

Kracker Krumb's Odds Bits Salvaged at Random

Munday is not faced with an immediate water shortage.

Reports to that effect were kinda circulated the latter part of last week.

What happened is that we were just a little short of pumping equipment, and at one time residents were getting water direct from the mains. The overhead storage tank had been drained dry.

But city officials were in the act of getting another pump last Monday, and we are assured that Munday's three wells and another pump will supply our needs.

That is, unless the water level lowers, and there's not much we can do about that. But officials see no cause for immediate alarm.

A good many people who are having to haul water are getting it from Munday's supply—and without charge.

And Hoyt Gray is allowed to use all the water he needs on the city hall lawn. That boy is working up a pretty nice looking lawn, too.

We were next door neighbors to the hottest spot in the state last Sunday.

As we were battling around with the heat, which reached 100 degrees by 10 a. m., our neighboring town of Seymour turned in the hottest report of any town in Texas.

An even 114 was reported for Seymour. We thought we were hot here, but, shucks, our official high was only 112, according to Harvey Hill.

To Seymour, too, goes the honors of recording the all-time hottest day in Texas. This was 120 degrees in August, 1936.

Our local and visiting golfers batted the golf balls and battled the heat at the local golf course Sunday. We drove out just to be a part of the gallery a while, and were inclined to agree with one of the players, who said: "A man's crazy to play golf in this heat."

The most discouraging thing about the weather, too, is that summer isn't really here. It won't officially be summer until next Sunday.

Munday has an up-to-the-minute fire department now.

When the alarm sounded around 4 p. m. Monday, it was just a matter of minutes before three well equipped fire trucks pulled out to the scene of the fire.

The newest job is the new G. M. C. chassis upon which has been mounted the hose and the pumping equipment from the old American-LaFrance, which had been in operation here for almost 25 years.

We hope we never have occasion to use our fire trucks in a major fire. Any fire at all is disastrous enough.

But the the one like that which struck Knox City last year, and Seymour, too, is really a disaster.

The Hall County town of Memphis had one, too, late Saturday night and early Sunday. Firemen from several neighboring towns fought the flames several hours before bringing it under control, then not before some \$500,000 damage was done.

The protection offered us by three good fire trucks is good insurance and just plain common sense. Kinda like insurance, too—better to have and not need than to need and not have!

Edward Melton, 15 year old son of Mr. and Mrs. D. A. Melton, suffered an attack of appendicitis last Saturday afternoon and underwent an appendectomy Saturday night. He is reported to be doing fine at this time.

Final Touches In Completion Of New Masonic Building Done This Week

Workmen were adding the final touches in completion of the new Masonic building here this week, and everything was practically completed Tuesday. Terry Harrison has been in charge of construction, working together with the building and finance committees.

An attractive and imposing structure from the outside, the building is also large and commodious for all Masonic and Eastern Star meetings.

The building itself is 40x80 feet, with the lodge hall proper being 38½x50 feet. The reception is 25x28½ feet, while the kitchen is 12x18, with a built-in kitchen cabinet, sink, etc. There are also adequate ante-rooms and two rest rooms. The floor is covered with asphalt tile in a checkerboard design.

Complete with all new furniture, the lodge room proper is very beautiful. It is finished in a light green, textone. Some 60 opera seats were purchased from the Gillespie Baptist Church and were reupholstered by members of the Eastern Star chapter, making enough comfortable seats for attendance at all regular meetings. Furniture necessary for Eastern Star work, including a piano, lighting effects, desk, etc., were furnished by the local chapter.

Those in charge believe the building was constructed at a very economic figure. A saving of around \$1,200 was realized through the salvage of material from the old building which was used in the new one, and many members donated their labor, bringing about another saving in expense.

It was estimated that the local lodge now has a building valued at between \$16,000 and \$17,000, with an actual cost, other than the salvaged material and donated labor, running between \$11,000 and \$12,000. The building itself compares favorably with any lodge hall in this area and those of a more expensive construction.

Knox City Man Now In Germany

WITH THE 28TH INFANTRY DIVISION IN GERMANY—Sgt. Ralph W. Strickland, son of Mr. and Mrs. Clarence C. Strickland, Knox City, Texas, is now serving in Germany with the 28th Infantry Division.

A member of Battery B of the 899th Anti-Aircraft Artillery Battalion, Strickland entered the Army in November 1951 and received basic training at Fort Jackson, N. C.

The 28th Infantry Division is now stationed in southern Germany where it is receiving intensive field training a part of the North Atlantic Treaty Organization Army.

Army Worms Are Invading Fields Of Knox Farmers

Army worms have invaded the Vera community and are causing considerable damage to young cotton, according to W. C. Palmeyer, county agent. He cautions all farmers of Knox County to check their cotton for the worm, and if found in sufficient numbers controls should be applied, as the worm can ruin a stand.

Willbarger and Hardean counties already have large infestations, he stated, and only by control measures can damage be prevented. Toxaphene and DDT are recommended for control of the worm.

Weather Report

For seven days ending 7 P. M. June 17, 1953, as compiled by H. P. Hill, U. S. Weather Observer.

Over \$450.00 Is Raised In Knox Cancer Drive

L. A. Parker of Benjamin, Knox County chairman of the cancer fund drive, reported last Tuesday that over \$450 had been turned in for the county. The quota was nearly \$700.

Benjamin, Rhineland and Vera had previously reported a total of \$126.26 for the drive. Other contributions included Munday, \$261.88, and Knox City, \$63.00. Mr. Parker stated that no reports had been received as yet from Goree, Gilliland and Truscott, and he feels that these will bring the amount near the quota.

Parker expressed his thanks to all who worked in the drive and who contributed funds. Mrs. Charles McCauley was chairman of the local drive, and Rip Collins was chairman at Knox City.

56 Golfers In Local Tourney Held On Sunday

Fifty-six golfers of this area had a "hot time" of it last Sunday as they battled the heat and tramped the local course in the one-day golf tournament. More than usual interest was shown in the tourney, and the local club served a delicious feed at the noon hour.

All of the matches were nine-hole matches, but top men were forced to play other matches to determine the winners.

J. T. Haney of Crowell was winner of the championship flight, downing Jeff Graham of Knox City. Mr. Slaughter of Knox City took the first flight honors, and Troy Lindsey of Munday won the second flight. Mr. Cook of Haskell defeated Waymon Smith of Munday for third flight honors.

Contest Winner

Miss Fonda Kay Wallace, above, nine-year-old daughter of Mr. and Mrs. Carl Wallace was winner of a talent show contest on KDUB-TV, Lubbock, on Saturday, June 6. Winning with her singing, Miss Wallace was presented a 9x12 mohair carpet on the following Saturday by the McSpadden Red Carpet Show.

As winner of this show, Miss Wallace is eligible to enter the runoff contest which will be held in the near future.

Mrs. Terry Harrison, Mrs. Tom Morton and Mrs. Clayton Wren and Erwin visited Charles Stancill in the Hendricks Memorial Hospital in Abilene last Sunday. Mr. Stancill received a serious injury in a swimming pool accident. He is a ministerial student in the A. C. C. in Abilene. He is the son of the former Bertha Manuel of Munday.

Two Local Boys Salvation Army Guests At Camp

Happy boys were the two boys who received the trip to the Salvation Army Camp near Irving. Jackie Greeson and James Armstrong were chosen by the Chamber of Commerce as the boys deservng this trip as guests of the Salvation Army for one week.

The boys left Sunday morning for Dallas where they were met by buses from the Army camp, transported to the camp site and assigned to their rooms along with other boys who were being honored as guests.

The boys were entertained with a trip to the zoo in Dallas and to the circus. Each boy was given six tickets for rides in the circus. They went to church each night and afterwards were served ice cream and soda pop. The lights were turned out at 9:30. They were requested to rest after lunch and then allowed to go swimming. Both James and Jackie won white strings for their ability to swim across the swimming pool twice. Other entertainments were archery and handcraft in the afternoons.

Both boys reported a glorious time and each expressed thanks for his week as guests of the Salvation Army.

The Chamber of Commerce paid the boys' bus fare to Dallas and return.

Mrs. R. D. Turpen Dies Thursday At Haskell Hospital

Mrs. R. D. Turpen, 64, resident of Haskell and Knox counties since 1923, died at 11:40 p. m. Thursday, June 11, in the Haskell Hospital. She had been ill for several years.

Funeral services were held at 4 p. m. Saturday at the Haskell Church of Christ, with Minister Fred Curtis officiating. Burial was in Willow Cemetery in Haskell under the direction of Holden Funeral Home.

