METHODIST GET NEW PASTOR--POUNDED

STATE HEALTH INSPECTOR PAYS VISITS TO MUNDAY

Health Inspector Reports Excellent Conditions Here

H. T. McCorkle, inspector for the State Board of Health, was here Monday making an inspection of the business places in Munday from which foods are sold, and after making the rounds here he reports that there are exceedingly few recommendations to be made, in fact, Mr. McCorkle stated that conditions here were far above the average. He stated that Munday business concerns had expressed a willingness to cooperate fully with the department in carrying out their recommendations with reference to regulations imposed by the State Department of Health.

Cotton Ginnings In Knox County Exceed That of 1931 Crop

Cotton ginnings in Knox county exceed that of last year as of November first by almost 10,000 bales according to the report of W. H. H. Griffin of Gore, enumerator for the Department of Commerce, whose report shows that there have been ginned in the county to this date 30,444 bales this season, as compared with 20,638 bales to this date last year, or a gain over last season in the county of exactly 9,806 bales.

Dates Announced For Poultry Show By Haskell F. F. of A.

The annual Haskell County Poultry show held under the auspices of the Haskell Chapter of Future Farmers of America, a local organization of students of vocational agriculture, is to be held this year, 15th, 16th, and 17th of December. Plans are being made to take care of the largest poultry show ever to be held in Haskell County. A number of breeds are to be exhibited that have not been shown here in previous shows. Last year's show aroused the interest of a large number of breeders in this section and a number of new fanciers are to exhibit this year since ordering stock and eggs from some of the best breeders of the United States.

Poultry this year will greatly exceed in quality that seen at the show last year. Besides the new stock and eggs brought by Haskell County breeders a number of people who did not order have given attention to selection and breeding of the home flock. A much larger number of people than ever before are giving attention to the breeding pen as a means to improve the home flock.

While it is a little early to speculate as to the number of entries that will be received, early inquiries indicate that a large show may be expected. Several requests have been received from outside the County for information about the show. Those wishing information about the show should communicate with H. K. Henry, teacher of vocational agriculture at Haskell.

George Salem and Sied Waheed are in Dallas this week buying merchandise for their stores in Munday.

TEMPLE DICKSON IS ACQUITTED BY JURY WICHITA SATURDAY

Temple Dickson, young Seymour attorney and son of Judge Jo A. P. Dickson, pioneer attorney and jurist of this section, was given an acquittal by a jury at Wichita Falls Saturday following a trial which lasted the entire week.

Young Dickson was charged with murder in connection with the fatal shooting last summer of C. S. Plunkett, Seymour citizen and operator of a motor freight line. Young Dickson's plea was that he was insane at the time the crime was committed and therefore was not responsible for his act. Following his acquittal the young man was given into the custody of his father and brother, J. Donnell, district attorney elect.

Dr. and Mrs. E. M. Roberts and Mr. and Mrs. Dee McStay went to Fort Worth on Friday to witness the Texas T. C. U. football game.

Wichita Valley Withdraws Plea On Train Service

The application of the Wichita Valley railroad for permission to discontinue passenger train service on the line and substitute therefor a mixed passenger-freight service has been withdrawn and will not be presented to the Texas Railroad Commission at this time.

Announcement was made some weeks ago that the application had been filed and stubborn opposition would likely have developed from towns along the line had the petition been pushed, but since it has been withdrawn it is hoped that no further effort will be made to curtail the service.

Lone Star Trio On Bill At Roxy Friday-Saturday

The Lone Star Trio, featuring Bennie "Rabbit" Reed, will be an added attraction at the Roxy Theatre on Friday night, Saturday matinee and Saturday night, according to Manager P. V. Williams.

Bennie Reed will be remembered by Munday show-goers as a member of the Mullins Players who played here in 1928, and who plays several instruments with the same ease that any ordinary musician plays one. Reed also does a blackface comedy and the other two members of the company also are artists in their line, and Manager Williams feels that he is offering a bargain program to his patrons in giving them this added attraction from his regular picture program, which on these days, is exceptionally strong.

