

## Kracker Krumb's Odd Bits Salvaged At Random

(By Aaron Egar)

They've been terrible, most terrible, since the rains!

And people are wanting something done about them, and reports come in to the effect that something will be done.

Yep, the mosquitoes are just about to take full charge of Munday. They're in complete command of the situation from along about sundown—the time of evening when people could enjoy the comforts of their lawns.

But there's no comforts to be enjoyed, unless you can stand the buzzing, and biting, and gnawing, and blood sucking of Munday's tribe of mosquitoes.

Of course, a jim-dandy clean up campaign before the rains would have helped some—but we didn't have that. So the best thing now is a mosquito eradication drive.

Tiny tots can't carry on their health-giving outdoor activities. The skeeters make the lawns and play pens health hazards—and that's bad for the kiddies.

It's bad for kids of our age, and older, who also enjoy an evening meal out where the breezes blow. It's bad for every body.

We understand the city officials have a move under way to make things as pleasant for the mosquitoes as the little pests are making it for us.

That's a move to spray the town with insecticides that will bring the mosquito to an untimely death, and promptly.

Our neighboring town of Stamford has purchased a machine for this purpose, and word comes to us that Stamford will use this machine here, spraying all the streets and alleys, for a price.

We don't know the price; we don't know just how far our officials have gone toward getting this done; we don't know how the expense is to be met, but it would be a very definite move toward making our town a healthier, happier, more pleasant place to live.

(The above was good read'n when it was rote! But Thursday morning they done come in from Stamford and sprayed the town good and proper. Whoops! Munday has really started on the road of progress! We'll get a street sweeper, yet.)

Business men, farmers and individuals of the Munday area are taking another step toward advancing this area. They're fixing to "place the town on the map".

This move was started Friday night, when a group of people who are interested in the town and community met at the school gymnasium and voted to organize a Community Development Association.

That's a long name, and anything with a "handle" like that should accomplish things for this trade area. That's what the group intends to do.

When that organization gets to functioning right, we won't have much more need for our No. 6 editorial need for Munday, which is: "More activity among our civic organizations, looking forward to, and planning for, a better Munday in the future."

If it goes off like everyone hopes it will, there'll be just this one civic organization—the Community Development Association—and it will carry on all the activities of the other clubs, and more, too.

The plan is to have a paid manager, who will devote his entire time to the job, and who will be digging, and pulling, and pushing, and scratching for those things that will benefit this trade area.

There are lots of possibilities in this organization, and if we'll all "fine in" heart and hand and give it some boosting and unselfish en-

(Continued on Last Page)

## Cecil Collings Candidate For Civic Bench

Seeking advancement from a district court bench he has occupied for ten years, Cecil C. Collings has announced his candidacy for associate justice of the Court of Civil Appeals, 11th judicial district, (Eastland).

Collings already has started a tour of the 23-county district, and said he plans to visit all points in behalf of his candidacy before the July Democratic primary.

The Bib Spring judge is presenting a record of public service that dates back 20 years. He had been a resident of Bib Spring since March, 1928. In 1934 he was elected district attorney of the 70th judicial district, and then was elevated to the district bench in 1938. He was reelected in 1942 and in 1946.

Born at Chalk Mountain, Erath county (he thus is a native of the peppelite district), September 28, 1899. Collings attended public school at Glen Rose and was graduated from high school there. He attended Meridan Junior College and then the University of Texas, interrupting his education at the latter school to serve a term as county judge of Somervell county. He then returned to the University, from which he obtained his law degree in 1927.

He went to Abilene, where he formed a partnership with Charles Coombs and practiced law for a brief period before moving to Big Spring.

Judge Collings has been an active participant in religious and civic affairs during his residence in Big Spring. He is a member of the First Baptist Church, and recently assumed the presidency of the local YMCA. A member of the Big Spring Lions club, he was that organization's first president.

Friends throughout the 11th district who solicited Judge Collings to announce present him as a sincere, conscientious and hard-working jurist, whose training, background and record as a trial judge entitle him to advancement to the appellate court on a merit basis.

## Masonic Lodge Elects Officers Monday Night

Officers for Knox Lodge No. 851 AF&AM were elected last Monday night at the regular meeting of the lodge. New officers will be installed next month for the Masonic year beginning June 24.

Elected worshipful master to succeed M. T. Chamberlain was Otis Simpson, who was elevated from the senior warden's station. Other officers are: Dan Billingsley, senior warden; Leo Guffey, junior warden; G. B. Hammett, secretary; Lee Haymes, treasurer; Rev. J. R. Bateman, chaplain and G. W. Dingus, tiler.

Appointive officers will be named within the next few weeks, it was stated.

## Johnnie Williams Receives Degree

Denton—Among the 43 honor graduates of the Texas State College for Women graduating class of 280 was Miss Johnnie Lorene Williams, daughter of Mr. and Mrs. Jerry J. Williams.

The honor students were given special recognition by President L. H. Hubbard Monday at commencement exercises.

Dr. Hubbard commended the students as exemplifying the high ideals of the college and congratulated them for maintaining a high scholastic average throughout their college career.

## Local Woman Makes Contribution To Hospital For Superintendent's Office

The superintendent's office at the Knox County Hospital will receive new furnishings, thanks to the philanthropic spirit of a Munday woman, Mrs. E. B. Bowden.

Mrs. Bowden has given \$300.00 to the hospital for the purpose of furnishing the superintendent's office, the money being contributed in the name of Mrs. Bowden and her two sons, Ira Bowden and E. B. Bowden.

The new wing of the hospital,

CECIL C. COLLINGS

## Knox County Hospital Notes

### Patients in Hospital June 7, 1948

Mrs. G. C. Conwell, Jr., Munday. Baby Girl Conwell, Munday. Mrs. W. L. Bradley, Rochester. Bobby Brooks, Munday. Mrs. E. L. Corley, Knox City. Mrs. Homer Beard, Benjamin. Mrs. A. D. Helms, Knox City. Mrs. L. Conway, Knox City. Baby Girl Conway, Knox City. Charles Burton, Truscott.

### Patients dismissed since May 31, 1948

Mrs. E. L. Collins, Knox City. Paul Jones, O'Brien. Iona Draper, O'Brien. Herbert Sams, Benjamin. Connie Porter, Benjamin. John C. Cauldwell, Rochester. W. T. Brinegar, Knox City. Mrs. Orien Sherry, Knox City. Mrs. Eva Belrose, Goree. Donald Earl Wade, Rochester. Jenny Fails, Benjamin. Mrs. T. G. Carney, O'Brien. Mrs. John Peyson, Munday. Margaret Reeder, Benjamin. Ronnie Thompson, Knox City. Mrs. Paul Jones, Knox City. Louella Robertson, Weinert. Mary Jean Tomanack, Truscott. Mrs. B. Humphries, Knox City. Baby Denton, Spur. Baby Samples, O'Brien. Baby Myers, Truscott.

### BIRTHS:

Mr. and Mrs. G. C. Conwell, Jr., Munday, a Daughter. Mr. and Mrs. John Banner, O'Brien, a Son. Mr. and Mrs. B. P. Haman, Knox City, a Son. Mr. and Mrs. O. P. Mitchell, Goree, a Son. Mr. and Mrs. Cidy Williams, Knox City, a Son. Mr. and Mrs. L. Conway, Knox City, a Daughter.

### DEATHS:

Baby Hernandez, San Antonio.

## Work Begins On New Brick Building Here

L. J. Hill, local contractor, started work last Monday on a new brick building which will house the Clover Farm Store when completed. The building is being erected on the corner lot north of Harrell's Hardware.

This building will be 25x100 feet, and owners of the Clover Farm Store expect to have a very modern grocery when finally located in their new home.

Mr. Hill expects to complete the construction work in about two months, and the store plans to hold its opening in the new home by early fall.

Mrs. J. C. Reagan returned to her home in Spur Sunday after having spent two weeks here with her parents, Mr. and Mrs. R. F. Suggs.

## Rev. H. Polnac Accepts Call Of Local Church

Announcement was made this week that Rev. Huron Polnac of Post, Texas, has accepted the call as pastor of the First Baptist church of Munday. He preached a trial sermon here on Sunday, May 30, after which the congregation called him as pastor.

Rev. Polnac, pastor at Post for the past four years, served as pastor at Lorraine. He is a graduate of Howard Payne College, Brownwood, and also attended Hardin-Simmons University and the Baptist Theological Seminary in Fort Worth. He comes to the local congregation highly recommended as a man of God and church leader.

The new pastor and his family will move into the parsonage during the week of June 20. The Polnacs have two sons, one 14 years old and one three years old.

The parsonage is now undergoing repairs, with much work being done to the interior, in preparing it for the new pastor and his family.

Rev. Polnac will preach at both morning and evening services next Sunday; will be away on Sunday, June 20, but will take up his regular duties on Sunday, June 27.

The entire community joins members of the Baptist church in welcoming Rev. Polnac and his family into our midst.

## Frozen Food Program Held Here June 1

Frozen Food Locker Operators, County Agricultural Agents and Home Demonstration Agents of District III met in the Munday School gymnasium, Tuesday, June 1st, for a Frozen Food Program.

Roy Snyder, Meat Specialist and Louise Mason, Food Preparation Specialist, brought to those present the latest in containers and package materials, beef cutting and pork cutting and curing. All twenty counties, ranging from Donley County on the north, to Wichita County on the east, Haskell County on the south, to Motley County on the west were represented.

One of the highlights of the day was the serving of a complete frozen food dinner supervised by Jim Shockey, Knox County plant operator. Those present commented that it was a very good dinner.

## AMERICAN LEGION TEAM AND O'BRIEN JUNIORS TO PLAY HERE TONIGHT

Announcement was made Wednesday that the American Legion's junior baseball team and the O'Brien juniors will play a fast ball game on the local field tonight (Thursday).

Play will start at eight o'clock. Admission is 10 and 25 cents, and the public is invited to come out and see these boys in action.

## New Pastor

Pictured above is Rev. W. G. Barr, formerly of Spearman, who last Sunday began his duties as pastor of the Munday Methodist church.