Mrs. Turpen was born October 27, 1888, in Vardeman, Miss. She was married to Mr. Turpen on May 29, 1910, in Hugo, Okla., and the couple moved to Haskell from Denison in 1923.

She had been a member of the Church of Christ for 51 years.

Survivors include her husband; three sons, Troy G. of Andrews, Marion and R. D. Jr., both of Midland; a daughter, Mrs. A. C. Boggs, Jr., of Munday; one brother, R. L. Edwards of Ranger and one sister, Mrs. M. S. Shipman of Oklahoma City.

Pallbearers were Nig Bartlett, Ira Johnson, Horace O'Neal and Glen Merchant, all of Haskell; Grady Phillips, Fred Lain, Clyde Hackney and Walter Moore, all of Munday.

CHARLES EUGENE TO LIVE WITH RENEAS

A "bouncing" boy arrived at the Knox County hospital last Sunday afternoon at 14:45 o'clock, and he's established abode at the home of Dr. and Mrs. J. B. Reneau, Jr.

Charles Eugene tipped the scales at eight pounds, four and one-half ounces, and he informs us his mother and dad are getting along fine.

Drive carefully. The life you save may be your own.

Marijuana Found Growing In Weeds At Knox City Negro Man Arrested

That the weed "Nicitiana Glauca" will grow in Knox County was discovered by county officers last Sunday night.

The plant is none other than marijuana, that is reported to make a fellow tipsy-turvy, slappy and otherwise incapacitated when he smokes it. It was found in the back yard of a Knox City residence Sunday night, growing among some weeds.

Officers dug up the plants, then Munday morning a Knox City negro was arrested, and charged with the growing of the plant. Justice of the Peace W. L. Robnett of Knox City set his

Old Cowhand

John Selmon, above, venerable and grizzled foreman of the Flat Top Ranch, grew up in the cattle country. Some 23 years, he had led the grand entry into the arena of the Texas Cowboy Reunion. This year's show at Stamford will be held July 1, 2, 3 and 4.

"She sure has changed some in 23 years," Selmon said. Back in the early days there were no chutes, and the only enclosure was a three strand wire fence.

Knox County Hospital Notes

Patients in the Hospital June 15th:

Mrs. Floyd Warren, Munday; Mrs. T. B. Dobbs, Benjamin; Mr. C. D. McCurry, Hamlin; Mrs. Chancy Hobart, Munday; Mrs. Edna Keats, Knox City; Edward Milton, Munday; Jessie Cassilas, Knox City; Donald Poe, O'Brien; Mr. Vaughn Brooks, O'Brien; Mr. L. L. Kegley, Munday; Judge J. F. Hill, Benjamin; Mr. George Harberger, Knox City; Mrs. J. B. Reneau and baby son, Munday; Mrs. Bess Hobbs, Vera.

Patients dismissed since June 8th:

Mrs. C. M. Paul, Knox City; Mr. Joe Murray Clonts, Knox City; Jessie Moss, Knox City; Mrs. Minnie Washington and baby, Munday; Mrs. J. N. Stewart, Weinert; Juanita Posey, Knox City; Miss Carol Hitchcock, Knox City; Mrs. W. A. Tigert, Goree; Mrs. J. E. Logsdon, Knox City; Mr. E. M. Owens, Knox City; Mrs. Jerry Tomanek, Gilliland; Mr. Doyle Pate, Benjamin; Mrs. Clyde Jones, Rotan, Mr. Billie Jake Myers, Gilliland; Mrs. R. L. Headrick, Benjamin; Mrs. W. D. Conner, Benjamin; Mrs. Harley Brown, Rochester; Mr. Claud Reed, Knox City; Miss Georgia Pruitt, Munday; Juan Vaenda, O'Brien; Mrs. Jessie Guzman and baby daughter, Munday; Mrs. George Rowlett and baby daughter, Knox City; Mrs. J. W. Hayes, Knox City; Mrs. Roy Day, Knox City; Mrs. B. H. Smith and baby son, Rochester; Mrs. M. A. Mitchell, Rochester.

Births:

Mr. and Mrs. B. H. Smith, Rochester, a son.
Mr. and Mrs. George Rowlett, Knox City, a daughter.
Mr. and Mrs. Jessie Guzman, Munday, a daughter.
Mr. and Mrs. J. B. Reneau, Munday, a son.

Mr. and Mrs. Hollis B. Moore and Edna Marie visited in Austin over the week end. Patricia Moore, their youngest daughter, who has been attending high school there, and another daughter, Mrs. W. A. Montague, and her children returned home with them for an extended visit.

Pumping Equipment Mounted On New Chassis To Give Munday New Fire Truck

Goree Couple To Celebrate 50th Wedding Date

Mr. and Mrs. R. C. Spinks of Goree, pioneer Knox County couple, will celebrate their golden wedding anniversary on Sunday, June 21, it was announced last Monday.

Mr. and Mrs. Spinks have lived practically all of their married life in Knox County, and Mr. Spinks served as postmaster at Vera for many years. He retired from the postal service several years ago.

The observance will be held at their home in Goree. They will receive visitors on Sunday afternoon from 3 to 6 o'clock, and all their friends are invited to call during these hours.

New Officers Of Methodist Men Named Recently

New officers of the Methodist Men's Club were elected at a recent meeting of the club, and plans are being made for a successful year for this church organization.

J. E. Reeves, Jr., was elected president of the club to succeed Gene W. Harrell. Wendell Partridge was named vice president and Carl Booe, secretary and treasurer.

Outgoing officers, other than Harrell, are O. H. Spann, Jr., vice president, and Partridge, secretary and treasurer.

All directors have not yet been named. Those who will serve on the board by virtue of their offices in the church are: Gene Harrell, past president; M. L. Wiggins, church lay leader, and Travis Lee, chairman of the official board, and the pastor.

Two committee chairmen named thus far are: Charles McCauley, membership and attendance, and Dwight C. Key, foods. Plans are going forward for a very interesting program at the club's next meeting, which will be on the evening of July 7th.

Cotton Variety Tests Conducted By 4-H Club Boys

Cotton variety tests have been started in the Rhineland, Vera and Gilliland communities by Knox County 4-H Club boys under the direction of County Agent W. C. Palmeyer and Roy Saunders of Munday. Another test is to be planted at Knox City when moisture is sufficient to insure a stand.

The test at Rhineland is planted on the Arnold Wilde farm; at Vera on the Carl Coulston farm, and at Gilliland on the John Quintero farm. The Knox City test is to be planted on the George Davis farm.

Varieties to be tested in the 1953 program are: Stormproof No. 1, Deltapine TPSA, Empire, Lankart, Paymaster 54, Northern Star, Deltapine Fox, Western Prolific, Hybred, Qualla, Acala and Deltapine 15.

In addition to the varieties tested, thick and thin spacing of plants will be checked, with one planting of one plant per foot of row and another of three plants per foot of row.

Results of the tests will be published after the crop is harvested, Palmeyer said, with the aim of the program being increased production per acre rather than increase in acreage.

ERROR MADE IN POST OFFICE BOX RENTALS

An error occurred in last week's story on increased prices of post office box rentals. The correct prices which go into effect July 1 are as follows:

Boxes that now rent for 60 cents will be increased to 90 cents; those now costing 75 cents will be \$1.10, and those costing \$1 will be increased to \$1.50.

She was slow and clumsy. She was hard to start, hard to steer and hard to stop. Her very first type of mechanical brakes were hard to manipulate, and her same type of steering made driving her a man-size job.

On the last run she made, her motor was cutting up pretty badly. Examination by a mechanic revealed that her block, and that type motor hadn't been made since 1932.

It seemed that the days of the old American-LaFrance, that fire truck which, several years ago, was Munday's main means of fire protection, were over. She was showing her age. Her motor was bad, her steering likewise, her brakes worse, but the pumping equipment and hose were still in pretty good shape.

One day Ed Johnson drove up to the fire truck stalls with a new 1952 model long wheel base, two-ton G. M. C. chassis. "That's going to be our new fire truck," he said.

Later the chassis disappeared—so did the American-LaFrance. The event was almost forgotten by lots of us.

The new G. M. C. was brought back last week, but the old truck did not return. She had been stripped of her hose bed and pumping equipment, and these had been mounted on the G. M. C. The change-over was made by Wichita Engineering Company of Wichita Falls.

We don't know what became of the remains of the American-LaFrance, which was purchased in December, 1929.