Second Hurt In Smashup Dies

STAMFORD, Nov. 14.—Joe T. Edwards of Gatesville, injured in an automobile accident near here Saturday night in which his wife was killed and two others critically injured, died in a hospital here last night at his injuries.

Edwards' body was taken overland today to Gatesville, where his wife's body was conveyed Sunday. They will be buried in a double funeral ceremony there Tuesday.

Also injured in the accident were their 12-year-old daughter, Alina, and their brother-in-law, Tom James, both of whom are in a critical condition in a hospital here.

The accident happened when the Edwards car crashed into the rear end of a truck which had slowed down to give assistance to a motorist. Three other children of the couple riding in the car were uninjured. All three vehicles belonged to the same caravan, bound for the cotton fields north of here.

Uncle Sam Rogers has our sincere thanks for a renewal subscription of The Times to go to Mrs. Gordon Sweett at Abilene, Texas, and we are sure that they will enjoy reading the old home paper each week.

Funeral Services of B. F. Davis Held Saturday Afternoon

Haskell Fire Press: The funeral services of B. F. Davis, age 42, was held at the First Methodist Church Saturday afternoon at 4 o'clock, conducted by Rev. A. W. Gordon, local pastor, assisted by Rev. B. H. Terrell of Seymour. The deceased died Friday afternoon, after an illness of several weeks. Mr. Davis moved to Haskell county about 25 years ago, and resided in the Post community until about 8 years ago, he moved to Haskell with his family and was connected with different business firms at various times until he became ill. He had been a member of the Methodist Church for a number of years.

Dr. and Mrs. W. P. Farrington and Miss Lucille Neff witnessed to Fort Worth Friday to witness the Texas-T. C. U. football game.

WHAT A RELIEF!

FATHER AND SON WIN HONORS OLD FIDDLERS CONTEST

E. E. Glenn and son, W. E. Glenn of Throckmorton carried off first and second honors, respectively, in the eleventh annual old fiddlers contest here Saturday evening, while Joe Lane of Forney, Texas, carried off third prize, the three being chosen as winners over a field of ten of the best in West Texas, including M. L. Jacobs of Munday, Cox Lansford of Munday, J. B. Boggs of Weatherford, J. W. Glenn of Throckmorton, Bob Burkhalter of Throckmorton, and J. T. Willis of Turkey, the latter being one of the consistent winners in the local contest for the past several years.

The contest this year was not as great a success as the event has been throughout the eleven years it has been conducted here, falling short of previous years both in attendance and in the number of entries, but lacking none in the matter of quality fiddling. One of the most enjoyable features of the evening was the numbers given by little 8-year-old Joe Layne, who demonstrated his ability to pull a wicked bow on all of the old-time favorites for the amusement of the audience. In fact, this youngster can entertain an audience for almost an indefinite period all by himself, as he plays, sings and dances, and the dance given by the youngster and his little sister was one of the most entertaining features of the evening.

The contest this year was along the same lines the 60th. It has been held each year, old-time fiddle music and waltzes being the basis for the judging, and it was on this old-time break-down tunes that Mr. Glenn, the veteran fiddler of Throckmorton, scored his win, while his son depended upon the smooth waltz music to score his hit with the audience and judges.

Among the tunes heard in the contest were such old favorites as "Ragtime Annie," "Baumton Rag," "Kelley Waltz," "Hampback Maule in the Peapatch," "Leather Breaches," "Dusty Miller," and many other old favorite tunes to which our forefathers stepped lively in the early days.

The judges for the contest were T. G. Bengel, Lewis Cartwright and J. M. Boyles. The contest was staged under the auspices of the Munday Fire department and was supervised by U. R. Houser.