Rev. Barr and his family have received a warm welcome to the community, and the pastor has already started a visitation program which he hopes will bring him into many homes of the community during the next few weeks.

## Coveted Award Made Benjamin 4-H Club Boy

Fred Lewis Crenshaw, 4-H club member, of Benjamin, Texas, was awarded the Thomas E. Wilson Meat Animal award this week.

For this recognition Fred Lewis was presented with a gold medal to be attached to a watch chain with the inscription "County 4-H Livestock Champion." He has been in club work for five years, and has fed livestock each year, and has won second, sixth and Grand Championship at the District Show in Wichita Falls for the last three years. Last year he won second place at the Ft. Worth Show. Net returns of his calves for the 5 year period at District and State sales has netted him over two thousand dollars.

This year Fred Lewis is feeding another calf, and has purchased two grown cows, which have calves, and is using them as his project. Fred Lewis has brought much honor and publicity to his county.

Other awards announced this week were the Knox County Poultry winners. These boys have been outstanding in Poultry production.

They are Don Hill, of Sunset; Omar Yarbrough, Munday; Bryson Laird, Benjamin; Jimmy Burl Morgan, Sunset; and Melburn Johnson, Munday.

## Funeral For Mrs. Brooks Is Held Monday

Mrs. Lively Leona Brooks, a resident of Knox county for several years, passed away on Saturday, June 5, at 6:15 p. m. at a Wichita Falls hospital, where she had been taken for treatment a few days earlier.

Mrs. Brooks and her husband resided on the R. C. Partridge farm, west of Munday. She was born July 20, 1887, at Bowling Green, Kentucky, and was 60 years, 10 months and 15 days of age.

Besides her husband, she is survived by her brother, E. M. Conway of Dallas, and three nephews; Bill Conway, Dallas, W. H. Sprague and Walter Sprague, both of Chico.

Funeral services were held from the Freewill Holiness church in Munday at three o'clock last Monday afternoon, being conducted by Rev. Earl Brewer. Burial was in the Johnson cemetery with the Mahan Funeral Home in charge of arrangements.

Pallbearers were R. C. Partridge, George Booe, Ira Belcher, Sid Liles, Walter Sprague and Bill Conway.

## Sheriff Catches Two Negroes With Too Much "Juice"

Two Negro bucks who were around Benjamin last Saturday seemed a bit suspicious to Sheriff Homer T. Melton, so he investigated their possessions.

He confiscated eight cases of beer in quarts, two cases of whiskey, a half case of gin and a gallon of wine.

And the two boys found themselves in the hands of the law!

Miss Gayle Busby of Brownfield is visiting her grandparents, Mr. and Mrs. Tom Busby, this week.

## THIS LITTLE DYKE IS A CUTE LITTLE TYKE!

She's as cute as a pearl button; as precious as a polished diamond, as winsome as winsome can be, and she's already won a great big place in the hearts of those she's come to live with.

She arrived Wednesday, June 2, 1948, at 6:50 p. m., but the welcome mat had been put in place for her earlier. She tipped the scales at 3 pounds and 4 ounces; her eyes are dark, and her hair is brown. Her name is Glenna Margaret.

She'll have a fair chance at an education, for she's making her home on the campus of Hardin-Simmons University.

Her parents are Mr. and Mrs. James Dyke of Abilene. Her grandparents are Mr. and Mrs. W. Tiner of Munday and Mrs. Glenna Dyke of Walters, Okla. Our guess is this Dyke will be a spoiled little tyke fore long. But, shucks, who wants a young'un that isn't spoiled?

## Stevens Is Named President Of New Civic Organization

Joe Bob Stevens, manager of the West Texas Cottonoil Co. in Munday, was elected president of the newly formed Community Development Association last Monday night at a meeting of the directors.

Stevens has been active in the Munday Chamber of Commerce, the Junior Chamber of Commerce and the Munday Rotary Club, which three groups merged to form the new organization. Directors voted to carry on all worthwhile activities sponsored by these organizations, including the Rotary Club's \$100 scholarship award to the highest ranking senior who participates in athletics; the Jaycees street marking program; and the Munday Chamber of Commerce's sponsorship of the Scouting program.

Directors are working on selecting various committees to carry on a varied program of development for the Munday area. The one which will be most active in the immediate future is the membership committee, composed of the following:

Winston Blacklock, chairman; Chan Hughes, Charles Baker, Moody Johnson, Fred Broach, Jr., Weldon Smith, Shorty Kuehler, L. B. Patterson and J. C. Shockey.

The list of other committees will be published as soon as completed.

## Rice Announces For Justice Of Precinct Six

John C. Rice on Wednesday announced his candidacy for the office of Justice of the Peace for Precinct No. 6, subject to the action of the voters in the July primary.

Mr. Rice is serving his first elective term and seeks re-election to this office for a second term. He was appointed to fill the unexpired term of S. E. McStay, making a total of three years in this office.

During the time he has served, Mr. Rice has been available at almost any time, and he says he will continue to be available for those who are in need of his services.

"If re-elected to this office," he said, "I pledge the people of this precinct another term of unselfish service, trying to make you an honest and sincere official. Upon this basis I ask your support in the coming primary."

## SCHOOL BOND ELECTION IS SET FOR TUESDAY

Next Tuesday—June 15th—voters of the Munday Independent School District will vote on the \$110,000 bond election for the purpose of providing a modern high school plant for the local system. The election will be held at the city hall in Munday, and all qualified voters are urged to attend.

Mr. and Mrs. Huey Cook and boys of Shamrock, Mr. and Mrs. Floyd Cook and family, Mr. and Mrs. Roy Cook and family, Mrs. Dora Cook and Mrs. C. R. Cook of Haskell were guests in the home of Mr. and Mrs. Casey Nebhut last Monday.

## Munday To Be Host To Tri-County Golfers; Qualifying Starts On Sunday

The Munday Municipal Golf Club will be host club to the Tri-County Golf Tournament again this year, and plans are almost completed for entertaining golfers of Baylor, Knox and Haskell counties.

The tournament was slated for Haskell, but the Haskell club requested that that play be held at Munday because their course could not be made ready in time for the tournament.

Invitations have gone out to all golf clubs of the Tri-County association, and suitable prizes for winners in each bracket have been purchased and are ready for the boys with the hottest clubs.

Qualifying rounds will start next Sunday and will be continued through all of next week. Matched play will begin on Sunday, June 20.

At the close of qualifying rounds, the driving contest and Calcutta

## Citizens Vote New Civic Body For This Area

Around 100 men of Munday and trade area gathered at the school gymnasium in Munday last Friday night to discuss an organization for furthering the progress of this trade area. The meeting resulted in preliminary steps toward forming the Community Development Association, which will take the place of the several men's civic clubs now in existence.

C. R. Elliott acted as temporary chairman and explained the purpose of the organization. The plan, as pointed out at this meeting, is to employ a full-time secretary and manager of the association to devote his entire time toward the development of this area.

The group voted unanimously to form the organization, and a board of nine directors was elected from a list of 30 people who had been suggested as possible directors.

Elected to the board were: C. P. Baker, Don L. Ratliff, Paul B. Pendleton, Leland Hannah, Clay F. Grove, C. R. Elliott, Joe Bob Stevens, Moody Johnson and W. R. Moore.

The directors were authorized to elect a president for the Community Development Association from the above group, and the setup will be formed so that the terms of three directors will expire each year.

Preliminary groundwork has been laid, and within time it is expected that the Munday area will have only one civic organization—one that will be boosting for this section and pulling for needed improvements that will be of lasting benefit to the town and community.

## Goree Masons Name Officers For New Year

At a recent meeting of the Goree Lodge No. 1029, AF&AM, the following officers were elected for the coming Masonic year:

Samuel Cannon Roberts, worshipful master; Jesse C. Rawlins, senior warden; Willie B. Neighbors, junior warden; E. P. Norris, tiler; W. M. Taylor, treasurer; H. D. Arnold, secretary; E. W. Norris, senior steward; J. H. Blankenship, junior steward.

The new officers will be installed on or after June 24th.

## MUNDAY GIRL ADMITTED TO SCOTTISH RITE HOSPITAL

Little Miss Carol Carter, 2-year old daughter of Mr. and Mrs. T. C. Carter of this city, was admitted to Texas Scottish Rite Hospital for Crippled Children in Dallas for treatment on Friday, June 4.

The Scottish Rite Hospital, which is supported by individual contributions, offers the best possible medical care and attention free to Texas crippled children who are accepted for treatment.

## IN WICHITA HOSPITAL

Mrs. Lee Haymes was taken to a Wichita Falls hospital last Monday afternoon for treatment. She had been ill at her home here for several days. Reports are that she is somewhat improved.

## THE MUNDAY TIMES

Published Every Thursday at Munday  
Aaron Edgar and Grady Roberts . . . Owners  
Aaron Edgar . . . Editor and Publisher  
Entered as second class matter January 4, 1919,  
at the postoffice in Munday, Texas, under Act of  
Congress, March 2, 1879.

### MUNDAY'S NEEDS FOR 1948

1. A modern and up-to-date high school building, to care for the present and future educational needs of our children.
2. A waterworks system that meets all requirements of health, sanitation and supply.
3. A street sweeper that will keep our pavement clean enough to be recognized as pavement.
4. A clean-up campaign of lasting effect; yes, one that extends even across the tracks.
5. Completion of our drainage and paving program, which will probably be accomplished this year.
6. More activity among our civic organizations, looking forward to, and planning for, a better Munday in the future.

### YOU CAN'T EAT GRASS

Close to half the land of this nation would be useless for food production if it weren't for the breeders and raisers of livestock and the packers who start meat along the channels that end at the dinner table.

You can't eat grass. By itself, it adds nothing whatever to the food supply. Meat animals, on the other hand, thrive and grow on it. Inedible grass becomes edible meat that keeps the country's larders full.