But the new job is a dilly. She can build up the required water pressure with about half the effort. Her 200-gallon booster tank is handier to use because the booster hose is fitted on a reel just back of the cab, instead of being folded into a hose box. And that closed cab is something our firemen are proud of.

This new equipment puts Munday back in good shape for fire protection. They now have the new G. M. C., the Mack truck, and the rural fire truck.

Oil Activities

Two new Knox County wildcats were staked last week by Humble Oil and Refining Co.

Humble surveyed the No. D-1 McFadden Estate as a 7000-foot venture, nine miles southwest of Benjamin. Location is 660 feet from southeast and 1980 from northeast lines of section 32, block 13, H&T survey.

Humble's No. E-1 McFadden Estate is a 6200-foot wildcat, four miles west of Benjamin, and spotting 1980 feet from southwest and 660 from north west lines of section 43, block 13, H. & T. C. survey.

American Liberty Oil Company plugged at 5864 feet the No. 1 C. H. Clarke; in the East Conglomerate Field, four miles east of Knox City, in section 62, block 2, D&W RR survey.

Band Boosters Plan For New School Year

The Munday Band Booster Club met last Thursday evening at the Grade School auditorium with the school board as guests. Ray Halcomb and W. C. Cox gave pep talks to the group.

Plans for the coming school term were discussed and Harold Jackson, the new band leader, who came here from Dodson, will give three weeks band lessons before the school starts in order that the band will be ready for the football season.

Joe Spann Goes On Caribbean Cruise

Among 138 Eighth Naval District Reservists from five states who went on a two week training cruise in the Caribbean was Joe C. Spann, seaman apprentice, USNR, son of John C. Spann of Munday.

The reservists, aboard the patrol craft escorts 842, 846 and 870, visited Cienfuegos, Cuba, for a week of liberty and recreation. Upon completion of their refresher shipboard training, they will return to New Orleans June 19 for release to inactive duty.

FRUITS OF FREEDOM

Under socialism, with its destruction of incentive and opportunity, scarcity is the rule and actual want is common.

Under free enterprise, competition encourages and often forces management and personnel to constantly strive for better, more economical production methods. The result is abundance, and living standards that would seem unbelievable to the people of most countries.

Coal is one first class example of this truism. Most European coal industries are either owned or run by government. Our mines are free. And in our mine wages, working standards and productivity are so superior to and so far ahead of Europe's as to make comparisons next to impossible. Much of Europe suffers from an "energy hunger" due in large part to inadequate coal production. Here we have a coal industry which has never failed to meet any demand, no matter how great, and "energy hunger" is as unknown as actual human famine.

The greatest fruits of freedom are of a spiritual nature. But we must never forget that freedom produces unparalleled material fruits as well.

GASOLINE IS CHEAPER

Harold Fleming has written a factual study of the effect of competition on oil prices. As "proof of the pudding," he takes gasoline, which is the oil industry's principal product and the one used in largest quantity by individual consumers.

Since 1925, we all know, the price charged for practically everything we buy has greatly increased. In many cases it has doubled and tripled. Yet in the summer of 1925 the average price of gasoline not counting the state and federal taxes over which the industry has no control, was 21.93 cents a gallon. The average price some 25 years later, less taxes, was 20.31 cents.

So the price charged for our gasoline, before these taxes, has not increased. And today's gas is a very different product than the gas of 1925. According to the engineers, it has improved at least 50 per cent—in performance, miles-per-gallon under comparable conditions, and in other ways. Today's motorist can get about the same service from two gallons of fuel costing 42 cents before taxes as his father did from three gallons costing 66 cents in 1925.

This is the result of research and competition, which has forced everyone in the oil industry to provide, a better, more economical product. Mr. Fleming summed up his findings on the price of gasoline in these words: "Even with the increased taxes it would be hard to find a bigger bargain among all the things that Americans eat, wear or use."

GRASS ROOTS OPINION

CAMERON, WISC., BARRON COUNTY LEADER: "This newspaper favors a decrease in taxes (which can be affected by cutting the fat from government); an end to all forms of socialism in this republic; an American foreign policy based on common sense rather than dollar diplomacy; and a re-dedication to that fundamental American concept, 'that nation is best governed which is least governed.'"

COATESVILLE, PA., RECORD: "Despite dipe predictions from some prophets of gloom, the lifting of ceilings was not accompanied by skyrocketing prices and an upward churning of the inflationary spiral. The wholesale price level has stayed virtually unchanged and consumer prices are continuing downward."

AZTEC, N. M., INDEPENDENT-REVIEW: "It may be contended that Communism hasn't gotten very far in this country but it hasn't hurt the communist cause to have people think the government should supply us with everything we want."

LAKE WORTH, FLA., HERALD: "The era of citizens living off public funds came into being during the past two decades, it has been a popular sport for many and sundry to climb onto the public feed wagon and not even bother about not letting their feet drag."

PRICED OUT OF THE MARKET

Secretary of Agriculture Benson has told Congress that there should be more flexibility in the agricultural price support programs along with less "running to Washington" at every reverse. He then made this wise observation, "It is possible, I think, to have a support so high that you may price a product out of the market."

It is one thing to have a support program to meet emergencies and prevent extreme hardship. It is a very different thing to have a program designed to keep farm prices at extremely high levels, regardless of what the supply and demand situation may be. That, in essence, is Mr. Benson's position—and it is the only position which can promote the long-run welfare and progress of farmers or any other group.

GOT \$5,800 TO SPARE?

Our national debt, which now is close to \$263 billion, could be paid off immediately. All that is necessary is for each and every family in this country to donate \$5,874!

Yes—that's correct. Your family's share of our staggering debt is more than \$5,800. That is our heritage from a series of wars coupled with waste and financial recklessness in government. And that's why our biggest domestic problem is to cut government costs, to balance the budget, to start reducing the debt as soon as we can, and to reduce the tax burden.

COMMON DENOMINATOR

One-half, plus one-third, plus one-fourth, equals what? The answer can be had by reduction. Reduce the fractions to a common denominator. Then it will be possible to add or subtract as the case may be.

Twenty Mohammedans, plus 20 Buddhists, plus 20 Shintoists equals what? Here are three great religions, representing millions of adherents. Do you have the answer to this problem? And you never will until the three are reduced to a common denominator.

The world ought to be a unit. Only thereby can harmony be achieved. Disunity and discord are the twin sons of the Devil. Religion is the sole medium whereby unity can be attained. Discord among professed followers of Christ certainly militates against the cause of Christ. And is forcefully condemned in no uncertain terms in the New Testament.

How could one go about adding 20 Mohammedans to 20 Buddhists? What would the answer be? Forty what? It could possibly be done if one could, by some means, convert the Buddhists to the Mohammedan way. Then it would be a simple matter. Twenty Mohammedans plus twenty Mohammedans equals forty Mohammedans of course. But that is very unlikely. Attempts to do this led to many religious wars. Blood has been shed because one is not likely to give up his way for another not any better.

There is another possibility. Instead of an either/or proposition, why not attempt to convert both to Christ. A Mohammedan converted to Christ becomes a Christian. A Buddhist converted to Christ becomes a Christian. And 20 Christians plus 20 Christians equals 40 Christians. With a common denominator the job can be done. There is another way.

But closer to home. Add 10 A-type sectarians to 10 B type sectarians to 10 C type sectarians and what do they equal? Thirty what? The only possible way to add them, is for them to cease being sects and become Christians every one, and Christians only. That is the common denominator.

All can be united if they would follow the divine pattern furnished by the Bible. Nothing added or subtracted.

MUNDAY CHURCH OF CHRIST

Box 211 — Phone 6151

Everyone knows that Aaron Burr was almost elected president of the United States through the majority of the people wanted him for vice president and Thomas Jefferson for president. But the constitution said that the man receiving the highest number of electoral votes should be president and the one receiving the second highest, vice president. The result was a tie and the election was thrown into the House of Representatives.

Judge Ralph Yarbrough of Austin, a student of American history relates that the man who broke the tie was born in Ireland, and in order to pay his

passage to America, sold his services for a term of years. He was elected to Congress from Vermont, was indicted under the notorious sedition act for remarks about President John Adams and was found guilty. While in jail, he was re-elected to Congress and, to pay his fine so he

would be set free, the Democrats of Virginia sent a man on horseback with \$10,000 in gold.

On the 36th ballot, the other Congressman from Vermont, a Federalist, absented himself and this congressman then cast Vermont's vote for Jefferson for president.

