverne Darter.

Helen Brown wishes to leave her friendliness to Opal Offutt.

Lorain wants to leave her intelligent silence to Juanita Golden.

Travis Hunter wants Mac Haymes to take care of his Junior girl friend.

Blanche wants to leave her ready smile to Alva Salem.

James Carden wants to leave his poetry making ability to Mann McCarty.

Weona Thompson wants to leave her sweetness to Peggy Jo.

Viola Mullican wishes to leave her ability of minding her own business to Bonnie Jaye Pollock.

Mozelle wants to leave her ability to play a grand game of volleyball to Marie Swain.

Levena wants to leave her Home Economics trips to Floy Nelson.

DeTroy wants to leave the whole high school to anyone of the juniors who will have it!

Dewey wants to leave his smallness to Jimmie Boone.

Geraldine wants to leave her seat in the study hall to Billie Swain.

## CLASS SONG

No longer in our classes, we'll gather day by day;  
No longer lads and lassies, we'll walk the selfsame way.  
Another duty calls us; a wider path awaits,  
And we must leave these portals, these dear familiar gates.

No more the daily greeting of comrades tried and true.  
No more the daily meeting, our problems to renew.  
We're walking out together, but as we pass the door  
We turn to varied pathways. We walk as one no more.

Yet other earnest faces shall shine where ours have shone.  
These dear familiar places will not be left alone.  
For year by year untiring, our Alma Mater true  
Will send her loyal children the world's new work to do.

Join in one more song together, join in with all your heart.  
Time has cut the classmates teacher, we must drift apart.  
Come a store of memories bringing, from the happy past—  
One more song together singing, One More Song, the Last.

Double the expenditure made in preparation for the Panama-Pacific Exposition of 1915, is being spent to construct and beautify grounds and buildings for the 1939 Golden Gate International Exposition. The coming Pageant of the Pacific is a \$50,000,000 project, compared with an outlay of \$25,000,000 in 1915.

## Highlights of Seniors of '38

We Seniors feel that time has passed too quickly while we have been in high school. We have worked hard, but we have found time to play.

Our Freshman year leaves many, many happy memories for us. With much excitement we moved into our seats in the High School. Of course it took us time to adjust ourselves to the ways and customs of the upper classmen and our teachers, but eventually we felt as one of the crew. The girls joined the Pep-Squad, and we attended our first banquet that winter—the Football Banquet. My! How grown we did feel!

The next year, our Sophomore year, was more or less dull for us. We had our fun initiating the freshmen, but this didn't last long enough. We again attended the Football Banquet, and felt more at home this year. It was during this year that the Home Economics girls had their first experience of cooking. It was our duty to serve the Junior-Senior Banquet, and we did work hard trying to please them. We had lots of fun doing this job though, for we realized that next year we would attend.

Our Junior year was another exciting one. We realized that although we had upper classmen still, we were some of the older and more experienced students. We enjoyed the football games and Banquet more this year, for we knew that our boys made up a bigger part of the team. Time flew fast this year, for with the able assistance of our sponsor, Mr. Fred Chisholm, we had many socials and entertainments. Then came the Junior-Senior banquet. After much hard work, we had the thrill that comes once in a lifetime—when we walked in to the banquet we were giving our friends, the Seniors.

This year, our Senior and last year, has seemed like a dream to us. We cannot realize fully that we are through, and will have to leave our school. Our sponsors again this year have been kind to us. Mr. Hardegree and Miss Couch have helped us plan many happy times. Our joy was fulfilled when we put on our Senior Play. We worked lots on the play, but we also enjoyed every minute we put into it. Last week we were again shown courtesy when the Juniors gave us the annual banquet. It was a lovely banquet, and we thank each one that helped in any way to put it on.

Now we must bid farewell to all our friends and schoolmates. We hope that they may carry on without us. We shall keep these pleasant memories next to our hearts, and hope that you, too, will remember us.