Our meat animal population must be kept at a high level if we are to supply our own needs and maintain our foreign exports. We can't turn our meat supply on and off like a faucet. There's no miraculous assembly line that will produce an animal ready for the packers in a few minutes. It takes more than a year to grow a marketable hog, and two to three years to grow a beef steer. Any considerable decline in our animal population would take a long time to make up. The only sound policy for American agriculture, in the words of the Secretary of Agriculture, is "organized, sustained and realistic abundance."

Meat animals, which are the farmer's chief source of cash income, are also the backbone of a tremendous competitive industry which processes the product for a profit of only a fraction of a cent per pound. Meat is a staple item in the American diet, and the whole process of producing it begins on a grass-land, a great portion of which is useless for anything save the feeding of livestock.

### NO TRESPASSING

"Fishermen and other holiday-makers in the countryside are discovering that the pleasant spots where they might disport themselves, without defiance of a 'no-trespassing' sign, are growing fewer and fewer because of fire risks," says the Saturday Evening Post editorially. The Post then cites the case of a correspondent who lives on acreage that contains an excellent brook. He once allowed fishermen to come on his property and the state stocked the stream. But, the Post goes on, "Our informant had half a dozen minor scares from abandoned fires during the first few fishing seasons, and one major one in which more damage was done to fine trees than all the fish in the township were worth. Since then the warden has not stocked the brook, and the angler who coasts along the road in his car,

### DON'T LOOK FOR A MIRACLE

Current forecasts as to future price trends are very cautious in tone—the experts have been burned in the past, and they're naturally trying to keep from going too far out on a limb. However, the general consensus is that there will be relatively little change, either up or down, in the foreseeable future.

This may be bad news to those who have been anxiously awaiting a return to "normal" prices. But it is as absurd to expect a return to 1941 prices, for instance, as, in 1941, it would have been to expect a return to the level prevailing in 1900 or any other year. The factors which have made inflation inevitable are as strong as ever.

As a matter of fact, we're lucky that prices aren't even higher than they are. And a large part of the credit for that must go to those thousands of retail merchants who have been the innocent targets of much consumer resentment. The typical merchant has voluntarily cut his margin of profit on each dollar of sales to a point smaller than that which existed in OPA days. He acts as the consumer's champion in dealing with producers, as ways and means are tried to get the most for each dollar spent. He keeps a sharp eye out for items which he believes overpriced in relation to competitive items, and doesn't stock them. And, to the limit of his ability, he keeps his shelves loaded with goods in all price brackets of the best available quality.

Whether prices go up or down in the days ahead, your merchant will be working to give you the best break possible, because it is sound business practice.

looking for a place to throw his line into a promising stream, finds an unbroken succession of signs telling him what the law will do to him if he trespasses."

This is tough on the fisherman and the hunter. And it's a great deal tougher on the people whose property is razed by fire, the magnificent stands of forests that are turned into ash, and the wildlife which is killed in its nests and caves. No one can honestly claim that forest fires are natural and inevitable. The cold figures prove that 90 percent of them are caused by individual carelessness.

We must enforce fire safety laws to the letter. And, far more important, we must learn the basic rules of fire prevention in the outdoors and everywhere else. Do you want to be the one who causes the death of a forest and its inhabitants?

Russians may be striving for world peace, as they ostend, but they are clever at hiding their efforts.

Maybe the cost of living is too high, but most of us are sure trying to get our money's worth. A chip on the shoulder usually indicates that there is wood higher up.

Noah would have done humanity a good turn if he had swatted both those flies and mosquitoes before leaving the ark.

If Petrillo would just stop the juke-box musicians he'd regain a lot of lost popularity.

## LOCALS

Carrol Ann and Kay Sanders of Plainview came in last week for a visit with their grandparents, Mr. and Mrs. H. A. Pendleton, and with Mr. and Mrs. Paul Pendleton and Jan.

Mr. and Mrs. Hal Pendleton and daughter, Sandy, of Dallas spent the week end with Mr. and Mrs. H. A. Pendleton and other relatives.

E. C. St. Clair, co-ordinator of the Knox County Vocational School, attended a co-ordinators meeting in Austin the latter part of last week.

Mrs. R. E. White, Carolyn, Marilyn and Wayne A. Harris of Iowa Park and Miss Avis Harris of Haskell visited in the home of their parents, Mr. and Mrs. W. A. Harris.

Mr. and Mrs. Edgar Beecher and children of Shallowater spent the first of this week visiting in the home of Mr. and Mrs. E. Beecher and Mr. and Mrs. J. O. Bowden.

Dr. D. C. Eiland and Ma Eiland were business visitors in Dallas last Monday.

From where I sit ... by Joe Marsh

### Who is this Man?

Now and then, in the pages of *Clarion*, I run a biographical column, under the heading of "Who This Man?" For instance...

"He was one of the earliest lovers in American history..."

"And yet he was too shy to court a woman outright..."

"He came to the New World on the Mayflower..."

"A cooper to repair the beer barrels accompanying the Pilgrims..."

"Who is this man?"

I thought that everybody was

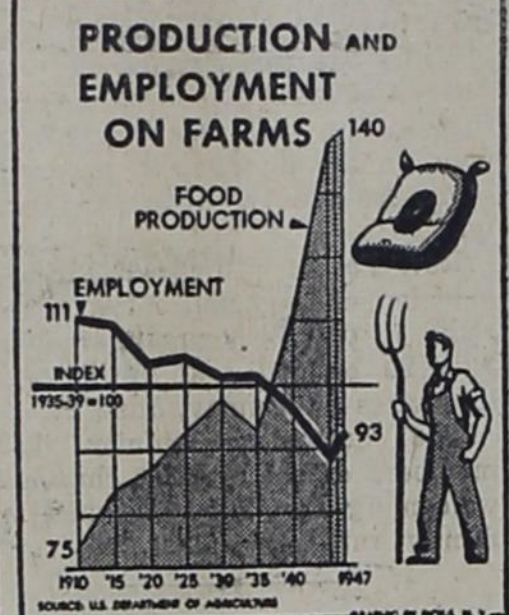

stumped. But not Ma Hoskins, who returned the clipping to me with "John Alden" on it. She recognized all the clues—including that reference to "beer" and "cooper."

For Ma—who's read her history, knows that beer as the beverage of moderation, is as old in this land of ours as the never-ending American search for tolerance which brought the Pilgrims over to this country in the first place.

Joe Marsh

Copyright, 1948, United States Brewers Foundation

### MORE WITH LESS

DESPITE a decrease in the number of farm workers, food production has increased steadily as the land has been mechanized. Since 1935 the number of tractors on the farm has virtually tripled and oil-powered equipment for almost every type of job has come into use. During this period food production has increased to a point 40 percent above that in any peak year prior to this era of oil-powered mechanization.

### INSURANCE

Pays \$500 on accidental death. Pays doctor, hospital bills, transportation, etc., up to \$5,000 on the following diseases:

- Poliomyelitis (Infantile Paralysis)
- Leukemia
- Scarlet Fever
- Diphtheria
- Small Pox
- Spinal Meningitis
- Encephalitis
- Tetanus

## Soil District Wins In "Save Soil" Events

The Wichita-Brazos Soil Conservation District was recently declared Conservation District Winner of Region 5 in the 1947 "Save the Soil Events." The District Conservation Board composed of Jack Idol, Henry Smith, Clay Grove, C. C. Browning and H. D. Gammill have performed excellent jobs in promoting soil conservation in this area. Through their efforts and the cooperation of the members more constructive work was performed in this area than in any other district area in Region 5. Wilbarger, Wichita District took second place, California Creek third and Little Wichita fourth in

the events. Jack Idol, president of the board, was awarded the outstanding conservationist plaque by the Fort Worth Press. To be eligible for this award, the candidate must demonstrate outstanding participation in promoting conservation in his neighborhood as well as on the land he farms.

Mr. and Mrs. H. G. Williams and Charles were recent visitors with relatives and friends in Billingsboro, Itasca and Smithfield.

Mr. and Mrs. H. L. Wade of Dallas visited briefly in the home of Mr. and Mrs. Aaron Edgar last Thursday. They were enroute home after a visit in Wellington with Mrs. Wade's parents, Mr. and Mrs. E. M. Edgar, and other relatives.

Mr. and Mrs. B. C. Lawrence, Mr. and Mrs. V. V. Routon and Mr. and Mrs. George Conwell were in Oklahoma City on Tuesday of last week to see the midget auto races. They also visited other points in Oklahoma and Kapsas.

Clayton Bridge of Dickens spent a while here Thursday with his father, W. J. Bridge, and with Mr. and Mrs. Aaron Edgar.

### GIVE NATURE A LIFT

Present-day living often imposes a natural burden on your system. Nature does not always provide necessary elimination. Irritated bladder, swollen ankles, aching back frequently result. Then is the time to use CIT-ROS and assist nature in providing a correct balance of pH. (Natural body fluids). Quick relief! CIT-ROS \$1.00, is for sale by:

## Knox Prairie Philosopher Has Unique Plan For Putting The Road Building Candidates On The Spot

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has a pretty good plan, but we doubt if he gets anywhere with it.

Dear editor:

I been noticin in the copies of the newspapers I've picked up lately out here that the state candidates are busy again and the promis in business is boom in.

Now there ain't nothin wrong with promis in, done a lot of it myself, I'm in favor of it, keeps a man lookin to the future and a woman from throwin a skillet in lots of instances, but I have been thinkin.

I remember as plain as if it was yesterday that two years ago every candidate for office was gonna pave thousands of miles of country roads, but I can't get to town any better now when it rains than my grandfather could. And since I notice the candidates are promis in more roads again this year, I have hit on a plan, and will appreciate you joinin me.

When a candidate tells me he's gonna gravel so many miles of country roads in the state and pave so many others, I intend to compliment him and then pin him down.

"WHERE you gonna build them roads?" is gonna be my next question.

When he starts to say he will

consult with the engineers and draw up plans and may out the details and point a special committee, I'm gonna pull out a map right then and invite him to sit down on a log and take a pencil and draw off just exactly where he's gonna build them roads.