Red Cross Roll Call Is Meeting With Success Here

The annual Roll Call of the Red Cross is meeting with liberal response in Munday according to the local soliciting committee composed of T. G. Bengel, Tom Isbell and Leland Hannah. This committee has been active during the week among the business concerns and plan later to inaugurate a more intensive campaign in which every citizen will have an opportunity to contribute to this great organization.

Local citizens should remember that for every membership received by the local committee, regardless of the amount subscribed, only 50 cents will be sent to the national headquarters and the remainder of the money remains here at home to be used in this community, and as the Red Cross is to be the sole local organization to engage in relief work, contributions should be made as liberal as possible.

Mr. John Harris of the Hefner community, and Miss Maurine Jones of Jacksboro, Texas, were married on November 13th.

Mr. Harris was formerly of the Jungman community but he now resides in the Hefner community. The community wish for this couple a long and prosperous wedded life.

Youth Attempts To Steal Coat; Taken After Lively Chase

A young man entered the Baker-Campbell store Saturday afternoon in the midst of the rush, and while all the clerks in the store were busy slipped into one of the coats on the rack. Finding that no one was seemingly watching him, he slipped out of the front door and started walking down the street when he was accosted by Elmo Collins, who was watching in the dry goods department, but the young man didn't intend to relinquish the garment and made a run down the crowded walk with Bill Shaw, who happened to be standing near and hearing the conversation with Collins, close in pursuit. The boy circled the block around The Fair Store and ran into a small brick building at the rear of the J. Arthur Smith tailor shop, where he was taken into custody by Shaw and escorted back to the store where he surrendered the coat and thence to the city hall, where he paid over \$15.00 after entering a plea of guilty of theft.

Noted Evangelist Will Preach Here At Church of Christ

J. Porter Wilhite, noted evangelist, will preach at the Church of Christ on Sunday at both the morning and evening services and everyone is extended a cordial invitation to hear him. Other services at the church will be at the usual hours.

Builds Great Comedy "Tag" For New Hit

For ten years, since the production of his epic, "Grandma's Boy", Harold Lloyd has sought to outdo the "fade-out" gag, in that picture. You may recall the scene where he carried the girl across a brook, stepped on what he thought was a big rock, and when he came to his senses, floundering in the water, saw a pig nonchalantly walking up the bank of the brook. It was a laugh "riot", and topped off what many still regard as the greatest silent comedy ever produced.

In "Movie Crazy", with Constance Cummins, which comes Sunday to the Roxy Theatre, the bespectacled comedian's first screen offering in two years, Lloyd has come through with just the closing gag he has been searching for these years.

It comes as "finis" on a series of three recurring gags, each of which is hilarious in itself, but all of which build up to a grand climax, with the final one rating as the greatest laugh finish the comedian has ever filmed. Lloyd pulled this gag out of the air, and sensing its merits, developed into what every comedian craves—a bit of business that runs throughout the picture, building with each repetition.

In this instance the business is built around the breaking of a straw hat worn by a motion picture producer.

Roy Cockerell, Bomarton cot on buyer, was in the city for a brief visit on Monday afternoon.

THREE INJURED IN HIGHWAY ACCIDENT EARLY SATURDAY

The Wife The Best Political Campaigner.

Goree Advocate: Our good friends, Mr. and Mrs. J. A. Kennedy, were divided in the recent campaign, Mr. Kennedy being a supporter of Mr. Bullington and Mrs. Kennedy voting the Democratic ticket straight. As editors of The Munday Times they gave both sides a fair deal and each was very firm in their convictions.

But when all the votes were counted is their voting box, that of North Munday, Mrs. Ferguson won the box by 4 votes. Now it appears to us that Mrs. Kennedy was just a little better campaigner than her husband. Just be careful the next time, Jess, how you oppose your editorial assistant.

Mr. and Mrs. Bill Shaw are rejoicing over the arrival of a fine boy in their home on Monday evening.