## Freshman Report

Even the worry of final exams along with other things to disturb our peace of mind, the Freshmen still have something to look forward to. We are to take a fishing trip Tuesday after school is out. We plan to go to Fritz's pasture on the bus and stay there until Wednesday. This will be a fine opportunity for us to catch plenty of fish, for it is said that the fishing is extremely good.

## Sophomore Report

The Sophomores seems to be in a restless mood this week. Perhaps they are having bad dreams concerning their final exams. Everyone seems to be trying to do their best every day with the idea in mind that this is the last of this school year. We are all in good spirits and almost all of us are looking forward to the summer vacation. The Sophomore Class wishes each and everyone a long and happy summer.

While making maps showing the comparative size of Australia and the United States, staff artists of the 1939 Golden Gate International Exposition found that Australia was larger by 805 square miles.

Fighting disease to lengthen the span of life in the tropics will be graphically portrayed in an exhibit at the 1939 World's Fair of the West in San Francisco by the Pasteur Institute, according to recent announcement.

## POST MORTEM

The Senior Class, age eleven years, no months, no days, departed this life late Friday afternoon, May 20, 1938. It goes mourned by many. The most skilled physicians were unable to save it.

For eleven years this prodigy, loved by some and regarded indifferently by others, struggled, worked and had its being within the portals of the Munday educational institutions. Its life, though short, was varied. At more or less regular intervals this individual was the victim of ill health, but, possessing an unusual amount of vitality, rallied and continued to grow and work, though there were often indications of partial paralysis brought on by toxics of Englishitis, mathitis, and other infections of the brain. In its seventh year it appeared strong, husky and monstrous in size. It was gay; it overflowed with animal spirits, it saw no cloud in its sky. The doctors and physicians up to this time included Misses Thelma Atkeison, Briggs, Curry, McNeil, Thornton, Bennett, Desie Kennedy, Mildred Kennedy, Mrs. Palmer and Mrs. Harrell. The Head Physician was L. M. Palmer.

However, during the last four years it has gone into a gradual decline. Various physicians have diagnosed, prescribed, and operated. These have met with more or less success. Anxiously, they have watched and waited. Nevertheless, on Wednesday, May 18, brain fever set in and we sadly watched this child, Senior Class, grow weaker and frailer until on Friday, May 20, it passed away. Its funeral oration will be delivered by Dr. J. Horace Bass, who always had its best interests at heart. Chief mourners are made up of the faculty who administered the last bitter pills.

On September 1, 1938, we shall miss the sight of its impish countenance and its clattering feet in the halls of the Munday High School.

## Junior Report

It is with a feeling of shock that we realize that this is the last Tom-Tom report of the year. How time does fly. It seems like only a few days since the first report of the year was turned in. Now the time is up, our credits (if any) are made, and it is time to put the final touches to our work. Sadness is in our hearts when we think of our bidding goodbye to the senior class. Of course we hope we shall be able to carry on, but we feel that it will take a real crowd to match their record. So farewell, friends, and may we meet again, even if not in the study hall of Munday High.

Merick McGaughey of Vera, was in the city Saturday attending to business.

## Public Is Invited to Open House of Knox County Sewing Room Here Next Thursday; To Display Work of Ladies

House Will Open at 9 o'clock In the Morning

The Knox County Sewing Room announces that an open house will be held Thursday, May 26. Some of the work will be on display and visitors will be welcomed from 9 a.m. to 6 p.m. The sewing room is sponsored by Knox County Commissioner's Court and Mrs. Addie L. Layne is superintendent.

This is a worthy work being carried on by the Federal Government's W.P.A. program assisted by the Commissioners' Court, furnishing employment for women who are heads of households. They in turn, make clothing that is distributed free to the needy of the county; none of this clothing goes out of the county.

At present there are 37 women employed. Since the opening of this project thousands of yards of materials, furnished by the government, have been made into clothing, consisting of work pants, overalls, shirts, and undergarments for men and boys, dresses, suits, and all types of garments for women and girls and complete baby layettes, the scraps being pieced into quilts and baby blankets.