Embarrassing moment: In the summer of 1936, I was publicity director for the Fort Worth Casa Manana, of which Billy Rose was the producer. He asked me to help draft a three-minute talk for a special ceremony and I remarked, "That would be about 500 words as the average talks at the rate of 140 words a minute"—and then I remembered that in my youth, Rose had been champion shorthand writer of the world and therefore probably knew as much concerning the rate of human utterance as anybody, myself included.

Tactfully (and surprisingly for the voluble Billy, he was silent.

I have figured out what Ph.D means: "Phonemically dull."

Mr. and Mrs. Bill Lemley and children and Mr. and Mrs. Lloyd Lemley of Weir attended the Lemley family reunion held in the Seymour Park last Sunday. There were about fifty present for the reunion.

Marion Jones was a Sunday guest in the home of his son-in-law and daughter, Mr. and Mrs. Eugene Russell, in Wichita Falls.

Mrs. J. D. Crockett spent last week in Fort Worth visiting her daughter, Mrs. Jack Benton and family.

Mr. and Mrs. W. W. Jarvis, and daughter, Mrs. F. T. Jarvis, and F. T., Jr., visited Mrs. A. C. Brock and Mrs. Mary Welsh in Fort Worth Wednesday of last week.

Miss Peggy Clough of Fort Worth was a week end guest in the home of her parents, Mr. and Mrs. Dee Clough. Mr. and Mrs. Paul Pruitt took her home Monday.

It's Good Business to Save Regularly

In this inflationary period, it's hard to save very much, yet a systematic method of putting a little aside for a "rainy day" is just simply good business. This bank encourages regular savings among its customers.

We, too, offer every financial assistance consistent with good business.

MUNDAY, TEXAS

NEWS FROM VERA

(Mrs. J. T. Randolph)

Billy Clyde and Mary Francis Laws are staying with their aunt, Mrs. Ray Godfrey, and working in Midland this summer.

Mr. and Mrs. Wesley Trainham and Mr. and Mrs. J. F. Hughes are vacationing in California. The main object of the trip was to visit Jerrel, who is stationed at Camp Roberts.

The above mentioned four and Benny Carl Coulston went the last of May to attend high school graduation exercises for Neva Faye, older daughter of Mr. and Mrs. Lyndol Hughes.

Paul and Kay Russell of Levelland visited their grandmother, Mrs. Mattie Russell, and other relatives here, in Seymour and in Truscott several days last week.

Mr. and Mrs. A. E. Allbright are at home again and report a very enjoyable vacation with Cheyenne, Wyoming, and Salt Lake City, Utah as key points on the trip they shared with Mr. and Mrs. Melvin Bratcher of Seymour.

Mr. and Mrs. Jack Barker and two children came from Jacksboro last week. The children stayed here with their grandmother, Mrs. Ina Murphree, while Jack and Mary visited Colorado Springs, Colo. When they went back to Jacksboro, Oga D. went with them.

Mrs. J. C. Melcher and children of Port Lavaca have been visiting here about two weeks in the home of Mrs. Melcher's parents, Mr. and Mrs. W. M. Ford. Mrs. Melcher went this week end to Fort Worth to meet J. C., who came to join the family. In Fort Worth they also visited with Mrs. Della McGuire.

Mrs. Tom Hardin received word last Thursday of the birth of Robert Michael Haston in Erding, Germany. His mother is the former Mary Ann McGuire. Mary Ann, Bob and their daughter, Lynda, are stationed in Greece.

Mr. and Mrs. Louis Robinson of Carthage visited friends here last week. Louis is attending the University of Houston this summer.

Mrs. Bessie Hobbs is a patient in the hospital at Knox City. She has been quite seriously ill and had a number of blood transfusions.

Mr. and Mrs. Sam Allbright of Jacksonville have been visiting relatives here and at Red Springs.

Mr. and Mrs. Duward Richards visited here enroute to their home at Pecos after having been to Vinita, Okla., to visit the E. G. Richards.

Mary Bess Ray is attending

business school in Abilene. She, Emmitt Ray, and her little daughter were here for several days with the F. A. Rays and the Anson Rays. Evelyn took her son, Troy, home with her after a week's visit here.

Mr. and Mrs. Hugh Goodrich of Cauthron, Ark., have been visiting her mother, Mrs. J. H. Johnson, and other relatives at Seymour and Benjamin. They had with them their four year old granddaughter, Gayle Goodrich, who makes her home with them.

Mr. and Mrs. Don Moore and Steve visited friends here Friday and Saturday. Mr. Moore, a former teacher in the Vera school, taught last year at Belton and will complete the work on his masters degree from Hardin-Simmons University in Abilene this summer.

Mrs. Tom Russell was home from Midwestern University in Wichita Falls. Mr. and Mrs. Bill Randles were here, too. Bill has been working in Brownfield and Jo Anne is attending North Texas State at Denton.

Mrs. A. T. Plunkett came from Wichita Falls with Maurine Parris to spend the week end here.

Mr. and Mrs. A. E. Boyd had as visitors most of last week Mr. and Mrs. Willie Loveless and a grandnephew of Mrs. Boyd's from Wortham. Mrs. Loveless is Mrs. Boyd's sister.

Mrs. and Mrs. Wayne Knight, who have been living at Temple, are spending some time with the H. H. Gores before going to a new job near Corsicana. Their daughter, Peggy, who works in Wichita Falls was here for the week end. They carried Mrs. Gore to Wichita Falls Tuesday for a check up with his doctor.

Mr. and Mrs. Robert Webb and Virginia came Saturday from McAlister, Okla., to visit the Carl Sheltons. Mr. and Mrs. Webb returned to their home Sunday, but Virginia is spending the week with Jackie Shelton.

The L. D. Allens had as week end visitors Mrs. Jim Coxwell of Olton, Mrs. John Welch, Lynda, Kathy and Don Welch of Dickens and Mrs. Welch's brother, Henry Hill, of Abernathy.

Mrs. E. A. Ritchie of Spur spent the last two weeks in the home of her son, K. B. Ritchie. Lamoine Ritchie and John Murphree made a week end trip to Mineral Wells.

The Aubrey Nichols family and Emma Jean and her little son some from Garner to visit their Nichols kin here last week end.

Mr. and Mrs. B. C. Cox and two sons of Austin visited Berl Cavins from Saturday through Monday. Rev. Cavin's parents were here from Crowell Sunday.

USO clubs provide a friendly meeting point for servicemen and members of the communities near which they are stationed. USO programs are designed to bring about closer friendships between the military and civilian populations. USO is financed by the United Defense Fund which is supported chiefly through Community Chest and other united community campaigns.

LOCALS

Dr. Gearhart, rector of the Church of the Heavenly Rest, in Abilene, and Ray Grissom of Abilene were Wednesday guests in the home of Mrs. T. G. Bengel.

Sgt. Charlie Wilson left Sunday for Amarillo Air Base after spending his fifteen day furlough here with his parents, Mr. and Mrs. O. L. Wilson.

Miss Marguerite Hatmnett of Abilene was a week end guest in the home of her parents, Mr. and Mrs. G. B. Hammett.

Mrs. C. L. Gary of DeLeon is spending this week in the home of her brother, L. B. Patterson, and wife.

Mr. and Mrs. James R. Rodgers left Saturday for a vacation trip to Dallas and other points.

Mr. and Mrs. Stanley Ward-law visited relatives in Dallas over the week end.

Mr. and Mrs. Bob Jarvis visited relatives in Newcastle last Sunday.

Pasture mowing not only helps to control weeds but also keeps the grass tender and growing.

The Buster Jacksons took Joe to Wichita Falls Tuesday. Joe was on his way to R. O. T. C. camp near Augusta, Georgia. Joe is with the Signal Corps.

F. L. Ballard was here from Crowell one day last week to make plans with Gerald Russell for their trip to R. O. T. C. summer camp. Gerald is with the Army engineers and will be leaving Friday for Camp Carson, Colo., where he will be in training until August 1.

Mr. and Mrs. J. F. Brown had as week end guests Mr. and Mrs. H. C. Dennis and four children of Abilene. Mr. and Mrs. I. B. Llewellyn and three children of Seymour and Mr. and Mrs. Leroy Scribner of Chickasha, Oklahoma.

Dr. and Mrs. Joe T. Caldwell and two children of Starkwell, Miss., are visiting Mrs. Cardwell's parents, Mr. and Mrs. H. A. Patterson.