Rev. H. C. Hand Is Assigned to Munday Methodist Church

The Rev. H. C. Hand, who came here last week from Clarksville, having been transferred to this church by the North Texas conference to succeed the Rev. John H. Crowe, who was transferred to that conference, has been assigned to the local church by the Northwest Texas conference, which completed its session on Sunday night at Amarillo. After arriving here Rev. Hand was summoned to the conference and it was thought for a time that he might be sent elsewhere, but such was not the case, and he is pleased to come to Munday.

The Rev. J. A. Laney has also been returned to the Munday circuit on which work he has served for the past two years. Other assignments made by the conference that might be of interest locally are: Dr. George S. Slover was returned to the Stamford district as presiding elder. Rev. J. O. Haymes was returned to First Church at Lubbock. Rev. B. J. Osborn was transferred from Crowell to Lockney. Rev. M. R. Pike, a former pastor of the Munday circuit, was retained on the work at Rochester and O'Brien. Rev. C. W. Parmenter was returned to McAdoo and Rev. R. V. Tooley was returned to Woodson. Rev. J. R. Bateman was returned to the Tell and Midway circuit.

The Rev. Hand and family were given a liberal pounding on Wednesday evening following the mid-week prayer meeting, at which some seventy were present. Entertainment and refreshments were provided for the occasion by the men's bible class and the evening was a most enjoyable one for all present.

Knox County Boy Wins Trip To Chicago; Club Work

Benjamin Post:

For the third consecutive time in three years a Knox County boy has won signal honors in the state-wide 4-H Club contest and as a reward will get a trip to the International 4-H Club encampment held at Chicago, each year. The expenses of the trip will be paid by the Santa Fe Railroad, sponsors of the contest, and 19 boys from Texas will make the trip. The Knox County boy is H. C. Armstrong.

For the third consecutive time in three years a Knox County boy has won signal honors in the state-wide 4-H Club contest and as a reward will get a trip to the International 4-H Club encampment held at Chicago, each year. The expenses of the trip will be paid by the Santa Fe Railroad, sponsors of the contest, and 19 boys from Texas will make the trip. The Knox County boy is H. C. Armstrong.

THREE INJURED IN HIGHWAY ACCIDENT EARLY SATURDAY

Misses Selma Blackard and Zeva Scott received severe cuts and bruises in an automobile smashup on highway 30 east of Munday when the car in which they were riding together with Joe Parker and Red Foshee collided with a car driven by D. C. Osborne. The cars collided as they were attempting to pass a seed truck and both cars were badly damaged. Judge Osborne also received a badly wrenched knee and is suffering from pains in his chest as a result of the impact. The young ladies were rushed into Munday and given medical treatment and Miss Blackard, who was more seriously injured, was carried to the Knox County hospital at Knox City for further treatment, and both are reported to be well along on the road to recovery.

Miss Scott and Joe Parker were enroute to Oklahoma to be married when the accident occurred and were accompanied by Miss Blackard and Foshee.

NOTICE!

I will have a man here in a few days to buy a 160-acre Farm near Munday. He wants a well improved farm.

Another client wants to buy 50 to 80 acres near Munday, no trade. He will come on call.

I have 20 head of Fine Dairy Cows to sell priced \$40.00 around. They are real fine cattle. Some of them cost as high as \$300 each.

I have 16 head of fine Jersey Heifers from these Cows to sell at \$20.00 a round.

Would trade these cattle on good Farm. Anyone wanting to sell a good farm, I will be glad to have it listed with me.

GEO. ISBELL

Box No. 266 - - - - Phone 207

book the other day, Katherine Jones expressed, with decided firmness, that she was going to write an appreciation to a certain Rich man. Katherine, you have us wondering.

The seniors wish to express their sincere appreciation of the splendid work done by the football boys Friday and want them to know that we're expecting just such a decisive victory when we battle Knox City!

JUNIORS

We are indeed glad to see several faces of the members of our class that have been absent this last week back with us again. Most of us have caught up with our studies, now that we are getting down to work.