I'd rather have the promise of a road than no promise, I reckon, don't make no difference if the mud is just as deep either way, but I'm sort of gettin tired of them vague, over-all promises that gets everybody to believin a road is gonna come by their mail box and it winds up bein built in the north end of some county 200 miles away.

What I want to know of all the promis in candidates from now on is just one thing, WHERE you gonna build them roads, after which I can do some intelligent votin.

And if everybody else in the country would join me, we might get the candidates pinned down to committin themselves to a definite, down-in-black-and-white set of roads, not just roads implied with a sweep of the hand and a thrust-out jaw. There just ain't no satisfaction left in hearin a candidate promise thousands of miles of roads and millions of dollars. All I want to know is he gonna pave my road from my mail box to the highway.

I got my map of the state read along with a pencil and am waitin for the next candidate to show me. Will report on what he has to say.

Yours faithfully,  
J. A.

J. A.

## Ex-Bell County Resident's Picnic Set For June 20

The fifth annual picnic of the Ex-Bell County Residents who now reside in West Texas will be held at the Presbyterian Camp ground at Buffalo Gap on Sunday, June 20th.

This Association was organized in 1940 and has for its purpose the coming together once a year of all that were former residents of Bell County. There are no dues for membership and the only requirements are that you formerly lived in Bell County and now live in West Texas.

At the first meeting of this Association there were over seven hundred Ex-Bell County residents present, and it has steadily grown larger and it is expected that this year's meeting on June 20th will be the largest gathering we have had, possibly two thousand or more. The meeting will convene at 10 o'clock A. M. with a basket picnic lunch spread at noon and the day's program will be entirely informal, associating with former friends and acquaintances that we have known in the long ago. It will be worth your while to come and spend he day and meet old friends and neighbors that you have not seen for thirty or forty years. Regardless of what portion of West Texas you live in, you are requested to bring your basket lunch and be present. It is a beautiful grove and you will have a place to spread your lunch. Now be sure to be present and become a member of this Association. The Committee feels sure that you will never regret it but will have lots of fun and pleasure.

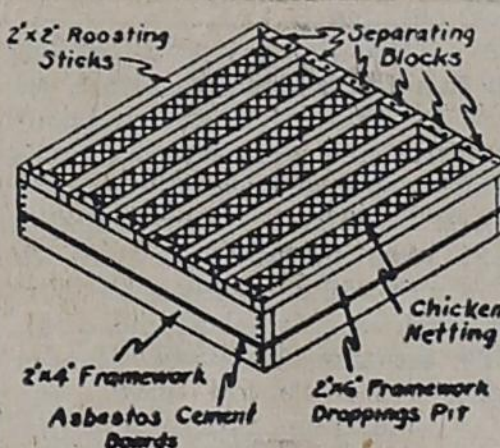

Mrs. W. V. Tiner spent several days last week in Abilene with her son-in-law and daughter, Mr. and Mrs. James Dyke, and with her little granddaughter, Glenna Margaret.

## Fixing Up the Farm by BURTON WILLIAMS

### Easy-to-Clean Roosts

AMONG the essential requirements of satisfactory roosts and dropping boards is that they provide the chickens with adequate protection against contamination and that they be easy to keep clean.

The diagram below illustrates how a simple unit can be constructed easily to meet both needs. It can be suspended from the ceiling or mounted on legs.

Courtesy Pennsylvania Farmer

The dropping board consists of two sheets of asbestos cement board, which comes in 4 x 8-foot sizes. The sheets are nailed to a simple framework of wood 2 by 4's, making a section 8 x 8 feet.

On top of this dropping board is placed an 8-foot square framework of 2 x 6's, which is covered with tightly stretched poultry netting. The roosting strips consist of 2 x 2's. They are laid on top of the poultry netting and held in place by wood blocks. This arrangement permits the strips to be removed easily for cleaning, painting or disinfecting. The wire netting keeps the poultry out of the droppings, and thus helps to guard the chickens from dirt and disease.

Asbestos cement is used for the dropping board because it has a smooth, hard surface which can be cleaned easily by washing, scraping or hosing. Made of asbestos fibers and portland cement, it is unusually strong and durable. It will not rot or wear out and cannot be gnawed through by rodents.

## Miss Lola Jones Becomes Bride Of Frank Clements In Home Service Here

The marriage of Miss Lola Jones, daughter of Mrs. Rose Jones of this city, and Mr. Frank H. Clements, son of Mrs. J. J. Clements of Lubbock was read on June fifth at the home of the brides mother.

The four o'clock vows were solemnized before a background of lighted candelabra and baskets of white gladiola. The Rev. W. H. Albertson, former pastor of the First Baptist Church of this city, was officiant.

Recordings of "Because" by D-Hardlot, "Ave Maria", "Ah Sweet Mystery of Life" and Lohengrins Traditional Wedding March was played.

Given in marriage by her mother, the bride wore a white slipper satin gown designed by her mother. The gown was fashioned with a fitted bodice and a sweetheart neckline trimmed in lace and seed pearls. The long sleeves ended in a point at the wrist and were outlined with seed pearls. The skirt extended in a train and was outlined at the hem with lace. The veil of fingertip effect fell from a tiara of orange blossoms and pearls.

She carried a white bible topped with an orchid.

Mrs. Jack D. McCall, sister of the bride, was matron of honor. She wore a dress of rose faille.

Her flowers were an arm bouquet of white gladiola. Miss Thelma Wirges of Fort Worth, wearing aqua faille and Miss Katherine Brown of Waco, wearing gold faille, lighted the candles. Mr. Melvin Legge of Hobbs, New Mexico was best man.

Immediately after the ceremony, a reception was given at the home. The three-tiered wedding cake was served by Mrs. Robert Clements of El Paso. Mrs. H. P. Bowen, Dallas, cousin of the bride, presided at the punch bowl. Miss Adelle Harrell of Memphis, presided at the brides book.

The couple left for a wedding trip to northeastern New Mexico. For traveling the bride changed to a two piece frock of pink butcher linen. She wore brown accessories and an orchid.

Mrs. Clements is a graduate of Munday high school and North Texas State College. She formerly taught in Andrews junior high school.

The bridegroom is a graduate of Lubbock high school and Texas Technological College. He also attended the University of Chicago. The couple will live in Andrews where Mr. Clements is employed as an engineer for Stanolind Oil and Gas Co.

## Gilliland Club Meets Wednesday With Mrs. Miller

The Gilliland Home Demonstration Club met Wednesday afternoon June 2, in the home of Mrs. O. R. Miller.

Mrs. Omar Cure reported that \$11.00 had been raised to help pay two 4-H Club girls' way to district encampment.

This meeting brought to a close a membership drive contest. Eight new members were added during the contest.

Various committees were appointed to help with the women's encampment.

Miss Butler gave a very interesting demonstration on short cuts in clothing construction.

Refreshments were served to the following: Mmes. O. A. Burgess, W. L. Capps, Hewitt Simmons, Buck Spivey, W. G. Holis, John Jamison, Pete Mayberry, Arnold Navratil, O. O. Ilse, Buel Gibson, Homer Martin, Charles Meek, L. D. Welch, Jim Welch, John Thompson, Omar Cure, Arthur Ilse, A. J. Whatley, Geo. Solomon, W. T. Cook, Glad Duncan, Douglas Mayberry, Alton Cook, R. E. Humphries, O. R. Miller and Miss Damie Groves and two visitors, Mrs. Dub Dowdle, and Mrs. E. B. Sewell.

## Martha Ann West, Otis C. Waddill, Jr. Wed In Abilene

In a double ring ceremony read by Rev. William Thorn, June 6, Martha Ann West, daughter of Mr. and Mrs. C. T. West of Goree, became the bride of Mr. Otis C. Waddill, Jr., son of Mr. and Mrs. Otis C. Waddill, Sr. of Brady. Wedding vows were solemnized at six o'clock in the evening in The Chapel of Memories in Abilene. Wedding music was presented by the chapel organist.

The bride's dress was a street length white pique. She wore a picture hat of white crocheted straw and her other accessories were white. Her only ornaments were a double strand of pearls and ear screws, wedding gift of the groom. Her arm bouquet was of white carnations, gladiolas and calla lilies. She wore the traditionally "something old, something new, something borrowed, something blue", and a penny in her shoe.

The bride has been attending Hardin-Simmons University the past two years and is a member of The Cowgirls. Mr. Waddill has also attended Hardin-Simmons University the past two years and is a member of the Cowboy Band and was vice-president of the sophomore class. He served in the Marines eighteen months.

Serving as the bride's only attendant was her sister, Janice West. She wore a pink dress with blue and white accessories and a corsage of roses.

The best man was LaVerne Larimore of Brady.

Wedding guests were Mrs. Otis C. Waddill, Sr. of Brady, Mr. and Mrs. Sanders, Miss Betty Sanders, Miss Claire Smith, Miss Edith Eldridge and Mr. Bob Moon, all of Abilene, Mr. and Mrs. C. T. West and Tommy of Goree, Miss Patsy Campsey of Munday and Miss Joline Hendrix of Lubbock.

The couple will live in Abilene while Mr. Waddill is attending summer school. They both plan to continue their studies in Hardin-Simmons in the fall.

## Victor Williams Receives Degree

Victor M. Williams, son of Mr. and Mrs. Al C. Williams of Munday, received his B. S. degree from Texas Technological College, Lubbock, on June 7.

He will be band director at Slaton this fall and will continue his work with the Lubbock Symphony Orchestra and work during the summer on his master's degree.

Mrs. Williams and daughter, Gail, were in Lubbock over the week end and returned home with Mr. Williams, who attended his son's commencement on Monday night.

Mr. and Mrs. Murray McClellan and family of Chickasha, Oklahoma were recent visitors in the home of Mr. and Mrs. Raymond Suggs.

## Red Cross To Hold Its Annual Meeting June 21

The Knox County Chapter of the American Red Cross will hold its annual election of officers for next year at a meeting in Benjamin Monday evening, June 21st at 8:00 o'clock.

The motion picture film "Danger is Your Companion" has been secured and will be shown at that time.