Mrs. W. C. Feemster is at home again after having been in Lubbock since Easter. Mr. and Mrs. Buster Peddy and LaVonne brought her home. They visited with the B. M. Snody family at Olney. The Peddys were here until Wednesday.

Mr. and Mrs. A. E. Richmond were in Dallas the first of this week where Mrs. Richmond underwent surgery. She is reported to be doing fine.

Tommy Ratliff of Dallas is spending several weeks here with his grandparents, Mr. and Mrs. R. L. Ratliff, and other relatives and friends.

Johnny Hurd, Don Isom and Bob White of Memphis, Tenn., were week end guests in the home of Dr. and Mrs. E. O. McClellan.

Mr. and Mrs. Wayne Rodgers of Clovis, N. M., were week end visitors in the home of his parents, Mr. and Mrs. Walter Rodgers.

Mr. and Mrs. Runt Ledbetter and son, Benny, and Mrs. L. E. Ledbetter visited Mrs. O. W. Terry in Fort Worth last Friday and Saturday.

Mrs. Boyd Moore and children of Pampa are spending this week with her parents, Mr. and Mrs. A. M. Moore.

Mr. and Mrs. J. E. Faubian of Ireland, Texas, were recent guest in the home of Mr. and Mrs. Emmett Branch.

Mr. and Mrs. Manson D. Waits of Wichita Falls were week end guests in the home of Mr. and Mrs. J. Weldon Smith.

Mr. and Mrs. W. W. Jarvis and Kay of Elroy, Ariz., spent last week in the home of Mrs. F. T. Jarvis and F. T. Jr.

Mr. and Mrs. Jimmy Peek and little Johnny Stodghill of Borger visited relatives here during the week end.

Mr. and Mrs. T. L. Thompson returned Monday from a three weeks visit with relatives on the plains.

Mr. and Mrs. R. F. Suggs spent the week end in Grand Prairie visiting their son, Cecil, and family.

Mr. and Mrs. Bill Morris and son and Mrs. Felton Raynes visited in Denton over the week end.

CARD OF THANKS
Our recent loss leaves us with grateful hearts toward neighbors and friends. Their comforting expressions of sympathy and thoughtfulness will always be remembered.
The Turpen Family. 1tp

Shirley Patterson, Jimmy L. Rhame Are Married June 8th

Miss Shirley Jo Patterson became the bride of Jimmy L. Rhame on June 8 at 8:00 p. m. at the First Chapel in Fort Dix, New Jersey with Rev. Gerald W. Doyle, brother-in-law of the bride, officiating.

The bride was attired in a street length dress of white lace over taffeta with white accessories. She carried an orchid atop a white Bible. The bride's only attendant was her sister, Mrs. Gerald Doyle of Fort Worth. Bob McAda of Fort Dix, N. J., was best man.

Mrs. Rhame is the daughter of Mr. and Mrs. Joe P. Patterson and is a 1953 graduate of Munday High School.

The groom is the son of Mr. and Mrs. Virgil Rhame of Seymour and is a 1950 graduate of Seymour High School. He is with the 19th M. P. Co. in the U. S. Army.

The couple are making their home at Springfield Road, Wrightstown, New Jersey.

Relatives Attend Hardin Funerals

Relatives here for the Hardin funerals last week included Mr. and Mrs. A. G. Jungman, A. H. Jungman, Mrs. Frank Sinnacher and Albert, Mr. and Mrs. Gaubert Demel and son, Mr. and Mrs. Franklin Green, and Mr. and Mrs. Conrad Demel, all of Pep;

Misses Carolyn and Bridget Sokora, Sudan; Mr. and Mrs. Donald Weaver, Meadow; Mr. and Mrs. A. J. Sanders, Mr. and Mrs. Marvin Plemister, Mr. and Mrs. R. S. Sanders, Mr. and Mrs. Alton Sanders, Mr. and Mrs. Ed-die Sanders, Mr. and Mrs. Jack Sanders, Mr. and Mrs. Edward Alexander and daughter, Mrs. Harriet Alexander, Doris Alexander, Mr. and Mrs. Caddell, Weinert;

Mr. and Mrs. Robert Alexander, Knox City; Mrs. Nellie Mathews, Wichita Falls; Mr. and Mrs. Henry Thompson, Fort Worth; Mr. and Mrs. Virgil Burns, Littlefield; Mr. and Mrs.

Carl Burns, Mrs. Della Burns, and Mr. and Mrs. Austin Floyd, all of Sudan; Mr. and Mrs. Lloyd Walker and family, Midland; Mrs. Eva Christwell, Grand Falls; Mr. and Mrs. Henry Vocsopie, Weinert; Mr. and Mrs. Millard Halbrook, Imperial; Mr. and Mrs. J. H. Burns, West Fork, Ark., and Mr. and Mrs. Walter Followill, Morton.

Pallebearer were Clyde Hendrix, Jr., Wayne Smith, Lamoine Blacklock, Leland Floyd, Joe Lynn Phillips, Lee Patterson, John E. Nelson, Lloyd Patterson, Bill Lemley, Roddy Griffith, Wayne Patterson, William Browning, Austin Floyd, Edward Smith, Conrad E. Demel, Franklin Green and Howard Myers.

Mr. Hardin is also survived by a brother, Jessie Yost of Munday, and two sisters, Mrs. V. M. Lee of Denison and Mrs. Jimmie Bullington of Munday.

Mrs. Doug Moore of Borger is visiting this week with her mother, Mrs. Maurice Blacklock, and other relatives.

Notice of Closing

The barber shops of Munday will continue to close at 8 p. m. on SATURDAYS. Please help us to observe this closing hour.

**GAFFORD BARBER SHOP
HAYNIE'S BARBER SHOP**

ENTERTAIN WITH DINNER ON SUNDAY

Mr. and Mrs. O. O. Putnam entertained with a dinner in their home last Sunday, honoring J. C. Daniels of Amarillo. Present were Mr. Daniels, Miss Jacqueline Bates, Martin Bowman, Miss Jeanne Beasley of Vera, Don Bowman, Patricia Putnam, Michael, and Mr. and Mrs. Putnam.

Mr. and Mrs. Bob Brown and children are vacationing in East Texas this week.

Mr. and Mrs. Coy B. Jennings and daughter were week end visitors in Borger.

O. Tynes, and the unknown heirs of J. O. Tynes, deceased, and their unknown heirs and legal representatives, and all of the unknown owners or claimants of the lands and premises hereinafter described, all of whom are defendants in this cause, GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the First Monday after the expiration of 42 days from the date of issuance of this citation the same being Monday the 3rd day of August, 1953, at or before 10 o'clock A. M., before the Honorable District Court of Knox County, Texas, at the Court House in Benjamin, Texas.

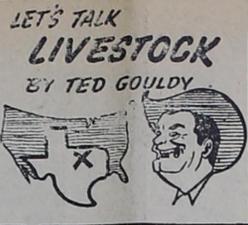

The said Plaintiff's petition was filed on the 17th day of June, 1953. The file number of said suit being No. 5000.

The names of the parties in said suit are:

MUNDAY TRUCK AND TRACTOR COMPANY, a corporation, as the Plaintiff, and without repeating here, all of the persons named above as Defendants and to whom this citation is addressed, as Defendants,

The nature of said suit being substantially as follows:

Suit in trespass to try title in statutory form of and concerning Lots 2 and the West 60 feet of Lots 6, 7, and 8 in Block No. 8 of the original town of Munday, Knox County, Texas, and the East 50 feet of the North 100 ft. of Block No. 11 of the original town of Munday, Knox County, Texas, with special pleas of the five, ten and twenty-five year statutes of limitation as grounds of recovery (Arts. 5510, 5509 and

FORT WORTH — Some improvement in the activity on cattle and calves, and considerably better prices on sheep and lambs were the rule at Fort Worth Monday. Stronger demand from buyers from outside the state as well as the local buyers made the difference. Lighter supplies of livestock around the market circle also were a favorable factor.

Good and choice fed steers and yearlings cashed at \$17 to \$23.00, some choice fed steers averaging about 850 lbs. from McClung Land and Cattle Company, Johnson County at \$23, and some 596 lbs. yearlings from W. W. Gilbreath of Dublin (Erath Co.) at \$23. B. T. Hill, Martin County, had a load of well fitted 818 lb. yearlings at \$22.50 and I. S. Scott, Castro County, had a similar load averaging 676 lbs. at \$22.50. Common and medium slaughter steers and yearlings sold from \$9 to \$16, a load of Seshy feeders at 1,030 lbs. from Herman Mitchell of Wichita County at \$15. About three loads of 725 lb. brahmans sold for \$10.50. D. L. Powers, Jack County, had a load at 758 lbs. at \$13.50. Rannie yearlings ranged at \$5 to 8.