The first shipment of new books for the library were welcomed gladly by the students. We enjoy the new books and are looking forward to others that will arrive later.

The Junior class was well represented at the football game last Friday, and they were all "rooting for the Moguls" and how! There were still a few Juniors that were not present. Come on, Juniors, be at the games, because you are really missing something if you miss these games.

We certainly enjoyed the program that was given on Armistice last Friday. The talk by Jerry Kethley was unusually interesting, and Mr. Jones made a speech on the signing of the Armistice. He concluded by using the former part of his speech as an ex-

ample to the football boys for the game.

SOPHOMORE REPORT.

Another week of school has passed, and from the progress we are making, it is hard to realize that there have been three weeks of delay.

The Sophomores are again facing a siege of book reports. They are to be given orally, beginning next Monday. Oral reports are more interesting to the listeners than written reports would be, but to the unlucky person reporting, it is the realization of a terrible dream.

Speaking of terrible dreams, we are just concluding a group of stated problems in Algebra, and if you happen to ask any of the Algebra II students, you will find that most of the class considered them a nightmare.

THE FRESHMAN NEWS

At last our library books have come and we are enjoying them very much. Lucille Neff and Galen Greer made a rather good selection for the class. We want to thank the Parent Teachers Association for helping us pay for our new books. We are finding them helpful as well as interesting.

We are glad to welcome one of our former teachers, Miss Dessie Kennedy. She is visiting in Munday for a week. We are looking forward to her visit with us Thursday. The Freshmen enjoyed the rally Friday night, even if the weather was disagreeable. The coach and football boys made inter-

esting talks. Mr. Jones made a talk Friday that would have inspired any team to win a game. We would appreciate more of these talks before games.

SENIOR SCRAPBOOK.

Hold your breath! Something lurks in the dense shadows; unusual, unsolvable, unbelievable mystery prevails, in the air is tragic tension; Yes, and as we see the gulf of mingled people widening into an ocean of curiosity, amazement, wonderment, and excitement, and gliding calmly into the golden mists of hopefulness and confidence, we shout forth our spirited "O. S. S." See our Seniors in the most sensational drama ever presented by a class in this high school. See our senior dramatic artists in a hair-chilling, blood-raising play.

You bet we mean every word of that, folks, we have ordered our books and we shall begin work on it as soon as they arrive. The nefe? Oh, surely, The Mystery of the Third Gable. Ladies, we shall strive to break the news gently, it does not refer to Clark Gable in any way. (now that's over.) Doesn't the very title thrill you? You will hear more about this play from time to time.

Believe it or not, Mr. Harrel says we're all wet—more politics; No, the not at all, we were studying water

and the pressure and so forth upon it when Mr. Harrel said, due to the fact that our body is a large portion of water, we're practically all wet. Speaking of Physics, I might take time to tell you about a humorous incident recently experienced by the class when we were making a test for buoyancy. Nancy Norine Bowden was sitting near the front taking her daily nap when she suddenly jumped to her feet exhibiting a frightened stare in her eyes. The class was shocked with amazement at this un-called for act of Norene's. When the surprise had worn off, the class found the incident very funny, while poor Nancy was, needless to say, unusually embarrassed. Norene stated that when Mr. Harrel had said something about "Boo-Yancy" that she was sure he had said Boo! Nancy! Such is life!

Since school has resumed its daily routine and is again progressing nicely, the students believe the teachers are making up for lost time in assigning lessons. A six page theme on some books is due Wednesday in English. While speaking of books and the criticism we were to go give of the

SOCIETY

Mrs. Oates Golden Entertains

Mrs. Oates Golden entertained at a prettily appointed party at her home Wednesday afternoon of last week. Chrysanthemums were used as floral decorations where five tables were placed for contract bridge. In the games Mrs. W. M. Taylor won score honors.