Miss Leah Jackson, the field representative for this district, will be present for the meeting. Since this is an unusual privilege to have the field representative present at an election meeting, we should have a large attendance. We feel sure that Miss Jackson will bring us a worthwhile message at the meeting.

The Knox County chapter is yours and concerns every citizen of the county. Everyone who can, should be present and help elect efficient and interested officers.

There has been a tendency since the war ended to let such organizations as the Red Cross drag along somewhat. This should not be the case. We never know when we will be called on to meet the emergency caused by a disaster somewhere near by. We do know that we are meeting such situations somewhere all the time.

Knox County has always gone over its quota in raising funds for the Red Cross, but sometimes we are a bit slow or negligent about our interest in the County organization.

### BIRTH ANNOUNCEMENT

Mr. and Mrs. Gene Chandler of Bostonia, Calif., are proudly announcing the arrival of a son on May 25. The little boy's name is Ronald Gene, and they call him Ronnie. Mrs. Chandler is the former Betty John Beauchamp, daughter of Mrs. Wylene Johnson.

Those to attend the Edwards family reunion at Weinert last Sunday, June 6th were: Mr. and Mrs. C. W. Boyles and family of Bisby, Ariz., Mrs. Frank West of Lubbock, Mr. and Mrs. Arnold Edwards and family of Dallas, Mr. and Mrs. R. L. Edwards, Mrs. Frank Ford and Mr. and Mrs. R. S. Edwards and Bruce of Weinert and Miss Earlene Edwards, Mr. and Mrs. M. L. Raynes and Felton, Mr. and Mrs. Earl Tayntor of Munday and James Short of Dallas.

## Political Announcements

The Munday Times is authorized to announce the following candidates for office, subject to the action of the voters in the Democratic primary in July:

- For Sheriff: L. C. (LEWIS) FLOYD HOMER T. MELTON (Re-Election)
- For Tax Assessor-Collector: M. A. BUMPAS, JR. (Re-election)
- For Commissioner Of Precinct Two: L. A. (LOUIS) PARKER (Re-Election) LEE SNAILUM J. O. WARREN EMMETT G. RICHARDS
- For Commissioner Of Precinct Four: GEORGE NIX (Re-Election) OTIS SIMPSON DAVE JETTON
- For Commissioner Of Precinct One: O. L. (PETE) KNIGHT
- For Commissioner Of Precinct Three: C. A. BULLION (Re-election) E. D. WELCH
- For County Treasurer: W. F. (WALTER) SNODY (Re-Election) DENZIL (Cotton) FITZGERALD
- For District Clerk: MRS. OPAL HARRISON-LOGAN (Re-Election)
- For Constable Of Precinct One: LEROY DAVIS
- For County Judge: J. B. EUBANK, JR. Wm. GRIFFITH (Re-election)
- For County Clerk: J. A. WILSON M. T. CHAMBERLAIN (Re-Election)
- FOR STATE REPRESENTATIVE 114th District: JOHN E. (Jack) MORRISON REX E. SULLIVAN
- For County Attorney: J. C. PATTERSON

## Munday H. D. Club Meets June 2nd In Patterson Home

The Munday Home Demonstration Club met in the home of Mrs. Joe Patterson, June 2nd. This was a call meeting for the purpose of getting orders arranged for pineapples and cocoanut.

Refreshments were served to two new members, Mrs. James Gaiter and Mrs. E. R. Berterton and Mmes. Leland Floyd, G. L. Pruitt, Louis Cartwright, J. L. Offutt, Frank Bowley, Bill Gaiter, Otis Simpson, Cude, A. M. Searcey, Claude Hill, J. C. Gollehone, J. R. King, C. C. Jones, R. E. Foshee, A. L. Roden and Verbon Voss and the hostess Mrs. Joe Patterson.

Mr. and Mrs. M. L. Barnard were visitors in Wichita Falls last Sunday.

Mrs. Lilly Holt of Dallas and Mrs. G. R. Eiland left last Wednesday for a visit with relatives in Lamesa.

Mr. and Mrs. Lonnie Offutt and family spent last week with relatives in Fort Worth and Wichita Falls.

## Salt Water Struck In Baker Oil Test; Well Abandoned

The Thomas D. Humphrey No. 1 Baker test, about 15 miles southeast of Munday, has been abandoned after "too much salt water." Regarding activities in this area, the following article appeared in Tuesday's Star-Telegram:

"Warren Oil Company No. 1 Hill Allen, 933 feet north and 750 feet west of the J. Early survey, A-192, but in the Raymond Sanchez survey, A-248, is a 5,000-foot wildcat for northwestern Throckmorton county. The wildcat is on a block of several thousands of acres extending into Baylor county taken by Warren last year and which is reported to have been worked with seismology prior to staking the location.

"Location is about two miles north of the T. D. Humphrey No. 1 Baker, J. Pew survey, another Northwestern Throckmorton wildcat, which was abandoned at approximately 5,300 feet in the Mississippi lime. Casing was set in the Caddo on the latter wildcat but returned only salt water on test. Details are expected to be released in the near future."

## Attention Farmers And Grain Men!

Now is the time to have your disc plows sharpened on a large size rotary disc roller machine—the factory method. They say:

## County Council Meets On Friday At Benjamin

The Knox County Home Demonstration Council met Friday, June 4th in the assembly room of the court house.

Mrs. J. C. McGee reported that the county had already bought furniture for the new rooms at the hospital, but they needed one hundred dollars for buying sheets, towels, etc. Council voted to furnish this money.

Orders for pineapple and cocoanut were turned to Mrs. H. P. Gillispie, marketing chairman. Mrs. Gillispie reported that council would be able to buy tomatoes late in July.

Plans were made and discussed for the Women's encampment which will be held in Leuders, July 22-23.

Friday was Hefner Day at council. They had seven visitors present. Munday also had seven, Union Grove, one and Gilliland three.

Coy Riley of Levelland visited with his parents, Mr. and Mrs. S. O. Riley and with friends last Tuesday.

Leb Ward and Miss Marquitta Fitzgerald and Mrs. Evelyn Elliott visited Mrs. Henrietta Wagoner in Ft. Worth last week end.

Miss Janie Spann of Texas Tech College, Lubbock, is home for the summer months to be with her parents, Mr. and Mrs. Oscar Spann.

#### SEEKING GOD FIRST

Who seeks for friends to love him,  
His is a noble quest,  
For man alone, unaided,  
Can never be his best,  
Christ was the friend of all man-kind.  
He loved them—e'en the worst.  
He finds the sweetest friendships  
Who seeks God first.  
Who seeks to find the kingdom,  
He wisely seeds indeed;  
In Christ he finds a full supply  
To meet each want and need.  
For sacrifices nobly paid—  
For losses reimbursed.  
He findeth every perfect good  
Who seeks God first.

—Selected.  
"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matt. 6:33).

#### FIRST METHODIST CHURCH

The following services are announced for the First Methodist Church Sunday, June 13:  
10:00 a. m. Sunday School.  
Joel W. Massey is Gen. Supt. and announces there is a class for every age group. Visitors and new members will be warmly welcomed.  
11:00 a. m. Morning Church.  
The choir under the direction of Mrs. O. Spann will sing. The pastor, will lead in the worship service and will bring the morning message. Special meetings for the week will be announced.  
5:30 p. m. Vesper Service.

This hour will be very devotional and inspirational, having as one of its main features the official closing of the Daily Vacation Bible School which has been under the direction of Mrs. Pendleton. The several departments will present their programs with the respective superintendents leading. All parents of children attending the school are urged to be present. The public is invited. There will not be any preaching service.

Youth Fellowship 7:30 p. m.  
The sponsors of these Junior, Intermediate and Young people urge a good attendance. A fine program is being planned.

#### FIRST BAPTIST CHURCH

You are urged to attend all services of the church next Sunday.  
Sunday school, 10 a. m.; preaching service, 11: a. m.; B. T. U., 7 p. m.; evening services, 7:45 p. m.  
Rev. Polnac, who has accepted the pastorate of our church membership, will preach for us at both morning and evening services.  
Pulpit Committee.

#### CHURCH MEETING

There will be a meeting at the Church of Christ beginning on Thursday, June 17th. Minister W. H. Francis of Mangum, Oklahoma will do the preaching.  
Everyone is cordially invited to attend the meetings.  
F. W. Franklin, Elder.

### County Lags On Bond Quota

Knox county is lagging far behind on its quota for the Security Loan Campaign with only a small per cent of its quota raised. All citizens, including small investors in Series E bonds, are urged to invest in bonds before the closing date, June 30.

In a recent letter to W. E. Braly, county bond drive chairman, the Texas chairman, Nahan Adams of Dallas, said in part:  
"I am gravely concerned about the Security Loan Campaign because I feel that its success or failure can have far-reaching effect upon the welfare of our people. This opinion is shared by many of the top leaders of the county."

"In examining the last bond sales report, I see that many counties, including yours, are far short of the progress that might be expected at this point in the campaign."  
"Only a few weeks remain. We must succeed or fail by June 30. Therefore, I am appealing to you to put forth a special effort."

#### BIRTH ANNOUNCEMENT

A son was born to Mr. and Mrs. Leroy Leflar at 4:35 o'clock Tuesday afternoon, June 8th. The little boy has been named William Gregory and topped the scales at 8 pounds. Mother and little son are at the Knox County hospital and are doing nicely.

Mrs. E. T. Swilling of Seymour and granddaughter, Miss Frances Ann Jelley of Fleetwell, Okla., visited with Mr. and Mrs. T. J. Mitchell last Tuesday.

Mrs. W. A. McKenzie is visiting in the home of her daughter, Mr. and Mrs. Oates Golden. She recently returned from a visit in New Mexico.

Mr. and Mrs. Roy Renner returned home last Sunday from several days' visit in Fort Worth.

Miss Reba Norvill and Miss Ethelena Simpson left last Sunday night for Houston where they plan to take up office work. Miss Norvill is the daughter of Mr. and Mrs. M. B. Norvill and Miss Simpson is the daughter of Mr. and Mrs. Otis Simpson.