Fat cows sold for \$8.50 to \$11.50, a few heiferettes to \$12 and above. Silas Byrd, Blanket, Texas, had some odd cows including a fancy fat one at 1,245 lbs. at \$12.50. George M. Rucker, Montague Co., had a load of \$17.50 yearlings at 537 lbs., and some odd cows including odds at \$10, \$11 and \$12. Cannors and cutters drew \$5 to \$8.50. Bulls sold from \$7 to \$12.50, a few to \$13, like the top bulls sent in by Don Mitchell of Bryson, O. L. Matlock of Antelope, and Chas. Blackman of Clay County.

Good and choice fat calves drew \$14 to \$18, a few baby beef kinds over 500 lbs. to \$20 and above. Common and medium kinds \$8 to \$13, with culls \$5 to \$8. Stocker steer calves drew \$10 to \$17, three loads at \$19 from Naud Burnett of Greenville averaging 467 lbs. the day's top. Heifers off these averaged 457 drew \$17.50 for slaughter. Yearlings sold around \$15 down.

Fat Spring lambs, good and choice, drew \$17 to \$23, with common to medium from \$10 to \$15, and culls from \$5 to \$10.

5519 of the Revised Civil Statutes of Texas, 1925, as amended with prayer for title and possession, rents and damages and general relief. The name of Plaintiff's attorneys being Ratliff & Ratliff, Haskell, Texas.

ISSUED this the 17th day of June, 1953.

GIVEN under my hand and seal of said Court at office in Benjamin, Texas, on this the 17th day of June, 1953.

OPAL HARRISON, Clerk, District Court, Knox County, Texas. 47-4c

NOTE OF APPRECIATION

We want to take this method of expressing to you our deep appreciation for the many things you have done for us since my accident.

For your letters, cards, food, flowers, your visits and for any other expressions of kindness, we thank you from the depths of our hearts. Especially are we grateful to those who helped in any way in the harvesting of our wheat. May God richly bless you all.

The Chester Bowden Family. 1tp

Marion Jones was a Sunday guest in the home of his son-in-law and daughter, Mr. and Mrs. Eugene Russell, in Wichita Falls.

Mr. and Mrs. Jeff Mitchell visited relatives in Palo Pinto over the week end.

Yearlings sold from \$15 down, feeder yearlings at \$13.50 down. Feeder Spring lambs drew \$10 to \$16. Old ewes cashed at \$3 to \$4.50. Old wethers sold at \$8 down. Old bucks sold around \$2 to \$2.50.

Top hogs sold at \$23.75 to \$24, and sows cashed at \$18 to \$21.

Irrigation Pump Can Fight Fires

Irrigation has proven a profitable practice for many farmers. It has an added advantage when irrigating equipment is arranged so that it can also be used for fire protection.

Emmet Cabaniss of Maxeys, Georgia, has his equipment set up so that if a fire breaks out, he can be pumping 1200 gallons of water per minute within ten minutes. His 300-acre farm has five man-made lakes, one near his buildings. He uses 1600 feet of six-inch pipe line. His pump and power unit are mounted on a trailer for quick transportation.

The equipment not only protects him against fire, but also against drought. He improved the system last fall by repowering the pump with a 4-cylinder General Motors Diesel engine. Extra power of the Diesel permitted him to switch from an 800-foot line to the 1600-foot line. Although the new engine pumps 50% more water than the gasoline engine he used previously—it costs no more to run.

Mr. Cabaniss now has 200 acres that can be irrigated by overhead sprinklers. He can put an inch of water over three acres every hour. He figures his irrigation system is rapidly paying for itself by preventing crop loss and increasing milk production of his 70 dairy cows.

News From The U. S. Congress

Congressman Frank Beard

WASHINGTON, D. C., June 11—Here in Washington as all over the world, everyone has been closely watching events in Korea. The feeling that the world might be approaching a more peaceful era as a result of the negotiations that are going on there have certainly raised everyone's hopes. Out of the confusion that has surrounded the negotiations so far, none of us know the exact details of the proposals that are being made nor

FARMERS—See us for your machine work. Russell Penick Equipment Company. 3-tfc

what the results of them will be; however, we are all prayerfully hopeful that a truce will come and that it will be based on such fair and honorable terms that a lasting peace can follow.

Not since World War II has the world situation been so confusing. We are in a situation right now, it seems of knowing less than we have ever known before about what is likely to happen in the future, and this is a time when we desperately need to know more than we have ever known before. France is in a political turmoil and is unable to establish a stable government. The elections in Italy have revealed an almost unbelievable gain on the part of certain radical forces there, and the pro-American De Gasperi position is somewhat uncertain. Japan has been making trade agreements with Russia and Communist China looking toward an end to the fighting in Korea while all during the Korean War we have been boosting the economy of

Japan. What is Communist China going to do? Will she take her soldiers that are released in Korea and move them to Indo-China and provoke trouble there? These are only a few of the perplexing problems in international relations that face us.

Congressman Omar Burleson of Anson, who serves on the Foreign Affairs Committee in the House, has proposed that we defer action on any foreign aid bill for several months for the reason that we now have substantial sums of unexpended funds that have been appropriated, and the continuity of the program, therefore, would not be broken if action is not taken within the next few weeks. He feels that by delaying action on this program, we would have an opportunity to approach the problem more realistically and find out just who our friends are, what they can do for us, and since this is supposed to be a mutual assistance program, what they will do for us in the case of an emergency. It seems to me that this proposal has some merit and should be given our very serious consideration.

Recently, I have been reading a book which contains the prayers that Rev. Peter Marshall gave when he was chaplain of the Senate. As I am sure you know, Peter Marshall was one of the most respected and beloved men who has served as chaplain of either House of Congress. It seemed to me that the prayer he gave on March 25, 1947, in the Senate is very helpful to us during these times. I thought you might like to read it.

"Our Father in Heaven, we pray for Thy guidance and help. We know that Thou dost not intend prayer to be a substitute for work. We know that we are expected to do our part, for Thou hast made us, not puppets, but persons with minds to think and wills to resolve. Make us

SOME FICTION AND FACTS

Once upon a time, in Chicago, there was a contrary cow with an aversion to being milked. One day, so the story goes, her distaste for the twice-daily milking ritual manifested itself in a vicious kick at a nearby lamp and the sad results cinderized Chicago in a matter of hours.

Now, 82 years later, the nation is paying tribute to that reluctant bovine's kind and kin by the observance of June as National Dairy Month. Not to be outdone, Texas, by an official governor's decree is honoring the dairy cow whose products make up over one-quarter of America's food supply and yearly add some \$400 million to Texas jeans.

One malicious milker should not necessarily reflect upon the entire herd and by now, even Chicago probably has forgiven Mrs. O'Leary's cow. But if a doubt remains, then a glance at a few revealing facts should dis-

pell it soon enough. One bite out of every three on our menu is a dairy product, the industry claims. Housewives spend more than 15% of their food budgets for dairy products. In return, they get about 30% of the food consumed in Texas. For a bonus, the housewife provides her family with three-fourths of its calcium, one-half of its riboflavin and substantial quantities of every other nutrient vital to human development.

These products come from 60,000 farm units and provide employment for half a million Texans. Exactly half the \$400 million earned by the industry last year was actual income for the farmer who sold milk, milk products and dairy animals for beef and veal—a nice supplement to his regular income from crops.

It is fitting, then, that the one who is responsible for milk, ice cream, cheese and butter—Old Bossie—should be honored by an official proclamation.

Miss Betty Jean Stuart And Jessie G. Smith Marry In Waco Church Rites

The Columbus Avenue Baptist Church in Waco was the setting for the double ring ceremony uniting Miss Betty Jean Stuart of Albuquerque, N. M., and Jesse George Smith, on May 30 at 8:00 a. m. with V. M. Cloyd, pastor, officiating.

The bride, given in marriage by her uncle, Mr. Wallace Gibson of Albuquerque, N. M., was attired in a floor length dress of white silk covered by an overskirt of net and half-skirt of lace. Her long sleeve jacket was of white lace and trimmed with white buttons from throat to waist. She carried a white orchid, on top of a Bible, with steraemrs of lilies of the valley.