At tea time a lovely salad course was served. Mmes. R. D. Atkinson, J. D. Kethley, Chester Borden, W. P. Farrington, R. H. Neff, H. F. Barnes, M. F. Billingsley, George Salem, E. H. Bauman, E. W. McGlothlin, H. A. Pendleton, John Ed Jones, Tom Harey, Russell Matson, Mat Dillingham, P. V. Williams, W. R. Moore, Louise Ingram and W. M. Taylor of Goree.

Mrs. F. S. Broach Hostess to Club

Mrs. F. S. Broach was hostess Monday evening to the Monday night club and a number of guests. Four tables were placed for games of bridge, Mr. and Mrs. W. R. Moore winning high score.

Refreshments of mince-meat pie and coffee were served. Dr. and Mrs. Wm. P. Farrington, Dr. and Mrs. Joe Davis, Messrs. and Mmes. W. R. Moore, H. A. Pendleton, W. H. Chapman, Tom Harey and J. D. Kethley, Mrs. Louise Ingram and Mr. Broach.

Mrs. John Lane Hostess Ace High Club

Mrs. John Lane entertained the Ace High Bridge club Wednesday evening of last week, placing an extra table for guests. In the games Mrs. W. R. Moore and Mr. John Ed Jones held high honors.

Pie and coffee were served. Dr. and Mrs. Wm. P. Farrington, Messrs. and Mmes. Tom Harey, T. G. Bengel, John Ed Jones, J. D. Kethley, W. R. Moore, L. E. Loveless of Seymour, and Mr. Lane.

Study Course of Monday Study Club Creating Interest

Members of the Monday Study Club are very enthusiastic about the course of study, "Travel" as prepared by the committee composed of Mmes. W. H. Chapman, D. T. Mauldin, Dorsey Rogers and Jack Mayes, for the club year 1932-33, as evidenced by the splendid attendance at each meeting.

China formed the subject for study at the meeting of October 21, when Mrs. Marvin Reeves was hostess and Mrs. R. D. Atkinson leader. Roll call was answered with current articles on China. Mrs. J. A. Laney spoke very interestingly on "Chinese Art". Mrs. Jack Mayes on "Good Earth" and Mrs. J. H. Crowe on "A Chinaman's Opinion of Us." A vocal number,

The First Baptist Church of Munday wishes to extend a cordial invitation to every person to attend the 11

Mrs. C. L. Mayes Bridge Hostess

Mrs. C. L. Mayes entertained at bridge Friday afternoon of last week. Lovely fall flowers were used as home decorations. Refreshments of date pudding and cocoa were served. Mmes. R. H. Neff, G. H. Craig, W. H. Atkinson, Joe Davis, U. R. Houser, H. F. Barnes, T. G. Bengel and W. H. Chapman.

M. E. Church

Rev. H. C. Hand, pastor of the First Methodist Church of Munday is here and will preach his first sermon Sunday morning at 11 A. M. We are very anxious that every member of the church attend this service. It will mean so much to him, and the future services of the year. We want this to be the best year in the history of the church and we feel sure, with a hearty cooperation and loyal support we can accomplish this goal. —The Board of Stewards.

CAMPBELL'S STORE ROBBED

Baylor County Banner: C. E. Campbell of Red Springs suffered the loss of \$200 or \$300 worth of groceries Wednesday night of last week, when parties entered his store. The robbery occurred before the shower during the night, and the rain obliterated all traces of the robbers.

Other places have been reporting many instances of different kind of thievery, and no doubt this territory will get its share. Having been free from this menace for so long, people of this country hate to have to stand

over their goods to keep them from being taken.

Which do you want...

An Oil that reaches vital parts of your Motor as quickly as possible

OR An Oil that is already on all the parts before your motor starts!

DID YOU KNOW THIS... that half of all your motor wear occurs while you're starting your car and letting it warm up!

Here's why: Your motor makes 5,000 to 5,000 revolutions before oil circulates from the crankcase to all parts of the motor. Your motor runs with vital parts receiving no oil from your crankcase reservoir!... What protection do other oils offer you against this half of your motor-wear? The best of these oils "reach all parts in the shortest time," say their makers.