The county furnishes buttons, thread and other findings, also the machines and equipment. Various individuals and merchants have contributed to this project at different times, as well. The Phelps Ice Company at present is furnishing the ice for the summer. The garments made are not thrown together in a makeshift manner, but are carefully supervised by trained floor ladies who inspect and instruct the workers, training them in the various phases of cutting, assembling and constructing of garments. One of the main objectives of this project is to train these workers in such a manner that they can go out into private employment qualified to earn a livelihood.

Everyone in the county who is interested in the welfare and betterment of our working class of people is invited to visit this project on May 26. See it in operation and offer any suggestions or criticisms you might feel like offering. Mrs. Layne says "We want you to know what we are doing and how our work is carried on."

## Construction On Brazos Bridge to Be Started Soon

Preparation work by the Speers construction company in getting ready for actual construction to start on the Brazos River bridge between Knox City and Benjamine is nearing completion according to word received here this week.

The company has built offices, erected a water tower, dug a water well, built a warehouse and rigged up machinery and steel is on the site for the bridge.

Construction on the bridge is expected to be under way in the near future, company officials have reported.

Pitzer Baker and W. R. Moore of this city, left for the Plains and Pecos Tuesday, where they will transact business.

Mrs. G. L. Green, mother of Robert Green, visited in the home of her son and daughter-in-law last week-end. Mrs. Green returned to her home the first of the week, in Clarendon, Texas.

## OUR FOUNTAIN IS KNOWN FOR ITS GOOD CHOCOLATE

Rich, tasty chocolate drinks are our specialty. The chocolate syrup we are using is "distinctively" better. Drop in today and order your favorite chocolate drink—You'll quickly recognize its superior flavor. Have you tried a Chocolate Soda—

Our Fountain known for its good Chocolate. We use the best money can buy.

## TWO KNOX GIRLS TO FINISH AT H-S UNIVERSITY

Abilene, Tex., May 19.—Hardin-Simmons University will hold its forty-seventh annual commencement here on June 1, with a class of 145 seniors as candidates for degrees of bachelor of arts, science, or music.

William Hall Preston, Nashville, Tenn., prominent lay official in south-wide student work in the Southern Baptist denomination, will deliver the commencement address. Rev. Lawrence Fitzgerald, of Mexico, Mo., will give the baccalaureate sermon, on Sunday, May 29.

Of the 94 seniors to receive their diplomas in the exercises two are from Knox county. Miss Mavourneen Reeves of Munday is one of the candidates and Miss Joe Nellie Robbins of Knox City is the other candidate.

Both of the county students will receive Bachelor of Arts degrees from the University.

## BAPTIST W.M.U. MET IN RIGSBY HOME TUESDAY

The Baptist W.M.U. met in the home of Mrs. Tom Rigsby Tuesday for a business and social meeting with Mrs. Nell Hardin as co-hostess.

Devotional for the meeting was given by Mrs. Ben Blacklock, prayer by Mrs. J. O. Bowden and the scripture by Mrs. Tom Rigsby. Mrs. Armstrong closed the meeting with a prayer.

Games and refreshments were enjoyed by the following: Messdames John Bowden, Chandler, Hughes, A. U. Hathaway, Tom Busby, C. R. Parker, B. L. Blacklock, J. E. Edwards, J. O. Bowden, C. W. Armstrong, Jim Reeves, W. E. Reynolds, Lyle Stodghill, Leland Hannah and Mrs. Raymond Jones and the hostesses.

## MISS ATKEISON ASSISTING IN C.I.A. EVENT

DENTON, MAY, 18—Miss Bess Atkeison of Munday is on the arrangements committee in charge of the twelfth annual Short Course and Field Day at Texas State College for Women. Miss Atkeison will assist in the day's program designed for 2500 visitors from seventy Northeast Texas counties.

Housing, architecture, home decoration, electrification and home machinery will be discussed under the general subject, "Home and Social Relations."

Majoring in Vocational Home Economics, Miss Atkeison is the daughter of Mr. and Mrs. W. H. Atkeison. She is a senior student at the college.