Mr. and Mrs. Gene Harrell left last Tuesday for Dallas where they will accompany Dick Harrell here to visit with his parents, Mr. and Mrs. E. W. Harrell for a week.

### Last Rites For C. C. Maloney Are Held In Goree

Claude C. Maloney, formerly of Goree, died suddenly in his home in Seminole on Sunday afternoon, June 6, after suffering a heart attack.

Funeral services were held from the First Methodist church in Seminole on Tuesday at 10 a. m., with the pastor officiating. The remains were brought to Goree for burial. Graveside services were conducted by the Masonic Lodge at the Goree cemetery at 5 p. m. Tuesday.

Mr. Maloney was born in Commerce on July 2, 1882. He moved to Goree in 1904, where he lived until 1940. He was very active in church and civic work during the years he lived in Goree, having served on the board of stewards in the Methodist church for many years. He also served on the school board for a number of years.

He was engaged in the drug business, being associated with his brother, Carl Maloney. They sold their interests in Goree and moved to Seminole in 1940, where Mr. Maloney bought another drug store.

He was married to Miss Bessie Diggs of Munday, who survives him. Four children also survive: Max Maloney and Mrs. Mary Stewart, of Seminole; Miss Margaret Maloney and Claude Maloney, Jr., of Dallas; also a grandson, Stevie Joe Stewart of Seminole.

Other relatives present for the funeral included a sister, Mrs. Bessie Fowler of Borger; brothers, Ross Maloney of Borger, Joe Maloney of Houston, Carl Maloney and son, Walter of Roscoe. Two brothers, Myrt Maloney and Sam Maloney of Arizona, were unable to attend.

The esteem of this useful citizen was shown by the beautiful floral offerings and the many friends and relatives from different points of the state, who attended the funeral services.

Bob Broach of Texas Tech, Lubbock, has returned home for the summer months.

Mr. and Mrs. Cecil Suggs returned home Monday after a visit with Mrs. Suggs parents, Mr. and Mrs. C. R. Wasson of Golconda, Illinois. They attended the Wasson family reunion June 6th.

Joe Spann of A. and M. College, College Station, has returned home for the summer to be with his parents, Mr. and Mrs. John Spann.

Lyndol Smith of Baylor University, Waco, is spending the summer months in the home of his parents, Mr. and Mrs. A. L. Smith.

Mr. and Mrs. T. Spall and family of Midland and Mr. and Mrs. Henry Atkeison and family spent the week end in the home of Mr. and Mrs. R. D. Atkeison.

Mrs. D. K. Gray of Houston is visiting in the home of her sister and family, Mr. and Mrs. F. W. Franklin.

#### LAVERNE ALBUS IS HONOR STUDENT

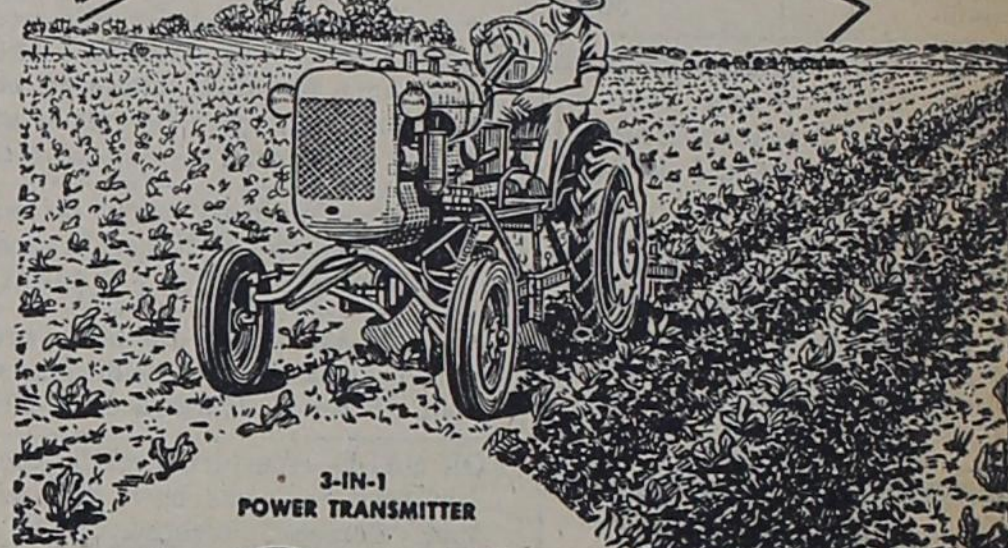

LaVerne Albus was named an honor student at the Honors Assembly held June 1 at Briar Cliff College, Sioux City, Iowa. To qualify for the college honor roll, a student must have a grade point average of 3.3 for the semester.

Miss Albus is the daughter of Mr. and Mrs. P. W. Albus of Rhineland.

Arledge Suggs came in Friday to spend the summer months helping on the farm.

Mrs. O. P. Cannon of Wichita Falls spent the week end with her sister, Mrs. C. N. Howard.

## 1948 BARGAIN

3-IN-1 POWER TRANSMITTER  
1. BELT PULLEY 2. POWER TAKE-OFF 3. HYDRAULIC LIFT

U.S.D.A. sources reveal that power equipment is one of today's best farm buys.

Cost of farm machinery has increased only 33 percent over 1935-39, compared to 240 percent for farm labor.

Farm production costs can be reduced by increased mechanization.

When it comes to tractor power, the Allis-Chalmers Model B is out in front. It's just the right size to make efficient use of power on such jobs as cultivating, hauling and belt work. Above all, it is reasonably priced.

## Agricultural Program For 1948 Is Assisting In Conservation Practices

The 1948 Agricultural Conservation Program is offering to the farmers of Knox County much assistance in carrying out practices between January 1 and December 1, 1948. The assistance consists of payments of reimbursements or the practices carried out by the farmer.

Soil building or soil and water conservation is the basis of crop production. By this, we mean putting life into the soil by turning under green material or any organic matter that will encourage the chemical action and make new soil for plant production. All things that make life come from the soil to the plant to the animal and then back to the soil. Then, we have terraces and tanks for the holding of water which is necessary for both plant and animal. Life must be put into the soil in order to produce animal and plant life.

There are 1162 farms listed in the Knox County Triple A Office. In 1945 only 546 of these farms carried out practices, in 1946 only

152 and in 1947 only 476. It is hoped that 1162 farms will carry out soil building practices in 1948. During 1947 these 476 farms earned \$88,307.51. Then we had \$13,874.92 we lost by not carrying out more practices. This means that the 686 farms that did not carry out practices let their money get away.

Knox County has \$42,200.00 to be used as assistance in carrying out needed soil building or soil and water conservation practices during 1948. At this time we have only used \$17,920.91 leaving \$24,279.09 to be used during the remainder of the year. Let's use all this money in the welfare of our soil and not let any of it get away. Marion Hughston, Leon Speers and C. C. Clark are using their part in constructing terraces since wheat is being harvested and Ernest Beck is using his part in building a tank.

As the farmer goes, so goes the world. Therefore, all citizens are anxious that farmers keep being prosperous. No nation or commu-

ity is any richer than its soil. Below is listed the soil and water conservation practices for 1948.

1. Construction of large ridge-type terraces.
  2. Construction of diversion terraces.
  3. Construction of earthen dams or reservoirs for livestock water or erosion control.
  4. Deep plowing of sandy cropland to prevent wind erosion.
  5. Application of phosphate other than raw rock phosphate.
- This phosphate may be used on permanent pasture, winter cover crops (other than small grain alone), legume hay crops, summer legumes grown for cover crops, hay, a new seeding of grasses and legumes seeded alone or with a nurse crop.
6. Leaving on the land or turning under a satisfactory cover of winter legumes seeded in the fall of 1947.
  7. Elimination of destructive plants on noncrop pasture and range land.
- This practice has just been approved for the county and since many have asked about this practice it is believed that the \$5,000 set up for this practice will be soon used.

## Sullivan Sees Conditions Of Prison System

"Conditions in the Texas prison system are even more shocking than newspaper accounts have made me realize," stated Rex Sullivan, Jr., local candidate for the legislature following a visit to the state penitentiary recently. Sullivan made the tour of the prison to see first hand the conditions for which an appropriation is to be asked of the next legislature. The appropriation will cover a period of years save the taxpayers money as well as offer a sensible, vigorous program of rehabilitation, religious activity, and vocational training and will afford a plan of readjusting discharged prisoners to useful citizenship through legitimate employment, according to the Quanah candidate.

Concerning conditions in the prison, Sullivan said that the main cell block and most of the shop buildings are of pre-Civil War construction, and most of the machinery now in use is machinery that was discarded by private industry as far back as the turn of the century. He said that conditions on prison farms are even more primitive than in the central prison with dairy stock of most inferior quality and infested with Bangs and TB. Cultivation is done for the most part with mule drawn equipment.

One of the worst conditions he saw was the "tanks", a prison term for a large room where, due to overcrowded conditions, many prisoners live crowded together with bunks as the only furniture. Under these conditions, even if there were adequate guard personnel, it would be extremely difficult to keep order and protect prisoners from each other. Under

this system there is no method of separating the habitual and more hardened criminals from the younger and more hopeful men.

According to the authorities the salary range for the guards and pickets is from \$100 to \$133 per month; and, obviously, it is hard to get the necessary quality and number of personnel.

"It is easy to see," said Sullivan, "why it is necessary under the present set-up for the taxpayers to put out some two million dollars annually merely for operating costs of the Texas Prison System."

O. B. Ellis, general manager, doesn't claim that the prison system, with the new appropriation, will pay for itself immediately, however his plan of reform when put into effect in the Tennessee prison system, not only paid for itself, but turned funds back into the treasury without competing with private enterprise. Under this system, prison made goods in Texas would not compete on the market with privately made goods, but would supply other state institutions.

Sullivan made the trip to Huntsville on May 29, when he was shown through the prison by Warden Moore, and the rehabilitation director, and ate in the guards dining room with Ellis and with French Robertson of Abilene, a member of the Texas Prison Board.