The matron or honor, Miss

Juanita Coss of Dallas, and the bridesmaids, Miss Nancy Peavy of Sanderson and Miss Nancy Haliburton, of Allen, Okla., were attired in identical floor length gowns of pink net over taffeta with stoles and carried bouquets of pink carnations. Jann Browning flower girls.

Attendants for the groom were his brother, James N. Smith, best man, and Edward J. Smith, another brother, and William Browning, brother-in-law of the groom.

The bride is the granddaughter of Mr. and Mrs. C. C. Gibson, of Albuquerque, N. M., and was a senior in Baylor University School of Nursing this year. She was a member of the Phi Sigma

What is the most valuable thing General Electric ever built?

Is it the jet engine? In 1942, General Electric gave America's air arm its first jet muscles. Would you say that is our most valuable product?

Or would you elect the fluorescent lamp? We placed the first ones on sale in 1938. With the growth of fluorescent lighting Americans are using 3 1/2 times more light than even 10 years ago.

Maybe you would say our star performer is the steam turbine. All you do is flip a switch, and a turbine somewhere instantly responds to provide the power to pump for you, or push or lift.

How about x-ray? Your doctor holds a negative up to the light and peers at bones he says are really yours. Who can say how many lives the x-ray tube has saved?

Important as these products are, more valuable to us—and to you—is something these products have helped to build. Something born quietly in 1878, when electricity was still a curious toy. And something that has grown steadily through the years.

The most valuable thing we ever built is your good will. For your year-after-year confidence in the things we make has given us the means to serve you better. Better engineering, research, manufacturing—all have come from your belief in us. It returns to you in a constantly improving and expanding way of life.

You can put your confidence in—

GENERAL ELECTRIC

Lambda sorority.

The groom is the son of Mr. and Mrs. B. E. Smith of Munday and was a '53 graduate of Baylor University. He will report for active duty in the U. S. Air Force July 15 as second lieutenant.

The church was decorated in pink gladioluses and pink candles in candelabra and palms. The wedding music was furnished by Winston Miller of Waco, organist, and Wayne Plunkett of Waco.

A reception was held in the banquet room of the church with Mrs. Ruth Maxson and Miss Edith Robinson, of the Baylor faculty, serving the punch and cake, while Miss Lya Stuart of Las Vegas, Nev., was at the guest book. The bride's table was covered with pink net over

satin with a centerpiece of pink gladioluses and a three-tiered white cake.

The couple made a wedding trip to Dallas and to the groom's home in Munday. For her traveling attire Mrs. Smith wore a summer beige gabardine suit with a small sailor hat and brown accessories. The couple are making their home in Harlingen, Texas.

Out of town guests for the wedding were Mr. and Mrs. B. E. Smith, James, Joel and Maidee, Mr. and Mrs. Edward Smith and Mr. and Mrs. William Browning, Jann and Kathy, all of Munday; Mrs. Vera Stuart of Las Vegas, Nev., Mr. and Mrs. W. R. Gibson of Albuquerque, N. M., and the bride's brothers and sisters.

Miss Albus Is Honored At Shower Sunday, June 17th

Miss LaVerne Albus, bride-elect of Mr. Leonard H. Lamb of Pueblo, Colo., and whose nuptials will be recited at St. Joseph's Catholic Church at 8 a. m. Tuesday, June 23, was honored with a bridal shower at the Rhineland Parish Hall on Sunday afternoon, June 14.

Miss Nell Albus presided at the guest book, where ninety guests were registered. Some 35 others sent gifts.

Pink gladioli and arrangements of seasonal flowers decorated the registration and refreshment tables. A refreshment plate of cake, ice cream and punch was served. Favors were tiny umbrellas filled with mints.

Mrs. Lena Albus entertained the group with several piano selections. "Whispering Hope" was sung by Mrs. C. J. Albus and Mrs. Lena Albus.

Hostesses were: Mmes. C. J. Albus, A. M. Moore, Jr., Leonard J. Kuehler, Everett Kuehler, A. J. Kuehler, M. C. Kuehler and V. F. Albus.

Little Ann Combs Celebrates Birthday With Party June 11

Little Ann Combs celebrated her 4th birthday with a party last Thursday, June 11 for her little friends.

Each little guest was given a large balloon as party favors. The children all gathered around the table laden with various colored balloons, gifts and the birthday cake to have their pictures made. After that the children were served punch on the back lawn. After they had played a while they were served birthday cake and sherbet.

Those present to help Ann celebrate her birthday were Neil Richmond, Cindy Wardlaw, Butch and Joey Bowley, Randy Graham, Carolyn Tidwell, Richard Dickerson, Linda Hobert, Linda Kay and Sandra Brown, Rita Blacklock, Tony, Bill and Jackie Leflar and Nancy Thompson.

Dee McStay of Vernon spent several days last week with his mother, Mrs. S. E. McStay.

Mr. and Mrs. Claud Rogers visited relatives in Henderson over the week end.

Knox Prairie Philosopher Claims He Has The Proof That South Won The Civil War And, Now, He's Satisfied

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has an odd idea this week, which we publish without comment. May be a few Yankees living around here.

Dear editor: The Yankees have more stamina than the Yankees here more stamina than the Southerners, more drive, more get-up about 'em, if you want something done, give it to a hard-drivin' Northerner, don't turn it over to a drawlin' slow-movin' Southerner, and while this 'never has bothered

J. A.

me, in fact, it suits me fine, I recognize the wheels of industry and commerce and literature have got to keep turnin' and if the Yankees want the job I'm perfectly willin', never did see a wheel that had a place on it to fit my shoulder, but there are some Southerners who don't like it.

They resent it. They argue about it. They get up before daylight to prove they've got as much energy as anybody. Now while it never has affected me that way, I figure energy is something you don't have to prove, it's like money, you spend it recklessly to prove you got it and you wind up without any, personally I've always conserved my energy, feelin' that energy still inside me was better than energy used up goin' up one row and down another, but as I say, while this claim of Northern superiority in this field of endeavor never has bothered me, it has a lot of Southerners.

I believe though I have run on to some evidence that will win the argument for the South.

I noticed in an article in a magazine the other day which I

Men Find Comfort in Cotton

SUMMER COTTON—Here is a welcome combination of cool comfort and fine tailoring in men's cotton fashions for warm weather. This "young executive" suit by Haspel in Dan River Wrinkl-Shed cotton cord brings summer temperatures down.

COTTON FOR SPORTS—There is great texture interest in a cool, new sports shirt by White Stag. A small neat gingham check is combined with a spaced-over-weave motif in a button-front short-sleeved style.

borrowed from a barber shop in town where I was visitin' for social purposes, not professional, where there are now six survivors of the Civil War still livin'.

And here's the overwhelming fact that ought to end the argument from now on: Out of those six survivors, five of them are Confederates! The South had the stamina to out-survive the North five to one. In fact, you might say, from sheer numerical strength, in the final analysis the South won the war.

This is such a satisfyin' conclusion, such devastatin' proof the South has more energy and stayin'-power than the North, that as far as I'm concerned that ends the argument and I intend to rest on my laurels from now

Weekly Health LETTER

Issued by Dr. Geo. W. Cox, M. D., State Health Officer of Texas

AUSTIN—If your work is such that it causes excessive perspiration, add a pinch of ordinary table salt to each drink of water you take to help prevent heat cramps. This is advised by Dr. Geo. W. Cox, State Health Officer, to prevent a possible increase in the number of heat victims as the Texas thermometer hits 95 degrees and above.

Laborers, mechanics, farmers and white collar workers whose work causes them to sweat profusely, are in danger of having their body salt become deficient with resulting heat cramps or heat fag. Salt is a prominent constituent of sweat; the body may lose as high as 40 to 50 grams of salt during hot days. In industry, a method of preventing heat cramps is to take a tablet of pure salt or a mixture of salt and dextrose with each drink of water. Workmen whose duties require muscular exertion should be especially careful to add more than the usual amount of salt to what they eat and drink.

Salt deficiency may be pre-

vented by taking salt in various ways. Where prepared tablets are not available, table salt may be added to each drink of water. Milk is a source of salt and will help to make up for the deficiency caused by sweating. Alcoholic drinks should be avoided. Heat cramp is characterized by pains (cramps) in the abdominal region, headache, and in severe cases, by nausea and vomiting. The body temperature remains about normal, likewise the pulse rate. Body salt losses occur without the knowledge of the individual until there is a deficiency; then the abdominal muscles begin to cramp.

on. The South can rise again if it wants to, but as for me, personally I'll continue sittin'. Yours faithfully, J. A.