Louis Cartwright, sheriff of the county, was in the city Wednesday afternoon attending to business.

## Woodul to Open His Campaign May 21

Walter Woodul of Harris county, will formally open his campaign for Attorney-General of Texas with a rally at Greenville, Saturday night on the courthouse square. Woodul is now Lieutenant-Governor.

## County People Not Filing Claims For Lump Payments

Many of the persons in this territory who are eligible to file claims for lump-sum payments under provisions of the Social Security Act have not done so, declared J. Gordon James, manager of the Wichita Falls office of the Social Security Board, who spent last Wednesday in Munday interviewing employers, workers, and others interested in the old-age insurance program of the Federal Government.

Lump-sum benefits are payable now to workers in covered employments who have reached the age of 65 since January 1, 1937. Lump-sum payments are also being made to estates of covered workers who have died since December 31, 1936, and before reaching 65. The payment in either case is 3 1/2 per cent of the wages received for work performed in covered employment since December 31, 1936, and prior to death or attainment of age 65.

"Employers," said Mr. James, "are requested to check their records to ascertain whether or not there are persons in their employ who may be eligible to file claim for such benefits." Mr. James asserted that many persons who have reached the age of 65, and particularly relatives of workers who have died, are not aware of their eligibility to file claims, and suggested that employers assist them by advising them of potential benefits to which they may be entitled.

Beginning in 1942, monthly retirement benefits will be paid to qualified workers upon attainment of age 65. The amount of such payments will be based on the wages received by the individual from employment covered by the Social Security Act since December 31, 1936, and prior to attainment of age 65. In order to qualify for a monthly

## PERSONALS

Mr. and Mrs. J. F. Cooper of Weinert were in the city Saturday evening for the marriage service of their son, Mr. Cecil Cooper.

Mrs. Ed Campbell, and daughter and son-in-law, Mr. and Mrs. Theodor Harb of Wichita Falls were visitors here last Saturday.

Rev. H. A. Longino, Lenore Longino, Ann Atkeison, Maxine Eiland, and Henry Dingus were in Rule Sunday afternoon attending a district Epworth League meeting of the Stamford district.

Mrs. Henry Mason of Wichita Falls, spent the past week end visiting her sister, Mrs. H. A. Pendleton.

M. A. Verhalen, farm resident who resides northwest of the city was in town transacting business Wednesday afternoon.

Mrs. Orb Coffman of Goree was in the city Wednesday afternoon visiting friends.

County School Superintendent J. Lyndal Hughes was transacting business in Goree and Munday Wednesday afternoon.

George Hammett, manager of the Banner Ice Co., was in Haskell Wednesday afternoon on business.

retirement benefit, an individual must have worked in covered employment in each of five calendar years after 1936, and prior to attainment of age 65, and have earned a total of \$2,000 from such employment.

"For the benefit of this who have not yet established social security accounts," Mr. James said, account numbers may be now obtained upon application to the Wichita Falls office, located at 514 Radio Building, Wichita Falls, Texas." He invited the public to make use of the facilities of the Wichita Falls office, which has been set up for the convenience of employers and workers in this territory. Those desiring to file claims also were requested to communicate with the office to Wichita Falls, Texas.

## County Rates—

(Continued From Page 1)

office at Texas A. & M. College, who attended the meeting, pointed out. The farmer who suffered but little crop loss would pay less than the farmer who suffered frequent and heavy losses, even though their average yields were the same."

The figures farmers need for calculating the insurance will be available for farms which took part in wheat adjustment programs in the office of the county agricultural agent, and the county committee, about which the county crop insurance program will center. Farms on which figures are not available will be appraised.

The premium a farmer pays covers only the actual cost of the insurance. Administrative costs and costs for storage on insurance reserved will be paid by the Corporation.

Are You Boosting Munday!

Transact Business  
Pitzer Baker and W. R. Moore were in Vernon, Texas, last Thursday where they transacted business.

Mrs. R. H. Neff, of this city visited her daughter, Miss Lucille Neff, at Waco last week. Miss Neff is a student at Baylor University in that city.