## Soil Supervisors Approves Applicants

The Supervisors of the Wichita Brazos Soil Conservation District held their monthly meeting recently and approved the following applications for assistance from the District: L. W. Jones Ranch near Rule, J. W. Howell farm, West of Knox City, J. W. Cowan, H. H. Cowan, and Joe B. King all near Munday, Mrs. S. W. Clonts farm North of Knox City, and H. H. Sego near Weinert. The following conservation plans worked out by the farmer with the assistance of technicians of the soil conservation service were approved: Mrs. Lucy Day near Judd Community, Campbell Estate, Frank Oman, and A. J. Sanders, all near Weinert, and Virgil Sonnomaker near Haskell.

The recent rains have provided sufficient moisture in the soil for terrace construction, and work is proceeding in that direction. The rains have also germinated the grass seed which was seeded to land to be retired or for seed production. Weeds are growing in these seeded areas and mowing to control them should be started as soon as the grass seedlings are all up and growing good. Several co-operators are going to try spraying these areas with the new weed killer—2,4-D. This should be a good method as it leaves the grass unharmed.

Until the fall term at Hardin College, Wichita Falls, John Spann, Jr. and Joseph Borden have returned home to be with their parents, Mr. and Mrs. John Spann and Mr. and Mrs. Chester Bowden.

F. A. Johnson of Hardin College, Wichita Falls, has returned home for the summer months.

## BENJAMIN NEWS

(Elda Purl Laird, Reporter)

Mr. Bob Burton of Knox City, was in Benjamin Thursday of last week visiting friends.

Mrs. Jim Jefferies and small son, Freddie James, have just returned from an extended visit with her parents, Mr. and Mrs. Fred Southerland, of Louisburg, Kentucky.

Mr. and Mrs. Arb Russell spent the latter part of last week visiting with their daughters and families in Carlsbad, New Mexico.

Mr. and Mrs. Tom Porter, Sr., of Seymour were visitors in the home of Mrs. W. A. Barnett and family, Sunday.

Guests visiting in the home of Mr. and Mrs. Earl Sams the past week were Mr. and Mrs. Hilory Bedford and daughter of Highland; and Mrs. Charlie Combs of Stamford, and her daughter, Mrs. Henrigan of Abilene. Mrs. Mary F. Henton of Lubbock, mother of Mrs. Sams, is visiting the Sams this week.

Peggy Atkeison of Munday, spent the past week end visiting in the home of Evelyn and Helen Harrison.

Norman Fitzgerald of Planada, California was in Benjamin the past week on business and visiting with relatives and friends.

Leroy C. (Bozo) Melton, son of Mr. and Mrs. L. C. Melton, Sr., who attended N.T.A.C. the past year is now home for the summer.

Bobby Jim Pyatt, son of Mr. and Mrs. Doyle Pyatt, and Miss Joan Galloway, daughter of Mr. and Mrs. J. L. Galloway; both of Texas Tech the past year, are now home for summer vacation.

## For those who are Hard Of Hearing

and who would appreciate an opportunity to have a consultation and audiometric test made without obligation. Sonotone, The House Of Hearing, has arranged the following regular monthly hearing center in your community:

## Wichita American Legion Post To Be Host To 4th Division Convention

Wichita Falls—George S. Berry of Lubbock, state commander of The American Legion, will be the principal speaker at the annual fourth division convention of the Legion to be held here Saturday and Sunday, June 12 and 13, Bert H. Camp, Temple, Fourth Division Commander announces.

Hosts for the convention will be the two American Legion Posts of Wichita Falls, Pat Carrigan, No. 120, commanded by James R. Ray and Thomas Fowler No. 169, commanded by O. B. Albritton. Co-

chairman of entertainment for the convention are Sid J. Kring and Curtis E. Moore.

The Fourth Division is composed of Legionnaires from the 11th, 12th and 13th congressional districts. There are 79 American Legion Posts in the Division with a total of 12,952 members as of June 1.

Elaborate plans for the entertainment of the delegates from the 79 Posts have been made locally. Registration will start at 1

GEORGE S. BERRY

BERT H. CAMP

o'clock Saturday afternoon June 12 at the Kemp Hotel. A dance and floor show is on the program for Saturday evening.

Legionnaires will breakfast together at 8 o'clock Sunday morning to start the day's activities. Church services will follow at 9:30 o'clock at the Strand Theater. This will be followed at 10:15 with a call to order by Commander Camp and joint meeting will be held with the Auxiliary. State Commander Berry will address the joint meeting.

Luncheon will follow at 12:15 o'clock at the Kemp hotel. The business session will be held at the courthouse starting at 1:45 P. M. A new Division Commander will be chosen, delegate and alternate to the National Convention named and resolutions from the three districts acted upon.

Mr. and Mrs. Jack Henslee and boys of Levelland is here visiting with Mr. and Mrs. L. L. Womble this week. They are on their way to Houston where they will make their home.

Mrs. J. O. Tynes left last Saturday for Fort Worth and Springtown for an extended visit with relatives. She also attended the Gilliland family reunion last Sunday.

Flake Tompkins of Oklahoma A & M, Stillwater, Oklahoma, spent the week end with his mother, Mrs. Letha Tompkins.

Mr. and Mrs. D. E. Holder, Jr. spent this week in Denton visiting with Mrs. Holders parents.

## Goree News Items

The Vacation Bible School held at the First Baptist Church last week was a grand success, having an average attendance of nearly 100. It closed with a program for the public at the church Sunday evening at 8 o'clock. Mr. Clarence Powell was superintendent of the school.

Mr. and Mrs. A. W. Akins, Mrs. W. M. Taylor and Mrs. Garland Meaband who are attending Hardin-Simmons University in Abilene spent the week end with home folks.

Mrs. Dorse Rogers was a visitor in Wichita Falls Monday.

Mr. and Mrs. Farris Mobley and family were in Wichita Saturday where Mr. Mobley's father was operated on in the Clinic hospital.

Mrs. Alfred Parks and son, Jimmy Paul, of Midland spent the week end with her parents, Mr. and Mrs. Jim Goode.

Mr. and Mrs. Wade Coursey and little daughter have returned to their home in Wichita Falls after an extended visit with Mrs. Coursey's parents, Mr. and Mrs. H. L. Butler.

Mrs. Claude Vance is visiting relatives in Houston this week. Bob Moore and Claton Tucker, who have been attending Texas Tech College in Lubbock, are at home for the summer.

Mrs. W. R. Couch has returned home from a visit to see her son, Robert Couch, and family of Kermit.

Miss Janice West was a visitor in Lubbock last week. Miss Joline Hendrix returned to Goree with her to attend the wedding of Miss Martha Anne West and Odie Wooddell in Abilene Sunday, June 6th.

Mrs. Jack Moore spent Friday in Dundee visiting her daughter, Mrs. Seigler and family.

Tom Cowsar of Electra was in Goree Tuesday to attend the funeral of Claude Maloney.

Visitors in the home of Mr. and Mrs. Walter Mooney recently were Mr. and Mrs. Bill Newman of Fairfield, Mr. and Mrs. Elzie Mooney and son of Houston and Mrs. H. D. Morton and daughter,

Mary Anne, of Monohans.

Mr. and Mrs. Forrest Daniell and Miss Kay Hurst of Abilene attended the graduation exercises at Texas Tech College in Lubbock this week where Forrest Daniell, Jr. is a member of the graduation class.

Mrs. Homer Howard and daughter, Jennie Lou, are Lubbock visitors this week also.

Mr. and Mrs. Clarence Boyles and family of Bisbee, Ariz. have been visiting friends and relatives in Goree the past week.

Miss Doris Williams of Abilene spent the week end with her parents, Mr. and Mrs. J. L. Williams.

Mrs. E. V. Shackelford and Doris Anne accompanied Gene Shackelford of Jayton to Wichita where he will be hospitalized for a few days.

Mrs. V. A. Smith and children of Miles, Texas, spent last week end in the home of Mr. and Mrs. S. G. Smith.

Mrs. R. W. Hightower and children of Dallas spent the latter part of last week and the first of this week in the home of Mr. and Mrs. Joe Bailey King.

Miss Sammie Smith spent last week end in San Angelo visiting with relatives.

5. X-Ray
6. Blood Transfusions
7. Iron Lung
8. Transportation

PLUS — PLUS — PLUS — PLUS  
\$500.00 For Accidental Death!

Read What Dr. George W. Cox, State Health Officer, Has To Say:

Poliomyelitis continued to increase in Texas Saturday at record-breaking pace.

Dr. George W. Cox, state health officer, said 60 new cases were reported in the last week, equaling the all time record for a one week increase established 14 weeks ago.

For the last five weeks, new cases have been reported at the rate of 25 the first week, 55 the second, 60 the third, 39 the fourth and 60 for the last week.

The previous high for any seven day period was established in 1934 when 16 cases were reported. The disease is reported to be spreading northward.

The total thus far this year is 294.

In addition to polio, measles, typhoid fever and undulant fever were all above the seven year average during the last week.

The above is part of a news item reported in the Abilene Reporter-News of June 6th.

**ELECTRICITY IS A BARGAIN**

For one penny Reddy Kilowatt will . . .

Vacuum clean 6 large rugs, or

Protect your food for 5 hours, or

Iron 20 table napkins, or

Tell you the correct time for a week.

THIS IS AN ANAGRAM. The four scrambled words tell a well-known truth these days of scrambled budgets.

You may have to do a little figuring to discover that it says: "ELECTRICITY IS A BARGAIN"—but it doesn't take much figuring to realize what a great bargain your electric service really is!

Your pocketbook tells you that living costs have sky-rocketed—that nearly everything costs more nowadays. But not your electric service! The average family served by the West Texas Utilities Company still gets twice as much electric service for its money as it did 20 years ago!

Check your budget and ask yourself what other item does so much to make life easy and comfortable—at such little cost!

# Veterans' News

enrollments consist mostly of veterans: (1) schools established since the passage of the GI Bill, and, (2) schools whose charges increased materially since the GI Bill programs began.