What protection does Conoco Germ Processed Motor Oil offer? It is already in and on every part and lubricates safely from the second you step on your starter! A "Hidden Quart" of Conoco Germ Processed Motor Oil stays up in your motor and never drains away! Other oils drain away during idle

periods, leaving parts "dry." Conoco Germ Processed Motor Oil actually penetrates and combines with metal surfaces and never leaves any part unlubricated. It cuts starting-wear to the minimum and gives your car longer life!

Like other good oils, Conoco Germ Processed Motor Oil is thoroughly de-watered and circulates freely at subzero temperatures.

Avoid the terrific wear of winter's long warming-up periods. Change today to Conoco Germ Processed Motor Oil... 30c a quart.

WEST TEXAS—"Raw Materials Capitol"

Offers Immense Industrial Opportunities

It has been the history of West Texas that after every national depression this section returns to normal—and marches ahead to greater prosperity—more rapidly than any other section of the country.

Present fundamental conditions are sound, and West Texas' wealth of natural resources—unsurpassed in any other part of the country—promise future progress of a magnitude that will dwarf that sensational development which a few short years ago riveted on this section the attention of the entire nation!

AND ALERT INDUSTRIES ARE TAKING ADVANTAGE OF THIS ASSURED DEVELOPMENT!

An adequate, flexible and inexpensive power supply is vital to industrial activity. Here in West Texas, the "Land of Opportunity", this industrial necessity is ably and amply supplied by the West Texas Utilities Company.

Industries recognize power as one of their prime problems. They recognize, too, that in West Texas this company has solved that problem by making their power investment for them—and is able to furnish energy at a lower cost than it could be produced in any other manner.

The West Texas Utilities Company, dependably serving 125 progressive West Texas cities, makes available more than 100,000 horsepower of electrical energy, distributed from three major generating stations and 22 auxiliary plants over a 2,500-mile transmission line network.

For detailed information on any subject concerning West Texas, write this company's Industrial Department, Abilene, Texas.

Ernest Michael Injured in Accident.

Rochester Reporter: Ernest Michael sustained a very severe hurt when he got his left arm caught in a gin stand at the Rochester Gin Company gin, where he was working, last Friday night. The arm was pulled in the stands to his elbow before the power could be cut off to rescue him, from a greater injury and perhaps his life. He was carried to the sanitarium at Knox City and prompt attention given the wound. At last report he was doing as nicely as could be expected under the circumstances. But he will probably be in the sanitarium some time recovering from the wound. It is believed that the arm has been saved so that he will regain use of it.

was given three tickets while getting 'downtown' to see if some one had not broken the depression.

RIGSBY'S ROUNDUP.

Fans, you see now that I was right. I said the Moguls were going to win and they did! And how? The Munday Moguls defeated the Rule Bob Cats last Friday to the score of 13-0. The game was one of thrills and excitement from start to finish. Rule entered the game with a great slashing, passing attack, but was immediately stopped by the Moguls. Although the Bob Cats played a good game, but the Moguls had them outclassed from the first.

It looks as if Coach Palmer has developed some new players. Aycock, Chalmer Hobert, and John West showed brilliant playing throughout the game. We are very sorry that the other Hobert boy, Chancey, was injured, but he will be all right soon. The line-up for both teams is as follows:

| Position | Munday | Rule |
|--------------|----------------|----------------|
| Left end | S. Phillips | Chalmer Hobert |
| Left Tackle | P. Zeisel | John West |
| Left Guard | Jerry Kethley | McCreary |
| Center | M. Myers | Richards |
| Right Guard | J. Williams | Elliott |
| Right Tackle | J. C. Phillips | Barrow |
| Right End | J. C. Rice | Parsons |
| Quarterback | Aycock | Hunt |
| Left Half | Chalmer Hobert | McCulley |

Right Half Fullback