Handy Jim's FIX-UP TIPS For Farm and Home

Movable Shelf Units

NEAT, economical, movable shelf units are a boon in any home, where they may be used for various things such as storing toys, canned goods, laundry equipment, seldom-used kitchen utensils or other things.

Each unit may be any height. The number of shelves may vary according to their distance apart.

The usual width of a unit is three feet, and the shelf depth is 11 1/2 inches.

The accompanying illustration reveals the construction. Note the triangular pieces of Tempered Presdwood used at the back to brace each unit. The 3/16" thickness of this material is used as shelf surfaces because of its long-wearing quality, its resistance to moisture and its hard, smooth surface which makes it easy to keep clean.

The shelves merely are laid in place without fasteners. They may be nailed down, of course, for a permanent installation. Either leave them unpainted or color them any attractive hue. Incidentally, Tempered Presdwood has no splinters, and that's a comfort when there are youngsters around.

vented by taking salt in various ways. Where prepared tablets are not available, table salt may be added to each drink of water. Milk is a source of salt and will help to make up for the deficiency caused by sweating. Alcoholic drinks should be avoided.

Heat cramp is characterized by pains (cramps) in the abdominal region, headache, and in severe cases, by nausea and vomiting. The body temperature remains about normal, likewise the pulse rate. Body salt losses occur without the knowledge of the individual until there is a deficiency; then the abdominal muscles begin to cramp.

Mr. and Mrs. Orman Moore and daughters of Wichita Falls visited her mother, Mrs. Erin McGraw, and his parents, Mr. and Mrs. Ernest Moore, in Go-ree, over the week end.

Mr. and Mrs. B. O. Norvill and children returned last Monday to Lubbock with Mr. and Mrs. Doyle Hughes for a visit. They will also visit in Amarillo before returning home.

From where I sit... by Joe Marsh

Heard About the Electric Weather Predictor?

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "Slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting

the weather over the radio—just like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more inside information than you can get for yourself. Like those who "know" cider is the only thirst-quencher after a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

Joe Marsh

There's only one answer... Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks. If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Presented "God's Half-Dollars"

Ben Jack Cage, youthful Texan who heads a multi-million dollar "business partnership with God", presents Evangelist Billy Graham with a handful of "God's half-dollars" during Mr. Graham's current revival in Dallas. Mr. Cage has had 500,000 of the shiny aluminum coins minted and passes them out to everyone he meets. One side bears the Lord's Prayer, the other a Cage-styled inspirational inscription.

CORY WARREN SUFFERS BURNS LAST MONDAY

Little Corky Warren, 4 year old son of Mr. and Mrs. J. C. Warren, suffered severe burns on his arms and back when the car upholstery caught on fire last Monday afternoon around 4:30 o'clock.

Mrs. Warren had left him in the car while she went in the house for a few minutes. She discovered the car on fire and rescued him from the blaze. He was rushed to the Knox County Hospital in Knox City where he was suffering from shock and smoke as well as burns. He had a bad night Monday night but was some better at the latest report.

GAS COMPANY DONATES TO TORNADO FUNDS

Lone Star Gas Company employees throughout Texas and Oklahoma have made voluntary contributions totaling \$7,793.15 to the tornado relief funds at Waco and San Angelo, according to Chester L. May of Dallas, vice president in charge of distribution properties. Checks were delivered to disaster relief officials in the two cities this week. The Waco check was for \$5,455.70 and the San Angelo check was in the amount of \$2,338.15. Previously the company had sent a special \$5,000 check to the Waco disaster relief fund and San Angelo received \$1,000.

CARD OF THANKS

Words cannot express our appreciation for every act of kindness shown us during the loss of our loved ones.

Every kind word, every card, all the food and the great floral offering brought us much comfort. We want to thank you. This will always remain with us as a precious memory. May God bless each of you.

LOCALS

Mr. and Mrs. Raymond Suggs and Mrs. Addie Hopper, who is home, visited Mr. and Mrs. Cliff Good in Anson last Thursday.

Mr. and Mrs. Carl Booe visited Edward Melton in the Knox County hospital last Sunday.

Mrs. Doug Moore of Borger is visiting this week with her mother, Mrs. Maurycie Blacklock, and other relatives.

Week end guests in the home of Mr. and Mrs. Oscar Spann were Mr. and Mrs. Conrad Link and sons of Plains and Mr. and Mrs. O. H. Spann, Jr., and daughter of Sweetwater. Mr. and Mrs. O. H. Spann, Jr., also visited her parents, Mr. and Mrs. Jack Clowdis.

Mrs. L. J. Hill is spending this week in Spur visiting her parents, Mr. and Mrs. Sam McGaughey.

Lloyd and Charlie Haynie, Jr., brought their brother-in-law, Butch McCanlies, home from the Veterans Hospital in McKinney last Sunday.

John Brown of Eunice, N. M., visited relatives and friends here over the week end.

Mrs. V. M. Lee and son of Denison spent last week here with her mother, Mrs. S. E. Robertson, and sister, Mrs. Jimmie Bulington.

Cecil Fitzgerald of Spur visited friends here during the week end.

Mrs. Elzie Morris and daughter, Margaret, and Oran Melton of Fort Worth were week end guests in the D. A. Melton home. They also visited Edward Melton in the Knox County hospital on Sunday.

E. E. King left Sunday for New York where he will attend market for two weeks.

Local Man Is Named To Head District Masons

The regular quarterly meeting of the 91st Masonic District Association was held at Lake Throckmorton last Tuesday night, with the Throckmorton and Woodson lodges as hosts.

Masons were treated to a delicious fish fry at 7 p. m., which was followed by the regular business of the association. E. T. Goss of Seymour presided in the business meeting, in which officers for the new year were elected.

Lee Haymes, Munday postmaster, was elected president of the association. Vice president is Bill Mason of Rule, and E. L. Sims of Woodson was elected treasurer to succeed Mr. Haymes. E. T. Goss was re-elected secretary, having served in this capacity almost continuously since the organization was formed some 13 years ago.

A count revealed that 146 persons were in attendance, representing all lodges of the district, with several visitors. Benjamin and Knox City will host the September meeting.

Mr. and Mrs. Elton Busby and children of Tokio were week end guests in the homes of Mr. and Mrs. T. M. Busby and Mr. and Mrs. A. U. Hathaway.

Dr. Gearhart, rector of the Church of Heavenly Rest, in Abilene, and Ray Grissom of Abilene were Wednesday guests in the home of Mrs. T. G. Bengel.

Mrs. Addie Hopper went to Dickens last Sunday night where she has accepted employment for the summer.

CARD OF THANKS

May we thank all of you who voted for Fonda Kay in the talent contest. Your cards and letters helped her win.

Mr. and Mrs. Carl Wallace. 1tc

State Renews 4-H Program Of Special Interest To Girls

The National 4-H Dress Reveal award program has been approved for 1953 by the State Extension Service.

In this program, which is open to all girls participating in the 4-H Clothing program, members learn to dress appropriately in keeping with a well-planned family budget, and to develop poise, proper posture and habits of good grooming. The popularity of this program is reflected in the enrollment of girls last year, which totaled 669,259. Simplicity Pattern Company provides awards of honor medals to county blue award winners and an all-expense trip to the National 4-H Club Congress in Chicago next November to the state winner. Each state winner participating in the national presentation at the Club Congress will receive a leather-cased scissors set.

County Extension Agents will furnish complete information concerning these programs.

Mrs. T. C. Merrell, Mrs. O. O. Putnam and Patricia Putnam were business visitors in Abilene during last week.

RESERVE SERVICE RIBBONS AVAILABLE

AUSTIN—The Armed Forces Reserve Ribbon, authorized for wear by Army reservists with 10 years or more of honorable and satisfactory service, is now available for distribution, according to an announcement this week by Col. M. E. Jones, Chief of the Texas Military District.

The 10 years reserve service do not necessarily have to be consecutive, provided such service was performed within a period of 12 consecutive years. The 10 years service must be honorable and satisfactory as defined under Public Law 810. A device is authorized to be worn on the ribbon for each additional 10-year period of service.

Periods of service as a member of the Honorary Reserve and or Honorary Retired List of a civilian component of the Armed Forces of the United States will not be considered in determining eligibility. However, all periods of active federal service by such members will be considered.

Army reservists may have their eligibility for the ribbon determined and secure them on an issue basis from their nearest Reserve Instructor Office.

Miss Jeanne Beasley of Vera was a week end guest of Miss Patricia Faye Putnam.