No change was made in VA's policy of accepting charges made by other private profit schools not affected by the new ruling.

The Veterans Administration has revised its contract requirements to provide a firmer control over tuition rates charged by many private schools for training veterans under the GI Bill.

The changes, effective July 1, 1948, are being made in an attempt to correct and eliminate abuses in tuition charges that have been uncovered in recent months.

With the new contract standards, VA hopes to make certain that the federal government is not paying for more than the veteran actually receives during his training.

VA emphasized that the new contract requirements affect only the following institutions whose

Veterans Administration has eliminated nearly two-thirds of the number of forms used to process veterans' benefits in the past 21 months.

Since the VA forms reduction program went into effect on June 30, 1946, the number in use dropped from 19,841 to 7,603 by April 1, 1948—an average decrease of about 580 forms a month.

VA estimates that the minimum number of forms required for effective operations will be between \$3,500 and \$4,000.

In addition to forms reduction, the VA program has been designed to (1) improve administrative procedures through standardization, consolidation and revision of

## AIN'T IT THE TRUTH BY CHESTER KLOCK

Mr. and Mrs. John Hayes and Mrs. C. C. Anderson of Vernon spent last Sunday with Mr. and Mrs. E. M. Owens.

Miss Wynelle Driggers is visiting her sister, Mr. and Mrs. Dwayne Vaughan of Weinert, this week.

Mrs. Isbell Anderson and daughter, Sally, of Gilmore spent the latter part of last week with Dr. and Mrs. J. M. Croley and little son, John.

forms, and, (2) reduce printing and binding costs by careful layout and design specifications.

Questions And Answers  
Q. Have I any recourse to civil courts if I do not like VA's decision on my claim for disability compensation?

A. No. The law specifically provides that the decision of the Administration of Veterans Affairs in such matters is final and conclusive.

Q. I am an ex-GI of World War I and receive disability compensation. If I take a three hour a day job, will my compensation be discontinued?

A. So long as your disability remains compensable, it will be continued. The fact that you are employed does not bare payment of compensation if you are disabled as a result of a service-connected condition.

Q. I lost the use of my leg in line of duty during World War I, and would like to know if I can get a car from the Government?

A. Under existing law, the authority to furnish automobiles is limited to World War II veterans.

Q. What kind of insurance is National Service Life Insurance?

A. NSLI is mutual insurance. All premium payments go into a trust fund maintained by the Treasury Department. This money is invested in Government, interest-bearing securities. The interest accrues to the fund. The fund is known as the National Service Life Insurance Fund.

## Social Security Is Designed To Protect Workers

More than 20 percent of those filing social security claims in this area during a recent 4-week period lost money because they didn't file soon enough, Erton F. Tate, manager of the social security office in Wichita Falls said today.

The amount lost and the number of claimants involved in the losses were not large. But when one out of every 5 claimants who do file claim are losing benefits, it indicates that some are not filing their claims at all. It is not necessary to be in need to get this monthly social security income. Yet, many who do not file prompt claims are either depending on relatives or using up slender resources before they file their claims.

The purpose of the insurance provisions of the Social Security Act was to relieve the average man or his survivors from having to depend entirely on relatives or such small savings as he is able to accumulate against a rainy day. These savings are generally needed for the emergencies of modern life, sickness, accident, and other things that cannot be helped.

Every 65-year-old worker in this area who is covered by the Social Security Act, and the survivors of covered workers who die, should inquire at the social security office at 412 Federal Building, Wichita Falls, Texas, about their benefit rights.

Social security is designed to protect you, your survivors, and society against the economic cost of your becoming a dependent, nonpaying member of society.

Mrs. Rece Wright of Los Angeles, Calif., Mr. and Mrs. Jack Beatty and sons of Bowie and Mr. and Mrs. Roy Guthrey and Louise of Desdemona, Texas, are visiting in the home of Mr. and Mrs. R. D. Perdue and Mr. and Mrs. J. J. Perdue of Goree.

## Matched Roping Contest Is Slated At Roaring Springs

Announcement was made here last week that a matched roping and cutting horse contest will be held at Roaring Springs on Sunday, June 13, and an invitation was extended to Knox county people.

The roping contest will feature a Knox county man, Fred Albright of Knox City, against Leland Timmons of Northfield. Both of these men are among the top ropers in this section.

Around 20 good cow horses and cutting horses will be there for the cutting horse contest, it was stated.

Mr. and Mrs. J. O. Bowden, Mrs. S. A. Bowden and Chester Bowden attended the home coming at Rising Star last Sunday.

Miss Martha Ann Reynolds of Wichita Falls spent the week end with her parents, Mr. and Mrs. W. E. Reynolds, and also with friends.

For quick results, use a Munday Times classified ad.

## Advantages of the Superior Chisel Plow

The Superior Chisel Plow has a one piece, welded frame made of extra heavy tubing. Extra rigidity is attained with two angle irons welded underneath for a flat shank base.

The Superior Chisel Plow has a simple U-bolt clamp that firmly holds the shank in position. Change of spacing is quick... easy. Only one minute is needed to change or add each shank.

The Superior Chisel Plow is practical... simple in design and free from trigger work or patented devices that merely add to the cost.

The Superior Chisel Plow will take the ground more than a foot deep... is easily adjusted for any depth.

The Superior Chisel Plow is equipped with screw cranks for depth control. This does away with clumsy levers.

The Superior Chisel Plow will pass under limbs and low branches of fruit trees without damage to tree or plow.

The Superior Chisel Plow can be grouped in multiples of three, five or seven for a large crawler. Flexibility and coverage is obtainable up to 103 feet.

## Kraker Krumbs—

(Continued from Page One)

deavor and cooperation, we will go places for Monday.

We'll be paying dues into one organization, instead of several; we'll have one organization to get things done, just one back to put the monkey on. With this thing a real live wire, Monday could have a development program that nobody would sneeze at.

The set-up would be such that monthly dues would be paid monthly—the amount is not definite—but would be sufficient to pay the manager, take care of calf shows and other community activities without a continual drive for donations.

"Possibilities Unlimited!" That would be a suitable slogan, and as the months and years roll by, we could see changes taking place in the community that should have taken place ten years ago.

Nine directors were named Friday night, and they are to select a president and see about a manager. Business men, young and older, and several farmers attended the meeting, and all were enthusiastic.

We with heart, head, hands and humanity all working together, forgetting selfish motives, etc., we'll soon have things rolling for Monday, and folks will wonder how we do it.

Let's not "muff the deal" this time!

## Weather Report

Weather report for the period June 3rd through 9th inclusive as compiled by H. P. Hill, Munday U. S. Cooperative Weather Observer:

	Temperature	
	LOW	HIGH
June 3	62	66
June 4	65	74
June 5	69	69
June 6	70	69
June 7	70	72
June 8	73	66
June 9	66	71

Rainfall to date this year, 7.03 inches. Rainfall to this date last year, 13.03 inches.

Lilly Holt of Dallas is here visiting in the home of Mrs. G. R. Eiland.

Miss Mary Frances Swilling of Seymour visited with Mr. and Mrs. T. J. Mitchel last Tuesday.

## Without Benefit Of Flowers!

At 10 minutes before 2 o'clock Monday, President Jim Harpham, reached upward and removed it's charter from the wall, and "taps" was sounded for the Munday Rotary Club.

No funeral dirge was sounded, no flowers were given, no boring remarks of eulogy were uttered as members agreed that the losing battle they'd been fighting these past few years had been finally lost. The club just ceased to pretend to function.

With 17 members on the active list and three on the honorary side of the ledger, only 8 members were present to sound the death knell. Proper Rotary authorities are being notified of the club's demise.

Thus another step was taken toward having only one civic organization in Munday, and former Rotarians are putting their efforts behind the Community Development Association.

## RETURNS FROM TRIP

Mrs. John Rice returned recently from a short trip to Corpus Christi, San Antonio, in parts of the valley and in Old Mexico. While in Corpus Christi, Mrs. Rice visited her son, J. C. Rice, Jr. She reported a very enjoyable and interesting trip.

Holman Owen and family of San Diego, Calif., visited with their aunt, Mrs. Olive Keene, several days last week. They left Wednesday for a visit in Fort Worth before returning home.

## BIRTH ANNOUNCEMENT

Brenda Christine was the name given to the little daughter born to Mr. and Mrs. G. C. Conwell, Jr. The little girl arrived on Monday, June 7th at the Knox County hospital and weighed 7 pounds. Both mother and little daughter are reported to be doing fine.

Miss Annie Ruth Sewell of Pittsburg visited with Dr. and Mrs. J. M. Croley a few days last week.

Miss Adelle Harrell of Memphis spent the week end with friends here. She came at this time to attend the wedding of Miss Lola Jones and Frank Clements on Saturday. Miss Harrell and Mrs. Cle-

ments taught in the Andrews schools last year.

Mr. and Mrs. W. V. Tiner visited in Abilene last Sunday night. They visited their daughter and son-in-law, Mr. and Mrs. James Dyke. They were accompanied to Abilene by Mrs. Glenna Dyke of Walters, Oklahoma.

Mr. and Mrs. J. E. Reeves, Jr., of Lubbock spent the week end here with their parents, Mr. and Mrs. Jim Reeves, and Mr. and Mrs. R. D. Atkeison.

John Mayes of Knox City and J. C. Campbell attended the market in Dallas the first of this week. They bought merchandise for their variety stores.

## NEW GOOD YEAR DeLuxe TIRES

You get more of everything you want in tire service — safety, mileage, less trouble—by trading worn tires now for new Goodyears.

1. SAFETY . . . sure-footed Goodyear non-skid traction for safer driving on wet, slippery streets.
2. MILEAGE . . . new tires started in service now while roads are cool give greater total mileage — save the wear for hot roads.
3. LESS TROUBLE . . . 90% of all tire trouble occurs in the last 10% of tire life. We'll buy the last 10%.

**\$1.25 A WEEK**  
Buys FOUR new Goodyears Size 6.00-16
